Woman Wounded In Domestic Fracas

A Colorado City woman is in Root Memorial Hospital in satisfactory condition after being rushed to emergency surgery with a gunshot wound in her left chest Monday evening.

Ruby Lee Jenkins, 69, 106 South Austin, was apparently shot with a .32 caliber handgun in her home about 9:50 p.m. Monday as a result of an apparent domestic argument.

Assistant Chief of Police Jimmy Roundtree and Sergeant Don Hamilton received a report that shots had been fired at the residence.

Upon arriving at the scene, the officers found the victim staggering out of the front door, closely followed by her 14-year-old daughter.

The woman was reportedly bleeding and screaming for help.

Officer Roundtree gave the woman tempo-

rary assistance and helped her to sit down as the ambulance arrived.

The two officers then entered the house in search of the gunman.

Matthew Jenkins, 70, husband of the wounded

woman, was found outside the back entrance to the house.

A shotgun and .32 caliber pistol were found in a pickup in the rear of the house. The pistol was in the back of the

pickup and the shotgun was behind the seat.

A shotgun and a rifle were also found in a closet in the house where the shooting apparently took place.

Matthew Jenkins was

taken into custody and charged with aggravated assault with intent to commit murder. He was arraigned before Justice of the Peace Henry Doss and bond was set at \$25,000.

Firemen Fight Losing Battle Against Flames

Firemen fought a losing battle Tuesday morning when the home of Ray Davis was completely destroyed by flames.

The three bedroom, stucco home with a tin roof caught fire about 4 a.m.

The family was unable to contact the fire department by telephone because the system was out of opera-

tion in that part of the county.

Davis ran to a neighbor's house and the neighbor drove into town to telephone the Colorado City Volunteer Fire Department.

The firemen's base station at the police department was out of service at that time so firemen could not be contacted by pager and had to be reached individually by telephone.

The front bedroom of the home, which was located two miles north and one mile east of Buford, was completely involved in flames when firemen arrived.

Four trucks and 10 men fought the blaze and managed to remove some large items from the home before it became completely engulfed in flames.

According to one fireman who was at the

scene, smoke was billowing out of the house when the trucks arrived.

Immediate attention was given to removing diesel additive cans stored on the front porch, then several items, such as the television, couch and dresser containing some clothing, were removed before firemen were forced to move away from the house by

Game Warden Offers Annual Hunting School

It's that time of year again when happy hunters take to the woods to sit in cramped, uneasy silence, reminiscing about the "one that got away" last year as they anticipate the crack of dawn.

Playday Scheduled Labor Day

Monday at 1 p.m. is the time and the Colorado City Area Chamber of Commerce Rodeo Arena is the place for a "Play Day" of fun and entertainment for the whole family.

For the small fee of \$1 for adults and 50 cents for children under 12, area residents may enjoy a typical old-fashioned Labor Day celebration.

Narcotic Agents Seize Marijuana

A Nolan County man and his female companion are in the Nolan County Jail as a result of an investigation which began in Colorado City two weeks ago.

Colorado City Police Sergeant Don Hamilton

received information which he turned over to the Midland Department's narcotics division of the Midland Department of Public Safety and Midland Police Department.

Narcotic agents, assisted by Hamilton and a Nolan County Deputy Sheriff, allegedly set up three separate purchases of marijuana. The combined alleged purchase totaled over eight pounds.

A warrant was obtained to search a Nolan County residence. Officers recovered marijuana plants and one and one-half pounds of marijuana from a residence.

Mario Ruiz Casares, 24, was arraigned before a Nolan County Judge on charges of sale of marijuana. Virginia Garcia Zimmerman, 25, was arraigned for possession of over four ounces of marijuana.

Both persons are from Roscoe.

Board Upgrades School Graduation Requirements

Students attending Colorado City schools will now be required to pass, with an average of 70, both major and minor subjects in order to be promoted.

Tuesday, Colorado Independent School District Board of Directors changed existing school policies to reflect the 70 average passing grade and established two categories of studies which must be passed in order to advance.

Students in the Sixth and Seventh Grades must pass, with a yearly average of 70, the major subjects of language arts, math, science and social studies.

Sixth Grade students must pass minor subjects as P.E., band, choir and art.

Student Count Soars

Enrollment at the close of school day Tuesday has increased 46 students this year over last year's total of 1,378.

The total student enrollment count as of Tuesday morning rose to 1,424. Students are still registering at this time.

There is an enrollment of 339 students at Kelley, 353 at Hutchinson, 332 at Middle School and 400 at High School.

There has been an increase in

Seventh Grade students must pass minor subjects of P.E., band, choir, art, athletics, industrial arts and speech. Students will be promoted in grade eight if they are passing major subjects of English, math, social studies and science II.

They must also pass minor subjects of P.E., band, choir, art, athletics, industrial arts, speech, CVAE, library science and office science.

"This will hopefully cut out the free rides," Board President Tom Rees commented.

Rural Atmosphere Lures New Doctor

The harmony of rural life has attracted another new doctor to Colorado City.

Dr. William Riley Jones, a native of Fort Worth, has recently opened his office in partnership with Dr. George Lindsey and Dr. Pat Thomas here in the medical building at 5th and Chestnut.

Dr. Jones and his wife, Veanda, have three sons, Brant, 5, Blake, 2 and Landon, 1.

They wanted a small town in which to raise their children and chose Colorado City, Dr. Jones said.

Dr. Thomas had invited Dr. Jones to consider setting up practice here some years ago while attending school.

Dr. Jones was born in Fort Worth, but graduated from high school in Big Spring.

Dr. Jones received his Bachelor of Science Degree in Biology from

Arlington University of Texas, and obtained his Doctor's Degree from Texas College of Osteopathic Medicine in Fort Worth. He served his internship at Mount Clemens General Hospital. This is his first year of general practice.

Mrs. Jones is a mother, housewife and volleyball referee.

Dr. Jones and his wife enjoy water skiing, snow skiing and racketball. They plan to raise horses and cattle in their spare time.

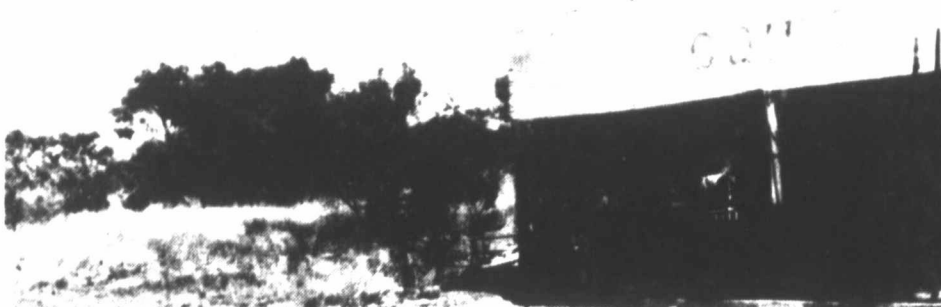

Dr. and Mrs. Jones live on the Snyder Highway where they recently bought the house and land from Dink Rees.

They belong to the Baptist Church.

Kiwanis Club Chosen "Project 100" Winners

Phase one of the Colorado City "Project 100" voluntary cleanup program has been completed.

The Kiwanis Club was selected as the group that accomplished the most in improving the appearance of the East Highway 89 entrance into town.

Clubs, organizations and individuals who volunteered to participate were assigned locations along the highway to clean up.

Each group contacted the owner of the property in their assigned area to gain permission to begin the clean up.

Participating in the

project were: Business & Professional Women's Club; Garden Club; Boy Scouts; Lions Club; Jaycees; Wallace Center Senior Citizens; Cemetery Board; Self Culture Club; Kiwanis Club; Texas Electric and property owners Melba Beavers and J.O. Dockrey.

Mayor Elmer Martin presented a plaque to the Kiwanis Club Tuesday during their regular luncheon.

"All the areas have been vastly improved," Martin said.

"This selection of a most improved area was a difficult choice because so many peo-

ple worked so hard on this project."

Ray Mason, past city manager, Chamber Manager Starr Greenblatt and Donna Watson acted as a committee to select the most improved area.

"Our objective was to beautify and clean up the entrance to the city from the east hill and we have accomplished our goal," Martin said.

A general outline of the route for the tour has been given but an exact route has not yet been planned.

Anyone wishing to make the tour should arrive at the Civic Center at 8:30 a.m., Thursday, Sept. 4. The tour will begin at 9 a.m.

A \$200 REWARD is being offered for the arrest and conviction of the vandals who cut the fuel hose on this gasoline pump at the airport east of Colorado City.

Flying Service Offers Reward

The Colorado City Flying Service is offering a \$200 reward for information leading to the arrest and conviction of person or persons vandalizing the two city airports.

This offer came as a result of several recent incidents occurring at both airports involving costly damages. J.O. Dockrey, spokesman for the service, said.

The latest incident occurred at some undetermined time prior to August 18.

A rubber fuel hose attached to a nozzle and gasoline pump was cut off of the pump, causing an estimated \$50 in damages.

The hose was left lying on the ground by the pump.

"This was just a flagrant act of vandalism," Dockrey stated. "It is quite obvious to anyone that gasoline could not be removed from the pumps by means of cutting the hose."

This is only one of a series of criminal acts which have occurred at the two airports.

In May of this year, thousands of dollars

worth of electrical runway wiring was stolen from the airport north of the city. Although authorities are still investigating the theft, they have no suspects at this time.

Vandals struck the airport east of the city earlier this month and completely destroyed the runway lights.

Authorities have suspects in this incident, although no charges

"Wait Until Dark" Casting Scheduled

The next production scheduled for the Colorado City Playhouse is a mystery-suspense drama entitled "Wait Until Dark."

Casting tryouts will be held at the playhouse Tuesday and Wednesday at 8 p.m.

Persons interested in trying out may attend one or both of these auditions. Anyone may tryout. It is not necessary to be a playhouse member.

The cast will be selected by a casting committee.

"Wait Until Dark," by Fredrick Knott, is a masterfully constructed thriller that moves from one moment of suspense to another as it builds toward an electrifying, breath-stopping final scene, according to Porter Richardson, who will direct the play.

A blind girl is the object of an artfully devised plot.

She is a courageous and enterprising young woman who can handle the threatening forces of

Dave Smith Challenges Record Holder To Motorcycle Jump

Dave Smith of Lorraine has challenged

The Carpet Shop And Decorator Center

Gary Wells, record holder of motorcycle jumping in the world, of Phoenix, Ariz., to a ramp to ramp distance jump.

The target date is July 4, 1981 in one of three

locations; Oklahoma City, Okla., Abilene or Dallas.

Smith is said to be one of the best jumpers of the world.

The jump will start at 120 feet and will pro-

gress by ten feet until either Wells or Smith stops the program.

Wells longest jump is 150 feet which is the world's record and Smith's longest non-competitive jump is

162½ feet in a jump at Stillwater, Okla. Smith stated his goal for the jump is 170 feet, which is possible, but will require practice and lots of patience.

Smith will ride a com-

puter designed Honda 350 and Wells will ride a Honda 250.

Smith's future jumps include a jump over Ceasars Palace Foundation in Las Vegas, Nev., and a jump over

14 automobiles and the dates will be announced at a later date.

When asked what it takes to jump cycles, Smith said, "Practice and you have to be at least crazy."

Volleyball To Begin At Wallace Center

A sport that has been increasing among adults in Mitchell County, along with softball, is volleyball. There have been four annual tournaments held at the Wallace Center with participation from both local and out of town teams.

All proceeds go to the Wallace Center. The tournaments have helped buy balls, nets and help toward the heating of the gym. In case you didn't know, the heating in the gym is completed and ready to go.

Volleyball for adults in Mitchell County has been going on for years and if enough interested persons show their interest and participation it will continue to be an active winter sport for adults.

There is no age limit, except a student playing must be a junior or senior in high school. Everyone is invited to

play. It does not matter how good or how bad your volleyball skills are, you are welcome to play.

A week night in which to play has not yet been set and if you are interested, contact Lulu Turner at 728-3733 and give your preference as to the night you would rather play, Monday or Thursday and when to begin.

The cost is approximately 50 cents per person for three hours of playing.

All games on Monday or Thursday night are for fun, but will aid if you decide to play in the Annual Wallace Center Fund Raising Volleyball Tournament which will be held sometime in November.

Playing volleyball once a week gives you exercise, competition and gives you a chance to meet and get to know others in the community.

Varsity Volleyball Team Begins Season With Victory Over Odessa

Colorado High's varsity volleyball played its first game of the season here Tuesday night and came away with a victory as they won over Odessa High 15-6, 15-11.

The local squad had a difficult time getting started in the first contest as they fell behind 0-4. However, the crash-

ing serves of Sidney Stewart put the Wolves ahead to stay and they went on to win with 2:25 minutes left in the game.

Kim Hardegree was the leading scorer in the first game with five points.

In the second game, Odessa went ahead 0-1

and then the Wolves came back and built up a commanding 10-4 lead. Odessa didn't give up, however, and they rallied to make a contest out of what looked like was going to be a rout.

The Odessa team caught up and went ahead 10-11. However,

Wolves Coach George Martin called a timeout and got his team settled down and they went back out and won the contest 15-11 with 2:06 left in the game.

Leading scorer in the second game was Carolyn Green with four points.

LORAINES BULLDOGS are getting ready for the season and they've got a scrimmage set for 7 p.m. Friday at Loraine's Johnson Field against Mertzon. Team members are, front row, left to right, Wayne Rose, Nocolos Leija, Kirk Galvan, Tony Williams, Mark Ring, Jerry Darnell and Adam Merket. On the back row, left to right, are Assistant Coach Jim Fine, Bobby Sanchez, Frank Sanchez, James Griffin, David McAdams, Don Epperson, Charlie Martinez, Clarence Darnell, Jerry Rose and Head Coach Ted Wiley.

Injured Will Return For Anson Scrimmage

Colorado City's 9th grade team, junior varsity and varsity football squads will travel to Anson Friday night for scrimmages that will set the state for the beginning of football season next week.

The 9th grade scrimmage begins at 6:30 p.m., followed by junior varsity action at 7 p.m. and the varsity squad will make contact with Anson at 8 p.m.

Anson won over Haskell in a scrimmage last week five touchdowns to one while Colorado City was nosed out by Stanton one touchdown to nothing.

The Wolves football season starts next Friday night, Sept. 5, when the local team meets Slaton here. Slaton scrimmaged Andrews last week and they tied one touchdown each.

Following last week's scrimmage with Stanton, Wolves Head Coach Tom Ramsey said the films showed some bright spots, especially on defense. The offense looked sluggish, he noted.

During the Stanton scrimmage, the Wolves intent was to work on passing as they passed 42 per cent of the offensive plays. This week against Anson, Ramsey said his charges will be working on options and passing and will use a more wide open offense. Most of the running plays used against Stanton consisted of the dive.

Ramsey said defensive end Dane Powell has been lost for the season as he underwent knee surgery Monday in

San Angelo as the result of an injury suffered in the Stanton scrimmage. A ligament that was thought to be torn had only become detached from the bone and had to be reattached, Ramsey said.

Playing in Powell's place will be Todd Neff and his backup will be David Zimmerman, a senior transfer student from Ozona.

Another senior transfer, Mike Bailey from Clifton, will be moved from tackle to quick guard as the result of another injury.

Two of those who have

been suffering from injuries have returned to workouts. Kirk Evans, who has a broken bone in his hand, now has the cast off, and Jeff Hammond, who was suffering a deep thigh bruise, also is back in workouts.

"It'll be another week before David Albin, suffering from a bruised forearm, and Randy McPhaul, who has a broken thumb, will be back in workouts," Ramsey said.

He noted the overall attitude of the team is real good and workouts have been going good.

Loraine Lodge News

We've had much activity around lately with a lot of coming and going.

To start with, we took a sightseeing trip (our first) along with Root Valley Fair Lodge residents and went to Lake Champion and skipped rocks across the water and found what is believed to be a piece of petrified wood.

Those going on the trip were Effie Stevens, Alice Tucker, Opal Rakes, Vera Robinson, Rosie Rosas, activity assistant and Marsha McAdams, activity director, all of Loraine.

We thank Jerry Woodell, activity director of Root Valley, for inviting us and the enjoyment we had visiting with their residents. We met Jim Hill, bus driver, and he joined in the fun.

Our second trip out was to Ruddick Park where we visited, walked around sightseeing, picnicked and fed the ducks some left over watermelon.

Those going on this trip were Elizabeth Thomas, Vera Robinson and Alice Tucker. We played croquet with Root Valley and Kristi Lee, making our own rules and

regulations up as we went along.

Dorothy Merket is retiring from our home as Director of Nurses and Jean Bagwell is taking her place. Dorothy will be missed very much, having been with us for more than three years. However, we welcome Jean who has been here two years.

On August 14, we ate at CreeMee. Lucille Wilkins, Julia Williamson, Rosie Pierce, Marsha McAdams and Rosie Rosas went on the trip. Hamburgers seemed to be the big attraction along with French fries. Thanks to Glenda Halton, owner, and Lana Valley, hostess, for their great service.

Visitors recently from Gatesville were Maurine Molda and Dub Marshall, who visited their mother, Trudy Gentry. From Iraan to visit Eugenia Smith was her husband, Selwyn Smith, and Mrs. Holliday from Sweetwater came to see her brother, Roy Phillips.

Many thanks to the following for various donations that were put to good use: Dorothy Mer-

Fellowship Honors Rev. & Mrs. Smith

The Rev. and Mrs. Luke Smith and daughters, Sheila and Lisa, were honored at a reception in the fellowship hall of the First Baptist Church of Loraine after services Sunday night.

Rev. Smith, pastor of the church here the past 2 1/2 years has resigned

and will enter the Southwestern Baptist Theological Seminary in Fort Worth in preparation for Foreign Mission Service.

Ray Preston was master of ceremonies for the program. Mrs. Rex McDaniel played piano music and accompanied Steve Roath as he sang "It's Not The First Mile" and "Family of God." Mrs. Hubert Thomas brought a devotional, reading scripture and talking on the subject "Where is your place?" and closed her talk by reading the story of "The Lemonade That was Never Made."

Billie Ruth Tartt gave some events in the life of Rev. Smith in an original poem.

Preston presented gifts to Sheila and Lisa and presented a heavily laden money tree to Rev. Smith and his wife. The silver sprayed tree and base was made and presented to the Smiths by Mr. and Mrs. August Armstrong. They had placed at the top of the tree a miniature motorcycle and love gift, knowing Rev. Smith's great affection for his motorcycle.

The Rev. Jason Fry and Mrs. Fry and members of the First United Methodist Church joined in the farewell party for the Smiths. Farewells and best wishes for the Smiths were extended and the Smiths completed their move on Monday.

Letter To The Editor

Dear Editor:
Much has been said recently about censorship. I do not want to extend the issue out but I feel it has not been properly addressed.

The word freedom in the United States and in the world today has been redefined. The freedom that was spoken of in the Constitution is quite different from the term that people use today. True freedom comes by restraint of lawlessness and evil, not by some outside force, but by the character of the people that live in a society. Jean-Jacques Rousseau, a French philosopher, defined freedom in a different way. This type of freedom says that you should be free from all restraints of authority to do what you want, when you want and where you want. This philosophy is called hedonism and does not take into consideration the problems you may have if one person's wants get in the way of another person's wants.

The real issue in censorship involves the life or death of a nation. The moral fiber of a nation of people determines whether they will be a free people or a weak people under some form of authoritarianism. During the 1930's, an Asian that understood this principle made this statement:

Mr. and Mrs. Johnny Venzor, Roscoe, are the proud parents of a 6 lb., 12 oz., baby girl, Rose Mary, born August 23 in Root Memorial Hospital. She was 18 1/2 inches long.

4-H & FFA Meeting Is Set Tuesday

A meeting will be held at 7:30 p.m. Tuesday in the Lone Wolf Medallion Room to plan the 1981 4-H and FFA Livestock Show.

Bob Benson, County Extension Agent for Mitchell County, asks that all members of the Mitchell County 4-H and FFA Livestock Association attend this meeting.

Library Closed

The Mitchell County Public Library will be closed Saturday in observance of Labor Day. The library will reopen on Tuesday at its regular hours.

The library's hours are: Tuesday-Noon-6 p.m., Wednesday through Saturday-9 a.m. to 5:30 p.m. and closed Sunday, Monday and Tuesday mornings.

"If we can effectively kill the national pride and patriotism of just one generation, we will have won that country. Therefore, there must be continued propaganda abroad to undermine the loyalty of the citizens in general and the teenagers in particular. By making readily available drugs of various kinds, by giving a teenager alcohol, by strangling him with sex literature and by advertising to him and her psycho-political preparation create the necessary attitude of chaos, idleness and worthlessness."

This quote comes from Joseph Stalin. I am not trying to say that the Communist put dirty magazines in the racks. But it is important to note that Joseph Stalin and many others that study the history of nations realize that a nation's life is involved with the morality or character of the people that live for it. Whether people that hold Marxist ideology cause this or whether it is the mafia or just some Capitalist trying to make a buck, the truck is that it is detrimental to your community and to your country.

When a teenage girl can walk the streets at night, this is freedom. When you have a society that is free of incest, child prostitution, sodomy and smut, then you are free. We need to seriously consider what is happening in our country today and why it is happening. It could be that someone is pushing Rousseau's philosophy on us, maybe a grab for power, maybe because of a love for money, maybe because he is selfish and wants to do his own thing regardless of what it does to other people.

I am sure that in San Francisco today there are good parents that would like to take their children out for a walk in the park. The problem is that they have so much freedom out there that the parents do not have the freedom to do this.

Jeremiah was an Old Testament prophet to Israel during a time when that nation was like ours today. He went out into the streets and cried, "there is death in the city." That is what we have and a solution will not be found by spending a few million or billion to start new federal programs to deal with this problem. The solution comes with individual responsibility taken before God and man.

So when you see individuals on a local level taking a moral stand for what is right, that type of censorship looks good to me.
