Around Town

Jim Kirby was welcomed as a new member at the Monday night meeting of the Hereford Toastmaster's club. Basic training speeches were given by W. J. Messick, R. E. Lingenfelter, Elmer Patterson and Francis Hardwick. Toastmaster for the evening was Joe Smith and Ben Childers served as topic master. John Wear and Jim Kirby were visitors.

John Kelly, manager of Hereford Farm Equipment, just returned from attending a meeting in Oklahoma City held by the Modern Tractor and Supply company, distributor of the Ford tractor and Dearborn farm equipment.

Blue Turpen, third baseman-catcher for the Hereford Hardware softball team, chipped a bone in his left ankle Monday night on the last out in the first game of the post-season playoffs. Turpen, who was catching at the time, went back for a pop foul, and stepped in a hole.

No action was taken by the county commission on the proposed road opening in Block K-7 due to the fact that one of the affected property owners, Margaret Barrett, is in Venezuela at the present time.

An "Around Town" item appearing in the Sunday Brand told of the county securing right-of-way deeds for the last eight miles in the Wildorado-Dawn farm-to-market network. The item should have said that right-of-way has been secured for all BUT the last eight miles.

The revival meeting of the Westway Baptist church will open September 2. Friday and Saturday nights, Aug. 31 and Sept. 1 there will be prayer services conducted at the church.

The Muleshoe boosters made a visit to Hereford Tuesday to advertise their homecoming celebration.

Bob Wear was guest speaker at the noon luncheon of the Borger Lions club Wednesday. He talked on "Realistic Optimism".

A representative of an aircraft parts manufacturer was in Hereford this week checking on available floor space for location of a factory in Hereford.

Two distinguished visitors were in the Hereford area last week inspecting local stands of castor beans. They were Dr. Pultz of the USDA's department of industrial plants in Washington. (Continued on page 6)

Deaf Smith in "Disaster Area"

Deaf Smith county was one of 24 counties in the Panhandle designated as a "disaster area" by the Department of Agriculture in Washington this week.

The department authorized the Farmers Home Administration to make disaster loans to farmers and stockmen in the area.

A spokesman in the office of Cong. Walter Rodgers of Pampa, said the counties were designated as disaster counties because of the long drought which damaged the wheat crop and the heavy hail and wind storms which damaged cotton and row crops in June and July.

Farmers and stockmen who are unable to get loans from private sources to continue their operations can apply to the FHA administrator in their area for a disaster loan. The loans can not be used for the purpose of refinancing indebtedness.

The disaster counties are: Armstrong, Bailey, Briccoe, Carson, Castro, Dallam, Deaf Smith, Gray, Hale, Hansford, Hartley, Hemphill, Hutchinson, Lamb, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman and Swisher.

Deaf Smith county was designated as a "disaster area" earlier in the year after a great majority of the county's wheat acreage was lost.

DEAF SMITH COUNTY'S three representatives to the anniversary celebration of the Texas Home Demonstration Club at College Station are shown above tracing the route they will take prior to their departure on Tuesday. From left, are: Mrs. Irene Cooke, Cultural Home Demonstration club; Mrs. Frank Wilde, North Hereford Home Demonstration club and county THDA chairman; and Mrs. Herbert Hoover, Bippus Home Demonstration club. —Brand Staff Photo.

Watermelon Feed Friday For Boys 8-11, Parents

A watermelon feed, sponsored by the Lions club and the Layman's League of the First Christian church, will be held at the Scout house in Lake park on Friday night for all boys of Cub Scout age and their parents.

Charge Two With Contributing To Delinquency

Charges of contributing to the delinquency of a minor were filed against two men in county court on August 25.

One of the men—Cliff Ward—pled not guilty in county court on August 27 and was released on \$1000 bond. The offense with which Ward is charged allegedly occurred on August 15.

The second man charged—Floyd Jackson—pled guilty in county court on August 27. He was fined \$100 and costs of \$28.30 by County Judge L. H. Foster.

The offense to which Jackson pled guilty occurred on August 15.

Two different girls were involved in the charges filed with the county clerk. Both occurred on August 15, the charges allege.

The complaint was signed by City Patrolman Leland Alderson.

Friday night for all boys of Cub Scout age and their parents. The feed will begin the year's activities in the Cub Scout program. All boys between the ages of 8 and 11 are invited to attend and bring their parents.

Starting time for the meeting is 7:45 p.m. Both sponsors of the event promise "plenty of watermelon" for all those wishing to attend.

The Lions club and The Layman's League are putting forth all efforts to reach every boy and his parents so they may have a chance to belong to one of America's largest organizations for boys and to help them realize the necessity of brotherhood and the spiritual way of life. John Hicks, Cub Scouting Commissioner, stated.

"The complete program is one of learning, not only from books but others and their leaders," Hicks continued. A program that makes each boy realize his part in the world at present and in the years to come when he is the man of the nation. A program that knows no class, creed or color, one where everyone is equal as the founders of our great country planned it when our government was set up for the freedom of its citizens."

Uballo was charged with beating his wife.

Uballo Pleads In Aggravated Assault Charge

Serapio Uballo pled guilty in county court on August 27 to a charge of aggravated assault filed against him on August 26.

County Judge Leonard H. Foster fined Uballo \$50 plus costs of \$28.30.

Acceptance of Local Water Control Urged

A plea for acceptance of the proposed 21-county High Plains Water Conservation District No. 1 in the forthcoming election on September 29 was made this week by Tom McFarland, Hereford Chamber of Commerce manager, who was named chairman of the district's five man board of directors on August 23 at Littlefield.

"The people will vote September 29 on three important issues," McFarland said. "The most important issue will be the formation of a 21-county local control water district."

"Secondly," he continued, "they will vote on levying a tax not to exceed 5c per \$100 valuation. It is assumed that the tax levied will be less than 3c, which will run in the neighborhood of \$1 to \$1.25 per 160 acres of land."

"We will be voting on this question as the lesser of two evils," McFarland warned. "If the state were to get control under the last bill presented to the legislature, it would mean that all underground water rights were either public property or property of the state."

He added, "It would also mean several high-salaried jobs for governmental bureaucrats. It would mean that a farmer would have to receive permission from a board before he could start any type of irrigation well, which leaves terrible loopholes for incompetent and inefficient management."

McFarland said that by setting up a 21-county board, the farmers will do away with high priced government employees "to manage our business."

Under the proposed water district, each county will have its own water board (appointed by the five directors of the water district for the initial term, then elected by the county water boards for subsequent terms).

The 1951-52 program for the Hereford PTA was approved by the executive committee at its first meeting of the year Monday afternoon.

The program, "Safeguarding Our Freedom Through Responsible Citizenship," was outlined by Mrs. Homer Brumley.

The program is divided into nine parts with one program each month during the school year.

The first program, which will be held September 4 in the Shirley school gym at 8 o'clock will be "Do We Know Each Other?" This get-acquainted meeting will be sponsored by the Hereford Chamber of Commerce and the faculty will be special guests.

Castor Bean Men Begin Planning for Harvest

Preparations are underway to begin the harvest of 1400 acres of castor beans in Deaf Smith county between the middle of September and the first frost.

The Commodity Credit Corporation announced tentative plans to purchase 25% of the beans grown in Deaf Smith county from the Baker Castor Oil company after Baker purchases them from local farmers with Baker contracts.

Charles Newell, PMA fieldman here, was qualified Wednesday as a government castor bean grader for beans purchased here by the CCC.

Henry Carter, CCC representative from Brownwood, met with the PMA county committee and Virgil Dodson and Tom McFarland, representatives of the local Castor Bean Growers' Cooperative, and discussed the operation of the castor bean setup in Brownwood.

Carter also explained the provisions of contracts on renting harvesting machines purchased by the Commodity Credit Corporation. He also told about federal castor bean grading procedure.

The local office of the agency has purchased four harvesting machines for approximately \$4,600 each. The cooperative here has tentative plans to lease the machines and pay the CCC the standard 1/3 of harvesting fee for rental.

A Massey-Harris factory representative was in Hereford Wednesday to arrange for setting up the combines owned by the CCC.

Carter told the men at Tuesday's meeting of the critical need for castor oil. The government wants castor oil and "wants it bad," he said.

The increased government demands may open the way for increased acreage here next year if it follows a successful 1951 crop.

Wyche, Adrian Highways Are County's FM Choice

The Wyche road and the Adrian road extending north of the 14-mile road were the two alternate road improvement projects suggested for Deaf Smith county during 1952 by the Commissioners Court on Monday.

These two projects were recommended as the county's allotment of farm-to-market road by the Commodity Credit Corporation. He also told about federal castor bean grading procedure.

First choice of the county was an extension of the Wyche road one mile east, south for three miles, and then 1.7 miles to the east, once again.

Second choice was the Adrian road north of the new FM1412 (14-mile road) for 5.7 miles. Eventually this Adrian road will be surfaced all the way to the Oldham county line.

The Adrian road is part of the county's previously-planned road program.

James G. Lott, district engineer for the Texas State Highway Department, and "Red" Smith, his assistant, met with the commissioners Monday to receive the recommendations.

First and second choices were made by the state also. The county will be notified in the near future as to where the work will be done.

But Friday night, the farmers turned out in goodly numbers for the meeting. They asked questions of each agency official that outlined the duties of his organization in the county's agricultural setup.

Tonight, after thinking over what they heard at last week's meeting, the farmers and businessmen will come back to offer their recommendations for changes in USDA policies.

This "grass roots" farm program is what the USDA has in mind in its "Family Farm" policy, it says.

Ideas and suggestions expressed tonight will be recorded in a report to be sent to the state offices of the various organizations. In the state office, a statewide report will be compiled on suggestions of all Texas farmers and businessmen.

This will be forwarded to Washington and will be used as the basis for further USDA activities.

Inch of Rain Fell Saturday in Community; No Hail Reported

By Mrs. R. C. Childers

Over one inch of rain fell in most places in this vicinity Saturday afternoon and Saturday night. It was enough to give the farmers a rest period from the drudgery of irrigating. The rain fell slow and even and was absorbed where it fell. No hail has been reported anywhere in this community.

Mrs. R. C. Childers instructed the 4-H girls in fabric painting at the girls' 4-H camp Friday afternoon. There were 32 girls in these classes. They were divided by ages into three groups. Sue Cooke was first place winner in the fabric painting. Sue is a member of the Workers 4-H group of this vicinity.

Girls attending from this vicinity, Sue, Colleen, Jan and Carolyn Cooke, Patsy Childers, and Patsy Caywood. They are all members of the Workers 4-H Group.

Mrs. Louie Olson, and Mrs. R. N. Cooke helped with the camp meeting.

Mr. and Mrs. Joe Lyons were visitors in the home of Mr. and Mrs. Curtis Barclay Friday night. Mr. Lyons is having to go overseas as soon as he returns to camp. He is stationed at Camp Chaffee, Ark.

Mrs. Paul Corbett was a Saturday morning caller in the R. C. Childers home.

Jimmy Watkins of Hobart, Okla., returned to his home Saturday after a week's visit in the R. N. Cooke home. Jimmy is the son of Mr. and Mrs. Loyd Wat-

kins of Hobart.

Colleen Cooke went home with Jimmy Watkins to spend a few days in the Watkins home.

Sam Brewer of Austin was a guest in the Wayne Johnson home Saturday. Brewer is a brother of Mrs. Johnson.

Mrs. R. N. Cooke, Mrs. Frank Wilde, and Mrs. Herbert Hoover, delegates from this county, left Tuesday for College Station, where they will attend a three-day session of the THDA state meeting there. They will be gone five days, returning Saturday.

Mrs. Ella Mae Childers was in Amarillo on business Monday. Mrs. Childers plans to leave for Chicago soon for additional nurse's training. She will be gone about a year.

Mrs. C. S. Barclay, Mrs. R. C. Childers and Raymon and Patsy, spent Tuesday in Amarillo shopping and making the annual trip to the optometrist.

Mr. and Mrs. R. N. Cooke and family spent Sunday in Canyon visiting relatives there.

Mr. and Mrs. A. C. Hershey, Marvin and Patricia, were visitors in the A. S. Higgins home in Texline recently. The Higgins are formerly of the Progressive community, moving away about four years ago.

Ezra Jones of Tulsa was a dinner guest in the R. N. Cooke home Friday. Mr. Jones is an old friend of the family.

Mr. and Mrs. Henry Tarilton left Sunday for Morton where they are visiting relatives and transacting business this week.

Hereford Hardware, Dawn Win, Prepare for Finals

Hereford Hardware and Dawn took their second straight game in the post-season playoffs Tuesday to salt away the preliminary playoffs.

The two teams met Wednesday night in the first game of the playoff finals. The second game will be played Tuesday night at Veterans Memorial park.

Hereford Hardware took Magnolia for the second straight time, 9-3. Hereford Hardware won their game on 11 hits as Magnolia picked up seven. The losers made five errors and Hereford Hardware was guilty of a lone bobbie.

Dawn clipped its way past C & R-Jiggs in the first game of Monday night's bill, 8-6. Dawn got 14 hits in fashioning its victory while C & R-Jiggs used six to get as many runs. Each team was guilty of three mis-cues.

Friday Deadline For Enlisting, Choosing Duty

Choice of service in the Army or the Air Force is still available to those Selective Service registrants who have received their pre-induction physical examinations but have not yet been ordered for induction, provided they volunteer prior to August 31, according to M/Sgt. Hicklin A. Harrel, U. S. Army and Air Force of the Hereford recruiting office.

"If a man can choose his branch of service," M/Sgt. Harrel

commented, "he will feel he is serving where his talents can best be utilized toward the security of his country."

M/Sgt. Harrel emphasized the fact that the cut-off date for this choice of service is fast approaching, and urged those pre-inductees who are interested to go to their local U. S. Army and U. S. Air Force recruiting station immediately, and enlist.

Guests of their parents, the W. Brumleys, the past week-end were Mrs. J. O. Baker and children of Dallas and Mr. and Mrs. E. E. Joiner and son Gordon of Floydada.

commented, "he will feel he is serving where his talents can best be utilized toward the security of his country."

M/Sgt. Harrel emphasized the fact that the cut-off date for this choice of service is fast approaching, and urged those pre-inductees who are interested to go to their local U. S. Army and U. S. Air Force recruiting station immediately, and enlist.

Guests of their parents, the W. Brumleys, the past week-end were Mrs. J. O. Baker and children of Dallas and Mr. and Mrs. E. E. Joiner and son Gordon of Floydada.

Mrs. Carl Dean Mounts and children spent the week-end in the Carl Mounts home in Hereford.

office will handle bond sales in the usual way, Thompson explained. There will be no dollar and cents quota for the county, state, or nation, but a goal for the "highest possible amount of sales" has been set.

If the bond drive lags too much, a quota will be assigned and a concerted effort to bolster bond sales will be made, the chairman commented.

Thompson was in Amarillo on Tuesday attending a 44-county meeting for bond drive chairmen.

noon, Robert Thompson, PTA president, appointed a committee to plan entertainment for the September 4 meeting. Bruce Woodell president of the Chamber of Commerce, was appointed chairman with Mrs. Wayne Edwards, Mr. and Mrs. Roy Ford, Mr. and Mrs. Robert Veigel, Mrs. D. C. Kinsey, Mrs. Leroy Aven and Bill Stanford serving as committee members.

Other programs for the year will be: October 1, "Who Bends The Twig"; November 5, "Freedom Through Discipline"; December 3, "Preserving Our Spiritual Heritage"; January 7, "Citizenship In The Home"; February 4, "Looking Back - Looking Forward"; March 3, "What Makes Good Schools"; April 7, "Our Resources - Our Destiny"; May 5, "How Did We Do?"

Meetings will be held the first Monday of each month at 7:30 at the high school auditorium, according to Robert Thompson.

Two Deaf Smith 4-Hers To Show At State Fair

Two members of Deaf Smith county 4-H clubs will show Hereford cattle in the Junior Livestock show during the State Fair of Texas, Dallas, Oct. 6-21.

Dwaine Walker of Star route, Hereford, will show "Duke", and Jimmie Conkwright, Hereford, will show "Peewee".

These Herefords will be judged Oct. 18 and 19.

A premium of \$1,125 is offered in the Hereford division of the junior show.

D. S. and Dr. Van Horn, of Oklahoma A & M college. The men were making a tour of the local castor bean fields from a production standpoint. Dr. Pultz commented that the Hereford area ocmpered favorably with all other castor bean producing areas in the country.

Reserved seats for the Hereford high school football games are now ready to be picked up at the principal's office.

Two Dimmitt Youths Picked Up For Theft

Two Dimmitt juveniles who were in Hereford Monday selling farm equipment were halted in their activities by Deaf Smith county authorities.

The two boys tried to sell new plow sweeps to a local dealer. The businessman called Sheriff J. C. Reese and the two "salesmen" were apprehended by local authorities.

After checking with the Castro county sheriff's office, it was learned that the youths were wanted for a Sunday night burglary west of Dimmitt.

County Trustees Approve Year's Admin. Budget

The county school board met Saturday and approved the board of county administration expense proposed budget of \$4708 for the coming year.

Taken from all-state funds, the budget is paid by a per capita allowance from the state. The county school census showed 2109 students in Deaf Smith county.

Items included in the budget are: Salary of ex-officio county superintendent, \$1050; salary of assistant county superintendent, \$2500; office and travel expense, \$450; cost of computing census at 1c per name, \$22; per diem, county board of trustees, \$360; and balance in fund, \$362.62.

Acceptance

acquaint themselves with both sides of the question of local vs. state control of water and with the proposals offered under the current water district question.

Towns and counties will vote as separate entities in the election. For example, Hereford's vote and Deaf Smith county's vote could be different and the unit voting for a water district would vote itself in while the dissenting unit would not be covered.

In his strongest statement for approval of the water district, McFarland said, "If the people think anything of their freedom of irrigation and managing their own farm program, by ALL means vote in favor of the formation of a local water control district on September 29."

Address Change Of Over-Agers To Be Reported

Men who are over 26 years of age are still required to keep their draft board informed as to any change of address so that they may have their reclassification cards mailed to them, according to Mrs. A. Peterson, clerk of the local board.

When the board has mailed the cards to the last known address of the over-age registrant, they have done their duty and the cards are considered delivered even if they are returned to the board.

Mrs. Peterson urges all men who are over 26 years of age and registered with the local board to report any change of address to her so that they may be notified of their new classification.

Qualifying for Hereford Golf Championship Ends Thursday; Stan Barrett Leads for Medalist

Thursday night is the final chance to qualify for the Hereford Golf Club Championship tournament, according to Jim Terry, club pro.

First matches of "the tourney of the year" will be shot Sunday, Sept. 2. Semi-final matches will be shot on Labor Day, Sept. 3.

Windup of the tourney will be on Sunday, Sept. 9. This change in the shooting schedule was announced this week by Terry.

Stan Barrett is high man at present for medalist honors in the qualifying go-around. Stan shot a sizzling 35 going out and a 37 on the back nine for a par 72 qualifying score.

Close behind Barrett is Frank Cogdell, who shot 38 going out and ended up with a 36 on the last nine for a two-over-par 74. Other qualifying scores posted

by Terry early in the week are: Urtin Streu, 77; Posey, 80; Robert Lingenfelter, 81; John Renner, 81; Oscar Lang, 87; Frank Latimer, 82; Don Martin,

80; Bob Lindsey, 84; W. W. Gilbreath, 81; Lloyd Neill, 83; Junior Rothwell, 92; Ray Hardy, 82; G. R. Arbuckle, 82; Dub Reeves, 85; Bruce Wooddell, 97; Dub

Hair, 82; Wendell Burdine, 85; Harold Eberwald, 85; Henry Benson, 103; Clyde Cave, 94; Sam Nelson, 92; Mutt Webb, 93; Joe Butler, 82; J. D. Pitman, 82.

Terry said the high winds for the past few days have held the qualifying round scores up unusually high. Some of the golfers are trying to wait for their qualifying round to shoot in calmer winds.

Golfers who expect to enter the tournament but who have not qualified as of Tuesday afternoon are:

Joe Kerr, Wayne Phillips, Bill Davis, O. L. Click, T. J. Clay, Dale Tinnin, Bill Howard, J. A. Pitman, Tom Howard, J. A. McWhorter, and several golfers from Friona and Dimmitt.

Terry expects about 45-50 golfers out vying for the crown won last year by Jerry Stoltz.

More than \$200 in prizes will be awarded in the five or six flights.

The club champion will be awarded the club's traveling trophy. A Calcutta Pool will be held Saturday night, Terry revealed.

42 Herd Gridders In First Drills

Forty-two prospective Whiteface gridders answered the practice calls of Coach Dalton Criswell this week as they prepare for their first game of the season with McLean on the home turf Friday, Sept. 7.

Criswell is looking forward to a larger turnout once the school term begins, with a squad of about 70 anticipated.

The Herd mentor said his boys were "looking fine" in their first practice sessions. "They're working hard," he said. "Not only a few, but all of them."

Monday's activities, both in the morning and evening sessions

were confined to general conditioning. On Tuesday, the squad settled down to pass defense and line work on pass offense.

Criswell scheduled a 30-minute skull talk on Tuesday evening for the Whiteface hopefuls, followed by a 1½ hour session of heavy contact work.

Twice-a-day workouts will continue throughout this week and on Labor Day, Coach Criswell told The Brand.

The 1951 edition of the Whiteface grid machine will meet its first test with McLean here the Friday after school starts.

Fall Mat Season Opens Saturday, Dory Funk Here

Professional wrestling makes its fall debut at the Bull Barn on Saturday Sept. 1 as the Lions club brings a double main event for the initial card.

Dory Funk, popular and tough Boy's Ranch foreman will meet Ace Freeman of New York City in the final match of the evening in a best two-out-of-three-fall affair.

Ray Duran of Mexico City will meet George Drake of Catalina Island, Calif., in the curtain-raiser. This will also be a best two fall match.

Both bouts will have a one-hour time limit.

The card starts promptly at 8:30 p.m.

Mrs. R. R. Wills, Joe Bill, Charles Whitehead, and Jack McCracken returned Friday from a three weeks vacation to points of interest in the southern states.

The group stayed in New Orleans and then went to Panama City, Fla., for several days before going to Norfolk, Vir. where they visited Mrs. Wills brother-in-law and sister, Lt. and Mrs. J. H. Early. Before returning to Hereford the group visited in Washington, D. C.

Mrs. Don Bruhl and children of Llano left Sunday after attending to business interests here the past two weeks.

Dawn, HH, Victors In Playoff Opener

Hereford Hardware and Dawn both took initial victories in the Hereford Softball league's first post-season play-off games Monday night at Veterans Memorial park.

Hereford Hardware trimmed fourth-place Magnolia, 9-5, in the opener Monday. Dawn blasted C. & R-Jiggs, 11-5 in the nightcap.

Hereford Hardware and Magnolia shared hitting honors for the game, each one having nine bingles. The league-winners committed only a trio of errors while the losers bobbled six chances.

Dub Hair went the route on the hill for the winners and Blue Turpen and Bill Howard shared the catching chores.

Bars hurled for the Oilers and Bill Mailcoat was on the receiving end.

In the second game of the evening, Dawn outdid C & R-Jiggs to the tune of 10-6 to rack

up their 11-5 victory. C & R-Jiggs hurt its own chances with seven miscues. Dawn was guilty of only three.

Lacewell took the hill for C & R-Jiggs with Ray Hardy catching. Dawn used Marvin May with E. Lemon behind the plate.

You never tried a fine car like This One

YOU'VE a right to set your sights higher when you buy a fine car.

You can rightly expect more room—more comfort—more performance—and a lordly smoothness in the way it carries you.

So we present these facts:

You'll find, in a ROADMASTER, more usable room than you'll find in any other six-passenger car in America.

You'll find the extra comfort of double-depth Foamtex cushions in ROADMASTER only.

You'll find that the ROADMASTER has a high-compression, valve-in-head power plant that is also Buick's own—a mighty Fireball

Engine endowed with more performance than most owners will ever need.

And you'll find that a ROADMASTER rolls with unsurpassed levelness and poise, thanks to coil springs on all four wheels—which is still another feature found on no other car in the fine-car field.

But the thrill that is yours, when you get this willing beauty out on the open road, is something that can't be summed up in any listing of features, one by one.

It's a "feel" which, we honestly believe, no other car can approach.

It's the sure way this dazzling performer holds the road—the way it

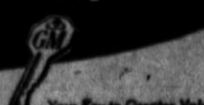

responds to your slightest wish—the quick answer you get when you nudge the throttle—the extra security you feel in the velvet grip of the brakes—the complete freedom from tension you find in Dynaflo Drive—the sense of mastery that makes every mile a joy.

And, confidentially, there's one more important way in which ROADMASTER stands alone, and that is in the modest cost of its pounds and performance.

Better come in soon and check for yourself what a great car and a great buy this one really is.

Equipment, accessories, trim and models are subject to change without notice.

Only a
Rose.

Only a Rose, and how we love it! Yet it is the commonest of flowers. It grows in every country, along every roadway under the sun. Every nation appreciates it. Perhaps it is like the sunshine... the spring showers or the pearly dewdrops on its petals; all the more meaningful because so universal. God made the Rose.

Children carry them for their favorite teacher. Lovers weight them down with deep and intense affection for their beloved. Mature home lovers are brightened by their fragrance and loveliness. The hours of sorrow are lightened and sanctified by the silent ministry of friends who find no other expression of sympathy quite so satisfactory. Thank God for the simple wayside wild rose. Thank Him for all the patented varieties so much sought after throughout the land. His rose by any other name would smell just as sweet. It is God's Rose.

Can we not make the humble rose even more symbolic and glorious? Let the crystal purity of her white petals symbolize life everlasting. May she speak in reverent words of devotion, and love and God as she illumines His sacred pulpits all over the world. May she not testify to the omnipotence of God and may her sacred and significant voice be that of Him calling His children to worship. God made the Rose!

A revival will be held by the church September 5-16. Rev. Jack Sismare will do the preaching for the service. Visitors are always welcome. H. V. Fields is pastor.

Christian Science

Christian Science services are held each Sunday morning at eleven o'clock in the Star Theatre. The public is invited to attend.

That the life and works of Christ Jesus were meant to be an example for mankind in all ages as well as for his immediate disciples is brought out in the Lesson-Sermon entitled "Christ Jesus" to be read in all Christian Science churches on Sunday, September 2. The Golden Text—"The Son can do nothing of himself, but what he seeth the Father do" (John 5:19).

The present availability of the truth Jesus taught is pointed out in this citation taken from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus demonstrated Christ; he proved that Christ is the divine idea of God—the Holy Ghost, or Comforter, revealing the divine Principle, Love, and leading into all truth."

Church of Christ

The Church of Christ has the following regular meetings scheduled for this Sunday: Bible study 10 o'clock; morning worship, 11 o'clock; young peoples, 6:45; and evening worship, 8 o'clock. Wednesday evening services will be held at 8 o'clock instead of 8:30.

Sunday, the First Christian church services will be broadcast over radio station KPAN at 11 o'clock.

First Methodist

Sunday morning, Sept. 2, Rev. Everett Thompson, a Methodist Missionary who recently returned from Japan and the Far East, will speak at the First Methodist church. He will tell of his experiences as a social worker, teacher and evangelist in the war-damaged areas in Japan and Okinawa. Both Mr. Thompson and his wife had had twelve years of missionary experience in Japan before World War II. Shortly after peace was declared, the Thompsons returned to Japan and organized a community center in Yokosuki. For eight months Mr. Thompson was engaged in relief work in Okinawa, which he declared was a "100-mile-long slum". Mr. Thompson first went to Japan in 1926 and was associated with Methodist colleges in Tokyo and Nagasaki. Many of the young men from these institutions have since become leaders in the trades and professions of the Empire.

At the evening service, Rev. Don R. Davidson will bring the message. Also at the evening service, Jesse Click and Virginia Sigle, who represented the local Methodist church at the National Convocation of Youth at Purdue

University in Lafayette, Ind., will give reports of the meeting.

Wednesday, Sept. 4, the WSCS will hold their regular monthly luncheon. At this meeting, there will be a Round Up of new members reached during the recent Progressive Visitation campaign.

Regular session of the Intermediate and Senior group will meet at 6:30 Sunday evening.

The Korean Prayer Band will meet in the Sanctuary at 3:30 Sunday afternoon.

The Prayer Group will meet Wednesday evening at eight o'clock.

First Presbyterian

Rev. Russel Wingert, who has returned from a month's vacation will again fill the pulpit at the First Presbyterian church Sunday, Sept. 2.

Regular services for the church are: Sunday school, 9:45; morning worship, 11 o'clock; evening services, 7:30.

Wednesday, Sept. 5, the Women's Council of the First Presbyterian church will hold the first meeting for the fall in the form of a luncheon at Fellowship hall at noon.

Immanuel Lutheran

Holy Communion will be celebrated in the service at the Immanuel Lutheran church this Sunday. Sunday school and Bible class begin at 10:30 a.m. and the worship hour at 11:30 a.m.

Homemade Mayonnaise
The rumor that homemade mayonnaise will not keep in hot weather is not so, as it will keep indefinitely if placed in a mason jar, the top screwed on securely, and then placed in the bottom of the refrigerator where the dressing will not get too cold. It will spoil very readily if kept uncovered.

Packing China
If the excelsior is moistened a little when packing china or glass, it will swell as it dries and cause the articles to be wedged firmly.

Paint Spots
Paint spots can be removed

from clothing by using equal parts of ammonia and turpentine. Wet the spots three or four times, and then wash in soap suds. Rinse in clear water, dry, and press.

Fruit Stains
Fruit stains can be removed from the hands by rubbing them with a fresh tomato (green or ripe). After this, wash thoroughly with soap and warm water.

Cracked Window
A coat of clear shellac over a cracked window pane will keep it from leaking until a new pane can be installed.

Cooking Odors
A little ground cinnamon sprinkled directly on the gas flame will do wonders about those cooking odors.

Grass Rug
If the grass rug has become old, worn, and soiled, remove it to the yard and wash thoroughly. Then apply a coat of good house paint, using any desired color. Allow to dry thoroughly before moving it.

Prevent Corrosion
The metal tops of salt shakers can be prevented from corroding by treating the inside of the cover with melted paraffin. Open the holes before the paraffin has set.

Laundering Hint

An aspirin added to the water in which chintzes and cretones are to be laundered will keep the colors from running, and even improve them.

Transparent Soap
To make a transparent soap, mix one pound of yellow bar soap, shaved in thin slices, with 1/2 pint of alcohol. Put into a kettle of cold water and let the water boil for ten minutes, stirring the soap all the time. Scent to please, bergamot or rose, and pour into molds.

HOUSE JOINT RESOLUTION NO. 32
Proposing an Amendment to the Constitution of the State of Texas by adding a new section after Section 11, thereof, to be known as Section 11a, providing for the investment of the Permanent University Fund in additional securities to those enumerated in Section 11 of Article VII of the Constitution of the State of Texas; providing for the necessary election and publication, and election of an election therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article VII of the Constitution of the State of Texas shall be amended by adding a new section to be designated Section 11a, which shall read as follows:

"Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in such other securities, including bonds, preferred stocks and common stocks, as the Board of Regents of the University of Texas may deem to be proper investment for said fund; provided, however, that not more than fifty per cent (50%) of the said fund shall be invested at any given time in securities issued by any one (1) corporation or corporation controlled by one (1) corporation; and provided further, that the said fund shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bonds and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution"; and
"AGAINST the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such Amendment shall be paid out of the proper appropriation made by law.

HOUSE JOINT RESOLUTION NO. 32
Proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be known as Section 11a, providing for the investment of the Permanent University Fund in additional securities to those enumerated in Section 11 of Article VII of the Constitution; and providing for the necessary election and publication, and election of an election therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article XVI of the Constitution of the State of Texas, be amended by adding thereto a new Section, to be known as Section 11a, which shall read as follows:

"Section 11a. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by any appointive officer or employee shall be voluntary; and provided, that the amount of such retirement or disability benefits shall be determined by the Legislature; and provided further, that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system authorized under Section 51f of Article III, providing for the calling of an election and the publication and issuance of the proclamation therefor."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors at an election to be held throughout this State on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon the words:

"FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees"; and
"AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for publication thereon.

Sec. 4. If at said election, a majority of the votes are "FOR" the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees, the following proposed Amendment shall become Section 11a of Article XVI of the Constitution of Texas, and publication shall be made by the Governor thereof.

SENATE JOINT RESOLUTION NO. 8
Proposing an Amendment to Section 48d of Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts so as to provide that the Legislature may authorize an ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 48d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Sec. 48d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize the ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts; and

"AGAINST the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 2. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 8
Proposing an Amendment to the Constitution of the State of Texas amending Article III, Section 11a, providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to residents of the State of Texas who are needy and persons over the age of sixty-five (65) years, needy blind persons over the age of sixteen (16) years, needy children under the age of sixteen (16) years; removing the Thirty-five Million Dollars (\$45,000,000) limitation upon expenditures for such purposes; and providing for a limitation of Forty-two Million Dollars (\$42,000,000) per month from State funds for old age assistance; prohibiting payment of assistance after disposition of property under certain conditions; providing for the acceptance of financial aid from the Government of the United States of America for such assistance; providing that the payment of such from State funds shall never exceed the payments from Federal funds; providing for the necessary election, and providing for the form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 11a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended so that the same shall hereafter read as follows:

"Section 11a. The Legislature shall have the power, by general laws to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions, and regulations as may be by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application; provided that the maximum payment per month from State funds shall not be more than Thirty Dollars (\$30) per month."

"Any applicant for or recipient of assistance, including the spouse in each instance, who shall dispose of any property after June 1, 1952, and any person who initially applies for assistance after June 1, 1952, who has disposed of any property within five (5) years prior to the date of application, shall be ineligible to receive assistance; provided, that if such property was disposed of by bona fide sale and conveyance, and for value commensurate with the actual market value thereof, such disposition shall not affect eligibility for assistance if it is shown that all proceeds from such sale have been used by such person and spouse for normal living expenses, or for the purchase of other real property of like value; if any recipient of assistance or spouse shall sell any real property, neither such recipient nor spouse shall thereafter receive assistance until all net proceeds of said sale have been expended for normal living expenses; and in case of disposition of such property by gift or for an amount less than its actual market value, such person and spouse shall not thereafter receive assistance until the expiration of the period of time during which the net proceeds of said sale would have paid the normal living expenses had the actual market value been realized therefrom."

"(2) Needy blind persons who are over the age of sixteen (16) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application."

"(3) Needy children who are under the age of sixteen (16) years; provided that any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance, or, if said child is under the age of one (1) year, whose parent or other relative with whom the child is living has resided in the State for one (1) year immediately preceding the birth of such child."

"The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer not inconsistent with restrictions herein set forth; provided, however, that the amount of such assistance out of State funds to each person assisted shall never exceed the amount so expended out of Federal funds; and provided further that the total amount of money to be expended out of State funds for such assistance shall never exceed the sum of Forty-two Million Dollars (\$42,000,000) per year."

"Should the Legislature enact enabling laws and provide an additional appropriation hereon in anticipation of the adoption of this Amendment, such Acts shall not be invalid for reason of their anticipatory character."

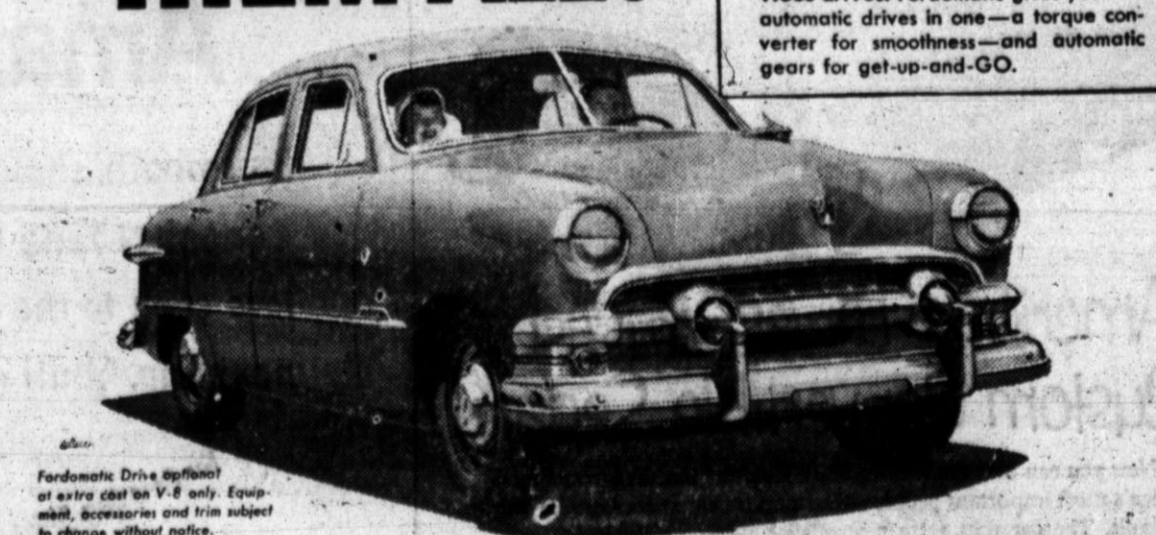

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of Texas at the election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election there shall be printed on such ballot the following clause:

"FOR the amendments to the Constitution giving the Legislature power to set up a system of payments of assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age; removing the Thirty-five Million Dollars (\$45,000,000) limitation upon amount of State expenditures for such purposes; discontinuing payment of assistance after disposition of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditures from Federal funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars (\$42,000,000) per year on State fund expenditures for such purposes each year."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and Laws of the State of Texas.

AN ERROR occurred in presenting the last installment of the "mystery farm" feature. One place, the former Zerill Thomas place, was listed as unidentified, when it should have been the photo now shown at the top. We are still looking for identification of the top photo. The center photo is a view of the Bridwell ranch about 50 miles northwest of Hereford. Correct identification of the place was made by Joe L. Hamilton, 211 Fuller at 8:50 Thursday morning. The first rural identification of the place was made by Ruby and June Wilcox, Route 4, who correctly identified the farm Friday at 5:30 p.m. The lower photo is the newest mystery farm awaiting identification. The first city reader and the first rural reader who correctly identifies the place will be given two free theater tickets.—Brand Staff Photo.

THE FORDOMATIC FORD GIVES YOU AN ENTIRELY NEW KIND OF DRIVING!

Combines best features of previous drives! Fordomatic gives you two automatic drives in one—a torque converter for smoothness—and automatic gears for get-up-and-go.

Practically drives itself! Fordomatic thinks for you. It smoothly and automatically provides a countless number of drive ratios through which engine power is fed to the rear wheels.

Easy rocking! It's even easier to "rock" out of sand, snow or mud with Fordomatic than with Conventional drive. Just move the selector back and forth between low and reverse.

It's a gas-saving powerhouse! Fordomatic's automatic intermediate gear provides smooth, fast, economical "getaway" without wasteful engine racing. Uses no more gas than the savingful conventional Ford.

Long Time Ago

45 Year Ago

Mr. Bradenbough, president of the Kansas City Board of trade, who came down with last week's excursion, decided that Hereford needed a mill and elevator. Before leaving, Mr. Bradenbough stated that he would put in the mill and elevator with all the necessary ware houses to handle this year's grain crop.

At one o'clock Sunday morning during a lighting storm the Dimmitt court house burned. Lightning struck in the cupola and set the courthouse afire.

J. P. Wood plowed a fire-guard along the Santa Fe tracks and in the entire 87 miles he only had to take his plow out of the ground once and that was as he crossed the Tierra Blanca creek.

The Tierra Blanca Baptist association held its first annual session with the Palo Duro church in the north eastern part of the county.

25 Years Ago

On the next Monday, at noon the annual election of officers of the Hereford Chamber of Commerce will be held.

In response to many requests for typewriting and shorthand, arrangements have been made where this work will be offered in the high school this year, according to C. H. Dillehay, superintendent of schools.

Wellington won the district meet of the West Texas Chamber of Commerce for 1927. After a terrific battle between Hereford and Panhandle they both decided that the only way to settle it was to send the convention to Wellington.

Five hundred miles in fifteen hours is going some but Mr. and Mrs. J. S. Miller of McCook, Neb. left there at 6:15 a.m. and fifteen hours later arrived in Hereford. They averaged 33 miles per hour through the four states they had to cross to reach Hereford.

Jim Sanders, Deaf Smith county breeder, is planning to secure \$15 from local breeders to be given as second and third prizes for winners in the calf club show September 16-18.

E. B. Handley will develop water systems for eight residences that L. Baskin is planning to build on his eight five-acre tracts just south of Hereford. Baskin has a big irrigation well that will furnish water for each of these tracts.

Seven exceptionally fine Herefords will be shown at the Deaf

Smith County free fair September 16-18 from the D. L. McDonald herd.

HOUSE JOINT RESOLUTION NO. 2
Proposing an amendment to Section 49-b, Article III, Constitution of Texas, so that the total amount of bonds the obligations of which may be issued by the Veterans' Land Board is increased to One Hundred Million Dollars (\$100,000,000); providing for the issuance of said bonds and certain conditions relating thereto and the use of the Veterans' Land Fund in providing for and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 49-b, Article III, Constitution of Texas, be amended so that the same will hereafter read as follows: "Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Board shall have the honor and duty to issue bonds on behalf of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denomination and upon the terms as are now prescribed by Senate Bill No. 25, Chapter 518 of the Acts of the Fifty-first Legislature (and any laws or resolutions amending the same), and the same shall be sold for not less than par value and secured interest."

"In the sale of any such bonds, a preference shall be given to the purchase of the same by the Veterans' Land Board, and the proceeds of the sale of such bonds shall be paid to the Veterans' Land Board for the purpose of creating the Veterans' Land Fund. The Veterans' Land Board shall be authorized to issue bonds on behalf of the State of Texas for the purpose of creating the Veterans' Land Fund, and the same shall be sold for not less than par value and secured interest."

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands for the use of the Veterans' Land Board, and the same shall be sold for not less than par value and secured interest."

"The lands of the Veterans' Land Fund shall be sold by the Board for the purpose of purchasing lands for the use of the Veterans' Land Board, and the same shall be sold for not less than par value and secured interest."

"All moneys received and which have not been used for the purpose of purchasing lands for the use of the Veterans' Land Board, shall be paid to the Veterans' Land Board for the purpose of creating the Veterans' Land Fund, and the same shall be sold for not less than par value and secured interest."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write on their ballots the following words:

FOR the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

These appearing and proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

CONG. ROGERS REPORTS

We Should Rededicate Ourselves To Faith of Washington, Henry

FAITH OF OUR FATHERS:
Mrs. Rogers and I took the four oldest children to the Carter Barron Memorial amphitheater here in Washington the other night to see the play "Faith of our Fathers." The amphitheater is a beautiful open-air theater in Rock Creek park that reminded me in many respects of the Red Rock theater near Denver, Colo. Of course, it can't compare with the Red Rock theater from a natural standpoint. However it is beautiful and the trees that form the backdrop on the stage could never be matched by man-made objects for beauty.

The play portrays vividly the early events in our history, both pre-revolutionary days and post-revolutionary days. I wish that every man, woman and child in the United States could see it because it so clearly awakens one to the tremendous trials and tribulations that confronted the great patriots, the founders of this nation. Certainly faith in God and country was the moving force that carried these patriots forward, and without it, I wonder where we would be today.

It behooves all of us to rededicate ourselves and to resubscribe to the deep and abiding faith displayed by George Washington, Thomas Jefferson, Patrick Henry and all of the first citizens of the United States of America, a nation that has grown from scattered bands of rebels, solidly united in faith and purpose, to the greatest nation in the history of mankind.

THE KANSAS AND MISSOURI FLOODS: The Army prepared a motion picture of the devastation in the flooded areas of Kansas, Missouri and Oklahoma, and named the picture "The Great Flood of 1951." I had the opportunity of viewing this picture the other evening, and the damage wrought is inconceivable. It proves beyond doubt that there is no greater force than nature on a rampage.

The destruction extended into every phase of American life in those communities — churches with four and five feet of stinking mud, homes swept away or so badly damaged that they had to be condemned for human habitation, brick buildings crushed like egg shells, steel railroad bridges crushed away as if they were match sticks; tank cars, boxcars and locomotives bowled over and swept away like tinpins highways ripped apart, great slabs of concrete and steel tossed about as a wind would blow

How Can I?

By Anne Ashley

Q. How can I clean patent leather shoes and handbags?

A. They can be made to look like new by means of a milk bath. Merely dampen a cloth with milk and rub over the shoes or bag; dry with another clean cloth. This treatment is also very good for the leather.

Q. How can I treat ivy poisoning?

A. A good remedy, and one that is easy to apply, is a solution of sodium bicarbonate and ice water. Apply freely and often to the poisoned skin. Ask your druggist how to prepare the solution.

Q. How can I cause nails to stay more firmly in plaster walls?

A. After driving the nails in to the plaster wall, pull them out, wrap with a little steel wool, and then drive them in again.

Q. How can I keep grapes for a longer time?

A. Select the best clusters of grapes, pick off all the decayed

and unripe grapes, drop a bit of sealing wax on the ends of the stems and hang up in the cellar. They will keep for quite a while.

Q. How can I remedy a straw hat that droops at the brim?

A. Sponge the hat well with the white of an egg that has been thoroughly beaten. Then place on a hat stand to dry.

Q. How can I renew the lids of fruit jars?

A. Add one cup of vinegar to a gallon of water, in which the jars and lids are to be sterilized.

Q. How can I prevent my glasses from cracking when pouring hot jelly into them?

A. Put the glasses into a pan of hot water to prevent their cracking. The pan should be a shallow one, and the water sufficient to cover the lower third of the glass.

Q. How can I make a good summer drink?

A. A good and attractive summer drink can be had by serving frosted orange juice, containing plums, cherries, or other fruit that is in season.

Q. How can I clean window shades that are non-washable?

A. Common table salt rubbed into them will renew their freshness.

Q. How can I remove the paraffin from a glass of home-made jelly without difficulty?

A. When making jelly, before pouring the paraffin into the

Two Honored At "Coke" Party
