

Mitchell County

MITCHELL COUNTY VOTING PRECINCTS are outlined on the map above. A list of the polling places for each precinct is located in the box on this page. Polls will be open from 7 a.m. to 7 p.m. Tuesday as voters have a long ballot of candidates to choose from for national, state and local offices. Everyone in the county is urged to go to the polls and cast a ballot in this year's general election.

Wolves Take 41-6 Runaway

Colorado City Wolves' Quarterback Ray Torrez scored three touchdowns and passed for two more as he led the Wolves to their fourth straight District 6-AA win and sixth win of the year over Ballinger Friday 41-6 at Wolf Stadium.

The Wolves side of the field was packed for the game and to watch home-

coming events that saw Joni Helder, daughter of Mr. and Mrs. Kent Helder, named homecoming queen. She was crowned by Supt. Lloyd McKee and presented a bouquet of red roses by Student Body President Manuel Arellano.

Also at halftime, winners of the best float contest in the homecoming parade held

downtown Friday were named. Seniors won first, Freshmen second and Juniors third.

The game had been billed as a chance for the Ballinger Bearcats to get revenge on the Wolves for spoiling their perfect record and chance for a district championship last year.

The Bearcats put on quite a pre-game show as they used everything in psychology in an effort to get an upperhand in the game, including having the football players come onto the field one at a time in an apparent effort at intimidation.

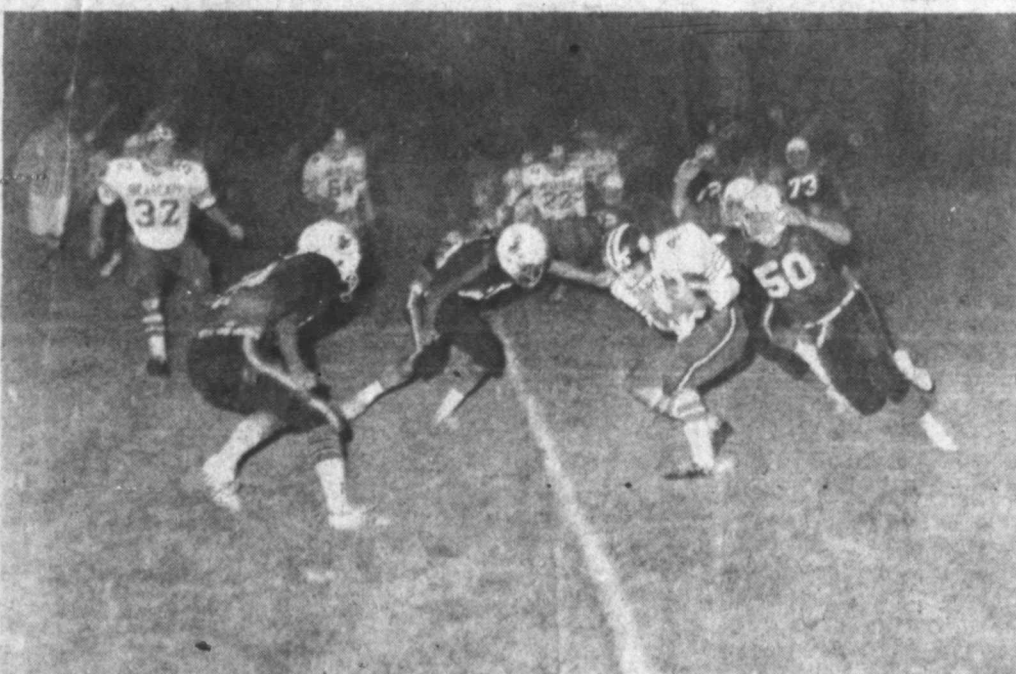

The Wolves kicked off and stopped the kick-off return man at his own 13. Three plays later, that's still where the ball was and Ballinger kicked to Bill Jor-

SMILING ROYALTY--The smile on Joni Helder's face reflects her feelings over being chosen Homecoming Queen 1976 during a halftime presentation at the Wolves-Ballinger game in Wolf Stadium Friday night. She is pictured here following her crowning by Supt. Lloyd McKee, standing beside her father, Kent Helder, CHS band director.

THE WOLVES DEFENSE smothered Ballinger runners all night Friday as the Bearcats were held without a first down the entire first half. In picture for the Wolves are No. 50 Scott Neff, No. 73 Ray Ritchey and No. 52 Jim Jordan along with a host of other Wolves. Wolves won the game 41-6 to stay undefeated in District 6-AA competition.

Bulldogs Bring Roby Down 6-2

Loraine's Bulldogs, for the second week in a row, put up a fierce defensive stand and downed Roby 6-2 in Johnson Field Friday night.

Last Saturday, the Bulldogs pulled off a 6-0 defeat of Jayton in the last 24 seconds of the game.

The win gives the Bulldogs a 2-2 district record, tied with Roby at the same record. The district leader is Forsan, undefeated for the entire season.

Loraine's last game is in Garden City Friday at 7:30. In the bruising defensive game, Roby's defense scored two points by trapping Bulldog Mike Vallejo in the end zone late in the first half. Then with 3:19 left in the

third period, Ricky Moreno blocked a Roby punt and covered it in the Roby end zone for the winning six points. The run for extra points failed but Loraine was out ahead 6-2.

The Bulldogs won in total yardage but were edged by Roby in first downs. Loraine also gave up the ball to fumbles 3 times while Roby fumbled only once.

Voters Have Big Ballot Tuesday

Mitchell County voters are expected to take an interest in voting in the general election Tuesday, if absentee voting is an indication.

When the absentee box closed at 5 p.m. Friday, 125 ballots had been cast in person at the Clerk's office and 34 had been mailed in, with a few more expected to be sent back by election day.

Polls open at 7 a.m. and close at 7 p.m. Tuesday in six voting boxes in the county. The list of polls are printed in the box on this page, along with election judges.

Voters will have a choice not only for president, but also for state and local offices and will decide whether or not to OK two constitutional amendments authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued.

Most West Texans have come out in favor of the issue and the only organized opposition to the water development is from East Texas cities such as Houston or neighboring cities.

Another controversial issue is Don Yarbrough's candidacy for Texas Supreme

Court Justice, place 2. Yarbrough is being challenged by two write-in candidates, Sam Houston and Tom Lorance. He is also facing 15 civil lawsuits and disbarment proceedings.

Candidates for the office of president and vice president are listed together across the ballot under the following headings:

--Democratic Party: Jimmy Carter and Walter Mondale.

--Republican Party: Gerald R. Ford and Robert Dole.

--American Party: Thomas J. Anderson and Rufus Shackelford.

--Socialist Workers Party: Peter Camejo and Willie Mae Reid.

--Independent: Eugene J. McCarthy.

There are four candidates for the office of United States Senator, listed across the ballot in this order:

--Democrat, Lloyd Bentsen; Republican, Alan Steelman; American, Marjorie P. Galloway; Socialist Workers, Pedro Vasquez.

Four parties also have candidates listed for Railroad Commissioner: Democrat Jon Newton, Republican Walter Wendlandt, Raza Unida, Fred Rodriguez and Socialist Workers, Pat O'Reilly.

The following are unopposed in the Democrat column:

--United States Representative, Omar Burleson.

--Associate Justice, Supreme Court, Place 1, Jack Pope.

--Associate Justice, Supreme Court, Place 2, Don Yarbrough. (Yarbrough has been under fire since winning the primary nomination and is being challenged by two write-in candidates: Sam Houston and Tom Lorance.)

--Associate Justice, Supreme Court, Place 3, James G. Denton.

--Presiding Judge, Court of Criminal Appeals, John F. Onion Jr.

--Judge, Court of Criminal Appeals, Truman Roberts.

--Judge, Court of Criminal Appeals, Unexpired Term, W. T. Phillips.

--State Representative, 61st District, Elmer Martin.

--Chief Justice, Court of Civil Appeals, 11th District, Austin McCloud.

--District Judge, 32nd District, Weldon Kirk.

--District Attorney, 32nd District, Frank Ginzler.

--County Attorney, Patrick (Pat) Barber.

--Sheriff, William R. (Bill) McGuire.

--County Tax Assessor, Collector, C. G. (Skeet) Harkins.

--County Commissioner, Precinct No. 1, W. M. (Mare) Vest.

--County Commissioner, Precinct No. 3, Paul Hunter.

Cold Rain Changes Plans

Over 2½ inches of rain in most parts of the county caused a cancellation or postponement of several activities over the weekend, including the following:

--The Old Timers Reunion scheduled for Saturday in the Civic Center was cancelled.

--The dedication of an official Texas Historical Marker recognizing the 96 Ranch has been postponed until Sunday, Nov. 7.

--Cancellation of the Thursday football games: Loraine Junior High at Sterling City; 7th, 8th, 9th and JV games with Ballinger.

Challenge For County Voters

The Texas Supreme Court race for Place 2 offers Mitchell County voters a challenge—to see if they can remember the names of the two write-in candidates opposing Democratic Primary nominee Don Yarbrough long enough to write in their choice on the ballot in Tuesday's election.

Selma Q. Dickson Dies Thursday

Selma Q. Dickson, 61, died Thursday noon in Hillcrest Hospital in Waco.

Funeral services were held Saturday afternoon in Kiker-Seale Chapel. Oscar Batton of the Ropesville Church of Christ officiated. Burial was in Colorado City Cemetery.

Dickson was born Feb. 3, 1915 in Navarro County. He was married to Jimmie Lou Meador Aug. 28, 1937 in Corsicana.

Dickson moved to Colorado City in December, 1948 and was with the Colorado City Police Department from 1954 to 1968. He moved to Abilene for a short time and then to Sonora where he worked for a cable TV company. He returned to Colorado City in October, 1974.

He was a member of the Church of Christ and a Mason, 32nd Degree and Chapter & Council.

He is survived by his wife; a son, Stewart Dickson of Floydada; a sister, Mrs. Henry Williams of Waco, and two grandchildren.

Pallbearers were Earl D. Pree, Murle Burleson, Odie Cranfill, Louis Small, J. A. Sadler Jr. and Ellis Browne.

The two names to remember are: Sam Houston and Tom Lorance.

They are waging a campaign of name identification so that one or the other of them will defeat Yarbrough for the position of Associate Justice, Place 2.

Most observers think that Yarbrough won the primary nomination because of the similarity of his name with either Don Yarbrough, Houston lawyer long active in state politics, or former U.S. Senator Ralph Yarbrough.

Yarbrough spent only \$300 campaigning for the party nomination and is presently facing 15 civil lawsuits and a disbarment proceeding.

Monday Meeting

A planning session for the Christmas-on-Parade and downtown Christmas promotion is scheduled for 2 p.m. Monday in the Civic Center.

Mildred Free, chairman of the Chamber's Merchants Committee, extends an invitation and urges all interested persons to be present for the meeting.

Big Match Monday For Westbrook

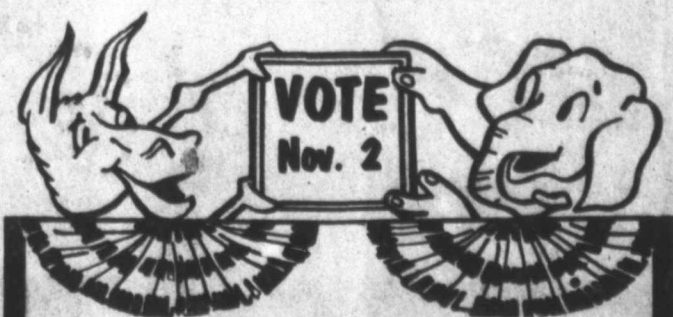

Westbrook's volleyball team has a record of 2-1 in district and will play Highland, the team handing them their only defeat, at 7:30 p.m. Monday in Highland. Westbrook Girls Coach Charles Parnell said that if the team wins the Highland match, a playoff match will be held to break the tie to determine the district champions.

The Westbrook team has suffered only two losses during the season, both to Highland. Their first loss to Highland was in the Grady Tournament and then they went down 9-15, 11-15 in a district match.

Leading off the action in Highland Monday, the Westbrook and Highland Junior High teams will play at 6:30 p.m., followed by the high school match.

Only Westbrook, Loraine and Highland are entered in the district race. Westbrook won both matches with Loraine, 15-2 and 15-1 the first match and then 10-15, 15-4 and 15-9 the second match.

In season contests, the Westbrook team has played Garden City, Loop, Divide and Grady, winning all of the matches.

Polls open at 7 a.m. and will close at 7 p.m. Tuesday at the following voting boxes in Mitchell County:

--PRECINCT ONE, Mitchell County courthouse; Dennis Walding and Billie Marie Long election judges.

--PRECINCT TWO, Westbrook High School Auditorium; Doug Barber and Keith Williamson, judges.

--PRECINCT THREE, Community Room of the Housing Authority on 5th and Oak; R. B. Baker and J. M. Munoz Jr., judges.

--PRECINCT FOUR, Loraine Lions Building; Ted Lefevre and J. H. Preston, judges.

--VOTING BOX FIVE, Buford Coop Gm; T. T. Smith and Murrell Blasingame, judges.

--VOTING BOX SEVEN, Oak Street Baptist Church wooden annex; Billie Ruffin and Juanita Vest, judges.

Absentee voting ended Friday in the county clerk's office, Bob Rathoff and Bob Reilly, judges.

★ Wolves

dan whose good return was wiped out on a clipping call that upset Wolf fans.

The Wolves Blake Hammond made what was considered to be a sensational crushing block to help clear a path for the runner, Jordan, but the official called it a clip. Later, that official apologized to Farda and said he had been wrong but he had his back turned, heard the hit, turned around and saw the two men on the ground and believing it to be a clip, threw the flag. However, one of the other officials later told him he was wrong.

So, the Wolves started out on their first possession from their own 46. The drive moved in a halting fashion and included another disputed call, this time one aiding the Wolves. The officials view of a screen pass to Frank Sanchez was blocked and although Sanchez only touched the ball and never caught it, it was ruled a complete pass. However, the gain on that play was not enough to make a first down.

On the next play, on fourth down, Torrez rolled out and fired a pass 28 yards over the outstretched hands of defenders into the hands of Benny Arispe for the score with 6:19 to go in the first quarter. Steve Belvin

kicked the PAT to make the score 7-0.

Ballinger returned the ensuing kick-off to their own 17 and on the next play, the Wolves Pete Parham covered a fumble at the Ballinger 19. A few plays later, Torrez plunged over for the score from three yards out and Belvin kicked the extra point to make the score 14-0 with 5:11 to go in the first period.

Ballinger then got the ball at their own 4 and moved out to their own 12 before having to kick. The Wolves got the ball at the Ballinger 41. From that point, Full-back Gary Hulme carried the ball every time, and in six plays he scored, the final play going five yards with Belvin kicking the PAT to make the score 21-0 with 44 seconds to go in the first quarter.

Ballinger then got the ball on their own 21 but on the next play the Wolves Craig Carter intercepted a Bearcat pass at about the Bearcat 40 and returned it to the Ballinger 23. From that point, the Wolves moved in to score with Torrez passing the final nine yards to Pete Parham who made a sensational leaping fingertip catch in the end zone. Belvin kicked the extra point to make the score 28-0 with 9:56 to go in the second quarter.

The Bearcats then took over the ball on their own 15 but were stopped and punted to the Wolves who took over on the Ballinger 43. The Wolves marched down the field but were stopped without scoring on the Ballinger 13, the first possession of the night where the Wolves didn't score.

However, Ballinger was pushed back and had to kick a penalty set the Wolves back to their own 40 from where they drove down the field and scored on a one-yard plunge by Torrez on the last play of the first half. Belvin kicked the extra point, making the score 35-0.

In the first half, the Wolves Hulme had over 100 yards rushing while Ballinger had a net offense of one yard rushing, none passing and no first downs.

The Wolves had been hurt considerably by penalties but overcame most of these to keep drives going. Part of this, Farda said, was the fact that the officials thought the Wolves Guards Kevin Herm and Ruben Ornelas were in motion. However, after looking at game films, Farda said this

was not so as both guards are so quick it just seems at times that they are in motion.

The Wolves had a total of 10 penalties for 80 yards but had more than 300 yards offense, of which 245 was on the ground and 69 via the air. Torrez completed four of 10 passes for 69 yards and two touchdowns. Reserve quarterback Craig Carter threw three passes and completed none.

The Wolves got the kick-off to start the second half but were stopped and punted. Ballinger took over on their own 24 but on their second play the ball was knocked loose and there was the Wolves Parham again to cover it and give the Wolves possession at the Ballinger 21.

The Wolves moved quickly down the field with Torrez racking the final six yards for the score. The point after try failed due to a bad snap from center so the Wolves led 41-0 with 7:10 left to go in the third quarter and Ballinger had only two yards offense and no first downs.

On the kick-off, Ballinger got their best field position of the night at their own 26. They moved out to the 38 for their first first down of the night and on the next play, Raul Gonzales took the ball on an end around play and raced 62 yards to score. However, the game films show that Gonzales never did score as he threw the ball at pursuing Wolves when he reached the Wolves three yardline, Farda said. In addition, even if the touchdown was allowed, there should have been a spiking penalty, but none was called. The kick for extra point was wide and that concluded the scoring for the night.

That touchdown came against the Wolves reserves as many of the Wolves starters didn't see action during the second half and those who did were playing in positions they rarely play, such as offensive players on defense and defensive players on offense. All 28 players saw extensive action in the contest.

The Bearcats had only two more first downs during the night and one of those came on a penalty against the Wolves. The Wolves threatened to score three more times but were stopped on the Bearcat one, four and then were pushed back by penalties after Ray Torrez intercepted a Ballinger pass and returned it to the Bearcat 22.

Farda said the game was a real good effort on the part of everyone as there was good execution and good tackling.

The offensive line had a super game, Farda pointed out as they led the way along with Halfback Frank Sanchez in blocking for Full-back Gary Hulme who had 131 yards on 18 carries. See WOLVES, Page 4

all but one of which was in the first half.

Torrez had 31 yards rushing, Carter had 32 yards rushing, Sanchez three yards, Arellano, 6 yards, Blake Hammond, 11 yards, and Dobie Williams, 34 yards.

Parham had two pass receptions one for a touchdown, with both passes covering a total of 34 yards. Arispe caught one pass for 28 yards and a touchdown and Sanchez had one reception for seven yards.

However, again as in past contests, the game was expensive in terms of injuries. Reserve Defensive End Matt Sheppard suffered a broken leg and Pete Parham suffered a hairline fracture of the knuckle on his index finger. Also Santos Reyes suffered a pinched nerve in his shoulder and several other players suffered various bumps and bruises but it is thought all but Sheppard will be all right for next week's game.

Next week the Wolves travel to Winters to take on the Blizzards in a District 6-AA game. Also next week, Coahoma and Stamford play in a crucial district contest.

Stamford kept pace with the Wolves in the district race as they won over Wylie 19-8 and Coahoma won over Winters 21-0. In other games, Post won over Denver City, Slaton won over Friendship, Sweetwater lost to Dunbar 21-14 and Cisco won over Hamilton.

"LET'S MAKE A DEAL"

Rev. Robert Bracy

Pastor

St. James Baptist Church

For my people have committed two evils, they have forsaken me, the fountain of living water, and have hewed them out cisterns, broken cisterns, that can hold no water. Jeremiah 2:13.

Think on these sayings: "Everything worthwhile has a wall around it, but by looking to God, He will give you the key to open the gate to go through."

The Israelites started making deals as soon as they crossed the Jordan and they were under the prophet Jeremiah. Jeremiah declared that the children of Israel had become spiritually bankrupt. They gave an inheritance of inestimable value and chose alternatives which were absolutely worthless. On the basis of God's dealings with them in the past, they should have known the outcome of their rebellious bargains. Yet they insisted on their own terms and lost everything in the process. According to the Lord's description, they thoughtlessly exchanged an unlimited source of living water for broken containers of idolatry that couldn't hold a drop.

In some ways their behavior reminds us of the popular television program "Let's Make A Deal." Hosted by Monty Hall, contestants are given an opportunity to trade objects of known value for concealed merchandise of undisclosed worth. While some participants go away loaded with winnings, many others give up valuable options for something like 30 quarts of goat's milk or a hundred cans of peanuts.

It's a bad bargain where nobody gains. Satan is on his steady march today making a deal with the weak so-called Christians. They are accepting all that he has to offer. Satan has his "show" on the road, believe it or not. Just watch the world as it moves on and you'll see that Satanic power.

We as Christians may foolishly relinquish the blessings of serving the Lord in order to have the pleasures of the world, but unlike the games of chance, we always come up losers! Spiritually speaking, we put all our assets into a speculation investment that cannot possibly pay off.

How unwise it is to risk the glory of heavenly rewards for some profitless earthly venture. As we daily seek to do God's will, we can be certain of eternal dividends that defy human appraisal. Let's make a sure deal by living wholly for the Lord.

Thought: "There are no losers with Jesus Christ, and no winners with the devil."

CAN YOU TRUST JIMMY CARTER TO DO WHAT'S BEST FOR THE AMERICAN FARMER?

Jimmy Carter is an engineer, a scientist, a former governor. He is also a farmer. His children will be the sixth generation on the same land. He understands what it means to roll up his sleeves to do an honest day's work for an honest day's pay. He also understands the abuses you have suffered during a Republican Administration which has taken excellent care of the grain speculators, the

FARM EXPORTS.

"We can't tolerate an agricultural policy which encourages foreign sales and then cuts them off for political convenience. We can only develop overseas markets for our goods, if our buyers can depend on us and the quality and quantity of our products. Our farmers are dependable. It's our government that's not."

DOMESTIC AGRICULTURAL POLICY.

"The Republican big-business approach to agriculture is driving the family farmer out of business. We need to end the threat of embargoes, to create small but adequate reserves, to establish realistic fall back prices. We need to develop an abundant production policy coupled with a vigorous expansion of our export markets."

RURAL AND SMALL TOWN DEVELOPMENT.

"Farmers are entitled to exactly the same standard of living that most urban dwellers take for granted—adequate water and sewer systems, affordable electric and telephone service and a realistic wage for a good day's labor."

ESTATE TAXES.

"The present estate tax threatens the very existence of the family farmer. It should be and will be eliminated with progressive tax credits or by a substantial increase in estate tax exemptions. Permanent farm land must be and will be valued at its production value. Not at its value to land speculators."

Russians, the food processors and the powerful. At your expense. The Republican big-business approach to farming is a disgrace and a failure. American farmers are going broke trying to produce food American consumers cannot afford to buy. As a farmer Jimmy Carter is committed to changing that. As President, Jimmy Carter will change that.

TOGETHER, JIMMY CARTER AND WALTER MONDALE WILL GIVE THE AMERICAN FARMERS A VOICE IN THE WAY YOUR GOVERNMENT IS RUN.

One of the reasons Jimmy Carter chose Walter Mondale to be his running mate was because they both share the same concern for the American farmer. Born and raised in rural Minnesota, Mondale has relentlessly and consistently fought for the rights of the family farmer. And as a U.S. Senator, his record stands as one of the most impressive in Congress.

CAN YOU TRUST A REPUBLICAN ADMINISTRATION WHICH STANDS ON A RECORD LIKE THIS?

As a Congressman, Gerald Ford led the fight for cutbacks and impoundments of rural funds. He voted for every termination and elimination of rural programs family farmers so desperately need. As President, Gerald Ford and a Butz Department of Agriculture have consistently vetoed, embargoed, reduced and curtailed a long list of programs designed to guarantee the family farmer a decent standard of living. It's a record of disregard and insensitivity to the problems facing the farmers and consumers of this nation.

If you agree that drastic reforms must be made in the way this country is run, in the way our farm program is administered, you have only one choice on November 2nd. And that's for change.

ON NOVEMBER 2ND,

VOTE FOR JIMMY CARTER. A LEADER, FOR A CHANGE.

Zeta Delta Plans Chinese Auction

The Zeta Delta Study Club will hold its fifth annual Chinese auction on Monday, Nov. 1. The auction will be at 7 p.m. in the Charles C. Thompson Room of the City National Bank Annex. The public is invited to attend.

This year there will be over 100 handmade items for sale. Items will be products of felt craft, tole painting, centerpieces, stitchery, and will also include Christmas decorations, and baked goods.

Each club member donates her time and talents in the crafting of these unique items.

Money from the sale will be used to support the various club projects. These projects include the Woodland School, Girlstown, USA, M.D. Anderson Hospital and various community activities and improvements.

One recent improvement supported by the club was the redecorating of the "ladies room" of the Playhouse theatre.

Members of the Zeta Delta Study Club realize the importance of community involvement and local government. They dedicated themselves and this year to becoming better informed in the workings of government on the national, state, and local levels.

For this reason, they will be having various programs on state and national government, law enforcement, local government, and the school board.

The theme for the 1976-77 club year is "Community Involvement in the Bicentennial."

Local projects include a poster contest at Kelley Elementary School and an essay contest at Hutchinson School.

Other club projects will be: A Christmas Party and

gifts for the Exceptional children, contributions to the Ministerial Alliance for Christmas baskets, and tray favors for those in the rest homes.

Members of the club include: Nancy Hamner, president; Barbara Corbell, vice president; Jennie Wright, secretary; Connie Hargrove, treasurer; Ann Nobles, corresponding secretary; Brenda Tarter, reporter; Janet Stockton, historian and Pat Geiger, parliamentarian.

Other members include Brenda Carpenter, Karen Gilliland, Lynette Kirkley, Ann Nobles, Shana Bassinger, Laverne Blasingame, Petra Fuller, Reita Cowin, Beth Dennis and Brenda Tarter.

In their support of M. D. Anderson Hospital, club members are donating wigs to be used in the treatment of chemotherapy patients.

If any community members would care to donate a new or used wig for this purpose, they may do so by contacting Mrs. Pat Geiger at 728-5595 or Mrs. Nancy Hamner at 728-5785.
