Recent rains spell relief

Although recent rains which fell on Mitchell County were too little, too late for cotton farmers, the much-needed moisture was a welcomed relief from the drought that had gripped the area for so long.

Don Stewart with the Agricultural Stabilization and Conservation Service (ASCS) said it's hard to put a monetary amount on the benefit from the rains, but nevertheless, he said it could be

described as a million dollar rain.

"The rains have been excellent," said Stewart, noting that if it hadn't rained when it did, next spring could have seen a repeat of the Dust Bowl days.

"The moisture enabled the farmers to plow and it allowed small grains to be planted," he said.

Stewart explained that the rains allowed wild rye and winter weeds to come back which

will prevent the land from blowing and eroding.

"Rain never hurts as long as it's not heavy rains that cause erosion," he said.

Mike Squires, range conservationist with the Soil Conservation Service, agreed, saying the rains were of benefit to ranchers as well as to farmers.

"Runoff filled up tanks for livestock," said Squires, noting that the rains ensured spring growth of annual rye grass.

The moisture also will help form a ground cover before winter sets in, said Squires.

Squires said he checked some fields this week and that "there's still some moisture out there."

E. K. Chandler, president of the Texas Forage and Grassland Council, said that winter pastures should make good growth over much of Texas until the first heavy frost of the season.

Dr. Neal Pratt, forage special-

ist with the Texas Agricultural Extension Service, warned that the winter pastures which are just germinating from the rains need adequate amounts of plant nutrients to help "catch up" from a slow start.

"Many forage producers had planted their winter pastures in dry soil without a fertilizer application," points out Pratt. "They needed a good rain first to get a good stand, and now

Week honors business women

Colorado City Mayor Elmer Martin has proclaimed the week of Oct. 21-27 as Business Women's Week in Colorado City.

National Business Women's Week will be celebrated throughout the nation this week.

In his proclamation, Mayor Martin notes that "the aim of the National Business Women's Week is to call for the 'Combined Energies of All Women to be committed to high goals and purposes, to keep a sense of perspective, and to use their best talents to help our country, to set their hearts on the right course, and to help build a better world', which is a high aim needed by all the people of our great country; and

"The organization of the National Federation of Business and Professional Women's Club, Inc., is contributing much toward the advancement of these aims and in business and industry; and

"The Colorado City Business and Professional Women's Club, Inc., as an affiliate of the National Federation, is likewise contributing toward the improvement and progress of civic needs, business and industry, in our community;

"I, Elmer Martin, Mayor Colorado City, do hereby proclaim the week beginning Oct. 21 and ending Oct. 27 as Business Women's Week in Colorado City, and urge our leaders of busi-

ness, industry and civic organization to join in this observance."

The Colorado City Business and Professional Women's Club has several activities planned this week to observe the week.

A Sunday morning breakfast at Mac-Michael's Restaurant was planned starting at 8. On Monday, the group will meet on the City National Bank parking lot at 6:30 p.m. to go to Loraine to join that club for a dinner. Tuesday, club members will meet at the bank at 6 p.m. to travel to Sweetwater to meet with than club for a dinner meeting.

Thursday morning, a coffee will be held in the lobby of the City National Bank to honor all working women in Colorado City from 9:30-11 a.m.

elementary schools libraries.

Dr. Bingham will name his other committee chairmen in the near future.

Rabies case confirmed

A confirmed rabies case in Mitchell County has prompted a warning to citizens concerning rabies in the area.

Tracey Watkins of the Colorado City Veterinary Hospital said Friday that a skunk killed last week by a dog has been confirmed as having rabies. She said the skunk was killed two miles south of town.

"We want people to be aware of the situation," said Mrs. Watkins, who urges pet owners to make sure their animals have been vaccinated for rabies.

An outbreak of rabies cases was reported in July in Colorado City, but Mrs. Watkins said that rabies "is an ever-present problem."

Community pep rally

A community-wide pep rally has been scheduled for Thursday at 7 p.m. on the parking lot of City National Bank to show support for the Colorado High School Wolves who will be facing Ballinger Friday night in a District 7-AAA showdown in Ballinger.

The Wolf Pack, 7-0 for the season, is hoping to avenge a 14-7 loss to the Bearcats last year and Colorado City residents are urged to attend the pep rally.

The band and Wolverines will be on hand for the pep rally which is designed to show community support for the team as it travels to Ballinger Friday.

Antlerless deer tags to be issued here

must own or control acreage in Mitchell County south of Interstate 20.

After the opening of the hunting season, tags will only be available through Regional Offices located in Rockport, San Angelo, Tyler, Waco and the State Office in Austin. Tags will not be issued by local department personnel.

Landowners or their agents are urged to pick up tags on the scheduled issuance dates.

these pastures should make some growth."

"Winter pastures got off to a slow start this fall as dry weather extended through September over much of Texas," notes Pratt. "But if warm, moist conditions continue, winter pastures will be able to recover some lost early growth. Of course, fertilizer should be topdressed once pastures become established and can support fertilizer

equipment."

And while the rains were a welcomed sight to farmers and ranchers, they also helped green up homeowners' lawns while reducing water consumption from Lake Colorado City.

A spokesman with the Morgan Creek Power Plant at Lake Colorado City said that the lake has received some runoff. On Tuesday, the lake level was 2060.2, compared to 2059.5 before the rains. Lake Champion's level after the rains was 2065.8.

Travelogue program presented

Thompson Room.

She also showed many articles they brought back.

Mrs. Robinson traveled with a Big Spring group. Her main guest was a grandson. Colored slides made in Vancouver, Ketchikan, and Juno showed the natural beauty of the land. She concluded the program by showing West Texas wild flowers.

Margaret Trulock and Nadine Gordon were hostesses for the October program. They served cake and coffee.

Attending were Frances Myers, Fanny Fay Feaster, Verma Merritt, Nell Palmer, Bernice Hilliard, Dovie Brownfield and Betsy Aycock.

Also, Lorene Warneke, Big Spring, Beulah Lester, Minnie Boyd, Mary Ellis, Carolyn Shaw, Eleanor Jeffries, Curt Shaw, Kyle Shaw, and the hostesses.

Trick or treating guidelines

For older children, going trick and treating without their parents gives a feeling of independence. Parents can foster this feeling without endangering their child's safety by making arrangements ahead of Halloween.

Get a group of older children together and have one of the parents or another relative supervise. A responsible teenager could also be hired for the task. If you do let your children go without an adult supervisor, make sure you know who their companions will be.

Before sending children out to trick and treat, here are some suggested safety tips that parents can discuss with them:

—Only go into familiar neighborhoods along a route planned in advance. The children should have a designated time to return home, based on the length of their planned route.

—Stop only at houses or apartment buildings that are well lit. Do not enter houses or apart-

ments unless an accompanying adult approves.

—Children using bicycles should adjust their costumes and use bicycle clips where necessary. Make sure the bike has reflectors, a headlight and a horn or bell.

Dance class scheduled

Raymond Zamarrappa will be the instructor for a new country and western dance class beginning October 29, from 7:30-8:30 p.m., at the Wallace Center in Colorado City. Basic steps in "Texas Two-Step," "Schottisch," "Cotton-Eyed-Joe," "Put-Your-Little-Food," and "Dallas Four Corners," will be taught. To enroll in the class, you must come by the Wallace Center. Eight couples are needed by Oct. 24, for the class to begin. For more information, you may call the Wallace Center, 728-2392.

Coker presents Circle program

The Agape Circle of the First United Methodist Church met in the Fellowship Hall Monday, Oct. 8.

Juanita Coker was program leader and she presented an essay-type story entitled, "Power of God in Our Midst," by author Doris Franklin, a deaconess from the Delhi Regional Conference of the Methodist Church in India. Mrs. Coker stated the purpose of the story was to remind the local United Methodist Women that the same power of God that guided our foremothers 100 years ago to organize for mission is still active. She noted that India is one of the countries in Southeast Asia which has been linked intimately with the United States for about a century and a half.

The first missionaries from the United States of the Methodist Episcopal Church arrived in India in 1857. They worked several years teaching the women in India to take over the responsibility of continuing the work started by the missionaries.

In India, the Women's Society is a voluntary organization and is similar to United Methodist Women of America.

The program closed with a prayer by Rochelle Smith.

Peggy Ratliff, president, held a business session, during which the minutes of the last meeting were read and a treasurer's report was heard. Committee reports also were given.

It was announced that the following ladies attended an

annual meeting in Stanton during which officers for the Big Spring District were installed for 1985. They included Nancy Womack, Lonie Pruitt, Ann Brown, Nelda Garrett and Peggy Ratliff. Nelda Garrett was the installing officer and Peggy Ratliff was installed as district vice president and Nancy Womack as district chairperson of Supportive Community Affairs.

Hostesses for the Agape Circle meeting were Lil Brown, Peggy Ratliff and Nelda Garrett. Refreshments were served to Ann Brown, Juanita Coker, Elizabeth Elliott, Frances Godwin, Della Fox, Phyllis Glover, Ethel Hardegree, Billie Martin, Lonie Pruitt, Wilma Reynolds, Rochelle Smith, Dera Winn and guest Ruth Eaton.

PAYNE CHAPEL C.M.E. CHURCH

Rev. James R. Gilbreath, Pastor

It is exciting to rise in the morning with the expectancy that this might be The Day. It is deeply satisfying to lie down at night with the knowledge that the Lord might return before dawn. That's what is meant by "imminency."

The coming of the Lord is imminent. He has gone away to prepare a place for us, and He is coming back to take us to that place. His return, and the catching up of His church, can occur at any moment.

When you hold fast to this hope, you have a real reason for walking in truth and purity and for faithfully serving Christ. The Bible affirms this motivation. It links godly living with the expectation of His coming.

Nevertheless, we can become like the servant in the parable who said, "My Lord delays his coming." He gave himself to eating and drinking instead of to his master's service.

Not all who lose the truth of the imminent return of Christ cease to be faithful. Some just get tired of looking.

John was not the least bit discouraged by the passing years. Even for a very old man the possibility of the Lord's return was always there.

The attitude of expectancy became a pattern for living in the early church. James told his readers "be patient and stand firm, because the Lord's coming is near."

Paul anticipated it within his own lifetime when he wrote, "We who are alive and remain shall be caught up.....to meet the Lord in the air."

All of them, John, James, and Paul were looking for the "upper-taker," not the undertaker.

And John closes The Book by affirming the imminency of Christ's return in the Revelation, "He who testifies to these things says, "Surely I am coming quickly," Amen. Even so, come, Lord Jesus."

Dunn, Sweatt united in Lubbock

Jonetta Sweatt

Jonetta Dunn of Big Spring and Roger Sweatt of Lubbock were united in marriage Oct. 20 at Midway Baptist Church in a ceremony performed by Rev. Jerry Lewis, associate pastor.

The bride is the daughter of Mr. and Mrs. Chestine Dunn of Big Spring and the groom is the son of Mr. and Mrs. Roy Sweatt of Colorado City.

Given in marriage by her father and mother, the bride wore a formal white gown of chantilly and wedgewood lace. The bodice featured a high V-yoke with a ruffle around the yoke and was accented with sequins and seed pearls. The A-line skirt had rows of lace at the bottom and around the chapel length train, both featuring

small white bows. The sleeves of sheer lace extended to points over the fingers. A hat of matching lace and net completed the dress.

The altar was decorated with a 15-branch candelabra and two spiral candelabra with greenery, flowers and two large bouquets of red and white flowers. The setting was completed by a unity candle.

Bill Schaffner played the organ and Terry Dunn, brother of the bride, was vocalist.

The bride carried a cascade of white roses and baby's breath and red ribbon on top of her father's Masonic Bible.

Fay Dunn, sister-in-law to the bride, of Odessa was matron of honor. Amy Dunn, sister-in-law

to the bride, and Pat Condray, both of Big Spring, were bridesmaids.

Flower girls were Lori and Cindy Dunn, nieces of the bride. Sam Smelser of Big Spring was best man. Groomsmen were Ken Hallmark and Victor Brake, both of Big Spring.

Ushers were Dennis Dunn, brother of the bride, of Odessa, Mike Dunn, brother of the bride, and Shane Schaffner, both of Big Spring.

Candlelighters were Lisa Chambers of Snyder, niece of the groom, and Melinda Hallmark of Big Spring.

A reception was held in the church's fellowship hall. The bride's table had a white lace tablecloth over red featuring a four-tiered cake with fountain and winding staircase leading to

two smaller cakes with red roses. A bouquet of peppermint carnations and the bride's bouquet centered the table. The groom's table was covered with a red cloth and featured a chocolate cake and silver coffee service.

The bride is a graduate of Lefors High School in Lefors and Howard College in Big Spring. She is employed by Malone Hogan Hospital in Big Spring.

The groom is a graduate of Colorado High School in Colorado City, Western Texas College in Snyder and the Police Academy in Midland. He is employed by the Texas Alcoholic Beverage Commission as a state police officer.

After an undisclosed wedding trip, the couple will make their home in Lubbock.

Your Stars Above

BY EVE EWING

ARIES (3-21/4-19) Sometimes you set a pace it is hard to keep up with, and find yourself at the finish line all alone — and lonely. You can afford to slow down and smell the roses occasionally.

TAURUS (4-20/5-20) Because you do your dreaming in secret, you are often thought to be cold and unimaginative. Share yourself with those who care. You won't regret it.

GEMINI (5-21/6-20) You are too outgoing to become seriously involved with a loner. While opposites attract, they don't usually form lasting ties. Life on a desert island is not for you.

CANCER (6-21/7-22) A tendency to hang on too tightly could bring you much grief. Look closely at a current situation, and see if it is not time to let it go while you can still be friends.

LEO (7-23/8-22) A strong intellect and equally strong emotions make you a fascinating person, but only as long as you keep both traits in balance. Don't drift into fanaticism.

VIRGO (8-23/9-22) Your own superb logic often leads you into undue criticism of those less gifted. The trick is to use your keen mind, but without boasting, or contempt for others.

LIBRA (9-23/10-22) No one is better at understanding the feelings and viewpoint of others, a fact that leads you into the sometimes unsought role of mediator between opposing sides. Accept gracefully.

SCORPIO (10-23/11-21) An uncanny sixth sense about coming events is often misunderstood by those close to you. Although a useful trait, don't ride your hunches without candid examination.

SAGITTARIUS (11-22/12-21) Lady Luck is your boon companion, but she could use some help from you. Luck may not always be enough to forgive a life of broken dates and missed deadlines.

CAPRICORN (12-22/1-19) Pleasure is as much a part of life as toil, and is no sin. Loosen up and enjoy your hard-won fortune. Share with those dear to you. You are in no danger of becoming a dilettante.

AQUARIUS (1-20/2-18) Flitting from one relationship to another, and one lead to another keeps you somewhat detached from deep personal ties. That's okay for awhile, but give thought to slowing up.

PISCES (2-19/3-20) Although a cause you cared deeply about went down to defeat, don't despair. With people as dedicated as you, it will rise to fight another day, and the next time, it will prevail.

Answer to Previous Puzzle

Word Cage

BY TRACY ST. JOHN

RULES — There are three parts to THE WORD CAGE: (1) clues and (2) quiz, which lead to (3) the final answer, the MYSTERY WORD. The clues and quiz are hidden in the grid — up, down, across, backward or diagonally. First circle the clue words (we've found the first word for you). You may find the same letter in more than one word, so circle each letter clearly. Next, circle the quiz words; the first letter and number of letters are given for each. When you have circled all the clue and quiz words, the remaining uncircled letters will spell out the answer to this week's WORD CAGE.

A Shepherd shall lead them: Ajax von Klappermann, a 4-year-old member of the police department in Wuppertal, West Germany, has been issued a driver's license. Ajax is a German shepherd. The license was issued to enable Ajax to drive into a stadium, at a police-sponsored exhibition, and arrest a criminal. "Of course, it's a gag," said officer Gerhard Althaus. "But we're not saying how we'll make it look like the dog is driving." Ajax's license is valid for life — unless he is arrested for speeding. It's a dog's world.

Digest this:

Consumers Digest magazine listed the Chevrolet Corvette as the most stolen car in America, and Boston as the city where autos are most likely to be stolen. Car thieves also like the Cadillac Seville, Eldorado or DeVille; the BMW 320i; and Audi 4000S and 5000s; the Lincoln Continental Mark VI and the Pontiac Firebird. Thieves don't have much interest in the Subaru DL, Pontiac Phoenix, Ford Fairmont, Honda Civic or Toyota Corolla. They take a back seat.

Cook's Corner

Smith enjoys making bread when time permits

Carolyn Smith is a homemaker, a mother of two and works at her husband's office. So naturally her life is very hectic most of the time.

"I'm glad that my family are not picky eaters. They'll eat nearly anything so that makes it a lot easier."

When Mrs. Smith was growing up, she really just helped set the table and wash the dishes.

Mrs. Smith learned to cook after she got married. "I learned from recipes and my mother-in-law."

"I made a lot of mistakes when I was learning to cook, but Stephen ate them."

Mrs. Smith's children are at the age where they are involved in a lot of activities, "so usually we're all going different directions. When it's time for supper, we just pop something in the microwave."

Mrs. Smith likes to cook especially on weekends when her family can eat together.

She also fixes casseroles and freezes them, so they can just warm them up in the microwave when everyone's going their separate ways.

Mrs. Smith's favorite thing to bake is French bread.

"I like to bake bread when I have the time. I haven't baked bread in a long time though."

Nearly all the meat that Mrs. Smith prepares is baked or broiled.

She likes to try and experiment with new recipes and has a lot of cookbooks.

Mrs. Smith is married to Stephen Smith, a CPA and they have two children, Steve Jr., a freshman at CHS and Nicole, who is in the sixth grade.

Today Mrs. Smith is sharing four of her recipes with RECORD readers.

CHICKEN & DUMPLINGS
1-5 lb. hen or 5 lb. chicken parts

1 teaspoon salt
1 small onion chopped

Carolyn Smith

Cover chicken with water, cook until tender, remove from broth and cut into small pieces.

DUMPLINGS

2 cups all purpose flour
5 tablespoons (rounded) Crisco

1 teaspoon salt
1/2 cup water

4 oz. chopped pimentos
Cut Crisco into flour with pastry blender. Add water a little at a time to moisten.

Reserve half the dough. Roll other half to a thickness of one-eighth inch. Cut into 1"x2" pieces. Bring reserved broth to a rolling boil, drop dumplings in one at a time, cook until tender (about eight-10 minutes). Pour this into a casserole 9"x13", sprinkle in pimento, salt and pepper. Roll reserved dough for top crust, dot with butter, bake at 450 degrees until browned about 30-40 minutes.

VEGETABLE MARINATE

4 stalks fresh broccoli
8 large fresh mushrooms
1 medium bell pepper chopped

3 stalks celery chopped
1 small cauliflower, flowerets
1/2 cup sugar
2 teaspoons dry mustard
1 teaspoon salt
1/2 cup vinegar
1 1/2 cup vegetable oil
1 small onion grated
2 tablespoons poppy seeds
Remove flowerets from broccoli, cut into bite size pieces. Combine with mushrooms, pepper, celery and cauliflower, toss lightly. Combine remaining ingredients; mix well, pour over vegetables. Chill three hours or overnight.

CHOCOLATE CHIP CAKE

1 yellow cake mix
4 eggs
1/2 cup oil
1 1/4 cup warm water
1 teaspoon vanilla
2 small packages instant chocolate pudding
1 cup chocolate chips

Combine cake mix, dry pudding, eggs, oil, water, vanilla and mix well. Fold in chips. Bake in greased and floured bundt pan at 325 degrees for one hour, 10 minutes. Wait about 10 minutes before removing from pan.

BROWNIES

Melt together:
1/2 cup Crisco
2 tablespoons oleo
1/2 cup cocoa
Mix:
2 eggs
1/4 teaspoon salt
1 cup sugar
1 cup pecans chopped
1 teaspoon vanilla
1 teaspoon baking powder
Add melted mixture to the above and stir in one cup flour. Bake in greased and floured pan, 9x13, 350 degrees for 30 minutes.

ICING

Melt 1 stick butter and pour over small box powdered sugar—adding a little milk to thin. Add pecans if you like. Ice while slightly warm.

Varsity volleyball team falls to Crane in district match

By TONY FRANCO
An aggressive Crane Golden Cranes volleyball team and an error-prone Colorado City squad hooked horns in a district 7-AAA match at Crane last Tuesday and the result was an easy 15-7, 15-5 victory for the hosts.

Tuesday for the second of only two district matches.

A second victory by Crane would clinch them the district title while a Colorado City win would force a third and deciding match.

"Crane did a good job of spiking the ball," said Merrell. "Mental errors and missed serves cost us quite a bit. We've got to be more aggressive. Crane gave us opportunities, we just didn't score. We can't beat ourselves. Their back line people played well and didn't really have that much trouble with our spikes."

With Dara Scott serving, the Golden Cranes quickly led 2-0

behind Rosemary Sandival's two blocks of Sherry Fite spikes. A spike by Jo Mitchell gave Crane their third point and Scott went on to serve for a 4-0 lead.

Fite aced Crane, then missed on her second serve to leave the Wolves trailing 4-1.

A Wolves error gave Crane a fifth point then Jody Huff served for two points to cut the Cranes lead to 5-3. A missed Colorado City spike and spike by Crane's Jackie Drone increased their lead to 7-3.

Four service points from Jody Mann then tied things up at 7-7. In the four point stretch, Denise Jackson blocked a spike by Mitchell, spiked one herself and Traci Blackwell dinked for a point.

The next eight points and the game went to Crane. Drone's twice blocked Wolves spikes and spiked herself for three of the points. Four Colorado City errors and a spike by Mitchell made for the rest. Colorado City squandered serving opportunities and lost the game clincher on a missed spike.

Behind Wolves errors and spikes by Jan Johnson and Drones, Crane jumped to a 7-0 lead in the second game. A fite block with Sherri Morris serving and a service point by Julie Waid made the score 8-2 then Crane extended it to 14-2 with another rash of Wolves errors.

Colorado City hung tough and prolonged the defeat with one service point from Morris and two from Jackson—one an ace. Crane took the match on an unreturned serve by Terri Grooms.

Colorado City's junior varsity had troubles of their own losing 15-8, 15-8.

Two service points from Kellie Beights tied the first game at 2-2. Colorado City errors, committed throughout the match gave Crane a 5-2 lead then Lee Ann Parker and Holly Tarter served once each and pulled to within one at 5-4.

The Wolves took a short lived 7-5 lead with three service points from Andra McKinney. Except for a Beights serve that made it 10-8 in Crane's favor, the Wolves couldn't manage to overcome errors and went on to lose the first game.

In the second game, service points by Carmen Reyes, Jennifer Selvera and Beights found Colorado City and Crane tied at

3-3. Crane extended it to 6-3 before Tarter served twice to cut the lead to 6-5.

Crane made it 9-5—then one service point by McKinney and two by Reyes made it 9-8. The Wolves rally ended one short though as Crane then took the next six points and the match.

Play Tuesday at Wolf gym begins at 6 p.m.

Sixth ranked Plowboys squeak by Bulldogs

The Roscoe Plowboys breezed past the Lorraine Bulldogs 28-13 Friday night in district 7-A action at Bulldog Stadium.

While the second half was scoreless, the first quarter started off with a bang when Roscoe's Kevin Reed romped for 65 yards on the Plowboys' first possession. The points after were no good.

With nine minutes left in the first quarter, Roscoe scored again, this time from five yards out on a carry by Matt Denman. Reed dove over for the extra points, and the Plowboys led, 14-0.

Still in the first quarter, Lorraine got on the scoreboard when Tony Morris scored from 11 yards out. The kick by John McAdams was good, making the score 14-7.

Roscoe's Reed took the Bulldog kick at the 30-yard line and ran the distance to give the

Plowboys their third touchdown for the first quarter. The extra point try was good, and Roscoe led 22-7.

Lorraine also managed to get on the scoreboard again in the first quarter after Roscoe fumbled at the three-yard line. Morris scored, but the try for extra points failed, and the Bulldogs went into the second quarter trailing, 22-13.

The Bulldogs had missed an earlier scoring opportunity in the first quarter but fumbled on the one-yard line.

A pass completion from mid-field gave the Plowboys their final touchdown late in the second quarter. The try for extra points failed, but Roscoe enjoyed a 28-13 halftime lead which stood for the rest of the game.

The Bulldogs were able to rush for 231 yards for the night with Morris picking up 165 of those. Lorraine completed three of nine passing attempts for 48 yards with two interceptions. They gained a total of 22 first downs.

The Bulldogs fumbled three times and had nine penalties

totaling 70 yards. They had to punt the ball away twice for the evening.

The Plowboys, with 21 first downs, rushed for 342 yards. Out of 10 passing attempts, four were completed for 92 yards.

Roscoe fumbled three times and had eight penalties totaling 60 yards.

Friday night, the Bulldogs will travel to Forsan.

Wolves shutout Lions for 7th season win

PERRY CONNER (10) and Billy Jackson (21) open up the left side for quarterback Doug Chitsey's second quarter six yard touchdown run. Chitsey scored again in the third quarter during the Wolves 46-0 romp over Ozona that set-up this Friday's showdown with Ballinger.

After the game...

Coach Tom Ramsey—"I'm glad to get that one over with. We did what we had to do. The mental part of the game was the toughest. Coaches don't like to play people that aren't supposed to do well. We had good work-outs and had them keyed up. Now we'll have to tone them down for Ballinger. After 40 points, we shut it down. You don't want to run the score up

unless it's the right team."

Armando Rivera—"Well, we played pretty good. During practice, we were down a little. We were thinking about Ballinger. We didn't want to score as many points as we could. We settled down and played good. We're ready for Ballinger." On his interceptions: "I was just there. He was throwing high. They came right to me. I just wish I

could have returned one."

Sam Rivera—"It was just a tune-up for Ballinger. Compliments to my blockers. I had to save some for Ballinger."

Ruben Rivera on his quarterback sacks: "Our defense looked good. We kept our intensity level high all game long. That's what its going to take for Ballinger. We're ready, we want them."

By TONY FRANCO

The Colorado City Wolves held the Ozona Lions to seven yards total rushing and otherwise demolished the visitors for a 46-0 district 7AAA victory here last Friday night.

The Pack's defense, which held Ozona to a negative one yard rushing in the first half, picked off six interceptions in the contest and three were by Armando Rivera.

Colorado City followed a 21 point first quarter with 12 and 13 point second and third quarters before showing mercy on the Lions in the fourth quarter by pulling quarterback Doug Chitsey out of the game.

The Wolves scored on three of their first four possessions before Ozona even made its first first down on the first play of the second quarter.

Colorado City took the first possession of the game and promptly drove 76 yards in nine plays for its first touchdown.

Two runs by Billy Jackson moved the Wolves to midfield, then strong-armed Chitsey passed to Chris Aguillon for 28 yards down to Ozona's 32 yard line. From there, Jackson carried to the 25 before giving way to Sam Rivera.

Rivera, the game's leading rusher with 118 yards on 22 carries, carried four times following Jackson's run and gave the Wolves a 7-0 lead on his fourth run from four yards out with 8:37 left in the first period.

The Wolves defense made Ozona go backwards on their first possession and forced them into the first of seven punts.

A tipped ball intercepted by Ozona's Harvey Fierro gave the ball back to Ozona at their own 20 but again the Lions were forced to punt.

Two plays later and following a five yard gain by Jackson, Chitsey hit Don Randle on a short pass over the middle then Randle sprinted to the endzone for a 14-0 lead with 2:31 still remaining in the first quarter. Chitsey had kicked the first PAT but gave way to Heath Blassingame on the second PAT kick.

Again Ozona's Fierro punted to end the Lions next drive and three plays later, Colorado City had its third touchdown.

A 20 yard Chitsey and Randle combination put the Wolves at

Ozona's 21. Rivera followed it with a 16 yard run, then Jackson got the score on a five yard run with 24 seconds still remaining in the first quarter. Blassingame kicked the point after for a 21-0 score.

Though Ozona finally made a first down on the next series it again ended in a punt.

Three incompletions forced the Wolves to do the same then A. Rivera picked off his first of three interceptions on the very next play.

A. Rivera fumbled the ball after a 23 yard reception of a Chitsey pass to return the favor then Perry Conner picked off his own interception at midfield and returned it to Ozona's 30.

Five plays later Colorado City cashed in again and led 27-0.

The drive began with a four yard run by Jackson and was followed by four Rivera carries. His fourth was good for one yard and the score with 6:12 left in the half. Jay Piland missed wide left on the PAT kick.

Ozona punted and Colorado City seemed headed for another score but big Edward Borrego intercepted a Chitsey pass at the Ozona five to end the threat.

For the first time, Ozona then moved the ball behind three passes from substitute quarterback Steve Sanchez to Fierro and J. B. Green. Sanchez's fourth attempt was one too many as A. Rivera picked off his

second interception at midfield and returned it to Ozona's six.

Two plays later, Chitsey scored on a six yard keeper around the left side and Colorado City led 33-0. Blassingame missed wide left on the PAT attempt.

Gary Marsh intercepted Sanchez to begin the second half but then Chitsey was intercepted himself by Ozona's Chuy Hernandez.

Two plays later, A. Rivera had his third interception and returned it to the Lions 34.

The Wolves wasted little time to make it 40-0 with 5:54 left in the third period. Chitsey, who also had an 18 yard run in the drive to Ozona's eight, got the score on a six yard keeper around the right side. Blassingame kicked the PAT.

Following yet another Ozona punt, Chitsey and Aguillon teamed up for 33 yards to move the Wolves to the Lions six. Three plays later Randle took a Chitsey pass at the five then fought his way into the endzone to end the scoring. Piland again missed the PAT kick at :25 of the third period.

Colorado City used Mike Ligon as quarterback during the fourth quarter. He came in after Ronnie Hernandez intercepted a pass at Ozona's 40 and returned it to the 23.

The Wolves drove to the Lions one but that was as close as either team again threatened.

We want to say thank you to Dr. Lindsey, Dr. Jones, the nurses at the Clinic, J. W.
