Answerline

Q. Why does Colorado ISD have more representatives and more votes on the appraisal board than the other entities?

A. During the organizational meeting of the Mitchell County Appraisal District Board of Directors, it was agreed that representation on the seven-member board would be based on revenues of the tax roll percentage. Currently, CISD, with 44.88 percent tax roll revenues, has three representatives on the board. Mitchell County, the City of Colorado City, the Westbrook area and Loraine area each have one representative.

Briefs

Driver's License Office

The Colorado City Drivers License Office is open Mondays from 8:30 a.m.-5 p.m.; Wednesdays from 9:30 a.m.-3:30 p.m.; closed 12-1 for lunch.

Colorado ISD holiday

Monday, October 27, will be a student holiday for Colorado ISD students, while the faculty will be involved in staff development training.

Westbrook I.S.D.

Westbrook I.S.D. student school picture retakes will be the morning of Friday, October 24, 1997.

Kelley Fall Festival '97

Kelley Elementary will have its Fall Festival '97, Friday, October 31, 1997, at 5:30 p.m.-8:00 p.m. There will be food, games, and prizes. All proceeds will go to the playground renovation project.

Youth group bake sale

The St. Ann's Catholic Church youth group will have a bake sale Saturday, October 25, 1997, at Fullers 8:00 a.m.-1:00 p.m. Homemade brisket burritos made with homemade tortillas will also be served.

Counter of the Culture

There will be a Counter of the Culture seminar lead by Josh McDowell and Rebecca St. James on Saturday, Nov. 8, 1997, in Rockwall, TX from 1-4 p.m. The seminar focuses on teaching youth (11-19 yrs.) and parents some critical information on making right choices. A group from Colorado City will be attending. Please call Brett Footer at 728-3442 or 728-5066 if you would like more information.

"FLU" Clinic

The Texas Department of Health will have a "Flu" Clinic Friday, October 24, 1997, at the Wallace Center, 149 S. Hwy. 208, from 10 a.m.-12 noon, 1-3 p.m. For more information call (915) 754-4945.

Make a Difference Day is Saturday

This Saturday everyone in Mitchell County is encouraged to participate in Make A Difference Day, the nation's largest day of helping others.

Over a million people around the country are expected to be involved in large and small projects.

The national day of doing a good deed is sponsored by USA weekend magazine and the Points of Light Foundation.

Last year was the first time Mitchell County participated as a community. Around 50 individuals in the county

embraced the concept of going that extra mile, doing something that would make a difference in someone else's life or for the community.

Anyone can participate since no action is too big or too small. You can create a project with your family, friends, co-workers, club or church or you can join an already planned project at Kelley Elementary School.

Weather permitting, volunteers will sand, prime and paint the playground equipment at Kelley Elementary. The workday will last from 9 a.m. to noon but may be called

off if temperatures dip below 40 degrees.

"If you're free on the 25th, bring a paintbrush or a sprayer and join us on the grounds!" said Kelley Principal Kitten Arthur.

People can also do their own project. It can be as simple as visiting a sick friend, baking something for someone else, donating something to a favorite organization, reading to a child or helping a friend with a household project.

Last year Mitchell Countians were very creative in their

Beall's opens Thursday

The new Bealls store opens Thursday in Colorado City in the former C.R. Anthony building downtown at 203 E. Second Street.

A ribbon-cutting ceremony will be held at 8:45 a.m. and the store will open at 9 a.m., said Colorado City Manager Vanessa Baker.

Store hours for Thursday's launch of grand opening days will be from 9 a.m. to 10 p.m. This Friday and Saturday the store will be open from 10 a.m. to 9 p.m. and on Sunday from noon to 6 p.m.

Sunday shopping will be

available even after the grand opening as Bealls plans to open every Sunday.

During the grand opening customers may register for \$7,100 in prizes, including a trip to Disney World in Florida and a trip to Las Vegas. There will also be drawings for storewide shopping sprees and merchandise prizes.

Several top regional and national officials with Bealls, a retail chain owned by Houston-based Stage Stores, Inc., are expected to be in Colorado City Thursday for the grand opening festivities.

A long-time Colorado City store, Anthony's, was purchased by Stage Stores and closed last month for remodeling.

Baker, who has served as manager of the Anthony store for over a year, said she believes local shoppers will be impressed with the new Bealls store.

"It's going to be a totally different store. It looks entirely different and I think everyone will be pleased with the changes," said Baker.

Construction work during the past month has resulted in a new fragrance and jewelry department

See BEALL'S, page 6

Annual Trick or Treating to be held around town

Around Town Trick or Treating will once again be held in Colorado City on Halloween next Friday, October 31 from 3-6 p.m.

The fourth annual Around Town Trick or Treat is hosted by local businesses who will be handing out treats to local children. With more than 100 businesses registered to participate this year, trick or treaters are bound to have a fun evening to remember.

"Parents seem to appreciate

the merchants' efforts to provide local children with an opportunity to safely enjoy the fun of old fashioned trick or treating," said Chamber Manager Windi Fuller.

A complete list of participating businesses will be available at the Chamber of Commerce and will be sent home with all elementary school students in Mitchell County on Tuesday, Oct. 28.

Trick or treaters should be accompanied by an adult. Contact the Chamber of Commerce at (915) 728-3403.

Trial begins Monday in inmate death case

The trial of one of the seven Wallace Unit inmates charged with the death of a fellow inmate will begin Monday in Nolan County.

Romero Perez, 22, of Odessa was scheduled to be tried this week along with two other inmates, Frank Ramirez, 24, of El Paso and Humberto Paura, 24 of El Paso.

Paura pled guilty Monday, Oct. 20, and Ramirez pled guilty the following day after the jury was selected. Each received consecutive 25 year sentences.

District Attorney Mark Edwards said that with consecutive sentences, the inmates will serve their original sentence and then the additional 25 years. It's expected they will serve at least three-fourths or

more of the total number of years before possible parole.

Paura was convicted of robbery in 1992 and sentenced to five years in TDCJ. Ramirez received a 14-year concurrent sentence in 1994 for convictions of unlawful delivery of a controlled substance, criminal mischief and voluntary manslaughter.

The seven inmates at the Wallace Unit were indicted on charges related to the June 1995 stabbing death of Renee Guerra, 22, during a disturbance at the unit. Officials said the disturbance was gang-related, the result of a conflict between two Hispanic gangs.

Instead of seven separate trials, the state's Special

Gary Mohr

Warden Mohr transferring to Huntsville

Assistant Warden Gary Mohr of the Wallace Unit is transferring to the Holiday Unit in Huntsville, Warden Rodney Cooper announced Tuesday.

The transfer will be effective November 1.

"I really enjoy the people here and I'm going to miss them," said Mohr. "In Huntsville I'll be closer to my mother. She's getting older and I need to be closer to her so I can help take care of her."

Mohr has been at the Wallace Unit since February 1996. A replacement has not been named.

Win \$250

...in this week's Jackpot Football Contest, see page 11

Attention football fans! You can win \$250 in football bucks this week playing the Colorado City Record's Jackpot Football contest on page 11 of today's edition.

This week only, the Record will increase the normal \$50 weekly prize amount to \$250 in honor of the Wolves' big win over Crane last Friday

night. Walt Staats of Colorado City won last week's contest missing only four games.

It's fun and easy. All you have to do is complete the coupon on page 11 and mail it or bring it by the Record office by Friday at 5 p.m. If you mail your entry in, it must be postmarked by 6 pm Friday.

Early voting is slow

By 5 p.m. Tuesday, 13 Mitchell County voters had cast their ballots in the first two days of the early voting period of the constitutional amendment election.

Early voting began Monday, October 20 and continues through Oct. 31.

Fourteen constitutional amendments will be considered by voters in this election. The propositions cover various issues, from giving lawmakers power to set qualifications for constables to property tax relief

for those who have implemented water conservation measures.

Briefly, the amendments consider:

- Amendment 1-whether municipal judges should be allowed to hold more than one office;
- Amendment 2-whether there should be a 10 percent annual limit on the increase in the tax appraisal of one's home;
- Amendment 3-whether land used for water conservation projects should be exempted

Goals set to prepare students for high tech world

High tech goal set by school district

Picture this—a teacher in a Colorado High School classroom writes a problem on the blackboard for his advanced calculus class and then asks his students for the correct way to work the problem.

The answer may come from any of the six students in the room, one of the two students in a Wylie classroom or one of the four students in a Baird classroom. The Wylie and Baird students are watching the class through a monitor and participating through a two-way interactive video system.

Sound like a futuristic

fantasy? Not at all, says CISD Superintendent Russell Merket. A system with long distance learning capability connecting CISD and nine other rural schools in the area is in the school district's long range technology plans.

To reach their goal of preparing students to live and work in a changing, high-tech future, the district recently completed a five year technology plan for 1997 to 2002.

The plan is based on the normal budget for the year with a \$33 per student technology

See CISD, page 6

TECHNOLOGY AT CISD: Colorado High School teachers Ray and Jeanne Ellis and Larry Beavers (l-r) watch Jeff Ellis work on one of the computers in the business lab.

Grant will link two campuses to Internet

Colorado Independent School District was recently awarded a \$140,000 grant to provide internet service for the high school and junior high school.

Technology Integration in Education (TIE) grants, totaling \$1.4 million, from the Texas Education Agency was awarded Sept. 29 to ten schools in a consortium that included CISD, Breckenridge ISD, Brownwood ISD, Clyde CISD, Comanche ISD, Eastland ISD, Merkel ISD, Snyder ISD, Sweetwater ISD and Wylie ISD.

Mrs. James Edward Franco

Couple united in August 23rd ceremony

Ezri Jude Espino and James Edward Franco were married August 23 at St. Joseph's Catholic Church in San Angelo. The Reverend Joe Vasquez performed the double-ring ceremony.

Mr. and Mrs. Fernando Espino of Fort Stockton are

the bride's parents. The groom is the son of Mr. and Mrs. Tim Edwards of Colorado City.

Given in marriage by her father, the bride wore a traditional summer style wedding gown in white dull satin with pearls and crystal trim. The bodice featured a simple

scooped neck, edged with pearls and crystals. Set-in cap sleeves were also edged in the same trim. The slightly dropped waist is again enhanced with wide trim, bringing your eye to a full box pleated skirt. The back featured a deep V with self covered buttons concealing the zipper. A full chapel train was accented at the back waist with a lovely trimmed bow. She chose a simple headpiece to compliment her gown.

Elisa Espino, sister of the bride, of Fort Stockton was maid of honor. Bridesmaids were Anna Grace Franco of Colorado City, sister of the groom; Amanda Acosta and Nikki Tavarez, both of Fort Stockton. Alayna Espino and Alex Robles, both of San Angelo, were flower girls.

Josh Franco of Colorado City was his brother's best

man. Groomsmen were Greg Parker of Merkel, Greg Gaona of Colorado City and Doug Conner of Canyon. Ringbearer was Nicholas Edwards of Colorado City, the groom's brother.

Ushers were Daniel Martinez and Rudy Ramos of Fort Stockton.

A reception was held at St. Joseph's Fellowship Hall in San Angelo following the ceremony. A Mariachi Band entertained the guests at the reception.

The bride currently attends Angelo State University working towards an MBA in accounting and the groom currently attends Angelo State University working towards a BS in Kinesiology.

Following a wedding trip to San Antonio, the couple will make their home in San Angelo.

Carlock speaks to B&PW Club

Colorado City Business and Professional Women's Club met Tuesday, October 11, 1997, for their regular business meeting at the Civic Center at 6:30 p.m.

Hostess committee was Legislation with Virginia Dearen as chair with Earline Selliers and Mina Berman assisting. Virginia led the Pledge of Allegiance to the American Flag and Erlene Selliers led the club collect.

A delicious dinner was served to two visitors and 17 members. Virginia introduced Debbie Carlock, Mitchell County Clerk, who spoke to the group about the upcoming amendments to be voted on. She told about changes in voting and informed us of the first day to vote. Her office will be open during noon hours on Wednesdays. Election day is November 4, 1997, and there will be 14 amendments to be voted on.

After a brief recess, the meeting was called to order by President Shirley DeLaney. The minutes were read and

Youth seminar to be held November 8th

"Counter the Culture" seminar will be held November 8 from 1-4 p.m. in Rockwall, Texas, led by Josh McDowell and Rebecca St. James.

The seminar focuses on teaching youth (11-19 years) and parents how to make the right choices. If you are a youth, parent of a youth, or work with youth in anyway, this seminar will be well worth your time.

A group from Colorado City will be attending the seminar. For more information, call Brett Footer at 728-3442 or 728-5066.

Jodi La Trisha Phillips and Paul Leon Wall

Engagement announced

Chase Loyd Gaines of Amarillo, announces the engagement and upcoming marriage of his mother, Jodi La Trisha Phillips to Paul Leon Wall. The bride-elect is the daughter of Jimmie Fern and James Day of Snyder, and Randy Phillips of Amarillo. The prospective groom is the son of Diane and Neil Wall of Houston.

Phillips and Wall will marry on Saturday, November 22,

1997 at 2:00 p.m. at the Wagon Wheel Ranch in Snyder. The bride-elect is a 1988 graduate of Snyder High School and attended Western Texas College for two years. Wall served in the US Army for eight years. Both Phillips and Wall are employed by the Texas Department of Criminal Justice in Amarillo.

Jodi is the granddaughter of A.W. and Louise Phillips of Colorado City.

SEVERAL WOMEN IN MITCHELL COUNTY were honored by the B&PW Club this week for their contributions to the community and workplace during B&PW Week. Those being honored include (l-r) Sug Bynum, LaVerne Chalker, Jan Lemons, Sheila Plagens and Jo Ann Merket.

THE BUSINESS AND PROFESSIONAL WOMEN'S CLUB is honoring several women in Mitchell County this week. Those being honored include (l-r) Nell Holman, Mary McMullen, Flo McKinney, Joan Lemons and Connie Simpson. This is National B&PW week.

B&PW Week observed October 19-25

Across the nation, Business and Professional Women's Clubs will be celebrating National Business Women's Week from October 19-25. Women in all walks of life will be recognized and honored for their contributions and impact in their chosen professions and businesses. The state theme this year is "Energizing Women for Community Involvement" and the local BPW Club is also honoring and recognizing some local women who continually serve as volunteers in a variety of different areas.

Club members have cited these women for their contributions to Colorado City and in their professional and/or business field. Some of the women have retired from their

employment but give many hours to doing volunteer work. The honorees are:

Volunteers Sissy Merritt, Dorothy Forbes, Nell Holman and Flo McKinney, according to Shirley Bradley, have kept the museum going for years. They are all busy ladies but they take the time to do just about everything at the museum. All this is done on their time at no expense to the city. Flo McKinney still works some in her real estate business.

LaVerne Chalker, retired from City National Bank, is an active member of the American Cancer Society and is a volunteer for the "Road to Recovery" program. The "Road to Recovery" program furnishes rides for cancer pa-

tients to the doctor and/or to receive treatment.

Lonie Pruitt, a volunteer with the local mission, has worked many long hours to keep the mission open and operating. Along with others of our community, she has been faithful in meeting the needs of our community and she has done this with love and care for those who enter the doors of the mission in need.

Gloria Erwin, retired from city service, is an active member of the Hospital Auxiliary. She has served as the organization's president several terms and has also been active in many other areas in Colorado City.

Jan Lemons... you hear this name and you automatically think "Christmas in April". She is also involved in saving the Round-Top, works with the Chamber of Commerce and many other areas too numerous to mention.

Sug Bynum, retired from Dr. Steakley's office, checks on many people of our community daily to see that they are okay, visits the nursing homes regularly, and is always willing to help anywhere she can be of service.

Betsy Aycock taught school for many years and has continued to use those skills in the Literacy Program in Mitchell County. She has taught many adults in this program to read and write.

Our professional/business honorees are:

Connie Simpson, an employee in the lab at Mitchell County Hospital for 13 years. Connie is a charter member of the Tumbleweed Lioness Club and has been instrumental in getting the Blood Mobile to Colorado City. She falls under the areas of professional and volunteer services.

Joan Lemons is an educator that loves her field of education and enjoys working with her students in a close and caring way. She works with the National Honor Society and

other extra curriculum activities which she does with a smile on her face and a softness in her voice.

Jo Ann Merket has always had a desire to help others and does that not only during her working hours as Director of Nursing at Mitchell County Hospital but during her off hours as well. She is an encourager to the many who cross her path.

Sheila Plagens, along with her husband, owns the Colorado City Record. She writes a weekly column entitled "This N' That" that shares about our local activities. She has been very active in the Chamber of Commerce and other organizations. She enjoys the life of a newspaper woman and handles the stress of getting the paper out each week professionally.

Mary McMullen serves as a County Extension Agent-Family and Consumer Sciences for Mitchell County. She works primarily in the area of the adult Home Economics, but also serves as County Coordinator and works with 4-Hers here in the county.

National Business Women's Week was first celebrated in 1928 with the announced purpose of dramatizing the contributions of women in industry, government and the professions. Each year, during the third full week in October, local organizations throughout the Federation, focus the attention of their communities on the tremendous contribution made by women in the world today. Each U.S. President since Herbert Hoover has opened the first day of NBWW with a letter recognizing the contributions and achievements of working women. NBWW has been recognized by the President of the United States, and the Governor of Texas.

A brunch will be held Saturday at 10 a.m. at the Heritage House to honor these women being spotlighted this week.

Illusionist to perform here

Calvary Baptist Church is proud to announce that Dave Elliott will perform Sunday evening October 26, 1997, at 6 pm at the Family Center at Calvary Baptist Church.

Dave has been involved in illusions for 5-6 years. He has performed for individuals as well as audiences as big as 2000 in number. He is extremely gifted at this talent and will amaze everyone present.

Dave uses his illusions to present the gospel in a unique fashion. The illusions allow him to speak of biblical and Christian principles in a non-threatening atmosphere. This will be an event that one will not quickly forget. Everyone is invited to attend this performance of illusions on Sunday night at Calvary Baptist Church.

Sellier hosts Baptist women

The Global Focus Women on Mission group of First Baptist Church met October 13 in the home of Earline Sellier.

Those present were Jean Edwards, Catharine Morris, Virginia Dearen, Mae Dunn, Linda Rhodes, Anna Staats, and Earline Sellier.

Anna led in the Calendar of Prayer for missionaries with birthdays today.

Virginia Dearen had the mission program.

Everyone enjoyed the delicious refreshments served by Earline.

FAMILY MEDICAL CENTER OF BIG SPRING

in association with
SHANNON CLINIC
will be offering

Mammogram Screenings

Wednesday, October 29, 1997
Family Medical Center of Big Spring
2301 South Gregg Street

To schedule an appointment, please call
1-800-530-4143, extension 3235 or 3229

It's important

Although women should get an initial mammogram by age 40, it's especially crucial for older women to have regular screenings because the risk of developing breast cancer increases with age. Women ages 40 or above should have annual screenings, because early detection is a key factor in successful treatment.

COOK'S CORNER

'Tis the season for pumpkins, pumpkins, pumpkins. Besides being great Halloween decorations, pumpkin can be used in many good dessert recipes. Since the feel of fall is all around, we wanted to share some of our yummy pumpkin recipes with our readers.

We hope you enjoy these tasty pumpkin treats!

Pumpkin Dump Cake

4 eggs, beaten
1 1/2 cup sugar
1 teaspoon salt
2 teaspoons cinnamon
1 teaspoon nutmeg
1/2 teaspoon cloves
2 cups canned pumpkin
12 ounces evaporated milk
1 yellow cake mix
1/2 cup pecans, chopped
2 sticks margarine, melted
Mix first 8 ingredients together. Pour into a 13x9 inch pan. Sprinkle cake mix evenly over pumpkin mixture. Sprinkle chopped pecans over the cake mix, then pour melted margarine evenly over the cake mix. Bake at 350° for 1 hour (or more). Watch time as ovens vary somewhat. Serve with Cool Whip on top.

Per recipe: 4048 Calories; 88g Fat (19% calories from fat); 52g Protein; 783g Carbohydrate; 110mg Cholesterol; 5923mg Sodium

Pumpkin Bread

1 3/4 cups canned pumpkin
3 1/2 cups flour
3 cups sugar
2/3 cup water
2/3 cup shortening
4 eggs, beaten
1 teaspoon salt
1/2 teaspoon baking powder
2 teaspoons baking soda

Pain may be eliminated for millions

(SPECIAL)--A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on liquid form. Arthur Itis, is guaranteed to work or your money back.

Use only as directed
© 1996, Stellar Health Products, Inc.
AVAILABLE AT:
Eddie's Pharmacy
1001 Hickory Street
728-3394

1/2 teaspoon cloves
1 teaspoon cinnamon
Combine sugar, shortening and eggs; mix with electric mixer. Add pumpkin, water and dry ingredients. Divide batter in three greased loaf pans. Bake at 350° for 1 hour.
Per recipe: 5279 Calories; 142g Fat (24% calories from fat); 50g Protein; 971g Carbohydrate; 0mg Cholesterol; 4875mg Sodium

Pumpkin Chiffon Pie

1 cup canned pumpkin
1/2 cup sugar
1/2 teaspoon salt
1 teaspoon cinnamon
1/2 teaspoon ginger
1/4 teaspoon nutmeg
1 cup milk
3 eggs, separated
1/4 cup cold water
1 tablespoon unflavored gelatin
2 tablespoons butter, melted
Cook pumpkin 10 minutes in top of double boiler, stirring constantly. Mix egg yolks, sugar, milk, spices and salt. Add to pumpkin. Cook to custard consistency and remove from heat. Dissolve gelatin in cold water, then add to pumpkin mixture. Let cool in refrigerator. When mixture starts getting stiff, fold in egg whites which have been stiffly beaten and to which 1/2 cup sugar has been added. Pour into baked pastry shell and chill before serving.

Per recipe: 640 Calories; 9g Fat (12% calories from fat); 12g Protein; 135g Carbohydrate; 33mg Cholesterol; 1205mg Sodium

Pumpkin Pecan Pie

4 eggs, slightly beaten
2 cups canned pumpkin
1 cup sugar
1/2 cup dark corn syrup
1 teaspoon vanilla
1/2 teaspoon ground cinnamon
1/4 teaspoon salt
1 pie crust (9 inch), unbaked
1 cup pecans
Mix eggs, pumpkin, sugar, corn syrup, vanilla, cinnamon and salt together and pour into pie shell. Sprinkle with pecans and bake at 350° for 1 hour and 10 minutes.
Per recipe: 2594 Calories; 89g Fat (29% calories from fat); 21g Protein; 457g Carbohydrate; 0mg Cholesterol; 1981mg Sodium

Kelley Fall Festival will be Oct. 31st

Kelley Elementary School will hold a fall festival Halloween, Friday, October 31, from 5:30 to 8 p.m.

Proceeds from the festival will benefit the school's playground renovation project.

The family event will include food, games and prizes. Food booths will be set up in the Kelley Cafeteria. Game booths in the new gym and halls will include a bean bag toss, balloon darts, face painting, cake walk, basketball free shot, ring toss and much more.

Railhead Days set Nov. 15, 16

Mark your calendars to do all of your Christmas shopping at the Railhead Trade Days in Colorado City on November 15-16. With more than 100 vendors attending the Railhead, this show promises to offer an exciting shopping experience for everyone.

Many unique gift items will be available at the November show including, stained glass art, personalized children's books, quilts, knives, gourmet pecan gift canisters and wooden inlaid puzzles.

All indoor booth spaces for the Railhead Trade Days are sold out, but plenty of outdoor spaces are still available. Contact the Chamber of Commerce for more information (915) 728-3403.

THIS 'n THAT

By Sheila Plagens

Found this television trivia on the Internet the other day. I thought it was pretty interesting. See if you know the answers...

1. How many 30-second commercials are seen in a year by an average child?
 2. How many minutes per week do average parents spend in meaningful conversation with their children?
 3. How many minutes per week does the average child watch TV?
 4. What percentage of children ages 6-17 have televisions in their bedrooms?
 5. What percentage of day care centers use TVs during a typical day?
 6. How many hours per year does the average American youth spend in school?
 7. How many hours per year does the average American youth watch TV?
 8. What percentage of Americans regularly watch television while eating dinner?
- Answers at the end of this column. You'll be surprised!

Former residents Glenn and Billie Roenfeldt have experienced some medical problems lately. Billie had back surgery last week and Glenn is recovering from a broken bone. Anna Staats said, "Let's flood them with cards!" Their address is Box 5661, San Angelo, Texas 76902.

A new business is expected to announce it is locating in the Perry's building downtown. The announcement will probably be in three to four weeks. It's expected to be a national chain discount store.

I want to encourage all volleyball fans to attend The Greenwood-Wolves match at the Pit Saturday. It should be a good match! Go Lady Wolves!!!!

The Lions Club is starting a new program of recycling hearing aids to go along with its used eyeglass distribution. Drop off the hearing devices at eyeglass bins at all local pharmacies and other businesses listed in last week's

Answerline column of the Record.

Don't forget to set your clocks back one hour Saturday night!

The First United Methodist Church is planning their Lord's Acre for this year. It's scheduled for 7 p.m., November 8 at the Civic Center.

Happy anniversaries to Ross and Mamie Hargrove. They will celebrate their anniversary on October 28.

Also happy anniversary Don and Terri Jones. Their anniversary is October 27.

Answers to the trivia questions.
1. 20,000. 2. 38.5 minutes. 3. 1,680 minutes. 4. 50% 5. 70% 6. 900 hours 7. 1500 hours. 8. 66 %.

Pumpkin carving contest planned

Sharpen up your carving knives, pick out that perfect pumpkin and get ready to enter the first annual Colorado City Pumpkin Carving Contest.

The Colorado City D.A.R.E. program and the Chamber of Commerce are sponsoring \$300 in savings bonds for the best pumpkin designs in two separate categories, children and adult. The contest is open to all Mitchell County residents.

Entries for the Pumpkin Carving Contest will be accepted at the Civic Center on Thursday, October 30 from 1:00 p.m. until 6 p.m. Pumpkins will be judged Thursday

evening and all entries will be placed on display at the Civic Center for the public to see during the Around Town Trick or Treat on Friday, October 31.

Rules for the Pumpkin Carving Contest are as follows:

1. Two categories: Adult ages 14 and older. Children ages 13 and younger.
2. Prizes: First place in each category will receive a \$100 savings bond. Second place in each category will receive \$50 savings bond.
3. Contestants must indicate whether their pumpkin was designed free-hand or by using a stencil.

4. All entries must have been carved by the participant.
5. Age of participants will be considered by the judges.
6. All entries will be judged "on originality, creativity and appearance."
7. All entries must be picked up between 6:00 and 6:30 p.m. on Friday, after the Around Town Trick or Treat. All entries not claimed will become the property of the Colorado City D.A.R.E. program and the Chamber of Commerce.

Contact the Chamber of Commerce at (915) 728-3403 for more information.

VOTING

from property taxes; •Amendment 4-whether to eliminate some obsolete sections of the Texas Constitution; •Amendment 5-whether the Texas Supreme Court should be allowed to hold hearings in cities other than Austin; •Amendment 6-whether Texas should eliminate state restrictions

on investing in companies with interests in South Africa; •Amendment 7-whether the Texas Water Development Board should be allowed to change the purpose of unissued bonds to reflect needs that have changed since the bonds were authorized; •Amendment 8-whether Texans should be able to borrow against

the equity in their homes; •Amendment 9-whether to increase the limit on the property tax rate set by rural fire districts in Harris County; •Amendment 10-whether to prevent revenue that is currently budgeted for crime victims compensation from ever being used for other purposes without approval by the voters; •Amendment 11-whether to restrict general state debt beyond the current requirement that such debt generally must first be approved by the voters;

•Amendment 12-whether to give the Supreme Court a constitutional limit on the time it takes to consider a motion for rehearing; •Amendment 13-whether to guarantee the Texas Tomorrow Fund by giving it first call on the budget if its own funds come up short. (The Texas Tomorrow Fund is the state's plan that allows parents and others to pre-pay college tuition); •Amendment 14-whether the Legislature should set minimum qualifications for elected constables.

Election Day is Tuesday, Nov. 4.

DIFFERENCE

FROM PAGE 1

projects, doing everything from cleaning an elderly neighbor's yard to paying college tuition for a semester for a needy student in the community. While many think of the elderly as ideal recipients of kind deeds, last year the residents of Valley Fair Lodge Nursing Home were the "do-gooders" themselves. They made bibs and gave them to toddlers at New Discovery Day Care Center.

After you do a "make a difference" activity Saturday, report it to the Colorado City Record or the Chamber of Commerce. Records will be kept of Mitchell County's activities and reported to the Make A Difference headquarters. Projects that capture the spirit of the day will

share in a \$130,000 charitable awards pool given by the national Make A Difference Day. If Mitchell County were to receive any money, it would be donated to the local Christmas In April project so the award would go back into the community.

The projects need to be done on Saturday. Call 728-5158 on Sunday. Or report your participation next week to the Record office, 728-3413, or the Chamber of Commerce, 728-3403.

Why participate? According to the national Make A Difference headquarters staff, "we all want a better world and it is possible to change things. Start by spending Saturday doing good."

LETTERS TO THE EDITOR

Dear Editor,

On behalf of the CHS senior class of 1998, we would like to say Thank you, to the community businesses that donated prize items for our fair booth. The county fair gave us a jump start on the money we need to earn this year.

Project Celebration is a drug-free and alcohol-free

graduation party for all high school students. It is held after graduation from 11:00 p.m. to 4:00 a.m. We are trying to make this the best year yet. With the help of this community we will succeed in this goal. Once again we would like to say THANKS to the following: Lone Wolf Autoplex, Myers Auto Parts, Les Watson

Automotive, Cold Spot Cafe, Neff's Greenhouse, El Torito, Mama's Cafe, McDonald's, McD's, The Movie Stop, Rain Stick, Wood's Boots, Colorado Floral, Wood's Family Shoes, Lone Wolf Golf Course, John Deer/Key Brothers, Jackie's Beauty Clinic, Sav-M, The Hair Affair, Costin's Implement, Golden Comb, Credit Union, Free's, Subway, Sheet's Eye Clinic, Mitchell County Marketplace, Quick Stop, Kiker-Seale, Skinny's, Stacie's Creation, Colorado Floral, Ramage Appliance, First National Bank, Style Shack, City National Bank, Corky's True Value, Heartfelt Treasures, E-Z Way Plumbing, Dairy Queen, Medicine Place, Nail Tips, OUT-REACH, Perkins, Eddie's Plagen's, and Mitchell County Vet Clinic.

A special thanks, CHS Senior Class of 1998

Dear Editor,

At first I was mad, then sick! Who could leave seven starving kittens at the Mission? Two-to-three month old hungry kittens, and a couple of them caked in diarrhea! Who could be so inconsiderate?

But then I thought some impoverished family who had trouble feeding themselves decided this was the best thing to do with the poor kittens.

It started Saturday afternoon when Shirley Bradley discovered the kittens and called me. Together we gathered them up and took them to the pound. Thank goodness Dr. Varde-man and Angela Kneupper were still there and took them. They tell me these adorable kittens should soon be available for adoption.

In the meantime, I feel that whoever dumped the kittens should be fined for abuse and neglect.

The Mission appreciates clothing, food, and home furnishings, but not helpless animals. The Mission is to help people, the City Pound is to help animals.

The humane thing to do with unwanted pets is to call the City Animal Control Officer. Please don't dump starving animals for someone else to take care of. Linda Baum 309 E 4th Colorado City

RIBBON CUTTING WELCOME: The new county extension agent, Vance Christie, started work in Mitchell County Monday. He was welcomed by the Ambassadors with a welcoming ribbon cutting ceremony in front of the Mitchell County Courthouse. Christie, a native of Big Spring, previously served as the county agent in Real County.

CISD

FROM PAGE 1

allotment from the state, said Merket.

The new five-year plan follows the completion of CISD's three-year technology plan.

"All of the district's goals in the three year plan have been met and exceeded," Merket told the school board during the October meeting.

Birmingham trial begins in Snyder

Jury selection began Monday in Snyder in the trial of a 23-year-old Colorado City man charged with aggravated assault with a deadly weapon.

Derrick Dwayne Birmingham is on trial in 132nd District Court on a charge of shooting a bystander during an argument at a Snyder residence May 31.

According to police reports, Sandra Jackson of Snyder, was struck in the lower back by a bullet from a .380 caliber pistol during an argument between two other individuals.

Birmingham is represented by Isaac Castro, a court-appointed defense attorney. District Attorney Dana Cooley will prosecute.

The defendant faces from two to 20 years in prison if convicted.

BEALL'S

FROM PAGE 1

in the center of the store. The store office will be located adjacent to the fragrance department which makes the area the center of operations.

Baker also noted that Bealls carries several new name brand product lines that were not available through Anthony.

Among the new brand names are Liz Claiborne, Calvin Klein for Men, Guess, and Chaps Ralph Laurent.

Bealls also carries a wide array of other top brands such as Reebok, Nike, Levi's, Sag Harbor, Playtex, London Fog, Jockey, Carter's and Liz Wear.

Stage operates more than 600 stores in 24 states, mostly in smaller communities. Extras for shoppers include an instant-service dressing room call button, a VIP charge program that earns bonus points and Club 55 that offers a 20 percent discount to shoppers 55 and older on the first Tuesday of every month.

Nine employees, all local people, will work in the new Bealls store, said Baker.

Regular store hours will be from 9 a.m. to 6 p.m. Monday through Saturday and from 1 p.m. to 5 p.m. Sunday.

The district now has computer labs of 20 or more computers on every campus; more than 25 computers in individual middle and high school classrooms; four computers in every elementary classroom, more than 50 computers for special education students, 16 computers for gifted and talented students and networked business labs totaling more than 80 computers on two campuses.

In addition to specialized labs such as reading and business labs, technology is used by

teachers at all campuses in conjunction with their lessons.

By the end of 1997 all CISD campuses will be networked. In the future, CISD students will not only have access to the University of Texas and Texas A & M libraries but will be able to utilize information from libraries all over the world through Internet and the World Wide Web.

Before the end of the five years, Hutchinson and Kelley School will also have Internet capabilities.

GRANT

FROM PAGE 1

Some of the features of the grant include:

- a filtering program that will block 98 percent of any objectionable material on the Internet;
- 28 workstations for computer labs and 2 workstations for teacher workrooms;
- extensive training for CISD personnel.

Teachers, administrators and librarians will be trained to use the Internet. In addition, teachers will be taught how to integrate use of the Internet into their classrooms.

The one-year federally funded state grant does not require any

matching funds from the school district. After the grant term, the district expects to continue the program through other available grants, such as a state funded TIF grant.

Installation of the T-1 lines is expected to begin in December. The system will be operational by the end of this school year.

TRIAL

FROM PAGE 1

Prosecutor Latham Boone III in March 1997 requested two trials.

Trial dates have not been set for the remaining four accused inmates.

Politicians to speak here

Representative Rob Junell, Congressman Charles Stenholm and a representative from Senator Troy Fraser's office will be guest speakers during a Veteran's Day program here Tuesday, Nov. 11.

Activities for the day are

sponsored by Veterans of Foreign Wars Post 9178.

The program will begin at 10 a.m. at the Mitchell County Courthouse. The Dyess Air Force Honor Guard and Snyder Honor Guard will participate in the ceremony.

Financial Workshop

For Individual Investors

A five-week course is being offered for individual investors who want to learn more about setting investment goals and objectives.

This course will also discuss the types of investment choices used by individuals to meet their financial and investment goals. The classes will meet on five consecutive Tuesday evenings.

Dates: Oct. 21 - Nov. 18th

Time: 6:30 - 9:30 p.m.

Place: Western Texas College

Seating is limited and will be on a first-come, first-serve basis. Call 573-8511 ext. 390 to reserve a seat.

Youth dove hunt was a big hit

The Youth Dove Hunt, held Saturday, Sept. 27, was a huge success, said DARE Officer Charles Rice.

Thirteen local youths harvested 120 doves during the hunt, thanks to a combined effort of almost every law enforcement agency in the county. Supervision during the hunt was on a one-on-one basis with each youngster being accompanied by a lawman.

Colorado City Police Officer Rice said that the individual agencies have their own programs or activities for youth, but as far as anyone knows this is the first time when all the agencies joined together in one effort.

The hunt was sponsored by the Texas Parks and Wildlife Dept., the DARE Programs of the Colorado City Police Department and Mitchell County Sheriff's Office.

"It helped give kids a healthy interest in hunting along with knowledge of hunting and working with guns. When they do go out to hunt, they can hunt safely," said Rice.

Sponsors included Sheriff Patrick Toombs; Chief of Police Pat Taylor; DPS Trooper Russell Conklin; DPS Cpl. Donnie Gilbreath; Parks and Wildlife Capt. Sparks Burdett, Sgt. Wayne Armstrong, Mel Reed and Randy Bullard; DARE Deputy Tommy Dill; DARE Officer Charles Rice; TDCJ Correctional Officer David Arellano; Allen Paris and Jody Clark.

Middle school-age youths participated in the hunt. They were Shannon Cowley, James Walthall, Stephen Oliver, Chance Frizzell, Michael Williams, Jody Moody, Tyrell Jones, Fidel Silon, Gabriel Carrizales, Ramiro Castillo, Greg Bailey, Jeff Cox and Dylan Slater.

The hunt was so successful that the group of law enforcement officers are planning a deer hunt this winter for high school-age youths.

YOUTH DOVE HUNT: Thirteen local youths harvested 120 birds during a dove hunt Sept. 27. The hunt was held on land furnished by Joe Weaver and Allen Pharis and each boy was supervised one-on-one in hunting and safety skills by representatives from local law enforcement agencies. Pictured are: (back row, left to right) Shannon Cowley, James Walthall, Stephen Oliver, Chance Frizzell, Michael Williams; (front row, l-r) Jody Moody, Tyrell Jones, Fidel Silon, Gabriel Carrizales, Ramiro Castillo, Greg Bailey, Jeff Cox, Dylan Slater.

TUESDAY NOV 4TH CONSTITUTIONAL AMENDMENT ELECTION (Early Voting October 20-31)

A Public Service Message From

State Representative Allen Place

VOTERS GUIDE

For Additional Information, Contact:

State Representative Allen Place
State Capitol (512) 463-0628
Gatesville (254) 865-7419

PROPOSITIONS	ARGUMENTS "FOR"	ARGUMENTS "AGAINST"
#1 Allow Municipal Court Judges To Serve More Than One City "The constitutional amendment to allow a person who holds the office of municipal judge to hold at the same time more than one civil office for which the person receives compensation."	Some small cities do not need a full time municipal judge. This proposition would allow a person to serve as a municipal judge for more than one city.	It will allow nonresidents of a city to serve as municipal judges and will allow municipal judges to be paid by more than one city.
#2 Caps on Homeowner Property Tax Appraisals & Portability Of Senior Citizen Tax Freeze "The constitutional amendment to authorize the legislature to limit increases in the appraised value of residence homesteads for ad valorem taxation, and to permit an elderly person or the surviving spouse of an elderly person to transfer the school property tax freeze on the person's residence homestead to a different residence homestead."	To protect individual homeowners from sudden runaway property tax appraisal increases from their local appraisal districts (the initial annual cap is 10%) and to provide school districts the local option to offer all senior citizens portability of their property tax freezes throughout this current tax year.	This amendment only caps residential property tax appraisals and does not cap appraisals on business properties. Local government entities may be faced with either reducing government expenditures or increasing rates. Furthermore, allowing school districts the local option of whether to retroactively apply portability of the senior citizen tax freeze unfairly discriminates against school districts which may choose not to participate.
#3 Optional Tax Exemptions For Water Conservation "The constitutional amendment to authorize the legislature to permit a taxing unit to grant an exemption or other relief from ad valorem taxes on property on which a water conservation initiative has been implemented."	Conservation of the state's water supply is critical. Providing local taxing units with the option of a property tax exemption for land that uses a water conservation measure will encourage conservation of the state's limited water supply.	Although water conservation is an important state goal, exemptions from ad valorem taxation erode the tax base. Also, because the exemption is optional, there is a risk of inconsistent and unfair tax treatment.
#4 Cleaning Up Our State Constitution "The constitutional amendment eliminating duplicate numbering in and certain obsolete provisions of the Texas Constitution."	The proposed amendment would eliminate duplicate and obsolete provisions of our state constitution. Furthermore, it makes no changes in the effect of the law and is a positive step in the direction of a more streamlined and useful state constitution.	Although the proposed amendment makes only non-substantive changes to the Texas Constitution, it does not go far enough in removing unnecessary and outmoded provisions.
#5 Allow State Supreme Court To Meet Outside of Austin "The constitutional amendment authorizing the supreme court to sit and to transact business at any location in this state."	Currently the State Supreme Court can only meet in Austin, the state capital. More than half of the other states allow their highest courts to conduct proceedings in various locations in those states. The flexibility of the State Supreme Court to conduct business and hear oral arguments in various areas of the state would be educational to the court, attorneys, and the general public. Additionally, citizens who may be interested in a particular case would be given an opportunity to observe the proceedings without incurring the expense of traveling to Austin.	Conducting certain oral arguments in various areas of the state would result in unnecessary travel expenses for the justices and other court personnel. The Texas Supreme Court has conducted business in Austin for many years, and there is no compelling reason to change that practice.
#6 Removing Outdated Apartheid Disclosure Requirement For Investment Of State Funds "The constitutional amendment allowing the Texas Growth Fund to continue to invest in businesses without requiring those businesses to disclose investments in South Africa or Namibia."	This disclosure requirement was adopted to discourage investment of state funds in businesses and/or investments with direct financial ties to South Africa or Namibia. Because apartheid no longer exists in these countries, the disclosure requirement has no purpose and should be repealed. Most other states that adopted similar provisions have already repealed those provisions. Eliminating the disclosure requirement would save the state the cost of collecting, examining, and recording the disclosure affidavits.	None have been offered.
#7 Consolidating State Water Bond Authority "The constitutional amendment relating to the authorization to the Texas Water Development Board to transfer existing bond authorizations for water supply, water quality, flood control, or state participation from one category of use to another category to maximize the use of existing funds and relating to more efficient operation of the bond programs."	Consolidating previously approved constitutional water bond authorizations into the Texas Water Development Board will add greater flexibility in financing a wide variety of critically needed water projects and would maximize the funds available to local governments for different water projects at reduced cost.	The Texas Water Development Board should not be able to transfer binding authority already approved by voters for one purpose to a different purpose even if authorized to do so in one election. If previous bonds are consolidated there is a potential for disproportionate funding to projects that would benefit only a few.
#8 Allow Expanded Home Equity Lending In Texas "The amendment to the Texas Constitution expanding the types of liens for home equity loans that a lender, with the homeowner's consent, may place against a homestead."	A person's home is usually the person's largest asset. This proposed amendment would allow Texas homeowners to borrow money against the equity of their homes (up to 80% of the home's equity). Additionally, interest on a loan secured by a home is deductible for federal income tax purposes, while interest on an unsecured loan is not.	Foreclosure. Regardless of this amendment's purported safeguards, some people will lose their homes due to foreclosure. Also, some lenders may refuse to make loans unless the homeowners use their homes as collateral for the loans, and borrowers who do not own homes may find it harder to obtain loans.
#9 Voter Approval Of 2 Cent Property Tax Rate Increases For Fire Prevention Districts In Harris County "The constitutional amendment to authorize the legislature to authorize an ad valorem tax rate in rural fire prevention districts located in Harris County of five cents on each \$100 of taxable value or property."	At the current three cent property tax rate cap, some rural fire prevention districts in Harris County are experiencing a shortfall of funding to provide adequate fire protection. Because voter approval in each district is necessary for the district to increase its tax rate, the taxpayers of each affected district will be able to decide if a higher tax rate in their district is necessary.	Because the amendment is limited only to districts in Harris County, in the future, rural fire prevention districts in other counties will press the legislature to propose additional constitutional amendments to give them the authority to raise their tax rates too.
#10 Constitutionally Protecting State Funding For The State's Crime Victim Assistance Funds "The constitutional amendment designating the purposes for which money in the compensation to victims of crime fund and the compensation to victims of crime auxiliary fund may be used."	Constitutionally dedicating these funds will ensure that the state's crime victim compensation funds will be used exclusively for funding crime victim needs and will prevent the future use of the state's crime victim compensation funds for purposes unrelated to serving crime victims.	Dedicated state revenues limits the legislature's ability to address the state's most pressing fiscal needs. Constitutionally dedicating those funds would prohibit the legislature from making use of the fund's surplus money to benefit other equally worthy state interests.
#11 Limiting State Debt By Statewide Voter Approval vs. Legislative Vote "The constitutional amendment limiting the amount of state debt payable from the general revenue fund."	This amendment will transfer from the legislature to statewide voter approval the right to limit state debt; and will limit annual state debt to roughly no more than 5 percent of the state's general revenue fund. The debt service ratio at the close of fiscal year 1996 for all authorized (issued and unissued) bonds was 2.7 percent leaving for ample legislative flexibility.	By constitutionally limiting future state debt, the legislature may be unable to meet the needs of the state's residents or properly react to an emergency situation without increasing state taxes or fees.
#12 Speeding Up Texas Supreme Court Decisions "The constitutional amendment to establish a deadline for Supreme Court action on a motion for rehearing."	Currently, a decision by the Texas Supreme Court can be delayed if a motion for rehearing is filed and not promptly ruled upon. This amendment sets a 180 day deadline for the Texas Supreme Court to rule upon motions for rehearing. If the Texas Supreme Court does not rule upon a motion for rehearing with the 180 days, the motion will be denied and the Court's decision final.	Texas Supreme Court justices should have the discretion to extend consideration of a motion for rehearing when the circumstances of a particular case, however rare, would call for an extension in the interest of justice. The amendment does not allow for an extension of the deadline regardless of how unusual or extraordinary the circumstances of a case might be.
#13 State Guarantee For The Texas Tomorrow Fund's Prepaid College Tuition Program "The constitutional amendment to encourage persons to plan and save for young Texans' college education, to extend the full faith and credit of the state to protect the Texas tomorrow fund of the prepaid higher education tuition program, and to establish the Texas Tomorrow Fund as a constitutionally protected trust fund."	This proposed amendment will extend the full faith and credit of the state to support the Texas Tomorrow Fund's prepaid state college tuition program. Thus parents, grandparents and other investors will have the assurance that their investments in the Texas Tomorrow Fund will grow over the years and that those investments will remain secure until the designated beneficiaries are ready for college.	The Texas Tomorrow Fund should continue only as long as it is a viable fund that is able to fund itself. Placing the full faith and credit of the state behind the fund will take money away from other important needs of the state.
#14 Allowing The Legislature To Establish Qualifications For The Office Of Constable "The constitutional amendment to allow the legislature to prescribe the qualifications of constables."	Since the state constitution provides for the office of constable but does not set any specific qualifications to hold the office, it is important that the legislature have a clear constitutional right to set the qualifications in statute. Because of the ever changing roles in law enforcement, it is necessary to adjust the minimum qualifications for constables to ensure proper public safety and welfare.	Though qualifications for constables are needed, a constitutional amendment for this purpose is not. The legislature has already passed statutes that set the qualification for constables.

(School menu was not available.)

Evans attends college preview

Colorado City resident Amy Evans, a student at Colorado High School, was among 50 visitors to Austin College recently for a one-day College Preview sponsored by the college's admission staff.

During the program, students visited with the college president, Dr. Oscar C. Page and with current students about their perspectives of the college. The students had the opportunity to sit in on class sessions and visit with faculty from a variety of academic disciplines, as well as special program directors.

Vice President of Academic Affairs Dr. David Jordan explained the college's academic offerings, and students were

given tours of campus facilities. Separate programs are available for parents while students are involved in these sessions.

The College Preview program is designed to bring prospective students to campus so that they may experience the campus and its activities firsthand. Additional preview programs are scheduled throughout the year, including special focus previews in the areas of arts and English scheduled for November 18 and math and science February 14.

For information about Austin College's Preview Program, call the Admission Office at 1-800-442-5363.

Spaghetti Luncheon
 The Accelerated Reader Program is hosting a spaghetti luncheon Monday, Oct. 27 from 11:00 a.m. to 1 p.m. at the CMS cafeteria. The cost is \$5 per plate. The menu will be spaghetti, garden salad, garlic bread, dessert and iced tea. Advance tickets are available by calling CMS office, 728-2673, or the CMS library for more information.

PTO organizes fall fundraiser

The Hutchinson Elementary Parent-Teacher organization is organizing a fall fundraiser to beautify the Hutchinson School campus. The Hutchinson students will be collecting pennies and other coins to buy plants and trees for their school campus. The girls versus the boys in each grade will be trying to collect the most change to win an ice cream party.

The contest begins on October 28 and ends on December 12. Any businesses that would like to contribute to this fundraiser may contact Hutchinson Elementary at 728-5215 or Maureen Morris at 728-5425.

Honor roll students

Chase Ratliff, a freshman at Colorado High School was named on the A-B honor roll and Kassie Redwine, eighth grader at Colorado Middle School was named on the A Honor Roll for the first six weeks of the school year. (These names were not listed in last week's paper.)

CHS band brings home their fourth Div. I rating

The Colorado High School Wolf Pack marching band competed in the UIL Region II marching competition at Wylie High School on Saturday, Oct. 18. For the fourth year in a row, the band brought home the First Division rating for their efforts.

This year, the show consisted of several special features. The French horn soloists are Jennifer Petty and Holly Gwyn. The flute soloist is Megan Merrell. The keyboard

specialist is Mandy Strain. The quartet members are Renea Lewis, Jessica Chaney, Ashton Anderson, and Jennifer Petty.

The music performed at the competition was the "New World Symphony", "Battle Fatigue", and "Farandole".

"The band students had to work exceptionally hard this year to overcome many obstacles including re-learning the show only two weeks ago," said Band Director Aaron Le-

wis. "The students have shown a lot of growth in the development of perseverance and endurance. These are characteristics that will long endure after graduation and into life.

"The students have gone the extra mile and have come away victorious. They have learned to pull together as a team for the good of all. The pride the students must have in knowing they have prevailed will stay with them," Lewis added.

The band would like to thank the chaperones and band parents that have helped on all the trips this year. A special thanks to the band booster officers for the feed back from the community and help at preparing the students for these activities.

THE CHS WOLF PACK MARCHING BAND received a First Division Rating at this year's UIL Region II marching competition held Saturday, October 18 on the campus of Wylie High School. Pictured are CHS Band officers and members with the trophy (l-r) Tiffany McKinney (sec.), Mandy Strain (vice pres.), Renea Lewis, Ashley Turner (pres.), Perry Noblett (treas.), Laurie Miller, Holly Gwyn, Anjanette Morgan (librarian) and Jessica Chaney.

Homework ideas make learning worth the effort

By BUDDY COMPTON
CHS Principal

Homework can help students learn and can help parents be involved in their children's education. When parents show an interest in their child's schoolwork, they teach an important lesson—that learning is fun and worth the effort.

Children who do homework, on an average, do better in school. And, as children move up through the grades, homework becomes even more important to school success.

Teachers assign homework for many reasons. It can help children, (1) practice what they have learned in school; (2) get ready for the next day's lesson; (3) use resources, such as libraries and encyclopedias; and (4) learn things they don't have time to cover in school.

Homework can also help children learn good habits and attitudes. It can teach children to work by themselves and encourage discipline and responsibility.

A Checklist for Helping Your Child With Homework
Make Sure Your Child Has:

1. A quiet place to work with good light.

2. A regular time each day for doing homework.
3. Basic supplies, such as paper, pencil, pens, markers, etc.

Questions To Ask Your Child

1. What's your assignments today?
2. Is the assignment clear? (If not suggest calling the teacher.)
3. When is it due?
4. Do you need special resources (e.g., a trip, access to a computer)?
5. Do you need special supplies (e.g. graph paper, poster board)?
6. Have you started today's assignment? Finished it?
7. Is it a long term assignment (e.g. a term paper or science project)?
8. For a major project, would it help to write out the steps or make a schedule?
9. Would practice test be useful?

Other Ways to Help

1. Look over your child's work, but don't do the work!
2. Meet the teachers early in the year and find out about their homework policies.
3. Review teacher comments on homework and discuss with your child.
4. Observe your child's learning style and try to understand how they work best.
5. Contact teacher if there's a problem you can't solve.
6. Congratulate your child on a job well done.

TEXAS CAMEL CORPS: Colorado Middle School Assistant Principal Tom Kelley gets acquainted with one of the two camels that visited Colorado City last week. Doug Baum, a Colorado City native who is currently employed at the Waco Zoo, presented shows at the middle school Wednesday, Oct. 15 on camels and their importance in Texas when used by the U.S. Army in the late 1800s.

The Wolves' Booster Club would like to take this opportunity to say thank you to all the Wolves' fans and businesses for their support and backing of the Colorado City Wolves. We would also like to thank Wood's Boots for donating the Cokes for our booster club charter bus trips.

Thanks Again...

Wolves shoot down Cranes 17-13

By Carl Graham

The big showdown between the two district favorites lived up to its expectation last Friday night as Colorado City gained the upper hand in the district 4-3A championship race with a hard earned 17-13 win over Crane.

The big win puts the Wolves atop the district standing along with Kermit with a perfect 2-0 record with three games to go.

It took a total team effort to shoot down the high flying Golden Cranes, including an outstanding defensive effort that almost shut down a very good and explosive Crane offensive unit.

"This was no doubt our best defensive effort of the year," defensive Coach Gerald James said following the game.

The game was a complete reverse of last year's Crane-Colorado City contest. If you remember last year's game, Colorado City dominated the stats, had the lead going into the third quarter and lost the game 14-10. This year Crane

won the statial battle, lead in the third quarter and eventually lost 17-13.

"It was a super effort by the offensive and defense," Head Coach Bill Grissom said. "The kids stepped up and did what needed to be done," he said.

Wolf fans were a little squeamish at half-time as the Wolves trailed 7-0. But Coach Grissom told his squad to be patient.

"Basically I told the kids we had outplayed them in the first half and that if we executed the way we are capable of and were patient good things would happen," said Coach Grissom.

Crane's first half touchdown came late in the second quarter on a 70 yard pass play. The successful PAT gave Crane a 7-0 record at the half.

It was Crane's only big offensive play of the game.

Crane opened the second half with a grinding ground game. They would score after a 13-play drive that culminated on a one yard touchdown by Tubby Collins.

Randy Byington partially blocked the extra point attempt leaving Crane up 13-0 with 6:24 to go in the third period.

Crane would recover an on-side kick, but a off-side penalty nullified the play forcing another kick-off. The Wolves Chris Valenzuela would recover the on-side kick giving Colorado City the ball in good field position at mid-field. It took the Wolves seven plays to find paydirt. The dive was also aided by a 15 yard unsportsman-like penalty.

Senior Chris Fambro scampered in from 11 yards out for the Wolves first touchdown. Fambro's touchdown run was helped by a tremendous block from center Javier Quintero. Byington connected on the extra point cutting Crane's lead to 13-7 with 3:07 to go in the third period.

Crane went three and out on their next possession and after a short punt Colorado City set up shop on Crane's 34 yard line.

But after five plays and an

illegal motion penalty, the Wolves were forced to attempt a field goal on 4th and 6. Byington's 35 yard attempt was good, cutting Crane's lead to 13-10 with 10:51 to go in the game.

Again, Crane was unable to mount any offensive threat and was forced to punt on 4th and 10.

With just over seven minutes left in the game the Wolves began their game winning drive. It took them 10 plays with the winning touchdown coming on a Justin Hill to John McSpadden 18 yard touchdown toss with 3:37 left in the game. McSpadden, a sophomore, was playing for Fambro who went out with a sprained ankle in the third quarter. The PAT by Byington was good giving the Wolves a lead they would not give up.

On Crane's next possession, the Wolf defense held the Golden Cranes on three straight runs. McGuire put up

a desperation screen pass on 4th and 7 but Armando Rocha came up from his cornerback position and stuffed Crane's tight end for a one yard loss. It was the defensive play of the game.

The Wolves last possession was designed to run the clock down. Arian Emerson rushed the ball three straight times for six yards. On fourth and six, Adam Wood made a beautiful punt that was downed at Crane's own five yard line with only 38 ticks left in the game. McGuire lofted a pass on first down that was picked off by Emerson which allowed the Wolves to run out the clock.

The win boosted the Wolves record to 5-2 (2-0 district) and put them in the driver's seat for the district championship.

"It was great to get that first win over Crane but we still have to go out and prepare this week to play Reagan County," a happy head coach Bill Grissom said following the game.

SENIOR TAILBACK ARIAN EMERSON finds tough yardage against Crane last Friday night in Crane. Golden Crane cornerback Carl Jeffrey (#19) fights off block of Wolf John McSpadden (#33) while Crane's Thomas King (#54) makes the stop on Emerson. Colorado City won the crucial district battle 17-13.

Wolves take on Reagan County

After knocking off district favorite Crane last Friday in Crane and facing a winless Reagan County 0-7 (0-2), you might think things would be a little slack around the Wolf camp this week. Not so!

"We are preparing for Reagan County just as we have prepared for all games this year," said head coach Bill Grissom. "You can not take any team for granted, because if you do, you may get stuffed.

We still have three important games left," he said.

Reagan County returns seven offensive and six defensive starters from last year but they are very young as six of the ten players who started last year are juniors. Tailback Noel Ramirez is one of only four seniors and he led the team in rushing last year with 567 yards on 110 carries.

Reagan County is also lacking in size as compared to

other District 4-3A foes. Defensive tackle Kurtis Neal at 210 and offensive/defensive tackle David Alaman at 220 are the heavyweights of the line.

Other key match-ups this week will have Crane traveling to Greenwood and Kermit on the road in Sonora.

Kick-off for this Friday's Reagan County-Colorado City game is 7:30 pm at Wolf stadium.

Lady Wolves host Greenwood Saturday

The Colorado City Lady Wolves volleyball team continued their hopes for a district title by outlasting the Kermit lady Yellowjackets on Tuesday, October 14, by scores of 16-14, 7-15, and 15-8.

The JV also come away with a win over Kermit by scores of 18-16, 15-13.

The freshman team did not fare as well going down 1-15, 5-15.

The Lady Wolves had an open date last Saturday before

resuming play against Crane on Tuesday, October 21st at Crane. Results from this match will be in next week's issue along with this Saturday's key rematch with Greenwood.

Times for the Greenwood games are 5 pm freshman, 6 pm JV and the varsity take the floor at 7 pm.

The Lady Wolves must win to have a chance at the district title.

"We played an excellent

first game against Greenwood (15-2 win) but seemed to have lost focus in the next one (losing 0-15)," said coach Karen Trent. "We just never were able to regroup. We must be able to stop their 5'11" hitter, Karen Gasch, from dominating. It's a mental game."

Support the volleyball teams this Saturday by wearing red and black and packing the pit.

SPORTS NOTES

Westbrook rolls...beats Loraine 72-26

The Westbrook Wildcats lived up to their district title contender role last Friday night in Westbrook, defeating the Loraine Bulldogs 72-26.

The Wildcats scored first and maintained the lead throughout the game but were only able to carry a 46-26 lead into the locker room at half.

Starting quarterback, Luis Rico, and running back, Bubba Williams, both went out with injuries before half-time which stifled the Bulldog offense the rest of the game.

"Both teams played well on the offensive side but we lost a lot of our momentum when we lost Luis and Bubba," said

coach Ronn Langthorn. "We just don't have a lot of depth to help us through it."

Quarterback Vincent Soliz of Westbrook tossed eight touchdown passes to lead the Wildcats to victory. Davy Daniel was on the end of three of those touchdown tosses. He was the workhorse catching seven passes for 162 yards and

carried the ball five times for 76 yards.

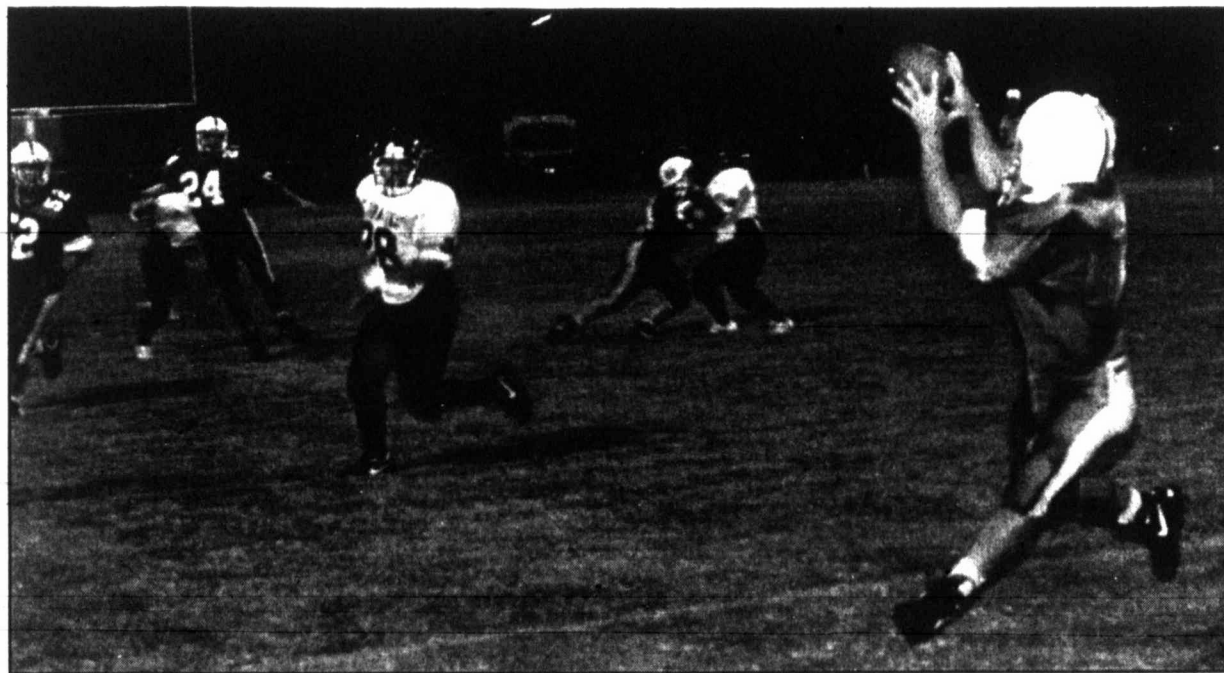

Westbrook racked up 480 total yards to Loraine's 338 of which 222 were through the air.

Thadd Rich scored touchdown passes of 27 and 13 yards. Roland Matos added two touchdowns through the air and blocking back Jon Jones added another.

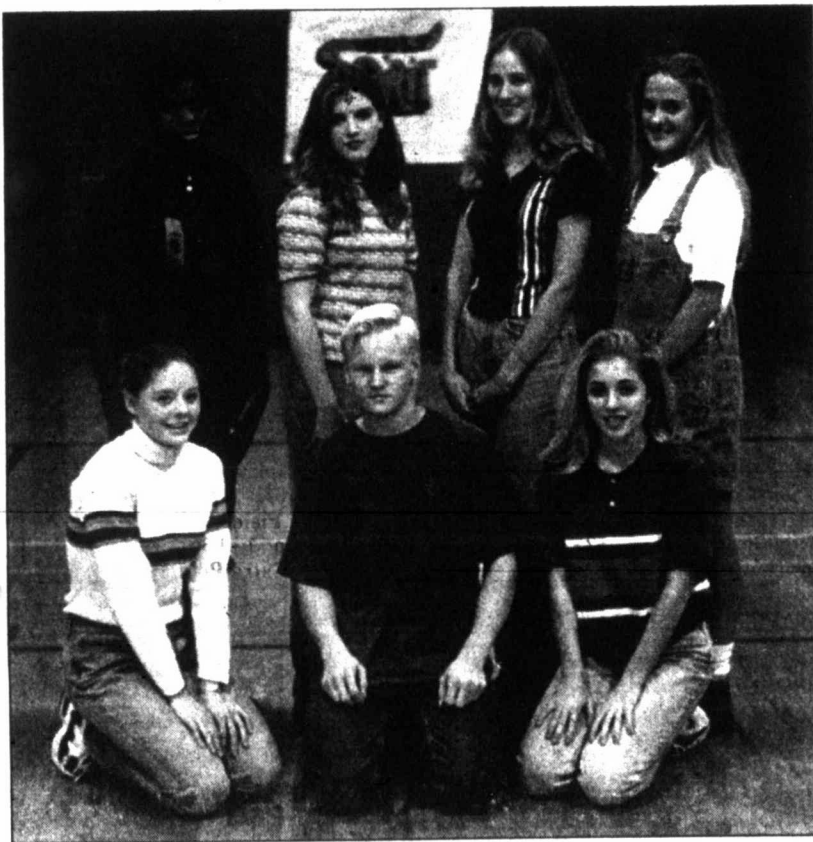

Loraine tallied its points on two touchdown catches from freshman quarterback Rico to sophomore Rene Garcia. The other touchdown passes were from Rico to Marcus Garcia and Rico to Edward Carrington. Mike Rico accounted for two extra points.

Two of Westbrook's touchdowns were set up by Bulldog turnovers. Westbrook had 40 yards in penalties to Loraine's 50 yards. The game was called due to the 45-point rule with 6:18 to go in the third quarter when Rene Garcia was sacked for a safety.

Westbrook is now 5-2 (2-0 district) and headed to a showdown with Borden County Friday night in Gail. Loraine entertains Highland and will be without Luis Rico and Bubba Williams. Game time for both games is set for 7:30 pm.

WESTBROOK SENIOR DAVY DANIEL snares one of his seven receptions against Loraine last Friday night. Defending on the play is Loraine linebacker Marcus Garcia (#28) also pictured is #52 Jon Jones and #24 quarterback Vincent Soliz. Westbrook drubbed Loraine 72-26.

THE COLORADO CITY CROSS-COUNTRY TEAM will play host to the District 4-3A meet that will be held here Thursday, Oct. 23. Teams from Kermit, Greenwood and Reagan County will compete in the meet that begins at 9:30 a.m. at Wolf Creek Golf Course. The Colorado City cross-country team consists of (standing l-r) Shanti Ross, Cassie Bonner, Wendy Sullivan, Amie Hammond, (kneeling l-r) Staci Turnbow, Cody Hamm-Brown and Mica Merrell.

Lady Wolves run for title

Last Saturday the Colorado City Lady Wolves cross-country team competed in Big Spring along with approximately 35 other teams.

The team of Wendy Sullivan, Mica Merrell, Shanti Ross, and Amie Hammond competed in the 4 x 1 mile relay.

Their time of 27:16 was good for 6th place against teams from Odessa, Big Spring, Friendship, Garden City among others.

On Thursday, October 23, Colorado City will host this year's cross-country district meet. Besides Colorado City there will be teams from Kermit, Greenwood, and Reagan County competing, Kermit and Greenwood both field good

teams and could push the Wolves for the title.

The district meet will be held at Wolf Creek Golf Course with girls competition starting at 9:30 a.m. and the boys set to start at 10:00 a.m.

"It's a spectator friendly course and it would certainly be nice to have a good support group out to watch," said Coach Darrin Leverton. "We feel like our chances are good at sending our group on to the regional meet in Lubbock. Wendy Sullivan has done outstanding against some tough competition," he said.

The regional match will be held in Lubbock on Saturday, November 8.

Westbrook Jr. High whips Loraine 33-6

The Westbrook junior high football team ran its record to 4-1 with a 33-6 win over Loraine. Loraine now goes 2-4 for the season.

Loraine's only offense was a 75 yard kick off return by Elias Barrera. The extra point failed.

For Westbrook, it was the Matlock-Graham show. Landon Graham scored on two rushing touchdowns and once

on a pass from Chris Matlock. Graham also ran a kickoff back for a touchdown. The conversions were made on a Matlock to Graham pass and an extra point kick by Cody Rich.

Next action for Westbrook will be on Thursday, October 23rd when they host Borden County, at 6 pm. Loraine will travel to Highland to battle the Hornets Thursday at 6 pm.

Bulldogs host Hornets

The Loraine Bulldogs play host Friday to the Highland Hornets in a District 6 six-man tilt.

Loraine is coming off a 72-26 loss to cross-county rival Westbrook while Highland was spanking Ira 54-6.

Highland is coached by Karry Owens and his record is 28-13-3 in his four seasons. Last year the Hornets went 10-2 (4-1 district) before bowing out in the second round of the play-offs. Westbrook accounted for the Hornets' only regular season loss. This year the Hornets are 5-2 (2-0 district).

Highland returns three all-

district players from last year Stoney Burke, a 160 pound center, Juan Rodriguez, a 205 end, and Michael Wade, a 215 pound senior end. Burke and Rodriguez are both juniors.

Loraine hopes to regain the services of freshman quarterback Luis Rico who went down with an injury last Friday night. If Rico is not able to go, his older brother Mike will probably get the nod to start. Several other players are nursing nicks and bruises but should be ready to go on Friday.

Kick-off is slated for 7:30 pm at Johnson Field in Loraine.

Offensive player of the week

This week's offensive player of the week in the Wolves victory over Crane goes to center Javier Quintero. "Quintero did a super job of blocking," said Coach Bill Grissom. "He made a big block on Chris Fambro's 11 yard touchdown run up the middle in the third period for our first score."

Defensive players of the week

The defensive player of the week is shared by defensive tackle Jeff Anzaldua and safety Arian Emerson. Anzaldua made seven solo tackles, four assisted tackles and two sacks behind the line of scrimmage. He also had two crucial stops for no gain in Crane's last drive of the game. Emerson was credited with six solo tackles, one assist, and an interception of a Crane pass near the end of the game.

"Monster Hit" Award

This week the "Monster Hit" award goes to cornerback Armando Rocha. On Crane's second to last possession Rocha made a huge stop when Crane ran a tight end screen on fourth down and seven. Rocha came up from his cornerback position to stuff the tight end for a one yard loss and turn the ball over to the Wolves with only 1:41 to go in the game. Congratulations!

Special teams player of the week

Chris Valenzuela wins the special team player of the week award. He made two big tackles on kick-offs as well as recovering one of Crane's on-side kicks.

Soliz receives honorable mention

Westbrook's Vincent Soliz has once again received player of the week honorable mention honors for his efforts in the Wildcats 72-26 win over Loraine last Friday. Soliz was 13 for 24 passing for 280 yards and tossed eight touchdowns. End Davy Daniel was on the other end of seven of those receptions of which three went for touchdowns. Congratulations to these athletes.

Optimist Club Basketball meeting

Optimist Club Basketball will hold their first meeting on October 22, 1997, at 7 p.m. at the C.C. Thompson Room of the City National Bank. Election of officers will be held. Anyone interested in holding an office or coaching a team is requested to there.

Seats available

Seats are available on a charter bus to the Kermit football game at \$20 each. For more information contact Mark Fambro at 728-5012.

Co-ed Volleyball Tournament

The U.T.P.B. Kinesiology Club is hosting a Co-ed volleyball tournament on Saturday, November 1, 1997. Entry fee is \$80 per team and the deadline to enter is October 29. Play will be on the campus of U.T.P.B. in Odessa and played on three courts. There will be two divisions—intermediate and power. T-shirts will be awarded for first and second in each division. For more information call (915) 552-2335 or (915) 552-2336.

Booster club

The Wolves Booster Club is selling T-shirts for \$10 each. For more information, call Donna Boyd at 728-8634. The booster club is also selling red and back coats at \$30 each, limited supply. Call Lulu Boyd at 728-8393 to place your order.

Hunter's appreciation dinner to be held Sat., November 1

The Colorado City Area Chamber of Commerce will have its 6th Annual Hunter's Appreciation Dinner at the Railroad Building located at 1st and Elm in downtown Colorado City on Saturday, November 1, 1997 from 6:30-8:00 p.m.

A catered barbecue meal will be served, and more than 25 door prizes and gifts will be given away throughout the evening. Door prizes include: a deer feeder, binoculars, rifle case, field dressing kit, sleeping bag, and the grand prize donated by Fuller Foods, is a Winchester Classic Featherweight 270 hunting rifle.

Tickets for the dinner are available at the Chamber for \$5.00 each. Call the Chamber of Commerce at (915) 728-3403 for more information.

Big district shootout...

Wildcats face Borden County

The Westbrook Wildcats go on the road this Friday night to take on district leading Borden County. The Coyotes handed Westbrook its only loss last year.

Despite the one loss Westbrook stayed at home for the play-offs because Westbrook, Highland, and Borden County all finished district play with

identical 4-1 records which forced a coin flip. Westbrook was odd man out and stayed home with a 9-1 season record and state ranked.

Though Borden County comes into the game ranked #3 in the state, the Wildcats aren't intimidated.

"We are confident in the team's ability," said Assistant Coach Kirk Stowers. "If we

don't shut our own selves down we feel like we can play with anybody. We expect a hard-fought game with lots of points on the board. It could come down to who has the ball last."

Westbrook is 5-2 (2-0 in district) while Borden County is 7-0 (2-0 in district).

Kick off is set for 7:30 p.m. at Coyote Field in Gail.

Pee Wee Superbowl this Saturday

The 49ers defeated the Cowboys and the Packers beat the Steelers in the last week of the regular season of Pee Wee football last Saturday in Wolf Stadium.

The Packers and 49ers finished the season 5-1 to top the

league standings. The Steelers and the Cowboys finished 1-5.

The Pee Wee Super Bowl will be played this Saturday at

Wolf Stadium, with the Packers taking on the 49ers in the title game at 3 p.m. The game will

be preceded by the consolation game, which will pit the Cowboys against the Steelers at 1 p.m.

The concession stand will be open. All spectators must use the north west gate to enter the stadium.

8th grade "A" team loses; "B" team wins

The Colorado City 8th grade "A" volleyball team lost their matches last Monday

in Colorado City by scores of 7-15, 13-15 to Big Spring. "A" team scorers were Rita

Luera with six points and Kassi Redwine with five points. Coach Anita Graham had high praise for Kandon McGuffin, Chelsea Jones, Rebecca Ornelas, Haley Stepp, and Becky Eades for some great saves and hits.

The 8th grade "B" team won over Big Spring by scores of 0-15, 15-12, 15-7. Scoring for the "B" team were Deanna Moody with five points, Rita Garcia with seven points, Chelsea Strunk with five points, and Kasandra Raymond with five points.

Lorraine News

By Bessie Ann Vaughn

All the talk on television about El Nino waiting in the wings to possibly blast us with floods, drought or excessive snow storms is unsettling to say the least. I suppose the thing to do is take heed from the Boy Scout creed and "be prepared". Bury more nuts and chop more wood.

The recent beautiful new moon has helped us think of nature's beauty instead of her hazards.

Cousins congregating for a get together Thursday night at the Sportsman's Club Restaurant were Toby and Blanche Preston, Delmar and Elouise McDaniel, Shirley Graham, Sug Bynum, Mr. and Mrs. Jack Strain and Tharon and Doris Henderson.

A good time was had by all.

Kenneth and Shirley Kendall, Loraine, have bought the Royce Beights home on Lightfoot. We hate to lose our friends and neighbors, Neysa and Royce Beights, but happy that the Kendalls' plan to retire in Loraine (though not

anytime soon, we hope). He does a great job at school.

The Beights will move to Lake Brownwood. Good luck and good fishing to them.

On October 18, Danny Butler joined Paul and Dawn Kropp in Abilene at the HSU homecoming football game for his 24th alumni reunion. While at the game, he visited with former Lorainians Hal and Dale Haralson.

We have concerns for Mable Graham at this time. She recently had bypass heart surgery and was recuperating at her home. She is now in the Mitchell County Hospital with other problems. Well wishes to her.

Last Sunday morning Lay Leader Kenneth Kendall presided over the morning worship service at First United Methodist Church.

Jason Kendall brought the message in the absence of Rev. Glenda Johnson, who was ill.

Saturday, Oct. 18, Pam and Juanice Butler joined Danny Butler and Dawn Kropp for dinner in Abilene, later attending the 37th HSU All Sing Song sponsored by Paul Kropp's fraternity.

Prior to the sing-song, the Butlers saw Richard Irwin from North Carolina, brother of the late Max Irwin (Kennie Sue Irwin's husband).

Richard invited the Butlers' to his class reunion where they enjoyed visiting with Hal Haralson, who received the most prestigious Keeter Alumni Award.

They also visited with Bob Trumaine (who coached at LHS in '57 and '58), Glen Bratcher, Ann Bright and other classmates of Kennie Sue.

Pat Maynard from Whitesboro was here Wednesday to attend Kay Maynard's funeral.

Last Saturday night, Oct. 18, Iris Preston and Chrystene Hall accompanied the Harold Preston's and Cherith Bolanger to the engagement announcement party for Shona Sugarek and Matt Preston. It was held at the home of Mr. and Mrs. Bill Harris of Brownwood, Texas.

The wedding date is set for Jan 24, 1998 at Logsvon Chapel at HSU.

Irene Kidd, recuperating from knee replacement surgery, is now at her daughter's home in Lubbock for further therapy treatments. At last report she was doing fairly well. We wish her a speedy recovery.

Austin attorney Hal Haralson, a former Lorainian, was named Saturday as the winner of the John Keeter, Jr. Alumni Award, the highest honor given to a former

student at HSU.

The award of merit is given to the former student who has contributed most in his field of endeavor toward the betterment of his alma mater (Alpha Chi). Mr. Haralson formerly served churches in Abilene, Breckenridge and in New Mexico as pastor or youth director.

LORAINA MANOR
Judy Pennington from Loraine Manor reports that things are going fairly well at the nursing home.

Lola Jackson has been released from the hospital - so at this time, no resident is hospitalized.

There is only one birthday in October and it belongs to Pauline Russell. Her birthday was on Oct. 8, but the party will be held on the 27th.

Residents and staff are still working toward a big October Fall Festival.

Jeff Woodell is still on hiatus at last report.

Table games and singing are still popular.

Residents enjoy your visits. That's all for now!

SENIOR CENTER NEWS
On Oct. 15, Gus Armstrong gave a slide presentation of a working trip to Teller, Alaska in

1976 for Amarada Petroleum Co. He pulled a boat filled with equipment from Tulsa to Tiller. The

company was searching for marine gold and they also built a Texas tower out in the coast while there.

The pictures showed a very rough route that Gus had to take to reach his destination. The scenery along the way was very interesting. His presentation was interesting.

In last week's Senior Center News, I left out one of our models that was with the group that went to the Snyder Senior Center. The pretty model was Wanza Graham wearing an evening tea dress. (You guessed it, tea bags were hanging and dangling from every part of her ensemble, designed by Mr. Lipton).

On Friday, Oct. 17, show and tell was held at the center. Needlework items were the items of the day. There were plenty to look at, including quilts, crochet, knitting, laces, embroidery, and crewel, etc.

Monday, Oct. 20 was poetry reading day. People read their favorite poems. Taking part in the program were Ruth Richburg, Pauline Smiley, Gus Armstrong, Juanice Butler, Allie Wiggins, Doris Henderson, Nola Taylor, Louis Small and Joy Dickenson.

MORE BIBLICAL BLOOPERS
(Just for fun)

Biblical bloopers from a First Presbyterian Church made by Sunday School students...

Adam and Eve were created from an apple tree.

Moses led the Hebrews to the

Red Sea where they made unleavened bread which is bread without any ingredients.

Sampson slayed Phillipeans with the axe of Apostles.

A christian should have only one wife which is called monogamy.

St. Paul "cavorted" to Chris-

tianity. He preached holy acrimony, which is another name for marriage.

Noah's wife was called Joan of Ark.

Jonah made a whale burp.

Take good care and see you about town.

GEO BUCKLE GIANT

Moisture absorbing nylon lining.

All hooks & eyelets are "crimped" onto steel washers rather than directly to the leather making them virtually indestructible.

Unique lacing system maximizes flexibility.

Oil resistant stitched rubber rand is attached separately for true mud guard protection.

Moisture absorbing nylon covered cushion insole for comfort.

Genuine, repairable Goodyear Welt construction for optimum durability.

Padded collar adds comfort around the ankles.

Buttersoft pliable real work shoe leather (not lightweight imitations) requires no "breaking-in" due to abundance of added oils.

Double rivet cinch hook provides more secure lacing.

Long wearing, oil resistant, polyurethane outsole reduces weight and increases shock absorbency.
