Storm Heads For Texas Coast

VICTIM OF GANG ATTACK—Rose Marie Gemma, 17, of Lynn, Mass., nursing a blackened right eye, holds shorn locks and town wedding gown after her release from Lynn Hospital. Miss Gemma claims five girls entered the apartment where she was baby sitting, cut off all her hair and poured fingernail polish on her scalp. Police quoted the Gemma girl as saying that the group accused her of making a remark about their morals before assaulting her. Miss Gemma said she planned to be married. (AP Wirephoto)

BLOCKADE TIGHTENS

Chinese Nationals May Need Aid Soon

By ROBERT TUCKMAN

TAIPEI (AP)—The Chinese Nationalists said today the Communist blockade of Quemoy is tightening and they soon may need help to keep their supply lines open.

Rear Adm. Liu Hoh-tu, chief Nationalist military spokesman, refused to tell newsmen whether U.S. warships might be asked to escort supply convoys to the islands just off the Communist mainland.

There have been persistent rumors that ships of the U.S. 7th Fleet would soon start escort duty to the offshore islands.

Dispatch of U.S. vessels to guard Quemoy-bound convoys would send the ships across Red China's new 12-mile sea limit. The Peiping government has indicated it would regard such action an invasion of its territory.

Liu's remarks followed Thursday's reported U.S. decision to help defend Quemoy and Matsu against any Communist invasion—possibly by bombing Red bases on the China mainland.

The Chinese Nationalists, who have flatly rejected Red China's new sea border along with the United States, also backed President Eisenhower's official warning that U.S. forces would help fight for the offshore islands if he felt they were vital to the defense of Formosa.

Foreign Minister Huang Shao-ku issued a statement saying "The firm stand of the United States" was a clear warning to the Communists not to try seizing the offshore island. Huang's remarks apparently were intended to overcome an earlier remark by a foreign ministry spokesman who said the United States should have made a more clearcut statement of its position.

(In Moscow, Pravda warned that the Communists would retaliate throughout the Far East if the China coast is attacked, but the kind of retaliation was not spelled out.)

The importance of the Quemoy islands to the Nationalists was underlined by Liu's disclosure that they have 100,000 troops there. This is far higher than there. This is far higher than previously believed.

In rejecting the new Chinese sea border, the Nationalist Foreign Ministry claimed that the Chiang Kai-shek regime is the only government that can lawfully speak for China.

The Nationalist Foreign Ministry spokesman termed the Communist proclamation null and void.

The Communist declaration was taken in some quarters here as an attempt to forestall U.S. 7th Fleet ships from escorting Nationalist supply vessels whose trips to embattled Quemoy Island have been curtailed by Red gunfire.

The Nationalist defense headquarters reported that up to early afternoon only 60 Red shells had landed on the offshore islands. The previous day only 144 shells were reported.

This was the quietest period since the Reds triggered the newest Formosa Strait crisis by loosing a 58,000-shell bombardment on Quemoy and the neighboring Tan islets Aug. 23.

DISCUSSES FAR EAST—Secretary of Defense Neil McElroy, returning to Washington, D. C., from Chicago, talks with newsmen at National Airport during a discussion of Far East tension. The Secretary said that if the Red Chinese are wise, they will not open full scale war in the Far East. (AP Wirephoto)

Corpus Area Under Alert

By The Associated Press

Texas' middle coast braced Friday for the approach of tropical storm Ella, first of the season to mount a serious threat in this sector.

The U.S. Weather Bureau in a 10 a.m. (CST) advisory placed the center of the storm, still poorly defined and a little below hurricane strength, at a point 320 miles south-southeast of Corpus Christi in the Gulf of Mexico.

Forecasters said the present course of Ella, advancing west-northwest at 12 to 15 m.p.h., indicated it would hit the coast just north of Corpus Christi late Friday night or early Saturday.

This would be very near to Port Aransas, latest of the storm's possible targets to be evacuated. Residents of the resort community, 16 miles from Corpus Christi on Mustang Island, started an orderly departure at 6 a.m. Friday.

Gale warnings flew along a 200-mile stretch of coast from Corpus Christi to Galveston.

The Weather Bureau, predicting tides would keep on rising to 4 to 6 feet above normal, warned all interests along the Texas and West Louisiana coasts to be ready for quick action in event Ella regained hurricane force.

Civil authorities also ordered other low areas evacuated from Corpus Christi upcoast past Galveston.

Heavy rain fell along the coast and high water already had closed several highways along the beaches.

At Galveston the tide ran 3½ feet above normal before noon. Officials said if it went to 4 or 6 feet, as expected, the sea water would flood some parts of downtown Galveston.

The Weather Bureau reported winds of 40 to 70 m.p.h. in squalls over a big semicircle in the extreme northwestern Gulf ahead of the storm. This put their maximum strength 5 miles less than hurricane force.

Ferry service became irregular between the island city of Galveston and mainland Point Bolivar. The Highway Department said if the bay grew any rougher service might be suspended.

In Houston a voluntary team of more than 9,000 civil defense workers stood ready for emergency duty. Floyd Miller, city civil defense director, said the downtown city auditorium and Sam Houston Coliseum were available for shelters and plans had been made for mass feeding of possible refugees.

The Red Cross alerted personnel all along the Gulf coast to be ready to rush aid to any area.

Shrimp boats jammed the harbor at Rockport, Port Arthur and elsewhere, observing a Weather Bureau warning that small craft remain in port from Brownsville, Tex., to New Orleans.

At Galveston, civil defense director said police and sheriff's deputies were warning tourists to get off the beaches but no evacuation was in progress. He arranged for use of Lovenberg Junior High School as a shelter.

The Brownsville Weather Bureau said tides 3 feet above normal were washing all beaches on South Padre and Boca Chica Islands and covered Highway 4 to Boca Chica at a few places.

Hea y showers also fell in the Lower Rio Grande Valley. Brownsville measured .56 inch after daylight with rain still coming down.

At Port Aransas, which has a normal population of about 1,000 persons, constable Henry Olsen said most tourists had departed and only a few permanent residents would remain. The Coast Guard has a station there.

County To Make Application For Hospital Funds

Several members of the county commissioners court and hospital board and other county officials are back here today after going to Austin to investigate the possibilities of federal aid in adding facilities at the county's Cogdell Memorial Hospital.

The hospital board and commisioners court began plans several days ago for an addition to the hospital after a Chicago hospital consulting firm which had made a survey for the board said there was immediate need at the hospital for 20 additional beds. The need has been intensified since the announcement that Snyder Clinic Hospital will be closed Sunday.

A 40-bed wing, the top floor of which might not be finished until needed later, is proposed.

Before calling a bond election, the board and commissioners court had decided to check into possibilities of Hill-Burton hospital funds.

They met yesterday with Dr. Dean F. Wynn, director of hospital service, and his assistant, Joseph Lilli, both of the State Health Department.

At Wynn's recommendation, Bill Newsom, hospital superintendent, and Edgar Taylor, county judge, will return to Austin Sunday to present a preliminary case for Scurry County in application for Hill-Burton funds.

The state department's board will consider the case for possible recommendation to the federal government.

Wynn said allocations for Hill-Buron funds are rather indifinite. Even though the county might be eligible for federal participation, it may be some time before the funds could be made available. Congress appropriated $161 million this year for Hill-Burton hospital funds, but quite often the majority of funds allocated are already spoken for and allotted by the time appropriations are made

Wynn told the group that he believed Scurry County has proceeded in the right way in making plans for hospital expansion. He recommended that the county go ahead and call a bond election for hospital expansion if the additional beds are needed now and then continue during construction of the hospital wing to work for federal aid. It could be next Spring or even next fall

See COUNTY, Page 2

Kansas Town Under Water

CLYDE, Kan. (AP) — Flood water from Little Elk Creek inundated this northern Kansas town's business district to a depth of two to three feet.

No casualties were reported. Four residents were missing for a time but all were accounted for later as the water receded rapidly.

John Hale, editor of the weekly Clyde Republican, said that except for a dozen houses on high ground every home in the town of 1,100 was damaged.

Occupants of homes in low places were evacuated, he said, but for the most part residents remained in their homes.

Severe thunderstorms Thursday night and early today dumped from 7 to 10 inches of rain on parts of north central Kansas. An estimated 10 inches fell north of Clyde.

Ira Building Bids Called For Sept. 18

Bids will be opened at 2 p.m. on Sept. 18 for a community building to be constructed by the county in Ira.

The county commissioners court this morning approved plans and specifications, prepared for Precinct 3 Commissioner Pat Moore by J. D. Hinton, Snyder architect.

The new building will cost an estimated $22,000. It will have about 2,800 square feet enclosed and 1,000 square feet in porches. It will be of concrete tile and face brick contruction.

The biulding will be located on the old Ira tabernacle property, which was donated to the county for the community center. It will face south.

Inside will be an auditorium 36 by 64 feet with a stage, kitchen, and restrooms 12 by 40 feet total, a covered entrance 10 by 15 feet, and a back porch eight by 40 feet.

The building will have steel and wood roof contruction, Hinton said, adding that it will also have steel windows, acoustical tile on the ceiling in the auditorium, Formica counter tops and mahogany cabinets in the kitchen. It will have a concrete slab floor.

Alternate bids will be taken on asphalt and vinyl tile floors and on evaporative air conditioning.

Hoffa Postpones Convention Plan

WASHINGTON (AP) — Teamsters chief James R. Hoffa has postponed a decision on whether to call a union convention which could free his union from a court-appointed monitoring board.

Objections to the plan by the monitors themselves led Hoffa yesterday to announce a Sept. 16 meeting of the union's International Executive Board and the monitors to discuss the proposed convention.

Under terms of the court order by U.S. Dist. Judge F. Dickenson Letts, which set up the monitoring board, the union can get the monitorship dissolved by holding a convention any time after next January and electing officers again. The election would be supervised by the monitors.

Letts set up the monitor arrangement as part of a compromise settlement of a lawsuit challenging Hoffa's right to become Teamsters president last year.

Martin F. O'Donoghue, chairman of the monitor board, earlier had protested Hoffa's announced plan to outline his convention plans to the union's Executive Board yesterday. O'Donoghue said the monitors should be consulted first.

No observer doubted that Hoffa could win re-election at a special convention. Reportedly, his plan is to call a convention in February, get himself re-elected, and then ask the court to end the job of the monitors.

O'Donoghue consulted with Judge Letts on monitor powers and complaints that Hoffa is not following through on monitor cleanup recommendations.

After the two-hour session, also attended by Hoffa's attorneys, O'Donoghue told newsmen, "We are much satisfied."

O'Donoghue said Judge Letts had not given a formal opinion on the status of a rival cleanup group appointed by Hoffa himself and headed by former Republican Sen. George Bender of Ohio.

O'Donoghue indicated he would take any conflict with Bender's group into open court and seek a ruling from the judge.

Nude Prowler Is Nabbed In Dallas

DALLAS (AP)—Police captured early today a nude prowler whose antics in north Dallas apartments brought complaints from 20 women in 4 days. The white man, 31, wore only a towel and sandals.

Police said during the past four nights the man, who said he is married and the father of a child, has appeared at a score of apartments of women. Police said he exposed himself to the women but did not molest any of them.

The man was booked for investigation of lunacy and for indecent exposure.

Two Couples Trade Mates

NORWALK, Calif. (AP) — Two couples in this Los Angeles suburb traded mates this week and are living across the street from each other in honeymoon harmony.

The neighbor wives obtained divorces in Las Vegas, Nev., Tuesday and immediately married each other's former husband.

Patricia Speth, 38, wed Shelby Bozarth, 47, a brush salesman; Bertha Irene Bozarth, 39, married Harry L. Speth, 40, an equipment operator.

In the divorce actions, each wife charged her husband with cruelty.

Both couples are childless. Speth and his first wife were married in Madison, Wis., in 1941. Bozarth married his first wife in 1939 in Fullerton, Calif.

The new Mrs. Speth said today: "We had been neighbors five years. Harry used to live in the house across the street.

"It was not an easy decision to make. We knew people would talk.

"But we all sat down together and discussed it last June. The four of us were very understanding about it all. By mutual agreement, we decided to get a divorce and remarry.

Reuther Joins In Contract Parley

DETROIT (AP) — Walter P. Reuther personally joined contract talks at General Motors today, declaring his United Auto Workers Union would do everything possible to avoid a strike.

His move came as new wildcat walkouts idled some 20,000 workers at Big Three auto plants.

Reuther, the UAW president, amiably shook hands with GM Vice Presdient Louis G. Seaton, who also told newsmen the company would do everything it could to head off a strike.

Reuther said he would join Ford and Chrysler talks next week before the union Executive Board meets Wednesday to set a strike target and deadline.

UAW members have been working since June 1 without a contract at GM, Ford or Chrysler. The old contract expired May 29.

Reuther said the union would not compromise demands for increased layoff pay benefits, pension improvements, special benefits for displaced workers and a wage increase based on productivity.

Reuther declined to put a price tag on union demands because he said that would complicate bargaining.

He had no comment on current wildcat strikes.

New walkouts today idled close to 15,000 workers at three GM Chevrolet plants in Flint, Mich.; and a Fisher Body plant in Euclid, Ohio. Some 7,000 were still off the job in continuing disputes at Ford, Chrysler and other GM plants.

Houston CD Is Prepared For Action

HOUSTON (AP) — A voluntary team of over 9,000 civil defense workers stood ready for emergency action today if tropical storm Ella develops to hurricane strength and swings into the Houston area.

Floyd Miller, city civil defense director, said the local preparations are precautionary measures.

The city auditorium and the Sam Houston Coliseum, both in the downtown area, will be available as shelters.

Miller said 7,500 city employes, 300 auxiliary policemen and 326 auxiliary fireman have been alerted. He said the Houston Restaurant Assn. is ready for mass feeding and that food can be drawn from a federal depot at Hockley.

Harris County also has alerted 1,000 members of its civil defense organization, 700 sheriff's department reserves, 250 constable reserves, and key personnel in small cities surrounding Houston.

The Red Cross has alerted its personnel all along the Gulf Coast so that help can go quickly to any area.

Residents in the coastal area between Houston and Corpus Christi were preparing for the storm.

Department Store Sales Show Gain

DALLAS (AP)—Texas department store sales increased 3 per cent during the week ended Aug. 30, the Federal Reserve Bank said today.

Sales in Dallas and Fort Worth increased 9 per cent and those in Houston declined the same amount. El Paso sales were up 8 per cent and San Antonio 6.

No Negroes Enter Van Buren School

VAN BUREN, Ark. (AP) — A group of about 50 segregationist white students apparently succeeded today in keeping Negroes out of integrated Van Buren High School.

But they failed in their boast that hundreds of other white students would join them in their boycott, which started Thursday. One striker had said Thursday night:

"You'll see very few white kids in there (the school) tomorrow."

Newsmen watching all three entrances to the 600-pupil high school did not see any of the 13 Negro students arrive at class time, 8 a.m. (CST). Later, reporters who were permitted inside the one-story red brick building found only white students in the classrooms.

The leaders of the student strike stationed themselves across the street from the high school and called to other students to join them as they arrived for class.

The strikers fashioned a cardboard sign and attached it to a telephone pole. It read:

"Chicken whites go to school with jigs."

A sprinkling of girls joined the striking group. Loud cheers went up as a student left the school ground to join them.

But a huge majority of Van Buren High's students attended class as usual.

One school official said, "Those are nice kids," referring to the students who filed into the building hurriedly when the first buzzer sounded. Nodding toward the strikers, he said:

"It's the few out there that get the publicity."

The official estimated that only about 35 of the striking group actually were enrolled in the high school.

A spokesman for the parents of the Negro students said a meeting would be held over the weekend to decide what to do.

As the boycotting white students milled about, a number of white adults watched quietly from automobiles and street corners.

Scorning a guard's threat to shoot them, the rebellious white youths burned a Negro in effigy on the campus Thursday night. Several boasted that their parents were behind them had had given them permission to strike.

WEATHER

SNYDER TEMPERATURES: High Thursday, 89 degrees; low, 66 degrees; reading at 7:30 a.m. today, 70 degrees.

East Texas — Heavy rain and squalls near the coast this afternoon, spreading over south portion tonight and Saturday. Otherwise mostly cloudy with some rain. No important temperature change. Watch for latest advisory on Ella.

South Central Texas — Heavy rains and squalls near the coast this afternoon spreading over north and east portion tonight and Saturday. No important temperature change. Waich for latest advisory on Ella.

North Central Texas — Increasing cloudiness this afternoon and tonight. Occasional rain Saturday in south portion. No important temperature change.

West Texas — Partly cloudy through Saturday with widely scattered mostly nighttime thundershowers. No important temperature changes.

'57 Civil Rights Act To Get First Test In Georgia Court

COLUMBUS, Ga. (AP) — The Civil Rights Act of 1957, a measure to protect voting rights, will get its first test in federal District Court here.

The new Civil Rights Division of the Department of Justice filed a suit yesterday accusing Terrell County's five election registrars and deputy registrars of discriminating against prospective Negro voters.

Spokesmen for the division indicated the suit is the first in a series. They declined, however, to pinpoint other areas under investigation.

J. G. Raines, chairman of the Terrell County Board of Registrars, denied the government allegations. Said Raines: "I am not rabid on the race question. I try to apply the law as I think it should be applied."

The government suit seeks an injunction which would prohibit Terrell County (1) from following different procedures in the processing of voting applications by Negro and white citizens, (2) from applying more stringent standards in giving a literacy test to Negro applicants, and (3) from refusing to certify a group of Negroes named in the suit as having passed the literacy test.

The civil action alleges that several Negroes, including four school teachers with college degress, were denied voter registration certificates last April on grounds of alleged inability to read correctly and intelligibly.

The complaint charges that Negroes who applied as early as October 1956 for registration were not pemitted to appear for hearings on their applications until April 7, 1958. White applicants who applied in March 1958 were all given hearings and registered by March 24, some on the same day of their application.

Raines said the backlog of applications when he took office included many from white persons as well as Negroes. He said the white applicants had filled out their forms properly, enabling the board to act on them promptly. None of the applications filled out by Negroes was in proper order, he said.

The federal suit charges that "the acts and practices of the defendants are designed to deny the right to vote to Negro citizens of the United States and of the State of Georgia solely because of their race and color.

The suit said an investigation showed that in 1956 only 48 Negroes of 5,036 of voting age in Terrell County were registered, while 2,679 of 3,233 white persons of voting age received registration certificates.

Virginia Pupils Go Back To School On Segregated Basis

ALEXANDRIA, Va. (AP)—Arlington County's approximately 23,000 pupils go back to school Monday on a segregated basis.

Whether 30 Negroes—or some of them—are entitled to attend various white schools will not be decided until after the Supreme Court acts in the Little Rock case now pending before it. Further arguments in that case will be heard by the high court next Thursday.

Federal Dist. Judge Albert V. Bryan last night gave the go-ahead for the opening of schools in Arlington without change in Virginia's policy of assigning white and Negro pupils to separate schools.

But the judge stressed that his action was without prejudice to the Negroes' request for assignment to white schools. They can be transferred later, he indicated, if he should decide they are entitled, on constitutional or other legal grounds, to be reassigned.

The five members of the school board met informally after Judge Bryan ruled, and promptly announced they would stick by the Monday school opening date they had fixed earlier.

Judge Bryan said he felt the Supreme Court would act without undue delay in the Little Rock case. He indicated he hoped there might be some elaboration on just what the court had in mind when it said in 1955 that public schools must be integrated "with all deliberate speed."

The issue in the Little Rock case is whether there should be a 2½-year delay in integration there.

In three days of testimony and legal argument, attorneys for the National Assn. for the Advancement of Colored People hammered hard on their theory that race played a role in the denial of the Negroes' applications for transfers to white schools.

Virginia's attorney general, Albertis S. Harrison, joined counsel for the school board in insisting that considerations other than race prompted the denials.

Reasons assigned by the school board included school attendance areas, overcrowding at Washington-Lee High School, low academic achievement of the applicants, psychological problems and lack of adaptability to new situations.

Nuclear Warfare Is Merely A New Tool To Adm. Nimitz

By P. D. ELDRED

BERKELEY, Calif. (AP) — Nuclear warfare to a veteran of 57 years active naval service, Fleet Adm. Chester W. Nimitz, means new tools with the same function.

Contemplating the anniversary of his appointment to the Naval Academy at Annapolis Sept. 7, 1901, the white-haired World War II commander of the Pacific scanned the foggy Golden Gate from his sunny garden home in the Berkeley Hills and offered some discerning thoughts on nuclear weapons and missiles and atomic-powered submarines.

"I've seen the nucleus of the Navy change from the battleship to the aircraft carrier — the most concentrated unit of power we have now — and I hesitate to say what the Navy will be built around in the years to come."

The 73-year-old admiral, famed in World War II for his sound judgment and tactical skill, recalled he was given his first submarine command, the Plunger, in 1909.

"The submarine is the one type of vessel in our Navy today that is least vulnerable to nuclear attack," he said. "And the advent of nuclear power has tremendously increased the offensive power of submarines.

"They are much faster, dive far deeper and have much greater ability to evade attackers than the old submarines.

"If you try to visualize the Navy in the years to come you can bet there'll be submarines.

"And you can be sure there will be small combat ships — destroyer and escort types — because for the discernable future the commerce of the world is going to be carried in surface ships.

"The aircraft carrier, like any surface vessel, is vulnerable to nuclear weapons but, because of its speed and mobility, it is very difficult to find the carrier."

The admiral, who recently cruised off the California coast in the Nautilus, was high in his praise of this atom-powered submarine and her sister ship, the Skate, for their sensational voyages under the North Pole ice.

Asked about missiles and their possible influence on naval warfare, the admiral was skeptical about the accuracy of intercontinental and intermediate range missiles.

"If a weapon cannot be placed accurately on a military objecjective, if it hits civilian areas instead, it is just an irritant.

"In other words, I'm a show-me guy."

After he signed for the United States when Japan formally accepted surrender terms aboard the battleship Missouri in Tokyo Bay, Nimitz was chief of naval operations for two years. Fleet admirals are seldom retired. Nimitz has kept busy with a host of activities, service and civilian.

HOSPITAL NOTES

SNYDER HOSPITAL

ADMISSIONS — James Hass, 223 East Thirty-seventh Street, Lubbock.

DISMISSALS — D. H. McDaniel, Snyder; Mrs. Leslie Griffith, Box 682, Forsan.

COGDELL MEMORIAL

ADMISSIONS — Peggy Sue Freeman, 2711 Avenue O; Della Gertrude Thomas, Box 132, Lueders; Cynthia Westbrook, 2110 Forty-second Street; Bart H. Moody, Redwood Courts; Linda Starnes, 2511 Avenue U; Irene Nancy Albritton, Box 1698; Joseph Edward Miller, 3605 Avenue V; Maggie A. Inman, Gen Del., Colorado City.

DISMISSALS — Charlotte Wooley and baby, 1409 Twenty-fourth Street; Melba Louis, DeLuxe Trailer Courts; Glendola Beall, 131 Milburn; Isac Smith, Box 745, Fluvanna; Michael Pendland, 2503 Avenue Z.

BIRTHS

Mr. and Mrs. Willie E. Freeman are parents of a seven-pound, one-ounce daughter, born at 8:32 p.m. yesterday at Cogdell Memorial Hospital. The mother lives at 2711 Avenue O. The father is in the Navy, stationed in California.

Rites Set Sunday For Marsh Infant

Funeral services will be held here Sunday for Peter Gene Marsh, 20-month-old son of Mr. and Mrs. Bobby Marsh of Lubbock formerly of Snyder.

The child died at 9:15 a. m. today in a Big Spring hospital.

Survivors include the parents, one brother, James Stephen Marsh; the paternal grandparents, Mr. and Mrs. Pete Marsh of Snyder; the maternal grandmother, Mrs. Ed Duncan of San Francisco, and the maternal grandfather, Henry Turner of Beaumont.

The hour for the funeral services had not been set this morning. The rites will be conducted in the Colonial Hill Baptist Church, with the Rev. Jimmie Nelson, pastor, officiating.

Arrangements are in charge of Bolger Funeral Home.

Auto Plunges Off Highway Embankment

A car overturned after running off a steep road embankment near the south city limits on the Big Spring highway about 11:15 o'clock last night.

Police who investigated said the car rolled over on its top, but that none of the occupants was injured.

The car, a 1954 Chevrolet, was owned and driven by Wayne Harris, 1213 North Main, Monahans.

Construction work is being done on the road and in places banks are as deep as three feet.

STOCK AVERAGES
Compiled By The Associated Press

	indust	rails	util	60 stk
Prev. day	277.4	111.6	82.6	186.7
Week ago	274.3	111.2	81.5	184.7
Month ago	276.1	110.8	82.3	185.8
Year ago	257.9	113.5	72.3	173.5

NEW YORK (AP—Cotton was 35 to 60 cents a bale higher at noon today. October 35.41, December 35.83, March 36.28.

NEW YORK (AP) — The stock market eased irregularly in moderately active trading early this afternoon.

Most leading issues were off narrowly or unchanged. A minority of gainers, a few of them sizable, spotted the list.

Prices were irregular from the start. The Tendency became slightly lower as trading progresses.

Steels, motors, aircrafts, oils, rails and utilities showed a lower tendency. Plus signs among drugs, chemicals, tobaccos and selected issues gave some support to the averages.

The Wall Street atmosphere was cautious. Prices were near 1958 highs so profit taking continued. Uncertainty about the weekend was heightened by the situation in the Formosa straits and the possibility of an auto strike.

The average was bolstered a bit by Kroger which added more than two points to its rise of Thursday as rumors continued that a stock split and higher dividend were likely. Firestone, which leaped about four points Thursday on similar rumors, slipped more than a point today.

U.S. Tobacco advanced more than a point. Du Pont dropped about a point. Eastman Kodak rose about a point.

U.S. government bonds continued a mild recovery.

Prisoner Is Taken To Penitentiary

Frankie Lee Beene, convicted here several days ago for burglary of the China Grove Store and given five years in prison, was picked up yesterday by officials of the prison and taken to Huntsville.

He had been back in the county jail here after being taken to Big Spring several days ago for grand jury action on a burglary charge. Both Beene and Coleman Lawhorn who had also received a five-year sentence here, were no-billed at Big Spring.

Lawhorn will not go to prison until after action is taken on a burglary charge at Roby, according to Sheriff Earl Abercrombie. Lawhorn is now in the Roby jail.

COUNTY CRIMINAL COURT:

Billy Oliver Isbell, plea of guilty to charge of driving while intoxicated, $73.50 fine and costs, three days in jail, six months drivers license suspension.

Roy J. Browning, charged with swindling; Docket correction, originally recorded as driving while intoxicated.

FILED IN CIVIL DISTRICT COURT:

Joe Bob Faulkenberry vs. U. S. Fidelity and Guaranty Co., compensation.

DIVORCES GRANTED:

Clara Mae Sinclair vs. Robert M. Sinclair.

WARANTY DEEDS RECORDED:

V. Anne Eicke, individually and as s and minor, to Willie P. Head, lot 10, block 9, Chambers Garden, except minerals.

NEW VEHICLES REGISTERED:

Howard G. Sierling from Lamb Chevrolet Co., 1958 Chevrolet four-door.

C. N. Ainsworth from Lamb Chevrolet Co., 1958 Chevrolet pickup.

W. S. White, Wichita Falls, from Wilson Motors, 1958 Edsel two-door.

COUNTY

Continued From Page 1

before it is determined whether the county can get federal participation, Wynn said.

While in Austin, Newsom investigated possibilities of having Cogdell Hospital, now a member of the Texas and American Hospital Associations, accredited with the Joint Committee on Accredation of the American Hospital Assocaition. Such accreditation is special recognition to outstanding hospitals, and only four West Texas hospitals are now accredited.

Basically, Cogdell Hospital has facilities for accredation, and the State Department of Health will have representatives here within a month to visit the hospital in line with the request. It is unusual, Newsom was told, for a hospital the size of Cogdell to have facilities for accredation.

1Going to Austin were Taylor, Doyle Parmer, and Pat Moore; Dan Cotton, county clerk, Newsom Pat Falls, chairman of the hospital board, and Hugh Taylor, member of the board.

A full report is to be made to the entire hospital board at its regular meeting on Sept. 18.

New Bermuda Hotel Destroyed By Fire

HAMILTON, Bermuda (AP)—A fire that burned downward from the roof left one of Bermuda's newest and largest hotels, the Bermudiana, a total loss today.

Several firemen were overcome by smoke but no injuries were reported. The hotel manager said all 215 guests plus regular residents and staff members were moved safely to other hotels.

AID FOR A COMRADE IN ARMS — Wounded Chinese Nationalist soldier is carried piggy-back by comrade after landing barge trip to Makung in the Pescadores Islands from Quemoy. Injured soldier was among wounded evacuated from Quemoy which was shelled heavily by Red Chinese shore batteries. (Life Magazine Photo from AP Wirephoto)

Fitzgerald Says He Can Explain

By G. MILTON KELLY

WASHINGTON (AP) — Teamsters lawyer George S. Fitzgerald said today he can explain fully his role in a million-dollar union welfare fund loan under fire in the Senate rackets hearings.

He expressed resentment that the hearings were adjourned until next Tuesday before he had a chance to reply as a witness to testimony involving him.

The special investigating committee headed by Sen. John L. McClellan (D-Ark) heard testimony yesterday about a 1955-56 loan to a Detroit real estate promotion firm which allegedly has repaid none of the debt and not all of the interest due.

The loan was made from the Michigan Conference of Teamsters welfare fund.

A staff accountant testified that the Winchester Village Land Development Co. paid Fitzgerald and others a $35,000 fee for telling the firm where it could get the loan.

Fitzgerald, a former Democratic national committeeman from Michigan, told newsmen the payment was made for legal services and not as a loan-finding fee.

The accountant, Walter H. Henson, testified that money from the loan was used improperly for various purposes. He estimated the union fund will wind up losing nearly $650,000 of the million-dollar loan. It has received only $104,000 of $279,000 due in interest, he said.

Fitzgerald contended, however, that the company has other assets and said the money will be recovered in full. The firm was organized by Abe Green and Jack I. Winshall of Detroit to develop property near Flint, Mich.

But Henson testified that $20,935.75 of the money went for purchase of 19 cows and a bull.

He related also that the firm used a phony billing system to sell a piece of the mortgaged property for $10,000 and buy it back a few months later for $50,000.

Henson said the million dollars had been deposited in escrow with the Abstract and Title Guarantee Co. of Detroit under seemingly iron-clad safeguards for its proper use.

He said one of these required the borrowers to submit to the abstract company bills for work performed in developing their real estate project. The abstract company then had to pay the billers directly.

Henson testified that officials at Winchester borrowed stationery from the Aero Realty Co. of Detroit and sent themselves phony bills on these letterheads to provide a basis for drawing money against the loan.

Henson said welfare fund records show Teamsters President James R. Hoffa figured in approving the loan to Winchester.

Two Brothers Open Drive In Supermarket

LINDEN, N.J. (AP)—A drive-in supermarket opened today.

Customers can phone their orders and then pick them up at a window. Small orders will be filled while the customer waits.

The operators of the store, Larry and Joseph Di Leo, say they got the idea from drive-in banks.

The brothers see their store as a great boon for mothers with young children, housewives who don't want to dress up to go shopping, and for husbands who can leave the grocery list on their way to work and pick it up going home.

U. S. Trust Fraud Trial Is Postponed

HOUSTON (AP)—The Federal Court trial of the U.S. Trust & Guaranty Co. mail fraud trial, scheduled to start Monday, was postponed indefinitely today.

Judge Joe Ingraham granted motions filed by the seven defendants.

One of the defendants, Hugh Hope of Waco, is seriously ill. Ingraham was advised Hope is to undergo major surgery Monday.

Another defendant, A. B. Shoemake, former president of the defunct Waco firm, had not been expected to appear next week for the trial. Shoemake shot himself in the head after the collapse of the insurance company and has not recovered.

Other defendants include Willis Lewis, Little Rock, Ark.; James Hay, Waco, and W. E. Hutchenrider, Marshall Fuglaar Sr., and Sylvester Loughlin, all of San Antonio.

Attorneys for Hope last week advised asst. U.S. Atty. Sam Ratliff that Hope was ill. On Ratliff's motion, Ingraham then signed an order directing Dr. W. H. Buckholts, manager of the Veterans Hospital in Dallas, to supervise a medical examination and make a report to the court not later than last Tuesday.

Suspect Is Released On $1,000 Bond Here

J. B. Archie of Snyder was released on $1,000 bond this morning after being charged with assault with intent to murder, a felony.

He had been arrested by city police in connection with an alleged shooting two nights ago. The charge alleges that Archie shot with a pistol at David Delce, who was not hit.

Bondsmen were T. C. Goss and Harold Brown.

Taken To Lubbock

Michael Pendland, 2503 Avenue X, was taken from Cogdell Memorial Hospital to Methodist Hospital in Lubbock by Bolger ambulance early this morning.

Men Down Under Have New Pinups

LITTLE AMERICA, Antarctica (AP) — The men down here have a fresh set of pinups. And their favorite is Miss Massachusetts.

After heated electioneering in 67 below zero weather, they picked Patricia Nordling of Lexington, Mass., as Miss Little America of 1958.

Miss Nordling, 20, 5 feet 6, 132 pounds, 36-25½-36, gets a silver penguin trophy in ceremonies today at Atlantic City, N.J., where she is competing for the Miss America title to be awarded tomorrow night. The men chipped into a collection to buy the statuette.

It was a close race. At the end of the final voting Miss Nordling, a blue-eyed brunette, was tied with Patricia Eaves, 18, 5 feet 6, 120 pounds, 36-24-36, a hazel-eyed blonde from Cookeville, Tenn. Miss Nordling won the runoff.

In all, 109 men spending the icy winter in the antarctic as part of the International Geophysical Year participated in the voting — 82 Navy personnel, 23 U.S. IGY observers and four foreign scientists, from Russia, France, Argentina and Australia.

They made their selections from Associated Press pictures of the various state winners, transmitted to the antarctic by Paul P. Blum, operator of amateur radio station W2KCR in North Syracuse, N.Y. Blum, a parts buyer for General Electric by day, has transmitted hundreds of news pictures, photos of wives and new babies, and more than 5,000 personal messages in nightly broadcasts over the past two years.

Other finalists were Mary Elizabeth Morin, 18, Manchester, N.H., Gene Lenoir Wilson, 18, Charleston, S.C.; and Donna Juanita Riggs, 20, Phoenix, Ariz.

The men did not know the names of the girls or the states they represented until the balloting was over. Pictures were numbered, and all they had to guide them were the vital statistics.

Miss Nordling is a junior at Lasell College for Women, Auberndale, Mass., taking a prenursing course. Her hobby is music, she has studied voice, piano and modeling, and her favorite sport is water skiing.

After the results were announced, and the men had calmed down, the operator of radio KC4USA, Navy radioman Russell A. Whitman of Hancock, Mass., messaged Blum and the Associated Press:

"It has been just what the doctor ordered for us. The moral here has really gone sky high. It has added pleasure to our otherwise routine life. Thank you."

Colorado City Woman Suffers Broken Hip

Mrs. Maggie Inman, 77, of Colorado City suffered a broken hip yesterday when she fell on a step at the home of a daughter, Mrs. Gerald Walton, 3713 Avenue U.

She was taken by Bolger ambulance to Cogdell Memorial Hospital.

FASHION-RIGHT STRIPES—figure-flattering and style-smart—make important news in the year's outstanding sportswear of knitted wool. This, a two-piece costume of "camel" beige striped in jet black, is of finest pebble-stitched knit in 100% virgin wool. A significant note for the coming season is the wide-spread, turn-down collar. "Tube-silhouette" overblouse pulls dramatically low over straight-line skirt—a clear and strong statement for the new longitude of sweaters and sweater-blouses. A wonderful two-piece costume that will be worn both as a fashion unit, and as separate items in mix 'em and match 'em combinations with skirts, blouses and sweaters, in the all-wool casual wear wardrobe being presented to "Miss Wool of 1959."

WOMEN

Working Mother Tends To Spoil Her Children

By Dorothy V. Whipple, M. D.

Mrs. Chapel was a school teacher. When Johnny was born she took off the barest minimum of time and then went back to her teaching. She had competent help at home to care for her little boy. But like almost every mother who has to leave her child, she felt guilty because she wasn't with him all day. Johnny was healthy and strong and happy — he was obviously a well-cared-for little fellow. The woman who took care of him loved him and he loved her.

Mrs. Chapel arrived home about 4 o'clock every afternoon and was always at home over the weekends. She tried to give Johnny in the hours she was with him all the mothering and love she would have given him if she'd been home all day. She spent just about every minute with Johnny. She played with him, bathed him, fed him his supper. She hovered over him. She denied him nothing.

Over - Indulgence

As Johnny grew a little older he knew he could get away with anything with mother. Supper was often a problem. Johnny would take a bite, then jump down and run around the room. Mother followed him about with the dish and spoon and tried to poke a spoonful in while the child wasn't looking. Every night it was the same story. Johnny practically hung from the chandelier while he was getting his supper. His mother was the very soul of patience.

Over the weekends it was the same story. Johnny almost never played by himself. One or the other of his parents danced attendance on him all day long. If either one attempted the least bit of dicipline Johnny threw a tantrum and got his way.

After one particularly stormy weekend Monday morning rolled around and Tish, Johnny's daytime caretaker, arrived on schedule. Johnny jumped down from the breakfast table where he had deigned to sit for a few minutes and rushed into the arms of Tish, his little baby face covered with joy (as well as oatmeal).

Poor Mom

This was too much for Mary Chapel. She burst into tears. Here she had broken her neck to make life good for Johnny but he so obviously preferred Tish. And Tish had always reported she never had any trouble with the youngster. He ate his meals without fuss or bother, he played around happily while Tish did the housework. He almost never had tantrums.

Mary Chapel was jealous of Tish. This Monday morning she knew it and faced it. She was an intelligent, warm - hearted girl and brave enough to look inside herself. She was so anxious that Johnny love her best that she gave in to him in every tiny detail. But the truth was Johnny didn't like it. He felt uneasy and a bit frightened to be responsible for his parent's behavior. He felt safer with Tish, who exercised a little bit of firm but gentle discipline.

Sorority Holds Meet Thursday

The Gamma Upsilon Chapter of Epsilon Sigma Alpha met in the home of Shirley McDaniel, northeast of city at 7:30 p.m. Thursday evening.

The business meeting was presided over by Mrs. McDaniel. The group voted to send $25 to a sister ESA member who's small son is in a hospital in Louisiana with stomach cancer.

Plans were made for the district meeting to be held in Snyder on Oct. 19th. Thirteen chapters of the district are expected to be present.

The first rush social of the season will be held on Sept. 19. A Hawaiian party has been planned with three girls who visited the islands this summer to show colored slides and narrate.

The first program of the year was on hobby hunting, and was presented by Mrs. G. W. Hicks. She showed finished items in knitting, crochet and needlepoint as well as explained the methods of each. She also gave the group some interesting suggestions on Christmas gifts.

Refreshments of cookies and Cokes were served by the hostess to Marjetta Black, Emily Hill, Adrienna Sparks, Ila Sue Minor, Carmen Ivison, Norma Thompson, Ida Stokes, Joyce Williamson, Peggy Guy, Billy Springer and the guest speaker.

TOMATOES

Low in calories, high in nutritive value, excellent flavor, beautiful color and good value for money spent is the September story for tomatoes. The wise food shopper gets more for her money when she buys them in season. Field ripened tomatoes contain about twice as much vitamin C as those grown in greenhouses. Peeling tip: Place tomatoe on a long handled fork and hold over the flame, turning slowly. The skin slips off like a glove.

Chow Mein Noodles Make Tasty Sweet

Sweet tooth often assail you during an evening of tele-viewing? Here's a crunchy confection you can make in minutes with chow mein noodles, blended with melted chocolate and butterscotch.

Chow Candy Clusters

In a heavy saucepan combine a 6-ounce package of chocolate chips and a 6-ounce package of butterscotch chips. Melt, stirring contantly, over low hear. Remove from heat and stir in two 3-ounce cans of chow mein nookles. Mix quickly to coat each noodle. Dip out tablespoonfuls on waxed paper; cool.

Easy way to make soft bread cubes. Stack two or three slices of the bread on a bread board. With a bread knife, and using a sawing motion, cut the bread into narrow strips. Cut again in the opposite direction to make cubes of even szie.

Adams Reunion Held Sunday

UNION (Spl.) — The children and grandchildren of Mrs. J. B. Adams were all home over the weekend for their annual reunion.

Those present were Mr. and Mrs. H. W. Adams, Robert and Mary Ann of McCamey; Mr. and Mrs. E. M. Boles, Joe Carl and Donna of Lamesa; Mr. and Mrs. Wayne Boles of Welch; Mr. and Mrs. Nolan Adams from Laredo; Mr. and Mrs. Virgil Jones and Anita of Bangs; Mrs. Jimmie Moseley of Fort Worth; Mr. and Mrs. Grady McCorkle of Brownwood; Mr. and Mrs. O. R. Adams and Joe Bayless of Rankin; Don Adams of Snyder, and J. B. Adams Jr. of Lamesa.

Don't worry about keeping curtains and draperies with metallic yarns crisp and fresh. These yarns are machine washable, with the yarn both nontarnishing and colorfast.

Civic Music Drive Here Saturday

A kickoff of the Civic Music drive will open tomorrow at 10 a.m. at the Martha Ann Woman's Club. All division chairmen, captains and workers and any other persons interested are urged to attend.

Mr. John E. Bourdeaux, representative from New York, who is working with civic music this week and next will be present to give instructions to the workers. Important announcements about the coming programs will be made at this time.

Mrs. Thomas F. Hartley and Mrs. Ophelia Blackard are in charge of arrangements and refreshments for the meeting.

Mrs. Bill Atwood is organizational chairman and Mrs. Theo Lamb, campaign secretary. Division chairmen include, 1st. Mrs. Ophelia Blackard; 2nd. Mrs. Adell Josephson; 3rd. Mrs. Helen Rodgers; 4th. Mrs. Martha Hartley; 5th. Mrs. Mary Dulaney; 6th. Mr. Bill Byers and 7th. Mrs. Rachel Rosser.

More interest and enthusiam is being shown this year than in many years, according to Bob Clinton, president. He thinks this is due to concerted effort to bring more varied programs this year than has been done in the past.

The drive will open tomorrow morning at 10 a.m. with the kickoff and close at noon on Sept. 13. Memberships must be purchased during the drive or it will be impossible to see the concerts. No tickets will be sold at the door. Memberships are $7 for adults and $3 for students.

Summer Dress-Up

1341
12-20

A favorite with fashion, the youthful sheath that is a 'must' in your vacation wardrobe plans. Three sleeves are provided for this version.

Send THIRTY-FIVE CENTS in coins for this pattern — add 5c for each pattern for first-class mailing. Send to IRIS LANE, (care of this newspaper), Box 438, Midtown Station, New York 18, N. Y.

UNION NEWS

By MRS. J. B. ADAMS

Mrs. H. G. Moore and Mrs. Ruby Eades and children, are home after visiting with relatives in Gadson, Alabama and Tenn.

Joe Overton, Tommy Rosson, Billy VanNess, and Ralph Bellamy are vacationing in Red River, N.M.

Mr. and Mrs. Rubin Jones had as a visitor last week her mother, Mrs. W. J. Jones of Hope, Ark.

Recent visitors in the H. J. Schulze home were her brother, Mr. and Mrs. Henry Schniedeyams from Hanover, Kan.

Mr. and Mrs. O. P. Tate had as visitors recently, Mr. and Mrs. Curtis Tate, Paul and Darla of Wichita Falls, and Mr. and Mrs. W. F. Clark Jr. from Penrose, Colo.

Mr. and Mrs. J. H. Moore of Arp, Tex. are visiting their daughter, Mr. and Mrs. J. W. Kitchings.

If the tears flow every time you grate an onion, just put a piece of bread in your mouth. It will reduce your discomfort immeasurably.

WOMEN'S CALENDAR

SUNDAY

Luncheon at Martha Ann Woman's Club by reservation, Sunday 12 to 1 p.m. Reservation deadline at 5 p.m. Saturdays.

Snyder Book Review Club will meet at the Martha Ann Woman's Club at 2 p. m. Mrs. Bard Paul of Dallas, guest reviewer.

Women's Auxiliary of the Fire Department will meet at 7:30 p.m. at 315 Thirty - sixth Street, with Mrs. Bill Engler as hostess.

Central P-TA Meeting Held

The Central Elementary Parent-Teachers Association executive committee met Thursday afternoon.

Plans were completed for a Parent - Teachers get acquainted night to be held September 11, at 7:30 p.m. in the school auditorium.

Refreshments will be served in the cafeteria and a program is being planned.

A chef's knife and a generous-sized cutting board are wonderful in the kitchen. They take care of all kinds of fine and coarse chopping chores.

Acacia Club Holds First Meet Wednesday

The Acacia Study Club held their first meeting of the club year Wednesday, Sept. 3 at the Martha Ann Woman's Club, with Miss Alice Birdwell, hostess.

Roll call was answered by 23 members. The current events report, which is a regular part of every club meeting, was brought by Mrs. Fred Auforth; (and concerned the fate of the sack dress).

Mrs. Elmer Etgen was in charge of the program and introduced the guest speaker, Mrs. Wayne Boren, who presented an interesting program based on the history of the Federation of Women's Club.

In closing the program Mrs Etgen gave a brief discussion o the history of Snyder's first woman's club, the Altrurian Club.

During the business meeting the members voted to buy five student memberships to the Civic Music Association to be presented to students who might not otherwise be able to attend the civic music programs.

Mrs. Mark McLaughlin, a former member was voted back into the club.

Sour Cream Sauce Good With Meat

Wonderful camouflage for yesterday's roast served again today is this. Frizzle slices of cooked beef or ham quickly in butter and serve with sour cream horseradish sauce. To make the sauce, fold three tablespoons well drained horseradish sauce into one cup dairy sour cream, and add a pinch of sugar and salt.

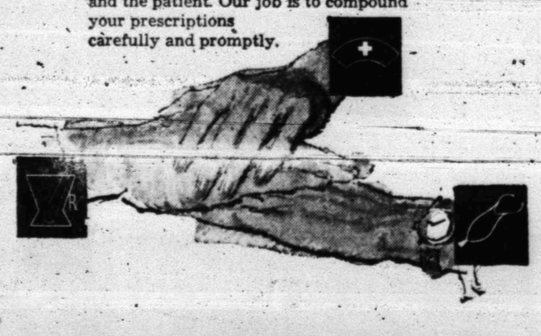

WE STICK TO OUR LASTS

There was a time when pharmacists often were called "Doc." Doubtless it was a complimentary gesture.

Even in this late day, the pharmacist frequently is asked to diagnose and prescribe by his customers.

But like the shoemaker, we pharmacists stick to our own lasts. We neither diagnose nor prescribe. These health team functions fall within the special province of physicians both by law and professional training.

As a member of the health team, we are an intermediary, serving both the doctor and the patient. Our job is to compound your prescriptions carefully and promptly.

An Interesting Race Looms

THE HOUSTON CHRONICLE:

The United States Senate race in New York state this fall is one of the most interesting in the country. It will be a contest between a Republican representing the traditional "upstate" voters, Rep. Kenneth B. Keating, and a Democrat, representing the heavily Democratic New York City area, Dist Atty. Frank S. Hogan of Manhattan.

Keating is generally an Eisenhower Republican, with a middle-of-the-road voting record in the House. He showed a reluctance to accept the nomination at the G.O.P. state convention, until President Eisenhower sent word that he wanted Keating to make the race.

Hogan apparently was the second choice of the Democrats, after Mayor Robert F. Wagner of New York City declined to let his name be put in nomination. The Manhattan district attorney won the nomination over the opposition of Gov. Averell Harriman, who is seeking a second term against another multimillionaire, Republican Nelson A. Rockefeller.

The Republicans want this Senate seat badly, not only for voting power in Washington, but for prestige and campaign help in the 1960 presidential election. The Republicans already hold the other Senate post. Richard Javits of New York City, then attorney general of the state, won it in 1956. Keating also strengthens the G.O.P team in New York state for November, since it obviously will draw upstate support for the gubernatorial nominee, Rockefeller.

The Democrats are well aware of all aspects of the significance of the race. That is why they wanted to put their best foot forward with Mayor Wagner. He still is popular in New York State, despite his defeat by Javits in 1956 by more than 450,000 votes.

Both parties are making an all-out effort in the Senate races this year. The addition of Alaska to the Union offers another problem for Democrats and Republicans, since the new state will have two voting senators. The Senate will have 98 instead of the present 96 members. It will take 50 senators to constitute a majority.

If the Republicans should pick up the two Alaska Senate posts—the Democrats have won most elections there in recent years, however—the New York senatorial seat may prove pivotal.

Under these circumstances, both parties will be exerting their top efforts in New York's Senate race.

Just Try Living In Uncle's Index

WASHINGTON (AP) — Lady, if your husband grumbles about the household food bills, try beating the government price index.

Whether in time he'll also grumble about the dinners you serve is a matter of debate.

The index is the figure the government announces each month to show whether average prices have gone up or down. It's been pretty consistently up of late. Food is considered along with other commodities and services.

Officially labeled the consumer price index, it's often called the cost of living index.

That nettles a lot of retailers. Supermarkets, for instance, contend that by selective buying you can eat just as well at no more cost than a year ago. They say the food price index is no true gauge of the cost of living.

Maybe it's not a true barometer for any particular family at a given time, the government indexers concede.

But all it intends to show, they say, is the average change in price of the average market basket. They insist the index accurately depicts price trends.

Ewan Clague, who heads the Bureau of Labor Statistics, won't get into an argument.

"They emphasize the real bargains," Clague says of the food markets. "It's the old story that a very good shopping housewife can do better than the average."

The most recent food index, for July, stood at 121.7. This would indicate you paid $1.217 for the same groceries that cost $1.00 in 1947-49, starting point for the index. Clague's staff reached that figure by sampling prices in 46 cities.

Every month field agents check 90 items. These are rated in importance to reflect buying habits which the government found to prevail in a 1950 survey of families of wage earners and clerical workers with income of not more than $10,000 a year.

All right, says Wallace N. Flint, vice president of the National Assn. of Food Chains, but: "People don't buy by the consumer price index."

Flint says the index may trace the price of sampled items but no more. If your wife is a keen shopper, he assures economy-minded husbands, she buys the bargain.

"They don't buy the high-price items," Flint says of household economizers. "But so far there has been no way in which the bureau has been able to give weight to the things she does buy."

Flint, a member of the Labor Department's Business Research Advisory Council, says newspapers emphasize climbs in the price index but neglect to stress that wages of production workers also rise.

On today's earnings, Flint maintains, these workers may spend 16 to 18 per cent of their take-home pay and fill the same market basket that used up 25 per cent of earnings 20 years ago.

He argues the index list is too thin. Since supermarkets offer thousands of items, he says, the government ought to price more than 90 to give an accurate picture of what the shopper spends her money on.

All right, says Doris Rothwell in her turn, but those complaints don't mean there is anything wrong with the index. Miss Rothwell is chief of the Food Section in the bureau's Price Division.

She says government price watchers would check more items if they had more funds. What they do now, she explains, is follow the ups and downs of key items and assume that unchecked items move in the same direction as those sampled.

Today's Investor Puzzles Exchange

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—What makes today's investor tick has a lot of Wall Streeters puzzled.

Stock prices are so high in relation to dividends that the yields of many stocks are below the returns on some top-rated bonds.

Still the public goes on buying stocks and ignoring or selling bonds. New money pours into the market despite the astonishingly high ratio of prices to earnings.

This year has seen a marked rise in the birth rate of mutual funds. The new ones have sold millions of shares for millions of dollars. Wall Street asks: Is a period of high stock prices the time to launch a mutual fund: The launchers answer yes. Obviously their new shareholders believe them. The argument is that stock prices at near record highs put a premium on expert portfolio management and selectivity.

The Street has had two favorite explanations for the gyrations in stocks and bonds.

First, there has been such a buildup in idle funds — such as the ever growing pension funds and the insurance company reserves — that the money has to go to work somewhere.

Second, the public is sold on coming inflation — the belief that everything is going to go up in price, including stocks, and that a fixed income investment will provide steadily declining purchasing power.

Those who invest in mutual funds seem to be bearing out his view, many in that field point out.

About 80 per cent of investments in mutual funds have been in those stressing common stocks. The balanced funds — those that offset the more flightly common stocks with sizable holdings of the more steady-going bonds and preferred stocks — have 20 per cent of the market.

Mutual salesmen say this proves the public's mood today is to hold common stocks it thinks will grow in value even if income yields are skimpy rather than to buy an investment that offers an assured income.

Success of the new funds this year has been spectacular. Lehman Bros. One William Street Fund grew almost overnight from 3 million shares to 16 million. The Lazard Fund jumped from 2½ million shares to 6 million.

The Wellington Fund, devoted for years to a balanced fund only, is now launching a common stock fund, frankly saying it's following the public's mood to protect itself from inflation.

Other funds started this year include: Chase Fund at one million shares; Missiles, Jets & Automation Fund, half a million shares; Worth Fund, 400,000 shares; Stein, Roe & Farnham Stock Fund, half a million shares.

Older funds have been humming right along despite the drop in corporate income totals and the slicing of many dividend rates.

Something Phony Detected In China

President Eisenhower and Secretary Dulles have indicated they detect something phony in Red China's noise over the Chinese offshore islands.

If Peiping has taken it upon itself to raise a real threat of war in the Formosa Strait, the American response will give Communist China's allies, the Soviets, some food for serious thought.

There are aspects in the Far East developments indicating that the Red Chinese are just as interested in prodding the Soviets as they are in challenging the United States.

By drawing a line around the islands with their declaration of a 12-mile territorial sea limit, the Chinese have presented the Soviets with a problem. The Chinese purport to say that any American defense of the offshore islands is, in effect, invasion of Red Chinese territory and direct aggression.

This sharply reminds the Soviets of their treaty commitments. Soviet propaganda has been saying Moscow is ready to spring to Pieping's aid "if" there is aggression. The Red Chinese now are saying American military help to Nationalist China actually is aggression.

It's highly doubtful that the U.S.S.R. wants to be dragged into a world war situation now. Peiping seems to be reminding the Kremlin that the Red Chinese have the power to bring this about.

Washington's response—that the United States is prepared to use timely and effective force, if necessary, to save islands essential to Formosa's defense — tells both the Soviets and the Red Chinese they run a risk of starting World War III.

In the long run, U.S. policy probably will be unable to save Formosa from being taken over by the Red Chinese. The political task becomes more difficult each day, and even Peiping itself seems to have reflected an awareness that Formosa someday will fall to the mainland Chinese without military force or the risk of war.

But perhaps the Red Chinese would like to hasten this process. Thus it is highly possible Red China is engaging in a bit of disguised blackmail—against the Soviets. The Red Chinese may hope the upshot of all this hullaballoo over the islands will be a summit conference, at Soviet insistence, with Peiping sitting in as a great power. In addition, there is an opportunity in this to prod Moscow for more economic and even military assistance.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

FOR THE PAST TWO years, the Lamesa Tornadoes have been tabbed the "darkhorse" in the District 3-AAA chase.

Both years the Tors finished behind the Tigers and Sweetwater.

Well, this year the Tornadoes again must be considered a "darkhorse" and the third time could very well be the charm for the Lamesans.

In glancing over the Tornado roster, we find they have 16 returning lettermen of 26 who won numerals last season. Three of the returning lettermen are 2-year award winners and all three regulared last year.

The two-year vets are tackles Grant Haolladay and Bill McCulloch and halfback Larry Marshall.

The Tornadoes should come up with a pretty salty backfield this season. Seven of their 16 returning lettermen are backfielders.

The starting Tornado backfield, as it now stands, reads Kirk Wiggins, 150 pounds, at quarterback, a junior letterman; Marshall, 148 pounds, a senior, and Billy Addison, 160 pounds, a senior letterman, at halfbacks; and Howard Westmoreland, 190 pounds, a junior letterman, at fullback.

Westermoreland Promising Fullback

Westmoreland is one of the finest prospects to come out of Lamesa in a long while. The big fellow may press the Tigers' Mickey McGrew and Sweetwater's James Parker as this district's top fullback this fall.

Six of the seven starting linemen are lettermen. The only nonletterman in the line is right guard Clark Whitley, a 160-pounder, up from the "B" team.

The starting Lamesa forward wall is expected to be as follows:

Ends--Nat Self, 164 pounds, junior letterman; and Doyle Norris, 158 pounds, senior letterman.

Tackles--Holladay, 200 pounds, a senior, and Bill McCulloch, 195 pounds, a senior.

Guards--Gary Everett, 168 pounds, sophomore letterman; and Whitley, 160 pounds, a junior.

Center--Jimmy Lynch, 150 pounds, senior letterman.

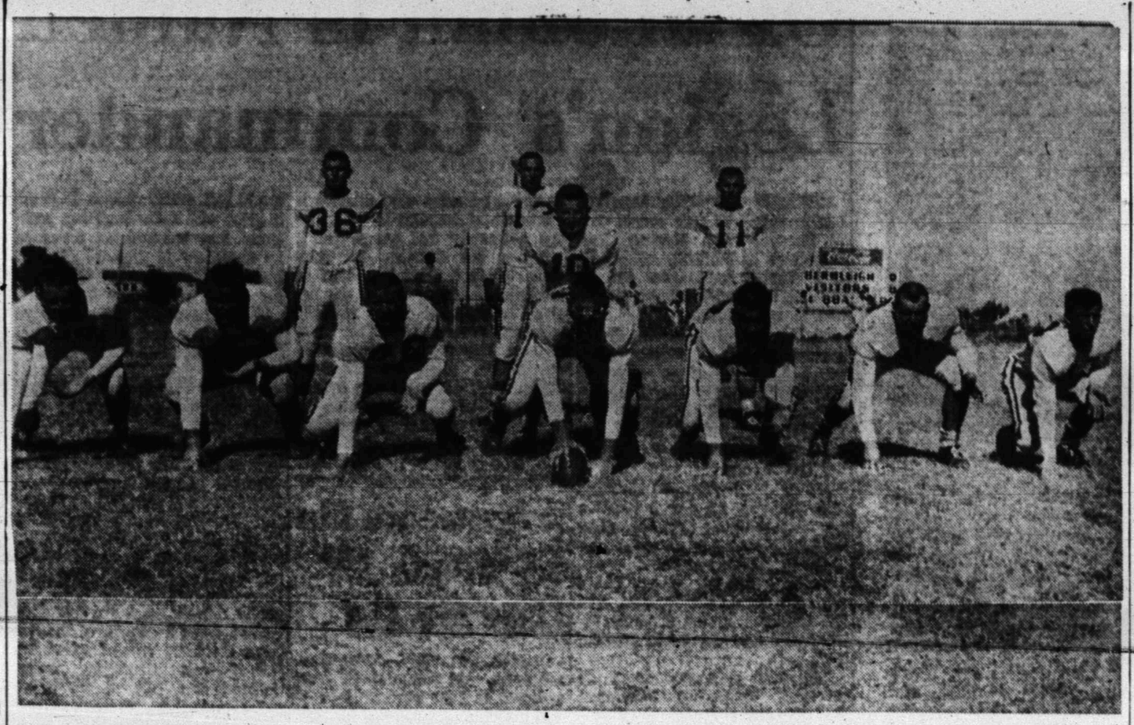

Broke Even In '57

Lamesa broke even in eight games last fall, they had two games canceled (one with Austin El Paso because of the flu and the other with the Tigers because of sub-freezing temperatures). With 16 lettermen returning from a team that batted .500 last season, the Tornadoes very definitely must be considered a threat at the 3-3A pennant this season.

In addition to their four district games, Lamesa will play Midland, Crane, Kermit, Brownfield, Big Spring and Monahans in that order before meeting Sweetwater in its district debut, Oct. 24.

Lamesa won over Midland (7-6) Brownfield (21-0), Monahans (19-6) and Lake View (19-7) last season. Losses were to Kermit (13-21), Big Spring (7-21), Colorado City (0-13) and Sweetwater (0-33).

O. W. Follis, who has found a home in Lamesa is starting his 13th year at the Tornado helm. Not many coaches top Follis in number of years at one school.

SET-FOR OPENER—Pictured are the 11 boys who will take the field for the Hermleigh Cardinals against the Coahoma Bulldogs tonight at Hermleigh. The 11 Cardinal starters, all returning lettermen, are, from left to right: FRONT ROW—Larry Denson, Donnie Rannefelt, James Vernon, Grady Williams, Ralph Hudgins, Harold Robbins, and Robert Neblett. BACK ROW — Jimmy Roemisch, Carllee Burleson and Donald McHaney. Orville Paty is the man-under. (Lee Watson photograph)

Artesia Snaps Back, 17-2

ARTESIA, N. M. (AP) — Artesia was back in the running for the Sophomore League pennant today but the Giants can't make another false step.

Artesia walloped Midland 17-2 last night to climb back into the playoff series. Midland won the first two games of the best of 5 series and needed only a victory last night to sew up the season championship.

But the Giants battered a parade of Midland pitchers for 17 hits, two 4-run innings, hammered two home runs, four triples and three doubles and got 6-hit pitching from Jim Gibson.

Midland took a 2-0 lead in the first inning when Paul Snyder tripled, but Artesia lashed four runs across in the second and swept on.

YESTERDAY'S STARS

Major League Stars
By The Associated Press

Pitching—Juan Pizarro, Braves, allowed only one hit in 5 2-3 innings of shutout relief for a 10-inning, 9-5 victory over the Phillies, who had rapped starter Lew Burdette for a dozen hits.

Hitting — Pete Runnels, Red Sox, doubled home the tying run and singled home the clincher in 5-2 victory over the Orioles.

TIGER PREVIEW STARTS AT 7:30 P.M. TONIGHT

The 2nd annual Tiger Preview, sponsored by the Snyder Quarterback Club, will be held tonight at Tiger Stadium.

All five of Snyder's schoolboy teams, the Tigers, "B" team, and Freshmen and the two junior high teams will be suited out in their game uniforms tonight. Each player will be introduced individually over the PA system.

The Tigers will be suited out in brand new uniforms.

Tonight's affair is open to the entire public free of charge.

Festivities will begin at 7:30 p.m.

BEATEN BADLY BY BRAVES

Phillies' Farrell Has Lost 'Stuff'

By ED WILKS
Associated Press Sports Writer

When the last out was made in the All-Star Game, the National League had only one hero in defeat, Philadelphia's relief ace Dick Farrell.

He had shut out the American League without a hit, striking out Jensen, Skowron, Malzone and Ted Williams in a near-perfect two innings that came too late.

Farrell had been just as effective for the Phillies. He had been in half their previous 30 games and had figured in more than half their 18 victories with a 5-0 record and five saves in a month-long battle from seventh place to fourth, just 2½ games shy of the lead.

He's been yesterday's hero since. He has won only once in seven decisions and has managed just four saves in 2 appearances. He's been battered for 25 earned runs in 29 innings over that span.

The kid right-hander took his lumps again last night, getting tagged for four runs on four hits as Milwaukee whipped the Phils 9-5 in 10 innings.

That kept the Braves' lead at nine games over San Francisco as the Giants broke a tie for second with rain-idled Pittsburgh by walloping Los Angeles 13-3. St. Louis defeated the Chicago Cubs 4-2 with Sam Jones becoming the third NL pitcher in 30 years to strike out 200 in one season.

The Braves built a 5-1 lead on Wes Covington's 24th home run, a two-on shot in the fifth, then nailed it in the 10th on singles by Casey Wise and Hank Aaron, a walk, Frank Torre's tie-breaking, two-run single, and Billy Bruton's two-run triple, handing Farrell a 7-8 record.

The last-place Phils, had swung for 12 hits off Lew Burdette, chasing the big right-hander with four runs in the fifth for a 5-all tie. But they managed just one hit the rest of the way off southpaw Juan Pizarro (5-2).

Willie Mays had three hits, one his 28th home run, for the Giants, who scored eight runs in the first inning. Stu Miller (5-7), the little junk man, went all the way, giving up five hits. Carl Furillo drove in all the Dodger runs, with a sacrifice fly and two-run single. Johnny Podres (12-12) lost it.

A pair of unearned runs in the fifth inning did the job for the Cards against loser Dave Hillman (4-7) as they tied Cincinnati for fourth. Jones (12-11) gave up five hits, with one Cub run unearned, and struck out eight for a total of 201. The old Cardinal high was 199, set by Dizzy Dean in 1933. No one had fanned 200 in the NL since Johnny Vander Meer whiffed 202 with the Reds in 1941.

Dallas Regains First Division In Texas Loop

By The Associated Press

Dallas climbed back into the first division and made it a 4-club fight for three playoff spots in the Texas League Thursday.

Fort Worth, already in the playoffs and with nothing to worry about, whipped San Antonio 5-3. It virtually eliminated the Missions. San Antonio is three games away with only three to go.

Dallas trimmed Houston 3-0 and pulled into a tie for fourth place with Austin, which took a 6-3 licking from the Victoria Rosebuds, who're in last place but are whipping the first division clubs.

Houston hung onto second place but held only a 1-game bulge over third place Corpus Christi, which slammed Tulsa 7-4.

Joe Kotrany posted his eighteenth victory but had to have help from Manager Freddie Martin as Dallas shut out Houston. Martin came in with the bases jammed and two out in the eighth and pitched hitless ball the rest of the way.

Fort Worth was led to its victory over San Antonio by the hammering Joe Macko, who clubbed two home runs. The first shoved Fort Worth ahead to stay. Gene Fodge went the route for Fort Worth.

Harry Fisher of Tulsa slugged three home runs and drove in all four Oiler tallies but Corpus Christi copped the decision 7-4. Mike Lutz, Eric Rodin and Manager Ray Murray each hit a homer for the Giants.

He's Emperor Jones, Now

ST. LOUIS (AP) — Teammates are calling him Emperor Jones now that Sad Sam has become the first National League pitcher in 17 years to strike out more than 200 batters in a single season.

The 6-4 right-hander ran his total to 201 by striking out 8 in pitching the St. Louis Cardinals to a 5-hit 4-2 verdict over the Cubs in Chicago Thursday. He also had a pair of singles.

The big Negro, whose slow shuffling movements carry no tipoff to the fast ball and sharp curves with which he confounds the batters, takes special pride in surpassing the Cardinal club record of 199 season strikeouts set by Dizzy Dean 25 years ago.

A silent man, never in Dean's class as a talker, Jones had little to say about his achievement in the clubhouse and on the plane trip back to St. Louis after the contest.

"I'm happy about it, all right," he said. "This Wrigley Field seems to be my luck park. But did you notice those two singles I belted."

It was at Wrigley Field on May 12, 1955, when Jones was pitching for the Cubs, that he pitched a no-hitter against Pittsburgh.

The league strikeout record of 267 for a single season was set by Christy Matthewson of New York in 1903. The last National Leaguer to surpass the 200-mark was Cincinnati's Johnny Vandermeer in 1941 with 202.

Hermleigh Hosts Coahoma Tonight

An experienced Hermleigh Cardinal team opens its 1958 season tonight against the Coahoma Bulldogs at Cardinal Field in Hermleigh.

Kickoff time will be at 8 p.m.

The game is one of two games to be played in the county tonight. Ira opens its season at home against O'Brien tonight, starting at 8.

Hermleigh will be making its first start under Bill McGuire, who is succeeding Willie Bigham as the Cardinal head coach. The Cards' assistant coach is new, too. Doyle Tyler, a 1958 Texas Tech graduate, is McGuires' assistant.

The Cardinals have 16 returning lettermen and will field an all-letterman starting lineup tonight.

The Hermleigh starters tonight as announced by McGuire, will be:

Ends--Larry Denson and Robert Neblett.

Tackles--Donnie Rannefelt and Harold Robbins.

Guards--James Vernon and Ralph Hudgins.

Center--Grady Williams.

Quarterback--Orville Paty.

Halfbacks--Jimmy Roemisch and Donald McHaney.

Fullback--Carllee Burleson.

The Cardinals finished in a two-way tie for the title last season with Robert Lee but Robert Lee won the right to go into the playoffs because it defeated Hermleigh during the regular season.

In other games tonight, Gail goes to Union Terry and Hobbs travels to Mattson.

300 Skulboy Games Tonight

By The Associated Press

The Texas schoolboy football campaign shoves off Friday with more than 300 games in the four lower divisions.

The top echelons, Classes AAAA and AAA, don't start until next week but they form only about a fifth of the field.

Defending state champion Terrell of Class AA won't be in action but most of the other teams in this division will be making their start.

The co-champions of Class A, White Oak and Mart, both have games.

White Oak clashes with New London of Class AA in the feature game of the state. Mart takes on Class AA Teague.

The top engagements of Class AA send Brady, rated at the top, against Ballinger; high ranking Abernathy against Spur and Quanah against Stamford.

There will be 193 games in the two classes while Class B and six and eight-man football will chip in with more than 100 games.

In all there will be more than 700 schools in action.

Next week 187 schools that make up Classes AAAA and AAA will join the campaign.

FIGHT RESULTS

Fight Results
By The Associated Press

Thompsonville, Conn. —Charley Powell, 215, San Diego, Calif., stopped Lee Jones, 192, Philadelphia, 2.

Ottawa — Gale Kerwin, 143, Valley Stream, N. Y., stopped Cliff Fiddler, 145, Prince Albert, Sask., 12 (for Canadian welter title).

Albuquerque — Jimmy Martinez, 158, Glendale, Ariz., outpointed Bobby Jones, 158, Oakland, Calif., 10.

Famous nicknames of members of the National Jockeys Hall of Fame in Baltimore include Earl (Handy Gus) Sande, George (The Iceman) Woolf, Ted (Slasher) Atkinson, Eddie (The Master) Arcaro, and Raymond (Sonny) Workman.

Lions, Bears Clash Tonight In Cotton Bowl

DALLAS (AP) — The Detroit Lions were light favorites today as they prepared to battle the Chicago Bears in a professional exhibition football game.

The teams clash at 8 p.m. in the Cotton Bowl and the Dallas Salesmanship Club, which sponsors a pro game annually here, predicted a crowd of 50,000.

The Lions, defending world's champions of pro football, and Chicago, considered Detroit's leading challenger for this season's title, have played here before but this is the first time for them to meet each other.

Both teams enter the game undefeated in exhibition play against professional competition although the Lions lost to the college all-stars.

Both teams will depend heavily upon Southwest Conference players.

Harley Sewell of Texas and Bill Glass of Baylor will start in the Detroit line while either Bobby Layne of Texas or Tobin Rote of Rice will be at quarterback.

Yale Lary, the Texas A&M ex, will be in at safety and do the punting.

Chicago will have Bob Kilcullen of Texas Tech and Fred Williams of Arkansas in the line. Larry Strickland and Bill Bishop of North Texas State and Jesse Whittenton of Texas Western also play for Chicago.

BUNNING DISCOVERS

No-Hit 'Jinx' Tough To Whip

By ED WILKS
Associated Press Sports Writer

Jim Bunning is finding the American League's no-hitter jinx a tough whammy to whip.

The lean right-hander who won 20 for Detroit last season seemed to be back in form when he pitched his 3-0 no-hitter against Boston July 30. It was his sixth victory in his last seven decisions.

Since then things have been rough, just as it was for Bobo Holloman, Mel Parnell and Bob Keegan—the last three to pitch no-hitters in the AL.

Holloman got his in his first major league start with the St. Louis Browns back in 1953. He didn't complete another game in the majors and was out of business two months later.

Parnell, the hard-luck guy of the Boston Red Sox, got his in 1956—then went into self-imposed retirement because of injury less than a year later.

Keegan was the only major leaguer to pitch a no-hitter last year. The Chicago White Sox sent him to the minors this season.

Bunning hasn't been able to pitch a complete game in nine starts since his big day in Boston, and has lost four of six decisions.

Yesterday he won for only the second time since the no-hitter, beating the White Sox 11-4. But he again wasn't around for the finish—after pitching perfect ball for the first four innings.

The loss dropped the Sox 12½ games behind idle New York again and reduced the Yankees' pennant-clinching magic number to nine.

Boston beat Baltimore 5-2 and Kansas City clipped Cleveland 2-1 in the only other games scheduled in the AL.

Bunning (10-10) gave way after the seventh inning, when Earl Torgeson, who had three of the Sox's eight hits, swatted his solo seventh home run. Hank Aguirre mopped up for the Tigers, who scored four runs in the first inning, three on Gail Harris' 16th home run. Ray Moore (9-6) lost his third straight.

Pete Runnels drove in a pair of runs for the Red Sox as Baltimore dropped into a tie for fourth with Detroit. His double tied it 2-all in the fifth, and he singled home the winner in a three-run seventh against loser Milt Pappas (9-8). Rookie Bill Monbouquette (2-4) gave up only three singles, all the Orioles managed as Murray Wall pitched a hitless three innings of relief. Both Bird runs were unearned.

Roger Maris broke up a shutout duel with his 24th home run, a two-run belt in the sixth, as the A's ended Cal McLish's winning streak at six. McLish (14-7) allowed only four hits in his seven innings, giving up a single to Bill Tuttle ahead of the homer. Raph Terry (9-11) was the winner with a nine-hitter, losing a shutout in the eighth on Vic Power's triple and an infield single by Minnie Minoso.

Oklahoman Is Named Legion's Commander

CHICAGO (AP)—The American Legion ended its 40th annual convention yesterday, electing Preston Moore of Stillwater, Okla., its new national commander and affirming its traditional condemnation of communism.

The exodus of thousands of Legionnaires left Chicago's Loop with the comparative quiet of everyday business. Hours-long parades, antics of delegates and whoops, sirens and bells had lent a carnival atmosphere to the city the last 10 days.

Moore, 38, a lawyer and World War II Army Air Force veteran, was elected by a margin of nearly 5-1 to head the Legion, which now claims 2,700,000 members.

In his acceptance speech, Moore said the United States must take the offensive in the struggle between the free world and communism.

"We must rid American of the defeatist, destructive philosophy that we can only defend against communism," he said. ". . . Clearly, we must seize the initiative if the cause of freedom is not to be lost ultimately and completely."

Before the election, the delegates whipped through a host of resolutions. Among them, the Legion called for U.S. military strength second to none; condemned Communist activities in the Middle East, the Formosa Strait, Indonesia and Latin America; criticized U.S. leadership as aiding international communism in the Middle East by "lack of a firm foreign policy"; implied failure of U.S. policy-makers to come to grips with Latin-American problems; and rejected an assertion by Secretary of Defense Neil H. McElroy that America still leads the world in military strength.

The Legionnaires also demanded a halt to any cutbacks in the defense program and asked that Congress "use every available means to finance the strongest defense and military preparedness program possible."

In other resolutions, the Legion backed the U.S. policy of aiding Formosa against aggression of Red China and renewed its sweeping opposition to any recognition of Red China in trade, diplomatic relations, or as a candidate for membership in the United Nations; opposed federal funds for public schools as a possible step toward thought control of the nation's children; and criticized the U.S. Supreme Court for having "adopted the role of legislative policy maker" in recent decisions, including a ruling that the FBI must make available its pertinent secret files to persons brought to trial on subversion charges.

Arguments On Dismissal Of Case Go On

CUERO, Tex. (AP)—Judge Howard Green said yesterday his court expected to take several days to hear testimony on the defense motion for dismissal of charges against three Cuero men indicted in veterans' land fraud cases.

Defense lawyers continued their arguments that the grand jury which indicted C.O. Hagan, Cletus Ernester and Harry Robinson was unduly influenced by the attorney general's department. They are charged with conspiracy to defraud the state of $146,000 in the land program.

Judge Green swore in a 100-person jury panel for the trial yesterday and then excused the veniremen until Tuesday.

The judge agreed to a defense request to have all news stories and editorials dealing with the veterans' land deals published in the weekly Yorktown News and the daily Cuero Record entered in the record.

Kenneth Towery, editor of the Cuero record at the time, was credited with breaking the story of the veterans land program scandals.

Voting Keeps Farmers Busy

WASHINGTON (AP)—Farmers will be busy this fall voting on farm programs.

The Agriculture Department will conduct seven votes. Six will determine 1959 crop programs and the seventh, on corn, will apply for an indefinite future period.

The referenda will determine grower attitude toward continuing federal marketing quotas on upland cotton, long-staple cotton, rice, flue-cured tobacco, Maryland type tobacco and cigar type tobacco.

In the other election, growers will decide whether they want to continue the present program for corn providing for planting allotments on a program eliminating allotments and providing for lower price supports.

Officials said the referenda will be held before mid-December. Definite dates have not been set.

DeGaulle Outlines His Plan

By JOSEPH E. DYNAN

PARIS (AP)—Premier de Gaulle appealed to the French people last night to adopt his proposed constutition and restore France to her place in the sun.

While Communist hecklers booed and tried to smash through protecting police lines in the historic Place de la Republique, the Premier outlined his basic law for the projected Fifth French Republic to an estimated 100,000 persons.

Most of those nearest the rostrum, where De Gaulle stood surrounded by his ministers, were admitted to the square by invitation only in a move to keep the Reds and other known De Gaulle foes in the background.

Helmeted police and youths with Gaullist arm bands stood guard as the Premier made his plea. A milling mob of 1,000 or so, led by veteran Reds, tore up paving blocks and hurled them at the guards in an effort to get near the speaker's stand. The police charged, clubs swinging, and dispersed the mob.

Elsewhere demonstrators picketed streets leading to the square. Many held aloft yellow signs with the word "Non" in opposition to the constitution.

The World War II hero called on the French to vote yes in the Sept. 28 referendum in France and the overseas territories which will accept or reject the constitution. He warned that if the vote was no, France would become "out of date and disdained."

The Premier contended France vitally needs a constitution providing a much stronger executive branch, new parliamentary standards, a supreme court and a new confederation relationship with the overseas territories.

He said the proposed charter would "render the republic strong and effective provided that henceforth those in positions of responsibility know how to direct it."

The key man would be the president, elected for seven years by a large electoral college of legislators and local representatives. His powers, now chiefly ceremonial, would be vastly increased.

De Gaulle said one of France's prime duties was to re-establish peace in Algeria and work out that territory's future status.

The proposed constitution calls for a "community" of autonomous states linked federally with France to replace the present centrally controlled French Union. It would let the territories decide whether to enter the French community or secede. It would also give France the right to cut her links with any territory.

Algieria apparently is excluded so far from the right of secession since it is legally a department of France itself rather than an overseas territory. De Gaulle has promised that a special arrangement will be negotiated for Algeria if the constitution is accepted.

City Manager Has Telephone Problem

NEWPORT, R.I. (AP) — Depending on City Manager Irving H. Beck's luck on the phone, things could become a little confused in the press room of the summer White House next week.

It seems that with the reopening of classes, the Newport School Department wants its busy typewriters back.

Beck began making long-distance telephone calls trying to find someone who could loan the city 20 machines.

Scouters Set For Barbecue

A large number of workers in the Boy Scouts of America program here is expected for the free barbecue and meeting tomorrow night at Camp Ed Murphy, which is on the north shore of Lake J. B. Thomas.

Wayland Holt, district chairman, and Dan Cotton, district commissioner, announced that the meeting is being held for all cubmaster, denmothers, scoutmasters, Explorer leaders, commissioners, and executive committee members.

The workers have been invited to go to the camp located near the Murphy School, as early tomorrow afternoon as they want to so they can inspect camp facilities.

The barbecue will be served at 7 p.m. by members of the commissioners staff, with Tommy Ivision in charge of the meal.

The meeting is being held to kick off the Fall Roundup, which is held annually to enroll boys in the scouting program.

Program quarterlies will be distributed to unit leaders and denmothers, as will progrom notebooks for the year.

A color film will be shown on the Buffalo Trail Scout Ranch.

New Mexico Has Mixup

SANTA FE, N.M. (AP) — Secretary of State Natalie Buck has a problem.

The last Legislature passed a resolution calling for an election Nov. 4 on an absentee voting proposal. It would change Section 1 of Article VII of the state constitution.

But, through a typographical error, the enrolled and engrossed copy that is to go to the voters changes it to Section 2, which would put the wrong section before the people for voting.

Mrs. Buck appealed to the State Supreme Court. It would have nothing to do with it. Not enough time before election, the court said.

Now Mrs. Buck has appealed to the attorney general. She wants to know just what to do about the mixup. There's no answer yet.

Wild Bill Is Robbed

MALIBU, Calif. (AP)—Cowboy actor Bill (Wild Bill, that is) Elliott told officers, someone raided the tack room of his Malibu ranch and went thataway with $2,600 worth of boots, bits, bridles and spurs.

Brave Dachshund Is Awarded Medal

SAN PEDRO, Calif. (AP) — "Katie saved our lives twice.

"If she hadn't aroused us, we would've died in bed. Then we passed out, and we would've died there on the floor if it hadn't been for her."

Katie is a dachshund — and a brave one. She won a medal and a citation for distinguished dog heroism yesterday for her courage the night she saved her owners, Capt. and Mrs. Victor H. Vogel, from carbon monoxide poisoning.

A faulty flue on a new furnace sent fumes into the home here where the U.S. public health officer and his wife were asleep last Dec. 13. Katie somehow knew the odorless gas was filling the house.

"We had her in a bedroom near ours because she had a new litter of eight puppies," said Capt. Vogel. "In the night she started making such a disturbance she woke us up and my wife went to see what was wrong.

"My wife said she felt sick. I jumped out of bed and caught her as she fell—and then I passed out too.

"The next thing I knew, Katie was jumping all over Mrs. Vogel and me, licking our faces and nuzzling us. I got up and managed to open a French door and we dragged ourselves outside."

Then, as Vogel lay in a half-faint on the lawn, Mrs. Vogel remembered the puppies. She reentered the gas-filled home and brought them safely out in a waste basket.

Firemen gave the Vogels oxygen and they recovered. So did Katie and her puppies. Yesterday, at fire headquarters, Katie — pedigree name Kandi Kate—got her reward.

Officials of a dog food firm gave their national dog bravery award to Katie. "She can't read the citation," said Vogel. "But she can sure use the rest of the award."

The award included 50 pounds of dog food.

Strikers Are Picketed By Own Wives

BEAUMONT (AP) — Wivs of workingmen in this area threatened today to set up pickets in front of carpenters' union halls in an effort to halt a strike which has idled their husbands.

Mrs. J. A. McCroskey of nearby Nederland said her group of pipefitters' wives has been joined by wives of electricians, operating engineers, laborers and welders.

"Husbands of these women have been idled since July 14 by the carpenters' picket lines on all area projects," she said last night. "We will start our own picket lines Monday morning."

She said the women would picket Carpenters' halls in Orange, Port Arthur and Beaumont and would picket the carpenters' picketts at some of the projects.

Mrs. McCroskey said the women protested to Auvie Wheeler, chairman of the Sabine area Council of Carpenters, Tuesday but nothing came of it.

The Sabine Area Construction Committee, a contractors' association, offered the carpenters a 27½ cent an hour raise and the union asks 32½. Carpenters now get $2.97½ an hour.

The SACC handles mainly industrial construction jobs.

Checkup For Kingfish

LOS ANGELES (AP) — Harry (Tim) Moore, 70-year-old Kingfish of the Amos and Andy TV show, has been ordered into a hospital for a series of tests and a checkup. His doctor says he's exhausted.

Beauty's Ballet Lessons Pay Off

By JOSEPH R. COYNE

ATLANTIC CITY, N.J. (AP) — Twelve years of ballet lessons paid off Thursday night for a Connecticut girl entered in the 1958 Miss America Pageant.

Billie Jean Turner, 20, of New Canaan danced her way to victory in the second preliminary talent competition with her interpretation of Chopin's "Les Sylphides."

In the second night of swim suit competition, meanwhile, Miss Indiana, whose favorite sport is swimming, showed her winning form and got the judges' nod.

While Billie Jean performed before a panel of 11 judges and a convention hall crowd of 7,700 persons, Anita Marie Hursh of Goshen, Ind., waltzed off with her own prize.

Anita Marie, a 19-year-old brunette sophomore at De Pauw University in Greencastle Ind., stands 5 feet 6½ inches, weighs 120 and measures 34½-24-35.

Billie Jean, who automatically receives a $1,000 scholarship for winning the talent ompetition, said she will use it to continue her dancing studies.

For her dance against 17 other talent competitors, Miss Connecticut wore a traditional white ballet costume with satin bodice and white net ballerina-length skirt. A wreath of flowers encircled her head.

The preliminary competition, which ends tonight, gives each of the 52 girls in the contest a chance to take part in each of three categories: talent, swim suit and evening gown.

In addition, each of the girls is judged on personality in breakfast interviews with judges.

The successor to Marilyn Van Derbur of Denver, Colo., will be selected Saturday night.

SNYDER AREA CHURCH NOTES

First Baptist To Open New Education Building

The First Baptist Church will dedicate its new 32,000-square-foot educational building Sunday in its morning services at 11 a.m.

The Rev. G. M. Cole, pastor, will speak at that service. Goals of 700 for Sunday school and 300 for training union have been set for the special day, when promotion will be held.

Open house will be held in the educational building, recently completed, from 2:30 to 5 p.m. Sunday. Evening services will be at 7:30 p.m., with Rev. Cole speaking.

• • •

Grace Lutheran

The Rev. Walter L. Lentz, pastor of the Grace Lutheran Church, will speak on "The Birth of Gratitude" at the Sunday 10:45 a.m. service.

Immediately after the worship service a short congregational meeting will be held. Sunday school is at 9:45 a.m. The church meets at West Elementary auditorium.

On Saturday mornings Rev. Lentz speaks on Religion in the News on KSNY at 11:45.

• • •

First Methodist

Holy Communion will be observed at the Sunday 11 a.m. service at the First Methodist Church. The Rev. Harry Vanderpool, pastor, will speak at that service and at the 7:30 p.m. service.

During the morning service the choir will sing the anthem, "God So Loved the World." The men's choir will sing at the evening service.

25th Street CC

"Sin and Suffering" will be the subject of Glen Pace, minister at the Twenty-fifth Street Church of Christ, at the Sunday 8:45 and 10:55 a.m. services.

At the 7 p.m. service he will speak on "God's Chain of Truths."

• • •

Trinity Methodist

At the Trinity Methodist Church, the Rev. Elton Wyatt will speak at both the 11 a.m. and 7:30 p.m. services Sunday.

At the morning service, the choir will sing "Dedication."

Intermediate and senior MYF are at 5:30 p.m., junior choir at 6:30 p.m. The choir will practice at 6:30 p.m. Wednesday.

• • •

St. John's Episcopal

"One Was Grateful" is the subject of the sermon of the Rev. Donald Hungerford, vicar at St. John's Episcopal Church, for the Sunday 11 a.m. service.

Holy Communion will be at 7:45 and 11 a.m. Nursery is available.

REV. JOHN MALINOWSKI

Cole To Be Speaker On Daily Devotions

The Rev. G. M. Cole, pastor of the First Baptist Church, will be speaker on Daily Devotions on KSNY next week.

The program is presented weekdays at 9:15 a.m., scheduled by the radio committee of the Snyder Ministerial Alliance.

New Priest Here Polish Exile, Former Prisoner

The new assistant to the Rev. Edward Chrisman, pastor of St. Elizabeth's Catholic parish here, is a colorful priest who has had a busy adult life.

Now 48, the Rev. John Malinowski, who arrived here a few days ago, is a Polish exile who has been a parish priest, Army chaplain, special agent working with underground forces, and a campaigner for political and moral aid for Poland's freedom.

Here most of his work will be with the St. Elizabeth's Spanish mission, Guadalupe Mission.

In the Polish army about seven years during World War II, Rev. Malinowski was once a prisoner of the Russians and once a prisoner of the Germans, but he escaped from prison camps both time.

Decorated many times by Polish, French, English, and Greek governments, he holds the Virtuti Military, highest award given by Poland.

By special act of Congress in 1955, Rev. Malinowski was permitted to remain in the U. S. permantly and seek citizenship. He now holds a card as a registered immigrant and hopes to become a U. S. citizen soon, since he intends to remain in the U. S. for the remainder of his life.

Most of his work during the past 10 years has been his one-man campaign for freedom of Polish people. In addition to his working as a parish priest in Buenos Aires. He had gone to South America in 1948, and from Argentina began to work throughout the South American continent and in all states of the U.S. in his campaign against Communists and for Polish freedom.

Some of his work had been with the United Nations, some with the Voice of America. He was invited recently to do special work for Radio Free Europe but had to decline because he was too busy with his other work.

A natuve of Sandomierz, Poland, Rev. Malinowski finished schooling there before attending university and seminary training.

Entering the Polish army in 1939, he was captured by the Russians but within two weeks escaped. It took him about one and one-half months, traveling at night, to get back to his native town. Later he was captured by the Germans and spent a week in prison camp before escaping. That time it took him three weeks to cross mountains into Hungary in midwinter.

Later he did special work for the Poles from France, aiding other Polish escapees to get out of Rumania and Hungary into France. When France fell, Rev. Malinowski went to Lebonon and joined a Polish brigade which was attached to French troops. He spent time in a number of Middle East countries. Polish troops were later moved to Palestine, where they joined other Polish under British command.

Poles joined British then for a number of major battles Rev. Malinowski's work later included parachuting back into Poland for special work with the underground, while the exiled Polish government was in England.

He remained in the Army until 1946, when he was in Italy. He then went to Iran for some special radio work for people behind the Iron Curtain, later moving his work to Argentina, alone with a number of other Polish exiles.

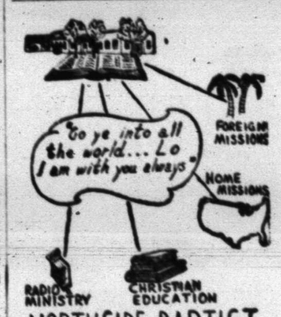

Rev. Malinowski speaks a numbe of languages, including Polish, Spanish, Italian, German, Czech, and Russian. Only German and Latin were learned in school in addition to his native tongue. He speaks English but still has some trouble with it.

Gas Pipe Line Being Expanded

HOUSTON (AP) — Transcontinental Gas Pipe Line Corp. began expanding facilities to the east yesterday after notice the Federal Power Commission had authorized the work.

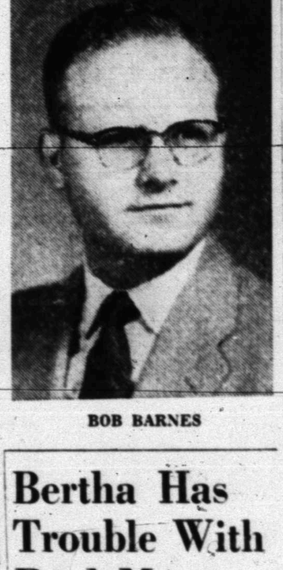

The expanded facilities are expected to boost the gas supply of the New York City - Philadelphia area this winter.

Contracts of key phases of the extensive program had been let months ago, with men and materials already at construction sites along the Eastern Seaboard and in the South.

NORTHSIDE BAPTIST CHURCH
16th and Ave. S — Jack Dean, Pastor
Missionary Evangelistic Premillennial

25th Street C Of C Adds Evangelist

BOB BARNES

The Twenty-fifth Street Church of Christ has added another full-time worker in the field of evangelism in the Snyder area, according to Glen Pace, minister at that church.

He is Bob Barnes, former minister of the Dunn Church of Christ, who began his duties at the Snyder church Monday.

A native of Andrews, Barnes completed high school there and attended Abilene Christian College, where he graduated in 1954.

For the past four years he has taught chemistry, physics, and biology in the Colorado City High School.

He has also, during the past one and one-half years, preached in the Dunn community. For a short while he preached at Sand Springs and served as associate evangelist at the Fifth and Elm Church of Christ in Colorado City.

Barnes is married and has two children, Rhodes, 5, and Cindy, 4. They live at 306 Thirty-fifth Street.

Man Slays Girl, Self

NEW YORK (AP)—George Allen, 50-year-old housepainter who shot and killed a young immigrant girl on upper Broadway yesterday, died eight hours later after putting a bullet in his own head.

Allen, who corresponded with dozens of women through lonely hearts clubs, fired three bullets into Veronika Greubel, 23, who came here from West Germany early last year. Allen then turned the gun on himself. He died at Knickerbocker Hospital.

Michael Mullen, 39, a friend of Allen, said Allen and the girl became engaged last year but broke up over, among other things, Allen's drinking.

Allen had left a note in his room reading "Everyting I own belongs to Mike Mullen."

Band Is Forced To Play From Memory

NEW YORK (AP)—With $1,500 worth of sheet music missing, the Glenn Miller orchestra at the Waldorf-Astoria Hotel has to play some favorite tunes from memory.

The theft of the music was discovered when the 17-member band assembled to play last night at the hotel's Starlight Roof. The orchestra is led by Ray McKinley.

Lenny Hambro, manager of the band, estimated it would take about a week to recopy the missing scores from the band's full arrangements.

Bertha Has Trouble With Pool Mate

NEW YORK (AP)—Bertha the whale did fine in flight, but now she's having pool-mate trouble.

Bertha II, a year-old Alaskan Beluga whale, arrived by cargo airliner yesterday from Los Angeles and was hauled to the New York Aquarium at Coney Island.

Reclining on a rubber foam mat and wrapped in muslin, Bertha stood the air trip very well—unlike Bertha I, which died in flight en route here recently. Dr. Carleton Ray, assistant to the aquarium director, sat by Bertha II, sprinkling her at frequent intervals with some Pacific Ocean water brought aboard.

Everything was just dandy until Bertha, 6 feet 7 inches and weighing 400 pounds, dunked herself in the 40-by-60-foot aquarium pool.

Bertha was confronted by Olaf the walrus, a foot longer and weighing in at 1,200 pounds.

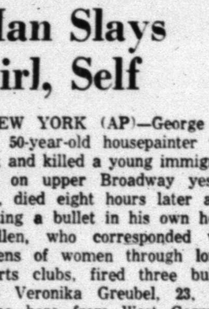

At full growth a Beluga whale —which becomes white at maturity—may reach 18 feet in length and weigh 2,500 pounds. But right now Bertha is outgunned and outweighed.

Olaf took a gander at Bertha and poked his small tusks into her side. Bertha submerged under a large raft.

Olaf's belligerent greeting caused aquarium officials to give Bertha a 24-hour guard. Bertha and Olaf were put together because of lack of a second large pool. Meanwhile, the aquarium folks are hoping Olaf will learn to tolerate Bertha, the first live whale exhibited here since 1897.

The Eskimo village of Kotzebue, Alaska, holds an annual Fourth of July celebration which includes a beauty contest. The girls striving for the queen's crown don't wear bathing suits. They wear fur parkas.

"The Christian's Corner—

Glen Pace
Minister

EXTENT OF OBEDIENCE

(Question) "Must I obey all of God's commands?"

(Answer) Many are obsessed with the idea that only a few of God's commands are essential and that many are a matter of one's preference. In speaking of Jesus Christ, Peter said, "For Moses truly said unto the fathers, A prophet shall the Lord your God raise up unto you of your brethern, like unto me him shall ye hear in all things whatsoever he shall say unto you. And it shall come to pass, that every soul which will not hear that prophet, shall be destroyed from among the people." (Acts 3:22, 23) So, if we would escape destruction, we must hear Jesus in ALL THINGS which he says. It is not enough to obey only that part which suits us and refuse to obey some command which, for some reason, does not please us. Real faith does not question the necessity of any command of God, but only wants to know what the Lord requires, and then obeys. The children of Israel did not say it was unnecessary to march around the walls of Jericho, that it would do no good, that God could cause them to fall just as well if they did not march. They simply obeyed the command of God and then God caused the walls to fall. God said they fell by faith. (Heb. 11:30) Jesus said, "He that believeth and is baptized shall be saved . . ." (Mk. 16:16) Let us hear Jesus is ALL THINGS or be destroyed.

(Address letters to Mr. Pace in care of the 25th Street Church of Christ)
