ALL-WEATHER TRACK CONSTRUCTION UNDERWAY--Workmen have already moved the visitor's pressbox and light standards at Benny Douglass Stadium west of Muleshoe High School, and are preparing to move the visitor's stands back several feet. The moves are being made to prepare for construction of a new all-weather track around the outer perimeter of the football field.

Lazbuddie Lady Horns Defeat Ranked Amherst Bulldogs

The Lazbuddie Lady Horns basketball team has started their 1986-87 season off with two victories over the 10 ranked Amherst Bulldogs. On Tuesday November the 18th, the Long-

horns traveled to Amherst to play the JV Girls and Varsity Girls and Boys.

The JV girls started off slow but finally found the bucket, half time found the Horns down by 4 points, 13 to 17. The Horns came back and gradually caught the bulldogs and at the final buzzer the score was Lazbuddie 34 Amherst 30. Team members: Susan Redwine, Julie Harris, Cami Ivy, Diane Cosbey, Sandra Martinez.

Hicks Wins First Place This Week

Keith Hicks came up with the winning combination for this week and missed only one game to take the first place win in the Merchant's Weekly Football Contest. He was only 10 points away on the double tiebreaker combined score.

Second place winner Buck Ragdale also missed only one game, but he was 16 points off on the tiebreaker scores.

A tie marked third place for this week. Kay Graves and Jimmie Crawford each missed two games, but tied at 12 all for the tiebreaker scores.

Several other persons missed for this week two games, but their tie breaker score eliminated them from the winner's circle for this week. Debbie Weir, Alene Bryant and Margaret Gleason each missed two games, but each missed the tiebreakers by 13 points; Gerald Shanks, who missed two games, was wrong on the tiebreakers by 14 points; John Graves also missed two games, but was 15 points away on the tiebreakers and Nona Blake Douglass missed two games, but missed the tiebreakers by 29 points.

This is the final football contest for this year, with the contest this week. After the contest in today's (Thursday) paper, the grand prize winner will be determined.

Be sure to keep watch for the Bowl Game Contest in mid-December. There will be one grand prize winner who will receive a check in the amount of \$50 following the last of the annual Bowl Games on January 1, 1987.

took the court. The first quarter found the Lady horns down by 3 points, 9 to 12. The Horns came back taking the ball to the Bulldogs and out scoring them 17 points to 9, putting the half time score Lazbuddie 26 Amherst 21. The third quarter was a run away for the Lady Horns Putting 18 points on the board while allowing only 10 for Amherst. Third quarter scores Lazbuddie 44 Amherst 31.

Amherst rallied in the fourth quarter scoring 12 points while allowing the Horns only 9 points. But at the final buzzer Lazbuddie out scored Amherst by 10 points. Lazbuddie 53 Amherst 43.

The balanced attack of the Horns put the Bulldogs on the freeshot line 5 times while Lazbuddie was there 16 times.

In the Sunday's A.J., the area 1 A rankings put Amherst in the 10 place with a season record of 22 wins 6 losses.

Quick Action Knocks Down Chimney Fire

A possible major fire was averted Saturday night through quick-thinking and quick action by two young Muleshoe men.

Michael Sandoval was just pulling into the driveway of the home of Ronnie and Danette Bunch when he saw flames shooting into sky from a chimney at the home of Jeri and Diane Wiedebush, across the street from the Bunch home.

Sandoval quickly informed Burch, who ran across the street in his sock feet while Mrs. Bunch knocked on the door to notify the Wiedebush's about the fire. Sandoval boosted Bunch onto the carport of the home, and tossed a water hose up to him.

The fire department was notified, but by the time they arrived just minutes later, Bunch from the top of the chimney, and Wiedebush from inside the home had the fire knocked down.

After spending a few minutes at the chimney fire, the fire department returned the trucks to the station.

West Plains Board-Westworld Negotiate

3-Way Eagles Play Saturday In Monahans

Bailey County's Three Way Eagles are the 'Heroes of the Week' for this area after squeezing by Harrold last Friday night 46-45 to take the Regional title.

This weekend, they will continue their uphill fight to a state title when they play Fort Hancock on Saturday afternoon in Lobo Stadium at Monahans.

If the Three Way Eagles win the Area title Saturday afternoon, they will more than likely meet the winner of the Friday night Guthrie-Jayton game the following week in quarter-finals.

Six man football is a little different from regular 11 man football and in the event one team gets 45 points ahead of their opponent, the game is over.

Also, there are 15 yards between down markers, and there's two extra points for kicking after a touchdown, while there is one point for running or passing the ball to the end zone.

Coach C.W. Williams and his Three Way Eagles say they would appreciate a large crowd at Monahans for the 2:30 p.m. kickoff on Saturday afternoon.

West Plains Taking Over Muleshoe Nursing Home

Following an afternoon and evening meeting on Monday, Jim Burgess, president of the Board of Directors of West Plains Medical Center, Inc., released the following statement:

"West Plains Medical Center, Inc. and Westworld Community Healthcare of Texas, Inc. have reached an agreement whereby West Plains will assume management and operation of the Muleshoe Nursing Home at 11:01 p.m. on (Sunday) November 30, 1986.

Westworld will continue operation of the Muleshoe Nursing Home until that time. There will not be any interruption of the care of the residents of the Muleshoe Nursing Home.

"The parties have further agreed that West Plains shall assure and maintain custody of all patient medical records currently at the nursing home and hospital.

"West Plains and Westworld have scheduled additional meetings to attempt to resolve the remaining issues regarding the termination of operations at West Plains Medical Center, Inc., Muleshoe, Texas, by Westworld Community Healthcare of Texas, Inc."

Burgess also said he wanted to express his 'thanks' to Westworld for their efforts to

expedite the agreement on the Muleshoe Nursing Home in a timely fashion.

West Plains Medical Center stopped accepting acute care patients at the hospital on November 11, after clearing the hospital of all patients the previous afternoon. Then, on Thursday, November 13, at 5 p.m., the doors of the hospital

Annual Blood

Drive Slated

By Church Here

Muleshoe annual December blood drive will once again be sponsored by the First United Methodist Church on Tuesday, December 2, from 10 a.m.- 8 p.m.

According to a spokeswoman from the church, "This is the time in which our community can join in what has come to be termed a 'holiday tradition.'

"The holiday season brings on an added use of blood, and because of this, large scale blood drives are needed."

She continued, "Last year's December blood drive brought in 170-plus units, which is a great response for a community our size. We hope to increase that number this year."

"If you have not been contacted for an appointment time and would like to donate, please call 272-5846."

The Muleshoe Blood Advisory Board encourages all people in the Muleshoe area who are able to join in the holiday tradition and donate blood. "The life you save could someday be your own," she reminded.

Four Mules Are Named To All-District Teams

THANKSGIVING 1986

Thanksgiving Greetings:

L.B. & Sammie Hall & The Journal Staff

Thanksgiving

**Thanks for the good that is,
and always has been ours...**

Our Thanksgiving stems from a harvest festival held by the Pilgrims to give thanks for God's bounty.

They invited their Indian friends who arrived, 90 strong, carrying five deer. The food was welcome, the feast lasted for three days. That sense of sharing and of giving, continues to this day. It is called Thanksgiving.

We remember the courage, bravery and determination of our forefathers who settled on the rockbound

coast of the Atlantic and pushed across the new country, regardless of dangers. We honor their memory at Thanksgiving time.

We have been blessed far beyond any dreams our forebearers may have had. For us, Thanksgiving Day is an expression of an ultimate attainment — the giving of thanks for the good that is and always has been ours.

A Happy and Blessed Thanksgiving to all.

a.m. TUNE IN

Muleshoe will be on the air Friday, December 10, according to announcement by the Southland Insurance Company, which is dedicating its morning Radio exercise program to Muleshoe on that day.

Radio fans are familiar with Southland Life Exercise programs; which are broadcast over station WFAA at Dallas every morning except Sunday, from 6:30 to 7:30 o'clock. Thousands in the southwest are taking the exercise.

The dedications, along with a short talk on Muleshoe, will be given at the third exercise

Girl Scouts

Attend Workshop At Plainview

Sixty-five Girl Scouts, along with their leaders and assistant leaders attended a workshop in Plainview on Saturday, Nov. 8. Static electricity, magnets and making butter were among the things learned during the workshop. Several new games were also learned.

Debbie Tillman, leader of Brownie Troop 330, reported that her troop was beginning a "Toy Drive" and will be fixing up toys for the underprivileged children in this area. They have also begun a "canned food drive" for the elderly.

If you would like to contribute items to either of these projects you are asked to call Debbie Tillman at 925-6481 after 6 p.m. Members of Troop 330 have earned the "People Of The World" badge.

All girls in the Girl Scout program in Muleshoe have adopted friends, someone in the Muleshoe Nursing Home. These girls will visit these special friends, make them gifts or just do small favors for them.

DEAR SANTA: KICKS OFF
CHRISTMAS '76

Thanksgiving is over and childrens thoughts turn to Santa Claus. That's right, the first letter to Santa arrived on the news desk in The Journal office Friday morning. This will probably be the first of numerous letters to Santa printed in the paper before Christmas 1976.

All letters from children will be printed in issues of the Muleshoe Journal and Bailey County Journal before Christmas.

This year the first letter reads:

Dear Santa Claus,
Would you please bring my oldest brother Johnny a watch and lots of clothes.

Troy is my second brother and he wants a Mickey Mouse watch and lots of toys and clothes.

Jamie wants and I (Benjie) would like a Sittin and Spin nerf animals and lots of new clothes.

Thank and hope you and yours have a very Merry Christmas and Happy New Year.

What makes a marriage strong enough to work for more than 20 years. Couples in these long-term marriages say they:

- Consider problems a challenge for growth and use problem-solving techniques instead of becoming depressed.

- Value problem-solving skills and consider them as important as skills for building a career or house.

- Talk a lot or even argue through problems. This helps them find solutions.

- Learn to accept traits that once caused problems.

- Share some activities and basic values and goals which strengthen the ties that bind, despite changes and stresses.

- Value the religious dimension in their lives.

- Consider their mates easy to talk with and consider good communication important to the relationship.

- Think that some of the happiest years of marriage start after the kids leave home (50's and 60's) and these years keep getting better.

- Regard humor and laughter important assets to their marriages. A good attitude about life helps keep a good marriage.

Sue Haire Presents AARP Program

The Muleshoe chapter of AARP (American Association of Retired Persons) met Friday,

Nov. 21 at the Civic Center for their regular monthly meeting.

K.K. Krebbs, president, presided over the business meeting. Dorothy Bowers, secretary, read the minutes of the previous meeting. A treasurer's report was given by Muriel Lewis.

The members voted to give a donation to the fund for the Silver Haired Legislator, Nathan Tubbs, and a second donation to the Muleshoe Heritage Foundation.

Plans are being made for the chapter to tour the foundation buildings in the near future.

It was decided to hold the December meeting one week early on Dec. 19, due to the Christmas holidays. All Senior Citizens are urged to attend this meeting.

Clifton Finley, program chairman, introduced Sue Haire, Muleshoe High School junior, who showed slides and gave a report on her trip last summer, along with 48 other Texas youths, on the United Nations Pilgrimage for youth tour. They toured Washington D.C., Philadelphia, Penn. and New York City. This trip was sponsored by the Rebekah Lodge.

The program and covered dish luncheon was enjoyed by 34 members and guests including four new members.

Peace of mind and inward happiness are life's greatest reward, regardless of the wealth obtained.

Candlelight Ceremony Unites Miss Newsom, Peterson

Miss Marissa Newsom of Sudan became the bride of Kevin Peterson of Muleshoe in a double ring ceremony Friday, Oct. 24 in the home of the bride's parents.

Parents of the couple are Mr. and Mrs. Dale Newsom of Sudan and Mr. and Mrs. Wayne Peterson of Muleshoe.

Vows were repeated in front of the fireplace. Centered in front of the fireplace were a glass and brass compote holding a mauve taper and seven brass candelabras holding mauve tapers flanked on either side with mauve and burgundy silk floral arrangements. The unity candle was set on a tall marble pedestal flanked on either side with mauve tapers. The pedestal decorations were complimented with pink and burgundy bows and greenery.

Pink and burgundy satin roses were used as rice bags.

The bride, given in marriage by her father chose a formal gown of white organza featuring a fitted bodice, overlaid with reembroidered Chantilly lace with Venise lace ascents. It also featured a Queen Anne neckline and long full Bishop sleeves, trimmed in the matching lace. The chapel length skirt fell into a train with three tiers all edged in matching lace. Her veil, Anelon and silk flower half wreath, was accented with pearl sprays and also had a two tiered fingertip rolled edge.

Her cascading bouquet of white was interspersed with mauve and burgundy flowers.

Following tradition, for something old, in her shoes wore pennies in the years of their births, 1966-67; her dress served for something borrowed, from Denece Allen of Lubbock. A strand of pearls, a gift from her grandmother, served as something new, and she wore the traditional blue garter.

Angie Carson served as maid of honor, and Wendy Ray of

Sudan was flower girl.

Best man was Jerry Combs of Muleshoe and Nathan King of Lubbock, nephew of the bride, was ring bearer.

Bruce Peterson, brother of the groom, presented wedding selections and sang "The Lord's Prayer" while the couple lit the unity candle.

The registering table was covered with a floor length white linen cloth and centered with a crystal compote with burgundy and mauve candles and the bride's book. Courtney

King of Lubbock niece of the bride, registred the guests.

Following the ceremony, a reception was held. The bride's table was covered with a floor length crochet cloth over lace and centered with a five tiered candelabra with mauve and burgundy flowers and candles. The two tiered heart shaped cake was in burgundy and mauve topped with a white wedding bell. Dierra King, niece of the bride, and Dora Black served at the bride's table.

Denece Allen, sister of the groom, served at the groom's table, which was covered with a white floor length cloth and centered with a silver coffee service.

Special guests included the parents of the couple and grandmother of the bride, Mrs.

Polly Hargrove of Sudan, her sisters, Nichole of Sudan and Sonja King and Tatia Snell and her brother, James, all of Lubbock.

Also grandparents of the groom, Mr. and Mrs. F.L. Brown and Mrs. and Mrs. Earl Peterson, all of Muleshoe, and his sister, Mr. and Mrs. Denece Allan of Lubbock and Mrs. Ricky Barrett of Clovis, N.M.

Faith is a great help to men and women as they go through life but there is no synthetic substitute.

The intelligent man learns from experience and is able to gauge the future by what has happened in the past.

Girl Scouts Continue To Grow In Muleshoe

The Muleshoe Girl Scout organization continues to grow in Muleshoe. There are ten troops and 20 adults now working in the organization.

The organization is still trying to raise the money to continue the renovation of the two remaining rooms in the Girl Scout Hut. Materials to finish out some walls, ceiling and to install a floor furnace, which has been donated, are still needed.

They would also like to build storage units for the individual troops.

"Carpenters have braced in the attic and have leveled the floor, so we are ready to go forward as financing becomes available, said Nelda Merriott. "We sincerely appreciate those who have donated toward this project in the past. We are trying to raise approximately \$1500 to complete the major repairs."

"Anyone who would like to help with this project may make a donation at the Muleshoe State Bank for the repair of the Girl Scout building. Also, memorials and honorariums may be given."

When making your memorial or honorarium, you are asked to send the name and address of the person you want the designations to be mailed to, along with the name of the person you wish to memorialize or honor to Jackie Scoggin, treasurer, Muleshoe Girl Scouts, P.O. Box 1010, Muleshoe, Texas 79347.

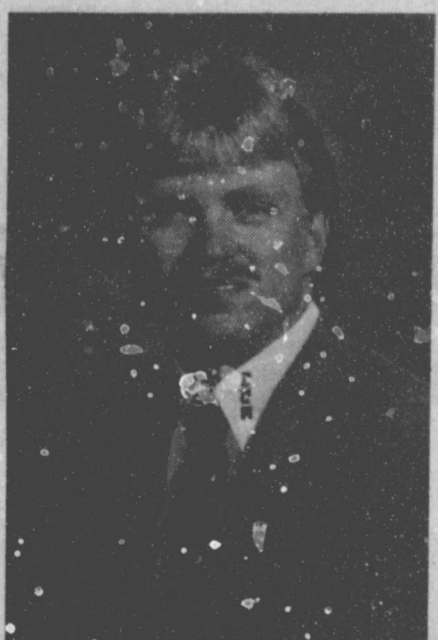

You may also call Mrs. Scoggin at the Muleshoe State Bank, 272-4561, and she will charge your account if you bank there.

"The Girl Scouts appreciate the Rotary Club who are sponsoring them by paying the electricity bill for the Girl Scout

Hut each month. We are hoping that a sponsor will volunteer to help with the cost of the natural gas bill each month, she continued. "If you or your organization or business would like to help us, please call Nelda Merriott at 272-4071 or 272-3165."

McBroom Named Outstanding Young Man Of America

Casey McBroom, son of Mr. and Mrs. Orin McBroom of Lazbuddie, has been named to

Lady Horns

Con't From Page 1

Horns: Traci Elliott 10 points, Cathy Schacker 8 points, Amy McGehee 9 points, Jonessa Jennings 9 points, Ginger Jesko 8 points, Mia Jennings 9 points.

The varsity boys had no problems in putting away the bulldogs. At half time the Horns took a 30 to 13 lead in the dressing room. Coach Richard Luscombe used his entire bench. The final score for the Horns 71, Amherst 40.

Team members for the Horns: Tim Lust, Brian Glover, Omar Sanchez, Scott Miller, Wes Jarman, Pat McBroom, Steve Bradshaw, Kevin McGehee, Eddie Zamora, Jim Allen, Shane Mason. Shane has been out with a broken wrist, he should see action by the middle of December.

On Friday, November 21 the Longhorns took on the Amherst Bulldogs again at Lazbuddie.

The JV girls started the

action again. Defense was the name of the game. By the half Lazbuddie had a slim 3 point lead over Amherst, 16 to 13. After half time adjustments by coach Joann Luscombe the Horns came out and put the bulldogs away in the final period with a score of 45 to 29.

Team members: Susan Redwine, Amy Daniel, Connie Gonzales, Julie Harris, Cami Ivy, Diane Cosby, Sandra Martinez. Season Record 2-0. The Varsity Lady Horns having something to prove that the win over the Bulldogs on Tuesday was no accident came out in the first quarter a little hesitant. Scoring on both ends was fast with good defense at the buzzer Lazbuddie was down by one bucket, 14 to 16. The second quarter found the Horns out scored 17 points to 11, half-time score Amherst 33 Lazbuddie 25.

The third quarter was an up hill struggle for the Horns, pulling with in 6 points then fall to 13 behind. However when the third quarter was over Lazbuddie managed to come from behind and tie the Bulldog's with a 40 to 40 total.

The Horns outscored the Bulldogs 15 to 7. The fourth quarter was costly for the Bulldogs having two foul outs, putting the Horns on the line 18 times in the game while Amherst went to the line a total of 6 times. The final period was a gradual battle by both teams to gain a lead. As the final buzzer sounded Lazbuddie had once again beaten the Bulldogs by a slim 3 points 52 to 49. Team Members: Traci Elliott 19 pt. Cathy Schacker 10 pt. Amy McGehee 4 pt. Jonessa Jennings 7 pt. Ginger Jesko 6 pt. Mia Jennings 6 pt. Season Record 2-0.

Again the Varsity boys had no trouble with the Bulldogs, Lazbuddie took a 40 to 23 lead in at half time. Coach Richard Luscombe again used his entire bench. The final score was Horns 78 Bulldogs 47 Season Record 2-0.

In other action pre-season scrimmages found the Lady Horns victorious in both outings.

On November 4 the Lady Horns traveled to Muleshoe, playing a total of 5 quarters, winning in overtime as follows, Lazbuddie 67, Muleshoe 60. On November 10 the Lady Horns

played Spring-Lake Earth and won 73-36.

On Tuesday November the 25th, the Longhorns travel to Anton to play the 4th ranked team I A (girls), team record 18 wins and 11 losses. Teams playing will be the JV Boys, Varsity Girls and Boys.

Mike Hahn introduced Janis Nichols, who presented the program for the Muleshoe Rotary Club on Tuesday at noon.

Ms. Nichols gave a talk on "Stress", how to deal with stress and recognize stress, and how to define it and handle it.

She gave the members a questionnaire on stress to fill out, a session that proved to be both interesting and informative.

She said stress is responsible for a lot of common, every day illnesses.

Rotary visitor was Julie Cage. It was announced that Tuesday, December 16 will be a night meeting for Rotarians and their Rotary Anns.

Rotary District meeting will be December 11 in the Lubbock Memorial Civic Center, with Sen. Lloyd Bentsen as honored guest speaker.

DPS Sgt. Charlie Simmons of Plainview said, "In Bailey County, our troopers investigated no fatal accidents in October, with one personal injury accident and one property damage accident."

by Mrs. H.W. Garvin

A cold front came through Saturday night with drizzling rain and light snow flurries which didn't last long. It stopped the grain and cotton harvest. Some of the farmers are through cutting their grain.

Mrs. Robert George of Lubbock brought out Kelly Mosser and his cousin Tiffany Hancock of Slaton they spent Friday night and Saturday with Mr. and Mrs. E.N. McCall.

Other visitors at the Baptist Church Sunday were Mrs. Troy Price of Morton and daughter JaLisa of Lubbock.

were closed and locked, and no more medical emergency patients were accepted.

Since that time, patients have been transferred, by ambulance when necessary, to South Plains Hospital at Amherst. The local doctors are seeing their patients at the Amherst hospital until further notice.

Also, still open at this time, are the doctor's office located in the hospital. Dr. Homer Allgood, Dr. Enrique Muyschondt and Dr. Jack McCarty are maintaining their practices in the clinic at this time, and keeping regular office hours.

The pharmacy was closed, and most medical supplies have been moved from there. On Tuesday afternoon, Bailey County Sheriff Bob Henderson was at the former pharmacy to observe the loading of 'controlled' medications from the pharmacy.

In the Sunday, Bailey County Journal on August 24, 1986, George Florey, then administrator of West Plains Medical Center, made the following statement: "We figure patient charges using Medicare's Diagnostic Related Group (DRG) method. Charges are figured using the doctor's diagnosis of a patient's ailment or illness."

"Therefore, a victim of a heart attack would have higher charges than, for instance, someone hospitalized with pneumonia."

His response was in answer to questions about how West-world figured charges, and how they figured to decrease their former \$1,250 to \$1,500 per day

charges. At the same time, Florey said expenses for the hospital were some \$360,000 per month, which included payroll, benefits, trade (supplies), utilities, depreciation, professional services and advertising. (Note: On the financial print-out, the advertising reflected nearly \$40,000 per month to advertise the Intercept Program on television in Texas'

Mullettes Even Up Basketball

Muleshoe high school basketball girls are off to a 'flying start' this season, with several games under the belts and mostly into the winning column at this time.

In the Floydada Tournament, the freshman girls defeated Idalou 52-47. Wendy Green was high pointer with 18 points and Amber Green got the 'Hustler' award.

Tulia fell to the freshman team in the championship match 41-37. Amy Harrison was high pointer with 12 and the 'Hustler' award went to Heather Hutton.

The two games took the freshman record to 3-0 for the season.

In Junior Varsity Action the Farwell team fell to JV girls by 45-15 with Mary Lou Bastardo scoring high points, at 11. Caroline Liles won the 'Hustler' award.

The same night, the Varsity girls defeated the Farwell varsity, with Debbie Isaac scoring 18 points; Tisha Cox, 16 and Casey King, 10 points; while the 'Hustler' award went to

major cities.) Also, the professional charges included payment for a doctor, psychologists and consultants for the Intercept (alcohol) program, according to Florey.

Most business leaders were non-committal on Tuesday afternoon, with a general consensus that they did not wish to make comments while negotiations for the return of the control of the West Plains Medical Center to the West Plains Medical Center Board of Directors was in progress.

Julie Crittenden.

Last Thursday, in the Denver City Tournament, Frenship fell to the Mullettes by 56-41.

Debbie Isaac scored 23 points for high pointer, with Jana Brown, scoring 12 points. 'Hustler' for the game was Mychelle Stout.

In their next game in the tournament, Denver City defeated the Mullettes, 45-44 in a squeaker. Debbie Isaac scored 17 points for high, with the 'Hustler' award going to Debbie Brown.

Debbie Isaac was once again the high scorer in the Mullettes loss to Seminole, 47-43. Michelle Cox took the 'Hustler' award for that game.

By Monday morning, the Mullettes had a season record of 2-2.

Don't worry too much about your boy or girl-just be sure their parents set them an example worth following.

Boy Scout Troop 620 Camps Out

Camp Don Herrington, south of Amarillo, was the site of this past weekend's campout for Local BSA Troop 620. Thirteen boys were accompanied by four adults for this weekend event.

Scouts attending included Shane Glover, John Hovland, David Lutz, Scott Miramontes, Bryan Rasco, Gilrobert Rennels, Billy Tosh, Jon Robin Watkins, Stephen Wauson, Cory Welch, Dustin Wilhite, Darrell Whitaker and Mike Born.

Adults accompanying the youth included Larry Rasco; Asst. Scoutmaster Gary Welch; Don Watson of Canyon and Scoutmaster Howard Watson.

Under the direction of Senior Patrol Leader John Hovland and Assistant Senior Patrol Leader Scott Miramontes, three patrols enjoyed outdoor activities such as cooking, climbing, instructions on knife and axe use and safety.

Troop 620 meets on Tuesdays at 7 p.m. at the Scout Hut on South Main. Boys from ages 11 to 18, who would like to join, are welcome to pick up applications at that time, said the Scoutmaster, Howard Watson.

First Checkoff Money Slated To Arrive

As the first month of the new \$1/head beef checkoff comes to a close, Monthly Report forms will soon be arriving at The Texas Beef Industry Council. Many questions are now surfacing concerning these forms, some of the more common being the following:

WHO COMPLETES THE MONTHLY REPORT FORM?

The collecting person (Order Buyer, Trader, Dealer, Auction Market, Feedyard, Packer, individual acting as collecting person for purebred sales, and buyer in the country) is responsible for completing the Monthly Report form.

I'M CONFUSED! THE SECOND COLUMN ASKS FOR THE TOTAL CATTLE SOLD. BUT NOW YOU ARE TELLING ME IT IS FOR TOTAL CATTLE BOUGHT. WHICH IS IT?

It is for all cattle for which you had the responsibility for collecting the \$1/head checkoff. If you are in the position of buying and selling cattle, it is important to know that this form is for **ONLY THE CATTLE YOU BOUGHT**, not for cattle you sold.

WHAT IF ALL MY PURCHASES WERE THROUGH AN AUCTION MARKET?

The market will serve as the collecting agent and complete the Monthly Report forms. You will therefore have no forms to complete as the buyer.

WHERE WOULD I OBTAIN A MONTHLY REPORT FORM IF I AM INDIVIDUAL "IN THE COUNTRY"?

Supplies of forms as well as informational pieces may be obtained at local farm bureau offices and extension service offices. You may also call the Texas Beef Industry Council in Austin at (512) 345-3531. WHEN IS THE MONTHLY REPORT FORM DUE?

The Monthly Report for October must be completed and postmarked by November 15. WHAT MUST I INCLUDE WITH THIS MONTHLY REPORT?

Along with the white copy of the Monthly Report, include all yellow copies of the Request For Non-Producer Status forms that you received in place of the \$1/head checkoff. Also include copies of all brand inspection certificates that may have been given you in place of the \$1/head checkoff. And, then be certain to include a check for the total dollars you collected during October.

IF I BUY CATTLE FROM SEVERAL DIFFERENT

Cotton Harvest For This Year Slow

Cotton harvest operations are off to a slow start on the South Plains. Adverse weather conditions during November have prevented South Plains farmers from most harvest activities. However, activities are expected to increase considerably during the next few weeks. Most cotton harvested this season has been from Cochran and Hockley counties.

The Lubbock office classed 3,313 samples during the week ended November 13. This brings the season's total to 6,945 and compares with 104,000 classed by the same date last year.

The week's predominant grades were grade 52 at 34 percent followed by grade 62 at 17 percent. Spotted grades make up 28 percent of the total. About 39 percent was reduced one grade because of bark.

Auburn-Alabama Top College Game Saturday

In each of their confrontations the past four years, the margin of victory between Auburn and Alabama has never been more than 3 points. Auburn squeezed successive wins in 1982 and 1983, 23-22 and 23-20. Alabama sneaked victories in 1984 and last year, 17-15 and 25-23. And the results of three of those four games were considered upsets. Comparative scores are always interesting, but they're meaningless in season-finance rivalries such as this. Florida upset Auburn 18-17 while Alabama beat the Gators 21-7. Otherwise, both teams whipped Tennessee and Mississippi State by almost identical margins. So, though we're picking Auburn in 1986, a little mistake by either team can make it an upset.

Florida State started the '86 very slowly, losing to Nebraska and Michigan, then being tied by North Carolina. Since the Michigan loss, the Seminoles have won five and lost only to Miami. They'll be more than ready to host intra-state rival Florida in another of the traditional season finales. The Gators were also slow to get on

SOURCES, HOW DO I ACCOUNT ON MY MONTHLY REPORT FOR THOSE CATTLE PURCHASED THROUGH AN AUCTION MARKET?

Indicate the total number of cattle purchased through an auction market in the third column (along with the non-producer status cattle and the brand inspected cattle) as you will not have collected any dollars on these cattle. In order to help clarify this figure, beside your total non-producer cattle, state the number of cattle from the auction market with an "A" beside the number. For example: Number Non-Producer Cattle

200 (80-A) In other words, you had a total of 200 non-producer cattle, 80 of which were purchased from an auction market which collected the dollar from the seller.

Now thank we all our God, With heart and hand and voice, Who wondrous things hath done, In whom His world rejoices.

—Catherine Winkworth

Predominant staples were staple 32 at 17 percent, staple 33 at 31 percent, staple 34 at 22 percent and staple 35 at 13 percent.

Micronaire 35-49 amounted to 49 percent, 30-32 was 13 percent, 30-32 was 19 percent, 27-29 was 14 percent, and 26 or below was 5 percent. The average was 3.4.

High Volume Instrument breaking strength averaged 24.9 grams per tax at Lubbock during the week ended November 13.

Cotton prices held steady on the Texas High Plains. Grower offerings of old drop equities were light to moderate and averaged about \$20 per bale at the end of the week.

Gins served by Lubbock classing office paid growers \$70 to \$80 per ton for cottonseed, mostly \$75.

track this season, losing four in a row after winning their season opener. They came back to win the next four games before losing to Kentucky. Florida has a 5-game winning streak over Florida State, the Seminoles last beating the Gators 17-13 in 1980. This year looks to be so close again.. Florida State.

Notre Dame pounded Southern California 37-3 last year. It was one of the biggest margins of victory by either team in their 57 meetings. The Trojans are the home team, but they may lose their 4th straight to the Irish.

Quick Harmon Forecast statistics through November 15th: 1,523 smiles, 537 frowns, .740 average.

On Thanksgiving Day, the Texas A&M Aggies are favored to win their third straight over Texas. There have been two successive blow-outs, 42-10 last year and 37-12 in 1984. And in Athens, Georgia, on Saturday, the Bulldogs will edge Georgia Tech.

Sudan JV Hornets Beat Plains Cowboys

The Sudan JV Hornets beat the Plains Cowboys 22-0 Thursday night November 6. Joe Gonzales caught a 5 yard pass from Kyle Maxfield and ran it in for a TD with 3:23 left in the first quarter and Maxfield kicked a good pat making the score 7-0.

Elliot King made a TD from a 26 yard pass from Maxfield with 9:52 left in the first half. Gonzales' PAT was no good making the score 13-0.

Maxfield made a TD on a 15 yard run with 5:52 left in the third quarter. He also kicked a PAT but it was not good and the score was 19-0.

With 6:23 left in the game Maxfield kicked a 14 yard FG and the score was 22-0.

The leader in rushing yards last week was Maxfield with 89 yards; following close behind was Gonzales with 68 yards; Ricky Martinez with 42 yards; King with 28 yards; Michael Maldonado with 19 yards; Angel Garza with 13 yards; Michael Hernandez with 9 yards; Frederick Hernandez with 8 yards; and Richard Salazar with 3 yards.

Maxfield attempted 7 passes and completed 2 for a total of 31 yards and he had no interceptions. Gonzales attempted 3 passes and Garza attempted 2 passes but none were completed.

The total yardage for the JV Hornets was 296 yards.

The Hornet defense held the Plains Cowboys to only 2 first downs and they only had a total

NATIONAL FOOTBALL LEAGUE-PRO FORECAST

Thursday, November 27

****DALLAS** 23 **SEATTLE** 13
If Seahawks' recent 3-game losing streak to Broncos, Jets, Chiefs didn't knock them from playoffs, up-coming games with Cowboys, Raiders, Broncos will... home schedule favors "D."

****DETROIT** 20 **GREEN BAY** 14
In earlier meeting in Green Bay, Lions dominated Packers, handing them their 6th straight loss of season... Detroit gained 236 yards on the ground to 44 for GB... Lions won 21-14.

Sunday, November 30

****CHICAGO** 20 **PITTSBURGH** 10
In 17 meetings with Bears, Steelers have won only 4 times... at this point, threat to Bears is not from other teams, but from themselves... makes rest of season plus playoffs interesting.

****CLEVELAND** 26 **HOUSTON** 17
In second game of season, Browns rallied in closing minutes to beat Oilers 23-20... Brown QB Bernie Kosar threw 55-yard TD bomb, then Houston fumbled kick-off leading to winning TD.

****DENVER** 31 **CINCINNATI** 14
Remaining Bengal schedule will probably knock Cincy from division title and playoffs: Broncos, Pats on road, then Browns, Jets at home... Denver returning from toughie vs. Giants.

****KANSAS CITY** 28 **BUFFALO** 21
Bills have won five of last six vs Chiefs, but it will take huge Buffalo effort to win this one... Chiefs very much alive in tight AFC Conference wild-card battle.

****L.A. RAIDERS** 21 **PHILADELPHIA** 10
"Strangers" - they've met four times, L.A. winning three including 27-10 win (L.A. was Oakland) in Super Bowl XV... Raiders might write own playoff ticket with 3 of 4 at home.

****MIAMI** 21 **ATLANTA** 20
Dolphins, Falcons meeting for just 5th time since 1970, Miami winning first four... Dolphins appear to be out of playoffs first time since 1980... Falcons almost upset Bears two weeks ago.

****MINNESOTA** 30 **TAMPA BAY** 10
Vikings contributed to Buc doldrums early in season, beating them in TB 23-10... game marked Bucs' 40th loss in 50 games... recent Viking loss to Giants dealt big blow to playoff hopes.

NEW ENGLAND 24 ****NEW ORLEANS** 17
Saints on 4-game losing streak to Pats... N.O.'s never beaten N.E... Pats favored again, but Saints different - tougher - and at home... will be close... Pats home 2 of last 3.

****NEW YORK JETS** 24 **LOS ANGELES RAMS** 10
Rams, Jets 2-2 in series, NY most recent winner, 27-24 in '83... with Jets 5-1 at home, Rams 3-3 on road, appears that NY will continue toward NFC title and playoffs.

SAN DIEGO 23 ****INDIANAPOLIS** 14
Chargers averaged 42 points per game in three straight wins over Colts... time running out on Colts to halt poorest record in NFL... S.D. needs wins for return to respectability.

WASHINGTON 27 ****ST. LOUIS** 14
Cards took advantage of Redskins' complacency in earlier match-up... Skins scored three quick TDs, then QB Neil Lomax led Cards to within 28-21, but St. L. final drive died on Washington 11.

Monday, December 1

NEW YORK GIANTS 27 ****SAN FRANCISCO** 23
In NFC first-round playoff game last December, Giants upset defending Super Bowl champion 49ers 17-3, NY sacking Joe Montana four times... 49ers happy to be home for 3 of final four.

★★ Bobbie Dunham Citizen-Of-Month For SCAC Club

The Student Community Action Club met Monday, November 24, in the home of Debbie Isaac. The meeting was attended by several SCAC members and officers, two sponsors, Jean Allison and John Gulley, and a special guest, Bobbie Dunham.

The agenda featured several interesting things. Mrs. Dunham was honored as Citizen-of-the-Month, and she spoke about her involvement with the Muleshoe youth. The club members then discussed money making projects, which included plans for a concession stand and a Christmas party. A new member, Dennis Hayes, was voted unanimously into the SCAC club before the meeting adjourned for an excursion of the Muleshoe depot.

At the depot, members were given a brief tour of the building by members of the Muleshoe Heritage Foundation. They gave an account of renovations being done and future plans for the structure. SCAC members were invited to participate in the work, which is being done at 7:00 P.M. each Monday evening. The board then accepted the SCAC's offer to buy outdoor Christmas lights for the depot and the meeting was adjourned.

The next SCAC meeting has been set for December 15 and will be held at Greg Young's house. Gag gifts will be exchanged.

Honor Society Membership At Thirteen

The National Honor Society held their first monthly meeting on Wednesday November 19. They have started off the year really strong with thirteen members.

The meeting was short, and they discussed plans for the year as well as electing officers. They have begun to sell the note pads for \$1.00 each. They also plan on working two concession stands during the basketball season. A time for next month's meeting was discussed, but nothing was finalized.

The officers for the 1986-87 school year are President, Mark Mata; Vice president Leah Bell; Secretary - Treasurer, Tracy Long; Parliamentarian, Melissa Martel; Chaplain, Nathan Lloyd; Reporter, Lisa Hamilton; Historian, Robin Evans; Student Council Representative, Abby Martinez; and the advisor is Lucy Faye Smith.

Mules Take 2nd; Mullettes Win Tenth

The cross-country teams showed their stuff one more time at the state meet November 15. The MHS varsity girls placed tenth overall while the varsity boys finished an outstanding second!! The meet, which was held in Georgetown, Texas, provided some tough competition for all of the fine athletes involved. The runners from Muleshoe competed well and were rewarded for their efforts.

Individual places and times for the top five boys' varsity runners were: Norman Perez, sixth place, 18:02; Greg Garcia, ninth place, 18:04; Rudy Flores, twenty-first place, 18:37; Richard Ring, Twenty-fourth place, 18:41; and Ramon Sanchez, thirty-second place, 18:52. The top five varsity girls' individual times and places were: Michelle Cox, thirty-sixth place, 13:27; Norma Castorena, forty-second place, 13:34; JoAnn Gutierrez, fifty-fifth place, 13:48; Kelly Conklin, sixtieth, 13:57; and Debbie

SCAC Citizen Of The Month Mullettes Win First Game At Farwell

The Mullettes season opener against Farwell proved to be an exciting game that sparked winning hopes for the future. Debbie Isaac with 18 points, 19 rebounds, and 5 steals had the top stats for the evening, followed by Tisha Cox with 16 points, and 3 steals. Casey King shot for 10 points, and possessed 3 steals. The team effort and cooperation lead the Mullettes to a victory over Farwell 66-44.

The Mullettes traveled to Denver City for a challenging tournament. The first team they competed against was Frenship. Debbie Isaac showed great skill with 21 points, and

14 rebounds. Jana Brown had 12 points, and Casey King and Mychelle Stout both had 3 steals. Frenship was defeated by the Mullettes 56-41. The following day the Mullettes traveled to Denver City to meet the home team the Denver City Fillies. The Fillies had to struggle for their win 45-44. The Mullettes opponent Saturday was the Seminole Maidens. The Brown sisters raked up the steals. Jana had five, and Debbie had 6. Debbie Isaac had 10 points and 11 rebounds. Casey King shot for eight points and 2 steals. The Mullettes put up a battle but Seminole came out on top.

Brandon Wilson In Third Place At Tournament

November 22 the Debate Team traveled to Canyon for the WTSU Speech Tournament. There were 48 cross examination teams and 64 Lincoln-Douglas debaters. Representing Muleshoe were Deborah Lackey, Sergio Gonzalez and Norma Jean DelToro - Johnny Garcia. The Lincoln-Douglas debaters were Brandon Wilson, Adelaido Godinez, and Jason Clarkson. Brandon Wilson won third place and he also received the Cromwell Tolliver Outstanding Debater Award. Mr. Moore is the debate coach who led these courageous young debaters into battle.

Brown seventy-first, 14:08.
Congratulations to all the runners who participated in cross-country and made it a season.

MHS Basketball News

The Varsity Mules traveled to Farwell for the first game of the season. The talented Mules were beaten by a last second shot which made the final score 71-73. High pointers for the Mules were Norman Perez with 26 points, and Sidney Lewis with 17 points. The Varsity Mules next game will be Friday against the Hereford Whitefaces at Hereford.

The junior varsity Mule's season opener against Farwell ended up in a deceiving score of 51-34. The Mules played a strong three quarters but were out scored in the fourth quarter. The leading scorers for the

Two vital areas of the Science department are the chemistry and physical science classes taught by Mrs. Miller. The two chemistry classes are composed of juniors and a sophomore who have already participated in a physical science course. The three physical science classes taught by Mrs. Miller are honors classes made up of freshman with average or above average abilities. Mrs. Miller expects hard work from all of her students and she motivates them to do their best in her class.

The honors physical science classes designed to provide a background for chemistry. Pupils taking this course will learn the basic chemical principles including writing formulas, naming compounds, and writing simple equations. They also spend time in the lab learning techniques and safety rules and familiarizing themselves with the various types of equipment. Mrs. Miller challenges her honors physical science classes to learn beyond the required material.

The chemistry classes are closely aligned to the physical science classes but are more advanced. Chemistry students go into greater depth in the principles of science. They, too, participate in lab work and at the present time are studying the various types of chemical changes. Mrs. Miller's goal for her chemistry classes is to prepare the students who are planning a science-related career for college chemistry.

Mrs. Miller would like to see the science department continue to improve. She believed that getting more students interested and involved in the program are one way of doing this. In the future, she is hopeful of expanding the offerings of types of science courses in order to provide pupils with a greater number of choices. At the present, though, Mrs. Miller is simply striving to teach, challenge, and motivate her students to do their very best.

Stu Dinwiddle, a newcomer to the MHS faculty, teaches biology. Introduction to physical science, and physical science. A student wrote the following explanation of a recent experiment which the class conducted. The experiment involved various questions concerning popcorn. REASONS FOR EXPERIMENT: 1. To find out the weight of unpopped and popped popcorn; to find out the volume of the

unpopped and popped popcorn; to discover the moisture content; to find the number popped and unpopped out of 100 kernels and 300 kernels; to find out the color of the popcorn after it is popped; the cost per ounce; the storage for the popcorn; the size of the popcorn after it was popped; and the best type to buy and eat.

MATERIALS AND TOOLS USED: hot air popper; hot oil popper; six different kinds of popcorn; balance scale; beakers, hands, brain, bag, paper towels; calculators. The experiment was conducted with two kinds of poppers, a hot air popper and a hot oil popper. The kernels of corn were counted and weighed, then the popcorn was poured into beakers and measured. Students then wrote down the moisture content and filled out the data sheets. After popping, they counted the number of kernels popped and unpopped; after this, they ate the popcorn.

The class then used a hot oil popper to see if there was a difference, and discovered that there was, indeed, a difference. After the corn was popped in this manner, they figured the volume for the popped and unpopped popcorn along with the moisture content, which was different from hot air to hot oil by just a few points. They found differences in the number of popped and unpopped kernels, the cost, and the size. Their conclusions showed that, using the hot air method, the buyer would get more for his money by using Pops Rite White, and using a hot oil popper, the best buy was Pops Rite Yellow. They decided that the hot air method had several advantages as well as disadvantages, and the suggestion was made that the consumer should be his own judge.

Various science projects are planned throughout the science department during the year. Students will be working on a greenhouse construction, with a completion date set for spring of 1987. Also scheduled to be completed by spring 1987 will be a weather station. Both writing and scientific skills will be stressed as students prepare for an essay contest on the local, state, and national level. Students from all levels of science classes will be involved in a science fair in the spring. Science is not all book work but introduces students to a wide variety of hands-on experiences.

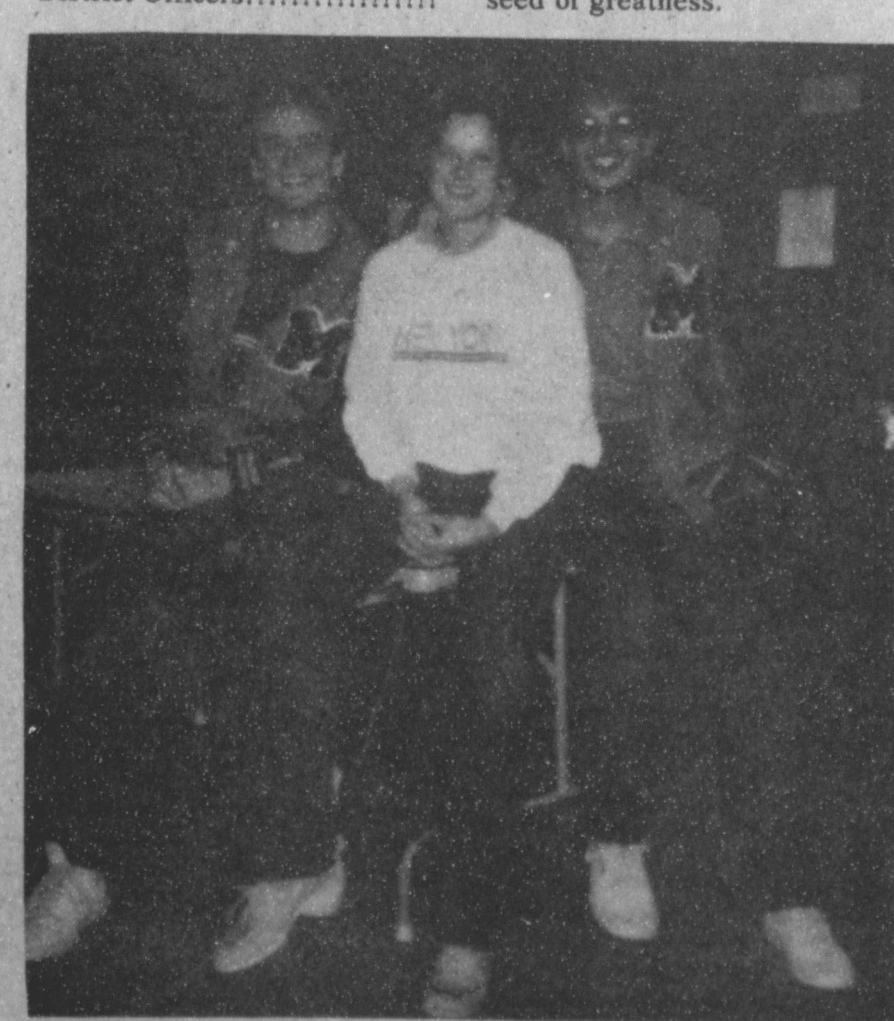

Johnny Garcia Elected District Representative

Several students from Muleshoe High School attended the District FTA Convention in Plainview last Saturday. Activities began with campaigning for district offices. Next was the first general session. District President, Brent Black, called the session to order. Jodie Wheeler, Historian, introduced the Platform Guests. The speaker was Joletta Edinberg. After the speaker, a band from Wayland Baptist University performed for the Future Teachers of America.

When the session was adjourned, students went to various workshops. The workshops were very educational and helpful to teenagers. Many of the participants commented on them as being "fun-filled" and interesting.

After a "wonderful" meal at Furr's, the FTA'ers went back to the college for the second general session. Elections for District Officers were held at this session. The process of the election was a nomination speech, acceptance speech, and a skit given by the candidate's school. Sergio Gonzales Nominated Johnny Garcia for State Representative. The skit "Wipe out" was performed. After a run-off. Finally, Jodie Wheeler nominated Russell Brown for President. After several seconds of whistling and applauding from the female audience, Russell gave his acceptance speech. Russell swept the election away with his charm.

Mr. Moore, the state Future Teachers Coordinator, presented Brent Black with the District Gavel. Mr. Moore said, "the convention ran smoothly and everyone did their jobs well." Congratulations to the new District Officers!!!!!!!!!!!!

HAPPY THANKSGIVING!!
Congratulations to Russell for getting the national president of FCA?

There is widespread relief throughout the senior class since *Hamlet* is over!! We were beginning to wonder if we would join Hamlet in his madness.

Students can relax and act "normal" now that the teachers' evaluations are being finalized. It has become a familiar sight to enter a classroom and find a "stranger" writing notes about every move made. Hopefully all of the teachers and their students do well.

Yearbooks are still of sale for \$21.00 and \$23.00 for any annual staff member. Purchase yours soon!

The pictures of class officers were taken last week. Seniors be sure to have your wallet-sized, color photo turned in before December 1st to be included in the "Outrageous" 1986-87 annual.

Preparing for graduation, the seniors have ordered their invitations and caps and gowns. This exciting step makes the final year seem even more like a reality.

Lazbuddie second graders, Shana Foster, Blake Mimms, Heath Brown, Mandy Magby, Sarah Street, Janis Hernandez, Angie Willingham, Edward Terry, and Rebecca Mata recently enacted the play, "Bremen Town Musicians." These students made their own props and masks.

Mrs. Carlyle's first grade and Mrs. Smith's second grade combined their talents to put on a Thanksgiving play for parents and fellow elementary students on Wednesday, November 26th. First graders performed the Buffalo Dance. Following the play, the students served a meal to their guests. The meal consisted of stew made by the students and cherry pie.

Mrs. Spencer's third grade staged a Thanksgiving play on Monday, November 24th, for their parents and fellow elementary students. The students also used puppets to enact several different plays.

A 4-H county food show was held in the Lazbuddie home-making room on Saturday, November 15th. Dawnda Magby won first in the baking division, and Lori Bradshaw won third. Dawnda will go to the district show.

Basketball scores to date are as follows.

High school basketball scores in scrimmages or games are as follows: Boys--Lazbuddie, 50, Dora, 42; Lazbuddie, 59, Muleshoe, 43; Lazbuddie, 71, Springlake-Earth, 43; Lazbuddie, 71, Amherst, 40. Girls--Lazbuddie, 67, Muleshoe, 60; Lazbuddie, 71, Springlake-Earth, 43; Lazbuddie, 53, Amherst, 43. JV girls: Lazbuddie, 34, Amherst, 30. Second game, Lazbuddie, 42, Amherst, 29.

In second round play against Amherst, Lazbuddie boys and girls won, 78-47 and 52-49.

ELIZABETH GAUNA

Mrs. Anne Farris, Lazbuddie elementary principal and high school counselor, has announced the winner in the Hugh O'Brian Youth Foundation Leadership competition. She is Miss Elizabeth Gauna, a sophomore at Lazbuddie. Runners-up are Ginger Jesko and Scott Miller. These students, along with several other Lazbuddie sophomores, participated in an essay competition citing their leadership qualities. Miss Gauna, as winner, will be given the opportunity to travel to Dallas

in March on an all-expense-paid trip to the HOBY State Leadership Seminar.

The objective of the Hugh O'Brian Youth Foundation Leadership Seminars is "to bring a select group of high school sophomores together with groups of distinguished leaders in business, government, education, and the professions so they can discuss present and future issues." HOBY's specific goals are "to recognize and reward potential leaders in high school sophomores. These potential leaders of tomorrow will be brought together with recognized leaders of today to explore America's Incentive System and the democratic process."

TRACI ELLIOTT

Lazbuddie elementary principal and high school counselor, Mrs. Anne Farris, has announced that Lazbuddie senior, Traci Elliott, has been named the school's winner in the Century III Leaders Scholarship Program. Runners-up in the competition are Dustan Jesko and Cami Ivy.

Century III Leaders is a scholarship program that recognizes student leaders and gives these students an opportunity to meet with well known

leaders from across the nation. Local winners are eligible to compete at the state level. Two state winners will be selected to participate in a three-day national meeting.

Miss Elliott was chosen to compete in the Century III Leaders Program because of her high grade point average. She, along with several other students, took a current events test that was prepared for the Century III Leaders Program by Time-Life Magazine. As the school's winner, Traci was asked to write a theme dealing with a current events issue. The theme will be submitted for state competition. Traci is to be commended for her outstanding achievement and recognition as a leader of tomorrow.

Cattlemen Have Lost Important Tax Breaks

Beef cattle producers who raise their own replacement heifers lost two important tax-saving provisions with the passage of the Tax Reform Act of 1986.

Wiped out by tax reform were the 60 percent exclusion of long-term capital gains and the right to expense the cost of raising replacement heifers, says Dr. Ken Stokes, economist-management with the Texas Agricultural Extension Service, The Texas A&M University System.

Under the old tax law, income

from livestock held for breeding or dairy purposes for at least two years was treated as a long-term capital gain. Cattle producers using the cash method of accounting had a zero tax basis in raised livestock because production costs had been deducted as an operating expense during the years the

animals were being raised, Stokes points out.

Thus, when a raised breeding cow was sold, the selling price less any selling expenses was treated as a long-term capital gain. Only 40 percent of the gain was taxable income.

With the repeal of the 60 percent capital gain deduction, the maximum rate on long-term capital gain will not exceed the maximum individual rates. In 1987, the highest capital gain rate will be 28 percent, says Stokes.

The economist points out that under the new law, farmers who are permitted to use cash accounting may be required to capitalize the cost of raising replacement animals that take two years or more to reach their production stage. Once the animal produces her first calf, the accumulated cost then be depreciated.

Detailed farm financial records and careful cost allocation will be required to separate the cost of raising replacements from the cost of maintaining the breeding herd, Stokes emphasizes.

To keep deducting the cost of raising a replacement heifer as an operating expense, as most producers currently do, cattlemen must use straight-line depreciation on all assets put into service in any year the election is made to deduct preproductive period costs. This

cuts the year's depreciation almost in half compared to accelerated methods, says Stokes.

He predicts that loss of the 60 percent exclusion of long-term capital gains and the restriction on the election to expense costs

of raising replacement heifers will increase taxes paid by cow-calf producers. Stokes also believes these provisions will increase profits to cattlemen over the long term as the number of people using the cow-calf business as a tax shelter decline.

Alpha Laney Services Held In Oklahoma

Funeral services for Alpha Laney, 85, were held at 10 a.m. Tuesday, Nov. 25 in the First United Methodist Church of Bokchito, Okla. with the Rev. Jim Jones, pastor, officiating.

Interment was in Highland Cemetery in Durant, Okla. under the direction of Ellis Funeral Home of Muleshoe. Mrs. Laney died at 9:44 a.m. Saturday in Muleshoe Nursing Home.

A native of Bokchito, Mrs. Laney was born Aug. 20, 1901, and moved to Muleshoe in 1961, from Bennington. She married Marcus Harvey Laney on May 29, 1925, in Durant. He died Aug. 4, 1983.

Her teaching career spanned 45 years. She and her husband taught together in many one and two room schools in southern Oklahoma. They moved to Texas in 1957, and taught at Lazbuddie, Bovina and Muleshoe. Mrs. Laney retired from Muleshoe's Richland Hills School (Dillman Elementary) in 1965.

She was a member of the First United Methodist Church of Muleshoe, Muleshoe Rebekah Lodge, Eastern Star, First United Methodist Womens Service Guild and Retired Teachers Association.

Survivors include two sons, Tom Laney of Duncanville, Texas, and James Laney of El Paso; two sisters, Mrs. Opal Davis of Bokenito, Okla. and Mrs. Falba Slaton of San Pablo, Calif.; and two grandchildren, Mark Laney and Lynne Laney, both of Duncanville.

A PLACE TO PRAY

Man can, and should, pray anywhere. God has placed no limitations on his communion with him.

Our Lord has said, "... Ask and ye shall receive." God listens when we seek him, no matter where, however he desires that we gather together in prayer too ... mine house shall be called an house of prayer for all people."

The Church is God's appointed agency in this world for spreading the knowledge of his love for man and of his demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Know Your Chamber Of Commerce

Toni Eagle, Mgr.

WHAT IS A CHAMBER OF COMMERCE?

A Chamber of Commerce is a voluntary organization. It unites business and professional leaders and firms, thus creating a central Agency which lends itself to improving business and building a better community.

It must be understood that a Chamber of Commerce is people. There is a place in the Chamber of Commerce efforts for all who share the desire to improve the community and the conditions under which business is conducted. It directs the energies to those who believe that a community worth living in is a community worth improving.

A Chamber of Commerce enables these people to accomplish collectively what no one of them could do individually. Its strength lies in attracting the greatest number of individuals and firms into membership, thereby creating a pool of resources from which can be drawn ideas, energy and finances.

Chambers of Commerce have become organizations for the total community. Currently, the successful Chamber of Commerce is the one which recognizes all the factors which affect the community and adjusts its programs accordingly.

THE CHAMBER'S RESPONSIBILITY

The major responsibility of the Chamber of Commerce is the community's economic well-being. It works to increase wealth and prosperity by facilitating the growth of existing businesses and fostering new ones. This new wealth can be directed toward establishing and improving civic, educational and cultural facilities in order to create the proper business climate for attracting more business and industry.

The Chamber of Commerce meets this responsibility in three steps: 1. It examines community needs to determine what must be done and make it a better place to live and do business. 2. It channels community resources to the fulfillment of these needs. 3. It organizes and develops the necessary leadership to guarantee that the organization will become an effective force for expansion and improvement.

HOW THE CHAMBER OF COMMERCE FUNCTIONS

Just as the ultimate corporate responsibility is to the stockholder, the Muleshoe Chamber of Commerce differs only in terminology. It is responsible to its membership.

Functionally, the Muleshoe Chamber of Commerce has a Board of Directors elected from its membership, and an Executive Committee composed of the President, Vice President, Treasurer, Past President and the EVP or manager. From committee, task force and group recommendations, this body determines Chamber policy.

The Executive Vice President or Manager is the chief administrator. The activities of the

Muleshoe Chamber of Commerce and Agriculture can partially be enumerated by reviewing its committees.

WHO ARE MEMBERS?

Business firms on the Muleshoe Chamber of Commerce and Agriculture membership roster range from the smallest neighborhood stores to the largest manufacturing plants and financial institutions.

The Chamber's membership is composed of more than just business men and women. Among the chamber's members are professional people, including physicians, dentists, educators, non-profit and public agencies, various associations, certified public accountants, attorneys, clubs and organizations, interested individuals and representatives of other professional categories.

YOUR MEMBERSHIP DUES

...BUY A LOT OF PROGRESS. It is an investment for which the return is the continued growth and prosperity of Muleshoe. Dividends are guaranteed. The Muleshoe Chamber of Commerce and Agriculture is effective because Muleshoe's business, professional, and industrial leaders care about the city's future. Their personal, civic, and business concern in the future of Muleshoe is reflected by their financial participation and leadership in their Chamber's program. They know that individually they cannot accomplish the many tasks necessary to continue Muleshoe's growth and prosperity.

WHY JOIN?

The Muleshoe Chamber of Commerce and Agriculture has proven itself to be the single most effective volunteer non-profit organization committed to helping solve today's complex business and community problems. You as a business or professional person have a stake in this area, and you can best safeguard your interests by working with others through the chamber. The chamber promotes an environment that can maximize your business potential and profitability.

At the Chamber we do not just talk about the future...we shape it and we believe you want to help shape Muleshoe's future also! That's why we need you and you need us. Together we can blend our talents to insure a better community for all of us.

Business and professional men and women join the Chamber for many different reasons...

1. Joining hands with your fellow business and professional partner in attacking the persistent problems in every area.
2. You are a citizen doing business in this area and sharing in its prosperity. As Muleshoe grows, you will grow.
3. You owe something to our community besides taxes and donations. Give a little of yourself.
4. Display a membership sticker to tell everyone you believe in action... not just words.
5. United effort is needed to cause an entire area to prosper, to compete successfully with other areas for new payrolls.
6. Exchange ideas and methods by associating with others.
7. Promote the civic and economic well being of your entire community.

8. Without a strong effective Chamber of Commerce, Muleshoe would be less able to complete with other cities for new businesses, area meetings and visitors.

9. Each business and professional person reaps benefits through the concerted planning, counsel and action that is best obtained through the work of the Muleshoe Chamber.

10. Your investment in the Chamber will yield manifold the benefits in expanded trade, safety, health, business protection, legislation and cultural advancement.

11. By joining the Muleshoe Chamber of Commerce and Agriculture, business and professional people join a partnership of progress in which their investment of money, minds, and manpower make a world of difference.

12. Responsibility for the free enterprise and profit motive system is not a responsibility limited to a few. It is an obligation and privilege shared by every responsible, forward-looking citizen.

13. Responsibility for community and area progress is a responsibility shared by all Muleshoe people and of particular concern to each business and professional man and woman in the community. Industrial and commercial expansion and needed public facility improvements must be planned and worked for just as diligently as each business person works for the success of their own business.

Sudan News by Evelyn Ritchie

The Wayland Flying Queens won their opener of the season 115-50 when they defeated Tarleton State Friday night for their 951st win.

Two Sudan graduates are playing on the Flying Queen team and they include Missy Fisher and Sharla Harrison.

Christa and Danielle Nettles of Lubbock visited during the weekend with their grandparents, Mr. and Mrs. Glen Cardwell.

Mr. and Mrs. Pat McLanahan and Shannon have returned from visiting with his parents, Mr. and Mrs. Jim McLanahan in Ohio.

Tammi Rylant of Oak Harbor, Washington and her sister, Kim of Texas Tech visited during the weekend with their grandparents, Mr. and Mrs. G.C. Ritchie. They were all in Farwell at the home of Mr. and Mrs. Dwayne Phillips and children for a dinner in observance of Mrs. Phillips birthday before attending the Sudan-Farwell game Friday night.

Arlene Grigsby of Optima, Okla. has been here visiting her sons, Mr. and Mrs. Damon Provence and Mr. and Mrs. Darren Provence and families and her sister Mr. and Mrs. Bob Carson and Angie and has been at the hospital with her mother, Mrs. Frieda Cunningham who is a patient in the St. Mary's Hospital.

Jeff Taylor spent the weekend with his parents, Mr. and Mrs. Gail Gregg and John and Randy.

Jeff Kinzie, Lee Bartley and Brad Smith were among college students home for the weekend. Also home were Wade Donnell, Joe & Gordon Martin, Brad Byerley, and Blake Laceywell, Stephanie Bickett, Sherri Powell.

Mr. and Mrs. Billy Wayne Gore, Stephanie and Dennis of Odessa visited during the week-

end with their parents, Mr. and Mrs. Wayne Doty and Mr. and Mrs. Billy Gore and other family members. Also visiting the Dotys were their sons, David and Daniel of Littlefield and Donald of Lubbock.

Mr. and Mrs. Dick West returned home Thursday before reaching Dallas where Mrs. West was to have undergone ear surgery. She became ill and they returned home. Her surgery has been rescheduled for January.

Krista Kirkland placed 9th in the Cross Country meet held Saturday in Georgetown. She is still qualified for going to State later in the season.

The Young Baptist Women held their November meeting with a salad supper in the home of Nancy Legg on Monday night, Nov. 17.

Kelli Flowers gave the opening prayer. Mary Blair brought the Devotional.

The group decided that each one is to bring a homemade item for exchange for their December meeting that is to be held in the home of Doyleene Seymore Dec. 15th.

Attending the salad supper Monday were Mary Blair, Jean Dodson, Kelli Flowers, Mary Kay Baker, Lisa Norman, Deanna Humphreys, Doyleene Seymore, Mary Blair and the hostess, Nancy Legg.

T.J. Ingle, daughter of Jim and Nell Ingle, celebrated her 5th birthday with the party at Mr. Burger in Littlefield on Saturday, Nov. 8. The "Care Bear" theme was carried out.

After the serving of hamburgers and birthday cake, they went to Crescent Park for a game.

Attending were the honoree's mother and her sister, Renee Faver of Fieldton; her cousin, Breanne Baker, Holly Franks, Bradley Black, Courtney Legg, Amber Legg, and Jonathan Ritchie all of Sudan and Jayla Brooke Livingston of Muleshoe.

The Sudan Fire Department will be sponsoring their annual Dog clinic on Saturday Dec. 6 from 2:00-4:00 p.m. at the Sudan Fire Department.

A veterinarian from the Muleshoe Animal Clinic will be here to give your dogs and/or cats their shots. Everyone is asked to bring their pets in for this animal clinic.

Mr. and Mrs. Wayne Rogers have returned home from a visit in East Texas and Louisiana. Her sister Lorene Wagner of Wheeler accompanied them on the trip.

If a man is often the subject of conversation he soon becomes the subject of criticism.

Thanksgiving At Needmore

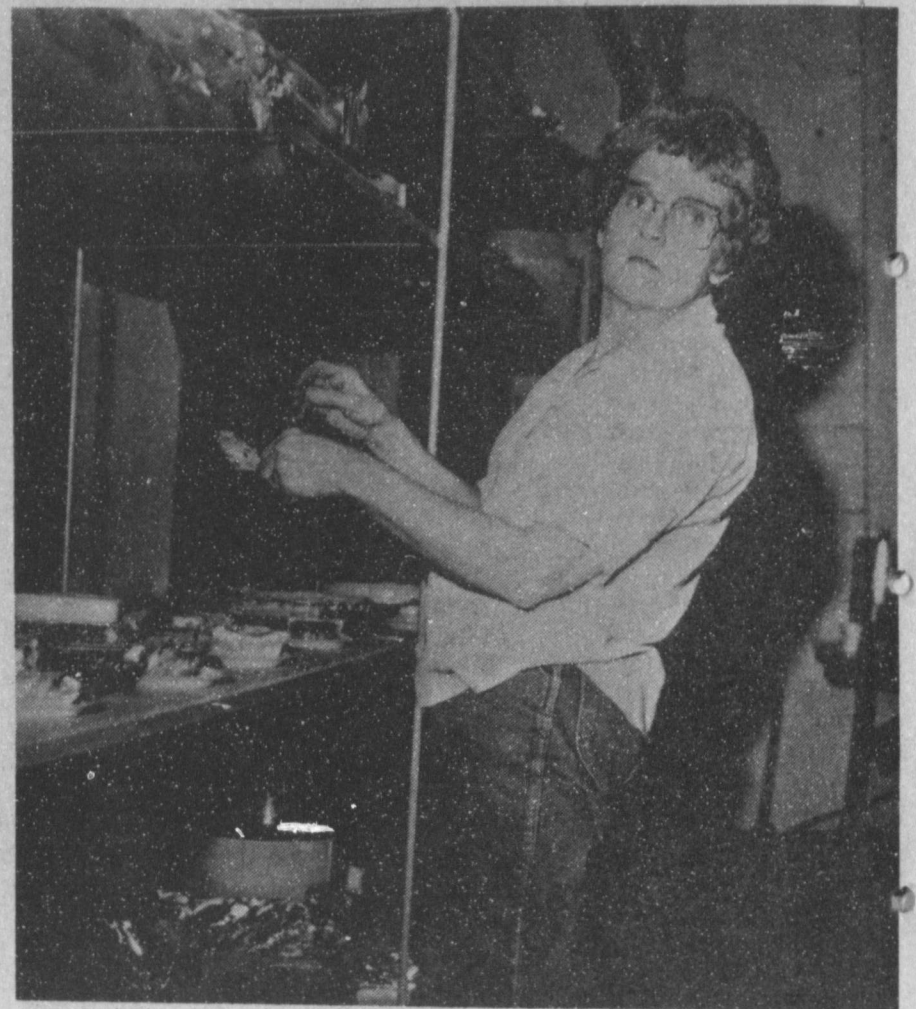

Saturday, November 22, 1986

TAKING IN THE MONEY--Last Saturday night at Needmore, Sylvia Warren, left, and Janie Moraw took the money for the annual Needmore Thanksgiving dinner. Both are longtime members of the Needmore Community Club. Proceeds of the dinner will help with renovations on the Needmore Community building.

ENTERTAINMENT AT DINNER--Live entertainment was featured at the Needmore Thanksgiving dinner last Saturday night. Shown from left are Viola Lockridge, John Fried and Cliff Allen. Another guitarist later joined the group.

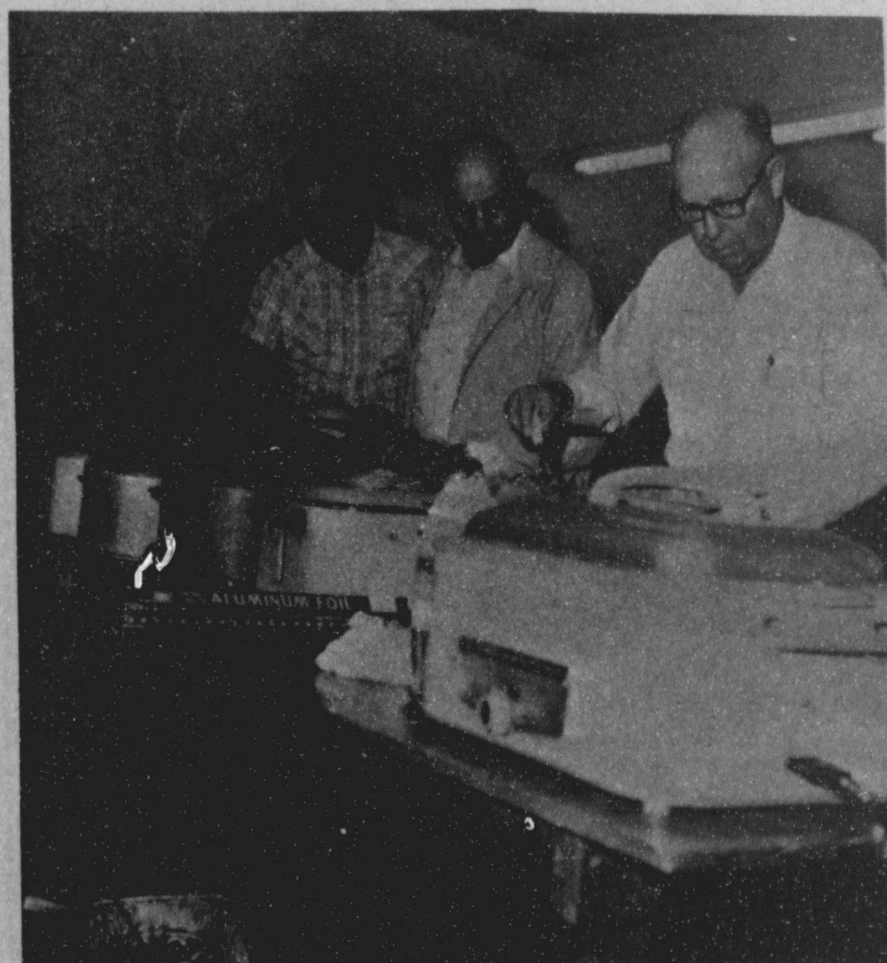

INTERRUPTED AT WORK--Members of the Needmore Community Club were very busy Saturday night keeping up with the lines of people waiting to be served at the annual Needmore Thanksgiving dinner. Peggy Bates was interrupted while cutting pies for dessert.

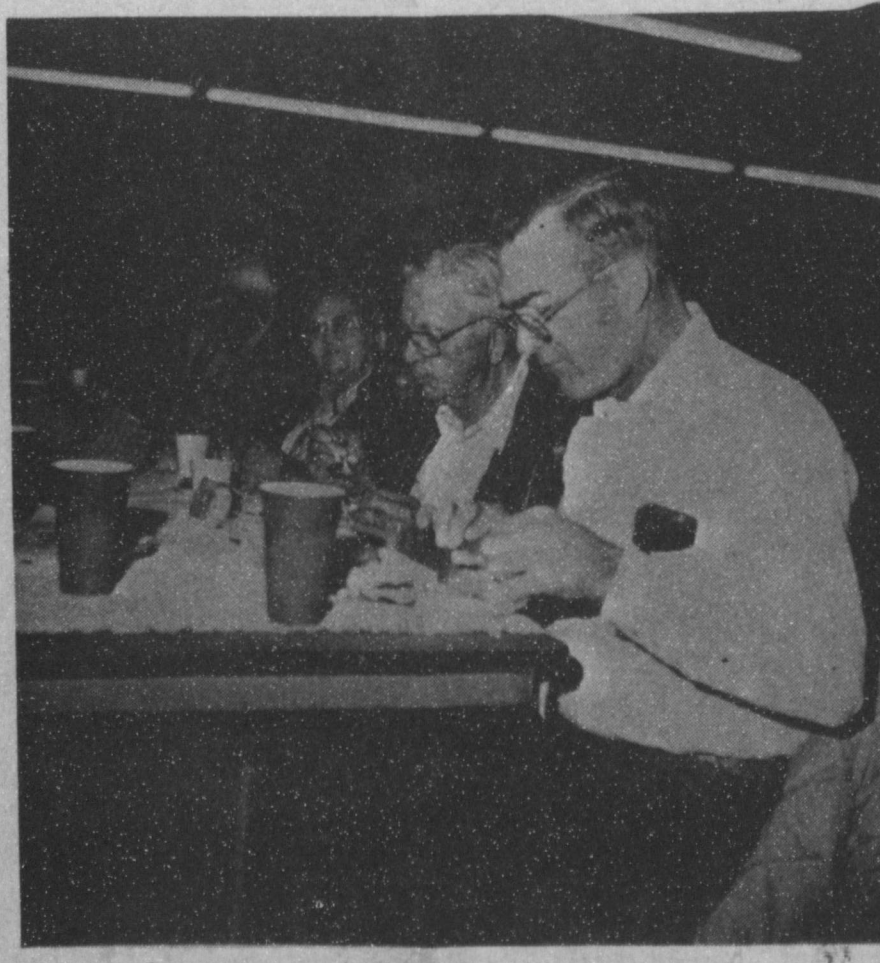

CITY COUNCIL MEMBER AT NEEDMORE--Ronnie Shafer, a member of the Muleshoe City Council, and Muleshoe businessman, was one of the persons who attended the Thanksgiving dinner at Needmore last Saturday evening.

ENJOYING A GOOD MEAL--Muleshoe residents, Hettie Hutchinson, left, and Mildred Davis were among the area people who attended the annual Needmore Thanksgiving dinner last Saturday night. The traditional dinner drew a large crowd from Bailey County and the surrounding area.

LONG LINES AT ANNUAL DINNER--Area residents waited patiently in long lines Saturday night to be served at the annual Needmore Thanksgiving dinner. Noted in the line was second from right, Rudolph Moraw, Bailey County commissioner. He was among the area residents who enjoyed the turkey and dressing, with all the trimmings.

CHOWING DOWN--Saturday night at Needmore, a large crowd attended the annual Thanksgiving Dinner. Pictured here third from left are Mrs. Dee Clements, Dee Clements and Richard Cunningham, all of Muleshoe.

SUDAN RESIDENTS AT DINNER--At Needmore last Saturday night, several Sudan area residents attended the annual Thanksgiving dinner, such as Earlene Kropp, left and Jonell Bandy. Next at the table is Rev. V.L. 'Buster' Huggins of Muleshoe.

BUSINESS OUTLOOK

By Edward Thorlund

The best advice potential investors can be given these days is that they take a long-term view of economic conditions (profits, interest rates, and the like) and ignore the daily ups and downs of the market and brokers' guesses.

Anyone who follows the stock market reads directly contradictory advice from brokers supposedly in the know. The year 1986 has been an economic disappointment. Yet the market has done well.

At this moment many brokers are pessimistic for the short term, but remain optimistic for the long term. What really shook some was that one-day 86-point plunge the market took in September. But the truth is they don't know what's ahead, as usual.

There are fears about interest rates rising again. This fear has been expressed time after time all through the year. Often these warnings were followed by lower interest rates.

It may be that the trend of the economy and the stock market isn't clear until early in 1987. There is much tax selling this year (to take advantage of better, expiring capital gains rates) and fourth quarter GNP and the elections may influence public opinion.

Store herbs and spices away from sunlight.

Spring blooming bulbs should be planted in clusters rather than straight lines for color effect.

Thanksgiving through New Year's Day is busiest for those who love parties and entertaining. A must for the homemaker is a short nap during the day.

Every so often any garden needs a remodeling. In spite of all the romantic talk about the lush old garden, with its drooping wisteria, spreading shade trees, and rich crumbling soil there comes a time when nearly every landscape plan needs more than just its semi-annual clean-up.

A half-cup of baking soda in bathwater soothes chapped skin.

A capful of vinegar added to a pot of cooking greens will cut down on their cooking odor.
