United Way Campaign

'Thanks To You, It's ----?'

United Way volunteers have been ringing doorbells and knocking on front doors as the community's first UW campaign nears the scheduled deadline.

Since a United Way campaign is new for most Oltonites, News Editor Mozelle Trotter talked this week with four persons about the United Way: Melvin Rape, president of the local UW and campaign chairman; Dale Cary, vice president; Mrs. Don Muller, treasurer; and Mrs. Margaret Burrus, who has headed numerous fund drives and worked on many others.

These may be questions you have been asking:

"Mr. Rape, what is United Way?"

"It is a corporation which was organized to bring together into one united appeal, all possible campaigns in our community - health agencies, welfare agencies, service groups.

"Although there are United Way corporations throughout the nation, Olton's United Way is not a member of a national or state organization and no monies contributed to our group will be spent for 'dues' in belonging to a United Way. It will be dispensed by us to those agencies who are a part of our United Way."

"What are those agencies, Mrs. Muller?"

"This year, we have seven: Caprock Council of Girl Scouts, Haynes District of Boy Scouts, American Heart Association, Salvation Army, American Red Cross, Cystic Fibrosis Foundation and the American Cancer Society.

"But aren't there other worthwhile groups which we ought to help or who have been helped through local fund drives in past years?"

"Yes, but the United Way officers and board of directors wrote to some 21 different organizations inviting them to participate in our United Way effort. These are the ones who responded to our request or indicated they would accept our contribution based on past years' goals."

"Why, Mr. Rape, would some not wish to participate?"

"Health agencies, such as the American Cancer Society, feel that separate campaigns allow their volunteers to distribute educational materials which help people to be more aware of cancer's warning signals or, in the case of other health agencies, their own educational needs. And, of course, we understand this."

"Mr. Cary, why should the Olton community belong to a United Way?"

"With a United Way successfully working, we can combine the numerous fund drives which are held in the community each year into a single campaign. We'll be helping seven organizations with just one fund drive rather than seven separate drives."

"But why not have separate drives, Mr. Cary?"

"Most folks, I believe, feel like I do. I don't mind helping with the Boy Scout drive or the American Cancer Crusade or the American Heart Association drive or the Salvation Army. But, I don't want to help with all of them. I don't have that much time."

"That's true, isn't it! You'll agree with that Mrs. Burrus, with all the drives you've worked with?"

"I've helped with several, for sure, I don't mind either, as Mr. Cary says. But I don't always have the time either. You know, when you stop and think, each volunteer spends several hours calling on the persons they're assigned. And you have to go back again and again if you don't catch them at home. When you're through, you've used a lot of your time and probably several gallons of gas."

"Mrs. Muller, you're from Hart Camp. How did you happen to get involved in an Olton United Way?"

"Everyone in the boundary of Olton Independent School District is included in the Olton United Way, some nearly to Hart and others who are near Springlake."

"How much should a person give, Mr. Rape?"

"That's a very good question. People need to remember that they are giving to seven agencies and that their contribution has to be divided into that many shares. A good rule to follow is to count up what you ordinarily give to all seven and give that much to this drive. For instance, if you ordinarily give five dollars to each, you'll need to give $35."

"Wow, that seems like a big amount to give at one time."

"Yes, but when you stop and count up, you've been giving that - it's just been spread out over three or four months. If it's not convenient to give the entire amount at one time, the United Way would be glad to let you contribute semi-annually, quarterly or even monthly."

"I might forget I still owe some if I didn't give it all right now. Won't that happen, Mrs. Muller?"

"The United Way will bill you if you wish to divided you contributions into several payments. You can even authorize the bank to draw on your account for the additional contributions."

"What if some people already contacted didn't realize the importance of giving seven-fold and just gave $5 or $10? If many did that, there is no way we can reach the $8,500 goal, is there Mr. Cary?"

"No, I'm afraid we couldn't. But if they will just call the volunteer who called on them and say they wish to do more to help Olton give her 'Fair Share' to these agencies, that volunteer will pick up their additional contribution. Or they can call one of the United Way officers or bring the money to the bank."

"It's vital that everyone do his or her part in order for the United Way to succeed, isn't it Mr. Rape?"

"Yes, it really is. But I think Olton will come through as they always have. I know that if the residential and rural volunteers get as good a response as we did in the business drive, then we'll reach our goal."

"Businesses are almost always the first to be hit when there is money to be raised and they came through as always. I'm sure the percentage of businesses that gave was in excess of 95 percent - perhaps even 98 percent. And they gave understanding that it was seven campaigns in one."

"Like the slogan says, 'Thanks to you, it's working.' It could also be, 'Thanks to you, we didn't make it.' But I think Olton will come through as they always have."

WHAT IT'S ALL ABOUT -- Mozelle Trotter, left, questioned this group of Oltonites this week about the United Way, purpose of the organization and how it works. Providing answers were Dale Cary, Mrs. Don Muller, Margaret Burrus and Melvin Rape.

Homecoming Festivities Held

Olton High School's gym was filled with exuberant cheering Friday afternoon as the 1976 Football Queen was crowned and recognition given to the Mustang football team, mothers of the players and the coaches and their wives.

There was also the pride in the product of the past -- four men who were named to the Athletic Hall of Fame, Lauis Hair, Carl Hooper, Thurman Lewis of Carlsbad, N.M. and Vernon Nixon.

Miss Janet DePrang, daughter of Mr. and Mrs. Garland DePrang, was crowned queen, from a trio of pretty misses, also including Lorenda Couch, daughter of Mr. and Mrs. James Couch, and Alana Spain, daughter of Mr. and Mrs. A.J. Spain.

Four football players, Brad Kelley, Darrell DeBerry, Marvin Tillman and Steve Johnson were accompanied by Jay Harrell as they sang "Annie's Song" in tribute to the queen candidates.

Mothers of the football players were recognized and escorted to the center court by their sons.

Concluding the program was the recognition of the coaches and their wives - "That interesting but slightly crazy bunch of people," Mrs. Miller said, "whose jobs and lives depend upon what a group of 15-to-18 year-olds decide they can do on 10 Friday nights a year or in 25 basketball games....and the wives - who warm up supper one more time in hopes he'll be home soon - and who help him stare at the ceiling in silence for hours following the big game - who married him, knowing that an average Texas high school coach makes 25 cents an hour - but who knows that he's helping young people reach down into themselves and come up with that extra effort they didn't know they had."

GRANBERY PARK - A recent grant for playground equipment by the federal government required this sign to be erected. Only temporary, the sign will be replaced later with an attractive permanent one. Roy Granbery, who donated the land for the city park was in town visiting the day the sign was put up and got in on the ceremonies. Pictured here are Mr. Granbery with the posthole diggers in hand, and Lions Club members, Leon Noack, Wayne Cole and Mayor C.J. Givens. Lions undertook the project of improving the park.

To Contest Lead

Curtsinger Hangs On

The Mustangs' 7-7 tie with the Dimmitt Bobcats gave every contestant in the Enterprise footbal contest at least one miss. Every contestant but one was charged a second miss when the Dallas Cowboys fell to St. Louis.

Ten contestants missed three games each. Monte Chitwood picked the tie-breaker at 14-7 to miss the actual score by seven points. He claims first place money of 5 dollars. Little Miss Rhonda Goen, entering for the first time this year, wins second place and 3 dollars. She was off 12 points with a 14-12 prediction.

Three contestants divide third place winnings. W.E. Thomas, Don Nafzger and Tommy Robison of Littlefield were off 14 points with prediction of 8-20, 7-14 and 7-14.

Others who missed three games and their tie-breaker predictions were Darryl Dennis, 15, 6-21; Wandie Hutson, 17, 7-24; Amos Walden, 20, 13-21; Sherri Hutson, 21, 7-28 and Paul Walden, 6-32.

Jim Curtsinger lost a point in the season standings and now leads by just one point. He has 77 correct guesses for the seven weeks of competition. Contestants with 68 or more points are listed elsewhere in this issue.

Contestants should KEEP TRYING to capture the season's grand prize. It is not impossible to overtake the leader even though trailing by a number of points. The sure loser is the one who gives up.

Remember, too, any contestant can be a weekly winner whether it be somehone high in the standings or one entering for the first time as Miss Goen did this week. It's challenging and fun. Anyone is eligible. Select a winner of each of the games appearing in the ads of the sponsoring merchants on the contest page of the Enterprise. Circle the corresponding number on the entry blank, predict a tie-breaker score and fill in the entry blank with name and address.

Deposit entry blanks with any sponsoring merchant. Remember to tell those people you appreciate their making the contest possible.

Annual Turkey Dinner Set For Community

The annual Community Turkey Dinner, served by the combined Women's Clubs of the city, is planned for Friday, Oct. 29, according to Mrs. Jack Allcorn general chairman.

Turkey with all the trimmings will be the bill of fare and guests will be allowed to serve their own plates, as in past years.

To be served in the school cafeteria, admission will begin at 5 p.m. and continue until Littlefield Wildcat-Olton Mustang game time.

Advance tickets are being sold by members of various sponsoring organizations and will continue at the door Oct. 29. Price for the adult plate will $2.75; for children under 12 years, $1.75.

Election Workshop Set Tuesday In Littlefield

A school of election procedure for presiding judges, alternate presiding judges and election clerks will be conducted Tuesday, Oct. 26 at 8 p.m. in the District Court Room in Lamb County courthouse.

Presented by officials from County Clerks office, all election and personnel and interested citizens are urged to attend.

Thetis Haddad Dies; Services Held Saturday

Funeral services were conducted Saturday Oct. 23 in First United Methodist Church for Thetis Larue Haddad.

Officiating was the Rev. Elton Wyatt, pastor. Interment was in Olton Cemetery under the direction of Parsons Funeral Home.

Mrs. Haddad died Thursday in Central Plains General Hospital in Plainview following an illness of several months.

Born Oct. 31, 1920 just west of Olton, she was the daughter of early Lamb Countians, Mr. and Mrs. George E. Brown. She was a member of the First United Methodist Church and the Order of The Eastern Star.

Survivors include her mother, Mrs. Ruby Brown-one sister, Mrs. Dan Quigley and two brothers, George E. Brown Jr. and Jim Brown.

Pallbearers were Gale Long, Lyndal Kinser, Delbert Howell, Royce Collins, Garland DePrang and Leon George.

Honorary pallbearers were Ott Patterson, Lauis Hair, Wister Clevenger, Gene Trotter, Royce Collins, Larry Garvin, Ken Burgess and W.T. Hall.

Bricks Needed For City Park

Bricks are needed by the park committee to build a permanent setting for the park sign and to build picnic tables. Odds and ends left over from construction of houses or other projects are being sought so that no money need be spent for these purposes.

Color of bricks does not matter. Anyone who has extra bricks - a dozen or a hundred - and is willing to help in this project is asked to contact the City Hall. Someone will pick up all donations.

Several hundred bricks are needed.

May Check Blood Pressure

Persons needing to have their blood pressure checked every now and then will be able to have that done in Olton now.

Mrs. Bun Combest, LVN, will be at the city hall each Thursday beginning Oct. 28, from 10 a.m. until 12 noon, to check blood pressure for anyone who will come in during those hours.

There is no charge for this service, Pat said. She stated that no house calls could be made and that she could not dispense medication.

Records will be kept on each person who is checked.

Baby Sitting Free For Voters

Girl Scouts of Troop 309 will provide free baby sitting courtesies for mothers when they cast votes in the General Election, Tuesday, Nov. 2.

The girls will be on hand at the polling place, the junior high school gym, from 9 a.m. until 3:30 p.m. to offer their help for those mothers who have small children.

Voting Places Announced

Registered voters in Lamb County will go to the polls Tuesday, Nov. 2 for voting in the General Election to elect Presidential and Vice-Presidential electors, members of Congress, Members of the Legislature, State, District, County and Precinct officers, and submitting two proposed constitutional amendments.

Polling places for area residents are listed as follows: Precinct No. 1, Olton Grade School gym; Precinct No. 3, Spade School House; Precinct No. 9, First Baptist Church Fieldton; Precinct No. 12, Hart Camp Baptist Church; Precinct No. 13, Springlake Community Center; Precinct No. 15, Springlake City Hall; and Precinct No. 15, David Friday residence, North Fieldton.

Polling places will open from 7 a.m. until 7 p.m.

Absentee voting will be held for Lamb County in the Clerk's offices until Oct. 29 at 5 p.m.

Citizens expecting to be out of the County election day, Nov. 2, and citizens 65 years of age and over, may vote in person at the County Clerk's office Monday through Friday, from 9 a.m. until 5 p.m.

The county office will be open during the noon hour to receive absentee voters. The Clerk's office will be closed Monday, Oct. 25, to observe Veteran's Day.

Registered voters that are out of County during absentee voting and on Nov. 2, may request an absentee ballot by mail by writing to the County Clerk, giving name, permanent address in Lamb County, and their out of town temporary address to which the ballot should be mailed, their registration card number and statement that they are going to be out of the county.

Two Thefts Reported; Investigation Underway

Chief of Police Don Hatley is investigating the theft of a turbo from a diesel truck parked at High Plains Grain. It is valued at $875. Theft of a CB also taken at the elevator in under investigation.

Hatley was the investigating officer at an accident occurring approximately at 8 a.m. Tuesday at Avenue D and 11th Street. Approximately $1,150 damages were reported to a pickup owned by Santos Rodriquez who was unhurt in the accident.

Jose Sanchez was taken by ambulance to Central Plains Hospital where he is being treated for an arm injury. Damages to the pickup which he was driving were estimated at $750.

Investigation was made Saturday morning of an attempted break-in at the junior high school building. Damages from a broken window were $9.

Curb & Gutter Cost Figured

City council members have spent numerous hours the past two weeks at public hearings, pertaining to federal grants and also studying the cost of paving which voters approved earlier this year.

Cost to property owners for the curb and gutter will be $10.50 per foot. The figure was determined at the Thursday night meeting.

Prior to the regular meeting Tuesday night, a number of residents appeared before the council asking for improvements in their part of the city.

Another public hearing saw even more interested citizens asking for the improvements.

A federal grant of $100,000 has been applied for by the city and evidence that improvements are wanted and needed are necessary in preparing the papers for the application.

Thursday night, council met and approved the amendment of ordinance number 189 which added six more blocks of paving to the original number designated.

Sounding Board

Messy streets! Yes, but not from passing trucks. Get up any given morning early and drive down to the square or anywhere and take a look at the beer cans, bottles, paper, etc. before the city or green thumb workers clean them up.

I am not engaged in farming but did you ever stop to think where the economy of our community and nation mostly comes from, yes from the farms. Also did you ever try tarping down a truck for any distance, try it, its no easy chore. I say we don't need trees for the leaves to fall or natural things that might mess up our streets, but we do very much need the farmers.

I think everyone should praise the American Farmers.

If we don't like the messy streets lets get the brooms, rakes, what ever out and go to work.

Latimer Rites Held Friday

Funeral services were held Friday morning, Oct. 22, in First United Methodist Church in Littlefield for John Benjamin Latimer, 88, father of Forrest Latimer.

you can BANK on it!

Part of the American Dream is to be financially independent, and there's no reason why you can't be; however, it takes planning, and that's where we can help.

In building for the future, there are two simple rules to follow - to consciously and conscientiously follow:

1) Have a cash reserve for everyday needs and small emergencies. Two months' earnings should be adequate.

2) Have an automatic savings program adhered to during your working years. In other words, pay yourself first. Setting aside even $25 a month year after year adds up.

Thrift is the foundation stone on which all estates are built. It sounds simple, but unless you DO it, you probably never will have the financial security and independence you want to.

We can help you plan. Come by today and we'll talk about it.

"The more you know about our business, the more we can help you!"

Child Care Center

Kiddie Hide-a-Way Opens

Kiddie Hide-a-Way opened Friday for Olton's newest "business," a child care center. Located west of "the square" on Main Street, the baby sitting interprise is run by two young mothers, Marion Durham, director, and Judie Rudd.

Children from newborn infants to 12 years of age are cared for by the hour on a regular or "drop-in" basis. The center is opened Monday through Friday, 7;30 a.m. until 6 p.m.

Two snacks and a nutritionally balanced hot meal are served those who stay all day. Snack times are at 9:30 a.m. and 2:30 p.m. For those youngsters who come after school, a snack is provided upon their arrival.

Meeting the requirements set out for a licensed child care center, the building was brought to the specifications demanded by fire, gas and health inspectors.

The young women have up-to-date health certificates and the center will have to meet monthly inspections over a six months period in order for them to receive a two-year license. "Surprise" inspections will also occur as the health department's safeguard for the children.

Young charges must be registered, medical records obtained and information on hand for the whereabouts of parents or responsible persons. Signed permissions are also required so that the young women may contact a doctor if the need arises and for that doctor's permission to treat the child.

Marion and Judie do not as yet have first aid certificates but plan to earn them in the near future.

Daily routine includes play time, rest period and "lessons." Those children old enough to write or make letters are provided first grade tablets to practice the alphabet: younger ones are given similar tablets and crayons to "make marks". Their work is displayed on the wall at the center.

"Usually most of them are there by nine o'clock, "Marion says. "We start by washing our hands, saying the pledge of allegiance and by then it's time for a snack."

Until they tire of the activity, the youngsters are involved with their papers and crayons.

Exercise hour comes next with games and song time. When it is warm enough, the children go outside to the fenced in area to the north of the building. Between two buildings, that space provides natural protection which will allow them to be out when they might otherwise have to remain inside.

The large space at the back of the building also gives ample play area and will, in the future, be an indoor playground. A "mini - basketball" court will be provided and a track painted along the floor with traffic signs to remind the children of stop signs, yield right of way and such.

Lunch follows the play period. It's "wash your hands" and time to eat. Already the two have discovered that not all their charges "like" every thing they serve but they strive to serve well balanced dinners yet something they've learned children enjoy. Menus for two weeks are posted all the time for mothers to see what is being provided.

After lunch, there's a brief play period and then it's time for rest and, hopefully, naps for the children. The quiet time lasts until about 2:30 when it's snack time again.

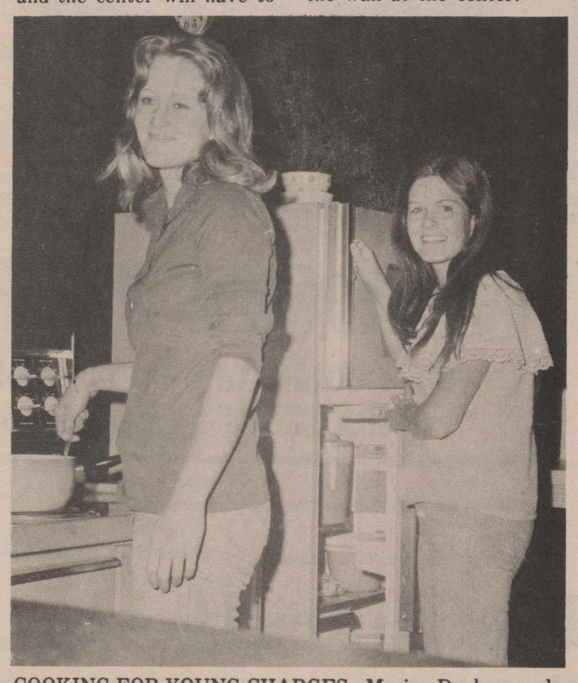

Then it's fun time with educational games, reading and other activities.

Marion and Judie plan to open each night for the Mustangs' remaining home games and will open game nights for other sports as seasons change.

They will also open for any occasion where there are as many as eight children to be kept-for PTA meetings, class reunions, parties or other events.

"We'll keep them anytime as long as there are eight or ten or more," Marion says. "We're willing to keep them late, also, but we cannot keep overnight."

Beginning the first Saturday in December, Kiddie Hide-A-Way will be open Saturdays for the convenience of mothers who wish to shop without their children.

COOKING FOR YOUNG CHARGES - Marion Durham and Judie Rudd prepare a balanced hot meal for their charges at Kiddie Hide-a-Way.

When the "stain squad" challenged Tru-Test E-Z Kare latex flat enamel... they got wiped out!

Most food stains wash clean from the enamel-hard E-Z Kare finish without "shining" or need for repainting. It was hardly a contest for Tru-Test E-Z Kare Latex Flat Enamel. Because stains, grease and grime can't readily penetrate the E-Z Kare surface, most soil washes away. Tough stains can usually be scrubbed off with no damage to the flat latex finish. The soft look and easy application of latex plus the rugged durability of enamel make E-Z Kare perfect for both walls and woodwork.

1+ DIALING IS HERE

Now that you have 1+ Dialing, it is important that you know the many advantages of dialing your own long distance calls.

Since an operator is not required to handle your station-to-station calls when you dial it yourself, we pass this savings on to you by charging a lower dial-it-yourself rate. Station-to-station, collect, credit card and calls charged to a third number —which are placed with the operator—cost more than station-to-station calls you dial yourself. Person-to-person calls are even more costly than other operator handled calls.

This savings—along with the faster service and the convenience of dialing your own call—is not all. For example, to get an unknown number in any distant city, you can dial directory assistance yourself at no charge. Just dial 1+ the area code (if different from yours) +555-1212. This Universal Directory Assistance number can be dialed from anywhere in the United States.

Other helpful information is found on the 1+ instruction card you received earlier. So remember to use this convenient new long distance service.

Olton Graduates Cast In Musical 'Brigadoon'

Two Olton High School graduates have been selected to appear in the musical "Brigadoon" to be presented by Lubbock Christian College drama department Nov. 12, 13, 19 and 20.

A classic from the writing team of Alan J. Lerner and Frederick Loewe, 'Brigadoon' is a tale of romance set in Scotland, where the magical village of Brigadoon appears only once each 100 years. The story unfolds as two young American soldiers of fortune discover this strange place where life and love are eternal.

Cast in the role of Mr. Lundie, John Rodriquez, son of Mrs. Jean Rodriquez, is a sophomore secondary-education major. He was awarded Most Promising Newcomer in LCC dramatics last spring.

Playing the role of Jean MaClaren in the musical is Jan Burkhalter, daughter of Mr. and Mrs. Jack Burkhalter. A secondary education major, she is also a member of the Royal Blue Band and the Metah Moe women's social club.

The cast has been in rehearsal since the initial week of the fall semester. All four performances, including a special performance for visiting high school students Nov. 13, will be presented in LCC Moody Auditorium.

Concerned Rice Farmer Helps Bangladesh Hungry

Pictures of starving children of Bangladesh haunted Jay Lawhon of McCrory, Ark. even after he'd sent a check to a relief agency.

"Being a farmer who grows rice and soybeans, I couldn't get them off my mind," says Lawhon. "I kept praying, but what could one man do?"

His answer came one night in the form of a question; "What would Jesus do?" He remembered that Jesus did not feed everybody or heal all the blind or sick, but just those he met along the way.

Seeking to learn how he might help one family, or maybe ten, to raise more rice for themselves would be a step, he decided. In January of 1975, he decided to go to Bangladesh and see first-hand what might be done..

"So just God and I flew to Bangladesh to see what was what." He stayed two weeks and was appalled by the conditions he found. He saw a refugee camp housing 35,000 people in tentlike bamboo shacks. He saw people plowing with oxen and planting rice by hand.

The answer to what he could do best for Bangladesh seemed to Lawhon to be pumps to irrigate the land in winter when there was no surface water. Upon his return to America, he went to work to raise money through the World Christian Relief Fund, a non-profit agency he formed with his son who helps him farm about 800 acres of rice and operate the Lawhon Farm Supply in McCrory.

When contributions reached five thousand dollars, it was spent in feeding the starving children whose images stay with Lawhon and installing pumps so that now two extra crops a year can be grown, thus alleviating some of the hunger.

A Methodist himself, Lawhon's dedication is to Christian service not bound by denomination. His work in Bangladesh is in conjunction with Baptist missionaries there.

He will be speaking at the morning worship service at First United Methodist Church Sunday, Oct. 24 and will show slides made during a return visit to Bangladesh early in 1976 at the 6 p.m. worship service.

An invitation is extended to everyone to attend each service.

CONG. GEORGE MAHON was honored with a reception in the Olton State Bank community room Wednesday. Mahon explained that certain claims which had been made against him didn't present the entire picture of his record.

Lions Club Shown Film By Hale Center Guest

Lee Dent of Hale Center was guest program leader Tuesday at the regular luncheon meeting of Olton Lions Club. Dent distributed brochures of defensive driving and cited the need for persons to attend a defensive driving course.

He also showed a color sound film concerning alcohol and its effects on drivers. There are 122,000,000 licensed drivers in the United States, the film explains. Of that number, 95,000,000 use alcohol.

Fifty-seven percent of all automobile accidents are alcohol involved and according to the film, the social drinker poses a greater threat than the alcoholic.

Lion Leon Noack reported on the district cabinet meeting. Lions, he reported, are being asked to promote the votes for water bonds and urge everyone to "get out and vote."

He said the local club was commended for helping with the purchase of a denim vest for the governor of 2T2 (71 clubs), 100 percent participation in CARE and other achievements.

Lion Larry Digby reported that candy sales, thus far, have netted the club $87. A door-to-door campaign is planned for the coming week.

Guests attending the meeting were Dent, Claude Burnett Sr. of Hale Center and Raymond Mayfield.

Defense De-Claws Dimmitt

Defense was the name of the game for the Mustangs last Friday night. The ponies proved that they had a good defense. The entire game was exciting for Dimmitt as well as Olton.

The Mustangs started the game with a series that ended in four plays. The Bobcats started at the 20 yard line. In two plays they had a first down, but the Mustang defense held them and the ball went over on downs.

The next play, Olton lost two yards. A mix up in the backfield forced the quarterback to run for six yards with a flag on the play. Two passes and a run and Olton had to punt.

A mix up again in the backfield allowed only three yard gain for Dimmitt. A sweep gave the Bobcats a first down and three plays later they were forced to punt only to have it called back for "offsides".

Olton asked for another punt. Three plays later a bobbled pitch was fumbled and recovered by Dimmitt. In three plays Dimmitt received two first downs to end the quarter.

Two plays later, the Bobcats were at the two yard line, a foot from a first down. Not being able to move the ball, Dimmitt gave up the ball on downs. Olton started with a two yard run by quarterback Brad Allcorn. Buster Lloyd added the other eight for the first down. Leslie Gary gained six yards and Lloyd plunged for the first down. Gary went eighteen yards fighting for another first down. Another eleven yards were gained up Lloyd. Gary went for fifteen more only to be called back on a holding penalty. Two plays later Dimmitt forced the Mustangs to punt with a personal foul called against Olton.

The Mustangs punted again and another flag was down. Olton was called for a late hit.

Dimmitt wasn't able to hold on to the ball as the Mustang defense forced them to punt.

The Mustangs started out by being offsides. Goal offense was called onto the field and Mark Williamson ground out six yards. Quarterback Allcorn ran a first down zig-zagging down field.

Dimmitt was called for interence on a pass play and then Allcorn went for four yards and the first down.

Three plays put the Mustangs on the eight yard line with Allcorn attempting a field goal which went off to the left to bring up the half with the score 0-0.

The Mustangs came back to recover an onside kick to start the second half. Three plays later, Lloyd pushed for a first down. Mustangs not being able to move the ball called for a pass play on the forth and four. The pass fell incomplete and the ball went over to the Bobcats.

Dimmitt received a first down in two plays. Forced to punt four plays later, Dimmitt was called for holding. The punt hit the ground and bounced up to hit Mustang Jeff Neinast and it was recovered by Dimmitt.

A sweep gave Dimmitt a first down only to end on the next play by a fumble which was recovered by Olton.

Unable to gain yardage on the ground and having a pass deflected, the blue and white had to punt. A flag was on the play and Olton received a first down by a holding penalty against Dimmitt.

Lloyd ran eleven yards on the third play for another first down. A fumble was recovered by Dimmitt. A flag against Olton for being offsides added to the first down gained by Dimmitt. Two more first downs put Dimmitt on the one foot line. With 10:43 in the fourth quarter, Dimmitt went over for the touchdown. The PAT was good, making it 7-0 Dimmitt.

Olton gained a first down on a two yard run. Another first down was ground out by Williamson. Allcorn ran within inches of a first down, which they got on the next play. Later Marvin Tillman ran for another first down. Gary ground out another, then Williamson gave the Mustangs another first down in two more plays.

On the thirteen yard line, Dimmitt held Olton on the first play. Gary ran for three yards with Williamson going for five more to put the Mustangs two yards from a first down. Third down and two, Olton gained a first down on the one foot line. Williamson got the call and plunged over for the TD. The PAT by Allcorn was good to tie the game 7-7.

Dimmitt came back with an incomplete pass. A flag was on the next play with the call illegal procedure against Dimmitt in a first and 23 yard decision. A pass on the next play fell incomplete. Then a 15 yard pass play gave Dimmitt a first down. Two yards on the ground and an incomplete pass brought up the next play. The Dimmitt quarterback ran to the ten yard line before the Mustangs pulled him down. A flag on the play brought the ball back, with a personal foul call on Dimmitt. The play ran the clock out to end the game in a tie.

Coach Miller later said that if Olton and Dimmitt ended the season without losing a game, Olton would represent the district.

FOOTBALL QUEEN AND ATTENDANTS - Miss Janet DePrang, daughter of Mr. and Mrs. Garland DePrang, was named Football Queen at the pep rally Friday afternoon prior to the Dimmitt-Olton football game. Other candidates were Alanna Spain, daughter of Mr. and Mrs. Alva J. Spain and Lorenda Couch, daughter of Mr. and Mrs. James Couch.

OHS Graduates Enter Hall Of Fame

Four former OHS achievers were inducted into the Olton Athletic Hall of Fame in ceremonies held during the homecoming pep rally Friday in the high school gym.

Inducted into the honor group were Lauis Hair, Carl Hooper, Thurman Lewis of Carlsbad, N.M. and Vernon Nixon.

Presented plaques by OHS Principal Robert Sivley, the quartet were cited for their accomplishments by Marilyn Miller.

Introducting Hair, Mrs. Miller said, "An all-around athlete in OHS from 1929 to 1932 he played football as star quarterback, punter, kicker and defensive halfback."

"He also played guard and forward in basketball, serving as captain. Versatile as a track man, Mr. Hair entered the pole vault and shot put."

"In tennis, he was county singles champion and second in Regional at Lubbock, competing against all class schools. Finally he was pitcher and outfielder in baseball and softball."

"Mr. Hair was also first chair cornet player and senior class president. He went on to play on the 1933 Texas Tech football team as a halfback and punter."

"He has continued his interest and participation in athletics through the years. He coached the OHS football teams in 1942 and 1943 and served as a football and basketball official for 15 years. He is also a championship golfer."

"Truly it can be said, Mr. Hair understands problems faced at any angle in sports, having been player, coach and official."

"Carl Hooper," Mrs. Miller said,"was an outstanding performer in 1928-29-30, when all classes from A-AAAA competed against each other and hurdles were the same height as the colleges."

"In 1928, he was high point man in track in the County Interscholastic Meet, going on to the state finals in high and low hurdles."

"During his second year, he won first in high hurdles and second in low hurdles in district. He won the state champtionship in the highs, tying Keller of Columbus, Ohio for the best time in the entire nation."

"Then the next year, 1930, Mr. Hooper won both hurdles at district. At the state meet, he had a commanding lead when he fell on the last hurdle. He was selected to go to Chicago, Ill. and, representing Olton and Texas, made it to the finals in the National Track Meet. Quite an accomplishment."

"While in OHS, he also played three years as tackle in football - on teams that always had winning records. Voted a favorite in high school-and acknowledged a favorite in his community - Carl Hooper."

"Playing in 1925, 26, 27, and 28, Thurman Lewis was an outstanding fullback and linebacker in football. His skills were also evident in basketball where he was a guard and served as captain on a team that was county champions."

"In track, he ran the 100, the 220 and the 440. Three years he won the County meets in the 100 and 220. In the 440, he won county and ran at the state meet in 1927."

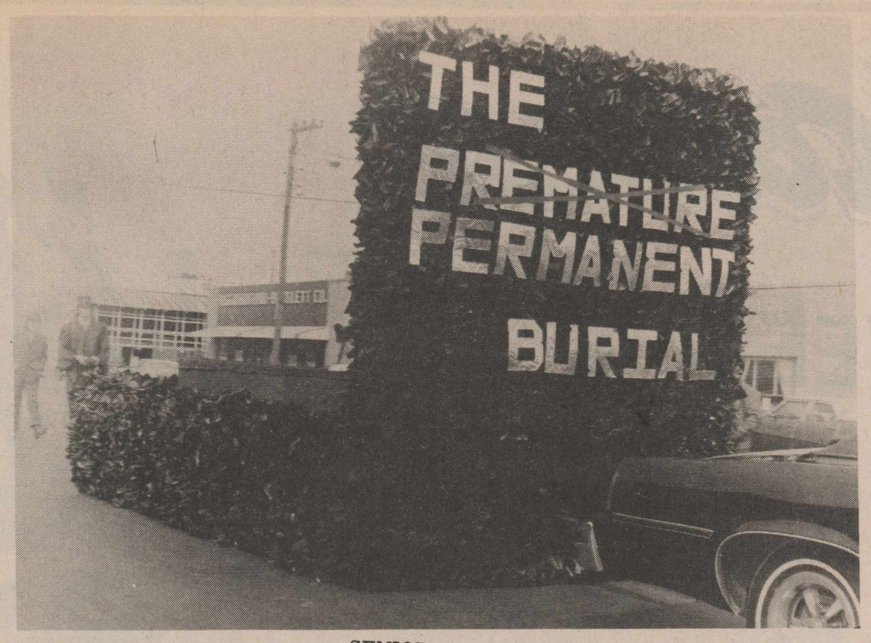

"On the debating team, Mr. Lewis was valedictorian of his 1928 class."

"Mr. Nixon, another track star, also competed in football and was a captain of the 1935 edition of the Mustangs. He also played basketball during the 1935 and 36 seasons."

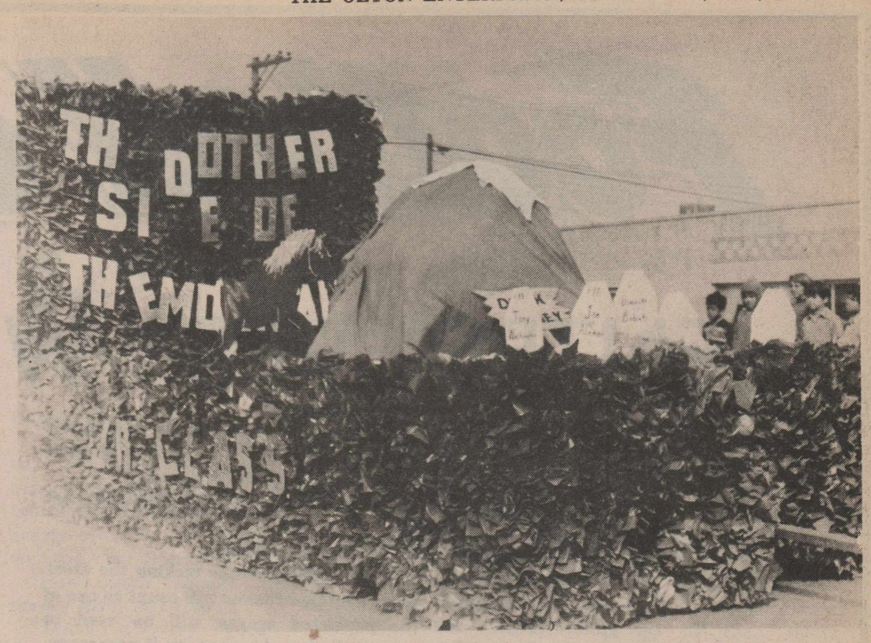

"Lettering in track three years- 34, 35, 36 -he earned his way to the state meet in Austin. In 1936, Mr. Nixon represented Olton High School in two events-the 100 yard dash and the 220 yard low hurdles."

"He was also in the Glee Club and on the annual staff. Before graduating from OHS 30 years ago, he had earned a reputation as an outstanding athlete and brought favorable recognition to himself, his school and his community."

Mustang Captain Steve Johnson, on behalf of the Student Council, made the presentation of a permanent plaque which will be placed in the lobby of the gym. Each inductee in the OHS Athletic Hall of Fame will be named on a small individual brass plate mounted on the handsome plaque.
