Along The Waterfront

Both fishing and hunting has been good this week at the Mills Wharf division of Sea Gun Sports Inn, according to Mrs. Lawler, who keeps the records of catches and bags.

On the fishing side of the ledger, Joe McCullough, Corpus Christi, fished with Herb Mills and caught 37 trout; Raleigh A. Smith, Houston, fished twice and caught 127 the first time, and 75 the second, including one flounder and one pompano.

Another Houston man, Leon Rosner, strung 16 reds and 20 trout; O. P. Corley, Dallas, caught 44 trout on one day and followed that up by catching 26 more the next. W. L. Dennis, San Antonio, strung 35 trout and a 5 1/2 pound flounder.

Walter Sterling, Houston, caught 66 trout, and Jack Alarid, Cecil Loper and J. H. Fulton of Houston, and A. M. Beasley, of Victoria, came in with 52 trout. The last four men then decided to hunt, and in two days, all of them got their limit each day, mostly sprigs, although there was a

Holiday Beach Developments Are Proceeding

Developments at Holiday Beach are proceeding rapidly on land purchased from the Bracht Estate earlier this month by Max Flinchbaugh and Associates of Dallas.

Streets are already under construction; Bracht and Welson have been awarded a contract for construction of a community building and swimming pool; Rockport Lumber Company is constructing a home office building, and local manager Walter Nitz, in charge of construction and sales in this area, says that he hopes to open for business the weekend of December 14.

The development lies about 12 miles north of the center of Rockport, on Lamar Peninsula, on 920 acres of land formerly belonging to the L. M. Bracht Estate, which the Dallas developers purchased for approximately \$250,000.

The work now underway is on 177 acres, east of Highway 35, between the road and property owned by Guy M. Warren of Corpus Christi, who purchased a block of 900 acres several years ago from Ashby Minor James, of Austin.

Power lines are already in, foundations have been laid for the office building, and work on the swimming pool is scheduled to start the middle of next week.

Flinchbaugh has a long history of similar developments.

He arrived at Lake Texhoma about the time that lake began to draw attention as a recreation spot, and with \$10,000 in cash and several years' experience in lake

MRS. WEBER SAYS BE SURE AND PAY YOUR POLL TAX AND VOTE

Mrs. Margaret Weber says that only 62 poll taxes have been sold, and reminds that no person may act for another to obtain a poll tax receipt or exemption except as provided by law.

A man may purchase one for his wife, son or daughter and vice versa, and the son or daughter may purchase a poll tax for the mother and father, but a brother may not purchase for a sister and vice versa.

Another new regulation says that a poll tax must be paid now in the county of residence at the time payment is made.

Overage people in this county still do not have to purchase an exemption, but they still must be 60 years old prior to Jan. 1, 1963. All newcomers to the state after Jan. 1, may obtain an exemption free.

Pay your poll tax now and avoid the rush, Mrs. Weber says.

GIVE DETAILS WHEN REPORTING FIRE

An excited person called the fire department to report a fire. Asked where it was, they said, "I don't have time to talk now." I'll tell you when you get here. Then hung up.

Funny, but it does happen, according to Assistant Fire Marshal Elva Mullinax. If you ever have to make an emergency call, maybe this little story will help you remember to stay on the line until you've given all the details.

Tourist Fishing Tournament Gets Underway

With the first annual Winter Tourist Fishing contest due to get underway on Sunday, Dec. 15, Clark Krueger, James Sorenson, Jr., and Ed Harper, have started a drive for the funds necessary for prizes to be given to those taking part.

As planned, the fishing contest, which is sponsored by the Rockport Chamber of Commerce, will continue until March 31, and continue for the winter months, ending on March 31 each year.

Each week prizes will be given in each of four categories for the largest fish: These categories are trout, redbell, flounder and drum.

At the end of each month, a prize will also be given for the best fish in each category brought in and entered during the month. The monthly prize will be in merchandise, and will vary from time to time, but will always be some sort of fishing tackle, like a fine reel, or in outdoor gear of some sort.

Contributions to the budget may be made by contacting any of the above people.

In the meantime, announcements of the proposed fishing contest have gone out through most of Texas and the mid-west, and at the end of every week, names of winners will be announced so they can do some bragging.

Rules for the contest are as follows:

The tournament is open to all non-residents of Aransas County. Catches must be registered and weighed at the Texas Parks and Wildlife Marine Laboratory, situated on the Yacht Basin in Rockport.

Registration hours will be from 3 p.m. until 5 p.m. daily, including Saturdays and Sundays. A person may enter as many times as desired, but no fish under 14 inches will be accepted.

Entries will be judged on the basis of net weight at the time of registration.

SPECTATORS NUISANCE TO FIREMEN SAYS ELVA MULLINAX

Spectators are becoming a nuisance to firemen, and seriously hampering their work, according to Assistant Fire Marshal Elva Mullinax.

He pointed out that a city ordinance says "no unauthorized person with any vehicle shall follow within 600 feet of any apparatus belonging to the Fire Department, nor shall any vehicle be parked within 300 feet of a fire."

The Police Beat . . .

During the past week seven people of the type commonly known as moochers, bums, or drifters, have been escorted to the county line by the Sheriff's Department.

Several of these were reported by residents, and Chief Deputy Bob Hewes asks that everyone troubled with any such undesirable people inform the Sheriff's office at SO 4-2222.

"We have a very nice town," Bob said, "and a very nice county. The Sheriff's Department will do its best to keep it that way, but needs the help of every good citizen in reporting such cases."

Elsewhere on the law enforcement front, Hewes reported that on Tuesday, Dec. 10, the Cove Drive-In was burglarized by a one-year-old boy that had broken one of the windows and crawled into the concessions stand. Hewes and Deputy Sheriff Joe Earl Hunt investigated the burglary and apprehended the boy, who had taken a number of drinks, a small roll of theater tickets, and about half a box of candy. The boy had also pilfered several post office boxes and shoplifted two small items from the HEB store. All items were recovered and returned to their proper owners.

Approximately \$150 worth of tools were reported stolen from a truck parked in front of the home of John Ray. A Black & Decker drill and a tool box full of assorted tools was taken. No arrests have been made in this case.

Another burglary was reported at the Oak Inn, between Aransas Pass and Rockport, and several amusement machines were broken into. Approximately \$80 in dimes and about 150 packages of cigarettes were taken. Several net thefts have also been reported from the Copano Bay area.

W. L. (Slim) Haynes, county jailer, reports that the jail population has been at a very low figure during December. During the month there were five, and at the present moment there is only one.

The two men that burglarized the Sandollar Motel coffee shop, have been apprehended and are now free on \$500 bond each.

COMPACT COMPACT—These two men in Rome, Italy, are not feeding the small car to the larger, they are storing it in the trunk. Vito Pecori, left, feels that he has an answer to the traffic problem that plagues many large cities in his miniature auto.

Twelve Bandsmen Receive District Honors, Director Randow Tells Rotarians

Rotarians heard Joe Randow, director of the Pirate Band, discuss the band, its aims and goal. The program was sponsored by James B. Jackson.

As part of the exposition, Randow showed a sound and color film made recently for the Band Boosters' Club when the band competed in UIL Marching contests at Victoria on Nov. 26, at which time it received a division one rating.

Randow told the Rotarians that seventeen members of the band had competed at Beville recently in tryouts for District Band, and that 12 of them had received the coveted ratings.

Those selected for the honor were Bill Dinger, Charles Wilson, Gerald Van Etten, Darrel Lichte, Reggie Wendell, Lola Lewis, Sherry Brundrett, Chris Sorenson, Terrie Thomas, Mickey Floyd, Suzanne Keith and Mike Jeffers.

Randow emphasized the fact winning district band honors is the first step towards being selected for the All-State Band. Second step is Regional Band Tryouts, and Dinger, Wilson, Ven Etten, Lichte and Wendell will take part in contests for regional ratings at Victoria this week.

If they are successful, they will then have a chance to compete for All-State honors.

SCHOOL BOARD HAS SHORT MEETING MONDAY

Trustees of the Aransas County Independent School District had a very short meeting Monday night, approving current bills, appointing one committee and dealing with the problem of an overcrowded bus run.

The following teachers have been appointed to serve on the school's text book committee:

J. D. Gray, chairman; E. G. Brooks, T. E. Dannelly, A. B. LeFevre, Mrs. James Kautz, Mrs. Thomas Moore, Mrs. T. E. Griffith, Mrs. Frank DeAngelis, Mrs. A. E. LeFevre, Marvin Rice, Mrs. J. D. Gray, Mrs. Barbara Rogers, Mrs. Garvin Mitchell, Joe Randow, John O. Baker III, Mrs. Jack Horton, Jesse H. Lindemeyer and Philip D. Baldwin.

Supt. J. D. Gray recommended that an additional bus run should be put on the town run, as the single bus now used on the route was overcrowded. His recommendation was approved by the Board. Gray also told trustees that the case in which the school was suing the Richardson Estate for back taxes would be tried in Corpus Christi on the morning of Dec. 19.

The report of Mrs. Katherine McLeister, school tax assessor-collector was presented and showed that 86% of current taxes had already been collected.

FUND DRIVE ABOUT 75% COMPLETE FOR BOY SCOUT ACTIVITIES

The drive for funds for the Boy Scouts is now about 75 per cent complete, according to committee spokesmen. However, a number of the solicitors have not turned in their envelopes, and are requested to do so. These envelopes may be turned in to Chester Johnson, Dr. H. F. Elliot, or to Don Banning.

LIBRARY WILL BE CLOSED DECEMBER 24. WILL RE-OPEN DEC. 26

The Aransas County Public Library will be closed on Tuesday, Dec. 24, and will reopen again the day after Christmas, according to Mrs. Val Jean Eaton, librarian.

County Law Library Authorized By The Commissioners Court

The Commissioners Court, at its regular meeting, took the necessary steps to set up a county law library, for use of attorneys trying cases here. This library will be established and maintained at Rockport.

The necessary funds for keeping the library current will come from a sum of \$5 for each civil case, except delinquent tax suits, tried in the courts or Aransas County.

Such funds will be placed in a separate fund, to be known as the County Law Library Fund, and such fund can be used only for this purpose. Management of such a library, under the law, will be vested in a committee to be selected by the Bar Association of Aransas County, which, in turn, is subject to control by the Commissioners Court.

In further business, commissioners listened to, and approved, reports submitted by County Clerk W. E. Beasley, Sheriff Virginia Shivers, and Constable G. G. Gilson.

Mrs. Charles LeBlanc and Mrs. Edward Ratliff were approved as deputy tax assessor-collectors.

J. R. Millikin, county auditor, then presented various plans for hospitalization insurance for county employees and Commissioner Allen moved to accept the bid of the Continental American Life Insurance Company for this service.

ROCKPORT SEAMAN'S LIONS CHANGE OFFICERS AFTER RESIGNATION BY ROCHA

The Rockport Seaman's Lions Club has elected a new president, Louis Soliz, after resignation of Frank Rocha. New first vice president is Marcelino Ramirez, and new second vice president is Julio Flores. A third vice president has yet to be elected.

Appeal Made To Stop Vandalism In Cemeteries

For several months it has been observed that the Rockport Cemetery is being used as a race track, apparently by several individuals.

Damage has been high. Head stones have been hit by speeding cars, over turned and broken and ruts made where cars have been driven across family lots.

This past week, two large signs which cost the Cemetery Association \$24.00, were removed from the East and West entrances to the grounds and thrown aside.

The Cemetery Association is made up of a small group of active members, women who give their services without any remuneration in an effort to keep our burial grounds clean and attractive and a credit to the community. They feel that these thoughtless individuals must not have loved ones buried there or they would realize that these acts of destruction are a desecration and they ask them to consider the feelings of those who do have family plots, as well as consideration for the cost of the upkeep of the grounds and its relation to the community.

The help of everyone is asked. . .

Mrs. W. B. Allen, President Rockport Cemetery Association.

Toast Of The Coast Tournament Is To Be January Third, Fourth

The Annual Toast of the Coast Basketball Tournament will take place at Aransas County High School gymnasium on Jan. 3-4, 1964, according to head coach, Dave Segler, who said there will be five sessions. These will be at 2 p.m., and 6:30 p.m. on Friday, Dec. 3 and at 9 a.m., 1 p.m. and 5 p.m., Saturday Jan. 4.

Teams scheduled to take part in the tournament include Refugio, Calallen, Flour Bluff, Industrial of Vanderbilt, Bloomington, Ingleside, Aransas Pass and Rockport, (Aransas County).

Rockport (Aransas County) will play against Aransas Pass at 8 p.m. Friday in a game that will be counted as a district game. Admission is 25 cents per session for students, and 50 cents per person for adults. Tournament tickets for students are \$1 and for adults are \$2. They may be purchased at the gate or from any member of the Lettermen's Association.

Bucs Win First Game of Season

The Aransas County Junior High Buccaneers opened their basketball season with a 21-20 victory over Woodsboro. The Bucs were slow getting started and scored only four points in the first half to 16 for Woodsboro. However, the second half was just a reverse with the Bucs pouring in 17 points to four for Woodsboro. Ricky Drummond led the Bucs with 15 points followed by Jessie Rios with four, Charles Jackson with one, and Leo Villa with one.

The next game will be in Ingleside on Dec. 12. There will be an A & B game starting at 6:00.

In the B game, Woodsboro defeated the Buc B team 22-12.

This year's schedule is as follows:

Nov. 25: Ingleside here

FIREMEN'S CHRISTMAS PARTY WILL BE WEEK FROM TONIGHT

The annual Rockport Firemen's Christmas party for the children of Aransas County will be a week from tonight on Thursday, Dec. 19, starting at 7:30 p.m., Elva Mullinax said today.

Game Warden Supervisor Pug Mullinax was awarded the rifle given away by the firemen as part of their Christmas fund raising program.

THREE ROCKPORT YOUTHS REGISTER

Three Rockport youths registered with the selective service board upon attaining their 18th birthday. They were Gerald R. Dupnik, Adolfo L. Torres and J. C. Sanders, Jr.

Bids Sought On Fulton Harbor

Plans Approved by Navigation Board Commissioners and Include Bulkheads To Decrease Turbulence From Wind

Members of the Board of Aransas County Navigation District No. 1 have approved final plans for improvements to Fulton Harbor, and will receive bids until 2:30 p.m. Friday, Jan. 10, at which time they will be opened.

Fulton Harbor, on which the last major work was done in 1955, has been troubled with turbulence whenever the wind was from the southeast, and as a result the new project will attempt to correct this, as well as extending the bathing beach and constructing swimming and fishing piers.

To control the turbulence, the district's engineers, Lockwood, Andrews and Newnam propose to extend a breakwater from the shoreline just south of the present boat ramp, reaching approximately 140 feet offshore, in much the same manner as the bulkhead at Rockport harbor.

At the same time this is done, another bulkhead will begin at the south end of the one now protecting Fulton Harbor from Aransas Bay, and this second bulkhead will extend approximately 200 feet to the southward. In this manner, entrance to the Fulton Harbor will be completely blanketed from the seas kicked up by the southeast wind which blows approximately sixty percent of the time, and wave action within the basin will be kept at a minimum.

This will necessitate some channel dredging, and the channel leading to the harbor entrance will be eight feet deep and 200 feet wide, giving plenty of water and width to handle vessels than now enter the harbor.

Also included in the work to be done under the contract is development of a bathing and fishing beach and park to the north of the present harbor, on land that has been owned by the Navigation District, plus acreage and riparian rights recently purchased by the District from Mrs. Harris, of Fulton Family Cottages, which extends almost to where the bait stand of Tom DeForest is now located.

Pirate Boys' Basketball Gets Underway

Within the past week the Pirates got their 1963-64 basketball season underway by playing their first game. Taft won this game 41-23.

Next the Pirates participated in the Bloomington Tournament over the weekend, where they won third place. In the opening round of the tournament, the Pirates defeated Sacred Heart of Hallettsville, 66-16. In the second round the Pirates played Yoakum and was defeated by the score of 28-32. Then in the third place finals game the Pirates came back and defeated Bloomington 42-31 to earn the third place trophy.

The Pirates played Taft a return game in Rockport Tuesday Dec. 10, and was defeated 57-52 in a well played game in the young season. High scorer of the game was Mickey Mitchell of Taft with 27 points. High for the Pirates was Thomas Lewis with 24 points.

The Pirates journey to Refugio Thursday, Dec. 12 for a return match with the Refugio B and A teams.

Friday and Saturday, the Pirates play in the Tivoli Tournament. In the opening round, the Pirates play Odem at 3:45 Friday, Dec. 13.

Tuesday, Dec. 17, District 30AA play will open for the Pirates. They play Tuloso-Midway here, with the girls' game at 6:30 and the boys' game to begin about 8 p.m.

Thursday, Dec. 19, another district 30AA game will be played by both boys and girls at Gregory-Portland. Girls time will be at 6:30, with the boys game to begin at 8:00.

This will wind up the play before the Christmas holidays. Play will resume with the "Toast of the Coast" Tournament on Friday and Saturday, Jan. 3 and 4. At 8 p.m. Friday, Jan. 3, the Pirates will play Aransas Pass in the first round of the tournament. This game will count as a tournament game and also a District 30AA game.

CITY COUNCIL HAS SHORT MEETING

The City Council had a short meeting Monday night. They accepted the ground storage tank recently built by Samsco for the Rockport water system and approved routine bills. They also decided not to meet on Dec. 23.

the paving around the harbor and construction of a beach behind a bulkhead. Between the paving to accommodate cars and the beach will be a small park, to be covered with black dirt and planted to grass. Black dirt for this is now being accumulated and stockpiled by the district, using the dump truck which the District recently purchased for \$1500 in Austin. The dirt is being obtained from a

30AA All-District Team Announced

J. D. Gray, chairman of football district 30AA, has announced the All-District team, selected by the district coaches.

Four players were selected for both the offensive and defensive teams. They were tackle Alton Kinsel, Rockport (Aransas County); Charles Brightwell and Felix Turnbough, both of Aransas Pass, and Ronnie Robinson, Flour Bluff.

Unanimous selections for the offensive unit were Kinsel, another tackle, Billy Fordtran of Bishop, and back Felix Ramirez, of Gregory-Portland.

Charles Brightwell, Aransas Pass, was a unanimous selection for one of the linebackers in the defensive unit.

Bishop, winner of district play, placed four men on the offensive unit and six on the defensive; Rockport (Aransas County) placed two on offensive unit and six on defense; Aransas Pass had two each on offense and defense; Gregory-Portland had three on offense and one on defense; Flour Bluff one on offense and two on defense; and West Oso one on the defensive team.

The all-district teams are as follows:

Offense: Ends, Robinson, Flour Bluff, and Tony Arrandondo, (continued on page 8)

High School Choir To Present Several Seasonal Concerts

According to Mrs. Frank DeAngelis, music director, the Aransas County High School Choir, in its first year, has a very busy schedule between now and Christmas.

Their first concert was that given Monday night at the annual Christmas party for Aransas County Independent School System personnel, and their next will be when they entertain the Rockport Rotary Club next Wednesday noon with another concert.

Two days later, just before school closes for the Christmas holidays, they will give still another program, this time at the high school. This performance is scheduled for 10:45 in the high school auditorium, on Thursday, Dec. 19. The public is cordially invited to attend, Mrs. DeAngelis says.

The choir, at each of these, will present a program on which they have been practicing for some time. First number will be the old, old Christmas carol, "Deck the Halls with Boughs of Holly." Following that, Raulie Irwin, Jr., will give a dramatic reading "When the King Came," to which the choir will furnish a background of choral music.

Next will come two of the Christmas songs so dear to everyone—"A Child Was Born in Bethlehem"—and these will be followed by solo "Sweet Little Jesus Boy" sung by Imogene Lister.

The last number will be "Oh, Holy Night."

TROOP 63

We met at the Girl Scout Little House Dec. 9, 1963. Some of the girls brought instruments and played them. We had a flag ceremony. Rose Lynn Hunt called the roll and Veronica LaBorde took up dues. All the girls were present. We brought our can of food and 50c. We sang some songs with the instruments. We planned how many games to have at our party Thursday night after the Sing-Song.

Howling Coyote Patrol, Molly Gregory, Reporter
Busy Bee patrol met at the Girl Scout Little House Monday, Dec. 9, 1963. We called roll and collected dues. Mrs. Gurley asked about the registration, can goods and presents. Some of the girls played Christmas songs on their instruments and we then sang Christmas songs. We drew names for jobs on our Christmas party. Our patrol is going to make decorations for the Christmas party. Girls present were Robbie Delayne, Julie Bright, Susan Haigood, Deborah Chupe and Lenora Irwin.

BROWNIE TROOP 69

Brownie Troop 69 met at the Girl Scout Little House Thursday, Dec. 5. The girls made a Brownie Ring and a flag ceremony was held. Roll was called and dues collected. The girls then began work on their Christmas gifts assisted by Mrs. Robert Shavers, Mrs. W. W. Bush, Marilyn Roy, Mrs. Jack Bright and Mrs. Marvin Clark.

CADETTE TROOP 75

Troop No. 75 met at the Girl Scout Little House Tuesday, Dec. 10. The meeting was called to order, dues were collected and plans made for a Christmas party next week.

We then practiced songs for the annual Sing-Song.
Carolyn Blaylock served refreshments to Nora Heimbuch, Mary Hulet, Cheryl Lichte, Yolanda Sanches, Mary Sorenson, Renee Tuer, Rose Ann Elliot, Kay Sparks, Bonetta Simmons, Margie McNorton, Laura Moody, Mrs. H. F. Elliot and Mrs. Jack Sparks.
Meeting closed with the singing of taps.
Laura Moody was to take Christmas decorations that the girls had made to the Bayview Nursing Home.

MICHAEL'S CLASS AT VICTORIA SLATES SALE OF PAINTINGS

The Victoria Art Guild, taught by Simon G. Michael of Rockport, will hold a sale of paintings Dec. 12-14 at the Guild studio, Forest and Main Streets, Victoria, from 9 a.m. until 7:30 p.m. each day.

Mrs. Harris Maddox, publicity chairman of the guild, said the paintings will be unframed, but will be on standard canvas sizes to facilitate framing at reasonable cost in the buyer's choice of materials. Paintings will be offered from \$10 up.

Subject matter will include landscapes, marines, drawings and portraits.

The sale will be similar to one held in December, 1961, when funds were raised to enlarge the scope of instruction in the field of etching and lithography. That sale proved to be a tremendous success.

Mrs. Maddox said that funds raised during this sale would be used for much the same purpose.

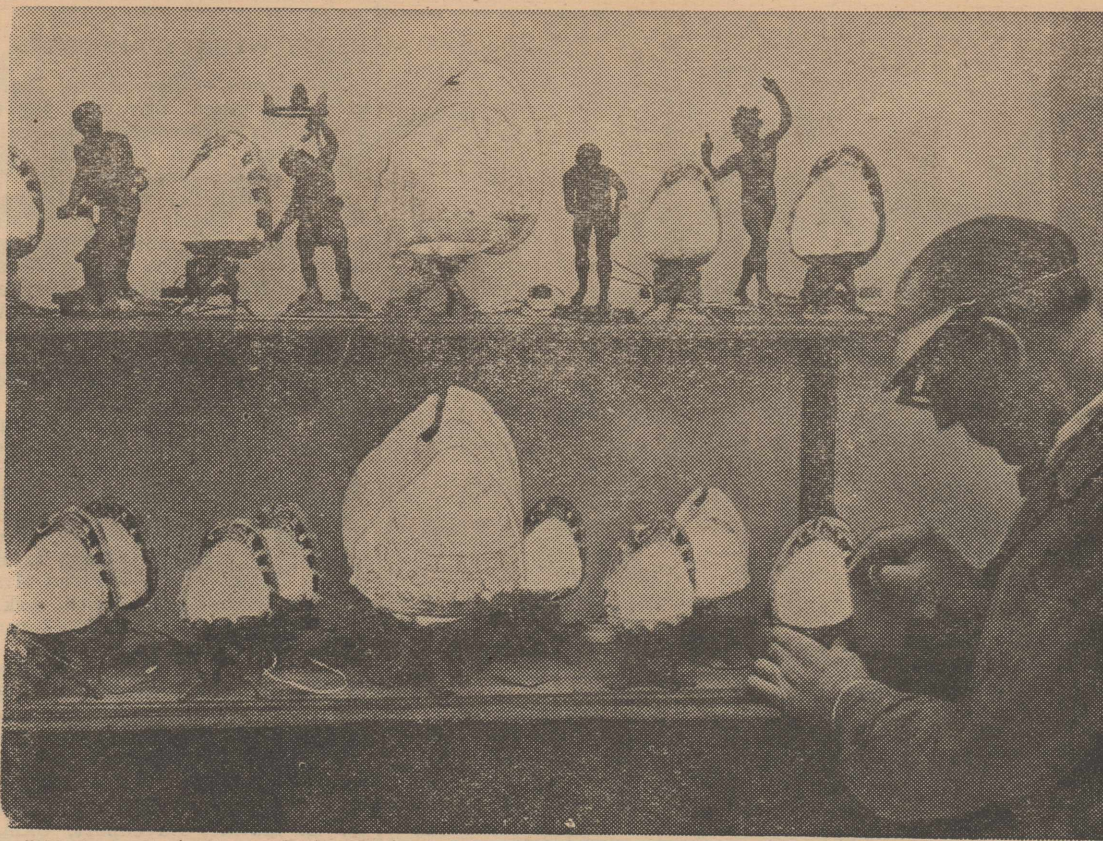

The Victoria Art Guild was organized in June of 1948, and in October of that year Simon G. Michael became the guild's instructor. Michael brought with him an impressive background which included studies and exhibits in both the United States and abroad.

Michael has similar classes in Bay City, Beeville, Port Lavaca, Lake Jackson and Woodboro. He also conducts the Rockport School of Fine Arts.

The annual Christmas Carol Sing-Song will be held Thursday, Dec. 19, 6:30 p.m. in front of the Fire Station. The public is invited to come out and join in with the boys and girls.

Introducing the New Look in Economy Homes

This year Jim Walter has gone all-out to design the most beautiful selection of 1, 2, 3, and 4 bedroom homes ever offered. There are 21 different models to choose from. They are new, different, and easy to own. These new homes have that expensive look because only the very best quality materials are used. The cash price shown above is for the home completely finished outside as pictured,

but unfinished inside except for flooring and stud partitions. Inside finishing, both materials and labor, are offered at extra cost. If you don't already own your home, you owe it to yourself and to your family to find out just how easy it is to own a new home the Jim Walter way. It's New Home Time, so send for a free brochure and full details today.

WAYNE GREER COMPLETES TRAINING AT SAN DIEGO

Wayne M. Greer, son of Mr. and Mrs. Wayne M. Greer of 506 South Austin, Rockport, completed basic training Nov. 22, at the Naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, physical fitness, first aid and survival. During the training, recruits receive tests and interviews which determine their future assignment in the Navy. Upon completing the program they are assigned to service schools for technical instruction or to ships and stations for on-the-job training in a Navy rating specialty. Naval training produces the power in seapower by supplying qualified personnel to man the ships, aircraft and shore stations of today's Navy.

In the year 2000, Easter Sunday will be on April 23.

of structures and appurtenances used for the production of oil at locations central to a point approximately 16½ miles southwest from Port O'Connor, Texas.

Espiritu Santo Bay: W-N-243-41-Permit-3741, issued to the Brazos Oil and Gas Company, Division of the Dow Chemical Company, P. O. Box 22468, Houston, Texas 77027, which authorized the erection and maintenance of structures used for the production of oil at locations central to a point approximately 7½ miles southwest from Port O'Connor, Texas.

Guadalupe River, Channel to Victoria: W-N-243-41 Permit 3983, issued to the Arkansas Fuel Oil Corporation and later transferred to Cities Service Oil Company, Bartlesville, Okla., authorizing the placing of three 4-inch pipelines at a location in State Tract 103, central to a point approximately 1½ miles west from Seadrift, Texas.

San Antonio Bay: W-N-243-41 Permit 5029, issued to Lamar Hunt Trust Estate, 700 Mercantile Bank Building, Dallas, Texas, authorizing the placing of four pipelines at locations central to a point approximately 9½ miles southwest

from Seadrift, Texas.

Aransas and Copano Bays: W-N-243-41 Permit 1530, issued to The Pure Oil Company, First City National Bank Bldg., Houston 2, Texas authorizing seismograph operations at locations central to a point approximately 6 miles north from Rockport, Texas.

Laguna Madre: W-N-243-41 Permit 4832, issued to Texaco, Inc., P. O. Box 2332, Houston 1, Texas, authorizing the erection and maintenance of structures and appurtenances used for the production of oil at locations central to a point approximately 25 miles north from Mansfield, Texas.

Aransas Bay: W-N-243-41 Permit 4962, issued to The Atlantic Refining Company, P. O. Drawer 1981, Corpus Christi, Texas, authorizing the erection and maintenance of structures and appurtenances used for the production of oil at locations central to a point approximately 4½ miles north from Rockport, Texas.

Copano and Aransas Bays: W-N-243-41 Permit 726, issued to Pan American Petroleum Corporation, P. O. Drawer 1980, Corpus Christi, Texas 78403, authorizing the erection and maintenance of structures and appurtenances to be used in connection with the drilling of wells for the production of oil, gas or other minerals in four State tracts in Copano and Aransas Bays, located central to a point approximately 13 miles north from Rockport, Texas.

Aransas, Copano, Port, St. Charles, Carlos, Mesquite and Ayres Bays: W-N-243-41 Permit 1413, issued to Sun Oil Company, Southwest Division, P. O. Box 2880, Dallas 21, Texas, authorizing the erection and maintenance of structures and appurtenances used for the production of oil at locations central to a point approximately 9 miles north of Rockport, Texas.

Aransas Bay: W-N-243-41 Permit 2944, issued to Mrs. Iris Simon Rubin and Mrs. Robert G. Livingston, P. O. Box 287, Victoria, Texas, authorizing the construction of a 4 by 600 foot timber wharf with an 8 by 16 foot T-head at Lots 1, 2, 14 and 15 of Block 1, Oak Grove Addition, Fulton, Aransas County, Texas.

Copano Bay: W-N-243-41 Permit 4961, issued to Aluminum Company of America, 1310 Southern National Bank Bldg., Houston 2, Texas, authorizing the erection and maintenance of structures and appurtenances used for the production of oil at locations central to a point approximately 7½ miles northwest from Rockport, Texas.

Aransas Bay: W-N-243-41 Permit 1738, issued to Richardson and Bass and later transferred to Perry R. Bass, Inc., P. O. Box 146, El Campo, Texas, authorizing the erection and maintenance of structures used for production of oil at locations adjacent to St. Joseph Island and central to a point approximately six miles southeast from Rockport, Texas.

Aransas Bay: W-N-243-41 Permit 1907, issued to Hunt Oil Co., 700 Mercantile Bank Building, Dallas 1, Texas, authorizing the

erection and maintenance of structures and appurtenances used for the production of oil at locations central to a point approximately five miles north from Rockport, Texas.

Aransas Bay: W-N-243-41 Permit 3743, issued to the Tidewater Oil Company, P. O. Box 1404, Houston 1, Texas, authorizing the erection and maintenance of structures to be used in connection with the drilling of wells for the production of oil, gas or other minerals at locations central to a point approximately 1½ miles northeast from Fulton, Aransas County, Texas.

The Suntime Pipeline Company, of Corpus Christi, has requested a permit from the U. S. Engineers to operate in Copano Bay, 480 feet easterly from Texas FM Road 136 bridge and approximately one and one-half miles south of Bay-side, where it is proposed to install a 4-inch pipeline across and under the bay at the above location.

The proposed pipeline would extend from the southeast bank northwesterly for approximately 2,200 feet to the northwest bank of the bay. The pipeline would be buried a minimum of 1½ feet below the bottom of the bay except through shell reefs or beds where it would be buried one foot below.

The pipeline would be jetted, plowed, disced or placed by other similar methods whereby there would be a minimum displacement of the bed and no spoil deposit would remain.

E. A. Bierman, of Seadrift has requested a permit adjacent to the north shore line of San Antonio Bay and approximate one and one-half miles west of Seadrift where he proposes to dredge a channel at the above location.

The proposed channel would extend bayward from the shoreline for approximately 500 feet to the minus five foot contour line and have a bottom width of 40 feet.

The channel would be parallel to the applicant's east property line extended and have the top of near slope about 10 feet from the property line.

Any spoil removed from the channel would be placed in an existing spoil area which extends in a continuous bank bayward from the shoreline and is located about 300 feet westerly from the proposed channel.

MRS. SLOCUM'S STEP FATHER DIES AT PORT NECHES

A. K. Sherer, 78, of Port Neches, died at his home Tuesday, Dec. 10, after a long illness.

Funeral services will be at 3:30 p.m. in Port Neches.

Mr. Sherer was Mrs. J. T. Slocum's step father. Mr. and Mrs. Slocum attended the funeral.

Mrs. Dalton Fincher returned Sunday from Palestine. She had been visiting her mother, Mrs. Mary Martin, who underwent surgery last Thursday at Memorial Hospital. Mrs. Martin is doing well and will be able to go home by the end of this week.

MRS. GILL STOVALL IS SHOWER HONOREE

Mrs. Gill Stovall, the former Miss Pamela Court, was honored with a miscellaneous bridal shower Dec. 10 from 4 till 6 p.m. at the home of Mrs. Kenneth Harwick.

Co-hostesses were Mrs. Bill Johnson, Mrs. Milton Sparks and Mrs. Jimmy Sparks.

The table was laid with an ecru lace cloth over red and held the crystal punch bowl and crystal candelabra with red and green candles. Other decorations were green and red net decorated Christmas Trees.

Miss Cindy Court, sister of Mrs. Stovall, was in charge of the guest register.

Mrs. Jimmy Sparks and Mrs. Bill Johnson served the coffee, punch and white decorated wedding cake.

There were 38 invited guests.

Mr. and Mrs. Volney Cavitt and son were recent visitors to McGregor, Texas, where they visited Mrs. Cavitt's mother.

NEW CHEVELLE!
BY CHEVROLET

The kind of go—6 or V8—you'd expect
from one of Chevy's great highway
performers. Come on down and drive it.

The kind of comfort you'd
expect in a large interior.
Come on down and sit in it.

New Chevelle Malibu Sport Coupe

The kind of fresh styling—inside and out—
that makes it the year's smartest surprise.
Come down and stare at it.

Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses*! And if that makes you think this is one frisky car, you've got the right idea.

You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the

way it muffles noise and cushions bumps.

And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.

Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!

Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

widgeon or two in the bunch.

Whipple Howell, Houston, fished one day and caught 27 trout; then he and three other Houston men, Robert White, Park L. Myers and G. F. Bevil hunted for a couple of days, all of them getting some ducks, even though they didn't completely fill out their limits.

Bart Marchward, San Antonio, caught 59 trout, drum and sheepshead; O. B. Grimes strung 17 trout; Father Beck, Victoria, came in with 51 trout and one large drum; R. O. Grimes, Houston, caught 31 trout; Roscoe Grimm, Enid, Okla., strung 72 good trout; and P. C. Sorenson caught 46 trout. Sorenson also went hunting, and had excellent luck.

A whole string of San Antonio hunters filled their limits several times hunting ducks. Among them were J. R. Irby, L. B. Frederick, W. L. Dennis, Stanley, Hal and David Moore, Bill Irby, Francis Hickey, W. P. Mahaffey, M. G. Keithly.

One party from Nacogdoches consisting of Tom Wright, H. P. Schmidt, A. T. Mast, Jr., and S. N. Adams, got their limits every day they hunted; B. G. Grimes of Dallas, Billy Carpenter, Fort Worth, were among the hunters, and there was a sizable group of gunners from Houston.

Among the latter were included Drehn Jones, John Hammon, Jr., Mason C. Lockwood, C. W. Dabney, Keith Dutton, J. E. Arthur, G. F. Bovill, C. E. Miller, F. F. Pownd, M. W. Hankinson and H. C. Bonay.

Fishing continues good, and the northern just blowing in should head fish for the deep holes so that basins at Rockport and Aransas Pass should be a good bet. There are lots of sprigs in the area, with some widgeon, a few baldpates and some other miscellaneous ducks, while goose hunting has been picking up a little.

EPISCOPAL CHURCH WOMEN MEET

The Women of St. Peter's Episcopal Church met last Thursday at the home of Mrs. M. W. Cochran.

The meeting was called to order by the president, Mrs. G. L. Godwin. Mrs. Crompton Sowerbutts led the devotion. Minutes were read by the secretary, Mrs. Walter Heldenfels.

After old and new business was completed, Mrs. John Pritchett read a beautiful Christmas story entitled "The Christmas Wreath." Mrs. W. H. Blevins assisted the hostess in serving refreshments. The table was laid with a green linen cloth and a lovely advent wreath was the centerpiece. There were 15 members present.

The next regular meeting will be held Jan. 2, in the Parish Hall.

ditch construction project near Tivoli.

In this same park area, plans show cabanas and toilets for the convenience of the public, and between the grass and the beach is to be a concrete walk. The beach proper will be contained behind a bulkhead to prevent the wave erosion that carried away materials from the beach thrown up in 1955, as part of the work on Fulton Harbor, and will be constructed of river sand that will be hauled in by the Navigation District, if present plans are not changed.

The bulkheading will extend in a rough semi-circle northward from the outside north corner of the present harbor to the shore just south of DeForest's bait stand and will be composed of concrete sheet piling, interlocked and finally bound together by a concrete cap.

The present timber pier will be removed and two others constructed in its place. One of these is a concrete piling groin, extending 344 feet offshore from close to the south end of the present harbor wall. This will be capped by a wooden walkway and will be a T-head 10 feet wide and 36 feet long. This groin will serve to protect the shoreline to the northward, and at the same time, when extended by the timber pier and T-head, will furnish an excellent fishing pier, extending a total of 437 feet from the present harbor bulkheading into Aransas Bay, or about 900 feet from the shoreline, by the time the width of the harbor between the bulkhead and shore is counted.

Between the fishing pier and the shoreline, about half way along the crescent bulkhead that protects the beach sand, another pier of timber is to be constructed for swimmers. This one will extend 161 feet from the bulkhead into the bay, and will have a T-head 8 feet wide and 80 feet long at its outer end, for the convenience of bathers.

Water will be extended to the cabanas and rest rooms that will be built as part of the project, and the park and bathing beach will be protected from too close encroachment of cars by post and cable fencing.

FRANK GLASS ATTENDS SCHOOL

Frank Glass recently returned from Milwaukee, Wis., where he completed a training course at the Evinrude Motors factory service school. Glass is associated with Marineland, a local marine dealer.

While at the school, Glass completed two phases of training, classroom instruction and practical workbench experience. The school is designed to give students a thorough understanding of two cycle engine theory and a servicing knowledge of the ignition, compression, fuel, exhaust and propulsion systems of Evinrude outboard motors.

J. E. LIPE STATIONED IN HAWAII

Army Specialist Four James E. Lipe, whose wife Gloria, lives in Fulton, was assigned late in October to the staff at Army Tripler General Hospital, Honolulu, Hawaii.

Specialist Lipe, a medical corpsman at the hospital, entered the Army in September 1961, completed basic training at Fort Carson, Colo., and was last stationed at Fort Sill, Okla.

The 22-year old soldier, son of Mr. and Mrs. Cyrus C. Lipe, 1209 Omohundro St., Rockport, is a 1960 graduate of Laverne High School in Oklahoma.

ENLIST NOW, STAY HOME FOR CHRISTMAS SAYS RECRUITER

Again, as in previous years, young men who enlist in the U. S. Army during the coming holiday season may enjoy the holiday with their families.

Those enlisting in the Regular Army from Dec. 9 to Jan. 1 may be granted up to 15 days leave before reporting for basic training.

This liberal leave policy will permit young men to spend the holiday season with their families while drawing full pay allowances from the U. S. Army.

Further information on the Army's Christmas leave offer and the many other benefits available may be obtained from Sgt. Richard Ward, at 424 Taylor St., Corpus Christi or phone TU-2-7092.

HOLIDAY WORKERS NEED SOCIAL SECURITY CARDS

Now is the time for action by anyone who expects to get a job during the Christmas shopping season, says H. M. Cleveland, district manager of the Social Security Administration, in Corpus Christi.

Any person who works or who is looking for work should have a social security account number card. There is no age limit—minimum or maximum, and a card is necessary even if the work is temporary or part time.

According to Cleveland, one who has never had a card can get a number immediately by filing an application with the social security office. A person who needs a duplicate of a card that was lost can get one in about two weeks. There is no charge for either an original card or a duplicate.

"If a prospective worker cannot conveniently call at the office, he can write or telephone TULIP 3-4447, and we will be pleased to send him an application form," Cleveland said. "After the form has been filled out, it may be returned in person or by mail."

Outside of Corpus Christi, in this area, the application forms can be secured from any post office. The completed forms should be filed with the Social Security Administration, 530 South Water Street, Corpus Christi.

DECEMBER DRAFT CALLS FOR 667 TEXANS

Austin.—The state draft quota for December calls for 667 men, compared to 868 for November, Col. Morris C. Schwartz, state Selective Service director, said Wednesday.

State draft calls, on the rise since August, when 552 men were requested, were much lower earlier in the year. The state quotas in July and June were 349 and 187, respectively.

The state quota of 667 for December is the Texas share of a national call for 13,000 men, all for the Army.

More than 3,000 men over the state will be called up for pre-induction physical and mental examinations in December, also, the state director of Selective Service said.

Local board quotas for the December call already have been figured and sent to the state's 137 local boards.

The December quota will be filled mostly with men who are volunteers under 26 years old and nonvolunteers ages 19 through 25. Most of them will be 22 years old. No man whose draft board file reflects that he is maintaining a bona fide family relationship with a wife or a child or children will be selected in response to this call.

TEXAS HIGHWAY SYSTEM CONTINUES TO GROW

Khrushchev's "We'll bury you" boast draws yawns at the Texas Highway Department offices in Austin.

Fifty per cent more new highway miles were opened to traffic in Texas in the past fiscal year than will be built in all of the Soviet Union during 1963.

The Highway Department says a total of 977 miles of new highways were added to the Texas transportation network during fiscal 1963. This compares to just 620 new highway miles for Russia this year, according to the publication, "Highway Research Abstracts."

In addition to new highway mileage in Texas last year, old highways torn up and reconstructed to meet demands of faster vehicles and heavier payloads resulted in an additional 1734 miles of new construction over existing routes. No figures are available for such construction in the USSR.

The designated all-weather highway system in Texas totals about 65,000 miles. In 1959, the Russian hard-surfaced highway system totaled 36,000 miles.

Both networks serve a similar number of vehicles—about 5,500,000.

Mrs. Ray D. Hopkins Has Pioneer Heart Surgery Performed

Mrs. Ray D. Hopkins, well-known to many Rockport people through the fact that her husband Ray operates a charter boat here most summers, recently had a delicate open heart surgery performed in San Antonio by a team of cardiovascular surgeons, representing a significant medical breakthrough.

Essentially the operation completely replaced an aortic valve, and raised 57-year-old Mrs. Hopkins' life expectancy from nothing to a normal span.

The open heart operation, involving the combined efforts of six surgeons, five nurses and two technicians at Santa Rosa Medical Center, was the first of its kind to be performed in San Antonio and one of relatively few done in the nation since its post-research acceptance about a year ago.

Mrs. Hopkins was selected for the pioneering operation after her heart condition, described briefly as a leaky aortic valve, worsened to a point where physicians could no longer arrest it. It had formerly been possible to be eased some with drugs, but eventually after allowing a great deal of blood to rush back into the heart each time it beat, it caused the heart walls to thicken.

During the surgery, Mrs. Hopkins' deficient valve was removed and a three ounce ball valve of Silastic rubber (a type of plastic) and non-corrosive alloy was sutured down within her heart.

The chief cardiovascular surgeon for the operation, which lasted almost two hours, noted that while extensive research with such an aortic valve is still inconclusive as to a "lifetime guarantee," they are known to hold up for fifteen or twenty years, and further tests will probably prove that they last much longer.

Such complete valve replacement surgery—previously valve parts had been restored by San Antonio surgeons—now will be possible for other people suffering from leaking or badly diseased heart valves. In fact, two similar operations have been scheduled in Santa Rosa and Robert B. Green hospitals. Obviously grateful to the medi-

cal team which gave her hope for the future, Mrs. Hopkins said she feels most fortunate and grateful to God and the Santa Rosa staff "for giving me a new lease on life."

After a few months convalescence she would be able to lead a normal life. "In fact," said one of her surgeons, "in six months she could probably cut the grass."

Mrs. Hopkins, who has no such plans, merely smiled at the jest.

development in Ohio and Kentucky. He bought a 50-acre tract at Texoma, subdivided it and sold it off in a hurry. Reinvesting his profits, he bought more land, which he split up into 1200 lots and quickly sold them.

In one two-week period, 10,000 automobiles crossed his traffic counter, and sometimes he sold 200 lots a week. With the money from Texoma, he started developing a 300-acre tract on Lake Granite Shoals, near Marble Falls, known as Sherwood Shores. In the 18 months that this has been in existence, Flinchbaugh and his associates have sold more than 10,000 lots to people who want homes in the Highland Lakes area.

A similar development is under way here, although the one on Lamar is smaller in scope. Flinchbaugh said recently that the 177-lot portion where construction has started will be followed almost immediately by another on the opposite side of Highway 35, between the road and Copano Bay.

Water for the development is being purchased from Sea Gum Sports Inn, Inc.

TO REMOVE FISH SMELL

After handling or cleaning fish your hands are apt to smell mighty disagreeable.

Usually this order is hard to remove.

Try rubbing your hands with tooth paste. Smear the paste on liberally, rinse, then dry and the fishy smell will be gone.

NOTICE TO BIDDERS

1. Sealed bids, addressed to the Board of Navigation and Canal Commissioners, Aransas County Navigation District No. 1, will be received at P. O. Box 426, Rockport, Texas, until 2:30 P.M., Friday, January 10, 1964, and then publicly opened and read, for furnishing all plant, labor, material and equipment and performing all work required for the construction of Improvements to Fulton Harbor, Fulton, Texas, for the Aransas County Navigation District No. 1, hereinafter termed "Owner".

2. The work includes dredging; hydraulic fill; construction of two concrete breakwaters; concrete seawall; a concrete and timber fishing pier; a timber swimming pier; storm sewer system; asphaltic concrete pavement; and other miscellaneous items as specified and shown.

3. Bids shall be submitted in sealed envelopes upon the blank Form of Proposal furnished. Sealed envelopes shall be marked in the upper left hand corner as follows:

"Do not open in Mail Room"

Bid for Improvements to Fulton Harbor, Fulton, Texas

To be opened 2:30 P.M., Friday, January 10, 1964.

4. All proposals shall be accompanied by a cashier's or certified check upon a national or state bank in the amount of 5% of the lump sum amount for Bid Item No. 1 payable to The Aransas County Navigation District No. 1, or a bid bond in the same amount from a reliable surety company, as a guarantee that the bidder will enter into a contract and execute performance bond within fifteen (15) days after notice of award and that his bid will not be withdrawn within thirty (30) days after the date of opening of bids without the consent of the Owner. Bids without check or bid bond will not be considered.

5. All bid securities will be returned to the respective bidders within ten (10) days after bids are opened, except those which the Owner elects to hold until the successful bidder has executed the contract and furnished performance bond. Thereafter all remaining securities, including security of the successful bidder, will be returned within ten (10) days.

6. The successful bidder must furnish performance and payment bonds upon an approved standard form in the amount of 200% of the contract price for an approved surety company licensed by the Texas Board of Insurance Commissioners, or acceptable according to the latest list of companies holding certificates of authority from the Secretary of the Treasury of the United States, or other

surety or sureties acceptable to the Owner.

7. The right is reserved, as the interest of the Owner may require, to reject any and all bids, and to waive any informality in bids received.

8. Plans, specifications and bidding documents may be secured on and after Thursday, December 12, 1963, from the office of Lockwood, Andrews & Newnam, Inc., Consulting Engineers, Corpus Christi, Texas, or at the office of the Aransas County Navigation District No. 1, Rockport, Texas, on deposit of twenty-five (\$25.00) dollars per set which sum so deposited will be refunded, provided: (1) all documents are returned in good condition to Lockwood, Andrews & Newnam, Inc. or The Aransas County Navigation District No. 1, Rockport, Texas, not later than 48 hours prior to the time for receiving bids; or (2) if Contractor submits a bid and returns all documents in good condition to Lockwood, Andrews &

Newnam, Inc., or The Aransas County Navigation District No. 1, Rockport, Texas, not later than five (5) days after the time bids are received.

9. Bidders should carefully examine the plans, specifications and other documents, visit the site of the work, and fully inform themselves as to all conditions and matters which can in any way affect the work or the cost thereof. Should a bidder find discrepancies in, or omission from the plans, specifications or other documents, or should he be in doubt as to their meaning, he should at once notify the Engineer and obtain clarification prior to submitting any bid.

CASTERLINES HONORED BY SUNDAY HOUSEWARMING

Mr. and Mrs. L. E. Casterline were honored with a housewarming at their new home in Fulton on Sunday. Hostesses for the affair were Mrs. Francis Rouquette, Mrs. Birdie Cole, and Mrs. Cecil Cole.

A Christmas theme was used in the decorations throughout the house.

The refreshment table was covered with a white embroidered tulle cloth, and a centerpiece of white chrysanthemums, red Christmas balls and lemon leaves was flanked by crystal candelabra with green candles.

In the den, the table was covered with a Christmas cloth, and centered with a crystal punch bowl and silver candlesticks. A small white net Christmas tree with angels was in the living room.

Greeting the guests were Mr. and Mrs. L. E. Casterline and Mrs. Mickey Casterline. Misses Florence and Frankie Casterline were at the guest book. Mrs. Forrest Jones and Mrs. Raymond Owens alternated at the silver service. Misses Becky Sue Rouquette and Fay Snyder served punch from a crystal punch bowl.

Other refreshments included sandwiches, Christmas cookies, nuts and mints.

One hundred and fifty guests called during the afternoon.
