Well the amendment elections on Tuesday wasn't exactly an earth-shattering, record breaking type of turnout to say the least, as it is stated that only about 10 to 15 percent of the eligible voters even bothered to turn out for the election, which featured several very, very important amendments that would affect the large amount of the people of the state, and only a very small percentage of the people even took advantage of having a voice as to whether the amendments, good or bad, were passed or not. I bet there are millions of folks, however, who holler real loud about what these amendments will do to them, but were not interested enough to even voice their opinion, for or against. In many elections, even one vote can make the difference.

The weatherman has been cooperating with the peanut farmers the past few days and a lot of goobers are being harvested with the dry weather setting in. Everyone is hoping that the harvesting weather will continue for at least a couple of weeks. By that time a major portion of the crop can be harvested. There have been a lot of peanuts brought in the past few days, but that has been a small amount overall. But if the weather holds a lot of goobers will be coming in.

—J—
There was a lot of talk about the Spook House and Hayride sponsored by Movies Galore and More and there was a very large number of young folks waiting to get in before starting time. Thanks to Ina and Gerald for their interest in the children of our area. They, along with all the great folks who helped with the event, are to be congratulated for the outstanding job they did. Most importantly, the kids loved it.

The First United Methodist are having their annual Lord's Acre Harvest Festival on Thursday and Friday of this week. The annual affair has been moved from The Nut House to the church, so all you folks who always support this event so great, will need to remember that it is being held at the church this year and be sure and go by on Thursday and Friday and get the goodies.

Our Yard of The Week honors this week goes to Nita and Curtis Maness at their home behind the Church of Christ. Of course, we know that Curtis put in all the "hard labor" on the yard that features some petrified rock, flowers, plants, trees and well manicured lawn. But I "think" Curtis will admit that Nita sure did do a great job of supervising the

The Panthers traveled to Goldthwaite Friday night for the deciding victory which would put the victor in the driver's seat as far as the district 8-A East title is concerned, and the Panthers did a great job of holding the highly favored Eagles to a total of 289 total yards and holding the score to a very respectable 19 to 0 margin. This win assured the Eagles of the title in the East Zone whether or not they win Friday night against Rising Star. The Panthers will host the Lometa Hornets in the deciding game to see who will be the runner-up team representing the east zone. The Panthers and Hornets are tied at the present time at 5-1.

The Panthers went to Goldthwaite ready to play, and they did a great job all night and never gave up and gave the Eagles possibly their toughest battle of the season. We are proud of our Panthers and the job they have done this season so far - and we look for the Big Red to be in the playoffs.

The Eagles scored on their first possession taking the ball on their own 34 and going the distance in 10 plays with the help of a Panther penalty. Holtzclaw ran it in from 8 yards out with 4:24 left in the period. The PAT was good and the Eagles led 7-0.

The score stayed the same until 4:33 was left on the clock in the half when the Eagles intercepted a Panther pass on the Gorman 32. From there the Eagles scored in just one big play, as the receiver got behind the Panther defender and caught a pass on the 10 and rambled in untouched for the score. The pass try for two points failed and the halftime score was 13 to 0.

The Panthers came out after the half ready to go again and held the Eagles at bay until the final minute and 22 seconds of the game when the Eagles got another score after taking the ball on the Gorman 38 and scoring in three plays. The try for point failed and the final score read 19-0.

The Panthers were lead on the ground by Rhett Harrison with 34 yards on 12 carries. Lucio Pacheco had 18 on 5 tries. David Gibbs had 6 on 11 totes. Randall Gibbs got 3 on 5 tries and Don Rodgers wound up with -1 on three keepers.

The Big Red have nothing to hang their head about as their put forth a great effort.

And now it is to think about the task ahead as the Big Red is in

another must win situation if they are to make the playoffs. The game this Friday night at Brogdon Field will decide who represents this zone in the playoffs and the Lometa Hornets will be looking forward to repeating their effort just one year ago when they knocked the Big Red

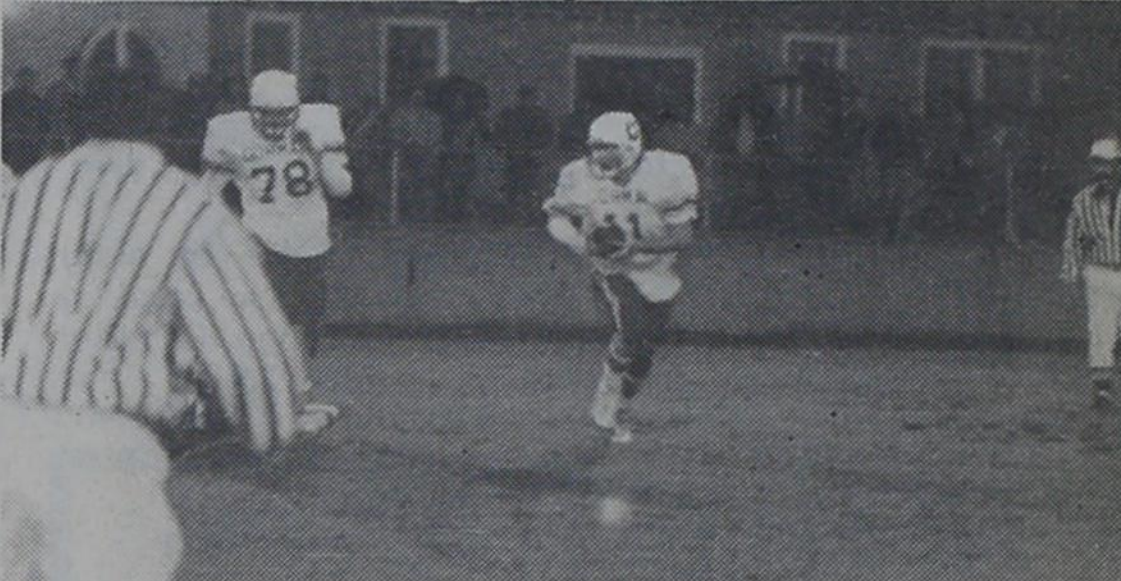

out of the playoffs in the final game of the regular season at Lometa.

So lets all be at Brogdon Field Friday night to back our Panthers on to victory and show them we are behind them for the great job they have accomplished this season.

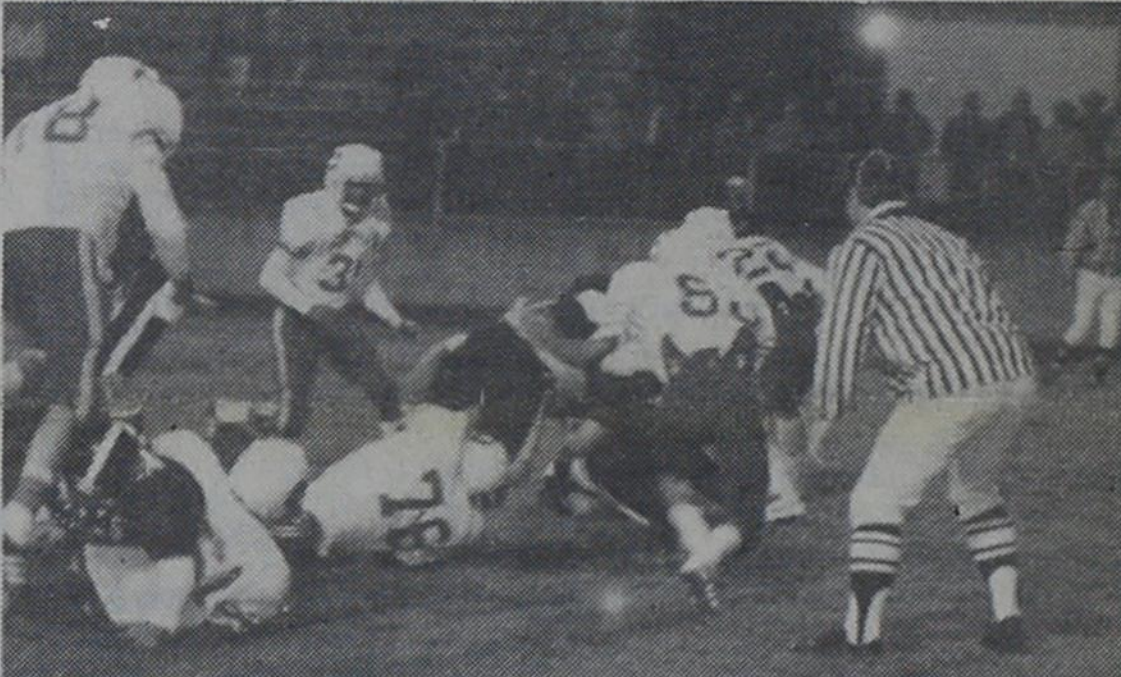

Go Get 'Em Big Red!

PANTHER DEFENSE SHOW GOOD — The Panther defense held the Eagles to only 19 points in game action Friday with heads up tackling by the defense. In the picture above David Gibbs with the help of Cary Campbell, Lucio Pacheco and Jamie Espinoza putting the runner to the ground for a short gain.

RHETT ON THE MOVE — Rhett Harrison is shown scampering around the end for a good gainer with the help of Shannon Caraway opening the way. Rhett led the Panthers in rushing with 34 yards in the game Friday.

PANTHERS SLOW THE RUN — With a host of Panthers like Shannon Caraway, Jimmie Simmons, Wayne Warren, Lucio Pacheco, Armando Ramirez and Randall Gibbs stop an Eagle running back in game action Friday.

We're Proud of our Masonic Heritage

Each of us takes pride in members of our family who have made significant contributions to the world.

The Masonic fraternity is no different. We want others to know that men like the father of our country, George Washington, was a beloved member of our fraternity.

In fact, some fourteen Presidents of the United States have called themselves Masons, as well as eighteen Vice Presidents and five Chief Justices of the U.S. Supreme Court. There are many others, too.

Will Rogers, Simon Bolivar, Robert Burns, several Kings of England, Rudyard Kipling, Voltaire and nine astronauts are a few of the well-known men with a common bond to Freemasonry.

Masons strive to achieve a quality of life that reflects the highest moral standards. A Mason believes in God and practices a philosophy of brotherhood, justice, personal responsibility and love of country.

Just as there are many outstanding men who have been Masons, the members of our fraternity work throughout their lives to become outstanding examples of Masonic ideals.

Pride.

A tradition in the good country.
And at Olney Savings.

The tradition of pride runs deep in the good country, and it sets the people here apart from others.

In one sense, it's pride in being the best they can be. But more importantly, it's pride in knowing that their efforts are directed toward a common good — the kind of pride that can be experienced only through shared achievement.

At Olney Savings, that's the kind of pride we encourage — and always will. Because that's the kind of pride that makes the most important things in life happen.

Come see us soon. Or call and we'll come see you. We'd be proud to serve you.
