Wayne Harris Named Chairman Of 100th Anniversary Commission

Wayne Harris of Rotan was named Fisher County Chairman of the Texas 1986 Sesquicentennial Commission by Mr. Randy Lee, Executive Director of the organization. He was endorsed by County Judge Marshall Bennett recently.

In regular meeting Tuesday, Aug. 2, Fisher County Historical Commission voted to hold a County Centennial in 1986 to commemorate the 100th anniversary of organization of Fisher County. Wayne Harris, an active member of FCHC was elected to

Chair this observance in connection with the state affair in 1986. Although the centennial is 2 1/2 years away members of FCHC realize this is the time to start plans for a celebration of this nature. Harris states that he plans to enlist every town and

community in the County asking participation, including various organizations, churches, etc. He will announce plans as they develop. Fisher County was created in 1876, being carved out of a hugh Bexar County and

attached to Nolan County for judicial purposes until organization in 1886. The new book of FCHC to be released about Dec. 1st originates from the creation in 1876-1907 years of Fisher County History."

PROBLEM STUMPS SERVICE TECHNICIAN: Compugraphic Service Technician Ken Gragg of Abilene is responsible for repair work on all compugraphic equipment located in the West Texas area located at various newspapers and print shops. He has been maintaining equipment at the local newspaper office since it installed the first computerized typesetting equipment in early 1976.

An Editorial

Newspaper Typesetting Machine Still Down, Experts Baffled

In a front page note last week we asked for your understanding because our main typesetting machine quit operating, forcing us to assemble the paper with a hodge-podge of type styles (three to be exact) set on an antique back-up machine. We also mentioned that we would fill you in on the final chapter of the repair story in this weeks paper. I'd love to write that chapter, but we're still in about the same shape today (Tuesday) as we were 10 days ago. The repairman has become a permanent fixture at the office, his patients have grown thin- and he's still unable to pinpoint the machine problem. He has even resorted to taking a hammer and lightly tapping delicate connections

to be sure all contacts are seated. It has been a maddening experience. He hasn't given up. He's still driving over from Abilene each day, but admittedly he is just scattershooting at this point- desperately trying anything to get us back in full operation. If I sound a bit -pessimistic, it's

because I am. I'm beginning to think the Devil himself has taken up permanent residence in that machine and is sitting back laughing at our efforts. Brighter days are coming though, I say that because we've gone through our share of the bleak days.

Royston Reunion Set

The Royston residents and former residents invite you to join them for their fourth Royston Community Reunion... Saturday afternoon and evening August 20th and all day Sunday, August 21st, at the Rotan Community Center, 600 N. Garfield in Rotan, Texas. Bring sandwiches and dessert Sunday. Plates,

silverware and drinks furnished.

Group pictures will be made between 11:00 o'clock and 1:30 p.m. to be used in a book soon to be out, about the history of Fisher County.

Look forward to seeing old friends, and meeting new ones. Share those golden memories.

County Fair Begins On August 25th

Final preparations are being carried out for the 38th Annual Fisher County Fair and Rodeo to be held August 25-27 at the Fair Grounds in -Roby.

Judges announced for various events include, Gary Antilley, King County Agent for the Livestock Show and Crops and Charles Williams of Arlington for the Open Horse Show. Donald Coker is General Livestock Show Superintendent while Gene Turnbow is Superintendent of the Open Horse Show.

Barron Wetsel is this year's Rodeo Chairman. Rodeo entries will be taken this year on August 24, from 9:00 a.m. to 6:00 p.m. The telephone number is 776-2614. Sammy Smith of Mullin, Texas will be the Rodeo Stock

Producer. Advance ticket prices for the Rodeo are \$2.75 for adults and \$1.75 for students under 12 years. Prices at the gate are \$3.00 and \$2.00.

Glenn Upshaw and Kyle Moore are again Co-Chairmen of the parade. They should be contacted regarding parade entries.

In the steer show this year, the entry fee will be changed. The money will be given back to exhibitors to where the bottom places at least get their money back. Working the various livestock show events will be the following: Cattle...Stanley Nowlin and Gene Terry, Sheep...Olin Dennis, and Swine...Gary Teague.

The Fisher County Fair Board is composed of Bob Moore, Gary West,

Richard Spencer, Derwayne Rasco, Jimmy Grisham, Danny Parr, Freddie and Larry Williamson, Gene Terry, Donald Coker, Jerry

Hoodenpyle, Eddie Gibson, Mrs. Alice Ballenger, Gary Daniel, Olin Fryor, Charlie Joe Moore, Jerry Upshaw, L.H. Hicks, Lance McWilliams, Gene

Turnbow, Barron Wetsel, and T.C. Jinkens. The Directors and County Supporters are proud of the Fair and urge everyone to support it.

Millers Impressed With Progress Made In Rotan Area

Progress. Its evident everywhere we look. The Thurman Millers have found the same holds true for their former home, Rotan.

During a recent interview with them, visiting from Forest Grove, Oregon, they discussed some of the changes that have taken place in Rotan as well as the climate, setting and people of Oregon.

"We moved due to the depression and economy," explained Mrs. Miller on the reason for their relocation in 1942. "Those were depression years and it was easier then to make a living in Oregon," she added.

Mary Miller, a 1934 graduate of Rotan High School, and Thurman, her husband, spent several years in the now non-existent Pleasant Valley community, seven miles outside of Rotan. They are staying with Thurmans sister, Sony Hammonds. The Millers noted several changes in the surroundings of Oregon as opposed to West Texas. "The climate is probably the main thing. There are a lot of trees there and

VISIT: Thurman and Mary Miller comment on the changes in Rotan during a recent visit to Fisher County. Their home is located in beautiful Forest Grove, Oregon about 25 miles from Portland.

flowers, crops are different too (beans, strawberries, grain,) several dairies also".

Forest Grove, a community of 13,000 some 25 miles from Portland, is basically a lumber and construction town. Logging is one of Oregon's major industries and Thurman is no newcomer to this, "I have worked my share in the sawmills."

One of Oregon's most celebrated events was the eruption of Mt. St. Helens, a volcano, sixty miles from the Miller home. "We weren't at home when the volcano erupted, but we did get some of the ash deposits from the blast," said Miller. The Millers described the ash as being much like sandpaper and very difficult to remove.

Some of the major changes in Rotan that they have noticed are more businesses shut down with newer ones in their place, better roads, and better transportation. The latter being a far cry from the days when Mr. Miller would tie his horse to the nearest wood post on the dust-filled streets.

Thurman and Mary also have fond memories of Rotan's "most famous citizen" H. Govan, long-time trainer for the Rotan football teams. "He shined alot of shoes in those days," said Mr. Miller, referring to Govan's early years as a shoeshine man.

The Millers aren't the only guests Mrs. Hammond has entertained recently, relatives from Alaska, California, Dallas, and Ralls, Texas have dropped in to pay visits.

What do the Millers remember most about Rotan? That was an easy question for Mary. "The sandstorms, I hate them."

Why there would be days when you couldn't see across the road."

The West Texas life style, however, can still be found for the Millers in some parts of Oregon. "Sure, there are places up there that are not much different from here. We have ranches, rattlesnakes and tumbleweeds too!"

When one has finally acquired a home like this, in a neighborhood like this, one has no more problems. Right?

Wrong! Economic problems may be fewer. Personal and family problems often become more complex. Some mighty unhappy people live on Easy Street.

There's nothing wrong with wanting to get ahead. Initiative, ambition, perseverance are endowments God wants us to develop. But material goals must not crowd out spiritual aims. In trying to gain everything one can become nothing.

Your family is in need! In need of Faith. In need of Love. In need of Direction.

Needs that God supplies!

Special Fund Started To Aid Lisa Gibson Yanez

A fund has been started for Lisa Gibson Yanez through a Special Bank Account at the First National Bank, Rotan, Texas, to assist Lisa in payment of her medical expenses with Dr. Charles T. Meadows and Lubbock Methodist Hospital, Lubbock, Texas. Lisa is under the care of

Dr. Charles T. Meadows, Lubbock, Texas, in preparation for the

removal of a portion or all of her left lung. The surgery will be performed

at Lubbock Methodist Hospital, Lubbock, Texas on Monday, August 15th.

Lisa does not have medical insurance of any kind. West Texas Rehabilitation Center,

Abilene, Texas, through Dr. Meadows efforts, has, and will, pay a portion of these medical expenses, but cannot pay all of them.

and her family. Lisa is the daughter of Lynda Gibson and the

granddaughter of Troy and Merle Denton, all of Rotan, Texas.

Allsup's Store Assisting With Drive

Through Labor Day, September 5th, Allsup's Convenience Store will display Muscular Dystrophy

canisters in all stores in New Mexico, Texas and Oklahoma. This fund raising activity, along with many others, will

help find causes and cures for 40 crippling neuromuscular disorders that affect an estimated one million Americans of

all ages.

The programs of the Muscular Dystrophy Association are funded almost entirely by private contributions and corporations. And the research is working! Mda recently announced the first breakthrough in the treatment of amyotrophic lateral sclerosis (ALS)--also known as Lou Gehrig's disease. While the drug-TRH--is classified as experimental, it is the first treatment that has ever resulted in significant improvement in ALS patients and it represents a glimmer of hope for people with this terrible disease. Allsup's is proud to be a part of such worthwhile-research.

Again this year, Allsup's invites area youngsters to participate in the annual "Door Bell Brigade for MDA".

Lenora Streetman has organized this fund as a Community Effort to assist in the payment of Lisa's medical expenses, in cooperation with the First National Bank, Rotan, Texas. The bank has named Lenora Streetman as the sole caretaker of these funds in their bank and all disbursements from the account will be made by her only for Lisa's medical expenses.

Mrs. Streetman will be happy to answer any questions you may have and also will pickup your donations for deposit to this account. Mrs. Streetman's telephone number is 735-2326. Donations have already been received and deposited, and a record is being kept of all donations so Mrs. Streetman may furnish this information to Lisa

First Baptist Rotan Showing Special Film

The First Baptist Church in Rotan will be showing a special film entitled "Phyche Confession" on Sunday night, August 21st at 5:45 p.m.

The tight paced 45 minute film weaves together fascinating demonstrations of psychics and magicians and compelling human drama with a frightening final twist. The film reveals the dangers of blindly accepting claims of human psychic abilities and the value of healthy skepticism. The public is invited to the viewing.

Canyon Gun Club Show In Snyder August 27th

The Canyon Gun Club will hold its Second Annual Gun, Knife and Coin Show August 27th and 28th at the Scurry County

Coliseum. Hours will be from 9 A.M. to 8 P.M. Saturday and 9 A.M. to 6 P.M. Sunday. The Canyon Gun Club

and co sponsor Snyder Chamber of Commerce enjoyed to be much larger than last year's. Exhibitors all agree that Snyder puts on a first class Gun Show. The Scurry County Coliseum is perfectly suited to host such an event. The coliseum is clean, spacious, air conditioned

and affords excellent security for dealers exhibits. RV hook ups are available on the coliseum grounds, and many quality motels are located near by several within walking distance. Canyon Gun Club members roll out the red carpet for dealers. Members meet exhibitors at the loading dock and help carry all display materials to tables, and it doesn't stop there. Snyder merchants furnish gift certificates and discount meals to be given out at dealer drawings. Prizes

are also given to exhibitors for best displays. Top prize for best display will be a Ruger Stainless Steel Security Six. Prizes and plaques will be given to first, second and third place exhibits to be selected by Canyon Gun Club. Then when the show is over Gun Club members will be on hand to load display materials for tired dealers anxious to get back home.

The Canyon KClub invites all gun lovers, traders and collectors to come to the show and en-

joy the thousands of guns, knives and coins on display. No one should have any problem finding someone to talk with or to strike up a trade or make a purchase. Food and drinks will be provided by the Ladies Auxiliary of the Snyder Fire Department.

Hustlin' Round Hobbs

By Joy Walker

Well, another hot week, and we are sure needing some good rain on our crops, also the pastures. Some folks did get a good shower one day last week, but it was very spotted and we need a good general rain.

Sports wise, it was a good week, as not only did we have the usual Monday night baseball game, but there was also one on Tuesday night, and Wednesday night, and then on Friday night there was a football game. Jim sure enjoyed watching all the games. and I am sure glad that we have another television set as one game a week is about all I can go. I watched every night at 11:30 when the World Track and Field Championships were televised from Helsinki, Finland, and boy, there are sure some good athletes around these days. It was really a pleasure to watch, although was too late for most people especially if you had to get up and go to work the next morning. They did have two or three televised shows on Saturday and Sunday, so you could watch them during the day too.

Mrs. Rudolph Martinez reports that they measured a good 1 1/2 inches of rain one day last week, so they are sure proud of that. Vince and Stephanie Halder spent several weeks visiting with their grandparents, Mr. and Mrs. George Maule off Camp Springs. Their parents, Ron and Linda Halder came and stayed a week. They live in Chantilly, Virginia.

Charlotte and Scott Carey, Sunne and Tracey of Fort Stockton spent several days also. The grandkids all had a good time playing together, and George and Josie really enjoyed seeing all their kids and grandkids. Brad Maule wasn't able to be home as he was busy working in California.

Mr. and Mrs. Farris Johnson and Vernon from Houston have been here visiting with Mrs. Bea Hardin. They came last Monday and stayed until Friday. Mrs. Doc Hardin from Victoria visited with Bea on Saturday and she also visited with her parents, Mr. and Mrs. Milton Doyle in Roby.

Mr. and Mrs. James Ratliff and Teresa went to Snyder on Sunday and visited with Mr. and Mrs. Roby.

Tax Planning by Richard Rodgers, CPA

Most holders of stock in a corporation believe that if the corporation fails; they have no further liability beyond their investment in the stock. Wrong! You could have additional exposure.

Creditors of a corporation are ordinarily barred from obtaining recovery from shareholders when the company goes under. In contrast to this, the Internal Revenue Service has a special regulation which imposes a personal liability upon "responsible persons" in their capacity as corporate officers who willfully fail to collect or pay in withholding taxes.

This special provision requires the responsible person to pay a "penalty" equal to 100% of the taxes due, and this obligation cannot be discharged in corporate or personal bankruptcy. The Internal Revenue Service does not have to pro-rate the liability over all shareholders; it can simply collect from the responsible person.

For example, suppose

the income tax and FICA withheld from employees, including owner-employees, plus the employer's share of the payroll taxes are \$25,000. The IRS can collect a total of \$25,000 from a "responsible person" (usually an officer or shareholder of the corporation).

This \$25,000 is a penalty and is not deductible on your tax return. When your company develops cash flow problems, using the IRS as a "banker" may not be a good idea. No one likes to see a company fail, but when a cash flow problem develops, consider owing open line creditors instead of the IRS.

To keep your unpaid payroll taxes from becoming uncontrollably high, consider depositing payroll taxes on each payday. It seems that payments in smaller amounts are easier to budget for. You may bypass the temptation to let this temporarily silent creditor grow to a balance that is impossible for the company to handle.
