Kiwanis Leaders

Jack Alexander, center, Cosden Petroleum Corporation official from Big Spring, congratulates 2 officials of Colorado City Kiwanis—J. O. Wood, left, first vice president, and Keith Miles, right, president—after installing the pair here Tuesday night in Civic House. Alexander is the lieutenant - governor for 1962 for Kiwanis Division 22.

INSTALLED BY DIVISION PREXY

Miles Takes Reins of Kiwanis Club for '62

Kiwanians here Tuesday night welcomed their 1962 Division 22 president, installed their own officer slate for the new year and paid homage to outstanding members of their organization.

Jack Alexander of Big Spring, Cosden Petroleum Corporation official and president elect for Division 22, conducted installation ceremonies for the local group.

Receiving the president's gavel was Keith Miles, Conoco wholesaler, who succeeds City Councilman Martin Weaver as top Kiwanis official.

Installed as vice presidents were J. O. Wood, Southwestern Bell Telephone wire chief, and County Judge Elmer Martin. Returning to his second consecutive year as secretary-treasurer was Sie Hamm of Colorado Drug Co.

Directors installed for the ensuing year are Frank H. Kelley, Dick Wistrand, H. I. Berman, A. V. Sheppard, Larry Kinard, James E. Payne, Billy Joe Mize and Weaver, the outgoing president.

Mike Smith received a special Kiwanis plaque for outstanding service to the local club and Kiwanis International while serving as sponsor for the Key Club at Colorado City High. Presentation was made by Weaver.

The outgoing president also gave special gifts and recognition to Mrs. James E. Payne, club pianist, and Mrs. Dee Bynum, manager of Civic House.

Weaver was presented a plaque by Supt. Frank Wilson, master of ceremonies, in commemoration of a "very sucessful" year as Kiwanis president during 1961.

Presented pins for perfect attendance during the last year were Larry Kinard, Martin, Glenn Thomas, Rush Barnett R. A. Harrison, Floyd Sheppard and Wilson Hrbacek, 1 year; Farris Lipps, James Kelley, Weaver and A. V. Sheppard, 3 years; Lawrence Ruddick, Jack Jordan and Trevlyn Kelley, 4 years; Sie Hamm, 5 years; John T. Merritt and Ed Majors, 6 years; Ed Rothwell, 7 years; James E. Payne and Keith Miles, 8

AT COL-TEX REFINERY

PIPELINE BREAKS; SPRAY COVERS 80

A break in a Cosden Petroleum Corporation's main terminal line set petroleum products spraying over U. S. Highway 80 here Friday night.

The petroleum sprayed more than 20 feet into the air, report witnesses, and flooded the highway at the northwest corner of Col-Tex Refinery, a division of Cosden, in the western part of town at about 11 p. m. The spray also flooded the area just west of Col-Tex on the south of U. S. 80. The break was inside the local refinery's limits.

Cosden pipeline official George Grimes reported the break was apparently caused by corrision of the pipeline at one point. Work to repair the break was still underway at 12 noon Saturday.

No estimate of the amount of loss could be made Saturday. A complete check of the line will have to be made to determine the exact loss.

Highway Patrolmen Buddy Hertenberger and Wendell Rehm directed traffic along 80 at the point as members of Colorado City Volunteer Fire Department stood by in case of fire. Firemen aided in washing the spray from U. S. 80.

Vote On Quotas Is Set Tuesday

Cotton Allotments for 1962 for Mitchell County growers have been decreased 2.9 per cent from the 1961 cotton allotments.

The decrease came as no surprise to farmers.

This county was alloted 74,203 acres for the 1962 season or a decrease of 2,074 acres from the '61 allotment of 76,203 acres. The cut here was larger than the "across the board" decrease for the nation of 1.9 per cent.

County allotments are computed on the basis of the 5-year history of the acreages planted to cotton through the season preceding the year the allotment is announced. Allotments for this county's level were computed on the basis of history of planting in 1956, 1957, 1958, 1959 and 1960.

This county's share of 74,203 acres represents its share of the national allotment acreage of 18,101,718 acres.

County cotton producers will vote on marketing quotas for the 1962 crop Tuesday.

At least 2/3 of the producers must approve the quotas for this county's cotton farmers to receive full price supports on their 1962 crops. If the quotas are not approved by the necessary margin, the allotment program will remain in effect, but producers will be penalized with supports at only 50 per cent of parity.

The quotas have been approved the past 8 years since the first vote in 1954 on the quotas—and are expected to again be approved this year in the county. In 1961, 96.6 of the county's producers balloted their approval for the quotas.

Polling places Tuesday on the quota referendum are:

Agricultural Stabilization & Conservation office, 136 E. 3rd St., Buford Co-op Gin, Farmers Gin and Supply, Guitar Gin and Producers Co-op Gin and Swift Gin in the Colorado City area.

Services Here Today for Ralph Cherry

Funeral services for Ralph B. Cherry, 74, will be conducted here today (Sunday) at 2 p. m. in Kiker and Son Chapel.

Rev. John Brand, pastor of the First Presbyterian Church, will officiate. Burial will be in Colorado City Cemetery under the direction of Kiker and Son Funeral Home.

Cherry, a retired carpenter, died at 7 p. m. here Friday in his home at 791 E. 6th St. He had been in ill health for approximately 1 year.

He was born in Red River County on July 15, 1887. He was married to Maude F. Pendergrass Nov. 30, 1911, in Clarksville.

He had made his home here for the past 4 years after returning from Clarksville where he had lived since 1942. He and his family had formerly lived here from 1923 until 1942.

Cherry was a member of the First Presbyterian Church.

Survivors include his wife; 2 daughters, Mrs. Grady Ezell, Buford Community, and Mrs. Julius Smith, 791 E. 6th St.; a brother Delbert Cherry of Ennis; 4 grandchildren and

MEN, PLANES IN SEARCH

Lost Man "Finds" Self By Returning

A calm return home by an elderly Latin American man Thursday ended a search of several hours by 35 to 40 persons and 2 private planes—and the man didn't even know he was "lost."

Missing was Latin American Julian Martinez employed by Dave Stubblefield on his land 12 miles southeast of Colorado City.

The incident all began about 10:30 a. m. Wednesday when Martinez, about 70, was seen by Stubblefield walking on the old Landers Ranch road about 3 miles from Stubblefield's. Martinez was on his way, he told his employer, to cotton fields about 3 miles away to resume picking. Martinez refused Stubblefield's offer of a ride.

That was the last anyone saw of Martinez until his return Thursday at about 1:30.

Martinez didn't continue to the field for which he was intended and was not seen all night. By morning, members of his family, who also work for Stubblefield or in the area, had formed a search party of other Latin Americans. The search was unfruitful.

Stubblefield contacted Mitchell County Sheriff Lewis Claxton at 11:25 a. m. Thursday and the search began in earnest as Claxton and his department, Colorado City Police department officers, Highway Patrolmen Buddy Hertenberger and Wendell Rehm and private citizens joined in the search.

Two private planes took to the air to search the area.

A report and description of the missing man went out over the air via radio station KVMC here and brought quick results. Martinez, or a man answering his description, had been seen near Hermleigh late Wednesday afternoon asking directions to the home of a brother of Martinez.

Plans were in the making to transfer the search to the Hermleigh area when Martinez rode up to Stubblefield's in a car with some new friends.

That was that as far as the search, but not so for an explanation.

All the information that Martinez volunteered was that he "had been to Lamesa."

A happy ending to a never-to-be-completed story.

IN CIVIC HOUSE WEDNESDAY

Traveling Minister to Speak At Lions' Christmas Dinner

A West Texas Baptist minister will describe "A Minister's Impression of Moscow" at the annual Colorado City Lions Club's Christmas dinner here Thursday night.

Dr. LeRay Fowler, pastor of the First Baptist Church in Sweetwater, will be guest speaker.

The dinner is an annual affair here by the Lions—Lions' wives will be special guests at the affair.

The dinner begins at 7:30 p. m. here in Civic House, reports Dr. H. Jene Steakley, local president. John Worrell is program chairman for the dinner.

Piano music during the dinner will be by Mrs. Dwight Tomb.

Fowler, pastor of the Sweetwater church for the past 3 years, is widely traveled. His speech will be taken from impressions he gained while on a recent preaching mission that included a tour of Russia, Turkey, Egypt, Holland, Austria, Greece, Italy, France, England and Scotland.

The 6-weeks trip was under the auspices of the U. S. Air Force and individual churches of Europe and the Middle East—it covered approximately 25,000 miles.

He has also been on preaching missions for the Air Force to Cape Cod, Mass., sponsored by the Texas Evangelism Department to Cuba and Jamaica in 1955 and a mission to 13 European countries in 1959.

Fowler has served 6 years on the Executive Board of Texas Baptist and last year was chairman of the committee to name Executive Board members for the Texas Baptist Convention and was also a member of a 5-man program committee that planned

HALF OF TOTAL ESTIMATE

Ginning Total At 20,000 Bales

Mitchell County's 1961 cotton ginning total is only 356 bales away from the 20,000 bale mark this week with a small gain during the cold, damp week.

The latest total represents about one-half of the estimated 40,000 bales for this county in 1961.

The county's 10 gins (Thursday) reported a total of 19,644 bales for the 1961 ginning season.

Here's the report from all the gins:

Producer's in Colorado City — season's total of 3,111.

Guitar in Colorado City — season's total of 646 bales.

Swift's in Colorado City — total of 983 bales for the year.

Farmer's in Colorado City — 2,100 bales or the season.

Guitar in Loraine — 1,520 bales for the season.

Co-op No. 1 in Loraine — a season's total of 3,491 bales.

Co-op. No. 2 in Loraine — a total of 2,085 bales.

Buford — a 1961 total of 2,107.

China Grove — total of 1,583 bales.

Planter's in Westbrook — a total of 1,818 for the season.

Colorado City accounts for 6,840 bales of the county's total and Loraine accounts for 7,096. Only about half of the China Grove total can be credited to the county total since the gin processes much out-of-county cotton also.

THANKS TO GIBSONS

Lost Christmas Package Returns

Christmas for the children in the George W. Carpenter family of Lacueva, N. M. will be complete this year because of the honesty of J. D. Gibson of the Seven Wells Community.

Gibson was traveling from his farm to Colorado City on the Robert Lee highway (State Highway 208 when he found a large package which had apparently fallen off the top of a station-wagon which had passed him earlier.

He picked the package up and checked the Colorado City Police Station to see if anyone had reported a package missing. After he had gotten a negative reply from local police, he returned home with the package.

The package contained several individual parcels wrapped in Christmas paper. The individual packages were packed around a newspaper from McAllen. Each package

FOR COMMUNITY DEVELOPMENT

Jaycee-Chamber Survey Set Here Tuesday Night

Colorado City Junior Chamber of Commerce members will conduct a Community Development Buyers Habits survey here Tuesday.

The 2-sided 40-question survey is a joint project of the Chamber of Commerce and the Jaycees with the Jaycees furnishing the manpower for the project.

Individual citizens will be asked questions which will give the Chamber of Commerce and Jaycees information on which they can base future projects for community development and better shopping facilities in Colorado City.

Names of citizens contacted for the survey will not be taken or used in connection with the survey in any way.

The survey is part of the Jaycees' program of Civic Development.

Jaycees will make the house-to-house survey Tuesday night, beginning at 6:30 p. m.

The community development portion of the project is one which Jaycees participated in several years ago by

Jaycees Wayne Weeks and Jerry McDonald are heading the survey.

Annual Hutch Bowl Football Contest Scheduled Dec. 20

Crowning of the 1961 "Hutch Bowl Sweetheart" and "Hutch Bowl Hero" will highlight the annual Hutch Bowl play football game at Hutchinson School here Wednesday Dec. 20.

The Hutch Bowl is an annual affair at Hutchinson which matches 2 sixth grade teams of all-stars from the regular season.

The singing of the National Anthem, School Song, "America" and Christmas songs will start the event at 1:15 p. m.

The Parade of Colors begins at 1:25. Each class will march down the football field displaying the school colors which are red and white. One Fourth grade class and 1 fifth grade class will be recognized as "most colorful."

The All-Star football game kick-off is scheduled at 1:35.

The crowning of the "Hutch Bowl Sweetheart" and "Hero" will be at 2:00 p. m. One boy and girl is nominated from each sixth grade room. The sweetheart and hero are elected by popular vote.

Those nominated for Sweetheart this year are:

Linda Rogers, daughter of Mr. and Mrs. Corley Rogers, ley, 1621 Watson St.

All Hutchinson classes will participate in Christmas parties and activities following the game.

Route 2; Shirley Sutton, daughter of Mr. and Mrs. J. D Sutton, Route 1; Patty Adams laughter of Mr. and Mrs. Perry Adams, 133 W. 10th St.; Judy Burkhalter, daughter of Mr. and Mrs. Jack Burkhalter 1640 Austin St.; and Jennifer Holbert, daughter of Mr. and Mrs. Bill Holbert, 305 E. 19th St.

BY SCHOOL CHOIRS

Yule Concert is Thursday Night

The vocal music department of Colorado City High School will present its 13th annual Christmas Concert Thursday at 8:15 p. m. in the high school auditorium.

The program this year will consist of sacred and secular numbers of the Christmas season and the nativity.

The concert choir will perform "Hosanna In Excelsis" and "Did Mary Know."

Betty Buckner will be narrator for the Christmas story as written and arranged by Roy Ringwald.

The name of this series of numbers and narrations concerning the nativity is "The Christmas Crib."

Following the tradition of presenting some of the less familiar Christmas carols each season, the Choralettes, a musical group consisting of sophomore and freshman girls, will present "Bright Angel Hosts," "O Bone Jesu," "Sing With Joy, Tis Christmas Day," "The Holly and The Ivy," "Sleep, Baby, Sleep" and a Scottish Carol, "Baloo Lammy."

As the secular part of the annual concert of the holiday season, the concert choir will do the Waring musical version of the popular Christmas poem, "Tis the Night Before Christmas." This selection will feature solos and Lan Shurtleff will accompany the choir.

The junior high music department will sing arrangements of 2 of the more familiar Christmas carols, "Silent Night" and "Deck the Halls."

There is no admission charge for the concert and the public is cordially invited to attend.

Five Generations

Five generations are represented in the above picture which was taken at the Wiley Seward home in Clifton recently. Mrs. J. P. Mohler, right front, is the first generation represented. Mrs. Mohler lived in Colorado City from 1926 until recently when she moved to Clifton to make her home with her daughter, Mrs. Seward, who is pictured directly behind Mrs. Mohler. To the left of Mrs. Seward is her daughter, Mrs. William B. (Jack) Shaw of New Orleans, La., third generation; in front of Mrs. Shaw, her daughter, Mrs. John D. Lang of Monroe, La., fourth generation, who is holding her son, the fifth generation, young John Darnell Lang, Jr. Mrs. Mohler's daughter, Mrs. W. E. Seward, makes her home at 727 Cedar St. in Colorado City. Mrs. Mohler still owns her Colorado City home, which is located at 622 Pine St.

Mrs. Boyd Dozier's Brother Dies in Ohio

Mrs. Boyd Dozier, 739 E. 6th St., received word here late Wednesday of the death of her brother, J. J. Peebles.

Peebles, about 70, died in Alexandria, Ohio, Wednesday afternoon.

His father, H. M. Peebles, was pastor of the Presbyterian Church in Baird from 1913 until 1918.

China Grove Guests

Mr. and Mrs. R. L. Smith and family of China Grove were recent guests here in the home of Mr. and Mrs Melvin Smith.

Church of God Attendence at A Record High

Church of God, 18th and Hemphill Sts., had the highest monthly attendance in the history of the church in the month of November, the pastor Rev. N. R. Lippard reports.

Rev. Lippard said that December also shows promise of an even higher attendance record since the first Sunday of December broke all previous single service attendance records.

Tentative plans have been made for the addition of 2 new Sunday School rooms to be added to the present building.

The Ladies' Willing Workers Band of the church has made for the addition of 2 new for the construction of the new rooms.

There are also plans for a new auditorium.

"The Hutch" Staff

These 5 students compose the staff of the Hutchinson School newspaper "The Hutch." They are, left to right, standing, David Crawford, assistant editor; Deborah Baker, editor-in-chief; and Glen Hunter, first page editor; kneeling, Cynthia Baker, second page editor; and Ann Blackard, third page editor.

5 STAFFERS, 16 REPORTERS

"The Hutch" Is News Voice Of Hutchinson School Here

BY PEGGY BELVIN
Record Staff Writer

Sixth grade students of Hutchinson School are gaining experience, helping keep up school morale and informing their classmates through the monthly student publication, "The Hutch."

The work that goes into the 4-page publication is done entirely by the students, with supervision from Hutchinson's sixth grade faculty.

The publication has a staff of 5 plus 16 reporters from the fourth, fifth and sixth grades. The publication staff is appointed by the sixth grade faculty. The faculty is Mrs Bennie Pryor, Mrs. Jack Johnston, Olson Sweat, Mrs. John Merritt and Mrs. Orin Feaster.

Mrs. Feaster is sponsor of "The Hutch" Staff members are all sixth graders. Mrs. Feaster, the staff and the reporters meet each Wednesday to work on the paper — and to learn the best ways to obtain news, outline the news and to set up their pages, reports the sponsor.

There are no journalism classes at Hutchinson, but the students have learned how to publish their paper by meeting together and presenting ideas. The paper is printed on a mimeograph machine. Some special editions on holidays or days of special activities are published besides the regular monthly editions.

Each publication involves approximately 2½ of work weeks before printing. Oriena Feaster is staff typist.

Reporters from each homeroom sell the publication at locations known as "trading posts." Copies are sold for 3c each. A copy is given to each teacher and Frank Moore, principal, for filing purposes.

The students are asked to write 3 reasons why they want to be on the staff before each is chosen by the faculty. The editor-in-chief assigns page editors to the pages — usually by staffer's choice. The staff is chosen from 5 sixth grade rooms.

Deborah Baker is editor-in-chief in 1961. She is the daughter of Mr. and Mrs. Curtis O. Baker, 938 E. 15th St. Her job is to supervise the staff and to check final drafts of the paper.

David Crawford is assistant editor. He is the son of Mr. and Mrs. Trevor Crawford, 1665 Watson St. His job is to assist the editor-in-chief and to fill that position if it is vacant.

Front-page editor is Glenn Hunter. He is the son of Mr. and Mrs. Paul Hunter, 1730 Locust St. His job is to fill page 1, the publications most important page.

Cynthia Baker, daughter of Mr. and Mrs. A. D. Baker, 781 E. 7th St., is the second-page editor. Her job is to write and arrange all material for the second page.

The job of picking up concluded stories and arranging the third page belongs to Ann Blackard, daughter of Mr. and Mrs. Joe L. Blackard, Rt. 1.

Reporters for the publication are:

Kirk Dibble, Cheryl Taylor, Gary Keaton, Linda Banks, Martha Mahon, Christy Stubblefield, Dale Dickard, Sally Pritchett, Pat Graham, Sarah Jane Harris, Nathan Hoyle, Dale Morris, Laura Lynch, Mary Jane Mundy, Jennifer Holbert and Patsy Smith.

"The Hutch" is a good way to keep up school morale, inform students and perform a service to the school — and the student staffers learn early how to work together and to assume responsibility says Mrs. Feaster.

"The Hutch" is a credit not only to its school and its community — but the newspaper profession.

CORRECTION

The report of the Looney Home Demonstration Club meeting was published in the Dec. 7 edition of the Record erroneously listed the date of the club's Christmas program as Saturday, Dec. 9. The party will be Tuesday, Dec. 19, at the Seven Wells School at 7 p. m.

Yancy Directs Methodist Men's Meet

Forrest Yancy, president, presided over the business session of the meeting of the Methodist Men of St. Luke Methodist Church in the groups meeting in the church sanctuary Thursday night.

The possibility of securing and installing portraits of past pastors of the church was discussed. Plans were made for the purchase and installation of a new tile floor for the church office.

The church office was painted by the members present at the meeting Thursday. Those participating were Yancy, John Brown, Oren Moore, Tom Allen and Weldon Rives.

Talk

By PEGGY BELVIN

BAD LUCK has taken its toll on DOYACE LEE, farmer of south Loraine.

After using his new tractor for some time, he brought the tractor into B. W. TARTT IMPLEMENT CO. in Loraine for a routine checkup. The tractor's carboration, points and wiring were checked, adjusted and timed and Lee put his tractor back into use.

A wasp made its way into the butane filler valve, let butane fumes escape and the tractor burned. After a new hood, a new coat of paint, wiring, carboration and butane equipment had been installed, the tractor was operating again.

Last week, Lee again brought the tractor in for a routine check for timing and faulty operation. On the way back to Lee's farm, the tractor was involved in a collision with a car.

The force of the collision broke the tractor in half. The motor, steering apparatus and front wheels were in one half and the back wheels in the other.

Lee again has his tractor back at the implement company, but for more than a routine check-up. After the damage has been repaired, he plans to put his ill-fated tractor back into use.

We wish him better luck in the future . . .

WINTER BLEW into Colorado City this week with freezing rain and blasting winds that drove memories of recent sunny days away and gave citizens a forecast of the really cold days just around the corner.

* * *

A FAMILIAR sound around this office is the complaint of JOE LANDEROS of what he calls his lunch hour. Since his wife has accepted a position with the MITCHELL COUNTY FARM BUREAU, Joe says his lunch hour is nothing but his "daily sandwich."

That's the familiar tale of woe of husbands of working wives . . .

FOR SISTER CLASS

Wesley Class Host to Dinner

The Daughters of the King Bible Class were guests Tuesday night of the Wesley Bible Class at a covered-dish dinner in Fellowship Hall of First Methodist Church here.

Rev. Darris Egger, pastor, gave the invocation. The president, Mrs. Ed Richardson presided over the business meeting.

The class discussed Christmas and birthday gifts for a girl in an orphanage in Waco which the class sponsors. Each member of the class brought an item to put in Christmas baskets to be given to needy families.

The devotional was presented by Mrs. Earl Brown. Mrs. Jess Craddock acted as emcee for a game of password. Mrs. Mildred Morgan conducted Christmas games. The members joined in singing Christmas carols and Mrs. L. B. Elliot dismissed with prayer.

Each member of the Wesley Bible Class brought one dish for the dinner —served buffet style.

Serving tables were decorated with Christmas balls arranged in a circle of ivy. Candles were used to accentuate the arrangements.

Members and guests present were:

Mmes. Richardson, E. M. Fisher, Roy Dozier, Craddock Brown, J. D. Norman, L. H. Brown, B. W. Womack, Cal C. Wright, Dewey Davis, Arnel Smith, J. T. Pritchett and Frank Andrews.

Also Mmes. Myrtle Womack, Joe Armstrong, Emma Thrillkill, Wilma Reynolds, H. L. Jamison, L. A. Carpenter, H. T. Coles, Morgan, A. A. Herrington, Pearl Durham, A. D. Criddy, W. H. Garrett and W. M. Miller.

And Mmes. L. K. Shaw, Elliot, Wilford Fox, S. N. Wood, J. B. Bradley, E. H. Winn, Sam Wulfjen, Rube Hart and W. W. Erwin.

Special guests were Egger, Mrs. John Austin of Alabama and Miss Gladys Miller and Miss Grace White.

SURVEY . . .

Continued From Page 1

The Chamber's portion of the project is sponsored by its Retail Merchants Committee, chairmaned by Jeff Taylor.

The survey has been developed, say its officials, for the primary purpose of finding out what Colorado City citizens want in the way of community development and what can be done to work toward those goals — as well as to determine buying habits of local citizens so that local merchants may better serve them and to also determine what citizens feel local business should offer the buying public.

Survey questions are:

1. Have you ever visited the Colorado City Historical Museum, yes or no?

2. Do you think that additional facilities are needed at our 2 lakes, yes or no?

3. What additional facilities do you think we need at Ruddick Park . . . miniature golf course, local West Texas wild life zoo, improved swimming facilities, kiddy rides, improved picnic areas, other? Explain.

4 How would you prefer to contribute to the various charities-contribute to each separately or contribute once through the United Fund?

5. What do you think the Chamber of Commerce should do to attract new industry?

6. Have you discussed any of our local industries or our industrial climate with out-of-town contacts within the last month, yes or no?

7. What do you think has been the biggest factor in preventing industry from locating in Colorado City?

8. Do you think that Colorado City has adequate recreational and entertainment facilities, yes or no?

9. If not, what additional facilities are needed most?

10. How would you rate our church facilities good, fair poor? Explain.

11. How would you rate our school facilities good, fair or poor? Explain.

12. Do you listen to radio station KVMC Weekly, daily a. m., daily p. m. or never?

13. What type of programs do you prefer on radio?

14. Do you normally read the Colorado City Record, yes or no?

15. Do you have an opinion as to how the appearance of our highway approaches to the downtown area could be improved?

16. Do you think the downtown area of Colorado City should be made more attractive, yes or no?

17. If so how would you suggest?

18. Would you actively support a cleanup and paint campaign next Spring, yes or no?

19. Are you aware of the facilities offered at our local library, yes or no?

20. Do you shop out of town often, seldom or never?

21. Where, Abilene, Big Spring, Dallas Ft. Worth Lubbock, Midland San Angelo, Snyder, Sweetwater or Wichita Falls?

22. Does advertising from these outher towns attract you, yes or no?

23. Would you shop in Colorado City if stores advertised the items you were interested more, yes or no?

24. Do you shop in Colorado City for a particular item, yes or no?

25. Would you shop in Colorado City more if prices were more competitive, yes or no?

26. What items can you buy cheaper elsewhere hardware, clothing, groceries, jewelry household, items, automotive or others?

27. Would you shop more in Colorado City if prices were better, yes or no? What suggestions do you have for its improvement?

28. Would you shop in Colorado City if you could find higher quality products, yes or no? What products of higher quality would you want hardware, clothing, groceries, jewelry, household items, automotive or other?

29. Would you shop in Colorado City more if there were a better selection, yes or no? In which do you find a poor selection hardware, clothing, groceries, jewelry, household items, automotive or other?

30. Would you shop in Colorado City more if traffic were lighter, yes or no? If parking were easier, yes or no?

31. Would you shop in Colorado City more if the goods were labeled in your language, yes or no?

32. Would you like to see more stores in Colorado City handling hardware, clothing, groceries, jewelry or other?

33. Does it bother you to buy items that you know your friends have seen in the store yes or no? In other words would you shop out of town for some items, such as clothing, no matter what the selection might be, yes or no?

34. Do you shop at a store because of trading stamps often, never, seldom or always?

35. What do you particularly like about this community?

36. What do you particularly dislike about this community?

37. What do you feel is the No. 1 need for our city and why?

Shortly after, Mrs. George R. Carpenter called Mrs. Gibson from McAllen and identified the packages. Mrs. Carpenter said her son, George W. Carpenter and family had visited the Carpenter home in McAllen for the Thanksgiving holidays and had taken the lost package with them when they left for their home in Lacueva, N. M.

Mrs. Carpenter said that her son had since written her that the package had been lost on the return trip.

Last Tuesday, Gibson mailed the package to the Carpenter home in New Mexico — a happy ending to another Christmas Story.

Hunt Guitar Dies Suddenly In Florida

Hunt Guitar, Colorado City native, died suddenly Thursday in Miami, Fla.

He was a brother of Don Guitar, 529 E. 15th St.

Guitar, 45 collapsed while at work with Film Arts Co. of Miami. He made his home in Apopka, Fla.

Funeral arrangements are pending in Orlando, Fla.

Guitar was born Nov. 18, 1916, here in Colorado City. He graduated from Colorado City High School in 1933. He served in World War II as a bombadeer.

He is survived by his widow of Apopka; 6 children, Mrs. Alson Clarke of Pasadena, Calif., and 5 of the home; a sister, Mrs. John LeBlanc of Natchitoches, La.; and a brother, D. Guitar of Colorado City.

Post Office Seeks Truck

A. M. Morris, Colorado City Postmaster, said today (Sunday) that the postoffice will accept bids on the use of a panel truck, pickup truck or automobile for about 10 days for use in delivering Christmas packages.

"We could probably use this vehicle from 20 to 30 hours during this period, "Morris said, "depending on the flow of incoming parcel post." The vehicle would be used only for a few hours per day, he added.

Interested persons should contact the postoffice for further details. Bids will close at 11 a. m. Wednesday.

Cornelius Named All-Conference Center

Robert Cornelius, son-in-law of Mrs. Jack Johnston, 1246 Oak St., was named to the all-conference team from a Southwest Texas squad that finished sixth in the Lone Star Conference standings this year.

Cornelius was practically uncontested for the center position on the first string.

Cornelius is a senior at Southwest Texas State College in San Marcos. His wife, the former Lincy Johnson has also been a student at San Marcos.

Visit in Sweetwater

Mr. and Mrs. Edwin Hallmark of Loraine were in Sweetwater Sunday visiting Mr. and Mrs. Orville Cranfill.

B-Teamers Topple in 56-Foul Tilt

The B-team Wolves took it on the chin from Andrews Mustangs' B-squad in their last 2 outings — Andrews won at home Friday night Dec. 1, 65-27 and here in Wolf gym Tuesday night, 51-34.

Fouls were the big thing in the Tuesday game here as Andrews committed 35 fouls divided among 11 players. All of those combined with the Wolves' 16 probably set or came close to setting some kind of basketball record for a single game in its class.

It's surprising either team found time to score as many points as they did with the fouls coming at an almost 2-per-minute clip.

Bill McGuire paced the locals here Tuesday night with 10 points on 1 field goal and 8 of 12 free throws.

Other Wolf scoring included Bill Boren's 6, Raymond Kincaid's 4, Richard Smith's 4, Danny Kennemur's 4, Ronnie Rothwell's 1 and Dale Walker's 5.

Smith led the offensive punch for Coach Jeff Walker's charges in Andrews Tuesday night with 7 points. He hit 2 from the floor and 3 from the free shot line.

Overnight Guest

Mrs. W. C. Wood of China Grove was a guest of her daughter and family, Mr. and Mrs. Russell Dunn, in Loraine Wednesday night.

Cable Television Reception in Colorado City

SOME QUESTIONS and ANSWERS

Anyone in Colorado City who owns a TV set is of course interested in the best possible reception so that programs may be viewed with a minimum of snow and interference and so that as much benefit as possible may be derived from the investment in a TV set.

The farther you are from a TV station, the more troublesome and expensive become your reception problems. Colorado City is situated in a "fringe area" for TV reception and very often even the most elaborate antenna arrays you have on your roof are not always satisfactory.

A community antenna television system, by means of a tall tower, is able to pick up stronger signals from the various TV stations in the area than are available at rooftop level, and to deliver these stronger signals from the tower to subscribers homes by means of an amplifier coaxial cable system. Colorado City residents will thus at their option have available a television RECEPTION service to provide you with clearer and more consistent pictures, on many channels, than you can obtain yourselves with your own antennas.

We will try to explain the operation of a television cable system by listing below the answer to questions most frequently asked about the service.

Q. Will the tower or the cable system interfere with reception on home antennas?

A. No, there will be nothing on the tower or associated with it which could possibly cause interference. The tower will act simply as a giant platform for our special receiving antennas and cannot in any way affect reception on individual antennas. By the same token, the cables used to transport the TV signals to all parts of Colorado City will be jacketed and shielded so that no radiation or interference with individual antennas will occur.

Q. Will the Colorado City cable company sell or service TV sets?

A. No. The cable company is not in the sales business, nor is it in competition with Colorado City servicemen and dealers who have been serving the needs of the people. We will hope to work in close cooperation with them, and we urge you to continue to patronize your local merchants and servicemen who have spared no expense to provide you with the best in service personnel and equipment.

Q. Once the cable system is built, does a person have to connect to it?

A. By no means. We hope you will want to enjoy the better variety and dependability cable service will bring you, but it is optional with the individual to use or not use the service as he desires. In any case, the cable system will not effect your present method of receiving TV.

Q. If I get cable service in my home, do I have to agree to use it for a particular period of time?

A. No. You are free to connect and disconnect as you choose. You pay by the month only for the length of time you wish to use the service.

Q. What about UHF? Will I need a converter?

A. UHF station carried on the cable will be converted at our antenna site to VHF frequencies (channels 2 to 13) so that any set connected to the cable will receive them without any further conversion equipment needed.

Q. How is my set connected to the cable system?

A. The cable system feeder line serving your block is "tapped" and a small drop cable (about the size of telephone wire) is run into your house and connects directly to the antenna terminals of your TV set. Your rooftop antenna is no longer needed.

Q. Is the community antenna television service coming to Colorado City the same as pay-TV?

A. Decidedly not. In pay-TV, you are expected to purchase programs individually on a pay as-you-see basis. In community antenna television (CATV) service you pay for the convenience of being connected to a fully equipped master antenna. CATV is not involved in the programs put on by TV stations or networks. In other words, the cable system's business is program service. There will be no coin boxes installed in your homes to meter your viewing hours or the programs you choose to watch. Clearly, CATV is not a program service as is pay-TV.

Q. Are there many of these cable systems around?

A. There are more than 800 communities in the country from coast to coast which are in television "fringe" reception areas and which now enjoy first rate television reception thanks to community antenna systems.

Q. When will the service be available?

A. We plan to be ready to serve subscribers by around Jan. 1, 1962. Exact date will be announced later since actual timing will depend on weather conditions during construction of the system.

Q. How many TV channels will be on the cable in Colorado City?

A. We will provide these 4 channels—Channel 2 in Midland, Channel 4 in Big Spring, Channel 7 in Odessa, and Channel 9 in Abilene—for full coverage of all 3 major networks, CBS and NBC and ABC. In addition, we will carry FM Radio from Midland for your listening pleasure.

There are no doubt particular questions we have left unanswered. As these questions are brought to our attention we will attempt to answer them publicly. We have met with most of the TV servicemen in Colorado City and they will be able to answer many of your questions about the service; those that they can't will be passed on to us and we will try to come up with the answers for you.

We are pleased and honored to be permitted to provide you with a dependable television reception service. We know you will enjoy it. Our group has been in this business for over six years and is going to install in Colorado City a television cable system that will be among the best in the country. You will be kept informed of new developments in our progress as they occur.
