Bill Anderson, Tahoka Cotton Man, Frozen To Death

(Special To The Journal)

TAHOKA, March 10—Body of Wm. P. (Bill) Anderson, about 56, a Tahoka cotton buyer, was found about 10:30 o'clock this morning behind a terrace in a field near where his car had stopped.

He had frozen to death.

Sheriff Sam Floyd of Tahoka said Mr. Anderson had been missing since 9:15 p. m. Tuesday, when he left in his car for his farm about six miles northeast of Tahoka. The farm is operated by a son, Pete Anderson.

The car stuck in a sandbed.

A dog riding in the car with Mr. Anderson went to the Pete Anderson farm at noon Wednesday and a search was started.

The car was found, but Mr. Anderson could not be located.

Relatives decided Mr. Anderson had caught a ride back to Tahoka.

Failing to find him there, it was theorized he had gone on business to Lubbock.

A searching party of approximately 60 men was organized this morning by the sheriff.

Leroy Knight and Sam Price, both of Lynn county, discovered the body behind the terrace,—three-quarters mile from the car, and only a quarter-mile from the protection of the Pete Anderson residence.

His heavy coat had been pulled off, and lay beside the body.

The searching party had criss-crossed over the frozen field and over fields adjacent.

It was assumed by Sheriff Floyd and other members of the party that, when the car could not be driven out of the sand, Mr. Anderson began wandering in search of his son's house.

Temperatures—it was 32 degrees at 9:30 p. m. Tuesday—began a gradual sag of one to two degrees an hour. At 11:30 a. m. Wednesday, the reading was 11 degrees.

It was foggy.

It was theorized by Sheriff Floyd and the searching party that Mr. Anderson "wore himself out trying to find his way, and possibly fell exhausted and died of cold and exposure."

Survivors include his wife; three daughters, Mrs. Belverd Needles of 1710 Thirtieth in Lubbock, Mrs. L. D. Hoover of Amarillo and Miss Laquita Anderson of Tahoka; three sons, Edgar Anderson of Lamesa, T-Sgt. R. B. Anderson, who is stationed in Washington, D. C., with the Army Air force, and Lloyd Anderson of east of Tahoka. The body is at Stanley Funeral home here.

Teachers Will Get Full Pay

Jester Announces Plan In Which Bank Loans Are To Be Offered Communities

(By The Associated Press)

AUSTIN, March 11—Rural aid school teachers today were virtually assured of their full salaries for the current school year without a special session of the legislature.

Assurance came yesterday through a plan announced by Gov. Beauford H. Jester after conferences with representatives of key educational and banking agencies connected with th $3,000,000 rural aid fund shortage crisis and its solution.

The plan, Jester said, has the approval of all concerned and calls for local bank loans to the communities needing them, to be repaid through a promised appropriation of the next regular legislature.

The governor denied that there was any illegality in the plan, as charged in recent criticism of the proposal.

"There has been ample precedent," he declared.

Jester said W. A. Kirkland of Houston, president of the State Bankers association, will notify all Texas bankers that banks are agreeable to loaning money to local communities in all parts of Texas necessary to keeping rural-aid schools open for their full regular terms.

Photostatic copies of two other letters are to accompany Kirkland's letters. One is from the governor assuring recommendation for repayment legislation as the number one emergency for the next regular legislature's consideration. The other is from the legislative audit committee promising its efforts in preparing and passing the legislation.

Among those listed by the governor as approving the plan were State Banking Commissioner J. M. Falkner, State Superintendent

MANY PERSONS ARE STRANDED

Highways Blocked By Drifting Snow

KANSAS CITY, March 11.—The worst March blizzard on record brought drifting snow and subzero temperatures to Kansas today.

Highways were blocked, schools were closed and an acute gas shortage was reported in some areas. Three cities, McPherson, Hays and Concordia were isolated for hours as highway crews fought their way through road-blocking drifts.

Trains, Buses Late

Trains and buses were running late, and some were cancelled.

The intense cold and drifting snow also covered Missouri and Oklahoma, although Kansas bore the brunt of the storm.

Many cities reported the lowest March temperatures today since the weather bureau started keeping records. Among these Hays reported 23 degrees below zero, Garden City 22 below, Dodge City 15 below, Salina 11 below.

Eastward, Topeka, reported two below and Kansas City three below, coldest ever recorded here in March. Lowest in Missouri was 15 below at Tarkio.

Skies Are Clearing

Skies were clearing today and the snow appeared over, but another cold night was forecast with below zero temperatures over much of the area.

Snowdrifts as high as 10 feet were reported in the Oklahoma Panhandle. Oklahoma City had eight inches of snow yesterday and the Tulsa airport closed its doors for the first time in 20 years.

Many persons were stranded by the snow in Kansas. Near Salina, Kas., 39 persons were rescued yesterday after they took refuge in a small building when a bus and trucks in which they were riding stalled in drifts. Several Kansas towns were snowbound.

Gas company officials appealed

Drive On For Show Funds

Drive for funds to guarantee premium prices on calves, pigs and sheep exhibited and auctioned in the South Plains Junior Fat Stock show here March 22-24 was begun over coffee and doughnuts in the Hilton hotel this morning.

Conducting the campaign are more than 100 members of the show's finance committee, headed by Homer Hunt, grain elevator executive. About 60 committeemen attended the rally. First reports are to be made at the chamber of commerce this afternoon and daily thereafter.

Rewards Are Guaranteed

Hunt, Vernice Ford, general chairman of the show, and M. D. Fanning, secretary, stressed that the success of the show depends more upon the "premium pool" than any other one factor. It guarantees a reward to every boy and girl who exhibits and auctions a calf, pig or lamb in the show, regardless of whether they share in the $800 prizes.

Entries will be accepted, Fanning explained, from 4-H club and Future Farmer of American members in 26 counties of the South Plains and Eastern New Mexico. The object of the drive, he continued, is to provide a bonus averaging two to three cents a pound

Nine Persons Die As Fire Sweeps Hospital

Victims Heard Screaming As Blaze Strikes

Mental Patients Were Housed In Burned Building

(By The United Press)

ASHEVILLE, N. C., March 11. A holocaust of fire gutted one of the main buildings of the Highland hospital for nevrous diseases today and Dr. B. T. Bennett, medical director, said nine women patients were killed. Three others were injured, two critically.

Bennett said 29 women patients, all mental cases, were in the three-story building when fire broke out in the diet kitchen about midnight. Flames rapidly enveloped the building, trapping six of those killed on the top floor. Only two bodies had been recovered.

Her Hair Ablaze

Firemen said one unidentified woman in an upper story window stood wrapped in a towel with her hair ablaze and yelled at rescuers to keep cool. Another person leaped from a third-story window.

Townspeople of this mountain vacation playground swarmed to the scene and could hear the screams of the victims.

They helped round up a number of the mentally-ill women who strayed off the hospital grounds and wandered into nearby woods.

Firemen were hampered in rescue operations because the heavy windows of the hospital were shackled with strong chains to keep them from being opened too far. It was a precaution to prevent patients from escaping. Firefighters had to chop the steel links before they could get some of the patients out.

New Hollow Shell

The building was one of four units of the Duke university hospital at Durham, N. C. It was reduced to a hollow shell of stone and twisted, blackened steel before firemen could bring it under control. Bennett said the

UN To Ignore Czech Appeal

LAKE SUCCESS, N. Y., March 11 (U.P.)—The United Nations shelved without action today the appeal by Czechoslovak Delegate Jan Papanek for security council action against Russia and the new Communist regime in Czechoslovakia.

Pigeonholing of Papanek's complaint ruled out security council debate of the Czech crisis unless the United States or some other UN country decides suddenly to sponsor the move.

There was no indication that any UN country was prepared to take such a step—at least at this time.

U. S. Was Approached

It was understood, however, that the United States was one of the countries Papanek approached before submitting to UN yesterday a charge that Russia engineered the Communist coup in Prague last Feb. 20 in outright violation of the UN charter.

If the case did reach the security council, Russia would be able with her Big Five veto block decisive steps aimed either at Moscow or the Czech Communists.

Action on the Czech diplomat's complaint, which sought a judgment against Russia as well as unseating of the Communist Premier Klement Gottwald's Czech government, was ruled out in a legal decision taken by UN Secretary General Trygve Lie.

12 Killed In Airline Crash

Big Ship Falls On Prairie In Flaming Mass

One Survivor Is Reported; Bodies Badly Charred

(By The Associated Press)

CHICAGO, March 11.—A Delta Airlines DC-4 plane crashed and burned explosively late last night a few seconds after it took off from Chicago's municipal airport. Twelve of 13 aboard were killed.

The only survivor was a 33-year-old mother whose seven year old son perished in the fiery wreckage. She screamed hysterically for her child as she was pulled from the flames.

Injuries Are Serious

The woman, Mrs. Tripolino Meo, of suburban Oak Lawn, Ill., suffered severe burns. Both of her legs and both of her arms were broken.

All four members of the crew were killed. The plane was bound for Miami, Fla. It splashed into an orange-colored, flaming mass on a nearby prairie at 10:58 p. m. (CST) from a height of 500 to 1,000 feet, during a snow flurry, witnesses said.

It was Delta's first accident in scheduled operations since 1934. Last year the airlines received a special citation from the National Safety Council.

Craft Caught Fire

"Something went wrong" and the huge craft caught fire when only a few feet above the runway, Delta's district traffic manager said. There was no further explanation.

Among the identified dead were two Chicago brothers on their way to the bedside of their father, near death in Miami Beach, Fla. The two were Harold Levy, 47, prominent criminal lawyer, and Ralph

Truman Requests 55 Million For Europe

WASHINGTON, March 11. (AP)—President Truman today asked Congress for an additional $55,000,000 to help tide western Europe over until the European recovery program is enacted.

Congress voted $540,000,000 temporary aid last fall, including $18,000,000 for China.

It was expected then that this money would last until the Marshall plan was passed.

But in a letter to Speaker Martin (R-Mass), President Truman said:

"Events which have taken place in Europe during recent weeks do not permit us with safety or prudence to risk a break in the supply flow at this moment. I therefore hope that Congress will find it possible to make available the needed funds before April 1."

United States Is Determined To Be Ready In Case Of War

Schools Over This Section Are To Close

Teachers From 27 Counties Expected To Attend Session In Lubbock Friday

Unless bad weather reduces attendance, between 2,200 and 2,400 teachers are expected to attend the annual meeting of West Texas Teachers association Friday afternoon and night at Senior High school.

Attendance is expected to be about the same as that last year, said Floyd Honey, Lubbock Senior High school principal and president of the association.

Two committee meetings will be conducted Friday morning. The nominating committee, of which Registrar W. P. Clement of Texas Technological college is chairman, and the resolutions committee, of which Supt. O. J. Laas of Plainview is chairman, are to meet at 10 a. m.

An administrator's luncheon wil be conducted at 11:30 a. m. at Lubbock hotel, with H. P. Clemons, superintendent of Whiteface schools, as chairman. Dr. A. J. Stoddard, superintendent of Philadelphia schools, will speak.

The West Texas Teachers association membership includes teachers in 27 counties and one other school district, the Colorado district.

Schools in the area ordinarily close so teachers may attend the

(By The Associated Press)

WASHINGTON, March 11 — Military developments in the United States reflect the "very, very serious" world situation noted by Secretary of State Marshall.

High command conferences . . . new weapons . . . quests for military manpower . . . congressional warnings against cutting defense funds.

All these coincided today with Marshall's grave summation of the trend of global affairs.

Guard Against Attack

But just as the secretary voiced an implied plea to the American people to keep cool, other top officials in both the diplomatic and military branches of the government took pains to stress this:

All efforts to build up the United States' armed might are aimed solely at guarding against aggressive attack.

These officials shun the idea of a "preventive" war to beat any would-be attacker to the draw. Secretary of Defense Forrestal told a news conference yesterday that it is not the nature of democracies, "particularly this democracy," to plan a war deliberately.

But the United States is determined to put its military house in order.

Some Of Latest Efforts

Here are some of the latest efforts:

High command: Forrestal has ordered the joint chiefs of staff to meet with him and tell him where they disagree about what service should do what in a war.

If these military commanders of the army, navy and air force and the chief of staff to the President still can't agree, Forrestal will make his own decisions.

Weapons: While making ready for further tests of atomic weapons in the Pacific, the military

CASH AND MERCHANDISE MISSING

Burglary Wave In Lubbock Increases

Theft of $874.65 worth of property from Massey Motor company, at 202 Broadway, and three burglaries were under investigation this morning of the sheriff's department and city police.

Two negroes, 20 and 28, were being questioned in connection with theft from the motor company of seven radios valued at $74.60 each, five fog lights valued at $12.65 each, nine spotlights valued at $17.20 each, six batteries valued at approximately $20 each, and two back-up lights valued at $7.20 each.

Charge Is Filed

The older, Clarence Bryant, was charged this afternoon with theft of seven automobile radios, assistant District Attorney E. G. Pharr said. The charge will be investigated by a grand jury.

In a statement given to Pharr, Bryant said he had worked for the motor company 10 months and that he had been stealing from it since mid-January. He said he had received $20 for each of the radios stolen except one, for which he was given $25, and that he had taken as little as $5 each for the batteries. He admitted theft of other property there.

He admitted selling to various individuals, who paid him after they had resold the property.

Some of the transactions eventually involved as many as three or four persons, it was understood.

The investigation was being continued.

Deputies said they had been

Senate Speeds Tax Cut Plan

WASHINGTON, March 11 (AP)—Senator George (D-Ga) today predicted the Senate finance committee will vote for an income tax cut of about $4,750,000,000 with some Democrats going along.

The Georgia lawmaker, ranking minority member, made this forecast to reporters as the Republican-controlled finance group scheduled a closed meeting to start writing a tax bill.

Finish By Nightfall

Chairman Millikin (R-Colo) said he believes the job can be finished by nightfall.

He and other Republican members are out to whittle the $6,500,000,000 tax cut measure passed by the House to a figure they hope will attract enough Democratic votes to override an expected presidential veto. That would require a two-thirds margin in both House and Senate.

Millikin has said he expects the Senate figure to be "somewhere between $4,500,000,000 and $5,000,000,000."

George said he believes the amount will be "about half way between" Millikin's low and high.

Holds Little Hope

The Georgian commented that he would like to see the cut held to about $4,000,000,000. But he held out little hope the Republicans could be persuaded to go that far.

Senator Edwin C. Johnson (D-Colo), another finance committee member, has said he will vote for as much as $5,000,000,000.

But like George, Senator Lucas (D-Ill) said he favors a top cut of $4,000,000,000.

Planes Are Lost In Oklahoma City Fire

OKLAHOMA CITY, March 11. (U.P.)—Fire in near-zero weather today burned out the main hangar of Tulakes airport northwest of here and destroyed all but one of 32 airplanes stored inside. Damage was estimated at a minimum of $125,000.

Twelve of the planes were owned by Southwestern Airways, Inc., which leases the field from the city of Oklahoma City. The others were owned by private individuals who stored them in the hangar. George W. Hamilton, one of the company's representatives here, said Southwestern's damage would amount to at least $60,000.

Two Killed, Three Injured In Crash

SAN ANTONIO, March 11. (AP)—Two men were killed and three injured, two seriously, following a collision between an ambulance and cattle truck eight miles south of here on highway 281 late yesterday, the sheriff's office reported here today.

Juan Cabera, 24, and E. V. Young, 33, employes of a Kingsville funeral home, died shortly after arrival at a local hospital.

Seriously injured was J. W. Nepper, 28, who was being carried in the ambulance from Kingsville to the Brooke General hospital for a major operation, and Rev. Howard T. Rich, Baptist pastor at Kingsville, who was accompanying him.

Pampa Coldest Spot In Texas At Five Below

Mercury Plunges To 2 Degrees In City Early Today

BY OPAL DIXON
Journal Staff Writer

A cold air mass continued to hang over the Panhandle and South Plains today, dropping temperature as low as five degrees below at Pampa and to two degrees above in Lubbock, but snow had ceased in those areas and was falling further south.

Even with the sun shining, the cold air mass leaves much to be done before weather becomes warm in this area, the U. S. Weather bureau station north of Lubbock reported.

FROM BAD TO WORSE!
Don't let today's sunshine raise your hopes too high!
The forecast for Friday morning for the Panhandle and South Plains is five below to five above zero, said Lee W. Weaver, official in charge of the U. S. Weather bureau. His forecast for Lubbock immediate vicinity, given early this afternoon, was "near zero."

Two Degrees Here

For two hours this morning, at 6:30 and 7:30 o'clock, the temperature was recorded at two degrees at the weather station.

Temperature of 17 degrees recorded at 12:30 o'clock this afternoon was the highest in 30 hours—since 20 was recorded at 6:30 o'clock Wednesday morning. From 11:30 o'clock Wednesday night through 9:30 o'clock this morning, the highest temperature at the weather station near Lubbock was five degrees.

Three Below At Amarillo

Amarillo's temperature was recorded at three below zero shortly before 5 o'clock this morning, giving Amarillo the coldest March day in the 55-year history of the weather station there. Temperature at Amarillo was 12 degrees at 12:30 o'clock this afternoon.

Pampa's temperature was 9 degrees at 12:30 o'clock this afternoon.

The actual cold front with its accompanying high wind velocity had moved southward, but a mass of cold air remained behind.

Snow Has Ceased

Snow had ceased in the Panhandle and South Plains and no additional snow or other precipitation was forecast. The forecast for Lubbock and vicinity was for partly cloudy and continued cold today and tonight. "Not quite so cold Friday afternoon" was the hope held out by the weather man for a break in present conditions. Weather is expected to be considerably warmer Saturday, the weather station reported.

Snow was reported at Dallas and Abilene at 7:30 a. m., snow which had been falling an hour earlier at San Angelo had ceased, and sleet was reported at Waco.

At 12:30 o'clock this afternoon, Texas cities indicating precipitation, in reports received at the weather station here, were: Waco, snow, 18 degrees temperature; Austin, freezing rain and sleet, 21 degrees; Bryan, light snow, 21 degrees.

The cold weather—caused by a large mass of cold air which moved down from Canada—was described by the United Press as one of the coldest waves for March in the history of the U. S. Weather bureau in Texas.

The five degrees below zero re-

Few Short Weeks Or Months Of Life Left

Sacks Of Mail Arriving Daily At Home Of Child As Death Angel Hovers Near

* * *

CLEVELAND, March 11 (AP)—Sacks of mail are arriving daily at the home of four-year-old Donna Sue Patrick, who has only a few weeks or months to live.

The frail child, suffering from lympatic leukemia, hasn't been able to open al lthe thousands of cards, letters and presents sent from all over the country.

Mr. and Mrs. Donald A. Patrick are a little astounded by the reaction of persons who read of her plight.

"I think this is wonderful," said the father, a bakery company salesman. "I never could imagine anything like this happening to someone in distress."

The parents are resigned to their daughter's fate.

"If the Lord wants it this way, I guess it's best," Patrick said. "There are many worse things that could happen to her if she had lived to be older."

DONNA SUE PATRICK

He Was Believed Killed In Mexican Revolution In 1911

Ranch Hand Discards Name Of Billy Smith To Reveal He's Pat Hurley's Long-Lost Brother

(By The United Press)

MARYSVILLE, Cal., March 11—A 65-year-old ranch hand discarded the name of "Billy Smith" today and disclosed he was the long-lost brother of Patrick J. Hurley, Secretary of War under President Hoover and former U. S. ambassador to China.

In a copyright story in the Marysville Appeal Democrat, William Patrick Hurley claimed he was the brother whom everyone believed was killed in the Mexican revolution of 1911—37 years ago.

He said he decided last month to write an air mail letter to his brother in Washington to ask for money.

"I was 65 either yesterday or today and the columnists might make something out of it if they found out that Pat Hurley's brother is on an old age pension," he said.

The two brothers last saw each other in 1903 in Lehigh, Okla., where the Hurley family lived. William last was heard from in 1908 when a coat bearing his name was stolen from an El Paso restaurant in 1908.

"Whoever got that coat was killed in a revolution in Mexico and they thought it was me on account of the deeds," William said.

The grey-haired farm worker telephoned his brother in Santa Fe, N. M., Tuesday night. The money to pay for the long distance call was chipped in by friends in the town of Dingville, near here, where William works.

"He said re recognized my voice right away," William said.

The former war secretary said he was "satisfied" it was his brother.

"Naturally, we are very happy we've at last got together," Patrick Hurley said.

He added [illegible] member of the

Vet Bonus Campaign Launched In Texas

FORT WORTH, March 11. (U.P.)—Vaughn R. Woodward of Fort Worth today headed the Associated Texas Veterans, an organization devoted to getting a bonus for ex-GI's in Texas.

Some 175 veterans from Fort Worth, Tyler, Brownwood, Eastland and other cities gathered for an organization meeting here and elected Woodward permanent chairman.

Woodward said a committee would meet here Sunday at 2 p. m. with representatives of other veterans organizations to coordinate their forces in a bonus drive.

Man Is Challenging Nature On Problem Of Plant Life Control

By VINCENT BURKE
United Press Staff Writer

WASHINGTON, March 11. — Man today is trying as never before to take control of plant life away from Mother Nature.

At an Agriculture Department experiment station at Beltsville, Md., man is making his bid with the help of two of his most deadly war weapons—atomic-powered radioactivity and chemical plant killers.

Agriculture chemists are using the weapons to spy on nature. They hope to learn the secret means by which she regulates plant life. From that knowledge they hope some day to develop chemicals which man can use to regulate the life and growth of all plants.

Dr. John W. Mitchell, the department's top authority on the subject, cited a few of the practical possibilities that might stem from such control:

Possibilities Listed

1. Development of chemicals that could be used in combination to eliminate all cropland weeds, especially grasses, before they sprout—but at the same time would damage no crops. That could revolutionize farming by eliminating the need for the hoe and the cultivator. The farmer of the future might be able to do all his weeding with a spray gun and chemicals bought at the drug store.

2. New chemicals that would give the farmer extended control over the rate of growth of his crops. One possibility is a regulator that would keep fruit trees from budding until the danger of frost is past and then would automatically speed up the process to make up for "lost time." Another possibility is a regulator that would retain in big peas the flavor that is obtainable now only in small peas picked early. The same goes for corn.

3. Chemicals that could be used to increase the nutritional value of food crops, especially their mineral content.

Science already has found chemicals that will do some of those things.

Army Keeps It Secret

Some of the chemical regulators were found before the war. Others, such at 2,4-d, were discovered during the war when scientists turned their attention toward helping the military. As a result of that help, the U. S. Army today is armed with chemical powders and sprays that can be used in time of war to kill all plants in an enemy country. The Army has clamped an air-tight secrecy on the subject and won't even talk about it.

Many of the "inhibiting" and "stimulating" growth regulators have practical, peace-time use. Take 2,4-d. It has been used successfully to kill broad-leafed weeds in fields of narrow-leafed food plants, such as sugar cane, rice, corn, wheat and rye. But it's dangerous to use unless precautions are taken. It kills all broad-leafed plants, crop or weed.

Then there is naphthaleneacetic acid. It has been used since 1939 to keep apples from dropping from trees before they ripen. And, today it is in wide use in orchards in the Pacific Northwest.

Must Learn "How"

Agriculture scientists are trying to refine those regulators and to concoct new and better ones. They believe the first step is to learn how they work.

"We still don't know what the mechanism is," said Dr. George Irving, assistant chief of agricultural chemistry. "We must learn what happens between the time the chemical is sprayed and the result is seen in the growing plant."

Atomic power may solve the problem by producing large quantities of radioactive atoms at Oak Ridge, Tenn. The chemists took radioactive iodine atoms and worked them into the molecules of the plant regulators. The "built-in radioactivity" put a "mark" on the chemical regulator. Standing by with Geiger counters, the chemists now are "tracing" the regulators, "watching" them go to work on plants.

Information Given On State Bonuses

Several states have completed legislation on veterans' bonuses, and information concerning the legislation is available at the office of Jack Hall, county service officer at the American Legion hall, it was announced yesterday.

Eight states have begun the process of paying the bonus, the announcement said, but application forms have been received only from Ohio, Hall said. Other states, on which he has information, but no application forms, are Massachusetts, Illinois, Michigan, New Hampshire, Rhode Island, Vermont, and Alaska.

The Ohio law provides for payment of $10 for each month of domestic service, and $15 for each month of foreign duty, to qualified veterans, but $400 is the maximum.

To be eligible the veteran must have resided in that state one year or more immediately prior to entering service, and must have served 90 days or more between Dec. 7, 1941 and Sept. 2, 1945.

The Ohio law also provides for payment of the bonus to next of kin to deceased veterans.

Hall said he believes a number of veterans from other states are now in this vicinity, and that his office will assist in any way it can to facilitate the bonus matter.

Inquest Verdict In Death Is Awaited

BALLINGER, March 11 (AP) — An inquest verdict and results of an autopsy were still withheld today pending completion of a probe in the mysterious death of H. M. Crittenden, 42.

Crittenden, a bookkeeper for a construction company, was pronounced dead on arrival at a hospital here Tuesday.

He was taken to the hospital by Edward T. Jones, 32, an oil worker, who told officers he found Crittenden in the back seat of his car.

Coroner J. N. Key said he was withholding an inquest verdict until investigation was completed.

Crittenden's body was sent to San Antonio for burial.

Service Read In Evening

Miss Mildred Adkison, daughter of Mr. and Mrs. E. W. Adkison of 1914 Eighteenth, and Lee Roy Boone, son of Mr. and Mrs. H. D. Boone of Rt. 1, Meadow, were married in a double ring ceremoney read at Asbury Methodist church Wednesday night at 6:45 o'clock. Performing the ceremony was Rev. W. E. Hamilton of Clarendon.

Arranged on the altar were baskets of white gladioli, palms and tapers burning in candelabra. Robert E. Hays, accompanied by Mrs. C. E. Reynolds, organist, sang "Because," "Always" and "The Wedding Prayer." Mrs. Reynolds also played "Indian Love Call" and "Ah, Sweet Mystery of Life" as Miss Essie Jeffcoat and Miss Geraldine Bullock lighted candles.

Bride Wears Blue

The bride wore a powder blue dressmaker suit with navy blue accessories. She carried a white bible topped with a white orchid and white satin streamers; for something old, she wore a gold pin belonging to her mother; for something borrowed, she wore pearl earrings belonging to Mrs. Bernice Carnahan; and for something new, she wore a strand of pearls, gift from the bridegroom.

Mrs. George Holman, sister of the bride and matron of honor, wore a brown printed crepe dress with brown accessories and a bouquet of gardenias.

El Roy Boone, of Meadow, twin brother of the bridegroom, served as best man and W. F. Bradshaw, L. E. Settle of Ropesville and Lawrence Wiley were ushers.

A reception was given in the Adkison home following the ceremony. Mrs. L. E. Settle received guests at the door and Miss Jeffcoat and Mrs. Eddie Adkison presided at the refreshment table. A white linen cloth covered the table which was centered with a wedding ring cake; other decorations included candles, fern and white gladioli.

Out-of-town wedding guests were from Meadow, Morton, Levelland and Clarendon.

For a wedding trip to points in New Mexico, the bride wore a gray gabardine dress with a white orchid corsage. The couple will be at home at Smyer after March 17.

Mrs. Boone, a graduate of Lubbock High school, has been employed by South Plains Music company. She is a member of Speakers club. Mr. Boone, a farmer, is a graduate of Meadow High school.

MARY HAWORTH'S MAIL . . .

Orphaned By War And Jilted By Girl Who Meant Much To Him, European Man Is Quite Depressed

DEAR Mary Haworth: Ever since my arrival from Europe eight months ago I have been reading your articles with sincere appreciation of your wise understanding counsel.

Now as a last resort I am turning to you for help, after many consultations with different doctors and one eminent psychiatrist, none of whom told me the essential cause of my trouble, and whose services were of no avail.

The facts are that I have suffered a severe depression, head pains, jerking of the eyes, failing memory and loss of confidence in myself since two year sago, when I broke off a nine months' friendship with a girl. Or rather, after she broke off, saying that she felt too young to go steady with a young man. We were both 22 years old then.

LIFE HAS PALLED HE AVOIDS PEOPLE

I STARTED to avoid people and to withdraw from life, losing all desire to live, although I fought against this. Prior to this affair I was of a cheerful disposition, had lots of friends, was always happy and managed to enjoy life fully, despite the fact that I was a war orphan.

Do you think the low state of mind in which I am now was caused by this affair with the girl? If so, why? And how can I get to feel myself again?

I would like to say that the girl meant a great deal to me and made up for many things I missed. But I should have thought that clear reasoning on my part and the passage of time since then would have helped me overcome it and get to the bottom of the emotional conflict which I am sure is back of it all.

Having studied a little social psychology myself, I have been trying to analyze myself, but the more I think about the problem the more complicated it seems and I find myself going in circles. Will you please help me? Signed F. B.

OVERESTIMATES THE EXPERIENCE

DEAR F. B.: Your low state of mind was caused by the girl's decision to terminate the affair only in the sense that it came as a crowning blow, when you were already precariously disturbed emotionally (to a much greater extent than you realized) by a series of devastating shocks and heartaches that had gone before, leaving you a war orphan at a young age, in the wake of the European holocaust.

You say the girl meant a great deal to you, that she made up for many things you missed, which signifies that you were clinging to her dependently—with jealous possessive anxiety, I daresay—as to a life raft in a sea of troubles. And doing this at a point in your experience when you were soul-beset by that ultimate sense of desolation and frightened loneliness felt by sensitive persons who've lost faith in God, humanity and their own powers to cope with life, as a result of knowing too much catastrophe and too little peace, security, love and protection in formative years.

In all probability, your attachment to the girl embodied much resentment, inasmuch as dependent personalities do greatly resent their dependent state (though unawarely) and translate it into grievances against the love-object.

GIRL COULDN'T MEET HIS NEED

THUS when she cast you off, this latent resentment was tremendously accelerated by the rejection-experience, which also unleashed a new tidal wave of panicky despair, and you had no way of constructively draining off these critically disturbing negative emotions, the nature of which you couldn't fathom—so they took toll of your physical and psychological health in the manner described.

In brief, then, it seems to me your basic problem has to do with loneliness and fear of life, which in turn boils down, just as you say, to loss of confidence in yourself, a condition which is quite understandable in view of your tragic background, but which at your age (and with your natural vigor, which has brought you through so much) should be rather quickly remediable, provided you get a bit of first-hand help from a genuinely competent specialist.

Physicians and one eminent psychiatrist having failed to light up the difficulty and break the log-jam of congested distress, it surely follows that a seasoned psychoanalyst with spiritual discernment—and there are a few — is the counselor needed here.

About the girl: Your healing will begin when you realize that she had to break off in self-defense, because your unconscious demands of here were in essence irrational. She simply couldn't be the satisfactory Father-Mother-God, the all-in-all, that you implicitly wanted her to be.

M. H.

Mary Haworth counsels through her column, not by mail or personal interview. Write her in care of The Lubbock Evening Journal.

Central High P-TA Will Sponsor Variety Show

Tonight at 7:30 o'clock in Junior High school auditorium, a variety show will be given under the sponsorship of Central Junior High Parent-Teacher association. Master of ceremonies is to be Rex Webster.

Taking part will be the following: skit by Patricia Rhea and Douglas Smith; songs by the Central Junior High Melody and Harmony choirs, accompanied by Ann Grant; pantomime specialty by R. B. Parkinson; songs by Beverly Cumbie; dances by pupils of Larrymore dance studio; singing with guitars by Don Webb and James Solley; trumpet solos by Lloyd Jenkins; impersonation of Betty Hutton, Al Jolson and Bing Crosby, by Maxine McCollum, David Fawcett and Donnie Rawls, respectively; piano numbers by Gerre Hancock; sleight of hand tricks by Jack Rigney; songs by a quartet from Boy Scout Troop 5, Jimmy Murray, John Morrisset, Cecil Caddel and Lowell Caddel; and an origional skit by Joyce Walker and Frances Roth.

Admission will be 30 cents for adults and 9 cents for children.

Officers Are Named In P-TA And B-PW Organizations

Elections have featured meetings of civic and educational organizations this week.

The slate of officers for O. L. Slaton High Parent-Teacher association for 1948-49 has been announced as follows:

W. Paul Willis, president; Mrs. Clarence Whiteside, vice-president; Sam Leifeste, treasurer; Mrs. C. W. Ratliff, secretary; Mrs. J. A. Burns, historian; and Mrs. E. E. Rhodes, parliamentarian.

At the last meeting of the organization, work from each department of the school was exhibited.

G. E. Dawson, principal, gave a report on Cub pack 10 which is sponsored by the P-TA.

* * *

Officers who will be installed in June were elected at a luncheon meeting of the Lubbock Business and Professional Women's club Wednesday noon at the Hilton hotel. They were:

Mesdames June Woodrum, president; Elizabeth Walton, vice president; Madie Garner, recording secretary; Gertrude Hubbard, corresponding secretary and Miss Margaret Hunt, treasurer.

A dinner meeting originally scheduled for March 24 was changed to March 17 because of Holy Week.

It was announced incoming officers will be delegates to the state meeting of the organization in Dallas April 23-25. Mesdames Elnora Harlan, Bernice Carnahan and Miss Murl Ratliff will be other delegates.

Miss Ann Hill was received as a member and it was announced there are 139 members in the Lubbock club.

* * *

Gifts were exchanged by members of Friendly Nine Needle club who met with Mrs. H. F. Holland, 2102 Ave. M, Wednesday and a love shower was presented to Mrs. Tom Ogg. Luncheon was served to the following:

Mesdames Ogg, Leonard Heim, E. C. Caviness, G. E. Holmes, John Box, W. R. Breedlove, John Stephenson, Audis Moore, and guests, Mesdames Lillie Collins, Bessie Cole and Lillie Petty.

The club is to meet March 24 at 2 p. m. with Mrs. Caviness, 2103 Thirtieth.

* * *

A monthly meeting of Wednesday Needle club held yesterday afternoon in the home of Mrs. Randall Polk was attended by the following:

Mesdames D. L. Patterson, Frank Mitchell, Jack Lewis, S. C. Wilson, L. B. Wright, R. Rushing, F. M. Maddox, J. B. Maxey and Lee C. O'Neil.

* * *

Meeting with Mrs. Curtis Boyd, 2910 Twenty-first, yesterday afternoon were members of Sew on Wednesday club.

They were Mesdames E. E. McClatchy, Ralph Burdett, Lewis Hobbs, A. B. Bryant, E. M. Copp, G. R. Saverance, Elmer East, Raymond Waters and E. C. Pool. A guest was Mrs. Reginald Rushing.

March 24 at 2 p. m., the club will meet with Mrs. Bryant, 3110 Thirtieth.

* * *

1940 Needle club members who met with Mrs. L. F. Lively, 2210 Main, Wednesday afternoon were:

Mesdames Clyde McCrummen, Raye Peeks, R. W. Caruthers, R. M. Shoulders, J. C. Pharr, E. D. Van Meter, J. J. Rozzell and H. G. Urguette.

Mrs. Jack Melton will be hostess to the club April 14 at 3 p. m. in the home of Mrs. C. B. Lively, 2213 Twenty-seventh.

* * *

Clothing collected by Theta Rho Girls club was distributed to needy school children Wednesday morning by Mrs. G. W. Blair, club advisor, and Mrs. M. J. Wilson, sponsor.

The women found the need to be greater than expected, so the club is asking for more clothing. Clothes for boys and girls from 6 to 12 years of age are needed especially, but any size can be used. Those wishing to contribute to the project are asked to call Mrs. G. W. Blair at 2-2594.

Principals of the schools visited by Mrs. Blair and Mrs. Wilson said that the need for clothing is pathetic and the number of needy children is great.

* * *

Luthern Women's Missionary League of Redeemer Lutheran chuch made plans at a Tuesday night meeting to send food and clothing to five European families during this month. Mrs. Walter Schneider was hostess in her home at Veterans Village.

Program for the evening was on "Christian Burial" and was led by Rev. Karl W. Keller.

Mesdames Wallace Klatt, Albert Ohlenbusch and Keller were appointed as the March visiting committee. Others attending were Mesdames Vance Albers, Godfrey Cadra, Alvin Druesedow, Tommy Duke, M. H. Ford, Harvy Kahn, Herbert Johnson, A. E. Lieske, M. S. Riley, O. O. Schade and Sylvin Schoppa. Guests were Mesdames E. L. Becktold, L. F. Poglits, Hattie Haseloff and Frank Wolf.

The meeting was closed with the Lord's Prayer.

Abilene Organist Is To Give Recital Tonight

The public is invited to attend a recital of organ music to be played by John Rodgers, head of the organ department at McMurry college, Abilene, tonight at 7:30 o'clock at St. Paul's Episcopal church. Mr. Rodgers is being presented by St. Cecilia's Guild of the church. No admission will be charged.

Numbers are to be as follows: Trumpet Tune (Purcell); The Old Year Has Passed Away and Have Mercy on Me, O Lord (Bach); Violin Sonata in G Minor, andante, allegro adagio and allegretto movements (Handel); Canon in B Minor (Schumann); The Mystic Organ (Tournemire); An Elfin Dance (Edmundson); Violin Concerto in E Minor (Mendelssohn); Praeludium and Allegro (Kreisler); Waltz in A Major (Brahms-Hochstein); Chorale (Peeters); Aria (Peeters); Tocata (Lanquetuit).

Sorority Courtesy Will Honor Future Teachers

Future Teachers of America will be honored at a meeting of Alpha Sigma chapter, Delta Kappa sorority, to be held Saturday afternoon at 2:30 o'clock at Junior High school library. The sorority is an honorary organization for teachers.

All high school and college students who are interested are invited to attend.

An open forum, "The Significant Contributions Made by Teachers in Our Community," will be presented as follows:

"Schools and Teachers as a Business Asset to the Community," Mrs. Clarence Whiteside; "Teachers as Leaders and Followers," Mrs. A. W. Young; "Teachers in the Spiritual Life of Our Town," Dr. H. G. Gantz; "What My Children Have Learned from Their Teachers Besides Subject Matter," Mrs. O. L. Byrd; and "What I Shall Remember When the Grades Are Forgotten," Miss Gretchen Clift.

Talks Are On Personality

Avoiding some of the common maladjustments was subject for discussions at a meeting of AAUW Child Study Unit 2 Wednesday afternoon in the home of Mrs. Lennis Baker, 1710 Thirty-first, with Mrs. H. J. Steinhoff as hostess.

Mrs. Gordon Deering, in discussing "Fear," suggested that "fear breeds fear and a child who has never been frightened will not be afraid to sleep alone in a dark room with the door closed." "Ridicule and scarcasm will never help a child to be brave," she warned.

Mrs. Paul Cates, whose topic was "Shyness," said this trait, "which is often mistaken for stupidity in a child, may be thought of as coyness in an adult who may overcome the difficult because he has a more selective friendship than children."

"The show-off stage" was discussed by Mrs. Otis Fincher who said that "personality is made by man." "You can mould your child as a piece of clay; he will become what you make him—happy and well adjusted or a psychological failure."

Mrs. Frank L. Todd summarized the talks.

Mesdames Bob Elam and Frank Wilson were guests and other members present were Mesdames N. A. Cox, Bill Rogers, Belverd Needles, Eugene Knox, C. M. Neel, D. C. Casey and R. H. Canaday.

Mary-Emma Club Roll Is Including Eight Boys

Eight senior high boys were received into membership at a meeting of Mary-Emma club, home economic organization, at a meeting at the school Thursday noon. They were Kent Wright, Paul Farris, Kenneth Cox, Bob D'Spain, Ray Hemsley, Norman Dean, Lloyd Willis and Horace Henley.

Tom Cleveland, Tech student whose parents are missionaries in Africa, spoke on "Woman's Life in Africa."

At a called meeting of the club Tuesday, Janie Sale was elected delegate to the state meeting of the Texas Association of Future Homemakers of America to be held in Galveston April 23-24.

ON FURNITURE

A program on furniture was presented Tuesday afternoon at a meeting of Southwest Home Demonstration club with Mrs. C. B. Allen. Miss Clara Pratt talked on period furniture and gave a demonstration on furniture construction.

Twelve members attended. The club will meet March 23 with Miss Marie Gooch.

Genevieve Ferguson And Mr. Smith Will Marry

CROWELL, March 10 (Special)—Announcing the engagement and approaching marriage of her daughter, Miss Genevieve Fergeson, to Haskel B. Smith of Las Cruces, N. M., Mrs. S. P. Fergeson of Crowell and Slaton gave an afternoon tea Wednesday in the home of one of the assistant hostesses, Mrs. C. R. Fergeson, aunt of the bride-elect. Her grandmother, Mrs. S. J. Fergeson was the other hostess.

Mrs. M. S. Henry and Mrs. R. L. Kincaide presided at the silver service and assisting in hospitalities were Mesdames Karl Ten Brink, C. D. Fergeson, Richard Fergeson and J. R. Beverly.

A Philippine cloth covered the refreshment table which was centered with a Colonial arrangement of white flowers. A silver tray at one end of the table bore plate favors of silver bells lettered with Genevieve and Haskel, March 27, and crystal and silver candelabra with white tapers was at the other end.

The wedding will take place at the First Methodist church in Crowell.

I SHOULD HAVE TO WRITE IT 100 TIMES:
"Used Fats Are Still Badly Needed!"

It is hard to realize, but it's all too true! We're *still* fighting the worst shortage of fats and oils the world has ever known. Our government says there simply isn't enough to go around. One way we can help keep this supply from getting even *lower* is to turn in our used fats.

Remember during the war, how you melted down fat trimmings, skimmed gravies . . . really scraped your pans? Those tricks *still* work . . . *still* give you a worthwhile extra supply. And even if you re-use your fats for cooking, there are always a few drops left to save.

You pick up a nice little piece of change, too . . . when you turn in your used fats, remember. They're the only kitchen waste you can turn into cash . . . and it *helps*, these days of high food costs. So please . . . keep saving . . .

Keep Turning in Used Fats
American Fat Salvage Committee, Inc.

CHANGE of LIFE?

Are you going through the functional 'middle age' period peculiar to women (38 to 52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect! LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Jewish Agency Building Is Hit By Blast; Casualty Toll High

JERUSALEM, March 11 (AP)—The closely guarded Jewish agency building was badly damaged by an explosion today soon after a car flying an American flag was seen entering its courtyard. Early reports said the death toll would be high.

Five persons were known to have been killed and close to 100 injured. None of the casualties was a top officer of the agency, official spokesman for Palestine Jewry, though three of those slightly hurt were minor officials.

Two Men Inside

Jews in the building at the time said the automobile with the American flag entered the courtyard through the guarded gate with two men inside. The men parked the car, walked out past the guard and drove away in a waiting taxicab, the witnesses said. The building caught fire after the blast.

Witnesses speculated that the car may have been one of the automobiles stolen in the last two weeks from the United States consulate.

First reports from police at the scene of the blast said an explosive-laden truck — perhaps two trucks—evidently had been driven into the courtyard and touched off.

Was One Of Finest

The semi-circular two-story stone-and-concrete building had hundreds of rooms and was one of Jerusalem's finest.

The right wing, said persons on the scene, was utter ruin. It still was burning an hour after the blast. All the rest of the structure was badly damaged. Windows were shattered, walls cracked and the roof blown off.

The building, finished in the late twenties, housed all archives of the agency and the most important records of Zionism. First reports indicated many of these

So far as is known, no member of the Jewish agency executive was injured. Most of them, including Chairman David Ben-Curion, were in Tel Aviv at the time. The chairman's room was among those wrecked. The political department rooms were damaged severely.

Among those injured slightly were Gershon Hirsch, spokesman for the executive; Reuben Saslini of the Jewish agency political department; and Walter Eytan, liaison officer of the agency with the United Nations partition commission's advance party here.

The explosion, at 9:45 a. m. local time, sounded almost as heavy as the disastrous Ben Yehuda street blast on Feb. 22, when more than 50 persons were killed in the Jewish district of the Holy City.

Budget Director

AUSTIN, March 11 (U.P.)—R. B. Baldwin, former Chicago publisher, today was awarded the task of overseeing preparation of the budget for state agencies to be presented the 51st legislature next January.

The board of control appointed Baldwin as director of the budget division. A graduate of the University of Texas, Baldwin, 41-year-old Wisconsin native, recently resigned as president of the Laurel Book company of Chicago to take the state post.

A Weak, Run-Down Feeling Is Often A Warning

That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloat and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health. Adv

CARNIVAL — By Dick Turner

"Dis one handles nice! Mind if I step across th' street to the bank and see how it works?"

English Family Will Receive Real Wild West Welcome On Arrival In Galveston

GALVESTON, March 11. (AP)—The coastal city will become a cowtown for at least one day Friday, when a rootin' shootin' wild-west welcome is put on for the Fred Payne family.

Over 200 cowboys and cowgirls are prepared to stage the wildest celebration east of the Pecos, to give the English family at least a glimpse of the movie version of Texas before they finally become accustomed to the fact that they are coming to a country "darn near as civilized" as Sussex, Dorchester or Yorkshire.

A committee left here today to meet the boat in New Orleans and drive the new Texas citizens back to Galveston.

Mr. and Mrs. Payne and their three sons are moving from London to Lamarque, a community near here.

The western welcome will be largely for the benefit of one of the sons, Freddie, who more than a year ago addressed to "a cowboy in Texas, USA. Any cowboy, Mr. Postman." The letter landed in Midland, Tex., and was given to a reporter, Crom Holmes, employed by the Reporter Telegram.

Holmes, now telegraph editor of the Galveston Tribune, shined his boots today, preparing to join a lot of other Galveston cowboys in greeting the Paynes.

Texas Draft Boards Ready For Action

AUSTIN, March 11 (U.P.)—In the event of a national emergency, Texas draft boards would be ready for duty almost instantly, the adjutant general's department said today.

It would be mainly a matter of notifying local draft board members, a spokesman for Maj. Gen. K. L. Berry said. "Most" members of the old draft boards have agreed to serve again it needed, he added. Their names are on record here.

The spokesman emphasized, however, that no special orders have been received.

Smuggling Increase Is Causing Alarm

WASHINGTON, March 11. (AP)—Customs officials said today they are "disturbed" at a recent sharp increase in attempts to smuggle narcotics into this country.

Deputy Customs Commissioner E. J. Shamhart reported that 112 pounds of marijuana was seized by a customs patrol at Corpus Christi, Tex., today.

Almost 500 pounds of marijuana have been seized along the Mexican border since Feb. 1, an unprecedented quantity for so short a time, he said.

The marijuana seized at Corpus Christi was smuggled into the U. S. at a point near Laredo. A man and a woman, identified by Shambart as Owen Bruce Kelly and Lilly Belle Mitchell, were held on smuggling charges.

Officials said 250 ounces of morphine were seized aboard a ship from France in New York harbor in the last few days. It was the largest haul of that kind in 11 years.

Take Off Ugly Fat With Grape Fruit Juice Recipe

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy — no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of Liquid Barcentrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonsful twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloat disappears — how much better you feel. More alive, youthful appearing and active. Adv.

JUDO NOT TOO SAFE

ATLANTA, Ga. (U.P.)—Two candidates for the Atlanta police force can vouch for the effectiveness of judo. Within one week, E. F. Hipchen suffered a head injury and C. D. House received a chest injury while practicing the art at the police gym.

Eye-Witness Tells Of Tragic Scene After Airliner's Crash

(EDITOR'S NOTE: Fred R. Copeland, a teletype operator for United Press, witnessed the crash last night of a DC-4 Delta Airlines plane at the Chicago municipal airport.)

By FRED R. COPELAND
United Press Teletype Operator

CHICAGO, March 11—When the Delta Airline's DC-4 crashed last night, killing 12 persons and seriously injuring another, I was standing on a corner at the Chicago municipal airport, waiting for my bus to take me to work.

I saw a four-engined plane taxi out the runway and take off in a direction due north.

Suddenly, when the plane got 50 feet off the ground and at the end of the airport it nosed straight up into the air for about 300 feet, then slid over on one wing and crashed to the ground.

There was a flash, then a dull boom of an explosion, and a terrific burst of orange flames covering a circle of about 200 feet radius. Fire shot about 150 feet into the air.

I was standing at the south end of the airport. The accident looked as though it was just outside the airport at the north end.

Right then my bus came along and I hopped aboard. The bus passengers were craning their necks out the windows at the flames. They told me they had seen the explosion from a mile down the street.

The plane had crashed in a vacant lot across 55th street at the north end of the airport. I jumped off the bus there and ran into a restaurant and called my office.

Ran To The Scene

From there I ran to the scene. The first ambulances and fire equipment were just arriving.

Four bodies were sprawled grotesquely around the wreck. One body, which had an arm either doubled under it or missing, was moving. Ambulance attendants rushed to it immediately. It was a woman. She was hurried to a hospital.

I walked closer to the wreckage which was spread over an area of about 500 feet. In the light of the flames, I almost tripped on one of the bodies. The sight sickened me, and I started back toward the street, where firemen and doctor's assistants were carrying the dead to ambulances.

Went Into Wreckage

The firemen went right into the burning wreckage and started lifting with long poles, at times even using their bare hands to get the bodies pinned underneath.

I heard no screams. Death must have come instantaneously to all except the woman.

In the two years I served in combat in Africa and Europe, I had never seen anything like this.

Fiery Itching Skin?

Stop Scratching! Try This For Quick Ease and Comfort

Here is a clean, powerful, penetrating oil now dispensed by pharmacists everywhere at trifling cost that brings speedy relief from itching and torture of externally caused skin troubles.

Moone's Emerald Oil soothes the itching and torture, helps promote more rapid healing. Ask for Moone's Emerald oil at Mark Halsey Drug Co. or any good drug store. Money back if not satisfied. Adv.

1929 TEXAS?

Political Gags Are Started In Japan

TOYKO, March 11. (AP)—General MacArthur may as well get used to it. The political gags have started.

"As Hokkaido goes so goes the nation," quipped one American, who promised to "get out the vote" on that northern island, a sort of Maine of Japan.

"What will MacArthur do about the Deep South?" Another line goes. "Will there be civil liberties for Kyushuans?" (Kyushu is the south home island).

A favorite pastime among Americans, both civilian and uniformed, is selecting a cabinet. You'd be surprised how often Emperor Hirohito's name crops up.

There also is one campaign slogan afloat which carries a note of validity. It was coined by an American in the occupation forces who has been in Japan a long time. It is:

"Let's go back with Mac."

FALSE ALARMS COSTLY

CHICAGO (U.P.) — False fire alarms cost Chicagoans nearly $500,000 last year, according to Fire Commissioner Michael J. Corrigan. Corrigan reported that "mischiefmakers" and drunks probably were responsible for most of the 3,014 false alarms.

Leftover egg whites may be used as a merangue for mashed sweet potatoes, for rice or bread pudding or for topping baked pears or applesauce.

Dedication Of School Is Set

WHITEFACE, March 11 (Special)—The new Whiteface High school and elementary school building, built at a cost of approximately $300,000, is scheduled to be dedicated in a service at 7:30 o'clock tonight at the school, Supt H. P. Clemons has announced.

Dr. A. J. Stoddard, superintendent of schools in Philadelphia, Pa., will give the main dedicatory address. Dr. Stoddard is to speak in Lubbock Friday at a West Texas Teachers association meeting.

Others On Program

Others appearing on the program will include E. H. Boulter, deputy state superintendent of the department of education, with headquarters at Texas Technological college; who will present greetings from the state department of education; Dr. R. E. Garlin, head professor of education and psychology at Texas Tech, who will present greetings from the college, and Mrs. H. G. Stinnett of Plainview, first vice president of the state Congress of Parents and Teachers, greetings from that organization. Superintendent Clemons will preside.

Paltform guests are to include W. W. Snodgrass, Whiteface High school principal; Orian Dennis, Whiteface elementary school principal; Supt. O. W. Marcon, Levelland; Supt. Carl Macon, Morton; Supt. Frank Monroe, Midland, and Dr. N. L. Tedford, physician of Portales, N. M.

Lawyer Kept Busy In Chasing Cat

LOS ANGELES, March 11. (AP)—An attorney reported to probate court today that he spent $50 worth of his time catching a cat.

Charles E. Hobart included the sum in his bill for settling the estate of Mrs. Anna Main.

Mrs. Main directed in her will that her tomcat, Mickey, be put to death in a painless manner.

Hobart reported he "endeavored to catch said cat but it was very difficult. Said cat would hide in the attic and in the walls of the home of deedent and it evaded many traps set to catch it."

He said he finally succeeded after working for several hours over a period of three months. Mickey was then dispatched by the Society for the Prevention of Cruelty to animals.

The court approved the $50 fee.

Teachers Gather

BEAUMONT, March 11 (AP) — The Rev. William H. Alexander, pastor of the First Christian church in Oklahoma City, is scheduled to speak here tonight at the opening of the 34-county southeast division convention of the Texas State Teachers association.

Business sessions are on tomorrow's program. Dr. L. A. Woods, Austin, state superintendent of public instruction, and Dr. Kenneth McFarland, superintendent of Topeka, Kans., schools are on tomorrow's program.

Cerdan Is 11 To 5 Favorite To Take Roach Friday Night

NEW YORK, March 11 (Special) —Marcel Cerdan of France, the European middleweight champion, is an 11-5 favorite to defeat Texas' LaVern Roach in their feature bout Friday night at Madison Square Garden.

Roach can move into the front row of middleweight challengers by a win over the slugging Frenchman, but Cerdan is already ranked in the top four and will be gunning for a shot at Rocky Graziano's suspension - clouded title.

Abrams' Advises Roach

Roach is training in comparative privacy for his big chance in the fight game, getting in his practice licks in a lower East Side gym far removed from the hustle and bustle of Stillman's, near Madison Square garden.

Roach, down to 157 pounds, reportedly plans to work on Cerdan's body, but Marcel, an aggressive scrapper, hopes to beat off Roach before he can work inside.

George Abrams, who lost a close decision when the Frenchman made his American debut, helped Roach early in the training grind for the bout.

This will be Roach's third start this year. In January, he thoroughly trounced Tony Janiro in a Garden main event, and last month he "tuned up" for the Cerdan contest by pounding out a seven-round TKO over Al Thornton in Miami Beach, Florida.

These two victories extended Roach's unbeaten streak to 19 in a row. In his entire pro career, he has won 24 of 25 bouts, losing only a narrow six-round decision to Artie Towne in his sixth fight. Moreover, the handsome young ex-Marine has never been knocked down as a professional — even though he has been solidly tagged by such punchers as Herbie Kronowitz and Billy Arnold.

Texans To See Fight

The Roach-Cerdan tussle has, naturally, created considerable interest in Roach's home region, the South Plains of Texas' Panhandle. A number of Texans, travelling via chartered plane, are scheduled to be on hand for Friday night's fistic activities at the Garden, while countless others will tune in a blow-by-blow broadcast of the fight which will be aired over the nation-wide ABC network.

CRAWFISH UP A TREE

ELBERTON, Ga. (U.P.)—W. H. Yeager found a crawfish stranded on a peach tree six feet above the ground after a hard rain. Yeager said he doesn't know whether the creature crawled up or was rained down.

Starr's Throwing Arm Still Troubles Him

Fans And Scribes All Agree Joe DiMaggio Is Grand Guy

By HUGH FULLERTON, JR.

ST. PETERSBURG, Fla. March 11 (AP)—When the announcer giving the Yankee lineups at Al Lang field yesterday said: "Center field, Cliff Mapes," a venerable fan stood up and shouted, "where's Joe?" then stomped out and got his money back . . . This writer can sympathize with the fan, for one thing he has picked up during a couple of weeks in Florida is a great admiration for Joe DeMaggio, not merely as a ball player but as a grand guy, personally . . . He's always ready to sign an autograph or pose for a picture or give a quick answer to a fan's question, and he does it with a ready smile when a less obliging person probably would tell the fan to go jump in the Gulf . . . Maybe Joe feels that way, but he doesn't say it . . . Incidentally, the reason he didn't play yesterday, except as a pinch hitter, is that his arm, operated on last fall, still stiffens up a little and he's taking it easy on throwing.

Strictly Business

Before yesterday's game some New York writers were ribbing DiMaggio about the catch Al Gionfriddo made off him during the 1947 World series . . . "Did it make you mad to see that Gionfriddo got beaned?" one asked . . . "That's a heck of a way to get even," Joe countered . . . "You know," interjected another, "in that situation he should have been playing deep for a long hit. He really was out of position." . . . "He was right. He made it right," Joe insisted . . . "You know, DiMag went on, "Gionfriddo caused me to make the best speech of my career last winter . . . We were at a dinner together and first Al gave them his version of the catch . . . When it came my turn, I just said I was very happy that Al made the catch, because that extended the series, gave the Yankees an extra big crowd and more money and then they could pay me a little more."

Sports Before Your Eyes

The Braves are considering a trade sending Connie Ryan, surplus second baseman since the acquisition of Ed Stanky, to the Cubs for Pitcher John Schmitz but they won't let Connie go at bargain-counter rates . . . Al Lang field probably is the only ball park where kids in bathing trunks wait to dive for foul balls that bounce into the bay.

Cotton Center Girls Defeated

HILLSBORO, March 11 (AP) — The state high school girls basketball tournament here moves into its quarterfinal rounds tonight.

The schedule:

Maydelle vs Friona, Gruver vs Stanton, Yentis vs Mesquite and Forreston vs East Chambers, defending champions.

Last night, Yentis beat Peacock 40-20, Mesquite defeated Cotton Center 41-26, Forreston won over Huckabay 38-21 and East Chambers rapped Fredericksburg 42-24.

Maydelle defeated Cranfills Gap 42-22, Frion won over Aledo 20-18, Gruver beat West Columbia 24-19 and Stanton defeated Academy High of Little River 38-18 in the day-session games.

Semi-final rounds are scheduled for tomorrow night and finals, including a consolation game, are set for Saturday night.

Westerner Squad Is Forced Indoors

Lubbock High's Westerner track squad was forced indoors by cold weather Wednesday for the second consecutive day, but a lengthy drill on calisthenics aided in conditioning the squad for Saturday's competition in the Abilene Invitational meet.

Coach Marlin Hayhurst said last night that some of the sprinters, including Don Decker and Malcolm Young, are still hampered by colds, but that the squad will be near top strength for the Abilene event.

Finals Are Slated In Men's AAU Play

DALLAS, March 11 (AP) — Webster's Junior Market and Dal-Cliff YMCA meet here tonight in the finals of the southwestern AAU men's basketball tournament.

The Webster quint earned its place in the championship by defeating Naval Air Station 69-37 here last night.

Dal-Cliff had turned back Ruby's Cafemen of Waco 54-43 for a chance at the title.

The Dallas Rebels and the Bardwell team play in the consolation finals.

Tinsley Gets Post At LSU

BATON ROUGE, La., March 11. (AP)—Gaynell Tinsley had his lifelong wish" today—he was head football coach at Louisiana State university, where he was an All-America end a dozen years ago.

GAYNELL TINSLEY

The 33-year-old Tinsley was promoted from end coach to head coach last night. He succeeds Bernie Moore, who resigned after 13 years to become commissioner of the Southeastern conference.

From a club that won five, lost three and tied one last year, Moore leaves Tinsley a roster minus the best passer, two most sparkling runners, four starting tackles, and a few other graduating stalwarts.

As to prospects for next season, he evaded with the remark that "LSU has a bunch of boys eager to play and enthusiastic as any team in the Southeastern conference."

First Alumnus Coach

Tinsley is the youngest man, and the first alumnus, among the 21 head coaches LSU has had in it 55 years of football. He was also the school's first All-America, making it in 1935 and 1936, under Moore's coaching.

He played with the Chicago Cardinals in 1937-38, then came to LSU as end coach. He joined the navy in 1942. After a medical discharge, he became coach at Haynesville, La., high school. He returned to LSU as end coach in 1942.

Top-Seeded Teams In Amarillo Play

AMARILLO, March 11. (AP) — Top-seeded teams go into action here today as the second phase of the southwest regional junior basketball tournament is unrolled.

The Murray Aggies of Tishomingo, Okla., pre-tournament favorites, engage Lon Morris of Jacksonville in the first of two games. In the afterpiece, second-seeded Tyler Junior college tangles with the Eastern Oklahoma Aggies of Wilberton.

Sayre Junior college and Oklahoma Military academy of Claremore battle for the loser's consolation title in the night program's opening game. Blinn of Brenham faces Wayland of Plainview and Cameron Aggies of Lawton, Okla., meets Amarillo in other night contests.

Last night the Wayland Pioneers uncorked their customary massive scoring machine to crush Sayre 60-49. The Plainview team had first half trouble wit hsix-foot, six-inch Sayre center Kenneth Barker who canned 12 points in the initial half.

Wayland pulled into a 37-26 lead at intermission and was never pushed. Wayland's D. W. Hardins led the scores with 19 points. Duane Lundy of Sayre, Barker and George Goodson of Wayland each picked up 17 counters.

Jerry Sadler Now Coach At Cleburne

CLEBURNE, March 11. (AP)—Jerry Sadler, football coach at bowling high school for the past 10 years, will come here April 1 to become head coach of Cleburne high school.

Sadler was a football player at Sam Houston State college before entering the coaching field. He played football with the marine corps during the war.

The battleship Maine was blown up in Havana harbor, Cuba, in 1898.

Between . . . The Lines

— By JOE KELLY —

Tuffy Truesdell of St. Louis, Mo., is a brave man. Ask anyone who sat in a ringside seat at Sled Allen's wrestling arena last night and they probably will agree. Tuffy, you see, is a legitimate wrestler turned showman and he wrestles alligators for a living. It is one bout in which the spectator is sure of the winner before the show begins, even though there may be a few anxious moments before the act ends.

• • •

As we were saying, though, Tuffy is a brave man and we don't envy him his job in the least. Any man that will rest his chin on the jaws of an alligator is either 1, crazy, or 2, brave. Tuffy doesn't talk as though he were crazy, so he must be brave. The logic may be somewhat shortsighted, but we're willing to give Tuffy his just dues until someone proves us wrong. Neither love nor money would get us in an enclosed arena with those snapping jaws that move faster than lightning.

• • •

Tuffy moved about the ring last night with plenty of agility himself, for which we didn't blame him, but even so, the alligator flipped his tail faster than Tuffy could move and caught him a lick on the wrist. It hurt and, since it was just above where we were sitting, we heard the crack when it hit hand and stick. The alligator's tail is one of his best weapons and he really flings it about with wicked intent. He has the power and flexibility of Ted Williams' wrists, which gives rise to a thought for Tuffy: why not train the 'gator to be a hitter? With his big mouth he could catch flies (as he does) and with his tail he could hit fungoes.

• • •

What a drawing card that would make in baseball parks, the alligator who bats and fields! Tuffy wouldn't have to worry about his bosom companion getting out of the ring and annoying the spectators, while the 'gator might have a sobering influence on umpires. Not that we would suggest that umpires need a sobering influence, but the fans could always taunt them with threats of turning the alligator loose.

• • •

But to get back again to Tuffy and his profession, we had to admire the cool way he went about throwing his 800-pound monster. He moved with caution, but speed, and he kept a wary eye on the 'gator's meanly swishing tail. Before he began his act, Tuffy explained some of the alligator's habits and other information was contained in a brief dissertation that answered a lot of questions. Despite his remarks and the ensuing show, Tuffy is welcome to a profession that appears about as attractive as snake charming and lion taming.

• • •

Lubbock—and Texas Tech—this week was the meeting place for coach and pupil in an era of football gone by the boards. State Senator Fred (Red) Harris of Dallas, a graduate of Baylor university, was welcomed here by Morley Jennings, Tech athletic director. Sen Harris played football under Morley at Baylor and was selected as an All-Conference end in 1930. He also has the distinction of being one of the few four-letter athletes produced in the SWC. And to show that he didn't lose his fighting heart when he left the Bears, Sen. Harris possesses a Bronze Star, Purple Heart with cluster, Navy Cross and Commendation ribbon for action he saw in the Pacific in six landings and six sea battles.

• • •

Cotton Center's girl basketball team lost at Hillsboro last night, but they had the solid support of the home town. Before the girls left, a "fun night" was held to raise funds for the trip. The "school marms" played the "outside ladies" in basketball and the school marms brought down the house. They were dressed in 1920 model blouses, socks and black bloomers. Bubble gum and a quart of milk served as first aid equipment. In the second game, the Business Men played the School Board and apparently this game also was a riot. The School Board men literally—and actually—lost their pants, to be disclosed in long winter underwear. Later, even the "long johns" came off, disclosing short pants. It was a grand stunt and helped the girl's sextet on its way.

Crowd Pleased At Ring Show

Tuffy Truesdell quieted the fears of ringside spectators at Sled Allen's wrestling arena last night when he tamed Rodney the Eighth, his not-so-tame alligator, in the first fall.

The official timekeeper, concentrating on an avenue of escape, just in case Rodney crawled out of the ring, lost track of the time, but it didn't matter. Most spectators presumed Tuffy used a body press in flipping the 'gator over on his back, which is a neat trick and not one calling for officials to make accurate notes.

Tuffy, who actually makes a living wrestling the alligator, had his hands full early in the match when Rodney, apparently disliking the spot light, tried to climb out of the ring. He got part way out before Tuffy grabbed his tail and, after a long struggle, succeeded in getting the monster back inside the restraining wire net.

Rodney Gets Angry

After both had recovered, Tuffy put on an amazing show in which he irritated the alligator and then tapped the inside of Rodney's mouth, causing the 'gator to snap his jaws. Then he quasi-hyponitized the alligator, until Tuffy rested his chin on the nose of the 'gator. After this performance, Tuffy rolled Rodney over on his back and completed his show by clamping the alligator's jaws together and pinning them to the mat.

In the featured wrestling show, Ace Freeman took two of three falls from Al Getz. The Dutchman took the first fall in 17 minutes on a cradle, after which Freeman came back to pin Getz in nine minutes on a rolling press and in seven minutes with a flying head scissors for the deciding fall.

O'Dowdy Beats Funk

Rowdy Pat O'Dowdy lived up to his name in flipping Dory Funk in 14 minutes in the first fall. O'Dowdy used an inside stepover toehold to pin Funk and, while doing it, stomped on Funk's leg to such an extent that Funk was unable to return. Referee Jimmy McEuin awarded the match to O'Dowdy when Funk was unable to return to the ring.

Gorilla Poggi and Karl Gray wrestled to a draw in the 20-minute preliminary fall, in which Johnny Carlen was the referee. It was an entertaining match, with both men at their best.

SQUIRREL BLACKS OUT

METHUEN, Mass. (U.P.)—Light and power were interrupted briefly for the town of Andover and permanently for a squirrel who chewed a switch panel of an electric company sub station and caused a short circuit.

Top Quintets Enter National Invitation

NEW YORK, March 11 (AP) — Four of the country's classier college basketball teams, together owning 93 victories against 12 defeats, square off tonight in the opening round of the choosy National Invitation tournament.

This is the stellar lineup awaiting a sellout crowd of 18,000 at Madison Square Garden:

LaSalle of Philadelphia (19-3).

St. Louis (21-3) vs. Bowling Green, O., (27-5).

The sharpshooting gets underway at 7 p. m. (CST).

The Hilltoppers of Western Kentucky, top-seeded on the strength of the nation's best college competitive record, and St. Louis, No. 4 in the rankings, are favored to win semifinal berths.

Texas Is Entered

The second set of first round games in the fast eight-team elimination is scheduled for Saturday, like this: Texas (20-4) vs. New York U. (20-2), North Carolina State (29-2) vs. DePaul (21-6).

Western Kentucky will field an experienced outfit of four seniors and one junior with plenty of height. Don Ray and Odie Spears are six feet-five while Oren McKinney is six-four.

By contrast, LaSalle, a 20-1 longshot, is short on seasoning. The team will start three sophomores—six-foot-nine Larry Foust, rates among the country's better basket-hitters. He has totaled 386 points this season for an average of 16.7 a game.

Negro Championship Series Is Scheduled

WACO, March 11. (AP)—The negro baseball championship of the south will be determined July 24-30 at the second annual Dixie series which will be played either at Dallas or Waco.

The Dixie champions will be eligible to compete in the 14th annual national tournament at Wichita, Kans., Aug. 13-25. The winner will receive a $10,000 purse.

The U. S. Patent Office has issued more than 2,500,000 patents since it was established 154 years ago.

Tahoka And Lockney Boxers Will Battle

LOCKNEY, March 11 (Special) —Tahoka and Lockney amateur boxers will battle here tonight in a 15-bout ring show.

Coach Jim Foust of Tahoka High scshool is in charge of the Tahoka team. Lockney Coach Curtis Kelley is in charge of the Lockney fighters.

In the show's 15-bout lineup will be James Witt Young of Lubbock, a light neavyweight who will face Jack Adams.

Pyle Vs. McLaughlin

The Lockney mitt team will be led by rock-fisted Calvin Pyle, sensational young middleweight who has eliminated all the high school competition he has met this year. Pyle reigns over the middleweight class of the Amarillo district Golden Gloves high school division. He scored a first-round KO over Paul Hill, the Tahoka pride. Hill took the high school division Golden Gloves crown in the Lubbock district.

Pyle will face Laughlin, Wayland college fighter. Bob Quisenberry will pair off against Ernie Adams, Wayland college, who hails from Bisbee, Ariz.

The first bout is scheduled to begin at 8 o'clock. The Tahoka team will be out to avenge an 8-4 decision gained over it by the Lockney squad in a previous meet.

SET FOR TOURNEY

SAN ANTONIO, March 11. (AP) —Alamo Jewelry today was all set for a trip to the national AAU basketball tournament at Denver.

The quint won the South Texas finals here last night by defeating Howard Payne college 54-45.

Boston Braves Corner Market On 20-Game National Winners

By LEO H. PETERSEN
United Press Sports Editor

BRADENTON, Fla., March 11—The Boston Braves have cornered the market on major league pitchers who have won 20 or more games in a season, and if the five hurlers they have who wear that stripe come through in 1948, it's goodbye for the other seven clubs in the National league.

Taking their best single season record the aggregate number of victories which they have turned in totals 107. And there isn't a manager today who isn't willing to award the pennant right now to the club which wins that many games this coming season.

Four Are Starters

The five are Johnny Sain, Warren Spahn, Charles (Red) Barrett, Bill Voiselle and Johnny Beazley. All but the latter figure to be starting pitchers for Manager Billy Southworth this season.

Sain and Spahn each won 21 games last year; Barrett was a 23-game winner for the Braves and Cardinals in 1945; Voiselle won 21 for the Giants in 1944 before he got in Mel Ott's dog house, and Beazley, as a freshman, copped 21 in 1942 before he went off to war.

Beazley never has been the same. He hurt his arm in 1943 before becoming a lieutenant in the air corps and he never has recovered from it. His chances of regaining his form are remote. But neither Johnny nor Southworth has given up all hope.

Hopes Are High

As for the other four, hopes are high. Voiselle showed signs of his 1944 effectiveness when he went to the Braves in mid-season last year and there's every indication that Sain and Spahn can match their 1947 achievements.

Voiselle won nine last year; Barrett 11. The former is 29; Barrett 33. Sain will be 30 in September, Spahn 27 next month.

Red, of course, is getting pretty far along for any serious speculation that he could duplicate his pitching chores of 1945, but stranger things have happened in baseball.

"The picture may change but those four are going to be regular starters," Southworth said. "If Beazley can come back we'll have five 20- ormore game workers going for us and that doesn't make a manager feel too badly. For what a major league player has done once, he can do again. I'm hoping those five can match their best performances. It's a nice thing to think about."

But Southworth knows full well that it will be hard to accomplish.

EXHIBITION RESULTS

New York (AL) 2, St. Louis (NL) 0.

Detroit (AL). 14, Philadelphia (NL) 5.

Boston (NL) 14, Cincinnati (NL) 3.

Pittsburgh (NL) 6, Chicago (AL) 3.

CHICAGO (NL) 3, Lt. Louis (AL) 2, (11 innings).

BROOKLYN (NL) 8, Montreal (IL) 2.

Beloit, San Jose Get Favorite Roles

KANSAS CITY, March 11 (AP)—Rugged Beloit college and the surprising San Jose State Spartans became favorites, by the slightest margins, today as the National Intercollegiate Basketball tournament moved into the quarterfinal play.

San Jose (Calif.) State upset the defending champion Marshall college, 74-72, in an overtime period last night. The Spartans are certain to have trouble tonigh tin quarterfinal play with Indiana State, The Terre Haute, Ind., team walloped Brigham Young university, 82-68, yesterday.

Beloit, a hard driving outfit from Wisconsin, bowled over Lawrence Tech of Detroit, 78-62. Beloit meets the University of Louisville tonight.

Eight top notch teams, from the starting field of 32, remain in the six-day meet.

San Jose shares the upper bracket with Indiana State, Hamline university of St. Paul and Manhattan college of the Bronx, N. Y.

Beloit is bracketed with Louisville, Xavier university of Cincinnati, and Mankato (Minn.) State.

Jersey Joe Wins Exhibition Match

CHICAGO, March 11 (AP) — Jersey Joe Walcott, who lost an unpopular decision to Joe Louis and who is to meet the heavyweight champion again June 23, won a timid four round boxing exhibition with Austin Johnson of Atlantic City, last night in the coliseum.

There was very little action throughout the match and the customers booed steadily throughout the four rounds. Johnson, 196 pounder, showed little inclination to mix it and retreated most of the distance.

Walcott weighed 202 1-2 pounds and alarmed Johnson occasionally with a flurry of punches.

CHAPMAN WORRIED

CLEARWATER, Fla., March 11. (AP)—The Phillies' pitching is beginning to worry Manager Ben Chapman. In two straight games with Cincinnati and Detroit, they have been touched for 28 runs. In contrast, the Phils have been able to score only eight times. Detroit blasted Philadelphia yesterday, 14-5.

LSU STARS JOIN PROS

SAN FRANCISCO, March 11 (AP)—Signing of Halfback James Cason, formerly of Louisiana State university, and End Norman Maloney, from Purdue, was announced today by the San Francisco Forty Niners Professional Football club. Cason's home is in Harlingen, Tex., and Maloney lives in Oak Park, Ill.

The United States produced 267,000,000 pounds of popcorn in 1946.

Southwest Cage Chase Is Ended

(By The Associated Press)

The Southwest conference basketball race is at an end with Baylor, Texas and Arkansas finishing one-two-three.

Texas licked Texas A. and M. 54-34 last night in the last game of the campaign and it gave the Longhorns the undisputed runner-up spot. It also enabled Texas to finish with the best season record of any conference team—20 victories against four losses.

Baylor won 19 and lost 5. Arkansas had a 16-8 record.

Baylor and Texas have post-season games. The Bears Friday night at Dallas open a series with Arizona, champion of the Border conference, to determine which plays in the NCAA western regional tournament at Kansas City next week.

Texas is on the way to New York where Saturday night the Longhorns meet New York university in the first round of the National Invitation tournament.

NEGRO GETS CHANCE

CIUDAD TRUJILLO, D. R., March 11. (AP)—Dan Bankhead, Brooklyn pitcher from the Memphis negro league, is getting a chance to show how he can play outfield.

Bankhead's single helped the Dodgers score four runs in the second inning of an exhibition game yesterday with the Montreal Royals of the International league. Brooklyn won, 8-2.

GAME SCHEDULED

COLLEGE STATION, March 11 (AP)—Texas A. and M. and Hardin-Simmons university meet here tomorrow in a baseball game, weather permitting.

IT'S ALWAYS DERBY DAY HERE—This is one race track where you'll always come out a-head. The latest in hat fashions, it is modeled by Mary Rose Nance at New Orleans' millinery pageant, "Fete des Chapeaux." Shirley Guess, left, and Betty Bastian are fastinated by the creation, designed by Grace Nugent. It's a white straw sailor with green tulle grass, a brown felt starting gate, a picture of the clubhouse and four race horses. Nope, no tote board.

Two Win First

Bill Nelms and James Buckner, two Lubbock keglers, toppled 1353 pins to win first place in the second annual men's classic Ragtime Doubles completed last weekend at the Plamor Lanes.

George Tate of Lubbock and Jay O'Keefe of Amarillo finished in second place with 1266 pins.

REAL BATTLE LOOMS

BRADENTON, Fla., March 11. (AP)—A real batile looms for the Boston Braves second base job between ex-Dodger Eddie Stanky and Connie Ryan, Tribe veteran. Ryan punched a single, double and triple in five trips yesterday as Boston trounced the Cincinnati Reds, 14-3. Stanky is expected in camp Saturday.

SCHOOL TEACHES FISHING

BELLINGHAM, Wash. (U.P.)—The local high school has offered a course in commercial fishing techniques. It is believed to be the first of its kind among the nation's high schools.

Three-quarters of the U. S. population between 5 and 19 years old was attending school in 1940 compared with about half in 1890.

Better Life To Be Sought In Alaska

TOLEDO, O., March 11 (U.P.)—A 20th century pioneer threw aside his profitable business and comfortable living here and set out to establish what he calls a new and better life in Alaska.

Two months and 5,000 miles away, Lawrence H. Lancashire, Jr., who already has crammed a lifetime of excitement into 29 years will stake down his tent some 60 miles south of Anchorage on the Kenai Peninsula. There he'll set up a sawmill he is taking along and start cutting lumber as a business.

Lancashire is making the entire trip by jeep—with a trailer loaded with four tons of equipment.

The 29-year-old former air force pilot, who was shot down during the famous Ploesti oil field raid in Romania, also plans to develop a year-round resort for vacationing hunters and fishermen.

His wife, Lorraine, and three children will fly to Alaska next summer to join him.

ON COMEBACK TRAIL

WEST PALM BEACH, Fla., March 11. (AP)—Zeb Eaton, 28-year-old former Detroit Tigers' pitcher, is hitting the comeback trail with the Philadelphia Athletics as an outfielder.

"This is the best break I've ever had—getting another chance in the majors, and as an outfielder," he said.

TECHNICIANS IN DEMAND

MORGANTOWN, W. Va. (U.P.)—Graduates in technical fields will find their services in great demand, Harry E. Stone, director of placements at West Virginia University, has advised seniors. Nontechnically trained graduates are in lesser demand, but most seniors should have no trouble in finding a job unless an unforseen business drop occurs before June, Stone added.

ENVOY — Sir Oliver Franks has been appointed the new British minister to the United States.

Russia Threatens To Walk Out Of Big Power Palestine Talks

NEW YORK, March 11 (AP) — Russia threatened today to walk out of the big power Palestine talks if the Jews and Arabs were invited to take part in the discussions.

Russia's Andrei A. Gromyko rebuffed a new American attempt to call the Arabs of Palestine and the Jewish agency before the big power conferees.

Gromyko said he could not participate if the Jewish and Arab representatives or the U. N. Palestine commission were brought in for consultation. He said Jewish-Arab conciliation efforts in the past had failed.

British To Leave

At the third big power conference, held in the New York offices of the U. S. delegation, Sir Alexander Cadogan, British representative, reiterated his government's intention to terminate the mandate on May 15 and to leave Palestine.

Cadogan also said he personally felt no modification of the U. N. assembly's 1947 partition plan would be accepted either by the Jewish agency or the Arab higher committee for Palestine.

No final decision was taken on whether the Jewish agency and the Arab higher committee would be invited despite Gromyko's opposition.

Hospital Fire

(Continued From Page One)

cause was unknown.

Most of the patients were sleeping at the time. A few nurses and other hospital personnel were making their regular rounds. The first alarm sounded just before midnight.

Patients who escaped the building were clad in flimsy night garments. It a chilly night with the mercury hovering 12 to 15 degrees above freezing.

Two of the dead were identified as Mrs. Bruce Kennedy, about 30, and Mrs. Allen T. Hipps, elderly widow of a late prominent Asheville doctor. Dr. P. R. Terry, Buncombe county coroner, said they died of asphyxiation. They were alive when removed from the blazing structure but died while artificial respiration measures were being applied.

Bennett withheld the names of the others until relatives an be notified.

Lost Brother

(Continued From Page One)

family once received a letter signed William Hurley, but ignored it as a hoax. The family was positive William was dead. William said, however, he did not know he was supposed dead until 1926 when he read it in a newspaper article about his brother's activities.

William has been working off and on for various ranchers in this area. His present employer, Alfred Montna, said William came to him one day reading a magazine article about his well-known brother.

"He was crying," Montna said. "When I asked him what was wrong, he pointed to a picture of the other Hurley and said, 'that's the better half of my family.'"

Plane Crash

(Continued From Page One)

Raymond Levy, 41, an insurance broker.

The plane had a capacity of 44 passengers. At least two persons who had reservations for the flight, No. 705 with stops at Cincinnati, Ohio, and Jacksonville, Fla., canceled them shortly before it took off.

Bodies Badly Burned

It burned fiercely for more than an hour. Some of the bodies pulled out by firemen were burned or mangled beyond immediate recognition.

Pat Smith, an airport cargo handler, said the plane "came straight down in a vertical dive and splattered and exploded on the ground."

Flames shot up 50 feet as the plane flopped to earth "like a pancake," said another witness, C. K. Firth, a gasoline dealer who helped rescue Mrs. Meo.

Relatives said Mrs. Meo, wife of a restaurant owner, was on her way to Miami, Fla., for her health.

Mrs. Meo's son's body was found clutched in the arms of another woman. Both bodies were badly burned.

An inquest was scheduled for 10:30 a. m. Friday.

Guilty Verdict Is Returned In Trial

A county court jury late yesterday found Herman Bush, about 36, guilty of a charge of drunk driving and he was fined $50 and costs. The jury reported to Judge Walter Davies about 5:30 p. m. Date of the offense was said to have been February 14, 1948. Assistant County Attorney Tom Gordon represented the state, and defense counsel was the firm of McWhorter, Howard and Cobb.

Sam Morgan was jury foreman.

Two judgments were filed after pleas of guilty had been entered before Judge Davies. Wiley F. McCown, about 21, and Mrs. J. R. Oden, young Lubbock woman whose plea was entered for her by her husband, each was fined $1 and court costs on a check law violation charge, officials said.

Daily Markets

Stock Market

INITIAL GAINS REDUCED

NEW YORK, March 11 (AP)—The stock market got on to a speedy recovery swing today but stumbling commodities eventually chilled bullish enthusiasm.

Moving pictures, active throughout, retained a major portion of their advance. An early climb in aircrafts failed to hold.

Prices hardened a trifle here and there in the final hour. Initial advances running to a point or more were reduced in most cases. Many minus signs spotted the ticker tape at the close.

Dealings tapered after one of the heaviest first hours of the past month. Volume, however, of about 900,000 shares was the largest since mid-February.

Paramount Pictures, Loew's, Warner Bros. and Twentieth Century-Fox were buoyed by announcement from London of an Anglo-American film pact.

Ahead the greater part of the time—some eventually slipped—were Howe Sound, Bethlehem Steel, Goodrich, J. I. Case, Western Union (at a 1948 peak in further reflection of its first dividend since 1940), Allied Chemical, Radio Corp., Transcontinental and Western Air, Santa Fe and Atlantic Coast Line.

Intermittent laggards were Chrysler, Deere, Sears Roebuck, Glenn Martin, Grumman, General Electric, American Smelting, American Tobacco "B", Southern Pacific, Northern Pacific and Pacific Western Oil.

Cotton Market

NEW ORLEANS REPORT

NEW ORLEANS, March 11 (AP)—Cotton futures advanced in the early trading here today but reacted downward under long liquidation. Closing prices were steady 10 cents to 60 cents a bale lower.

	Open	High	Low	Close
March	33.65	33.86	33.44	33.58
May	33.69	33.87	33.45	33.62
July	32.80	33.05	32.61	32.77
Oct.	29.96	30.13	29.72	29.85
Dec.	29.33	29.58	29.12	29.36B

B—Bid.

NEW YORK REPORT

NEW YORK, March 11 (AP)—Cotton futures turned reactionary today following early gains which extended to $1.30 a bale. The market eased on scattered commission house and New Orleans selling which met indifferent trade support.

Mill buying was fairly active during the morning, with the market also helped by reports that the Senate will act on the Marshall foreign aid program this week.

Easiness in grains influenced some of the later selling.

Futures closed 85 cents a bale lower to 35 cents higher than the previous close.

	Open	High	Low	Last

Livestock

FORT WORTH REPORT

FORT WORTH, March 11 (AP)—Cattle 300; calves 100; slow adn steady to weak; few medium grade steers and yearlings 22.00-24.50; other grades scarce; beef cows 17.00-21.00; canners and cutters 12.00-16.50; bulls 15.00-20.00; good and choice slaughter calves 24.00-28.50; common and medium 18.00-23.00; culls 15.00-17.00; stockers scarce.

Hogs 700; butcher hogs mostly 1.00 below Wednesday; sows 50c-1.00 down; stocker pigs steady; top 21.50; paid for good and choice 180-270 lb hogs; good and choice 160-175 lb 19.00-21.25; few soft and oily hogs 14.00-18.50; sows 15.50 to mostly 16.00; stocker pigs 11.00-17.00.

Sheep 900; few sales of lambs strong to 50c higher; other sheep scarce; choice 110 lb club lambs 22.25; medium grade 75 lb wooled lambs 19.50; good spring lambs 22.00.

KANSAS CITY REPORT

KANSAS CITY, March 11 (AP)—Cattle 300; calves salable and total 50; hardly enough steers and heifers offered for adequate test of market but demand narrow and scattered loads and lots finding slow outlet at prices steady to easier with weeks earlier declines; cows steady; bulls, vealers and killing calves scarce; few good cows 21.00-22.50; common to medium cows 17.50-20.50; stockers and feeders nominally unchanged.

Hogs 1400; slow, uneven, 50-1.00 lower; top 23.00; good and choice 180-340 lb 22.00-50; 250-280 lb 20.25-22.50; 290-375 lb 19.00-20.00; sows and stags scarce.

Sheep 1000; moderately active, lambs steady; no ewes offered; good and choice 104 lb fed lambs 20.50; odd lots good and choice truck in natives 20.00; good and choice clipped lambs with No. 1 and fall shorn skins averaging 103 lb 19.75.

Grain Market

CHICAGO REPORT

CHICAGO, March 11 (AP)—A selling wave hit grains shortly before the close today and prices took a severe tumble.

Selling started first in corn. Brokers said it represented profit-taking and liquidation by discouraged holders. Stop-loss orders were uncovered on the break. Selling soon spread to other pits.

Wheat ended 1¼ to 2 cents lower, May $2.36 ½-2.37, corn was 2 to 4¼ cents lower, May $2.12-2.11½, oats were ¾ to 2 cents lower, May $1.09 ½-¾, and soybeans were 3½ to 4 cents lower, May $3.35 ½.

FORT WORTH REPORT

FORT WORTH, March 11 (AP)—
Wheat No. 1 hard, 2.49 ½-57 ½.
Oats No. 3 white 1.41-43.
Corn No. 2 white 2.83 ½-84 ½.
Corn No. 2 white 2.83 ½-84 ½.
Sorghums No. 2 yellow milo, per 100 lbs 3.65-75.

Produce

CHICAGO REPORT

CHICAGO, March 11 (U.P.)—Produce:

Poultry: 10 trucks, market firm. Hens 36, Leghorn hens 22, colored fryers 39, Plymouth Rock fryers 41, White Rock fryers 41, Plymouth Rock broilers 38, White Rock broilers 38, colored broilers 36, White Rock springs 43, Plymouth Rock springs 43, colored springs 41, heavy ducks 36, ducklings 36.

Butter: 393,964; market steady. 93 score 74, 92 score 74, 90 score 74, 89 score 73 ½. Carlots 90 score 74; 89 score 73½.

Eggs: (Whites and browns mixed) 15,-958 cases; market steady. Extras 70-80 per cent A, 45-46; extras 60-70 per cent A, 44-45; standards 42-43; current receipts 39½; checks 38.

Markets At A Glance

NEW YORK, March 11 (AP)—

STOCKS — Mixed; price changes narrow.

BONDS—Steady; some rails improve.

COTTON — Uneven; early gains fade.

CHICAGO:

WHEAT—Weak; commercial support lacking.

CORN — Weak; profit-taking.

OATS — Weak with other grains.

HOGS—75 cents to $1.25 lower; practical top $23.25.

CATTLE — Generally steady; top $29.00.

"Pepper Water" Introduced To Americans

Sugar And Spice And Everything Nice Are Found In Today's Business News

(By The Associated Press)

NEW YORK, March 11.—Sugar and spice and everything nice can be found in today's business news.

Sugar prices may come down again. "Pepper water" is being introduced to Americans in paste form. And there's quite a to-do in the cosmetic industry.

To take them in reverse order, the Allied Home Products Corp., Beloit, Wisc., says it plans to sell a new line of beauty aids through grocey stores exclusively. It will call them "Winsome Cosmetics."

The company, up to now, has been making detergents, cleaners, waxes, polishes, insecticides and disinfectants.

Armour & Co., packers, has sold the trademark and good will of the Luxor cosmetic business to Lever Brothers Co. of Cambridge, Mass., soap makers. The Lever firm entered the cosmetic field last July with the purchase of Harriet Hubbard Ayer, Inc.

The Daggett & Ramsdell cosmetic firm, affiliated since 1929 with the Standard Oil Co. (N. J.) has been sold to a group headed by William J. Perridge, formerly with Conti Products Corp., and Arthur A. J. Weglein, president of Draper Soap Co., Pawtucket, R. I.

The spice item comes from Bombay. The P. Vencatachellum firm is making mulligatawny into a paste and sending it here in 15 ounce bottles at $2.19. In India mulligatawny is called pepper water.

Rumors of a sugar price war in the South unsettled the futures market here. Producers are hedging May prices are down to 4.93 cents a pound, a new low for the current selling movement.

Some sugar distributors in Dixie were said to be selling direct-shipment refined sugar at 10 points tunder their base prices.

Two New York sugar brokers predict further cuts in the list price of refined sugar now bringing 7.75 cents a pound at the refinery.

Cuba's troubles with its present big crop and its uncertainty over the size of the world's sweet tooth next year inspire B. W. Dyer & Co. to think another cut is due.

U. S. Prepares

(Continued From Page One)

has begun experiments in California with the world's biggest standard explosive bomb—a 21-ton missile.

The first phase of the test was for a B-29 to drop a dud. Later live bombs will be exploded.

From Biggest Bomber

The air force plans these test drops from its biggest bomber, the B-36.

The navy, stressing more and more the role of carrier-borne aviation in its fleet, proposes to build a giant 80,000-ton flattop.

Manpower: A new effort to push universay military training through Congress is underway. The Senate armed services committee decided yesterday to ignore House delays and begin its own hearings on a bill next week.

Meanwhile the office of selective service records is training officers to put a new draft program into effect quickly if the necessity arises.

Defense funds: House Speaker Martin (R-Mass) said Congress not only will find it difficult to cut military funds but may have to appropriate more than the $11,-000,000,000 President Truman asked for national defense in his budget.

Brother Of County Auditor Boyd Dies

County Auditor Joe Boyd of 2705 Twenty-second was informed of the death of his brother, A. B. Boyd, 71, of New Orleans, at 5:55 a. m. today in a New Orleans hospital where he had been taken a week ago for treatment of a malignancy.

The New Orleans man was a retired businessman who had been ill several months. His condition caused the Lubbock brother to go there last October for a several-days visit.

Last rites of the church will be read Saturday afternoon. A Masonic ritual will be read at the graveside.

Other survivors are the widow, a son and daughter, all of New Orleans, a daughter of Chicago, and a sister of Whitney, Texas.

The county auditor will leave Friday morning for New Orleans.

Kornfeld Will Give Conference Report

At the Sabbath Eve service at 8 o'clock Friday night at Congregation Shaareth Israel, A. L. Kornfeld, president of the congregation, will report on the southwestern religious conference he attended about two weeks ago in Dallas.

The sermon subject of Rabbi Julius Kerman will be "What Is Reform Judaism?" The topic was chosen to mark the observance of inauguration of the fourth president o fthe Hebrew Union college in Cincinnati, which trains rabbies for American reform Jewry. Dr. Nelson Glueck noted Bible archaeologist, will be installed as president Sunday.

Britain To Revoke Tax On U.S. Films

LONDON, March 11. (U.P.)—The government announced today a new four-year Anglo-American film agreement under which Britain will revoke its 75 per cent tax on foreign film profits.

Harold Wilson, president of the board of trade, told Commons that American producers will lift their embargo on United States films.

The agreement was completed by Wilson and Eric Johnston, president of the Motion Picture Association of America yesterday after 10 days of conferences.

Removal Of Rent Controls Refused

WASHINGTON, March 11 (AP)—Housing Expediter Tighe E. Woods today refused to remove rent controls in Navarro, Ellis and Kaufman counties, Texas.

Woods said the Corsicana rent advisory board had failed to offer evidence showing that the demand for rental housing in that area had been reasonably met.

Film Awards For 1947 Announced

HOLLYWOOD, March 11 (AP) "Gentleman's Agreement" is the Hollywood Foreign Correspondents association's selection as the best motion picture of 1947.

A golden globe, emblematic of the award, was presented to Darryl F. Zanuck of Twentieth Century-Fox studio for the picture at a banquet last night.

The association named Rosalind Russell as best actress for her work in "Mourning Becomes Electra" and Ronald Colman as best actor for "A Double Life." Miss Russell also won the 1946 award for "Sister Kenny."

Three others connected with "Gentleman's Agreement" received golden globes. Elia Kazan won the best director award; Celeste Holm was voted the finest supporting actress and Dean Stockwell received the best juvenile award.

Jones Is Re-Elected Insurance Firm Head

FORT WORTH, March 11 — Donald L. Jones, president; W. L. Stangel, chairman of the board of directors; and V. F. Young, director, all of Lubbock, were re-elected to their respective offices at the annual meeting of Stockholders of the National Farm Life Insurance company held in Fort Worth at the Texas hotel Tuesday.

Other officers elected were E. R. Alexander of College Station and Noel R. Bailey of Fort Worth, vice-president; and Lallah Wright of Fort Worth, secretary-treasurer.

The other directors elected were Wm. C. Young of Fort Worth, general manager; David Lemon of Sulphur Springs; Thomas J. Boyd of Hereford; R. G. Richards of Abilene; Raymond Pfluger of Eden; Elmer Bizzell of Midland; Will Steiner of Gonzales; A. A. Spacek of Granger; R. M. Boswell of Kenedy; and O. G. Tumlinson of Houston.

Virgil F. Young and Calvin Carpenter of Lubbock were awarded production prizes at a luncheon in which the agency force and district managers were entertained.

Fisher County Has A New Oil Strike

SWEETWATER, March 11. (U.P.)—Fisher county reportedly has a new oil field today with Humble's No. 1 Davidson wildcat in the north-central part of the county flowing an estimated 20 barrels of 39 gravity oil an hour for several hours.

The well, located 1 1-2 miles west of McCaulley, was producing from the Noodle Creek formation. The well was bottomed at 3,177 feet with seven inche casing set to 3,163 feet. It had previously flowed oil on a drillstem test prio rto setting casing.

Vet Fight Against MacArthur Grows

LOS ANGELES, March 11 (U.P.)—A "Veterans Against MacArthur" chapter was formed today by 30 University of California at Los Angeles GI students who said they believed Gen. Douglas MacArthur is "totally unfit for any public office."

Sixty-eight collegians formed a similar "Students Against MacArthur" group at the University of California in Berkeley.

Rumor Of King's Death Spreading

STOCKHOLM, Sweden, March 11 (AP)—A rumor spread through Europe today that King Gustaf V of Sweden died on a train enroute to the Riviera.

A Belgian stationmaster stated, however, that he saw the 89-year-old monarch alive at 11:15 a. m. (6:15 a. m. EST), several hours after the rumors began circulating.

IN CAPSULE FORM

News Briefs

A meeting of the Lubbock School Improvement association will be conducted at 7:30 o'clock tonight in the Yaqui room of the Hilton hotel, according to an announcement by Dr. W. A. Pettey, a member of the group. The public is invited to attend the meeting, it was said.

Regular community sing-song will be held from 2 to 4 o'clock Sunday afternoon at Central Baptist church, 1311 Eigtheenth, it was announced by Rev. Jeff D. Welch, pastor, in inviting the public to attend.

Howard Rogers, 20, a hardware clerk of 2612 Twenty-second, suffered probably a slight concussion at 1:30 a. m. when his car was in collision with another at Fourteenth and College Ave. Police said a car driven by Theron Turner Lee, 21, a student living at Doak Hall, Texas Tech, "went dead" and that Rogers' car collided with it from the rear. Rogers was taken to his home by a passerby. He had no medical attention, he informed investigators late this morning.

Weather

(Continued From Page One)

corded at Pampa was described as the state's lowest. Only three cities where the weather bureau maintains a station in Texas reported above freezing temperatures early today.

Clarendon's temperature went to an even zero.

Snow Flurry Here

A flurry of snow occurring in Lubbock about 2 o'clock this morning was the last snow occurring here.

Wind velocity was 13 miles per hour, still northerly, at 9 o'clock this morning and had dropped to about 9 miles per hour at 1:45 o'clock this afternoon. Drain on gas supplies has been less during the current cold weather than when a business holiday was necessary in February, because wind has not been so strong.

Although the danger was not entirely over, an executive of West Texas Gas Co. said this morning expectation was that home and business service other than some industrial service would not be interrupted in the 44 towns served by the company. Heavy industrial users had been asked not to use gas and some of the light industrial users at "end of the line" had been called on to cease using gas as a precaution this morning.

Appeals Were Made

Appeals had been made Wednesday for cooperation of the public in using less gas, so that more drastic measures would not be necessary.

The moisture which had caused dangerous icy conditions on highways in every direction Wednesday morning was missing in this area today. Although there might be some spots where ice remained on highways, no reports had been received by Capt. E. L. Posey, commander of the Lubbock district of the Texas Highway patrol, of any dangerous highway conditions. All highways were open.

Captain Posey expressed appreciation of caution shown by motorists. He said no serious accident had been reported in the entire Lubbock district during this week's cold weather.

Maximum Is Raised

The Lubbock minimum temperature this morning was one degree above the season's minimum of one degree, which was recorded Jan. 29.

Although partly cloudy weather was forecast, the sun was expected to continue shining today the Weather bureau station reported. Clouds were high.

All airline flights scheduled were due to operate today, it was reported at Municipal airport.

The Associated Press reported the freeze was general except in the extreme south. Dallas had its coldest March 11 temperature on record with a reading of 12 above at 7:30 a. m., and was within one degree of the coldest March day —11 above on March 3, 1943.

Corsicana's 17 degrees last night also was the lowest of the season. The ground there was covered with sleet and heavy sleet continued to fall this morning.

As it did in several previous cold waves this winter, the Lone Star Gas company called on some of its heaviest industrial users this morning to fall back on auxiliary fuel supplies, to save natural gas for home use.

Galveston, on the Gulf, was the state's warmest spot overnight, with a low of 39. Brownsville, in the extreme south, where the worst of the cold wave had not arrived, had a 37.

Other lows: El Paso, 20; Big Spring, 9; Fort Worth, 12; Austin, 19; Houston, 30; Corpus Christi, 30; Lufkin, 23; Texarkana, 22.

Austin's 19 degrees this morning was the lowest ever recorded for this late in March. The 15 degrees forecast for tonight would break the record low for March—18 degrees on March 5, 1943.

Heavy peach and plum crop damage were expected in the Austin vicinity and in hill country where many trees are in bloom.

V. C. Childs of the U. S. Department of Agriculture crop reporting service said at Austin that it was too early to appraise the damage, but that such severe cold this late in the season "could be disastrous" to fruit. He said that this depended upon the severity of the cold, plus how far the fruit has advanced. If small fruit has formed in the blooms, the damage would be heavier, the Associated Press reported.

Dad Offers To Run Away From Home With Him And Young Son Decides He Will Stay

HOUSTON, March 11. (U.P.) — L. M. Spence repairs watches and clocks, but he also knows how to repair his nine-year-old son's injured pride.

Lucius Marion Spence, jr., had his feelings hurt yesterday, and when his eight-year-old sister, Margaret, was ready to walk to school she couldn't find her brother.

The screen hung loose from the boy's bedroom window. Two small footprints appeared on the ground below.

Expected A Spanking

When Lucius got tired of adventuring he got on a bus and rode home. He reckoned he'd get a spanking, at least.

"Your sister cried when she found out you were missing this morning," his dad told the youngster, "and your mother was so worried she called the police.

"Next time you want to run away, tell me and we'll go together," the elder Spence said.

"It's going to be kind of tough on mother and sister, but at least they'll know somebody is watching you," he said.

A tear trickled down the lad's cheek, as he hung his head.

"Let's both stay home," little Lucius told his dad.

New York's Papers Face Strike Threat

NEW YORK, March 11. (AP) — New York City's 14 daily newspapers and its $300,000,000-a-year commercial printing industry today faced the possibility of strike action by AFL union printers.

The newspapers, represented by the Publishers Association of New York City, filed unfair labor practice charges yesterday against the AFL International Typographical union and its New York local.

The publishers, discussing the possibility of a strike, contended in their complaint to the National Labor Relations Board that ITU had refused to negotiate a new contract within the terms of the Taft-Hartley law. The present contract expires March 31.

William Mapel, vice-chairman of the association, said that if the union strikes at the expiration of the contract "we shall continue to publish our newspapers." He said publishers had made plans "necessary to bypass the composing room operation and substitute engravings of typewritten paste-ups of newspaper pages."

A similar process now is being used in Chicago where an ITU work stoppage is in progress.

School Meeting

(Continued From Page One)

meeting. The Lubbock public schools, except Dunbar, will close at noon Friday. Dunbar teachers go to a separate teachers association meeting,. Some Lubbock county schools are to close at noon and some to be dismissed all day. Those further away would dismiss all day, so teachers would have time to come here for the meeting.

The first general session will be conducted at 1:15 o'clock Friday afternoon in the high school auditorium, with Dr. Stoddard delivering the address. Sectional meetings will be conducted at 3:30 o'clock. The second general session will be conducted at 7:45 o'clock Friday night in the high school auditorium, with Supt. Willard E. Goslin of Minneapolis delivering the address. Superintendent Goslin recently was elected at a meeting in Atlanta, Ga., as president of the American Association of School Administrators.

Charles Tennyson, director of public relations for the Texas State Teachers association, will speak on "Texas Tidelands" at one of the general sessions.

Teachers' Pay

(Continued From Page One)

L. A. Woods and the state board of education.

Among others endorsing the plan at a conference with the governor yesterday, when final details were worked out, were Miss Emma Mae Brotze of Marshall, president of the teachers association; Dana Williams of Teneha, president of the Association of Equalization Aid Schools; W. E. Lowry, director of state vocational education; Sen. James E. Taylor of Kerens, Sen. A. M. Aikin of Paris, and Rep. Ottis Lock of Lufkin.

"Under this loan plan, the money will get to the teachers when it is due," Jester commented. He described it as an excellent example of "self help" and "coordinated effort" in solving a crisis without a special session of the legislature.

Huntsville Convicts Give To Red Cross

HUNTSVILLE, March 11 (AP)—Prisoners in the Huntsville unit of the Texas prison system last night contributed $155 to the American Red Cross.

Contributions from the 1200 men behind the walls ranged from 10-cents to $5.

The $5 donor said part of his family was lost in the Texas City disaster of last April.

Horse Kept Alive By Use Of Plane

PECATONICA, Ill., March 11 (AP)—An airplane is keeping a horse from dying of starvation.

The horse has been standing on a piece of land surrounded by the swollen Pecatonica river for about a week. He refuses to step on the ice to walk to safety. Leroy Berkebila, an employe of the Pecatonica airport, has been flying over the spot and dropping bundles of corn and hay.

Burglaries

(Continued From Page One)

told where some of the stolen merchandise could be found. It had been sold several times, suspects allegedly said. Some other loot had been recovered.

Burglaries were reported by the F. W. Woolworth company, at 1013 Broadway, The Food Mart at 1904 Nineteenth, and Bennie Cox's garage, at 244 Ave. H.

Approximately $50 worth of property was taken from the dime store. Seventeen billfolds, nine rings, 11 Boy Scout knives and a flashlight made up the loot, as estimated in a preliminary check. City Detective Lee Rice and Police Patrolmen George Hall and Pete Hubbard said.

Entrance was at a second floor window next a fire escape.

Paul Faulkner, owner of The Food Mart, said money was taken there. A check-up indicated about $300 was taken from a cash box.

Cox said a car owned by Billy Ray Smith, a customer, was taken in connection with the burglary of his garage. Cox was repairing the machine, he said.

Radio Reported Sold

Floyd Massey, owner of the motor company, leraned that a radio from his company had been sold to a man in Crosbyton. Deps. Sheriff Tom Cannon and Frank Mitchell went there to investigate and were told the name of the individual who had made the sale.

The man was questioned. He said he bought the radio from a negro. The negro, in turn, said he had bought it from another black.

Sheriff's deputies and E. G. Pharr, assistant district attorney, were informed that the property had been sold to various individuals for a small fraction of its worth.

Bruce E. Stewart, of 2303 Sanders street, told police that tools valued at $90 had been stolen from a building under construction at 2620 Thirty-seventh street. The tools included a sanding machine, an electric drill and miscellaneous articles.

Theft of a ring from a car in front of Senior High school yesterday was reported to police by Mrs. F. B. Malone, of 2435 Twenty-first street.

Ernest Christian, 35, of Lubbock, arrived here safely Wednesday afternoon, according to police. His relatives had become concerned over his failure to reach here after leaving Fort Worth Monday afternoon about 2 o'clock, particularly in view of dangerous road conditions.

Workers At Union Pacific Laid Off

OMAHA, March 11 (AP) — A Union Pacific railroad spokesman confirmed today widespread layoffs of the railroad's shop employes.

Twenty men will be discharged at its Junction City, Kas., shops next Saturday and similar layoffs are planned at other shop points, the spokesman said.

"Business is falling off," this spokesman said. "There's just nothing for the men to do. Anticipated business is far below what we previously had expected. This is true all over our system."

No estimate of total layoffs by the railroad was available.

Negro Appeals Court's Ruling

AUSTIN, March 11. (AP) — Heman Marion Sweatt, Houston negro mail carrier, today asked the court of civil appeals for a new hearing on his effort to enter the University of Texas law school.

The intermediate court recently affirmed a trial court judgment denying Sweatt's application for a writ of mandamus to compel university officials to admit him.

Today was the deadline for Sweatt's motion for rehearing.

Plans Finish Fight

If the court of civil appeals denies the motion for a new hearing, Sweatt's next move in his long legal battle would be to appeal to the state supreme court.

He said he would carry the fight to the United States supreme court if necessary.

Sweatt applied for admission to the university law school more than two years ago. His fight has been in the courts since the spring of 1946.

Since that time, the legislature has established the Texas state university for negroes at Houston with a law branch at Austin utilizing University of Texas faculty members. It has two students Sweatt did not seek admission.

Snowstorm

(Continued From Page One)

to users to conserve heat because of the heavy drain on the supply.

The severe cold wave engulfed 16 states. The sub-zero line extended in to the Texas Panhandle.

The federal weather bureau said the biting cold extended from New Mexico to northern Texas, north to the Canadian border and northeast to lower Michigan.

Parts of the south felt the sting of the frigid blasts, too, and temperatures skidded to below freezing in parts of Tennessee, Arkansas and northern Missouri. The mass of cold air moved eastward but forecasters said no readings comparable to the 30 below reported in the midwest today were expected. They said the cold weather will continue through tonight over most of the ice belt.

In other sections of the country temperatures were normal or above seasonal levels. The 81 at Miami was the high on yesterday's weather map.

Show Funds

(Continued From Page One)

above market prices on the animals sold, and totaling $2,500 to $3,000 to be distributed among the youthful exhibitors.

Hunt advised committee members to seek three types of pledges. One is an outright cash donation.

Another is a pledge to absorb the difference between prices paid at the show and the market price on one or more calves, pigs and lambs. These losses usually amount to a maximum of $25 on a calf, $15 on a pig and $7.50 on a lamb.

The third type of pledge is instructions to buy an animal for the purchaser's own use. Most of these instructions, officials explained, come from operators of eating places and owners of frozen food lockers. Meat packers usually will handle the slaughtering of such animals for the by-products, Fanning said.

Girl Proud Owner Of Real Gold Brick

TORONTO, March 11. (AP) — Mary Richardson, 21, is the proud new owner of a gold brick—an honest-to-good-ness gold brick.

She won it as a door prize last night at the annual convention of the Prospectors and Developers association.

It weights 3.48 ounces and is valued at about $120. The catch is —she can't keep it. She has to sell it to the government, that's the law.

Self Defense Plea In Trial

MIDLAND, March 11 (AP) — Mrs. Mahotah Muldrow, 40, on trial here in the death of her estranged husband, may testify today in her own defense.

She is charged with murder in the death of Robert Muldrow III, who was fatally shot here last Sept. 7 on the front lawn of his home. He headed an aerial photograph firm.

Mrs. Muldrow pleaded innocent on grounds of self defense. Witnesses yesterday testified that they saw Muldrow beat her during fits of anger.

Al Nance of Houston said that on two occasions since 1943 he had seen Muldrow beat Mrs. Muldrow. Nance used to live here.

A Presbyterian rector and a baby sitter were among character witnesses in Mrs. Muldrow's behalf. The rector was the Rev. R. J. Snell. The baby sitter is Eddie Juana Darnell, daughter of Sheriff Ed Darnell.

Police Officer Hoyt Burris testified he arrested Muldrow Feb. 15, 1947 on a complaint charging assault, brought by Mrs. Muldrow.

Richard M. Crawley and G. E. Sweeney gave eyewitness accounts of the shooting. Crawley said he watched the shooting from his apartment window, above the Muldrow apartment. Sweeney, an oil company field superintendent, rushed on the scene from his porch across the street after hearing shots.

James N. Allison, newspaper publisher, testified he was in the police station when Mrs. Muldrow entered the building and surrendered soon after the shooting.

"I just shot Robert," he quoted her as saying.

He said she told officers an automatic pistol was in her car, parked outside the station.

New Treatment For High Blood Pressure

DALLAS, March 11 (AP)—A new treatment of high blood pressure with a simple rice diet was described today by a Dallas doctor who has used it successfully, the Dallas Morning News said.

The base of the diet is rice, either white or brown, boiled in water and seasoned with nothing but sugar, the News said.

For the first few weeks, the patient eats only rice, fruit and fruit juices.

In a high percentage of cases, the News quoted the doctor as reporting, high blood pressure drops to normal in a matter of weeks if patients stick to this bill of fare.

Once the pressure is down, the doctor said, the rigid diet is eased a little. The patient may add three ounces of lean meat daily, plus spaghetti or cereal or potato, plus two vegetables from a list of 16.

If the patient hopes to stay well, the doctor said, he must accept this modified diet for life—or until a better treatment turns up.

GI's For Ike Move Started In Texas

AUSTIN, March 11 (AP)—A "G. I.'s for Ike" movement has been started by 12 veterans attending the University of Texas law school.

They hope to see Dwight D. Eisenhower drafted as the presidential nominee of the Democratic party.

Reporting the group's first meeting yesterday, Robert Doss of Whitewright, Grayson county, a mid-law student, said, "this is not a part of the civil rights revolt."

BEAUTY QUEENS MEET—Jacqueline Donny (left), Miss Paris of 1947, and Audrey Smith, London's 1947 Queen of Queens, prepare to leave London for South Africa to serve as associate judges in a beauty contest in that country.

J. Frank Dobie Is To Support Wallace

AUSTIN, March 11 (U.P.) — J. Frank Dobie, colorful folklorist, today joined forces with the national committee backing Henry Wallace for President.

The former University of Texas professor announced he had accepted an appointment to the committee, which had been offered him in January.

Dobie was quoted by the Daily Texan, student newspaper, as terming Wallace "thoroughly sincere and reasonably capable," and believed Wallace "stands for the principles which seem to be Democratic."

Test Can Show Sex Of Unborn

AUGUSTA, March 11 (U.P.)—Researchers at the University of Georgia medical school here have perfected a laboratory test to determine the sex of a child months before it is born. They are not so sure it's such a good idea, however.

The test was invented by the Russians, whose experimenters in hormone research claim that it is 90 per cent accurate. It is being perfected and simplified here by doctors who have found it to work about seven times out of 10.

Only at the university hospital here can expectant mothers so far be tested for the sex of their unborn, according to Dr. Robert G. Greenblatt, professor of endocrinology (the study of internal secretions), who is supervising the project.

The actual testing procedure, he explained, is complicated. One of the steps requires a group of mice to be injected with solutions prepared from about 10 teaspoonfuls of blood from each pregnant woman undergoing the examination.

Two Hormones Studied

Greenblatt and his co-worker, Dr. E. H. Neiburgs, research fellow in charge of the laboratory work, base their calculations on the actions of two hormones in the blood of pregnant women. For simplicity's sake, the hormones are called FSH and LH.

Women found to be high in LH and low in FSH normally may expect a son. It's just the reverse in the case of a girl—the LH is low and the FSH predominates.

Right now, Greenblatt and Neiburgs are working on a more simplified test which they hope will be more sensitive. Neiburgs plans to publish a scientific paper on the project soon, reporting on a series of 75 to 100 cases.

But many of the still unanswered questions are more human than scientific.

Has Drawbacks

"Suppose an expectant mother already has four sons and wants a daughter?" Dr. Greenblatt asked. "Today she never knows what her next child will be until it is actually born, and then the relief and miracle of motherhood usually ease her adjustment even if the child is of the unwanted sex."

Suppose, however, she knew after four months of pregnancy that she was carrying a boy instead of the girl she hoped for?

"Would she develop a dangerous psychopathic resentment against her unborn child?

"Would shes be impelled toward abortion?"

Greenblatt and Neiburgs answered that they just don't know.

Woman Is Charged

AUSTIN, March 11. (U.P.) — A charge of murder was on file today against Lulu Mae Burwell in connection with the stabbing death of May Dell Strong, who died yesterday.

The complaint was filed in Peace Justice Tom E. Johnson's court. The stabbing was alleged to have occurred during a knife fight between four women over who was to get a date with a soldier.

Arabs And Jews See Approaching Catastrophe As Inevitable; Little Concern Is Expressed

By PARKER LA MOORE
Special Correspondent

CAIRO, March 11. — The sun was lighting up the pastel-colored buildings on the hillsides. Trees and flowers were glistening as we looked down from the heights above the city for a final view of Jerusalem before turning off toward Lydda airport.

The guns were silent, as they usually are in the late hours of the morning. The days and nights of the past week, with their shots and explosions were out of tune with the mood of the moment.

Back To Reality

But the remark of a fellow passenger in the bus, "that is where the Jew was killed yesterday morning," jarred us back to reality. The charred remains of a truck twisted around a telegraph pole marked the spot.

A moment later our car was stopped at a roadblock by a band of ragged Arab riflemen who carefully inspected our papers before waving us on with a "peace be with you."

Then the impressions of the past few days came back: The pleasant hour before the fireplace in the home of Greshon Agronsky, calm, philosophic editor of the Palestine Post—the burning eyes of the young intellectual at the headquarters of the Arab higher committee who railed about the inconsistencies of American policy—the young housewife who told of the bullet smashing through the wall above the kitchen sink while she was preparing breakfast—the horrible devastation in Ben Yehuda street where more than 50 lives were snuffed out, all to no purpose.

Terrifying To Think

Against that background, it was terrifying to think of the fatalistic acceptance of the inevitability of more and increasing bloodshed by Arab and Jewish spokesman alike. They seemed to regard the approaching catastrophe with little more concern than the people in America regard the coming of a presidential election. Certainly a holy war between Jews and Arabs in Palestine, which could become a war involving the whole Middle East, is something more than a mere political event in the lives of the little people who must suffer, bleed and die.

That was brought home to me when I saw Mario, the Italian bartender at the contitnental Savoy hotel, in the last afternoon. Mario had startled me some days ago when he told me he was 41 because he looked 65. Mario had lost his health, his wife and his savings while he spent the best years of his life in a concentration camp during a war he didn't want —Mario's eyes were red today and he did not need to tell me why.

He Sent Message

He had told me before of his young brother who lived in Jerusalem with his beautiful wife and son, 10, who was Mario's pride and joy only a week ago he had asked me to take them a message because communications are poor between Cairo and Jerusalem.

I had been unable to deliver the message, and meanwhile Mario got word that all three had died in Ben Yehuda street that fateful Sunday morning.

"Why did they have to die?" Mario asked. "They were friends to Jews and Arabs alike. Why did it have to happen?"

Indeed, why? And why must more innocent people die in this continuing struggle? Yet armies of bright-eyed young men are training in the Palestine hills under foreign officers, learning how to kill, how to destroy property with high explosives, waiting only the signal to start.

"And all to what purpose," exclaimed Mario. "At some future time, both sides will shake hands and forget all about it? Why must it happen?"

Why? I asked that question again in Jerusalem without finding a satisfactory answer.

Dawson County Race For Sheriff Active

LAMESA, March 11 (Special)—Dawson county's political picture took on a livelier hue this week with the announcement of two more candidates for sheriff.

Now in the race to succeed Sheriff A. M. (Buck) Bennett, who announced recently that he would not seek re-election, are Col. Houston Glasson, a close contender for the office two years ago; Truman Cotton, a deputy sheriff for the past six years; and J. B. (Buster) Roberts, now serving his first term as county commissioner of the third precinct.

Bennett, who is serving his tenth year as sheriff, released a statement recently that he would not be a candidate for re-election. Another of his deputies is said to be preparing to announce for the office.

Only one other county race boasts as many as two candidates at present, and not a single announcement has been made for the office of county judge. Kilmer B. Corbin, present county judge, is running for state senator in the 30th senatorial district.

FALSE TEETH
That Loosen Need Not Embarass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wabbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.—Adv

TAXPAYER — Georgieholl Elizabeth Muller, 8 months plays with her social security card at home of her parents, Mr. and Mrs. A. J. R. Muller of New Orleans. The young lady poses for movie ads and must pay taxes on her earnings.

Celaya Is Candidate

BROWNSVILLE, March 11 (AP) State Rep. Augustine Celaya is an announced candidate for Congress. He seeks the position now held by Rep. Milton West, who said he would not seek reelection. Other candidates include Hildalgo County Judge Lloyd M. Bentsen, jr., McAllen, and Laredo Attorney Philip Kazen.

A groundhog stops breathing during hibernation, but the blood circulation continues.

Annual Contest For Selection Of '48 American Mother Held

By WILLIAM C. BARNARD
Associated Press Staff Writer

Send in the name of your favorite mother—she may win a prize.

It's an annual contest, sponsored by the Golden Rule Foundation of New York City, a national organization.

But a Texas committee determines the Texas mother of the year. The Texas winner will be pitted against those from the 47 other states to determine the American mother of 1948.

Must Explain Choice

Mrs. Dollilee-Davis Smith of Cleburne, Tex., heads the state committee. Send your nomination to her, in a letter explaining why you think your choice should win.

The quantity of letters doesn't count, Mrs. Smith says. It's the quality of the mother.

These are the qualifications she adds:

1. She must be a successful mother, as evidenced by the character and achievement of her children.

2. She must embody those traits most highly regarded in mothers —concern for others, courage, cheerfulness, patience, kindliness, understanding, Homemaking ability, moral and spiritual strength.

Active In Community

3. She must have an interest in social and world relationships and must have been active in her community.

4. She should make friends readily, meet people easily and be willing to take her place as a leader among outstanding mothers should she become the American mother of 1948.

Nominations are close on March 18.

Here are a few nominated so far: Mrs. A. B. Lawrence, Houston; Mrs. C. P. Rumph, Waco; Mrs. H. B. Turner, Cleburne; Mrs. Noral Seale Crews, Karnes City; Mrs. Elizabeth Fit. Allison, Carthage; Mrs. Lena Ansley Dean, Stockdale; Mrs. George McDaniel, Abilene; Mrs. Margaret Rose Akins, Dallas; Mrs. Irene Milan Chandler, Dallas and Mrs. C. B. Bass, Silsbee.

Just as an example, we happen to have some information on one of the nominations—Mrs. Turner of Cleburne. She is a physician's wife with four children and eight grandchildren. She helped children other than her own—she took one boy into her home and gave him an education.

During the years when there were no hospitals in Cleburne, she took many accident victims into her home and cared for them. When her husband was county health officer, she visited the county farm daily, taking with her baskets of fruit, candy, cake and magazines. She is an active churchworker.

Of Mrs. Turner, a friend said: "Her talent is being a mother and a homemaker."

VICARIOUS FORGERY

LYNCHBURG, Va. (U.P.)—Russell Cofflin, who can't write, pleaded guilty to forgery. Police said Martin Bowling wrote $148 in bad checks and that Cofflin cashed them.

Although the ocean holds 10,000,000,000 tons of gold, no commercially profitable way has been found to extract it.

WHY FEEL OLD AT 40, 60, OR MORE?

Why be the victim of the older years? If life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have slowed down your vim, vitality and youthful pleasures, here is a method that may change your whole outlook on life. Why not try and regain the pleasures of living you once enjoyed? Why be discouraged—why not regain the verve and zest of a much younger man? Many men are obtaining amazing results with Caltron Tablets. Women too, find Caltron helpful.

The tremendous demand for this formula has warranted a drastic price reduction. Get Caltron stimulating tablets today from your druggist at the new REDUCED price.

IT'S DIFFERENT!

WHY? Here's only ONE reason: The plant is equipped with ultra-violet germicidal lamps to keep the air and water germ free.

Alice In Wonderland Will Be Offered At High School Here

Roles of animals will be taken by dwarfs in the musical adaptation of "Alice in Wonderland," famous children's story by Lewis Carrol, in performances at 4 o'clock this afternoon and 8 o'clock tonight in Senior High school auditorium.

The Lubbock Association for Childhood Education will sponsor the performances, which will be presented by Penthouse Productions of New York.

The production will present the story of Alice, young lady who sojourns into "wonderland" when she falls asleep and dreams of many places and creatures. Original dances and musical score will be presented.

Characters will include the white rabbit, who cuts his capers as the Mad Hatter rushes about inviting everyone to his "mad" tea party; the Dormouse; Cheshire cat; sad-faced Mock Turtle singing the "soup" song; the duchess; red and white queens; Humpty Dumpty; Tweedle-Dee and Dum; a 20-foot caterpillar which dances about in the "enchanted forest;" a dancing horse, and others.

Tickets On Sale

Miss Evelyn Jones is president of A. C. E. and Mrs. J. T. Shaver is general manager for presentations of "Alice in Wonderland." Tickets are on sale in offices of public school principals. They also will be sold at the high school this afternoon by Howard Day from Chris Harwell school and Lennon Hill from George M. Hunt school and tonight by Milton Greer from Roscoe Wilson school and Miss Trula Maud Jetton and Miss Mildred Boone, who are on the finance committee for the production. Ushers will represent various schools. Ticket prices are 60 cents for children and $1.20 for adults.

Main purpose of the performances is to bring good music to Lubbock children, the A. C. E. has announced.

Speech Similarity Brings Red Face

WASHINGTON, March 11. (U.P.)—The similarity between Undersecretary of State Robert A. Lovett and one of his assistants hit an embarrassing high the other day. Both men are bald, and their voices sound alike.

A third high-ranking State department official called Lovett's office on the telephone. He thought the assistant answered.

"You old bald-headed so-and-so, what are you doing at the undersecretary's desk?" the caller asked.

"That is a very fair question indeed, and one I frequently ask myself," replied none other than Lovett.

Burglars Read And Follow Instructions

CRISFIELD, Md., March 11. (AP)—Burglars in Crisfield can read anyway.

Samuel Saltz, proprietor of a furniture store, always leaves this sign on the safe when he goes home at night:

"There is no money in the safe. Take the money in the cash register and be satisfied."

The burglars did and got about $40.

United States Plays Host To Undesirables

By ROGER STUART
Special Correspondent

WASHINGTON, March 11.—The United States is playing unwilling host to hundreds of aliens it wants to deport, but can't.

Many of them are subversives who came from Communist-dominated countries. Yet they are free to stay here and carry on activities harmful to this nation.

Thomas B. Shoemaker, deputy commissioner immigration, says 3500 deportable aliens are known to be here. Twenty-two hundred came from countries behind the iron curtain. But Attorney General Tom Clark has told Congress that, although he wants to send them back, he can't "because of a passport refusal by their own government."

They Will Not Leave

The majority, he asserted, "will not leave the United States voluntarily to go to some other country willing to receive them."

It is impossible for the immigration services to keep a close check on all aliens, even those whose presence is a threat to the country's welfare, according to Mr. Shoemaker.

"We pick up aliens when we have reason to believe they're Communists," he said. "We hold some of them in cusotdy for as long as we can. But you can't detain them for long—the courts won't let us. When a man goes free, although we try to keep an eye on him, it's impossible to follow him everywhere he goes."

Few Are In Custody

Fewer than 50 deportable aliens at present are in actual custody, Mr. Shoemaker said.

The courts have held that persons subject to deportation may be detained only a "reasonable" length of time, usually construed as not more than a few weeks.

Attorney General Clark has suggested legislation to permit detention of deportees for a limited time under conditions permitting them freedom only to seek visas for entry into countries willing to accept them. This, he said, would "also give us an opportunity to curb their activities." But Congress so far has taken no action.

In the past year, according to the immigration service, 7233 persons entered the United States legally from Russia and five other Communist-dominated countries. Nearly half of them came as permanent-resident immigrants, the rest as temporary visitors.

Business In Texas Hits Postwar High

AUSTIN, March 11. (AP)—Texas business hit a new postwar high in January.

The bureau of business research composite index of business activity was 211 per cent of the 1935-39 base period. This was only 11 per cent under the war peak of 238 in January, 1945, said Dr. John R. Stockton, bureau statistician.

TO MARRY IN MAY—Mr. and Mrs. William Green announced the approaching marriage of their daughter, Miss Clara M. Green (above), to Clarence E. Scarr, Coshocton, Ohio, business man. Green is president of the American Federation of Labor. The wedding will take place May 8 in the First Baptist church, Coshocton.

Convicts Face Death Penalty

SAN FRANCISCO, March 11. (AP)—Two Alcatraz convicts must die for their part in the bloody 1946 uprising on the island prison in San Francisco bay.

Three other convicts and two guards were killed as the group of desperados tried to escape. None did.

Federal court today upheld sentences for Sam Richard Shockley, 38, sentenced for kidnaping and bank robbery in Muskogee, Okla., and Miran Edgar Thompson, 31, who killed a policeman in Amarillo, Texas.

Another Died

They were convicted of aiding Joseph Paul Cretzer, bank robber and killer in slaying Alcatraz Guard William A. Miller. Cretzer died in the gunfire laid down by other guards.

Clarence V. Carnes, 21, sentenced to life for his part in the attempted break, did not appeal. He was serving 99 years in Alcatraz for kidnaping and murder in Oklahoma.

Shockley and Thompson will be executed in California's gas chamber at San Quentin prison.

Man Selects Wrong Box To Mail Letter

SAN DIEGO, Calif., March 11. (AP)—Adelberta Huerta Santa Cruz, 19, stopped at a business district corner to mail a letter back to Mexico. Senor! Such things happened!

Sirens screamed. Traffic was snarled. Hundreds of people gathered.

Fire department Battalion Chief Ray Ramage found Adelberta still standing in astonishment before the alarm box. He was allowed to go after explanation through an interpreter.

State Funeral Scheduled On Saturday For Czech Leader

PRAGUE, Czechoslovakia, March 11 (AP)—Jan Masaryk will be given a state funeral Saturday by Czechoslovakia's Communist-controlled government. He will be laid to rest beside his father, founder and first president of the republic.

The 61-year-old non-party foreign minister was found dead yesterday, two weeks after the new cabinet came to power, in a stone courtyard more than 50 feet below his bathroom window at the foreign office. The government said he jumped.

Funeral services will be held in the pantheon of the Prague museum in the capital's central square. Communist Premier Klement Gottwald will speak. Burial will be in the family plot at Lany, beside the grave of Thomas G. Masaryk, who was president from 1918 to 1935 and died in 1937.

Czechoslovakia mourned the minister today in shocked melancholy. Half-staffed tricolors and black banners did not begin to tell the story of the loss felt by the nation's "little people."

People Are Grieved

Czechoslovaks are a hard-headed, soft-hearted people, unashamed of sentimentality. The love they lavished on their world-famous son in his lifetime was matched at his death by their sorrowing. The tone of melancholy was set by radio broadcasts, with continuous reference to his death and with the somber melodies of Czech funeral music.

To thousands the loss was personal, because Masaryk numbered his personal friends in the thousands. And to millions the country's loss was real, because they shared with him the tradition of the Masaryk family name and the big part it played in the birth and building of the republic of the Czechs and Slovaks during and after the first World war.

Talked With Mighty

They knew the young Jan who stood up in the councils of the world and talked with the mighty. And they knew he came back to enjoy picnics in the country, to swim at public barges in the Vltava river here, to chat and joke with shopkeepers, waiters and workmen in a familiar way his father, the old professor, never had.

"I am glad to be home," he said in his last public news conference, upon his return from the 1947 United Nations assembly meeting in New York. "I am glad to be back with my little people."

That was the last time western correspondents saw him in any number. During and after the political crisis that saw Czechoslovakia go under Communist control, he denied himself to western newsmen.

Chicago's Winter Deadly For Toads

PHARR, March 11 (AP) — Something which will kill a Texas horned toad has been found.

It's the rigors of Chicago winters.

And neither sun lamps nor cod liver oil nor experts of Chicago's Brookfield zoo could revive him.

Reports here to Mrs. T. Strait say the toad ended up in a glass zoo in Chicago's natural history museum.

It is insultingly labeled "Horned Lizard from Texas."

Danny Ozier, 11, was given the toad by Mrs. Strait last April. Came the snow and ice and the toad, called "Mac," visibly wilted.

Sunlamp baths failed to revive Mac. Danny's mother asked Brookfield zoo keepers for advice and they were surprised it had survived so long away from the sun.

Cod liver oil and liver pepped him up but not for long.

Danny wouldn't bury Mac. He gave him to the museum.

Independent Oil Men Gather At Corpus

CORPUS CHRISTI, March 11 (AP)—The second annual convention of the Texas Independent Producers and Royalty Owners association opens here today.

Committee meetings were on today's program. Business sessions are scheduled for tomorrow. The convention ends Saturday.

The oilmen are expected to take action on the question of a standard measurement for a cubic foot of oil, which E. I. Thompson, executive vice-president of the official crisis that saw Czechoslovakia go under Communist control, he denied himself to western newsmen.

Speakers tomorrow include H. J. (Jack) Porter, Houston; Steve Stahl, Oklahoma City, and Lt. Gen. Ira C. Eaker, former chief of staff of the Army Air Forces.

Martial Law Is Declared

IN NORTHERN PALESTINE, March 11. (AP)—Martial law has been decreed in all northern Palestine, effective at dawn today, by Fawzi Bey Al Kaukji, Arab commander.

"Every order from his headquarters will now become the law of the land (northern Palestine) for civil and military alike," Fawzi Bey declared in his order last night.

Prisons Set Up

His headquarters said prisons now are being established in the mountain top village where Fawzi Bey has set up his command. Several persons already have been arrested and are awaiting trial before military courts, which officers said will begin sitting soon in all major towns and cities of the northern Holy Land.

The courts are to be operated by Arab lawyers now attached to the Arab army, which entered Palestine last week in readiness to fight partition of the Holy Land, voted by the United Nations last Nov. 29. Fawzi Bey said punishments will be "strict and severe."

Woman Is Held

Army informants said among those now being held for trial is a Jewish woman "who tried to pose as an English newspaperwoman." They said the woman, whose identity was not disclosed, was arrested in a Samarian mountain village Tuesday while trying to arrange an interview with Fawzi Bey.

The Arab commander and his staff now are busy studying maps and intelligence reports in preparation to take the offensive against the Jews.

They intend to remain in the tiny mountain villages for at least another week. An aide said one phase of the planning involves protection for thousands of Arabs living near Jewish settlements in the north, who might suffer counterattacks once the Arabs begin operations.

Job Openings At Low Level

Current unemployment in this county is at the highest level since immediately following close of the war, on the basis of records in the office of the Texas Employment commission here.

Figures released yesterday by James E. Marshall, office manager, showed that during February 5,319 persons contacted the office, compared with 4,507 in January, and 3,720 in February of last year. Of the 5,319 February applicants 647 were applying for the first time here.

Many Classes Included

The list of job seekers included many occupational classifications ranging from professional to unskilled. Many of them have had years of experience, Marshall's report said, and others are just out of schools and seeking their first jobs.

Reflecting the low level of job openings during February, only 629 of the 5,319 were referred to jobs, and 438 placed in employment.

Another indication of increasing unemployment, Marshall said, is the large number of claimants filing for unemployment compensation and servicemen's readjustment allowances. These nearly double during the short month, the report showing 827 such cases at the end of February, compared with 428 at the end of January.

Continues In March

The report showed also that the accelerated activity is continuing into March. During the first nine days of this month, 1,530 people had contacted the office looking for work, 241 had been referred to jobs, and 139 had been verified as hired.

Marshall believes that "with the cooperation of local employers this alarming increase in unemployment can be halted and the problem worked out in an orderly, systematic way for the benefit of the entire community."

He urged that all employers needing workers, whether in the factory, store, or kitchen, call the employment commission office and report their needs.

Girl Sells Baby For $300, Wants It Back

ATLANTA, March 11. (U.P.)—A 16-year-old unmarried mother tried in court today to get back her baby, which she said she sold to an Atlanta couple for $300.

Clara Goforth of Calhoun, Ga., said Mr. and Mrs. Jesse A. Powell put up $300 to pay her medical expenses when the child was born 11 days ago and she turned the baby over to them.

The girl became pregnant while working for the Powells, she said, and they wanted to adopt the baby.

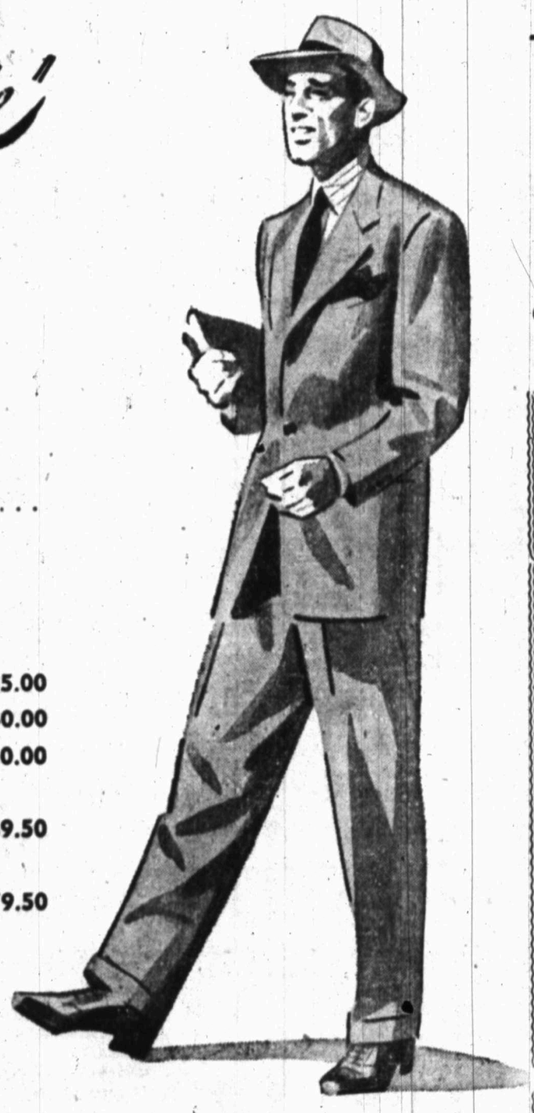

"They can have their money now," she said. "I want my baby."

Her suit was referred to juvenile authorities and the baby was taken under court protection.

Curator Finds New Evidence On Man's Ancient Relatives

By JOSEPH L. MYLER
United Press Staff Writer

WASHINGTON, March 11. — Tiny distant relatives of man swarmed in the trees of western North America $50,000,000 years ago.

"They ranged in size from that of a small chipmunk to that of a large squirrel," the Smithsonian Institution said today in a report on a new bone collection.

The collection consists of unusually well-preserved bits of skull bones which belonged to ancient relatives of present-day lemurs and tarsiers.

Found In Wyoming

They were found in the Bridger basin of Wyoming by Dr. Charles L. Gazin, Smithsonian curator of vertebrate paleontology.

These creatures were among the oldest primates—the animal order to which man and the apes belong—that lived in western North America.

At the time they lived the face of the earth was much different from what it is now. Instead of being divided by seas and straits, the continents apparently were linked, because modern close relatives of these ancient inhabitants of Wyoming now live in as widely separated regions as the Philippines, Madagascar, and South America.

Some millions of years before their time, the primate order had split up into lines which ultimately produced man and the apes as well as tarsiers, lemurs, and monkeys.

Primates Die Out

For some reason the primates of North America died out. In a matter of "only a few million years" after the time of the creatures found by Dr. Gazin, primates "completely disappeared" from this part of the continent.

In the North America of 50,000,000 years ago the largest and most fearsome beast was the uintatherium. The Smithsonian has a complete skeleton of this animal found in the Bridger basin in 1940.

It was about the size of a large bull with extremely heavy bones, six horns, sabre-like tusks, and "a remarkably small brain." It has no living relatives.

Compared with the uintatherium, Dr. Gazin said, the most stupid of all animals alive today—the rhinoceros—is "an intellectual giant."

SEEKS BLOOD—Jimmy Gilmore, Chicago leukemia victim, wants an unusual present for his 18th birthday May 6. He wants blood. He has had 58 transfusions in the past two years and doctors say he will need at least 20 more. Jimmy says his relatives and friends have given all they can. Billings Hospital, Chicago, is handling the donations.

New York Is 20th To Ratify Tenure Limit

ALBANY, N. Y., March 11. (AP)—New York is the 20th state to approve the proposed constitutional amendement to limit U. S. presidents to two terms.

The assembly, over solid Democratic opposition, voted 103-43 yesterday to limit presidential tenures.

Tobacco can be grown in a wide variety of climates from southern Canada to the tropics and on most kinds of soils, except very wet soils.

Opera Performance Is Presented Here

The opera came to Lubbock last night and Lubbock went to the opera, judging by the 1,000 or more persons who braved the sub-freezing weather to attend the presentation of Verdi's "Rigoletto" at Senior High school auditorium.

The North Texas State Teachers college opera workshop, with three previous performances of "Rigoletto" before the Lubbock appearance, gave a colorful, dramatic and highly laudable interpretation of the well-known opera.

Lubbock Student In Cast

Although an amateur production, staged entirely with student voices, Louise McLane as "Gilda" placed last night's performance on a higher level than most amateur presentations. Miss McLane gave a highly emotionalized rendition of the part, and her lyric soprano voice is comparable to that of many Metropolitan opera stars.

Ira Schantz of Lubbock, who played the "Duke," and Marvin Solley of Louisville, Ky., as "Rigoletto," turned in excellent performances in their respective parts.

Stage settings, sound effects and an exceptional supporting cast, along with a highly efficient orchestral accompaniment, made the opera a distinctive success.

Director's Work Praised

A great part of the credit for last night's successful performance should go to Mary McCormic, noted opera singer in her own right and at present director of the opera workshop and voice teacher at NTSTC. The production clearly showed the influence of a guiding hand with professional experience.

Walter Hodgson, dean of the school of music and director of the orchestra, should also come in for his share of the credit for a successful opera. Although subordinated to the stage performance, the music is a vital and indispensible factor in the success of any operatic presentation.

The Lubbock performance was made more enjoyable by presenting the English version. Originally written in Italian, most professional operatic companies still present the Italian version. However, to the unitiated opera goer, English presentations are easier to follow and hence more enjoyable.

The Lubbock appearance of the opera was sponsored by the Allegro Music club, with Mrs. Wallace Glover as president.

The number of faculty members in U. S. college-grade schools increased about 60 per cent between 1930 and 1940.

BOTTLE BABY — James Wells, 75-year-old English shepherd, feeds a day-old baby lamb from a bottle. Strengthened by a hearty meal, the lamb tested its wobbly legs under Wells' watchful eye.

Cowgirl Band Is To Play At Crosbyton

CROSBYTON, March 11 (Special)—The Hardin-Simmons Cowgirl Band concert, postponed March 5 because of weather conditions, will be held March 15 at 7:30 p. m. in the Crosbyton High school auditorium.

The band will feature Miss Dortha Huffaker, ex-Wave from San Francisco, Calif., as french horn soloist. She will play "Tittle Serenade" and a horn solo of her own composition.

Other features of the program will be a trick roper, twirler, a vocal trio, violin trio, harpist and vocal soloist.

Admission is 60 cents, including tax, for adults and 30 cents for all school children. Proceeds go to the Crosbyton High school band for new uniforms.

CHICAGO'S TREES VANISHING

CHICAGO (AP)—The city is losing its trees at the rate of 700 a month, Walter C. Wright, superintendent of the bureau of parks, recreation and aviation, estimated that more than 400,000 trees should be planted to replace those cut down by the city.

CHEST COLD? that's a job for 'Comfy' and 'Minty' the MENTHOLATUM TWINS

Quick MENTHOLATUM

● Mother, when coughing spasms wrack your child's body and leave his chest muscles so sore it hurts him to breathe—quick! call "Comfy" and "Minty" to the rescue. Comforting Camphor and minty Menthol, the two famous Mentholatum ingredients, are gentle to a child's delicate normal skin—but they work fast to help loosen congestion, ease soreness, and lessen coughing.

U.S. Hospitals Join In Fight For Repeal Of Margarine Taxes

By EARL RICHERT
Special Correspondent

WASHINGTON, March 11—U. S. hospitals, through the American Hospital Ass'n, have joined with other groups in asking that federal taxes on margarine be repealed.

Dr. John H. Hayes, superintendent of the Lenox Hill hospital in New York and past president of the association, appeared at the House agriculture committee hearings on proposed repeal as spokesman for the organization.

"I would not be here today if there were any question as to the relative food values of margarine and butter," he said.

Save Every Penny

Dr. Hayes said high operating costs made it necessary for hospitals to save every penny possible and that margarine as a butter substitute was one of the possible economies.

But, he said, most hospitals could not even afford to color their own margarine because they would have to pay a $600 fee as a "margarine manufacturer."

Dr. Hayes said if restrictions on margarine were removed he would serve margarine in the place of butter where it could be done. He now uses white margarine for cooking and serves butter to patients at his hospital.

Asked by Rep. August Andersen (R., Minn.), whether he would object to a provision requiring that the hospital notify the patient he was being served margarine, Dr. Hayes replied:

Can See No Reason

"I can see no more reason for that than for telling him he is being served homogenized milk in place of some other type," the doctor said.

Other organizations which sent officials to plead with the committee for repeal of the taxes included: U. S. Wholesale Grocers Ass'n., National Ass'n. of Retail Grocers, AFL, CIO, National Cotton Council, League of Women Voters, Consumers Union, National Federation of Settlements, League of Women Shoppers and the National Council of Jewish Women.

Chairman Clifford Hope (R., Kan.) of the Agriculture committee repeatedly has made the point in questioning witnesses that even though the federal taxes are repealed, about two-thirds of the people still will be unable to buy colored margarine because of state laws.

The following states ban the sale or manufacture of colored margarine: California, Connecticut, Delaware, Idaho, Illinois, Iowa, Maine, Maryland, Massachusetts, Michigan, Minnesota, Montana, New Hampshire, New Jersey, New York, Ohio, Oregon, Pennsylvania, South Dakota, Vermont, Washington, Wisconsin and Wyoming.

Several witnesses, including spokesmen for the American Soybean Growers Ass'n. told Rep. Hope they expected "to go to work on state legislatures" if they win in Congress.

Rep. Robert J. Corbett (R., Pa.), author of a bill to reduce the federal taxes, said he was sure the Pennsylvania legislature next year would remove the remaining state restrictions on the sale and manufacture of margarine.

There are 736,518 miles in Greenland, the largest island in the world.

JET PLANE MODEL—Alice Gannon holds a model plane with pulse jet-type engine made by Frank Hekimkin of Indianapolis for American Legion plane contest at Chicago. It follows same principle as German buzz-bombs.

Judge Cites Cost Of Handling Alcoholics

LOS ANGELES, March 11. (AP)—Municipal Judge Charles D. Wallace spoke his mind when 41-year-old Charles Culver appeared before him for the 81st time on intoxication charges.

"To those citizens who belive alcoholism, which is a disease, can be treated by throwing victims into tanks for punishment, this case should be a lesson," he said.

"The cost of arresting, transporting and supporting Culver the 1,883 days he has been confined in jail, has been more than the cost of building a farm for these unfortunates."

Then he sentenced Culver to an additional 120 days in jail.

CUPID BOWS OUT

ENGLISH, Ind. (U.P.) — Circuit Judge S. Morris Wilson thought he would play Cupid when he set St. Valentine's day to hear testimony in three divorce cases. But Cupid would have none of it. One of the attorneys had another case for that day, another was not prepared for trial and the third was ill. All three cases were postponed.

Gets Arthritis Relief With Mertox, Says Fort Worth Man

"I have found that Mertox Compound is a wonderful remedy," writes Mr. Ephraim E. Jones, Erath Street, Fort Worth, Texas. "I have been constipated and in a rundown condition for years; also I have been troubled with arthritis for over 14 months."

"So far I have only taken two bottles of Mertox Compound and am getting better all the time. My constipation is gone and the arthritis is greatly improved. I have found Mertox to be a wonderful remedy because it seems to get right down to the cause of the trouble, removes poisonous waste from the body and at the same time restores energy so that I now feel like myself again."

Many, many people are reporting amazing results with this splendid medicine and many druggists report constantly mounting demand. Why not ask your druggist today for Mertox Compound? But be sure you get the genuine Mertox—don't be "switched."

Adv.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and how valuable, restful sleep.

When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Plans To Send American Arms To Other Countries Discussed

WASHINGTON, March 11. (AP)—Republican members of the House foreign affairs committee today talked of broadening foreign aid programs to allow sending of guns and weapons to any country.

Rep. Vorys (R-Ohio), acting chairman at the closed door conference, told newsmen the proposal included "any place where" conditions arise similar to those in Greece, Turkey and China. That is, anywhere that Communists threaten.

No Definite Decision

He said the Republican group—a majority of the foreign affairs committee—reached no definite decision.

This idea got serious attention against a background of obvious increasing congressional concern over world developments.

In a House speech, Rep. McDowell (R-Pa), said he believes "the world is on the verge of war" and announced he will reverse a previous stand and vote for a peacetime draft.

Rep. Hinshaw (R-Calif) complained in another speech that national defense is being "frittered away by confusion, neglect and failure" in military planning.

Quick Vote Predicted

Vorys said the House Republican group met primarily to talk about ways of speeding passage of the European recovery program. The Senate is now debating it. Senator Wherry of Nebraska, acting Republican leader, predicted a vote this week.

Vorys said the Republican talks covered:

1. The possibility of confining immediate foreign aid action to passage of a European recovery plan.

2. A combination bill including economic aid to Europe and to China.

3. Economic aid to Europe, China and the Greek-Turkey military aid plan.

4. Economic aid and a policy of military assistance wherever our interests require it, which would involve Europe, China, Greece and Turkey and any other place where similar conditions arose.

The House committee Republicans planned to meet later today to continue the discussions.

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Tech Textile Work Lauded By Speaker

Texas Tech has one of the most modern and up-to-date fiber and spinning laboratories in the nation, Geo. W. Pfeiffenberger, research supervisor for the Chicopee Manufacturing company, said in a talk on cotton fiber and spinning research at the luncheon program of the Lubbock Kiwanis club today noon at Hotel Lubbock.

"I believe the people of Lubbock should be proud that their college is taking such a lead in a science, which, as sciences go, is still in its infancy," Pfeiffenberger said.

"Cotton fiber research goes back to about 30 years ago for its beginning, but it is only during the past five or ten years that it has begun to become quite universal in the manufacturing, and I might say, to become practical in manufacturing. It has not yet entered very strongly into cotton marketing, but this is a goal to look forward to."

Then the research man displayed several samples of cotton and fiber work conducted at Tech and outlined briefly the various factors such as grade and staple, fiber fineness, strength, maturity and uniformity which are important with respect to its spinnability.

"Tests have been made by us and other laboratories, wherein we secured much stronger yarn out of shorter staples than out of longer staples," Pfeiffenberger said. "Since shorter cotton, say around one inch in staple, processes better and cleans easier, it would be more desirable for this purpose, if one could be sure of getting the property variety. But no marketing procedures have yet been able to guarantee the variety.

Pfeiffenberger, who has been conducting research at Tech the past three years, was introduced by Marion F. Peters, program chairman.

J. H. English and John Hughes were introduced as new members. Out-of-town guests at the luncheon included Ralph Penney, St. Louis; and Julian Bobo, Dallas.

TEXAN FOUND DEAD

NEW ORLEANS, La., March 1 (U.P.)—Herman C. Henderson, 44, of Dallas, was found dead in his room at a tourist court here last night.

Coroner Charles Gelbke of Jefferson parish attributed the death to coronary thrombosis.

Congratulations To

Clyde Bros. Circus Tent Being Erected; First Show Friday

Workmen were busy today erecting the tent for Clyde Bros. Circus, which opens a four-day engagement in Lubbock Friday under sponsorship of the Lubbock Optimist club. The tent is being erected on vacant property at Nineteenth and Taylor avenue, where the show will be staged.

In the meantime, members of the Optimist club were hoping for warmer weather so that they will have good crowds for the show, which appears in winter tours under sponsorship of civic clubs, Shriners and other groups throughout the Southwest.

First of seven performances will get underway at 8:15 Friday night. Other shows are scheduled at 2:45 and 8:15 p. m. Saturday; 3:45 and 8:15 p. m. Monday and Tuesday.

The Optimists' share of proceeds from the circus will go into the Junior Optimist club's building fund, a boys' club project supported by the Optimists in the 2400-block on Second street.

Thirty acts will be presented in three rings during the 2 hours and 15 minutes of each performance. Featured acts include acrobatic, dog and pony performances and the antics of Happy Kellems and the funniest troupe of clowns on the winter tour.

Capt. Jimmie Conners, king of the tight wire; Henry Dud, greatest of all slack wire artists; the sensational LeClairs, directly from France; the Hartleys, artists on the rolling globes; and Miss Gloria King and her canine revue.

Tickets for the show are $1:20 for adults and 60 cents for children, with no seats reserved. Pillows for sale at the performances by Junior Optimist club members were furnished through the courtesy of Mrs. Sam Rosenthal, president of the Lubbock Hubbers.

Tickets may be purchased from Optimist club members or at booths to be open Friday, Saturday, Monday and Tuesday at Wylie's Drug Store, Mark Halsey Drug No. 2, Clark's Drug store and the Varsity Book store.

PRINTERS LAID OFF

CHICAGO, March 11. (AP)—Eight job printing firms laid off about 450 printers yesterday because of what they termed "slowdown operations."

That Girl on Broadway says most of our opinions remain in a plastic state until the cold water of opposition hardens them.

* * *

We wish we hadn't tried so hard to understand the Russians. Now we DO understand them!

* * *

J. Raymond Dickey was in a remembering mood the other day as the two of us rode down to the Boys club and a fire siren sounded off.

As the red trucks roared past us, Mr. Dickey remarked:

"During the four years I have served on the City commission, there have been only three regular bi-weekly, Thursday afternoon meetings of the commission that the fire trucks haven't made a run. Every other time commission meetings have been marked by alarms from the nearby Central Fire station."

That's quite a coincidence.

* * *

March always has been known as the "Mad Month," even before the income tax deadline was set in the middle of it!

* * *

THERE is a new charity plan unfolding here in Lubbock — a plan which some of its proponents, at least, believe is destined to sweep the country and, in the process, do a lot of good for a lot of people.

Originated here, the plan is called the "21 Club" and is in operation in at least three Sunday school at First Methodist church and, for all we know, perhaps in other organizations by this time.

The "21 Club" is based upon the Book of James, Chapter 1, Verse 27, which reads "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

Broken down, the verse is interpreted by the "21 Club" to mean that true Christians should visit all people wh oare in trouble visit all people who are in trouble ering them aid.

* * *

Here's the way the "21 Club" plan operates:

It is adopted by some organization, church, civic, social — any organization whatsoever whose members feel that each day they should give thought and help to persons less fortunate than they.

Each member of the club agrees to place a receptacle on his table and at each meal to place in that receptacle a coin of any value from a penny on up.

At the end of each week the receptacle will have 21 coins — one for each meal — and its contents then are taken or mailed to the organization's central point where the contributions of all members are combined.

The "21 Club" gets its name, of course, from the fact that normally an individual consumes 21 meals per week.

* * *

THE three Sunday school classes already working under the "21 Club" set-up are the Sophomore class, College department; the Junior-Senior class, College department; and the Young Adult Counsellors, all of First Methodist church. The Young Adult Counsellors, all of First Methodist church. The Young Adult Counsellors, whose teacher is Mrs. O. L. Byrd, was the, first group to take up the plan and for the past five weeks has raised a total of $32.69 to be spent on making life easier for persons whose lot is harder than those of the class.

Following the lead of the Young Adult Counsellors, the Junior-Senior class, taught by Waggoner Carr, has been operating the "21 Club" plan for four weeks and has raised $22 thus far. The Sophomores, taught by Jack Creel, have been using the club idea for two weeks and have chipped in $11.76 to date.

Money thus raised can be used in any charitable way organization members decide for themselves. The Young Adult Counsellors, for instance, are using their money for aged, sick or needy people here in Lubbock, as are the Junior-Seniors. The Sophomores are going to split theirs between local and overseas needy.

* * *

The "21 Club" idea was originated by Theodore D. (Ted) Goldsby, a lawyer connected with the regional office of the Veterans Administration here.

Mr. Goldsby awakened one morning at 2:15, reached to his bed-table for something to read and came up with a copy of "The Upper Room," a bi-monthly publication charting daily devotionals for individual and family use. Opening the booklet casually, he came to that portion of St. James' writings which stressed doing something for less fortunate people. Then the "21 Club" idea took form.

The next Sunday, Mr. Goldsby "sold" the idea to the Young Adult Counsellors, which class he attends. Later the other classes took it up.

* * *

THE "21 Club" plan has something to recommend it in addition to the good its funds can accomplish for needy persons.

At family tables, it can be a constant reminder to us all that there are people whose lives are less satisfactory than our own; that there are people who are sick, friendless, cold and hungry; that our blessings are greater than they might be.

Following the plan by families, we can become more closely knit by engaging, as a family unit, in this, or other good work. The "21 Club" plan can be, indeed, a family project from which members cannot fail to gain.

The strong point to the plan is that any group following it can choose its own avenue of service; that there are no rules, regulations, dues, officers, franchise costs, etc. No organization is barred from taking the plan and using it, as the group sees fit, for good works.

* * *

Of course, the plan has a weak point, too. There is a possibility that it might get off to a great start, then wane and finally disappear as people lose enthusiasm, or even interest. Human nature often reacts that way to the very best of undertakings.

However, any organization attempting to institute a "21 Club" plan will do well to set, in advance, a period during which it shall be fully tried—say six weeks, or two months. Then, after thorough trial, individuals connected with it may make up their own minds as to future operations.

Mr. Goldsby is willing to help any group get started and those interested by contact him at his home, 1719 Twenty-fifth street, Phone 2-4111, between the hours of 6 and 8 p. m., Mondays through Fridays.

It appears to us, as it will to many others, that the project is well worthwhile.

* * *

WE wouldn't blame President Truman if he came to the conclusion that Southern hospitality has given way to Southern hostility!

Why is it so hard to apprehend subversive Communists in this country? Don't any of 'em ever park alongside of fire plugs?

* * *

SIDNEY REEVES, school superintendent at Lockney, is justly proud of the new ward school building in his town, as well he might be.

Last year, Mr. Reeves and his board got hold of some Army barracks from down around Pecos, got them moved to Lockney after some difficulty with the highway department, and used them as a basis for the new structure. The building now has 507 students, 14 classrooms, a visual education room, office and reception room, nice wide halls. It is bricked over and very attractive, as well as satisfactory in every way.

The building cost, over all, about $55,000—or about $200,000 less than most similar buildings under today's prices.

Pretty good deal we'd call it.

BY DREW PEARSON: DEMOS EMBARRASSED OVER ASKING TRUMAN NOT TO RUN

Leaders Need Time To Build Up A New Candidate

WASHINGTON — It has now been nearly four years since Democratic party moguls met at a secret White House dinner and persuaded Franklin Roosevelt to accept Senator Truman of Missouri as vice president. They knew then, of course, that the chances of FDR's living through the next four years were slim.

PEARSON

Present at that dinner were Ed Flynn of the Bronx, Mayor Ed Kelly of Chicago, Mayor Hague of Jersey City, and Bob Hannegan. Today, almost the same Democratic moguls convene at the White House. And despite this week's announcement that Truman is a candidate, they still hope they can deftly dislodge from office the man they put in.

They know in advance that this will not be easy — for two reasons: 1, the embarrassment of breaking the news to Truman; 2, finding another candidate who can win.

Two years ago all this would have been easy. At that time, Truman himself was saying he did not want to be President. But no man likes to retreat under fire, and Truman's ideas on this are well illustrated by the staunch support given such friends as Ed Pauley and Brig. Gen. Wallace Graham when they were under fire for speculating.

However, the party moguls have promised each other privately that they will be hard-boiled and tell the President the truth —namely that the chance of victory with him at the head of the ticket is nil.

If they do this, then finding a candidate to take Truman's place will not be easy. Chief Justice Fred Vinson of Kentucky would be acceptable to the South, but wouldn't arouse too much enthusiasm in the North. Supreme Court Justice William O. Douglas is a great administrator and would have the advantage of probably persuading Henry Wallace to withdraw. Henry Kaiser would be popular in the west, with labor and with small business men.

However, it takes time to build up any candidate. And while it's not too late, the sooner the Democrats get busy, the better their chances.

That's the problem facing Democratic moguls as they walk into the White House today.

* * *

Secret Jim Crow Vote

The voting record was ordered burned and every congressman was sworn to secrecy when the House appropriations committee voted on the dynamite-laden subject of barring federal money to universities and hospitals which refuse to admit negroes.

Secret, also, was the word passed down by Republican leaders against this anti-Jim Crow amendment. However, Congressman Frank Keefe of Wisconsin, Republican, was adamant that his party go on record one way or the other for a practical application of civil rights.

"You can talk about anti-lynching bills and abolition of Jim Crow laws," Keefe said, "but here is a practical way to show where the federal government stands — by withholding money from institutions which discriminate against the negro."

Most vigorous opposition to Keefe's amendment, during the secret committee debate, came from Florida's Democratic Joe Hendricks.

"The North licked us in the Civil war, but not through superior bravery or ability," he said. "It was by sheer force of manpower. We lost that fight, but we're not going to lose this one. Blood will run before we will give in!

"The southern states will never under any circumstance accept a dollar of federal money, if we have to let niggers into our higher institutions," continued Hendricks. "We intend to maintain segregation in the South!"

He appealed to the Republicans to help the southern bloc vote down Keefe's amendment, reminding them that Florida once voted for Herbert Hoover.

"Florida voted for Hoover because Al Smith was a Catholic," snapped Keefe. "That's just another example of intolerance."

* * *

HENDRICKS was followed by George Andrews of Alabama, Albert Gore of Tennessee, Jamie Whitten of Mississippi, John Kerr of North Carolina, George Mahon of Texas, who pled that the South be given time to work out its tough negro problem.

"We could get along with the negroes all right if the northerners would leave us alone," charged Andrews of Alabama.

Backed against the wall, Keefe got little help from his Republican colleagues.

"There is no discrimination by the tax collector," he argued. "He collects taxes from whites and negroes alike. Yet negroes can't be admitted to universities and hospitals which they help pay for.

"Disease knows no racial barriers," Keefe continued. "With negro life expectancy ten years less than whites, it presents a serious problem."

In the final secret vote, Keefe was deserted by all his Republican colleagues except three: Gordon Canfield of New Jersey, Ralph Church of Illinois and Karl Andersen of Minnesota. Two northern Democrats, Thomas O'Brien of Illinois and John Fogarty of Rhode Island, also voted with him.

The 25 congressmen who secretly voted against the amendment were: Republicans — Taber, N. Y.; Wigglesworth, Mass.; Plumley, Vt.; Engel, Mich.; Johnson, Ind.; Jensen, Ia.; Ploeser, Mo.; Tibbott, Pa.; Fenton, Pa.; Griffiths, Ohio; Stockman, Ore.; Scrivner, Kansas; Clevenger, Ohio.

Democrats — Cannon, Mo.; Kerr, N. C.; Mahon, Texas; Sheppard, Calif.; Thomas, Tex.; Hendricks, Fla.; Norrell, Ark.; Gore, Tenn.; Whitten, Miss.; Andrews, Ala.; Gary, Va.; Bates, Ky.

"Why Not Wait Till There Is No More Europe?"

BY RUTH MILLETT: TO THE LADIES

The Feminine Viewpoint

IT takes considerable courage today for an upper middle-class woman to have a large family. Feminine sentiment is entirely against her.

MILLETT

Her freinds begin to look at her as though she isn't quite bright about the time her third or fourth child comes along. After all, two children has become the standard for smart young couples.

And having a pretty home in the right neighborhood has become so much more important to most young people than having a large family that it takes considerable courage for a woman to settle for a big old house in the country. Or in the wrong part of town.

Also, the woman who goes in for children instead of club work or bridge or a garden club is bound to be looked down on by her sisters who "keep up."

* * *

MONEY AND COURAGE

AND, of course, there's the money angle. The woman who has four or five or six children to clothe can't dress as fashionably as her friends who have settled for one or two.

So a large family isn't for the woman who cares about what other women think of her. Because other women think she's to be pitied if she has more than a convenient number of children.

And that is one of the big reasons why many of our young people aren't having their share of the nation's children. It takes more courage to buck the accepted attitude of their set than most of them have.

BURGLARS CHOOSY

SANTA FE, N. M. (U.P.)—Discriminating burglars entered the home of E. R. Wood here. They took some choice Scotch, but passed up the domestic stuff.

Journal Jabs

Help yourself to another shudder: "A single milliliter (about one-fifth of a teaspoonful) of the highly infectious psittacosis (parrot fever) virus could kill 20 million men. This virus can be produced cheaply in bulk by a small laboratory anywhere in the world."—Rear Admiral Ellis M. Zacharias, U. S. Navy, retired.

Today's Thought

God will not suffer man to have the knowledge of things to come; for if he had prescience of his prosperity, he would be careless, and, understanding of his adversity, he would be senseless.—St. Augustine.

Her children arise up, and call her blessed; her husband also, and he praiseth her.—Proverbs 31:28.

* * *

A mother is a mother still,
The holiest thing alive.
—Coleridge.

By Bennett Cerf

"Try And Stop Me"

WHEN Queen Wilhelmina of Holland was sojourning in England, she decided to go motoring one sunny afternoon. Queen Elizabeth had a similar impulse As luck would have it, the limousine carrying Their Imperial Majesties met head-on on a narrow country road, where they could not possibly pass each other.

Both chauffeurs loudly demanded the right of way, and when neither showed the slightest sign of budging, jumped to the ground with murder in their eyes.

"You blarsted fool," shouted one. "Do you realize it's Queen Wilhelmina I'm driving?"

The other winked knowingly at Queen Elizabeth, and answered icily, "And what might you think I'm driving? A load of hay?"

* * *

A MUSICAL comedy that failed to survive its out-of-town try-out and expired ere it reached Broadway, boasted at least one line that deserves to be remembered. A character introduced himself as "Mr. Sdrawkcab," and added, "I'm the only man in the world whose name spelled backwards is 'Backwards'."

(Copyright, 1948, Bennett Cerf.)

Today's Journal Editorial

"QUESTIONNAIRE-ITIS" AGAIN!

Uneasiness that another acute case of questionnaire-itis is afflicting some of the federal bureaus has resulted from a specimen just received by Lubbock manufacturers from the U. S. Bureau of the Census.

The bureau is taking a special census of manufacturers and the questionnaire is a dandy. It consists of four 22-inch pages listing hundreds of questions, some extremely involved, which would require hours of work to answer. Manufacturers here aren't at all happy about it.

Seemingly, official Washington should have learned something from wartime questionnaires. They were so numerous and so involved they became a deterrent to the war effort. Vigorous criticisms resulted in many improvements.

But the Census bureau seems to have forgotten anything it may have learned from wartime experiences. Many busy men simply aren't going to be bothered by a questionnaire so long and complicated (as the one now being distributed), and not many people will blame them if they refuse to fill it out

INHERENT RISK IS THE UNKNOWN

Reckless Passing And Wrong Side Driving Cause Deaths

(This is the third of a series of 10 articles on street and highway safety written by nationally recognized accident prevention specialists and presented by The Journal in the interests of greater traffic safety in Lubbock and over the South Plains.)

* * *

BY JULIEN H. HARVEY
Manager, National Conservation Bureau

THE latest available figures indicates that more than ten percent of the motorists involved in all fatal accidents were driving on the wrong side of the road. On rural highways, about 13 out of every 100 fatal accidents can be attributed to passing too fast, too soon, too late or with too little thought.

The inherent risk involved in passing is the unknown. Vertical curves, hills or a roadway may restrict vision and hide vehicles just beyond the area of vision; horizontal curves often conceal what lies ahead, and approaching vehicles frequently blend deceptively with the background.

* * *

After Accident Cause

Passing on the wrong side is often an accident cause. The safest practice, and generally the only lawful one, is to pass on the left. Multiple-lane express highways and street cars sometimes provide exceptions to this rule.

Misjudging the speed and distance of an oncoming vehicle can be judged is the rapidity with which it passes such landmarks as telephone poles, billboards and buildings,and this comparatively accurate judgment can only be made when the car approaches from directly ahead.

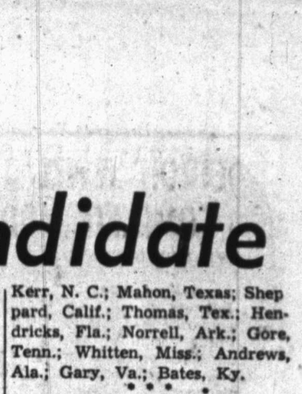

There is always the danger that the passing driver may be forced to swing back to his original position in the line because oncoming traffic has made it unsafe to complete the pass. Many times the driver's original position on the highway has already been filled. To guard against this, if the driver will ease his vehicle slightly over the center line at a safe distance to the rear of the vehicle in front, and assure himself of enough distance ahead to complete the pass, he can always swing safely back in line if necessary. In general, a clear open road of approximately 1,000 feet and an allowable time interval of 12 seconds i sa safe margin.

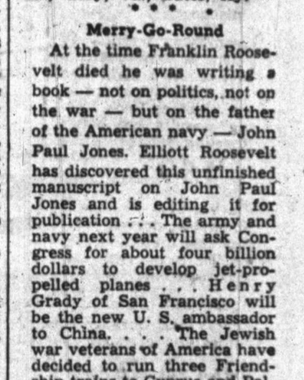

* * *

IN addition, accident prevention authorities recommend these special precautions:

1. A standing street car or bus taking on or discharging passengers should never be passed on the right pnless the landing area is protected by a safety zone.

2. Vehicles should not pass on

approaching curves, crests of hills, railroad grade crossings or at any intersections.

3. Never attempt to pass vehicles that are travelling at top speed or at maximum safe speed, and never attempt to pass when the required passing speed is greater than that allowed by the local speed law.

4. Indicate well in advance the desire to pass, either by shifting position of the car into the correct lane or by the use of hand signals, or both.

* * *

Emotional Immaturity

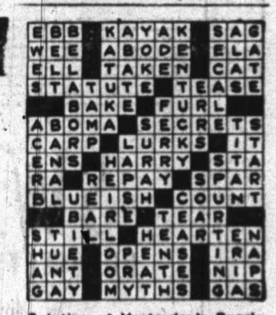

The urge to pass every vehicle is an indication of emotional immaturity and has no place in the mind of the expert driver; and the driver who makes it as difficult as possible for other cars to pass him is equally childish and dangerous. Nearly everyone has at some time been the near victim of the "eager

Solution of Yesterday's Puzzle

DETROIT JEWEL RANGES bring you COMPLETE MODERN COOKERY!

OUTSTANDING FEATURES!

- **Simmer-Kook Top Burners** Two burners in one for wide range of heat from simmering to intense flame. Porcelain finished.
- **Even-Temp Ovens** Scientific oven construction provides controlled heat circulation, insuring "Picture Book Baking" results and better Roasting.

Only $159.50 with Lamp

- **Fla-Vor-Seal Broilers** Smokeless, drawer type; produces deliciously broiled foods with flavors sealed in.
- **Robertshaw Automatic Oven Control** Simply and durably constructed, recommended by gas companies and economic bureaus everywhere.
- **Harper Burner System** This burner system provides a separate, economical, central cooking burned to finish cooking on, using only one-fourth the gas usually consumed.

George S. Farley or Sid Berly
P. O. Box 1387
Phone 1156, Harlingen, Texas.

BUSINESS OPPORTUNITY
The Knights of Pythias Lodge is the owner of lots Five (5) and Six (6) in Block 164, Original Town of Lubbock, 1400 Block on Avenue K on East side of street, dimensions 52 feet by 125 feet. The Lodge is interested in conveying the lots to a suitable party who is willing to erect a two-story building thereon free of all liens, and under an agreement giving the Lodge ownership of the second story to be used for Lodge purposes, and the remainder to be owned by the other party. It will probably cost between $50,000.00 and $60,000.00 to construct such building according to the Lodge's requirements. The estimated value of the lots at the present time is from $20,000.00 to $25,000.00. Anyone interested contact Hub Lee or Victor H. Lindsey.

8—Business For Sale

Taft-Hartley Fight Is Due

By FRED W. PERKINS
Special Correspondent

WASHINGTON, March 11 — If the Taft-Hartley law's ban on use of union money to influence national elections stands up in the federal courts, look for the same restriction to be applied in state elections by some state legislatures.

This prediction was made today by Taft-Hartley backers after AFL leaders, acting through their new labor's League for Political Education, had urged state and local branches to fight union-regulatory laws.

Efforts Are Planned

William Green said efforts would be made to defeat all state lawmakers who have voted for laws restricting labor unions. These statutes are now on the books in more than 30 states, including 18 that have prohibited the closed shop.

Mr. Green said a meeting here yesterday of spokesmen for state branches of the political league had produced "highly encouraging" reports of progress all over the country toward organizing for the AFL's primary political objective—to defeat Congress members who voted to override President Truman's veto of the Taft-Hartley law.

He said this year's candidates for Congress would be judged solely on that issue.

Rumors Knocked Down

Mr. Green knocked down rumors that the AFL political league might co-operate in domestic politics with the CIO Political Action Committee. But, he said, "we will co-operate with friendly groups outside the CIO."

Both the Republican and Democratic national conventions will be asked to adopt planks for Taft-Hartley repeal, Mr. Green said. The AFL politicians also made plans to work with farmer organizations so far as possible.

AREA AROUND STATUE OF LIBERTY—Rubbish and junk clutter up the area behind the Statue of Liberty as shown in this picture made from the west end of Bedloe's Island in New York's harbor. In Washington, 17 members of Congress from New York and New Jersey agreed that the famous monument is standing in a slum. They have asked the House Appropriations Committee for a million dollar appropriation to clean it up. (AP Wirephoto).

CROWN OF SHRUBS—Marilyn McKay of Seattle, Wash., is the queen of the Palm Springs, Calif., Desert Circus. But there's no glittering jewel for her fair brow — where would you get jewels on the desert? Attendant Pat Boyer coronates Queen Marilyn with a crown of native desert shrubs.

Port Arthur Man Takes Clovis Job

PORT ARTHUR, March 11 (AP)—City Manager Robert L. Cooper resigned today, effective April 13, to become city manager of Clovis, N. M. Mayor H. L. Crow said no successor had been named.

Cooper had been manager here since 1945. He previously had served as Port Arthur city manager from 1932 to 1937.

THEY DON'T STAY PUT

PITTSBORO, Ind. (AP) — This little Hendricks County community in the heart of Indiana has a population of 510. But Dr. O. T. Scamahorn has delivered 4,000 babies in Pittsboro and the immediate vicinity in 40 years of medical service.

Drama Rehearsed For Presentation Here

Rehearsals are being conducted for the presentation of the drama, "The Criminal," sponsored by the local Women's Christian Temperance Union at Lubbock Senior High school auditorium Tuesday night at 8 o'clock.

The play is being directed by its author, Hayward H. Johnson of Portland, Ore.

Lubbock people to take part in the production include: Dr. Doyle D. Jackson, trial judge; Jeff Justice, prosecutor; A. B. Reese, defense attorney; Leon Harris, clerk of the court; B. C. McCasland bailiff; Dave Cummings, policeman; Miss Dorothy Barnett, flapper; Miss Athalene Allen, the criminal's sweetheart; Dean Pierce, the criminal; Robert Dawson, absent witness (in jail for drunk driving); Robert Hayes, star witness; Clarence Whiteside, foreman of the jury; Sam Leifeste, Fletcher Nesbitt, Clyde Tatum, Fred Adkins, Buster Fluke, Roy Bass, Lee Jackson, T. B. Cowan, Rev. Floyd Dawson, Marion Key and Eugene Alderson, jurors.

A prologue will consist of appropriate music by Bill Lord, vocalist; Mary Lois Findley, pianist; Jane McCoy, violinist; and an explanatory reading by Anita Pope.

Dr. J. Ralph Grant, pastor of the First Baptist church, will make an appeal for members of the local WCTU during the prologue.

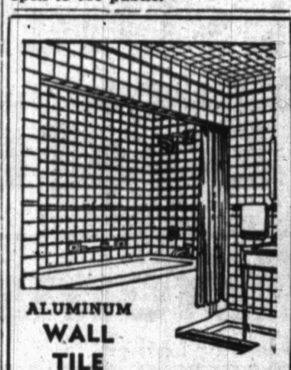

The production will be free and open to the public.

GAS TAXES ADD UP

LOUISVILLE, Ky. (AP) — The average motorist in Kentucky is driving a 1940 automobile with 58,000 miles on the speedometer, the Louisville Automobile club reports. What the driver probably realizes only vaguely is that since 1940 he has paid out $253.50 in gasoline taxes to the state and federal governments.

Ingrid Bergman Now Is Seeking A Comedy

By BOB THOMAS

HOLLYWOOD, March 11 (AP)—Having conquered almost every kind of acting role, Ingrid Bergman is now eyeing comedy. She is letting it be known that after her film with Alfred Hitchcock in England, she wants a light role. Her only previous approach to comedy was her hilarious boxing scene in "The Bells of St. Mary's."

Mortimer Snerd is learning Swedish. Edgar Bergen is brushing up on his ancestral tongue in preparation for his return to Sweden this fall. Mortimer has never spoken the language, but Charlie McCarthy does; in fact, he talks it better than Edgar. The ventriloquist explains that Swedish sounds better from his throat than from his natural voice.

Glenn Ford was wandering around the Paramount lot and I immediately asked him why.

Fitted For Holster

"I'm being fitted for a shoulder holster for an untitled gun drama I'm going to do next at Columbia," he said. I guess Columbia doesn't have as much gat equipment as Paramount.

Billy Dewolfe, Paramount's traveling emissary, has an offer to help open a theater in Lima, Peru. That's one trip he'd like to make, but he's too busy in "Isn't It Romantic?" He is also supposed to open at the London Palladium in May, but he doesn't know if he'll make it. The last time he played the Palladium he was booked for two weeks and stayed five years.

Bob Hope's little girl star for "Sorrowful Jones" may be Marian Roberts. She's a wry-faced blonde, cute as Christmas, and so far she has the best chance of winning the star-making role.

Humphrey Bogart and Edward G. Robinson star in my favorite scene of the week. They were sunning themselves outside the "Key Largo" set when a rubber-necking tourist bus drove by. "Look — here's Eddie Robinson; smile for the people, Eddie," Bogart shouted. Robinson got up and pointed. "There's Bogey, too; say hello to the nice folks, Bogey."

Auto Mishaps

Continued From Editorial Page

beaver" who, due to some psychological quirk in his make-up, cannot bear to stay behind the car ahead; or the "road hog" who straddles the center line, refusing to share the highway with anyone not complying with his prescribed rate of speed. The rule "keep to the right except when passing" should be adhered to by all motorists, whether they are moving at 20 or at 50 miles an hour.

Salad greens, tomatoes cut in eighths, matchstick slices of mild American cheese, green olives and anchovies make a good combination for a chef's salad.

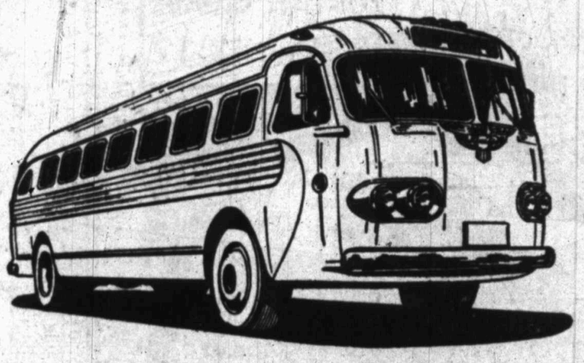

NOTICE!
TO THE PATIENTS OF
DR. CHARLES C. MURRAY, JR.
My files of your eye examination records have been moved to the office of Dr. C. M. Neel, 1620 Broadway, Lubbock, who will assume further eye care and servicing of your glasses. I am closing my office as of February 25.
DR. CHARLES C. MURRAY, JR.
