

Wolves Set Scrimmages

Andrews To Face Wolves Here 7 p.m. Friday

The Colorado City Wolves for 1972 will find out what's in store for them when they face a tough Andrews team at 7 p.m. Friday at Wolf Stadium in a pre-season scrimmage.

The scrimmage will be controlled with each team running a certain number of plays on defense and offense and each having three plays to make a

first down or they will go back to their own 20 yard line.

The scrimmage is one of two this year with the second scrimmage planned for 7:30 p.m. Friday, Sept. 1, at Wolf Stadium when the Wolves will face Haskell.

The scrimmages have been planned by Colorado High Ath-

letic Director Weldon Brevard to prepare the Wolves for the season opener Sept. 8 against Monahans, a game that will be also played here.

Brevard and his staff are entering their second year here and they are enthusiastic about the outlook for the season.

The attitude among the team

members is tremendous, the coaches say, and the spirit is obvious to those who are around the team.

Although the Wolves have only six lettermen back from last year's varsity, the team is not all that inexperienced.

Back from last year's varsity squad are Gene Hunt, Tim Stansel, Mike Hallford, all weighing over 200 pounds and members of the interior offensive and defensive line, offensive and defensive backs are Melvin Jackson and tight end Jerry Boyd.

The team will be aided by the considerable experience picked of almost all other team members who played for the junior varsity last year.

One player who gained considerably last year on the junior varsity is Amador Guerrero, who will be the starting quarterback for the varsity this year.

Brevard has nothing but praise for Guerrero who puts out a lot of work in spring training and on his own during the summer in preparing for the season.

Guerrero grew an inch and gained enough weight to give him the needed strength to run the team on the ground and through the air, Brevard said.

Guerrero also filled in at quarterback and other positions last year on the varsity. There are also a number of other standouts who moved up to the varsity from last year's junior varsity such as Russell Hertenberger, Randy Barr, Arnold Parker, Clayton Salmon, and Julian Reyes, all of whom

1,585 In C-City Schools

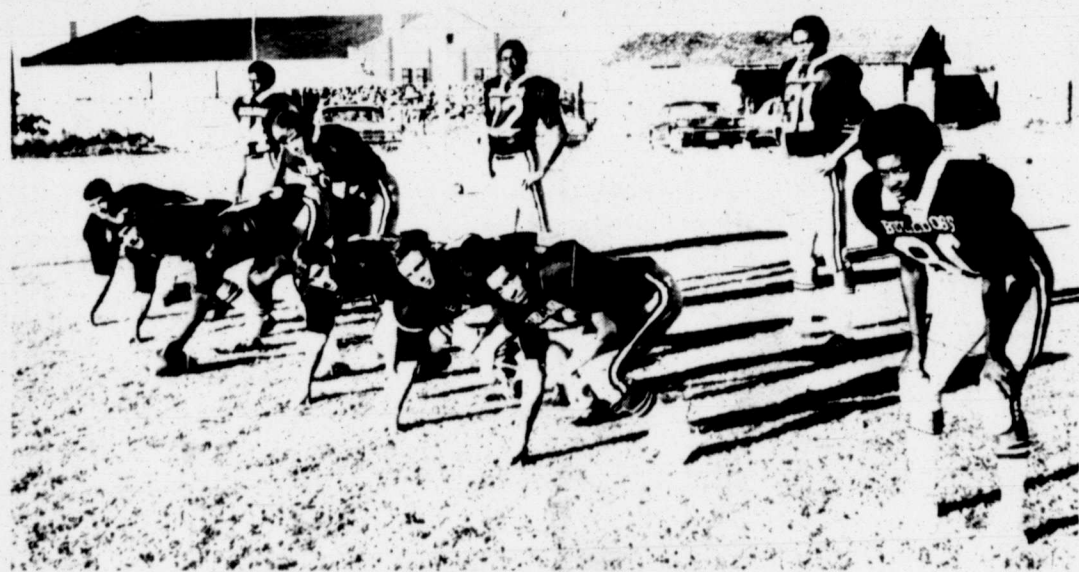

There were 1,585 youngsters reporting for the first day of school in Colorado City Wednesday.

Toward the end of the week, school officials were expecting that number to increase to 1,625 and 1,650 to be expected to be the average attendance for the year.

Here is the breakdown by grades with last year's attendance in parenthesis:

- Kindergarten, 98 (86).
- Grade 1, 112 (137).
- Grade 2, 111 (129).
- Grade 3, 130 (130).
- Grade 4, 128 (136).
- Grade 5, 135 (135).
- Grade 6, 125 (151).

Bulldogs Ready

... Looking For Another Good Season

Loraine State Champs?

Scrimmage At 7 p.m. Today

The Loraine Bulldogs are being touted by some as the 1972 Class B state champions.

But new head coach Freeman Lampkin and his assistant Stanley Moore, aren't worried about the state championship. Right now they're more concerned about how to win district championship.

The Bulldogs won title in their district last year and with only a few exceptions, that same team will be back in uniform this year.

However, there are a few problems, Lampkin points out, such as the fact that the backfield outweighs a light line, and the fact that the Bulldogs are without an experienced quarterback.

Eddy Merket has been moved up to quarterback and will be the field general for a strong

group of running backs that includes all-district Robert Darnell and all-district Michael Jones.

Wingback is Bobby Rose, also a letterman from last year.

On the line are Byron Byrne, Robert Hill, Gary Scarber, Doug Graham, Mike Givens and Don Crawford and Isaiah Williams.

In reserve will be Jesse Moreno, Mike Lee, Tim Green, Robert Alvarez, Tommy Green, Trinidad Chavez and Sylvester Rose.

This small number of players has made it tough on the team trying to practice Moore pointed out, as only half the line at a time can scrimmage.

Also, he noted that while the team is in good shape now, injuries could spell an end to any

title hopes by the Bulldogs.

The Bulldogs decked out in new gold and black uniforms, will get a taste of the coming season when they scrimmage the Colorado City Junior varsity at 7 p.m. today (Thursday) at Wolf Stadium.

Quarterbacking the Colorado City High team will be Gene Banks. Other members of the team will include several juniors, several freshmen and sophomores Mike Brooks, Ifran, Molina Tim Taylor, Danny Martinez, Ed Warren, Danny Molina Robert Roenfeldt, Steve Bolin and Steve Marcom.

The Bulldogs will scrimmage Rule, the top rated Class B team in the state, at Loraine Friday, Sept. 1.

The Bulldogs first game of the season will be against New Home at New Home.

QB Club Meeting

6 p.m. Friday

Don DeLaney outgoing president of the Colorado City Quarterback Club, announced Wednesday that the club will hold a meeting at Wolf Stadium at 6 p.m. Friday.

The meeting will precede the 7 p.m. Wolves scrimmage with Andrews.

Purpose of the meeting is to elect new officers and make plans for the coming year, DeLaney said.

"Barefoot" Play Slated

Sept. 5, 6, 7 & 9 have been set as the dates for the Colorado City Playhouse's upcoming production of "Barefoot In The

Park." The three-act comedy, written by Neil Simon will be presented in the Opera House at 8 p.m. each night. Tickets will be \$1.75 per person.

Don DeLaney is director of the comedy.

Members of the cast are Jim Holman, playing the part of Paul Bratter; Martha Armijo who is Bratter; who is Corie Bratter; Martha Bisette, playing the part of Mrs. Banks; Porter Richardson is the telephone man, Kent Womack is Victor Valasco, and Bob Reily is the delivery man.

Other division chairman will be named within the next few days. See PAYNE

Area Kiwanis Post To C-City's Payne

A 25-year charter member of Colorado City Kiwanis will become lieutenant governor Oct. 1 for Kiwanis Division 22, which stretches from here to Alpine.

He is James E. Payne, who is installed into the office Saturday in ceremonies at the 54th annual convention of the Texas-Okla-

homa district in Abilene.

Payne is succeeding Ellis Mills of Midland in the lieutenant-governorship. It was Mills who presented to Payne the pin designating the office.

Payne, who retired last year from Sun Oil Company, will be the third Kiwanian to represent Colorado City Kiwanian in the Division 22 office. Previous lieutenant-governors from here were Dell Barber and the late H.L. Berman.

Two others -- Frank Hood and Frank Wilson -- also were officials in the Colorado City club, but served as lieutenant governor while residing in other cities.

As No. 1 officials of Division 22, Payne will direct and lead all Kiwanis activities and programs within the divisions II organizations.

His first appointment to a division chairmanship was this week when he named Henry Furberry to head Operation Drug Alert, one of the major programs of Kiwanis International.

376 Students In Loraine

There are more than students Loraine this year than there were last year as 376 youngsters reported for the first day of school Wednesday.

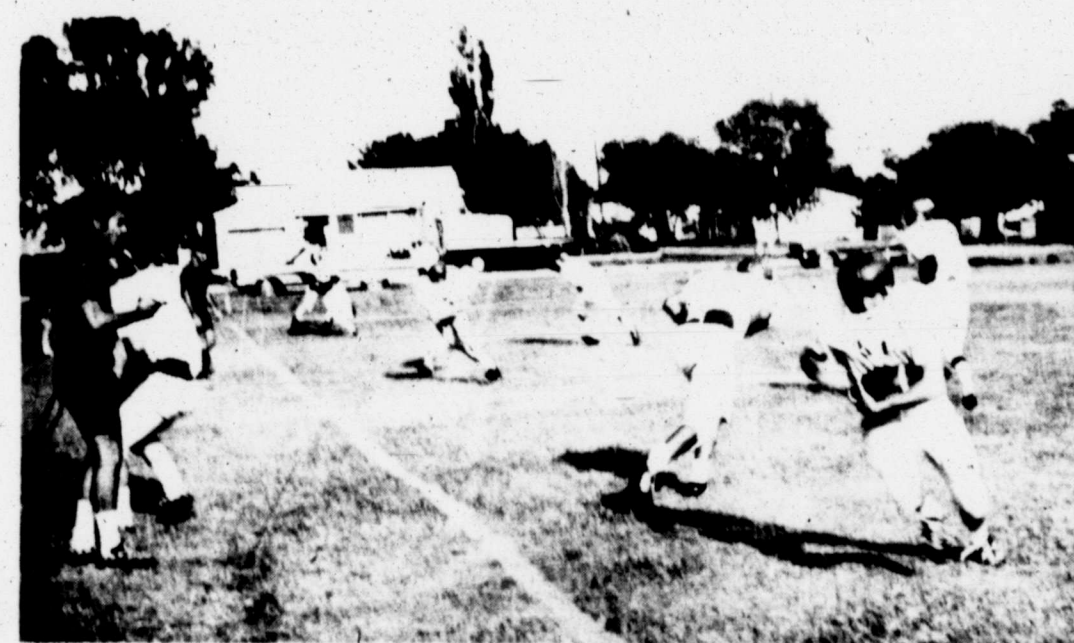

In elementary in Loraine, there were 214 students; 57 were enrolled in junior high and there were 105 students in high school.

Enrollment in elementary, junior high and high school were higher than last year.

150 Students At Westbrook

There were 150 youngsters in school at Westbrook this week as classes got underway Monday.

School officials said the enrollment was about the same as last year with 50 in high school, 25 students in junior high and 75 in elementary.

Returning Lettermen

The Colorado Wolves have only six lettermen on from last year, on this year's squad. They are, in top picture, standing, left to right, Jerry Boyd, Tim Stansel, and Gene Hunt, and kneeling, left to right, Melvin Jackson, John Ridge and Mike Hallford. In the bottom picture, Coach Jim Slaughter is pictured working with the first string backfield that includes quarterback Amador Guerrero, Russell Hertenberger, Ronnie Lindsey and Jackson.

Bass Club Organizes

Jim Reynaud Is First Prexy

A group of ardent fishermen have organized a bass club here.

Their organization is so new in fact, that they still have not officially named themselves.

"It probably will be Colorado City Bass Club," said Dale Byrd, Westbrook High Athletic coach and secretary for the bass fishermen. "However, we haven't decided for sure yet."

Jim Reynaud, member of the staff at Lake Colorado City State Park, is the new club's first president. Truman Nix Texaco dealer, is vice president.

The officers were elected at a meeting last week after an earlier organizational session.

Byrd, who said the club had been discussed for several months by numerous fishermen, emphasized that the organization planned to be active in

fishing, conservation, and anti-pollution.

"We are trying to promote bass fishing within our Colorado City area," the secretary explained, "and also work for proper conservation of our bass."

"Our effort also will be to help stop pollution."

Ten bass fishermen participated in the club's last meeting when 3 officers were named and bylaws proposed. Approximately 10 more "good prospects" on the club's list.

"We expect probably 30 active members in a month or two," said Byrd.

The Westbrook coach emphasized however that the bass club had more in mind than just membership size.

"Our idea is to comparatively small and to have a membership of real bass fishermen. We do not want 'do nothing' members."

Next meeting of the bass club will be Wednesday, Sept. 3, at 7:30 p.m. in Sanderson Carpet Company.

University Post To Edd Sewell

Edward H. (Edd) Sewell Jr. who received his doctor of philosophy degree in July, will be assistant professor of speech in the Department of Performing Arts and Communication at Virginia Polytechnic Institute and State University (Virginia Tech).

Dr. Sewell is the son of Mr. and Mrs. E.H. Sewell of Abilene and grandson of Mrs. H.L. Jamison of Colorado City. He is the nephew of another Colorado City resident, Mrs. L.D. Maines.

The professor completed requirements for the doctorate degree in interpersonal communication at Ohio University, July 19. His dissertation dealt with "The Effects of Orienting Instructions and Monetary Incentive on Listening Achievement."

Dr. Sewell and his wife, the former Judy Purson of Olton, were graduated from Hardin-Simmons University in Abilene. He received his master degree from Northwestern University.

Chicago, Ill., in 1970. Before beginning work toward his Ph. D. Sewell was an instructor on the faculty at Union University, Jackson, Tenn.

His duties as associate professor at Virginia Tech, Blacksburg, Va. will begin in September. Mrs. Sewell will begin graduate work toward the master of arts degree in theater and education.

Couple Exchange Wedding Vows In Chickasha, Okla.

Miss Carolyn Jean Fritcher became the bride of Larry Gene Parham at 7:30 p.m. in a candlelight ceremony at the college Heights Baptist Church in Chickasha, Okla.

The bride is the daughter of Mr. and Mrs. Albert Frank Fritcher of Chickasha, Okla., and Mr. and Mrs. Jesse Gene Parham of 1004 East 6th are parents of groom.

Rev. Raymond McDowell performed the double ring ceremony beneath a white wedding arch topped with seven white tapers and decorated with white gladioli, sprays of huckleberry and white satin bows.

Forming a background for the ceremony was an arch arrangement of white cathedral candles flanked by huckleberry and ivy. Family pews were indicated by puffs of white satin and strands of ivy. Bridal aisle was covered with white aisle cloth.

Twin winding staircases, on either side of the altar were draped with white silk roping caught up in loops with clusters of satin bows and trailing ivy. Pedastals at the base of the stairs supported arrangements of white tapers nestled in sprays of greenery and ivy, interspersed with deep pink roses and blue baby's breath.

Given in marriage by her father, the bride wore a floor-length gown of white Schiffl embroidery. The high neckline of scalloped Venise lace, beaded with a narrow blue satin ribbon was enhanced by a sheer yoke and outlined with the beaded lace forming a mock bolero and extending onto and edging the buttoned cuffs, of the full bishop sleeves. The a-line silhouette, bordered with lace, swept back into a full attached train, unfolding from back empire to chapel-length.

Her three tier veil of imported white silk illusioned and chapel-length under veil fell from a band of silk organza rosebuds and bow loops with pearl and crystal encrusted Alencon lace flowers.

The bride's bouquet was a

cascade of white Mystery gardenia, stephanotis and trailing English ivy.

Matron of honor was the bride's sister, Mrs. Wesley Gene Gibson of Chickasha. Bridesmaids were Miss Ilene Hraban, cousin of the bride, Mrs. Gary Grisham, both of Chickasha and Mrs. David Bryan of Oklahoma City, Okla.

They wore ankle-length gowns of white eyelet over soft blue polished cotton fashioned with a high neckline. The long sleeves were capped at the shoulder by a ruffle tapering into the empire waist which was accented by a wide blue taffeta ribbon tied at the back.

They wore wide brimmed picture hats of white straw lace tied at the crown with blue velvet ribbon and accented with stephanotis. They carried white hurricane candles decorated with pink brides roses, white poms, and tufts of blue tulle. Streamers of azalea pink and soft blue ribbon tied in love knots and strands of ivy fell from the handle.

Flower girl was Miss Jennifer Gregory of Chickasha. Candelights were Miss Stacy Parrish, of Chickasha and Pete Parham of Colorado City, brother of the groom.

Serving his brother as best man was Sam Parham of Abilene. Groomsman were Wayne Parham of Abilene, brother of the groom, Rod Mills of Colorado City and Wesley Gibson of Chickasha.

Ushers were Mike Robinson and Bob England, Chickasha. As guests were seated the ushers presented each with a miniature wedding scroll.

Mrs. Freida Young, organist, played "Trumpet Tune," "Rigaudon," and accompanied the bride as she sang "The Lord's Prayer" during the ceremony. Derwood Stephenson, soloist, sang "If We Only Have Love" and "Entreat Me Not To Leave Thee."

For her daughter's wedding,

Mrs. Fritcher chose a street-length dress of mist green metallic brocade knit with white accessories. Her corsage was a pale green cypripedium orchid.

Mrs. Parham chose a street-length ensemble of frost pink brocade knit and matching pink accessories. Her corsage was a snowy white Japhet orchid.

Reception following the wedding ceremony in the church parlor.

Registry table, attended by Miss Susan Methvin, was covered with a white net cloth over satin and decorated with an arrangement of white spinning wheel mums.

The bride's table was covered with a white organza over satin with a lace insertion. A silver and crystal epergne holding an arrangement of pink bride's roses, blue baby's breath, white poms and greenery centered the table. On either side a pair of large silver candelabras, entwined with ivy, held white tapers.

The tiered wedding cake was decorated in white and accented with tiny wedding bells. Four Grecian columns supported the bridal cake which was decorated with a white flower-massed canopy arching over two white cherubs. A large silver punch bowl and other silver and crystal appointments completed the setting.

The groom's table, covered with a cloth identical to that on the bride's table was trimmed in gold ribbon and centered with an arrangement of bronze and yellow poms and fern. On either side, a pair of brass candelabras draped with ivy held gold tapers. A crystal punch bowl and other brass accessories completed the table appointments.

Members of the houseparty were Mrs. B.H. Burruss, Mrs. Robert McDonald, Mrs. Nolan Methvin, Mrs. W.B. Anderson, Mrs. Jim Terry and Mrs. Wayne Parham.

For travel to Florida, the bride wore a navy two-piece knit suit accented with orange accessories. A corsage of gardenias from her bridal bouquet completed her attire.

The couple will be at home in Oklahoma City.

The bride will continue studies at Oklahoma City University. The groom is employed as an electronic technician with Dick Christian Appliance Centers.

Rehearsal dinner was hosted Friday night by the groom's parents at George's Steak House in Chickasha.

Mrs. Larry Gene Parham,

vows exchanged in Oklahoma.

Johnson, Graham Engagement Told

wed in home ceremony.

HD Clubs Have Annual Supper

Members of Mitchell County Home Demonstration Club gathered with their families and friends at the Medallion Room for their annual supper and "fun-time".

Approximately 100 attended.

Following the pot luck meal, Judge Bill Carter led the group in singing.

Highlight of the occasion was "Comedy Hour" time with three clubs participating.

Bufoed Home Demonstration Club presented "Granny's Clinic". The skit reflected the power of magic in making wishes come true after participants drank Granny's concoction which produced "amazing results".

The "Newly Weds" was produced by the Looney HD Club, which was a mock-up of the TV production.

CONGRATULATIONS

Freeman Lamkin is Lorraine's new head coach and his new assistant is Stanley Moore.

These two McMurry graduates are working earnestly with their youthful charges as they prepare for a season that some say could lead to the state championship.

Lamkin came to Lorraine last year as the assistant coach and was instrumental in building the football team that won district as well as adistrict championship in basketball and a contender for the state track crown.

Moore is a Mitchell County native and had previously coached in the Colorado City school district.

To both these men and the young men they are coaching, we offer our congratulations and best wishes for a good year.

New Four-County Council On Drugs And Alcoholism

Snyder Council on Alcoholism has announced a newly developed council on drugs and alcoholism which will serve Scurry-Kent - Fisher - Mitchell Counties and offices will be located in the Brownfield Building in Snyder.

The council is a united fund agency and is supported by other local support.

Major objective is prevention of alcoholism through education of youth and adults in all segments of community life.

They provide assistance and guidance to families of the alcoholic; provide rehabilitation through appropriate referral of persons who are problem drinkers or alcoholics.

The same type of services will be carried out by this council in each of these four areas.

"This is a service urgently needed in our community, and in all communities. And alcoholism is a very grave public health problem," L. D. Womble, executive director, said.

"Over nine million alcoholics in our nation today, with two hundred thousand added to this figure each year.

"Alcoholism can be prevented when people are armed with sufficient knowledge of its symptoms. While at the present time there is no immunization against alcoholism, there is no means of successfully treating it and its victims can once again lead full and productive lives.

"We will cooperate with the Texas Commission on Alcoholism...the North American Association of programs," Womble concluded.

Farmcast

Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Calf prices are above 100 per cent of parity, the Texas Crop and Livestock Reporting Service notes. Average price for calves received by Texas farmers as of July 15 was \$45.30 per hundredweight. Effective parity is \$44.20 per hundredweight.

Overall, the all farm products index shows prices received by Texas farmers and ranchers were at 356 per cent of the 1910-14 base. This is an increase of 20 per cent above a year ago.

Calf prices are the only commodity above effective parity price. Cotton, for example, was at 28.5 cents per pound while the effective parity is 55.16 cents per pound. Hogs were at \$27.20 in Texas on the average; effective parity is \$30.60.

Beef cattle prices averaged \$35.60; effective parity is \$36.80. Grain sorghum averaged \$2.01, while effective parity is \$3.33.

Parity—that measuring stick used to compare farm income with non-farm income—is now at 75 per cent.

So even though farm prices have been increasing, total farm income is still about one-fourth below the rest of the economy.

Farm income now is estimated at \$18 billion this year. But at full parity, farm income would be about \$22 billion. LIVESTOCK moving from Texas, Oklahoma, Puerto Rico and parts of Arizona, California and New Mexico must be inspected and certified free of screwworms before being moved interstate.

The regulations will be in effect through Nov. 30 of this year, and from April 15 through Nov. 30 in future years until the present screwworm infestation is overcome.

State and federal veterinarians, state and federal livestock inspectors and accredited veterinarians are authorized to make the necessary inspections, supervise pesticide applications and issue shipping certificates.

TEXAS stocks of grain in all positions as of July 1 are estimated at 190 million bushels. This compares with 141 million bushels a year ago. The largest increase is in sorghum stocks followed by wheat, corn and rye. Stocks of oats, barley and soybeans are down from a year ago.

Sorghum stocks are estimated at 129 million bushels compared with 86.9 million bushels in 1971.

Nationwide, large increases were noted in corn, sorghum grain, wheat and rye. Stocks of corn, oats, barley, and sorghum totaled 81.7 million tons, 35 percent more than 1971.

Feed grain disappearance during April-June totaled 44 million tons, 17 percent more than for the same quarter in 1971.

SHEEP on feed in Texas shows a six per cent increase in the number on feed a month earlier. This, however, is four per cent below a year ago.

Drylot sheep feeders with a lot capacity of 2,000 head or more had 143,000 head of sheep and lambs on feed for slaughter as of August 1.

Current intentions to market the 143,000 head are: August, 53,000; September, 56,000; and October, 34,000. September and October intentions are incomplete at this time because additional lambs could still be placed on feed and marketed during the period.

WOOL production in Texas for 1972 is estimated at 29,765,000 pounds, according to the Texas Crop and Livestock Reporting Service. This is down two percent from last year's production of 30,397,000 pounds.

Spring shown wool is expected to account for 83 percent of the total wool production.

Nationwide, wool production is expected to be down four percent from the 1971 production of 159,084,000 pounds.

The Texas lamb crop is now estimated at 2,302,000 head, up one percent from last year. Nationwide, the lamb crop is estimated to be down four percent from 1971.

EARLY destruction of cotton stalks in the Lower Rio Grande Valley as well as throughout all of the state is urged. Mandatory deadline is Aug. 31 in the Lower Rio Grande Valley counties of Cameron, Willacy and certain portions of Hidalgo and Starr counties under the pink bollworm act.

Early destruction of stalks will help prevent build-ups of pink bollworms and other cotton insects for the 1973 crop.

CANCELLATION OF DDT registration will take effect August 31, except for a few limited uses. The Pesticide Advisory Committee of Texas, which makes recommendations to the Texas Department of Agriculture relating to the use of pesticides, said cancellation should have little impact on agriculture production in the state.

DDT will continue to be registered for use on stored sweet potatoes, use by public health officials, in prescription drugs, and by the military in health quarantine programs.

Marricle Receives BS Degree

Benny Wayne Marricle received a bachelor of science degree in range animal science recently from Sul Ross University summer convention.

Bennie is a 1968 graduate of Colorado High School and is the son of Mr. and Mrs. Tommy Marricle, former residents of Colorado City now residing in Snyder.

The younger Mr. and Mrs. Marricle will reside near Abilene where he has accepted a new position as manager of the McBeth and Marricle Egg Farm.

2 Suspects

Arrested After Rifle Stolen

A .22 caliber rifle stolen from a parked pickup at a Colorado City food store has been returned and 2 suspects charged with felony theft.

City police and sheriff officers arrested the suspects the next day following the theft.

Named in the auto theft charge filed in Justice of Peace Leonard Henderson's Court are Raul J. Rivas, 22, of Lenora and Armando C. Lopez, 19, of Big Spring.

The rifle was taken from E. S. Miles' pickup at 6:20 p.m., ed seeing the gun being taken and 3 men driving away in an old model pickup truck.

Rivas and Lopez were arrested the next day, Thursday, at

8:05 p.m. at Colorado City's west city limits by Policemen Bill Franklin and Dennis Wallace and Deputy Sheriff Simon Barrea.

A rifle identified as the one owned by Miles was obtained by officers in Big Spring Friday where it had been sold to another man for \$10.

A juvenile who was with the suspects the day of the rifle theft was released after investigation.

A prowler was chased from a residence in the 1500 block of Austin before dawn Friday morning. He had made his getaway before police arrived at the scene.

A barking dog alerted the quiet the dog, a man jumped out of a tree and ran north in the alley.

About the only description was that the prowler was wearing a light colored shirt, had dark hair and was about 5 feet 11 inches tall.

A 4-door Mark II Toyota sedan was stolen Friday night from the residence of Fielding Lee Jr. in TESCO Village on Lake Colorado City.

Lee told sheriff officers that his car was taken between 10:30 o'clock Thursday night and 8 o'clock Friday morning. The sedan was locked.

A suspect in the car theft is a youth arrested here a few months ago and returned to the Marine Corps, where he was wanted for being absent without leave.

Deputy Sheriffs Simon Barrea and Forrest Smith were escorting another man in custody Thursday when they spotted the AWOL Marine near the Greyhound Bus Station in Colorado City.

When the youth realized that he had been recognized, he ran. The officers, because of the other prisoner, could not immediately chase the youth, who has not been seen again in this vicinity.

Homemakers Participate In Food Preservation Classes

Homemakers in Mitchell County are finding out the advantages of home canning this month as they participate in a series of lessons on food preservation.

School, taught by Mitchell County Home Demonstration Agent, Mrs. Janis Choate, meets for the third session Tuesday, Aug. 29, at Wallace Community Center. Two sessions are held on Tuesdays (3 p.m.-5 p.m./ 7 p.m. - 9 p.m.) as a convenience for those wishing to participate but have public working jobs.

Classes are free for everyone interested in learning about home canning and food preservation.

The two previous sessions included the teaching of safe canning techniques and methods, care of the pressure cooker, the importance of selecting the right jars, and actual preparation and canning of stewed tomatoes, peas, squash, pickled okra, and green beans.

The third class will be the teaching of making jams and jellies.

The fruits and vegetables used in the classes, the jars and all other necessary equipment is

furnished and students need not bring anything extra.

"Foods prepared by the participants are theirs to take home," said Mrs. John Shamburger.

"We hope to get ladies interested in preparing a winter pan-

try for their families by letting the canning equipment at the center be on a "check out" basis for those not wishing to purchase canners," she added.

"If there is enough interest by the women, there will be a fourth session on pickles," she concluded.

2 Vehicle Collision Injures 3

A collision on a construction stretch of Interstate 20 Friday sent three persons to the hospital for treatment.

Hurt were Paul Edward, driver of a 1968 model sedan, and 2 persons in the car, Evelyn H. Edwards and Barbara Edwards, all of Memphis Tenn. None were in serious condition.

State Highway Patrolman Bruce Flint reported that the accident, between the Edwards, car and J.H. Strain Construction truck driven by Charlie Tomaneck of Knox City happened at 8:45 a.m. 6.7 miles east of Colorado City.

The Edwards car was in collision with the rear of the truck in a 40-mile-per-hour speed zone where highway construction was in progress.

Both vehicles were traveling east.

MOURNING DOVE-WHITE-WINGED DOVE

Hunting Regulations - 1972-73

DAILY BAG LIMITS

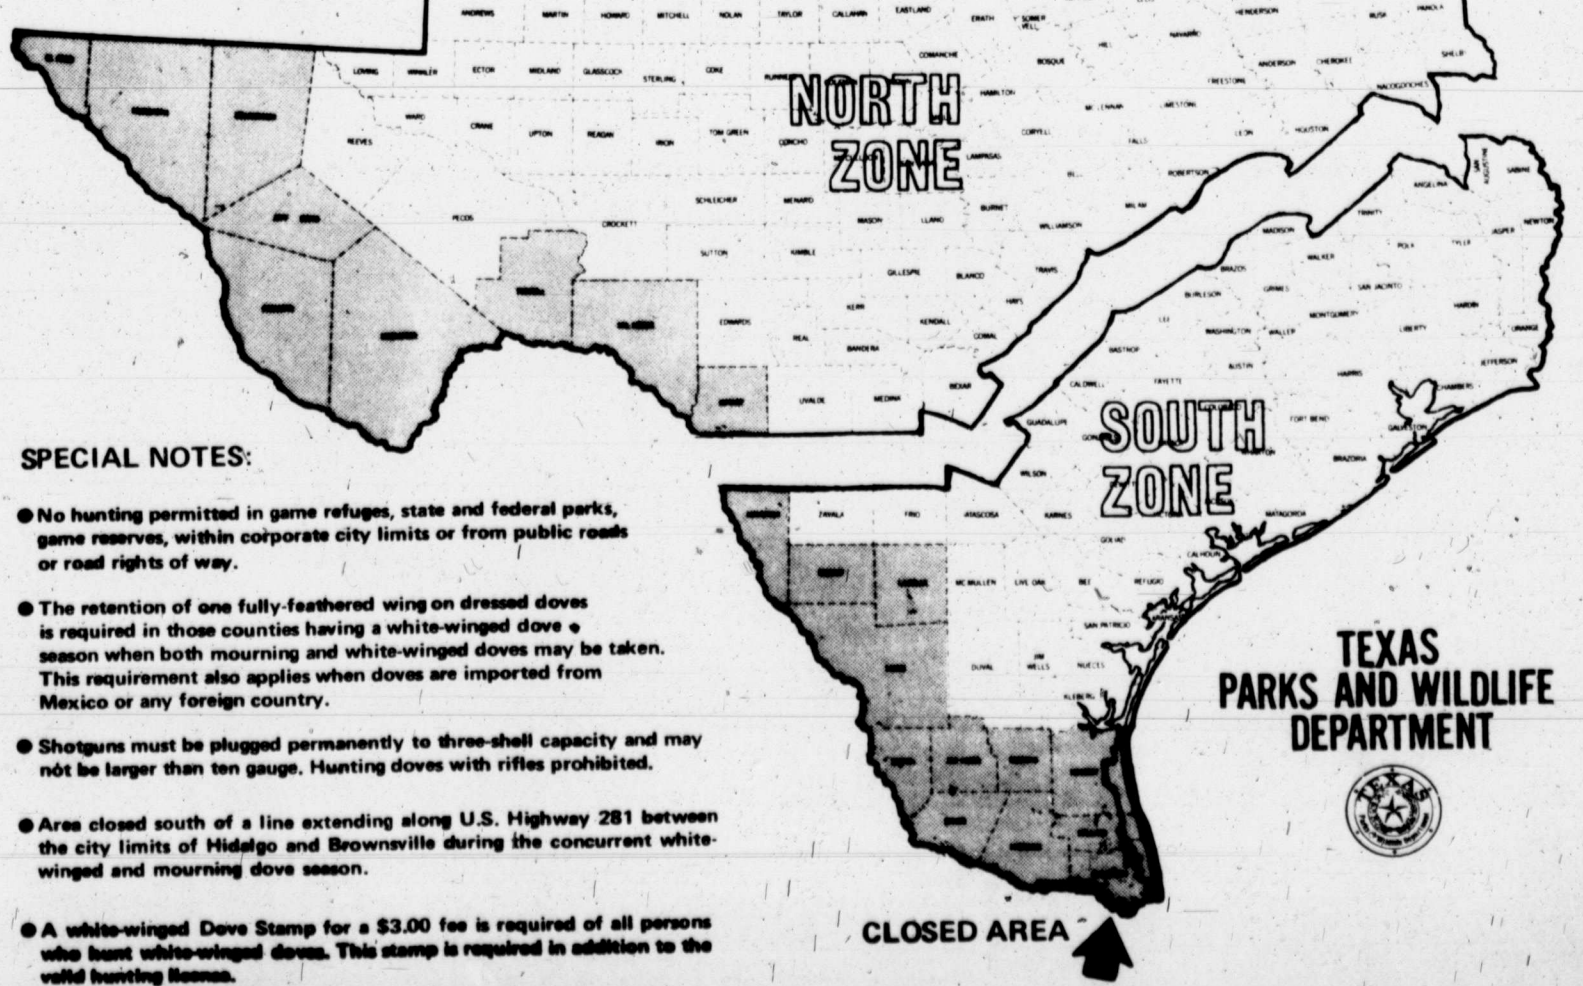

MOURNING DOVES
Daily Bag Limit-10. Possession Limit-20
WHITE-WINGED DOVES
Daily Bag Limit-10. Possession Limit-20

NOTE: Bag limits of both white-winged and mourning doves may be taken during the open white-winged season.

SHOOTING HOURS:

● Mourning and White-winged Doves: 12 noon to sunset.

NOTE: Both mourning and white-winged doves may be taken during the open white-winged dove season.

SPECIAL NOTES:

- No hunting permitted in game refuges, state and federal parks, game reserves, within corporate city limits or from public roads or road rights of way.
- The retention of one fully-feathered wing on dressed doves is required in those counties having a white-winged dove season when both mourning and white-winged doves may be taken. This requirement also applies when doves are imported from Mexico or any foreign country.
- Shotguns must be plugged permanently to three-shell capacity and may not be larger than ten gauge. Hunting doves with rifles prohibited.
- Area closed south of a line extending along U.S. Highway 281 between the city limits of Midland and Brownsville during the concurrent white-winged and mourning dove season.
- A white-winged Dove Stamp for a \$3.00 fee is required of all persons who hunt white-winged doves. This stamp is required in addition to the valid hunting license.

TESCO Announces Plant

Texas Electric Service Company announced today that studies underway for more than a year have resulted in a decision to proceed with construction of a nuclear-fueled generating station at a site about four miles north of Glen Rose in Somervell County.

The station will be owned jointly with Dallas Power & Light Company and Texas Power & Light Company.

Construction of the station,

Dove Season Begins Sept. 1

Texas dove hunters with frostbite? Unheard of!

Until this season, Texas dove hunters were prone to heat prostration or rattlesnake bite.

But recent action by the Texas Parks and Wildlife Commission split the mourning dove season making a portion of it in September, and the remainder in January when the cold winds blow.

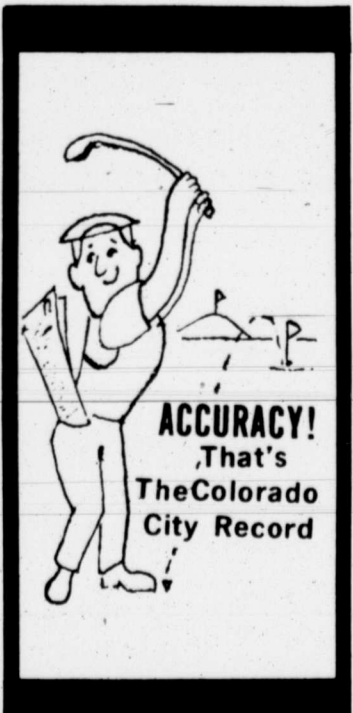

The North Zone season, in which Mitchell County is located, will be Sept. 1, through Oct. 14, 1972, and Jan. 6 - 21, 1973.

In the South Zone the season will be Sept. 23 through Nov. 5, 1972 and Jan. 6 through Jan. 21, 1973, except that in counties having an open season for white-winged doves, the open season for mourning doves ends Nov. 2 during the fall segment of the season.

Texas Parks and Wildlife Department biologists stress the split season is just an experiment to see if the late season will result in additional recreation without unduly increasing the overall harvest of doves. They will keep a close eye on the results to see if late etve hunting in Texas might affect the breeding populations of other states.

Hunters have long been interested in such a season because of the many doves present in Texas during the winter months, according to department officials.

Biologists call for the experiment season this year because they now have the means to evaluate the effects of a split season, whereas in the past sources of the information need were not available.

PAYNE
From Page 1
eral weeks, Payne said.

Payne, who was a charter member when the local Kiwanis was organized 25 years ago served as the organization's second president after the inaugural term of Sims Palmer.

In the ensuing years he has served a leadership role in every phase and committee of Kiwanis work, as well as holding every local office. For 19 consecutive years he has been cited for perfect attendance.

In addition to being a delegate to numerous Texas-Oklahoma conventions, he also has been a delegate to 2 international conventions.

Within Division 22, which includes that broad area of West Texas bordered by Snyder, Colorado City, Pecos and Alpine, Payne has been inter-club chairman.

Kiwanis is a Payne family interest because Mrs. Payne for years has been "sweetheart" of the club here, serving as its pianist and also participating in Kiwanis activities on local, area and state levels.

Payne who was West Texas representative for Sun's gas sales before his retirement, is a member of First Methodist Church, where he is past president of the Men's Bible Class.

He has been a registered Scouts for 35 years with a service record that spreads from troop adult leader to camping and activities chairman and council advisory board member of Buffalo Trails Boy Scout Council.

WOLVES
From Page 1
are expected to give stout performances this year.

On the starting line will be center Mike Hallford, Guards Bill Dockrey and Mike Everett, tackles Gene Hunt, and Tim Stansel and Jerry Boyd and Ricky Spann.

Guerrero will be at quarterback with Melvin Jackson, Russell Hertenberger, John Ridge, Clayton Salmon, Ronnie Lindsey rotating in the backfield.

These standouts are expected to get help from the bench from Mitch Cooley, Joh Rivera, Arnold Parker, Bill Griffin, Steve Hamrick, James Bradbury, Felix Franco, David Smith and Vincent Garcia.

Some of these will join sophomores on the junior varsity to gain experience for the next year.

Brevard is a firm believer in getting everyone into action so that they might gain experience which can pay off.

-- The Wolves have been rated all the way from the bottom of the district to near the top. The coach of another team in district 3-AAA warned a sports-writer not to underrate Colorado City as the Wolves have the spirit to win a lot of games and maybe even the district title.

Estacado is the district favorite with Dunbar and Lamesa not far behind, but the schedule favors the Wolves this year as the three top favorites will face the Wolves in Wolf Stadium, a decided advantage.
