## Teamster Official Is Burned, Believed To Be Victim Of Torture

PONTIAC, Mich. (AP) — A Teamsters Union official who appeared before the Senate Labor Rackets Committee last November staggered into a Pontiac hospital today with burns over 85 per cent of his body. Police said he may have been a torture victim.

He was identified from fingerprints as Frank Kierdorf of Flint, business agent for Flint Teamsters Local 332 and a nephew of Herman Kierdorf, a top aide of Teamsters President James R. Hoffa.

Herman Kierdorf appeared before the Rackets Committee only last week as the senators pressed their investigation into reported tie-ups between mobsters and unionsts in the Detroit area.

Frank Kierdorf, 56, appeared before the Rackets Committee last Nov. 5 and took the Fifth Amendment more than 40 times.

Sen. Karl Mundt (½-SD), told Kierdorf it sounded as if he had "a nice little Michigan racket." The senators tried to link him to George Kamenow, Detroit area representative of labor relations consultant Nathan W. Shefferman.

Kierdorf refused to answer questions as to whether he threatened Flint auto dealers with picketing if they failed to hire Kamenow.

Herman Kierdorf announced immediately after his appearance in Washington that he had resigned as business agent for the Teamsters Joint Council No. 43 in Detroit.

Hoffa is scheduled to be called before the committee when it resumes the Detroit phase of its hearings Tuesday.

At St. Joseph Mercy Hospital, Frank Kerdorf was in critical condition.

Someone apparently drove him to the hospital, then dumped him on the lawn to find his way to the entrance. Nurses said his partly burned shoes smelled of gasoline.

He was clad only in a bathrobe, socks and partly burned shoes. His hair was burned off.

Delirious and in severe shock, he answered questions about his identity only with "John Doe of Washington," or "I don't remember."

A detective said the man several times mumbled, "No, no you don't. Don't do it, John," indicating he may have been tortured.

Herman Kierdorf invoked the Fifth Amendment in refusing to tell Senate investigators whether he was involved in threats to a woman witness.

The woman, Mrs. Nancy Dawson, said she was threatened by Detroit businessman Joseph Lehr, a partner in a competing coverall supply company.

Lehr said Herman Kierdorf helped swing profitable business to his company but denied that anything more than friendship was involved. Other witnesses told the committee racketeers had muscled into the laundry business in Detroit by applying pressure through union connections.

Frank Kierdorf was delirious and in severe shock at the hospital and refused to answer questions as to his identity.

## U. S. Armed Forces Swelled In Lebanon

By EDWIN A. SHANKE

BEIRUT, Lebanon (AP) — The United States swelled its armed force in Lebanon to more than 13,000 men over the weekend.

The Middle East battleground enjoyed a respite from major shooting but the politicians began bickering over who should represent Lebanon at a summit conference.

Twenty-two hundred American soldiers landed in Beirut yesterday and 75 tanks and 226 other vehicles awaited unloading.

Most of the new arrivals were men of a tank battalion, plus engineers, radiomen, a medical unit and food inspectors.

There were indications that more American troops and equipment were on the way although the Lebanese rebellion has settled into an uneasy unofficial truce since the election of Gen. Fuad Shehab as president. In the only explanation of the U.S. reinforcements, Adm. James L. Holloway, the American commander in the area, said they were part of the total originally ordered to Lebanon last month and had not been diverted.

Both Beirut and the northern port of Lebanon, the two chief centers of fighting, were almost completely quiet over the weekend.

Rebel leader Kamal Jumblatt was reported disarming his 2,000-man private army in the mountains southeast of Beirut. But the rebel leaders in Tripoli and Beirut kept up their demands that President Camille Chamoun step down in favor of Shehab immediately and that the U.S. forces withdraw. The Beirut-Tripoli rebels were told to hold their fire but to hang on to their weapons and positions.

Chamoun's term does not expire until Sept. 23, and some politicians maintained he should represent the government at any summit conference on the Middle East held before then.

However, Saeb Salam, the rebel chief in Beirut, and other rebel leaders threatened a renewal of fighting if Chamoun or some delegate of his went to the summit for Lebanon.

## 2 Buildings Damaged By Fires Here

The home of Mr. and Mrs. H. H. Knipe, 1102 Twenty-eighth Street, was heavily damaged by fire about 2 o'clock Sunday morning, D. A. Porter, fire chief, said.

The fire apparently started from oily rags in a water heater closet, Porter said.

The interior and furnishings of the house were badly damaged.

About 7 o'clock last night an apartment in the Del Norte Courts on the Lubbock highway was damaged by fire. The apartments are owned by Warren Badger, and the apartment in which the fire occurred is occupied by Margaret Belt and her two children.

The interior and clothing in a clothes closet were heavily damaged, Porter said.

Then at 8:15 o'clock last night, a truck tractor owned by National Distributing Co. of Snyder was damaged by a fire in the 200 block of the East Highway. Engine and cab of the truck was damaged.

## Integration Case Heard

ST. LOUIS (AP)—Arguments in a case which may have a major effect on the speed of public school integration in the South were heard by the Eighth Circuit Court of Appeals today in a small, spectator-jammed courtroom.

The crowd of 120 persons, almost evenly divided between Negro and white, filled every seat as the seven judges met in special session to hear an appeal challenging a 2½-year postponement of integration at Central High School in Little Rock, Ark.

The spectators poured into the little courtroom when the federal building opened, two hours before the hearing began.

## Drug Firms Ready To Fight Charges

By FRED S HOFFMAN

WASHINGTON (AP)—Two major drug manufacturers say they will fight government charges that they conspired to fix the prices of wonder drugs. Others named with them also deny the allegations.

The denials came after the Federal Trade Commission announced Saturday the filing of complaints against six firms which make a group of antibiotics called tetracyclines.

The FTC said the companies have an absolute monopoly in sale of the tetracyclines, which include aureomycin, terramycin and achromycin. These drugs, developed within the past decade, attack a wide range of disease-breeding microbes.

The agency said the tetracyclines are the biggest selling antibiotics. One estimate mentioned by the commission said 750 million dollars was spent on wonder drugs last year.

Charges of fixing wonder drug prices at arbitary and noncompetitive levels were filed against these firms:

Chas Pfizer & Co., American Cyanamid Co., Bristol-Myers Co., and Olin Mathieson Chemical Corp., all of New York City; Bristol Laboratories Inc., Syracuse, N. Y.; and the Upjohn Co., Kalamazoo, Mich.

Bristol-Myers and Bristol Laboratories operate under one management. Cyanamid's drugs are made by its Lederle Laboratories. Olin Mathieson produces drugs through its E. R. Squibb & Sons Division.

Frederic N. Schwartz, president of Bristol-Myers, said the FTC charges are baseless. He promised to fight them "with all the resources at our command."

Dr. E. Gifford Upjohn, president of Upjohn, said officials of his company are convinced the charges are completely unfounded. He too promised a battle to "prove conclusively that these charges are untrue."

W. G. Malcolm, Cyanamid president, said his firm has not engaged in any price fixing or employed any unfair or deceptive business practices.

John E. McKeen, president of Pfizer, said, "Pfizer has never engaged in a conspiracy, never misused its patents, never fixed prices, and wields no monopolistic powers."

The FTC's civil action is aimed at requiring the drug companies to halt the alleged price fixing. The firms here given 30 days to file formal answers to the complaint. The commission tentatively set a hearing for Oct. 1 before an examiner in New York City.

In its report, the FTC said there had been repeated price cuts in many of the early antibiotics, but that comparable price decreases among the newer wonder drugs stopped in 1951.

## Taxes Might Need Boost

WASHINGTON (AP)—Sen. Prescott Bush (R-Conn) said today the tax burden may have to be increased to pay for mounting defense costs.

Bush said this was one alternative the nation faced in paying the added bills for defense and other high priority programs including science, education, mutual security and provision of essential services.

Other choices, he said, involve cutting back on less essential domestic programs or "deceptive, hidden taxation in the form of continued inflation."

In a speech in the Senate, Bush noted that Secretary of Defense McElroy has indicated defense spending may rise from the current rate of 40 billion dollars a year to 70 billions in a relatively short time.

"Has anyone thought where we may find that extra 30 billion dollars?" Bush asked.

**PRE-SCHOOL REGISTRATION TOMORROW**—The scene above will be repeated tomorrow at all elementary schools in the Snyder School System. It will be registration of first-year pupils, who will be signed up for pre-school orientation sessions. Bruce Francis, son of Mr. and Mrs. Buck Francis, 3207 Fortieth Street, is being registered above by Mrs. Robert Smith. (Lee Watson photograph)

*DOWN $47,645, NO CHANGE IN TAXES*

## City Budget To Be Aired In Hearing Here Tonight

A city budget for 1958-59 which has been cut $47,645 from this year's budget will go up for public hearing tonight.

The budget will not call for any change in taxes.

The hearing will be held in the city hall by the city council at 7:30 o'clock tonight.

Total of next year's budget is $793,321.

"Cuts in the budget were necessitated by a decrease in revenues, but one new fireman, one new policeman and one new man for the street department will be provided in the budget," Roy Dunlap, city manager, said.

The city budget reflects an increase of the total tax valuations in Snyder of $1,050,000, however. Total valuations, based on 40 per cent of the real value, for 1958-59 are $17,051,079—up from slightly over $16,000,000 total valuation this year.

Increases in the budgets for the police department and fire department are provided, but most other departments have been cut.

The police department budget is up $11,700, and the fire department budget is increased $2,400, Dunlap said.

Total capital outlay provided in the new budget will be only $31,240 for the coming year — most of which will go for new water and sewer lines, fire hose, and replacement of police patrol cars.

The city will end this budget year, which ends Sept. 31, in the black, Dunlap said.

In other actions the council will consider calling for bids on proposed water and sewer lines to serve the new junior high school building to be built on El Paso Avenue in west Snyder. The school's share of the cost is estimated to $17,408.50 and the city's share $11,366.10.

The council will also consider appointment of two members to the planning and zoning commission. The terms of Russell Yorgesen and Fred Bullard expired June 30. New men named to the commission will serve until June 30, 1961.

## No Damage Results From Tornado Play

By The Associated Press

Gusty winds ripped the Temple and Johnson City areas Sunday afternoon as tornado funnels menaced, but did not touch, the areas.

Similar weather is due Monday evening in central sections of the state, the Weather Bureau said.

The Department of Public Safety estimated damage at Johnson City at $20,000 to $25,000. Neighboring towns were asked to send repair crews to the storm area.

Wind toppled a huge pecan tree at Johnson City and it flattened the home of Mrs. John Grisham there. Heavy damage also was reported at the George Cross feed mill.

Johnson City, a town of about 3,000 population, was without power or telephone service for a time.

Smaller losses were incurred at Temple, where residents saw twister funnels in the Academy community, 7 miles south. State police said the Johnny Hegler home at Academy was heavily damaged. A barn was unroofed.

More than a half inch of rain accompanied the heavy wind at Temple, where downed power lines set two small fires.

Sunday temperatures soared to 100 or higher in every section of the state with Presidio's 110 the hottest. Showers fell at Waco, Junction, Mineral Wells and Austin. Lufkin had a light rain before midnight.

Temperatures at dawn Monday ranged from the upper 60s in the Panhandle to around 80 on the coast. Galveston's 83 was the highest.

Skies at daybreak were generally fair except in the Austin-San Antonio-San Angelo triangle where some clouds persisted following yesterday's thunderstorm activity.

Winds up to 54 miles an hour fanned Waco Sunday and caused damage at the Westview Village shipping center on the western outskirts.

### *WEATHER*

SNYDER TEMPERATURES: Saturday's high 106, low 71; Sunday's high 105, low 71; today's 7:30 a.m. reading 74.

North Central and East Texas: Partly cloudy and warm through Tuesday with widely scattered thunderstorms mainly in extreme south this afternoon and early tonight.

South Central Texas — Partly cloudy and warm through Tuesday with widely scattered thunderstorms mainly in north this afternoon and early tonight.

West Texas — Fairly cloudy through Tuesday with widely scattered thunderstorms. Not so warm in Panhandle late Thursday.

**BEIRUT BOMBING**—Lebanese soldiers and spectators view the wreckage of one of two stores destroyed by terrorist bombs in midtown Beirut. At least one person was killed and a number of others injured in the blasts, blamed on rebels who are demanding the immediate resignation of pro-Western President Camille Chamoun. ## Krush May Object To Nationalists In Summit Conference

By ROY ESSOYAN

MOSCOW (AP) — There were growing indications in Moscow today that Soviet Premier Khrushchev will object to Nationalist China's taking part in any U.N. Security Council summit conference on the Middle East.

Many Western diplomats here were convinced that Nationalist China—a permanent member of the Security Council—was a top subject between Khrushchev and Chinese Communist chief Mao Tze-tung in their secret talks at Peiping over the weekend.

If there is any objection by the Soviet leader to Nationalist China it may come in his reply to the latest summit letters from the Western Big Three. Khrushchev's reply has been delayed by his trip to Peiping and may be delayed even further by consultations in the Kremlin necessitated by his talks with Mao.

The U. S., British and French embassies here reported at mid-afternoon that there had been no sign of Khrushchev's reply.

Some sources raised the possibility that the Kremlin's new line on a summit conference may be voiced first by Arkady Sobolev, Russia's delegate to the U.N., in U.N. discussions on the composition, time and place of a summit meeting.

These sources pointed out that President Eisenhower's letter of Aug. 1 did not necessarily call for a reply from Khrushchev. They pointed out that Eisenhower said he was instructing the U.S. delegation in the Security Council to seek a special meeting on or about Aug. 12 and expressed the hope Khrushchev would do likewise.

Nationalist China's Chiang Kai-shek is Mao's sworn enemy and Moscow has been increasingly sensitive in the past several months to Peiping's desires.

The Soviet press and radio so far has not come out with any flat rejection of Chiang's participation in any summit talks. But the groundwork was being laid.

There was no indication here, on the other hand, that Russia would demand that Red China attend the sessions. There was no indication of it either in the Krushchev-Mao communique issued after the talks in Peiping.

## Johnson Tab Put On Some Senate Bills

WASHINGTON (AP) — Democratic Leader Lyndon B. Johnson of Texas today tabbed increases in Social Security benefits and other controversial legislation for Senate action before Congress adjourns.

His program raised doubts that Congress can quit within the next two weeks. Other congressional leaders have talked of adjournment by Aug. 15 and possibly by next weekend.

Johnson said he would insist that senators stay here until they finish work, and would ask the Senate to meet early and stay late daily to advance its legislative program.

As to possible adjournment, Johnson said: "We're in the last days of this session but I'm not willing to say we'll be here two weeks, or three weeks, or four weeks."

The House passed last week a bill raising Social Security payments 7 per cent and also boosting taxes to pay these higher benefits.

Johnson said he wants the Senate to get a chance to act on this.

Johnson also listed these measures for Senate action before adjournment:

## Yarborough Calling For Party Loyalty

AUSTIN (AP)—Sen. Ralph Yarborough said today he didn't want to "stir up old differences" but he believed Texas Democrats should demand leaders who would support national party nominees.

Yarborough, top leader and spokesman for liberal Democrats who won re-nomination July 26, referred to 1952 when state Democratic party officials, including Gov. Price Daniel, helped elect Republican President Dwight Eisenhower. Daniel, leader of the conservative Democrats, agreed to support national Democratic nominees in 1956 but did not actively campaign for Adlai Stevenson and Estes Kefauver.

"Right now the national Democratic party is looking to Texas Democrats to make a stronger contribution to party leadership and party affairs," Yarborough said in a statement here today. "But that leadership can only be based on trust and confidence and on loyalty.

"More than ever, as we choose our Texas Democratic party leaders and plan our state convention, real Democrats must ask those who say they will control the convention—'Where were you in 1952?'

"I say this not to stir up old differences, but to avoid in 1960 the pitfalls which befell sincere Texas Democrats in the past. We must demand leaders who will unequivocally pledge that they will support the nominees of the party."

Yarborough said he wanted to repeat an earlier statement "to make it plain that I do not propose to 'control' or even attempt to 'control' the convention. It is my hope that Democrats from all areas of Texas are given fair and equal voice in party affairs."

## Daniel Has Plurality Of Delegates For Convention

By CLAYTON HICKERSON

Gov. Price Daniel gained a plurality of delegates—but apparently missed a working majority—and U.S. Sen. Ralph Yarborough predicted a harmonious State Democratic Convention in September.

That was the story Monday after a week end of county conventions, head-counting and maneuverings among Texas elements of the Democratic Party.

Except in some counties where there are highly organized union labor segments of the party, the ultra-liberal Democrats of Texas (DOT) appeared to be fading Rapidly.

Gov. Daniel gained some 2,130 delegates to the state convention. The DOT, of course, could claim none of those delegates and comparatively few of some 1,716 delegates regarded as opposing the governor.

The tabulations were made from a careful, unofficial survey by The Associated Press and its member newspapers. Around 900 delegates were not included in the count.

Sen. Yarborough, in an interview at Fort Worth, said the results of Saturday's conventions meant that uncommitted delegates would hold the balance of power in the Sept. 9 state convention at San Antonio.

But Jim Lindsey, State Democratic Executive Committee chairman, said the results showed the party rank and file squarely behind the governor's program.

Creekmore Fath, a spokesman for the DOT headed by National Democratic Committeewoman Frankie Randolph of Houston, said the organization was winning its goals and that the Daniel-controlled SDEC would not have a working majority at the convention.

All this caused Yarborough to say, "I don't anticipate any great fight," when asked about state convention possibilities.

The Senator said the state executive committee had "receded from abolition of precinct conventions . . . and now everybody is for a party registration law."

Liberals generally have backed the party registration law, used in many states. They have opposed Gov. Daniel's proposal to elect county convention delegates on the primary ballot.

Yarborough also said he would make no bid to stack the State Democratic Executive Committee with liberals. "I advocate a free and open convention," he said. "Let each senatorial district pick its own committeeman."

Yarborough, before the county conventions, has asked for "uncontrolled delegates" to the state convention "to make it a peoples' convention instead of a convention held in the palm of a politician's hand."

Sunday he said in Fort Worth that the conservative and liberal tags on Texas Democrats were fictitious.

"Many newspapers in Texas have attempted to tear down the Democratic Party," he said, adding that "this propaganda by the Republican press to divide Democrats has been successful."

Heaviest blows to conservative hopes in the county conventions came in Harris and Bexar Counties where liberals took charge. The Harris County convention was also a personal triumph for the DOT leader, Mrs. Randolph. She asked for and received a standing ovation for Senator Yarborough. Jefferson County also went liberal.

But the old conservative strongholds, Dallas and Tarrant Counties, stayed with the SDEC to offset the liberal victories in other areas.

It now appears to some observers that the state convention, nearly five weeks away, could be a harmonious affair, as Yarborough suggested.

It could also become a dog fight if any group tried to push through anything another element could not stomach. Such an event appeared unlikely Monday.

# Stephenson State Officer Of Legion

FRANK D. STEPHENSON
... state Legion officer

Frank D. Stephenson, commander of the Snyder American Legion post, was elected sergeant at arms of the American Legion in Texas in the annual convention yesterday at Fort Worth.

The Snyder delegation, headed by Sam Tibbets, local commander, included Stephenson, Hilton Lambert, Jack Contella, Joe Robinson, Milton Mapes, Earl Chapman, and James Stewart.

FORT WORTH (AP) — Texas Legionnaires buckled down today to the task of winning back some of the 8,500 members they have lost in the past three years.

Ending a four-day state convention, the American Legion delegates argued warmly yesterday over how to bolster their solumping numbers.

Walter Janko of Somerville was elected state commander. He defeated Donald Peters of Houston.

Sharing interest with these matters was a military policy address by Sen. Ralph Yarborough, who told the legionnaires:

"I feel sorry for the President with such a brain trust thrust upon him to fumble our nation's welfare into jeopardy on every front."

U.S. military might now holds the enemy in check but this force will be relatively weaker by 1960, Yarborough said.

"Our missle program is termed pitiful in some quarters," the senator said. "Russia has actually fired 1,000 missile tests...We have just tested our first one."

Resolutions adopted by the Legionnaires urged Senate approval of a House-passed bill seeking to define federal-state injurisdiction in sedition and subversion cases, and called for reserve officer training programs to step up science and mathematics courses on a five-year instead of four-year basis.

Joe Matthews of Fort Worth was elected national executive committeeman; Ray Pierce of El Campo, alternate committeeman; Leonard Choate of Beaumont, judge advocate; W. F. Spiegel of Port Arthur, treasurer; Charles Berg of San Antonio, chaplain; Raymond Gray of Greenville, historian.

## HOSPITAL NOTES

**COGDELL MEMORIAL**

ADMISSIONS — Dorothy Nell McCoy, 313 Thirty - sixth Street; Dorothy Wilson, 2211 Twenty-seventh Street; Harvey Shepherd, Hermleigh; William Lockhart, Route 3; Clara Raborn, Odessa; Emma Jean Addison, Route 1; Wade Kelly, DeLuxe Trailer Court; Mary Belle Cary, Knapp; Anniece Heath, 2409 Twenty-eighth Street; John Patrick, Route 2; Paula Holloway, 3109 Forty - first Street; Larue Reeder, Fluvanna.

DISMISSALS — Judy Graham, 424 Twenty - eighth Street; Fred Dunnam, Fluvanna; Billie Jean Wells, 521 West O'Neal; Melton Palmer, 123 Twentieth Street; Lena Stirling, Route 1; Billie Jo Miltin, Snyder; J. O. Sheid, Jr., 3303 Avenue A; Loys Wilhite, Box 1425; Carolyn Glenney, 2301 Forty-second Street; Jo Ann Smothers, 2901 Avenue J; W. W. Davis, Arah Route; Bobbie McKinney, 3702 Noble Drive; Carolyn Harrington, 2270 Fortieth Street; Joe Adams, Hermleigh; Charlie Webb, Snyder; Mrs. Donald Helm and baby, 3202 Fortieth Street; Vernon Melton, Snyder; Isaac Smith, Snyder; Andrea Gonzales, Snyder; Anniece Heath, 2409 Twenty-eighth Street Paula Holloway, 3109 Forty - first Street; Larue Reeder, Fluvanna; Mary Belle Cary, Knapp; Mrs. Nathan Small and baby, Avenue V and Gilmore.

**SNYDER HOSPITAL**

ADMISSIONS — W. R. Young, Clairemont Route; Mrs. E. A. Smoot, 2806 Avenue K; Mrs. Bertha Nelson, Snyder Clinic; Dave Houston, 1611 Twenty - eighth Street; Brenda Knighter, 1112½ Twenty - fourth Street; Mrs. Artie Erwin, 606 Twenty - ninth Street; Mrs. W. A. Davis, 1106 Thirty-second Street; Joyce Marie Allen, 2807 Avenue G; L. A. Melton, Roufe 3; George Rogers, 104 Milburn.

DISMISSALS — Mrs. Ben Orasco and baby, San Angelo; Tim Farmer, Box 621; Cheryl Colclazer, Route 3, Box 286; W.R. Young, Clairemont Route; Mrs. Ruby Bearden, 3766 Avenue S; Mrs. E. A. Smoot, 2806 Avenue K; Bernice Flores, Route 2, Roscoe; Jim Bob Milhollon, Box 86, Ira; Mrs. Bruce Evans, 2801 Avenue Y; Dave Houston, 1611 Twenty - eighth Street; Mrs. Artie Erwin, 606 Twenty-ninth Street; George Rogers, 104 Milburn.

## PUBLIC RECORDS

**MARRIAGE LICENSES ISSUED:**

William Douglas Hamilton, 22, 1904 Avenue N, and Jo Ann Lane, 19, 1502 Twenty-sixth Street.

**WARRANTY DEEDS RECORDED:**

Lane-Wells Co. to Dresser Industries Inc. one acre out of northwest quarter of section 209, block 97, H&TC RR survey.

Mr. and Mrs. C. W. Green to John C. Kitrell, block 14, Adams addition.

E. L. Jones to A. A. Heath and R. N. Kavel, north half, southwest quarter of section 96, block 3, H&GN RR Co. survey.

Carlan and Watts to Mauro Rios De La Garza, lot 12, block 13, Andress addition.

Mauro Rios De La Garza to Conception De La Garza, undivided one-half interest in lot 12, block 13, Andress addition.

Jerald Smith to John N. Hazle, lot 12, block 3, section 3, Martin addition.

Mr. and Mrs. Dan Veteto and P. J. Collins to Mr. and Mrs. Luther Blythe, lot 2, block 3, original town of Snyder.

Bob Parks & Sons, to Mr. and Mrs. Ben F. Thorpe, lot 2, block 32, Colonial Hill addition.

Bob Parks & Sons to Mr. and Mrs. H. C. Denson, lot 4, block 26, Colonial Hill addition.

**NEW MOTOR VEHICLES REGISTERED:**

Mrs. Edd Franklin, Knapp, 1958 Ford, from Wilson Motor Co.

W. L. Byrd, Rotan, 1958 Chevrolet, from Lamb Chevrolet Co.

Robert Fred Littlefield, 207 Thirty-sixth Street, 1958 Mercury, from Wilson Motor Co.

L. T. Vaughn, 2805 Thirty-seventh Street, 1958 Ford from Wilson Motor Co.

Douglas D. Michaels, Colorado Springs, Colo., 1958 Ford from Doenges Long Motor Co., Colorado Springs, Colo.

Billy H. Arnold, 304 Twenty-eighth Street, 1958 Oldsmobile from Elland Motor Co.

Durwood Miller, 503 Thirty-second Street, 1958 Mercury from Wilson Motor Co.

Charles A. Ritchie, box 1244, 1958 Ford from Wilson Motor Co.

B. A. Moore, Dermott, 1958 Mercury from Wilson Motor Co.

Bentley Haire, 1958 Ford station wagon, from Wilson Motor Co.

Elton Bo Beck, route 3, 1958 G. M. C. pickup from Elland Motor Co.

### Revival Opens Friday At Bethel Baptist

A revival meeting will open Friday night at the Bethel Baptist Church, which meets at Northeast Elementary, and continue through Aug. 17.

Evangelist will be the Rev. Jesse Poe of Metcalf, and Jackie King of Ropesville will lead music. Services will be at 7:45 p.m. each day, with prayer services at 7:15.

# Space And Rocket Experts Compare Notes On AirProbe

By ALTON L. BLAKESLEE
AP Science Writer

MOSCOW (AP) — Space and rocket experts, mainly of the United States and the Soviet Union, today began comparing notes on the results of their earth satellites and rockets which have been probing the upper air.

For the next four days they will be presenting a series of formal reports. They also will be meeting face to face in an unusual chance to discuss problems and, especially to learn more specific details of each others' work than has been exchanged so far through slower, more formal channels.

Such details can be vital in making the fullest scientific use of manmade moons, U. S. scientists explained.

The sessions are one of 14 divisions of work by scientists attending the full-dress meeting of the Committee for the International Geophysical Year, which is now 13 months old.

The IGY is an 18-month cooperative study by scientists of more than 60 nations on all physical aspects of the earth and sun and their effects on human life. Other fields include studies of the weather, oceans, glaciers and earthquakes.

But space has taken the center of the stage, for the launching of the Soviet Sputniks and the U. S. satellites has been one of the most dramatic events for the public.

One report today by Dr. Fred Whipple, director of the Smithsonian Astrophysical Laboratory at Cambridge, Mass., said careful studies of the flights by Soviet and U. S. satellites showed there is much more air at higher altitudes than had been thought.

Air drag effects showed there is five times more air 140 miles above the earth and 20 times more at 250 miles.

## TODAY'S MARKETS

FORT WORTH (AP)—Hogs 500; steady to 25 up; choice 23.25-75.

Sheep 2,200; steady; good to choice lambs 21.00-22.00; feeder lambs 19.00-20.00; ewes 7.50-8.50.

Cattle 3,400; calves 1,300; most classes weak to unevenly lower bids; not enough done early to establish trend.

NEW YORK (AP)—Cotton was 15 to 90 cents a bale lower at noon today. October 36.15, December 36.44, March 36.67.

| Year ago | 270.8 | 127.1 | 74.2 | 183.3 |

NEW YORK (AP)—Aluminum, copper and steel shares led the stock market into high ground for 1958 today in heavy trading.

In early afternoon, gains ranged from fractions to a point or more. A few favorites were up between two and three points. There were scattered small losses.

The market was active and higher from the start.

Business news was generally favorable. Some major companies recalled more workers. There were reports of an improvement in the copper market.

Aluminum and steel shares were sparked by the recent price hikes.

Other higher divisions included chemicals, oils, and airlines.

Reynolds Metals and Kaiser Aluminum rose between two and three points.

American Telephone & Telegraph, Chrysler, Seaboard Airline Railroad and Du Pont were ahead about two.

Anaconda, Allied Chemical, Illinois Central and U.S. Steel each rose around a point.

Pfizer declined more than a point.

U.S. government bonds were lower.

### Eight Die As Auto Plunges Off Ferry

SACRAMENTO, Calif. (AP) — An attendant yelled "Jump! Jump!" in vain while a fruit picker's station wagon with faulty brakes rolled off a ferry boat into the Sacramento River, drowning eight persons.

Five of the victims were youngsters.

"I guess they couldn't understand me," ferry operator Duke Bryant said. "The little kids in the car were laughing and playing but the teen-agers were screaming in fright as the car went through the safety chain and over the edge.

The vehicle floated nearly 50 feet before the screams stopped as it sank at Princeton, 50 miles north of Sacramento, Saturday.

Dead were Fortino Aguilar, 38; Mrs. Christina Aguilar, 32, his wife; Mrs. Santos Garica, 50, Mrs. Aguilar's mother; and five Aguilar children.

Skindivers found the vehicle upside down in 25 feet of water and recovered the bodies.

### Divorce Up For Man Who Faked His Death

EL MONTE, Calif. (AP)—Mrs. La Rue Smith says she's going to divorce the husband she once thought had drowned.

Radio engineer Ben Smith, 30, disappeared July 23 on a fishing trip. His rented skiff was found adrift at sea.

Later, sheriff's deputies learned that Smith wasn't dead. They traced him to nearby Bell, where he was living under the name "George Johnson."

Officers declined to file charges against him. Not so Mrs. Smith. Living with Smith in Bell was the Smith family baby sitter, Arlene Salter, 21, officers reported.

Smith said he and Arlene would be married.

The Smiths have three children.

## BIRTHS

Mr. and Mrs. Jimmy Light, Hermleigh, are parents of a 10-pound, five-ounce son, born at 9:41 a.m. Friday in Cogdell Memorial.

### Record Construction In U. S. During July

WASHINGTON (AP)—A record $4,600,000 in new construction activity for July was reported in preliminary estimates by the Commerce and Labor departments.

The month's dollar volume of construction showed a seasonal rise from June's $4,400,000,000. The July figure was 136 million dollars above the previous record for the month, set a year ago.

### Taken To Fort Worth

Isaac Smith of Fluvanna was taken by Bell ambulance Saturday from Cogdell Memorial Hospital to the home of a daughter in Fort Worth.

### Out Of Hospital

Mrs. Ethel Woodson, 3200 Avenue H, was returned to her home yesterday by Bolger ambulance from Methodist Hospital in Lubbock.

# Skeleton Found In Mine May Disprove Ape Theory

GROSSETO, Italy (AP) — The skeleton of a child-sized man, found 600 feet down in an Italian soft coal mine, may prove man didn't descend from apes, according to Swiss scientist Dr. Johannes Hurzeler of the Basel Museum of Natural History.

The skeleton, found after two years of digging, pushes the beginnings of man back to at least 11 million years ago, he said.

That would mean, he explained, that man descended in the same period as the apes—or even before them — perhaps from some common ancestor which resembled neither.

The previous-oldest known man was Australoapithecus, the so-called southern ape found in South Africa. He dates back only half a million to a million years, and the Java and Pekin men go back only about 300,000 years.

Two young miners, Enzo Boccalini, 22, and Arzelio Giusarini, 26, found the nearly complete skeleton last week. The bones jutted from a coal strata in the Bacinello mine, located 15 miles northeast of Grosseto.

There scattered bones of Oreopithecus, the new pre-man, were found two years ago by a team headed by Dr. Hurzeler and Dr. Helmutt de Terra of New York's Columbia University. The name means mountain ape in Greek.

Dr. Hurzeler said the new discovery apparently includes the arms and legs, spine, ribs and pelvis of a pre-man about four feet tall. There was no skull, but digging is continuing along the vein in the hope that the skull will turn up.

Dr. Hurzeler said the coal strata where the skeleton was found is a deposit at least 11 million years old.

Two years ago, in his studies at the mine, Dr. de Terra said the bones might date back "as far as 15 to 20 million years." At that time parts of a skull, jawbone and fragments of vertebra had been found. They belonged to a man-like creature which Dr. de Terra described as somewhere between the size of a chimpanzee and a gorilla.

He said the teeth were manlike and the jaw was short and vertical, like that of man, instead of jutting out like an ape's.

## 4 Counts Of DWI Filed

in 4 counts 2-24 Margie

Four persons were charged with driving while intoxicated here during the weekend.

Billy O. Isbell, who was arrested during the weekend by highway patrolmen Arthur Dyson and Gordon Johnson, pleaded not guilty and posted $500 bond this morning in county court.

Claude Verble Cox, also arrested during the weekend by Dyson and Johnson, pleaded guilty this morning in county court, to a charge of driving while intoxicated, and was fined $73.50, including $23.50 court costs, was assessed the mandatory three-day jail sentence, and his drivers license was suspended.

Other persons charged with driving while intoxicated were W. J. Garner and C. E. Pinkerton, who were arrested by city police. They had not been tried by shortly before noon today, but were to have been taken before Edgar Taylor, county judge, this afternoon.

### Snyder Woman Will Receive WT Degree

CANYON—Margaret McPherson Boyd of Snyder is among candidates for degrees at West Texas State College's summer convocation Aug. 22.

Dr. J. A. Hill, president emeritus of West Texas State, will speak at the exercises, set at 8 p.m. in Buffalo Stadium. President James P. Cornette will confer degrees, assisted by Graduate Dean James L. Russell, and Dr. Walter H. Juniper, dean of the college.

Mrs. Boyd, an elementary education major, is seeking a bachelor of science degree. She is the daughter of Mr. and Mrs. Paris W. McPherson of Snyder and the wife of Jimmy Boyd.

### Friona Man Killed In New Mexico Wreck

BROADVIEW, N.M. (AP)—A freak car accident yesterday killed Frank Guajardo of Friona, Tex., near this east central New Mexico village.

State police said Guajardo was changing the right front tire when his car was hit from the rear by a pickup truck driven by Samuel Evillegos, 51, Sanderson, Tex.

Guajardo, age unknown, died of head injuries.

### Funeral Today For Addison Infant

Funeral services were to be held at 4 p.m. today for Clistus William Addison, Jr., infant son of Mr. and Mrs. C. W. Addison of Knapp, who died at birth at 6:24 p.m. yesterday at Cogdell Memorial Hospital.

The Rev. C. E. Strickland, pastor of the Knapp Baptist Church, was to officiate at services at Bell Funeral Home chapel. Burial was to be in Snyder Cemetery under direction of Bell.

Survivors include the parents, two sisters Dorothy Marie, 5, and Peggy Joyce, 4; paternal grandparents, Mr. and Mrs. A. N. Addison of Plains; and maternal grandparents, Mr. and Mrs. W. O. Davis of Knapp.

# Tasty Lemon Revel Pie Will Enhance Any Meal

With temperatures soaring you don't want to spend too much time in the kitchen, and you needn't when you bake a tangy Lemon Revel Pie.

This refreshing chiffon-type pie would be a conversation piece at your bridge club, shower, or for that matter, any special occasion. Your own family group is always special, and you'll discover that men aren't the only "piefaces" when it comes to pie for dessert.

After your crust is cool, spread a thin coating of melted chocolate over the inside of the cooled shell to start your split-level pie—Lemon Revel. For the filing, use your favorite lemon chiffon pie filling mix or your own recipe. Pile half in the shell, dribble on another layer of chocolate, then more filling, and top with circles of chocolate. Call out your ingenuity and make many other designs to fit the occasion and intrigue your guests.

And here's a tip—it's handy and saves time to double the pie crust recipe and make two single crusts to bake together while the oven's hot. Then use the other crust later with your favorite filling, ice cream, or fresh fruit.

Here's the recipe for Lemon Revel Pie.

**LEMON REVEL PIE**

9" Baked Pie Shell
Lemon Chiffon Pie Filling
3 sq. semi-sweet chocolate (3 oz.), melted

**PIE SHELL**

1 cup sifted Enriched Flour
½ tsp. salt
1-3 cup shortening (add about 1 tbsp. if using hydrogenated)
2 tbsp. water

Heat oven to 475 degrees (very hot). Mix flour, salt. Cut in shortening. Sprinkle with water; mix with fork. Round into ball. Roll out 1" larger than inverted pie pan. Ease into pan, flute edges, and prick pastry. Bake 8 to 10 minutes.

**FILLING**

Prepare your own favorite Lemon Chiffon Pie Filling or use Prepared Lemon Chiffon Pie Filling Mix following directions on package. Brush inside of cooled baked pie shell with thin coating of melted chocolate. Pile one-half of the filling into shell. Dribble 2 tbsp. melted chocolate over top of filling. Add remaining filling and dribble remaining chocolate in thin line swirl over top of filling. Place in refrigerator for several hours until set.

COAT DRESS—There's a new look to this Howard Greer coat dress of sage green wool crepe with its bow of brown velvet placed high. The coat effect appears only in front, cut in one with the shaped, wrist-length sleeves. The neckline is squared front and back; the waistline shaped in with long darts under the panels.

## A Happy Pair

TRY some cute novelty buttons to finish the front of this full-skirted jumper for young girls.

No. 1439 is in sizes 6, 8, 10, 12, 14 years. Size 8, jumper, 2½ yard of 39-inch; blouse, 1 yard.

Send THIRTY-FIVE CENTS in coins for this pattern — add 5c for each pattern for first-class mailing. Send to IRIS LANE, (care of this newspaper), Box 438, Midtown Station, New York 18, N. Y.

How often have you though to clean your air conditioner? Keep it looking nice to go with a neat home by washing the cabinet once a week. Be certain to wipe it dry. A light coat of wax may be used to keep the cabinet bright.

## NEWS FROM IRA

By AVA MORAN

Mr. and Mrs. Robert Walling and sons, Robert and John of Oklahoma City, Okla., visited last week in the Fred Gullett home. Also visiting in the Gullett home was Sally Perry of Sherman.

Mrs. R. E. Tamplin of Snyder, is spending this week with Mr. and Mrs. Dell Holdren.

Judy Franks of Houston is spending the summer with Doris Holladay.

Mr. and Mrs. E. E. Carlile have returned from a vacation with relatives in DeLeon.

Mr. and Mrs. J. L. Byars and girls, returned home this week after visiting relatives in Dallas, Grand Prarie and Iredell.

Mrs. J. D. Smallwood's parents of California, are visiting Mr. and Mrs. Smallwood and J. W.

Mrs. E. E. Grant visited Mr. F. O. Sorrells of Big Spring, Thursday.

Mrs. Lena Simms is visiting her parents, Mr. and Mrs. W. R. Sterling this week.

Those receiving food gifts in wooden buckets have the beginning of a novel catch-all. Sand down the dry, bare wood for a smooth finish. Apply a base coat of shellac, sand again, and apply a second coat. Or paint it a bright red, blue or yellow to use as an accent item.

# WOMEN

## Five Snyderites Return From TASC Workshop In Dallas

Miss Virginia Grove, sponsor of the Snyder High School Student Council and four of her students returned home Friday night from an officers training and workshop, held at the Southern Methodist University campus in Dallas the past week.

Students attending were Bob Fields, president; Camilla Roberts, vice president; Sharon Morgan, member and Jimmy Don Robinson, parliamentarian.

Two hundred pupils and 45 sponsors, representing 48 schools throughout Texas were present.

The session opened last Sunday at 1 p.m. with registration, staff meeting, buffet supper and a general get-acquainted routine.

Such outstanding speakers as Dr. Willis M. Tate, president of SMU, Dr. Robert E. Goodrich, pastor of the First Methodist Church in Dalas, Mrs. C. R. Meeker, Jr., head of the Summer Musicals in Dallas, The Honorable Judge Beth Wright and Mr. Jack Mashburn of Midland, TASC executive secretary, were heard throughout the week during the general assemblies.

George Mathes, director of activities for the Denver public school system, served as conference leader and consultant for the week. Miss Grove said of Mr. Mathes, "He is perhaps the outstanding authority on student council work in the nation. He delivered the keynote address at the national conference in St. Louis in June. We feel fortunate in having heard such a wonderful man".

Miss Milburn Meeker, activity director at Highland Park Junior High School, Dallas, was director of the TASC workshop.

Subjects and discussions were held on such subjects as, aims and objectives of student council; administration and organization, projects and activities, leadership and parliamentary procedure, and evaluation.

One of the most interesting features of the workshop was the group dynamic classes held Thursday. In it the students enacted situations where they put themselves in the place of various school administrators in order to help them see all the problems that arise in making decisions.

## WOMEN'S CALENDAR

**TUESDAY**

Combined meeting of Circles of the First Presbyterian Women's Organization 7:30 p.m. at the church.

**WEDNESDAY**

First Methodist WSCS Circles meet at the church at 9:30 a.m.

**THURSDAY**

St. Elizabeth's Altar Society meets at the church at 8 p.m.

## ATTEND REUNION

IRA—The Clark family reunion was held at Lake Granite Shoals over the weekend. Those attending from this area were, Mrs. D. E. Clark, Mr. and Mrs. L. T. Autry of Ira, Mr. and Mrs. Richard Hardee of Hermleigh, Mrs. Ethyl Duke of Amarillo, Mrs. Roxie Pool of Cisco and Norman Autry of Snyder.

Bulky white cardigan sweaters make excellent evening toppers during warm months. But they aren't items to pack away this fall and keep stored during winter months. These white knits will go through fall and winter, too. Keep them in shape and white with frequent washing.

## Men Should Check Own Faults Before Criticizing

By DOROTHY ROE
Associated Press Women's Editor

Husbands, sons and lovers lead harrowing lives, in the opinion of many male critics. After reading a file of current periodicals, one might conclude that America is developing a race of woman-haters.

The U. S. female is accused consecutively of making sissies out of her sons, of dominating her husband, of driving her menfolk to early graves, of demanding minks, automobiles and diamonds in return for her affection, of idling away her days in beauty shops and at bridge clubs, of being spoiled, selfish and generally unbearable.

Comes now John Fischer, editor in chief of Harper's magazine, who finds a new bone to pick, in an article entitled "The Non-sexual Behavior of the Human Female." He says all the Kinsey reports on sexual behavior are a waste of time, because most adults know all about such things anyway. It's the other traits of females which deserve study, in his opinion.

All women are deciduous, says Fischer. That is, they shed gloves, lipsticks, handbags and handkerchiefs like a tree sheds leaves, and men must spend a large part of their lives picking up after them.

This observation is no doubt well taken. Women often do have the habit of leaving a trail of small objects in their wake. But what about men?

Any wife will testify that much of her day is spent gathering up her husband's socks from under the bed or on top of the television set, removing his soiled shirts from the closet floor and putting them in the laundry hamper, collecting assorted trousers and shorts from the corners of closet doors and hanging them where they belong, collecting the cuff links, lighters, matches, empty cigarette packages, soiled handkerchiefs and tie pins he sheds about the house as he makes his way from the front door to the bedroom to change clothes when he gets home from work.

Yet women keep on marrying these untidy males, and men keep on courting these deciduous women.

## BROILERS

Baking young chickens is much easier than frying, and cuts calories, too. Heat the oven to 400 degrees. While it is heating, rub or brush the pieces of chicken with a light coating of salad oil. If you are fond of herbs, sprinkle with a bit of tarragon or poultry seasoning with the salt and pepper. Place the pieces skin down on a rack in a shallow baking pan and put into the preheated oven. After 30 minutes, turn the pieces and baste with the pan drippings. The chicken will be cooked in 45 to 60 minutes.

Always check the washer to see if it is empty before putting soiled laundry inside. This is important when you have been laundering colored items that might fade on the next batch.

# OUR VIEW

## Debt Twice Admitted Sum

THE HOUSTON CHRONICLE:

To the man on the street the fact that the national debt of the United States has reached $276,000,000,000 may be staggering news if he has failed to keep on eye on government and the workings of Congress. Nevertheless, he would translate this news as meaning that the United States could liquidate all obligations by paying a like sum to creditors. This is far from fact. The actual obligations of the United States are probably twice this sum because of the existence of guarantees, participations and other commitments which, through the vagaries of bookkeeping systems, lie outside the total computed at $276,000,000,000.

The social security system provides a good example of these commitments. Over the two decades or more since social security became the law of the land, the treasury has collected uncounted billions in social security taxes. In theory, these taxes go into a fund to meet obligations which become due when claimants file application for the benefit payments guaranteed by social security. But, there exists no such fund. The social security moneys do not exist. Taxes collected in the name of social security go into the general fund of the treasury and are spent to meet current liabilities.

Touching on this situation recently, the Magazine of Wall Street said that experts in the social security section of the Office of Health, Education and Welfare do not know what the system's contingent liability is at the present time but that casual estimates range from $40,000,000,000 to $100,000,000,000. This is a debt of the United States not included in the figure commonly used. The man approaching retirement age and looking forward to receipt of social security payments may believe he is collecting from funds he helped to set up over the years. He is not. A prodigal government has thrown that money away a long time ago and will add to the tax burden of that man's son to pay his social security claims.

# Boyle's College Of Random Thoughts

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he did not open his mail:

That a baby robin has a long menu. It eats an average of 14 feet of worms every day.

That in 303 B.C. a fellow named Chandragupta made one of the best real estate deals in history. He bought the subcontinent of India from Seleucus I Nicator, a Middle East Macedonian ruler, for only 500 elephants.

That actress June Havoc says: "Nothing annoys women so much as to have friends drop in and find the house looking like it always does."

That termites can live on wood because they have bacteria in their intestines that enable them to digest it. If the cost of living keeps going up, we all may need some of those bacteria. Sawdust is much cheaper than steak.

That in Gary, Ind., you are breaking the law if you board a street-car within four hours after you eat garlic.

That the interest alone on the U.S. government's debt now costs $14,000 every minute, night and day.

That comedian George de Witt remembers when the only red menace was long winter underwear.

That Alex Lewyt, vacuum cleaner magnate, had an unusual start in the business world. He sold bow ties for corpses.

That the average American now spends $48 a year having his clothes dry cleaned.

That rice is the basic food of more than half the people on earth.

That although your own skies may be sunny, it is always raining somewhere in the world. Over the whole globe as many as 45,000 thunderstorms have been recorded in a single day.

That one out of every three acres in the United States is still forest land.

That Gen. Lucius D. Clay says: "The time has come when senior officers should belong to the same service and wear the same uniform. We have to have that kind of defense organization because we can't afford any other."

That the handwriting of Napoleon was terrible. It is said that some of his letters were mistaken for battlefield maps.

That James Swan, who emigrated to America in the 18th century, loved his new country so much that in 1795 he paid the entire American debt to France—exactly $2,024,899.93—out of his own pocket. Swan was a Scotsman.

That U.S. motorists drive about 63 billion miles a year, most of it, probably, looking for a parking place.

That more defective children are born in January, February, and March than any other similar three-month period of the year. Probable reason: The defective diets of their mothers the previous summer.

That America's 13 million teenagers now spend nine billion dollars a year, according to a recent survey. Which didn't say how much of this they had earned themselves.

That this country now has one vending machine for every 48 persons, compared with one for every 2,280 persons in 1925. Life is getting more automatic every day.

Round Table earned $252,500 at Hollywood Park during 1957.

# Bare Fists Used In Talk Preparations

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—It seems almost incredible that President Eisenhower and Soviet Premier Khrushchev could ever agree on anything at a summit meeting — after what they've said to each other and the way they've said it.

There is probably no parallel in history for the way the two men —in their letter exchanges these past two weeks—have gone about preparing for a meeting at the summit.

If diplomacy is supposed to be the kid-glove approach to delicate or desperate problems, this wasn't it. This was bare-knuckles. They've traded accusations, denunciations and defenses against each other's charges.

It's been like watching two men call each other every name in the book at the very moment they were discussing the problem of going off somewhere for a quiet talk.

Khrushchev started it—and set the tone—with his July 19 letter to Eisenhower, suggesting a summit meeting. Altogether, he's written three letters. Eisenhower has written him three. This is how the exchange went:

Khrushchev's first letter — He accused the United States of aggression in Lebanon; said American military leaders were indulging in intimidation; and implied the American commander of the 6th Fleet was a criminial or a maniac.

He tried a little intimidation of his own by reminding Eisenhower the Soviet Union has a fleet, an air force and an intercontinental missile; practically called Eisenhower's stated reason for going into Lebanon a phony; and said this country and Britain, besides bringing the world close to war, were wrecking the United Nations.

Eisenhower to Khrushchev—He denounced Khrushchev for "the manner in which you have chosen to express yourself"; defended the American action in Lebanon; accused the Soviet Union of indirect aggression; blamed it for blocking peaceful solutions of Mideast problems in the U.N. and for torpedoing previous talks on a summit meeting.

Khrushchev to Eisenhower—He denied the Soviet Union was guilty of indirect aggression and again blamed the United States and Britain for direct aggression.

Eisenhower to Khrushchev—He accused the Soviets of trying to undermine the U.N. by wanting the summit meeting held outside that organization.

Khrushchev to Eisenhower—He accused the United States of trying to stall on a summit meeting and of backing down on an agreement to meet. Again he threw in the charge of American aggression, suggested this country and Britain might be preparing for "new acts of violence, flatly said Eisenhower was trying to widen the conflict in the Mideast, and ridiculed the ability of this country to protect the heads of other governments if they did come to a summit meeting in New York.

And just for extra he threw in the complaint that Robert Murphy, State Department trouble-shooter in the Mideast, was mixed up in "shady" business.

Eisenhower to Khrushchev — Again the President slugged Khrushchev for the tone of his letters; accused him once more of trying to by-pass the U.N.; suggested he was trying to ignore the wishes and dignity of small nations; cracked at him for enslaving the satellites in Europe; and took a dig at him for proposing the meeting be held in Moscow.

Not there, of all places, Eisenhower said, after the way Soviet mobs stoned the American embassy.

Khrushchev, meanwhile, spent four days in Peiping and issued a joint statement with the Chinese Communists.

No change. This time the Chinese joined the Soviet's in accusing this country of aggression in Lebanon, stepping up preparations for a new war, and opposing both peace and a summit meeting.

# Recent Events May Gain U. S. Friends

By WILLIAM L. RYAN
AP Foreign News Analyst

For years the United States has been losing friends in the Arab east.

It still is.

Strangely enough, the shock of recent events may have given Americans a chance to turn the tide. These events made Arabs see their area as the possible cockpit of World War III. The thought jolted them.

Thus, in the proposed summit meeting and in its actions elsewhere, the United States may face a last chance to salvage something from the wreckage of its prestige among the Arabs.

Oil and strategic position are two key points underlying any consideration of this area.

Basically, the struggle hinges on vast riches in oil.

And this is the crossroads of the world. The question that must worry Western leaders is this: Is the Soviet Union going to be able some day to squeeze the West's influence out of this area, and make Moscow master of the great sea route that connects east and west?

Those are the stakes.

One of the things that brought America to today's nadir of crisis was its failure to see, or at least comprehend, the implications of the movement toward independence that swept postwar across lands long under colonial rule.

This nationalist fever swept up the Arabs, too, but theirs is not a nationalism confined to the specific boundaries of one country. It is pan-Arabism, a feeling of oneness among people occupying a vast segment of the backward world, speaking Arabic, sharing the same racial memoris, harboring bitterness against a history of exploitation.

The Russians did not really awaken to the possibilities of this movement until after Stalin's death. Then Soviet policy set out to capitalize on the tide, as if heeding the Biblical prophecy of Jeremiah:

"Egypt riseth up like a flood and the waves thereof shall be moved as rivers."

## BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

**THE CHILDRESS ALL-STARS,** Snyder's opponent in the Graduate Pony League playoff, had six players who sported .400 or better batting averages through the 1958 season.

This is compared to three .400 plus hitters on the Snyder club.

Two of the Childress players hit .500 or better while Snyder's top batting mark was .429 by Eddie Watson.

Catcher Monte Merrill of the Childress team hit .533 for the season for the top Childress average. And the locals believed what they read about Merrell after last Friday's game.

Merrell only blasted a bases loaded triple in the first inning and singled his next trip before popping out his final time up, giving him two-for-three for the night.

These Childress averages may seem a bit "out of focus" but make no mistake about it, they have a fine hitting ball club.

### First Loss For Childress Ace

Childress' starting pitcher last Friday, Tommy Tucker, posted a 6-0 mark for the regular season. Friday's defeat, then, was his first of the year.

Tucker is a mighty fine pitcher and on his shoulders rest the Childress chances of winning the series. With good support behind him, Tucker would be mighty tough to handle.

Errors hurt Tucker dearly in the series opener. Snyder, we believe, would still have won Friday's game by even taking away the Childress errors but it would have been a much closer game.

Tucker and the No. 2 Childress pitcher, George Stone, struck out 112 between them during the regular season with Stone leading the league with 61.

The locals can't afford to take Childress lightly despite Friday's convincing win. Childress has the potential to make it tough on the Snyder team yet.

### Support Needed

Regardless of who wins the series, it's going to take a "wad of dough" to send the winner to the state tournament in San Antonio next week.

This means, of course, they'll need your whole-hearted support for the series wind-up here, both from attendance and pocket-book standpoint.

---

Four members of the Childress team and two from Snyder participating in Friday's game met each other two years ago in the regional Pony League tournament at Abilene.

The two Snyder lads seeing action in the two games were pitcher John Weaver and shortstop Wayne Berry. Berry, however, played right field for the Pony League All-Stars two years ago.

Childress players performing in both games were shortstop Hugh Frith, centerfielder Jack Crone, left fielder Jimmy Holeman, and catcher Monte Merrell.

Snyder won the Pony League game, 13-5, and ironically it was Weaver who went all the way in that game. Weaver, as you know, went the distance in the series opener Friday and won by almost the identical score, 11-5.

**SNYDER MOUND STAFF**—Pictured is the five-man pitching staff for the Snyder Graduate Pony League All-Stars who will meet Childress here tonight in the second game of their district playoff. Snyder won the first game of the series, 11-5, at Childress Friday night. John Weaver, who is holding the ball in above photo, went the route in Friday's game. From left to right, the local pitching staff is composed of Franklin Moore, Benny Greenfield, Rueben Gonzales, Weaver, and Larry Patterson. Gonzales will start tonight's game. (Lee Watson photograph)

# Locals Seek GPL Series Clincher Here Tonight

Snyder's Graduate Pony League All-Stars will attempt to sweep their District 1 series with the Childress All - Stars in two straight games when they host the Childress team tonight at Towle Park.

Snyder won the first game of the best - two - out - of - three game series last Friday night in Childress, 11-5.

Should Childress even up the series tonight, then the third and deciding game would be unreeled here Tuesday.

Starting time for tonight's game has been set for 8 o'clock.

Rueben Gonzales, who posted a 7-0 mark in regular league play with the Optimist Cats, will toe the rubber for the Snyder All-Stars tonight.

John Weaver hurled a six-hitter to lead the locals to Friday's victory at Childress.

Manager Joe Reaves has revealed his starting lineup tonight as follows: (Seasons batting averages in parenthesis)

Larry Patterson, 2b, (.356)
Jesse Crawford, left field, (.300)
Franklin Moore, 1b, (.265)
Wayne Berry, shortstop, (.359)
Ronnie Wylie, catcher, (.278)
Eddie Watson, right field, (.429)
Alex Cross, center field, (.235)
George Vandiver, 3b, (.313)
Gonzales, pitcher, (.7-0)

Winner of the playoff will gain a berth in the state tournament to be held in San Antonio, Aug. 13-16.

Ed Free will umpire behind the plate tonight with Jeston Corbell on the bases. Two other umps probably will be used on the bases, too.

Bob Crowell will handle the PA system while the mothers of the Graduate Pony League players will operate the concession stand.

The Childress team will be quartered at the Scurry County Boys Club during its stay in Snyder.

Manager of the Childress team is Cleve Evans, assisted by Bobby Reynolds.

Evans probably will call on either Tommy Tucker or George Stone for starting mound duties tonight. Tucker absorbed the loss in the first game.

The probable Childress lineup with batting averages will be:

Hugh Frith, shortstop, .222.
Mike Cope, 3b, .414.
Jimmy Holeman, left field, .318.
Jimmy Winters, 1b, .269.
Tommy Tucker, pitcher or right field, .389.
Thomas Snowden, 2b, .182.
Monte Merrell, catcher, .533.
Corky Crow, right field, .238.
Tony Crone, center field, .200.

# Dr. Kidd Takes Robin Lead Coker Beats Scott For 2nd

Dr. R. J. Kidd took a slim one-point lead in the heated race for the Championship Flight title in the 2nd annual Round Robin tournament at the Snyder Country Club.

Dr. Kidd broke a three - way tie with Shelby Coker and Donald Ray Scott with a 3-up victory over Max Milam in fifth round play this past week. The three - hole margin boosted Dr. Kidd's total to 22 points.

Coker and Scott, meanwhile, were battling each other with Coker taking a 2-up decision over the defending champion Scott.

Coker's victory gave him 21 points while Scott's tournament total dropped to 17. Prior to the fifth round matches, Dr. Kidd, Coker and Scott were knotted at 19 points apiece.

The three leaders are the only players in the title flight on the "plus" side.

Although Scott is in third place at the moment, he is in a good position to repeat as the champion since he has an 11-up victory over Burt Dugger already in the books for the sixth round.

Scott's total, thus, for six rounds is plus 28 and it will take some doing by either Dr. Kidd or Coker to top that mark when the sixth round matches are completed.

Dr. Kidd and Coker play each other this week in the 6th round while Scott rests.

One more round remains to be played in the tournament after this week. In the seventh and final round next week, Scott is paired against Dr. Kidd while Coker will take on Russell Yorgesen.

Leaders and runnerups in the other flights are Ralph Howser and O. K. Fletcher in the First Flight, John Lynch and Dan Warren in the Second Flight, Buck Francis and Roy Sallee in the Third Flight and Gene Knight and L. T. Autry in the Fourth Flight.

The winner and runnerup in each flight will meet two weeks from Sunday for the "Grand Championship."

Following are the fifth round results and standings in all flights:

**FIFTH ROUND RESULTS**
**CHAMPIONSHIP FLIGHT**
Shelby Coker beat Donald Ray Scott, 2-up.
Dr. R. J. Kidd beat Max Milam, 3-up.
John Pickering beat Burt Dugger, 1-up.
C. V. McClatchey beat Russell Yorgesen, 3-up.

**FIRST FLIGHT**
O. K. Fletcher beat Ralph Howser, 3-up.
Ed Free vs. Doc Weaver, even.
Sterling Parker beat Ken Davis, default.
Earl Fish beat U. D. Walker, 3-up.

**SECOND FLIGHT**
John Lynch beat Jeston Corbell, 4-up.
J. E. Harney beat Wendell Shifflett, 3-up.
Hollis Jones beat Mal Stevenson, 3-up.
Dan Warren beat Vic Baze, 3-up.

**THIRD FLIGHT**
Roy Sallee beat E. A. Brooks, 4-up.
Dr. John Raines beat A. J. Shaw, 3-up.
John Casebier beat Dr. W. N. Jones, default.
Tony Holcomb beat Buck Francis, 1-up.

**FOURTH FLIGHT**
L. T. Autry beat Ted Masters, 1-up.
Gene Knight beat Woody Park, 8-up.
Doyle House beat V. V. Shearburn, 3-up.
Johnnie Dyer beat Jimmy Tatum, 4-up.
Bill Hartsfield beat Bob Wilson, 6-up.

**FIFTH ROUND STANDINGS**
**CHAMPIONSHIP FLIGHT**
Dr. R. J. Kidd, plus 22.
Shelby Coker, plus 21.
Donald Ray Scott, plus 17.
John Pickering, minus 4.
C. V. McClatchey, minus 7.
Max Milam, minus 8.
Burt Dugger, minus 20.
Russell Yorgesen, minus 21.

**FIRST FLIGHT**
Ralph Howser, plus 16.
O. K. Fletcher, plus 11.
Earl Fish, plus 2.
Sterling Parker, plus 1.
Doc Weaver, minus 1.
Ed Free, minus 3.
U. D. Walker, minus 8.
Ken Davis, minus 17.

**SECOND FLIGHT**
John Lynch, plus 25.
Dan Warren, plus 14.
Jeston Corbell, plus 4.
J. E. Harney, plus 3.
Hollis Jones, minus 1.
Wendell Shifflett, minus 10.
Vic Baze, minus 18.
Mal Stevenson, minus 20.

**THIRD FLIGHT**
Buck Francis, plus 21.
Roy Sallee, plus 19.
E. A. Brooks, plus 6.
A. J. Shaw, plus 4.
Tony Holcomb, minus 2.
Dr. John Raines, minus 15.
John Casebier, minus 16.
Dr. W. N. Jones, minus 21.

**FOURTH FLIGHT**
Gene Knight, plus 47.
L. T. Autry, plus 18.
Johnnie Dyer, plus 17.
Jimmy Tatum, plus 4.
Bill Hartsfield, minus 1.
Doyle House, minus 8.
Ted Masters, minus 15.
Bob Wilson, minus 17.
V. V. Shearburn, minus 32.
Woody Park, minus 23.

# 13 Star Gridders Aggieland Bound

HOUSTON (AP)—Texas A&M College is the leading college choice of the 56 schoolboy stars who make up the North and South football squads which will clash here Saturday night.

Thirteen announced they plan to enroll at Aggieland next fall to nine headed for runnerup Texas.

The list of preferences by schools:

Texas A&M—(13) Guard Larry Smith, Brady; Guard Wayne Freilong, San Antonio Edison; Halfback Gary Finch, Dalhart; End-tackle John Keller, Terrell; Halfback Oscar Hinojosa, Jercedes; Halfback Robert Caskey, Gonzalez; Fullback Calvin Janner, Brenham; Center Dennis Gaubatz, Walker, Port Arthur; Tackle John Stradinger, Houston Bellaire; End Jackie Cooper, Sugar Land; End Alfred Glockzin, Mart; End James Street, Nederland.

Texas—(9) Halfback David Russell, Amarillo; Halfback Tom Jackson, Andrews; Halfback Jack Collins, Highland Park; Quarterback Mike Cotton, Austin Stephen F. Austin; End Bobby DeSha, San Antonio Jefferson; Halfback James Lyles, Iraan; Fullback Steve McWilliams, Baytown; Center Fred Die Iler, Barbers Hill; Tackle Willey Hart, Glen Rose.

Baylor — (6) Halfback Tommy Minter, Gladewater; Center Ken Chancelor, Gilmer; Fullback Ronnie Bull, Bishop; End David Alback Bobby Ply, Mission; Halfback Bart Shirley, Corpus Christi Ray.

SMU—(6) Guard Leslie Stewart, Grand Prairie; Guard John Dean, Dallas Crozier Tech; Tackle Arthur Raines, Keller; Tackle Mike Bryant, Abilene; End Tommy Huddleston, Texarkana; Halfback Leon Combs, Hempstead.

Oklahoma—(5) Center James Byerly, Crane; Guard Karl Don Milstead, Athens; Guard Gene Burks, Royce City; Tackle Jerry Ferguson, Sundown; End Ronny Payne, Breckenridge.

TCU—(4) Tackle Bill Anderson, Duncanville; Quarterback Guy (Sonny) Gibbs, Graham; Halfback Bert Coan, Pasadena; Center Dick McIntosh, San Benito.

Texas Tech—(4) Quarterback Billy Ryan, Seymour; Fullback James Porter; Wheeler; Center Ken Mullikin, San Angelo; Tackle James Holmes, Del Rio.

Rice—(3) Guard Pat Gerald, Sweetwater; Quarterback Billy Cox, Galena Park; Tackle Don Malin, Temple.

Houston—(2) Quarterback Don Tipton, Kaufman; Halfback Larry Lindsey, Union Grove.

Others—Halfback Bobby Prestidge, Chilton, Kilgore College; Guard John Tombs, Georgetown Southwest Texas State; Halfback David Allred, Wichita Falls, Tulane; End David Bennett, George West, Howard Payne.

## TCU To Get Four All-Star Basketeers

HOUSTON (AP)—The 24 top schoolboy basketball players of 1957 who will play in the North-South All-Star game Friday night will scatter to 15 different colleges and universities next month.

But Texas Christian will get the largest share. Four of the All-Stars plan to play for the Frogs.

Texas, Southern Methodist and West Texas State each get two. Schools drawing single players from the select group include North Texas State, Texas A&M, Rice, Houston, Texas Tech, Lamar Tech, Victoria Junior College, Kilgore College, Tyler Junior College and Abilene Christian.

Four are undecided. The players, home towns and college choices are:

Bill Brown, Pampa, Texas; Bill Ehman, Boerne, Texas; Phil Reynolds, Waxahachie, TCU; Charles Iles, London, TCU; Bobby Bernard, Graham, TCU; David Warnell, Galena Park, TCU; Jan Loudermilk, Big Spring, SMU; Jim Hammond, Bellaire, SMU; Carroll Broussard, Port Arthur, Texas A&M; Olle Shipley, Austin, Rice; Horace Kruse, Bowie, Houston; Jim Curtsinger, Hereford, West Texas State; Henry Hardway, Claude, West Texas State; Billy Wilbanks, Belton, Texas Tech; James Barrum, Beaumont French, Lamar Tech; Mike McAfee, Ganado, Victoria Junior College; Elbert Kirk, Cayuga, Kilgore College; Ford King Jr., Big Sandy, Tyler Junior College; Edward Gattis, Morton, Abilene Christian; Randall Rayburn, Wellington, North Texas State; Paul Ford, Midway, undecided; Rick Martin, Dallas Woodrow Wilson, undecided; Troy Hinson, South San Antonio, undecided; and Bill Brown, Devine, undecided.

## Archie Moore Seeks KO Win Over King

RENO, Nev. (AP)—An aging and overweight Archie Moore gets his fifth chance tonight to flatten Reno heavyweight Howard King and set a new world's record of 127 knockouts.

The light-heavyweight champion has defeated King in four other 10-round, non-title bouts, but he's never kept the younger man down for the full count.

*BY SWEEPING GIANT SERIES*

# Braves Open Up Five-Game Lead

By DON WEISS
Associated Press Sports Writer

Und so der Braves haben totgeschlagen der Giants!

Freely translated, as any German-bred, jumpin' for joy Milwaukee burgher will tell you, it means the San Francisco Giants have probably had it as a National League challenger.

By combining a six-game winning streak of their own with a six-game Giants losing streak, Milwaukee's champion Braves have opened up a five-game lead in the NL.

The 4-3 and 6-0 victories yesterday at County Stadium gave Milwaukee a four-game weekend sweep of the Giants.

The Giants now lead third place Pittsburgh by only two games after the Pirates' third successive shutout victory over the hapless St. Louis Cardinals, 2-0, in the first of two scheduled games at Pittsburgh. The Pirates led 2-0 in the fifth inning when the second game collided with Pennsylvania's 7 p.m. curfew.

Chicago and Philadelphia split, the Cubs outscoring the Phils 12-10 after the Phils had won the opener 8-2 behind Ray Semproch. Los Angeles and Cincinnati also split, enabling the Dodgers to vacate last place in favor of the Cards. Los Angeles won the first game, 8-6 in 10 innings, and dropped the nightcap 3-1.

In the American League, Dick Donovan and Ray Moore pitched the Chicago White Sox to a 3-1, 4-0 sweep of New York, trimming the Yanks' lead to 15½ over second place Boston. The Red Sox whipped Cleveland 3-2 and 4-2 and Detroit won two from Baltimore, 3-2, and 4-1. Washington split with Kansas City, taking the second game 4-3 in 15 innings after the A's had romped home 12-0 in the opener.

Punch and pitching did it for the Braves against the Giants. Joe Adcock's two-run homer in the sixth and sacrifice fly in the eighth won the opener as Bob Trowbridge bagged his first victory with seven hitless innings in relief of starter Gene Conley.

Wes Covington and Frank Torre banged homers in the second game and the Braves coasted behind Warren Spahn's four-hitter for his 43rd career shutout. Johnny Antonelli and Rube Gomez were the losers.

Bob Friend won his 14th, tying Spahn for the NL high, for the bustling Pirates, who had blanked St. Louis 2-0 Friday and 1-0 Saturday. George Witt added five more blanks to the Cards woeful streak before the curfew put off completion of the game until Sept. 16.

## 3,000 Due For Clinic

HOUSTON (AP) — Scores of sports shirt clad coaches who guide Texas' schoolboy athletes jammed a downtown hotel today to register for the 26th annual Texas High School Coaches Assn. meeting.

Registration got under way at 9 a.m. and most of the coaches were expected to check in by nightfall. First lecture of the session, the world's largest coaching school, is scheduled tomorrow morning.

More than 3,000 coaches from 13 states, Mexico and Cuba are expected. The group's board of directors held a routine meeting in advance yesterday.

Standout athletes named to the North-South All-Star football and basketball squads posed for photographers at Rice Institute this morning. They will observe twice-daily workouts prior to the games this weekend.

The basketball teams will have only four days to prepare for their Friday night game in Rice Gym. The football boys will get in an extra day with their game climaxing the meet Saturday night.

Travis Hughes, South football coach from Deer Park, said it would be lights out for the lads at 9 p.m. beginning tonight.

Appeties flourished yesterday when the All-Stars gathered in the air - conditioned dinning hall for evening chow. They dined on cold cuts and salad with the steaks due to start today.

## *MICHIGAN SOFTBALL 9s IN RECORD 145-INNING TILT*

MUSKEGON, Mich. (AP)—The Muskegon Moose and the Muskegon Heights Eagles rested blistered feet today. They played a 145-inning softball game Saturday. The Moose finally won, 78-71, over a span of 12 hours and 20 minutes.

A tie at the end of nine innings wasn't responsible. Neither was a series of ties thereafter. They just set out to see if they could better the 140 innings they went in 1958.

Perc Buttermore, who played in the 1938 marathon, pitched the first 100 innings for the winning Moose. Paul Gabris left after going 40 innings for the Eagles.

With many from both sides in stocking-feet, the teams agreed to quit at the end of 145 innings in the marathon arranged to benefit a muscular dystrophy fund.

*SUNDAYS BAD DAYS FOR YANKS*

# White Sox Tap Yankees Twice

By DON WEISS
Associated Press Sports Writer

No need to break up the Yankees, friends. All ya' gotta do is get them to skip the rest of the week and play on Sunday.

It's there in black and white, a 10-12 record with four doubleheader flops to show for the Sunday efforts of the big, bad New Yorkers who make a farce of the American League Monday through Saturday.

Even Manager Casey Stengel, when he isn't cracking wise about the National League, says: "Don't know what it is. Maybe I oughta just manage on weekdays and take Sunday off."

Chicago's climbing White Sox, now only a half game out of second place, had yesterday's Sunday outing against the runaway AL leaders. They cut the Yanks' margin to 15½ games with 3-4 and 4-0 victories behind right-handers Dick Donovan and Ray Moore.

Boston's Red Sox took advantage of the Yankee losses to pull back into second place, shattering Cleveland's seven-game winning streak 3-2 and 4-2. The sweep dumped the Indians from second to fifth. Detroit, running its win streak to six, moved up to fourth with 3-2, 4-1 victories over Baltimore. Kansas City split with Washington, dropping a 15-inning nightcap 4-3 after romping home 12-0 in the opener.

In the National League, Milwaukee cuffed second place San Francisco 4-3 and 6-0 opening up a five-game lead. Pittsburgh blanked St. Louis for the third straight game, 2-0, and led 2-0 after 4½ innings of a nightcap suspended by the Pennsylvania 7-p.m. curfew. Los Angeles opped Cincinnati 8-6 in a 10-inning opener and the Redlegs won the second game, 3-1. Chicago and Philadelphia also split, the Cubs winning 12-10 after the Phils won the first, 8-2.

Donovan, winning his fifth straight for an 8-10 record, fired a three-hitter against the Yankees in the opener and outdueled Whitey Ford (13-5). Moore (7-3) was just as stingy, scattering five hits for his second shutout (both against the Yanks) and his third complete game (all three against the Yanks). Johnny Kucks lost it.

Ted Williams' two run homer in the ninth won the first game for the Red Sox as Murray Wall won in relief over Gary Bell. The Bosox whipped Ray Narleski in the second game.

Paul Foytack and Billy Hoeft turned in steady eight-hitters for the Tigers.

Baltimore Manager Paul Richards got the boot in both games while disputing calls.

Eddie Yost's RBI single broke up the 15-inning Senators-Athletics' second game as Pete Ramos won his 10th. Kansas City won behind Ralph Terry's five-hitter in the opener.

## Milwaukee's Jay 'Player Of Month'

CINCINNATI (AP) — Joe Jay, the Milwaukee Braves' prize new right - hander with a talent for strikeouts, is the National League's player of the month for July.

The league reported today that Jay polled 19 votes compared with 10½ for runner-up Ernie Banks of Chicago's Cubs. Baseball writers and broadcasters do the voting.

Jay stacked up five wins and two losses during July. He pitched two shutouts, five complete games and fanned 46. His earned run average was 1.42 for 57 1-3 innings.

## YESTERDAY'S STARS

**Major League Stars**
By THE ASSOCIATED PRESS

Pitching — Bob Trowbridge and Warren Spahn, Braves —Trowbridge pitched seven hitless innings of relief in opener and Spahn scattered four hits in nightcap for 43rd shutout as Braves swept Giants 4-3 and 6-0 for five-game National League lead.

Hitting — Roger Maris, Athletics, hit double triple and two homers — one a grand slam — scored four runs and drove in five in A's 12-0 first game victory over Senators.

SHAMROCK

33 YEARS IN CLEANING BUSINESS—Earl Fish, pictured above behind the counter of Snyder Tailoring Co., 2615 Avenue S, has been in the cleaning business here since 1925—that is longer that any other man has been in the cleaning business here. Fish installed the first continuous flow cleaning equipment in Snyder, and has continued to keep the equipment and methods used in Snyder Tailoring Co., up with the latest advances known to the industry. (Lee Watson photograph)

*IN HIS 33 YEARS IN THE INDUSTRY*

# Fish Sees Many Changes In Cleaning

"Things certainly have changed in the cleaning business since. I first started in it here in 1925," Earl Fish of Snyder Tailoring Co., 2615 Avenue S, recalls.

When Fish started in the business here his shop was located on the north side of the square in the building where Mixon Tire & Supply is now located.

"We installed the first continuous-flow cleaning machine in Snyder," he said.

Fish explained that a continuous-flow machine is one which circulates the cleaning fluids through the machine and out of the machine and through a filtering apparatus to always keep the fluids clean and fresh to give all garments the best cleaning possible.

"Prior to that all the cleaning fluids remained in the machine all the time, like water in an old style home washing machine, and after a few garments had been cleaned the solvents had to be replaced," he said.

Fish said that the continous-flow cleaning machine was only one of the many improvements made in his show down through the years.

"We now use the very latest equipment for the specialized cleaning methods required by new fabrics and special cotton and silk finishing equipment," he said.

"Some of the complex equipment we now have is used to help take care of the ever increasing volume of cleaning we do, but much of it is for the specialized needs of the cleaning industry now," he added.

Special equipment for the sizing of garments to restore the original size and shape to a garment so that it fits the wearer just like brand new after each cleaning permits the Snyder Tailoring Co.'s customers to wear clothing that looks and fits like new—even after many wearings and cleanings.

"We also now use odorless cleaning fluids which do not leave any cleaning odors in the garments—giving the garments not only the like-new appearance, but the extra advantage of being completely odor free," he said.

Snyder Tailoring Co. goes one step further to give each customer's clothing the like new appearance—they place all cleaning orders in either paper or plastic bags to keep them free from dust and wrinkling while being delivered or taken home, and in the customer's clothes closet.

Free pickup and delivery service and Buccaneer savings stamps are other "extras" customers of Snyder Tailoring Co. enjoy.

## El Paso Natural To Build 400-Mile Line

SALT LAKE CITY (AP)—El Paso Natural Gas Co. plans to build a 400-mile, multi-million-dollar natural gas transmission line from Salt Lake City to the California border southwest of Las Vegas, Nev., according to an announcement yesterday by President Paul Kayser of Houston.

The 34-inch line will connect a few miles southwest of here with a 140-mile line to be built by Colorado Interstate Gas Co. from near Rock Springs, Wyo.

## Texas Calf Crop May Be Up 5 Per Cent

AUSTIN (AP)—The U.S Department of Agriculture predicted today that the 1958 Texas calf crop would be five per cent more than the previous year.

The estimate placed this year's crop at 3,919,000 compared to 3,734,000 last year. The larger crop was attributed to a much higher calving percentage since the number of cows and heifers two years old and over was two per cent below a year earlier.

## Highway Leader Dies

PAMPA, Tex. (AP)—Funeral services were to be held today for Frank Lard, 63, Texas president and a national director of the U.S. Highway 66 Assn., who died yesterday.

Lard, who operated a Pampa motel, was a member of the Top O' Texas Roden Assn. and other civic groups.

## This One Is Just Like A Bad Dream

GRAND RAPIDS, Mich. (AP)—A hubcap dropped off as James Riste, 32, drove over a railroad track today. When Riste got out to retrieve it, his foot caught under a rail.

Seconds later a Grand Trunk passenger train roared past bound for Muskegon from Detroit. Riste's left leg was severed below the knee.

He hobbled to his car and drove six blocks to a hospital.

Riste was reported in fair condition after surgery.

## 20 Die In Italy's Hottest Day Of Year

ROME (AP)—A simmering heat wave—the worst of the year—Saturday gave Italy a two-day toll of at least 20 sunstroke and heat exhaustion deaths.

Many drownings also were reported as thousands of Italians and tourists sought to beat the temperatures with cooling swims.

Temperatures were running around 100 degrees in some areas. Several Italian towns, including Verona, reported their highest temperatures in almost a century.

## Capital Post Office Runs Out Of Stamps

WASHINGTON (AP)—Blushingly, the U. S. Post Office Department had an announcement to make today.

The run on stamps touched off by the new higher rates caused the department's main station here to run right out of one and four-cent stamps over the weekend.

A spokesman said the situation was expected to be remedied with all deliberate speed.

## Blimp Is On Way To Arctic Destination

SOUTH WEYMOUTH, Mass. (AP) — A Navy blimp neared Churchill, Man., today on a trip planned to terminate at a floating weather station in the Arctic Ocean.

The airship left Akron, Ohio, Sunday afternoon.

The craft, which began its journey from the U.S. Naval Air Station here last week, flew over Lake Huron and Lake Superior toward the Canadian stopping point.

Present plans call for the blimp to leave Churchill for Resolute Bay, at Hudson's Bay, early Tuesday after restocking fuel and taking aboard a team of scientists on a project associated with the International Geophysical Year program.

## 4-Year-Old Cowboy Surprises Outlaw

NEWARK, N.J. (AP)—A gun-toting cowboy surprised an outlaw trying to crack a safe at Fon King's laundry Sunday.

Now this cowboy was a cool hombre. He wasn't looking for trouble. He didn't even draw his gun. And when the safecracker offered him 10 cents to "keep quiet" he played along.

But the cowboy no sooner got out of sight than he went to the law—in this case his mother. The mother called police, who arrived after the badman and his two accomplices, unable to open the safe, had fled.

As for the careful cowboy, he walked off into the twilight without even giving his name. But the police weren't mad at him. They figure he did pretty well for a 4-year-old.

## Cyprus Violence Is Spread To Kyrenia

NICOSIA, Cyprus (AP) — Violence between Greek and Turk Cypriots spread to Kyrenia on the island's north coast for the first time when gunmen ambushed a party of Turk Cypriots today and wounded two.

The killings continued elsewhere. A group standing at a bus stop in Nicosia was sprayed with automatic weapon fire. One Greek Cypriot was killed and another wounded.

Five other Cypriots died Sunday in the two-month-old wave of bloodshed between the two groups.

READY TO TAKE OVER—Gen. Fuad Shehab, Lebanese army commander, makes a smiling exit from Beirut's defense ministry after his election as president of strife-torn Lebanon. (AP Wirephoto)

## Rehiring Of 2,500 Workers Announced

NEW YORK (AP)—Rehiring of 2,500 workers at five General Motors Corp. divisions and two Kaiser Aluminum & Chemical Corp. plants were announced today.

Four General Motors divisions in Dayton will recall 1,620 workers by Oct. 1. Frigidaire called back 400 beginning today, boosting the payroll to about 14,000. Inland Manufacturing will rehire 500 by Oct. 1. Moraine Products will take back 450 by Aug. 25. Delco will add 270 by Sept. 8.

Delco is calling back workers at Rochester, N.Y.

In New Orleans, Kaiser said it re-employed 240 workers at Chalmette, La., returning the plant to full production. Another 150 workers are being called back to Kaiser.

## Girl Likes To Hold Head Under, Drowns

HOUSTON, Tex. (AP) — Three-year-old Deborah Lynn Daly loved to hold her head under water at the swimming pool.

After a few tense moments, she would bounce on the soles of her feet and pop to the surface.

Friday night she didn't pop up.

Deborah drowned in less than three feet of water as lifeguard Don Demming and her mother, Mrs. Marjorie Daly, kept watch.

Mrs. Daly told police that at the time she was taking a quick swim to the deep end of the pool. She returned to the shallow end and discovered her little girl floating head down.

The mother screamed. Demming jumped in and pulled out the little girl's body. Artificial respiration was unavailing.

The father, Air Force Capt. Jack Daly, was notified as he flew toward Ogden, Utah. He turned back to Houston.

The Automobile Club of New York reports that 55 per cent of vehicle-miles driven in U. S. are connected with earning a livelihood and 13 per cent with shopping.

Seminole County, Fla., produces one-fifth of all the celery grown in the U. S.

## Easy Way To Kill Roaches And Ants

Scientists recommend that you control roaches and ants the modern way — with Johnston's No-Roach. Brushed just where you want it (table legs, cabinets, sills, asphalt tile, etc.), the colorless coating kills these pests. It's effective for months, sanitary, and easy to use. Get No-Roach at D&H, Furr's, Piggly Wiggly, Safeway, Sunbeam, B&B Parkway, Rainbow's, & your local food or drug store.

## Flash Flood Causes Train To Derail

PARKERSBURG, W.Va. (AP)—A Baltimore and Ohio freight train was derailed yesterday by a washout that resulted from flash floods.

Trainmaster Harold F. Lydick said the main-line tracks probably would not be cleared until tomorrow morning. Traffic was rerouted through Wheeling.

Some of the 30 derailed cars were set afire when a broken electric line ignited a car of inflamable naphtha. A carload of propane gas burned but did not explode.

The 73-car train was bound from Cumberland, Md., to St. Louis.

## Junior Editors Quiz on INDIANS

*QUESTION: Was there ever a Hiawatha?*

• • •

ANSWER: The original Hiawatha was a Mohawk chieftan and medicine man and generally credited with organizing the Iroquois Indian confederacy. When the poet Henry Wadsworth Longfellow, decided to write an epic poem about Indians, he chose the name Hiawatha for his hero because he found it poetical and well suited to the musical meter he had adopted from a Finnish epic poem, Hiawatha, written in 1854, became an immediate success and has since gained a lasting place in world literature. It was the first major literary work to treat Indian life and legend as a classical theme. But it didn't have much to do with the real Hiawatha.

• • •

FOR YOU TO DO: Get a copy of Longfellow's "Hiawatha" and read about this famous Indian boy and his life in the forest. Here is a picture of Hiawatha and some of his woodland friends. Color it and paste it in your scrapbook.

• • •

(Our $10 award goes to Don Petrick of So. Beloit, Ill., for this question. Send yours on a postcard to Violet Moore Higgins, AP Newsfeatures, in care of this newspaper. Tomorrow: How much gold is there in the sea?) 8-4

# 20 Bills Are Still On Tap For Congress

By JOE HALL

WASHINGTON (AP)—About 20 major bills—some certain to be passed and others highly controversial — stand between the 85th Congress and final adjournment.

Some congressional leaders said they hope the 1958 session can close shop a week from Saturday. But many lawmakers seemed to think Aug. 15 or 16 is a more reasonable taget.

Bills on three politically explosive subjects—federal aid to education, social security, and foreign aid—appear to hold the key to the gey-away date.

The House on Thursday passed 375-2 a complex measures to boost social security insurance benefits seven per cent as well as the taxes to pay for them.

The Senate Finance Committee, which handles such legislation, is faced with a heavy work load in the adjourment rush. Some members said they would bring up the House social security bill Monday when the group meets on other legislation.

President Eisenhower has asked the Senate to restore the entire 597 million dollars but by the House from the $3,078,000,000 foreign aid bill. The Senate Appropriations Committee may act on this Tuesday.

The education bill, including college scholarships and measures to improve teaching in elementary and high schools, has not passed either branch.

The House version is awaiting Rules Committee clearance, which may come Tuesday. The Senate Labor Committee hopes to complete work on a similar bill early in the week. Both carry more than a billion dollars in federal grant and loan funds.

# Miss Texas Almost Was Not Entry

FORT WORTH (AP) — Miss Texas of 1958, a self-styled "adventurous gal," admitted Sunday night she still hasn't realized the biggest adventure of her life is about to become a reality.

Mary Nell Hendricks, 22-year-old school marm from Arlington, who had to be talked into entering the Miss Arlington pageant by other school teachers, will be heading to Atlantic City, N.J., Aug. 31, to represent Texas in the Miss America pageant.

"It hasn't really hit me yet," Miss Hendricks said at the home of her parents in Arlington.

"I'll probably realize Monday that it's not a dream," the honey-voiced brunette laughed.

Sleepy after a hectic weekend, but bubbling over with happiness she told of winning over 28 other contestants in the Amarillo pageant Saturday night.

She hung the "adventursome" tag on herself after all but five contestants had been eliminated.

"They called us out one at a time and asked us questions," she said. "And the very first one they asked me was 'if your best beau had been sent to the moon, what would you do?'"

Miss Hendricks was ready for that one, though.

"I'm an adventursome girl," she replied. "I'd catch the first space ship to the moon to be with him."

## Move On To Prohibit Juvenile Driving

COLUMBIA, Mo. (AP) — Gov. James T. Blair says he is going to try to stop people under 18 [illegible] automobiles in Missouri.

The governor told the Citizens Safety and Traffic Committee of Missouri yesterday that he will ask the next legislature to increase the minimum age for obtaining a driver's license from 16 to 18.

"I know this won't be popular, especially with a lot of young people," Blair said, "but there is a tremendous number of accidents involving the 16 to 18 age group."

## Upset Stomach Put Gary In Hospital

LAS VEGAS, Nev. (AP)—Gary Crosby says it was an upset stomach which put him in a hospital overnight.

Bing Crosby's oldest son—he's 25—went to a hospital in nearby Henderson Saturday night after blacking out at a resort hotel. He said he thought a bad hamburger caused it all.

## LEGAL NOTICE

**LEGAL ADVERTISEMENT FOR BIDS**

Sealed bids for the construction of 2.222 Miles of Grading, Drainage, Base and Surfacing and Channel Work in Precinct No. 2, Scurry County, Texas addressed to the Scurry County Commissioners Court will be received at the office of the County Judge in Snyder, Texas until 2:00 P. M., August 6, 1958, and then publicly opened and read.

All proposals shall be accompanied by a cashiers check or bid bond acceptable to the Court in the amount of ten (10 per cent) per cent of the bid price payable without recourse to the Commissioners Court of Scurry County as a guarantee that the bidder will enter into contract and execute performance bond within ten (10) days after notice of award of contract to him. The notice of award of contract will be given by the Owner, or his representative, within ten(10) days following the opening of bids. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The right is reserved, as the interest of the Owner may require, to reject any or all bids.

Plans, specifications and bidding documents may be secured from the office of the Engineer, W. W. Greif & Associates, at 1713 25th Street in Snyder, Texas, upon a deposit of Fifteen Dollars ($15.00) per set, which sum so deposited will be refunded provided the Contractor submits a bonafide bid and all documents are returned to the Engineer within 48 hours following the opening of bids.

Plans and specifications are on file and may be examined at the office of the County Judge or the County Clerk's office at the Courthouse in Snyder, Texas.

# California Republicans Are Firmly In Hands Of Knowland

By MORRIE LANDSBERG

SACRAMENTO, Calif. (AP) — California Republicans came away from their convention with a new labor platform, a new chairman and a ringing challenge for a series of debates.

It was firmly Sen. William F. Knowland's show.

He got the labor plank he wanted — and Gov. Goodwin Knight didn't. His choice, 32-year-old George W. Milias Jr., was elected state chairman, not that he had any opposition.

About all Knowland didn't get was a "yes" from Atty. Gen Edmund G. Brown, his Democratic opponent for governor, on his proposal for a statewide series of campaign debates.

Brown, who ran 660,000 votes ahead in the two-party primary total, called it a cheap bid by Knowland to "pull himself out of the political mire on my bootstraps."

Heeding the Republican senators plea, delegates wrote established party support of the union shop out of the stage platform. They [illegible] of neutrality on the "right-to-work" issue [illegible] the November election campaign.

Knight, eyeing his labor support in his U.S. Senate race, unsuccessfully took the floor Saturday night to argue in behalf of the union shop clause. He warned the repudiation would hurt GOP candidates' quest for labor votes.

The plank he espoused was defeated 79 to 18.

Knight is against the initiative—Proposition 18—which would outlaw the union shop in California. So are most other Republican candidates. Only Knowland, among the top office-seekers, is for it.

The convention's hands-off on "right-to-work" was frankly intended to protect Knowland's labor stand in his campaign for governor. Rising to oppose Knight, he said it would be inconsistent for the party to favor the union shop while professing neutrality on "right-to-work."

Knowland and his supporters held that the GOP had no business taking a stand on "right-to-work" since it has been submitted to the voters for decision.

Brown complained that Knowland used the big lie technique in his Sunday speech before the Republican State Central Committee in which he chided the Democratic attorney general for a rise in the California crime rate.

Knowland asserted that Brown, as the state's chief law enforcement officer, has failed to cope with a reported influx of Eastern and Midwestern mobsters.

He added: "there is ample reason to believe that they are seeking to gain control of some of our labor organizations and by the investment of underworld funds to penetrate the economic structure of California."

Brown replied in a statement: Crime is going up all over the country. And "the senator's palpable attempts to link me with labor racketeers is like part of the big lie technique."

TELLS OF THREATS — Pretty Mrs. Nancy Dawson clutches her silver rosary in clasped hands as she testifies before the Senate Rackets Committee in Washington. Mrs. Dawson, a Detroit laundry operator, swore before senators she was threatened with disfigurement or worse if she testified about labor union rackets in the Detroit area. (AP Wirephoto)

## Fast Merry-Go-Round Hurls Off 2 Riders

MIDDLETOWN, N. Y. (AP) — A souped-up merry-go-round called the "Comet" hurled two riders into a crowd at the Orange County Fair Sunday night.

One, Francis Kearney, 18, Monticello, N.Y., died about three hours later at the Middletown Sanitarium.

The other, George Van Aken, 30, Middletown, suffered a possible fractured spine. He was reported in critical condition today at the sanitarium.

The Comet has 10 cars suspended from cables which rotate around a pole. State police said the cars were whirling at about 45 miles an hour when a cable attached to the Kearney-Van Aken car snapped.

The two riders hit a concrete sidewalk at least 30 feet away and struck four persons, who suffered shock and bruises.

## 6 Catholic Pilgrims Drown When Boat Tips

TRIESTE (AP)—At least six Catholic pilgrims were reported today to have drowned off the Yugoslav port of Zara when a crowded boat capsized, plunging 40 persons into the Adriatic.

The boat was bringing 40 Yugoslav pilgrims back to the mainland from a trip to a Franciscan monastery on the Adriatic island of Visovac.

## 'Indirect Aggression' Complaint In Making

CAIRO (AP) — The Egyptian press reported today that the United Arab Republic is considering complaining to the United Nations that the United States and Britain are committing "indirect aggression" through anti-Nasser broadcasts from radio stations on Cyprus.

These broadcasts "seek to instigate chaos and overthrow the Nasser regime," the newspapers said.

This could be U. A. R. President Nasser's answer to President Eisenhower's charges that the U. A. R. repeatedly committed indirect aggression against Lebanon, Jordan and other Middle East and North African countries through subversion and inflammatory broadcasts from Egypt's "Voice of the Arabs" radio.

## Five Texans Win In Bridge Design Event

CLEVELAND (AP)—Awards of $17,500 to five Texans in recent welded bridge design competition were announced yesterday.

First place winners of $10,000 are Earland C. Bundy and Charles S. Matlock, engineers of the Texas Highway Department bridge division at Austin. An award of $7,500 went to Dallas Engineers Joe C. Bridgefarmer, Douglas A. Nettleton and William Llewellyn Powell.

The awards were among a total of $50,000 made by the James F. Lincoln Arc Welding Foundation of Cleveland.

The Austin men shared an award for designing the Buffalo Bayou bridge at Houston.

The Dallas men won for a bridge on the Dallas-Fort Worth turnpike.

## New Commander Of U. S. Japan Forces

FUCHU, Japan (AP)—Lt. Gen. Robert W. Burns of the U. S. Air Force today took over from Lt. Gen. Frederic H. Smith Jr. as commander of U. S. forces in Japan.

Burns, former commander of the Air Force Air Proving Ground Center at Eglin Base, Fla., also relieved Smith as commander of the 5th Air Force.

Smith left after the change of command ceremony to become commander of the Air Training Command at Randolph Field, Tex.

## Auto Stolen 4th Time

DALLAS (AP)—M. C. Brennan reported his automobile stolen today, for the fourth such complaint from him in 19 days.

CAPTURED—A state trooper holds a gun to the back of Clyde Cope, 31, as he herds the man from a wooded area near Elverson, Pa., after Cope and a companion were captured shortly after the holdup of the Elverson bank. Police said Cope had part of the $20,000 loot stuffed in his shirt. (AP Wirephoto)

# Crowd Riots After Cops Nab Brawlers

PRINCE RUPERT, B.C. (AP)—Rocks and bottles filled the air early yesterday when a crowd took exception to the arrest of a man and woman fighting on a downtown street.

The riot attracted nearly 1,000 persons.

According to police, the outbreak started when two officers arrested the squabbling couple. Spectators objected and began following the police and their prisoners toward the jail.

Then things snowballed. Soon hundreds jammed the streets of this northern British Columbia coastal community throwing anything they could lay their hands on.

The cops called for help. The rest of the 30-man Royal Canadian Mounted Police force arrived, then 12 militiamen and the local Marine patrol. Finally, the fire department rolled up in its truck. The truck was parked between the crowd and the jailhouse. Firemen doused the mob.

Mayor Peter J. Lester was aroused from bed. Ducking rocks and flying bottles, he read the 18th century Riot Act, which provides terms up to life imprisonment for rioters.

The thought apparently didn't disturb the rioters, but 15 tear gas bombs did the trick.

The mayor blamed the disturbance on Indian resentment of the B.C. Liquor Act, which prevents them from drinking beer anywhere but in a tavern.

However, RCMP Inspector Bert Bloxham said overindulgence during the weeklong celebrations of the province's centennial caused the riot.

When the dust had settled and the crowd dispersed, 20 persons, including five policemen, had been injured, none seriously. Twenty-two went to jail.

NEW ELEMENTARY band director here is Bill Green, who has moved here from Lamesa to succeed Phil Cherry. Cherry moved to Meridian, Idaho, to become high school band director. Green, a graduate of McMurry College, Abilene, has been junior high band director at Lamesa four years.

## Mamoulian Firing Draws Criticism

HOLLYWOOD (AP) — Producer Samuel Goldwyn's firing of Rouben Mamoulian as director of the film version of "Porgy and Bess" has drawn criticism from the Screen Directors Guild.

The SDG board said yesterday all members will be warned they may not enter into a contract with Goldwyn without being in violation of guild bylaws.

Goldwyn replaced Mamoulian with director Otto Preminger. The producer said he had basic differences with Mamoulian, who directed the original stage version of "Porgy and Bess."

A Goldwyn studio spokesman said Preminger had no comment on the SDG position other than he had signed a contract to direct the film.

The SDG board said: "In view of Mr. Goldwyn's refusal to discuss the matter, the board must accept Mr. Mamoulian's statement that the only possible motive for his dismissal was his refusal to accept Goldwyn's demand that Mamoulian dismiss his press agent and make no further statements or releases to the press, apparently in the fear that such current publicity would diminish Mr. Goldwyn's own pre-eminence as the creator of the picture."

The SDG board said it refuses to recognize the right of any producer to dismiss a director "for frivolous, spiteful or dictatorial reasons not pertinent to the director's professional skill or obligations."

## Super Sabres Said Not For Chaing

TAIPEI, Formosa (AP) — The American command in Formosa today announced that F100D Super Sabres have been deployed here but denied they were sent in answer to rising clamor for late-model planes for Chiang Kai-shek's air force.

An announcement said American pilots flew the planes to this island from the Philippines for routine training, just as they have in the past.

A U. S. spokesman said that the arrival of the Super Sabres is not linked with a clash over the Formosa Strait July 29 in which Communist jets, said to have been modern MIGs, shot down two Nationalist Thunderjets.

## Critical After Hit By Boat At Texoma

DENISON (AP)—Douglas Melcalf, 21, of Tilton, N.H., training at Perrin Air Force Base, was in critical condition last night after being overrun by a motor boat while swimming in Lake Texoma near Cartwright, Okla.

Melcalf was swimming with a friend, Peggy Gant of Denison, past the marked area when he was hit by the boat. The Oklahoma Highway Patrol said the boat did not stop and had not been located.

Glenn Little and Charlie Linder, both of Denison, heard Miss Gant's cries and rescued the couple. Raymond Gaddis, Denison, rushed Melcalf to a hospital here where he underwent surgery.

## Lake Created Within Only A Few Hours

PIERRE, S. D. (AP)—A placid lake stands today where a few hours ago the muddy Missouri cut an erratic path through central South Dakota.

A fleet of snarling machines accomplished the feat by dumping some 60,000 cubic yards of earth into the Oahe Dam embankment in 23 hours.

At 3:30 a. m. yesterday, the river was halted in its regular channel and diverted through six concrete flood control tunnels. Within a few hours the dam had created a lake which stretches for a mile upstream.

A crowd estimated at near 15,000 turned out for a formal ceremony to celebrate the dam closure. Winthrop Rockefeller, the main speaker, told the throng an adequate supply of water is vital to a balanced economy. He said industry requires increasing amounts of water and will be attracted to areas which can offer a plentiful supply.

Students at Central School in Fort William, Ontario, Canada, spent their hours after school collecting 35,000 coathangers which they sold to cleaning firms for one cent each. They spent the money to buy equipment for a school for retarded children.

SERGEANT FINALLY QUITS TRYING

# Woman Can't Be Outtalked

PLATTSBURGH, N. Y. (AP) — A young Air Force sergeant quit on the insistence of a doctor today after talking 60 hours in a vain effort to outdo a woman.

Richard Kozina, 25, of Toledo, Ohio, still was willing to continue, but an Air Force physician, Capt. Calvin Norman, said he could not be responsible for Kozina's voice if he continued.

Two other staff sergeants remained talking and half a dozen more were set to join them later in the day.

The contestants are trying to outtalk a North Carolina woman who gabbed 92 hours without stopping.

Two sergeants had dropped out. Thomas Johnson of Memphis, Tenn., passed the 42-hour mark. Walter Morin of Jamaica Plain, Mass., completed 21 hours.

Johnson, a former radio disc jockey, was telling jokes. He repeated the same story over and over, with slight variations each time before switching to something else.

Kozina, his voice raspy and barely audible, told The Associated Press he still felt strong.

His wife was about ready to give birth to their fourth child, in St. John's Nfld. Talking was one way of passing the time waiting for word, he said.

The test was being held in the noncommissioned officers club at this Strategic Air Command Base in northeastern New York.

## Trouble In East Seen

TAIPEI, Formosa (AP)—Some quarters in Nationalist China today predicted trouble in the Far East as an outcome of the meeting between Soviet Premier Khrushchev and Red China's Mao Tze-tung.

Some Chinese Nationalists said the Red leaders discussed plans for a diversionary action in this party of the world.

They suggested that such an action would enable Khrushchev to demand a summit conference on the Far East and insist that Red China as one of the parties directly concerned, be represented.

The Nationalists said such action could be an attack on the Nationalist island outposts off the Red China coast or against Formosa itself.

## Pacifier Available

WILMINGTON, N.C. (AP)—The Police Department has a pink pacifier hanging over the complaint desk. The department is not saying whether it's for little babies, or adult babies.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H.® At your druggist. Money back guarantee.
