Tucker gets 25 years in drug trial

Randy Wayne Tucker, age 57 of Gordonville in Wichita County, was found guilty of possession with intent to deliver methamphetamine. Tried in the 235th District Court in Cooke County by special prosecutors John Warren and Eric Erlandson, Tucker received a sentence of 25 years in the penitentiary and a \$10,000 fine.

On Aug. 15, 2013, Tucker was arrested in the Home Depot parking lot in a buy bust operation involving the Cooke County Sheriff's Office and the Gainesville Police Department. The operation started in the Walmart parking lot, but the defendant felt nervous and moved to the Home Depot parking lot where the police arrested him. Before the police arrested him, Tucker threw over 13 grams of methamphetamine on the parking lot ground. An officer saw him discard the drugs.

He was charged with possession with intent to deliver methamphetamine.

Judge Janelle Haverkamp of the 235th Judicial District Court tried the case. Due

to the DA's Office preparing for an upcoming murder trial, Warren and Erlandson were appointed special prosecutors by the Cooke County District Attorney's Office to try the case. The trial took place from Oct. 20 - 22.

Four police officers and an analyst from the Texas Department of Public Safety Crime Lab in Garland testified for the State. The defendant also testified on his own behalf. After deliberation, the jury returned a verdict of guilty. In the punishment phase of the trial, the jury heard about his criminal background. The defendant also took the stand in the punishment phase of the trial.

After deliberation in the punishment phase, the jury returned a verdict of 25 years in the penitentiary.

Special Prosecutor Warren remarked, "Eric and I were very pleased with the outcome of the case. We hope that this sends a message to those who sell drugs or are thinking of selling drugs in Cooke County, that if you are caught you will go to prison for a long time."

NCTC selects site for Health Sciences Center

Darin Allred
NCTC Public Relations

Regents of the North Central Texas Community College District approved the firm of Bundy, Young, Sims and Potter, Inc., for architectural services related to a new Health Sciences Center on the Gainesville campus.

The 6-0 vote came at the board's regular meeting held on Monday, Oct. 20.

The total architectural fees proposed and agreed to by Regents is \$468,025.

Regents then approved, after lengthy discussion, a new site for the Health Science Center. Board members voted 6-0 to construct the

new building in the back of the campus near the Career and Technology Center.

Volunteers help Keep Muenster Beautiful

KMB photos

Keep Muenster Beautiful (KMB) held its annual Fall clean-up day on Saturday, Oct. 25. Members of Kiwanis, KMB, Boy Scouts, Girl Scouts, and interested individuals of the community all came out to donate their time to the beautification of the City. The group divided their work efforts between picking up litter along City streets, and planting flowers in the City's flower boxes. Participants received a free Game of Muenster. Muenster State Bank continued their support of KMB by providing a hot dog luncheon to the workers, as they have since 1996. Members of Sacred Heart Parish were also out on Saturday to do their part in keeping Muenster beautiful via gardening. Volunteers weeded, mulched, pruned, and planted all around the Church grounds.

Will urban sprawl spread so far that most people lose all touch with nature? Will the day come when the only bird a typical American child ever sees is a canary in a pet shop window? When the only wild animal he knows is a rat - glimpsed on a night drive through some city slum? When the only tree he touches is the cleverly fabricated plastic evergreen that shades his gifts on Christmas morning? ~ Frank N. NCTC Jazz Band Concert set

The North Central Texas College Jazz Band will present its annual Fall concert on Thursday, Nov. 6 at the First State Bank Center for the Performing Arts on the NCTC Gainesville campus.

The program will include a wide variety of Jazz music including several numbers with a vocalist. Many of the band's soloists will be featured on Jazz standards. One melody that is sure to get the attention of the crowd is the theme from *The Pink Panther*.

A highlight of the evening will be the featured vocalist. Kathryn McGinness will be singing classic torch songs. "There is something special about the sound of a full Jazz band with a vocalist leading the way," Director Marty Kobuck added.

The concert is free, but scholarship donations will be accepted. In an effort to support the NCTC family, the band has decided to donate a portion of the proceeds to the NCTC Softball Benefit Fund.

Machinators take 4th place in BEST Robotics competition

This past week, the Sacred Heart Machinators wrapped up their season by placing 4th in the Cowtown hub of the BEST Robotics competition. The competition was held Saturday, Oct. 25 at Haltom High School.

They competed in the preliminary rounds with 18 other schools from around the Fort Worth area, and after eight rounds, they were able to move on to the semi-final rounds by placing in the top eight.

The scores were reset in the semifinal rounds where the top four place teams moved onto the finals. The team was able move onto the final rounds where the scores were reset again and the teams had another three rounds of competition.

The Machinators didn't run as well as planned in the finals, finishing the competition in fourth place.

Throughout the entire contest, they were the only team that successfully assembled the entire small tower. The team was also awarded the Most Robust award for having the most dependable robot at the competition.

The first end I propose in our daily work is to do the will of God; secondly, to do it in the manner He wills it; and thirdly to do it because it is His will.

In other business, Regents approved funds not to exceed \$550,000 to renovate the Corinth campus. The renovation, which will be done over the Christmas break, will include interior painting along with replacement of all carpet and vinyl flooring.

In personnel items, Regents accepted the resignations of Djuna Forrester, the Dean of Lifelong Learning, and Michael Saylor, an instructor in CyberSecurity.

Among the reports presented to the Board was one on the College's financial aid cohort default rates. Last month, the Department of Education released the three-year 2011 cohort default rates. NCTC's default rates have decreased and have been below the national rates for public community colleges the past two years. The rate was 30.2% in 2009, then 22.8% in 2010, and fell to 15.5% in 2011. The national rate in 2011 was 20.6%.

that Monday morning she answered her phone and the caller said, "Grandma?" The caller sounded somewhat like one of her grandsons. He went on to say that he was in Nashville, TN where a friend picked him up at the airport. According to the caller, they were later stopped by police when the friend ran a red light. In searching the vehicle, police found drugs in the trunk and took the pair to jail.

The caller then asked her to send \$2,000 to get him out of jail. When she asked him for a phone number so she could do some checking first and then would get back with him, the caller immedi-

ately hung up.

Upon further investigation, she found that her grandson was just where he should be, and NOT in jail!

This is not the first time scammers have called Muenster people and the local woman also mentioned that a similar phone call was made to her husband's sister about two months ago.

During the Sunday Mass, the girls participated by carrying up the Offertory gifts. Inspiring stories were shared about how these women were called to be Sisters.

The girls had an opportu-

nity to tour the convent and hike the grounds, enjoying the beautiful autumn weather and warm colors of the leaves beginning to turn various shades of orange and yellow. The ducks and geese swimming on the pond were an added bonus. The girls also shopped in the Convent gift shop under the direction of Sr. Romana Rohmer, OSB. Evenings were spent with the Sisters

in the recreation room playing cards, board games and puzzles, and chronicling the weekend with many photos.

Following Monday morning prayer at 6:15, the girls enjoyed breakfast with the Sisters and bid a fond farewell to Holy Angels Convent, to Sr. Lillian, Sr. Mary Clare, and all the Sisters and Novices who made the weekend so memorable.

Muenster VFD names poster contest winners

October is Fire Prevention Month and the Muenster Volunteer Fire Department (MVFD) took the opportunity to teach fire prevention to children in the community. The MVFD sponsored a Fire Prevention Safety poster contest for school children in Pre-K through 6th Grades from Muenster ISD (M), Sacred Heart Catholic School (SH), and home school (H).

The participants and their families were invited to join the firemen at a barbecue and hot dog supper on Thursday, Oct. 23. Everyone had an opportunity to tour the fire station, try on the firemen's protective gear, and inspect the fire trucks and equipment. There were also firemen's helmets and bracelets for the children who wanted them.

Contest winners were announced and awards presented. First place winners from each grade received a fire extinguisher, second place winners a smoke detector, and third place oven mitts. Posters of all the participants were on display in the Fire Station.

Tigers take West Texas win

The Sacred Heart Tigers and fans made the long trip to Amarillo last Friday night to enjoy a 70-44 victory over San Jacinto Christian Academy. The record-breaking game of 114 total points had lots of action on both sides of the ball.

“We started slow, allowing, them a 7-0 lead,” noted Tiger Coach Dale Schilling. But the Tigers then scored 40 points before the Patriots found the end zone again.

“I was a little disappointed with our running game, but it really opened up our passing, throwing 451 yards,” Schilling continued. “Have to give credit to the offensive line and to Will Boyd for protecting the quarterback.” Schilling also commented that it was good to have Isac Walterscheid back on the offensive side.

The Tigers took the opening kick, lost a yard, and punted. The Patriots got in six plays, scoring from the 5 yard line with 10:13 on the clock to take an early (and only) lead, 7-0.

A 25 yard return by Isac Walterscheid started Sacred Heart's next drive on their 40 yard line. A Kason Reeves pass to Walterscheid picked up a quick 41 yards. After two unsuccessful plays, the Tigers found paydirt with a Reeves to Hayden Schilling pass. Reeves connected with Will Boyd on the PAT to give

Successful runs by Reeves, Boyd, and Schilling, and completed passes to I. Walterscheid, Endres, and Boyd took the Tigers to the 2 yard line. A Reeves pass to Endres extended the Tiger lead to 32-7.

Sacks by Schilling and D. Hesse and a flag were followed by a San Jacinto punt on 3rd and 30. The short punt landed on the Patriot 40 yard line. Two plays later, another 6 points for the Tigers on a 41 yard Reeves to Walterscheid pass play. Boyd ran in the extra points for a 40-7 score.

The San Jacinto offense caught the Tigers off guard and scored on an 80 yard pass play. The PAT made the score 40-14 with 1:26 still on the 2nd period clock.

Two quarterback sacks and an incomplete pass put the Tigers on their 3 yard line and in a 4th and 23 situation. A high snap on the attempted punt gave San Jacinto a safety for a 40-16 score with 44 seconds on the clock.

After the free punt, the Patriots got to the Tiger 8 yard line, but an interception by Endres stopped the scoring threat - temporarily. Two plays later, San Jacinto covered a fumbled ball on the 10 yard line, and in two more plays, with no time on the clock, the Patriots scored for a 40-23 halftime score.

and the Tigers scored on an 8 yard run by Schilling. The PAT failed again for a 64-30 score.

The Patriots fought back, taking four plays to get a touchdown. With 10 minutes remaining in the game, the scoreboard read 64-36.

The teams exchanged possessions before Ethan Henry scored on a 37 yard run with 7:30 on the clock for a 70-36 score.

The Patriots ran eight plays, followed by four by the Tigers, the 4th fumbled and recovered by San Jacinto. Two plays later, the Patriots scored on a 67 yard pass play. With 1:56 on the clock, the scoreboard read 70-44. The Tiger offense played the remaining time.

Hayden Schilling (5) finds a big opening in the Patriot line for a good run. Also pictured are Tigers Stephen Kessler (56), Garrett Truebenbach (62), and Kason Reeves (10).

Sacred Heart an 8-7 lead with 9:40 still on the clock.

The Patriots had a good drive going, getting to the Tiger 29 before three consecutive incomplete passes stopped San Jacinto. The next play, Reeves completed a pass to Boyd for a 71 yard touchdown play. The PAT failed for a 14-7 score with 4:49 on the clock.

An on-side kick was recovered by Daniel Hesse on the Patriot 40. Passes to Schilling and Walterscheid and a 20 yard run by Boyd moved the ball to the 5 yard line. Schilling completed the drive across the goal line for a 20-7 score at the 3:04 mark.

Jason Knabe covered a loose Patriot ball, but the next play, San Jacinto picked off a Tiger pass.

The Tiger defense forced a punt and Sacred Heart carried the ball into the 2nd quarter. The first play was a 31 yard touchdown pass to Markus Shaw from Reeves. The PAT failed for a 26-7 Tiger lead.

Getting in tackles on the Patriots' next unsuccessful drive were Michael Fleitman, Boyd, Grant Springer, Mark Davis, Stephen Kessler, Aaron Davis, Tyler Walterscheid, and D. Hesse. Brady Endres returned the punt 13 yards to the Tiger 40.

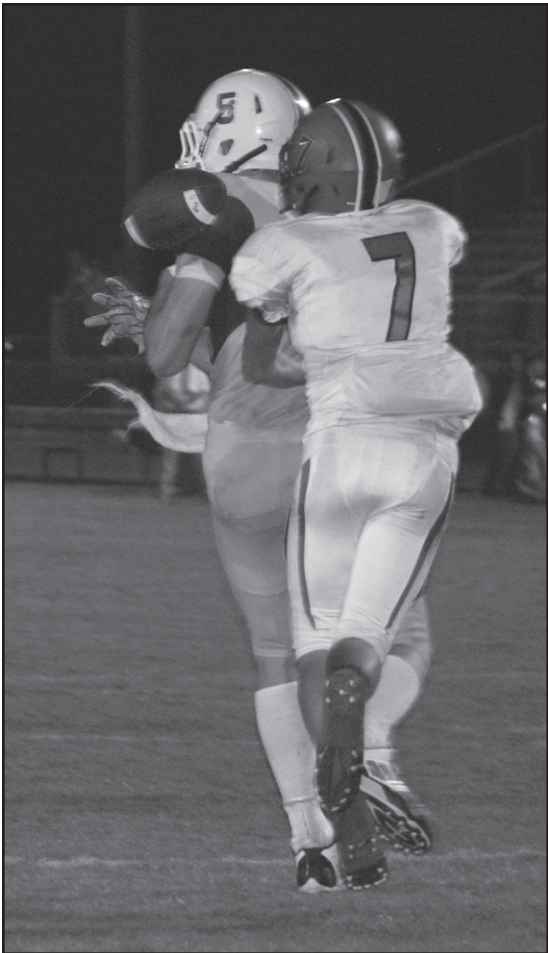

The host team's offense began the 3rd quarter. A sack by Schilling forced a punt. Completed passes from Reeves to Endres and Walterscheid and a roughing the passer penalty took the Tigers to the 11 yard line. Another completed Reeves pass to Schilling, after two unsuccessful runs, got the ball to the 1. A quarterback keeper run saw Reeves increase the Tiger lead to 46-23.

Sam Hesse's kick placed the Patriots on their own 20. After gaining 10, the Tiger defense, led by Endres, D. Hesse, Springer, Schilling, and A. Davis, put San Jacinto in a 4th and 10 on their 30. Pass defense by Shaw turned the ball over to the Tigers. The next play, Reeves to Walterscheid gave the Tigers a 52-23 lead with 5:56 on the clock.

The Tigers allowed only 3 yards, forcing a punt. The next play, 58-23 on another Reeves to Walterscheid pass completion from 43 yards out.

Six lays later, the Patriots scored on a 59 yard run for a 58-30 score.

The Tigers threw an interception, but got the ball back the first play of the final quarter when Springer caused a fumble and covered the loose ball 3 yards from paydirt. Three snaps

Muenster end zone pass defense in the last seconds before the halftime break kept Collinsville from scoring. Chance Herr (7) and Chase Deeken (10) made the plays.

Pirates walk the plank

The winless Collinsville Pirates remain winless after last Friday's 36-6 loss to the Muenster Hornets. Muenster got in 44 plays, 33 on the ground for 257 yards and four of 11 pass completions for 79 yards. The game had no turnovers and only false start penalties.

“We executed well both offensively and defensively,” commented Muenster

Coach Brady Carney. “This is our second straight game without a turnover and with three or less penalties.”

Carney noted that Kyle Klement was back in the game, the first time since Calisburg. Dalton Hess played really well in Dalton Bartel's place defensively, and that Chance Herr continues to hit the extra points.

The Pirates gained only 3 yards their opening drive and punted. Muenster earned no gain, also punting. The teams exchanged punts again. The Hornets' third possession started on the Collinsville 34. Blayne Jones ran for 7, Kyle Klement 9, and Carson Trubenbach 17 to the 1 yard line. Klement carried the ball across the goal line and Chance Herr added the point after for a 7-0 score with 3:34 on the clock.

Starting on their own 35, the Pirates moved into Hornet territory and the 2nd quarter before running out of downs.

From the Hornet 40, Klement gained 4 and Jones 20 before a Jones to Chase Deeken pass was good for 6 points. A Jones to Herr PAT pass gave Muenster a 15-0 lead with 10 minutes remaining in the period.

A 15 yard punt return by Herr started Muenster's next drive on their 44 yard line. A short run by Deeken was followed by a 50 yard gain by Klement to the Pirate 3 yard line and Herr booted the extra point for a 22-0 score with 7:28 on the clock.

The teams exchanged punts, with Collinsville starting on their 6 yard line. Six plays later and the Pirates were on the Hornet 8 yard line with a minute on the clock. Collinsville gained 5, then lost it to a flag. Pass defense by Muenster caused two incomplete passes in the end zone and the 1st half ended 22-0.

Deeken's 20 yard kick return opened the 2nd half. A Jones to Trubenbach pass gained 6 yards. Klement ran for 15 then 17 more to the Pirate 22. Trubenbach got to the 6 and Klement to the 1. With 9:31 on the scoreboard, Trubenbach scored. Herr added the point after to extend Muenster's lead to 29-0.

A 53 yard punt return quickly placed the Pirates on the Hornet 17. Muenster's defense again stopped the Pirates on 4th and 13.

The Hornets got in six plays and punted. It was three for 4 and punt for Collinsville. Muenster then carried the ball into the final

period with runs by Kagen Dangelmayr, Mitch Studebaker, Bryce Herr, and Brennan Binder. The first play of the period saw Dangelmayr run 10 yards for a Hornet touchdown. Herr added the point after for a 36-0 score.

Both teams punted before the Pirates' final drive ended in the end zone with 19 seconds on the clock for the 36-6 final score.

Next Action
The Blue Devils from Celeste will try to haunt Hornet Stadium this Friday - Halloween night.

“Celeste can't seem to put a whole game together,” Carney said. “They play Era within 3 points, then go and lose to Cumby by three touchdowns. They're a funny team to figure out. I just hope this week won't be the week they do figure it out.”

The Blue Devils enter this game with a 3 - 5 season record. Their lone District victory was a 24-22 win over Collinsville. District losses include Era (16-13), Lindsay (48-0), Cumby (28-7). Pre-district wins were over Blue Ridge (36-8) and Trenton (49-26) and losses to White-wright (51-0) and Tom Bean (40-6).

Carney noted that Celeste has a good quarterback and running back and a couple of defensive linemen that Muenster will have to stop.

It's Parent Night this Friday with pre-game activities. Kick-off will be at 7:30 p.m.

Game Warden Reports

A toy story

A Smith County game warden was stopped at a red light when he noticed the driver of a car in front of him waving a pistol around. The driver was pointing the gun at the passengers and at one point was even pointing it at his own head. When the light turned green, the warden followed. He quickly contacted the Tyler Police Department and, together, they conducted a felony traffic stop on the vehicle. The gun turned out to be a toy. The driver, who was a juvenile, and four other passengers were found guilty of extremely poor judgment. All were released to parents and went home safely.

Girls just want to have fun

When two Bowie County game wardens were patrolling a campground around Lake Wright Patman, they noticed a young female hiding behind a sign and a stack of beer cans on the side of the road. They turned the car around and came to find two juvenile females intoxicated and stealing beer from other campers. Citations were issued, and the juveniles were released to adults.

HEROICcontinued from pg. 1

could see a person lying down next to that. What had happened was an older gentleman was out baling and his baler caught on fire. He got his water extinguisher out and did the best that he could to try to put it out. Unfortunately, he became overwhelmed in the situation and collapsed in the unburned fuel of the fire in that field." Metzler and Gregg got the man into their truck and took him to the other side of the pasture. Fletcher showed a photo of the burned equipment and surrounding field. "As you can see from this picture, had they not done that, his injury would have been much more severe and most likely he would not have made it." The area he was in was burned before the fire department arrived.

The Fire Marshal explained, "I thought it was important to recognize the everyday local citizen for going the extra mile and just trying to find out if there was something they could do, someday that they could help. And, in this case, provided that assistance with a life being saved."

The certificate stated Commissioners Court's appreciation of their selfless act and bravery that led to saving the life of a Cooke County citizen.

EMS Director Kevin Grant brought price information to the Court on backup generators. He had been requested to do so by Precinct #4 Commissioner Leon Klement. A recent storm in the Muenster area had left EMS Station 4 without electricity for more than 12 hours. He gave two options, one a standby generator with a transfer switch that runs off LP gas for about \$4,700 and the other a manual generator for about \$1,500. He did not have enough in his budget to purchase the one with a transfer switch, but does have enough to buy two of the manual generators.

EMS stations 1 and 2 already have backup generators, but Stations 3 and 4 on the western side of the County do not. Klement noted when the electricity goes out, the ambulance is sent to Gainesville. Klement said this is not good when you have people out working with chain saws, clearing debris, etc. Response time is increased by at least five to 10 minutes.

County Judge John Roane said, "That seems to be where the worst weather is year after year. I think it would be a good thing."

Precinct #3 Commissioner Al Smith added that the garage door takes several minutes to open unlike those installed in homes.

Precinct #1 Commissioner Gary Hollowell commented, "Statistically, that station responds to fewer calls than any of them."

Klement felt the less expensive generators would be sufficient. Smith said he is not a proponent of the small generators because he thinks they are unreliable and they have caused carbon monoxide problems.

Klement stated that being without an energy source

was not a good situation for anyone in the ambulance business. Judge Roane favored purchasing a generator with the better capability with the funding coming from the Contingency Fund.

Grant was asked to bring hard numbers for generators and installation to a future meeting when a decision can be made.

In other business, Commissioners court:

- Approved the purchase of Kyocera copy machine for the District Attorney's office at a cost of \$7,392 and a \$61.25 monthly maintenance agreement from Dustin's Office Supply. It will be purchased from the Contingency Fund.

- Accepted a donation in the amount of \$10,000 from Jim Robertson, Attorney At Law Trust Account, and the purchase of a used patrol vehicle to be assigned to the Reserved Division and a budget amendment for the same.

Consent agenda items approved by Commissioners Court included:

- Closing the Library on Nov. 29 for the Thanksgiving Holidays, closing the Library at 3 p.m. on Dec. 23, at 3 p.m. on Dec. 31.

- Allowing out-of-state travel for Jennifer Johnson-Spence, Library director, so that she may attend the Book Expo America Conference in New York, NY from May 27-30.

- Allowing Johnson-Spence to apply for a grant through the Texas State Library and Archives Commission to reimburse costs incurred with the Interlibrary Loan Program.

- Sheriff's Office bonds for Keeland, Hudson, McLaughlin, Lloyd, Krebs, Gonzalez, G. Price, Tooley, Rice, Akins, Molina, Lambert, Price, and Stogner.

- Allowing the Cooke County Ministerial Alliance to hold a prayer gathering on Sunday, Nov. 23 at 4 p.m. on the east steps of the Courthouse.

- Contract with Myra Water System for the installation of a water line on CR 327.

- Advanced funding agreement with the Texas Department of Transportation for the replacement of a bridge and approaches (Structure # 03-049-0-AA0272-001) located on CR 328.

- County and District Clerk E-Filing Agreements with Chase Bank.

- Service support agreement and software licensing agreement between Cooke County EMS and Image Trend for EMS Billing Software Services with Emergicon.

- Service agreement and business associate agreement between Cooke County EMS and Emergicon for EMS billing services.

- Agreement between Cooke County Road and Bridge 2 and Precinct Tracker for software and maintenance plan on the Precinct Tracker program.

- Accepting an insurance settlement in the amount of \$2,713.50 on a Stalker Radar that was installed on a DPS vehicle that was damaged during an accident.

Next Action

The Tigers will host Fort Worth Calvary this Friday night. "Calvary is traditionally a triple option team - the past 10 to 15 years," noted Coach Schilling. "This season, they switched to a spread offense, throwing the ball all over the yard."

Schilling added that the goal of the game will be the same as the past two weeks - pressure the quarterback to make him make quick decisions.

Anderle in Regional meet this weekend

Muenster Lady Hornet Bailey Anderle will be competing in the Regional Cross Country Meet Saturday, Nov. 1 in Grand Prairie. She is the lone runner representing Muenster. Starting time will be 2 p.m.

Anderle finished in 7th place at the District meet held Oct. 20 at Alvord with a time of 13:38.45.

Era's Lady Hornets claimed the District title. Valley View was 2nd, and the Lady Knights of Lindsay finished 3rd. All three teams advance to Regional.

Three Lady Hornets ran in the District JV division - Jenna Sicking, Mikaela Lamar, and Rachel Hare.

The Conquerors are 1-7 for the season with a winless District record. Last week, they lost 41-12 to Covenant.

Other District losses were Lubbock 41-6, Temple 70-28, San Jacinto 39-22, and Lake Country 34-32.

Game time is 7:30 p.m.

Tiger and Pirate JVs battle ends in tie

In a wild and exciting contest last Thursday night, the junior varsity Sacred Heart Tigers took on the Pirates of Collinsville in a 22-22 battle.

The Tigers were victorious over the Pirates 14-10 in the first game of the season.

Collinsville took the opening kick, but tackles by Michael Fleitman, Ethan Henry, Julian Hesse, and Sam Hesse soon forced a punt. The Tiger offense struggled. A 4th down punt attempt had a bad snap and gave the Pirates possession on the Tiger 13. Sacred Heart's defense, led by J. Hesse, Nick Turner, Daniel Hesse, S. Hesse, Roy Endres, and Fleitman, allowed only a 1 yard gain.

The Tigers got in a few plays then punted. The Pirates carried the ball into the 2nd quarter but ran out of downs 2 yards from the end zone. A 96 yard run by Henry was called back by a flag. The next play, S. Hesse broke away for a 98 yard touchdown run. Henry ran in the extra points for an 8-0 Tiger lead with 5:43 on the clock.

Just a thought

Opportunity may knock only once but temptation keeps on pounding forever.

Many receive advice, only the wise profit from it.

Again the Tiger defense, led by Zane Schoppa, Fleitman, and Turner, forced a Pirate punt. Henry got in three runs for 11 yards before an S. Hesse to Thomas Hennigan pass turned into a 58 yard touchdown. S. Hesse ran in the PAT for a 16-0 score with 1:49 remaining in the 1st half.

Collinsville then got on the scoreboard with 8 seconds remaining for a 16-6 halftime score.

After the Tigers punted, the Pirates took five plays to find the end zone and close the scoring to 16-14. Two plays later, Henry scored on a 60 yard run to up Sacred Heart's lead to 22-14 with 4:58 on the clock. Collinsville threatened to score, but a tackle by S. Hesse popped a loose ball into the end zone where Jake Kemna covered for a touchback.

A bad snap on 4th and 10 started the 4th quarter, giving the Pirates a 2 point safety and a 22-16 score.

The Pirates got in seven plays and ran out of downs. The Tigers lost 3 yards and punted. Four plays later, Collinsville scored on a 73 yard play to tie the game. The PAT run was stopped by Julian Hesse and the score was tied 22-22 with 2 minutes remaining on the game clock.

The Tigers moved the ball to the Pirate 13, then were shut down and the game ended.

FARM & RANCH

USDA releases latest harvest projections

The U.S. Department of Agriculture's (USDA) much-anticipated October report on agricultural supply and demand for the 2014-15 marketing year delivered few surprises, stated American Farm Bureau Federation (AFBF) in a release.

With planting numbers rolled into the latest USDA report, projections are honing in on the final harvest numbers.

"We're seeing corn and soybean yields round out to what we have anticipated for this year's bumper crop," AFBF

Deputy Chief Economist John Anderson said.

Corn yield expectations are up to 174.2 bushels per acre and soybeans are at 47.1 bushels per acre. Both numbers are slightly higher than last month's estimate, but remain well within anticipated ranges. Estimates on harvested acres of corn, now at 83.1 million, are down several hundred thousand acres from last month. With

harvest expectations totaling 14.475 billion bushels of corn, the industry is certain to see the record crop expected. World wheat projections have ending stocks coming in lower than expected.

"The good news here," Anderson said, "is that global demand for grain is holding strong, making this latest report on a record harvest season as positive as it can be at this point."

USDA issues ACRE payments for certain 2013 crops in Texas

U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) State Executive Director Judith A. Canales announced today that FSA has begun distributing Average Crop Revenue Election (ACRE) payments for revenue losses associated with certain crops in Texas. Discontinued by the 2014 Farm Bill, the ACRE program provided producers with protection from revenue losses for crops grown in 2009-2013.

Crops eligible for October payments in Texas include barley, irrigated corn, grain sorghum, wheat and non-irrigated cotton grown in the 2013 crop year. More than 10,000 producers in Texas enrolled more than 2.8 million acres in ACRE. The Budget Control Act passed by Congress in 2011 requires these payments to be reduced by 5.1%.

For more information on ACRE, producers should contact their local FSA office or visit FSA's website at www.fsa.usda.gov.

Texas' persistent porcine problem

Texas is infested with hogs—feral hogs. Hogs that were once captive are out running wild along with their descendants. In the process, they are laying waste to the countryside.

Think small, miniature bulldozers. They root up rangeland, which can cause damage to equipment and injury to operators. They dig up planted crops and they may attack pets and people when they feel threatened.

Feral hogs have no natural enemies. With a thick layer of fat, not even rattlesnake bites bother them all that much. They've been known to eat rattlesnakes. And roving packs of feral hogs have caused traffic accidents.

The 2.6 million feral hogs believed to be in Texas cause \$52 million a year in agricultural losses alone.

As the Legislature returns to Austin—this is just a reminder that there are a lot of problems in the state. Not all of them can be solved with a tax cut.

Texas Agriculture - 1925

In the 1925 Texas Census of Agriculture - there were 465,646 farms in the state. Seeing a livestock increase were: cattle from 5,845,918 (1925) to 9,766,430 (1964); Dropping in numbers included dairy cattle 731,491 to 391,865; swine 1,166,253

to 619,923; and chickens 19,740,614 to 15,113,400.

Acres of crops harvested were: corn 3,615,583 (1925) to 774,799 (1964); wheat 1,311,776 to 3,125,227; oats 1,212,817 to 724,014; and cotton 16,658,356 to 5,643,643.

Railroad Commission adopts disposal well rule amendments

The three Texas Railroad Commissioners unanimously adopted disposal well rule amendments that are designed to address disposal well operations in areas of historical or future seismic activity. Disposal wells are permitted by the Railroad Commission to safely dispose of non-hazardous produced water (saltwater) and hydraulic fracture flowback fluid from oil and gas wells.

The main components of the adopted rule amendments, which become effective Nov. 17, are:

- requiring applicants for

new disposal wells to conduct a search of the U.S. Geological Survey seismic database for historical earthquakes within a circular area of 100 square miles around a proposed, new disposal well;

- clarifying the Commission's staff authority to modify or suspend or terminate a disposal well permit, including modifying disposal volumes and pressures or shutting in a well if scientific data indicates a disposal well is likely to be or determined to be contributing to seismic activity;

- allowing Commission

staff to require operators to disclose the current annually reported volumes and pressures on a more frequent basis if staff determines a need for this information; and

- allowing Commission staff to require an applicant for a disposal well permit to provide additional information, including pressure front boundary calculations, to demonstrate that disposal fluids will remain confined if the well is to be located in an area where conditions exist that may increase the risk that the fluids may not be confined.

Wild Horse & Burro Expo coming to Ardmore

The U.S. Bureau of Land Management (BLM) will hold a wild horse and burro adoption in Ardmore, OK, Nov. 7 and 8. The adoption is the main event of the BLM's 20th Annual Wild Horse & Burro Expo being held at the Hardy Murphy Coliseum.

The adoption schedule is Friday, Nov. 7 from noon to 6 p.m. and Saturday, Nov. 8 from 8 a.m. to 6 p.m.
