Glider School Plans Are Progressing; And Work Is Expected To Start Soon

A contract has been signed with John Wilson of La Porte, Ill., for the Lamesa Glider School and it is understood that construction will get underway within a very short time.

The school will be located on two sections of land belonging to Judge and Mrs. G. G. Wright of Dallas, this land is located about seven miles north of Lamesa.

Condemnation proceedings were entered late last week against owners and lessors of this land. The suit has been settled out of court with J. W. Small, who held the grass lease on the land, but it is understood that no settlement has been reached with the owners of the land or with the Texas Oil Company who hold an oil lease on the property.

Mayor Jobe stated Thursday afternoon that the condemnation proceeding will continue against the Wrights and the Texas Company and will be heard here next Monday before a special committee.

John Wilson, who is an operator of a CPT school and a glider or soaring unit at La Porte, Ill., will operate the school here. He has been designated by the U. S. Army to construct the school in Lamesa where only commissioned army pilots will be trained.

The school will train about 125 student glider pilots at a time, with approximately 100 to be in the ground crews and to serve as instructors. The cost of the school is estimated to be about \$2,000,000 and will be expanded soon. Mr. Wilson told Lamesa officials during his stay here last week.

Swine Specialist Here Monday

E. M. Regenbrecht, Extension Swine Husbandman of Texas A. and M. College, will be in Lamesa Monday, May 18 for the purpose of attending the awarding ceremonies of the Sears Roebuck & Co. contest. Mr. Regenbrecht has worked hard in the securing of this contest for Dawson County 4-H Club boys, and also in selecting the fine gilts and boars that go to the winning 4-H Club boys.

Mr. Regenbrecht has been the Swine Specialist for the Extension Service for many years, and will be glad to meet and confer with swine breeders concerning their problems while in the county.

Wildcat Oil Test In Borden Is Located

Ed McAdams of Lubbock and associates announced location Monday for a 6,000-foot wildcat oil test six and one-half miles west by southwest of Gail in Borden county. Designated the No. 1 W. D. Johnson, Jr., it is 1,980 feet from the north and east lines of section 35, block 32, township 5 north, T. and P. survey. George P. Livermore, Inc., also of Lubbock, has the drilling contract and is moving in rotary with spudding date tentatively set for Thursday. It is understood the well is on a block assembled by Paul Teas, Lubbock operator.

BUNNY-INSPIRED HUNCH REWARDS BOWIE FANCH

BOWIE, Md. (AP) — Hunch bettors at Bowie racetrack collected a hatful of clams when a rabbit dashed under the fence and breezed a couple of furlongs down the track. Dare Bunny, in the next race, scampered home in front to pay \$29.30, \$11.50 and \$5.60.

Help Needed

The Questionnaire or Advisory Board is in need of some assistance and we are hereby calling for volunteers. Several of us have had some rather heavy duties helping fill out the questionnaires and if you would like to perform some free service for your country and can help it will be appreciated. We feel there is a lot of folks in the town and county that would be glad to help in rendering this service if the opportunity is offered. If you can use a pen and ink give us a ring. The draft board advises there will be a great lot of questionnaires sent out soon. Thanks. V. O. Key, member advisory board for registrants.

Only 55 People Have Donated To Navy Relief

J. H. Harp, Dawson County chairman of the Navy Relief Society reports that only 55 people in the county have sent in donations to help the Navy Relief fund, but this number has contributed half the county's quota, which is \$480.

Mr. Harp states, that the Klondike community has sent in \$16.50 and will send in more, and he has heard word from other community leaders that they will make their donations this coming week end.

Mr. Harp and his workers have tried to raise Dawson County quota without personally soliciting funds, and he states that they still think the sum can be reached without asking anyone personally for a donation.

All who have not contributed to this worthy cause are urged to do so at once. All funds raised will go to families of men in the Navy, Coast Guard and Marine Corps, who because of unavoidable circumstances find themselves in a destitute or needy condition.

Donations may be mailed or handed to Mr. Harp, are W. K. Crawley, C. A. Hollingsworth, Matt McCall, Hugh Lott, Vernon Bryant, B. F. Morris, Carl Peterson, V. Z. Rogers, or Ray Hollinghead.

PLASTIC HELMET SAVES

MILWAUKEE (AP) — Hal Eigne Marquette, fullback, is thoroughly satisfied on the plastic helmets worn in spring grid drills. His helmet saved his life the other day when a discus heaved by a nearby trackman strayed off its course. It hit Eigne in the head and doctors said he would have been killed had he not been wearing the helmet.

Out of the hundred and eleven students graduating twenty-nine students made an average of 90 or better for the entire year. They are: Carolyn Baldwin, C. T. Beckham, Dorothy Nell Burleson, Belva Corbett, H. L. Crounch, Wendell Ross, Marzell Fields, Dorothy Ross Gibson, Christine Heath, Wanda Jean Henry, Truitt Jones, Wilma Jean Jones, Billie Kidd, Wayne Lawler, Billie Fayne Leamon, Virginia Luker, Marianne McBride, Ted McCollum, Patricia Meech, Lorraine Morris, Dorothy Ann Nelson, Bill Nix, Bobbie Oates, Wilma Lee Robertson, Janet Rogers, Maurine Sharp, Jonnie Muriel Smith, Jean Stanfield, and Biddy White.

Nazarene Church To Have Rally

A joint rally of the South Plains and Lamesa Zones, will be held at the Church of the Nazarene on 912 North First Street, Saturday May 16.

The rally will begin at 10:00 Saturday morning and will close at 4 o'clock Saturday afternoon. Rev. Albert F. Laing of Lubbock will have charge of the opening service, he will discuss "The Christian Ambassador."

Full Salvo! A PBY Drops Twelve Bombs At Once

A U. S. Navy PBY patrol bomber, silhouetted against a huge white cloud over the Gulf of Mexico off Corpus Christi, Texas, lets go its full load of bombs—12 of them—at once in a practice attack. Three of the bombs are so close together here that they appear to be a single missile. All are filled with water, rather than explosives, for practice. This is part of the training given cadets at the Navy's "University of the Air" at Corpus Christi. After nine months training, cadets are given their wings and become commissioned officers in the Navy.

Baptist Vacation Bible School To Start May 25

A Vacation Bible School will be held at the First Baptist Church starting on Monday, May 25, and will continue for two weeks. Mrs. Glen Jones will be the principle.

The Bible School will be held each morning from 8:30 to 11:30 for all children between the ages of 4 and 17 years. An interesting program is planned for the two weeks period. Mrs. Jones states that the children will be taught Bible stories, and how to do handwork, there will also be plenty of recreation. A downtown bicycle parade will be held on Friday morning, May 22, at 10 o'clock to advertise the school.

Baseball Fans Offered Treat Friday Night

Lamesa baseball fans are promised a real treat Friday night when the Lubbock Hubbers come here for a game with the Dodgers. Pitching for the Hubbers will be their manager, Monty Stratton, who was one of the most promising rookie pitchers in the big leagues, with the Chicago Cubs, before he happened to a hunting accident which necessitated the amputation of his leg. He is a colorful and well-like manager, and can still fog the ball across the plate.

A per cent of the proceeds from the Friday night game will go to the Navy Relief Fund, states Tink Rivers.

The Dodgers dropped the Wichita Falls Spudders on Eddie Farrow's pitching 9 to 1 in Big Spring Tuesday. The Lamesa nine annexed another game from the Spudders 5 to 3 again on Wednesday.

Through fifteen games the Dodgers have won eight and lost seven for a percentage standing of .533.

Farmers And Seed Men Given Warning

According to information received through an interview with an inspector of the U. S. Department of Agriculture Bureau of Entomology and Plant Quarantine, a warning has been issued to farmers and seed dealers in this section.

During the past few days seed buyers have appeared in this county with a view of buying cotton planting seed. As Dawson County is under the Pink Bollworm Quarantine, it is a violation of the quarantine law to sell cotton seed to any one not possessing a permit to move these seed. The seller is as guilty as the carrier, and is subject to the penalty of the law. There is a sterilizer here in Lamesa where seed may be sterilized and moved to free territory under permit, the representative said.

Subscribers Are Asked To Check Expiration Dates

Courier readers are asked to watch their expiration dates on their subscriptions in order that they not miss a single issue of their home town newspaper.

In other words, if the numbers following your name on your paper reads 6-42, that means that your subscription will expire on June 1, 1942, and that unless you renew your subscription will be stopped at that time.

The subscription price of the Courier is now \$2.00 per year in Dawson, Martin, Gaines, Borden and Lynn counties, and \$3.00 per year elsewhere.

John Stringer Dies In Action On Corregidor

Mr. and Mrs. E. E. Stringer, received an official telegram Saturday from the government notifying them that their son, John Samuel Stringer, was lost in action in Manila Bay off of Corregidor.

This is the first war casualty, as far as the Courier can learn in Dawson County.

Stringer, 30, was born in Dahlonega, Georgia, and attended the Hartley Schools in Georgia. He enlisted in the Navy July 25, 1941 in Phoenix, Arizona, and was a machinist 1st Class.

Summer Concerts By Lamesa Band To Start Tuesday

The regular summer band concert will be started next Tuesday evening, May 19 at 8:30 o'clock at the Lamesa Band Stand, according to Conway King, director of the Lamesa High School Band.

Weather permitting, this will be a weekly feature throughout the summer, Mr. King said.

The band has been working hard throughout the school term, and have a wonderful library of music with which the public will be entertained.

Remember the time, next Tuesday evening 8:30 and be present at the Band Stand.

Methodist To Start Bible School May 24

The First Methodist Church announces the annual Vacation Bible School to begin on Sunday, May 24, and continue for one week.

Sessions will begin each morning at 9 o'clock and last until 11:00 o'clock, with study and directed activity for boys and girls from four to fourteen years of age. Beginner, Primary, Junior and Intermediate departments will participate in the school.

Detailed announcement of courses and faculty will be made through the papers next week. This school is open to every interested child, regardless of church affiliation.

Local Boys Are Under Arrest For Robbery

Two local youths were picked up Wednesday morning by Sheriff Buck Bennett and assistants, after the youths had robbed Campbell Grocery and Market.

The two boys have made statements and confessed to the robbing of Gus Ragsdale's Grocery and Filling Station which took place Tuesday morning at which time they took about \$7 in cash. They also confessed to several other robberies which had not been reported, stated Sheriff Bennett.

Local Committee Made Survey For Scrap Iron

A committee composed of W. B. Collins, C. M. Burton and Ross Broadman made a scrap iron survey of the industrial sections of Dawson County Wednesday of this week. The survey was under the auspices and direction of the War Production Board.

The committee reported a great deal of scrap iron in the county. This information will be sent to the Dallas office of the War Production Board.

Twenty-six different establishments were visited by the committee.

Home Nursing Class To Start On May 19th

Mrs. Ervin Bailey, chairman of the Red Cross Nursing Service, announces that another class in Home Nursing will be taught by Mrs. Zelva P. Harris, county health nurse. The first meeting will be held at the Methodist Church, Tuesday, May 19, at 2 o'clock p. m. Following class hours and place will be decided at this time.

Mrs. Harris is exceptionally anxious to enroll mothers of young children in this class. As the war comes closer to us, we realize now most of our physicians will be called into service, and the American Red Cross is sending out pleas for volunteer nurses, with talk already started of drafting nurses in 60 days.

These classes are being given so that the mothers of our community might care for the sick in her home more efficiently.

Do you know how to give a patient a bed bath? Do you know how to prepare and serve special diets? Can you read a thermometer, count pulse and respiration? These are just a few of the many topics that will be discussed. So if you are a mother of young children, let us urge you to attend.

Commercial Courses Offered In Summer School

Commercial courses for high school credit and as a refresher course for those needing to review will be offered by the Lamesa High School as a summer course.

Miss Commie Zell Barnes, the instructor, will be in the commercial room to confer with interested persons on Monday, May 18.

These courses are to be offered for the benefit of Lamesa people, both those wanting employment and employer. It has been revealed that there is a shortage of workers at present, and with the opening of new interests in town demands will probably be greater.

Orders Restricting Delivery Service In Effect June First

The Office of Defense Transportation have postponed from May 15 to June 1 the effective date of its recent orders sharply restricting local delivery service.

Practically every type of delivery and hauling service was included in the restrictions.

The orders were made mandatory by the rubber shortage, and the necessity for conserving tires and equipment that isn't being manufactured for civilian uses.

The transportation orders, listing specific exceptions, included: no more local delivery trip of more than 15 miles in length; no special deliveries except to hospitals, to arm-

Eighty-nine Lamesa High School seniors are taking their final examinations this week as candidates for graduation. The total graduates this year is somewhat smaller than in previous years on account of withdrawals for work, or because of illness or as is the case of a few older pupils, a desire to continue in high school for a semester or more for more training in desired subjects.

The baccalaureate service is scheduled for Sunday night, at 8:30 at the First Methodist Church. Rev. O. H. Taber, pastor of the Church of Christ, will deliver the 1942 class sermon. He will be assisted in this service by Minister Rodney J. Glasscock and E. D. Landreth.

Music will be furnished by the High School Chorus directed by Miss Carolyn Seale. Mrs. Carl Rountree will preside at the organ for the processional and recessional portions of the program.

The commencement program for the Lamesa High School is announced on the invitation for 10:30 a. m. Monday at the auditorium. The graduates will march into the auditorium and leave to music by Mrs. A. G. Barnard. Local pastors will deliver the invocation and benediction. The pupil welcome address will be delivered by Miss Frances McCollum. Pat Ryan will deliver a short address as a member of the class. Miss Mary Lu Murray will deliver the valedictory for the 1942 class. Musical numbers by band and vocal organization members constitute a part of the program before Principal F. T. McCollum delivers diplomas and acknowledges honors to class members and scholarships are awarded leading pupils by V. Z. Rogers.

The graduate candidate list is as follows: Jimmie J. Baldwin, Winona Ball, Evelyn Barnard, Mary Frances Barnard, Helen Barron, Ina Ruth Barron, J. C. Barron, T. J. Barrow, Betty Billingsley, Cecil Blair, Bobbie Bockman, James Boone, Ivan Bullard, Harold Caldwell, Anita Carlisle, Velta Childers, Gerald Costin, Claude Mae Covey, Jana Ruth Cox, Imogene Crow, H. W. Gen. Lowe To Deliver A. & M. Commencement

Brig.-Gen. Frank E. Lowe, U. S. A., chief officer of the Reserve Officers' Training Corps, Washington, D. C., has accepted an invitation to deliver the commencement address to the graduating class at Texas A. & M. College Friday night, May 15, according to an announcement made here Tuesday by Dr. E. P. Humbert, chairman of the Commencement Committee.

Significant is the fact that of the 741 men to receive degrees at the May commencement, a total of 565 will receive commissions as second lieutenants in the Officers' Reserve Corps and are expected to be called to active duty shortly after graduation. All of them received their military training under the R. O. T. C. program headed by General Lowe and the school again will turn out more commissioned officers for the army than any other institution of higher education in the nation.

Commencement exercises will begin Thursday afternoon, May 14 at 4:30 o'clock when the Texas Aggie concert band plays their final concert. That evening the traditional Senior Ring dance will be held in Sblsa Hall.
On Friday morning, May 15, the Rt. Rev. Clinton S. Quinn, D. D., Bishop of the Diocese of Texas, Houston, will deliver the baccalaureate sermon at 10:30 o'clock in Guion Hall, the college chapel. That afternoon all departments of the college will be open for inspection by the friends and parents of the students.
That evening at 6 o'clock the commencement procession will move into Kyle Field Stadium and at 6:15 General Lowe will address the Class of 1942. Cadet Colonel Thomas S. Gillis, of Fort Worth, ranking cadet in the corps, will deliver the valedictory. Gillis is the first student ever to graduate from Texas A. & M. with a perfect scholastic record of no grade below A in four years of work.

Dr. Cox Advises Check-Up On Physical Fitness

"Pre-habilitation is a word with much more meaning than the familiar one 'rehabilitation,'" Dr. Geo. W. Cox, State Health Officer, declared today in emphasizing the advisability of frequent physical examinations.
Dr. Cox pointed out that young men who expect to enter military service within the near future should go to their family doctor for a check-up, so that any remedial physical defects can be attended to before they are called.
"By possible corrective treatment, many young men can be ready for military service when called, who are not now able to serve," Dr. Cox said.

According to the State Health Officer, not only young men expecting to enter military service, but workers and their families, students cramming four year's work into much less time and all others caught in the accelerated speed of the business world today should be examined by a doctor at least twice a year.
"It costs less to maintain than to repair," Dr. Cox declared. "Get to know a good doctor before you need repairs."

HELP THE RED CROSS

the college, will confer the degrees which will be presented by Dr. F. M. Law, of Houston, president of the Board of Directors. In event of rain the ceremonies will be moved to Guion Hall.

HERE I AM—WHERE AM I?

ADA, Okla. (AP)—Mrs. Ewell O. Tabor, of Kilgore, Texas, paid an unannounced visit to her two brothers and a sister who live together in an apartment here. Arriving in the middle of the night she slipped silently into the apartment, crept through the darkness until she stood directly over a bed and then screamed: "Stick 'em up."

It was a good thing Mr. and Mrs. Nobel Lyde had a good sense of humor and no gun. 'Twas the wrong apartment!

America's Greatest Need
The God Of Battles To
Defend Her In Crisis

Exodus 17-9 to 14
And Moses said unto Joshua, Choose us out men, and go out to fight, with Amalek: Tomorrow I will stand on the top of the hill with the rod of God in mine hand: And it came to pass when Moses held up his hand that Israel prevailed: and Joshua discomfited Amalek and his people with the edge of the sword.

America needs to pull back to the realization that there is a Mighty God, with Whom if we keep His favor, knows how to defend his people. Isa. 46-9: I Am God, and there is none like Me. My counsel shall stand, and I will do all My pleasure: Yea I have spoken it, I will also bring it to pass.

Here is one that has never known failure. Here is one that is able to defend; our boys need His protection right now. We are already paying a fearful price for our folly: God has said that His eyes run to and fro throughout the whole earth, to shew Himself strong in behalf of them whose heart is perfect toward Him.

Pharaoh said who is the Lord that I should obey Him. Well he soon was introduced to Him. When the mid-night cry rang out through-out the land, he was glad to see them away; Then when he hardened his heart, and pursued after them; God arranged with Moses to hold his firm service on the Bank of the Red Sea. Ex. 14 and 15.

Hezekiah found the invading armies over-running the land, Rab Shakesh defied God and His people. Wrote a Blasphemous letter to Hezekiah demanding God: B u t Hezekiah didn't know any better than to take it where it belonged. So into the House of God he went and read it to the Lord: So the Lord just took charge of the little Affair. When Rab-Shakesh awoke the next morning, One Hundred Eighty-Five Thousand of his soldiers were dead. So he took the hint and left. 11 Kings 19-35-36.

George Washington the Father of our Country, was a man of prayer and faith in God; God marvelously protected and brought him through to victory: Our leaders from that day forward have had a foundation to build upon that has proven sure.

Our gravest danger in this present conflict is our pulling stones out of that foundation. America has gone pleasure mad: The Sabbath no longer just the day of worship, but a day of recreation, and toil. Well the Lord is fixing to take care of part of that for us with the gasoline rationing. People have said that the Tithe was too much for the support of the church; the institution that has been the

very foundation of peace on earth, and good will toward men. But God is going to allow us to pay our taxes for war now whether we desire to do or no. Besides we are already making Liberal offerings. Now we are all in favor of this, but the end is not in sight yet. Will we humble ourselves and pull back to God; or will we continue to pay the tremendous price for our Sin. Most every one is already affected. Our boys on the march, on land, sea, and in the air, May God Bless and protect them, but what about us, will we build a wall of protection about them, not only with our means, but with prayer and repentance.

God has given a little advice in His Word in 11 Chron. 7-14: If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked way; Then will I hear from Heaven, and will forgive their sin, and will heal their land.

Belshazzar made a feast to a thousand of his lords, and drank wine before the thousand. They drank wine and praised the gods of gold, and of silver, of brass, of iron, of wood and of stone.

America has made a feast that has reached the youth of our land with its road houses, beer and liquor joints with our fair young women as their proprietors, then expect God to bless and protect us. Our crime wave cost, counted by the billions. Sin, crime, lawlessness on every hand. O America we need to awake and pull back to God and the Bible. O church of the living God will we sleep on or will we arise and let the light shine, the hope of our world, and the only hope is the Living God. The one that brought order out of confusion, is able to help her now.

It isn't chuchanity we need it's christianity; well you say who will lead the way every loyal citizen of the invisible church of what faith or order. Christianity is much greater than chuchanity: So christianians every where awake to the task. Save our nation, save our boys, save our Land.

The nations which have seated their dictators have taken issue with God, the Bible and all His Followers; why can we not take the cause back to Him the one who is Able to lead us safely through David said I come to you in the name of the Living God, after he won the battle he had enough munition left to win four more just like it. So can we save the day if we will put first things first.

"My country 'tis of thee, Sweet land of liberty—" Thousands of boys and girls, young men and women are graduating today in schools all over the country. Some look forward to more education—some will take up tools—others start careers and professions. Each is turning a page of the Book of Life... what will be written on the new page?

"We, the people of the United States in order to form a more perfect union,"... George Washington was a well educated man—but high school students of today are presented with vaster fields of learning than were available to anyone in Washington's time. But Washington was great then—and would be great today—because he could think, perceive, evaluate and act! He learned more from life than he did from books. So did Abraham Lincoln... a great man without formal education. So can today's graduates... that from which they graduate—a school—is intended to prepare them for learning from life.

World conditions necessitate and produce action and reaction, defense and offense, war and peace, prosperity and depression. Great problems lie before the graduates of 1942. To some, further preparation is necessary before tackling them... others find themselves on the long road that leads to future responsibility... in business... in government... in social activities... There's a challenge for every student... a problem to be solved... mistakes to be corrected... errors to be avoided... There's something that needs licking... something that only one person can lick. It may be a personal problem... but each personal problem affects a national problem—this is a big country.

Graduates Are Congratulated By Business Men

We would like to call the attention of our readers to the page advertisement in this issue of the Courier, in which a total of fifty-six Lamesa merchants co-operatively extend their congratulations and best wishes to the members of the 1942 Senior Class of Lamesa High School.

They are commending the graduates upon their achievements, and urging them to continue with their education and studies. It is not often that so many business firms and individuals combine to publicly commend a particular group. The boys and girls of the graduating class should be proud to know that so many are interested in them.

Local Men Attend Cotton Meet At Vernon Monday

Joe Peterson and D. L. Adcock attended the meeting held at Vernon, Texas, Monday where more than 300 cotton farmers and representatives of allied industries met in the Wilbarger County Courthouse, organized the Tri-State Cotton Acreage Association and adopted a resolution asking the Secretary of Agriculture to take immediate steps to determine the number of unplanted acres of cotton under the 1942 program of the Agricultural Adjustment Administration and to re-allot the acreage to those sections of the Cotton Belt which can produce cotton after June 1.

The newly-formed association also authorized the appointment of an executive committee empowered to conduct its affairs. The committee held its first meeting at the close of the organization session, and made tentative plans to send representatives to Washington in behalf of the association's requests.

The cotton production meeting was called by the West Texas Chamber of Commerce, with representatives of cotton producers in Oklahoma and New Mexico invited to participate and its main purpose the establishment of cotton's proper place in the national food-for-victory campaign.

J. Thomas Davis of Stephenville, president of the West Texas Chamber, was named chairman of the association and chairman of the executive committee, with C. E. Price of Lawton, Oklahoma, as vice chairman.

The resolution pledged support of the group to the Federal Government in attaining full planting of the 1942 cotton allotment of 27,400,000 acres, and asked:

1. That on or before June 1, that a survey be made of planted cotton acres of the 1942 quota, and that the Secretary of Agriculture proclaim, from results of such a survey, an estimated over or under planting of the 1941-1942 national cotton allotment is estimated, the Secretary of Agriculture exercise such powers as are necessary under the Agricultural Adjustment Act, to allot equitably the estimated unplanted acres to those sections of the Cotton which after June 1, can produce cotton.

3. That the Secretary of Agriculture administer any allotted unplanted acreage through the AAA machinery already in existence, in the various states and counties, on the understanding that the production from all additional allotted acres shall be legally marketed, but shall not be used as basis for payments, loans and quotas.

It was pointed out that from 2,000,000 to 4,000,000 acres of allotted cotton acres have not been planted in past years. The estimate of unplanted acres for 1941 is 4,200,000 acres. The cotton producing sections of West Texas, western Oklahoma and eastern New Mexico are ideally suited to take on the suggested additional plantings; if action can be secured at once, speakers declared, although it was made clear that the suggestion is made with the idea that such re-allotments might be made anywhere in the United States where late cotton crops might be produced.

Senator Formby Leaves For Army

After waiving his deferment, 31-year-old Marshall Formby of the 30th Senatorial district entered the United States Army Monday as a "buck private."

Formby reported at district recruiting headquarters in Lubbock with two other men from Dickens county, David Walter Hughes, Jr., and Grover W. Drennen. Although Formby has published the Plainview Tribune, since last fall, he registered under the Selective Service act while county judge of Dickens county.

Waives Deferred Status Deferred because of his membership in the Texas Legislature, he recently waived his deferred status and asked to be called with the next group from Dickens county.

He is the third member of the Texas Senate to enter military service. Others are Franklin Spears of San Antonio and Vernon Lemons of Waxahachie. Formby is unmarried.

"Several members of the Senate have offered to sponsor bills in interest of my district while I am in the Army," Formby said. His office will be kept open in Austin by Miss Fay Davis, his secretary in the last session of the Legislature and now secretary in the lieutenant-governor's office. Correspondence may be addressed to Formby at Austin.

Formby recently leased his newspaper to Paul Zimmerman, formerly of Dimmitt.

He left Monday night with a group of soldiers for an induction center.

Mr. and Mrs. Lee McCullough returned Thursday from Los Angeles, California where they have been visiting with their daughter and husband, Mr. and Mrs. Elmer Cole.

Mr. and Mrs. E. W. Riley of Carlsbad, N. M. spent the week end here with her parents, Mr. and Mrs. C. H. Williams.

Mrs. Porter Gilbert and daughter Elwanda, Misses Agnes McLendon and Della Mae Wood left Wednesday for California, where they will spend several weeks visiting with friends and relatives.

Persons Without Ration Books Can Sign Up May 21

DALLAS, May 14. (AP)—Persons who neglected to obtain a sugar-rationing book must wait until May 21 before registering with their local rationing board, the Office of Emergency Management advised Tuesday.

That question was among recent inquiries received from individuals concerning price freezing and rationing of materials.

The questions and answer follow: Q. I understand that 22 rifles are "frozen." How may they be purchased?

A. The WPB has forbidden sales of shotguns, rifles and pistols except to government units and to those granted specific WPB authorization.

Q. Can a tailor alter woolen trousers in the waist where the length also needs altering? Can a store deliver new wool trousers with the bottom of the legs open?

A. Woolen trouser waists may be altered without restrictions. Lengths of legs may be altered but cuffs can be left on after such altering. The ban against cuffs on trousers applies to "any person" and although a store may deliver trousers with the leg bottoms unfinished, the person who does the finishing is forbidden to finish them with a cuff.

Q. Does a store have to post the ceiling price on all items sold at retail?

A. Beginning May 18, retailers must post the ceiling price on or near each "cost-of-living" item as listed in the regulations. Ceilings on other items offered for sale must be listed by July 1 in such manner that will be available to inspection by any person.

Q. A department store has refused to deliver a bicycle ordered some time ago for delivery as a birthday present. What restrictions on bicycles are there?

A. The WPB has "frozen" sale and delivery of bicycles except where specifically authorized.

Q. A person has saved a lot of old rubber and knows who can process the old rubber and retrain his tires for him. Is such retraining legal?

A. No. Retreading can be done on ration certificates only. Another order forbids anyone from refabricating rubber except as specifically authorized by WPB.

Q. How can a person who failed to register May 4-7 buy sugar?

A. On and after May 21 any person who has not registered previously may do so by going to the office of the local ration board.

Q. Can a person proceed to build a house where he already has bought all materials needed and intends to hire no help?

A. No residence costing more than \$500 for materials and labor can be constructed without WPB authorization.

Two Operettas To Be Given At Union

Two operettas will be presented by the Union Elementary School on Friday evening, May 15 at 8:30 o'clock. There will be no admission charge and everyone is invited to attend.

These operettas will be given as the closing program of the school. Ample time has been spent on this program and it is thought that the public will greatly enjoy each number. Characters have been selected from the first through the eighth grades.

Mr. and Mrs. Lloyd Ford of Sanderson, Texas, spent the week end here visiting with her parents, Mr. and Mrs. D. W. Scott.

Mr. and Mrs. S. P. White spent Sunday in Lubbock, where they attended the funeral of W. P. Abbott.

"Where Your Money Buys More"

Sears To Present Club Pigs Monday

"We are very happy to announce that Sears Roebuck & Co. will present eight registered gilts and a registered boar to nine of Dawson County's leading 4-H Club boys at 2:00 p. m., Monday, May 18," states Miss Jo Hall, manager of the local Sears Order office today.

"The nine lucky boys are Bill Carpenter, Lamesa; Jimmie Gibson, Route B; L. D. Langham, Route 2; Billy Adair, Route C; Levin Davis, Route 1, O'Donnell; J. W. Archer, Route 1; Donovan Phipps, Route 1; production of food, sent out to cover the months of January, February, and March have been returned and tabulated, and in every instance are most encouraging. This information will not be released to local press until the State War Board releases same for that purpose. Your local War Board wants to thank every one for your splendid cooperation and to remind you that we are in this war to the end—your continued cooperation is most needed.

The enemy is listening.—He wants to know what you know.—Keep it to yourself!

Joe M. Peterson, chairman Dawson County U. S. D. A. War Board.

Scout Circus At Lubbock Friday Attracts 2,000

Approximately 2,000 people attended the fourth biennial Boy Scout circus of the South Plains council Friday night at Tech Field, Lubbock.

Representing 20 counties of the council were 1,500 scouts and cubs.

J. C. Freeman, Route A; and Charles Cumpston, Lamesa.

"The presentation of these pigs will be held on the lawn of the courthouse in Lamesa at 2 p. m., Monday. It is our sincere hope that the parents of each of these fine 4-H Club boys will be present. We invite every friend of Dawson County's farm boys to be present also.

Our sincere hope is that the gift of these registered pigs will be the foundation of better farming practices for not only these boys but for the county as a whole.

"Each of these boys agrees, in accepting these pigs, to give back to Sears the best gilt out of the first litter. These gilts will then be used to give as prizes to eight more boys in 1943. In this way the benefits of this plan will spread each year to more boys in the county.

Sentiments Are Expressed In Letter To Mother

Following is a letter received from Earl W. Jacobs, who is in the armed forces to his mother, which expresses a beautiful thought and admiration:

Dearest Mother: As I can't be with you on Mother's Day and have no chance to tell you in person, I want to take this opportunity to tell you of the place you hold in my heart. I realize as I have at no other time, what a sweet and fine Mother I have. I feel that if I can ever make you half as proud of me as I am of you I will have achieved a lot toward happiness.

I never dreamed last Mother's Day, that I would not be able to be with you on this one, but that is the way it is. We don't govern such things ourselves or they would be quite different.

I am afraid if I do get to meet Dell in Dallas, that it will be on pretty short notice. We have less notice of time off or how long it will be than ever before. However I will just wait and see what turns up as that is all we can do. As you can see with wars going on you never know what will happen.

I got your letter just now and was glad to hear from you. I also got a card from George Wilson, he and the rest of the boys from Missouri are at Randolph Field. He talks as if they are about as busy as we are.

Mother please excuse the brevity of this token of love, but I must get this off and go drill.

Love and kisses, Earl W. Jacobs.
