VOL. 58

HEDLEY, DONLEY COUNTY, TEXAS, JUNE 14, 1968

NO. 35

Robert Lee Lester

Funeral services for Robert Lee Lester, 68, who passed away last Wednesday in a Houston hospital, were held Saturday in the Travis Baptist Church at Memphis by Rev. James Henry and Rev. John W. Bobo. Burial was in the Memphis cemetery under direction of Spicer Funeral Home.

Mr. Lester was born Dec. 21, 1899 at Steventown and was married to Miss Inez Thelma Clark Dec. 4, 1921 at Quail. Except for living for a time at Hedley, he had been a resident of Hall County since 1921.

He is survived by his wife; a son, Billy, of Lubbock; a daughter, Mrs. Lloyd Van Deventer of Amarillo; two brothers, Lewis of Memphis and Grady of Lubbock, three sisters, Mrs. Julie Riley and Mrs. Velma Webster of Memphis and Mrs. Kittie Bowles of Corona, Calif.; and three grandchildren.

He was a brother-in-law of Mrs. Tom Tate of Hedley.

News From Our County Agent

The first generation of the elm leaf beetle is hatching now and beginning to damage elm trees throughout Donley County, according to Ronald Gooch, County Agent. The elm leaf beetle is one of the most destructive pests of the elm tree. The yellowish-green $\frac{1}{4}$ inch long beetle or the small yellow to black larvae can be found skeletonizing the under side of the leaf or crawling about on the bark of the trunk of infected trees.

This beetle can be controlled by thoroughly spraying the trees with one of the following insecticides: Sevin, DDT, Toxaphene, Malathion, or Chlordane. A second application may be necessary about midsummer to control second and third generation beetles. The addition of $\frac{3}{4}$ teaspoon of linseed oil per gallon of spray will help the spray stick to the leaves of the tree.

Caution should be used in the use of these insecticides, Gooch stressed.

Keith Wynn and family of Iowa Park, Mrs. Donald Youree and children and Mrs. Wilcey White and children of Amarillo visited here last week end.

Quarter Horse Show

An official American Quarter Horse Show will be held in Pampa, Saturday, June 22, beginning at 9:00 a. m. in the main arena of the Top o' Texas Rodeo Grounds at Recreation Park.

The one day show will feature fourteen halter classes with a \$10 cash prize for first place in each class and appropriate ribbons. Entry fees will be jackpot in the nine performance classes, with a \$10 first place cash prize for the winners and appropriate ribbons. A pair of hand tooled leather chaps, made and donated by Jim Hollingwood, will be awarded to the high point all around horse in the show. There will be five youth activities, and three 4-H Club classes, with ribbons through three places and an all-around trophy for the winner.

Approximately 200 horses are expected in Pampa for the one-day show, which will be free to the public.

Elmer Christian

Mr. and Mrs. Clyde Grimsley, W. E. Grimsley and Bill Wiggins attended funeral services at Turkey Friday for Elmer Christian, 72, who passed away Wednesday at Lubbock.

He was a brother-in-law of Clyde Grimsley.

To Check Out Books

Mrs. Canzada Bray will be in the reading room at the school from 2 to 4 each Saturday afternoon through the summer to check out library books to the elementary school students wishing them.

1967 Grain Sorghum Loans

These loans will mature on June 30, 1968. Producers who now have loans will have three choices: (1) redeem the grain by paying off the loan (2) forfeit the grain to CCC, or (3) extend the loan for up to an additional 12 months. By extending the loan, ownership of the grain will be retained for the extended period and CCC will pay all the storage costs after the original maturity date.

Replanting Dates

It has been determined that cotton can be planted up to June 15 in Donley County and still produce a normal crop. The date for grain sorghum is July 10. If cotton or grain sorghum is planted and lost before these dates, it must be replanted in order to be eligible for price support payments. You may replant after these dates if

you wish.

Any producer who wishes to replant these acreages to other crops after the above dates must file a written request for credit before the land is plowed. The acreage must be inspected by a representative of the county committee to determine if it was planted and cared for in a workmanlike manner.
