LEGAL NOTICE

NOTICE IS HEREBY GIVEN
That on the 12th day of Aug.
1965, the Board of Directors of
the Eastland County Water
Supply District duly enacted
an ordinance affecting Lake
Leon and boating and fishing
thereon: forbidding the use of
firearms and hunting; provid-
ing for sanitary protection;
providing penalties for viola-
tion of the ordinance; provid-
ing for the publication of a
notice of the ordinance and
fixing its effective date; and
making a full provision for ad-
vice to the public as to its
term and provisions.

This notice shall be publish-
ed in two newspapers in East-
land County, once a week for
two successive weeks.

Said ordinance shall be in
full force and effect on and
after Sept. 9, 1965, which date
is five days after the second
publication of this notice.

A full copy of this ordinance
and the rules therein announc-
ed is on file at the filtration
plant located North of Lake
Leon, and same may be seen
and read by any interested
party.

Everything Is in Readiness For L-C Bridge Tournament

All committees of the Lone Cedar Country Club's Duplicate Bridge Club met last weekend with Lloyd London, general chairman of the tournament at Lone Cedar this weekend, presiding.

Everything is in readiness for players from Abilene, Graham, Coleman, Stephenville, San Angelo, Wichita Falls, Fort Worth, Dallas and other sections of the state.

A warm-up game will be held Friday Sept. 10 at 7:30 p. m.; the early-bird game, Saturday, Sept. 11, at 9 a. m.; and two sessions on Saturday and Sunday, afternoons and nights.

Mr. John Emery, national director, will direct all games, it has been announced, and master points and trophies will be awarded for each event listed.

Arrangements have been made to handle up to 1,000 players during the six sessions of the First Annual Sectional Tournament which begins Friday, Sept. 10, and continues through Sunday.

The tournament is sponsored by the American Contract Bridge League with John Emery

as director. Games will be held at 7:30 p. m. Friday, 9 a. m., 1:30 p. m., and 7:30 p. m. Saturday, and on Sunday at 1:30 and 7:30 p. m.

All sessions are open to any A.C.B.L. member. Trophies will be awarded first and second place winners in all events, plus two floating trophies to the individuals winning the most Master Points during the tournament.

A special fish fry will be given Saturday evening and a barbecue Sunday evening.

The club is located between Eastland and Ranger on Lake Leon. Signs directing players to the club will be posted.

This is the first time that a tournament of this size has been authorized in the area between Abilene and Fort Worth, announced Lloyd L. London, local chairman of the event. Further information may be obtained from Mr. London, Box 352, Cisco, or from Mrs. Joe Stephens, Eastland.

Jerry Franklin Condition Good

Hospitalized Monday was Jerry Franklin, 16, following a one-car accident at the corner of Plummer and S. Connelley and was in good condition Tuesday with a fractured pelvis and internal injuries.

Driver of the car, which left the street and hit a guy line, was Donecia Carville of Ranger, 18, who was treated at the hospital and released.

The 1960 model Triumph he was driving was a total loss. Other passengers in the automobile, Franklin Harris and David Franklin, both 10-year-olds, were also treated and released from the hospital.

MR. AND MRS. EDDIE MAURICE DRY

Miss Peden and Mr. Dry Married In Tennessee Ceremony August 28

The marriage of Barbara Annette Peden and Eddie Maurice Dry was solemnized at 3:30 p. m. Aug. 28 in the Kingston Methodist Church, Kingston, Tenn. Rev. Floyd C. Davis read vows for the ceremony.

Parents of the couple are Mr. and Mrs. Richard E. Peden of Kingston, Tenn. and Mr. and Mrs. Maurice Shepard Dry.

Given in marriage by her mother and father, the bride wore a white brocade dress styled with a scalloped V neckline, petal point sleeves and chapel length train. Her veil was a circlet of white brocade, outlined with seed pearls, holding a veil of silk illusion. She carried a cascade bouquet of fiji mums and ivy.

Caryl Peden, sister of the bride, was maid of honor; and Jeanne and Patricia Peden, bride's sisters, were bridesmaids. They were attired in short length white taffeta dresses, each carrying a single gardenia. They wore a white taffeta circlet with a fly-away veil of green lace.

Best man was Charles Dry of Eastland, brother of the groom; and groomsmen were Richard Peden Jr., of Kingston, brother of the bride, and Michael Perry of Eastland. The bride's mother wore a three-piece dress of light blue with matching accessories and the groom's mother wore a Caribbean blue dress with matching accessories. Both wore fiji mum corsages.

For the wedding trip to Gattinsburg and New Orleans, the bride wore a light green sheer wool suit with matching floral hat and brown accessories.

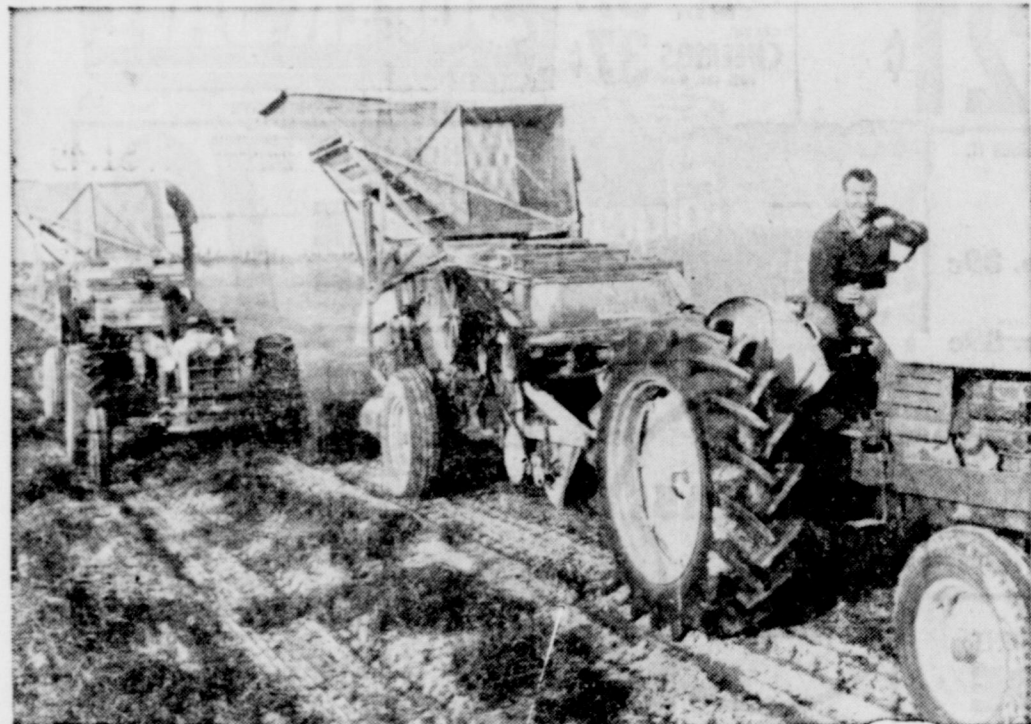

A senior at Texas Woman's University in Denton, the bride is a member of Iota Sigma Pi (chemistry honorary society), Kappa Mu Epsilon (mathematics honorary society), College Youth Fellowship and the First Methodist Church, Denton.

The groom received his B. A. degree in June of 1965 from North Texas State University in Denton and is studying for a Master's degree

**Owners who have to
make Peanut Combines Pay...
know they can depend on
LONG**

Read what Mr. Howard M. Ange, farmer and custom operator has to say about Long peanut combines and drying equipment—

"I had one Long and one competitive make peanut combine. Traded the competitive machine back for another Long after the first season. I like the Long since it has the lowest maintenance. I am not bothered by breakdowns and can get in more harvesting time. Especially like the way it picks peanuts up off the ground—like a baby in a cradle. It picks under any conditions, wet or dry. I picked this year in the field with other machines that had to stop because of wet weather. I get good service and have never been to my dealer that he didn't get help. Long fans, heaters and drying wagons work just fine."

Mr. Ange has two Long peanut combines and 17 Long drying wagons. He grows 80 acres of peanuts and harvests approximately 600 acres for others on a custom basis.

LONG PEANUT COMBINES

Can Be More Profitable For You, Too!

Whether you are a custom operator or a grower you will find that Long peanut combines will pay off with extra money and peanuts. Long's proved record of lower upkeep means less down time and more harvesting time. Sometimes this can be the difference between profit and loss when you have to harvest in a hurry due to

weather. Every hour counts then. You will find that LONG does a good clean job and will help you get more peanuts, too.

See the LONG combines at your dealer now. Let him show you why so many growers and custom operators have found the Long to be the best combine they can buy.

QB CLUB HAS GOOD MEET

Eastland Quarterback Club met Monday night in the Elementary School Cafeteria with a good attendance. The club further discussed its plans for the 2nd Annual Quarterback Club basketball tournament which will be played the 2nd, 3rd and 4th of December.

Coach Glass reported that a number of commitments had already been received and that the tentative acceptance of other teams had come in.

The matter of the Quarterback Club sponsoring all school sports was brought up again and the club voted to sponsor and actively support the entire sports program but to leave the name of the club as it is and has been since its organization.

Coach Glass showed the film of the Comanche game with all of the coaches commenting at various times about what was done and how the team did. This part of the program is the highlight of the meetings for those members who are a real football enthusiast since it affords the opportunity to have a second look at the games.

These meetings offer good fellowship and the opportunity to support the school athletic program in something more than a sideline observer's position.

Club President Bill Bass said that he would urge everybody that is interested in athletics to join the Quarterback Club and attend the meetings every Monday night at the Elementary School.

Insurance is a Life-time Affair -

... and is so considered by those who figure safety as a business and protection as an investment. The fact that a person has carried insurance all his life and never had a claim does not mean that he has lost his money premiums. Rather has he gained them because he invested in safety, got protection and lost none of his property. If we buy insurance for what it really is the most of our financial problems will solve themselves.

32,000 Acres Planted in Peanuts In This County, ASCS Chief Reports

Eastland County has a potential of \$2,220,000 income from its peanut crop this year — "if we get a good rain soon" — Gilbert Meredith, local manager for the Agricultural Stabilization and Conservation Committee, told the Eastland Lions Club Tuesday. His office reports that 32,035.5 acres are planted this year, he said, and with an average yield of 21 bushels (last year's yield) and an average price of \$3.30 (some higher, some lower), the net income should exceed \$2 million, he said.

Number of acres planted is up considerable from last year, he pointed out, and if rains come, the crops should be very good.

Outlining the roles of the U. S. Department of Agriculture, Meredith said that four agencies; his office, the Extension Service, the Farmers Home Administration and the Soil Conservation Service, are represented in this county.

Describing the peanut economy here, he said there are 5,400 "patches" of peanuts with some 950 to 1,000 peanut allotments, on the some 2,454 farms. The county has some 168,000 acres of cropland, and some 347,000 acres of non-cropland. Of the total

number of farms, some 950 have peanut allotments, 1,250 have feed grain allotments, 240 have wheat allotments, and only 275 now have cotton allotments.

Purpose of the ASCS is to conserve and build natural resources; to improve and protect farm incomes; to attempt to keep the supply equal to demand; and to provide food and fiber to the consumer at fair prices, Meredith said. The county has the capacity to produce some 60,000 acres of peanuts, he said.

The farm income was \$7½ million in 1963, he pointed out, and should be up in 1964 and 1965.

Jim Parks was program chairman, but Earnest Moore introduced Meredith in Parks' absence.
