Playhouse Plans Historical Plays

An important part of the county's Bicentennial celebration will be contributed by the Colorado City Playhouse group.

They have set forth an ambitious schedule, including presentation of the historical musical, "1776."

"The Playhouse normally produces four plays annually," said president Coleen Palmer, "and so setting up a four-play schedule for the Bicentennial will not be anything new."

"What will be different is the scope of the productions, as we hope to involve all the civic clubs in the city in the musical about the signing of the Declaration of Independence as the cast calls for about 28 male parts and the Playhouse just can't fill that many parts."

"Also, we're hoping to get a wide response for the playwriting contest we are sponsoring," she added.

The play contest screening committee of George Womack, chairman, and Carl Moore, Mrs. Palmer and Joe Earnest, is presently writing up rules for the contest and will send information to colleges and any group which might have student writers interested in writing a play.

The play should feature Mitchell County history, that is, be fiction based on historical fact, Mrs. Palmer said.

A monetary prize will be awarded conditional to granting premiere production rights to the Playhouse group. She also said that since Colorado City's centennial celebration will be coming up in 1980, the play will probably be produced in observance of the city's birthday as well.

Included in the 1976 schedule for the Playhouse will be the historical musical, then an old-fashioned melodrama of the type first staged on the boards of the old Opera House, the original historical play and another play to be selected.

Deputies vs. CHS Faculty Game Set

Sheriff's Deputies and Colorado High School coaches are going to square off in a basketball contest and proceeds from the event will be donated to Mitchell County Boys' Club.

The game will be played, Thursday, March 20 in Wolves Gym.

Team rosters are not yet complete but will include Sheriff Bill McGuire and his deputies vs. head coach Mike Farda and high school principal Bill Everett and other high school faculty members and coaches.

\$80,000 For City?

Preapplication For Grant OKed

Colorado City's preapplication for an \$80,000 federal grant has been approved by a committee of the West Central Texas Council of Governments.

The grant had been requested by the City Council as a way to finance a six-inch sewer line to the south Austin street area.

A delegation from the South Austin Street area went before the council several times last fall and requested that the city provide some type of sewer service.

It was a first thought that the city could offer to pump out septic tanks but initial investigations have determined that such an operation could be too costly.

The grant request is for 4,300 feet of sewer line which could require an additional \$30,000 from the city in addition to the \$80,000 grant, according to information on the pre-application.

The possibility of putting in a sewer line for South Austin has been considered several times but money has not been available from local sources.

The grant under which federal money is being made available has as its main trust to eliminate urban blight. It is a six year program and once a city is funded, it will be able to obtain additional monies for other projects.

The City Council has appointed a Community Development Committee which will assist in preparing the formal application. A meeting of that committee is expected to be held soon now that the pre-application has been approved.

Deadline for submitting the formal application is May 15.

A complete list of the conservation work initiated by Alvarez includes the following:

--19,000 feet of inadequate terraces were torn down and replaced by 22,134 feet of parallel terraces.

--15,400 feet of standard terraces were built.

--2,252 feet of diversion (level basin) terrace were constructed.

Alvarez Is 1974 Conservation Farmer

Anastacio Alvarez, 51, farmer in the Loraine area, has been selected by Mitchell Soil and Water Conservation District as the outstanding conservation farmer in Mitchell County for 1974.

"Alvarez is doing a good job of conservation farming and the Mitchell SWCD is proud to have him as their 1974 conservation farmer of the year," said Van Mills of the Soil Conservation Service county office.

"He has been a cooperator of the district since 1962 and entered into the Great Plains Conservation Program in 1973 to receive financial assistance in carrying out a conservation program," Mills added.

Alvarez's conservation plan calls for new terrace systems on most of the fields. In one field, the old terraces had to be leveled out and they were replaced by parallel terraces. An additional 15,000 feet of standard terraces were needed to complete the terrace systems in other fields, Mills said.

--75 acres were mulched with cotton burrs.

--Conservation cropping system, 277 acres.

--Crop residue management, 277 acres.

--Contour farming, 277 acres.

"Alvarez is quite influential among the Spanish-speaking Americans," Mills pointed out. "He takes special interest in school and other community affairs. He had four children in

Angelo State University at one time."

The Alvarez family, including Anastacio and his wife, Lydia, and 17 children, although six children have already left home, lives on their farm about five miles north of Loraine.

They live in a brick home built by Alvarez himself with the help of the children.

He is a native of Mitchell County and has farmed most of his life.

Farmers Lend Helping Hand

Twenty-four tractors were brought to the J. M. Munoz farm southwest of Loraine Thursday by friends and neighbors of Munoz to break his land and help out a neighbor.

Munoz underwent open heart surgery about three weeks ago and was unable to carry out his farming operations and get his land prepared.

The helping hand was organized by his friend, A. A. Lujan, who also farms in the area.

A large luncheon feast was prepared by wives of the farmers and then the tractors moved into the fields, plowing about 400 acres by nightfall.

Those who helped out included the following: Alberto Martinez, Dolores Munoz, Eddie Alvarez, Frank Garcia, Manuel Chavez, S. R. Galvan, Victor Galvan, Anastacio Alvarez, Travis Branch and Abram Castro.

Also helping were Antonio Quintana, George Davilla, Paulo Munoz, Eloy Briseno, Rodolfo

Calderon, Humberto Calderon, Jesus Castro and Grady Mitchell.

Helping also were Herman Mitchell, Jose Barrera, Manuel Munoz, Raul Guerrero, Victor Deloera, Joe Munoz, Mrs. Maggie Hamrick and Mrs. Clarence Cain.

Playday Today

A regular point Playday will be held today in the club arena, sponsored by Western Riding Club.

Registration begins at 1 p.m., followed by competition starting at 2 o'clock.

Events include barrel race, pole bending, flag race and either goat tying or potato race.

Entry fee is \$1 per event for each age group except PeeWee; their fee is 50 cents.

Taylor Files For Election

Willis Taylor Wednesday filed for election to the Colorado City school board, bringing the total to four candidates for two positions on the board.

Wednesday was the final date for filing for the election. Previously, incumbents Tom Rees and S. L. "Mac" Morris had filed, along with Billy A. Moore.

Taylor lives at 1012 Pine St. in the city, with his wife, Louise, an aide at Colorado Junior High. They have four children: Tim, a CHS senior; Linda, a sophomore; Rodney, an 8th grader and fifth grade student, Stanley.

Taylor gave as his reason for filing for the election his interest in the kids and the school.

Five File For Loraine Board

Five persons have filed for election to the Loraine school board, two incumbents and three others seeking a first term.

Three places are open for election: those presently held by Margaret Mahon, secretary of the board and Ronald Bruce, president of the board, and the term left vacant by Billy Cornutt's resignation.

Those persons who filed for election before the Wednesday deadline expired are Mrs. Mahon and Bruce, Anastacio Alvarez, George Martin and Linton Ray Webb.

All five candidates expressed concern for keeping the school system in top financial condition in order to best serve the interests of the students and community.

Each of the candidates also has children attending Loraine schools and expressed concern in seeing that they get the best education possible.

In alphabetical order, each

candidate's views are presented below:

--Anastacio Alvarez entered the school board election because he wants all children, as well as adults, to have a good education. He and his wife, Lydia, live on their farm north of Loraine in the brick home he himself built on the south slope of Lone Wolf Mountain. They have 17 children, six having already graduated from Loraine High School. Presently enrolled in Loraine schools are David, 17; James, 16; Richard, 14; Mike, 13; Rene, 12; Margie, 10; Helen, 8; Pat, 7; Cheryl, 5 and Charles, 5. Three-year old Joe is not yet in school.

--Ronald Bruce is completing his second term on the board of trustees and succeeded Dr. Joe Terry as board president about four years ago. "Everyone in the community is concerned with the small school system and the effects pending legislation will have on the financial structure of small schools," he said.

"It's more difficult and there are more problems in running the school system now than when I first was elected to the board," Bruce added.

Bruce and his wife, Nelda, See BOARD Page 9

Makes Presentation

Don Delaney, right, post service officer for VFW post 9178, presents a flag plaque on behalf of the VFW post to the city's new Civic Center. Accepting the plaque are, center, Mrs.

Margaret Oyler, Civic Center manager and James Campbell, city manager of Colorado City. The plaque will hang in the auditorium above the speaker's table.

Four Candidates File For Loraine Council

Thursday was the last day to file for election to the Loraine City Council and three candidates have filed for the council along with incumbent Mayor Royce Mahon for the mayor's spot.

Three posts on the council are up for election. Incumbents C. H. Hamilton and Evert Henderson will run again, along with Lesley H. Eason, candidate for the position left vacant by E. B. Bowlin, who did not file for reelection.

Mahon is unopposed in the mayor's race. He is completing his first two-year term as mayor and pointed with pride to the new \$15,000 sewer plant which was built during his mayoral term.

"The Loraine sewer system had been in jeopardy with the Texas Water Quality Board and it was a major city need for the past few years to fix up the waste system. Our deadline was up and the state was about to close us down. The new plant meets all state specifications and is one of the major accomplishments of Loraine city government for the past few years," Mahon emphatically said.

"Another major need is cleaning up the town, both residential and business sections and I believe we've made a start toward doing that."

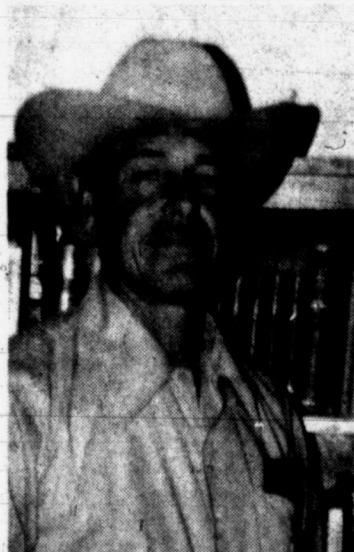

"We are now in contact with a number of estates and landowners to get permission to either clean up the places or tear down old buildings. It's just a matter of tracking down the owners

and getting their permission, a time consuming process.

"The city also now keeps up the cemetery and, although it's

a job, it is also a worthwhile project.

Loraine Peace Officer

Kenneth Higgins, 22, was hired recently by Loraine City Council as city law enforcement officer, taking the spot filled by Jack Brewer for the past 25 years. Brewer resigned, giving poor health as his reason. Higgins' first day of duty was Friday. Four other applicants sought the peace officer's job. Higgins and his wife, Deonna, bought a house in Loraine about six months ago and he had been employed as a roughneck with Riley Drilling Co. They have two small children: Waylon, 2 years old, and two-month old Lena. He was a hospital corpsman in the Coast Guard.

New Manager

Wedge Turner is the new manager of Lone Star Gas Company here, succeeding C. R. Bellomy. His first full day in the Colorado City office will be March 17 and he will be moving here with his family from San Saba where he was Lone Star Gas Co. manager the past three years. His wife, Neva, and he have two children, a girl, Melanie, 14 and a 2-year old boy, Ray. Turner was also manager at Hico for two years and worked as gas company serviceman in San Angelo about 10 years. He is presently president of the Rotary Club in San Saba and a member of the San Saba Volunteer Fire Department and a senior deacon in the Masonic Lodge. They are Baptists.

Luncheon Held For Bible Class

The Wesley Bible class met in the First Methodist Church Fellowship Hall for a luncheon Tuesday.

Mrs. Dewey Davis, class president, presided over the business meeting. The class voted to donate one hundred dollars to the new light fixtures fund for the sanctuary.

Mrs. Small gave an inspirational devotion on "Friendship" based on scripture from John 15. The group sang "What A Friend."

Those who attended were Mmes. Frank Andrews, R. P. Ware, E. M. Fisher, Wilma Reynolds, Earl Hunter, J. S. Craddock Sr., Myrtle Womack, Dewey Davis and J. P. Nunn.

Also attending were Mmes. Earl Brown, W. W. McElhannon, Small, L. B. Elliott, Tom Grant, Oscar Jones, J. W. Randle, Arnell Smith and Tom Oliver.

Home Demonstration Council Has Meeting

The regular monthly meeting of the Mitchell County Home Demonstration Council was held at 2:30 p.m., Thursday in the Medallion Room.

Mrs. Don Blassingame presided over the meeting. Six Home Demonstration Clubs were presented and three visitors were present.

Mary Womack, secretary, read the minutes of the last meeting. THDA chairman, Mrs. R. D. Penny, reported that fifteen council chairmen, twenty-two extension agents, and sixteen THDA chairmen attended the THDA training meeting which was recently held in Lubbock. Mrs. Russell was guest speaker.

The council voted to contribute to the Civic Center Landscaping Fund with the finance committee determining the amount at their next meeting. The council also voted to pay the

remaining expenses of the heart seminar and luncheon held in the Civic Center. Plans were discussed in attending the District Spring meeting which will be held April 8 in Lubbock.

Immediately after the council adjourned, Mrs. R. D. Penny, THDA chairman, held an election of delegates who would attend the district Spring meeting. Delegates elected were Mmes. R. D. Penny, Thomas Riden and W. W. Cooper. Alternate delegates elected were Mmes. R. E. McMillan, Charles Williams, and Pauline Smiley.

The next meeting will be Thursday, March 20 at 2:30 p.m. in the Medallion Room. All visitors are welcome.

B&PW Hosts Program For Saturday

"Because Some People Are Women" will be the theme for an all day program to be held Saturday, March 15 at Colorado City Civic Center, with registration beginning at 9:30 a.m.

Mrs. Margaret Oyler, chairperson for this Business and Professional Women's Club project, says it will be of interest to every working woman, whether involved in the business world, homemaking, or volunteer services, and hopes many Colorado Citizens will plan to attend.

Miss Kay Kelly, teacher for Colorado City Schools, will lead the program with their topic, "Because Some People Are Women With Goals." Mrs. Opal Kennon, district B&PW director, will discuss with the group the role of the club woman.

Highlight of the afternoon will be a review of "Home, and Home Again," a warm family story, presented by Mrs. G. D. Foster, well known throughout this area for her book reviews. The formal program will be interspersed with short skits, some pertinent, some entertaining, performed by club members.

Luncheon will be included in the registration fee of \$3 and additional information or reservation may be obtained from Margaret Oyler at the Civic Center.

Daughtrey Honored On 82 Birthday

The Believers Sunday School Class of the Plainview Baptist Church held a reception in the Fellowship Hall Thursday honoring their class mother, Mrs. Tom Daughtrey, on her 82nd birthday.

Mrs. Foy Webb pinned a red carnation on Mrs. Daughtrey and the class group and visitors sang "Happy Birthday."

Mrs. Minnie Howell brought the devotion from the 13th chapter of Corinthians, known as the Love Chapter.

Mrs. Martha Matthews read poems, "As You Go Through Life," and "Believe In Yourself" and "Happiness." Mrs. Mike Shurtlett sang "May The Good Lord Bless and Keep You," while accompanying herself on the guitar.

Guests present were Mmes. Claude Storey, R. D. Penny, Kay Morris, W. C. Harlow, Dee Cloud, Roy Norman, H. T. Brookshire, Felix Jones and Kenneth Abbott.

The guest list also includes Mmes. Jesse Bolin, Kelly Martin, Tommy Williams, Mike Shurtlett and Cody, Jo Thad Matthews and Bill Vest.

Members present were Mmes. Jack Bowen, Herman Salley, Foy Webb, Grace Howell, Martha Matthews, G. M. Howell, Marcus Vest, Lee Roy Ishart, Robert Bolin, Mr. and Mrs. Roy Howell, and the honoree, Mrs. Tom Daughtrey.

All enjoyed refreshments of birthday cake and punch.

Short Course Begins Monday

The beef cattle short course scheduled for Colorado High School March 10, 11, 12 and 13 will be taught by Frank Litterst, Beef Cattle Specialist with the Texas Education Agency and Texas A&M University.

The four meetings will begin at 7:30 each evening. Charge for the course is \$3.

Subjects to be covered in the short course will include bull selection, fertility problems of the bull and cow, pregnancy diagnosis, exotic breeds, crossbreeding, nutrition and cattle management programs.

Further information may be obtained from Frank Brownfield, CHS vocational agriculture teacher.

Carl Webb Promoted

Carl Webb, son of Mr. and Mrs. Brice Webb of Colorado City is employed by General Motors in the Chevrolet Division in Dallas and is now promoted to District Manager.

Webb and his wife, Rose Ann and son, Brice, will join him as soon as the school year ends. Rose Ann Webb, formerly Rose Ann White, presently teaches first grade in De Sota.

Rogers Elected As President

Mrs. Jimmy Rogers, the former Sandra Barkley and formerly of Colorado City, was elected as the 1974-75 president of the Graham Ladies Golf Association in Graham. She is also the 1974-75 secretary of the Board of Directors at Graham Country Club.

Mrs. Rogers is a 1958 graduate of Colorado High School and the daughter of Mr. and Mrs. J. C. Barkley of Rt. 3, Colorado City. She is the granddaughter of Mrs. T. W. Daughtrey Sr. of Rt. 2 in Colorado City.

Mrs. Rogers resides in Graham with her husband, Jimmy Rogers who is employed with the Texas Electric Graham Power Plant in Graham.

Mrs. Rogers is also a member of the Graham Pink Ladies, of the Graham Library Board of Trustees and the First Baptist Church.

Choir Booster Club Met Tuesday Night

Colorado City Choir Boosters met for a regular meeting in the high school choir room on Thursday, February 20.

Choir boosters were entertained by members of the Junior High and High School Choir who were to participate in the UIL contest.

They were also entertained by two Junior High Trios singing "Little Bird," a piano solo, "Moment Music" played by Lisa Morren, a recording of the High School Quartet singing "Sing Gloria," and finally, a solo by Cheryl Sawyer, "Sure On This Shiny Night."

Minutes of the previous meeting were read and bumper stickers were presented to members. They decided to set up March as Membership Drive Month and a goal of 100 members were set.

Plans for a fund raising drive to help the choir members of High School go to Amarillo were discussed and plans were made to have a bake sale on three Saturdays beginning March 29. Orders for cakes, pies, etc., can be made should they not have exactly what the public wants.

Their next meeting was set for Thursday, April 17, at 7 p.m. in the high school choir room.

Mrs. Sandra Rogers

The high school choir will perform at this meeting and tickets will be sold to any non-member wishing to attend.

Birthdays Celebrated In Loraine

The Junior and Elementary classes of First Baptist Church and their sponsors hosted the February birthday party for those having February birthdays in the Loraine Nursing Home.

They served birthday cake and chocolate cake with punch to James Tranham and Mrs. Thewat.

Mrs. Eddie Galvan, head of the recreation and entertainment of the home, announced that the sing-a-long for March will be held on Friday, March 14 and Friday, March 28.

Everyone is given an invitation to attend these musicals and take part.

Wednesday Meeting For Faith Circle

The Faith Circle Club met for its regular meeting Wednesday in the home of Mrs. Earle Brown.

Gladys Miller gave the program. Her theme was the "Resurrection," and she quoted excerpts from the Old Testament showing that in the early part of the Bible, people did not believe in a life after death. "In those days," she said, "people were classified as a corporate rather than individually and if any one sinned, the whole corporate or family was wiped out to stop the sinning."

As she later commented, "people later began thinking on an individual basis and they began worshipping Gods in the form of thunder, wind, etc. However, a small group of people began believing in a God as we know him today."

She then stated that after Christ came, his death, and resurrection, people began to believe in life after death and the works of God as we are taught today.

Members present were Mrs. Tom Grath, Frank Andrews, Bonnie Hunter, C. C. Thompson, Shirley Rogers, Mrs. J. W. Randle, Jess Craddock, Luna Bilberry, Harry Ratliff, Otto Jones, Lil Brown, Karl Strain, Mrs. J. C. Richardson, Delores Wood and their guest, Gladys Miller.

The Ministerial Alliance will meet Tuesday at 10 a.m. in the Calvary Baptist Church in Colorado City.

Methodist Women Met Wednesday

Under the direction of Mrs. Alva Bennett, study leader, the United Methodist Women met Wednesday morning at the United Methodist Church in Lorraine to continue their study of "Faith and Future Shock."

The meeting opened with prayer by Mrs. S. E. Meadows. Following the prayer, Mrs. Jim Johnson brought a devotional on Faith. She observed some of the rules on faith as follows: "Reading and Meditating upon the Holy Word," "Faithfulness in Worship and Church Attendance," and "Serving our Fellowman in Times of Need and Distress," pointing to the fact that faith without works is dead.

Mrs. Jack Linam then reviewed a chapter from the study book, entitled "Assessing Ones Own Faith." In a world filled with so much poverty and injustice it was asked, "Do we possess a faith sufficient to give us a victorious and joyous life?" It was pointed out that the church has seemingly lost its effectiveness in today's

Smiths Celebrate Birthdays Today

Mr. and Mrs. J. P. Smith will be celebrating their birthdays today from 2-4 p.m. in the home of Lee Ruddick at 525 Hickory.

J. P. Smith, born in 1885, will celebrate his 90th birthday. Mrs. J. P. Smith born in 1891 will celebrate her 84th birthday.

Mr. and Mrs. J. P. Smith's children will host the party. They are Messrs. and Mmes. Carroll Smith of Gatesville, Forest Smith of Colorado City, Clyde Alexander of Tucson, Ariz., Lloyd Smith of Colorado City, Lee Ruddick of Colorado City and Rev. and Mrs. Allen Smith of Jennings, Kansas.

Smith came to Colorado City in 1905 by train and Mrs. Smith came by covered wagon. They married here in 1912 and will celebrate their 63rd wedding anniversary in August. He is a retired farmer and

has been a deacon of the Buford Baptist Church for 55 years. They are now active members in the Oak Street Baptist Church.

Friends and relatives are invited to come and visit with Mr. and Mrs. J. P. Smith and have cake and punch with them.

Baptist Women Hear Book Review

Preceding the "Week of Prayer" for Home Missions, Baptist Women met at the First Baptist Church in Lorraine, Thursday morning at 9:30 to hear the book review "Missions in the Mosaic's," by M. Wendell Belew.

This book tells about people from other countries who have come to our country, settled here and made this their home, though they get accustomed to our ways of life to a certain extent, they still like to hold on to their own culture.

Mrs. Thomas Riden discussed the chapter on the American Indian. Many Indians still live in various sections of the United States and there are still 350 tribes here, she noted. Mrs. H. B. Graves continued the review of the book discussing the Black Americans, Mexican Americans, Cubans and the Europeans, all of whom cling to their own cultures.

The challenge for Baptist working with these groups is to teach them to teach and help themselves and their own people.

At the close of the program a covered dish luncheon was served in the church fellowship hall to eighteen members who were present.

The week's program for Home Missions opened Monday with a meeting at the church at 2:30 p.m.

Theme of the series of programs is "Herein Is Hope." Monday's program, directed by Mrs. Buck Taylor, was titled "Herein Is Hope - For Rejoicing."

Mrs. Taylor gave the introduction and was assisted in presenting the program by Mmes. C. D. Taylor, Woodrow Pratt and T. L. Holman.

The program at 9:30 a.m. Tuesday, was led by Mrs. Harvey Leach. She was assisted by Mmes. L. E. Crutcher, Bernice Hallmark and Lynne Compton. Topic discussed was "Herein Is Hope - For Reconciliation." Other topics for the week are "Herein Is Hope - For Salvation, For Everyone And For Eternity."

Sunday

ABC...THE SENTRY COLLECTION PRESENTS—"FUNNY GIRL TO FUNNY LADY" Barbara Streisand is the star of this special live television event from the Eisenhower Theatre of the John F. Kennedy Center for the Performing Arts. Dick Cavett is the host and will interview Ms. Streisand as well as introduce prominent guests from the black-tie audience of Washington. Notables who are gathered to see the legendary singer-actress in concert and in the premiere of her new film, "Funny Lady." The program will also feature James Caan, Ms. Streisand's co-star in the new film. In addition to Ms. Streisand's concert performance, the special will include scenes from her motion picture hit, "Funny Girl," as well as from its sequel, "Funny Lady."

Monday

NBC...BELL SYSTEM FAMILY THEATRE—"THE CANTERVILLE GHOST" Starring David Niven, James Whitmore, Audra Lindley, Lynn Frederick, Dame Flora Robson and Maurice Evans. Niven stars in the title role in the special adapted from Oscar Wilde's story about an American family that intimidates a ghost who haunts an English castle.

NBC...NBC MONDAY NIGHT AT THE MOVIES—"A BIG HAND FOR THE LITTLE LADY" Starring Henry Fonda, Jason Roberts and Joanne Woodward. A family man, who is also a compulsive gambler, uses his last \$4,000—earned for a homecoming claim—to participate in the biggest poker game in the West. Warner Bros., 1966. (R)

Tuesday

ABC...TUESDAY MOVIE OF THE WEEK—"KILLER BEES" Gloria Swanson stars as an aging matriarch dominating her family and terrorizing a town by her strange power to control killer bees. Also stars Kate Jackson and Edward Albert. (R)

NBC...NBC WORLD PREMIERE MOVIE—"THE BIG RIFLOFF" Starring Tony Curtis as McCoy, a con man who plots an elaborate swindle to recover \$250,000 in ransom money from the kidnappers of a millionaire's wife. Brenda Vaccaro, Roscoe Lee Browne and Larry Hagman guest-star.

Wednesday

ABC...THE ABC AFTERSCHOOL SPECIAL—"ROOKIE OF THE YEAR" This Emmy Award-winning story focuses on Sharon Lee, an 11-year-old girl who loves baseball and plays the game better than most boys. But when happy-go-lucky Sharon wins a chance

to play on the boys' team that she has served as equipment manager, she touches off one of the great "rhubarbs" in baseball history. (R)

ABC...WEDNESDAY MOVIE OF THE WEEK—"SCREAM OF THE WOLF" Starring Clint Walker, Peter Graves and Jo An Pflug. A once famous hunter comes out of retirement to track down what appears to be a mad killer wolf and discovers that it is no mere animal he is hunting, but an animal that may take human form.

Thursday

ABC...PRIMAL MAN—"THE HUMAN FACTOR" The difference between early man and other creatures that have walked the earth is charted and explored in this special. It begins with the "discovery" of fire by a Homo Erectus tribe almost a million years ago, and traces the measure of man's achievements, aspirations, doubts and fears over the broad spectrum of time.

How kids can help save energy.

You'll be surprised how easy it will be for you to conserve energy. Put an X in the box in front of each way you think you can help.

PS. Parents: Have your children seen this message? If not, you may want to call it to their attention. Cut it out and use it to remind your children that they can help you and all of us conserve energy in many ways.

- ☐ Don't keep the refrigerator or freezer door open any longer than necessary.
- ☐ Turn off the lights when you leave a room.
- ☐ Turn off the TV set when no one is watching it.
- ☐ Turn off the radio or record player when no one is listening.
- ☐ Be sure the hot water is turned off after you've used it. Remind your mom or dad when a faucet leaks and needs repairing.
- ☐ Don't turn on more lights than you really need.
- ☐ If the furnace or air-conditioner is running, keep the doors closed. And don't make unnecessary trips in and out of the house.
- ☐ Ride the bus whenever you can, rather than asking your parents to drive you.
- ☐ Ride your bike or walk to the store for your parents. If they don't run the car, they will save gasoline.

- ☐ Help plan family errands that require the car so they can all be done at one time.
- ☐ If you're a little cool, don't ask your parents to turn up the thermostat. A sweater will warm you up.
- ☐ Tell your parents if heating or cooling ducts are blocked by furniture or draperies.
- ☐ If no one uses a particular room, close the heat registers and keep the door shut.
- ☐ If you're helping with cooking, use an element that is about the same size as the pan. And don't be an oven-peeper.
- ☐ If the sun is shining on a cold day, open the drapes so the sun can help heat up your house.
- ☐ If you have a fireplace, be sure the damper is closed when there is no fire. Otherwise, heat will escape up the chimney.

Write down any other energy conservation methods you can think of on these extra lines. Mark those boxes too.

Engagement Told

...Jan Mearse

Mearse, Albuse Plan A June Wedding

Mr. and Mrs. Herbert J. Mearse of Loraine have announced the engagement of their daughter, Jan Elizabeth, to Kenneth David Albuse.
Albuse is the son of Mr. and Mrs. Leonard J. Albuse of Littlefield.
The bride-elect is a 1971 graduate of Loraine High School. She will receive a Bachelor of Science degree in Elementary Education in May from Texas Tech University.
The prospective bridegroom is a graduate of Pep High School and attended South Plains College of Levelland. He is employed by Matador Cattle Company at the Yellowhouse Ranch near Littlefield.
The couple plan a June 7 wedding at the First United Methodist Church in Loraine.

Student Exchange Day For CHS At Winters

Thirty members of the Colorado High School Student Council traveled to Winters High School Wednesday for a Student Exchange Day.
Upon their arrival, the students were paired with Winters' students and attended their classes. The purpose of the trip was to examine Winters' School system and find possible ways to improve our school system. The Student Council officers involved in the field trip were Mark Reynolds, Danny Edwards, Cindy Holder, Ginger Noel, Mark Kimmel and Jean-Anne Gray.
Students from Winters High School are to attend our high school at a later date this year. The Student Exchange Day has thus far been a success and seems to be very promising.

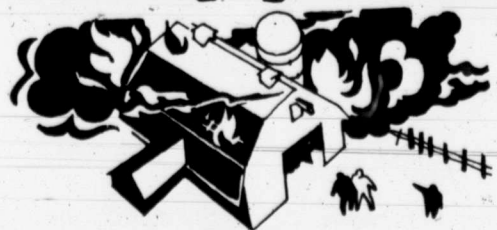

Randel Calaway, Penny Cooley, Lisa Wilkinson, Ruben Ornelas, Betsy Arispe and Luis Rios.

Also included in the Winters Student Exchange Day were representatives Margie Ballard, Michael Brooks, Patty Goodlett, Debbie Walding, Ivy Johnson, Kevin Herm, Lou Ann Griffin, Jackie R. Ellis, Gerald Hill, Ruby Johnson, Dawnetta Leonard, Sharon Coldeway, Belinda Schawacker, and Karen Herm.

This field trip proved to be enjoyable and the students involved discovered two or three good ideas.

Students from Winters High School are to attend our high school at a later date this year. The Student Exchange Day has thus far been a success and seems to be very promising.

Jesus, The Hope Of The World

William H. Hatler

Pastor

Oak Street Baptist Church

Colorado City

Luke 4:16-20

"One thing in which I really delight is hearing 'God-Called preachers' proclaim the Word of God. In the past several years I have had the pleasure of hearing such men, but there were many who have already gone to be with the Lord that I would like to have heard."

One in particular was John the Baptist as he stood before the multitudes, clothed in camel's hair, preaching "a baptism of repentance for the forgiveness of sin," and crying out "make ready the way of the Lord."

Another was Peter as he proclaimed God's Holy Word on the Day of Pentecost and three thousand came to know the saving grace of Jesus Christ.

And then there was the Apostle Paul. After his experience with Jesus, he stood before his Jewish friends and told them how Jesus Christ forgave him of all his sins and how Jesus would do the same for them if they would only repent, believe and receive Christ into their lives.

There are many others that I would like to hear, but the One I desire most of all to hear is my Savior and Lord, Jesus Christ. Luke tells us in the 4th Chapter of his Gospel, that Jesus entered the

synagogue on the Jewish Sabbath and stood before the people and read God's Holy word recorded in Isaiah 61: 1-2. Before Christ was a "tired old world." A world that was full of sin, sorrow, trouble and heartache. But before that "tired old world," stood the Hope of the World, Christ the Son of the Living God.

When Jesus came into this world, He brought two of the most precious gifts a human can ever receive. He brought "hope," and He brought "life."

1. HE BROUGHT HOPE AND A NEW APPRAISAL OF HUMAN LIFE.

When Jesus came He found a great deal of sorrow. He found a people that were downtrodden, poor and who had lost all hope; and in a soft commanding voice He said, "Let not your hearts be troubled..."

"I have come that ye might have life and might have it abundantly." I have come to heal the brokenhearted, and to give hope to the captive. Jesus was interested in people then and He is still interested in people today.

2. HE BROUGHT A MESSAGE OF HOPE AFTER DEATH.

Before Jesus came there was little light beyond the gr-

ave. For many the grave was the end of life's journey. But Jesus said there is a back door to death for those that believe. Listen to His words spoken to Martha in John 11: 25-26. "I am the resurrection and the life; he who believes in Me shall live even if he dies, and everyone who lives and believes in Me shall never die." Jesus brought a message of hope after death.

3. HE BROUGHT A MESSAGE OF SALVATION TO ALL THAT BELIEVED.

The New Testament clearly teaches that the only way one can be saved is through Jesus Christ. Jesus testified to this in John 10. When He said, "I am the door; if anyone enters through Me, he shall be saved..."

The Apostle Paul also wrote, "For through Him we both have access by one Spirit unto the Father."

History tells us that the great Temple of Karmak fell because of one small crack or flaw in its structure. The same holds true with sin in the life of man. All it takes is one small sin to condemn you to everlasting hell. Today Jesus is in the forgiving business. Tomorrow He's in the judging business. Jesus Christ is man's only hope. Have you personally invited Him into your life?

Mayor Burt Speaks To Garden Club

...Mayor Mike Burt

Mrs. Bruce Johnson, president, presided over the meeting. Mrs. Ron Lyle introduced the club's guest speaker who was Mayor Mike Burt. The program was on "Working With the City Council." He listed what the city council had accomplished during his term as council member.

Mayor Burt also discussed the many possibilities in what the city could do to help beautify Colorado City and what the citizens could do to help.

Mrs. Ron Lyle reported on plans that they have made for

signs to be put in the triangular "mini parks" between streets.

Committees for 1975-76 were announced by the incoming president, Mrs. Robert Chambers.

Members present were Mmes. John Brown, Robert Chambers, Roy Davis Coles, Ben Elliott, Walter G. Gaylor, Lynn Halbert and Bruce Johnson.

Also present were Mmes. Ron Lyle, E. M. Owen, S. A. Palmer, Floyd Shepherd, L. J. Taylor, E. B. Wilbanks and Fielding Lee.

Hawkins Speaks To CHS & WHS Students

Students and a teacher from Colorado City and Westbrook High Schools were included in the 150 participants in Southwestern Bell's Recognition Day conducted Thursday in Lubbock.

Featured speakers at the annual event were Dr. W. Lincoln Hawkins of Bell Telephone Laboratories and Dr. John Bradford, dean of the college of Engineering at Texas Tech.

Dr. Hawkins, a chemist, discussed "Synthetic Plastics—Our Latest Material Resource." Dr. Bradford's topic was "Telecommunications—Transportation Interaction."

Also on the program were Jon Howard, Southwestern Bell engineer from San Antonio, who talked on "Digital Electronics and Communications," and Roy Wickerham, the company's science demonstrator, who presented "Little Things Mean A Lot."

The four speakers formed a panel in the afternoon to answer questions and discuss the role of science in meeting today's challenges. Southwestern Bell hosts the

Science Day activities each year to recognize outstanding science students in area high schools.

This year's attendance was the largest ever.

Dr. Hawkins is assistant director of chemical research at Bell Labs in Murray Hill, N.M. He has been with Bell Labs since 1942 after completing his doctorate at McGill University in Toronto and post-doctoral work at Columbia University in New York.

He has published approximately 50 technical articles in various journals, and has edited and provided material for several texts.

Dr. Bradford has been dean of engineering at Texas Tech since 1955. He was named a Distinguished Engineering graduate from Texas Tech in 1974. Included in his civic involvements was presidency of the Lubbock Chamber of Commerce in 1968-69.

He holds bachelor's and master's degrees from Texas Tech in engineering and a doctorate from Case Institute.

Mrs. Turner and Mrs. Smith are getting the workers for the rural area. Charlie Thompson is the special gift chairperson.

The ones who have been contacted may come by the Community Room in the City National Bank anytime between 1:30 and 2 p.m. to pick up their material.

ATTENTION Gardeners: Did You Know? MICRO-MIN Is Strictly Organic!

It Contains No Man Made Chemicals!

MICRO-MIN does a good job in all types of grading...fruits, vegetables, grass, flowers, shade trees, shrubs or house plants. Whether you are interested in hundreds of acres or just in the beautification of your home, or getting better tasting and more healthful vegetables out of your garden... MICRO-MIN does a good job on such a wide variety of endeavors because it does one basic thing, it helps build healthy soil so that you can have healthy plants growing in that soil, and for the best results you can't beat healthy plants growing from healthy soil.

VEGETABLE GARDENS: Spade or till in stalks and matter, put on 50 pounds of MICRO-MIN to 7,000 square feet of garden. Let it work all winter, or in spring prepare soil apply another 50 pounds of MICRO-MIN to 7,000 sq. ft. plant, then enjoy some of the finest yields (and some of the finest eating you've ever had). Here are some of the benefits found from healthy plant growth: Greater yields, usually far greater better quality crops, sturdier stalks and stems; more uniformity of growth; greater resistance to disease; less corrective care. Try MICRO-MIN and enjoy the goodness of a naturally growing garden.

MICRO-MIN is a natural material believed to be millions of years old. According to the belief of our scientific staff it is a material composed of essential trace elements plus millions of bacteria. The trace elements, we are realizing, more and more, play a major role in the health growth of plants, animals and human beings. The bacteria are in the soil. They transform food in the soil into a form that can be readily used by the plant; then make it available, as needed to the food roots. MICRO-MIN also reactivates the bacteria in the soil very vital to growth. MICRO-MIN is non-toxic; will not burn plants, when used as directed, or harm humans or animals.

Letter To The Editor

Dear Sir,

I am wondering if anyone else has had the same thing happen to their Cemetery lot here at the local Cemetery that has happened at our family lot? During the Christmas holidays I had a lovely arrangement made for our mother's grave (Mrs. G. F. Watson). The arrangement was on a stand and the flowers were red roses, along with pine cones and holly berries on a styrofoam ring. When I visited the Cemetery Sunday, March 2, I was shocked to find that the arrangement had been taken away from mama's grave. The stand, styrofoam ring and flowers were completely gone. Mama passed away March 2, 1968 and it surely does hurt to think that anyone would take the arrangement from her grave. I was raised to respect everyone and have respect for other people's property and to never bother anything when I visited the Cemetery. I am beginning to think that things are in a very sad state of affairs when some one starts taking flower arrangements from the Cemetery. I hope that this letter will start people here to thinking about what is happening at our local Cemetery and strive to improve the situation.

Thank you for letting me write and air my grievances.

Sincerely,
Lorene Watson.

Wall Named As Sun Oil Manager

Phillip T. Wall, former resident of Colorado City, has been named manager of Sun Oil Company's Delhi Production District, headquartered in Dallas.

He succeeds Nelson J. Sapp whose appointment to manager of Sun's Lafayette, La., Production District recently was announced.

Wall will assume his new position following completion of an assignment in Portugal.

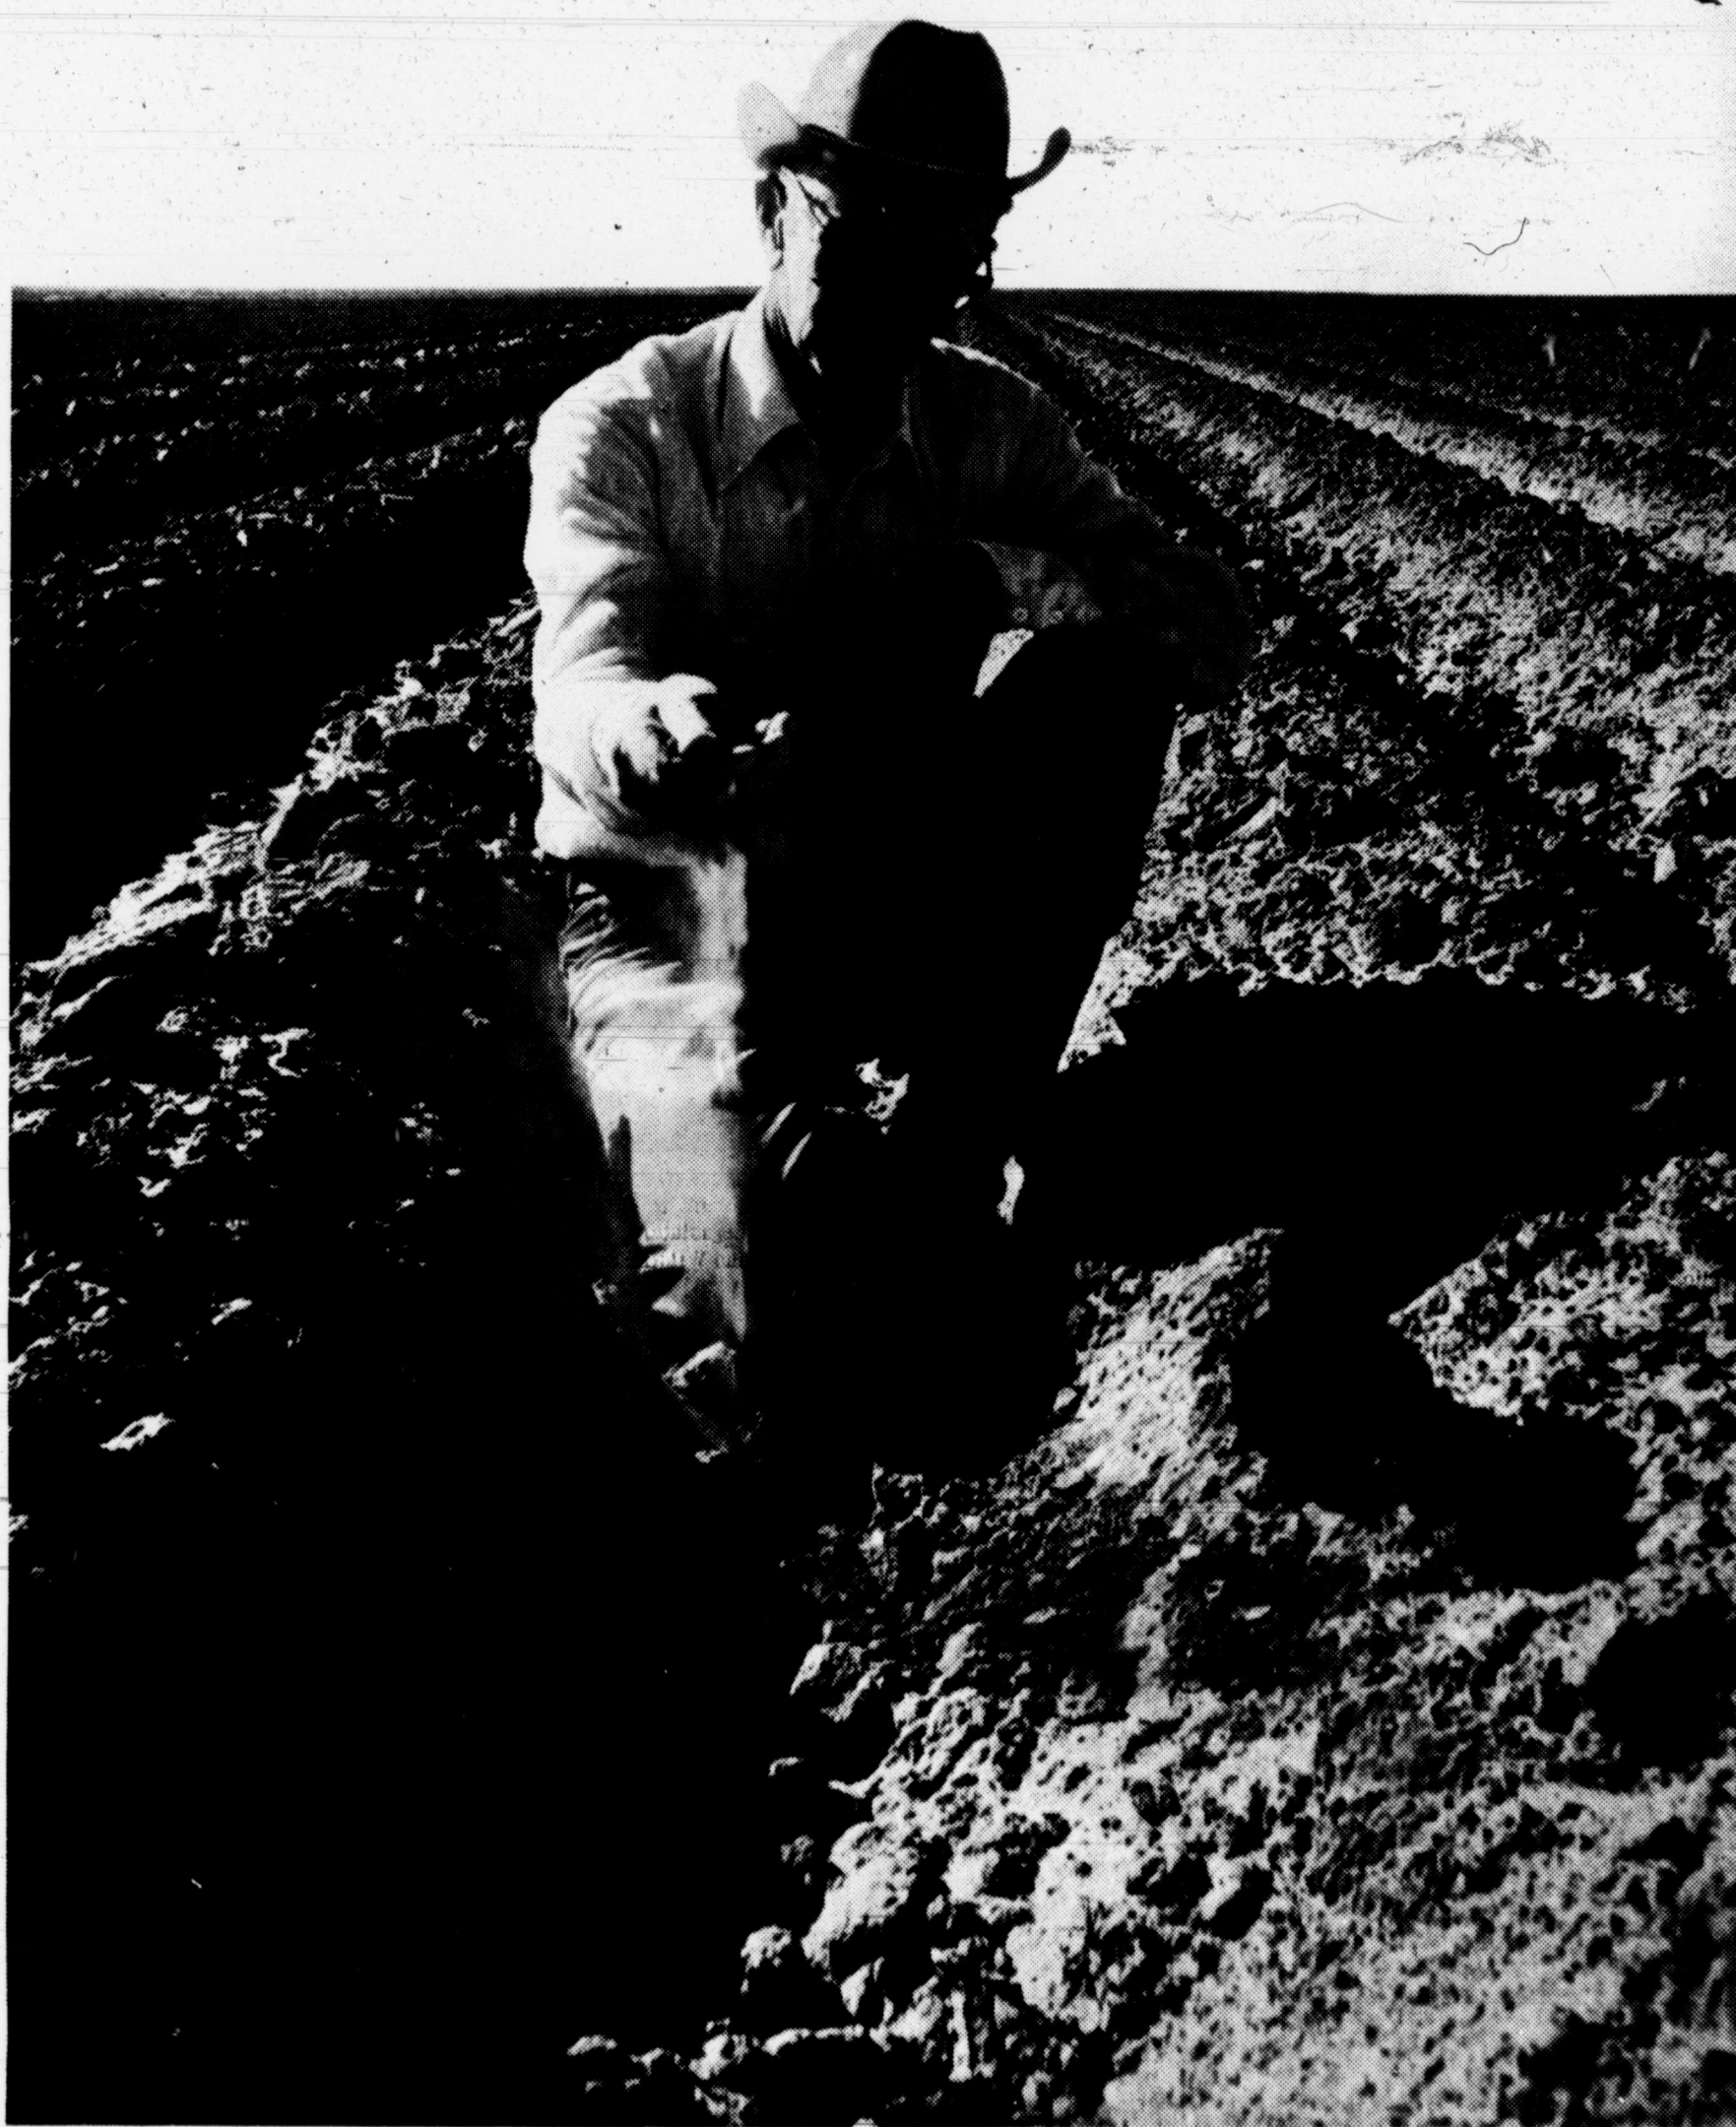

He joined Sun Oil in 1956 as a petroleum engineer in the Robert Lee Area. He was appointed to district petroleum engineer here in 1971 and vice president and general manager of Portugal Sun Oil Company in Lisbon, Portugal, in 1973.

Wall is a native of Cushing, Okla., and received a Bachelor of Science degree in petroleum engineering from Texas A&M University in 1953.

He served for two years as a U.S. Air Force officer.

He and his wife, the former Johnnie Hazlewood of Dallas, have two daughters and a son.

Why gamble on a herbicide that's not made for sandy soils?

Now you can get one that is.

SANCAP.® It's made specially for your sandy soils. It's made for cotton on your land.

You can forget about experimenting with rates to adjust for sandy soils. Just follow the recommendations, and you'll get weed control you can depend on—without injuring your cotton.

You'll get control of the most troublesome weeds in this area—carelessweed and Russian thistle.

And you can forget about moisture loss due to incorporation. Just apply Sancap at planting, or within two days after.

Then watch your cotton come through, clean and healthy. No more experiments. No more mistakes.

Because now you've got a herbicide for sandy soils.

THE STATE OF TEXAS
TO: LONNIE JOE STOCKTON Defendant (s), Greeting:
You are hereby commanded to appear by filing a written answer to the Plaintiff (s) Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 31st day of March 1975, at or before ten o'clock A.M. before the Honorable District Court of Howard County, Texas, at the Court House of said County in Big Spring, Texas. Said Plaintiff (s) Petition was filed in said court, on the 2nd day of January A.D. 1974, in this cause numbered 21,163 on the docket of said court, and styled, **MRS. G. E. (RUBY FAYE) MCCLATCHY Plaintiff (s), vs. LONNIE JOE STOCKTON Defendant (s).**

A brief statement of the nature of this suit is as follows to-wit:
LONNIE JOE STOCKTON, Defendant, misappropriated the personal funds of the Plaintiff, Mrs. G. E. (Ruby Faye) McClatchy for his own personal benefit. As is more fully shown by Plaintiff (s) Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Big Spring, Texas, this 10th day of February A.D. 1975.

Council From Page 1

"We're hoping to set up a few days or a week to haul off trash, clean up the whole town and generally give things a much needed polish. Since plans are now being made for the county's Bicentennial celebration, we need to start cleaning things up now and getting ready. "An important part of the Bicentennial observance in Loraine will be the celebration of the 70th year of organization of the First Methodist Church here," Mahon concluded.

Both Henderson and Hamilton have been council members in the past, Henderson for several terms and Hamilton is concluding his first term on the council.

They both said they'd like to see projects brought to conclusion, especially the cleaning up of the downtown area.

"It's just going to take time to get people to give permission to tear down old buildings," Hamilton said. "Some of them have more taxes outstanding on the property than the property is presently worth and

Handbooks Available

Handbooks giving the results of agricultural demonstrations sponsored by the Mitchell County Crops committee in 1974 are now available from the office of county extension agent Bob Benson.

Six crop demonstrations were planted in the county in 1974 but, because of adverse weather, only three were harvested. Others which had been planned were not carried through because of poor planting conditions.

Members of Mitchell County Crops Committee are Rex McKenney, chairman; Travis Turner, Edward Roach, Raymond Wallington, Linden Solomon, Royce Beights, Murrell Blasingame, George Martin and J. M. Munoz.

Loraine Girls Begin Volleyball

Girls volleyball competition has started at Loraine High School; with both Junior High and High School girls having won their first match with Hobbs, played in Loraine.

Their next game is with Westbrook 2 p.m. Tuesday in Westbrook. The High School girls wongames of 15-1, 11-15 and 15-7 over Hobbs. Team members include Terrisa Brewer, Jackie Rose, Brenda Oliver, Sandra Rose, Vicki Sanford, Diana Garcia, Carolyn Boyd, Rosemary Vallejo, Vickie Chavez, Jan Woodell and Dolly Dougherty. Junior High score was 14-15, 15-6 and 15-13. Playing on the Junior High team this year are Vicki Garza, Margaret Munoz, Dora Garcia, Gloria Moreno, Susan Hayes, Antonia Garcia, Lisa Jennings and Julie Moreno.

system and I truly believe a mother should serve on every school board in America today," Mrs. Mahon concluded. The Mahons' daughter, Susan, is a senior at Loraine High School this year.

--George Martin is another Loraine native who is interested in the students and school system at Loraine. He and his wife, Brenda, live north of Loraine on their farm. They have two boys attending school in Loraine: Leslie, 12 and Greg, 11. He graduated from LHS in 1952, attended Tarleton State University in Stephenville and McMurry College in Abilene before returning to Loraine to farm in 1955 when his dad died. He started working at First State Bank in Loraine in 1960 and is now president of the bank.

--Mrs. Royce (Margaret) Mahon has served one term on the Loraine ISD board of education, "the first woman elected to the board," she said.

"The faculty and students say that it's a pleasure to teach and attend school this year and if I can help make school more pleasurable and enjoyable, I want to. "Youth are faced with problems today and I believe we as parents have a moral obligation to share and learn to communicate better with them. Young people are searching for something, they want something real, something that works. We need to listen to their problems and try to help them find answers. "I am interested in our school two daughters: Shelly, 9 and Sh-

Along the same progressive lines, Eason, who has filed for a first term on the council, said that he'd like to see a community building constructed in Loraine where both old and young people would have a place for activities and meetings. He is director of the Loraine Housing Authority and said a pressing need of the community is more activities of a city-wide nature.

Eason also said he'd like to see some new businesses and maybe small industries brought to Loraine.

Mahon, Hamilton and Henderson are Loraine natives and Eason has lived in Loraine for the past three years. Mahon is a farmer; Hamilton has retired from the armed services and works for the postal service; Henderson is in the used car business and Eason works for the Texas Highway Department as a technician.

ASCS Deadlines In Newsletter

Some important deadlines for county farmers and ranchers to remember is the topic of a newsletter from the Agricultural Stabilization and Conservation Service's Mitchell County office.

April 1 is the final date to transfer cotton. The county committee approved transfers and sales outside the county and there are 335 acres of cotton available in a register on the office counter, ASCS executive director Don Stewart pointed out.

April 1 is also the final date to release cotton. "The released acres preserve your cotton allotment and are reapportioned within the county or state," he explained. Again, April 1 is the last day to request reapportioned acres through the office. "If wheat or barley is to be

used to produce grain, cattle should be removed before April 1 and the ASCS office notified," Stewart said. Any acreage to be grazed after April 1 and not designated will be excluded from any disaster payments, he added.

Stewart also said that there will be a county-wide meeting held when enough information has been received about the 1975 farm program.

About 70% of 1974 payments have been made. "The payment computations are very difficult and time consuming," he said and added, "the committee, myself and program assistants want to thank you for your kindness and consideration."

Members of the county committee are Warren Anderson, Tommy Fuller and Tom Moore.

Wolves 3rd In Track Meet

Both varsity and Freshman track teams from Colorado High School competed in the Sweetwater track meet last Saturday. Varsity trackmen amassed a team total of 84 points for third place in the meet, said coach Robert Damron.

Coach Lonnie Ellis said his Fish team gained 109 points, but were able to come out with only a third place rating in the Freshman meet.

Both teams are entered in the Anson Track Meet this Saturday. Complete showings of the Varsity Wolves are as follows: Tony Sorenson, 5th, 220 and 5th 100 dashes.

ella, 11. Martin graduated from LHS in 1958 and attended Howard College in Big Spring. He said he and his brother took over farming operations when their dad became ill and he has been farming since.

--Linton Ray Webb believes the school system in Loraine is an asset to the community and sees it as a duty of concerned parents to see about the schools and see that they have good management.

"I have one student in school and this is my home, so I want to do my part in helping the school and community," he said. He and his wife, Alma, have two girls: five-year old Sherri is a Kindergarten student and Shelli, 2 years old. He is a 1963 LHS graduate and graduated from Sul Ross University in Alpine in 1969. He has been farming in the Loraine area since his graduation from college.

The election has been set for April 5, from 8 a.m. until 7 p.m. in the Loraine Lions Building.

First Hospital

Dr. Root practiced medicine in the old Collier home for many years. He lived in the home (pictured above) in one wing and the remainder of the home was converted into a hospital where many residents of Colorado City still remember going when in need of operations, etc.

Hospital Established For Colorado City

In 1913, Dr. N. J. Phenix, established the first sanitarium, in the Dollman Apartments, as it was known then, in Colorado City.

The sanitarium was surprisingly successful considering the size of Colorado City at that time and the very newness of such a thing in town. It consisted of about eleven rooms, and Mrs. W. F. Schroeder was placed in charge.

Several nurses from Abilene worked with the sanitarium and more were called if needed. A great number of cases were handled in this home for the sick.

Dr. Phenix ran the sanitarium along until his death. Since it proved so successful under his guidance, it was taken over by Drs. Jeff Ratliff and T. J. Ratliff, who were brothers. They owned and ran it for about one year and at the end of that time, Drs. P. C. Coleman, T. J. Ratliff and C. L. Root entered into joint ownership of it. During this time, operations were performed on an average of one every ten days or two weeks.

In 1920, when Drs. Root, Ra-

Roenfeldt Guest At Club Meeting

The Dorcas Sunday School Class met Thursday in the First Baptist Church parlor for their regular meeting.

Rev. Glenn Roenfeldt gave the invocation at the business meeting and routine reports were given. Mrs. J. A. Sadler gave the devotional using as her theme "Christian Witnessing."

Guests were Rev. Glenn Roenfeldt, Mr. and Mrs. Laylan Bratcher, B. H. Gregory and Mrs. Bill Bell of Westbrook. Following the meeting, Mrs. Sadler gave the club a Bible quiz.
