FLOYD COUNTY COUPLE NEAR GUN DUEL FEE SYSTEM CHANGE BILL PASSES

PRISON BILL APPARENTLY LOST TODAY

PARRISH'S FIGHT TO CHANGE SYSTEM WINS IN LEGISLATURE

(By The Associated Press)
AUSTIN, Feb. 18.—The fee system bill, amending statutes now regulating collection of fees of office by precinct, county and district officers, was finally disposed of by the special session of the legislature today.

The senate adopted the free conference committee report, approved by the house yesterday. Only four senators voted against acceptance as follows: Senators Eugene Miller of Weatherford, W. D. McFarlane of Graham, C. C. Small of Wellington and Oliver C. Cunningham of Abilene.

Not The Same
The legislation was not the same as sponsors of the changes had set out to get when Governor Moody named the subject along with penitentiary reorganization as one of the emergencies justifying a special session.

Penitentiary centralization was apparently hopelessly lost, as the senate's new conference group and the house committee, related over an effort to replace them, continued deadlocked on a compromise between the Austin-side plan and rehabilitation of existing properties.

Likewise the sulphur tax bill was in immediate danger of going down with the steadily settling legislative ship. Lieut. Governor Barry Miller appointed as members to confer with the house group on a sulphur tax—\$1 asked by the house and 50 cents proposed by the senate—Senators T. J. Holbrook of Odessa, John J. Hill of Ft. Worth, Archie Parr of Benavides, Eugene

RUM RUNNING DRIVE HALTED

AGENTS STAGE BATTLE WITH OFFICERS NEAR EL PASO

(By Associated Press)
EL PASO, Feb. 18.—Immigration border patrolmen balked liquor smugglers in four attempts in less than 12 hours last night to bring their contraband into the United States from Mexico. The smugglers engaged the rum runners in a gun battle shortly after 9 o'clock last night about a mile west of El Paso, N. M. Three of the smugglers were fired upon by officers. No one was injured in the sharp exchange of shots that followed. More than 30 gallons of liquor was seized from the smugglers had been driven back into Mexico.

Two men were captured by officers in the other attempts made to bring liquor into this country. Immigration officials were kept busy during the night until 5 o'clock this morning.

In the daylight attempt, Francis Martinez, 28, was captured just as he stepped upon American soil. He was taken to a short time later, and five of his companions were driven back across the Rio Grande river.

More than 100 gallons of liquor was seized.

Inner Is Afire In Port At Galveston

(By Associated Press)
GALVESTON, Feb. 18.—Fire fighting forces of this port today were attempting to bring under control a blaze in a compartment hold No. 1 of the Mexican liner, which arrived today with a cargo of miscellaneous freight from Mexico. The fire was discovered last night.

Garner Blames Chaotic Condition In Ranks To 'Lack Of Leadership'

TWENTY-FOOT BRICKS LATEST IN BUILDING MATERIAL CREATIONS; TO REPLACE STEEL IN CONSTRUCTION WORK

(By The Associated Press)
TORONTO, Ont., Feb. 18.—The secret of making 20-foot bricks and molded sides of small houses was laid before the American Ceramic Society here today. It is a new process in which bricks are made much like steel, of molten raw material. While the clay is white-hot, at about 2000 degrees Fahrenheit, it is shaped and pressed, and it is claimed that bricks thus can be made enormously larger than anything hitherto practicable. Always heretofore bricks have been shaped before baking, and the old process limits size.

Prof. Joseph B. Shaw, head of the department of ceramics of Pennsylvania State College, inventor of the method, said that the new bricks can be rolled like steel. They can be made reinforced with steel laid in the molten clay. The process dips into another of the practical building arts by making brick veneer. One brick can be impressed upon another to form a single structure. They are annealed like metal.

So far as he has been able to discover, Shaw said, clay products never have been made before by this method, which introduces a new field of marked possibilities.

"The articles so shaped," he went on, "will resemble structural steel and concrete structures in size and will have properties enabling them to replace steel and concrete in many places."

LOCAL PEOPLE ARE CRITICAL AFTER WRECK

MR. AND MRS. T. H. GREGGON ARE IN CLOVIS

(By Associated Press)
CLOVIS, N. M., Feb. 18.—Mrs. T. H. Greggong, of Lubbock, remains in an unconscious and critical condition early this afternoon, while her husband shows slight improvement, following injuries sustained near here last night when their automobile was wrecked.

The couple is being treated at the Baptist hospital in this city. Condition of Mrs. Greggong is thought precarious by hospital attendants. Mr. Greggong is conscious at periods today and hope is held for his recovery.

The Greggongs live on College avenue near the Tech tourist camp. They left here yesterday at noon en route to Tucuman, N. M., where their daughter, Mrs. Walter Williams, is reported ill.

Hughes Calls On President Hoover

(By Associated Press)
WASHINGTON, Feb. 18.—A dignified man called on President Hoover today. He was Charles Evans Hughes, new chief justice of the United States.

It was the first time Mr. Hughes had seen the chief executive since the senate confirmed his nomination after a heated contest that lasted the better part of a week. After his call Mr. Hughes said the visit was purely for the purpose of paying his formal respects.

Ileana's Betrothal Annulment Expected

(By Associated Press)
BUCHAREST, Rumania, Feb. 18.—There is general expectation that an announcement will be made annulling the engagement of Princess Ileana to Count Hohenberg after Queen Marie and her daughter returned from their Oriental tour.

Nothing is available in official quarters with regard to the rupture of the engagement, but in aristocratic circles it was heard the engagement had been made too hurriedly with insufficient investigation of the Hohenberg antecedents. It was regarded as an unwise step.

TEXAN SAYS HOOVER HAS LOST HELM OF NATION

(By Associated Press)
WASHINGTON, Feb. 18.—Representative Garner of Texas, today declared that "lack of leadership in the white house had resulted in a chaotic condition in republican ranks in the house and senate."

Referring to the breakfast at the White House this morning at which President Hoover summed up republican leaders in the senate and house.

Washington, Feb. 18.—(By Associated Press) determined effort to get out of the way quickly all legislation which might affect business progress has been undertaken by the Hoover administration.

Fresh from a fishing trip to Florida, President Hoover summoned to the White House today leaders of his party in the senate and house and urged them to show the same spirit of cooperation which had been exhibited by business and labor after the recent decline in the New York stock market.

house discussed means of expediting the tariff bill and preventing a legislative jam, the Texan asserted the "spirit of uncertainty emanating from the White House has developed chaos in party leadership."

"There has been no leadership of the republican party since President Hoover entered the White House," Garner asserted in a statement.

"There is not a leading public question on which the president is willing to make a suggestion of much less offer a solution. All of his statements are ambiguous. They can be taken in two ways."

"You hear people talking of the president as either lacking in capacity or courage," Garner said. "Either he lacks one or the other or both, or he would not let such chaos develop in party leadership."

"The country has lost confidence in the president, and that is what is at stake."

With the committee, State Auditor Moore Lynn, who in his reports to the legislature had charged Hatcher with incompetency and inefficiency, complaining especially of the manner in which some of the accounts were kept.

Hatcher had made several unsuccessful attempts to get before the legislature for the purpose of answering the auditor's report, but the visit of the committee to his office was the nearest thing to a hearing he had been accorded.

U. S. Ambassador To Poland Is Dead

(By Associated Press)
LOS ANGELES, Feb. 18.—(By Associated Press) Alexander P. Moore, newspaperman and diplomat, lay in death here today while thousands of friends and acquaintances throughout the world mourned his passing.

Recently appointed by President Hoover to serve as America's first ambassador to Poland, he died yesterday following a brief illness with bronchial pneumonia.

The body of Mrs. Agnes Lavander, 35, was found in a lumber yard adjoining the tracks of the Chicago Milwaukee, St. Paul & Pacific railroad on the northwest side of the city. She had been shot through the head and beaten. Her wounded right hand indicated she had attempted to defend herself.

Police believed Mrs. Lavander was waylaid by a man while she was on her way to the Forest Glen suburban station last night. She was to join her husband, Stanley Lavander, a purchasing agent, who waited in the loop to take her to a theater.

Mrs. Lavander had left her two-year-old daughter with her mother.

TELEVISION GOES LONG DISTANCE

(By Associated Press)
SCHENECTADY, N. Y., Feb. 18.—For the first time in history, according to officials of the General Electric company here, a television signal was transmitted over a distance of 20,000 miles today.

The experiment was conducted by Dr. E. F. W. Alexanderson, staff scientist of the General Electric, who transmitted the signal from W2XAP, the company's experimental short wave station here, to VK2ME, at Sydney, Australia. The signal was received in Australia and re-broadcast, being picked up again at Schenectady.

A pattern, about a foot square, was the figure transmitted. The original pattern had very sharp outlines but the image received after traveling 20,000 miles was said to be "fuzzy" in outline. Dr. Alexanderson declared, however, that reception of the image at all was significant as intimating further possibilities in the transmission of pictures.

YOUTH DENIES BLAMING HIS OWN MOTHER

PAT SMITH REFUTES TESTIMONY GIVEN IN LONG CASE

(By Associated Press)
COURTHOUSE, KINGSVILLE, Feb. 18.—Pat Smith, 14-year-old son of Mrs. Maude Long, on trial for murder, came back in the state's rebuttal today to deny he ever had told anyone he believed his own mother killed Mrs. Long's husband, Jim Long.

On cross-examination, he said, however, that even if Mrs. Smith had done so he would not admit it. The freckled boy was the prosecution's second witness after the defense had rested this morning.

Did You Tell?
"In Austin, when you heard of Jim Long's death did you tell Robert Hodges (Mrs. Long's brother) that you thought your mother killed Jim?" the district attorney asked him.

"No sir," he replied. "Did you tell him or Margaret Hodges or anyone else that you had an idea your mother had done it?" "No sir, I did not," he said to this question.

Hodges, Mrs. Hodges and Julius Long, brother of the dead painter, swore yesterday that Smith in conversation with them had accused his mother.

Wouldn't Forsake Mother
"Pat, the defense asked for cross-examination, 'you wouldn't testify against your mother, would you?'" "Not that I know of," he replied. "Even if it was true—the contention of the defense—you wouldn't admit it?"

No, he answered. He said further that while his parents had read this morning's papers reporting yesterday's testimony he himself had not read them and that there had been no discussion of the matter at his home.

CHARLES BOORTZ AND WIFE PROBABLY FATALY SHOT IN WRANGLE NEAR PLAINVIEW

(Special To The Journal)
PLAINVIEW, Feb. 18.—Charles Boortz, 32, and his wife, 31, were probably fatally wounded in a shooting at their farm home, 15 miles northeast of Plainview, in Floyd county, about 8 o'clock this morning.

Boortz was shot through the lung, a bullet entering above the heart and lodging in the shoulder blade. Mrs. Boortz was shot twice in the head, one pistol bullet entering her eye and the second wound, from a shotgun, in the back of her head.

Estranged Since December
According to story told Sheriff P. G. Stegall and District Attorney H. A. Foley, of Floyd county, Boortz and his wife had been estranged since the middle of December. The wife, with their two-year-old daughter and a small son, had been living at her father's farm about one-half mile away since that time. Boortz lived on his place with a hired hand.

Boortz stated that he then swept into the kitchen of his home this morning and had opened the rear door when he saw Mrs. Boortz standing on the porch with a pistol in her hand. "She fired at me once," he said, "the bullet lodging in my chest. I slammed the door and fell back into the kitchen. She fired again through the door and through a window and ran toward her father's home."

Boortz stated that he then got a gun and shot at her as she ran. The woman is said by physicians to be suffering of a pistol wound, a shotgun wound. Fred Boedeker, the father, met his daughter a short distance from the scene of the shooting and rushed her to a Plainview hospital for emergency treatment.

George Dieter, a nearby neighbor, brought Boortz to the same hospital just a short time afterward. Boortz told Dieter his story on the way to Plainview, which detailed with the one he told officers later. Mrs. Boortz as yet has made no statement.

Mr. and Mrs. Boortz were married in 1926. Her family, the Boedekers, are old settlers in this section. The farms are located in north Floyd county in the Providence community.

NEW YORK, Feb. 18.—(By Associated Press) reaching Wall Street from the middle west today stated the Barnsdall Corporation, holding company for the Barnsdall group of oil properties, was to be included in the proposed merger of the Sinclair Consolidated Oil Corp. and the Prairie Oil & Gas Co. Such a combination would result in a company with properties and equipment valued at approximately \$1,000,000.

Young De Rivera Expelled From Spain

(By Associated Press)
MADRID, Feb. 18.—Miguel Primo De Rivera, second son of the former dictator, has been expelled from Spain because of an inclination to challenge detractors of his father to duels.

Spanish police yesterday placed him on an express train for Irun and Hendaye and accompanied him to the French border. An official explanation of the deportation said it was to prevent his fighting duels with army officers in Madrid who he had insulted his father.

Benefit Party To Be Given By Club

Benefiting the local milk and ice fund, members of the Stars and Stripes club, girls' social organization of Texas Technological college, are sponsoring two bridge parties Thursday, February 20, at the Hilton hotel. The first will be held at 3 o'clock in the afternoon, and the second at 8 o'clock in the evening.

Members of the Stars and Stripes club, the College club, the Wranglers and the Centaurs with their guests and members of Las Chaparrillas club with their escorts are invited to attend the evening party at which more than 200 will be present.

For the afternoon party, each Stars and Stripes member is to bring four friends and it is estimated that about 30 tables will be in progress.

Miss Louise Mosley, vice-president of the club, is general chairman of the function and will be assisted in preparation by Misses Kate Boyd, Dorothy Rushing, Catherine Janssen, Mary Snyder and Correllia McGinnis.

Games centering around the theme of Valentine were played at a party recently when members of the Loyalty B. Y. P. U. entertained as a courtesy to the Tech B. Y. P. U. in the home of Misses Wilma and Mattie Blackburn, 2302 23rd street.

At the close of the evening punch with heart-shaped cookies were served.

Those attending the party were Misses Fae Wells, Ruby Jackson, Georgia Knight, Geneva Mattie and Wilma Blackburn, Sarah Evelyn Carson, Agnes Anderson, Nona Dillaway, Mary Ann Paezel, Lois Butler, Mittie McCallin, Gladys Fincher, Adeline Anderson, Junia Little, Myrtle Sanson and Marie Jackson. Messrs. W. O. McLeod, J. L. Ellison, J. B. McAlister, George Gray, George Green, Trust Sival, Clyde Fincher, R. C. Ward and Hubert Cameron; Messrs. and Mesdames Oran Robertson, Judd Modrall, J. L. Russell and Mrs. Blackburn.

Four games of bridge were played by members of Las Ufas club Monday evening in the home of Miss Payne Williams, 2302 10th street. Miss Williams emphasized the George Washington motif in decorations and appointments.

Miss Larue Sawyer was favored for high score in the games, and Miss Alene Patterson for high cut. Sandwiches, cherry pie and hot punch were served at the close of the evening to Misses Mary Jo Cagle, Alene Patterson, Larue Sawyer, Thelma Mickey, Bernice Pray, Ida Mickey, Christa Sawyer and the hostess.

Ann Smith is hostess at party here.

Miss Ann Smith was hostess to several friends recently in her home, 1915 1-3 Main street.

Games were played and at the refreshment hour sandwiches, punch, and tiny cups of candy hearts were served, with Valentine cups going as plate favors.

Those present were Fern Holter, Bertha Singler, Kattie Lee, and Geneva Allen, Helen Krueger, Elizabeth Niblack, Rama Cobb, Leora Adron, Martha Wilson, Alton Peck, Maston Jones, Frank Bundy, J. L. Simpson, James Kimmel, Gus and Jack Niblack, Edwin Griggs, Kendrick Green, and Earl Johnson.

CHICHESTERS PILLS

Club Is Entertained In Crisler Home

Members of the Cotters' club met one evening recently in the home of Mr. and Mrs. John Crisler, 2112 14th street.

Eight tables of bridge were in progress and at the close of the games, scores of the women and their husbands were added with Mr. and Mrs. Frank Winn receiving companion pictures for high score among the members, while Mr. and Mrs. Byron Dickinson received a similar favor for high score among guests.

The Valentine colors were stressed in a dainty salad served at the close of the evening.

Luncheon Is Favor For Group Monday

Officers and the advisory board of the General Aid society of the First Christian church were guests at a one o'clock luncheon Monday when the president, Mrs. Arthur L. Brown, entertained in her home, 2123 23rd street.

The George Washington motif was used in table appointment, and after the luncheon the members went in a body to the church to attend the general meeting.

Those present were Mesdames W. R. Blake, J. E. Hartley, N. L. Benson, D. N. Leaverton, W. T. Milam, Leland Mast, Clyde F. Elkins, W. P. Jennings, Ralph Bedford, E. L. Selhaver, Leo Edwards, J. P. Tom, L. W. Seyvers, K. M. Renner, T. Teal and Ed Young.

Members of circle 1 were hostesses for the general meeting at the church. Several were frocked in colonial costumes, and the George Washington motif was favored in room decorations.

After the business session, at which Mrs. Brown was in the chair, and a brief devotion, the hostess served lovely refreshment plates to 37 members.

Bible Lessons Feature Meetings Of Methodist Circles In Various Homes

Bible lessons featured meetings of the First Methodist church circles when various members were hostesses in their homes here Monday afternoon.

Mrs. R. T. Campbell taught the lesson for circle 1 at a meeting in the home of Mrs. T. M. Atkins, 1317 10th street. The president, Mrs. J. D. Peters, presided for the business session.

At the close of the afternoon, the hostess served dainty refreshments to nine members, two visitors, and two new members.

In McWhorter Home Mrs. J. M. Everheart was received as a new member in circle number 2 when the group met in the home of Mrs. B. O. McWhorter, 2214 Main street.

There were 12 members and one visitor, Mrs. H. J. Gardner of Fort Lupton, Colo., present.

The study lesson was taught by Mrs. C. B. Powell and Mrs. George C. Wolfarth presided.

Clever readings were given by little Zay Powell McWhorter, daughter of the hostess.

The next meeting of the circle will be held on March 3 in the home of Mrs. L. C. Tatum, 2219 15th street.

With Mrs. Crawford Mrs. A. H. Crawford was hostess to seven members of circle 4 in her home, 2426 20th street. Mrs. J. H. Lincoln led the devotion, and Mrs. Crawford had charge of the lesson from the study book.

During the business session, plans were made to hold a food sale soon. The next meeting will be held March 3 in the home of Mrs. P. W. Osborne, 2404 15th street.

Circle Five Members of circle 5 of the First Methodist W. M. S. were guests in the home of Mrs. James L. Dow, 2809 Broadway.

An instructive lesson by Mrs. Emory Butler on the study course was the outstanding feature of the afternoon.

The circle will meet March 3 in the home of Mrs. J. E. Henderson, 1509 Avenue B.

Mrs. Martin Hostess Nine members of circle 7 attended a meeting in the home of Mrs. R. H. Martin, 2218 Broadway. A devotion led by Mrs. George R. Bean was followed by sentence prayers, and Mrs. A. B. Ellis taught a lesson from Genesis.

George Dupree will be principal speaker on the program for Men-of-the-Church this evening at the First Presbyterian church. The program will follow a supper which is to be held at 7 o'clock.

The next meeting will be held on March 3 with Mrs. George R. Bean, 1610 19th street.

Devotional Held Mrs. H. L. Munger conducted the devotional lesson which followed a business session when members of circle 9 met in the home of Mrs. Pink Parrish, 904 Avenue B.

During the social hour lovely refreshments were passed to seven members and a visitor, Mrs. A. D. Barnes.

Twelve Present Twelve members attended a meeting of circle number 10 in the home of Mrs. C. C. Webb, 3001 22nd street.

Mrs. J. B. Anthony had charge of the devotional lesson and Mesdames Webb and H. W. Sims taught the study lesson.

Following a social hour the hostess served refreshments of sandwiches, spiced tea and fruit cake. Patriotic colors emphasized the Washington theme.

Class To Hold Meet At Church The Women's class of the First Christian church, taught by Mrs. W. P. Jennings, will be entertained Wednesday afternoon at 3 o'clock in the classroom at the church. Commemorative work will be begun at that time, and each member is asked to bring some item of canned goods or clothing for a commissary shower.

She Lost 19 Pounds of Fat in 27 Days

During October a woman in Montana wrote—"My first bottle of Kruschen Salts lasted almost 4 weeks and during that time I lost 19 pounds of fat—Kruschen is all you claim for it—I feel better than I have for years."

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast.

Be sure and do this every morning for "It's the little daily dose that takes off the fat."—Don't miss a morning. The Kruschen habit means that every particle of poisonous waste matter and harmful acids and gases are expelled from the system.

At the same time the stomach, liver, kidneys and bowels are toned up and the pure, fresh blood containing Nature's six life-giving salts are carried to every organ, gland, nerve and fibre of the body and this is followed by the Kruschen feeling of energetic health and activity that is reflected in bright eyes, clear skin, cheerful vivacity and charming figure.

If you want to lose fat with speed get an 85c bottle of Kruschen Salts from any drug store anywhere in America with the distinct understanding that you must be satisfied with results or money back.

A Flavor Unlike Any Known Before

COFFEES from the West Coast of Central America!

To those who know and appreciate fine coffee we need say nothing more.

To those who wish to know more—here are the facts:

There is no mystery about coffee. The reason most coffees with different names taste so much alike is simply that they are grown alike. Over 70 per cent of all the coffee entering the United States comes from one common region, where Nature gives it the same common flavor.

Mountain Coffees The world's choicest flavored coffees, however, come largely from certain tiny mountain districts along the West Coast of Central America. Here Nature gives coffee a rare tang, a mellow richness and body that experts concede are unrivaled by any other region. These are the rare coffees that make Folger's flavor different.

Years ago this coffee was first served in the famous Bohemian restaurants of San Francisco, where it was brought by Folger. Travellers, captivated by its rare flavor, wrote back for shipments. For it could be obtained nowhere else. Today, however, your grocer has it packed in flavor-tight vacuum tins.

For curiosity's sake—if for no better reason, try it. Let your own taste tell the difference in this true flavor of Central America's mountain grown coffees.

The Test by Taste

Because Folger flavor is so distinctly different, we make an unusual offer. Buy a pound of this coffee today. Drink it tomorrow morning. Next morning drink your regular coffee. The third morning serve Folger's again. If for any reason you do not choose Folger's, your grocer will gladly refund the full price. We'll pay him. That's fair, isn't it? Why not try it today?

The festival, carnival spirit will reign supreme in the entertainment to be held by the Rotary club Wednesday evening at 7:30 o'clock at Hotel Lubbock. Shows and booths will be provided to entertain between 200 and 300 guests, and everything will be suggestive of a real carnival. One thousand dollars in carnival money will be provided for the guests to spend.

Interesting features of the occasion will be a show for men only and another for women only.

The function is in observance of "Ladies' night" and the regular club luncheon will be omitted. A committee composed of Harry Meyers, George Meiser, and Walter Myrick, Jr., is in charge of the entertainment.

Marvin Feldman Has Birthday Party

Marvin I. Feldman, son of Mr. and Mrs. Louis Feldman, 1016 18th street, celebrated his second birthday with a party for fifteen of his little friends. After several games were played prizes were awarded Milton Kessel of Slaton, Benjamin Kessel of Lubbock and Ruth Pearl of Lamesa.

The dining room was prettily decorated in pink and white. Place cards were backed by candies tied to pink ribbons that extended from the chandelier. Refreshments of pink and white individual cakes were served with strawberry ice cream.

Those present were Rose Marion Levin, Ruth Pearl of Lamesa, Maxine Hoffman, Burdie Mirsky, Ruth Leberstein, Jean Joyce Leberstein, Benjamin and Arthur Kessel, Monroe Mirsky, Nissen Pearl of Lamesa, Davy and Sidney Leberstein, Milton and Bertram Kessel of Slaton, and Marvin Feldman. Assisting the hostesses were Mesdames Al. Mirsky, N. Housman, J. Leberstein and A. Goldfine.

Virginia would have to spend \$4,845,864 to replace game killed in the state during the 1928-1929 season, according to the game and fish commission.

TANLAC ENDS ANOTHER CASE OF RHEUMATISM

and Stomach Troubles—Hotel Men Benefits This Time

Ending the suffering of 10 years in just a few weeks is going some but that's just an example of how quickly Tanlac works in stubborn cases that never yield to other remedies.

No wonder so many hotel people are so enthusiastic about Tanlac—many of our druggists are loud in praise of this medicine. Read for instance what Mr. L. Kline says: "For 10 years have had rheumatism also of stomach and bowels, still and sore all over, mouth in back and shoulder. A good powerful medicine was needed to fix me up and Tanlac proved to be all of that. From 10 to 15 minutes relief from all troubles, stomach and rheumatism. Tanlac is a real medicine. I am 100% good. No more pain or distress, eat good, sleep as good as I eat. Pain, stiffness, soreness all gone. Started to look and shoulders wiped out. I have tried out lots of medicine but Tanlac gave me relief. That's the story of Tanlac in a nutshell—it gives results and gives them quick, for every body back and feet to a real medicine. Many 'hotel medicine' make glowing promises that may feel very nice but they don't. Tanlac is a real medicine that takes its claims with a guarantee. At all druggists. Accept no substitutes."

COLEMAN MAN IS NAMED TO PARDON SEAT

JUDGE WOODWARD TO SERVE IN STATE OFFICE NEXT

AUSTIN, Feb. 18.—Judge J. O. Woodward of Coleman, father of Senator Walter Woodward, will be appointed to the board of pardons, Gov. Moody announced Monday. "I shall make the appointment at the proper time, but Judge Woodward does not desire to qualify before April 1," Governor Moody stated.

Judge Woodward's appointment will fill out the three-member board, the others being Judge James R. Hamilton and Stanhope Henry. It was stated that before Judge Woodward's appointment could be confirmed by the senate, it would be necessary for Senator Woodward to resign from that body. It was reported he would do this near the end of the next special session of the legislature, but that he would be a candidate to succeed himself in the July primaries and the general election.

WOODWARD TO TAKE OFFICE IN MARCH

COLEMAN, Feb. 18.—J. O. Woodward of Coleman, former district judge of the 35th judicial district, said today he had received from Gov. Dan Moody the appointment as chairman of the board of pardons and paroles. He was appointed for a six year term, he said, and added that he expects to qualify between March 20 and April 1.

ABERNATHY MAN IS BURIED MONDAY

Funeral services for A. F. Fielding, 70, of Abernathy, who died at his residence Sunday afternoon, were held Monday afternoon at 3:30 o'clock at Bryn Mawr funeral home.

Rev. John Wheeler, pastor of the Abernathy Baptist church, officiated. Burial was in Memorial Park. Survivors are the widow five sons, R. F. and Henry Fielding, of Lubbock; Wilbur, Fielding, of Amarillo; Frank Fielding, of Perryton; and Doreen Fielding, of Lubbock, and four daughters, Mrs. Duncan, of Abernathy; Mrs. W. F. Taylor, of Abernathy; and Mrs. C. W. Smith, of Abernathy.

STEVE LIVELY DIES DALLAS, Feb. 18.—Steve Lively, 67, brother of Judge Hiram F. Lively, grand master of the Masonic Grand Lodge of Texas, died Monday at his home near Mesquite. Funeral services will be held here today.

Vegetable Parasite Causes ATHLETE'S FOOT Millions Have It

Starts Between Toes—The Skin Cracks—Itches and Blisters

Nowadays you hear a lot about Athlete's Foot—a contagious disease contracted in dressing and bath rooms of gymnasiums, clubs and hotels and sometimes in your own home.

It's a bad disease to have—causes the end of itching misery and worry. Bath mats and shower floors in which the germ called Trichophyton rubrum, breeds and multiplies are largely responsible. Catch it at the start—before it spreads from the toes to soles and the sides of the feet and brings greater distress and itching.

Half of our adult population have become infected at some time according to a bulletin of the U. S. Public Health Service. Look between your toes and under them tonight—are they cracked or blistered? Do they itch?

If you find any signs of dread Athlete's Foot, get a bottle of Moore's Emu Oil at any drug store at once—after bathing the feet apply this powerfully soothing and penetrating oil liberally—not only between and under toes but to the entire foot—the itching ceases.

It is of the greatest importance to you that you stop the spread of the disease at once. Every live pharmacist dispenses Moore's Emu Oil. (Adv.)

BUFFALO SPRINGS BODY MAKES PLANS

Plans for increasing membership and proposed adoption of new rules and regulations were discussed last night when 20 members of the Buffalo Springs association met in the office of the chamber of commerce. Vaughn Wilson, R. J. Murray, W. W. Royalty, all of Lubbock, and Messrs. Olive and Elliott, of Slaton, were appointed as a committee to outline a set of rules and regulations which will be submitted to the present membership at a called meeting in the near future.

There are now about 50 members of the association and 150 additional members are being sought.

Buffalo Springs is located 12 miles southeast of Lubbock. Fishing, hunting, swimming and boating facilities are available at the springs.

Meeting Of Officers At Tech Scheduled

The next meeting of the reserve officers troop school will be held in room 216, Tech administration building, Lt. H. E. Killin, Tech R. O. T. C. commander, announced last night.

The school was formerly held at the county court house. Meetings are held each Wednesday evening, starting at 7:30 o'clock.

Mrs. Willebrandt Charged In Speeding

WASHINGTON, Feb. 18.—Mrs. Mabel Walker Willebrandt, former assistant attorney general in charge of prohibition prosecutions, was charged with speeding today and will face trial in the Washington police court Friday. She was arrested three days ago.

W. P. Hopkins, the policeman who made the arrest, said he followed Mrs. Willebrandt several blocks while she was going at a rate of 38 miles an hour.

DATE CHANGED FOR CONTRACT

MARCH 11 IS DATE FOR LETTING NEW SCHOOL BUILDING WORK

General contract for construction of the new Lubbock High school, to be erected out of funds provided by a \$650,000 bond issue voted here last year, will be let March 11, instead of the previously announced date of March 4. A. C. Jackson, secretary of the board of education of the Lubbock Independent School district, said late Monday.

Additional time has been required due to some delay in getting plans and specifications into hands of contractors, it was said.

Plans at this time call for completion of the building about January 1, 1931. The new structure will provide additional space for accommodation of 1,200 students.

WORKMAN KILLED

INDEPENDENCE, Kas., Feb. 18.—Charles A. Lewis, 46, employee of the Atlas Portland cement plant here, was instantly killed late Monday when he fell into a rock crusher. It was necessary to drill through several rocks to remove the body.

Death Prevents Couple's Return

NEWPORT, Mich., Feb. 18. (P)—Parents of a young man and young woman of this place discovered late Monday that death rather than elopement accounted for their failure to return from an automobile ride Sunday.

The bodies of Alfred M. Chultz, 19, and Miss Alva Mässon, 18, were found in Swan Creek, near the automobile, which had broken through the thin ice and sunk in 14 feet of water.

Why Folks Stay Fat

Not always because of over-eating, but because a gland is weak. That gland largely controls nutrition. When it is weak one may nearly starve, yet stay fat.

Modern physicians the world over now combat this great cause of obesity. And excess fat, in late years, has been disappearing fast.

Marmola prescription tablets contain the chief factors which they use. People have used them for 22 years—millions of boxes of them. And countless slender figures everywhere now show the amazing effects.

Go try this right method to reduce. Stop starving. Read the book in the box with the formula and reasons. Ask your druggist today for a \$1 box of Marmola and watch the change.

"SMALL" BOY TOWERS OVER PRIMO

The towering six foot seven Primo Carnera, Italian pugilistic giant, shrinks to dwarf-like proportions as he stands alongside Robert Wadlow, 11-year-old Alton, Ill. school child. Robert is six feet, 10 inches in height and has much bigger feet than Primo, whose canines are legendary. Fight fans, astounded by Primo's No. 17's, should gaze on Robert's trim 25's. The man at left, apparently speechless with amazement, is M. Leon See, Primo's manager.

ROVING THE SPORTS WORLD

WITH ALLAN CARNEY
JOURNAL SPORTS EDITOR

When the Tech basketballers invade the Canyon court Wednesday night to meet the West Texas Teachers in the first game of a two-epic series the Matadors will be pitted against the champions of the Texas Intercollegiate Athletic association. At least the odds favor the Buffs to end the season sitting on the top perch in the conference standings.

The season is over for the Buffaloes but the East Texas Teachers who hold second place have six more games to play. By winning all six of their remaining games, the Lions can finish ahead of Canyon. This would give the East Texans a record of 13 wins and one defeat for a percentage of .929. Canyon's 300 percentage will stand as is and the Commerce cagers can't lose another game if they hope to head the Buffaloes.

This week's pair of games with the Matadors will wind up the 1929 season for both clubs. The two rivals have never been more evenly matched than they are this year, but the Buffs continue to hold the Indian sign over the Matadors. Coach Payne is aware of the fact that the Crimson dribblers must step fast if they turn back the Buff-ton basket loopers, and the locals will be keyed up to the highest possible pitch in their attempt to surmount triumph number thirteen.

Fort Worth baseball fans are steamed up considerably over the array of diamond talent Ted Robinson and Frank Snyder has assembled for the Cowtown entry in the Texas League for the coming season. The club has been hailed as having the brightest prospect since the Panther supremacy in the loop was ended in 1925. Vision of the old pennant days are recalled by the staunch supporters of the Cats as Manager Snyder goes forward with his rebuilding plans. Several additions to a rather unsettled pitching staff will give Fort Worth a powerful club, both defensively and offensively.

All communications from Pete Cawthon, the new Tech mentor, have laid stress on the danger of Lubbock fans expecting too much during the first season under a new administration and a new system. We are of the opinion that football enthusiasts of this city will be satisfied with the change if the 1930 Matador eleven shows an improved fighting spirit. Cawthon cannot be expected to develop a world beater in one season and unless he is given the full support of fans here, success will be impossible. After the last season it shouldn't take too much to please the Matador backers.

Cawthon is known as a leader and a conditioner of men. His Austin College teams were famed throughout the state for their staying qualities. Under the Cawthon regime, the Kangaroos were recognized as hard fighters and strict trainers. If this system can be inaugurated at Tech, Lubbock fans will be more than pleased.

It won't be long now until the baseball bugs in Lubbock will begin stirring about. Barber shop gossip has it that another city league will be organized this year and that at least two city clubs will play during the coming season. No definite announcement has been broadcast on the reported new ball park for the city, but rumors continue to float

around. Merrill Park will likely be available again, but a number of improvements should be made on the old park. The only solution available for the problem of naming a manager for the Hubber club seems to be that each of the ambitious pilots get a city league team to run.

One of our faithful customers came out last night with a worthy suggestion. This fan suggests that Philander P. Hokum, the Plainsman's candidate for mayor be run for the managerial post on the "Peepul's" ticket. Hokum can expect some stiff competition from Chism, Puckett, Luenberger, Terry and company representing the "wise money" class.

COMMERCE NEAR T. I. A. A. VICTORY

COMMERCE, Feb. 18 (P)—Flushed with an easy victory last night, the East Texas Teachers' cagers looked forward to the two games that stand between them and a T. I. A. A. conference crown.

The Commerce squad won the initial round of their two-game series with Sam Houston without difficulty, 32 to 20. They anticipated a little trouble in the return match tonight, and considered that only the game with North Texas here Friday stood in the way of a championship.

The Teachers' counting last night's victory, have eight wins and one conference defeat. Their only opponent is West Texas Teachers with 9 wins and one defeat. West Texas, however, has completed its schedule, making it necessary for Commerce to take both games, with not even the possibility of a tie should one be dropped.

The other two games in the conference last night did little to standings, the Abilene Christians downing Sul Ross, and Stephen F. Austin swamping Kingville, 56 to 33. These teams had nothing to gain, but a chance to climb out of the second division.

Tonight's conference title are: East Texas vs. Sam Houston here; Sul Ross vs. Abilene Christians at Abilene; and Stephen F. Austin vs. Kingsville A. and I. at Kingsville. Daniel Baker and McMurry tangled at Abilene Wednesday and Thursday; North Texas comes here Friday while the Abilene Christians and Daniel Baker play in Abilene Friday and Saturday.

MEADOW WINS IN TERRY RACE AGAIN

(Special To The Journal)

ROPSVILLE, Feb. 18.—Meadow won its third successive Terry county basketball championship here Saturday night by defeating Wellman in the final game of a two-day tournament 45 to 13.

In taking the title, the Meadow cagers won the right to represent Terry county in the district tournament at Lubbock Friday and Saturday of this week.

Brownfield fell victim to the champions in the semi-finals, Meadow winning 45 to 15.

The Meadow cagers took county honors in the girls' division by defeating the Brownfield girls, 24 to 13.

MIAMI PROGRAM TO BE "DIFFERENT"

FOOTBALL IS BACK FOR FEW DAYS IN CITY

INTRAMURAL TEAMS TO OPEN SEASON WITH GAME TODAY

Football occupies the center of the stage in the whirl of outdoor activity at Texas Tech this afternoon as the Liberal Arts eleven battles the Aggies in the first game of a series to determine the intramural grid-iron championship of the college.

This afternoon's opening skirmish finds two evenly matched school teams arrayed in a contest that has all the earmarks of a tough scrap. The Liberal Arts gridgers, last year's champions, are out to repeat their performance of the previous season and the Aggies are set to make a determined bid for the title which their school has never won.

The Liberal Arts club that takes the field this afternoon has been tutored by a pair of varsity gridgers, Chubby Dewitt and Red Walker. Grady Higginbotham, Matador grid commander, sends his Aggies out to battle the Arts crew.

DALEY RUINS EAST DEBUT OF OHIOAN

NEW YORK, Feb. 18 (P)—Jimmy Daley of Holy Cross stole the honors of the eastern debut of the "fastest human," George Simpson of Ohio State, at the New York A. C. indoor track meet.

Simpson trailed Daley by over a yard at the finish of the 60-yard dash. The time was 6.3-5, two-fifths of a second behind the record and just what Simpson made in winning his heat.

Stanley Petrowsky of Poland, beaten over the two-mile route at the Milwaukee meet, came back to defeat his conqueror, Paul Rekers of Penn State, by five yards in the 5,000 meter race.

Northwestern's slight vaulting star, Tommy Warner, kept on going right up after Fred Sturdy of Yale and the Los Angeles A. C. and Barney Berlinger of Pennsylvania, rivals for indoor honors for two years, had stopped. Warner cleared 12 feet 6 inches and barely failed an attempt to go four inches higher.

Phil Edwards scored his first major victory of the season in the Breyer half mile, defeating Dr. Paul Martin of Switzerland and Fred Velt, a former teammate.

Ray Conger of the Illinois A. C. ran the fastest mile of the season to win the Baxter mile trophy. He was timed in 4:19.3-5 to beat Joe Hickley of N. Y. U.

CUBS START TOWARD ISLANDS; GIANT AND SOX TRAINING STARTED MONDAY

(By Associated Press)

CHICAGO, Feb. 18.—Manager Joe McCarthy, eight ball players and some added starters rallied for the start today for Catalina Island, where Marne Joe will attempt to develop a little bit better Chicago Cub baseball team.

The taking-off was set for 1:35 this afternoon, with the island some 72 hours westward. Scheduled to reach the island Friday morning, McCarthy planned to give his battery-men a workout the same afternoon.

The athletes were Pitchers Hank Carlson, Ed Lautenbacher, Hal Gramp, William Fort McAlister, Jr., Ray Conger, Catchers Leo (Gaby) Hartnett and James (Zach) Taylor, and Outfielder Clifton Heathcote. Ray Schalk, beginning his first year as coach of the Cubs, and Trainer Andy Lothaw—all under the direction of Traveling Secretary Bob Lewis.

Catcher John Schulte and recruit pitcher, Lynn Nelson, will climb aboard the special at Kansas City before sunup tomorrow morning, and the remainder of the first squad will be picked up at Los Angeles. The latter group will include Charlie Root, Pat Malone, Gus Bush and Sheriff Blake, regular pitchers, and recruit hurlers Malcom Mose, Arthur Teachout, George Bell, Bob Osborn and I. Wacker.

Other outfielders and infielders, regular and prospective, will report February 28.

PRIMO SOCKS ANOTHER ONE

GIANT ITALIAN KNOCKS OUT ERICKSON IN OKLAHOMA

(By Associated Press)

OKLAHOMA CITY, Feb. 18.—Primo Carnera, biggest boxer of them all, crawled out of his sixth American boxing ring here last night with another two-round knockout victory dangling from his belt.

Behind him he left John O. "Man Mountain" Erickson, Chicago Swede, a victim after one minute and 45 seconds of the second round of what the promoters optimistically had scheduled as a ten-round bout. The Swede seemed willing to mix things, but a stinging right that landed on Carnera's jaw and a short jab to the stomach aroused Primo's ire. He tore in with cool anger, tumbling the big Chicagoan twice in rapid succession before the final count was tolled.

TANK PAINTED

LAMESA, Feb. 18 (Special)—Lamesa's water tank this week was given a new coat of black paint. The crown was covered with white and the word "Lamesa" was painted on top as a guide to aviators.

MELODRAMA IS MISSING FROM SECOND FIGHT

PLENTY OF FIGHTING IS TO BE OFFERED IN THE EVENING

BY ALAN GOULD.

Associated Press Sports Editor.

MIAMI, Fla., Feb. 18.—It's the same old moon, the same old palms and the same arena, with improvements and a new location, but it is a different show, with new words and music, for the second annual battle of Miami.

A good deal of the melodrama of 1929 is missing. Tex Rickard is just a memory now, and so are most of his time-honored methods. No individual figure is cutting the glamorous figure that Jack Dempsey did in putting over last year's winter heavyweight carnival. In short, the fantasy that preceded the Sharkey-Stribling fight is absent.

Strictly Fight Show

It is strictly a fight show and a business proposition this winter minus sentimental appeal. It is a bigger show, from the standpoint of actual tonnage displacement of the participants, exclusive of the battle royal that opened the 1929 festival. Whether it is a better show from a competitive angle remains to be determined by events in the ring. The promotion board of directors, headed by Frank J. Bruen and William F. Carey, which will be based on the idea that if Jack Sharkey and Phil Scott do not furnish excitement in the main bout, Johnny Risko and Victorio Campese, semi-final contestants, will.

Financially, the venture is already "off the nut," the experts say. Translation of which is that sufficient "gate" already is in hand to assure a profit. The advance sale was around \$175,000 today, not quite up to last year's mark, but less than a fortnight to go before the ring fest February 27, but enough to warrant prediction that the receipts will reach \$350,000. Last winter the total was slightly in excess of \$400,000.

FORT WORTH EXPECTING GOOD TEAM

GREATEST ARRAY OF PLAYERS LISTED SINCE OLD DAYS

BY NED RECORD

Written For The Associated Press

FORT WORTH, Feb. 18, (P)—The greatest array of athletes since the days of the Champion Cats. There's the prospect for the Fort Worth entry in the 1930 Texas League campaign. Under new management—the Panthers changed owners and manager in the middle of the 1929 race—the Fort Worth club appears to have its best shot at a pennant since 1925, the last year the Panthers finished in the winners' circle.

A Strong Infield

Last year Fort Worth was weak on the infield. Frank Snyder believes he will start the season of 1930 with an infield that compares favorably with any infield this side of the majors. Bill Kelly, veteran who looked great for three months with Beaumont last year, has been obtained for first base, a troublesome spot in Fort Worth since the summer from the Akron club of the Central League. Jack Tavenner, midget shortstop who was a Panther star in the good old days, is back from the American League. After five years absence Jack is counted upon to start in where he left off. Chet Fowler, one time T. C. U. athlete, is slated for third base job. In case any of the infielders are not above par, Nick Urban is hanging around ready to step in anywhere Nick was a pretty good man anywhere on the infield last summer.

"Power And Speed."

"There's an infield for you," declared Ted Robinson, president of the Fort Worth club. "Power in Kelly and Fowler, speed in Tavenner and Malton, who ought to make plenty of double plays, and Urban's too good as a regular to be a utility man. Kelly and Tavenner are veterans to steady the entire club."

The Fort Worth outfield probably will be much as it was in 1929. Speedy Eddie Moore, who can get em with the best and socked well above 300 will be at his usual post in center. Joe Bonowitz has been returned by Cincinnati so that he can be a heavy hitter and great fielder in left. Larry Cox, 1929 right fielder, may be returned by Pittsburgh. If so he must battle for a regular berth with Dick Sullivan, a youngster who was purchased in the winter deal from Wichita Falls. So far, the Panther catching staff appears to be Manager Snyder. A young Fort Worth sandlotter has been signed but another seasoned mark man is sought.

Veteran Hurlers Back

The pitching staff contains the calm Jimmy Walkup, one southern whose control is better than any.

DISTRICT TWO TO HOLD CONFERENCE

Following the completion of the try list for the annual District Two basketball tournament at 7:30 tonight, representatives from approximately 16 Plains counties will meet with E. Y. Freeland, district chairman, to draw for places in the two-day meet which opens at the Tech gymnasium here Friday morning.

Out-of-town contestants who are unable to send representatives here for the drawings tonight will have their teams drawn by uninterested parties.

Freeland plans to have programs for the tournament printed and distributed throughout the district before hostilities begin Friday.

Late cold weather is said to have added oil to the Orville, Calif., olive crop.

Miami Beach, with an increase in the seating capacity from 30,000 to 50,000.

As a concession to less bugging bankrolls, there will be 15,000 more \$5 seats than there were a year ago in Flamingo park, but the choice tickets bear the familiar \$27.50 stamp. So far there has not been the slightest indication of any speculating.

61% OF ALL ILLNESS BEGINS AT THE THROAT

Give your throat the comfort of a throat-easy cigarette

It takes three years to prepare the tobaccos that make OLD GOLD a smoother cigarette. . . . The throat-scratch begins to leave when its BETTER TOBACCOS are allowed full time to mellow and ripen. . . . the irritation goes when they are completely freed from dust and impurities. . . . The roughness disappears when they are blended to honey-smoothness, with no artificial treatment added. . . . Three years to make your throat say "O. K." and your taste say "100%". . . . But it's worth it to OLD GOLD, and to you.

Rate, Rules and Requirements of Classified Advertising of The Lubbock Daily Journal (Afternoon)

Lubbock Morning Avalanche

Sunday Avalanche-Journal

All classified advertising will appear in both the Morning and Afternoon papers—both papers counting one insertion. All classified advertising is printed in the Lubbock Morning Avalanche first and the Daily Journal of the same date, no classified originating in the afternoon paper.

Classified for Sunday's issue will appear in the Avalanche-Journal counting one insertion, as this paper is sent to all subscribers of both the afternoon and morning papers.

AVANCE-JOURNAL

Combined Rates:

Minimum words, per insertion, 10

One insertion, per word, 10c

Two insertions, per word, 20c

Three insertions, per word, 30c

Four insertions, per word, 40c

Five insertions, per word, 50c

These rates are for consecutive insertions only. Additional consecutive insertions over 10 times, of 10c per word each.

All out of town ads, received by mail must be cash with order. No exceptions.

PHONE 12 or 14

Our experienced ad taker will receive your ad and help you to word it, then our collector will call the following day. These accounts are "accommodation accounts" for our patrons and for one day only.

No advertisements accepted on an "until further" order. A specified number of insertions must be given.

Notice to discontinue an advertisement must be given in writing, otherwise we will not be responsible.

We reserve the right to place all advertisements under the proper classification and reject unless objectionable copy.

Objections and cards of thanks at regular classified advertising rates.

The publishers are not responsible for copy omissions, typographical errors, or any unintentional error that may occur further than to correct in next issue after it is brought to their attention. All advertising orders are accepted on this basis only.

Classified Advertising accepted until 5 P. M. each day and before 7 P. M. will be placed under "Too Late To Classify."

For classified display advertising information, PHONE 13 or 14

WHAT IS A WANT-AD?

A want-ad is a miracle of modern progress. It is your own message, in your own words, carried into thousands upon thousands of homes in a day.

A want-ad is the shortest distance between you and the fulfillment of your daily needs. It is a tool of a thousand uses, which any hand may turn to good account.

It will buy, sell, trade, rent, exchange, hire, seek and find. It serves persons, homes, and businesses with profit.

The classified pages are today what the public bazars and market places were yesterday—a common meeting ground for those who offer and those who bid.

Trial Of Flier Is
Given Postmortem

WICHITA, Kas., Feb. 18. (AP)—The hot air balloon, parachute demonstrator, on charges of fourth degree manslaughter in the death of Miss Helen Williams, 18, of Thomas, Okla., here last September, was indefinitely postponed today by District Judge J. E. Alexander at the request of the aviator's attorneys. White is accused of culpable negligence in connection with alleged failure to instruct the girl in the use of a parachute before she leaped from a plane.

RUMBLE-SEAT COATS

Newest of the new are rumble-seat coats. They are usually of fur, warmly lined with kasha and snugly fitting, with high collar, tight cuffs and more often than not, belted to hold the warmth. An astrakhan coat has a good deal of the fur and a little muf to keep the hands warm.

STOCKS MOVE
HIGHER TODAYOPENING OF MARKET
FINDS GAINS ON
FEW SHARES

NEW YORK, Feb. 18. (AP)—Stock prices moved irregularly higher at the opening of today's market. Auburn Auto advanced 2 3/4 and U. S. Steel and American Tobacco each advanced a point, the last named duplicating the record high established yesterday. American Machine & Foundry dropped 2 3/4 and National Cash Register 1.

Reports of active covering by "bear" traders, vacationing in Florida, coupled with fresh buying operations in a number of the leading utilities and industrials, imparted a strong tone to early dealings. There were a few soft spots scattered about the list. Simmons losing part of the sharp gain recorded yesterday.

American Telephone assumed the leadership of the utility group, crossing 235 to a new high for the year for an early gain of more than 3 points.

National Air Transport, one of the active features yesterday, opened with a block of 10.00 shares at 19 3/8, up 1/2.

Foreign exchanges opened reactionary, sterling declining slightly to another new low level for the year at \$4.86.

CHICAGO GRAIN

CHICAGO, Feb. 18. (AP)—All deliveries of wheat, corn and oats tumbled down today to new low price records for the season, but quickly recovered, and even scored gains.

Opening 1/2 to 3/4 off, Chicago wheat future deliveries suddenly turned up grade. Corn started 5/8 to 1-1/8 down, and then rebounded. Provisions held about steady.

Produce

BUTTER AND EGGS

CHICAGO, Feb. 18. (AP)—Butter easy; unchanged.

Eggs weak; receipts 16,344 cases; extra firsts 22; graded firsts 30 1/2; ordinary firsts 29 @ 29-1/2.

CHICAGO POULTRY

CHICAGO, Feb. 18. (AP)—Poultry firm; fowls 25 to 28; springs 26; turkeys 28 to 34; roosters 20; turkeys 25; heavy ducks 22; geese 16.

FORT WORTH

(Continued from page 4)

right hander you can name; Dick McCabe, who reported in mid-season and went well; Dick Whitworth, a veteran who flashed in the spring but developed a sore arm late in July from the last year's staff. Added to these are Bill Clarkson, a right hander purchased from the Boston Red Sox after a couple of seasons in AA company; the veteran Ferdie Schupp, who had a lot of stuff if he can control it, and a flock of young fellows. One of these is Henry Hardaway, obtained in a surprising trade with Dallas.

The Panthers probably will add at least two seasoned hurlers to their mound staff.

Fort Worth fans are more excited over the coming race now than they have been since 1926, when the champion Cats of '26 added several high class performers to their ranks only to have them go sour and drop their first pennant in many years.

Miniature golf courses are being established on vacant lots in Greensboro, N. C.

Wichita Man Was Unable To Work

"I Have Gained 8 Pounds And Work Hard Every Day Since Taking Orgatone," He Said

Mr. Roy Gambel of 1715 Trueheart, Wichita Falls, Texas, makes this interesting statement. Mr. Gambel is employed by Kaufman and Doyle, of Wichita Falls.

"For a long time I haven't been able to eat anything, he continued, and what little I did eat caused gas to form and would bloat me up until I was so uncomfortable I could hardly stand it. I would belch up food from my stomach undigested. I had severe headaches, was very weak and nervous and could not sleep at night and finally got in such a run-down condition and so sick and weak that I was unable to work."

"Orgatone (Argelone) was advertised so highly I gave it a trial and it has certainly worked wonders for me. I feel better than I have in a long time, my food digests properly and I sleep fine every night. But most of all I have gained eight pounds in weight. My color is much better and I am stronger and have more energy. I am feeling so good that I work hard every day and it does not bother me. Orgatone (Argelone) is indeed a remarkable medicine and I am glad to tell everybody about it."

Genuine Argelone may be purchased in Lubbock at Stevens Drug Store.
