TED HERNDON DIES IN CAR CRASH

Final rites were held Tuesday morning at the Brownfield Church of Christ for T. J. "Ted" Herndon, son of Mr. and Mrs. W. C. Herndon of Olton and a brother of Mrs. Albert Jeffrey of Olton.

Mr. Herndon, 41, of Brownfield, was killed at 9:35 p.m. Saturday when his 1941 Buick hit a culvert and overturned. The only other occupant of the car, a Mr. Burnett, of Brownfield was thrown clear of the car and received only minor injuries. The accident occurred a mile north of Brownfield on the Levelland highway.

Burial was in Olton Memorial Cemetery on Tuesday afternoon.

In addition to the parents and Mrs. Jeffrey, survivors include his widow; three sons, Buddy, 14, Jackie, 8, and Freddie, 6; three daughters, Rebecca, 16, Shirley, 12, and Cerina, 3.

Eight sisters, Mrs. Elmer Maichen of Plainview, Mrs. Everett Jones of Midland, Mrs. John Lilly of Hart, Mrs. Bryan Hinkle of Houston, Mrs. Virgil Stell of Atlanta, Ga., Mrs. Ed Wright of Sulphur Springs, Mrs. Fred Carmack of Charlotte, N.C., and Mrs. Jeffrey; and two brothers, Fred Herndon of Midland and J. D. Herndon of Sudan.

Olton, Phillips Officials To Meet This Saturday

School officials from Olton and Phillips will meet at Amarillo at 10 a.m. Saturday to determine the date and site of the bi-district clash between the Mustangs and the Blackhaws, Coach Joe Turner said Wednesday.

Olton officials are in favor of playing the game either at Olton or Phillips instead of at a neutral site. Phillips officials have not committed themselves on the matter.

Cotton Harvest At 12,412 Bales

Harvest of Olton's cotton crop moved ahead at a good clip this week as farmers pressed stripping machines into use and good weather permitted uninterrupted field operations.

A Wednesday afternoon survey showed that Olton gins have processed a total of 12,412 bales. That compares with the 8,642 bales reported a week ago.

"It's our busiest week so far," ginner said. They say that hand pulling is nearing an end, and that the majority of harvesting from here on in will be done with machines.

Farm Union Will Elect Delegates

Delegates for the Farmers Union state convention will be elected as the local Farmers Union chapter meets next Tuesday night in the vocational agriculture room at Olton High School.

The meeting will get under way at 8 o'clock.

The group also will discuss the possibility of obtaining a farm labor organization office in Olton. This announcement was made this week by P. A. Nafzger, secretary.

Olton Growers Ship 331,360 Lbs. Of Sesame Seed

A total of 331,360 pounds of sesame seed raised by local growers has been forwarded by Olton Farm Supply to Texas Sesame Seed Growers' headquarters at Paris, Texas, Don Spain said Tuesday.

"I expect that amount represents from one-third to one-half of our total sesame crop," Spain said.

Olton Farm Supply is receiving the crop locally and storing it in steel bins until it is shipped in bulk, by truck, to the cleaning plant near Paris.

QB Club Votes \$65 Toward Girls' Jackets

Members of the Olton Quarterback Club Monday voted \$65 toward purchase of new warm-up jackets for the OHS girls' basketball team.

That amount is approximately one-half of the total expense of the jackets. The other half of the expense will be borne by the girls themselves.

Club members also voted to hold the Mustang football banquet sometime during January. A December banquet was decided against on grounds that attendance would be better after the first of the year.

Coach Joe Turner reviewed Olton's 13-0 win over Littlefield, and members viewed a color film of the game.

Fourteen members attended the meeting.

Mustang B Team To Meet Dimmitt

The Olton B football team will close out its season against the Dimmitt junior varsity at 7:30 p.m. this Thursday, according to Coach Jimmy Goss. The game will be played at Dimmitt.

The B team lost to Lockney's junior varsity, 20-0, last Thursday night at Lockney. The Longhorn eighth graders dumped Olton's eighth graders, 21-7.

The Mustang B team has a 6-2 season record. Both losses were to Lockney.

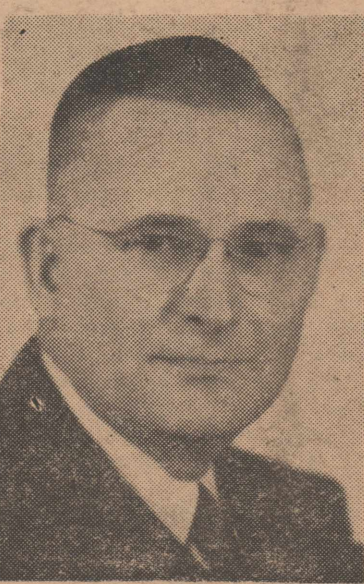

City Court Has Busy Two Months

Judge J. G. Cole's court levied and collected \$710.25 in fine money between Sept. 1 and Oct. 31, the judge announced this week.

Some \$12.00 in fines were laid out in jail, he said, bringing the total assessed to \$722.25 through the period.

Through Nov. 8, fines assessed came to \$143.25 for the eight day period. Again \$12.00 in fines were laid out in city jail and monies handled came to \$131.25.

UNDISPUTED DISTRICT TITLE HINGES ON MUSTANG VICTORY IN HOMECOMING GAME

T. E. BURCH

Oklahoman To Deliver Lectures Here

T. E. Burch, president of the Security State Bank, Wewoka, Okla., and an elder of the Church of Christ of that city for over forty years, will deliver a series of lectures at the Main Street Church of Christ in Olton, Nov. 28 through Dec. 2, 1955.

The theme of the lectures will be on "Church Government." The subjects for the five nights will be presented as follows: Monday night, "Qualifications of Elders and Deacons"; Tuesday night, "Importance of Elders Meetings"; Wednesday night, "Cooperation of Officers, Ministers and Congregation"; Thursday night, "Church Finance"; and Friday night, "Church Leadership."

All lectures will be given in the auditorium of the Main Street Church building each evening from 7:30 to 8:30.

Olton Motor Co. Changes To DeSoto-Plymouth

The DeSoto and Plymouth lines of automobiles will be handled by Olton Motor Co. effective immediately, Everett Loveless announced yesterday.

"We are discontinuing our Hudson dealership, but we will continue to stock Hudson parts and service Hudson," Mr. Loveless said.

A shipment of DeSoto and Plymouth automobiles is expected here this week, Mr. Loveless announced.

NIECE DIES

Mr. and Mrs. Jimmy Goss attended funeral services last Friday at Frederick, Okla., for months-old niece who died Mickey Lynn Baird, a 3-months-old niece who died Thursday as result of virus pneumonia.

The high-scoring Dimmitt Bobcats will provide the opposition for the Olton Mustangs in Friday's 8 p.m. homecoming clash here, and the Mustangs must win this one to claim the undisputed championship of District 2-AA.

The Mustangs won the right to represent 2-AA in bi-district play against Phillips with their stunning 13-0 win over Littlefield last Friday. But should Olton lose to Dimmitt, the Mustangs would have to share the district championship with the winner of this Friday's Littlefield-Lockney engagement.

"Plenty Rough" The Bobcats, who won the District 2-A title last year and then lost to McLean in bi-district play, are expected to be plenty

rough. They own a mediocre 5-4 season record, and are 2-2 in district play, but scouts say they're far better than the record indicates.

Coach Joe Turner's aggregation is fully aware that Coach Leo Fields' Bobcats would like nothing better than to bump the Mustangs on their homecoming and make them share the district title with another club.

Dimmitt is heavier than Littlefield, and Coach Turner pointed out at Quarterback Club this week that man for man, the Bobcat backfield is faster than Littlefield's.

Potent Offense The Bobcats are a high-scoring outfit. In nine games this year, they have averaged 21.1 points per game, having been shut out only once (by Hale Center, 0-34, on Sept. 23). Defensively, their record is not so impressive. Their nine opponents have rolled for 157 points, or an average 17.4 points per game.

Dimmitt's most impressive performance of the season, probably, was their 33-35 loss to Littlefield on Oct. 28. They led the highly-favored Wildcats 20-7 at halftime, and Littlefield exploded for 21 points in the fourth quarter to pull the game out of the fire.

Lefthanded Quarterback

The Bobcats are quarterbacked by left-handed Don Mobley, 155-pound senior. Keith Lowe, 135-pound sophomore, and Alton Whitworth, 160-pound senior, probably will alternate at left halfback, and Jerry Brown, 165-pound senior, will be at right half. Alton Bates, 150-pound senior who attended school here during his freshman year, will go at fullback. The Bobcats' regular fullback, speedy 190-pound Monty Boozer, has been sidelined with injuries, but may be ready to go in this game.

The Dimmitt line is bulwarked by a pair of gargantuan tackles. They are Jimmy Cole, 215-pound senior who stands 6-7, and Jimmy Johnson, 200-pound junior. The Bobcat line will average about 175-180 pounds per man. Dimmitt operates from the T-formation.

Jackie Gray, Olton's left halfback, probably will see limited duty against Dimmitt because of an injury to his right shoulder suffered in the Littlefield game. Coach Turner said yesterday. Gray probably will be used on offense, but will sit out while the Mustangs are on defense.

A crowd of more than 2,000 is expected for the homecoming clash.

Queen Crowning, Parade, Bar-B-Q Are Highlights

Complete homecoming plans are laid for the largest homecoming celebration in the history of Olton schools, according to old-time residents, to begin tomorrow afternoon (Friday).

Some of the many activities planned for the day to fete Olton exes and residents are a parade, pep rally, barbecue and football game.

To begin the day's activities, the crowning of the Olton High School Football Queen for 1956 will be held in the high school auditorium at 2:00 p.m.

Five Queen Candidates Five queen candidates have been chosen by the Mustang team and one of the five is the queen. Candidates competing for the title are Juanice Hendrix, Linda Clark, Brookie Johnson, Betty Jane Bryant, and Wynne Lee Young.

Immediately following queen crowning, a pep rally will be given, directed by the high school pep squad.

Beginning on the Hart Highway, just north of Highway 70, the parade will be held, starting at 3:00 p.m. "All entries are urged to get their floats, etc., there at the edge of the Hart Highway for instructions and assignments between 1 o'clock and 2 o'clock," Bill Kelley, parade chairman, announced Wednesday.

Parade Route The parade will leave the Hart Highway, go east on Highway 70 and turn down main street. It will circle the hospital and go past the stop light to the fire station, turn north and end at the school stop light.

There have been four new entries in the parade since the last Enterprise issue. They are Flower and What-Not Shop, Brownie troop, Olton Paint and Body Shop, and the Rainbow Girls.

Those on the parade committee, other than Mr. Kelley, are Marshall Campbell and Bill Kemp. Prizes of \$10 and \$5 will be given to the winning floats by the Chamber of Commerce. Two judges have been selected.

Barbecue Begins At 5:00 Sponsored by the Olton Parent-Teacher Association, a barbecue will be served from 5:00 to 7:15 at the school lunchroom. The barbecue will be accompanied by trimmings of potatoes, pickles, red beans, onions, bread and coffee, tea, or cokes.

Barbecue tickets are on sale by the OHS Student Council or individuals may contact Mrs. Frank Struve, who is chairman of the ticket committee. Tickets sell at \$1.50 each.

The football game between the Olton Mustangs and the Dimmitt Bobcats will be held in the Memorial Stadium, beginning at 8 p.m.

Various exes and classes will have coffees and get-togethers after the game.

Johnson Does Not Choose To Run Assistant Tells Olton Enterprise

Senator Lyndon B. Johnson will not be a candidate for the Presidency of the United States.

This politically significant information was learned Tuesday by The Enterprise. Walter Jenkins, the Senator's administrative assistant, told The Enterprise that his boss definitely would not make a bid for the Democratic nomination next year.

Johnson has been boomed by newspapers and Democrats across the nation. The Enterprise dis-

cussed the matter with Johnson's aide by telephone.

The Senator's political star was dimmed at zenith recently by a heart attack—almost identical to the malady which hospitalized President Eisenhower. Johnson had been, almost a cinch to win the Democratic nomination and a seat in the White House.

Johnson has served for many years in Washington as one of the Lone Star state's most bril-

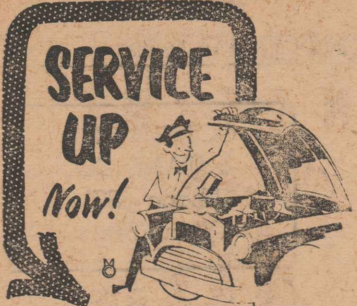

liant law makers. He was Democratic Whip in the Senate and then Majority Leader.

Mr. Jenkins' tone indicated that the Senator's health is fair but could not be described as good. He said the senator still must rest frequently. Johnson's term in the Senate does not expire until 1960.

He defeated Coke Stevenson in the long count election of 1948 and then was re-elected in 1954 for his present term of office.

Congratulations to Faye (Meyers) and Harold Gordon, who were married recently!

My best wishes to Nora Lee (Wozencraft) and James Martin—newly weds as of Sunday!

We are proud to tell of the new engagement between Doreen Young and James Couch. We couldn't express our happiness for a nicer couple! I believe James slipped the ring on her finger, to make it official, over the week-end.

Barbara Gray and Arno Hall seem to have gotten up such a case that he lets her wear his watch and drive his car!—the three-act play that the P.T.A. is working up sounds like a scream!—David Price was escorting Martha Hyman around town Friday night—We're proud of the candidates the football players have selected for their queen. The queen will be revealed and crowned tomorrow (Friday).

What a crazy world,
Its wonders never cease—
All the civilized at war,
All the savages at peace.

S-W-S

We look at a huge building in a city and marvel that a little insect like a termite can destroy it by eating away the foundation. But that is often the case and it doesn't take a nest of termites very long to do the job.

When people fail in what they undertake to do, we wonder what was the matter. Perhaps it was that some tiny habit has grown upon them, like a termite, and destroyed their ambition and character.

We are told not to despise "the day of little things," for it is from little things that greatness comes. The earthworm that tunnels under our lawns and through the dirt of our flower beds is preparing the earth that things may grow, and without the earthworm there would be no crop. The egg of a mosquito is very small, but when it becomes the insect, it can spread death.

The great humorist, Mark Twain, told of the time his little girl broke her doll, and he attempted to still her sobbing by making light of the incident. "You shouldn't cry over a little thing like that." But she, looking up through her tears, asked: "Daddy, what is a little thing?" And he was unable to answer, for her broken doll was as important to her as a kingdom to a monarch.

S-W-S

Homecoming plans are all ready for the big day! Everyone is invited to all the activities—not just an Olton ex—but it is for the exes' benefit. Parade plans and floats are shaping up and really look good to make our parade just the greatest to start out with!

We're hoping to see a lot of familiar faces, new and old.

S-W-S

One of the reasons why men fail is finding fault with others and not seeing his own faults.

ACCORDING TO THE WORD OF GOD— CAN EVERYONE SEE THE BIBLE ALIKE?

ACCORDING TO THE WORD OF GOD—everyone can see the Bible alike:

WHEN EVERYONE ACCEPTS THE BIBLE AS THE ONLY AUTHORITY. "And Jesus came to them and spake unto them, saying, ALL AUTHORITY hath been given unto ME (CHRIST) in heaven and on earth. Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit (Mat. 28:18, 19).

WHEN EVERYONE RIGHTFULLY DIVIDES THE WORD OF TRUTH. "Give diligence to present thyself approved unto God, a workman that needeth not be ashamed, HANDLING ARIGHT (RIGHTLY DIVIDING) THE WORD OF TRUTH" (II Tim. 2:15). All parts of the Bible will not tell one what to do to be saved. The Old Testament was written for "our admonition" (I Cor. 10:11). But we are under the law of Christ today. "God, having of old time spoken unto the fathers in prophets by divers manners, hath at the end of these days spoken unto us IN HIS SON" (Heb. 1:1, 2). In the New Testament Matthew, Mark, Luke, and John teach about the life, death, burial, and resurrection of Christ; the Acts of the Apostles tells how one can be saved and the history of the church (Christ's church); the other letters of the New Testament teaches one how to live as a Christian; and the book of Revelation tells of the prophecy of the church.

WHEN EVERYONE BECOMES A DOER OF THE WORD. "Not every one that saith unto me, Lord, Lord, shall enter the kingdom of heaven; but he that DOETH THE WILL of my Father which is in heaven" (Mat. 7:21). "But be ye DOERS OF THE WORD and not hearers only, deluding your own selves" (James 1:22).

If everyone will accept the NEW TESTAMENT as the ONLY AUTHORITY; RIGHTLY DIVIDE THE WORD; and OBEY THE SAME WORD then everyone will have the same FAITH (Rom. 10:17); everyone will REPENT (Luke 13:3) of all his sins; every one will CONFESS (Mat. 10:32-33) that Jesus is the Christ; every one will be buried with Christ in BAPTISM (Acts 2:38); and then every one will be a member of the ONE BODY OF CHRIST (THE CHURCH) (Col. 1:18; Eph. 1:22, 23). THE NEW TESTAMENT ONLY, MAKES CHRISTIANS ONLY.

OLTON FARM SUPPLY

SHORT GRASS

By G. P. T.

This is the day that goose hunting becomes legal, and a lot of the local nimrods have high hopes of bagging a big honker. To my knowledge, none have been reported as yet in this immediate area. This writer saw four snow geese about ten days ago on a lake near Happy. Shooting hours for geese are the same as for ducks... one half hour before sunrise to sunset. Limit is five geese per day or in the aggregate. Most of us would be highly satisfied with less.

Local hunters have been bagging a few ducks, but so far duck-hunting has been a hard proposition. Colder weather should improve hunting, and most are counting on it to bring in a more plentiful supply of mallards and other big ducks.

James Gallagher, Major James and other hunters who are using decoys report better kills than those who are not using decoys. Use of decoys is a complicated

proposition, and there are plenty of angles to it. Experts point out, for example, that you should never make the mistake of placing diving duck decoys in shallow, small waters—or puddle duck decoys in open, deep waters.

It's good to remember that ducks can hear at unbelievably long distances. "No smoking" is a good rule to observe in your duck blind, too, experienced hunters point out. Cigarette smoke, especially on quiet days, will give you away.

But just as golf's best pointer is "keep your eyes on the ball," duck-hunting's key pointer probably is, "Don't ever look up while ducks are circling." Your white face is like a flag, and your curiosity will cost you some good shooting.

To avoid any possible confusion, it should be re-emphasized that this Friday's homecoming barbecue is not only for Olton High School exes. It's for everyone. Plan to bring your family and attend. Olton's P-TA is the sponsoring organization.

For quite a while after the final whistle of the Olton-Littlefield game, this columnist could scarcely talk about Olton's win without choking up with pride. We know hundreds of other people felt the same way. It's the kind of ball club and coach staff you can be proud of from any criterion.

We look for the Mustangs to limber up their passing game again this Friday against Dimmitt, and if the aerials are clicking as they did against Littlefield, the Mustangs ought to wind up conference play with an unblemished 5-0 record.

We'll stick with the Mustangs to shy away from the psychological hazard of looking forward to next week's date with Phillips, and beat the Bobcats, 26-13.

Southwest Conference schedule this week-end lacks much lustre. But even so, some of the games are real toughies when it comes to naming a winner.

SMU and Baylor, both beaten in their last three conference outings, collide at Waco. The Ponies have dropped some close decisions this year, and we believe they're a better club than their 3-5 record indicates. We'll take SMU.

A Kansas hosts LSU in a non-conference clash at Little Rock. It'll probably be close, but we'll pick the Tigers, chiefly on the strength of their surprising 34-7 win over Mississippi State last Saturday.

The TCU Horned Frogs, who probably will play in the Cotton Bowl, play host to Rice, and that might be more of a ball game than the record indicates. Rice led the league-leading Texas Aggies 12-0 last Saturday with only four minutes and 15 seconds to play, then the Cadets exploded for three touchdowns in one of the greatest whirlwind finishes ever. Jim Swink & Co. should get by the Owls.

The big remaining game in Southwest Conference play this year is the Turkey Day clash between Texas and Texas A & M at College Station. The Aggies, unbeaten and once-tied in conference play, can wrap up the championship with a win, even though they can't play in the Cotton Bowl, because of a conference suspension slapped on them for alleged violations of recruiting rules. The Longhorns will carry a shabby 4-5 record into the big fray, and no one at Aggieland needs to be told that Texas will be keyed high for an upset. Just because we'd like to see it come out that way, we'll get out on the end of the limb and take the Longhorns.

SECTION TWO

Wolverines Face Happy In Decisive 2-A Struggle At Happy Friday Nite

Coach Colie Huffman's Springlake Wolverines face their toughest opponent of the year Friday night with the District 2-A championship in the balance.

The Wolverines play Happy on the Cowboy's home field at 8 o'clock Friday night.

Both teams sport unblemished conference records and the winner will represent the district in the state play offs.

Likewise both teams have lost only one ball game each this season. Springlake was thumped 35 to 13 by the Yannigans of Amarillo and the Cowboys were trimmed 25 to 20 by mighty Kress.

Here are some comparative scores: Springlake beat Bovina 19 to 0 and Happy took the same team 19 to 0. Springlake defeated Sudan 13 to 7 and Happy crushed the Hornets 33 to 0.

Springlake defeated Friona 39 to 6 and Happy won 41 to 13. Springlake trimmed Price College 38 to 6 and Happy beat the Cardinals 40 to 0.

A glance at this record plus the fact that Happy defeated

District 3-A champs Hale Center 26 to 6 earlier in the season would lead the fan to give the Cowboys a slight edge over the Wolverines.

Add this to the fact that the Wolverines are a crippled ball club and you have a picture that does not look rosy for the Green and Gold.

Coach Huffman said Robert Riley, Dean Jones and A. L. Cody, all three guards, are out with injuries. One of the Sander twins—Ronald—probably will not show in the championship tilt.

This leaves Huffman with both a line and backfield problem in the face of powerful Happy. The Cowboys will have double incentive to give the Wolverines a tough game. The Springlake crew defeated the Cowboys 26 to 6 last season.

But there is one thing Coach Huffman's team is long on, and that is spirit. "Spirit is good," Huffman declared, "and has been all season."

There will be a Wolverine pep rally at 3:25 o'clock Friday after-

noon.

Earth-Springlake is expected to converge on Cowboy stadium to support the Wolverines. Community spirit matches that of the team and Wolverine supporters, though not cocky, are confident.

The cocky dressing room atmosphere that often contributes to a team's upset is notably absent from the Wolverine dressing room.

The Wolverines know it will be tough. There's grim determination. The Cowboys also are facing a rough opponent.

Band Head Is Tackle

President of the band, Joe Lee Campbell, is a tackle for the Springlake green and gold for his second year.

The son of Mr. and Mrs. B. Campbell, he declares, "I think that we can beat Happy if we will play as hard as we know how."

Joe Lee is King of the senior class, and also, the class vice-

Mustangs Dump Littlefield, 13-0, To Nab District 2-AA Championship

Coach Joe Turner's Olton Mustangs wrapped up the District 2-AA championship here Friday afternoon with a 13-0 victory over the Littlefield Wildcats in a hard-fought defensive contest before an estimated 2,900 spectators in wind-whipped Olton Memorial Stadium.

Lewis Thinks Football Is Challenge

A. C. Lewis, Springlake end or guard, says he plays football "because it is a challenge to a person's ability."

The 139-pound junior is the son of Mrs. Jewell Lewis of Earth.

His favorites are: hobby, driving his Ford; color, yellow; movie, "Sands of Iwo Jima"; actor, Mickey Rooney; book, any about sports; song, "I Guess I'm Crazy"; singer, Webb Pierce; and thrill, spending money.

The brown-headed, hazel-eyed fellow says his main interest in school is hearing the last bell ring.

Tackle's Thrill Is Being Senior

"Being a senior" is 167-pound tackle Doyal Bills' greatest thrill in life.

The son of Mr. and Mrs. F. B. Bills, Doyal has played football for four years and plays because he "likes it." His main interests in school are graduating and sports.

Doyal's favorites are Mrs. Adams, teacher; English, subject; saving sports articles; hobby; blue, color; "Blackboard Jungle," movie; Marjorie Maine, actress; James Stewart, actor; "Duel In the Sun," book; "I Fear You Knocking," song; and Tennessee Ernie Ford, singer.

"It isn't going to be easy" was his comment on the Happy game.

Angeley Is Junior Guard

Classified as a junior, Bob Angeley plays guard on the Wolverine football team.

Bob, who is red-headed and

weighs 140 pounds, is the son of Mr. and Mrs. J. H. Angeley.

Girls are his main interest in school and also his hobby. His favorites include red, color; "Droopy," actor; "Blackboard Jungle," movie; Elizabeth Taylor, actress; "Zippy," book; "Sixteen Tons," song; and he has no favorite singer.

Bob declares, "We are going to beat them (Happy)!" when asked about Springlake's chance for a district title.

terback James Pressley to halt the long drive.

Time Runs Out

Just prior to halftime, Olton tailback Jackie Gray pegged a 19-yard aerial to Stewart at the Wildcat 22, but time ran out before the Mustangs could get another play underway.

Olton kicked off to open the third quarter, held Littlefield on downs, and Wayne Wicker punted out of bounds for the Wildcats at Olton's 29.

Then the Mustangs began their move. Teddy Estes carried to the 36. Gray bolted to the Mustang 48 for a first down. Estes drove to midfield. Gray carried to the Wildcat 44. Estes kept to the 43. James Ray Hyatt handed off to Gray to the Wildcat 37 for another first down.

All The Way

Then it happened. Hyatt handed off to Stewart, who appeared momentarily bottled up at the primary line of defense, then shook away from a knot of would-be tacklers, and tiptoed swiftly down the west sidelines on a 37-yard scoring burst with a trio of Wildcat defenders in vain pursuit of the speedy little senior.

Gray's pass to Stewart on the point-after-touchdown try was a bit high and wide, and Stewart couldn't hang on to it.

Littlefield fought back hard, and drove to Olton's 37, where they faced a fourth and 5 situation. They chose to gamble for first down. Pressley pitched back to John Clayton, but the Mustangs' John Jefferies broke through to drop Clayton for a 3-yard loss and give the Mustangs possession at their own 40-yard line.

Mustangs Move

A series of short ground gains and an 18-yard pass from Gray to Donald Powell moved the Mustangs to the Wildcat 27. The Wildcat defense stiffened there, however, and with Olton facing fourth down and 7 at Littlefield's 27, it appeared that the drive had about reached an end. Jarrell Edwards, Mustang left end, kept the spark alive, however, with a circus catch of a wind-blown 12-yard pass from Gray that gave Olton a first down at Littlefield's 15.

Stewart carried around left end to the 11. Gray rammed outside right tackle to the 6. Estes bulled to the 4. Then Stewart took a direct snap from center and shot between center and right guard to dive into end zone for the second Olton score, which came on the third quarter's final play from scrimmage. Jack Royce Straw converted to widen the margin to 13-0.

Kick Blocked

A good kick from Wicker put

One of the best things that happened to the Mustangs was something that never happened. Hampered by a plague of fumbleitis all year long, Olton lost the ball not a single time on fumbles. Nor did they have a pass intercepted, despite the briskness of a 30-35 mile-per-hour wind which howled out of the southwest throughout the entire contest.

How to be sure you are making the best buy in a new truck

➤ A new truck is an important investment. If you want to be sure you're getting the best buy, you've got to consider a lot of things: price, power, operating economy, good appearance—to mention only a few.

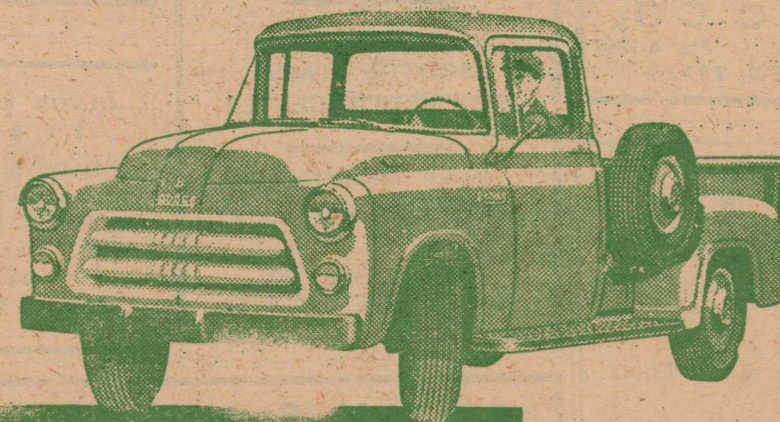

➤ Take price, for instance. Wouldn't it help you to know that you can buy a Dodge for surprisingly little money? Could be you didn't know Dodge trucks cost less than most other makes.

➤ Wouldn't it help you, too, to get the whole picture on truck power? The fact that Dodge Power-Dome V-8's outpower every other leading truck in the low- and medium-tonnage fields surely is important to your decision.

➤ And there are other Dodge advantages you'll want to think about—like the business-building beauty

of Forward Look styling, and the long life that spreads low initial cost over years of dependable service.

➤ It all adds up to this: To be sure of your best truck buy, take a few minutes to talk to your Dodge dealer. Just a phone call will put the wheels in motion.

SAYS GREATEST THRILL WAS BEATING SUDAN

Vice-president of his junior class, Max Goforth says his greatest thrill in life was beating Sudan, 13-7 this fall.

Max likes to run around, the color black, the singer Farouk Young, funny books, the song "Tina Marie," the actress Jane Russell, the actor Burt Lancaster, and the movie "Battle Cry."

He is the son of Mr. and Mrs. Ernest Goforth.

"I believe we can beat them (Happy) if we get down and play ball," remarked Max.

GIVES WARNING ABOUT GAME

Jimmy Herring, seventeen-year-old junior, warned that "Happy is going to be a lot rougher than most people think they are!"

Jimmy was president of his junior class and favorite of his freshman class.

Jimmy, who plays end for the green and gold, has such favorites as: subject, bookkeeping; teacher, Troy Lemley; color, blue; movie, "Battle Cry"; actor, Aldo Ray; actress, Piper Laurie; book, "This, My Brother"; song, "Moments to Remember"; singer, "Four Aces."

Farm Supply Will Offer Free Rabbits

In order to promote more interest locally in rabbit raising, Olton Farm Supply is going to give rabbits away as soon as the firm has them available, it was announced this week by Don Spain and Paul Edwards.

"A lot of people don't realize just how delicious rabbit meat is and how economically it can be raised," Spain said. "Rabbit meat is all white, with only about 8% of the dressed carcass being bone."

Persons receiving a bred rabbit, Spain explained, will be asked to return one doe from her first litter and one doe from the second litter to the store. These will be given away and more returned to the store from these does. This plan, Spain said, will enable a lot of people to have the opportunity of raising rabbits.

Very little space, Spain points out, is required for six does and one buck. "But they will produce 600-700 pounds of white meat for the table and the deep freeze every year," he said.

Olton Farm Supply emphasizes that the rabbits will not be given as pets. "They will be given to people who want to get started in a backyard business," Spain said.
