United Fund Being Planned

For the first time in several years, a United Fund campaign is being planned for the Rockport area.

With the Chamber of Commerce spearheading the organization, a general chairman, a steering committee and a board of directors already have been appointed.

The general chairman is Mrs. Ruby Hart. Members of the steering committee are Dr. Homer F. Elliot, chairman, Rev. Ben Bohmfalk and Joe Bush.

Members of the board of directors are Bush, James H. Sorenson, Jr., Dr. Elliot, J. D. Gray, Mrs. Virginia Shivers, Bob Eschberger, Ed Harper, Dick Weekley, R. L. Eckman, John E. Ross, Mrs. Hart and John R. Kinsey.

As in the past, the organization is being contacted to find out: 1) If it wishes to participate in the United Fund campaign, and 2) what are budgetary needs for the coming year.

So far, the exact date of the campaign has not been set, nor has the goal.

These and other matters will be discussed by the board of directors at a luncheon meeting in the Sandollar Restaurant Friday noon, Sept. 23.

Warning Issued On Damage to Mailboxes

Malicious damage and pilfer of mailboxes has recently occurred to mailboxes in the Rockport area. On one occasion boxes were pulled or knocked off the posts and left along the highway.

The mailboxes are under the protection of the United States Post Office Department and tampering with or intentional damaging of any mailbox is a Federal offense punishable by a fine of up to $1,000.00, or imprisonment up to three years, or both. Footprints, tire tracts, and other evidence obtainable make the probability of being apprehended and indicted a risky and dangerous method of defying the law.

Postmaster Rowan requests that any person who sees or knows of any malicious damage or tampering with mailboxes in the city or on the Star route, report the incident immediately. Destruction of mailboxes is expensive to the postal patron because of replacement costs and the fact that mail cannot be delivered if the box is out of service.

Investigation of such vandalism is time consuming and also expensive to the taxpayer, and therefore it is the duty of every citizen to realize the importance of the protection of the mails.

Rattlesnake Victim Reported Recovering

Kenneth Holloway, 39, of Corpus Christi, who owns a summer home at Holiday Beach, is recovering from a rattlesnake bite at Spohn Hospital.

He was bitten last Saturday while cutting the lawn at his summer place. As he was pushing the mower he felt something on his foot which turned out to be a small rattler.

Holloway shook the snake loose from his foot and killed it but not before being bitten on the foot. Treated by a local physician who administered Antivenin, Holloway was reported in good condition.

Youth Seriously Injured In Fall From Motorcycle

David W. Waggoner, 18, is in serious condition at Memorial Medical Center, Corpus Christi, with head injury and possible skull fracture after falling from his motorcycle.

The accident happened Saturday morning when Waggoner's motorcycle struck a concrete divider at the intersection of Highway 35 and Business 35 just north of the Chamber of Commerce building.

Chief of Police Bob Hewes said that after Waggoner's motorcycle hit the divider, the vehicle skidded 130 feet with the youth thrown from it during the skid.

Waggoner, a Marine, is home on leave to visit his parents, Mr. and Mrs. Charles Waggoner.

In another accident at Austin and Liberty, cars driven by Glenda Williams of Rockport and Frank Hooper of Houston collided. No one was injured, but damage estimated at $175 resulted. Sheriff Joe Earl Hunt investigated. Miss Williams received a ticket for running a stop sign.

Three DWI Cases Are Disposed Of

Howard Avanat, represented by Miss Bonner, waived trial by jury, pleaded guilty and was placed on probation for two years.

Eddie Erler, represented by Attorney Ed Williams, was tried by a jury. Found guilty, he was fined $300 and court cost and sentenced to one year in jail, with the imprisonment to be probated if the fine and court costs are paid.

The jurors were H. H. Dick, Prentice Owens, Jerry W. Iles, Ernest W. Jones, Jean Rozzell, Floyd Smith, Mrs. J. W. Ingersoll, L. W. Tuer, Robert G. Little, Kay Bergel, Mrs. Harry Mills and Homer Faber.

The bag limit is 12 a day and 24 in possession after opening day. Shooting hours are from noon to sunset.

Conservation District Water Plan Supported By Regional Group

The Coastal Bend Regional Planning Commission has adopted a resolution supporting a request for an $800,000 federal grant made by the Aransas County Conservation and Reclamation District to pipe water to the Rockport area from San Patricio County.

The action was taken Friday at the request of Emory M. Spencer, a Commissioner of the Coastal Bend Planning group and host at a luncheon in the Studio Club at the Sandollar Motel preceding the Commission meeting.

The County Conservation District for several years has advocated bringing water from Lake Mathis in San Patricio County to assure an adequate supply of water for the Rockport area now and in the future. The District has applied for an $800,000 grant from the Department of Housing and Urban Development.

The Regional Planning Commission was informed that the City of Corpus Christi must be represented on the Commission in order for the Commission to qualify for planning grants under the federal program.

This was the advice of William B. Rogers, chief of planning for the Department of Housing and Urban Development in Region 5, at a meeting of the commission here Friday.

Corpus Christi must be on the commission and all other cities in the 11-county region must be invited, Rogers said.

"Before we accept this commission as a bona fide organization to do planning, the City of Corpus Christi must be a member," Rogers said. "If Corpus Christi does not avail itself of membership, then the program is dead as far as we are concerned."

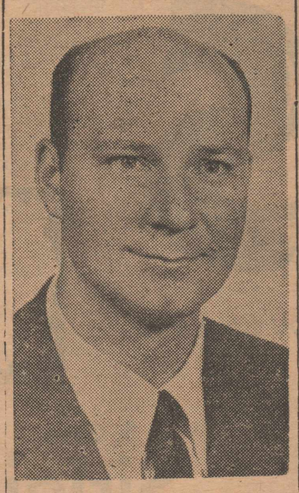

Rogers was assured Corpus Christi will participate and that other cities of the region will be given the opportunity, either directly through paying membership of by designating present members as their representatives.

Rogers said participation by other members of the region is not necessary, but he emphasized the advisability of their having the opportunity to join. He also said 51 per cent of the commission membership must be composed of elected officials of counties or cities in the region to qualify as a council of governments. Organized as a council of governments, the planning commission would qualify for additional federal aid and cities within the metropolitan area (Nueces and San Patricio Counties) could qualify for higher federal grants on water and sewer projects.

Rogers said it will be permissible for small cities to cooperate and have a common representative on the commission if that method of representation is preferred.

The cost to participating counties is now $1,000 a year for each representative. Representation is based on population with the individual counties entitled to one member for each 20,000 or fraction thereof.

Investment Talks Begin September 22 At 1st Nat'l Bank

"Investing for Beginners" will be the subject of the first discussion in a four-part financial forum to be presented by the First National Bank of Rockport and Merrill Lynch, Pierce, Fenner & Smith, Inc., beginning Sept. 22.

The sessions will be held on successive Thursday evenings at 7:30 in the bank's lobby.

Samuel Frech, Account Executive with the international brokerage firm of Merrill Lynch, Pierce, Fenner & Smith, Inc., will be the lecturer. On Sept. 29 the subject will be "What's in Store for Stocks." The third session on Oct. 6 will explain "How Stocks are Bought and Sold."

Frech has been with Merrill Lynch for the past 15 years as Account Executive in Corpus Christi. He is a stockholder of the firm and holds a masters degree in Business Administration from the University of Texas. For the past four years he has moderated a social-religious program each Sunday Morning on KRIS-TV at 9:00.

Although no reservations are required for attendance at the Forum, seating will be assured those who have made prior reservations with the First National Bank.

Alice Ballard To Become Deaconess

"I gradually got the feeling that I not only wanted to do fulltime church work, but that I was intended to be a fulltime Christian worker," is the reason Miss Alice Ballard gives for leaving her profession as a pharmacist to become a deaconess. She is the daughter of Mr. and Mrs. James F. Ballard.

The Methodist Hospital of Dallas employee for the past 18 months left Sept. 14 to do two years' work on a Master's Degree at Seabury-Western, an Episcopal Seminary in Evanston, Illinois. The Master's Degree in Christian Education and one year training will enable her to become a deaconess in the Episcopal Church. The native of Rockport, Texas, will be one of only 80 in the United States of her denomination.

She expects to return to Dallas when she finishes her training. Her interest in Church work started during her childhood and was intensified when she came to Dallas and started working with children and youth groups at Christ Episcopal Church.

Her training will help her obtain a part time job in a hospital pharmacy while she is attending school, since skilled members of the health team are needed wherever they live.

ANSWER TO LETTER TO THE EDITOR

To Mr. and Mrs. H. C. Richardson, whose letter we published in the Sept. 15 Pilot:

"Thank you for your nice letter. The only statistic we cannot publish in connection with weather data is the humidity. The local weather observer does not have the recording instruments to gather this information."

Mr. and Mrs. Charles Walters of Fulton spent the weekend in San Antonio and Laredo.

Rockport PTA Supports $800,000 School Bond Issue

The Rockport Elementary School Parent-Teacher Asciation met Sept. 20 for its first meeting of the new school year. An estimated 135 parents and teachers attended.

The teachers were presented with white corsages or boutinnieres upon their arrival.

Mrs. Charles Smith, president, led the pledge to the flag to open the meeting. Tom Dannelly gave the invocation.

Mrs. Smith introduced the following officers: Mrs. Glenice Anderson, first vice president; Mrs. Janice Bell, second vice president; Mrs. Peggy Bloomer, third vice president; Mrs. Gwynn Howland, secretary; Mrs. Ila Domaschk, treasurer;

Mrs. Irene Rush, corresponding secretary; Mrs. De Anna Longino, hospitality chairman; Mrs. Ali Mae Washburn, health and safety chairman; Mrs. Pat Harper, historian and publicity chairman; and Mrs. Margaret Oliver, room representative.

During the business meeting it was stated that on the night of Nov. 15 a special meeting of the PTA will be held to present the yearbooks, to collect membership dues, present membership cards and transact other business including discussion of money making projects.

Mrs. Anderson introduced the program for the evening. Dr. H. F. Elliot, president of the School Board, and J. D. Gray, superintendent of schools, were introduced as the principal speakers.

Gray gave the group an insight into the upcoming $800,000 school bond election which will be held Oct. 22. He said, "We don't need to tell you folks about crowded school conditions since you are fully aware of them." Then he explained the plans to alleviate these crowded conditions.

In introducing Dr. Elliot, Gray praised the School Board for its many hours of work for the school system and, ultimately, the community.

Dr. Elliot stated that until the removal of 70 students from Rockport Elementary School to Fulton Elementary School, the students at Rockport totaled 896.

He also said it is now advantageous to transport the students to Fulton to alleviate not only the overcrowded conditions at Rockport Elementary but also to help the transportation system. The students at Rockport Elementary still number 829.

Dr. Elliot explained the bond issue, stating that $800,000 in bonds will be sought. With this amount of money, a completely new elementary school can be built near the Peninsula Oaks subdivision, plus additions to Rockport Elementary, Junior and Senior High Schools and Fulton Elementary.

Drawings were displayed of all the proposed additions and each addition was described. Dr. Elliot then answered questions concerning the proposals and the bond issue.

Gene Cannon proposed a resolution stating that the PTA unit would support the bond issue and the motion carried unanmously.

Albert Griffith introduced the teachers and the room count was taken. Mrs. Lee Rasco's second grade won the room count.

Refreshments of punch, coffee and cookies were served in the cafeteria.

Honor Society Officers Named

Named president of the National Honor Society at a recent meeting was George Thornton; vice president, David Roaten; secretary, Barbara Davis; treasurer, Mary Lou Little; reporter, Gay Lee Mayfield; and parliamentarian, Jerry Brundrett.

The fall district convention of the Gulf Coast Association, National Honor Society, will be held at Aransas County High School Nov. 5, with 150 students expected to attend from high schools in this district. Mrs. Ruth Hayden and Chester Barre will be sponsors.

Pirates to Play Woodsboro September 23

The Aransas County Fighting Pirates will play the Woodsboro Eagles here Friday night, Sept. 23 at 7:30 p.m.

Last year Woodsboro beat the Pirates 44 to 0 and during the past six years the Eagles have beaten our team each year, except for one tie.

This year, according to Pirate Coach Benny Bloomer, the Eagles have a terrific backfield consisting of Robert Goynes at quarterback, Elijah Terrell and Andy Shoeph at the halfback posts, and Hugh Thomas at fullback.

So far this year, Woodsbore beat Ingleside 42 to 20 and tied Pettus 6 to 6.

"When the Eagles come to Rockport, they come here to really play football, so our fans can look forward to seeing a good game," Bloomer said.

The Junior Varsity from Aransas County High School will meet the Kingsville "BB" team there at 5 p.m. Thursday, Sept. 22.

The Junior High team will play the Woodsboro Junior High squad there Thursday night, Sept. 22.

The Freshmen team will do battle with Kingsville Gillet there at 7 p.m., Thursday, Sept. 22.

Second-Half Rally Gives Mathis Win

Mathis, trailing 6-0 at halftime, scored three times in the last half to smash host Aransas County 19-6 in a non-district contest Friday night.

Aransas County got on the scoreboard in the second quarter when Bart Rozzell, quarterback, went 3 yards to climax a 60-yard drive.

Mathis scored in the third stanza on a 4-yard plunge by tailback Bobby Gonzales. Mathis came back early in the fourth quarter when quarterback Ronnie Freithe took a punt back 40 yards. Charlie Crouch kicked the point after.

Mathis scored late in the fourth quarter when Gonzales went 5 yards, following a recovered fumble.

It was the second win for Mathis, of 27-2A. Aransas County, representing 28-2A, is 1-1.

Old Radar Site Avaliable For Factory Location

Are you looking for a good location for a factory or a nursing home?

Aransas County has one. It's the old radar station site adjoining Aransas County Airport.

Judge John D. Wendell says the county will be glad to rent the land, buildings, sewage and water facilities which include three deep wells.

The judge says Emory M. Spencer, James H. Sorenson, Jr., and Judge Wendell, as members of the County Airport Committee, have been considering this move for some time.

The county's latest move was to call a conference of county commissioners and representatives of the Chamber of Commerce to discuss the plan.

Attending the session were John E. Ross, president of the Chamber; John R. Kinsey, manager; Sorenson as both a Chamber representative and members of the airport committee; Judge Wendell and Commissioners W. B. Allen, Raymond Owens and Albert Wofford.

It was agreed that the next step will be for the county to prepare a folder listing exactly how many structures, how many acres, what facilities, etc., are available for rent.

Lush Quail Crop Brings Prospect For Long Season

Parks and Wildlife Department personnel held a Regulatory Responsibility Public Hearing in Rockport recently in order to acquaint the people with the reasons why biologists were proposing an extended quail season.

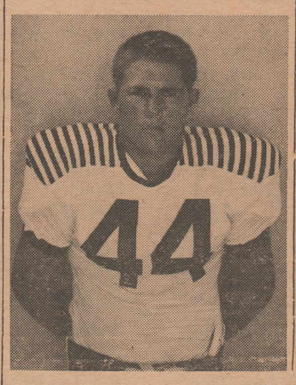

Two excellent quail production years in a row have blessed South Texas with one of the largest quail crops in recent years. In 1965, conditions were excellent for production, and the mild winter of 1965-1966 allowed an exceptionally heavy carry over to the spring breeding season. This year has again been a bonus production year.

In an attempt to allow the hunter to harvest the quail while they are still available, biologists propose to open the season on Nov. 1 and close it Jan. 31.

T. D. Moore, Acting Regional Director, said that about 75 percent of the birds would be lost this winter whether they were hunted or not. Winter brings a quail food shortage, and when the leaves drop off the brush and trees, the birds are made available to all types of predation.

"If we don't harvest them, nature will," Moore said.

Player of the Week

Eric Henderson, a senior player on the ACHS Pirate varsity team, was chosen Player of the Week last Friday night. He was selected for his outstanding running and blocking against Mathis.

Henderson stands five feet, ten inches tall and weighs 180 pounds. He plays fullback and linebacker.

Henderson has received two varsity letters and also participates in track. He is a member of the Lettermen Association, of which he is vice-president.

Henderson is the son of Mr. and Mrs. W. D. Henderson.

Mauermann Deputy Director, Wildlife Dept.

Robert G. Mauermann, for five years regional director, Region V, Parks and Wildlife Department, with headquarters here, has been named deputy director of the Department with headquarters in Austin.

The Parks and Wildlife Commission announced at Austin that J. R. Singleton, regional director from La Porte, had been named executive director of the Parks and Wildlife Department and that Singleton had appointed Mauerman as deputy director.

Mauermann is married and the father of four children; a daughter, 13, and three sons, 12, 9 and 8. Mrs. Mauermann is active in many organizations and is a registered nurse, presently employed as Director of Nurses at Lyman-Roberts Hospital in Aransas Pass.

Singleton started his career with the Parks and Wild Depart in the Rockport office in 1947, spending about a year here specializing in migratory waterfowl research.

Fulton Lions Endorse School Expansion Plan

On Monday night, School Board member Ottie Mundine and Supt. J. D. Gray appeared before the Fulton Lions Club and gave a detailed account of crowded conditions, particularly at Rockport Elementary School.

At the weekly luncheon meeting of the Rockport Lions Club last Thursday noon, School Board member Tom Rogers was the principal speaker. He explained how the School Board had carefully investigated the crowded conditions in the school, then had developed a plan to solve the situation for at least five years, and had found that successful passage of the $800,000 school bond issue was essential for the building program.

County Tax Office To Be Expanded

The Aransas County tax office is to be expanded to give Mrs. Margaret Weber, tax assessor-collector and her employees more space.

Tentative plans were examined last Friday at the Commissioners Court meeting. The main change will be to eliminate the hall directly west of the tax office and utilize this space for the office.

With Judge John D. Wendell presiding, Commissioners W. B. Allen, Raymond Owens and Albert Wofford recommended that at the same time it would be advisable to get estimates on the cost of re-screening and renovating the windows in the jail and the sheriff's office.

This and That

JOHN KINSEY

It was my privilege to attend a meeting a few nights ago a group of community leaders interested in the welfare of Rockport-area people and others who need a helping hand.

The group I am referring to are the men and women who showed up at the Chamber of Commerce building to discuss (1) Do you think most residents here are in favor of a United Fund Campaign? and (2) If you decided the answer is "Yes," will you pitch in and make the drive a success?

As described in a news article elsewhere in today's paper, the answer to both (1) and (2) was YES.

The first part of the discussion traced the history of the United Fund drives in Rockport: What made the successful ones successful, and what was wrong when the goal was not reached.

After considerable discussion, it was decided to take a vote. All in favor of organizing and carrying out a 1966 United Fund Campaign, were asked to raise their hand. Every hand was raised.

Keep in mind that these were busy people. Most of them not only have jobs but also are active in various civic organizations. It would have been easy to say, "Oh, I don't think such a campaign will be successful, especially since one drive a few years ago failed to reach the goal."

Not one bit of pessimism was expressed by anyone. On the contrary, every person present voiced optimism that with good planning, hard work by a lot of people, and generous giving by individuals and corporations, the 1966 United Fund Campaign will definitely "go over the top."

The big advantage of a United Fund Campaign is that in one concentrated drive, funds are raised for a number of organizations instead of each one of these groups conducting its own campaign.

Thus, contributors are given the opportunity to make one generous donation to help a number of worthwhile organizations instead of giving to each organization individually.

The goal for our 1966 United Fund Drive has not been set, but all of us soon will be thinking about "How much should I give?"

How about giving the equivalent of one day's work?

Frances Morgan, Charles Green Exchange Vows

In a double ring ceremony Friday evening Miss Frances Louise Morgan became the bride of Charles Henry Green.

Father Eugene E. Erdelt officiated at the service held at Sacred Heart Church.

The bride is the daughter of Mr. and Mrs. James W. Morgan, Sr., and the groom is the son of Mr. and Mrs. J. F. Green.

Sprays of white gladoli and a potted white mum trimmed in blue were on the Blessed Virgin's altar.

Given in marriage by her father, the bride wore a two-piece suit of white lace. Her illusion veil was held by a circular band of peau de soie. She carried a bouquet of white feathered carnations trimmed with English ivy centered with white roses.

Maid of honor was Miss Judy Wilson; bridesmaids, Miss Julia Fox; junior bridesmaid, Miss Michelle Cole.

The attendants' empire dresses were of yellow bonded lace. Each illusion veil was held by a rose. They carried nosegays of white feathered carnations.

Jimmy Seawright was best man. Jimmy Morgan was groomsman and ushers were Bill Morgan, brother of the bride, and Jimmy Hanns of San Antonio.

Presbyterian Women Install Officers

The final meeting of the current church year for the Women of the Presbyterian Church was held at the church Sept. 15.

Mrs. J. F. Cloberdants opened the meeting with prayer, after which Mrs. Byron Bushart, program chairman, presided over the Least Coin Dedication service.

Mrs. W. P. Petitt read an appropriate poem as the following was presented by circle chairmen.

Mrs. Hugh Morrison, outgoing president, gave the annual report in which she surprised Mrs. J. F. Cloberdants with a Life Membership certificate and pin, as a token of appreciation for her many years of service in the church.

Mrs. J. W. Ingersoll, incoming president, then surprised Mrs. Morrison by making a similar presentation to her.

Mrs. Walter Hatley, chairman of circle four, served refreshments of punch and cookies during a social hour. She was assisted by other members of the circle.

The program was resumed with a devotional service by Miss Winona McFall after which the Rev. Cecil H. Lang, Jr., installed officers for the new church year.

They are Mrs. J. W. Ingersoll, president; Mrs. Byron Bushart, vice president; Mrs. Volney Cavitt, secretary; Mrs. Norvell Jaskson, treasurer; Mrs. Ed Goode, historian; Mrs. Walter Hatley, chairman of Personal Faith and Family Life; Mrs. Hugh Morrison, chairman of Leadership, Training, and Resources; Mrs. Fred Brundrett, chairman of Ecumenical Missions; Mrs. L. Christmas Community Chorus Planned

In an effort to celebrate more fully the coming of Christ and the Christmas spirit, as well fulfill the aspirations of many of our amateur musicians and singers, a Community Chorus for the city of Rockport for Christmas has been proposed.

At a steering meeting held Sept. 20, attended by a number of would-be participants and well-wishers, it was suggested and decided that the Chorus present for the Rockport - Fulton - Lamar citizens this Christmas a presentation in four parts of Handel's "Messiah."

The Community Chorus will be open to all who have a love for song and who enjoy singing—children, teen-agers, citizens, and senior citizens. It is hoped that this initial presentation will feature a chorus of at least 50 voices.

At the first meeting, the steering committee elected the following officers: Coordinator—Bill Christian, secretary—Jan Wendell, treasurer—James H. Sorenson, Jr., librarian — Neva Jackson and organ committee — Rev. Cecil Lang.

The tentative date for the presentation will be Sunday night, Dec. 18. The chorus practices as well as section rehearsals will begin in October and the first rehearsal will be held Sunday afternoon, Oct. 9, at 3 p.m. at the Presbyterian Church. At that meeting the sections, section heads, future rehearsals, times, etc., will be decided.

The Community Chorus will be a joint effort by all the churches and residents of the community to bring a religious and rejoicing spirit into this 1966 Christmas season by the offering of song and music. The steering committee is hopeful that every person in the community who enjoys singing—trained or not—will join the chorus. The committee requests that all interested persons please contact one of the members of the steering committee before Oct. 1. Please watch the Rockport Pilot for further news of the Community Chorus.
