Talco Trojans Trip Avinger Tigers, 18 to 6

By CLAUDE PARR
The Talco Trojans won the initial conference tilt of the season from the Avinger Tigers Friday night at Trojan field, 18 to 6. It was the first conference game of District 19-B in which the Talco Trojans are entered this year. Jimmy Cox and Edward Frye took top notes for line play, both showing good defensive and offensive play. Lon Jones, Bill Duke, T. G. Temple and Skitter Horn lugged the leather for the Red and Blue.

The Avinger eleven is composed of small boys but showed to have had good coaching and plenty of speed. In the first quarter the Trojans kicked to the Tigers, who in turn advanced to the 15 yd. line and scored on a pass play in the end zone. Try for extra point was unsuccessful.

The Trojans were still in the spirit and ready when the Tigers kicked. In a series of line plays they advanced to the 20 yd. stripe. Lon Jones completed an aerial to Jimmy Cox who ran the remaining few yards for pay dirt.

The Trojans kicked to the Tigers, who after a few minutes of play gave up the ball to the Trojans. A few passes and runs found the Trojans on the 1 yd. line. Lon Jones took the ball on a quarterback sneak and went over for the Trojans second TD. Late in the third quarter Jones completed a 30-yard pass to T. G. Temple and started another Trojan advance. Went down to the 15 and Lon Jones completed another pass to Walker for the final Trojan tally.

In the last quarter the Trojans' most spectacular run came when Billy Duke took a punt on the 30 and advanced to the opponents' 40.

Friday the Trojans journey to Bogata to play the Bogata Bulldogs. Both teams are in good shape and are ready for this tilt.

Fall Term District Court Convened

Fall term of Titus County District Court, scheduled for five weeks, was convened Monday by Judge Sam Williams. Most of the morning was spent in organizing the grand jury and with Judge Williams' charge. However, several divorce cases and some other minor litigation was heard.

District Clerk Thomas J. Hood supplies the following information:

Thursday, Sept. 30, the misdemeanor criminal docket will be called and the trial, will be set or tried on that day.

Monday, Oct. 4, the felony criminal docket will be called and the trials will start on that day.

Monday, Oct. 11, the civil jury cases will be called and the trials will start on that day.

James H. Pipes Buried at Bogata

James H. Pipes, 51, died Sunday morning at 2 o'clock in the veterans hospital, Dallas. He had spent most of his time there since his discharge from the Army in September, 1945, having served in World War II as a Medical Corps corporal. He had been on duty in the South Pacific three years.

The funeral was held Monday at the Church of Christ in Bogata, Ollie Duffield, officiating, with burial in Bogata Cemetery.

Mr. Pipes was born in Red River County. He leaves his mother, Mrs. Mary Pipes, now of Cooper; three sisters, Mrs. Jess N. Cummings, Cooper; Mrs. Bernice Hyder of New Home, and Mrs. Eob Gentry, Oakland, Calif., and a half-brother, Charles Pipes of Venice, Calif., and an uncle, Dan Thomas and cousin, Miss Ibbie Dan Pipes of Bogata, with whom he made his home.

J. M. Cole Buried At Fairview

J. M. Cole died at his residence on Highway 37, southwest of Clarksville Sept. 9, following a long illness. He was buried at Fairview.

Mr. Cole was born Jan. 10, 1860, near Clarksville, the son of J. M. and Sarah Covington Cole. He spent his whole life in Red River County. On Thanksgiving Day, 1891, Miss Josie L. Henson of Rosalie, became his bride. She survives. Other survivors are sons, Leonard and Thomas Cole, Clarksville, and five grand children.

their home at Bogata. Their daughter, Mrs. Ted Tittler of Mt. Vernon, who went to Bay City to be with them, returned with them and will remove them to her home at Mt. Vernon as soon as possible.

George Webb has returned home from a Paris hospital.

Early Reports of News is Urged

This newspaper is extremely anxious to have reports on all local events. In fact it worries us a great deal to know that we have missed any local items of interest, but if we are to do the kind of a job we know you want, we need your cooperation. When everyone waits until Tuesday or Wednesday to turn in news items or ads it throws a load on our force that we cannot handle.

Occasionally we have had calls Wednesday to turn in news items events that occurred as long ago as Thursday of last week. These items should be reported immediately. We are doing our best to give you a good local news coverage but we can't do it in one day a week. Please help us by turning in early reports. Otherwise we may be forced to omit some good items.

Bids Asked to Move Back Fences On F. M. Road

At long last it appears from an article in this edition signed by Titus County Judge Morris Rolston, asking for bids to move back fences on Farm-to-Market Road 71, that this road will be built at no distant date.

Finishing touches are now being put on the road from Sulphur Bluff to the Titus County line, a third of a mile east of Talco.

That portion of it now under consideration is from the county line to Wilkinson. The road east from Talco has a greater car count than any road or highway in Titus County.

Games Scheduled For Talco Trojans

Following is the schedule for the Talco Trojan football games for this season. Fans should attend every game possible and support the team with their presence and enthusiasm. A star denotes conference games:

Sept. 24*—Bogata—There.
Oct. 1*—Hughes Springs—Here.
Oct. 8—Mt. Pleasant—There.
Oct. 15*—Daingerfield—Here.
Oct. 22*—Deport—Here.
Oct. 29*—James Bowie—There.
Nov. 5*—Naples—There.
Nov. 12—Commerce—There.

Mr. and Mrs. Cline Oakleaf of Longview, spent the week end with her parents, Mr. and Mrs. John Tennison, and her brother, Elton Tennison, and family.

Fire Destroys Smoke House at Guest Home

Red River County sheriff's office was called to investigate the fire which destroyed the large smokehouse at Drury Guest's home at Fulbright about 10 p. m. Sunday. The place had not been in use, and there was indication that it might have been set on fire purposely.

Members of the Guest family who had gone to bed were awakened by the fire, and the Deport Fire Department was called, as the flames threatened to spread to the residence.

Result of the investigation had not been learned here.

SPANISH CLASSES NAME OFFICERS

Spanish I class has named the following officers:

President—Paul Miller.
Vice-Pres.—Buddy Barnwell.

Reporter—Joan Ford.
Mary Sullivan and Eugene Blalock are the representatives to the Student Council.

GRADY TRAWEEK LOSES FINGER

Grady Trawweek lost the first joint of the middle finger on his right hand on Wednesday of last week while building a door in the woodwork shop of W. S. Richardson. He had the finger caught in a jointer which nipped it off.

He lost a fore finger on the same hand while coupling an engine to a car on a logging train in 1910. If Grady keeps on he'll finally get that hand trimmed up to suit him.

Randolph Griggs, Bud Welborn and Gene Gandy, students of N. T. A. C., Arlington, visited their parents during the week end.

Dykes Grows 54 Bushels of Corn Per Acre

Ernest Dykes, 4-H Club member of Wilkinson school, was one of the boys selected to demonstrate hybrid corn in connection with the program sponsored by the Mt. Pleasant Kiwanis Club. County Agent A. H. Karcher helped Ernest harvest the corn on Saturday, Sept. 18. The total production was fifty-four bushels to the acre.

The seed used was Funk's G 7-11. It was fertilized with three hundred pounds of 5-10-5 fertilizer when planted and sidedressed with two hundred pounds of nitrate of soda when the corn was forty-five days old. It is felt that had the corn had a good rain that it would have been at least 30 per cent better.

The Kiwanis Club sponsors the corn contest with 4-H and FFA boys to the extent of furnishing 300 pounds of fertilizer and eight pounds of seed. The club boys are required to furnish at least two hundred additional pounds of fertilizer. In determining the yield per acre, the corn was pulled off a part of the acre and weighed; so the above yield is very close to the actual production.

Mr. and Mrs. E. W. Smith went to Bonham Saturday to visit her sister, Mrs. Deoderic Austin and family. Mr. and Mrs. Austin and Linda accompanied them to Lake Texoma Sunday for the day.

Titus Winnings at Tyler Dairy Show

Titus County 4-H Club boys and girls were well represented at the State Jersey Show in connection with the East Texas Fair at Tyler. Although they didn't set the world afire by winning top honors, they did stand up well in their class. Leonard Thompson, with his three animals, led the county in winnings. His animals took two third places, one fifth place, and one seventh place. This gave him a total premium of \$43.00. Dale Nelson's animal placed fourth and tenth for a total of \$18.00. Jerry Fussell's animal placed ninth for a \$5.00 premium. Total premiums amounted to \$66.00. The Titus County 4-H Club herd placed sixth for a premium of \$50.00.

There are fourteen 4-H Club members who have dairy demonstrations. These boys and girls have a total of twenty-four registered Jerseys in these demonstrations. With a program such as this in the county, the breeding of good dairy animals is certain to continue.

Mr. and Mrs. E. W. Smith went to Bonham Saturday to visit her sister, Mrs. Deoderic Austin and family. Mr. and Mrs. Austin and Linda accompanied them to Lake Texoma Sunday for the day.

Titus county supplied two of the six stills captured in Texas by the Revenuers in August. The other four were in Harrison County. Seven arrests were made. August was pretty hot to be attending to still fires.

Must be getting pretty tough over Paris way. The News reports the city jail so congested with 18 prisoners placed there Saturday night that the corporation judge was forced to hold court Sunday morning and imposed fines of \$297.60 to relieve the situation. If Paris police would start arresting reckless speeders on their plaza who nearly run down pedestrians trying to get to their cars, parked in the center of the plaza, neither the city nor county jails would hold all of them.

Fire Damages Deport Co-Op Gin.

Damage estimated at about \$300 was caused when fire broke out Sunday afternoon about 4:30 at the Deport Co-Operative Gin. Deport volunteer firemen answered the alarm and soon brought the blaze under control. Ginning had been halted during the week when machinery broke, making it necessary to gin Sunday, after repairs were made. Cotton belonging to Howard Dickson was being ginned at the time of the fire and was damaged considerably. After repairs were made to the equipment, ginning was resumed Monday morning.

With the promise of \$1 by his mother if he would pick 20 pounds of cotton in one day, Bobbie Glen, three year old son of Mr. and Mrs. Elmer Pomroy of Clardy, picked 22 pounds last Friday. That is two pounds more than he was to pick and it is said he did not pick but about half the time.

Book Lovers Club With Mrs. Neugent

Mrs. Nolan Neugent entertained the Book Lovers Club Friday in her home. During the business session the cemetery committee reported the cemetery would be worked once more. A committee was appointed to help with the Hallowe'en carnival to be held Oct. 31.

Mrs. E. Unsell had charge of the program, the study being Science.

Mr. Clyde Isaacks, science teacher, was introduced by the program chairman. He gave an interesting talk on "The Place of Science in our Lives." He began with this quotation from the Old Testament: "You shall know the truth and the truth shall make you free." This is the creed of the scientist, who seeks to know. Where we have truth and knowledge, ignorance and superstition will disappear. Science dates back to the industry and science of Romans and Greeks.

Club members learned from his talk that since 1875 at least half of the conveniences we use have been developed. Consider the fields of electricity, automobiles, aviation, petroleum, modern chemistry. Medicine is a field to itself. He said, "A great day lies ahead in use of atomic energy to make luxury for us all, but as a weapon, we may indeed kill ourselves." To our scientific knowledge we must add moral and spiritual responsibility.

One game was played and Mrs. L. L. Reed and Mrs. Sue Thomas won prizes. The hostess served refreshments to our guest speaker, Mr. Isaacks and Mmes. Burl Leftwich, a former member, Sue Thomas, Lynn Cox, Rover Hood, L. L. Reed, R. R. Kelly, Edd Neugent, E. Unsell and Oscar Goodloe.

The next meeting will be Oct. 1 with Mrs. L. L. Reed as hostess.

Paris JC Wins Over Panola

Paris Junior College eased out a hard-driving Panola Junior College at Paris Thursday night, 13 to 7, in a close football tussle.

Paris drew first blood when Robert Walker returned a punt from his own 35-yard line for a touchdown. The extra point was booted by Charles Burton. Panola returned the compliment in the same stanza. Bill Amburg went off right tackle for a 41-yard run to get his team back in the fray. Jimmy Jones tied the game up with his 1-point conversion.

The game remained deadlocked for the second and third quarters but, in the last frame, Bobby Jack Floyd went over Panola's right tackle to ring up Paris' winning score.

Plans Made for Stock Show at Deport Oct. 21-22

At a meeting Monday night of managers of the North Star Stock Show plans were outlined for the show which will be held Thursday and Friday, Oct. 21-22 at Deport.

For the first day a parade will be held in the morning, followed by a quarter horse show and a Tennessee walking horse show. Judges will be secured for each event. Following the horse show a calf roping contest will be held. A fox and wolf dog show will be held in the evening, to complete the day's program.

Program for the second day will include judging of hogs, dairy cattle, 4-H and FFA Club calves in the morning, with judging of beef cattle in the afternoon, followed by calf roping. A big free country dance is on the schedule for Friday night.

Band music will be by the Talco High School band.

Deport athletic field has been the place set for the events, instead of the school grounds, where shows have been previously held.

Louise Griffin Weds Ed Thompson

Mr. and Mrs. Aleck Griffin of Deport, announce the marriage of their daughter, Louise, to Ed Thompson of Garland. The wedding, performed by the minister of the First Presbyterian Church at Rockwall, was solemnized last Friday.

The bride is a graduate of Bogata High School and attended Paris Junior College before go-

Community Fair At Detroit 24-25

Detroit's Community Fair will be held on Friday and Saturday at the school building, sponsored by the Lions Club.

Featured Friday at 8 p. m. will be a magician's show by Dr. David A. Johnson, Presbyterian pastor of Deport, followed by a program of the Edythe DeWitt Studio of Dance pupils. Saturday at 8 p. m. a concert and specialty numbers by the Clarks-ville High School band will be given under direction of W. W. Hays.

K. E. Pruett, vocational agriculture teacher, is general chairman, and M. C. Carroll is secretary. A. F. Chewning is in charge of the commercial exhibits.

Deport Tigers

Coach Sonny Fagan's 1948 edition of the Deport Tigers looked pretty good Thursday night in defeating Paris B 19 to 0. Although short in number the Tigers made up for this in teamwork and determination. It is not easy to predict how the Tigers will fare with other teams of the conference (this was a non conference affair and the Paris team did not give too much opposition) but the locals at least displayed a scoring punch that was lacking at the beginning of the season last year, when they got off to a bad start and were unable to score for several games. A better analysis of the Tigers can be taken after their game with Goodland Indians next Friday night.

Says Washington Advice to Bankers To Use Caution is Unnecessary

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, probably is misinterpreting what he has read, but readers have come to expect that anyway.

Dear Editor: I was out here Monday mornin' enjoying the crisp air and gettin' the feel of Fall when I found a copy of the Lamar County Echo and since I was about ready to sit down anyway I went ahead and sat down and picked it up and after reading where the Russian situation is the same and is likely to remain that way, along with the Henry Wallace situation, the Palestine situation, the Berlin situation, the Washington situation, the weather situation, the crop situation, etc., I noticed a article from a top-rankin' government bankin' official urgin' bankers in these prosperous days to use "extreme caution" in makin' loans.

Accordin' to Maple T. Harl, chairman of the Federal Deposit Insurance Corporation, banks ought to be extremely careful about makin' loans, due to the fact bank assets is increasin' and the boom ain't gonna last forever. Now I ain't attemptin' to correct that Washington banker, but I been wonderin' if he is acquaint- ed with the same banker I am. Other folks may find it different, but to me, advisin' my local banker to use "extreme caution" in making a loan, especially to me,

is what I'd call extremely unnecessary. Advice like that don't hardly seem worth the cost.

Of course bankers in other areas may be different, may have a tendency to loan money right and left, to anybody that drops by, sight unseen, but that type of bankin' ain't sifted down to this area yet, although I for one don't have no objection to it.

As it is, advisin' all the bankers I know to use extreme caution in makin' a loan is about like advisin' me to use extreme caution about workin' too hard. Bankers around here is years ahead of them Washington bankers. But if you know of one who needs that kind of advice, I'd appreciate you lettin' me at him before two hundred other people I know get at him first.

Yours faithfully, A. A.

Talco Happenings Ten Years Ago

Week of September 23, 1938

The Titus County Fair was underway with emphasis placed on the livestock division.

A 1937 Ford V-8 owned by D. C. Collins of Talco, had been stolen.

Seventeen Masons from Talco had attended a Clarksville Masonic meeting.

The young business men were to form an organization on Tuesday.

The Hopwood-Jones drug store had been broken into and \$2.00 in small change was taken.

Irene, one of the triplet daughters of Mr. and Mrs. Jim Parker of the Martin community, had died, and the funeral service was held at the Mt. Pleasant church, near Deport.

The Recreation Club had begun its fall meetings.

Soil checks were beginning to arrive in Titus County.

Tolbert and Herbert Landrum of Cookville, were injured when their car failed to make the turn at Meadows Curve.

Progress was being shown in constructing the new school building in Talco.

The Talco Trojans were to meet Hughes Springs in their first home game on Friday.

The Talco Livestock and Commission Co., organized and managed by Roy Fenton, was to open.

Trade with those who advertise—they keep prices down.

From where I sit ... by Joe Marsh

Nicest Compliment I've Had

One of the nicest comments I've received about this column was from an editor in the Middle West I called on. And while I don't like to give myself orchids, I think it illustrates a point.

"Joe," he said, "it so happens I don't agree with everything you say, but I always like to run your column. Because it gets down to earth and talks about the right to disagree. And it only asks for tolerance towards the other person's point of view."

He went on to explain, by way

of illustration, that he never had happened to have a taste for ale or beer. But that when I spoke of the right to enjoy a moderate beverage like beer, well, he was right there with me!

And from where I sit, that's the important thing: not whether you share another person's tastes or point of view—but whether you recognize his right to exercise a free choice in a free land.
