Narcotics Are Located At Residences

Deputy Sheriff Tommy Headrick was contacted Wednesday at 7:52 p.m., from a confidential informant, of a large quantity of narcotics located at two residential locations, one in Colorado City and one in Loraine.

Headrick contacted the Colorado City Police Department on the matter.

Police Officer Edward Tersero and Headrick met with Assistant District Attorney Ronnie Markley and search warrants were issued for both locations.

A search warrant was executed in the 1100 block of Elm in Colorado City and a medium size quantity of substance believed to be marijuana and paraphernalia were recovered.

Two suspects, Mark Allen Brooks, age 21, of Rt. 1

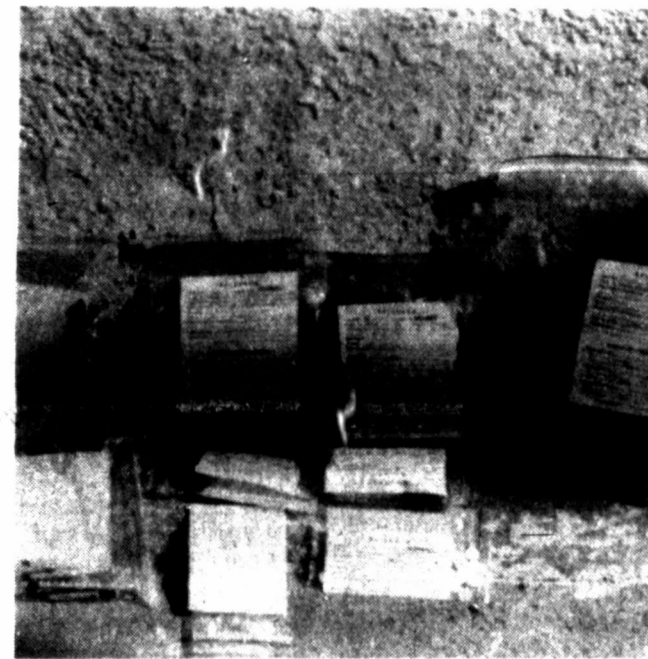

Box 140, Colorado City and Thomas Arthur Whitesides, Jr., age 22, of Box 195, Westbrook, were arrested.

They were arraigned before Judge Henry Doss, Thursday, on possession of a controlled substance and bond was set at \$5,000 each. Bond was posted by both parties.

Assisting in the case with Officer Tersero and Deputy Headrick were Billy Ray Williamson, investigating officer of the Colorado City Police Department; Sheriff Wendell Bryant, Chief Deputy Sheriff Bobby Callaway, Police Sergeant Jesse Dominguez, Officer Elias Franco and Texas High Patrolmen Tom Johnson, Johnny Hirst and James Burleson.

According to Officer Williamson, the substances and paraphernalia confiscated in Colorado City, were being sent to the DPS lab in Abilene for further investigation.

The items seized in the execution of the search warrant in Loraine by the Sheriff's Department were transported Friday to the Abilene DPS lab by Deputy Callaway for analysis, concluded Sheriff Bryant.

Board members face a full agenda including the discussion and consideration of a tax to be levied on automobiles.

Also on the evening's calendar is the resolution allowing school personnel to take advantage of tax sheltered annuities, the hiring of a new bus driver and the amendment of school lunch prices for school employees and visitors.

The school board will also discuss the possibility of moving the Loraine School Tax Office to the school and the employing of an attorney to handle Loraine's delinquent taxes.

Selective Service Act Registrants Are Posted

A list of Selective Service registrants born in 1962 and the first part of 1963 has been posted in the Mitchell County Courthouse.

According to Colonel Paul Dean Aikin, the State Director of Selective Service for Texas, the Military Selective Service Act requires that the names of Selective Service registrants be posted in a public place within each local board area.

Local board tentative assignments have been made based upon the zip code of the registrants permanent home address.

Colonel Aikin says the law (the Military Selective Service Act) still requires all young men to register with Selective Service at age 18.

Currently, men born in 1963 are required to register within 30 days before or 30 days after their 18th birthday. Registration forms may be completed at any United States Post Office.

If any young man failed to register on time, he may clear his record by registering as soon as possible.

Mitchell Helps Raise Money For Jerry's Kids

While most Mitchell County residents were making the last weekend of the summer a little restful, one very busy representative was in Stamford performing with the country band "Amos," for the Annual Labor Day Telethon to benefit the Muscular Dystrophy Association.

Doyle Mitchell of Colorado City, steel guitar player with the group, was pleased with the turnout at what was billed as "Superdance USA." "Amos" appeared with the Derrick Dolls, better known to most as the Houston Oilers' cheerleaders.

Approximately 800 people danced and generously helped the Muscular Dystrophy Association in Stamford, as the Big Country town raised about \$3,000 for Jerry's Kids. Nationally, MDA netted over \$31 million on Labor Day for Muscular Dystrophy research.

The Loraine Cotton Festival Is Slated For September 18 And 19

Plans for the Annual Loraine Cotton Festival, which is being held in connection with Loraine's 75th year anniversary, are now underway.

The festival is slated for September 18 and 19 with the queen crowning ceremonies set for Saturday, September 19.

Twenty young ladies, in two divisions, have been busy selling chances for a bale of cotton to be donated by Custom Ag in Loraine. The winner is selected according to money raised for the festival.

Members have also been selling miniature bales of cotton, with proceeds going for expenses of the festival.

The L.I.P. group also discussed plans for the

annual parade. Mrs. Hershel Williams, president, is coordinating the festival. The Loraine High School Band will be marching in the parade along with neighboring bands.

She said the entries for booths can be brought in from 3 p.m., until 5 p.m., Friday, September 18 and from 8 a.m., until 10 a.m., September 19, in the Loraine Senior Citizens Center.

The booths will have farm and garden products, food booths, and a crafts booth along with a special bazaar booth.

Mrs. Williams states that she is hoping this will be one of the best festivals yet, but it will take the help of all the local citizens.

Mariachi Band Is Scheduled To Appear At St. Ann's Fall Festival

Jesse Munoz, chairman of the St. Ann's Catholic Church Fall Festival, has announced that there will be a special treat for those attending the festivities Saturday, as they have a mariachi band scheduled to play.

He stated that it will be a mariachi band from San Angelo without the brass. It is a six member string instrument band and they will be walking around the grounds at the Mitchell County Agricultural Barn on West Highway 80, performing from 6 p.m., until 10 p.m., Saturday only.

Munoz added that the official coronation of the Festival Queen would not be until the Coronation Ball on October 3 in the Civic Center. She

would, however, be announced Saturday night, he added.

Queen candidates are Lisa Deloera, daughter of Mr. and Mrs. Tommy Deloera and Mona Molina, daughter of Mr. and Mrs. Manuel C. Molina, all of Colorado City.

Food, games and much more is in store during the two-day festival, on Saturday and Sunday.

There will be a \$500 Parrish drawing, according to Munoz.

When summer's over, the parents think they can send their children to school and get a rest. But, what they don't know, is that the children want them to participate in school activities too.

Rex Beights, president of the Wolves Booster club, came to the office one day to discuss the participation in the Wolves Booster Club. He stated that there wasn't enough.

I agree with Rex Beights. I feel like you should participate in all the activities that your child is in because before you know it, they won't be children any longer.

Most people think that the Wolves Booster Club is just for high school students parents, but they are urging junior high parents to join also.

Letter To The Editor

Dear Editor:

I would like to take this time to share my thoughts with you. Last Saturday night, my dad, Kirk Davenport, was in Colorado City visiting. There was a cry for help, my Dad was having a heart attack. My brother, Calvin, went to the hospital for the ambulance. In the meantime, the Police Dept. was notified. They all responded to

the call, along with Deputy Bobby Calloway. They all worked very hard to keep him breathing. The ambulance staff arrived and very quickly rushed my Dad to the hospital. Upon arrival, Ray Mason was waiting outside the emergency room. He started working on my Dad. Dr. Pat Thomas and members of the nursing staff then came in and began working on my Dad. We were all waiting in the emergency room lobby and at one time when the door came open, I could see them working on my Dad and to me, the expression on their faces was of concern. They worked so hard, as if it was their own Dad laying there. When the news was broken that there was no more they could do for my Dad, my Mother collapsed to the floor. One of the nurses, Christie Allen, stayed with my Mother. Carl Moore, with Kiker-Seale Funeral Home, helped make arrangements to get my Dad back to Andrews.

Planning Meeting Scheduled

Attention members of the Mitchell County 4-H and FFA Livestock Association, there is a meeting slated Tuesday at 7 p.m., in the Lone Wolf Medallion Room, according to Bob Benson, Mitchell County Extension Agent.

The purpose of the meeting is to set dates and make plans for the 1982 Livestock Show. The successor of the show depends on the willingness of each to work as a member of the association, added Benson.

Everyone is urged to attend.

At the funeral, Tuesday, members of the Colorado City Police were present as Honor Guard for my Dad. I want to take this opportunity to express my thanks to the staff of Root Memorial Hospital, the Mitchell County Ambulance Service, Dr. Pat Thomas, Carl Moore, Ruth and Calvin Johnson, Betty Throp and the members of the Colorado City Police Dept. and the Mitchell County Sheriff's Dept. May God bless each of you for helping us in the time we needed you.

CISD Offers Adult Education Classes Through Wallace Community Center

The Colorado Independent School District Adult Education Classes will be offered again this year beginning with registration Tuesday night, beginning at 7 p.m., at the Wallace Center south of Colorado City on the Robert Lee Highway.

There is no charge for the program. The school furnishes all books and materials.

The instruction is individualized—students can go just as fast as time and ability allows. The teachers develop a course of study suited to each student in order to prepare him for basic education achievement or the General Equivalency Development Test (GED). Students study in an informal atmosphere without the pressures of competition.

Many of our students have been housewives, coming to school to gain self-respect and confidence. Some are looking for jobs—others are interested just in the diploma.

Receiving a GED diploma can enable a person to go on to train to be an LVN, enter college, and open other doors that require a high school education. The GED test is divided into five parts: literature, science, social studies, math and English. The parts may be taken on different days. Students

can enroll any time during the semester.

Classes will be held on Tuesday nights each week from 6 to 10 p.m. The program is designed for person (17 & over and have been out of school at least a year) who have not completed

their elementary or secondary education, or have not attended school at all.

Students from all walks of life and all ages come to the program. We do a lot of refreshing. It takes a lot of courage for an adult to

come to school, but it's worth every minute.

The adult education program staff will include: Orphie Conner and Bob Reilly.

For more information, phone the Center at 728-2392.

Local Methodist Church To Take Part In Mission Focus

Missions and missionaries will be the focus for the entire week of September 13-20 as the First United Methodist Church in Colorado City takes part in the Big Spring and Abilene Districts' "Mobilize for Missions" emphasis.

Two former missionaries will be special guests at two events locally, while some twenty-five missionaries will scatter across the two districts. On Sunday evening, September 13, beginning at 6 p.m., First UMC will host St. Luke, Dorn, Loraine and Westbrook United Methodists in a covered dish supper at which time the Rev. William T. (Jack) Robison will be the guest speaker.

Robison and his wife have been missionaries in Bolivia since 1948. A native of Tennessee, Robison attended Vanderbilt University, Candler School of Theology and served in the Air Force in World War II.

The Rev. Anthony B.

Fadely will be the guest speaker at a special meeting at First UMC on Wednesday, September 15, at 7 p.m. He is a former missionary to Liberia and served from 1979-1981 as mission interpreter for the South Central Jurisdiction.

In addition to these two events, the local United Methodists will participate in District wide events, including a United Methodist Wo-

men's meeting on Sunday, September 13, at 2:30 p.m., in Big Spring; a United Youth meeting at First UMC Midland on Sunday, September 20, at 3 p.m., and a District-Wide Missions Rally at 6:30 p.m., the same day and place.

Gifts From The Aging

M. Ronald Hamby

One of the most sinful tragedies of our culture is our failure to appreciate and relate to the older folks in our midst. The story is told of a remote mountain people who used to sacrifice and eat all their old men. A day came when there was not a single old man left, and the traditions were lost. They wanted to build a great assembly house, but when they came to look at the tree-trunks that had been cut for that purpose, no one could tell the top from the bottom; if the timber were placed the wrong way up, it would set off a series of disasters. A young man said if they promised never to eat the old men any more, he would be able to find a solution. They promised, so he brought out his grandfather, whom he had hidden. The old man taught the community to tell the top from the bottom.

We tend to forget how fortunate we are to have in our fine community so many of those older citizens that can teach us how to tell the top from the bottom! Besides, even if they get to the point where they can't still teach us, they are still God's children and very valuable human beings.

In a day and age when so many persons are caught up in being "pro life" concerning our beginnings we should also remember to be "pro life" regarding our older folks. We need to affirm them, care for them, respect them. Jesus did; God does; we are called to also!

Oliver Reunion Held September Fifth and Sixth

September 5th and 6th was a special weekend for the descendants of Marion and Nancy Oliver.

The reunion began on Saturday afternoon with a large group of relatives and friends at the

Lone Wolf Co-opatorium for sandwiches and homemade ice cream.

Sunday, Sept. 6th, the Civic Center was the scene of a covered dish luncheon with the Curtes C. Oliver family being the honor family for

the 1981 gathering.

After a short business session, Gene Self said the invocation and the lunch was enjoyed by 222 friends and relatives.

Following the lunch, a short program was given

by the honor family with each child of Curtis and Sophia Oliver introducing their individual families. Everyone present joined in the singing of two songs, "Amazing Grace" and "How Great Thou Art," led by

Geneva Redwine with Golda Redwine at the piano.

The oldest present was Inez Oliver of Colorado City and the youngest was Jeremy Oliver, son of Carson and Cindy Oliver of Irving, Tx.

Those who traveled the farthest were Berta Williams and her niece Jerrell of Atlanta, Ga.

Families represented were: C. A. Oliver with 16 present; Bessie Oliver Carpenter, 23 present; Curtis C. Oliver, 36 present; Ella Oliver Phillips, nine present; J. F. Oliver, 60 present; Tommy Oliver, 34 present; Wesley Oliver, two present; Minnie Oliver Phillips, 17 with 20 special guests.

Most of the afternoon was spent visiting making pictures and special music by Curtis, Clifford and Dale Carpenter, Don Wright, Clinton Oliver and daughter LaQuits Oliver.

The honor family for next year will be the family of Ella Oliver Phillips.

Convention Plans Discussed Tuesday

Florence Pratt, Betsy Aycock, Dona Reed and Clara Shoemaker hosted the Delta Epsilon Chapter of Delta Kappa Gamma when they met Tuesday at 7 p.m., in the Villa Inn Restaurant.

Earline Sellier, president, welcomed the group to the first meeting of the year and reports were given from Nadine Gordon, Margaret Latimer, Margaret Conaway, Erna Lou Burt, Marian Craddock

and Jean Robinson on various committees. The committees were reporting on their plans for the Area IV Delta Kappa convention on October 3 to be held in Colorado City.

The convention will be held in the Middle School cafeteria with registration being held from 8:30 a.m., until 9:30 a.m. Following the business meeting, workshops and a luncheon is scheduled.

Others attending the meeting were Fanny Faye Feaster, Barbara Girvin, Dale Geer, Francis Godwin, Ann Holbert, Chrystene Hall, Martha Matthews, Mabel Merrett, Peggy Ratliff, Wilma Reynolds, Margaret Sparks, Janet Stockton, Margaret Trulock and Carolyn Weaver.

Business And Professional Women's Club Met For September Dinner And Meeting

The Colorado City Business and Professional Women's Club met for the September dinner and business meeting Tuesday, Sept. 8, at 7 p.m., in the Civic Center.

The membership committee hosted the meeting with Faye Spivey as chairman, assisted by Molly Bruce, Sue Womack and Terri Keel. Molly Bruce recited the club collect; Faye Spivey led the pledge of allegiance to the flag; Lu Ann Hertenberger was a guest.

The guest speaker for the evening was Wendell Rehm, trooper in the Texas Department of Public Safety. He is a veteran of 21 years in the Department and now lives in Abilene. His topic for discussion was "Traffic Safety-or Traffic education." He related that accidents don't "just happen," the driver is usually at fault-not always someone else's fault-so the driver

should check his own attitude. Rehm stated that a traffic accident occurs every 74 seconds this was the year of 1980. He also stated that we are ahead of that figure in 1981. He concluded his discussion with a true-to-life article entitled "Something To Treasure." A question and answer period followed. The business services were called to order by club president, Virginia Dearen.

Anna Staats became a member of the club and was pinned by Sallie Roper.

The club bazaar was scheduled to be November 21, in the Charles C. Thompson Room.

The club will also have a booth at the Mitchell County Fair Sept. 31-Oct. 1, 2 and 3, workers will be needed in this effort.

Plans for the district conference, which is to be held in Stamford, Sept. 19, were made.

Members present included: Mildred Boyd, Molly Bruce, Virginia Dearen, Shirley Delaney, Annie Dixon, Mildred Free, Nelda Garrett, Jean Holbert, Cecile Hubbard, Ida Kirschbaum, Ida Miles, Erdine Morgan, Velma Mosely, Margaret Oyler, LaRue Powell, Lona Pritchett, Sallie Rogers and Juanita Schafer.

Others attending were Neil Shackelford, Rochelle Smith, Faye Spivey, Pearl Watson, Judy Winkle, Sue Womack, Wilma Womack, Eddie Barclay and Anna Staats.

Looney E.H. Club Met

Mrs. Iva Prescott hosted the Looney E.H. Club meeting Wednesday in her home.

Catherine Shurtleff led the prayer and Mrs. Prescott was in charge of the recreation.

The business session followed the reading and approving of the minutes of the previous meeting.

Plans were made for the Mitchell County Fair.

Refreshments of fresh apple cake, chips, tea and coffee were served to those attending.

Attending the gathering were Mrs. Eddie Barclay, Artie Harding, Dollie Jarman, Almarene Claxton, Etta Lee Gibson, Mrs. Shurtleff, Linnie Williams and the hosts.

The next meeting is slated for September 23 with Mrs. Charles Williams hosting in the Lone Wolf Medallion Room.
