City's Water Storage Capacity Increased Over 200,000 Gallons by Gift of Santa Fe Tank

TALK -- In Print

"Uncle John" Santa Fe deserves a round of thanks from Abernathians on two counts. Santa Fe Railway Company has made the City of Abernathy a gift of the 200,000-gallon water tank near the depot. It will be made usable for city water purposes and tied into the mains in the near future.

Second reason for thanks to the Santa Fe is the decision to continue the passenger train service here for a year, using modern streamlined trains, with direct sleeper service to and from Chicago. Thanks, too, to Stoney Wall and Lubbock Chamber of Commerce for their part in obtaining this service for the South Plains. The new Santa Fe train is scheduled to go into service February 20. It will be in Abernathy for inspection by local people Monday, February 14.

City of Abernathy water storage capacity was more than doubled last week, when the Santa Fe Ry. Company made the city an outright gift of its water tank near the depot. The tank has a capacity of over 200,000 gallons, Mayor Dan Z. Ward estimated.

Present storage capacity is 50,000 gallons in the tank mounted on the tower in the downtown section, 5,000 gallons in the riser pipe for that tank, and 80,000 gallons in the tank in the north part of town. Addition of the Santa Fe tank brings storage capacity for the city water department to more than 335,000 gallons. Cleaning, sterilizing and other work will be done on the Santa Fe tank before it is tied into the city water mains. The City Council last week received the following bill of sale from the Santa Fe, turning ownership of the tank over to the City of Abernathy:

BILL OF SALE
P. & S. F. Ry Co. Secretary's 15094.

NEWS AND CHURCH SCHEDULE OF THE FOURSQUARE CHURCH

Corner 14th and Ave. E. Rev. Mrs. Nadine Hall, pastor.

Sunday School, 10:00 o'clock. Sunday morning worship 11:00 o'clock. Young peoples service (Crusader's) 6:00 o'clock p. m.

Sunday Evening Evangelistic Service 7:30 p. m. Wednesday morning Ladies Prayer Meeting 9:00 a. m. Wednesday evening Prayer and Preaching service 7:30 p. m.

We just concluded an outstanding revival in our church Sunday evening, Jan. 30th with Rev. and Mrs. Gerry Thomas as evangelists. God blessed in an outstanding way. Souls were saved and many Christians given a new vision for Christian service.

The young people of our church have great plans (and they are putting those plans into action) for the future. God is blessing our young people under the capable leadership of Mr. and Mrs. Edward Slough.

Our Sunday School is growing and we have wonderful teachers. If you are not attending church elsewhere, we give you a special invitation to attend our friendly church where you are always welcome," states the Pastor.

6TH GRADERS DOWN HALE CENTER TEAMS

Playing at Hale Center Monday night, Abernathy sixth graders defeated similar teams of the Hale Center school in two basketball games. Abernathy girls won, 18-16, and the future Antelope cagemen took their game, 16-15.

Rev. J. Frank Nix of Lubbock visited friends here Monday. He reports that their son, Colonel William E. Nix, who visited them in Lubbock this week, is being transferred from his Washington, D. C., post to Saudi Arabia for a 12-month tour of duty.

Mrs. R. L. Adams underwent surgery at Taylor Clinic, Lubbock Tuesday, Jan. 25. She is now at home and doing nicely, the report stated.

MEXICAN CHURCH OF THE NAZARENE NEWS

Here we are at the close of the first month of the new year. How many of our new-year's resolutions did we fulfill? Every month and year brings us nearer the day of our record with our God. Mine will be there yours will be there.

We are still having good attendance at church and the average for the five Sundays in Jan. was 60. This is transient time but since cotton pulling is over some are leaving, but we are having more young people coming.

We have four good classes: the young people's class in the pastor's living-room at the parsonage and three in the church. Looks as tho we should start a building fund to build a Sunday School room onto the church. More new people are hearing and learning of our Spanish Church and will be coming. How we truly thank all those who give and pray for us as we do our best to give them the gospel.

God will richly reward each of us as our work shall be. I want some sheaves to lay at Jesus' feet don't you?—Mrs. Lillie Slemmons.

NOTICE

To property owners on Second Street and Avenue G: If you are interested in having your streets paved, go by Struve Mercantile Co. hardware department and sign a petition. See Arno Struve for details.

A 4-room-and-bath residence is to be moved to Ave. E and North Drive, and will be occupied by the manager of Western Irrigation Co. and his family. The new firm is located north of Plains Gas of Abernathy, Inc.

Last Rites Are Held For Mrs. T. G. Powell

Last rites were conducted Saturday morning at Abernathy First Baptist church for Mrs. T. G. Powell, 44, who died Thursday in a Lubbock hospital after an illness of several months. Rev. C. A. Kennedy, pastor, officiated, assisted by Rev. Cecil Ray, pastor of Arnett-Benson Baptist church, Lubbock. Burial, under direction of Sanders Funeral Home of Lubbock, was in Abernathy cemetery.

Pallbearers were Isaac Holmes, A. R. Knight, Roy Douglas, M. M. Bell, Walter Harp and Edwin Crow.

Flower girls were Maudie Harrell, Marihelen Miller, Betty Alice Lovelace, Nell Dean Barron, Nanci Young and Vicki Davenport.

Survivors include the husband; a son, Travis Powell; five daughters, Mrs. Keith Shipman, Shirley and Joyce Powell, all of Abernathy, Mrs. J. H. Minor and Helen Powell, both of Lubbock; four sisters, Mrs. H. A. Lancaster, Ralph, Ala., Mrs. J. L. Franklin, Greensborough, Ala., Mrs. H. A. Matthews, Utah, Ala., Mrs. G. E. Hall, Tuscaloosa, Ala.; four brothers, Hartwell, Floyd and Aubrey Burns, all of Ralph, Ala., Darrell Burns of Willets, Calif., and five grandchildren.

Glady Burns was born at Ralph, Alabama, July 29, 1910. She was married to T. G. Powell June 21, 1924, at Tascaloosa, Ala.

The Powell family moved to Shallowater in 1944, and a year later moved to Lubbock. They moved to Abernathy community in 1948.

Mrs. Powell was a faithful member of Abernathy First Baptist church, where she took active part in all the services.

ANTELOPES DOWN POST HIGH CAGERS

The Abernathy Weekly Review
Abernathy, Texas

Dear Editor,

The American Legion swimming pool project is indeed a worthy one, but one wonders if it will go the way of the Boy Scout club House project? Remember? Most every women's club contributed to that project!

As one near mother so aptly put it—"you really become a pack rat" when you take a den group—no place to meet, no place to leave handiwork material from one meeting to another! From a practical standpoint and on a year around basis which would contribute most to the community — a swimming pool or finish the Boy Scout Club House project? Doesn't the American Legion sponsor Scouting?

CLUB SCHEDULES

MUSICAL STYLE SHOW MARCH 18
In a special meeting Monday night at Graham's banquet room, Abernathy Music club made plans for a Musical Style Show to be presented at 8 p. m. March 18, in the school auditorium. Models will wear Spring Styles from Wallace's and the Nanci-Lyn Shop in Abernathy.

ABERNATHY RIDING CLUB

The February meeting of Abernathy Riding club is to be held on Feb. 12th at 7:30 p. m. in the I. O. O. F. hall instead of the regular first Saturday night. Officers postponed the meeting one week because of the M. O. D. telethon over KDUB-TV.

The meeting will be in connection with a covered dish supper. Each family is to bring a covered dish.

White chaps with green trim have been selected by the group. Members may put their order in for them at Jack Davis Boot and Shoe shop in Lubbock. Members must be in full dress to ride with the group in any public appearances.

Any family of person over 21 years of age is invited to join the club.

NU-VUE OPERATOR

Kenneth Hildreth is the new projectionist at Nu-Vue theatre, Manager George Reed announced. Mr. and Mrs. Hildreth, who were married recently, moved here from Petersburg. They reside on West 9th Street in Abernathy.

Mr. and Mrs. Gid B. Adkisson, Sr., J. D. Adkisson, Gid B. Adkisson, Jr., Douglas Adkisson, and Mr. and Mrs. Steve Stapleton of Petersburg attended the funeral for Mrs. M. M. Miller at Arlington Wednesday of last week. Mrs. Miller was a sister of Mrs. Gid B. Adkisson, Sr.

Ed Riley Closes 57 Years In The Blacksmith Trade

Ed Riley, who has followed the blacksmith trade 57 years, announced Thursday that he had sold his shop on Main Street to Heron Peel, owner of Weld-Rite Welding Shop. Equipment and stock from the Riley shop will be moved to the Weld-Rite location on Avenue C at 10th St., Peel said. J. L. Irish owns the building which was occupied by the Riley shop.

Mr. Riley, who is 77 years of age, began his trade as a young man of 20, and has operated and worked in blacksmith shops at Paradise, Texas, Wellington and Plainview. He operated his Abernathy shop eight years.

Mr. Riley asked The Review to express his sincere appreciation to the people of this area for their patronage and friendship during the time he was in business here.

Mr. and Mrs. Riley are to visit with their children for a while going first to Amarillo.

Something To Think About

(Editor's Note: Orval Wallace, chamber of commerce president, Gayle West and Weldon Crow Thursday attended the annual West Texas Industrial Conference of the West Texas Chamber of Commerce in Abilene. Wallace and West named Crow to take notes on the meeting and make a report Tuesday night at the local c. of c. session at Graham's. We asked Crow to write a report of the Abilene meeting for The Review.)

(By Weldon Crow)

I was asked to write this article in my own words. So here goes. I don't want to hurt anyone's feeling in any way, but let me put it this way, if the shoe fits, wear it.

I think it is a privilege, a right, and a duty for each of us as a citizen to express our feelings and thoughts once in awhile.

Although some of these ideas are not all mine. A lot of them were gathered at the West Texas Chamber of Commerce meeting in Abilene last week. A lot of them are gathered from our neighboring communities. As I travel from one

Our recent sad loss leaves us with grateful hearts toward neighbors and friends. Their comforting expressions of sympathy and thoughtfulness will always be remembered. Howard Humphrey and Family.

Something To Think About

(Continued from page 1)

to the other to the tune of about thirty-five thousand miles a year, in Texas and New Mexico, part of Oklahoma, I am in constant contact with the leading business people of each little town, large town, every crossroad community in the country. These people are presidents of banks, large and small, ginners, butane dealers, blacksmiths, implement dealers, grocers, drygoods men, filling station operators, wholesale oil and gas dealers, funeral homes, hospitals, insurance companies, large and small, bakeries, and dry

cleaners, even radio stations; I could go on and on naming one after the other.

Sooner or later the conversation gets around to our towns, churches, schools, types of businesses, paving, utilities, types of city government, progress in building, types of building, (business or residential), opportunity for new business, labor situations, recreations, sports, and everything you can think of.

The above is said in order to say this. Are we all selling our town and community to the highest degree? I am. I know that we are not all out in these other places, but when you have an occasion to be out, don't tell people that you are from Lubbock, close to Lubbock, tell them you are from Abernathy. There is your cue to go to selling our community. If you are not sold on Abernathy yourself, you cannot sell anyone on the idea of coming here to live, or go into business. Each one of us is a salesman and a promoter of our own community.

In order to sell your community you have to have the proper things to attract people or business. We have a lot of attractions. We have schools, (the best in the state), utilities, some paving, railroads, trucklines and I think, plenty of water. But we are lacking in a lot of things, too. Our big problem, is housing for families to live, for business to locate, recreation and last but not least, our attitude toward other people coming in here.

A lot of us are satisfied with what we have. When an individual or a community is satisfied with what it has, there is no hope. They have finished and just don't know it. I hope I never get to the point where I or our company is satisfied with what we have and are doing. I think we, as business men and a community, should feel the same way.

We have a lot of room to expand in lots of ways, but do we want to? We had the opportunity a few years ago when the oil field was opened up, but the price of locations went higher than they could buy in other towns and communities, so they passed us up. A man came to my office the other day wanting to buy a location for a business. His first words were to keep this quiet until the deal is made or the price of the property will be too high to afford to buy. The same remarks can be heard any where in the country about Abernathy. Our community has that reputation. Pretty discouraging when a business man two hundred miles from here tells you that you are living in a controlled town. And that he doesn't want any part of it. That is our biggest obstacle to cross if we expect our community to grow.

Some of the thoughts to help our community to grow: proper planning, know what we want, how we want to grow, proper zoning, utilities, railroads, city government, schools, and last but not least, churches. According to the statisticians, the population of Texas is supposed to increase double within the next ten to fifteen years. Why don't we, as a community, start getting ready to increase right along with the state.

There are prospects all around us, even right in our own back yard, if we will just recognize them. Another thing, develop and improve what we have. All types of businesses are hunting places to locate and to expand their business. Why can't we locate them here? If we have what they want and need for operation of their business? Mostly because we don't want any competition or we don't want to accept an outsider.

Here are just a few facts and figures on some of the things that are grown in Texas, shipped out for processing and shipped back to us at about double the cost, if it were processed here: flour, 20 million; grain liquid form 160 million; insecticides 135 million; men and women clothing 450 million; leather goods 300 million; small hand tools 800 million. All of these figures are wholesale dollars. There are many other items.

There are opportunities galore if we will only plan, sell, and promote our community. Make it attractive to prospects by using what we have and the proper planning, and most of all selling ourselves to other people who would like to come here to make their home, and invest their money. Open new businesses. This means more people to do more buying with more money to spend, which will set off a chain reaction of increasing our business, with more money to buy the things we want.

This will make a better com-

munity, a better chamber of commerce better business, better cooperation among the business men, and the people of this community.

Here are some suggestions of my own that I think Abernathy needs, in order to help it grow: a small hospital and clinic, we have the doctors, recreation for our young people, swimming pool, youth center, skating rink, motel or hotel, parking zoning, build a building necessary to house the post office in the city park, let the city draw the revenue this would help the parking situation for the business people on post office street.

It would help eliminate the parking problem to postal patrons. Another thought, enlarge our sewer system, do some more paving, hiring a combination chamber of commerce and city manager. It will pay big dividends. There are many other ideas, maybe you have some.

BFD may not want to print all this, but I feel better getting it off my chest. Let us, as business people, chamber of commerce, and a community, start thinking of the future, planning for the

future. Let's just don't sit here, let's do something.

With this one thought we are in contact with over a thousand factories in the U. S. A. Canada, England, Japan, Germany, Hawaii and many other places. We are in the best position to sell Abernathy, and believe me, we are selling it way long. Our salesmen located all over Texas, parts of Oklahoma, New Mexico, Illinois, Colorado, Utah, and Arizona are selling Abernathy, too. Will you help us?

SCOUTS OBSERVE 45th BIRTHDAY

OFFICIAL BOY SCOUT WEEK POSTER

Boy Scout Week, Feb. 6 to 12, marking the 45th anniversary of the Boy Scouts of America, will be observed throughout the nation by more than 3,660,000 boys and adult leaders. Since 1910, more than 22,750,000 boys and men have been members.

"Building for a Better Tomorrow" is the birthday theme. Members of 95,000 Units, through demonstrations and exhibits, will dramatize the purpose of Scout-

ing and the rich heritage it has in this country.

Boy Scout Week marks the completion of the first year of the National Conservation Good Turn the organization has undertaken at the request of President Eisenhower. Units which have qualified will receive National Conservation Good Turn Certificates of Merit awarded jointly by the Secretaries of Agriculture and the Interior, Ezra Taft Benson and Douglas McKay, respectively.

Contractors Plan Construction Of 15 GI Homes Here

Building Contractors Cecil Hail and J. D. Ritchey are taking application for GI loans for a GI home building project in Abernathy, according to reports.

Hail and Ritchey just recently completed five new GI Homes in neighboring Hale Center, and plan to start a new project in Abernathy within the near future. The project calls for about 15 homes in the southwest part of Abernathy.

Hail lives in Abernathy and Ritchey lives in Hale Center.

Hail and Ritchey reported that 100 per cent GI loans are now available, and they pointed out that all veterans with honorable discharges are eligible for GI loans.

"There's no end to the number of GI home loans we can accept for Abernathy," the contractors continued. "The broker firm we represent has authorized us to accommodate all GIs interested in GI home loans, regardless of whether there is one application or a thousand."

"It is easy to secure GI homes now on good credit risks," they reported. "And eligible veterans with a good credit standing and an income of as much as \$200 per month has a good chance to secure a GI home loan."

Veterans in many small towns, including Abernathy, have missed the opportunity to secure GI homes due to the false assumption that small towns are not eligible for GI home loans. Veterans in small towns have just as good a chance to secure GI homes as veterans in the larger towns and cities.

"Many GI homes are being constructed in Dimmitt, Hereford, Olton and even Hale Center, and Abernathy is equally well qualified for GI home loans."

PHOTO CONTEST
2ND PLACE WINNER
IS PHIL GRIGGS

Phil Griggs

Only meager information was supplied by the photographer on pictures of children's photo contest winners published in The Review last week. The second place winner was Phil Griggs, the 4-year old son of Mrs. Mary Ann Griggs. He is a grandson of Mr. and Mrs. Fred Kveton. Phil's father was killed in an automobile accident over a year ago, and he and his mother are at home with the Kvetons. Phil experienced a thrill a week or two ago when he made a trip to Dallas in an airplane.

Mr. and Mrs. Edwin Crow visited her relatives in Graham last weekend.

E. R. Brownlow and Lamar McKenzie were in New Mexico on business last week.

Mrs. Bill Parsley and sons of Austin are visiting her mother, Mrs. N. C. Hix.

Mr. and Mrs. M. M. Holbert were here Monday on business. Former Abernathians, they are moving from Bronco, N. M., to a farm owned by J. P. Nystel, 2 miles west and 7 miles north of Tokio, Texas.

Dewey Price of Friona was here Monday.

Mr. and Mrs. Ray Willis visited in Wichita Falls and Quanah last weekend.

Bill Thomas of Plainview was here Monday.

tendents for the various divisions of the 1955 South Plains Junior Fat Stock Show have been announced by John Key, general chairman for the area-wide event.

General superintendent for this 22nd annual show will be Dave Sherrill, Lubbock. Assistant general superintendent is L. M. Hargrave, Lubbock.

W. B. Griffin, Tahoka, will be in charge of the Fat Steer Division, while Slemmon L. Montgomery, Lamesa, will be the assistant.

In the Fat Barrow Division, Ollie Liner, Plainview, will be superintendent. Two assistants will be Lee Roy Colgan, Lamesa, and W. W. Gregory, Spur.

The Fat Lamb Division will have Thomas Neely, Lubbock, as superintendent, with Walter Meyer, Brownfield, as assistant.

Show officials have also an-

nounced that in the Borrow Division the pens of three will be eliminated from this year's program. The division will have three weight classes instead of the usual two, Liner said. The classes will be: light weight, 180-205 pounds; medium weight, 206-230 pounds; and heavy weight, 231-260 pounds.

The show will be staged March 14-16 at the Panhandle South Plains Fair Grounds, under the joint sponsorship of the Lubbock Chamber of Commerce and Panhandle South Plains Fair Association.

Last year's program attracted 4-H and FFA boys from 24 counties in West Texas and Eastern New Mexico. A near-record 976 animals were entered. These include 133 steers, 531 barrows and 312 lambs.

"Ya dope! Why didn't you pick an OK Used Car for the getaway?"

If you like quick — but legal! — getaways, you'll go for OK Used Cars. They deliver top performance because they're thoroughly inspected and scientifically reconditioned. And that reconditioning covers performance, appearance, safety and values! Best of all, the OK Tag means warranted in writing at no extra cost.
