Tahoka's Exes Hold Homecoming Today

Homecoming will be kicked off today for Tahoka High School ex-students and ex-teachers at 1:30 p. m. in the high school auditorium and the event will feature a program with Dr. Conrad Lam as speaker, get-together, banquet, the Tahoka-Slaton football game, and the crowning of the 1961 football queen.

Dr. Lam will speak at 2:00 p. m. in the auditorium when the Student Council, of which Perry Flippin is president, entertains the exes with a program and pep rally. The program is open to everyone wishing to attend, whether or not they are ex-students. Of Detroit, Mich., Dr. Lam is internationally known as a leading heart surgeon and is head of the heart surgery department in Henry Ford Hospital in that city. He is a 1922 graduate of Tahoka High School and his class is taking the opportunity to hold its reunion.

At the first conference football game of the year, the 1961 football queen, whose identity is a secret, will be crowned. Candidates for the honor include Kay Halameck and Donna Copelin, both senior students; Brooksie Reece, a junior; and Patricia Sikes, a sophomore.

Game time is 7:30 p. m., as will be all conference games this year. Ex-lettermen will receive free tickets to the game if they contact Athletic Director Jake Jacobs at the program or at the east gate at game time.

Registration will begin at 1:30 p. m. in the high school auditorium and following the afternoon's program the City Legion building will be open so that exes may visit. At 6:00 p. m. a banquet will be held at that location, and Rufus Slover, president of the Ex-Students Association, says that the meal will be over in time for everyone to attend the game. However, for the convenience of those who do not wish to attend the game, the building will be open during that time also.

Dr. Lam will be introduced by another member of the class of (Cont'd. on Back Page)

John C. Berry Rites Thursday

John C. Berry, 77, pioneer citizen of Draw community who has been living in Lubbock the past seven years, died Wednesday at 4:10 a. m. in West Texas Hospital in Lubbock.

Funeral services were held at 2:00 p. m. Thursday in Draw Methodist Church with Rev. C. R. Smelser, pastor, and Rev. Bruce Giles, pastor of Flint Avenue Baptist Church in Lubbock, officiating. Burial was in Draw Cemetery under direction of Stanley Funeral Home.

John Cleveland Berry was born in Henrietta on August 6, 1884. He came to Lynn county in 1906 from Oklahoma, and was married in Tahoka on May 19, 1907, to Miss Georgia Elizabeth Beach. Mrs. Berry passed away in August, 1954.

Mr. Berry engaged in farming a number of years, and for 18 years prior to his retirement he operated road machinery in Precinct 2, Lynn county.

He was long a member of Redwine Baptist Church.

Survivors include one daughter, Mrs. Ivy Eldridge, with whom he lived at 2901 Harvard street in Lubbock; one grandson, John Eldridge, Lubbock; one granddaughter, Mrs. Ruth Newsom of Yuma, Ariz.; three great grandchildren; and one sister, Mrs. Leona Simpson of Lubbock.

Palbearers were J. W. Tucker, Jack Walker, Arthur Romines, Bill Simpson, James Rains and Clarence Simpson. Honorary palbearers included A. J. Rains, G. T. Galneau, Ralph Beach, Wallace Rains, W. H. Berry, Alex Berry and Burl Moore.

Piggly Wiggly Opens New Store

Piggly Wiggly No. 2 is holding its formal opening this Friday and Saturday in the new building just completed on Main street on the site of the old Pk & Pak store. There will be many door prizes for those attending the opening.

Turner Rogers is partner and manager of the firm. The building was erected by W. T. Kidwell and is modern in every respect. The 58 by 60-foot structure contains about 3,600 square feet of floor space, complete with meat and vegetable departments, ice vault, store room, air conditioning, and other modern features. A large paved off-street parking space is provided.

Rogers has had long experience in the food business here. He was with W. T. Kidwell at Piggly Wiggly for eight years, owned and operated the locker plant and delicatessen for seven years, selling the latter back to A. L. Smith last December. In April of this year, he bought an interest in the Pk & Pak business.

Kidwell came to Tahoka in 1938, opening a small grocery store on (Cont'd. on Back Page)

Show Livestock At State Fair

Lynn county 4-H and FFA club members will be showing livestock in the Junior Livestock Show of the State Fair of Texas next Wednesday and Thursday.

County Agent Bill Griffin says 4-H club members will leave here Sunday at 1:30 p. m. with 40 head of pigs for showing.

Bobby Lee and his FFA boys of Wilson High School expect to show 49 head of hogs.

James W. Reed, vocational agriculture teacher at O'Donnell, will take a number of sheep to the show.

Lester Adams of the Tahoka Vocational Agriculture department says the following local boys are taking sixteen pigs to the fair, leaving Sunday: Joe Cervantez, Billy Davis, Jackie Gage, Jack Flippin, John Freddy Thomas, J. E. Birdwell, and Robert Hinkle.

Local Men Called Back Into Army

Several Lynn county men have been called to active duty with the United States Army to fill in the 49th unit where reservists have failed their physical examinations.

Tahoka men include Leonard Dunn, Steve Slover, Donald Renfro, Leon Anderson, Dwayne McNeely, Dwain McMillan, R. H. Carlisle, and Roger Hensley. J. W. Putman of O'Donnell has also been called and probably others from that area have been also.

The group will report to Fort Hood, Texas on Oct. 26 and to Fort Polk, La. later in the month.

They will report for active duty for one year.

Music Director Is Hired By Church

The First Baptist Church has extended a call to James Hollars to come as minister of music and education. He will be moving to Tahoka with his wife, Nettie, and two-year-old daughter, Jeannette, next week.

Mr. Hollars is presently youth director and director of the youth and intermediate choirs of the Highland Baptist Church of Lubbock, and is a senior at Texas Tech.

The church is having the interior of the music director's home at 1801 North Sixth completely refinished.

1961 BAND SWEETHEART is Miss Diane Fails, center, who is a senior student in Tahoka High School and the daughter of Mr. and Mrs. C. J. Fails, Jr. Other candidates for the honor are Miss Sue Walker, left, and Miss Donna Copelin, right. The sweetheart was crowned at half time activities of the Tahoka-Petersburg game last Friday night. Tahoka Bulldogs Will Play Slaton Tigers Here Today

Slaton Tigers and Tahoka Bulldogs open the District 5-AA conference season tonight at 7:30 o'clock, a half hour earlier than previous games this year, on the local field.

The Bulldogs will be seeking their second victory of the season before a local homecoming crowd that will contain many ex-Bulldog lettermen.

The home team made a very unimpressive start in losing to Frenship 0 to 20 and to Crosbyton 0 to 19, but since then has played good football. The Bulldogs lost to O'Donnell 0 to 6, then won over Idalou 14 to 8, and lost next to Ralls 8 to 15 and Petersburg 7 to 13.

Slaton has played tougher competition, as a whole. The Tigers lost their first game to Canyon 6 to 50, whipped Idalou next 12 to 6, dropped a game to Rotan 0 to 25, turned about-face and defeated Frenship 30 to 18, then lost to Crosbyton 8 to 31 and Lockney 8 to 30.

Like Tahoka, Slaton has been down in football for several years, but Coach M. W. Kerr has some potentially good boys who will be out to spoil Tahoka's homecoming. Kerr has predicted Slaton will not finish at the bottom in district standings.

Among the eight returning lettermen are Quarterback Webber Tefertiller, 145 pound junior; and Backs Kelly Bounds, 165, and Steve Ball, 165, also juniors.

Both guards, both tackles, and one end are also lettermen. The end is Gregg Nowlin, 145, junior; the tackles, Billy Patterson, 225, senior; and Tommy Simmons, 180, junior. The guards are John George, 150, and Paul Dubbs, 150, both juniors.

Other possible starters include: End Bruce Pember, 140, sophomore; Ascension Perez, 130, a sophomore guard; Center Jim Chriesman, 210, sophomore; and Ronney Edwards, 150, junior, a halfback.

Tahoka has been hurt by injuries, the latest being End Perry Flippin and Lineman Gary Grogan, both with shoulder injuries.

Jimmy Dulin Has Penny Made In 1818

Jimmy Dulin a few days ago bought a 1818 U. S. penny from a Mexican who he thinks may be a rare coin.

The penny is nearly as big as a half dollar. Jim wonders if anyone in the area knows anything about the value of a penny minted in 1818.

Mrs. Irving Stewart is a patient in Tahoka Hospital, where she was admitted Wednesday.

Diane Fails Is Band Sweetheart

Miss Diane Fails was crowned Band Sweetheart during halftime activities last Friday night at the Tahoka-Petersburg football game. She is a senior student of Tahoka High School and the daughter of Mr. and Mrs. C. J. Fails, Jr., of route 5.

Other candidates were Misses Sue Walker, daughter of Mr. and Mrs. Perry Walker, and Donna Copelin, daughter of Mr. and Mrs. E. W. Copelin. Both are seniors.

Members of the band escorted the three candidates to the center of the field. The sweetheart was escorted by Tim Tippet, Miss Walker by Townes Walker, and Miss Copelin by Lester Ford.

The new Band Sweetheart is also drum major of the Bulldog Band. Taking her place during coronation ceremonies was Roger Renfro. The other candidates are also band members.

Cotton Harvest Is Still Slow

Warm weather has been of great benefit to late crops this week, but damp mornings have slowed down cotton harvest in Lynn county. Many farmers are in the process of using defoliators so that machines may be used to gather cotton.

Thursday morning, Tahoka's four gins had processed a total of 4,175 bales of cotton, about 1,000 more than that reported last week when 3,155 bales had been ginned. The report shows, however, that ginning slowed down one-third this week since 1,570 were ginned the week before.

The O'Donnell Index Press reported slightly over 2800 bales had been ginned there Wednesday morning. Cotton in that area is very late and opening slowly because of the cool nights.

Sweet Street Will Have Layman's Day

Layman's Day will be held at Sweet Street Baptist Church Sunday, Oct. 15. Men of the church will have complete charge of the services.

In the morning worship hour T. D. Dunlap will give the devotion and H. L. Duckett will deliver the message. W. I. Lemón will render special music and Dee Boone will lead the singing.

Bert Stice will give the devotion in the evening service. Mr. Boone the message. Singing will be led by Mr. Duckett, and he, E. M. Hammonds Jr., and James Gage will present the special music.

All members of the church are urged to be present for the special services Sunday, and all visitors are welcome.

Prospects Dim For Change In Highway

Farm Bureau's Meeting Monday

Annual meeting of Lynn County Farm Bureau will be held Monday night, Oct. 16, beginning at 7:30 o'clock, in the directors room of the Lyntegar building.

Resolutions are to be presented, discussed, and voted upon, and four directors are to be elected. The terms of Don R. Smith, Leland White, Bertice Askew, and Dwight Corbell expire at this time.

Present officers are: Don Smith, president; Leland White, vice president; Earl Cummings, secretary; Loyd R. McCormick Jr., Bertice Askew, Dwight Corbell, T. B. Mason, Ward Eakin, A. L. White, Lois Smelser, and Woodrow Brewer, directors. Officers are elected by the board.

All members and all those interested in the program are urged to be present and help formulate the policies of this largest of American farm organizations.

Coffee and doughnuts will be served.

New Teachers Are Employed

Two new teachers have been elected to teach in the Tahoka public schools, Supt. Otis Spears announced this week.

Mrs. Jimmie Nelson, who has a bachelor's degree from Peabody College has been elected to teach in the fifth grade. She has four years teaching experience and has worked for several years in the registrar's office of Peabody College. Her husband, John U. Nelson, is one of Lynn county's counselors who works on a cooperative basis with this and other county schools.

The couple has lived at New Home but has now moved to Tahoka.

Jack Giles has been elected to teach history, reading and spelling in the eighth grade. A graduate of Texas Tech with a bachelor's degree, he taught one year at the Sands Consolidated Schools in Ackerly. More recently he has been working with the Prudential Life Insurance Co. in Lubbock. He and his wife will move to Tahoka this week end and he will report to classes on Monday morning. Mrs. Giles is a trained secretary.

David Bray Given Invitation To Meet On Foreign Policy

David Bray, co-chairman of the Forum Committee at Southern Methodist University, has been invited by Chester Bowles, Under Secretary of State, to attend a Foreign Policy Briefing Conference in Dallas on Friday, Oct. 27.

The conference is being sponsored by the Department of State and the Dallas United Nations Association for editors, broadcasters, and organization leaders throughout the United States to examine current international problems and to provide opportunity for discussion.

David is a junior in SMU, a graduate of Tahoka High School, and the son of Mr. and Mrs. A. M. Bray of Tahoka.

Special School Plans Bake Sale

A bake sale featuring all home-baked goods and no mixes used will be held Saturday, Oct. 14, from 9:00 until 11:30 a. m. at the Southwestern Public Service Co. office, 1531 Sweet J. The event is being sponsored by the Special School mothers. Everyone is cordially invited to come by and pick up something special for their week end meals.

There seems to be little prospect of changing the proposed route of US 87 four-lane divided highway through Tahoka is the gist of studies made by the Tahoka City Council and its legal representatives.

This came out at a special meeting of the Council Wednesday night. Some Tahoka people not satisfied with the proposed route, thinking it should go west of town, had asked that possibility of a new election on the location be called. Two or three years ago, Tahoka voted \$50,000 in bonds to secure one-fourth of the right-of-way down Doak Street, a block east of the square and the present highway. The county would pay one-fourth and the State one-half.

District Highway Engineer O. L. Crain of Lubbock recently told the Council the State and Federal governments had already approved the route, had spent approximately \$30,000 on the engineering plans, and would proceed with the plans or abandon the project. Nearly \$700,000 has been appropriated for the project, he said, and if Tahoka does not want the road the funds must be transferred elsewhere very soon.

Mitchell Williams, local attorney, was employed by the City to study prospects of another election. After conferring with the Attorney General of Texas and the General Counsel of the League of Texas Municipalities, he made his report to the Council at the meeting Wednesday night.

He declared there is no authority for the people of Tahoka to determine the right-of-way route, another election would be merely a straw vote, and such an election could be enjoined as an unauthorized expenditure of public funds.

He said decision as to whether or not to locate the highway at its proposed site is largely a governmental decision. The City of Tahoka has already entered into a contractual agreement with the State Highway Department and Lynn County on the present route, agreeing to pay its proportionate part, and that this contract is binding. The State could drop the project if it desired.

If the proposed route were abandoned, the question arises as to what may be done with the bond money. State and Municipal legal authorities told Williams use of the bond money for any other purpose other than for right-of-way and costs thereof probably would be unlawful diversion of funds, although the bond issue was designated for "street improvements," the election notice publicity given in the press clearly indicated the fact that it was intended for highway right-of-way. Furthermore, there is no provision for recall of such bond issues.

Williams, however, suggested that if the project is abandoned the Council consult bond attorneys due to the very technical aspects of the subject.

Mayor Mel Leslie was authorized to confer with county officials regarding a representative to work on the right-of-way.

College Chorus Will Sing Here

The A Cappella Chorus of Lubbock Christian College will have charge of the Wednesday night worship service at Tahoka Church of Christ on October 18. Time for the meeting is 7:30 p. m.

Following the service, refreshments will be served the members of the group at the City-Legion Bldg., of which Mrs. G. H. Chestnut will have charge.

Don Browning, minister of the local church, says that everyone is invited to attend the Wednesday night service.

A pond to provide livestock water has been built on the Elbert Crawford farm located two miles south and one and one-half miles west of Draw. It is being cost-shared under the Great Plains Conservation Program.

A basic conservation plan is being developed on land farmed by R. A. Lamb near Wayside. In order to control washing caused from water received from an adjoining farm, a diversion and waterway system will be constructed to direct this water into a lake bed.

Boyd Barnes, who farms at Draw, was selected as a member of the Lynn County Soil Conservation District Board of Supervisors as the result of an election held Oct. 3. He succeeds the position held by W. L. (Cap) Rowe, whose term has expired.

A basic conservation plan was recently developed on the Reuben Sander farm located four miles north of Wilson. It will include the installation of underground irrigation pipeline together with a rotation of cotton with grain sorghum and management of crop residues to help prevent blowing.

Also included is a design of an irrigation system which will insure efficient use of irrigation water.

A Great Plains Conservation plan is being developed on the Cass O. Edwards land located three miles south of New Home and farmed by Dick Turner. The plan will include a system of level, ridge-type terraces, contour farming and a rotation of cotton and grain sorghum. Residues of grain sorghum will be managed on the soil surface to aid in the control of wind erosion.

KENT GIBSON

Kent Gibson Now At Fort Gordon

Fort Gordon, Ga.—Pvt. Kent G. Gibson, son of Mr. and Mrs. Randall H. Gibson, Tahoka, recently completed the teletype operation course at the Army Signal Training Center, Fort Gordon, Ga.

During the eight-week course, Gibson was trained to receive and disseminate communications using the standard teletype set with military keyboard. He entered the Army last April and received basic training at Fort Leonard Wood, Mo.

The 22-year-old soldier is a 1957 graduate of Tahoka High School and attended North Texas State College in Denton.

Phillips Dealers In Meeting Here

About fifty Phillips 66 jobbers and dealers from 15 towns of the Brownfield district attended a sales meeting here Tuesday night at the City-Legion building. Dinner was served the group by A. L. Smith.

Speakers at the program included: John Hansard of Brownfield, district representative of Phillips Petroleum Co.; J. A. Gilmer, assistant division engineer; Jim Shackelford, marketing assistant; Willys Clark, assistant director of safety and dealer development; and Bill Grigsby, lubrication engineer, all of Amarillo.

Towns in the district are Tahoka, Brownfield, Grassland, Post, Southland, Slaton, Wilson, New Home, Ropesville, Meadow, O'Donnell, Plains, Welch, and Seagraves.

Synthetic pile fabrics that closely resemble real fur are being used for everything imaginable—from fashions and accessories to home furnishings and rugs. A practical aspect is that many of these fake furs are safely washable in soap or detergent suds.

Former Citizen Dies In Cave-In

Dee Henry (Dick) Bradshaw, 42, son of Mrs. Susie Bradshaw of the Gordon community, and Thomas E. Burchfield, 24, both trench workers, were killed in a cave-in in Marin county, Calif. on Sept. 18.

Funeral services for Mr. Bradshaw were held Thursday in Keaton's Mortuary in San Rafael, Calif.

A third worker with the victims, Jamie Brewer, 19, was brought out alive two hours five minutes after the cave-in. Tons of dirt fell in on the three in a trench that was 14 feet deep and three feet wide. About three feet of earth covered Brewer.

Burchfield fell in a way that caused a boulder and a piece of lumber to protect Brewer. The latter's body was found about 7:00 p. m. two feet from where Burchfield had been located.

Mr. Bradshaw, a carpenter foreman, lived at 330 Grandview Ave., Black Point, and was employed by Don Presco, a San Rafael contractor. He formerly lived near the Hackberry community in Garza county and received his schooling at Dora, N. M.

Survivors of Mr. Bradshaw include his wife, Clara; four children, Sharon Sue, Linda Lou, John Dee and Laura Lee, all of the home; his mother, Mrs. Bradshaw; one sister, Mrs. Robert Lee Hagler, Rt. 2, Post; two brothers, Newton Bradshaw, Sanguis, Calif., and Thomas Bradshaw, Pelaluma, Calif. — Mrs. Susie Bradshaw, Mrs. Hagler and Miss Jean Hagler just recently returned home from California where they attended funeral services.

Mr. and Mrs. Billy Tomlinson and Gordon of Beeville were expected to arrive in Tahoka Thursday for a few days visit with their parents, Mr. and Mrs. Clint Sikes and Mr. and Mrs. G. B. Tomlinson, and to attend the homecoming activities.

US Agricultural Advance Astounding, Says Wilmer Smith In Talk Here

"We need to take an optimistic attitude toward agriculture," Wilmer Smith of New Home told Tahoka Rotarians last Thursday noon. "American agriculture has advanced more in the past 50 years than in all the prior years of our history."

Recently, he said, we retired a Secretary of Agriculture in our land where we have an abundance of all agricultural products and foods. About the same time, Russia sent its Secretary of Agriculture

to work in Siberia because the country was short on food.

This was in a nation where 45 out of every 100 people are engaged in farming, while in the U. S. only 10 in 100 people are producing this abundance.

He says one need not be so worried about Russia as long as half the people are required to produce the limited food supply.

He went on to give many interesting and encouraging facts about American farming.

Farming is the nation's biggest industry, and employs 7.4 million workers, more than are employed in the steel industry, or the automobile industry, or transportation and public utilities combined.

Our investment in agriculture exceeds \$203 billion, equal to 34 the value of current assets of all corporations in the U. S., or 34 of the market value of all corporation stocks on the New York Stock Exchange.

This agriculture investment represents \$21,300 per farm worker, as compared to \$15,900 for each worker in manufacturing industry.

A big problem is the fact that 220,000 farm youths are coming of age each year, and it takes about \$60,000 to set up an economic farm unit. Therefore, the youth has to have help from his dad, or marry a girl with a rich father to get set up on a sound farming basis.

The increase in food costs has not kept pace with the rise in prices of other products, but it costs us \$70 billion a year to eat. The farm program, including all cost some of which are not directly related to subsidizing farming, costs \$35 billion. But it has saved the American housewife \$35 billion in food costs. The public would pay dearly except for the program.

There is no place in the world where one hour's labor will buy as much food and clothing as in the U. S. The farmer spends \$25 to \$26

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

The action of the Justice Dept. in securing a Grand Jury indictment against three big U.S. combines on charges of monopolizing and price fixing practices on the three major "wonder drugs" could well become a milestone in anti-trust enforcement.

It is manifestly not proper, not fair, to attempt to predict what the verdict of a court will be in a case like this. Trial by newspaper is not in the American tradition.

But regardless of what verdict is finally given, it is quite an encouraging note that not only has the Justice Dept. taken this action of inquiry, but that Sen. Estes Kefauver has for some time been investigating the drug situation, as well as the Federal Trade Commission.

There can be no question but what America has the best medical care system in the world. In addition, people have free choice of doctors, free choice of pharmacists, with no bureaucratic control.

Yet periodically, there crops up in public life those who would change this system for some fuzzy plan in which the government would become heavily involved. The excuse always is that medical costs are too high.

There is perhaps some justification: that at times medical costs are expensive. But the unanswered question is "what

million a year for goods and services to produce crops and livestock, plus an additional \$15 billion a year for the same things city people buy—food, clothing, drugs, furniture, appliances, and other products and services.

The farmer spends \$2.5 to \$3 billion in new farm tractors and other machinery for farming, \$3.5 billion for fuel, lubricants and maintenance of farm machinery and uses more petroleum than any other single industry, \$1.5 billion for fertilizers and lime. He uses 10 percent of the nation's rubber, 320 million pounds, or enough to put tires on 6 million automobiles.

He uses enough electricity to furnish Baltimore, Chicago, Boston, Detroit, and Houston combined.

Four out of 10 jobs in private employment are related to agriculture, as 10 million have jobs storing, transporting, processing and merchandising agricultural products and 6 million people have jobs providing the supplies farm-

ers use.

Due to the advance and efficiency of farming, one hour of farm labor today produces four times as much products as it did in 1919-1920. Productivity of the American farm worker in the 1950's increased by 9 percent a year. Productivity of the American farm worker in the 1950's increased by 9 percent a year. Output per man-hour in non-agricultural industry increased by 2.5 percent a year.

One man in the U. S. feeds 24 others, while in Russia one man feeds himself and one other. Instead of being critical of American farming, we should be thankful of it.

Every one of us knows where our evening meal is coming from. There are millions around the world who will go to bed hungry. In the farming field we are so far ahead of the Soviet Union there is no comparison, and as long as we have such an agricultural lead I am not so worried about their advances in the space and atomic fields. American farming is the modern day miracle, declared Smith in closing his talk.

The program was arranged by Clint Walker, who introduced the speaker as the outstanding farm leader of this area, an advisor on cotton to the President, and also to the Senate, House, and Department of Agriculture, and the head of area and national farm organizations.

President Skiles Thomas announced the Rotary 25th anniversary banquet will be delayed until later in the year, District Governor L. E. Patterson of Midland will meet with a club assembly on Wednesday night, Nov. 1, and speak to the club on Thursday, Nov. 2. Two weeks prior to this, there will be club assembly at Dr. Thomas' home on Oct. 19.

HOUSE TOUR WILL BE HELD AT BROWNFIELD Mrs. Fred Bucy of Brownfield, in Tahoka Monday, stated that Tahoka people are invited to attend a lecture and home tour in that city Tuesday, Oct. 24, sponsored by the Brownfield Methodist WSCS.

A lecture at 2:00 p. m. will be followed by a tour of new homes. Tickets for the occasion are \$1.00 each.

Godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. (1 Timothy 6:8-7.)

Traveling in Great Britain some years ago, I stayed one day at a place called "Rest—and Be Thankful." It was a beautiful spot, and, true enough, a period of rest there could fill one's heart with appreciation of God's manifold and gracious gifts. He revealed His goodness through nature.

Often we are so anxious to grasp more of the good things and the pleasure of this world that we forget what earthly blessings we already have. A moment of quiet rest and meditation will help us to realize that our bountiful God has given us many advantages and benefits. Moments of silent reflection will give us a deep feeling of gratitude for God's manifold mercies.

Mahon Seeking Cotton Increase

Washington, D. C.—Representative George Mahon advises that he has urged Secretary of Agriculture Orville Freeman to fix the national cotton acreage allotment for the 1962 crop at a higher level than the 1961 allotment, and in no event at a lower figure. The 1961 allotment is 18,400,000 acres. The Secretary is required to make his decision by October 15.

Mahon stated that a moderate increase in 1962 over 1961 is necessary in order to make sure that the American cotton producer will be able to maintain his fair share of the world market in addition to supplying domestic needs. He said that a reduction would stimulate foreign production and be unacceptable to domestic growers.

Cotton growers and producer groups have appealed to members of Congress and government officials in regard to the cotton acreage matter. Mahon stated that he had discussed the matter with various officials of the Department of Agriculture in addition to the Secretary of Agriculture, and had wired the President and discussed the acreage situation with members of the White House staff.

Two kinds of men never get very far . . . those who can do nothing that they are told and those who can do nothing else.

Gordon-Southland

(By Mrs. Jesse A. Ward)
Mr. and Mrs. H. H. King of Lubbock spent Sunday with Mr. and Mrs. Robert Lee Hagler.

Southland and Post Past Matrons Club met in the home of Mrs. Alice Martin Monday night with 18 present. Three were initiated, those being Mmes. Karen Calloway, Willie Cross and Bobbie Oats. Hostesses assisting Mrs. Martin were Gladys Hitt and Bobbie Oats.

Sherry Bevers' 4-H Club calf was the champion at the Post 4-H Club calf show last week end. Among others from this area entering their calves were J. W. and Linda Payton, David Dabbs, Dennis McGee, Curtis Lancaster, J. W. Basinger, Peggy Bevers, Larry and Bill Bevers. Several 4-H boys and girls will go to Dallas Sunday where they will exhibit their calves at the State Fair.

Mrs. Herman Dabbs was hostess to a quilting in her home last week for benefit of the Church of Christ orphans home at Portales, N. M. Two quilts were made. Nine women gathered for lunch and five more came during the afternoon. At a previous quilting one quilt had been made.

Mr. and Mrs. Sam Martin spent from Monday until Wednesday with their son, Mr. and Mrs. Blanton Martin and Susan at Littlefield. On their return home they visited Mr. and Mrs. Adolph Kiesel at Anton and Mrs. W. A. Hamilton in Lubbock. They had dinner and spent the afternoon with Mrs. Martin's sister and brother-in-law, Mr. and Mrs. B. N. Billingsley in Lubbock.

Mr. and Mrs. J. B. Rackler, J. B. Jr. and Beverly, and Mrs. J. F. Rackler were visitors of Mr. and Mrs. Cleve Rackler in Lubbock Sunday afternoon, it being Mr. Rackler's 78th birthday. All of their children except three were present for the occasion.

Mrs. John Taylor spent last week with her daughter and son-in-law, Mr. and Mrs. Delbert Alcorn and Jan in Amarillo. The Alcorns brought Mrs. Taylor home over the week end.

Mr. and Mrs. Sam Ellis, Mr. and Mrs. Hub Haire were in San Angelo Thursday to visit Harry McDonald who had recently been in a car wreck. He came home with the Ellises for a visit while recuperating.

Mrs. Erle Boyd, Crosbyton, was a visitor of her mother, Mrs. Iva Basinger Sunday.

Janyce Ellis from West Texas State College in Canyon spent the

week end with her parents, Mr. and Mrs. Sam Ellis and family. Another daughter and son-in-law, Mr. and Mrs. Larry Alford and son from Petersburg were visitors in the Ellis home Sunday.

Among those on the sick list the past week were Mrs. Ed Denton, Mrs. Susie Bradshaw and Mrs. Robert Lee Hagler.

Mrs. Jack Myers and Mrs. Kenneth Davies were delegates from the Southland Baptist Church to the Worker's Conference held in the Arnett-Benson Baptist Church in Lubbock Monday.

The Rev. Minor from County Line was the supply preacher at the Southland Baptist Church Sunday.

Mrs. Clyde Shaw visited Mr. and Mrs. Sam Martin Saturday afternoon.

Mrs. J. W. Kuykendall spent Saturday afternoon with Mrs. Thelma Burkett.

Mr. and Mrs. Fred Myers attended the ball game at Texas Tech in Lubbock Saturday night.

Mr. and Mrs. Leonard Morris of Slaton spent Sunday afternoon in the home of her parents, Mr. and Mrs. J. W. Kuykendall.

Mr. and Mrs. Dick Mathis, Ronnie and Bonnie Lou from Abilene spent Sunday with his mother, Mrs. L. B. Mathis, Marie and Carolyn Sue Kaysinger, and visited his uncle and aunt in Slaton, Mr. and Mrs. Walter Kellum. Mr. Kellum is still in the hospital in Slaton and is able to sit up a little at this writing.

Mr. and Mrs. Sam Ellis visited his aunt, Mrs. Coke Fullingim at Petersburg last week.

Mrs. Lavern Duniphin, Joyce, Mike, Rickie and Debbie from Seagraves spent the week with her mother, Mrs. Agnes Rinker and grandparents, Mr. and Mrs. T. L. Barnes.

Jean Hagler was a Sunday dinner guest of Brenda Dabbs.

Recently Mrs. Sam Martin, Mrs. G. N. Smallwood and Mrs. G. D. Ellis spent a day in Lubbock and attended the Panhandle - South Plains Fair.

Mrs. Claude Roper and her mother, Mrs. J. F. Rackler visited Mrs. Harrison Davis at Garnolia Thursday afternoon. Mrs. Davis recently underwent surgery in West Texas Hospital in Lubbock.

Mrs. S. D. Martin visited Mrs. George Baker Friday afternoon. Mrs. Baker is now up and doing fine after undergoing surgery in Mercy Hospital in Slaton.

Mrs. Ed Denton's niece and husband, Mr. and Mrs. Mike Adams from Roswell, N. M. spent Thursday night in the home of Mr. and Mrs. Denton.

Ed Milliken has had an x-ray treatment for a place on his nose. The last few days he had suffered quite a bit of pain. He reported back to his doctor Tuesday for a check up. Sunday afternoon visitors of the Millikens were Mr. and Mrs. Bryan Shaw, Mrs. D. H. Hatchett from Lubbock, and Mr. and Mrs. Clyde Shaw.

Mrs. Agnes Rinker and her grandchildren, Johnny, Richard and Kathy Davis of Lubbock spent last week with Mrs. Rinker's daughter, Mrs. Laverne Duniphin, Joyce, Mike, Rickie and Debbie at Seagraves. Mrs. Rinker is spending the week in Lubbock with another daughter, Mr. and Mrs. J. T. Davis and family.

Visiting in the home of Mrs. J. F. Rackler recently were Elder and Mrs. James B. Vickers of Lubbock. Elder Vickers is a former pastor of the New Lynn Baptist Church.

Dick Denton of Lockney was a visitor in the home of his parents, Mr. and Mrs. Ed Denton last week. Ned Myers, Garden City, had supper and a visit with his parents, Mr. and Mrs. Jack Myers Friday night.

Elder and Mrs. Gary Hensley of Lubbock, pastor of New Lynn Baptist Church, were Sunday guests of Mr. and Mrs. J. B. Rackler.

Mrs. Jack Myers and Mrs. Sam Ellis spent Monday of last week in Lubbock.

Mr. and Mrs. Donald Pennell went to Oklahoma City Thursday night of last week.

Homemakers now demand built-in maid service in the food they buy and it costs them more.

These services include more grading, packaging, processing, storage, and other operations. They have nearly doubled since 1940, according to the U. S. Department of Agriculture.

The USDA says at least half the cost of meals is for preparation and service of food. This includes cost of meals not eaten at home—now at the rate of about one out of every four.

Housewives, of course, are buying freedom from kitchen chores—food with less waste and requiring less trimming, sorting, or washing.

Three ready-to-serve meals, costing \$8.70 for a family of four, could be prepared in the home kitchen for \$4.50.

It would take the housewife about 5½ hours to prepare the home-cooked meals. She would need only 1½ hours, however, for the ready-to-serve meals.

In many cases, furthermore, convenience foods save money as well as time.

THE INDIANS ARE HERE!

from

Paymaster SEED FARMS

The Plains are abuzz with the prospect of next season's plantings of Paymaster's newly announced hybrid sorghums—The Indians.

Seedmen were introduced recently to this complete line of closed-pedigree seeds

developed by Paymaster Seed Farms at Plainview; these seeds are now released for sale on the Plains and elsewhere throughout the sorghum belt.

Farmers are expressing keen interest in them.

• Five New Combine-Type Sorghum Hybrids.

These five Indians—Ute, Comanche, Apache, Kiowa and Cheyenne—have been bred, tested, developed and processed to give farmers a wide variety of performance choice. Each is adapted to special needs, soils, climates and maturity rates.

• 3 Little Indians.

This is a new kind of forage sorghum that is a blend of strains and varieties adapted to many soils and climates.

• And Cotton Planting Seeds, Too!

Paymaster's long-time research program in the development of cotton seeds has produced outstanding varieties—Paymaster "88-90" and Paymaster "101-A" and "54-B." Ask about them.

• Sweet Sioux.

This is a sorgo x Sudangrass hybrid that provides an innovation in performance; increases in forage yields and grazing value up to 70% have been recorded in field tests.

• Crop Guard.

This is the "workhorse" of the new line—a sterile seed that grows tall to protect young, tender vegetation from winds, and grows a useful forage crop as an added benefit.

Flower Arranging Will Be Shown

The fundamentals of flower arranging will be demonstrated by Mrs. Joe Bob Billman Tuesday, Oct. 17 at 8:30 p. m. in the Lynteg assembly room, according to an announcement made by Mrs. Connie Anderson, county home demonstration agent.

Mrs. Billman will make two arrangements, one using dried materials and the other on using artificial materials. During and after the demonstrations questions will be welcome.

After the demonstration, Mrs. Anderson will show a series of 15 slides on Christmas arrangements.

The public is invited to attend.

Six Tables Play Bridge Thursday

Six tables of players attended party bridge at T-Bar Country Club Thursday night of last week when guest night was held.

Mrs. Frank Hill won first place and Maurice Small was second.

This Thursday night Mr. and Mrs. Wade Holland were to be hosts. Next week hosts will be Mr. and Mrs. Calloway Huffaker.

FHA Girls Select District Nominees

Current officers of the Tahoka chapter of Future Homemakers of America and candidates for State degrees met in the high school auditorium Tuesday.

Purpose of the meeting was to select nominees for Area II and District III offices.

Sarah Wells, daughter of Mr. and Mrs. George C. Wells, was selected to represent Tahoka in area nomination. Carolyn Howard, daughter of Mr. and Mrs. O. D. Howard, was selected to represent the local chapter as a district nominee.

Draw Club Meets With Mrs. McKay

Mrs. Louis McKay was hostess to the Draw Home Demonstration Club Tuesday, Oct. 10.

Following a business session, Mrs. A. R. Hensley presented a program on fire safety in conjunction with National Fire Prevention Week.

Refreshments were served to eleven members and two visitors, the latter being Mrs. Lula Busby of Dallas and Mrs. Nora Cannon of Mt. Vernon.

Rebekahs Plan Rummage Sale

Tahoka Rebekah Lodge No. 209 met at 7:30 p. m. Tuesday night in the I.O.O.F. hall with Noble Grand Louise Wyatt presiding. The ladies made plans for a rummage sale Saturday, Oct. 14, and also are making plans for Thanksgiving.

Mrs. Maurine McClellan says that the local lodge is selling cook books for a charge of \$1.00, and anyone wishing to buy or look at one of the books should contact a Rebekah.

The local Rebekahs at their last meeting took a love offering for Johnny Dotson, 18-month-old son of Mr. and Mrs. L. V. Dotson. The youth spent several weeks the past summer in Tahoka Hospital and has been sent to a special hospital to receive treatment. Johnny is suffering from collagen, a rare disease in the connecting tissues.

Next meeting night of Tahoka Rebekah Lodge will be Oct. 24 when the Rebekah degree will be conferred.

Cafeteria Menus For Next Week

Mrs. Warren Smith, program supervisor of the Tahoka School Cafeteria, releases the following menu to be served during the week of Oct. 16-20:

Monday: Baked ham, glazed yams, tossed salad, cream potatoes, apple sauce, rolls, butter and milk.

Tuesday: Spanish rice, navy beans, buttered cabbage, sunglow salad, whole-wheat bread, butter, chocolate cake and milk.

Wednesday: Fish with tartar sauce, creamed English peas, buttered corn, cherry pie, bread and milk.

Thursday: Pinto beans, spinach, harvered beets, new potatoes with cheese sauce, corn bread, butter and milk.

Friday: Hamburgers, onions, lettuce, tomatoes, baked potatoes, banana pudding, and milk.

Special Meeting Of VFW Auxiliary

The V. F. W. Auxiliary will have a special meeting with a school of instruction on the next regular meeting night, Monday, Oct. 16 at 7:30 p. m. in the City-Legion building.

District President Marge Whitten of Seagraves and Past District Presidents Nannie Young of Lubbock and Fern Park of Brownfield will be guests. The Lubbock auxiliary will present the floor work at which time there will be two new members initiated into the local auxiliary.

Mrs. Eulalia Richardson, president, urges every member of the Tahoka auxiliary, to be present.

Bridge Group Plans Individual Session

Next Tuesday night's duplicate bridge session at T-Bar Country Club will be an individual contest with every player on his own, announces Mrs. Jess Gurley, director.

Winners in play last Tuesday night were: Mrs. Oscar C. Roberts and Mrs. Winston Wharton, first; Mrs. Clint Walker and Frank Hill, second; and Roy Owens of Lamesa and Mrs. Johnny Wells, third.

Mrs. F. E. (Vesta) Redwine left Sunday to visit a few weeks in Belen and Silver City, N. M., and Douglas, Arizona.

Everyday Religion

By J. B. Thompson

In the Six Flags over Texas amusement park one of the rides entrance has a line painted at a certain height with the directive, "If you are this high you can ride." It was fascinating to watch the children measure themselves and go on in to enjoy the ride, or walk dejectedly away.

There is a parable here for us all. "If you are this high you can ride." If you are tall enough you can be a part of life's opportunities and privileges.

Edna St. Vincent Milley in his book of poems called "The Harp Weavers" has a poem entitled "The Concert." In the poem two lovers are discussing attending a concert. The boy did not want to go and did not want the girl to go alone (typical man). She finally said, "Come now, be content, I shall be a little taller than when I went."

There are many things that make us taller; that make us grow. For one thing, to believe we can grow; can become better, is a prime necessity. A distraught woman said to a counselor, "If you tell

O'Donnell Exes Meeting Today

O'Donnell High School is today, Friday, observing its annual homecoming with activities planned throughout the afternoon, states Mrs. Cecil Dorman, president of the O'Donnell Ex-Students Association.

Honorary class this year will be the class of 1936. Speaker for the 6:00 p. m. banquet is to be S. F. Johnson, former O'Donnell superintendent and now of Plainview. Plates will be \$2.00 each for the banquet, all tickets to be sold at the door. Dinner music will be furnished by Janice Clayton and Carol Moore. Menu will consist of glazed baked ham.

Schedule of activities is: 2:15 p. m., business meeting in auditorium; 2:45 p. m., pep rally in auditorium; 6:00 p. m., banquet in cafeteria; 8:00 p. m., O'Donnell Sundown game; and 10:00 p. m., recreation and refreshments in Community Center.

Hulon Bolch is vice president, and Mrs. Maurice Jackson is secretary of the Ex-Students Association.

Junior Teams Take Frenship

The eighth graders took a 12-0 victory over Frenship Tuesday night and the seventh grade barely slipped by with a 8-6 win.

Dickie Davis made two touchdowns for the eighth graders in the second half to make Tahoka's 12 points but both extra point attempts failed. Making outstanding runs in the game were Gary Tomlinson and Frankie Stanley. Half time score was 0-0.

Frenship threatened once or twice but were held by the eighth graders. Looking good on defense were Harlan Curry and Clarence Long.

The seventh grade, suffering from a case of overconfidence, nearly slipped up and actually seemed to have more luck than ability in taking an 8-6 victory.

With the half time score standing at 0-0, Frenship kicked off in the second half and Milton Miller took a hand-off and raced 60 yards for Tahoka's lone touchdown.

Charles Dotson ran the extra points. Frenship came back and scored in the third quarter and threatened again in the fourth. Tahoka was no real threat at any time other than the scoring play.

Mike Chandler and Kenneth Durham were defensive stand outs. However, the seventh graders will have to do a lot more hustling than they did on Tuesday night to win their three remaining games.

Both the seventh and eighth graders play Post here next Tuesday night.

So accurate is the bat's sonar equipment, that it can dodge wires only slightly thicker than a human hair. The flying mammal can hear an echo from a target as tiny as a mosquito, compute its speed and direction, and swoop to attack in less than a second.

Vice President Anthony F. Rappa of REA Express says that two key steps needed to assure the survival of the transportation industry as private business-government action to equalize and liberalize regulatory law, and to permit certified carriers to give complete services by any mode of transport—can be inspired only by strong citizen action.

How America's farmers grow a crop of cash

In less than eight years, every \$75 you "plant" in U.S. Savings Bonds grows up into \$100—automatically and safely.

America's farmers have grown millions of extra dollars this way. A little at a time soon adds up to the money you need for new equipment, new livestock, new land, perhaps even college for your youngsters.

Why not start planning your own little harvest right now? Remember, U.S. Savings Bonds are guaranteed by Uncle Sam. And every Bond you buy is a share in a stronger America.

Farm Facts

The 1959 Census of Agriculture reported that there were 3,764,000 farms in the United States. This is the smallest number (for the 48 states) of any census since 1870.

There were 1,079,000 fewer farms in 1959 than in 1954. About 232,000 were no longer counted as farms because of a change in census definitions. To be considered a farm, a place must have a minimum of 10 acres of productive land as compared with a minimum of 3 acres under the old definition. If it has less than 10 acres, sales of agricultural products must add up to at least \$250 annually.

Even without a change in the definition of a farm, changes in farm size and number were great between 1954 and 1959. Total farm acreage dropped from 1,158 million in 1954 to 1,120 million in 1959. The average size of farms increased from 242 to 302 acres.

Results of the 1959 census are evidence of a further concentration and specialization of agriculture in the United States.

There was a 30% drop in the

U.S. farms are fewer but larger.

number of farms selling less than \$2,500 worth of products and a 36% rise in the number selling \$10,000 worth of products or more.

In 1959, there were 136,000 farms of 1,000 acres or more. This compares with 63,000 in 1925.

Flu Is Due To Strike Area

Austin—Between now and mid-December is the critical period for taking immunizing shots against influenza, particularly for people in "high risk groups."

Health and medical authorities are in unanimous agreement as to the probability of an upswing in flu this fall and winter. Especially vulnerable are people with heart disease, pulmonary disease, diabetes and other chronic illnesses, persons over 65 and pregnant women.

Most of the 86,000 flu-triggered deaths between September 1957 and March 1960 were among people in these categories.

Some Asian flu outbreaks are expected, since they come in two to three year cycles. Also Texas is due for Type B flu outbreaks which usually come in four to six year cycles.

Asian flu has been dormant in Texas since March 1960 and it has been more than six years since Type B has caused much of a flurry.

State Health Department officials say susceptible persons should be vaccinated early for maximum protection. Generally the most troublesome time for flu in Texas is toward the latter part of December.

To reduce the hazards to persons in high risk categories, it is recommended that they be immunized with a multiple virus vaccine—a product which will protect against more than one form of the disease.

Use of Fireproof Material Urged

College Station—Today too many Texas farm families are living in houses that were built to burn, says the Texas Farm and Ranch Safety Council. The blame can be placed on some of the modern building materials that look smart but burn fast, such as certain fiberboards, acoustical ceiling material and highly combustible plastic tiles. Also at fault are houses with hollow walls or false ceilings that are inadequately firestopped, thus presenting an area through which a flash fire can race unimpeded, creating its own draft.

What can be done about this situation? The Council says anyone building or remodeling should insist on fireproof materials. "Your best bet is still an Underwriters' Laboratory label," says the Council.

An interior finish of wallboard made of gypsum, cement, asbestos or plaster offers considerable resistance to fire and will not contribute to flame spread. For the roof, asphalt shingles, slate, asbestos or metal make a good fire-resistant covering. It is also wise to use fire retardant paint when you redecorate.

Wood floors under stoves and heaters should be protected by metal, brickwork, concrete or ventilated air space, the Council continues. Also desirable are impregnated-wood fire doors in critical locations such as basement stairs, house entrances and the bedrooms. These doors will withstand temperatures of 1,800 degrees for 90 minutes, yet they retain the esthetic qualities of wood.

At least one window in each bedroom should have a low sill. High, small windows are often too small for escape, and no window is adequate unless the small-dimension is at least 18 inches.

"Also remember that no building is any more fireproof than its contents," the Council says. "Furnishings, trim and decorations can be the real fire threat in the home."

well before the beginning of the flu season. Protective antibodies usually develop within two weeks after inoculation so it is important that the vaccine be administered before epidemics occur.

Grassland Has Two Ministers With Same Name

When a church member at Grassland calls out, "Brother Leach," two men are likely to answer the call. In fact, there could be no limit to the confusion among the Methodist and Baptist congregations of that community.

The two churches have pastors, both by the name of Leach. Rev. Wendell Leach is pastor of the Grassland Methodist Church and Rev. Ken Leach is pastor of the Grassland Baptist Church.

However, the likeness between the two men and their families does not end there.

Both are from Fort Worth and each pastor has a daughter and a son near the same ages. In fact, Rev. Leach's daughter (that is—the Baptist Leach) is named Brenda Gail and Rev. Leach's daughter

(the Methodist one) is named Wendy Gail. Both are in school in Tahoka. They slipped up on naming their sons, though, because of complete difference. Calvin belongs to the Methodist preacher and Sammy claims the Baptist preacher his father.

The confusion all started about a month ago when Rev. Wendell Leach moved to Grassland to ride herd on the Methodists. Rev. Ken Leach has been in Grassland two of three years.

The newest Rev. Leach is attending school at Levelland so the one that might be seen on the street at Grassland at high noon is in all probability Rev. Leach of the Baptist Church.

Mrs. J. B. Thompson was an overnight patient in Tahoka Hospital Monday night.

Scouting News

By Ed Redwine

Troop 721 held an overnight campout at the new archery range on the Jack Miller farm south of town last Saturday and Sunday. Seven boys made the trip. Skills in camping and cooking were achieved, and a lot of work was done on trails from target to target.

Sunday afternoon, the Troop held an invitational shoot. There were no prizes but that didn't stop attendance. There were 13 adults, including three jet pilots from Reese AFB, and 10 Scouts that participated.

The top shooter for the day was Allen Hampton, president of the Post Archery Club, with a score of 286. Ralph Davis and Ed Redwine tied for second place with

a score of 266 each. Top Scout shooter was James Moffitt with a score of 59. Second place went to Johnny Hillhouse with a score of 48. Top woman shooter was Fay Cockrell from Post with a score of 17.

The Troop received many compliments on the new range. There were a few improvements pointed out, however, including building up around several targets and removing mesquite limbs from several more.

Boys making the overnight camp were: Ronnie Efrid, Jack Jaquess, Joe Jaquess, Ronnie Swedish, Buz Owens, Johnny Hillhouse, and James Moffitt. Participating Sunday in the shoot were Ralph and Billy Brock, and Rett Patterson.

At the regular weekly Troop meeting Monday night officers were elected to positions in the Troop Club. Elected were Jack Jaquess, president; Rett Patterson, vice-president; Joe Jaquess, secretary; and Ronnie Efrid, treasurer.

I would like to remind all Cubs that the October Pack meeting will be the time to run their Pine Wood Derby racers. A track is being built and should be completed by Oct. 26. That's Scouting News for this week.

QUESTIONS, PLEASE

QUESTION: Has God promised to save man unconditionally?

ANSWER: Man must do the will of God. "Not every one that saith unto me Lord, Lord, shall enter into the kingdom of heaven, but he that doeth the will of my Father who is in heaven." Matt. 7:21. "And the world passeth away and the lust thereof, but he that doeth the will of God abideth forever." 1 Jno. 2:17.

Men have sought in almost every conceivable way to justify themselves in the eyes of God without submitting themselves to His law. But this just simply cannot be done regardless what type of personal feelings we have about the subject. "Let us hear the conclusion of the whole matter, fear God and keep His commandments, for this is the whole duty of man." Ecc. 12:13. And again hear the

Word of the Lord: "Blessed are they that do his commandments, that they may have a right to the tree of life, and may enter in through the gates into the city." Rev. 22:14.

The law that man must obey in order to be saved is the Gospel of Christ. "Taking vengeance on them that know not God, and obey not the gospel of our Lord Jesus Christ." 2 Thess. 2:8. Here obedience to the gospel is the thing necessary to escape the condemnation of God.

Man must never reach the state of mind that he feels that he is justified in doing just what he wants to and expect God to be well pleased. Man must properly fear God and as a result work righteousness in this present life. "But in every nation he that feareth God and worketh righteousness is accepted with him." Acts 10:35.

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

New Street Sweeper Bought By Tahoka

City of Tahoka has received its new street sweeper, and it has been used some down town on test runs.

Mayor Meldon Leslie says the City expects to use the sweeper down town and also in the residential section. However, he says it will take time to get the streets as clean as they should be due to the fact that dirt and gravel have been accumulating on the pavement.

At a special meeting of the Council Wednesday night, E. L. Short was named Civil Defense director for the City of Tahoka.

Teachers Meet At New Home

Lynn County teachers held their first meeting of the school year Monday night at New Home, and each school was well represented by teachers and administrators.

Principal number on the program was a talk by Mrs. A. C. (Myrna) Verner of Tahoka, who told some of her experiences and observations as a result of her trip to Europe last summer.

She told some of the political and governmental aspects of the countries she visited, and gave her impressions on how the peoples of Europe feel about world conditions, the United States, and Russia.

She emphasized that we all, as citizens, need to do all we can to combat the influence of Communism, and that teachers can play an important role in preparing their students to take their stand against this thing that threatens the freedom of the world today and even destruction of the whole world.

The talk proved to be very enjoyable and educational for all present, and the teachers say it was one of the better talks that has been presented before the organization.

Supt. H. L. Miller of New Home, president of the Lynn county teachers unit, gave a report on his trip to the Presidents meeting in Dallas in August. He stressed the importance of programs designed to improve teachers and school programs as brought out at the Dallas meeting.

Lois Montgomery of Tahoka gave a report on the Lynco Credit Union, and urged more teachers to become members and have a part in the success the organization has had in its first year of operation.

A representative of Home Insurance Co. explained their plan which is recommended by the Texas State Teachers Association.

Floyd Tubb of Tahoka, program chairman for the year, arranged the program for the meeting.

Mr. Miller appointed committees for the year, and Wilson was selected for the next meeting site the latter part of November, when a dinner meeting will be held.

Refreshments were served by New Home prior to the program.

Mrs. L. C. Head is in Tahoka visiting her sister and brother, Mrs. R. W. Lewis and Jodie Nevill and other relatives.

Mrs. Annie Robert Seay, 57 year old resident of route 3, O'Donnell, died Monday at 4:30 p. m. in St. Mary's Hospital in Lubbock following an illness of about two years.

Funeral services were held Wednesday at 3:00 p. m. in the O'Donnell Methodist Church with Rev. E. R. Kuykendall, pastor of the O'Donnell Assembly of God Church, and Rev. Henry Lonis of Tahoka officiating. Burial was in O'Donnell Cemetery under direction of Stanley Funeral Home.

Mrs. Seay was born July 1, 1904 in Mansfield, Texas and came to Lynn county in 1929 from Montague county. She was married to Earl Seay Jan. 24, 1957 in Lovingdon, N. M. Mrs. Seay was a member of the O'Donnell Assembly of God Church.

Survivors include her husband; one daughter, Mrs. Florence Flowers of Dallas; two step daughters, Mrs. W. C. Bell of Brownfield and Mrs. Wayne Davis of route 3, Lubbock; three step sons, Weldon Seay of Lamesa, J. E. of Lubbock and Donnie of the home; two brothers, E. L. Taylor of Seminole and Ben E. Brown of Ancho, N. M.; one sister, Mrs. Minnie Newton of Lubbock; and nine grandchildren.

Pallbearers were Waymon Pierce, John Davis, Cliff Lambert, Edward Carlisle, Olan Johnson and Elmer Newton.

"Mr. New Home" Will Be Selected

New Home PTA is sponsoring a "Mr. New Home" contest Monday night, Oct. 23, at 7:30 o'clock in the school cafeteria which promises a lot of fun.

Men of the community will model clothes—anything they wish, men's clothes, ladies' or children's clothes, pajamas, etc., and there will be prizes for first and second places. There will be special entertainment between acts. Adults will be charged 75 cents for admission and school students 50 cents.

Mrs. Milton Evans is in charge of the program, and Joe D. Unfred will be master of ceremonies. Mrs. Lloyd Nunley is president of the PTA.

Glen Riddle Has Dallas Check-Up

Glen Riddle, son of Mr. and Mrs. A. D. Riddle, who underwent a successful open heart operation in early summer went to Dallas last week end for a check up. Dr. Hugh Wilson, who performed the surgery, said the examination showed excellent results.

The examination took place on Monday, the same day that President John F. Kennedy was in Dallas for a few minutes. Mrs. Riddle says even though they did not see the President, they could see the top of Baylor Hospital where he made his visit.

Glen, his parents, his brothers and sisters express their gratitude to all who had a part in "making him get well."

Plan Meeting Of English Teachers

More than 200 elementary, secondary, and college English teachers, including teachers from Tahoka, are expected to attend District XIII English Workshop Conference scheduled at South Plains College at Levelland, Saturday, November 11.

Assisting South Plains College as host are Levelland Public Schools and Levelland Chamber of Commerce.

To stress the importance of worthwhile reading material, the Workshop has selected for its theme: "Literature as a Key to Understanding Life." Highlights planned for the one-day meeting include a workshop, guest speakers, and a luncheon.

O. C. Roberts Hosts At Dinner Party

Mr. and Mrs. Oscar C. Roberts entertained about thirty-five friends with a dinner party at T-Bar Country Club Wednesday night honoring Mr. and Mrs. Orson Gustafson of Milwaukee, Wis., who left for home Thursday after a few days visit here.

The Gustafsons and Roberts became friends a few years ago while on a steamship tour of the Caribbean, and have since made other trips together.

Mr. Gustafson is a skilled photographer and he showed color slides of two of these trips. He and Mrs. Roberts told of the places visited. The first was of their trip to Venezuela, Colombia, the Virgin Islands and Puerto Rico. The second was of their trip to Brazil and Argentina, featuring picturesque Rio de Janeiro, the ultra-modern city of Sao Paulo, and also the amazing city of Buenos Aires. Naturally, the affair was greatly enjoyed by those attending.

FHA Girls Hear Miss Montgomery

Tahoka Chapter of Future Homemakers of America held their general meeting Wednesday, Oct. 11 in the high school auditorium, states Elwanda Tekell, reporter of the organization.

Loretta Short, first vice president, opened the program in the absence of President Donna Cope-lin.

Speaker for the meeting was Miss Lois Montgomery, high school teacher, who spoke on the importance of the United Nations. She was introduced by Sarah Wells.

WCS In Study Meeting Monday

The Woman's Society of Christian Service met in the First Methodist Church Monday at 3:15 p. m. to continue the study, "The Meaning of Suffering."

Mrs. Eray assisted Mrs. Stewart with the program. Mrs. Blain Ramsey, Mrs. Loucille Stewart, Mrs. C. A. Thomas and Mrs. Margaret Carter also took part.

Eighteen members and one visitor attended, the visitor being the mother of Mrs. V. F. Jones.

SPEAKS AT NEW HOME

Dr. K. R. Durham was the speaker Monday night at the monthly meeting of the New Home Baptist Brotherhood. About thirty-five men heard his humorous take-off on the Brotherhood.

Kind words never die—they just become victims of ingratitude.

The afternoon's program will also include the invocation by Larry Price, the Student Council reporter; a welcome by Flippin; response by Charles Reid; the recognition of classes and special guests, Craig Leslie, Student Council vice president; entertainment by "The Impeccables"; and "Auld Lang Syne" led by Tony Spruiell, Student Council parliamentarian.

Ex-students are also invited to participate in the pep rally immediately following the program which will be led by the cheerleaders, Elaine Buchanan, Patricia Hammonds, Montie McGinty and Andra Sue Carroll.

Attendance at the football game is expected to fill the stadium at Kelly Field as the first conference game promises to be a good one.

At a business meeting at the banquet, new officers of the Ex-Students Association will be elected for the coming year. Other officers this year include Robert Warren, vice president; Mrs. Rufus Slover, secretary; and Mrs. Helen Ellis, reporter.

In 1952, Kidwell and 30 other South Plains grocers established the AG wholesale warehouse in Lubbock. This business has grown until it now has 128 members and owns one of the largest grocery warehouses on the Plains in Lubbock. The newly constructed warehouse cost \$515,000, and the whole business has grown until it now has a monthly volume of business exceeding \$1 million. Kidwell says having a part in this distributing firm gives the local stores good buying power.

Wilson Planning Big Homecoming

The 1961 homecoming of Wilson High School is to be held Saturday, Oct. 21, when the classes of 1928, 1929 and 1930 will be honored in activities.

Registration of ex-students, ex-teachers, and any one interested will begin at 1:00 p. m. in the high school library, followed by the Wilson-New Home ball game at 2:00 p. m. Registration will resume after the ball game.

A barbecue supper is to be served in the school cafeteria from 5:00 until 8:30 p. m. Tickets are \$1.50 per plate. The program at 6:30 will feature Billy Key, an ex-student of Wilson, now superintendent of the Sundown schools, as guest speaker. A coffee will follow the program in the school cafeteria. New officers will also be elected during the meeting.

Officers of Wilson Ex-Students Association are: president, Charles Baker; vice president, Theo Campbell; secretary-treasurer, Mrs. Victor Steinhauer; and reporter, Mrs. Milton Wied.

No One Filed For Alderman Post

Saturday is the last day that a name can be filed for councilman to fill the vacancy of Winston C. Wharton who recently resigned from his position on the City Council.

A special election was called last week by the City Council to be held on Nov. 14. Candidates must file 30 days prior to the election.

On Thursday morning, no names had been filed, City Secretary J. M. Uzzle said.

Wife Of Former Citizen Is Dead

Mrs. R. L. Bosworth, about 37, of Alice, Texas died there Tuesday at 9:30 p. m. after an illness of about a year.

Her husband was well known in Tahoka, having been raised here as the youngest son in the Bosworth family. He is the brother of Mrs. O. E. Eubanks.

Mrs. Bosworth was a native of Tahoka, having been raised here as the youngest son in the Bosworth family. He is the brother of Mrs. O. E. Eubanks.

Mrs. Eubanks and Rev. and Mrs. Joe Webb left Wednesday for Alice to attend funeral services, the arrangements for which were pending at that time.

Survivors include the husband and three sons, David, 14; Tommy, 10; and Gary, 8.

New Road Grader For Precinct 4

Lynn county commissioners' court has decided to buy a new diesel tandem drive motor grader for Precinct 4, of which H. K. (Heavy) Nelson is the commissioner.

An old grader will be traded in on the new one, County Judge Walter M. Mathis says.

Bobby Hamm received an injury to his right foot Monday and has been in Tahoka Hospital. He is an employee of City of Tahoka.

Petersburg Winner In Close Game With Bulldogs Here Friday, 13 to 7

Petersburg Buffaloes came to town Friday night of last week and buffaloed the Tahoka Bulldogs 13 to 7 in a close ball game that may have gone the other way just as easily except for Tahoka mistakes at critical moments.

Following Tahoka's kick-off, the Buffaloes moved to three first downs with hard-driving Fullback Donald Pegram, Halfbacks Stanley Self and Troy Fox and Quarterback Gary Loyd carrying the mail for short gains. Ten plays moved the ball from their 22 to their 49, and then Loyd passed to End Ken Roberson for 9. There, Tahoka's defense stiffened, and Petersburg lost 5 on three plays, and punted to Tahoka's 20.

The Bulldogs seemed to take control, as Tahoka moved to the visitors' 22 with determination to score, but then lost the ball on a fumble covered by RT Dwight Bearden. Andy Bray made 9 of the yards in three plays, a pass was good from QB Fred Hegi to HB Tommy Jones for 11. Hegi went around right end on a roll-out for 21, and Jones went over right guard for 20.

However, after one first, End Craig Leslie covered a Buffalo fumble on the Petersburg 41, but Tahoka lost 20 yards on a penalty, a run, and an attempt to pass, and an incomplete pass, and Glenn Hopkins punted for only 15 yards. In this drive, the visitors completed two passes for 21 and 23 yards, despite a 15 yard holding penalty, and Lloyd made 11 and 10 yards runs to put the ball on the Tahoka 2 yard line. Then, Pegram went over right guard to score. On the conversion attempt, Loyd completed a pass to Roberson, but the latter was tackled by Steve Greer

Greer brought the kickoff to the 29, and Hopkins, now at fullback, ran through the line for a 15-yard gain. HB Larry Price made 6, Hegi 5. Hopkins 2, and Tahoka bogged down and had to kick. Hopkins' kick was blocked, but Petersburg's offside and he got of a 31 yard boot.

Fox made 19, and then 10 but a potential drive was stopped when Hegi intercepted a Petersburg pass on the Tahoka 39. Bearden returned the favor by intercepting Hegi's pass after one had been complete to Jerry Forsythe for 9. On Petersburg's first play, Forsythe intercepted Loyd's pass. One Tahoka pass was incomplete, and then Hegi completed a 7-yard aerial to Tony Spruiell as the half ended.

Opening the second half, Fox brought Craig Leslie's kick-off to the 24, Self made 9, and on the next play Pegram bulled through right guard and raced 67 yards untouched for the visitors' second and final score. LT Terry Scarborough kicked the extra point to make it 0-13.

After the kick-off Tahoka brought the ball to the 42, Bray and Spruiell made 8 yards, then Hopkins slid around left end and almost got away in making 26

Wilson Mustangs Play At Sands

The Wilson Mustangs will go to Sands this Friday night for their first conference game of the year. The Mustangs were idle last week.

On Oct. 21 New Home will come to Wilson for the annual homecoming game to be played at 2:00 p. m.

New Home Will Play At Cooper

The thin-manned New Home Leopards open their Class B conference play at Cooper with the Pirates tonight.

Last Friday the Leopards were snowed under 30 to 14 at Lazbuddie by the brilliant running of Jimmy Dale Seaton, playing his first game in several weeks after an injury, who scored four touchdowns to lead his fired-up team at the school's homecoming.

Not to be blanked, the Leopards racked up 14 points, with Marlow Rudd and Terry Brown accounting for the scores.

The Leopards run up against another opponent's homecoming next week when they play the Wilson Mustangs at 2:00 p. m. Saturday at Wilson.

Post Is Planning Norm Cash Day

"Norm Cash Day" will be observed in Post on homecoming day, Oct. 20, according to the Post Dispatch.

Cash, who played first base for Detroit this year and captured the 1961 American League batting crown, is a native of Justiceburg, Texas and an ex-student of Post High School.

Since Cash will be on hand for homecoming activities at Post, his success will be acknowledged by the town on that occasion. While in school at Post, Cash lettered in football, basketball and track. He is the son of Sandy Cash of Justiceburg.

Every day is safety day.

O'Donnell Wins Over Coahoma

O'Donnell Eagles open their District 5-A conference season tonight at 7:30 p. m. with the Sundown Roughnecks, and will be out for a victory before a homecoming crowd.

The Eagles have won over Tahoka and Coahoma, tied Crosbyton, and lost to Ralls, Tulla, and Happy.

The O'Donnell boys took a 20-14 victory over Coahoma Friday night at the Lynn county town, when Fernando Lopez got away for 16 yards on a reverse to score in the fourth quarter to break a 14-14 tie.

Coahoma had scored first in the first quarter to take a 6-0 lead, but the Eagles went ahead in the second when Lopez carried over from the one and Buster Snellgrove hit Ben Taylor with a 2-point conversion pass. Later in the quarter, Snellgrove found Taylor with another pass to put the Eagles ahead 14-6. Coahoma tied it up in the third on a touchdown and conversion.

It pays to look your best before crossing the street.

yards. Hegi and Hopkins moved the ball to the Petersburg 19, but a 15 yard penalty, and incomplete pass, and then a pass interception by Loyd ended Tahoka's drive.

Neither team could gain consistently, and neither team made a first down until the fading minutes of the fourth quarter, during which time Petersburg was kept set back deep in its own end of the field, once by a 53-yard punt by Hopkins and again on a 40-yard punt.

Late in the game, Tahoka took over when Petersburg punted to the Tahoka 35 and Greer ran the ball back to the Petersburg 43. Jones lost one, Leslie caught a pass for 17 yards, Jones one for 6, the next was incomplete, Leslie caught another for 4, and Billy Miller (Cont'd. on Back Page, Sec. II)

is coincidental, or another lie of the script writers. We happen to know something about the Slaughters. In fact, we knew old Col. C. C. Slaughter when we were a kid, for he stopped on several occasions at our place in Roscoe and we watered his horses which pulled his "ambulance", driven by a Negro, and the Colonel tipped us for helping him, and showed us the inside of that "ambulance," which was complete with bed, portable cooking outfit, desk, chair, and Oliver typewriter. We also wrote Jack Alley's story of his long association with the Slaughters, and was a friend of Jay Slaughter's.

John and Will Slaughter came to Crosby county with cow herds in about 1878, about the same time Col. C. C. Slaughter came to the heads of Bull and Tobacco Creeks in Borden and Dawson counties, all coming from Palo Pinto, where their father Rev. Geo. W. Slaughter was a pioneer Baptist preacher and cowman. Jack Alley, father of Mrs. Hall Robinson, came with John and Will, and later worked as a foreman for C. C. for many years.

After several years in Crosby, adding to their herd by picking up strays which had dropped out of trail herds, John Slaughter ranch in Utah and then in western New Mexico, then went to Glasscock county, where he went broke. With help from Col. C. C. Slaughter, he bought the Square and Compass ranch in Garza county in the 1890's, where he remained until his death in 1923. In the meantime, he had sold a portion of this ranch in 1906 to C. W. Post. Incidentally, Jack Alley, now high in C. C.'s Long-S operations, wrote the check and signed the Colonel's name for John to buy the Square and Compass, which then became the U-Lazy-S. John Slaughter had married Belle May of Dallas in 1880, and they had two children, Jay and Mamie Lott, mother of John Lott, now the operator of the ranch.

Col. C. C. Slaughter was tied in pretty closely with the early history of Lynn county, for he controlled most of the east half of the county back in the 1890's, and Jack Alley was long the manager of his Tahoka Lake Ranch and prior to that of the Runningwater pasture near Plainview and prior to that of the Rattlesnake Ranch at Ackerly. At one time, he controlled a million acres of land and was the biggest taxpayer in the state of Texas. He was one of the organizers of the Cattle Raisers Association at Graham.

While Mr. Alley was at Tahoka Lake Ranch, this was for a time the bull ranch. Col. Slaughter pioneered in improving the Texas Longhorn bulls with Shorthorn bulls from Kentucky in 1871. He bought the grand champion bull, Ancient Briton, at the Columbian Exposition at Chicago in 1893, and in 1898 he bought the first \$5,000 Hereford Bull, Sir Bredwell, to Texas and to Lynn county.

Mr. Alley married Mrs. Cook, who had a daughter, Ethel (Mrs. Fiall Robinson), and they came to live on the Tahoka Lake Ranch. Many are the stories she can tell of the Slaughters, early day ranch life in Lynn county.

We just thought this little bit of history might be of interest to some.

Fred Mathews, among other things, writes: I am more bald headed than grey and have dodged false teeth. Have two grandsons and two granddaughters.

THE AMERICAN WAY

The leftist-liberal ADA branch of the Democratic Party has scored Senator Ralph Yarborough 80% liberal, Jacob Javits of New York 100%, Republican John Tower zero, and Democrats McClellan of Arkansas, Holland of Florida, Byrd and Robertson of Virginia, and Thurmond of South Carolina, all zero.

Mrs. J. M. Newman of Meadow, route 1 (Lakeview), writes: We appreciate the stand you've taken on the liquor advertising.

The famous baseball player attended his first horse race and in the spirit of the occasion, picked a favorite.

The nag showed him a wonderful race right down to the stretch. In the last 100 yards, however, another horse came up fast and pulled into the lead.

As the horses came down to the wire almost neck and neck, the baseball player could contain himself no longer.

He jumped to his feet and belted at the top of his lungs, "Slide, you bum, slide."—Swiped.

While watching a movie heroine's pitiful struggle to find true love, a husband became more and more annoyed with his wife's sniffles. Finally he demanded: "Why is it you cry over the imag-

NOW! A NEW WORLD OF WORTH!

'62 CHEVROLET JOBMASTER TRUCKS WITH NEW High Torque Power!

Here's new High Torque power for every weight class—light, medium and heavy... the most powerful engines in Chevrolet history... sure saving power and dependability for every job!

There are plenty of powerful reasons for Chevy superiority. High torque reasons. Reasons that range all the way from a mighty new High Torque 409 V8* for heavies, right down to the thrifty Six* that's available for the first time in light-duty.

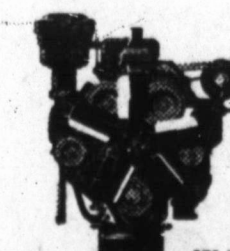

Loads of other reasons, too. Like the new work styling with downward-sloping hoods that let drivers see up to 10½ feet more of the road directly ahead. Like Chevrolet's proved Independent Front Suspension for even smoother riding, easier working trucks. Like the heavier duty hypoid rear axles for middleweights and the rugged new I-beam front axles* (9,000- or 11,000-lb. capacity) available for extra-tough jobs on Series 80 heavyweights. Like the longer lived mufflers. Like work-proved Corvair 95's (2 pickups and a panel) that haul up to 1,900 lbs. of payload with low-cost dependability and sure rear-engine traction. CRETING:
You are hereby commanded to appear before the Honorable District Court, 106 Judicial District of Lynn County, Texas, at the courthouse door in Tahoka, Texas, by filing a written answer at or before 10:00 a. m. on the first Monday next after the expiration of forty-two (42) days from the date of the issuance of this citation, the same being the 13th day of November, 1961, to plaintiffs' original Petition, filed in said court on the 24th day of August, 1961, in this cause, numbered 2566 on the docket of said court and styled John Saleh, et al. Plaintiffs, vs. Cecil Pearce, et al. Defendants, wherein Arslie Saleh, individually and as Community Administrator of the Estate of N. Saleh, Deceased; John Saleh, a single man, Odette Saleh, a female sole, John Saleh and Odette Saleh, Trustees, are claiming title to oil, gas and mineral leases covering all of the above described lands, said leases being described as follows:

and Odette Saleh, Trustees, Ollie K. Carson, joined by her husband, F. T. Carson, and Texas Gulf Producing Company, a Delaware corporation, are plaintiffs and those persons are defendants who are hereinabove first named in this Citation and to whom it is directed, and Louella McLaurin, Ethel Sheppard, whose husband is J. B. Sheppard, T. M. Pearce, Verda Selvidge, whose husband is Sam Selvidge, Mattie Pearce Shook, Oleta Humphries Dunlap, whose husband is Odell Dunlap, Alta Snyder, whose husband is Charlie Snyder, Clovis Pearce, Cecil Pearce, Ona Mae Covey, whose husband is Sam Covey, Mary Ola Vaughn, Mrs. Inna Shepperd, whose husband is Joe Shepperd, Mrs. Pearl Lewis, Homer Vaughn, Charlie Lester Vaughn, Willis Vaughn, Mrs. Faye Parker, and Francis M. Vaughn are also defendants.

A brief statement of the nature of this suit is as follows, to-wit: A trespass to try title suit in which plaintiffs, for cause of action would respectfully show that on or about the first day of August, 1961, they were lawfully seized and possessed of the following described lands and premises situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:

The plaintiffs Arslie Saleh, individually and as Community Administrator of the Estate of N. Saleh, Deceased, John Saleh, a single man, Odette Saleh, a female sole, and John Saleh and Odette Saleh, Trustees, are claiming the following described land situated in Lynn County, Texas, to-wit:

All of the South 370 acres of Survey No. 49, Block 8, Abstract No. 211, surveyed by virtue of Certificate No. 665, issued to the EL&RR R. R. Company and said 370 acres of land being described by metes and bounds as follows: BEGINNING at the Southwest corner of said original Survey 49, Block 8, for the Southwest and beginning corner of this tract; THENCE East 1900.8 varas, with the South boundary line of said Survey No. 49 to the Southeast corner of said survey, for the Southeast corner of this tract; THENCE North 1098.9 varas, with the East boundary line of said original Survey No. 49, Block 8, to a point in said line, the same being the Southeast corner of the tract in said original Survey being the will of T. S. Vaughn, deceased, to the heirs of Mary Emiline Pearce, for the Northeast corner of this tract; THENCE West 1900.8 varas to a point in the West boundary line of said original Survey No. 49, Block 8, the same being the Southwest corner of said Mary Emiline Pearce tract for the Northwest corner of this tract; THENCE South 1098.9 varas, with the West boundary line of said original Survey No. 49, Block 8, to the place of beginning; and

All of the East 70 acres of the North 270 acres of Section No. 49, Block No. 8, surveyed by virtue of Certificate No. 665, issued to the EL&RR R. R. Co. and being further described by metes and bounds as follows:

BEGINNING at the Northeast corner of said Section No. 49 for the Northeast and beginning corner of this tract; a stone marks corner; THENCE South 12' East, with East line of said Section No. 49, 818.4 varas to a point for the Southeast corner of this tract and the Northeast corner of this tract, a stake marks corner; from which an axel skien set in ground bears N. 12' W 15 varas; THENCE North 12' West 818.4 varas to the Northwest corner of this tract on North line of said Section No. 49, a wagon axel skien set in ground marks corner; THENCE North 89'48" East, with North line of said Section No. 49, 482.4 varas to the place of beginning.

That the plaintiff, Ollie K. Carson is claiming the following described property situated in Lynn County, Texas, to-wit: The West 200 acres of the North 270 acres of Section 49, Block 8, EL&RR R. R. Co. Survey, Lynn County, Texas.

That the plaintiff, Texas Gulf

caught one for 4 to place the ball on the visitors' 18. Hegi heaved a long one into the end zone with 17 seconds left on the clock, a Petersburg boy shoved the Tahoka receiver, Tommy Jones, and the officials ruled pass interference and gave Tahoka the ball on the Petersburg one yard line. On the first play, Jones dived over for the score. Leslie kicked the extra point. Score, Tahoka 7, Petersburg 13.

There was time for the kickoff and one play, the ball being fumbled by the visitors.
Tahoka played good ball except for brief moments, but was possibly hurt by the loss of Perry Flippin, who received a shoulder injury in practice last week, and Gary Grogan, who received a shoulder injury in the Ralls game.
Also seeing action for Tahoka were Jack Wood, Johnny Rogers, Kenneth Scott, Mike Taylor, Macky Joe McWhirter, Curtis Harvick, Eilly Davis, and possibly others.

Producing Company, is claiming title to oil, gas and mineral leases covering all of the above described lands, said leases being described as follows:

Oil, Gas and Mineral Lease dated August 7, 1958, recorded in Volume 138, Page 632, between John Saleh, a single man, Odette Saleh, a female sole, John Saleh and Odette Saleh as Trustees, Lessors, and J. D. Hunter, Lessee.

Oil, Gas and Mineral Lease dated October 28, 1960, recorded in Volume 151, Page 31, between Ollie K. Carson and husband, F. T. Carson, Lessors, and C. S. Hunter, Lessee.
That thereafter defendants unlawfully entered upon said premises and ejected plaintiffs therefrom, and unlawfully withheld from them the possession thereof to their damage. Plaintiffs by way of special pleas are alleging title by virtue of the three-year Statute of Limitation, the five-year Statute of Limitation, the ten-year Statute of Limitation and the twenty-five year Statute of Limitation. Plaintiffs pray for judgment for title and possession of said land, and other and further relief to which they are entitled as is more fully shown by plaintiffs' petition on file in this suit.

If this citation is not served with in ninety (90) days from the date of its issuance, it shall be returned unserved.

The officer executing his return shall promptly serve the same according to the requirements of law and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said court in Tahoka, Texas, this 28th day of September, 1961.

A wooden nickel nowadays is about as valuable as the real article.

Columnist Joseph Alsop writes: "Among the Western policy-makers, there is rising concern about a possible Soviet attack on Iran, to be launched when the Berlin crisis absorbs the entire attention

of the leaders of the West... A Soviet attack on Iran, combined with climatic pressure on Berlin, would add up to a general political-military offensive against the western allies in general and against the United States, as a leader of the West, in particular. It would leave no alternatives whatever, except American surrender on the most abject terms, or full-scale thermonuclear war."
