Lease Plans Abandoned In Little Rock

Schools Remain Closed

By The Associated Press

The Little Rock (Ark.) Private School Corp., today abandoned plans to lease four high schools and operate them as private, segregated institutions.

Dr. T. J. Raney, director of the corporation, announced the action in a brief statement.

The schools remained closed and signs were placed on the campuses which read:

"This school closed by order of the federal government."

Later, Gov. Orval E. Faubus commented:

"As long as the people stand firm, a way will be found to preserve our traditions and educate our children."

He said "Other avenues and means of providing education for the students will be explored."

Dr. Raney's statement said:

"Through the concerted efforts of the government of the United States and the NAACP, the Little Rock Private School Corporation has now been enjoined and prohibited from operating ... high schools."

The U.S. Supreme Court Monday blocked one of the principal routes which southern states hoped to use in maintaining segregated schools. Chief Justice Earl Warren said the court will not permit "evasive schemes for segregation" to nullify its 1954 ruling.

Since that historic decision a number of southern states have passed laws permitting public school systems to be turned over to private organizations if it becomes necessary in order to maintain segregation.

Two federal circuit judges in Omaha, acting on a petition by attorneys for the NAACP, have ordered the Little Rock School Board to retain control of its schools. The board had leased the buildings to the corporation only hours before but the court made its order retroactive to Sept. 25.

LIBRARY'S BOOKMOBILE HERE—Three members of the board of directors of the Scurry County Library are pictured above accepting keys to the new bookmobile here this morning. The unit has a Gerstenslager body on a Ford chassis. From left pictured are: Jerden Brunken, sales manager for Wilson Motors., Ford Agency; O. B. Paty, Mrs. V. T. Tracy and Frank Patterson, board members. The unit will begin its mobile book service over the county in the near future. (Lee Watson photograph)

E. M. Johnson Rites Today

Funeral Services were held at 2 p. m. today for E. Manuel Johnson, 80, of 700 Twenty - fourth Street, who died at his home at about 3:30 p. m. yesterday.

A retired employe of the Texas Highway Department, he was born June 29, 1878, at Joplin, Mo. He was married April 12, 1915, in Oklahoma to Neva Blair. He was Baptist.

The Rev. W. L. Hopper, pastor, officiated in services at the Snyder Church of God. Burial was in the Brownfield Cemetery under direction of Bell Funeral Home.

Survivors include the widow, two daughters, Mrs. Daisy Rinehart of Brownfield and Miss Beatrice Johnson of Seminole; six sons, Dexter M. Johnson of Dayton, Ohio, Jessie Alonzo Johnson of Snyder, Alvin B. Johnson, who is in the Army and stationed at San Antonio, Allen Johnson of Snyder, J. E. Johnson of Snyder, and Darrell W. Johnson of Snyder; two sisters, Mrs. May Bishop of Denison and Mrs. Mollie Smith of Denison; one brother, Clyde Johnson of Lubbock; 29 grandchildren, and two great-grandchildren.

Officer Caught With His Stop Sign Down

MIAMI, Fla. (AP) — A traffic policeman lined up eight motorists and started writing tickets for failure to heed a stop sign.

Seven accepted the tickets, saying they hadn't seen the sign. The eighth said, "Show me the stop sign and I'll accept the ticket."

"So you can't see a big red sign on a tall green pole?" asked the officer. "Come on."

They walked back to the intersection, but there was no stop sign.

Debris-Laden Rio Grande Drops; Flood Threat Eases

By FRANK N. MANITZAS

PRESIDIO, Tex. (AP)—Threats of further flood damage apparently eased today as a muddy crest surged on down the Rio Grande past this border city in far West Texas.

The debris-laden stream dropped 12 inches here during the night. Officials said they now were confident it could absorb the additional inflow in prospect without surging into downstream cities.

"It looks like the Rio Grande is holding its own," said H. E. Dupuy, one of the owners of the flood-closed international bridge here.

The river ebbed late yesterday, rose again last night and started dropping once more after midnight.

Border Patrol Inspector Raymond Morris said earlier he feared a record 20½-foot crest at this southern tip of the Texas Big Bend was only a beginning.

The latest drop occurred after the International Boundary & Water Commission relayed unconfirmed reports that still higher peaks might be rolling into the Rio Grande.

Officials had said they were concerned over the possibility of additional crests tumbling from the Rio Conchos, which flows from Mexico into the Rio Grande, and possibly from the El Paso area upstream on the Rio Grande.

This morning, however, these sources said the Rio Grande appeared able to absorb the slowed runoff rapidly enough to avert damage to populous border points to the south and east.

W. E. Walker of El Paso, chief hydrologist for the IB&WC, also expressed the opinion that the Rio Grande "seemed to be taming down."

Far downstream, the Brownsville Weather Bureau reported the Rio Grande crested at 31 feet last night at Langtry as the first rush of Presidio flood water headed toward the big international Falcon Reservoir.

Forecasters looked for a 24.5-foot crest by 6 p.m. at Del Rio, where flood stage is 15 feet. They said little or no damage was expected but flooding of approaches to the international bridge at Del Rio probably would close the span.

At Eagle Pass a crest of 26.5 feet was predicted by 6 p.m. tomorrow. Although this is far above the 16-foot flood stage there, the Weather Bureau said no damage was in prospect.

W. E. Walker of El Paso, chief hydrologist for the IB&WC, also expressed an opinion that the Rio Grande "seemed to be taming down" in the Presidio flood sector.

"But," he said, "there are a couple of sections that we don't know anything about." These were listed as the Rio Conchos and a long canyon through the Big Bend National Park below Presidio.

The flood, which started Sunday, engulfed farms and homes. The crest closed the International Bridge here, washed out rail lines to Mexico, isolated the city of Ojinaga, Mexico, ruined valuable cotton land and washed away homes.

Two drownings were reported at Ojinaga, a city of 6,000 across from here.

Roughly 10 adobe houses crumbled when the water struck here and about 20 were washed away on the Mexican side of the river. About 30 families were evacuated from lowlands in this area on the U.S. side.

The flood in this 45-mile valley destroyed almost all of the cotton crop and heavily damaged dikes, irrigation ditches and equipment.

Frank Barton, president of the Marfa National Bank, said "We thought we were going to save some crops, but it's a total loss."

Many farmers feared the river was cutting a new channel and would leave a major part of the valley on the Mexican side.

Light Freeze Is Due In Panhandle

The most potent norther of the season roared into the Snyder area shortly after 7 a.m. today, promising to send the thermometer on a downward plunge.

The newest cool front hit with brisk winds on the heels of a mild Monday which saw the mercury get no higher than 77 degrees. The low reading for the 24 hours ending at 7:30 a.m. today was 57 degrees, and the mercury was stalled at that reading after the norther hit.

Snyder added a meager .05 of an inch to its moisture total Monday on the strength of a light drizzle which fell intermittently during the morning hours.

Forecasts call for colder weather tonight, with a light freeze predicted for the Panhandle.

By The Associated Press

The coldest norther of the season blew deep into Texas Tuesday. The Weather Bureau warned the Panhandle of a light freeze during the night with readings tumbling as low as 30 degrees.

At mid-morning, the cold front had whipped through Amarillo where the mercury sank to 44 and winds climbed to 36 miles an hour. The fast-moving norther raked Oklahoma City with 56 mile winds. Ardmore, near the Texas line, had 40 mile winds.

Colder weather with scattered showers was forecast for all Texas areas. North Central Texas faced the prospect of 45 to 55 degree readings. The forecast was for 35 to 45 degree readings in the South Plains and upper Pecos Valley of West Texas.

Temperatures sank to the low 40s in the upper Panhandle around dawn and the Oklahoma Panhandle got a freeze warning. A few snow flurries fell in western Kansas.

Dalhart reported 41 degrees, which was 37 degrees cooler than Corpus Christi's 8. Lubbock had 50 and Childress 54.

By 7:30 a.m. the cool front extended from Wichita Falls to Lamesa and on westward into New Mexico. The cold air mass was expected to reach the Fort Worth and Dallas areas around noon and race on to the Gulf Coast by about daybreak Wednesday.

Reported rains were light. Dalhart and Big Spring reported .03 inches and Midland .03.

WEATHER

SNYDER TEMPERATURES: High Monday, 77 degrees; low, 57 degrees; reading at 7:30 a.m. today, 57 degrees. Precipitation, .05.

East and South Central Texas: Scattered thundershowers this afternoon and mainly in south tonight. Colder tonight. Wednesday cloudy and cold.

North Central Texas: Cloudy and colder this afternoon and tonight. Scattered thundershowers southeast this afternoon. Lowest tonight 45-55. Wednesday partly cloudy and rather cold.

West Texas: Light freeze upper Panhandle tonight. Mostly cloudy and colder this afternoon and tonight with a few showers this afternoon. Lowest tonight 30-40 Panhandle and 35-45 South Plains and upper Pecos Valley. Wednesday cloudy to partly cloudy, and rather cold.

Dag Says Britain, U. S. Agree To Plan Troop Withdrawal

By MAX HARRELSON

UNITED NATIONS, N.Y. AP —Secretary General Dag Hammarskjold announced today that the United States and Britain had agreed conditionally to withdraw their troops from Lebanon and Jordan.

The secretary general said the United States had promised to complete the withdrawal from Lebanon by the end of October if the situation improves sufficiently. He said Britain would begin pulling out of Jordan in October and would complete the withdrawal as early as the situation allows.

Hammarskjold made his announcement in a 30-page report to the General Assembly on his recent Middle East peace mission.

He said he had appointed a special representative to work out arrangements to facilitate the troop withdrawals and that the representative, Per P. Spinelli, a U.N. undersecretary, is now in Amman.

Hammarskjold said complete mutual confidence among the Arab countries has not yet been restored. But he expressed the belief "the implementation of the good neighbor policy will meet with growing success."

Unofficial reports in London said the British withdrawal from Jordan will be completed by Oct. 28.

The United States already has pulled out its Marines from Lebanon, and it appeared that the remaining 7,500 U.S. soldiers would be departing soon.

Hammarskjold was cautious about making forecasts on Middle East stability. He said his effort to carry out the Assembly's peace resolution is "still at an early stage and it is therefore premature to pass a judgment on the degree of success it may meet."

Western diplomats voiced disappointment over the apparent lack of progress Hammarskjold has made in the Middle East mission he undertook at the behest of the Assembly. He acted under terms of the all-Arab resolution approved unanimously at the emergency session last August.

The secretary general was reported to have encountered opposition from the United Arab Republic, which is said to oppose letting oil supplies and plane transport into Jordan by way of Jordan's soil.

Abel Monem Rifai of Jordan said he expected the British to announce troop withdrawal in a few days.

One Middle East source said U.A.R. President Nasser had assured Hammarskjold that his government would lift its blockade by the time the British pull out, and that U.A.R. propaganda broadcasts against Jordan would cease at about the same time.

Policy Change Is Possible If Reds Agree To 'Give'

WASHINGTON (AP)—Secretary of State Dulles said today there could be important changes in U.S. policy as to the defense of Quemoy if there were some "give" by the Chinese Communists.

If there was a dependable cease-fire in the Formosa area, Dulles said, the United States would favor withdrawal of at least some of the large Chinese Nationalist forces on the offshore islands.

Dulles said the United States acquiesced in generalissimo Chiang Kai-shek's reinforcement of the islands in the first place but considered it a foolish step.

At a news conference Dulles also said that the United States thought any renunciation of force in the Formosa region should apply not only to Communist China but also to the Nationalist government.

He argued this would be a fair arrangement and that it would be wrong to ask the Reds alone to renounce force.

In the past two weeks the prospects for a peaceful outcome of the Formosa crisis have improved, Dulles said under questioning.

He attributed this to some slight tendency toward stabilization of the contending forces in the Quemoy region and to his feeling that there is now less chance of hostilities spreading into a bigger war.

Asked how an agreement to renounce force would affect Chiang's policy of fighting his way back to the Chinese mainland, Dulles said Chiang's return would seem to depend on what happens inside Communist China. For example, he argued, should a Hungarian-type uprising come about inside mainland China, it might lead to Chiang's return.

Dulles confirmed that Chinese Nationalist fighter planes are using Sidewinder air-to-air missiles against Communist aircraft in the Formosa area. But he rejected a Red Chinese complaint that this somehow upsets the situation in relation to the Warsaw talks. He said that release of the missiles to the Nationalists by the United States had nothing to do with the Warsaw talks.

Dulles was asked whether he thought it was sound now to arrange for withdrawal of Nationalist forces from the offshore islands.

That all depends on the circumstances, he said.

The United States would never agree to a retreat under fire, Dulles said, because of the probable impact such an action would have on other peoples and other countries as well as the morale of Nationalist China.

$2,500 Awarded In False Arrest Suit

Otto McElyea, Snyder cafe worker, was awarded $2,500 damages by a jury in 132nd District Court here today in a suit against Snyder policemen and their bonding company for false arrest.

McElyea had filed the suit against Travis Steele, police chief, and two patrolmen, E. C. Carter and C. R. Montgomery. Their bonding firm is Maryland Casualty Co.

The jury deliberated less than an hour, getting the case after arguments ended at about 11 a. m. and returning a verdict just before noon.

McElyea had asked a total of $10,000 in his suit. He had been arrested by police last May 21 on a charge of intoxication. The charge was later dismissed. The jury decided in favor of McElyea's contention that he was not intoxicated at the time of the arrest or at the time he was placed in jail.

He was represented in the case by Carl Anderson of Sweetwater. W. W. Park, city attorney, represented the policemen. Judge Sterling Williams presided. Park has not given notice of appeal but may have a hearing on a motion for new trial after the judgment has been recorded.

Jurors were R. C. Patton, Lowell Thornburg, Marcus Durham, Roy Staton, J. B. Turner, Landis Lee, Carl Voss, Jr., W. M. Hairston, H. R. Gannaway, Lester Gladson, Ray Lunsford, and Richard Lee Stoker.

Rites Set For J. D. Cloud

Funeral services will be held at 10 a.m. tomorrow here for James Daniel Cloud, 89, of 3201 Avenue T, who died at 2:30 p.m. yesterday in Cogdell Memorial Hospital after a long illness.

Mr. Cloud, a retired banker and farmer, had lived here since his retirement in 1944. He had moved here from Stamford, where he had been engaged in farming.

Prior to that time he was in banking for a number of years at Hutto, where he was a bank president. He was born at Leander Oct. 11, 1868. On June 3, 1896, he was married at Hutto to Beuna Harris. She died June 6, 1951.

The Rev. R. Charles Spivey, pastor, will officiate at services at the First Presbyterian Church. Burial will be in the Snyder Cemetery under direction of Bell Funeral Home.

Pallbearers will be Amos Joyce, Ixon Joyce, Herman Doak, Richard Brice, Wayne Boren, G. B. Clark, Jr., Fritz R. Smith, Jr., and Buck Logan.

Survivors include one son, P. W. Cloud of Snyder, and three grandchildren.

COUNTY TAX COLLECTOR IN NO HURRY THIS YEAR

It's always been the assumption of the average citizen that the tax collector is in a hurry for the tax money.

He is, but Scurry County's tax assessor-collector is not in as big a hurry as some might think.

Geral Greene, tax assessor-collector, issued a plea today to county taxpayers to wait a few days to pay their taxes.

This week, Greene's office is still overloaded with the work of getting out tax notices and needs all the time the office employes can spare to spend on that so all taxpayers can get their notices as early as possible.

He asked that no one pay his taxes until he gets his notice, unless he fails to get one within the next two weeks. If citizens go to the office before getting notices to pay their taxes, that means an employe must take time out from preparation of notices to look up the needed information on that person's taxes.

Greene said that in fairness to all the taxpayers his office should spend as much time as possible this week on the tax notices so they can all be mailed out this week.

There will still be plenty of time for taxpayers to pay their taxes and get the maximum discount for early payment after they get their notices, Greene said. There is a three per cent discount for payment during October.

All local property taxes are due during the period from Oct. 1 to Jan. 31.

Conferees Optimistic

WARSAW, Poland (AP)—The United States and Communist China today resumed negotiations aimed at easing tension in Formosa Strait. There was an air of optimism.

U.S. Ambassador Jacob Beam and Chinese Ambassador Wang Ping-nan met for the fifth time.

Washington dispatches said Secretary of State Dulles was a bit encouraged over prospects and that seemed to be the general attitude in Warsaw.

In private talks Wang was exuding confidence that war was not imminent, and that the talks had a chance.

Premier Chou En-lai said over the weekend Peiping was prepared to go on with talks.

Chiang Gets Flying Boxcars

By SPENCER MOOSA

TAIPEI, Formosa (AP) — The United States is sending the Chinese Nationalists C119 Flying Boxcars and big landing ships to break the Red blockade of the Quemoys, a U.S. military spokesman said today.

One of the landing craft—22,000-ton LSD (landing ship, dock)—has already made the run to the battered offshore island with U.S. 8-inch howitzers under the supervision of U.S. Marines.

The guns were turned over to Nationalist crews for installation. Up to now, the biggest guns used by the Nationalists were 155mm.

The new landing ships en route are capable of carrying eight smaller landing vessels in water-filled holds. They can carry up to six times as much cargo as the LSTs (landing ship, tank) now used by the Nationalists.

With their present collection of equipment left over from World War II the Nationalists have not been able to get through to Quemoy the 350 tons of supplies needed daily on the besieged offshore islands. U.S. military officials have been urging the Nationalists to step up supply efforts.

The Nationalist air force reported that Communist ground fire shot down one of its cargo plane parachuting supplies to Quemoy during the night. This was the first cargo plane lost in 16 days of dropping high-priority supplies to Big and Little Quemoy.

The Nationalists have been using old C46 transport planes for aerial drops so far and the most they have mustered on one night was 20. The C46 can carry up to 2½ tons of cargo.

The C119 can airdrop five tons and is better designed for such work than C46s. An undisclosed number will arrive this weekend and Nationalist crews will begin training in them immediately.

The Nationalists have used LSTs in combination with small loaded amphibious vehicles that swim ashore as the vessels stand outside Communist artillery range in addition to carrying six times the load. LSDs have the advantage of a center section that can be flooded so that smaller craft can shoot out from it rapidly for the run to the beaches.

One LSD was reported already in Nationalist hands. More are en route but the spokesman refused to reveal the number.

Communist artillery had tried unsuccessfully to stop the nighttime drops by firing artillery shells that explode in the air. This method lacks the density and effectiveness of antiaircraft fire.

There have been rumors on Formosa that the Soviet Union was supplying Red China with long-range antiaircraft guns capable of reaching planes over the Quemoys.

New Legal Move May Oust Hoffa

By NORMAN WALKER

WASHINGTON (AP) — Teamsters Union monitors prepared today to challenge the court order under which they were appointed. The legal maneuver could remove James R. Hoffa from the union's presidency.

The union itself filed documents in court opposing the monitors request for additional powers and asking removal of Godfrey P. Schmidt as one of the monitors.

Hoffa was allowed to take office provisionally under the same consent order which established the monitorship. The order settled a suit brought last year to keep Hoffa from taking office. If it were voided, the suit could be resumed and a temporary order barring Hoffa from office reinstated.

Monitor members said they planned to file today court papers questioning whether the compromise order was properly entered in the first place. They raised a technical question of whether proper advance notice of the compromise was given to all concerned.

The claims and counterclaims are to be heard and dealt with ultimately by U.S. Dist. Judge F. Dickinson Letts, who appointed the monitors last January.

Martin F. O'Donoghue, monitor board chairman, petitioned Judge Letts several weeks ago for more power to order changes. He said Hoffa was largely ignoring reform suggestions and that he planned a new union convention next February to get rid of the monitor. Teamsters Atty. L. N. D. Wells, dissented. The majority asked Letts to require Hoffa to obey cleanup orders and to cancel plans for a new convention for the time being.

In its reply, the union maintained that it had cooperated fully with the monitors and obeyed monitor orders except those the union considered unreasonable or in conflict with the union constitution.

The union charged Schmidt with a "direct and clear conflict of interest" and said he has continued to represent employers who have contracts with the union. It alleged he had solicited and received large contributions from such employers.

District FFA Slate Named

Officers for the Lone Wolf district of Future Farmers of America were elected at a recent district meeting in Colorado City.

Russell Green of Sweetwater was elected president, while other officers will be assigned by chapters as follows: first vice president, Highland and Colorado City; second vice president, Loraine; secretary, Hermleigh and Roscoe; treasurer, Fluvanna and Blackwell; reporter, Divide and Ira; Sentinel, Snyder and Westbrook.

E. L. Tiner, of the agriculture department of Texas A&M College, questioned the candidates.

Dates were set for two district events. The district leadership contests will be held in Snyder at 1 p.m. Nov. 19, and the district banquet will be in Colorado City on Dec. 15.

Area dues were set at 30 cents per member.

HOSPITAL NOTES

COGDELL MEMORIAL

ADMISSIONS — Mary Elaine Martin, 2301 Thirty-seventh Street; Wilhelmena Beaver, Fluvanna; Frances Lee, Gen. Del.; Richard Sanders, 502 Thirty-fourth Street; Betty Minor, Gen. Del.; Melvin Boothe, 2302 Forty-second Street; Bessie Wilson, 2808 Avenue K; Ivan Chaney, 1802 Avenue Q; Anniece Heath, 701½ Twenty-ninth Street.

DISMISSALS — Marilyn Lewis, 809 Twenty-fifth Street; Vera Baize, Route 1; Margie Doak, 2811 Avenue W; Ethel York, 1511 Avenue T; Mrs. James Cantwell and baby, 1911 Thirtieth Street; Lana Bell, Thirty-second Street; Ethel Eiland, 2806 Avenue U.

Ex-Snyderite Is On Trip To Detroit

Joe Dave Scott, former Snyder resident and now a member of the news department of KRLD-TV in Dallas, is in Detroit this week as a guest of Ford Motor Co.

Scott, who went to Detroit with the Dallas Ford dealer, was to visit the Ford plant and proving grounds to take pictures and gather data for the television station.

He is the son of Mr. and Mrs. J. D. Scott, 3600 Avenue U.

New Round Of Tight Money Is Predicted

By FRANK CORMIER

WASHINGTON (AP)—The possibility of another "tight money" action by the Federal Reserve Board was increased today by a sharp rise in the interest Uncle Sam pays on short-term borrowings.

The Treasury announced Monday night the government will pay an average interest rate of 2.920 per cent for the privilege of borrowing $1,800,000,000 for three months.

This marked an unusually steep rise over the 2.511 per cent which lenders demanded a week ago. Historically it's a pretty high rate to charge the nation's best credit risk for short-term money. It means all other borrowers, including blue chip corporations, are paying a good deal more.

The increase also means the interest rate on 90-day Treasury bills is now far out of line with the Federal Reserve Board's 2 per cent discount rate—the interest rate banks must pay for money borrowed from the reserve system.

In recent years, the discount rate invariably has been raised in circumstances such as these. The reserve board normally tries to keep the discount rate above the bill rate. This is to discourage banks from borrowing from the Federal Reserve and reinvesting in Treasury bills.

The current spread between the bill rate and the lower discount rate is greater than at any time in the past five years.

4 University Centers Urged

DENTON (AP) — The Denton Record-Chronicle has urged that Texas have four state university centers, instead of just two as recommended by the Texas Commission on Higher Education.

The newspaper editorial was in reply to the recommendation that the University of Texas and Texas A&M be given priority as first class institutions over 16 other tax-supported colleges and universities.

The editorial called for the recognition of four such centers which it says now exist—the University of Texas, Texas A&M, Texas Tech and the two Denton state schools—North Texas State and Texas Women's University.

"Both the University of Texas and A&M are in Central Texas," the editorial said. "How can the commission account for the growth of Texas Tech in West Texas, which now has an enrollment much above A&M? And how can the commission account for the growth of North Texas State College and Texas Woman's University where the combined enrollment is larger than A&M?

Optimists Hear Mayor

Mayor Harold Bennett addressed the Optimist Club at its weekly luncheon at Trinity Methodist Church Monday.

Bennett spoke on the "Urban Renewal" program that will be put up for a vote to local citizens, Oct. 25.

Bennett pointed out that he wasn't "campaigning" for or against urban renewal but that he was just explaining the program.

"Something has to be done about our blight areas and the city council figured that an urban renewal program might be the answer," Bennett said.

Bennett told the Optimists that it has been estimated that 50 percent of the houses in Snyder are "sub standard."

In business matters taken up at the meeting, Rev. Elton Wyatt was appointed program chairman and Bailey Johnson the telephone chairman for October.

BIRTHS

Mr. and Mrs. Albert Ray Martin, 2301 Thirty-seventh Street, are parents of an eight-pound, four-ounce son, born at 9:15 a.m. yesterday at Cogdell Memorial Hospital.

PUBLIC RECORDS

MARRIAGE LICENSES ISSUED:

Paul Hernandez, 20, single, and Janie Rios Ruiz, 15, Snyder.

Manuel Alvarado Garcia, 21, Route 1, Cuthbert, and Lilly Flores Guerrero, 21, Route 1, Cuthbert.

FILED IN CIVIL DISTRICT COURT:

J. Sunbeam Morrison vs. Mrs. Edith McKanna, suit on debt.

COUNTY CRIMINAL COURT:

Fernando Luna, plea of guilty on charge of driving while intoxicated, $72.50 fine and costs, three days in jail, six months drivers license suspension.

WARRANTY DEEDS RECORDED:

Mr. and Mrs. J. F. Devell, Lea County, N. M., to Mr. and Mrs. Wesley Hazlewood, lot 8, block 31, Andrews Heights.

Mr. and Mrs. Walter R. Milton to Mr. and Mrs. Roy Carter, lot 4, block C, Highland Park addition, except minerals.

Mr. and Mrs. Don Bentley to Mr. and Mrs. Raymond Dee Stansell, north half of lots 14 and 15, blocks 39 and 40, Cody Heights addition.

NEW VEHICLES REGISTERED:

Brice B. Fuqua, from Lamb Chevrolet Co., 1958 Chevrolet pickup.

Snyder Steam Laundry from Lamb Chevrolet Co., 1958 Chevrolet panel truck.

Baroid Division of National Lead Co. from Karl McMillian, Inc., Houston, 1958 Ford four-door.

Peggy N. Murphy from Lamb Chevrolet Co., 1958 Chevrolet two-door.

Carl H. Kunkel from Wilson Motors, 1958 Ford four-door.

Scurry County Library from Wilson Motors, 1958 Ford bookmobile.

O. H. Meyer from Pollard Motor Co., 1958 Chrysler four-door.

NEW YORK (AP)—The stock market pushed further into record high ground early this afternoon. Trading was active.

Most leading stocks rose fractions to about a point. A few wider moves were made by specially situated issues.

Drugs and most tobaccos were up. Steels, motors and rails resumed their advance. Aircrafts, chemicals and some nonferrous metals were on the upside. Utilities were a bit higher.

Expectations of an early settlement of Chrysler's labor dispute, rising steel output and declining unemployment were encouraging factors. The market seemed to ignore tightening interest rates which usually are a dampening factor.

Atlantic Coast Line rose more than three and Seaboard Air Line Railroad was up well beyond a point.

Reynolds Tobacco B was off about two and Warner-Lambert around three.

Schering was a one-point gainer. Lukens Steel gained more than a point.

Gains of about a point were scored by American Smeltering, Union Carbide, Eastman Kodak, Goodyear and American Cyanimid.

Radio Corp., Illinois Central and Standard Oil of Indiana were losers.

U.S. government bonds were unchanged.

TV Dealers To Get World Series On SCAT

Live television programming of the World Series will be available at most appliance dealers' stores here this week through temporary facilities of Snyder Community Antenna Television, Inc., the new cable television firm here.

Mel Gilbert, an officer of the firm, said the series will be available on sets at the dealers' stores on one channel only. This is being provided by temporary feeder line, since the main cable of SCAT has been delayed by a strike.

A&M Club Meeting Set Here Tonight

The local Texas A&M Club will meet at 7:30 o'clock tonight in the community room of the Snyder National Bank.

Motion pictures of last Saturday's A&M-Hooston football game will be shown during the session.

All ex-Aggies and their wives are invited to attend the meeting.

Alcatraz Escapee Remains At Large

SAN FRANCISCO (AP) — A tough young convict was sought on fog-shrouded Alcatraz Island today after he and a companion bound a guard in a bold attempt to escape the federal prison.

The companion was captured within two hours of the 3:15 p.m. break.

Somewhere on the rugged island was Aaron Walter Burgett, 28, Missouri gunman serving 26 years for post office robbery and assault. A 60-man prison posse ranged over the San Francisco Bay island during the night.

Burgett's companion Clyde M. Johnson, 38, onetime Public Enemy No. 1 who shot it out with the FBI in Indianapolis in 1949, was captured along the rocky shore — cowering, shivering and up to his waist in the water.

The pair were on a trash-burning detail with guard Harold Miller outside the prison walls. Suddenly they turned on him. One produced a knife. They threatened to kill him and then bound and gagged him.

The break was discovered at 3:40 p.m. About 15 minutes later Miller was found squirming in chick bushes, just below some guards' houses on the southeast corner of Alcatraz.

Johnson was spotted through the fog by a sharp-eyed Coast Guard lookout on a patrol craft circling the island. Johnson surrendered meekly to prison guards.

His teeth chattering, Johnson was hustled to the warden's office for questioning by FBI agents. When he faced Associate Warden Joseph Latimer, Johnson said: "Sorry I let you down. I wish I hadn't done it."

Latimer eyed him coldly and said nothing.

When the two convicts turned on Miller, they told him they would escape The Rock on a boat. But Coast Guard headquarters reported there were no boats anywhere near the island.

It was considered extremely unlikely that Burgett could swim the 1½ miles to the necklace of lights on San Francisco's Marina shore. The tide was moving out of the Golden Gate at 3½ miles an hour. The water was cold—between 50 and 55 degrees.

But he had 40 minutes in which to find a good hiding place.

Eighteen have tried to flee the government's maximum security prison since the Bureau of Prisons took it over from the Army in 1934. Five were shot to death, two vanished and were presumed drowned, and the rest were caught.

Price War Suit Settled

EL PASO (AP)—An out-of-court settlement between ten major oil companies and a Midland, Tex., operator who said the firms had forced him out of business with a price war was announced here yesterday.

The amount of the cash settlement was not revealed.

R. B. Baker of Midland had sued in federal court for $124,000 damages he said his business sustained. A judgement for the plaintiff would have trebeled the amount under federal law.

U. S. Dist. Judge R. E. Thomason granted the motion of attorneys for Baker for a summary judgement for the defendants following a conference yesterday. The judgement will be signed in about 10 days.

Present for the hearing were 24 attorneys representing Baker and the defendant oil companies. They were Gulf Oil Co., Humble, Standard of Texas, Sinclair, Shell, Phillips, Continental, The Texas Co., Cosden and Magnolia.

Bachelor Is Hunting For Tot's Parents

ELY, Nev. (AP) — Bachelor James Shelton, armed with plenty of formula and diapers, was headed for Reno today, hoping to find the parents of a 2-month-old premature infant.

Shelton became separated from the parents, Mr. and Mrs. Otis Williams of Slick Rock, Colo., Sunday night near Eureka, Utah.

Monday morning he faced the frightening job of feeding the crying baby, which needed a special formula, and the problem of changing diapers.

The infant's plight turned into a three-state alarm when Shelton walked into a Eureka cafe. A quick call was put in to the Cortez, Colo., hospital for the formula—a special meat base preparation. The child had been released from the hospital only two days earlier.

After feeding and changing the baby, Shelton waited 15 hours in Eureka for the Williams to return. They had been in a two-car caravan and gave Shelton the baby, he said, because their car was loaded with household goods.

Shelton arrived here last night and told Pine County Deputy Sheriff Del Hofhines he intended to look for the parents in Reno. If they weren't there, he planned to leave for Lakeview, Ore., and leave the child with unidentified relatives of the Williams.

Good Pizza Leads To Trouble In Home

DETROIT (AP)—In court on an assault and battery charge, Benjamin Bezdziecki, 25, testified that his wife kept telling him what a good pizza she was eating the night of Sept. 20.

"I told her, 'If you say it's a good pizza one more time, I'll stick it in your face.'

"She did, and I did."

Chinese Reds Draft Millions

By DAVID LANCASHIRE

TOKYO (AP) — More than 43 million Chinese peasant families have been drafted into people's communes since Red China launched its latest communization project in June, Radio Peiping reports.

These are township-sized working organizations directed along military lines in China's "Great Leap Forward" program.

Peiping said seven million women have been "freed from household tasks" and put to work for the state in the new drive. They toil now in such fields as commundergarigas.

The communes—large, self-sufficient communities of villages and former cooperative farms—embracing up to 30,000 persons each—have been set up with frantic haste in an effort to build something more effective than the old cooperative system.

The movement is one of the most important steps since the Communists took over China eight years ago. Recent visitors to the mainland say the program is effective and is proceeding quickly.

The families already enrolled in people's communes . . . are considered to be a good form of basic organization of society to accelerate Socialist construction and the transposition to communism," the radio commented.

China's peasants have in the past few years been drilled relentlessly in politics—even the farm work songs are odes to communism—and the radio said the communes resulted in part from the farmers' "enhanced political understanding."

Nixon Tells Slim Crowd Of 'Frightening' Democrats

By IRWIN J. MILLER
AP Political Writer

INDIANAPOLIS (AP) — Vice President Richard M. Nixon rallied Indiana Republicans Monday night with a strong defense of administration foreign policy and a warning of "frightening" economic results if Democrats strengthen their congressional control.

He addressed a slim partisan crowd of about 4,500 in the Indiana Fairgrounds Coliseum immediately after speaking to some 2,600 guests at a $100-a-plate fund raising dinner.

In a news conference after arriving at Weir Cook Airport he said Republicans face defeat in the Nov. 4 election unless they reverse the present trend. But he declared an all-out fight can win control of Congress for the GOP.

Nixon's speech was the opener in a personal campaign for Republican Senate and House candidates which will take him next to the West Coast today.

He said of administration policy in the Formosa crisis that the Communists can only be dealt with from a position of strength, and that letting the Reds take Quemoy, Matsu and Formosa would not solve the problem.

"The whole free world's position in Asia is at stake," he warned. "The Communists want us completely out of the Far East."

Nixon said higher taxes, cheaper money and the stifling of private investments would follow a "wild spending binge" if the Democrats strengthen their control of Congress.

He described the six years of the Eisenhower administrations as "the best six years in the history of this country" and assailed "malicious and false charges of Harry Truman and other Democratic orators that this administration's policies have been good for big business and the rich, but bad for 65 million American wage earners."

Ticking off a list of comparisons of national income, jobs, and wages under Truman and under Eisenhower, he called Truman "loose with the truth—and he's setting a record in this campaign."

Nixon told newsmen he didn't believe the Sherman Adams affair would be a decisive factor in the campaign, and he told the audience:

Ford Restyles Its Top Trio

DETROIT (AP)—Mercury, Edsel and Lincoln cars have been substantially restyled for 1959.

Full details were withheld.

Ford was hard hit by the 1958 sales decline. Mercury delivered about 84,000 cars in this year's first seven months against 170,000 in the like 1957 period. Edsel accounted for a disappointing 25,000 in this year's January-July period. Lincoln's numbered about 18,000 compared with 24,000 in the same period last year.

Walker Williams, general sales manager, said the new Mercury has a new chassis and body design, a wheelbase four inches longer, a compound windshield 61 per cent larger, and an instrument panel moved forward six inches providing more knee room.

Williams said moving the engine forward with the increased wheelbase made it possible to reduce the hump in the floor for the engine and transmission.

At right, the detachable knitted over-collar enhances the versatility of the ombre rayon pile coat designed by Jack Glass. Front closing features hand-polished buttons.

Snyder Garden Club Starts New Year With Bulb Program

The Snyder Garden Club held the first meeting of the new year on Sept. 25th at the Martha Ann Woman's Club, at 9 a.m.

The ladies received greetings from the President, Mrs. Bill Davidson.

"Selecting and Planting of Bulbs for Spring Bloom" was the theme of the program. Miss Fay Harrell spoke on selection of bulbs and Mrs. S. L. Terry told of harmonious grouping.

Mrs. J. T. Hughes spoke on preparation of soil and planting. She said in part:

"First of all buy top grade bulbs and plant them in Sept. or Oct. or if you are a procrastinating gardener, you can still get by with planting them in Nov. and December.

"It is very important to open the containers in which you receive bulbs and place in a cool dry place until you can plant.

"Preparation of soil and planting means the culture of bulbs. Most of the books say that the culture of bulbs is simple. Most bulbs do well in this area and they grow well in any good garden soil, however this must be a well drained soil, preferably one with sand and humas in it.

"Proper and deep preparation of the soil pays dividends. Contrary to opinion bulb roots grow very deep. Therefore it is best to prepare the soil very deep instead of just digging a hole and popping the bulb in.

"Dig holes 6 to 8 inches deep. (This will vary; according to species of bulb and also soil). Mix a little bone meal with either peat moss or leafmold and put in bottom of hole, then put a little soil on top of this, put in bulb and cover.

"Bulbs that are to be left in the soil for years are better off in soil not too rich. In feeding to develop your bulbs you can use manure as long as it does not come in direct contact with the bulb, or you may use compost if you have a compost pile. Also a bit of superphosphate is helpful. If your soil is clay or heavy it can be made more pliable and coarse by putting in a little sand. (Best time to use super-phosphate is just before blooming and right after).

"Many of we amateur gardeners plant bulbs too close to the surface where they are subjected to alternate freezing and thawing and where they may suffer from heat in the summer. In general bulbs prefer a cool soil during their dormant period.

"Fall is the time to plant true bulbs and although there are specified times for setting bulbs in the ground, you should not hesitate to take bulbs up just past blooming season to transplant them.

"Daffodils, Narcissi and Jonquils can remain in the same garden spot for years, but will fail to bloom well without sufficient food. Tulips and Hyacinths do better when taken up every few years. It is wise to plant bulbs where there is no heavy shade.

"The most important 'don't' in bulb growing is, don't cut off the foliage when the flowers are gone. Allow the foliage to ripen and die naturally because next year's or season's leaves and flowers are formed in the bulb during this ripening period. Often it is neglect after blooming that is responsible for the lack of flowers the next season. Never plant bulbs with soft spots in them.

"When a gardener speaks of a bulb he may mean a Lily, Narcissus, a Crocus, an Iris or a Tuberose. To a botanist only the first two (Lily and Narcissus) are true bulbs. The Crocus and Gladiolus are corms, the iris a rhizomes, and Dahlias and Tuberoses are tubers". Daffodils belong to the Narcissus family so does the Jonquils. Tulips belong to the Lily family".

A ten minute question period was held following the program.

Mrs. Rex Miller, hostess served refreshments to 24 members present.

High School 4-H Club Meeting Held

The High School 4-H Club met Monday at 4 p.m. in the County Extension office. Jane Blair presided over the meeting in the absence of the president.

The group made plans for a movie party to be held Tuesday evening, with Lynette Kitchings appointed to make party announcements.

Carolyn Engler was elected second vice-president of the club, and Jane Blair as reporter.

Joyce Skains and Carolyn Engler were asked to plan a program for the next meeting. Miss Skains discussed leadership laboratory at Bastrop next August with the girls and challenged the club to have representatives there. She explained that three boys and three girls from one county in our district will go. They will be chosen on the basis of leadership records. These records are the usual 4-H supported by news clippings and snapshots.

The club decided to adopt as a project for the year, getting leadership records from Scurry County entered in the contest next May 1. They also plan some of their extra programs around preparation for the records and team demonstration contests, and to organize a club chorus.

A group of the girls will sing for the Home Demonstration Clubs dinner for the commissioners on Oct. 6, with a practice session to be held at 6 p.m. Tuesday and possibly another to be announced later.

Jan Bowman was welcomed as a prospective member.

Potatoes and onions both need ventilation during storage.

Carrots-Grapes

Ingredients: 1 bunch carrots, 2 tablespoons butter or margarine, ½ teaspoon salt, ½ teaspoon ground coriander, 2 tablespoons water, 1 cup stemmed small seedless grapes, ½ teaspoon sugar.

Method: Pare carrots; cut into very thin rounds. Melt butter in 9- or 10-inch skillet over low heat; add carrots and cook gently, stirring often, about 10 minutes. Add salt, coriander and water; cover tightly; simmer about 5 minutes; watch so as not to scorch. Add grapes and sugar; heat, stirring, just long enough to have grapes hot; overheating changes grape color. Makes 6 servings.

Mr. and Mrs. W. T. Steel and daughter, Frankie, of Dermott were Sunday evening visitors in the home of Mrs. Pauline Scrivner and daughter, Kathy, 407 Thirty-fourth Street.

United Council of Church Women Meeting Held

The United Council of Church Women met in the fellowship hall of the First Methodist Church Monday at 9:30 a.m.

The meeting was called to order by Mrs. Robert Patterson, president, and Mrs. Harry Vanderpool gave the devotional.

The Rev. Walter Lentz gave a study on the life of Apostle Peter. This included scriptures recorded about Peter and Christ, relating the influence Christ had on the fisherman, showing his moments of doubt and denial as the modern Christian and his strong faith and witness which makes him a Saint in our day.

In a short business session following, the president urged all women to vote in the hospital bond election. An announcement was made that world community day meeting would be Nov. 7 at the First Presbyterian Church.

Mrs. Charles Tyer was appointed leader of World Day of Prayer.

Refreshments were served by the ladies of the host church.

If there's a butter compartment in your refrigerator, keep only the amount of butter there that you'll use in a couple of days.

WOMEN'S CALENDAR

MONDAY

Iota Psi meets in the home of Mrs. Jenelle Beasley, 1804 Thirty-ninth Street.

TUESDAY

Woman's Culture Club, 2:30 p.m. at the Martha Ann Woman's Club with Mrs. Mable Belsher, hostess.

Alpha Study Club meets at 3:30 p.m. at Martha Ann Clubhouse with Mrs. J. E. Sentell, hostess.

WEDNESDAY

Wesleyan Service Guild of First Methodist Church at fellowship hall for second study of Isaiah, 7 p.m.

Acacia Study Club 3:45 p.m. at Martha Ann Club with Mrs. Bill Fry, hostess.

Union Home Demonstration Club meets with Mrs. R. J. Rosson.

Berean Circle of the First Methodist Church meets at 9:30 a.m. at the church. Lida Hardy, teacher.

Philathea Circle of First Methodist Church meets with Mrs. Marjorie Tyre, Clairmont Road at 9:30 a.m. at the church. Mrs. Harry Vanderpool, teaching.

THURSDAY

St. Elizabeth's Altar Society meets at the church at 7:30 p.m.

Parent-Teachers Association City Council meets at 1:30 p.m. at the administration building.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

BY A MATTER OF ONE conversion point Snyder football teams missed a perfect weekend last week.

The locals won four of five games played with only a 13-12 loss by Tiger B to San Angelo B marring an otherwise perfect weekend.

Last week's showing left the locals with a season record of 11 wins, four defeats and one tie for 76 percent, a very fine record.

Even though Tiger B lost last week, the boys won a lot of admiration from the fans present for their continued hustle. As long as the boys show that kind of spirit Tiger fans have something to look forward to from these lads in the future.

Odds Overtook Tigers

The odds finally caught up with the Tigers in the Big Spring game last Friday night.

The Bengals did not lose the ball on a fumble or have a pass intercepted in the first two games of the season, with Borger and Andrews.

Football teams just don't go through two consecutive games without either or both of these mishaps happening to them at least once.

Against Big Spring, though, the Tigers lost the ball three times on fumbles and one on a pass interception.

Still the Tigers are doing right well in these two categories.

Borger Going Strong

We don't know what their caliber of opposition has been but the Borger Bulldogs have been running wild since they opened against the Tigers here.

In the two games since that time, Borger has rolled over two Oklahoma foes by overwhelming scores, 56-6 over Tulsa Central and 58-6 over Duncan.

Duncan usually turns out fine football teams and we were rather astounded when learning about the Borger rout last week.

A Fort Worth Star-Telegram scribe, in fact, picked Duncan to beat Borger (with ease).

Borger goes against the District 3-AAAA favorite, Palo Duro of Amarillo, this week and a victory here for Borger will be proof enough that the Bulldogs mean business.

Hermleigh's football stock was boosted last week even in defeat. The Cardinals extended Roscoe to the limit before losing a 14-8 decision. The Cards opened the scoring and it was 8-8 at halftime. Roscoe's winning marker came in the fourth quarter.

The reason for the boost in the Cardinal stock in the loss was the fact that Roscoe was rated 6th in the State Class A ratings in last week's AP poll.

And Hermleigh, of course, is a Class B outfit.

We don't look for the Cardinals to lose another game this season. Trent appears to be the big stumbling block in Hermleigh's path to the 6-B crown.

The Quarterback Club attendance picked up considerably last week but it still hasn't come up to what it should be.

Why not get that "Tuesday night habit" and join the club now.

Braves Favorite On World Series Eve

Pitching Is Expected To Carry Braves

By JOE REICHLER
Associated Press Sports Writer

MILWAUKEE (AP) — On the assumption that the pitching of lefty Warren Spahn and righty Lew Burdette will neutralize the hitting of Mickey Mantle and Yogi Berra, the Milwaukee Braves are picked to repeat last year's victory over the New York Yankees in the 1958 World Series starting here Wednesday.

Because the teams are so evenly matched, with the Braves having an edge in pitching and the Yankees in hitting, the Series figures to go the full seven games.

Should it go the full distance, Spahn, who will pitch the opener, and Burdette, slated to start the second game, could conceivably hurl six of the seven games. The pair won four out of five decisions against the Yankees last October.

On the other hand, it is not certain that Yankee ace Whitey Ford, Manager Casey Stengel's first game selection, will be physically able to pitch three games—the first, fourth and seventh. Despite the ability of right-handers Don Larsen and Bob Turley, probable second and third game pitchers, Ford looms as the key pitcher for the Yankees.

Ford is the American League's earned-run leader and the Yankees' top World Series winner. He has a 5-3 postseason record.

Ford has given up only one run in 17 innings in his last three starts. Those three tuneup efforts, however, were stretched over a month and although he pitched brilliantly, he did not complete any of his starts.

No one knows for sure whether the chunky 29-year-old blond southpaw can go nine innings at one stretch, let alone three full games in nine days. Sidelined for two weeks in August with a sore left elbow, he hasn't gone the distance since Aug. 8, when he beat Boston 2-0.

Spahn has pitched all season with three days rest. His 23 complete games attest to his durability despite his 37 years. Burdette, with his free and easy style, can go at top ability, rest or no rest. He stretched his consecutive scoreless inning streak to 24, shutting out the Yankees 5-0 with only two days rest in last year's finale.

Turley and Larsen made three starts against the Braves last year, and completed only one game between them. Bob Buhl, who started twice for Milwaukee, and failed to go very far either time, apparently has been shunted in favor of Bob Rush, the big right-bander acquired from the Chicago Cubs last winter.

BENGALS HAVE WON LAST THREE

Tigers Hold 4-3 Lead Over Lobos

A heated rivalry will be renewed Friday night when the Tigers journey to Levelland for a non-district meeting with the Lobos of that city.

The Tigers will take a 4-3 series lead into Friday's game.

The Tigers, once down 3-1 in the series, have won the last three outings with the Lobos for their one-game edge. The Bengals won last year's tilt by coming from behind in the last five minutes of play, 27-21.

Doug Cannon, who fired three touchdown passes against the Tigers last year, is back.

Four of the seven Tiger-Lobo games have been decided by one touchdown or less. Levelland won 16-12 in 1952 and 13-6 in 1954 while the Tigers won by 2-0 in 1956 and 27-21 last year.

Levelland's other victory in the series was 18-0 in 1951, the first meeting between the two clubs. The Tigers won by 32-0 in 1953 and 33-6 in 1955 for their most lopsided victories in the series.

Tickets for Friday night's Tiger Levelland game will go on sale tomorrow morning at the Chamber of Commerce Office. Tickets will be available from 8:30 a.m. to 3 p.m. tomorrow and Thursday. The sales tomorrow will be open to season ticket holders only with the sales to be thrown wide open Thursday.

Reserved seat tickets will be $1.50. Student tickets are on sale at the high school and junior high school.

Following are the scores of past Tiger-Levelland games:

1951 — Tigers 0, Levelland 18.
1952 — Tigers 12, Levelland 16.
1953 — Tigers 32, Levelland 0.
1954 — Tigers 6, Levelland 13.
1955 — Tigers 33, Levelland 6.
1956 — Tigers 2, Levelland 0.
1957 — Tigers 27, Levelland 21.
1958 — Tigers ??, Levelland ??

FIGHT RESULTS

By The Associated Press

New York — Jose Torres, 160, New York, stopped Otis Woodard, 160, New York, 5.

Tamoa, Fla. — Miguel Diaz, 151, Cuba, stopped Cecil Deal, 147, Macon, Ga., 5.

Odessa, Tex. — Paul Jorgensen, 130½, Port Arthur, Tex., outpointed Reuben Munoz, 128½, Odessa, 10.

Tigers Third In AP Ratings

DALLAS (AP)—Wichita Falls, Breckenridge and Terrell retained their top ratings today in the Dallas News' poll of sportswriters.

But in Class A White Oak slipped past Mart into first place.

The top 10 in Class AAAA, in order, were Wichita Falls, Dallas Highland Park, Abilene, San Antonio Jefferson, Corpus Christi Miller, Longview, Dallas Jefferson, Orange, Austin and Port Arthur.

In Class AAA the list was Breckenridge, Sweetwater, Snyder, Cleburne, Kingsville, Carthage, Killeen, Weatherford, Phillips and Nacogdoches.

Class AA went Terrell, Brady, Abernathy, Quanah, Bonham, Marlin, Bowie, Stamford, Electra and Burkburnett.

The Class A lineup went this way: White Oak, Mart, Albany, LeFors, George West, Bishop, Crowell, Mason, White Deer and Sundown.

Sooners Gain Top Rating In AP Poll

By The Associated Press

familiar about the weekly Associated Press college football poll today.

Oklahoma is in the No. 1 spot, a place it has held many, many weeks the past few years, and where it finished twice in the last three years. Last year Auburn wound up as national champion.

The sports writers and the sportscasters participating in the poll gave the Sooners 66 first-place votes and 1,387 total points on the strength of their 47-14 romp over West Virginia.

Ohio State, No. 1 a week ago before playing a game, dropped to third place. The voters possibly were a little shaken by the narrow 23-20 margin which the Buckeyes won over Southern Methodist. Auburn, a 13-0 victor over Tennessee, took over the No. 2 spot.

Three new teams were voted into the top 10, displacing Texas Christian, Pittsburgh and Washington State. The newcomers are Iowa, victor over a highly touted Texas Christian team; Wisconsin, an impressive victor over Miami; and Clemson, winner over already beaten North Carolina.

The top 10, based on 10 points for a first-place vote, 9 for second etc. (first-place votes in parentheses):

1. Oklahoma (66) 1,387
2. Auburn (58) 1,206
3. Ohio State (23) 1,117
4. Michigan State (3) 1,002
5. Army (5) 848
6. Mississippi (2) 717
7. Notre Dame (2) 673
8. Iowa (15) 626
9. Wisconsin (2) 338
10. Clemson (2) 333

The second 10: Mississippi State 324, Pitt 305, Louisiana State 167, Purdue 101, Navy 88, Michigan 84, Texas 61, Southern Methodist (1) 61, Houston 48, Vanderbilt 42.

Frogs, Hogs Prep For Loop Contest

By WHITEY SAWYER
Associated Press Staff Writer

TCU and Arkansas planned for a Southwest Conference test this weekend but the other league coaches concentrated on ways to improve over last week's poor intersectional showing.

The league faced a rough weekend, with Baylor playing Miami, SMU tackling Notre Dame, Rice meeting Purdue and Texas A&M trying Missouri.

Texas and Texas Tech play an unofficial conference game.

TCU Coach Abe Martin worked His Horned Frogs on offense Monday with sophomore Larry Dawson and Hunter Enis alternating at the No. 1 quarterback slot.

Arkansas prepared for the Frogs by shuffling the first string, Coach Frank Broyles moved Fred Akers, a junior halfback, up to the first team to replace Jim Mooty. The squad worked indoors because of showers.

Baylor practiced hard on pass patterns while the linemen worked on timing. Fullback Larry Hickman ran without pads but was expected to be ready for the Hurricanes.

Texas ran the No. 3 and 4 varsity teams against the frosh in preparation for their game with Texas Tech Saturday.

Tech stressed defense against the Split T and the option.

HOSTS ROBY FRIDAY

Hermleigh Cards In Final Tuneup

There are no undefeated teams left in District 6-B.

Bronte, the last to fall from the unbeatens, bowed to Woodson, 14-12, last week. Bronte, however, had been previously tied.

The Trent Gorillas, who handed Jim Ned its first defeat last week, took over the leadership in the pre-district games with a 3-1 record. The lone loss suffered by Trent was a 10-8 decision to Baird.

Four of the other five teams in the district share second place in the non-district standings with .500 percentages. The Hermleigh Cardinals, Loraine and Eldorado each own 2-2 records while Bornte's record is 1-1-1.

Robert Lee, the sixth team in the district, is 1-2 for the season.

Conference play begins this week with four of the teams involved. In the district games scheduled, Robert Lee goes to Eldorado and Loraine journeys to Trent.

Hermleigh and Bronte wait a week before opening their conference slates. The Cardinals wind up their pre-district schedule Friday with a game against Roby at Hermleigh. Bronte will host Colorado City "B" Thursday.

District teams broke even in six games against outside opposition last week. Robert Lee, Loraine and Trent registered victories while Hermleigh, Eldorado and Bronte suffered defeats.

Kenneth Heatley and Jerry Williams of Trent continued to rank 1-2 in individual scoring in 6-B. Heatley has accumulated 48 points to 36 for Williams.

Following is the District 6-B calendar:

DISTRICT 6-B STANDINGS

TEAM	W	L	T	Pct.	Pts.	Opp.
Trent	3	1	0	.750	104	30
HERMLEIGH	2	2	0	.500	52	46
Loraine	2	2	0	.500	40	48
Eldorado	2	2	0	.500	52	72
Bronte	1	1	1	.500	30	14
Robert Lee	1	2	0	.333	52	34

Last week's results:
Roscoe 14, Hermleigh 8
Rankin 6, Eldorado 0
Woodson 14, Bronte 12
Robert Lee 38, Melvin 0
Loraine 14, Roby 6
Trent 14, Jim Ned 6

This week's schedule:
Thursday
Colorado City B at Bronte
Friday
Roby at Hermleigh
Robert Lee at Eldorado
Loraine at Trent

Leading scorers:

PLAYER, TEAM	TD	PAT	TP
K. Heatley, Trent	7	3	48
J. Williams, Trent	5	3	36
McDonald, Robert Lee	4	0	24
Mittell, Eldorado	3	0	18
Corley, Bronte	3	0	18
Burleson, Hermleigh	2	2	16
Paty, Hermleigh	2	1	14
McHaney, Hermleigh	2	1	14
Claborn, Trent	2	1	14
Robledo, Eldorado	2	1	14
J. Simms, Robert Lee	2	1	14
Arrott, Bronte	2	0	12
Galvan, Loraine	2	0	12
Wall, Hermleigh	1	2	10
Hailey, Loraine	1	0	6
Reid, Loraine	1	0	6
Nixon, Eldorado	1	0	6
Tinkler, Robert Lee	1	0	6
Rankin, Loraine	1	0	6
Parker, Eldorado	0	2	4
Wink, Robert Lee	0	1	2
Duncan, Trent	0	1	2
Jones, Trent	0	1	2
R. Simms, Robert Lee	0	1	2

Jr. Hi Game Time Changed

Kickoff times for the Snyder-Big Spring-Runnels Junior High football games here Thursday have been changed, according to schools athletic director John Conley.

The 7th grade game will start at 7 p. m. with the 8th grade game to follow at 8:30. The game times were originally set for 4:30 and 6:30 p. m.

Snyder's other three teams will be on the road this week. Tiger B at Midland Thursday, Tiger Frosh at Sweetwater Thursday and the Tigers at Levelland Friday.

QUARTERBACKERS MEET TONIGHT

Fans wanting to get a "second look" at what brought on so many penalties in the Tiger - Big Spring game last Friday can do so by attending tonight's Quarterback Club meeting at the high school cafeteria.

A film of the Tiger - Big Spring game will be shown at the meeting. The meeting will commence at 7:30 p. m.

Coach John Conley and his staff will be on hand to comment on last week's games that saw the locals win four out of five.

A scout report on Levelland will be given by J. P. Ward and V. V. Shearburn.

Fans who haven't joined the QB Club may do so at tonight's meeting.

OUR VIEW

The Oil Import 'Overage'

The report that oil imports during the month of August exceeded the national quota came as no surprise in this oil-producing area.

Capt. Matthew Carson Jr., administrator of the voluntary oil import program, said the August imports exceeded the quotas by 43,300 barrels. He attributed the "overage" to excess imports of two companies, Eastern States Petroleum and Chemical Corp. of Houston and Delta Refining Co. of Memphis.

These two firms imported 44,200 barrels more than their quota, which means that other importers toed the mark and some even brought in less than had been recommended.

It is unlikely that imports alone are responsible, but it appears significant that the number of producing days in Texas has been cut back for the month of October. Thus, this state still is confronted with the problem of determining whether it should cut back production in the face of growing above-ground stocks, and run the risk of losing more of the domestic market to imports, or keep the oil flowing at any cost.

The joker is that domestic production is controlled by the Railroad Commission, while the import quota program is strictly voluntary. This could develop into a one-way street unless the quotas get full cooperation from all importers.

Actually it is remarkable that the import quota system has commanded cooperation by such a great majority. However, as the adage goes, one bad apple can spoil the barrel.

Our Road Signs Can Be Confusing

By HUGH A. MULLIGAN

NEW YORK (AP)—If I live to be 100, I doubt if I'll ever fully comprehend the highway signs erected in our so-called English-speaking country.

Who writes them, anyway? Gertrude Stein? Casey Stengel in the off season? Sam Goldwyn's old English teacher?

I've tried. Honest, officer, I've tried, but I just don't get the roadside message. The argot of the asphalt escapes me completely. "Fallen rock zone," for instance.

How does one recently comport one's self in a fallen rock zone?

Look up, then duck. Look down and cringe? "Drive slow" — it should be slowly but the roads' scholars decree otherwise — and give the fallen rock a sporting chance to conk me? Should I "resume speed" to avoid pulverization or hie to the nearest "roadside rest" until the rocks have had their fill of falling?

Nonsense. Let the rocks fall where they may, this sign has no place in a free society. Why should a fallen rock, which pays no taxes, much less gathers any moss, be given the right of way over a sober, properly licensed, law-abiding, sign-watching, meter-feeding, tax-paying motorist?

And "end speed zone," what does that mean? Do I start to stop speeding or start to speed to stop from stopping?

Man and hot rodder, I've been tooling along the nation's highways and byways, up "hill" and down "grade," through "thickly populated" (one barn, two sheds) and "densely populated" (one, house, two barns, three chickens) areas for close to 15 years now and I have yet to encounter the stag at eve or at any other time at a "deer crossing" and wouldn't have the vaguest notion of what to do if I did.

Do the rules differ in season and out of season? What is the bag limit for a breech-loading 1953 Ford?

Come to think of it, I've never seen any eggs on the road in a "bird nesting area" or any cows at a "cattle crossing" or any backward moppets in a "slow children" seetor, although several did seem a bit unstrung farther up the pike and a subsequent "slow school" sign informed me that their deficiencies were being remedied.

And please don't ask me to "beware low flying aircraft," because the old buggy doesn't have an ejection seat, or to "watch low trees," no matter how pretty in autumn, when I should be watching the road; or to "drive off bridge in event of enemy attack," as a sign on the George Washington bridge so boldly bids me. Fellows, it's a 136-foot drop into the Hudson. Let the enemy watch out for itself.

I'll "merge," I'll "yield," I'll even "squeeze," though it always makes me blush in mixed company, but I'll be darned if I'll "bump" just because a sign says so. The guy up front might be from out of state and not appreciate this legalized horseplay.

There are signs like "court quiet" and "alternate feed" which confuse and amuse me; signs like "road closed, proceed at own risk" which terrify and demoralize me, but of all sad signs that try my soul, the saddest are these:

"One mile, pay toll."

Police On Guard As Paintings Unloaded

TOKYO (AP)—Some 150 policemen kept close guard today while eight cases of paintings and drawings by Vincent Van Gogh were unloaded at Tokyo Airport after a flight over the North Pole from Amsterdam.

The paintings were placed aboard a truck and escorted by screaming police motorcycles on a nine-mile trip to the National Museum at Ueno Park. They will be exhibited with 104 other works by the late Dutch master in a mammoth show beginning Oct. 15.

The precious cargo was insured for more than four million dollars.

Stereo Sound Hits Home Music Field

By SAM DAWSON

NEW YORK (AP)—The music box which has made such a remarkable comeback since the war today has a fast-growing baby brother.

Stereophonic sound, its fans declare, will sweep the country the way high fidelity and the long-playing records did before it. What this may do to the already established older forms of the phonographic industry no one is quite sure yet.

Some think stereo will follow the same course that hi fi took.

Hi fi retail sales jumped from 12 million dollars in 1950 to perhaps 260 million dollars this year.

Stereo is a new starter but its enthusiasts think sales soon will reach the 500,000 sets a year mark, or about a tenth of the total phonograph business.

The latest entry into the home music field is the device that makes you think the sound is coming from all sides of the living room, instead of just from the box in front of you. With some effort and a bit of cash your present hi fi equipment can be enlarged to take on stereo. Or you can start from scratch and buy a new stereo set outright.

For records you now have about 500 titles from which to choose—or just about a month's production of long-playing records. But more stereo records are being rushed to market by RCA, Columbia, Decca, Capitol and others.

The older monaural records — millions of them—can't give you stereophonic sound and the phonograph industry wouldn't be too happy to see this investment of theirs outdated. The oldies can be played on a stereo set but they go on sounding monaural.

Hi fi is still booming. The High Fidelity Manufacturers Institute thinks this year's retail sales of sets and equipment will total 500 million dollars, a good 15 per cent over last year. Of this about 200 million will be for components for the do-it-yourself enthusiast at home. There are now some 2,500 retailers specializing in hi fi component sales and services.

Stereo calls for new records, new needles and a different cartridge, for two amplifiers and two speakers.

On the standard long-playing record, sound waves are recorded on one side of the groove. On a stereo record, one part of the sound is recorded on one side of the groove and the other part of the sound on the opposite side. The needle picks up both parts of the sound and the needle and cartridge separates them and send them to different amplifiers and different speakers.

The stereo needle has to be even smaller than the one used for long-playing records and must be rounded to keep it from cutting into the record.

Douglas F. Hudson, president of Fidelitone of Chicago, which makes diamond, osmium and sapphire needles, says that needle sales now come to 60 million dollars a year, with diamond points accounting for about half the dollar volume. He predicts that diamond point sales will reach 60 million dollars within 10 years. By that time he thinks record sales will touch a billion dollars a year.

Phonograph and record makers are launching a campaign in October to educate people to stereo—what it is and what it isn't. If they can find enough Americans with keen ears and musical interest they expect the latest baby to bring in lots of money—and fast.

Court Decree Puts Regime On Spot

By WILLIAM L. RYAN
AP News Analyst

Only a few days ago Secretary of State Dulles announced the time had come to stand against "indecision and weakness" in foreign affairs. Now the Supreme Court issues a call to the admipistration for resoluteness on the home front.

The Supreme Court decision Monday may have demolished a number of weapons in the arsenal of the South's opponents of integration. The decision will make it more difficult for the opponents to fall back on a series of devices designed to slow the course of integration.

But at the same time the court action turned the spotlight once again on the Eisenhower administration.

The court spoke unanimously, with unmistakable clarity: the Constitution is beyond ingenious schemes to avoid its meaning. No state officer can "war against the Constitution without violating his undertaking to support it."

The cold war over integration has raged for almost five years. There is no reason to believe the end is yet in sight. But Monday's court decision seems a severe setback for anti-integrationists.

As far back as 1954 the Supreme Court ruled that segregation in public elementary or secondary schools was unconstitutional. A year later the court struck down the doctrine of "separate but equal" schools and ordered segregation to proceed with "all deliberate speed."

Gov. Orval E. Faubus of Arkansas and his supporters, to say nothing of other Southern officials, went to work to build a stock of weapons with which to fight the court's order.

Among these weapons was a law which would abolish the state public school system and replace it with another in which Negroes would go to public schools supported by state funds. Whites would attend nonprofit private schools subsidized by the state.

The court has declared this an attempt to nullify the Constitution with "evasive schemes" to perpetuate segregation.

The decision may have all but wiped out several other weapons. Among these was a scheme to permit white students to transfer as they please from one school to another. In effect, then, schools would remain segregated. Another would have permitted installation of segregated classes within theoretically integrated schools.

The court already has spoken out against "evasive schemes." Such devices probably would fall quickly into that classification in any test.

The court has taken into consideration the difficulties of integration in many areas and has spelled out what is meant by "deliberate speed."

Cook a Casserole

For a cozy fireside supper . . . a bridge luncheon . . . neighborhood buffet . . . or the homey evening meal with the family . . . Prepare one delicious main dish, and it's easy to complete the menu. Get ingredients and other recipe suggestions at D&H Super Market, where prices are low and quality high. You also get the usual advantage of S&H green stamps with every purchase, DOUBLE every Wednesday, with 2.50 purchase or more.

TOMATOES Hunt's No. 300 Can ..... 2 for 31c
OLIVES Libby stuffed Manzanilla, 7¼-Oz. Square Jar 39c
VIENNA SAUSAGE Wilson's Certified No. ½ Can 19c
CHILI Frito Plain No. 2 Can 59c
ALUMINUM FOIL Kaiser 25-Foot Roll 31c
TUNA Chicken of the Sea 9¼-Oz. Can, 8c off label, net price 39c
SKINNER'S Macaroni, 14-Oz. Cello Pkg. 25c
SKINNER'S Spaghetti, 7-Oz. Box ..... 2 for 25c
MUSHROOMS Quaker State stems and pieces, 4-Oz. Can 29c

RECIPE

SKINNER NOODLES ROMANOFF

1 5-oz. SKINNER PURE EGG NOODLES
1 cup cottage cheese
1 cup cultured sour cream
¼ cup chopped onion
1 small clove garlic, finely minced
1 tsp. Worcestershire sauce
Dash of Tabasco
1 tsp. salt
1 cup grated American cheese

Cook noodles according to directions on package. Drain. While noodles are cooking, combine remaining ingredients, except grated cheese, in small bowl. Mix well. Stir cottage cheese mixture into hot cooked noodles. Turn into buttered 2-qt. casserole. Top with grated cheese. Sprinkle with paprika. Bake in 350 degree oven, covered, 30 minutes. Remove cover, bake 30 minutes longer. Serves 6-8. (Recipe may also be prepared with 8-oz. Spaghetti or Macaroni.)

RECIPE

SPAGHETTI, ITALIAN STYLE

Cook until browned in 2 tbsp. hot olive oil
1 lb. ground beef or beef and pork
Add and simmer slowly ½ to 1 hr. (long cooking improves flavor)
3½ cups cooked tomatoes (No. 2½ can)
2 cloves garlic, finely cut
1 bay leaf, crumbled
1 tsp. salt
⅛ tsp. black pepper

Pour over hot drained boiled Spaghetti on hot platter. Sprinkle with grated Parmesan cheese. Serves 10.

RECIPE

TUNA-OLIVE PUFF CASSEROLE

1 can (7 oz.) tuna fish
1 cup soft bread crumbs
½ cup finely chopped celery
¼ cup chopped black olives
1 tablespoon finely chopped onion
½ teaspoon lemon juice
⅛ teaspoon Tabasco
¼ cup mayonnaise
2 eggs, separated
Dash Tabasco

Drain and flake tuna. Mix with next 7 ingredients and egg yolk. Add dash of Tabasco to egg whites. Beat until stiff but not dry. Fold into tuna mixture. Bake in 4 engreased individual casseroles at 325° (slow oven) 35 minutes. Or bake in 1-qt. casserole 40 minutes.

COFFEE Maryland Club, 1-Lb. Can 74c
APPLES Comstock Pie Sliced, No. 2 Can 19c

AMERICAN BUSINESS CLUB WORK — Several representatives of American Business Clubs in West Texas towns and some local men met here at the Village restaurant last night to discuss organization of an American Business Club in Snyder. Some of the participants are pictured above with Bill McCarty, third from left, district expansion chairman, explaining to some of the local participants rules of the club. Pictured from left are Howard Jones and Darrell Trammel, Snyder, McCarty, George McAlister, president of the Big Spring club, George Wimberley, Lubbock club president, and Tom South, expansion chairman of the Big Spring club. Another meeting is set for the night of Oct. 13 at the Village. (Lee Watson photograph)

Many Changes Are Noted In New Cadillac

DETROIT (AP)—A new engine, lower silhouette, new shock absorber design, increased glass and refinements in brakes, transmission and frame are among features of Cadillac's 1959 cars.

The cars go on dealer display tomorrow.

The new models range from 2.3 inches to 5½ inches lower. In some models the roof slightly overhangs a higher and wider windshield and rear windows. In others glass and roof form an almost unbroken line.

The jeweled front grille is retained. A rear grille with a thinner line of corresponding inserts is new. The hood cover, extending to either side to the center of front fenders, is broader. A fender crown molding concelas hood opening lines.

Rear fins have a deep notch in the rear that holds twin taillights. White backup lights are positioned in the extreme ends of massive-appearing rear bumper. Contrasting with the front hood cover, the rear deck lid drops sharply between the high-finned rear fenders.

A redesigned front grille has a chrome divider bar separating it into two sections. The compression ratio has been increased to 10.5 to 1 from 10.25 to 1 in the 1958 line. Horsepower is a claimed 325 in standard versions and 345 in the ElDorado models.

By redesigning the shock absorbers, engineers claim to have prevented air from mixing with oil in the cylinders.

Junior Editors Quiz on JOURNALISM

QUESTION: What is the Fourth Estate and why is it so called?

* * *

ANSWER: The newspaper profession often is called the Fourth Estate. The term applies to those who gather, write and edit the news.

The name is believed to have been first used about 200 years ago by the famous English statesman, Edmund Burke. Burke, pointing to the reporters' gallery in the House of Commons, said "Yonder sits the Fourth Estate, more important than all others." He was adding to the three estates, or classes, of people which made up the States-General of France at that time. These classes were the clergy, the First Estate; the nobility, the Second Estate, and the common people, the Third Estate.

* * *

FOR YOU TO DO: This boy and girl are playing they are members of the Fourth Estate by putting out a newspaper of neighborhood news. You can do the same. Assign a group of your friends as reporters and print the paper with a typewriter or a toy printing press if one is available.

* * *

For submitting this question, Caroline Uerey of Hickory, N.C., receives $10. Send yours on a postcard to Violet Moore Higgins, AP Newsfeatures, in care of this newspaper. Tomorrow: How do fire eaters swallow fire without getting burned? 9-30

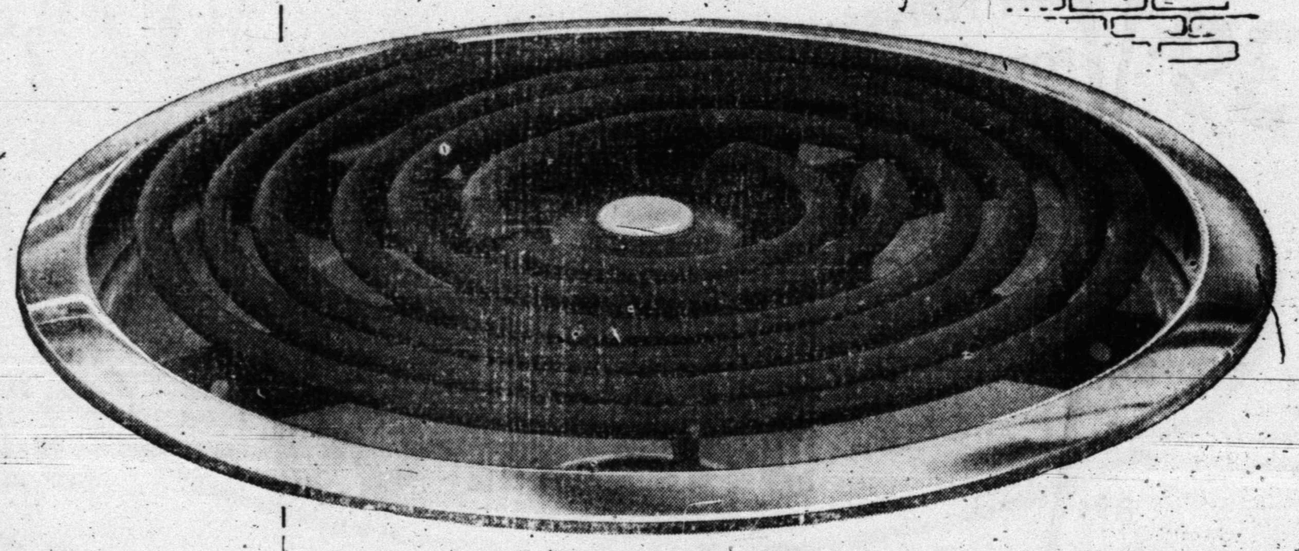
LIVE BETTER ... ELECTRICALLY

Enjoy COOL Electric Cooking



One practical advantage of an electric range is that it cooks your food with a minimum of heat in the kitchen. Electric range surface units transfer heat by direct metal-to-metal contact ... and electric ovens, insulated on all sides, top and bottom, keep flavors in the food and heat out of the kitchen. For a cool, fresh and clean kitchen, cook electrically. See your dealer soon and discover how many ways you'll enjoy a new electric range. Cook electrically ... live better electrically!

EFFECT PRIVATE SCHOOL MOVE — This was the scene as Little Rock, Ark., transferred its four high schools to private operation. School board president Wayne Upton (seated center) checks a legal point with Attorney General Bruce Bennett (left) as he reads a resolution declaring the four plants surplus property. The schools were then leased. At left rear is T. J. Raney, head of the recently formed private school cooperation. Superintendent of Schools Virgil Blossom is seated to right of Upton. (AP Wirephoto)

Texas Bank Deposits Show Sharp Increase

By The Associated Press

Texas bank deposits showed a sharp rise on the Sept. 24 call and the heavy rains and a general business upturn were credited with much of the increase.

The increase in deposits over a year ago was reflected in reports from a number of Texas cities. Some points reported their deposits had hit new record highs.

Rains over much of the state, improving the agricultural and livestock situation, coupled with the upturn in business and increased employment were cited by several bankers as factors in the rise.

Dallas' 22 banks had deposits almost 300 million dollars higher Sept. 24 than on the similar call a year ago. Deposits totaled $2,172,687,739.31 compared to $1,900,315,625.82 Oct. 11, 1957.

In metropolitan Houston the 52 banks reported a total of $2,083,699,579.19, well above the $1,934,753,278,255 of the call of a year ago.

San Antonio banks showed a 20 million dollar increase over deposits three months ago. The city's 18 banks reported $652,435,448.75 on deposit Sept. 24 compared to $632,280,053.79 on June 23.

Abilene bank deposits reached a record high of $89,700,000. The total for all banks in the county was $95,500,000, also a new mark. The deposits topped the previous high at the end of last year by 2 million dollars and were 10 million dollars above a year ago.

Beaumont banks gained over 12 million dollars in deposits during the past year. The four banks there reported deposits totaling $145,189,122 compared to $132,851,059 a year ago.

Tyler deposits in the city's three banks totaled $82,188,769, an increase of $5,679,037 over the Oct. 11, 1957 call and a hike of $1,564,058 over the June 23 call.

Cities in the Lower Rio Grande Valley also showed increases. McAllen deposits totaled $24,228,848, up 4 million from a year ago. Edinburg banks, which reported deposits of $1,157,114 showed a 2 million dollar increase over the Oct. 11, 1957 call.

At Corpus Christi deposits hit a new record. The six banks reporting $157,410,336, or nearly 9 million dollars above the previous record set by the June bank call.

Lubbock's bank deposits as of Sept. 24 totaled $179,004,028, a gain of 22 million over the June call and 28 million above that of a year ago.

Banks in El Paso County reported deposits of $246,344,893, an increase of nearly 16 million from a year ago but down slightly from the June call.

Wilson Case May Not Be Settled

MONTGOMERY, Ala. (AP) — The Jimmy Wilson case may not be ended, although the 55-year-old Negro's death sentence has been commuted to life imprisonment.

An attorney for Wilson has hinted at new legal moves to attempt to change the life sentence.

"I still feel that the life imprisonment is extreme and harsh punishment for what Jimmy Wilson did," said Fred Gray, a Montgomery Negro attorney who represented Wilson.

Wilson had been sentenced to die in the electric chair for robbing an 82-year-old white woman.

Gray said he was gratified at the Governor's commutation Monday of Wilson's death sentence. But the attorney added, "I will do everything possible to help him (Wilson). If I feel that it is possible to do something about this excessive punishment by going further, then I certainly will do so."

The attorney declined to say what action he might take. He had said previously he might appeal the case to the federal courts.

At a news conference following Folsom's action in the case, the Governor said he had authority to reduce Wilson's sentence only to life imprisonmen

He added "I have given him clemency and it will be up to the Pardon Parole Board to see how long he has to serve." Wilson would have to serve 15 years in prison before he would be eligible for parole from a life sentence.

Wilson, who had served two previous sentences for grand larceny, was condemned for robbing Mrs. Estelle Barker of $1.95 at her home at Marion, Ala. The elderly white widow testified the Negro attempted to rape her.

Cupid Voids Court Award

BALTIMORE (AP) — Shirley Klein, a 21-year-old blonde secretary, has decided she'll forego $2,500 in favor of James A. Halloran, 24, Woodbury, N.J.

The couple were in a traffic accident last May in West Virginia. She claimed she received injuries and filed civil action against Halloran. Then she became engaged to him.

Last week Miss Halloran won a $2,500 court verdict against her husband-to-be. The money would come from an insurance company, not out of his pocket.

Miss Klein might still get the $2,500 by delaying her marriage, scheduled Saturday, and waiting out an appeal which the insurance company has filed. But that could take months.

A West Virginia statute provides that a woman who obtains a judgment against her husband-to-be and then marries him prior to the appellate court action, forfeits any further contest of the case.

Reds Claim Sidewinder Is In Use

By NATE POLOWETZKY

TOKYO (AP) — Red China claimed today the Nationalist Chinese were using U.S. Sidewinder guided missiles to shoot down its fighting planes.

Peiping charged this was "a premeditated step in the U.S. plan of a war of aggression," and threatened "punitive blows on Chiang Kai-shek's air force for this criminal action."

An article in the People's Daily, voice of the Communist regime, declared the use of the guided missile "is a military provocation of the utmost gravity."

"This is the first time in the annals of war throughout the world that guided missiles have been employed," the article declared.

"U.S. imperialism has now confronted mankind with the danger of guided-missile and nuclear warfare."

A Peiping broadcast of a Defense Ministry statement claimed that one of its planes was shot down by a Sidewinder launched from a Nationalist plane during an air battle Sept. 24. It said parts of the missile, including the nose, were found near Wenchow on the mainland, and had been put on exhibit in Peiping.

The Communists said five Sidewinders were fired during 143 Nationalist sorties over Chekiang and Kwangtung provinces on that day.

The Sidewinder, a U.S. Navy-developed missile named for a desert rattlesnake, finds and destroys target by homing on a source of heat—the jet engine in the case of an airplane. It has a warhead of conventional explosives and a speed greater than sound. It can follow its target despite evasive turns and twists.

The weapon has been standard equipment in the U.S. 7th Fleet in Formosa Strait for two years and has been produced in thousands for the U.S. Air Force.

In Washington, the Pentagon would not say yes or no as to whether the Communist claim was true.

The Peiping broadcast came after reports had circulated in Taipei, the Formosa capital, that the Nationalist air force was equipped with the air-to-air Sidewinders.

Adm. Liu Hoh-tu, Nationalist military spokesman in Taipei, denied the reports.

Nationalist air force officials have claimed, however, that 29 Red Chinese MIG fighters have been shot down in combat without the loss of a single Nationalist fighter.

Weeks Sees Fast Rebound For Business

PHILADELPHIA (AP) — Secretary of Commerce Weeks predicted today a rapid rebound from recession will keep business strong throughout the autumn and into the Christmas shopping season.

"The outlook for continuing recovery is bright—the brightest yet this year," he said in a speech prepared for the convention of the National Assn. of Retail Druggists.

He blended politics with economics in a glowing account of "wise government leadership" which he said has helped restore public confidence and has "confounded the carping critics and the fainthearts."

Plans reported by industrial firms to speed up their investment in new plants and machinery, along with other factors, point to a marked rise in national output and income for the rest of the year, Weeks said.

But he cautioned that advocates on what he called "Socialist witchcraft" and "sky's-the-limit government spending" would overburden the economy with debt, inflation and high taxes.

"Spendthrift government undermines business confidence," Weeks said. "An eventual resulting increase in taxes would weaken business incentive, cut down take-home pay and dry up customer purchasing power."

He urged the businessmen to resist new spending proposals.

Jury Still Sought In Houston Trial

HOUSTON (AP)—Questioning of prospective jurors resumed today in the murder trial of a youth accused of slaying a Houston couple.

The state seeks death for Howard Stickney, 20, charged with the deaths of Mr. and Mrs. Clifford Barnes. He is on trial in the killing of Mrs. Barnes only.

Lawyers chose two jurors yesterday.

GOP Solon Raps Selfish Approach

DALLAS (AP) — Sen. Roman Hruska (R-Neb) said last night misunderstanding and confusion in handling water problems results from "piecemeal approach to the problems by various segments, interests or organizations."

"Too often one segment will see an opportunity to achieve its program in a very complete fashion, and the temptation is strong to dis-regard the disadvantageous impact upon two or three other aspects of the water problem," he told the National Watershed Congress.

"Such a selfish approach brings nothing but disaster in the long run," he added.
