The Gay Philosopher

By J. W. S.

DESPITE THE drought and such, our town doesn't have a net loss of citizens for the year, if you want to use school enrollment figures as a barometer. A report the other day showed 1,000 students and that didn't include the colored school. The 20 to 25 students there will boost the total enrollment to a few more students than were in the schools last year.

Add to the total in the public schools the 31 students that teacher Keith Loomans has enrolled out at the Lutheran School and you'll have a pretty fair increase in the student population for the new year.

We're glad to report, also, that Cisco Junior College enrollment held its own. Both dormitories are full. Things are looking good generally out on the hill.

ELSEWHERE in the county, Ranger has a slight increase with student population of 853 for this year. Eastland has a slight drop with about 750 students enrolled.

DROPPED DOWN town last evening and watched the CHS students stage their first pep rally. It's good to see the youngsters in action again. Sometimes we feel that our town would be a better place in which to live if some of us fellows generated the drive and enthusiasm that the young people put into their activities.

Let's all go out to the football stadium tonight and Saturday night and help the Lobos and the Wranglers start off their grid seasons in grand style. Let's be especially good sports and make every single visitor feel that the whole town wants him or her to enjoy every minute of their stay here.

BECAUSE A NUMBER of people have asked him to do so, Mr. Andy Steffen, the artist, is going to offer art lessons. Starting in October he plans to teach art to those who wish to learn. The first six months will be basic work. The course will have a commercial art theme, and the classes will be held on Saturday evenings. If you're interested write Mr. Steffen a buzz.

FIGURES OFTEN tell the story of how good business it. The figures over at District Attorney L. M. Nussle's office show that fines and court costs are running about 25 per cent higher this year than they did last year. The county is taking in about \$1,000 per month from fines and court costs.

Whether this is good or bad depends on how you look at it, we guess.

THE BOYS COULD write pretty good love letters more than 100 years ago. Mrs. J. C. Watson has let us look at a newspaper clipping of many years ago which a love letter was printed. It was written at Pittsburg, Pa., October 17, 1816, as follows:

"Miss Matilda Clark, Madam: Though I am in a large and populous city and among a numerous acquaintance, I cannot say that affords me one pleasant hour of the day.

"If my vigilance and ten thousand wishes for your welfare and repose could have any force, you last night slept in security and had every angel in attendance. You are now before my eyes, my eyes that are ready to flow with tenderness but cannot give relief to my gushing heart that dictates what I am saying and yearns to tell you all its things.

"How art thou, Oh my soul stolen from thyself? How is all thy attention broken? My books are as blank paper and friends are intruders. I have no hope quite but from your pity. If you will consider aright you will find an agreeable change in dismissing the attendance of a slave to receive the complaisance of a companion. I bear the former hopes of the latter condition. I live in chains without murdering at the power which intrudes, then so I could enjoy freedom without forgetting the mercy that gave it. I will return home a few days, where I'll wait with great anxiety for an answer. I cannot think it possible that

NOW THEY'LL KNOW—In the historic Colosseum in Rome, workmen are busy constructing a sturdy iron-tubing foundation for a huge stage. When it's completed, some time in 1953, gladiators and wild animals will recreate scenes of the ancient arena's former sporting glory. Thousands of residents and tourists will witness spectacles like those of 2000 years ago.

Dr. Jack McGorman, professor at the Southwestern Baptist Seminary, Fort Worth, will fill the pulpit for both morning and evening services Sunday at the First Baptist Church, it was reported today. Dr. McGorman was supply pastor for last Sunday's services.

Bill Sweeney, educational director and choir leader of the church, will make his final appearances in the Sunday services. He submitted his resignation last Wednesday night to be effective at the conclusion of the Sunday evening service.

Mr. Sweeney, who has been here about a year, has accepted a position as educational director at the Temple Baptist Church in Abilene.

30 Students Sign For H-SU Classes

Some 30 area residents signed up for Hardin-Simons University extension courses to be offered at night at Cisco Junior College at a meeting here Thursday night, President O. L. Stamey of the local school reported today.

Mr. Stamey said that H-SU officials will return at 7 p. m. Monday to meet other interested in the courses. The Abilene school plans to offer courses for which there is sufficient demand on invitation of Cisco Junior College.

Those enrolling in the classes include veterans, who have completed their Junior College eligibility, and a number of area teachers who are working on degree requirements.

Mr. Stamey urged anyone interested in H-SU courses to attend Monday night's meeting.

Mrs. Fleet Shepard of Lubbock and Mrs. T. L. Shepard of Austin are visiting in the home of Mr. and Mrs. F. E. Shepard.

LOBO BAND ELECTS COUNCIL TO SERVE FOR COMING SCHOOL YEAR

Dorothy Rice was elected president of the Lobo Band Council at a meeting of the band held Tuesday in the band hall. Miss Rice will serve in that capacity for the 1952-53 school year.

The band council is elected each year to work with the director in setting the policies of the band and to aid him in carrying on the work. The president of the council initiates new ideas and works up the social events of the year. She aids in the arranging of trips and presides at all meetings.

Leon McCrary was named vice-president of the council. His duties are to preside at meeting when the president is absent and to issue and handle the band uniforms.

Nelda Johnson was elected band captain and will handle the arrangements on band trips. Her duties consist of checking the roll and arranging seating on the buses.

Carlene Holder was named secretary-treasurer and will handle the minutes of the meetings and take care of the money of the council.

Shirley Hitt was made reporter and will take care of band publicity. Her duties also include the keeping of the band scrapbook.

Mary Scott was elected appointed member. Her duties will be to assist with the committee work of the band.

Carroll Donohoe was named student director and will perform the duties that the office implies. He will direct the band in the absence of the director and on special occasions.

DISTRICT GOVERNOR ADDRESSES ROTARY CLUB LUNCHEON HERE

"I believe in Rotary — its ideals, its standards and its programs," Dr. Ernest H. Hereford, governor of Rotary District 186, told Cisco Rotarians at their regular meeting at the Hotel Victor Thursday.

Dr. Hereford, president of Arlington State College, was making his annual visit to the Cisco Club. Wednesday night, he met with club officers and directors in the community service room of the First National Bank and discussed problems facing the organization and went over the duties of officers and committee heads.

Dr. Hereford is one of 206 district governors who are supervising the activities of 7,600 Rotary Clubs in 83 countries with a total membership of approximately 360,000.

Dr. Hereford told of the advancement in the world during the past 100 years and told that new advancement was possible through faith — a faith in the future. He spoke on the fundamentals of Rotary and asked Rotarians to "study Rotary in order to extend your knowledge of the meaning of Rotary and use the four principals of Rotary in your business and social life."

Dr. Hereford emphasized Rotary's program of student fellowships which enables outstanding college graduates from all over the world to study in countries other than their own as ambassadors of good will. Rotary recently has spent more than \$1,000,000 on the scholarship program.

The governor was introduced to the club by President Con Collins. President Collins reported that the directors and the club members had invited Dr. Jim Lawrence into the club and that he would be installed as a member at the meeting Thursday, September 18.

Visitors at the meeting were Rotarians Claude Callaway, Herbert Edwards and Grady Graves of Crowell; and Ben Hamner and Seibert Worley of Eastland. Other visitors were Emmett Graham, Dr. Jim Lawrence and Coach Red Lewis, all of Cisco.

Texas Influence Seen In Making Duck Hunt Rules

AUSTIN, Sept. 12.—Increased Texas influence in establishing regulations for future waterfowl harvest is foreseen by the Executive Secretary of the Game & Fish Commission in the September issue of Texas Game and Fish magazine.

He writes that the stronger Texas voice in the annual duck and goose harvest program will be shared by other states under a new advisory plan to become effective next year.

Speculating beyond the limitations of the written outline, the Executive Secretary suggests that zoning for waterfowl now may be effective in Texas. This, he explained, could be possible under future planning whereby season dates would not be based on state lines as at present.

He writes that the revolutionary new plan will center around states' recommendations as channeled through the recently shaped Flyway Council setup, and then adds: "This is somewhat a new approach to the matter of solving waterfowl problems, for heretofore the States have dealt individually with the Federal authorities, and often in contradictory fashion. There is every indication that each State will actively and enthusiastically participate in this effort and if so there will be added to the forces of waterfowl management a tremendously increased manpower and knowledge of local problems."

Ideal Cafe Opens On Highway West

Mr. and Mrs. Roy Shuman have moved to Cisco and have opened the Ideal Cafe at the old College Inn stand at the Y on U. S. Highway 80 in the west edge of Cisco.

Mr. and Mrs. Shuman bring to Cisco many years experience in the operation of cafes and have promised a clean, enjoyable place to eat. They specialize in good hamburgers and coffee, with a new idea — the chiliburger — as their leader.

They call Tucson, Arizona, their home, but came here after selling their cafe in Creston, Washington. Mr. Shuman said that they had traveled 4,000 miles since closing their Washington business seeking a proper location. They selected Cisco, he said, because they liked the looks of the town and because it was in a dry territory.

At the present time Mr. and Mrs. Shuman and their three daughters and two sons are living in the living quarters of the cafe building. They are members of the Baptist Church.

REBEKAH LODGE MEETS

The Rebekah Lodge met Thursday evening at the lodge hall for their weekly meeting. Routine business was transacted and a sunshine box fixed for Mrs. Bessie Pass. Ten members attended.

Fans To See Both High School And College In Action

The 1952 football season will open in Cisco with games Friday and Saturday nights, and large crowds are expected for both contests. Tonight's game will be between Cisco and Eastland High Schools, and Cisco Junior College meets Arlington State College here Saturday night. Both games will begin at 8 p. m.

The Lobos of Cisco High School completed their plans for the game with a dress rehearsal at Chesley Field Thursday night. Game uniforms were issued prior to the workout. The practice session was devoted largely to a review of offensive plays and to studying defensive tactics.

Eastland's Mavericks, who scored a 13-to-6 victory over Cisco last year, will operate from the TCU spread formation. Their team has an average weight of about 150 pounds per man, about the same as the Lobos.

Probable starting lineups have been announced as follows:

Cisco — Ends, Jimmy Webb and Bill Smith; Tackles, Daniel Grey and Sherwood Gaines; Guards, Mack McCauley and Sonny McCrea; Center, Bob Qualls; Quarterback, Boy Gallagher; Halfbacks, Bobby Black and Bob Lloyd; and Fullback, Irv Brunkenhoefer.

Eastland — Ends, J. D. Hanson and Clyde Moore; Tackles, Don Roff and Neil Edwards; Guards, Bobby Cooper and Stan Harris; Center, Norman Watson; Quarterback, Vern Moroney; Halfbacks, Pearson Grimes and Fred Williams; and Fullback, James Jessop.

The bands of both schools will make their debut in half-time ceremonies. Large delegations of fans from both Eastland and Cisco are expected to fill the stadium.

A light workout today was planned for the Wranglers to complete their plans for the Saturday night game. The squad scrimmaged and reviewed their offensive plays in a long workout Thursday afternoon. Coaches Red Lewis and Paul Mosley were pleased with progress.

Cisco fans will meet a good many newcomers when the Wranglers line up against the strong Arlington State College team. The probable starting lineup will include a few lettermen from last year's team.

Burl Moses, letterman from Throckmorton, is scheduled to be the No. 1 quarterback this season. He will do much of the punting and passing, as well as call signals. His starting mates in the backfield will include Bob Powell, letterman from New Mexico, at fullback; and two newcomers, Don Demard of Midway and Pat O'Neil of Lamesa, will be at halfbacks.

Starting linemen will be Dale Hartley of Lampasas and Dell Wright of Pecos at ends; Jack Voss of Sweetwater and Bob Cook of Throckmorton at tackles; Henry Sollers of Kermit and J. C. Suggs of Cisco, guards; and L. A. Noles of Throckmorton, center.

Coach Lewis indicated that most of his 32-man squad would see action in the game.

Arlington State will bring 36 men to Cisco for the game. They are scheduled to arrive early Saturday afternoon.

Probable Arlington starters and their weights follows:

Ends — Leon Smith, 185, and Hollis Pollard, 180; tackles — Bob Lundy, 210, and Jim Garrett, 225; guards — Richard Hyde, 185, and James Keck, 205; center — Richard Martin, 190; quarterback — Sam Moward, 215; halfbacks — Kenneth Vavra, 175, and Bernie Cook; and, fullback — Malcolm Hammack, 190.

MASONS WILL MEET

There will be a called meeting of the Cisco Lodge No. 556, A. F. & A. M., at 7 p. m. Monday, Sept. 15, for work in the Master's Degree, according to an announcement today. Worshipful Master Walton L. Baum urged all members to attend.

Officers Are Named By Nazarene Society

The Nazarene Missionary Society met Tuesday evening at the church for a business meeting and to elect officers for the coming year.

The meeting opened with prayer with the newly elected president, Mrs. S. L. Cook, presiding. Other officers elected were: Mrs. W. E. Morris, vice president; Mrs. Alpha Elder, secretary and treasurer; Mrs. Dan McCrary superintendent of study; Mrs. J. E. Joy, superintendent of publicity; Mrs. J. B. Elder, special program chairman; Mrs. Floyd Rains, Prayer and Fasting League secretary; Mrs. D. M. Duke, Other Sheep secretary; Mrs. Pernicia Cearley, Box Work secretary; Mrs. C. M. Cleveland, Mrs. Keith Englehardt, and Mrs. Leslie Fleming, membership committee; Mrs. Joe Boatman, flower chairman; and Mrs. R. I. Callaway, special lunch chairman.

Mrs. Reddrick will be in charge of the reading course for the year. The group decided to have meetings on the first and third Tuesday evenings of each month at 7:30 o'clock.

The group chose the book, "Nazarene Missions in South Africa," as their study book for the year. Mrs. Dan McCrary led the group in singing the missionary hymn chosen for this year. Approximately thirty members were present for the meeting.

Mrs. Clinton Hostess For W.S.C.S. Meeting

Circle One of the W.S.C.S. of the First Methodist Church met in the home of Mrs. Leo Clinton Tuesday for their monthly meeting.

The chairman, Mrs. J. T. Fields, called the meeting to order and turned the meeting to the program chairman, Mrs. Joe Lovelady. The devotional was given by Mrs. B. E. Morehart after which the group sang, "Give Of Your Best To The Master." Mrs. Crigler Paschall read, "The Second Mile" and Mrs. Lovelady and Mrs. Fields gave a skit on "The Presidential Timber."

A short business session followed. The chairman appointed Mrs. R. W. Merket to sell church plates at the Luncheon Thursday evening at the church. The penny fund was collected and Mrs. R. S. Elliott appointed penny chairman.

Refreshments of punch, sandwiches, pickles, olives and cookies were served to the following: Mesdames Crigler Paschall, Floyd Harrelson, C. E. Moore, J. H. Latson, George Davis, Joe Lovelady, Walter Boyd, George Winston, R. S. Elliott, B. E. Morehart, G. R. Kilpatrick, W. Z. Latch, B. J. Osborn, R. W. Merket, and the hostess, Mrs. Leo Clinton.
