Baker Hotel May Get Remodeling

The possibility exists that the Baker Hotel in downtown Colorado City will be turned into housing units for elderly persons similar to hotels that have been converted to such use in other area cities.

Permission to apply for funds to turn the Baker Hotel into dwelling units for the elderly has been granted by Colorado City Housing Authority to the architectural firm of Firch, Holdredge, Bisone and Holcombe, Inc.

Gino Bisone of the Houston-based firm, met with the Housing Authority board of directors during their meeting last Thursday night and the board gave him the go-ahead.

The board adopted a resolution granting permission "to perform all necessary work required to proceed and submit applications to the Farmers Home Administration (FmHA) and the Department of Housing and Urban Development (DHUD) for rehabilitating the Baker Hotel and construction of 50 or 60 dwelling units for the elderly under the Section 8 program."

The firm, which has built the Housing Authority projects in Colorado City, has also converted hotels in Gorman, Dublin and Coleman for housing units for the elderly.

Dennis Walding, secretary of the Housing Authority board and also manager of the project, and D. M. (Jake) Merritt, board chairman both said that this is merely an initial step and nothing is yet conclusive.

Bisone, in his presentation to the board of projected plans, explained that the five-floor, 50,000 square-foot hotel building would be completely gutted and inside partitions, wiring and plumbing re-built to meet federal standards for such projects.

The hotel is owned by the Republican Insurance Co. of Dallas and can be purchased at a reasonable price, Bisone told the board.

If the project is approved, it would be operated under auspices of the Housing Authority, adding to the 26 units for the elderly and 50 family units already operated by the non-profit organization here.

SUCCESSFUL HUNTERS on the first day of deer season in Mitchell County Saturday included Richard McKinney, left, who got this 10-point buck, and Pat McKinney who got a 6-point buck. Game Warden Ronnie Aston reported that deer, turkey and quail hunting in the county was basically good, although the warm weather on the opening weekend kept the deer from moving around and limited the number killed.

Musical Program Features Taylor

Mrs. Trina Taylor, well-known to Colorado City residents because of her performance as the Mother Abbess in "The Sound of Music", and for directing "The Silver Whistle," will present a musical program as the Cultural Committee's program for November.

Set for 7:30 p.m. tonight in the Charles C. Thompson Room of City National Bank annex, Mrs. Taylor's selections will be based on the lesser-known songs from Broadway musicals illustrating the development of the American musical comedy.

Mrs. Taylor was featured entertainer at the 1975 Colorado City Chamber of Commerce banquet and will be accompanied in tonight's program by her accompanist then, Mrs. Micah Mitchell, who appeared as leading lady in "The Silver Whistle."

Mrs. Taylor is music teacher at East Elementary in Snyder. She received her Bachelor of Music degree from Southern Methodist University in 1965 and also has her degree in all levels of education and a minor in voice.

After teaching math, speech arts and music at Kleburg Elementary in Dallas following her graduation from SMU, Mrs. Taylor went to Chile as a missionary journeyman. For one year she taught music workshops in Santiago, the capital. The next year, she taught music in Temuco, a private academy, and toured the country from south to north. All her teaching was in Spanish.

She was born in Bobo, lived in Vernal, Utah and graduated from high school in Sterling, Colo. While in college at SMU, she sang in several operas including "The Marriage of Figaro," "Amahl and the Night Visitor," and "The Play of Daniel."

In 1965, she was a semi-finalist in the Miss Dallas pageant and a finalist in the Miss Armed Forces pageant. She also held the tile of "Miss Poise" in the Miss White Rock Lake Pageant.

Mrs. George Witten, chairman of the Cultural Affairs Committee of the Chamber of Commerce, stresses that there is no admission charge for attending these cultural programs and everyone is invited to attend.

TRINA TAYLOR will present a musical program as tonight's Cultural Affairs program sponsored by the Chamber of Commerce. Beginning at 7:30 p.m. in the Charles C. Thompson Room of City National Bank annex, Mrs. Taylor's program will be based on lesser-known songs from Broadway musicals and in it, she will trace the development of American musical comedy.

Liquor Petitions Now Circulating

Petitions started circulating Tuesday in three of the county's four precincts as proponents of legalizing the sale of alcoholic beverages for off premise consumption once again make a bid to hold an election on the issue.

Monday, Bob Tammen for Precinct 3, Glenn Hemphill for Precinct 2 and Bill Hudson for Precinct 1, turned in preliminary applications signed by 10 registered voters in each precinct requesting that petitions be granted for circulation.

Deadline for turning back to the clerk's office the completed petitions is Dec. 17. In Precinct 1, which has not had a previous local option election this year, 228 names of registered voters must be certified.

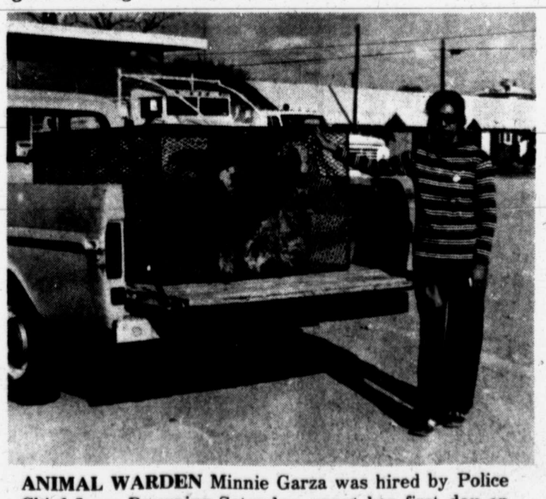

Both Precinct 2 and Precinct 3 have had elections this year. An election July 8 went against the sale of all alcoholic beverages, including mixed drinks, by about 2-1 in Precinct 2. In that precinct, 87 signatures must be certified. The election will cost the backers $195.50, 25 cents per registered voter.

Precinct 3 voters defeated the local option issue for the sale of alcoholic beverages for off premise consumption only by only a 66 vote margin Nov. 4. There must be 169 certified signatures to call an election in that precinct and backers will pay $399.75 to hold the election if it is called.

The county commissioners court is required to call a local option election in a precinct if petitions bearing 35 per cent of the voters who cast ballots in the last gubernatorial election are presented and certified.

Another legal requirement is that the election can only be called during a regular meeting of the commissioners court. Next regular meeting of the court is Dec. 9 and County Clerk Marie Bassham previously stated that she doubts that the petitions, even if turned in completed in time, could be certified prior to the Dec. 9 meeting.

If petitions are turned in complete by the Dec. 17 deadline, elections in the three precincts could not be called until the January, 1976 meeting of the court and they then would have to set the election within 20 days and not more than 30 days.

ANIMAL WARDEN Minnie Garza was hired by Police Chief Jesse Browning Saturday, spent her first day on the job Monday and by noon, had rounded up six stray dogs in the city. She has three children, 7-year old twins John and Priscilla and 5-year old Albert.

Paintings To Be Shown Saturday

The art exhibit sponsored by the Brush & Palette Club in Colorado City and featuring works of two members, Bobbie Steakley and Carl Bell, is set for 5 to 9 p.m. Saturday in the Charles C. Thompson Room of City National Bank annex.

Both Mrs. Steakley (wife of Dentist H. Jene Steakley) and Bell (employee at Texas Electric's Morgan Creek Power Plant) say that they started art lessons out of curiosity and have developed a lasting interest.

Both have between 25 and 30 paintings they will show and have been busy all week getting ready for their show.

Mrs. Steakley's paintings are oils featuring still-life and landscape subjects but Bell's favorite medium is watercolors, although he will also display some oils and pen and ink drawings.

Mrs. Steakley, the mother of three sons now gone from home, is in her third year of study with Carolyn Walker of Colorado City. She has also taken workshops under Jan Herring, John Crump, Charles Kiester and Charles Pruitt, all well-known Southwestern artists.

Many of her paintings feature scenes from childhood memories, familiar places and objects or something of a sentimental nature having to do with her family. Sample titles include "Ma's House," "Going Home," "Billie's World," "Susie" or "Forgotten Home."

Bell says he was encouraged in 1962 by a friend, Dorene Pender, to take art lessons and with brushes and paints he borrowed from her, enrolled in a night class at the recreation center under instruction of Foy Nutt of Snyder. For the past three summers, he has attended watercolor workshops directed by Bud Biggs of Dallas.

Bell expressed his interest in art in this way, "Even though I consider art as strictly a hobby, it is my intention to gain all the knowledge possible now so that by retirement age I will have something really useful to look forward to."

They invite all their friends and any interested person to attend the Saturday evening showing.

Volleyball Girls Lose Bi-District

Colorado City's volleyball team lost in the crucial third game in the best two-out-of-three contest for the bi-district title Tuesday night to Denver City in the opponent's gym.

The Colorado City girls were representing District 6-AA after having defeated Ballinger in a district double elimination tournament to take the district crown.

Colorado City took the opening game against Denver City, going ahead by four points at the first of the contest, then Denver City came back to take a three point lead. Then the Colorado City girls came back to go ahead and win 15-10.

In the second game, a powerful Denver City team which has been in the playoffs for a number of years, came back with an awesome display of setting and spiking to win 15-1.

In the third contest, Colorado City got behind 5-0 then came back to take the lead 7-5. The score seesawed back and forth until both were tied at 10 each and Denver City scored five more points despite some good defensive play and offensive efforts by the Colorado City girls.

Final score in the third and decisive game was 15-10.

Denver City will be in regional competition Saturday in Lubbock.

Members of the Colorado City team are Jackie Palmer, Jaime Pawkett, Leslie Greenlee, Susan Harrison, Jeanne Hudson, Ginger Noel, Tammy Tammen, Sally Sparks and Dondi Merket.

There was a large crowd of Colorado City fans on hand to cheer the volleyball team.

Happy Days

By Ann Randle Davis

Here I go again, patting C. Citians on the back!

Isn't it just wonderful that we have a new eatery in town and new furniture store soon to be opened. Believe me, we are in dire need of both and we are pleased beyond words they're here or on the way!

Saw the crew putting up our new Christmas Decorations a few days ago and Sefton Pickens watching to see that it was done right. It is my understanding that the entire street will have one at each corner and even if it does make me that much older, can hardly wait for the time when they'll all be up.

Had a nice visit with Mrs. Ophia Thomas and she was awaiting her son Nat's arrival. Nat and his wife, Mona, live in Fairbanks, Alaska, as they have for a number of years, since Nat was discharged from the Air Force.

Now Nat works for a private busienss and they have been to New York for a week vacationing. Mona's sister and her husband, the Lymanns, have also made the trip. After leaving here, they will make a few more planned stops and then return to their home in Fairbanks.

Also had a nice visit over the telephone with one of our good citizens and found out that she and her husband, Phillip Berman, have spent three months in New York, visiting their son, Melvin and his family.

They rented an apartment for their vacation in Port Washington, where they were only twenty minutes from Manhattan, and very close to their children.

Mrs. Berman sounded as though the trip had been wonderful but they were glad to be back home. One thing we know for sure, were glad they're back too.

Saw that very sweet Mrs. Zelma Owen a few days ago but since we weren't close, didn't have a chance to visit with her...spied the very nice Joe Perkin headed up the street...also got to see two very wonderful citizens, R. B. Baker and Eddie Mitchell, as they were walking down the street.

Both our high school and middle school bands made us truly proud when they went to Odessa this past weekend for the marching contest. High school got a II rating and Middle School a III rating. Can't help but believe we all know how hard they've worked. We are again more than thrilled with them and their directors--Kent Holder and Bob Newman.

Erdine Morgan was headed for the post office the other day and I had a chance to speak to her, but, as usual, no time for a visit... saw Mrs. Mamie Dozier and her sister, Mrs. Louise Howard, driving down the street recently...also got to see Mrs. Tom Coker of late.

Must brag on one of my favorite people who I saw headed for the post office the other day, Eleanor (Mrs. Kenneth(Cowan. Here's another one that is such a love!

HAVE A HAPPY DAY! !

Middle School Chatter

Last Saturday the band went to Odessa to marching contest and received a III which is rated as good. We were given the judges individual ratings and found that one judge gave us a II which is excellent; another gave us a III which is good and the third judge gave us a IV which is fair. These averaged out to be a III. Although it was not the best, no one seemed to be too upset or ashamed as we felt we did our best.

Saturday morning we left at a quarter of six. Thank goodness! We are lucky enough to have a good loading crew to load and unload for us. The crew is made up of Mark Carter, Blake Hardegree, Doug Johnson and Tut Marcom.

We went to lunch at about 11. At 12:30 we went back to the stadium to cheer our high school band on who, incidentally, made a II which is considered excellent. All of the Middle School Band was proud of their rating.

We got home by five. I think the entire band will remember it as a hard but fun and memorable day for many years to come.

In Intramural this trimester the girls are playing basketball. Miss Ezell said that for about the first two weeks we would be practicing the skills and drills of basketball. After a few weeks of playing there will be a round robin tournament. This is where all the teams play each other. After this practice tournament, there will be a double elimination tournament. There will also be play offs similar to those we had in volleyball. All forty-five girls are really enjoying the class.

***

Some of the choir students went to Odessa to a clinic one Saturday. We sang two songs; "Movin' On," and "Morning Praise." After we finished singing, a man gave us a few tips on how to improve our voices.

Some of the pictures he took of us were in the Odessa newspaper. We ate out and went shopping and everyone had a lot of fun.

***

The cheerleaders and Jamborees weren't very busy this week. We didn't have a football game or a pep rally for the first time in eight weeks, and we felt "kind of lost."

We are looking forward to our basketball games and cheering our Wolves on. We want everyone who can to attend our games to help our Wolves fight on to Victory.

The 7th grade Wolves ended their season 3-4-1. The young Wolves started off this season kind of shakey. Then after Coach Van Hoozer did a little adjusting the team started to get better.

Jay Green had six touchdowns this year and Carlos Olivarez had four. The line did a fantastic job blocking. The tightends did a good job blocking and catching the ball.

Thanks to everyone for coming out and backing us. Your support was a big help.

Our sixth grade Science has started studying Outdoor Safety. We saw some films on Water Safety and different ways to swim. We talked about the hazards of swimming in different places. We also talked about different types of swimming for speed, underwater and distance.

We're building power plants that use lignite coal.

It's our answer to the rising price of natural gas.

This power plant is being built in East Texas at Martin Lake near Henderson. It will make electricity by burning lignite coal.

We have to build lignite plants because we're running out of low-cost natural gas, our main fuel today. New supplies are hard to get and very costly.

Lignite plants cost more than twice as much to build as comparable gas-fired plants, and that means electricity will cost more. But expensive as they are, lignite plants will still make electricity more cheaply than plants using high-priced gas.

That's because our large lignite supplies, acquired many years ago, are much cheaper than new supplies of gas. And using cheap fuel is one way we're keeping your electric bill as low as possible.

The average bill for Texas Electric customers is already 27 per cent below the national average, and we're working to keep it that way.

Girls Lose First Two In Basketball

Colorado City girls have lost their first two games in basketball competition, looking good against Westbrook and losing their composure against a well-drilled Stanton team, said Coach Carol Sue Dakan.

The opener against Westbrook ended in a 68-46 loss for the varsity team with four girls having four fouls and two fouling out. They also had trouble getting the ball to fall through the basket, the coach said.

Varsity team members scoring were Beverly Fuller, 20; Karen Thomas and Vicki Lewis, 12 each and Susan Sheen, 2.

The Junior Varsity also lost to Westbrook, 48-27. Scoring were Maxine Scott, 14; Cathy Wilson, 6; Kathy Moore, 5 and Cindy Golden, 2. Patty Hulme did a fine job at guard, Mrs. Dakan said.

The Stanton game Tuesday in Stanton was a disaster for JV and varsity as the JV lost 56-10 without the scoring of Maxine Scott as she was benched in order to be eligible to play in the 9th grade game with Snyder here tonight. Moore scored 6 points and Wilson had 4.

The varsity team lost 72-22 after jumping out in front then having trouble handling the forwards' attack. Final score was 72-22 with Fuller making 14 points, Thomas and Lewis 4 each.

They are entered in the Stamford Tournament this weekend, going against Abilene Wylie at 6:30 tonight.

JV-Fish Lose To Coahoma

The Junior Varsity and Freshman teams joined together for their last game of the season, played last Thursday in Wolf Stadium against Coahoma and went down in defeat 33-21.

The score was 26-6 at halftime and Coach Lonnie Ellis said the Wolves played a bad first half but came on strong in the second half.

Craig Carter scored on a one-yard run in the first half and the extra point kick was blocked. In the third quarter, Bill Jordan scored on a 50-yard pass and run from Craig Carter and Dobie Williams kicked the extra point. Carter again ran it over in the fourth quarter from five yards out and the extra points were made on a pass from Ruben Garcia to Freddy Womack.

Ellis said that offense standouts included Ruben Garcia, Craig Carter, Joe Franco, Dobie Williams, Terry Culbertson, Bill Jordan, Monty Martin, Ernest Aguilar, Scott Neff, Ricky Sanchez, Jay Feaster and Mitch Hamer. Franco and Neff made fumble recoveries in the game and Carter, David Rivera and Bill Jordan had good defensive games, the coach said.
