Bank Deposits Up Again County Economy Still Healthy

Deposits at City National Bank of Colorado City reached an all-time high during the second quarter of 1974.

Deposits at First State Bank of Loraine reached an all-time high for the second quarter although deposits at First State Bank were down slightly as compared to deposits during the first quarter of 1974.

Loans at the two banks in Mitchell County reached all-time highs during the second quarter.

Both banks report their depo-

sits and loans each quarter whenever the state comptroller calls for a condition of banks.

Bank deposits along with sales tax receipts are among the best indicators of the local economy. Both bank deposits and sales tax receipts have been on the climb during the past few years in Mitchell County.

At City National Bank, deposits as of June 29 amounted to \$16,114,959.08 compared to \$15,874,564.69 in April of 1974 and \$14,396,604.01 in June of 1973.

Loans at City National at the close of business June 29 amounted to \$6,370,749.25, up over last year's second quarter total of \$4,932,106.84. The last bank call period in April showed loans at City National totaled \$5,848,943.39.

Deposits at Loraine at the close of business June 29 amounted to \$3,272,449.44 compared to \$2,368,619.60 in deposits for the second quarter in 1973. Loans at First State Bank on June 29 totaled \$1,509,117 com-

pared to \$990,546.36 in the second quarter of 1973.

During the first quarter bank call of 1974, First State Bank

had deposits of \$3,317,150.60 and loans of \$867,602.

City Council Seeks Judge

Written applications are being taken at City Hall for the position of City Judge, left vacant by the recent death of Judge W. A. Brimberry.

City Manager J. A. Sadler Jr. explained that the city council will discuss filling the vacancy during regular session of the council tomorrow night, but

possibly delay making an appointment until anyone interested in making application has had an opportunity to do so.

Sadler said that application must be made in writing before the council can consider it. Only qualification for the job is that the person should be a resident of the city. Pay is

\$250 per month for the 9-11 a.m. office hours, five days a week, with sometimes special calls to handle emergency situations.

Sadler estimated that the council would probably meet in special session in about two weeks to consider applications and make an appointment.

Series To Help Smokers

Five-Day-Plan-To-Stop-Smoking--that's the name of the program beginning tonight in the basement meeting room at Root Hospital.

Helping to conduct the classes for the second year will be Charlie Smith, physical therapist at the hospital.

Smith said that the program is designed to give help to those persons who wish to stop smoking but can't. He also said that people who would like to get off cigarettes but are afraid that they will gain weight should come to the classes, too, since the desire to have a cigarette and the desire for food are closely related and explained by the program material.

Classes are set for 7:30 each night, Sunday through Thursday. Included are 16mm movies featuring counselor Folkenberg and Dr. MacFarland, designers of the 5-Day Plan.

Smith said that when the two men have conducted the program in person, they have met with 80 to 85 per cent success and with the movies, reaching a wider area, they have had 60 to 65 per cent success.

Construction Delayed By Strike

Work on the new high school will be delayed because of a strike by carpenters in a wide area of West Texas.

Lloyd McKee, superintendent of Colorado City schools, said that construction has been delayed some because of the strike and could give no more details about it. He said he understood that it affects Abilene and Big Spring union workers in carpentry.

City Manager J. A. Sadler Jr. said that work on the Civic Center has not been affected much as not much carpentry work is needed now.

Fly-In Deemed A Rainy Success

About 35 pilots from almost every West Texas city made it in to the city-county airport for the Fourth of July Fly-In.

Weather conditions caused some pilots who were planning to attend the annual event to stay home. Clouds formed a heavy cloud cover over a wide area. Showers hit the airport during the morning's festivities but everyone enjoyed the coolness and scheduled events went off as planned.

Chairman for the Fly-In, J. O. Dockrey, said that the turnout was good for the squall-type clouds covering the area. Last year's event brought in 51 pilots from throughout the area.

The Fly-In was a financial success as well as crowd-pleasing, he said, as airplane rides continued until 3 p.m.

One of the scheduled aerobatic pilots was unable to fly in from Lubbock, but Doug Warren of Big Spring thrilled watchers with his stunts in a clipped wing 1940 Taylorcraft, specially adapted for stunt flying.

Warren's plane was judged most unusual craft attending the

Fly-In and he received the trophy. Trophy for Oldest plane went to a 1938 Luscomb from San Angelo.

E. J. Gray of Houston received the trophy for pilot coming the longest distance. Gray flew in a Piper Seneca.

Oldest woman attending the Fly-In, Mrs. C. P. Gary, received a free airplane ride over the city and two lakes, courtesy of an anonymous donor. Tour guide was Frank Deregibus, flying a Cessna 205. Mrs. Gary, obviously delighted with the airplane tour, thanked everyone.

Dockrey said that one of the most popular attractions this year as well as last, was the radio controlled model airplane show, brought by a group of Lubbock men.

Abilene parachutist, bearded Lew Sparks, brought students from his skydiving school to the Fly-In, jumping in from a plane over the airport at their arrival. They made scheduled jumps at 9, 10 and 11 a.m.

Chamber of Commerce members served free breakfast to Fly-Ins and to ticket buyers from the city, county and surrounding area.

Mrs. John Howard Garner
...former Linda Lavon Hancock

Hancock, Garner Exchange June Vows

Linda Lavon Hancock and John Howard Garner were united in marriage June 21 in the chapel of First Baptist Church, Midland.

Mr. and Mrs. Andrew Hancock, of Midland and Mr. and Mrs. Jack Garner of McCamey are the parents of the couple.

The Rev. Elbert L. Smith, Jr. of Bellview Baptist Church performed the 6 p.m. double ring ceremony. Music was provided by Mrs. Robert Janssen, organist, and Rhonda Lody, soloist.

A rainbow candelabrum adorned with jade foliage and white tapers formed the background for the ceremony. It was flanked by a pair of spiral candelabra with the foliage and white tapers. Hurricane candles in shades of pink decorated the family pews.

The bride, given in marriage by her parents, was formally gown in a princess silhouette of silk organza and Cluny laces. Ruffled Cluny filled the high stand-up neckline, created the cuffs of the fitted lace sleeves and outlined an exaggerated bib-shaped lace yoke. Bridal pearls

traced the lace designs on center front of the yoke and the full length of the sleeves. Slender contoured princess line panels fell into bouffant fullness sweeping to the back in a chapel-length train. Appliqued Venise lace motifs enhanced the flared skirt above the deep lace hemline flounce.

Her headpiece was a large braid picture hat with rows of identical ruffled Cluny and train-length tiers of silk illusion flowing around the gown, which was designed by the bride and her mother.

The bridal bouquet was a symphonic cascade of gardenias, pink Sensation roses, stephanotis and gypsophila atop a white Bible.

Attendants to the bride carried shaded pink gladiolus with pink rose centers.

Jeffery Sims of Pecos, brother-in-law of the bridegroom was the best man. Jerry and Phillip Hancock, brothers of the bride, were the groomsmen.

Linda Rathjen was the maid of honor. She wore a floor-length gown in shades of pink floral Oriental silk featuring an empire waist encircled by hot pink satin ribbon, which flowed to a gathered ruffle flounce at the hemline of the A-line skirt. The halter bodice was finished with self covered buttons. A sheer capelet of the material covered her shoulders. She wore a pale pink picture hat with ruffle of hot pink Oriental silk overlay on the brim and banded in hot pink ribbon.

The bridesmaids, dressed identically to the maid of honor, were Jay Jay Kinnison and Susan Garner of McCamey, sister of the bridegroom. The hats worn by the bride's attendants were designed and made by Mrs. Hancock.

Tammy Koonce was the flower girl and Tom Vern Dwyer was the ring bearer.

The ushers were Mark Werst, Tom Magee, Ken Woodruff and Rance Green.

A reception was held in the church parlor. Marilyn Dwyer registered the guests. Others in the house party were Mrs. Jim Franklin, Mrs. Vern Dwyer, Mrs. Duane Magee, Mrs. Howard Crouch, Mrs. Jeffery Sims, sister of the bridegroom, Diane Magee and Leanne Magee.

Ruth COFFEY'S CONVERSATION CORNER

NOSTALGIA is not a disease but people of all ages are prone to suffer from aching symptoms of it, sometimes, without warning or cure.

If you have nostalgia you simply have homesickness...a longing for a place or yearning for things, people, conditions "like they used to be."

One little remedy known to help is looking forward instead of backward, turn your head around, walk on going forward, too.

But feeling nostalgic is not always a pain in the neck, head or heart. It can be sweet if it doesn't "hang in there" too long.

NOSTALGIA comes occasionally in a million ways and to each his own. Wild mustang grape vines spreading over fences and covering trees... fern and verbenas growing wild on the banks of a creek... dew

berries gathered from the alley behind a wide gray house on the hill...learning to swim in a tank...a shower taken under the windmill...petunia beds and running roses in bloom.

Your first ride down the old causeway between Houston and Galveston...first sight of the Gulf of Mexico...running barefoot with clean white sand between the toes...city streets paved with brick...and wooden sidewalks in little towns with picket fences live in the nostalgic memory.

VACATIONS in the mountains with tall, tall pines and singing little streams can make you homesick...the old college campus with its "courtin' bench"... dogwood blossoms...fruit trees in bloom...acres of bluebonnets make some people suffer--or enjoy feeling nostalgic.

Weddings are a good source, too. So many things! Cousins visiting in the summer...watermelon feasts...sleeping outside covered with mosquito lotion after a hot, hot day, for instance.

MOST of all, still love the sound of a train...meeting the train...RIDING a train--a PASSENGER train with telephone poles marching by the open windows like soldiers doing double time, and later the air-conditioned version zooming along.

ALICE COLES, wife of Roy Davis Sr., is fully responsible for train nostalgia which smote this writer. Alice rode AM TRAK, recently, from Houston to San Antonio.

She had been visiting son Roy Coles Jr., Shell Oil Co. man of Houston, and took Doug and

Mary Alice Price with her to San Antonio where they live with their parents Rebecca (Coles) and Bob Price, after the Price children had enjoyed a visit with Roy Jr., his wife Jenie, and their daughters Lisa, Ellen, and Janine, too.

And they all had a ball! First son of the Prices, David, is working in Houston and will be a freshman at University of Texas at Austin when fall term opens. David, Doug, and Mary Alice are also grandchildren of Lela Price, mother of Bob who as you know is Business Vice President of the University of San Antonio.

HEARING about train trips is enough to give anybody nostalgia and that's the truth!

One of the most fun ever had, perhaps, was riding the Santa Fe from Tulsa to Chicago, then the Canadian International on into Michigan. It rained and it snowed. But had there been any way of knowing it was the last passenger train to date, for we would have sat and slept there crying out loud when we crossed the Mississippi.

Oh give me a home Where passenger trains roam No matter how old am growing Will ride 'em and ride At every chance No matter where they're going.

'COURSE would ride home again where the present brings that warm "NOW" feeling of seeing friendly faces in friendly places...Naomi (Mrs. E. L.) Stagner...First Baptist pastor Glenn Roenfeldt...Sweet and lovely Evelyn Bowles wearing a becoming pantsuit in a gorgeous shade of pink and white checks...Eddie Piland...Olson Sweat...G. D. Foster...George Womack, bearded again... Brenda Sparks (Mrs. Bobby)... Ray Anne Carlock...Dr. John H. Chinn...Addie Ruth (Mrs. Fred) McKay...Truman Bodine.

Plus smiling Frances (Mrs. George) Witten...Virginia (Mrs. Toby) Dearen...Annette Callaway, wife of Leon, her mother Mrs. B. B. Lee...Winnie Mad-din...Ruby (Mrs. Hank) Bryant...Likeable Mike Burt...attractive blonde Faye Marcom... Mrs. Curtis (Margaret) Latimer...Gay Stricklin.

Ella Hubbard Smith spent a recent vacation visiting her son Charles, his wife, and their little son who celebrated his first birthday while his grandmother was there to share the joy. Charles and his family live in Atlanta, Ga.

SPENDING a week or so on vacation at Padre Island are Josie Ree Randle, her daughter Ann Randle Davis, and Ann's son and daughter Randle and Jill.

Joe Moesers are back from their vacation...The Edwin (Bim) Carlocks with their son, Jim, his friend Craig Market, plus Flo and Wann Sparks drove to the beautiful resort, Red River, New Mexico, for a few days.

Familiar faces on the home scene belonged to Clydine Stickney...Lilly Sparks...Leora Spann...Connie Spann, too...Jim Hestand...Marie Bassham, county clerk.

Via Con Dios, amigo.

WHAT IS LIFE?

By Rev. Jimmie A. Roberts

Pastor,

First Baptist Church

Loraine

Many would define life as the period of time from our birth to our death. Today however, with modern medicines, a person's life can in many instances, be prolonged long after a natural death might have occurred. Therefore, we might say that in some cases, a patient through the use of these medicines and modern life-sustaining machinery, could really be called a "living-dead man." The heart would be beating but the body refusing to live on its own.

In these days of medical advancement, we must now find new definitions for these terms: Life and Death. Perhaps now we can understand in a clearer way the instruction from God's word concerning this very thing. Speaking of physical death, Job asked, "If a man die, shall he live again?" Jesus answered this question by saying, "I am the resurrection and the life: he that believeth in me, though he were dead, yet shall he live; and whosoever liveth and believeth in me shall never die." Again Jesus says, "I am come that they might have life, and that they might have it more abundantly." The Apostle Paul tells us in the sixth chapter of "Romans" that because of our sins, we are really dead even though our bodies are living; dead to God and dead to what life is really all about.

Apart from Jesus Christ, there is no life, either in this world or the next. In this world, an individual living without Christ as their personal Lord and Saviour, lacks the joy, peace and rest of life that God's children have as they walk in His fellowship. So many today are always seeking happiness, meaning and purpose in different ways, but always missing the mark because they have never really understood that only in Christ can real life be found. It is tragic that even in some cases, Christians who have invited Christ into their hearts as Saviour try to live their lives here and now under their own strength and as a result, even they are unhappy, until they walk again in His fellowship.

God would also have us to know that when the body dies, we do continue to live and for a Christian, he "...shall never die." Paul said, "...to be absent from the body and to be present with the Lord." The individual who lived as a dead man without Christ, shall also continue to live an eternal living death, in a devil's hell. I have asked, "What is Life?", to know the answer is to know Christ, God's only begotten Son.

Gospel Meeting At Northside

Northside Church of Christ begins a series of Gospel meetings tonight at the church building on the Snyder Highway.

Sunday services begin at 6 p.m. with Monday through Friday's meetings starting at 7:30 each night.

Conducting the meetings will be Colorado City native Paul Rogers, currently preaching for the Longmont, Colo. congregation.

Rogers is the son of Mr. and Mrs. Curtis Rogers of Colorado City, a Colorado High School graduate and a World War II veteran. He is married to the former Eva Mae Brownfield and they have three children: Paul, married and the father of two children, and Kathy and Urban, still at home.

Rogers preached for a number of area churches following his graduation from Abilene Christian College.

Eddie Swinney, preacher at Northside Church of Christ, extends a welcome to everyone to attend the Gospel meeting.

LITTLE LETTERS

By JILL DAVIS

Jill Davis, 11, answers letters from young readers and tries to help them with their problems.

Dear Jill,

How old should you be before you own a car?

CAR

Dear Car,

You should at least have your license.

Dear Jill,

My birthday is coming up soon and I don't know what kind of a party to have. Do you have any suggestions?

PARTY

Dear Party,

There are many kinds of parties you can have such as a weiner roast, a skating party, or maybe a slumber party.

Dear Jill,

You've probably answered this before, but how can I keep from having bad dreams at night?

DREAMS

Dear Dreams,

Think about good things before you go to sleep also don't watch scary movies.

Dear Jill,

I like to play cards, but when I find a friend that likes to play also we don't know the same games. What can I do?

CARDS

Dear Cards,

Maybe teach your friend a game you know or let her teach you one, but if that doesn't work out maybe you can play solitaire.

Dear Jill,

My mother says I'm lazy because I don't do things right when she tells me to. What should I do?

LAZY

Dear Lazy,

Why don't you do the things she tells you to do right when she tells you to do them and don't wait to be told to do other chores.

Dear Jill,

I don't know whether to get my hair cut short for summer or not. Should I or shouldn't I?

CUT

Dear Cut,

You can put your long hair up in a bun and it will still be long for winter, but short hair is easier to care for.

ALL YOU NEED TO DO TO RECEIVE A "LITTLE LETTERS" PENCIL IS WRITE YOUR PROBLEM TO JILL. BE SURE TO ENCLOSE YOUR NAME AND ADDRESS ALTHOUGH NAMES WILL NOT BE USED IN THE NEWSPAPER.
