MRS. RICKY MITCHELL

Cook Of The Week

Mouth-watering good is an apt description of the yeast bread recipe shared this week by Mrs. Ricky Mitchell. She also submits a tasty Mexican food dish, chicken chili.

Janet grew up on a farm near Dimmitt and graduated from Dimmitt High School. She attended South Plains College two years and then earned her degree in art education from West Texas State University. She is still a farm girl since Ricky is engaged in farming with his dad.

A member of the Church of Christ, Janet teaches a Sunday school class for juniors. She is also a member of Hart Home Demonstration Club and Chi

STATE 4-H LEADERS ORGANIZE--The 4-H leaders of the state have organized into the Volunteer 4-H Leaders Association of Texas. The state association was formed Apr. 9 during a state 4-H Leader Forum at the new Texas 4-H Center near Brownwood. Officers are Jack Fambro of Breckenridge, president; Mrs. Barbara Sandlin of Springtown, first vice president; Mrs. Joan Adams of Odem, second vice president; Mrs. Ruth Stanford of Woodville, secretary; and Kenneth Broseh of Lockney, treasurer. Purpose of the association is to promote the development of voluntary leadership in 4-H, according to a 4-H and youth specialist for the Texas Agricultural Extension Service. Texas boasts a total of 14,533 volunteer leaders.

BRAN BREAD
3 c lukewarm water
¾ c sugar
1 c Kellogg's All Bran
1 T salt
1 yeast cake (or pkg.)
½ c melted shortening
7 or 8 c flour

Dissolve yeast cake in water; add sugar, salt, All Bran and shortening; stir until Bran is moistened. Add flour 1 cup at a time until a stiff dough is formed. Cover with melted shortening and let rise in a warm place until double in bulk.

Knead well and divide into 3 equal parts; shape into loaves and place in greased 1 pound loaf pans. Cover with melted butter and let rise again until double in size. Preheat oven to 350 degrees and bake for 1 hour. Remove from pans and place on rack to cool. (Good dietetic bread by using ¼ c corn oil instead of shortening; also use oil for greasing pans and on top of bread.) For rolls use ¾ c soft shortening and bake at 400 degrees.

CHICKEN CHILI
2 cooked friers or 1 large hen
3 lge onions chopped
¼ lb oleo
2 green Ortega chilies (hot) diced.

Brown onions in oleo. Saute over low heat. Add chilies and chicken. In a double boiler: Melt 1 lb grated American cheese. Add 1 #2 can tomato juice, 1 can Pet Milk. Layer chicken, tostadoes and cheese mixture. Heat in oven about 30 min. For variety: Use 4 to 6 c Turkey instead of chicken.

Sharon Brooks Honored With Party In Lamesa

Miss Sharon Brooks, bride-elect of Billy Shofner of Lamesa, was feted May 8 in the Texas Electric Reddy Room in Lamesa with a pre-nuptial courtesy.

Honored guests were Mmes. Paul Brooks and Cleburn Shofner, mothers of the prospective bride and groom. Other special guests were the honoree's sister and sister-in-

law, Neoma Brooks and Mrs. Thomas Brooks; her nieces, Cindy, Sheila, Rhonda and Robin Brooks; the groom-to-be's sister, Ann Shofner, and his grandmother, Mrs. Mollie Shofner.

The party table was laid with a white cloth and centered with an arrangement of yellow and white daisies. Cake and punch were served from crystal appointments.

Hostesses presented the honoree with pieces of her chosen pottery.

Mrs. Hawkins

Hosts Neighbors

Patricia Shugart To Be Bookkeeper

College is in the plans for Patricia Shugart, but plans to be bookkeeper for her husband in the immediate future. A bride as of July 10, 1975, her husband is Larry Shugart. She is the daughter of Mr. and Mrs. Harold Smith. Born Oct. 29, 1958 in Dimmitt, she attended Hart schools eleven years.

A member of First Baptist Church, she lists her hobbies as cooking, sewing, and skiing.

Patricia was a member of Future Teachers her freshman year and Future Homemakers two years, serving as Fourth Vice President her sophomore year. She was a member of the Longhorn band two years and Pep Squad two years. She was a member of the Annual Staff and National Honor Society her senior year. She was on the Student Council as a freshman.

She participated in basketball her freshman and sophomore years and also participated in track as a freshman and sophomore. She was Cheerleader two years.

Honors received in high school include sophomore class favorite, sophomore Most Beautiful candidate, and Who's Who as a sophomore. She was named Most Spirited her freshman and sophomore years and was named Best Marcher in band as a freshman.

WARNING SYSTEM

Although the National Weather Service began keeping statistics on tornadoes in 1916, the first full year of the present warning system was 1953. Partly due to improved equipment and partly through increased public awareness, the Weather Service believes that the records assembled after 1953 offer an essentially complete picture of tornado occurrence nationwide.

Square Dancers Make Donation To Tennis Fund

Hart Square Dance Club contributed \$150 to the tennis court fund recently.

The contribution was made possible through the proceeds obtained at the square dance sponsored by the local club several weeks ago.

TEXAS HISTORY

The most deadly tornadoes in Texas history have occurred between May 6 and May 15. Since 1891, there have been 30 tornadoes in the state which resulted in the deaths of ten or more persons. Of these, 13 have occurred in May and 11 in April.

ENERGY SAVING TIP

Whenever possible, use major appliances such as washing machines or dishwashers during early morning or late evening hours, or on weekends. This helps conserve the nation's energy supply because every one -- householders, schools, offices and factories -- uses a lot of energy at the same time, utilities must use less energy-efficient equipment to meet the high demand.

Eloise Sarabia Plans To Work

Eloise Sarabia does not plan college following graduation but will be working. She is the seventeen year old daughter of Mr. and Mrs. Domitilo Sarabia. She was born May 21, 1958 in Plainview and has attended Hart schools two years. She formerly attended schools in Tulia, Boise City, Okla., Olton, and Plainview.

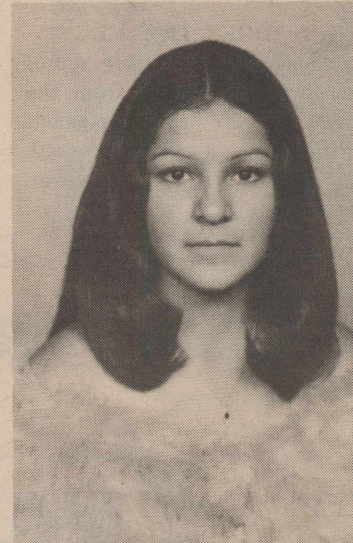

A Catholic, Eloise's hobbies are dancing and singing.

She served as Reporter her sophomore year at Olton. Her senior year she served as Historian. She was a member of Future Homemakers two years and a member of choir two years.

A member of the Pep Squad four years, she served as Vice President her senior year. She was also a member of the Student Council two years.

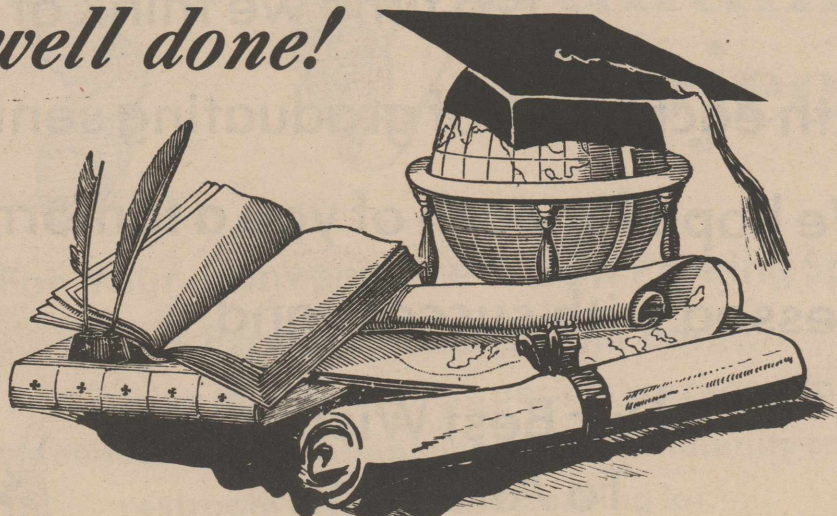

Eloise participated in volleyball her junior year and track her freshman year. She also participated in Health Careers as a senior.

Honors received in high school include Freshman Queen candidate and Football Princess her junior year. As a senior, she received honors such as Most Beautiful candidate, Homecoming Queen, and "Cutest."

Bettie Stephens Selected As Sorority's 'Lady Of The Year'

Bettie Stephens was named Beta Sigma Phi's selection for the Lady of the Year Award. Making the announcement for the selection at the Annual Mother's Day-Founders Day dinner, Thursday evening, was the 1975 recipient of the award, Mrs. L.C. McLain.

Citing her many contributions to the Hart community since she and her husband,

Max, came here in 1961, Mrs. McLain said, "Although Bettie is the mother of only one, in essence, she is the mother of hundreds - she is first of all a wife, then a farm woman, a school teacher, a Bible teacher, a club woman, girl scout leader, friend and neighbor all combined in one magnificent personality, giving to each the best that she has, and drawing

from each, the best they could give in return."

Mrs. Stephens taught in the Hart school system for 10½ years prior to her retirement in January, 1975. She was a girl scout leader for ten years, taught Bible classes in the Church of Christ, is a member of Delta Kappa Gamma, a teacher's honor society, and a member of the Zealot Club.

1976-77 School Calendar Approved By Board

School calendar for the 1976-77 school year was approved May 10 at the regular meeting of the school board. Teacher in-service was set for Tuesday, Aug. 17 with classes beginning Monday, Aug. 23. Thursday, May 26 will be the last day of school with teachers finishing work Friday, May 27.

Holidays include Thanksgiv-

ing, Nov. 25-28; Christmas and New Year's, Dec. 23-Jan. 2 and Easter, April 2-10.

Band Director Jerry Jansa presented the band budget for 1976-77 at \$7,000. Board members approved. A rental fee of \$30 was approved for all band students who do not own their own instruments.

The summer recreational program was approved. Coach Bill Taylor will be in charge of the six weeks period.

Employed were secretaries, Elsie Black, Nancy Bowden, Janice Clark and Kay Berry; aides, Lula Mae Hanes (library), Cindy Davis, Mary Reyna, Marsha George, Rosa Perez, Marie Clevenger, Bev Garza (community aide), Lulu Perez, and Angelita Morales and cafeteria workers, Christine Box, Thelma Martin, Elena Martinez, Bessie Gensburg and Violet Sharp.

Since her retirement she has continued a Bible correspondence course with people in Nigeria - a task which has reached between 1500 and 2000 people with the gospel of Christ. She has also completed many beautiful cross-stitched quilts for members of her family, and a lovely hooked rug.

"Her contributions to her associates and community are numberless, and it is a distinct privilege to confer the honor of 1976 Lady of the Year Award upon her," said Mrs. McLain, in behalf of Beta Sigma Phi.

IN DIMMITT

Mrs. E.E. Davis, Mr. and Mrs. Robbie Hawkins, Mr. and Mrs. David Hawkins, Mrs. Roy Moss of Decatur and Mr. and Mrs. Guy Gooch of Plainview were Sunday dinner guests of Mr. and Mrs. Johnny Muller, David, Nicky and Darla in Dimmitt.

**FINANCIAL AID IS
WAITING FOR YOU . . . AND YOUR
SPOUSE AND EACH OF YOUR CHILDREN**

That's right. If you qualify, you and members of your family each can receive financial aid to help pay the cost of education or vocational training at the Regional Occupational Center - Plainview. The money is yours. You don't pay it back because it's a grant under the Basic Educational Opportunity Grant program.

This unique new program is designed to help offset the cost of education while you are enrolled in any of the programs or courses being offered by the Regional Occupational Center. Because we have an open door admissions policy, nearly everyone can be a college student - not just the high school graduate. More adults are getting post-high school education today than ever before.

What's important, too, is that you no longer have to be a full time student to qualify for a Basic Educational Opportunity Grant. The Program now applies to half time students too.

ARE YOU ELIGIBLE?

- ✓ YOU ARE IF YOU CAN SHOW FINANCIAL NEED.
- ✓ YOU ARE IF YOU DO NOT HOLD A DEGREE FROM A FOUR-YEAR COLLEGE.

WITH CURRENT CHANGES IN FAMILY INCOME LIMITS, MORE AND MORE MIDDLE-INCOME FAMILIES NOW QUALIFY.

**RECEIVE AID FOR COMING
SUMMER SEMESTERS AND
NEXT FALL AND SPRING
SEMESTERS
— NO COST TO APPLY —**

This may sound like a big give away. But it's not if you really look closely. You see, if you get more education or increase your vocational skills, you'll probably get a better paying job. And the more money you earn, the more taxes you'll pay. That's one way you indirectly repay your grant.

The only cost involved in applying for the BEOG is a postage stamp. For help in filling out the form or for more information, please call or come by the Regional Occupational Center.

Month Of May Proclaimed As 'Older Texan Month'

This is a busy time for all of us as the ending of another school year approaches. Plans for summer are underway.

May has been older Texas month for the last fourteen years. Let's pay tribute to our older friends, neighbors and relatives not only now but all year. The past sixty people are making up an increasingly larger percent of the Texan population. Hopefully, we'll all live to join their numbers.

Here are ten basic concepts

STORM DAMAGE

For faster claims settlement following storm damage, it is advisable to know the location of the appropriate insurance policy. A safety deposit box is a good storage location. The name and location of the insurance agent and company should also be known.

of aging. Study them and maybe you'll have a better outlook on "aging".

1. Aging is universal.
2. Aging is normal. There is a fear of "growing old" from the stereotyped picture of aging as a loss of faculties, beauty, energies and memory.
3. Aging is variable. Each individual ages in a unique way. The state of a person's later life develops from a former personal life pattern.
4. Dying is normal and inevitable.
5. Aging and illness are not necessarily coincidental.
6. Older people really represent three generations.

"The aged" covers the years 65 - 112 and include parents, grandparents and great-grandparents.

7. Older people can and do learn. Learning may be slower but the ability to learn appears to be culturally determined, not restricted by years.

8. Older people can and do change. Spouses die, housing situations change, new activities are developed and new friendships established.

9. Older people want to remain self-directing. Even if an individual cannot enjoy complete control, one must have a feeling of having contributed to the decision-making process.

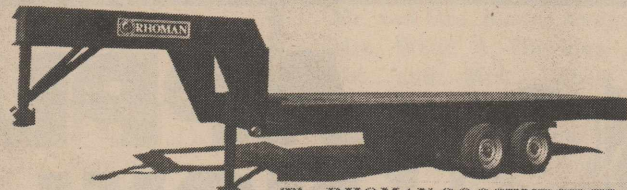

10. Older people are vital human beings. Congratulations to all you senior citizens and thank you for the worthwhile contributions you are making.

HART BEAT PRESENTS - Stephanie Rene, three years, and Kristi Dawn, four months, daughters of Mr. and Mrs. Larry Davis. Paternal grandparents are Mr. and Mrs. E. E. Davis. Mr. and Mrs. R. S. Hall are their maternal grandparents. Mr. and Mrs. Roy Moss of Decatur are paternal great-grandparents.

THE YEAR 'ROUND TRAILER.

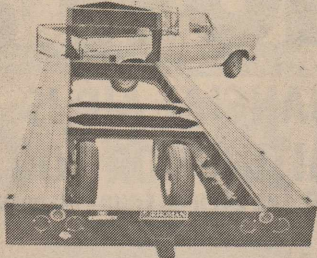

The RHOMAN "YEAR 'ROUND" TRAILER is a farm investment that works all twelve months of the year. During spring planting the RHOMAN NURSE UNIT can be utilized for all liquids, fertilizers and water. The RHOMAN HOPPER UNIT handles all grain crops throughout the harvest season, and as a flatbed, the RHOMAN TRAILER is excellent for transporting equipment and supplies.

The RHOMAN GOOSENECK FLAT-

BED gives the farmer a year 'round trailer. Its quick-change ability allows the farmer to have a Hopper Unit as well as a Nurse Unit with minimum effort. The trailer has brakes on all 8 wheels with an axle capacity of 30,000 lbs. G.V.W., hydraulic and 24,000 lbs. G.V.W., electric. All trailers come equipped with a 3" (automatic latch) ball hitch on the gooseneck and a heavy duty rear hitch for tandem use is optional. Adjustable axles are an exclusive feature with all Rhoman trailers.

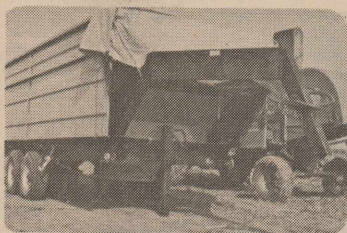

The center section of the Rhoman Flatbed is easily removed.

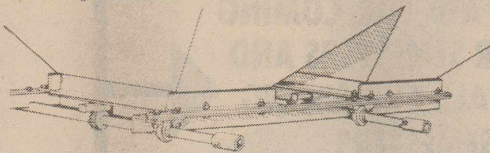

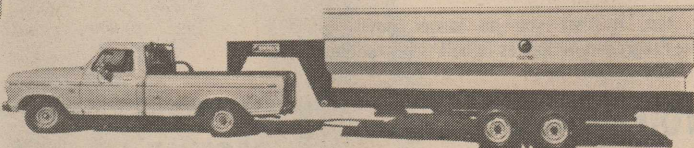

The RHOMAN TRAILER HOPPER

UNIT provides commercial duty truck capacity that can be handled with a farm pickup. This unit eliminates costly truck maintenance and the need for a grain cart. The Hopper has a

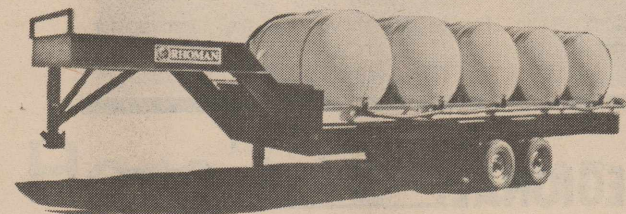

360 bushel capacity and, with extensions, can be increased to 540 bushels. Extra large Hopper doors and 45° sloping sides make it possible to unload high moisture and bulky grain crops with ease.

Extra large Rhoman Hopper doors are equipped with a heavy duty rack and pinion operating mechanism.

This sturdy rear hitch is available for tandem use.

ATTENTION: COMMERCIAL FERTILIZER DEALERS & "BIG A" OWNERS— The Rhoman Nurse Unit will reduce needless trips to town and keep expensive application equipment in the field and on the job.

The RHOMAN LIQUID NURSE UNIT

is available in 1,000 to 2,500 gallon capacity. Its 500 gallon tanks give a baffled effect for safer hauling. Because several liquids can be hauled at one time, the Rhoman Nurse Unit becomes the most versatile trailer on the market today. Rapid liquid transfer is accomplished with a 5 hp heavy duty 2" pump.

ENERGY SAVING TIP

Save cooking time and energy by cleaning the heat reflector below the heating element on your stove. Accumulated grease or dirt increases cooking time.

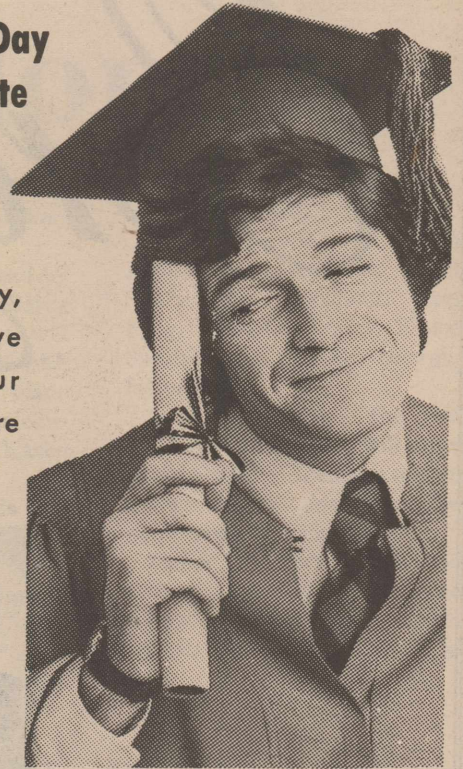

Easy to See

Cancer of the oral cavity strikes about 23,000 Americans every year, and kills about 8,000. Yet, pre-cancerous conditions of the mouth area can be easily observed by your dentist. The American Cancer Society says that early detection means a better chance for cure.
