Thrills, Chills To Mark Fly-In

A day of thrills, chills and excitement is in the making as plans and preparations for the Fourth of July Fly-In are nearing completion, Coordinator Mac Morris announced Tuesday.

Fly-In activities are scheduled to begin at 7 a.m when a pipping hot breakfast will be served to pilots who fly-in for free until 10 a.m.

The public is invited to share breakfast at a cost of $2.50 for adults and $1.50 for children under 12-years-of-age.

Succulent bacon, eggs, toast, jelly and coffee will be served. Bobby Lemons, Don Banta and B.B. Hardee will be in charge of the feed and weilding the spatulas.

An entrance fee will be charged at the gate. The fee will be $2.50 per person or $5 a car load.

Aircraft are expected to come from all parts of the state and prizes will include one for the pilot flying the farthest distance to attend the fly-in.

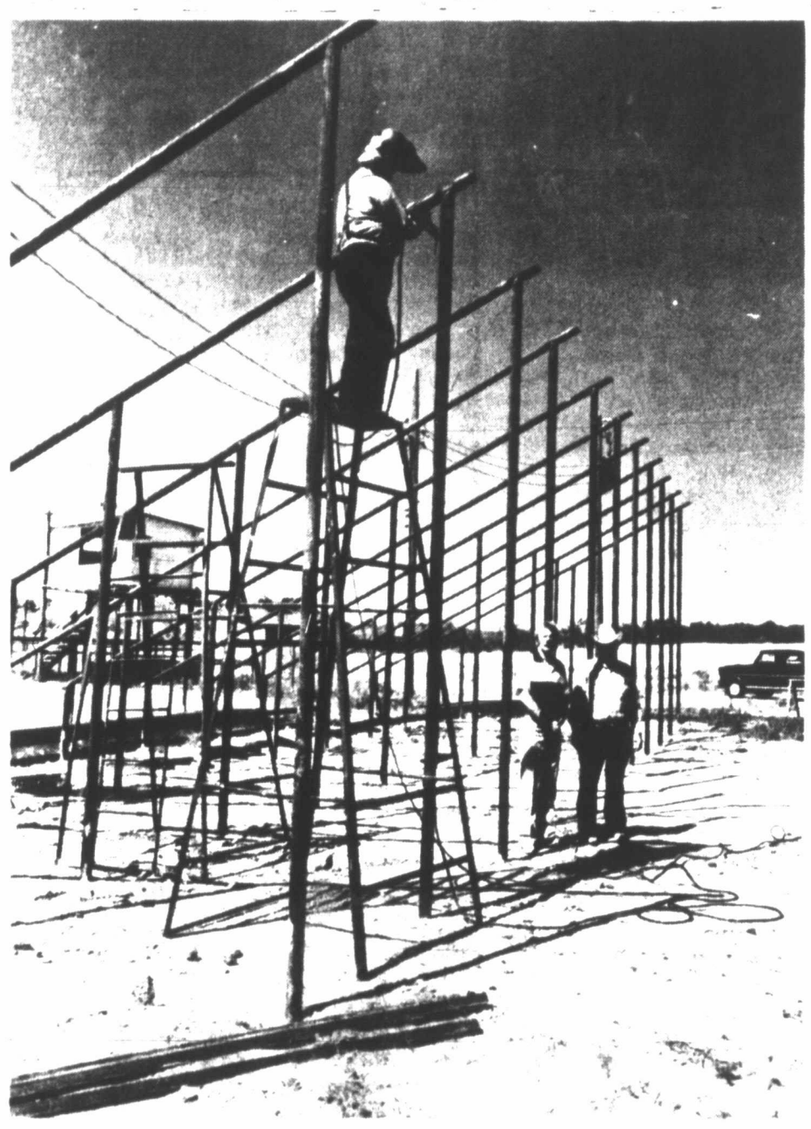

Other prizes offered will include trophies for the most unique aircraft; spot landing contest winner; flour bombing contest winner; oldest aircraft; youngest pilot and oldest pilot.

A C-130 from Dyess Air Force Base is scheduled to fly-in at 8 a.m. Tours will be given throughout the day through this huge plane.

At 9 a.m., 10 a.m. and 11 a.m., parachutists from the "Key City Sky-divers Club" of Abilene will present free-fall shows.

Between 1-2 p.m., the airport will be closed and Van White, of Lubbock, flying an aerobatic "Chip Monk" aircraft; Doug Warren, of Big Spring, flying a modified "Pitts" aircraft and Buzzy Hurt, of Odessa, flying a "Christianson Eagle" aerobatic aircraft will thrill audiences with their

RODEO ARENA RENOVATION and Construction continue as new bleachers near completion. This Colorado City Area Chamber of Commerce project is scheduled for completion by July 23 when the American Junior Rodeo will be held here. Danny Dooley, welder, puts finishing touches to a section of pipe as Chamber Director Brad Rose and Hiram Mann, who are overseeing the project, discuss the progress being made.

Spanish Bands To Add Spice To "Fiesta Day"

The Chamber Merchants' Committee met in regular session Tuesday.

They decided to solicit donations from merchants for sponsoring "Fiesta Day" festivities.

They will request $30 for sponsoring three bands including a large dance group of Spanish strolling musicians who will play throughout the downtown area and a Lubbock group that will play Spanish music on the "Fiesta" block. Doyle Mitchell's group, "Magic," and Fred Crawford will also be featured during the affair.

The committee discussed several different food booths as well as speciality booths to be available during the festivities.

Radio Station KVMC will be on hand to cover the jailing of prisoners who are without beards and western attire and will also broadcast live from 6 p.m.-8:45 p.m. on the "Fiesta Day" block.

Merchants' Committee members will also offer, as a part of the $30 package to merchants, C.C. Dollars and a spot on the merchants' map.

Merchants' donations will cover the cost of printing as well as "Fiesta Day" celebration expenses.

The location of any participating merchant will be included on the maps to be distributed at the state park on July 4 and in the merchants' packet.

The committee will also investigate the possibility of merchants remaining open until 8 p.m. "Fiesta Day."

The rodeo parade was discussed during the meeting. The fact that no band is currently available to perform in the parade was reported by Chamber Manager Starr Greenblatt.

She said school bands were not available because there is no band master until August and Bob Newman, Middle School band director, is

LUCKY FISHERMEN may now use the Lake Champion boat ramp which was recently constructed by Colorado City under the authority of Texas Parks and Wildlife. Recent rains increased Lake Champion's water level by about three feet covering, for the first time, the lower portion of the ramp and giving boaters direct access to lake waters.

Range Conditions Improve With Rain

Saturday evening's rains brought much needed moisture to Mitchell County pasture lands.

Previous rains had caused the rangeland grass to spring up, sappy and spindly and very susceptible to the burning rays of the scorching Texas sun, according to Agriculture Stabilization and Conservation Director Don Stewart.

This rain will help some rangeland to have more underground moisture and assist grazing grasses to endure the hot summer winds, he said.

The County Committee met in the ASCS Office Tuesday and voted to discontinue the current emergency supplemental feed program June 30.

Producers are reminded to take feed receipts to the ASCS Office within 30 days after the end of the feeding period (May 1-June 30) in order to receif funding.

Any producer suffering a 40 per cent loss of grazing is eligible to participate in the program.

Cotton producers have until August 1 to certify planted acres with the ASCS Office.

This certification can be changed anytime prior to spot checking by the ASCS Office, Stewart said.

In the event of a disaster, producers are reminded to contact ASCS to submit a claim.

Stewart noted the county is experiencing all phases of planting to date.

"Some crops are well up and some producers were just beginning to plant this week," Stewart said.

He said county-wide, conditions don't look quite as good as they did at this time last year due to the lack of underground moisture.

Cotton planted now is marginal, although some cotton was planted as late as June 25 last year and made a bale to the acre, Stewart said.

Rains affected sports-fishermen in the county too.

Although Lake Colorado City did not catch a measurable amount of water from the rains, Lake Champion caught almost three feet of water.

According to Texas Electric Power Plant reports, on June 17 Lake Champion stood at 2040.45 feet above sea level. After Saturday's rains, Champion stood at 2043.40 feet above sea level.

This brought the water level up enough to allow boats to be launched from the new boat ramp.

Queen Candidates For Rodeo Contest Sought

The Colorado City Area Chamber of Commerce is in a flurry of activity this month, Chamber Manager Starr Greenblatt reported.

"We still have a number of student applications for summer work. Any business needing part or full time help or any person desiring to hire someone for anything from yard work to clerical help may contact the chamber for the information," Ms. Greenblatt said.

Preparations are underway for the Annual Fourth of July Fly-In being coordinated by Mac Morris.

Preparations are also being made for the Annual American Junior Rodeo to be held nightly from July 23-26.

The Business and Professional Women's organization will sponsor a Rodeo Queen's Contest. Local clubs and organizations will sponsor girls for the title.

Contestants must be no younger than 12-years-of-age and no older than 18-years-of-age as of July 23.

From the contestants, a queen and one runner-up will be chosen. The criteria for judging is 50 per cent ticket sales; 20 per cent personality; 20 per cent showmanship and 10 per cent appearance.

Prizes will be $100 to the Queen and $50 to the first runner-up.

July 1 is the deadline for entering the contest.

Any girl interested in entering the contest is encouraged to contact the Chamber office at 728-3403 or Margaret Ann Conaway at 644-3771.

Preparations are in full swing for Fiesta Day, July 22.

Men participating in the day's festivities will be expected to grow a beard and a contest will be held on that evening to judge the best beard.

Permits are now on sale, and will be available until 5 p.m. July 21, for men not wishing to grow a beard.

Men not displaying a permit or a beard on July 22 will be fined and/or placed in a jail, centrally located downtown.

"This is all being done in a spirit of good will and fun. Anyone not wishing to participate will not be subjected to the fine or jailing," Ms. Greenblatt said.

Permits are available from any chamber director or at the chamber office.

Women will be expected to wear western attire during this period. Ladies not wishing to dress western may also purchase a permit.

Permits will sell for $2.50. Fines will be $5 or 15 minutes in jail.

Renovations on the rodeo arena are progressing rapidly, Ms. Greenblatt said.

Bleachers are being constructed this week and bucking chutes have just arrived.

Tickets for a drawing on a quarter horse registered colt will go on

Mitchell County Hospital District Contracts With Two New Physicians

Mitchell County Hospital District Board signed a contract with Honeywell Company for service on air conditioning and heating units through the hospital at a rate of $2,328 a month during their regular meeting Tuesday.

Honeywell previously provided only labor for preventative maintenance on the 15 units involved in the new contract while the hospital provided parts.

Under the new contract, Honeywell will have complete responsibility for these 15 units (about 65 tons of air conditioning).

This contract was computed after much consideration on the part of the board.

After a month of deliberation and negotiation with Honeywell, in which Honeywell demonstrated a new preventative maintenance program, the board entered into the contract.

During the financial report, Business Manager George Witten reported recession has played a part in increasing the bad debt factor for the hospital budget from six per cent to 10 per cent.

Two new doctors, previously agreed on by the board, were appointed to the hospital staff effective August 1.

William Reily Jones, 29, from Mt. Clements, Mi., was appointed.

Dr. Jones attended U.T. at Arlington from 1969-74 and graduated with a B.S. in Biology. He attended Texas College of Osteopathic Medicine from 1975-79 to obtain a D.O. He served his internship in Mt. Clemens General Hospital.

Dr. George C. Lindsey, 30, of San Antonio, was appointed. Dr. Lindsey attended Texas A&M and attained a B.S. in 1971. He attended Texas College of Osteopathic Medicine to attain his D.O. in 1977. Dr. Lindsey served his internship in Fort Worth Osteopathic Hospital in 1977-78 and in the Family Practice Residency Program with the University of Texas Health Science Center in San Antonio from 1978-80.

In other business, the board increased travel pay for certain events for hospital employees from 15 cents a mile to 20 cents a mile and lodging reimbursement from $18 to $27.50 a night.

Administrator Charles Root reported the Root Valley Fair Lodge was inspected by state officials this month and no deficiencies were reported and a superior rating was received.

The board voted to accept bids on an ultrasonic-diagonistic skanner.

The estimated cost of the machine is about $12,500 plus $6,000 for additional equipment.

The board requested the Screening Committee proceed with hiring a new administrator for Root Lodge.

LOAN, From Page 1

are no funds available at the present time in these categories.

Economic emergency operating loans are at 11.5 per cent and real estate purpose loans are at 11 per cent.

Emergency disaster loans are at 13.5 per cent and Subtitle (Real Estate) A loans are at 12.5 per cent. Subtitle B (Production) loans are at 13.5 per cent.

Low to moderate housing loans are down from 13 per cent to 11.5 per cent and multi-family (apartment) loans are now at 10.75 per cent.

"These programs are available to anyone who has been refused private credit," Marion said.

"We are experiencing funding problems in the current fiscal year, however, we are anticipating additional funds in the future," he said.

PLAY, From Page 1

Here will be the opportunity for the kids to get up on stage and try some acting and dramatic fun.

The show will include such stories as "The Three Wishes," "Gustaf," "The Tale of the Mouse," "The Tiny Little Woman," "The Kangaroo and the Ostrich," "The Needle," and many more.

The cast includes four boys and four girls. The boys are Ron Bennett, a student at Permian High; Jack Harding, student at Bonham Junior High; Michael Trichell, a Nimitz Junior High student and Mike Thompson, who attends Bowie High School.

The girls are Betty Moore, from Bonham Junior High and Shelly Nichols, Pamela Smith and Liz White, all students at Permian High.

All reservations must be guaranteed due to the limited number of seats.

still recuperating from illness.

It was suggested Ms. Greenblatt contact the drum major to try to locate enough band members to perform in the parade.

Ms. Greenblatt said the Army band was not available free because Colorado City is located outside the Army's community target area. They would participate for a fee of $1,700.

Ms. Greenblatt said she had talked to the persons at the Pentagon and to Representative Charles Stenholm and they were still working on obtaining the band but she believed the chamber could not afford to pay for the band.

Thrilling plane rides will be offered by local pilots for $5 per person throughout the day's events.

A free drawing every hour will be held for the grand prize of a free airplane ride.

Mike Humphrey, of the Sonic Drive-In, will handle the food concession and a Coke trailer will also be available.

The spot landing contest will begin at 2 p.m. and the flour bombing contest will begin at 3 p.m.

The CB Mounted Patrol will assist in traffic control and direct parking.

Mac and Joy Morris and Carl Beery Moore are coordinating the affair.

Donna Joy Nelson And Douglas Bradbury Are United In Double Ring Ceremony On June 7th

Donna Joy Nelson and Douglas Ray Bradbury exchanged wedding vows during an evening double ring ceremony with Rev. Harold Britton officiating in the Trinity Baptist Church, in Post, June 7.

The bride's parents are Mr. and Mrs. Doyle Nelson, of Post, and parents of the groom are Mr. and Mrs. James O. Bradbury. Grandparents of the groom are Mr. and Mrs. O.N. Bradbury, of Colorado City, and Leonard Adams, of Houston.

The couple exchanged vows under an archway decorated with greenery and baby's breath at the 7 p.m. ceremony.

Given in marriage by her father, the bride wore a white satin wedding gown with a gathered waist, accented with a lace belt. The bodice, with a lace ruffle, had a lace over satin yoke and long sheer lace sleeves. The skirt, with its wide lace ruffle, was accented with lace flowers. Her fingertip veil of matching lace was accented with white silk daisies. The gown was made by the bride's sister.

The bride carried a cascade of white silk roses, highlighted by a bow, with long streamers with her grandmother's rings attached to the ends with love knots.

The bride carried out the traditional something old, something new, something borrowed and something blue.

Mrs. David Bradbury, sister of the bride, was the matron of honor and Charlotte Bradbury, sister of the groom, was the bridesmaid. They were attired in matching gowns of yellow satin and each carried a small bouquet of white silk daisies with yellow bows and streamers.

Serving as best man was James Bradbury, brother of the groom. David Bradbury, cousin of the groom, was the groomsman. They wore matching tuxedos.

Georgie Wilson played wedding selections.

A reception followed the ceremony. The wedding cake was a three tiered white cake accented with daisies. On the top was a crystal stand, featuring a lighted tiered fountain with flowing mint green water. A bride and groom set with white doves complimented the cake with daisy accents. The cake was made by Sherrell Wilson, uncle of the bride.

Green and yellow mints and punch were also served from the white overlayed table, featuring an opened white lace wedding fan on a stand between two brass candelabra holding yellow candles.

Guests attending were from Colorado City, Slaton, Lubbock, Abernathy, Idaho; San Angelo, Arlington and Guthrie.

Following the honeymoon, the couple will reside in Abilene.

The bride is a 1980 graduate of Post High School and the groom is a 1977 graduate of Colorado High School. He is presently employed at Chaparrel Airlines, in Abilene.

Juneteenth Celebrated

Juneteenth, Emancipation Day, was celebrated by several persons at the old Wallace Center June 18.

The pastor of the Mt. Zion Baptist Church, R.C. Hamilton, was the guest speaker during the day of festivities.

Preparation went underway the night before while mesquite fired barbeque pits were cooking beef brisket, hot links, chicken and ribs, which were served during Juneteenth Day.

After the evening games, those attending went to Hertenberger Field to cheer the Mt. Zion Church League team.

The day concluded with a dance at the old Wallace Center.

This is the first time in about 20 years that Juneteenth has been celebrated in Colorado City. One comment was that "Juneteenth was back to stay."

Below is a poem written by Brenda Belvin, of Colorado City.

Black Is Beautiful

To me, being Black is very beautiful–but, as we all know, in order to beautify, efforts must be put forth. I feel we have made efforts by keeping the idea: "If I want to be something, I should put something into action in order to pursue certain goals." Often, when younger Blacks see in movies how our ancestors were treated, the instant reaction is "I wouldn't have taken that" or "If that was me, I would be dead, but one of THEM would have gone with me," but this attiude is not the one to take. We can only be thankful that those things are in the past and these obstacles are over and done with. It seems Blacks use the words "thankful," "God" and "pray" quite often, but I'm very much aware of the fact somebody prayed and someone used the words "Oh Lord, have mercy!" quite frequently. Today, as well as long ago, these words are used. Throughout recent experiences, I've inserted certain words in my vocabulary which describe my intentions and they are:

I must
I shall
I will
reach my destination
The sky is the limit.
I shall
I must
I will....
succeed.

–Brenda Belvin

Daugherty Will Be Guest Speaker

The Director of Chaplaincy Services for Methodist Hospital, in Lubbock, Rev. Thomas W. Daugherty, will be the guest speaker for the fifth Sunday Mission Interpretation Event at First United Methodist Church Sunday at 10:50 a.m.

Rev. Daugherty has been head Chaplain at Methodist Hospital since June, 1974 and presently supervises two additional chaplains on his staff. Together they minister to both patients and staff in the 549-bed facility, at the minimum seeing each patient upon admission and prior to any kind of surgery. In addition to visits, counseling and crisis intervention, the chaplains provide regular worship for the hospital in Bickley Memorial Chapel and through closed-circuit television.

Rev. Daugherty

A native of Louisiana, Daugherty did his undergraduate work at Louisiana Tech and then completed a Master's Degree in Pastoral Care and Counseling at Brite Divinity School, T.C.U. in 1977. He came to Methodist, in Lubbock, from Parkland Hospital, Dallas, where he had been Assistant Chaplain Supervisor. He lives with his wife, Lynda, and daughter, Donna Lyn, in Lubbock.

Daugherty is expected Sunday to speak on the role which the church should play in ministry within the health-care field, and also to interpret use of United Methodist money to support the chaplaincy program at the hospital and to provide for Golden Cross, a helping fund for needy patients. A covered dish luncheon will follow morning worship and the entire community is invited to participate.

GA Girls Meet In Westbrook Home For Special Day Camp Recently

On June 13 there was a Day Camp for the GA girls of the Westbrook Baptist Church in the home of Mrs. Floyd Rice.

All activities were held in a tent outside. Each girl received a butterfly name tag upon arrival. Pledges to the American and Christian flags were also recited.

Debbie King, GA helper, read the scripture from the Bible, I John 4:10-11. Lynn Dawson, also a helper, read about the missionary, Mrs. Maurice Randall in Zimbabive, Rhodesia.

The girls then joined hands in a chain of prayer. The helpers then used puppets to tell stories from the Bible and sang songs.

Refreshments of punch and cookies were served.

The girls decorated wooden spoons with bird seed, miniature animals and ribbon as a craft to take home.

The group then walked to the church for a visit with the pastor, Bro. Bob Manning. He showed slides of trips to the El Paso area where young people of the church were missionaries in a Vacation Bible School there.

He then showed slides of Rhodesia where he had gone and held revivals. Later the group returned to the house for lunch, which included hot dogs, chips and dips and punch.

Each girl was given a balloon with a Bible story on it and a certificate for attending the Day Camp.

Attending were GA girls Lisa Putman, Sherry Putman, Judy Lynn French, Jeran Ware, visitors; Sharla Currie, of Odessa, and Darla Pruitt, of Snyder, and the leaders, Mrs. Rice, Ms. King and Ms. Dawson.

Sports Action

Farm League Play continued last Saturday with the Blue Sox playing down to the wire with the Colts. The Blue Sox barely managed a one point victory over the Colts 16-15. In the other game played Saturday the Lions bested the Colts 6-3. The Steers and the Mets were scheduled to play but the game was called because of rain.

The entire Freshman League received a pleasant surprise Monday when the Astros won their first game since the end of the baseball season last year.

It was a pleasant surprise for everyone but the Pirates that is.

Carpet Shop & Decorator Center

The rejuvenated Astros team put an end to all the expectations that they wouldn't win a game this season by easing past the heartbroken Pirates 24-23. After the game the team was taken to the Pizza Hut for a big rewarding supper, according to Jerry Cowin. There were no other games played.

xxx

In Junior Teenage League play Monday the Lions breezed past the White Sox with Little or no effort 22-0. In the other game the Colts beat the Braves by a substantial margin 15-7.

xxx

Jim Petty and Pete Parham led off Monday's play in Church League Softball in an explosion of offensive fire power which helped First Baptist B to a 20-0 rout over the winless Loraine Catholic.

Petty put on a spectacular performance going four for four, including three home runs and a triple. Parham contributed with a home run of his own.

Methodist B took a 15-4 decision from First Baptist A with help from Randy Anderson's inside the park home run.

In other games played Monday, Calvary Baptist A just barely got by St. Ann's A, 11-10 with the help of Rodney Blankenships stand-up triple and double.

Church of Christ B was definitely destined for victory when they took to the field against Calvary B as they tripped up the Calvary team 14-3.

The unbeaten powerhouse Church of Christ A did their usual damage Monday pounding the "Outlaws" of St. Luke 16-3.

Baptist Mission put one more victory under their belt when they easily downed St. Ann's B 10-1.

xxx

In Tuesday's play, Jim Petty singled and Pete Parham hit a line drive homer over the center field fence. Ricky Lucas didn't waste any time in getting his point across as he dropped a ball into deep right center field. Bill Jordan got the same results, but in a different part of the field and bingo. First Baptist B led Mt. Zion Baptist 6-1 after one inning.

Larry Johnson, Shack Jackson and Nolan Russell all made it on base safely loading the bases for Frank Dunn. Dunn responsded with a grand slam home run over the center field fence.

It was no longer 6-1, it was now all tied at six in the third.

Rock Smith was first up for Mt. Zion in the top of the fourth and he put a long fly ball into deep left center field for a double. Pete Bailey then went to the plate and came out with a double to safely knock in Smith. Nolan Russell then tripled to bring home Bailey and Shack Jackson singled to bring in Russell and Mt. Zion led at that point 9-6.

The Rejects tied it an nine in the bottom half of the seventh and regulation time. .

The game went to extra innings with Cecil Johnson getting an infield homer to break the tie. Doug Johson hit one over the left center field fence and Mt. Zion led 11-9.

The Rejects came back with one run but couldn't manage any more and Mt. Zion took the hard fought victory 11-10.

In other games played Tuesday, Loraine Catholic fell to Methodist B 11-6.

The Mt. Zion women couldn't handle the women from Calvary and Mt. Zion lost 20-8.

Westbrook dropped another one to First Baptist A 15-1. St. Ann's women trounced Loraine 18-10.

Tax Appraisal District Approves Appraisers

Mitchell County Tax Appraisal District agreed to contract with Southewestern Appraisal District Company, Inc., during a called meeting Tuesday evening.

The tax law, under which the Appraisal District was formed, requires all property be appraised at 100 per cent of market value.

This law will require all property in Mitchell County to be reappraised.

In order to accomplish this by the required date, the services of appraisal companies are required, according to Appraisal District Chairman Curtis Latimer.

Southwestern proposed to do the work for $16 a parcel and the Appraisal District Board accepted.

They will also be available at the gate.

"When all renovations are completed at the arena, the chamber will hold a community painting party to complete the project," Ms. Greenblatt said.

A rodeo parade is schedule for July 26 at 3 p.m. Sheriff Bill McGuire is parade director and Dell Barber will be parade marshall.

Groups, clubs, organizations and individuals are invited to enter floats in the parade.

Prizes will be presented for five places with first prize being $500; second, $300; third, $150; fourth, $50 and fifth, $25.

"This is a great way for merchants and organizations to advertise their groups," Ms. Greenblatt commented.

Contestants planning to enter a float in the parade should contact the chamber office.

Theme of the parade is "Frontier Day's Celebration."

Members of the B&PW will hold a barb-que from 5 p.m.-7 p.m. at the previous location of Donut Alley, on July 26 in conjunction with rodeo festivities.

Price of the meal is $3.75 and the public is invited to attend.

Members of the Merchants' Committee will request permission to place merchant's maps at the state park entrance to be distributed on July 4.

The committee supplied merchants' packets for the Annual 25'ers Golf Tournament last week.

These packets contained information about Colorado City and advertisements from local businesses, information on upcoming events, coupons and discount offers.

These packets will be distributed to any local group holding a seminar or any group coming into town for a function.

Any business or group wishing to place items in the packet may contact the chamber office.

Any items on hand may be brought to the chamber to be used in the packets when needed.

The packets are plastic litter bags for use in an automobile and were furnished by Soil Conservation Service.

Ambassadors hosted a ribbon cutting Wednesday for Pete Myers' Rentals, a new business located at 299 Elm.

They are to host another ribbon cutting for Sugar and Spice Day Care Center located at 435 East 11th on July 2.

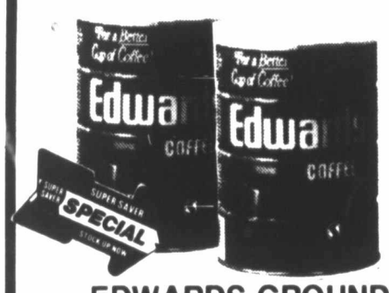

Ambassadors will hold their regular meeting at Noon July 7 in the Villa Restaurant.

This group will also help supply personnel for assistance at the fly-in.

The Yard of the Month will be designated Tuesday and a plaque will be presented to the lucky winner.

Sally Sparks & Mickey Neff United In Morning Ceremony

In a garden setting at the home of the bride's parents, Miss Sally Daun Sparks and Mickey Tom Neff exchanged double ring wedding vows Saturday at 9:30 a.m. Judge Austin McCloud, of Eastland, performed the ceremony.

Parents of the couple are Mr. and Mrs. Ben Sparks and Mr. and Mrs. Tom Neff. Grandparents of the bride are Mr. and Mrs. Dan Trigg, of Breckenridge, and Judge Frank Sparks, of Eastland. Pat Neff is the groom's grandfather.

Mrs. James Payne, organist, played special wedding music during the ceremony.

Given in marriage by her father, the bride wore an off the shoulder, white cotton, hand-tucked bridal gown. The ruffled capelet and flounced hemline were accented with white satin ribbon and hand embroidered lace. For something borrowed, she wore a string of pearls belonging to her maternal grandmother, Mrs. Dan Trigg.

Miss Mary Margaret Sparks, of Birmingham, Ala., sister of the bride, was maid of honor. Other bridal attendants were Mrs. Sharon McCloud Burgher, of Oxford, Miss., and Miss Jane Ann Burt, of Lubbock.

Their gowns were of yellow tucked cotton, featuring fitted bodices and ruffled flounces touched with eyelet embroidered lace. They carried a single yellow rose tied with yellow satin ribbon and accented with gypsophelia.

Ringbearer was Jeff Neff, brother of the groom.

Hor d'oeuvres were served from yellow draped tables in the garden. The groom's table featured selections of cheeses and fresh fruit.

J. M. Templeton Is Honored

J.M. Templeton was honored with a "This Is Your Life" story when the Loraine Senior Citizens' Club, Inc., held their regular business and program Tuesday evening, June 17.

Rudy Baumann, president, presided over the business meeting after the nutritional meal. Minutes were read and the treasurer's report was given.

Willie and Corina Taylor had planned the program for the evening and were Masters of Ceremonies. The program was planned at first for "Roast J.M." but most of the speakers brought out the good and the story turned out to be a "This Is Your Life." It began with Mrs. K.L. Taylor telling when he was born to John and Bell Templeton. Mrs. Taylor's family, the late C.M. Thompsons and the Templeton family arrived in Loraine and were neighbors in 1906. Fern Coon told about J.M.'s school days and Glen Coon continued this story about how his wife, Ovada, was indeed a help mate during their struggle in the lean years, but managed to give their three daughters a college education. They all became teachers. Leonard Coldewey told when he married Ovada Crouch, how they struggled on the farm, milked cows, raised chickens, etc., and Roy Wells told how J.M. worked long hours at the gin getting a dollar an hour and some times was ready to give up his hard job, but no, those three girls must stay in school.

Syble Walker said he could have been nominated for a "good neighbor" award, for his always being on hand to help her and Wiley during Wiley's long illness. In speaking for the Loraine Senior Citizens' Bernice Hallmark said Jim was always on hand when work was to be done at the Center, such as painting, renovation, etc.

Willie and Corina announced speakers and filled in with their observation of Jim's life and Mrs. Floyd Coffee predicted "What is ahead for Jim," and closed with Mrs. Taylor reading the poem "The House Beside The Road."

On being kidded about how he had captured such a beautiful charming lady as Avada, in his response, J.M. said, "I haven't always been fat and ugly, 50 years ago I was quite a dude."

There was a full house to hear the discussion about Jim. Their three daughters and their husbands, Mr. and Mrs. Charles Bowen, of Abernathy, Mr. and Mrs. Jimmy Smith, of Roscoe, and Mr. and Mrs. W.F. Martin, of Big Spring, along with six of their nine grandchildren were present and took pictures and recordings of the evening's program.

In McMurry he has been a member of the Chanters Concert Choir, Morning Star School Group, has headed the singing group "Spirit of Truth," a group who in the past two years sang in the five annual conferences. He will enroll for the second summer term at McMurry July 8 and, after receiving his degree in May, plans to continue studies in the Seminary.

Mrs. Fry is a graduate of Southwest Texas State University, in San Marcos. She is employed by Texas Department of Human Resources Taylor County Child Welfare Office where she is Foster Home Developer for Taylor County.

On June 8, the Frys' first Sunday here, the church hosted a reception and an old fashioned "pounding" in the fellowship hall after the service. The First Baptist Church had turned out their services and came over to visit in their evening's service and to welcome the new pastor.

Today about ½ half your electricity is made from lignite coal.

And a good thing, too, because our biggest contract for low-cost natural gas (which we also use to make your electricity) expires this year.

This contract has been in effect for almost 20 years. It's helped us keep the cost of electricity lower here than in many other parts of the country.

Next year when we have to start paying much more for natural gas, electricity is going to cost more. There's no way around it.

But your bill won't be as high as it would be if we weren't making about half your electricity with economical, abundant lignite coal from Texas.

Season Nears End

Tomorrow (Friday) night will be the final night of regular season activities for the local United Girls' Softball Association League with two games scheduled, followed by award ceremonies.

During the award ceremonies, scheduled for 9:30 p.m., each girl who participated in the program will receive recognition and all-stars will be named from each division.

The all-star team from each division will represent Colorado City in the West Texas All-Star UGSA tournament to be held here July 17, 18 and 19.

Other teams participating in the tournament will be Sweetwater, Andrews and Merkel-Trent. There will be games in three divisions with Division I (girls ages 8-10) using the Little League field; Division II (girls ages 11-13) using the girls' softball field and Division III (girls ages 14-16) using Hertenberger Field.

After the all-star teams are announced Friday night, homemade ice cream, cake and cookies will be served to all the girls, managers, coaches and their parents.

Local UGSA President Mac McKinnon expressed his appreciation to everyone who helped make the season such a success.
