Vol. No. 91

ROCKPORT, ARANSAS COUNTY, TEXAS, THURSDAY, MARCH 16, 1961

No. 50

The Rockport Pilot

THE ONLY NEWSPAPER PUBLISHED IN ARANSAS COUNTY

Along The Waterfront

Taylor Oak reports that a number of guests caught nice fish this past week.

Mrs. Lauro Suits, Petersburg, 1 six-pound trout and 2 three-pounders; Mr. and Mrs. Homer Vickery, Arkansas City, Kans., 75 nice trout in two trips; Clifford Williams and Mr. Humphrey, both from Lubbock, 30 trout weighing a little over 60 pounds on one trip, and thirty nice trout on another.

Clyde Applewhite, Lockney, and Tom Roper, 15 nice trout; John Belt and Henry Ford, Sr., Lockney, a number of trout; Mr. and Mrs. Jaq Brittain, White City, Kans., 11 nice sheephead.

The future of the Attwater prairie chicken, once so common around Tivoli, native Texas bird of the Gulf Coast area, is discussed in a full length article in the March issue of Texas Game and Fish magazine.

The bird, once plentiful on the coast, now is facing extinction, according to the article. Gun pressure isn't blamed with the disappearance of the bird, however, civilization has been pushing it back, and its one-time home now is lost. Rice fields and oil wells have replaced the birds over much of the area of South Texas where they once abounded.

Known concentrations are now limited to the Egypt-Lissie Prairie area; the Bernard Prairie north of Eagle Lake; the Nursery Prairie in Victoria and Southern DeWitt counties, and the Tivoli-Vidauri-Goliad prairie in eastern Refugio and Goliad counties.

Tom Waddell, retired game warden at Eagle Lake, has been studying the Attwater prairie chicken population for years. He says they are getting very scarce. At a recent meeting of the wildlife committee of the South Texas Chamber of Commerce, a new program for their preservation was put under way.

Considerable research on the Attwater also has been done by Val Lermann, wildlife director of the King Ranch. He has written several bulletins, outlining the history of this native Texas bird.

Cancer Reference Kits Presented To Local Library

Reference kits on cancer have been presented to the Aransas County Public Library and to that at the local high school by Mrs. A. L. Bachman, president of the Aransas County Unit of the American Cancer Society.

In making the presentation, Mrs. Bachman pointed out that the kits not only provide basic information about cancer, but also current information which will be kept up to date by periodic mailing from the Texas Division of the Society.

Included in the kits are folders of information on cancer research, cancer education, fact and figures about cancer, cancer-the-disease, and the American Cancer Society and its program resources.

Each library will also receive a copy of "The Truth About Cancer," by Charles S. Cameron, M.D., a book both authoritative and practical by one of the foremost leaders in the cancer field.

The Aransas County Unit is joining in this special project with other counties throughout Texas. Almost 2,000 libraries will receive the special reference kits this month.

Honor Society Initiates Members

Formal initiation of eight new members of the National Honor Society was held in the High School auditorium Wednesday afternoon at 2:30 o'clock.

Special music for the occasion was furnished by Rev. George Merriman who sang "The Builder," with Mrs. Merriman acting as his accompanist.

Those initiated were Paul Ramsey, Dennis McCabe, Joyce Lewis, DeRama LeFevre, Mary Katherine Gray, Peggy Chambers, Frances LeBlanc and Sue Johnson.

Sponsors of the local chapter of the society are Mrs. Glenn DeForest and Mrs. Clyde Hayden.

Jewel Thieves Arrested In Victoria Friday

Sheriff M. W. Marshall, of Victoria County, and Sheriff A. C. Shivers, of Aransas County, arrested two Victorians and a man from Edna Friday night in Victoria, recovering \$1,000 in jewelry stolen from a Rockport motel on Thursday.

Marshall said that among other items recovered from the home of one of the suspects was a \$700 diamond ring.

He said that the jewelry was taken from a room adjoining another rented by the three while they were employed in Rockport, and that the men admitted they picked up the jewelry when they went into the room to get a folding bed.

Sheriff Shivers said that felony theft charges were filed here Saturday, after he had returned the men from Victoria Friday night. He identified the men as Ray Valdez, 22, and Daniel Mungia, both of Victoria; and Lupe Valdez, 23, of Edna.

Shivers said a diamond ring, an amethyst ring, a gold chain bracelet, a loose diamond, and a gold locket were taken in the theft which occurred at a motel on Highway 35.

First Baptist Church Plans Revival

The First Baptist Church is planning an evangelistic campaign for March 19-26. The pastor, C. Wilson Brumley, will be the evangelist and Mr. Irving Cook, associate pastor of the Southland Baptist Church of Houston will

IRVING COOK

be in charge of the music for the week.

Mr. Cook graduated from the University of Corpus Christi in 1953 and received a Master of Religious Education degree from Southwestern Baptist Theological Seminary in May of 1956. He was associate pastor at First Baptist Church of Lancaster, where W. D. Broadway, formerly of the church in Rockport, is pastor. Cook has been at his present position for the past 18 months. Mr. Cook is married and has three children. He grew up in Galveston, Texas.

Each morning, Monday through Friday, services will be conducted at 10:30 and each evening there will be services at 7:30 with a nursery provided at each service. Mr. Cook will lead the Elementary School age children in singing "booster band" each evening while there will be prayer meetings for all others from 7:00 to 7:30.

Everyone is welcome to attend and participate in these worship services.

MINIATURE BOWLING LANES TO OPEN HERE BY LEON CARLETON

Newest business to open in Rockport will be the miniature bowling lanes belonging to Leon Carleton, and installed next to the go-kart track by the traffic circle.

Along with the bowling alley is a completely modern snack bar, featuring hamburgers and hot dogs, a soda fountain, and soft drinks.

The alleys have all electronic score and automatic pin setting according to Carleton, who is getting ready to open Friday, March 17.

NOMINATIONS OPENED FOR VFW OFFICERS

At the regular meeting of the Veterans of Foreign Wars on Tuesday night, nominations for officers for the coming year was opened and will be accepted until the night of March 28, at which time elections will be held.

Career Week Planned Here For May

Despite recent glamor achieved by science and engineering, and in the face of a resurgent interest in fine arts, more high school students at Aransas County High School are interested in the general business field than in 23 other major occupations.

This was disclosed Wednesday by High School Principal A. B. LeFevre as preparations for "Career Day" early in May were being completed.

In order to divide the prospective college students into groups to hear professional representatives from ten occupations outline the advantages and disadvantages of each, LeFevre circulated advance questionnaires to students in the high school.

Of the answers indicating first choice, by far the largest number, 65—were for secretarial work. Airline hostess was next, with 50 preferences, followed closely by 46 for nursing and 43 for beauty operator.

Other choices occurred in the following order:

Thirty-two for aviation; 32 for the air force; 31 for mechanical engineering; 30 for teaching; 24 for law; 20 for the Navy; 19 for draftsman; 18 for electrical engineering;

Electrician, 15; commercial art, 14; 12 each for advertising and chemical engineering; 11 each for architecture and the army;

Ten each for civil engineering and photography; nine each for pharmacy and banking and finance; and eight each for library and personnel work.

Complete details for the program have not been completed, LeFevre said, but the entire "first week in May will be devoted to a series of conferences with sponsors yet to be named on the first ten categories chosen by the students. The high school principal said that it is planned to make "Career Week" an annual affair, and that in years to come, other occupations will also be discussed.

Morrison's Start New Plant Here

Hugh Morrison and son, Bob, are commencing construction of a new freezing plant and small boat basin on the Rockport waterfront to serve fishermen and hunters in the area.

The building, 75 x 30, will be of masonry and the freezing and refrigerating equipment will be modern and adequate to freeze and prepare for shipment almost anything in the fish and game line short of a moose.

In front of the building, which will be built just north of Surf Courts, the Morrisons intend to build a 75-foot pier, and to construct a basin to handle customers' boats while they are loaded, unloaded and serviced.

The Morrisons say that they intend to handle everything for the fisherman, and to meet all their needs promptly, as soon as their new building is completed on the ground leased from the Aransas County Navigation District.

REV. R. DICKEY TO SPEAK HERE TONIGHT

The monthly supper of the Presbyterian Men of the Church will be held tonight at 6:45 p.m.

President Jimmy Frye has invited Rev. R. Clement Dickey, pastor of the First Presbyterian Church in Aransas Pass, as the featured speaker.

Rev. Dickey is a native of Kerrville, Texas; attended Schreiner Institute in Texas, and Southwestern in Memphis, Tenn.

He is a graduate of Austin Seminary, Austin, and has recently completed a year of post-graduate work in Church History at the University of Nottingham, England. He has held his pastorate in Aransas Pass for the past six months.

METHODIST MEN TO HOLD GAME DINNER TONIGHT

The Methodist men will hold their annual wild game dinner in Methodist Fellowship Hall tonight at 7:30 p.m., and wives are invited to attend as well as husbands.

Rev. C. Wilson Brumley, pastor of the First Baptist Church, will be the guest speaker for the occasion.

The men will furnish the food and each one is urged to bring some sort of covered dish.

AQUA-VERSARY

Aquarena, San Marcos, Texas—Mr. and Mrs. Bob Smith and daughters, left to right, Barbara Ann and Cathy Lynn, shown here can no doubt boast the title of the most aquatic family in America if not the entire world. Seven years ago Bob and Mary Beth accomplished the unbelievable when they were married underwater in the headwaters of the famed San Marcos River.

Life magazine, newsreels and newspaper headlines across the country carried the story of their unique marriage which stemmed from an under-water romance as performers in the well known Aquarena Submarine Theatre Shows.

This scene shows the Smiths during a rather spectacular celebration of their seventh wedding anniversary. All four little and big Smiths went "down under" for an appearance at the Submarine Theatre.

8 Records Snapped In Toast of Coast

Eight records were smashed, two by highpoint man Henry Pickett of George West, and Bloomington won the team championship with 102 points in the Toast of the Coast Relays here Saturday.

Pickett raced over the high hurdles in 14 flat and the low hurdles in 19.8 to set two new tournament records. He also won the broad jump event with a leap of 20-6 and helped the George West relay team win the mile relay in 3:32.3.

Other records eclipsed were by Cecil Oxford in the 440-yard dash with 52.4; Dan McGee in the 800 run with 2:07.9; Bloomington in the 880 relay with 1:33.9 and the 440 relay with 45.3; Industrial of Vanderbilt in the sprint medley relay with 3:47.

Industrial won the junior division team championship with 82.3 points.

George West finished second in the senior division with 94 3/5 points, Jourdan fourth with 63, Industrial fourth with 52, Pettus fifth with 51, Ingleside and Three Rivers sixth place tie with 45, Gregory-Portland eighth with 37, Woodboro ninth with 28, Aransas County 10th with 26 1/2, Tidehaven 11th with 23 1/2, and Calallen (continued on page 8)

Tourists To Carry Toast of Coast Signs Home to Erect

The Chamber of Commerce, working on a suggestion made by Mrs. Charles A. Roe, Sr., has prepared 64 signs, 17 inches in diameter, inscribed with the same design used on Chamber of Commerce stationery, with "Toast of the Coast" and the fish with a wine glass, and is giving them out to winter tourists to distribute when they go home.

The signs, made of plywood, are circular, and eye-catching, and the idea behind the whole thing is, of course, to advertise Rockport and Fulton. A sample may be seen on the post in front of the chamber.

Out of the 64 that have been prepared, Mrs. Roe said, 20 have already been given out to winter visitors who have promised to nail them up when they get home, and more people are asking for them.

With the signs, the people promising to put them up are given a post card to mail back to the Chamber of Commerce telling where they have been erected.

FIRE IN FOWLER'S COTTAGES WEDNESDAY

A fire, apparently caused by defective wiring, broke out between the ceiling and roof of one of C. C. Fowler's cottages back of the post office Wednesday night about 11 o'clock, but was quickly extinguished. Occupants of the cottage are Boyd Carroll Preckwinkle and family.

Council Takes No Police Action

No further developments have transpired in the program of merchants for hiring a night watchman, and the city council has tabled hiring a policeman at the same time, feeling that both ought to be done together.

Other matters at the meeting were largely routine, except for a report by the city attorney, Richard Hatch, concerning reactions of the State Board of Insurance to permanent establishment of trailer homes within the fire limits of Rockport.

Hatch read a letter from George C. Hawley, Chief of the Engineering Section, Rates and Casualty Division, of the Board, which said, in part:

"We wish to advise that the permit for a house trailer to be permanently placed in the established fire limits would be very much in violation of your ordinance, and we would have to consider this in any future consideration we would like to give your city for the enforcement of an ordinance."

"While this one particular building, in itself, would not cause the Key Rate at the present time to be changed, it will act as a deterrent and establish a very bad precedent in any future possible consideration for your city when the matter of the enforcement of your ordinance is to be considered at the next reinspection. We would, therefore, urge and recommend strongly that you do not permit any such type of construction, as it is entirely in violation of your present fire limits ordinance."

Tommy Griffith Appointed County Surveyor By Court

Tommy Griffith, formerly of Aransas Pass, has been appointed county surveyor to fill out the unexpired term of James A. Jarboe, who passed away last week.

In other action at their regular meeting, the Aransas County Commissioners Court approved the monthly report of Sheriff A. C. Shivers, authorized Griffith to furnish Attorney Hobart Huson the necessary data for prosecution of the boundary suit filed against Nueces County, and tabled discussion of the minimum salary that can be paid constables pending an opinion from the attorney general's office.

A plat showing the Bracht subdivision of Outlots 28, 29, 30, 47, 48, 49, 50, and 51, Lamar Township, was approved, and County Auditor J. R. Millikin was authorized to invest certain funds of the county in time deposits.

A canvassing board was appointed for absentee ballots cast in the upcoming senatorial election, consisting of Mrs. Dowell King, Dick Pieton, and Harry Wilson.

School Food Program Is Complimented

The Aransas County School Board, at their regular meeting, were told by Supt. J. D. Gray that the school had been highly complimented by Mrs. Kitty I. McLaughlin, state representative of the school lunch program.

Gray read a letter from Mrs. McLaughlin which said, in part:

"Your school lunch program as you now have it organized, should make you very proud. You made a wise choice when you constructed a new building, instead of renovating an old one for the central kitchen. You have a facility that will be functional for many years, and it will serve your community well."

Gray was authorized to re-invest some school funds until needed, from the interest and sinking fund, and to set machinery in motion. (Continued on page 8)

Mrs. M. W. Cochran Local Representative Of Music Association

Mrs. M. W. Cochran is the local representative of the Corpus Christi Civic Music Association, which will conduct its annual membership campaign for the 1961-62 series of concerts in the lobby of the Robert Driscoll Hotel at Corpus Christi, March 20-25, and through Mrs. M. W. Cochran in Rockport.

Those interested in subscribing to the series should contact Mrs. Cochran, whose telephone is SO 4-2977 for details.

The association offers four excellent concerts each year, for a cost of only \$7 per person, each concert staged in the Del Mar College auditorium, beginning at 8:15 o'clock in the evening.

Scheduled for this coming season are Ivan Davis, noted pianist; Cesare Valletti, Metropolitan Opera tenor; the Boston Pops Orchestra, with Arthur Fiedler conducting; and Le Theatre d'Art du Ballet, with Anna Gallerina as premier ballerina.

Jimmy Jackson Elected Youth Council Moderator

The Spring Rally of South Texas Presbytery's Youth Council met in El Campo on March 10-11. There were approximately 200 in attendance, representing the north zone of the Presbytery, representatives from the south zone having previously met in Brownsville.

The program for the two day meeting consisted of a workshop service which included the serving of Holy Communion, business meetings, discussion groups, and election of officers.

Jimmy Jackson of Rockport was elected to serve as moderator of the council for 1961-62 and Bill Jackson of Brownsville was chosen as vice-moderator. The territory of the council extends from Wharton on the north to Brownsville on the south and is made up of the youth groups of all the local Presbyterian churches within this area.

Those in attendance from Rockport at the El Campo meeting included Miss Sue Eller, Miss Linda Clark, Miss Nicki Dick, Miss Nan Jackson, Miss Caroline Clark, Mike Smith, Charles Atchley, Jimmy Jackson, Gary Thomas, N. F. Jackson and Raymond Ingersoll. Mr. and Mrs. Bob Morrison, leaders of the local group, attended as sponsors.

MRS. OTTO KNIPPA'S BROTHER KILLED IN BUENOS AIRES

Harold Bahr, 47, formerly of Longview, was instantly killed and his wife seriously injured in a plane wreck occurring in Buenos Aires, Argentina, Sunday.

He is the brother of Mrs. Otto Knippa of Rockport, and the son of Mrs. H. H. Bahr, 76, who is the Baptist Memorial Hospital at San Antonio, recovering from a broken hip, and must not be told of her son's death as her doctor has said the shock might be too great, considering her age and condition.

The Bahr's son, Harold, Jr., a midshipman in his second year at Annapolis, has flown to Buenos Aires to return his father's body to San Antonio for interment, and to check on his mother's condition, which is serious.

Funeral arrangements will be announced later.

ARANSAS COUNTY ATHLETIC BOOSTERS CLUB MEETS

There will be a meeting of the Aransas County Athletic Boosters Club Wednesday night, March 22, at 7:30 p.m. at the Court House.

New Gas Plant To Draw Material From Fields Here

Hunt Industries of Dallas have announced construction is progressing on the Zoller Gasoline Plant located 18 miles east of Refugio on FM 774.

Contractor for the modern, absorption-refrigeration type natural gasoline plant is Stearns-Roger Manufacturing Company of Denver, Colorado. The plant is expected to be in operation by April 15, according to the announcement.

The announcement from W. E. Vaughn, Lyda Hunt-Herbert Trust of Dallas reads:

"The plant is a modern absorption-refrigeration type natural gasoline plant which is designed to process thirty million cubic feet of gas per day and which will recover 85 percent of the propane and essentially all of the butanes and heavier hydrocarbons from the raw gas stream.

"The gas to be processed initially will be produced from the San Antonio Bay area and the Fulton Beach area. Residue gas remaining after extraction of these hydrocarbons will be delivered to Natural Gas Pipeline Company of America for eventual consumption in the Chicago area. The finished liquid products will consist of Propane, Iso-normal Butane, and a 12 pound or 14 pound Reid Vapor Pressure Natural gasoline.

"The plant will employ a superintendent, three plant operators, a mechanic and an office clerk. Operation will be directed from the Hunt Industries home office at 700 Mercantile Bank Building, Dallas."

Joe Smith is the superintendent for the new plant and he is now on the job helping construction so the plant can be in operation by April 15.

D. R. Mooney is superintendent of the Stearns-Roger construction crew.

Work Party From Corpus Christi To Be Here Sunday

Sunday next, March 19, is to be celebrated by Episcopalians in this area as Rockport Conference Day.

Men from the churches in Corpus Christi, Portland, Aransas Pass, Sinton and Rockport will converge on the Big Tree Lodge on Lamar Peninsula that day for a service of Holy Communion at 8 a.m., followed by breakfast in this restaurant.

They will then proceed to the Conference buildings rapidly nearing completion on the property presented to the Diocese by Mr. and Mrs. Emory M. Spencer.

Here the men will be organized into working parties by W. D. Miles of Corpus Christi, assisted by a number of "straw bosses," for the purpose of trimming trees, clearing brush and tidying up the site.

The morning prayer service at St. Peter's will be held as usual at 9 a.m. Harry Carter, Lay Minister, officiating.

Church school meets in the Parish House at 10 a.m., with Mrs. Noah Taylor, superintendent, in charge.

The mid-week Lenten Service on Wednesday, March 22 at 7:30 p.m. with meditation by the Lay Minister, will be the last week night service until Good Friday.

Dance Slated Friday Night At Country Club

Dave Rourke and his orchestra will furnish music for a dance to be held at Live Oak Country Club Friday night, March 17 from 9 to 12. A woman vocalist will be featured with the orchestra.

The event is sponsored by the club's entertainment committee, and is open to club members and out-of-town guests.

JOE CAVITT IS SPELLING CHAMPION

Joe Cavitt will represent Aransas County Junior High School in the Corpus Christi Caller-Times Spelling Bee. Thirty-five students tried out for the position of best speller. Lenora Read, Hugh Morrison, and Lola Jean Lewis were close contenders for the title when the final oral bee was held in junior high Tuesday morning.

Joe is thirteen years old and is the son of Mr. and Mrs. Volney Cavitt, Rockport. He has numerous and varied hobbies, and is interested in the piano, organ, collecting, and has an intense desire to read.

Mrs. Charlyne Hunt is the spelling bee sponsor in the junior high school.

8-3 WINS JUNIOR HIGH VOLLEYBALL

The noon time Junior High intramural volleyball tournament came to a close on Monday of this week with 8-3 emerging as the winner. The tournament started two weeks ago in the physical education classes when 8-2 defeated 8-1 in the second period class to represent this class in the tournament. 8-3 represented the third period by defeating 8-4.

The first day of the tournament found 8-3 playing 8-2 and 8-3 won the first two games of the match and therefore were declared winners of the tournament. 8-2 ended in second place. When play resumed again in the tournament 8-1 and 8-4 were playing for third and fourth place. 8-4 won the first two games of the match and was declared third place winner. 8-1, the defeated team of the second round wound up in fourth place of the four-team tournament.

Members of the winning team, 8-3, are as follows. Larry Iles, Gary D. Langston, Narace Lawrence, Herb Mills, Charles Picton, Richard Rinche, Thomas St. John, Rudy Solis, Ronnie Valdez, and Danny Webb.

TAXPAYERS ENTITLED TO PERSONAL EXEMPTION

Each taxpayer is entitled to at least one personal exemption of \$600 in filing his Federal income tax return for 1960, Ernest E. Fannin, Jr., Administrative Officer of Internal Revenue Service at Corpus Christi, said today.

The taxpayer who was 65 or older on Jan. 1, 1961, or who was blind at the end of 1960, is entitled to an extra \$600 exemption. If both conditions existed, he gets two extra exemptions of \$600 each. Identical exemptions for the same conditions apply to his wife, if a joint return is filed.

A taxpayer filing a separate return may claim his wife's exemption or exemptions only if she had no income and was not the dependent of another taxpayer.

"If your husband or wife died during 1960 the number of his or her exemptions is determined as of the date of death. Check the appropriate blocks on your return," the IRS representative said.

Taxpayers having simple tax problems can save time by telephoning Internal Revenue.

Scout Representatives Attend Dinner

Some 85 men representing 12 institutions within the Mustang Scout District attended the annual spring "Together Dinner." The purpose of the dinner and the "Together Program" is to introduce people at the method of organizing a Scout unit and the need to organize more scout units to take care of the increasing number of boys who want to be in some phase of the scouting program.

The chairman of the program is San Patricio County Judge William E. Nicholas of Sinton.

The dinner was held Thursday, March 9 at the Fellowship Hall of the Grace Lutheran Church in Sinton.

Techniques of organizing scout units was given by G. A. Mistrot, organization and extension chairman of the Mustang District and was assisted by district committee members R. S. McCammon, Joe Benson, L. J. Luedke, K. T. Edwards and George Rigotti.

Among the institutions represented at the dinner were the VFW of Mathis, Kiwanis Club of Odem, VFW of Odem, Lions Club of Sinton, Templo Baustista of Sinton, South Side Lions of Taft, Downtown Lions of Taft, First Baptist Church of Ingleside, Mission Baustista of Ingleside, Civic Club of Port Aransas, Odd Fellows of Rockport, and a combined church group from the Baptist, Methodist and Presbyterian Missions of Taft.

Judge Nicholas said that as a result of the dinner some 150 boys will be able to join a scout unit who previously had been unable to because no unit existed in their institution. Among the units pledged to be organized were seven Boy Scout Troops, four Explorer Posts and one Cub Pack.

A PROCLAMATION

WHEREAS the American National Red Cross was established officially by the Congress of the United States and operates under government grant of authority, yet receives its support solely from the voluntary contributions and efforts of the American people; and

WHEREAS, this charter imposes specific duties and responsibilities upon the Red Cross in providing welfare services for the armed forces, veterans and their families, and in meeting the needs of families suffering from disasters; and

WHEREAS, the American National Red Cross, working with the eighty-five nation League of Red Cross Societies, helps alleviate human suffering caused by disasters or disease throughout the world; and

WHEREAS, in communities across this nation more than two million Red Cross volunteers help their neighbors with such services, the blood program, first aid and water safety, nursing services and other humanitarian activities; and

WHEREAS, throughout its 80 years of varied and commendable services in our nation, the Red Cross has earned the respect and gratitude of our citizens;

NOW, THEREFORE, I, John F. Kennedy, President of the United States of America and Honorary Chairman of the American National Red Cross, do hereby designate March 1961 as Red Cross Month; and I urge all Americans to support the Red Cross in its local, national and international missions of mercy.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this twenty-sixth day of February in the year of our Lord, nineteen hundred and sixty-one, and of the Independence of the United States of America the one hundred and eighty-fifth.

BROWNIES GO TO CORPUS CHRISTI

Mrs. Dewey Edge and Mrs. John Ratliff took the patience to take eight members of the Brownie Troop to Corpus Christi, Friday, March 10.

First we went to the Borden's Dairy Company. And there we learned how milk was pasteurized, cartonized, sealed, and many, many other things.

After lunch we went to the Rainbo Bakery. There we learned many things about bread.

Then we went to the Boat Show, unexpectedly. But we learned many things. Then we went to the Junior Museum. There we saw and learned many things.

Rockport Elementary Has Many Visitors

Many parents and visitors at the Rockport Elementary School made Public School Week very successful.

During the week 994 people visited in the classrooms, 250 people attended the Open House Tuesday night, 149 adults and many pre-school children ate lunch in the cafeteria.

Window displays of pupil's work were located at Sorenson's Grocery Store and a Library display was located in the Central Power and Light Company.

The faculty of the Rockport Elementary would like to express their appreciation for the fine cooperation received from the visitors, without this, the successful Public School Week would not have been possible.

MRS. HAGAR TALKS TO ENGINEER'S WIVES

Mrs. Jack Hagar, bird authority of Rockport, was guest speaker at a luncheon Thursday in Corpus Christi, sponsored by the Women's Auxiliary, Texas Chapter, Society of Professional Engineers.

She spoke on "Shells in Art and Industry" and illustrated her lecture with many little-known facts about these molluscan homes.

In industrial uses, she said, shells were used for many things, including draperies and buttons. And in art they have given their form to many things, from the beautiful salt cellar designed and sculptured by Benvenuto Cellini to the pecten used by Shell Oil Company as its emblem.

LOCAL TEACHERS ATTEND TSTA

Friday, March 10, the faculty of Rockport Elementary School attended the District XII Convention of the Texas State Teachers Association. The convention was in Victoria High School.

Mrs. Lura Jorden is doing fine after surgery last Friday at Ewing Memorial Hospital at Sinton.

CARD OF THANKS

The committee on Public Schools Week, wishes to thank each and every one who had an active part in making this program a success, especially the different organizations.

KEEP the CAR COMFORT and SAFETY YOU PAID FOR!

...don't neglect FRONT-END ALINEMENT

...because worn out alignment settings can take many miles off the life of your car! Vital steering and front-end parts wear twice as fast with out-of-line wheels. Tire life is shortened as much as 50%. Your car becomes unsafe, uncomfortable. Your car actually "uses up" alignment just as it consumes gas, oil and lubrication. In fact, front-end settings "wear out" —

- 3 times faster than mufflers
- 4 times faster than spark plugs
- 6 times faster than brakes
- 9 times faster than shock absorbers

CIRCLE 4 MEETS
Circle Number 4 of the First Presbyterian Church met at 9:30 a.m. on Thursday, March 9. Mrs. M. F. McClanahan was hostess for the meeting in the home of Mrs. Gene Bird.
Plans were made at the meeting to serve the women at General Meeting on March 23. Mrs. Matern, the circle chairman, also thanked all those who assisted in furnishing cakes at the recent meeting of the Presbytery of Central Texas, which was held at the church. She announced that over 120 men were served at this two-day meeting.
The circle made plans to participate in a service project for the church. Mrs. Gene Bird volunteered to investigate the cost of materials to repair the Hymnals in the church.
The circle will meet with Mrs. Jerald Brundrett next month, and Mrs. Cecil Lang will lead the Bible study. Mrs. S. F. Jackson led the group in the Bible study and a discussion was held concerning the lesson. Mrs. M. F. McClanahan led the monthly emphasis on Evangelism.
The meeting closed with the Mispah benediction.

Woman's Club Holds Meeting
The Woman's Club of Aransas County held its regular meeting on Tuesday, March 14, in the Woman's Club building, Mrs. George Dickey, president in the chair.
Mrs. C. C. Atchley read the library report and showed in increase both in borrowers and circulation. Mrs. A. B. Chernosky reported that the card party recently given was a success and Mrs. J. W. Hunt read a communication from Point Comfort on the "Roaring 20's." It was announced that new officers would be elected at the next meeting.
Mrs. Fred Bracht, program chairman introduced Miss Lola Bonner as speaker for the afternoon. Miss Bonner, who is an attorney, practicing in Rockport, spoke on "Equal Legal Rights for the Women of Texas." Her talk was most informative and thoroughly enjoyed. She pointed out that the State of Texas, although there is a community property law, there still exists an "inequality" as far as a married woman's rights are concerned in the matter of real property. She cited cases where the existing laws have worked a hardship on many women and an intensive effort for influence on the legislators would carry much weight in rectifying these inequalities. A question and answer period followed Miss Bonner's talk.
Refreshments were served following the meeting, with Mrs. George Dickey as hostess and Mrs. R. C. Naper presiding at the punch bowl.

GOOD NEIGHBOR CLUB WILL MEET MARCH 22
Mrs. Alex Williams of Lamar will be hostess for the Good Neighbor Club at her home on March 22, at 2 p.m. All members take notice and attend.

In the world of 1795, Jacob Beam traveled to Kentucky where he created the original Beam Formula and dedicated himself to the making of the world's finest bourbon. Today, as for 166 years, the 5th and 6th generation of the Beam Family continue to make Beam Bourbon under the same formula with the same purpose—The World's Finest Bourbon. That is why only Beam tastes like Beam; only Beam tastes so good.

WHAT'S THE BIGGEST VALUE IN APPLIANCES?

That's easy—the electricity that runs them. In fact, while the price of almost everything else has been going up, the average price of your electricity per kilowatt-hour has been going down!
And what a willing worker it is, for your whole family...helping feed, clothe, entertain, clean, illuminate, inform. Not only making easier, but making possible many of the activities we've come to take for granted.
And when you need more help—just plug in a new appliance! You'll find that the more you use your electric service, the greater the value...the bigger the bargain.

WEEKLY TOURIST PARTY HELD

The Woman's Club of Aransas County held its weekly tourist party on Monday, March 13, in the Woman's Club building.

Hostesses for the afternoon were Mrs. Willis Hogue, Mrs. R. J. Leth and Mrs. Cleo Thomas. A lace cloth covered a green skirt on the center table. A flower arrangement was centered on the table with delicious china figurines of a fawn and flamingo carried out the tea rose coloring of flowers. The prizes were wrapped in white paper with green shamrocks in the center. A spray of apple blossoms decorated the entry table. Mrs. C. E. Nickerson presided at the coffee service.

Prizes were won by the following: Bridge, Mrs. Henry Ford, Lockney, Mrs. J. V. Ferguson and Mrs. Al Smith; canasta, Mrs. Anna Jacobsen, Ridgefield Park, New Jersey, Mrs. Faye Vickery, Arkansas City, Kans., and Mrs. Oscar Roske, Dawson, Minn. The bingo prize was won by Mrs. Arlo Hansen.

Next Monday, March 20, at 2 p.m., another party will be held at which time Mrs. A. L. Bachman and Mrs. Tom Davison of Heworth, Canada, will act as hostesses. The Woman's Club extends a most cordial welcome to all.

COUNTRY CLUB NEWS

The style show, sponsored by the Ladies Association, of Live Oak Country Club, held at the club, Saturday, March 11, was a huge success, with over 260 in attendance.

The theme for the event was, Spring and Easter, with models displaying spring fashions from Townsend's Dress Shop, of Rockport, Pert's Fantasy of Fashions, Clendenings, Kaufman's and Tabet's of Aransas Pass.

A Pink Tea was held Sunday afternoon from 3 p.m. to 5 p.m. for the younger set, from kindergarten through the fourth grade. The youngsters took part in a style and talent show.

Last Sunday's Scotch Foursome drew 39 players. The team winning first place with a score of 8 under par, consisted of Louis Kutsche, A. N. Garrett, Jiggs Spears and Ollie Rogero. Second place, with 7 under, was won by C. O. Roberts, Garvin Mitchell, J. M. Attaway and Art Smith.

These Scotch Foursomes are held each Sunday at the club for members. Registration time is 12:30 p.m., with tee-off time set at 1:15 p.m.

The regular Inter-City Pro-Am was held at the club Friday afternoon, with 50 golfers from the area taking part.

Borden's tomato ready diet

Joins the popular Chocolate and Plain (light vanilla) flavors

Now, hearty new tomato flavor in the 900 calorie food drink that gives dieters a day's balanced nutrition.

Dieters, take heart—take Borden's new change-of-pace tomato flavor.

Take it cold as a fresh start to your day... take it hot for a stimulating pick-up along the way... Enjoy this new tomato drink with nutritional advantages of Borden's ready diet.

Ready to drink, no mixing. Scientific blending keeps ready diet from separating, from tasting grainy or thick.

Balanced nutrition. One quart supplies a complete 900 calorie daily diet (see box). What's more, ready diet offers other valuable milk nutrients for which

no recommended dietary allowances* and minimum daily requirements have been established.

Helps quiet that hunger feeling dieters often experience. This, with its fresh natural flavor, makes sticking to a diet so much easier!

Delicious taste. Your first sip proves it. ready diet has a superbly smooth, rich flavor and full-bodied goodness. It comes in a choice of flavors, all great hot or cold. Has no drugs, no after-taste.

Always consult your doctor before starting a reducing program, especially if you have a history of kidney, heart, blood vessel or other disorders.

Benefits of Borden's Balanced Formula

A quart of ready diet provides or exceeds amounts of all important essential nutrients recommended by the National Research Council* for an adult's daily allowance of vitamins and minerals and actually gives an adult twice the minimum daily required amount of complete protein.**

The balanced carbohydrate pattern has

been selected to provide a regulated rate of absorption to assist in satisfying hunger and in sufficient quantity to promote proper utilization of excess body fat.

The balance and value of protein, carbohydrate and fat result in superior flavor that is readily discernible to the user. ready diet is naturally sweet and good.

tion for retirement of some of the last issue of bonds.

The superintendent told the Board that the athletic and student insurance program had not been as satisfactory this year as in the past, and they agreed that the entire program should be reviewed before the beginning of the next school year.

In other action, the Board voted to change the physical education and health education requirements for graduation from four units to two, and that while four units would be offered, only two would be required for graduation.

Pirate Track Team To Go To Meet At Odem

The Pirate track team will be one of the schools participating in the Fifth Annual Odem Relays to be held at the Owl Stadium in Odem on Thursday afternoon and night, March 16. Thirty schools have entered the meet, which is for class A and B schools, and a number of new records will probably be hung up by competitors, as the track has been re-worked and is very fast.

Defending Class A champion, George West and Sharyland, defending Class B champion will be back this year. Several schools which have always attended will not be back due to being raised from Class A to AA. This meet for small schools has attracted wide attention in the past and produced some fine performances.

Teams which have already qualified their entry will be Agua Dulce, Host Odem, Banquette, Skidmore-Tynan, Santa Rosa, Riviera, San Perita, Pawnee, Austwell-Tivoli, Bruni, La Vernia, Stockdale, Charlotte, Runge, Smiley, Sharyland, and Orange Grove in Class B.

The following Class A teams will attend: Mathis, Pettus, Poth, George West, Woodsboro, Calallen, Gregory-Portland, Aransas County, Jourdan, Bloomington, Ingleside, St. Joseph of Victoria and Yorktown.

Coaches will meet at 12 noon on March 16 with preliminaries beginning at 1:00 p.m. Finals will begin at 7:00 p.m.

The meet is under the direction of High School Principal Ray Rutherford and Harry "Pop" Mohrmann, Odem athletic director.

Visitors to the Church of Christ last week were Mr. and Mrs. Gerit Toussend, Worthington, Minn.; H. W. Williams, Elk City, Okla.; Mr. and Mrs. William E. Aransas Gains Deep Wildcat

J. S. Michael Co. of Houston has filed for permit to drill a 10,400-foot Aransas County wildcat five miles south of Bayside at the No. 1 Banker's Mortgage Co.

Proposed location is 660 feet from the north and east lines of Block 5 and 1,980 feet from the south and west lines of Section 66, Sixth Addition to Taft Farm Lands.

Located on a 2,400-acre lease, the explorer is approximately 1½ miles east-southeast of Slick No. 1 Werland Mud Flats Field gas-condensate discovery completed at 9,490 feet. It is about one mile northeast of the San Patricio County line.

W. H. Hunt Trust Estate has reworked two wells in the Fulton Beach Field in Gilliland Survey, A-70.

Hunt No. 2 T. J. Walker, filed as Placid Oil Co., was completed for a daily open flow of 4.35 million cubic feet of gas plus one barrel of 63.4 gravity condensate to 72,500 cubic feet of gas from perforations at 6,945-52 feet in 7-inch casing at 7,150 feet. Flowing tubing pressure on an adjustable choke was 1,312 pounds and shut-in pressure was 1,998 pounds.

No. 2 Milton Jackson, also originally filed as Placid, was completed for a daily open flow of 750,000 cubic feet of gas plus one barrel of 56.5 gravity condensate to 110,000 cubic feet of gas from perforations at 6,832-40 feet in 5½ inch casing at 7,171 pounds. Flowing pressure on an adjustable choke was 778 pounds and shut-in pressure was 1,883 pounds.

Highway Safety Meeting Held

A pre-construction safety meeting for the 1961 District Sixteen Seal Coat Program was held at Texas Highway Department Resident Engineer's office in Karnes City, Monday, March 13, 1961.

Resident Engineer J. T. Chapman conducted the meeting. Sgt. A. G. Dalton, Sgt. Fred Hurst, Patrolman Ray Garnett, and Patrolman R. J. Hutchins represented the Department of Public Safety. The contractor, J. W. Perry and C. H. Allison, Inc., was represented by Travis Jenkins of San Antonio.

This construction program covers the seal coating of 357.7 miles of highways in Aransas, Bee, Goliad, Jim Wells, Karnes, Kleberg, Live Oak, Nueces, Refugio, and San Patricio Counties.

The amount of the contract is \$473,589.23. Stockpiling of aggregate began in Karnes County, March 13, 1961. Actual seal coating operations will begin in Karnes County, May 1. The travel public is urged to cooperate with the contractor and the Highway Department in reducing accidents on construction projects.

MERION CLASS MEETS AT HOME OF MRS. COYS CASEY

The Merion Class of the First Baptist Church met Tuesday, March 14, at 7:30 p.m. in the home of Mrs. Coys C. Casey, for their regular monthly social and business meeting.

The meeting was opened with Janice Casey playing "In Church" on the piano. Mrs. J. C. Thompson then led in prayer and Mrs. Z. T. Washburn brought a good devotional on "The Meaning of a Revival."

Following a report of all the committees and a business meeting, a prayer meeting was held for the coming revival.

Secret Pals were revealed and new names were drawn.

Refreshments were served to Mrs. C. W. Pearson, Mrs. O. A. Carroll, Jr., Mrs. F. E. Dorethy, Mrs. C. C. Landgraf, Mrs. Preston McHugh, Mrs. Bert Smith, Mrs. Z. T. Washburn, Mrs. Billy Wood, Mrs. W. E. Beasley, Mrs. J. C. Thompson and Mrs. C. C. Casey.

Fulton Elementary Has Busy Week

George Ware Fulton Elementary School was the center of much activity this week. On Monday, March 13, the first, third and fifth grades received their hearing tests; on Wednesday, March 24, pre-school and 103 school children received polio shots.

New books are arriving for the primary grades library and the children are very anxious to explore this new field of development. There will be easy to read books, an adventure series, a frontier series, a pioneer series, and all about space ships and trips to outer space.

For the fourth, fifth and sixth grades, a reading certificate will be awarded to those who complete the reading series and pass all the tests on all the books in the chosen series. These books encourage children to read earlier in life, and consequently become better readers and better informed citizens of the future.

Landscaping is about completed for this planting season but will be resumed as soon as possible next year.

Participation In Public School Week High Here

Participation in Aransas County Public School Week was fifty percent greater in 1961 than it was in 1960, school Supt. J. D. Gray said this morning.

He pointed out that 125 adults had visited the new cafeteria at Rockport and eaten a meal there during the week, while seven adults ate the luncheon at the Fulton Elementary and five at Aransas County High School during the week.

However, it was in classroom visitations that the great gain was shown, he said.

In 1960, he said, 795 people had visited Rockport Elementary, compared to 994 in 1961. At Fulton, 294 people visited last year during public school week; this year there were 418 visitors.

In high school, which had 108 visitors last year, there were 127 this year; and in junior high there were 123 visitors this year against 82 last year.

ROTARY

At Rotary luncheon Wednesday, the time was taken up with a discussion of career week, sponsored by the club, which will be staged in the local high school during the week of May 1.

A prayer, led by Rev. Cecil Lang, Jr., was offered by all members for the late James A. Jarboe, long-time member of the club.

Guests at the luncheon were Dick Hatch, Aransas Pass; A. B. LeFevre, principal of Aransas County High School; and Dave Tandy, of Forty Worth.

MRS. HOMER V. FABER HOSTS TUESDAY CLUB

Mrs. Homer V. Faber was hostess to the Tuesday Bridge Club at her home.

High score winner was Mrs. Harry Mills; Mrs. Earle Thomas was second, and the hostess was low. Mrs. W. J. Philpott won the bingo prize.

Members present were: Mrs. J. D. Griggs, Mrs. Arlo H. Hansen, Mrs. Earle Thomas, Mrs. L. G. Wood.

Special guests were Mrs. W. J. Philpott, Mrs. Harry Mills, and Mrs. Tom Davison of Hepworth, Canada.

Mr. and Mrs. Emmett Harper and two children of Cotulla were weekend visitors in the R. E. Demory home.

Scout Leaders To Attend Round Table Training

Monthly round tables for Cub Scout leaders and Explorer Post advisors in the Mustang District will be held on Thursday, March 16, 7:30 p.m. at the Sinton High School, it was announced today by George Rigotti, district commissioner.

Cub leaders will be led in their program by K. T. Edwards, Cub leader trainer and will concern itself with coming program events and theme and craft material. Explorer advisors of the district will meet under the direction of Roy McCammon, Exploring chairman of the district. The Explorer leaders will cover all spring events for the Explorer program as well as study new Explorer program items.

Boy Scout Troop leaders will meet on Friday, March 17 at the Sinton Nursery under the leadership of W. J. Mott of Portland and Joe Benson of Sinton, both of whom are Scout leader trainers. Their meeting will begin at 6:30 p.m. and is centered around the Boy Scout theme for April which is pioneer cooking. Advanced cooking techniques will be demonstrated by various scoutmasters of the district.

Rigotti urged all scouters in the district to attend the round table with which they are most concerned.

FULL RETIREMENT NOT REQUIRED TO RECEIVE PAYMENTS

A local man and his wife may lose \$966 this year unless they apply for their social security benefits, according to George A. Miles, Field Representative of the Corpus Christi of the Social Security Administration.

Miles explained that this man and his wife are both over 66 years of age. Based on an average of his past earnings, his monthly benefit would be \$112 a month, and his wife's one half as much or \$56 a month. Although he was retired from his regular job he, continued working on another job for \$200 a month. He did not file an application for benefits last year since his earnings were too high to permit payment of benefits under the retirement test in test in the law at that time.

"Now the law has been changed, and this man and his wife would be eligible for some benefits even though he continues to work," Miles says. His earnings of \$2400 a year from his work would cause a reduction of \$1050 from their total social security benefits. Since their combined benefit of \$168 a month amounts to \$2016, a balance of \$966 in social security payments could be paid for 1961.

"There must be many others in similar circumstances," Miles added. "We suggest that any worker over age 65 should inquire about his social security even though he plans to continue working."

Inquiries should be addressed to the Social Security Administration, 530 South Water Street, Corpus Christi, Texas.

Postmen are limited by law to 50 pounds of mail per trip.

SOCIAL SECURITY FOR TEACHERS AND OTHER GOVERNMENT WORKERS

Texas is one of 16 states which are permitted to divide their retirement systems for the purpose of social security coverage, according to H. M. Cleveland, Manager of the Corpus Christi Social Security district office. This applies to state employees and local government employees, including those who work for the local district, who are under an existing retirement system. The local office has received numerous inquiries from teachers recently.

A new provision of the law now makes it possible for the governing body of a local government unit in Texas to hold a referendum to determine which employees want to be covered by social security, and to cover only those employees. Such coverage would be in addition to any other retirement system they may have.

This change is especially important to Texas school districts, Cleveland pointed out. School boards who wish to get the social security insurance protection for teachers and other employees of the school district may now cover only those who want the coverage. Previously, teachers could come under social security in addition to the state teachers system only if a majority voted for the coverage; then either all or none were covered by the government.

Cleveland emphasized that teachers cannot come under social security individually on the basis of their earnings from teaching, but only as a result of action by the school board.

The State Department of Public Welfare, Austin, Texas, handles agreements for coverage of local governmental employees in Texas. Requests for information and forms should be directed to John H. Winters, Commissioner, State Department of Public Welfare, Tribune Building, Austin, Texas.
