SANDY H AND HER TWINS

Sandy H, 6-year-old Quarter Horse mare belonging to Mr. and Mrs. Phillip Cobb of Panhandle, gave birth to these twin colts Saturday, April 2. With them here is Shane Cobb. The colt's sire is Joe Bob Leo, registered Quarter Horse stallion belonging to Mr. and Mrs. Tom Birchfield. The larger colt was 34 inches high and 32 inches long, and the smaller one 28 inches high and 30 inches long. Twins are considered most unusual in the horse world. Sandy H stays with Cobb's uncle and aunt, Mr. and Mrs. Harris Royal east of Wellington.

## SBA Bids in Hay Camp Tuesday

Hay Camp County Club went on the block again Tuesday, April 5 and the U.S. Small Business Administration wound up with the property for the third time.

Three bidders took part in the auction on the east courthouse steps, but the highest bid was not accepted by Frank Ford, SBA loan

officer in charge, and he bid back in the entire facility for the SBA at \$295,000, then raised the SBA bid to \$322,000.

Ford said golfers at the country club's course may leave their carts in the cart shed for the time being and may continue to play by paying a daily green fee.

Bidding for Hay Camp's approximate 900 acres, restaurant, bar, houses, golf course and water rights were Henry Sullivan, representing a group of local golfers, Walter Camp, Kelley community farmer-stockman, and Dulles Chandler of Plainview.

The country club will not be auctioned again, Ford said.

The SBA now owns the property and will negotiate with potential buyers on an individual basis. Ford said that the SBA would prefer to sell the buildings, land, fixtures, and equipment as a single unit, but "would be open to any offer that is submitted."

The SBA took over Hay Camp last fall when A.B. Dean, who had developed the country club out of the old Mill Iron Ranch headquarters, defaulted on SBA loans.

At that time the SBA scheduled an auction for January 4, 1977.

Jake Wilson of Plainview was high bidder at the January auction with a bid of \$378,000. Wilson paid 10% down on the day of the auction, but failed to pay 15% of the bid price due a month later. The SBA then took over the property again and set another auction date for April 5.

## Community Easter Service Will Be Sunday Evening

The Rev. Mickey Fugitt of First Baptist Church, newest of Wellington's pastors, will preach the sermon at the community wide Easter service Sunday April 10, at 7:00 p.m.

The host church this year is First Baptist, and the service is for all people of the county and the Wellington area wishing to worship together at this time.

Rev. John Harrison, president of the Ministerial Alliance, sponsor of the service, has announced the order of worship.

The Rev. A.R. Vaughan of the Assembly of God will give the invocation, then Rev. Harrison pastor of the Church of the Nazarene, will welcome

the congregation and recognize pastors of the Ministerial Alliance.

Glen Mize, director of music and youth activities for First Baptist Church, will be in charge of special music and later will be featured in a solo.

There will be other choir music and congregational singing.

Rev. Ken Johnson of First Christian Church will give the offertory prayer, and after Rev. Fugitt's sermon, the Rev. James Boswell will give the Benediction.

## Kiwanis Easter Egg Hunt Will Be Sunday

Wellington Kiwanians will hold their annual Easter Egg Hunt for all children of the area, and those visiting here over the holiday. This will be Sunday, April 10, at 3:00 p.m. in Ellison Park, according to

Lyman Daniel, Kiwanis president.

John Coleman is in charge of arrangements for the egg hunt, and other members of the club will assist him.

All boys and girls up to 12 years of age are eligible to participate.

There will be five age divisions, so that tiny youngsters will have a better chance to find eggs. These include toddlers through one year; two and three years; four and five years; 6 through 8 years; and 9 through 11 years. Each age group will hunt eggs in a different area.

Kiwanis have bought 2,000 candy eggs for the hunt, and approximately 300 children take part each year.

Mr. Daniel emphasized that every child in the county, as well as those in the Wellington area outside the county, and youngsters who are visiting here, are most welcome.

A large group of Kiwanis

Club members will be present to help with the Easter Egg Hunt, which has been held annually for more than 40 years.

## Parents Urged to Caution Children of Strange Cars

School authorities have received reports of two incidents in which drivers of cars stopped and asked elementary school children to get in the vehicles.

"We do not want to alarm anyone, but we believe that all parents should be aware of this. We feel that precautionary measures can be taken. We ask you to talk with your children without frightening them, explain that they should not get in the car with strangers, take candy or other food from them, or talk with

people they do not know" said Supt. E.W. Clement.

"If your child walks home, insist that he or she not play along the way. Have an established route coming home, and if possible, several children should walk together. If the child does not arrive home at the usual time, the parent is urged to check further," he continued.

Elementary teachers have already talked with the children in their grades, making them aware of this and

## Ft. Worth Bank Low Bidder On Schoolhouse Bond Issue

Ft. Worth National Bank was low bidder on Wellington's schoolhouse bonds when 5 sealed bids were opened at a special Wellington School Board meeting Tuesday, April 5.

The Ft. Worth bank bid an average 5.613% interest on the bonds, and that bid was accepted by the school board.

Total interest cost over the life of \$540,000 worth of bonds will be \$472,385.

The bonds will finance construction of new elementary school classroom and remodeling part of the existing elementary building. Plans also include enlarging the field

house at Powell Field and air conditioning the high school auditorium.

The board also signed a contract with Tom Brown, A.I.A., to be architect for the new school. Brown had done preliminary plans and drawings prior to the bond election.

Brown told the board he would have working drawings for their discussion and approval by April 26 and that construction bids would be in their hands in 6 weeks.

Brown said he thought construction could begin as soon as classes dismiss in May.

In other business the board

canvassed last Saturday's election results and swore in V.K. Orr, Jr. and Vance Hunt. The board then elected V.K. Orr, president, Frank Coleman, Jr. vice president and Carroll Nunnelley secretary for the coming term.

The board voted to change the school policy on the deadline for teacher resignation from July 20 to July 1.

The board also voted to dissolve the Permanent School Fund in Childress County. If all schools with districts in a county vote to dissolve the fund, money in the fund is divided between the districts

according to the number of students each has. The money may be used for bond retirement or permanent improvements.

Childress County had requested that neighboring districts vote to dissolve the fund. Estelline, Memphis, and Wellington school districts all overlap into Childress County. Superintendent E.W. Clement told the board that the amount of money Wellington district would receive would be nominal since the number of Childress county students has dropped considerably from earlier years.

## WTSU Coach Bill Yung Speaks At All-Sports Banquet Thursday

The Skyrockets top athletes will receive awards and all those who participate in sports will be honored at the annual all-sports banquet Thursday, April 7.

At the same time, Wellington will welcome Bill Yung, new head football coach at West Texas State University, who will be the guest speaker. Approximately 220 are expected at the banquet, which will be in the school cafeteria at 7:30 p.m.

Coach James Williams said the trophies to be awarded include outstanding lineman and outstanding back in football; outstanding boys basketball player, outstanding girls player and the Larry Wright Memorial Fighting Heart Award.

Teams to be honored will include football, boys and girls basketball, track and tennis teams. They will be introduced during the banquet by their coaches.

New cheerleaders will be introduced.

Coaches who will introduce their teams and present the trophies are Mr. Williams, football; Robert Hicks, boys basketball; Bruce Dollar, girls basketball; Phil Bailey, track; and Ronnie Glenn, tennis.

If the enthusiasm that Bill Yung brings to his new job as West Texas State University's new football coach spills over to the scoreboard, Buffalo fans will be watching a big winner for years to come.

"I'll always hope to be enthusiastic in coaching," he said shortly after arriving in the Amarillo-Canyon area. "This is the biggest chance in my coaching career, in my life.

It's what you look and plan for."

"The first thing that I did when I was offered this job

was to get down on my knees and thank the Lord."

That strong Christian faith and the aura of confidence that

surrounds the 42-year-old Ranger native has made Yung a huge success at every coaching stop. He came to WTSU from Baylor where he helped the Bears to their first Cotton Bowl trip in 1975.

Yung was the offensive line coach at Baylor under Grant Teaff, and he developed center Aubrey Schulz into an All American in 1974. His final two years under Teaff, Yung was the Bears' offensive coordinator.

Yung was the head coach at Grand Prairie High School with a 48-20-2 record.

The former Ranger High all-district tackle was also a three-year letterman at TCU in 1953-55. He was a guard on the Horned Frogs' 1956 Cotton Bowl team.

Yung started his coaching career as an associate freshman coach at TCU in 1956, and later was head coach at Coleman when the Blue Cats won the regional title in 1960.

## Farmers Co-op Society Holds 50th Annual Meeting Saturday

The Farmers Co-op Gin will hold its 50th annual stockholders meeting Saturday, April 9, at 2:00 p.m. in Bura Handley Community Center.

At that time, the Co-op Society will pay back to its customers cash rebates totaling \$265,638.05.

This represents an average of \$14.96 per bale on 18,174 bales ginned.

Not everyone will receive

that amount on each bale ginned, however, the management points out, since many growers caught their seed.

It will be noted during the meeting that in addition to the \$265,638.05 in cash rebates, the Farmers Co-op Gin had a payroll of \$235,510.98 over the past year.

"This represents more than one-half million dollars which the gin has put into the economy of Collingsworth County in the year. And this is in addition to many supplies and repairs which are bought locally," said J.N. Glasgow, assistant treasurer.

Webb Johnson will give the manager's report reviewing the year's work. The 1976 cotton season marked the first in which both gin plants were operated in the same location, with the old plant having been moved from the corner of 8th Street and Highway 83.

Carl Wischkaemper will give the president's report.

During the business session, new directors will be named and later the 1977 officers will be selected from the board.

Dan Henard, Jr., served as vice president during the last year, with Carthel Lewis

secretary-treasurer.

Other board members are Jerol Morris, Louis Allred, Richard Fourmentin and Troy Thomason.

F.O. Mastin, a member of the gin's first board of directors 50 years ago, and the only surviving member of that group, is expected to be present.

Also due to attend is J.C. Emmert, another of the early directors who served many years in that capacity.

## Services to Be Thursday for A.B. Boyett

A.B. Boyett, retired Quail farmer, died in Collingsworth General Hospital Monday, April 6, at 9:25 p.m. after a year's illness. He was 76.

Funeral services will be conducted Thursday, April 7, at 2:00 p.m. in Quail Baptist Church, with the Rev. Darrell Feemster, pastor, officiating. Burial will be in Quail Cemetery under the direction of Kelso Funeral Home.

## Clinkscale Named CC Rodeo Chairman

The Chamber of Commerce Rodeo date has been changed to Thursday, Friday and Saturday June 16, 17 and 18, and Jack Clinkscale has been named rodeo chairman, Lyman Daniel, Chamber of Commerce president, said this week.

Clinkscale has called a rodeo organizational meeting for Friday, April 8 at 7:30 p.m. at Circle C Western Wear on the west side of the square.

"We would like to ask anybody that could help or is interested in the rodeo to come to the meeting Friday, or give me a call before the meeting," Clinkscale said. "We're going to need help from a lot of people to put on a good rodeo."

The rodeo date was changed from June 8, 9 and 10 because of conflict with the McLean rodeo.

## Rescue Team Realistic

What would happen in case of a multiple-vehicle accident with up to a dozen killed or injured was shown with stark realism Thursday, March 31, at the final training session of an emergency rescue team from Wellington Volunteer Fire Department and the Volunteer Ambulance Service.

The third group in the training was the staff of Collingsworth General Hospital, along with Dr. Carter Holcomb and Dr. Reynaldo Perez.

The exercise was completed in one hour and four minutes--an average of five minutes to extract each patient from the overturned and smashed cars.

Joe Rice of Canyon Fire Department headed the team that also included Tommy Joe

Platt and Jerry Lehnick of that department. Joining them as "victims" for this exercise were Alan Breazeale and Bob Adams, WTSU students.

Other victims were Wellington high students, ambulance service members and citizen volunteers.

Twelve were used, to give examples of major injuries encountered in accidents of that magnitude. Rescue methods learned in the preceding nights were again put to use.

While some may have thought this was too many "victims", it was pointed out that Collingsworth General recently handled a one-car accident in which 7 were injured.

Only hospital administration was aware that this was a training run. Other staff

members reported believing it was the real thing.

Cars, donated by Southside Salvage and Owens Auto Salvage, were among the worst they have had from area accidents. "Victims" were themselves victims of much actual discomfort ranging from smeared catsup to hanging upside down in smashed car awaiting "rescue".

Bob Watson, ambulance service president, was in charge of the rescue operation.

A critique followed the training exercise, in which rescue team members pointed out their own mistakes and the Canyon team added criticisms and suggestions.

Mr. Watson said he considered the operation a success and valuable training for those who will be the rescue team in case of a real disaster.

## Rockets to Compete In Dumas Relays

The Skyrocket track team will compete in the Dumas relays Friday and Saturday, April 8 and 9, the first time Wellington has participated in that event.

Preliminaries will begin at 11:00 a.m. Friday and the finals will be Saturday afternoon, according to Coach Phil Bailey.

"This should be a real good

meet. There aren't many around on the Easter weekend, and there should be some good competition," he said.

The decision to compete at Dumas, rather than in the Amarillo Relays, was made because of the number of Wellington athletes who will be involved in regional UIL one act play competition.

## Faith Baptist Holds Living Proof Revival

Living Proof revival services will begin at Faith Baptist Church Monday, April 11, and continue through Sunday, April 17, the Rev. John H. Stout, pastor, announced.

The evangelist will be Rev. L.D. Terry of Altus, while Tom Wilkins, will be the guest music director.

Evening services were at 7:00 p.m., and the Sunday morning services include Sunday school at 10:00 a.m. and worship at 11:00.

"We extend a special invitation to all who will, to come over and help us in this revival effort.

"There is no greater

achievement than a 'Living Faith' in a living Saviour. Why not take a little time and get your spiritual life up to date?" said Rev. Stout.

Faith Baptist is one of the Southern Baptist Churches throughout Texas participating in Living Proof revivals during April.

## New Date For Kite Fly

The new date of the Cub Scout kite fly is Sunday, April 24, at 3:00 p.m. at the high school track field.

## Rockets Make it 6 in a Row Under Lights at Irish Relays

"In our wildest dreams, we never thought we'd win 6 track meets in a row," says Skyrocket Track Coach Phil Bailey.

But win the Rockets did, and Saturday night, April 2, they brought home the first place trophy from the Shamrock Irish Relays--the sixth in a row!

This was the first time the Rockets had run the finals under lights.

Wellington had 122 points; Memphis was second with 93.

## Samnorwood Wins Greenbelt Contest

Samnorwood land and grass judging teams took top honors in the Greenbelt FFA district contests held here Thursday, March 31.

They represented the district in Area I contests at West Texas State University, Canyon Saturday, April 2.

The team had a total of 724 points.

A Paducah team was second with 654 points and Wellington was third with 639.

The Samnorwood plant team scored 1124 points, regarded as an unusually high total. Childress was second with 872 points and Paducah third with 844.

Samnorwood also took all but one of the individual honors.

In plant judging, John Oldham was high point man with 246 points, Ricky Bentley, second with 242, and Eddie Owens of Paducah third with 240.

Dale Turner and Mark Tarver are the other members of the land team.

Mike Hill was high individual in the land contest with 389 points; Robert Cruz placed second with 377 and Bobby Myers third with 358. The fourth member of the Samnorwood team is Gary Skinner. Jimmy Brown vocational agriculture teacher at Norwood, was advisor for both teams.

Members of the second place Paducah land team were Bill Isbell, Eldie Wright, Stewart Burns, Richard Burns, Brian Burns, David Cunningham and Eddie Owens. Glenn Howell is the advisor.

On Wellington's third place land team were John Birkey, Clay Lacy, Allen Murdock and Pat White. Rodney Myrick is the advisor.

The second place Childress grass team included Glenn Morren, Lewis Dooley, Eddie Skinner and Jimmy Andrews. Truman Kidwell is the advisor.

On the third place Paducah grass team were Barry Smith, Bucky Smith, Maynerd Ferguson, with Mr. Howell as advisor.

The contest is sponsored each year by Salt Fork Soil and Water Conservation District.

Other schools represented were Valley, Clarendon and Estelline.

"This is one of the better contests that we have had in recent years, with larger participation," said Tommy Powell, unit conservationist for Salt Fork SWCD.

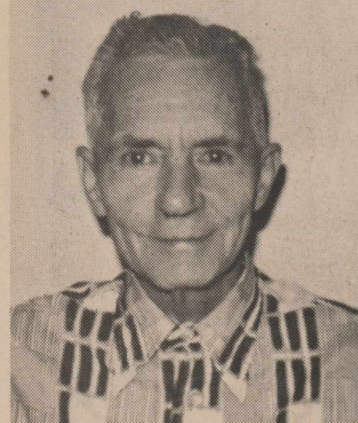

The plant teams identified approximately 40 grasses as to whether they were native or introduced plants, annual or perennial, cool or warm season varieties.

The land team judged soils in four sites on the farm belonging to Mrs. Marie Ward northeast of Quail.

After the contests, Salt Fork SCD directors served hamburgers at Ellison Park. Earl Patterson was head chef, and assisting him were Dan Henard, Jr., district chairman, John Brim, Doug Coleman and John Carson.

SCS staff members assisting Mr. Powell with the contest were James Herring, Dwaine Binford, Don Bibrey and Keith Martin. Wellington Schools provided a bus to transport the contestants.

Mrs. Anita White spent last week in Amarillo with her son, Tim White and family and attended the Shrine Circus. Tim White is a Kiva clown.

MRS. JAMES RANDOLPH TERRY

## Terry-Jarvis Vows Recited In Wichita Falls Church

University United Methodist Church in Wichita Falls was the setting of the wedding of Miss Emma Lou Jarvis and James Randolph Terry, Friday, March 11, at seven in the evening. The Reverend Don Waddell, pastor, officiated.

Mr. and Mrs. Elwood M. Jarvis, 3207 Avenue R, Wichita Falls, are parents of the bride.

The bridegroom is the son of Mr. and Mrs. James D. Terry, 1704 Tennyson Drive, Arlington, formerly of Wellington. He is also the grandson of Mrs. W.C. Lewis, who lives east of Wellington, and of Mr. and Mrs. Osa Black of Hollis.

Decorations in the church sanctuary were a 15-branched candelabra, with baskets of yellow fugi chrysanthemums, majestic daisies and greenery at each side.

The bride wore a formal gown of white velvet, designed with long sleeves, empire waist and A-line skirt forming a chapel train. The bodice, neckline and cuffs

were trimmed with white, heavy lace. The veil of bridal illusion, held by a Juliet cap, was edged in lace. She carried a bouquet of white carnations, yellow starburst chrysanthemums and baby's breath.

Mrs. Marvin Jarvis of Henrietta, sister-in-law of the bride, was matron of honor. She wore a lemon yellow floor length gown, which was styled with empire waist and cap sleeves. She carried a nosegay of yellow starburst mums.

The best man was Kenneth Taylor of Amarillo, brother-in-law of the bridegroom, while the ushers were Kevin Terry of Arlington and Marvin Jarvis of Henrietta, brothers of the couple. Mr. Terry also lighted the candles.

A reception was held in the church Octangle.

After a wedding trip to Dallas, the couple is living in Arlington.

The bride is an honor graduate of Wichita Falls High School and is employed by Boley-Featherston-Huffman

*Claude Caisons Honored on Their 50th Wedding Anniversary Mar. 27*

Mr. and Mrs. C.W. Caison were honored on their 50th wedding anniversary Sunday, March 27, with a surprise reception given in the community building at Port Aransas.

The couple spends their winters on the Gulf Coast.

Hosts were their children, Mr. and Mrs. David Caison of Wellington, Mr. and Mrs. Charles Caison of Waka, Mr. and Mrs. Doug Caison and Mr. and Mrs. C.H. Jones of Irving.

All guests were present when the couple arrived, believing that they were coming to attend another event.

The reception table was laid with a white cloth and centered with an arrangement

of white Fuji chrysanthemums and yellow carnations in a footed bowl. Anniversary cake and punch were served.

This was also the 28th wedding anniversary of their only daughter and her husband, Mr. and Mrs. C.H. Jones of Irving. Mrs. Jones is the former Margie Caison.

Both Mr. and Mrs. Caison were born in Collingsworth County and have lived here all their lives, except for a few years at Hereford.

Claude Caison and the former Anna Bell Long drove to Memphis to be married March 27, 1927. They have farmed here through the years, and in addition, he operated custom wheat harvesting equipment through the middle west for a period of

about 12 years. He retired five years ago, and since then they have spent most winters at Aransas Pass, where they go about their favorite sport-fishing in the Gulf of Mexico.

Mrs. Caison is the daughter of the late Mr. and Mrs. J.B. Long, who lived many years at Rolla. This land is still in the family with the third generation farming it.

A talented artist, Mrs. Caison also has taught oil painting.

Mr. Caison's parents were Mr. and Mrs. George David Caison, who moved from here to Hereford, where they again engaged in farming.

Mrs. Caison has a brother and two sisters, Ralph Long and Mrs. H.C. Templeton of Wellington and Mrs. Darlene Cook of Perryton. He has three sisters and a brother, G.D. Caison, Mrs. Helen Smith and Mrs. W.C. Stansell of Hereford and Mrs. Don Manzer of Dumas.

Mrs. Cecil Burrows of Uvalde is visiting with her parents, Mr. and Mrs. Melvin Kiker and Lon and her grandmother, Mrs. O.A. Kiker.

*Mrs. J.D. Coleman Describes Geneological Work for DAR*

Mrs. J.D. Coleman presented a program on geneological research for members of La Paisana Chapter, Daughters of the American Revolution at their dinner meeting Monday, March 28. Mrs. Clyde Drake was hostess.

The speaker described her own work on her family tree and told how she organized her material into book form so that she can pass it on to her sons.

In giving the national defense report, Mrs. Drake compared the cost of telephones and the service received in the United States with that in other countries, then as the second part of her report, told of recent federal legislation setting the fishing limits as 200 miles from the United States coastlines.

Mrs. Jack Davis described needs of Bacone Indian College at Muskogee, Okla. The need for scholarship donations, equipment for the

science department and books for the library were told. Chapter members voted to donate a needed book.

She also reported on the state DAR conference which she attended recently.

Miss Maudie Coffee presided.

Attending the meeting, which was held in Cherokee Inn Restaurant, were

Miss Coffee, Mrs. Bura Handley, Mrs. Jack Davis, Mrs. Jennie Holcomb, Mrs. Les White, Mrs. Coleman, Mrs. Drake, Mrs. Dan Langford and Miss Rita Lowrie.

## Good Word for Wind

We have lived in this part of the country for a long time and can put up with high winds and blowing dust better than someone to whom this is a new experience. That does not mean we like it. Nobody ever gets used to dust storms just like we suppose nobody in Los Angeles ever gets used to the smog. But we would like to point out, for the benefit of newcomers, that this is really unusual weather we've been having. This is the windiest March we have had in at least 20 years and as best we can remember, it didn't blow this hard even back in the drought years of the early 1950s.

Harold Hudson in The Perryton Herald

## Another Step Backward

Elimination of Saturday mail delivery and simultaneously increasing the federal subsidy to U.S. Postal Service, as recommended by a federal commission, is the type of squeeze play that is making the term "bureaucrat" the virtual equivalent of a four-letter word.

Experts on service businesses long have known that cutting back service is the first step toward eliminating a financially-troubled enterprise.

Such retrenchments are designed to reduce overall deficits, but in this case the Commission on Postal Service has tied the service cutback recommendation to an increased subsidy, which is squeezing the postal patron from both ends.

The commission has determined that continuation of Saturday deliveries with no increase in the postal subsidy would push the cost of mailing a first class letter to 28 cents by 1985. Even with elimination of Saturday deliveries, the first class rate is predicted to go to 22 cents by 1985, according to estimates.

We feel the difference between 22 and 28 cents is insufficient justification for cutting back service by 18 percent. If we must pay the higher rates, so be it, but further postal service cutbacks, unless they can be justified by other than cost considerations, should stop. Thankfully, Congress apparently agrees. The Saturday cutback is given little chance of approval.

## Creating Jobs

"Creating jobs" is a topic much in the news these days. President Carter is studying a number of proposals to launch some sort of massive federal employment program costing billions of dollars.

There appear to be a great many people who don't know how jobs are created. Jobs are created by investment.

A person who opens up a retail store, for example, has to have some money to invest and he gets this either by saving or as more likely, by borrowing. In either case, he has to have money to pay for stock, rent, utilities, pay employees and meet other expenses until the cash from sales starts coming in.

All industry has to have investment capital to start a business and create a job.

The big business of this country gets its investment capital from the sale of stock and from the sale of bonds. People who invest their savings this way have a right to expect a reasonable return on their investment.

If the risk is greater, then the returns need to be greater in order to attract risk capital. This is why people who invest in an oil well drilling venture have a right to expect more than the 5 percent return common to savings accounts because they might lose all their investment, or they might have more than 5 percent.

People invest capital in business ventures because they expect to make a profit. There is nothing wrong with making a profit, and people who perform services and provide goods for a profit are much more apt to do a better job than those working for the government.

The "make work" jobs created by government do little to cure unemployment for the simple reason that government has no money except that which it takes from other working citizens through taxation. It takes more than a government decree to create meaningful jobs.

## STATE CAPITAL

# Highlights AND Sidelights

by Lyndell Williams  
TEXAS PRESS ASSOCIATION

AUSTIN — In a surprise move, the State Board of Insurance ordered a 2.8 per cent statewide reduction in property coverage rates starting July 1.

New rates will cut premiums across the state about \$18.9 million, according to board estimates.

Insurance companies requested a \$44.5 million rate increase.

But Board Chairman Joe Christie said evidence indicated no increase was justified and a cut was in order.

Most of the reduction, however, would go to commercial building and apartment owners carrying fire and extended coverage rather than homeowners policies.

About 80 per cent of homeowners policies actually are sold at premiums lower than specified by the board due to rate deviations permitted under 1973 law.

Homeowners policy rates will go up two per cent on a statewide average, compared with eight per cent sought by the insurance companies and 6.6 per cent initially recommended by the state agency's own statisticians.

The rates vary by territories based on loss experience.

Fire insurance rates will go down on an average of 5.7 per cent — 3.4 per cent on homes, 6.3 per cent on businesses and 17.5 per cent on farm buildings.

Extended coverage will be 11.1 per cent cheaper statewide — 16.8 per cent less on the seacoast, seven per cent less in central inland territory and 9.5 per cent cheaper in the north-northwest.

Homeowners rates will increase 1.3 per cent in the seacoast and 4.2 per cent central inland and will decline 2.4 per cent in the north-northwest.

### Farm Views Aired

Leaders of more than a dozen agricultural groups gave Gov. Dolph Briscoe and new Agriculture Commissioner Reagan Brown their ideas on how to make Texas No. 1 among the states in crops and profitability.

The new commissioner said he wants to insure good food in grocery baskets at reasonable prices and ample profits for farmers and ranchers.

**YOU CAN BANK ON IT!**  
By BILLY MOSELEY  
President  
CITY STATE BANK

Many things about the American system of banking are unique from other banking systems in the world. One of those things is the dual nature of chartering.

Some are chartered by the federal government and are most often called "national" banks. Others receive their charters directly from their respective states. These are called "state" banks.

Even though the charters come from different sources, services offered the customers may be virtually the same and the regulations each operates under are very similar. Protections accorded depositors are the same.

The dual system came about in the early days of U.S. banking because of general opposition to a single, "national" banking system. This opposition to a central system created many strong state banks, so strong that until the 20th century several state banks issued their own currency.

The closest thing now to a true national bank is the Federal Reserve System, which essentially acts as a bank's bank. Both state and national banks maintain accounts, make deposits and withdrawals from the Federal Reserve Bank in their particular region.

"We want to"

Department of Public Safety reported a six per cent drop in Texas violent crime rates last year.

However, crimes against property increased four per cent.

Reports from law enforcement agencies showed in addition to the six per cent reduction in murders and homicides:

A two per cent drop in aggravated assaults, seven per cent increase in rapes, 14 per cent dropoff in robberies, 10 per cent increase in thefts, five per cent decrease in burglaries, and eight per cent decrease in vehicle thefts.

### School Bills Move

Education finance bills are starting to move.

The House Public Education Committee approved a \$694 million package, designed to bring some property tax relief and equalization aid.

Full House debate was expected this week.

The Senate Education Committee probably will advance its version of school finance reform next week.

### Courts Speak

The Supreme Court held a young doctor does not have to pay cost of building a clinic for him in the Panhandle town of Booker which he left after only five weeks practice there.

The high court also called for a third trial of a \$390,000 lawsuit by a water supply corporation against a contractor as a result of leaks in plastic pipe joints in the Marlin area.

In another case, the Supreme Court decided the family of a truck driver killed in a Dallas County hit-and-run accident cannot benefit under uninsured motorist insurance since negligence was not proved on the part of the driver.

Gov. Dolph Briscoe

whose car struck the trucker.

Third Court of Civil Appeals ruled a Caldwell County man has no easement across a neighbor's land though he had used a road there since 1943.

### AG Opinions

A bill to permit voluntary silent prayer or meditation in Texas public school classrooms seems to meet state and U.S. constitutionality tests, Atty. Gen. John Hill found.

In other recent opinions, Hill concluded:

Details of an employment discrimination complaint filed against the City of Austin are subject to public disclosure.

Exemption of residential utilities (including nursing and convalescent homes and apartments) from the sales tax is constitutional.

There is no apparent constitutional defect in a proposal to grant trial courts discretion to deny bail pending appeal in certain cases.

A defendant who wishes to plead not guilty in a traffic case must do so in open court, either in person or through counsel.

The method of execution of criminals may be altered subsequent to trial and sentence, "so long as the new method is no more onerous than the old."

### Short Snorts

The Senate passed amendments to the open meetings law to allow official meetings by telephone conference call and to exempt discussions of any property lease or sale.

Coal slurry pipeline legislation went to conference committee for adjustment of differences in House and Senate bills.

The Senate approved creation of a new Human Rights Commission to process job discrimination complaints.

named Leslie B. Vance of Clifton 220th district attorney in Hamilton, Comanche and Bosque counties.

The House has now passed its own version of legislation to exempt newspapers from the sales tax. The Senate passed an earlier version, but House leaders noted tax measures are supposed to originate in the House.

North Texas salt domes and salt bed formations in the Permian Basin and northern Panhandle have priority status for testing as possible nuclear waste repositories.

Incidence of sexually-transmitted diseases is at an all-time high, and the Texas rate is above the national average.

Crude oil production on state and federal leases in offshore Texas petroleum provinces is off — from 44,782 barrels during January 1976 to 38,285 barrels for January 1977.

# 50<sup>th</sup> Annual Meeting

Saturday, April 9, 2 p.m. Community Building

## 18,174 Bales & \$14<sup>96</sup> per Bale

On the Average Will Be Paid In Cash Rebates

The Farmers Co-Op Gin is paying \$14<sup>96</sup> rebate per bale on a percentage basis to the cotton growers who ginned with us during the past season. The total cash rebate after retaining \$49,500 from the 76-77 season will be . . .

### \$265,638<sup>05</sup>

Every Officer, Director and Employee of the gin is grateful for the splendid co-operation our customers have given us during the past year which will enable us to return more to our members.

We would like to point out that both the grower who sold his seed rather than caught it and the grower who sold his cotton through the Farmers Co-Op Gin will receive a slightly larger check.

### Door Prizes

Door Prizes will be Awarded. You will register as you enter the building and the drawing will be held during the meeting. Come early for the registration for prizes will stop once the business meeting has started.

Patronage Rebates will be handed out at the meeting. Your attendance will enable you to receive your check that day since the gin office will remain closed until Monday.

Your presence at the annual meeting will be appreciated and again we would like to thank each one of you for your fine cooperation during the past season.

Farmers Co-op Gin had a payroll this year of \$235,510 and will rebate \$265,638 ----- that means the gins pumps more than half a million dollars into the economy of Collingsworth County. And that doesn't count money spent locally for fuel, supplies, repairs and equipment.

**THE BIG ONE FOR DRY COUNTRY**

**IT'S DEPENDABLE**

Dependable yields of consistently high quality fiber even in drouth years. That's what made LX 571 a long time favorite with farmers here about. And it's nice to know that you don't have to give up something else for drouth resistance. Farmers appreciate the good gin turn-out of fairly long staple fiber which makes in the premium range under normal conditions.

At maturity you'll like the looks of LX 571's storm resistant bolls and at harvest you'll appreciate how well it strips one-time-over. LX 571 along with other Lankart varieties accounts for over 60% of the cotton planted in the Altus Classing Office territory and have for a number of years... strong testimony from people who know how to grow cotton in this area. If you think this might be a dry year

**CHECK THESE LX 571 CHARACTERISTICS:**

- Good dryland cotton
- Good root system for drouth resistance
- Top yields
- Good gin turn-out
- Medium early maturity
- Storm resistant bolls
- Excellent stripper variety
- Well-adapted to one-time-over harvesting
- Staple length in the 1" and longer range
- Micronaire in the premium range (under normal growing conditions)

**CHECK THESE RESULTS:**

Information from cotton variety comparisons made in 1976 in various locations in Texas and Oklahoma:

- Childress, Texas  
On dryland without fertilization LX 571 (Lankart) made 687 pounds of lint per acre. The cotton which was machine harvested had a micronaire of 4.7, staple length of 30 and a gin turnout of 26.8 percent.
- Haskell, Texas  
In a dryland cotton variety test, LX 571 produced 665 pounds of lint to top the test and beat the second variety in the test by 12 pounds per acre. The fiber graded 50, had a staple length of 32, micronaire of 5.4 and a gin turnout of 29.5 percent.
- Wall, Texas  
LX 571 also topped this test of eight varieties on non-irrigated land without fertilizer. It produced 544 pounds of lint with a staple length of 34. Micronaire was 4.7, solidly in the premium range.
- Delhi, Oklahoma  
Under extreme drought conditions and without irrigation, LX 571 made a lint yield of 250 pounds per acre. The cotton graded 40, had a staple length of 30/32, a micronaire of 5.2. The gin turnout was 29.9 percent.
- Cooperton, Oklahoma  
In this test on the Kenneth Boyd farm, Lankart LX 571 produced 349 pounds per acre of very good cotton. It graded 50 with a staple length of 33/32, micronaire of 5.0 and had a gin turnout of 28.6 percent.

If you raise dryland cotton in this area where drouth is a threat, go with LX 571 this year. You can get Lankart LX 571 from your ginner.

The Rev. Harold James, blind evangelist of Boise City, Oklahoma, will preach and there will be special music each night, directed by the Rev. and Mrs. Darrell Feemster. Several guest musicians and vocalists will be presented during the week.

Evening services will be at 7:30 p.m. during the week and at the regular hours Sunday morning.

Rev. James, 54, lives on a farm near Boise City, although he previously has served as pastor of four churches in Kansas and Oklahoma. He attended Wayland College, Plainview.

In August 1975, Rev. James was in a farming accident which left him totally blind.

"God has used him in a very special way. He has been in full time evangelism and has spoken more than 200 times in the year and a half," said Rev. Feemster.

Prior to entering the ministry, He engaged in farming and ranching.

His wife will accompany him here.

**More Pictures Next Week**

Pictures of the Tiny Tot Revue, held Tuesday, April 5, will be printed next week. There will be additional pictures from the UIL district contests and the Greenbelt District FFA land and grass judging.

**Wellington First, Second at UIL**

Wellington students, from second grade youngsters through seniors in high school, brought home honors in University Interscholastic League literary events competition held Thursday and Saturday, March 30 and April 1, at Clarendon.

Junior High-Elementary School, competing together, won first place honors and a large trophy. The High School team was second.

It is the first time within the memory of those now associated with the school system that such distinction has been achieved. It is also the first time in recent years that emphasis has been placed on elementary school competition.

Winners on the high school level qualified for the regional events at Texas Tech University, Lubbock Friday and Saturday, April 22 and 23.

Wellington's elementary school team had 62 points. Shamrock was second with 55, Clarendon and Claude each had 35 and Memphis 15.

Of the 62 point total, Valarie Van Pelt alone earned 20 points.

In the oral reading contest, Valarie placed third;

Fifth and sixth grade spelling: first, Lynn Bartlett. Valarie placed first in ready writing and Silvia Hunnicutt was third.

Among second graders, Gina Barnett was first and Karen Mote second in story telling.

The picture memory team, Todd Roberson, Bill Reeves, Lisa Powell, and Allison Neeley, placed third.

Valarie was the only contestant in seventh and eighth grade spelling to spell every word correctly. Due to a technicality in the forming of the letter "i", however, she was disqualified.

HIGH SCHOOL

Sixteen high school students either qualified for regional competition or won places in the district contests at Clarendon.

Suzy Castleberry placed first in informative speaking and Kloette Camp was the alternate (fourth place).

Kay Coffee was first and Tina Powell second in persuasive speaking.

Robert Burba was first in poetry reading and Renessa Cardwell was named alternate.

Betty Lewis was third in prose reading.

Karen Goforth, a freshman, placed first in oral reading. This category does not advance beyond district level.

Don Lewis was third in

ready writing and Burba third in number sense.

In typing, Lewis placed first, David Conant second and Sheila Hernandez third.

Margie Dixon won second place in shorthand and Penny Morgan was third.

**Judge Thomas at Manpower Meeting**

County Judge Zook Thomas was in Austin late last week at attend a meeting of the State Manpower Service Council.

This body looks over applications for projects and makes recommendations to Governor Dolph Briscoe.

Mrs. Thomas accompanied her husband.

**RESCUE PRACTICE**

Fire Department and Ambulance Service volunteers Marshall Peters, left, Doc Turner, John James and Corky Bowen move a "victim" in a practice wreck scene set up Thursday, Mar. 31 as part of a rescue school conducted by the Canyon Fire Department. The mock-up with 3 cars and 12 victims was so realistic that a passing Red Cross ambulance stopped to give assistance.

**Vote Light in Saturday Elections**

One new member was elected to each the Wellington City Council, Wellington School Board and Collingsworth Hospital Board in elections Saturday, April 2.

Two new members were elected to the Dodson City Council.

The turnout was light in all elections. No major issues developed.

In the Wellington School trustee race, Dodson residents pointed out that their part of the district had been without a representative on the board for three years, and this time a Dodson man was named.

**WELLINGTON CITY COUNCIL**

Robert Owens received 122 votes to go on the Wellington City Council, while Tom Wilkins, polled 110 votes to be returned for his third term. This fills the two places open. Tommy Thomas was the third candidate. He received 52 votes.

Mayor Bill Hatch, seeking re-election without opposition, polled 129 votes.

WELLINGTON SCHOOL V.K. Orr, Jr., with 128 votes, and Vance Hunt of Dodson, with 110, were named to the Wellington School Board.

Troy Gene Thomason, the third candidate, received 96.

Mr. Orr was elected for his second term, and is completing one year as president of the board.

Mr. Hunt was a first-time candidate.

HOSPITAL The three candidates seeking places on the Collingsworth General Hospital Board had no opposition in the only county-wide race Saturday.

Truett Holland is the new member of the board and received the high of 268 votes.

Re-elected were J.C. Howell of Dodson with 252 votes and Clyde Drake with 247.

Mr. Holland succeeds John Eron Forbis who was not a candidate.

The vote by boxes included: Holland: Quail 33, Wellington 149, Norwood, 36, Dodson 49, Absentee 1.

Howell: Quail 29, Wellington 136, Norwood, 35, Dodson 51, Absentee 1; Drake: Quail 29, Wellington 143, Norwood 36, Dodson 38 and Absentee 1.

DODSON CITY COUNCIL New members elected to the Dodson City Council were John Green, who received 31 votes, and Bobby Tabor, with 23.

Three council men were re-elected: Thurman Crowover who polled 46 votes, Tommy Hightower, 45, and L.C. Leathers, 37.

Other candidates for council were John Hightower 21 and Shirley Stewart 7. Mrs. T.E. Lennon was not a candidate for re-election, although she received 11 write-in votes.

Lonnie Roberson, who was filling an unexpired term as mayor, was re-elected with 43 votes.

Votes will be canvassed at the next meeting and the officials will take office at the following meeting. Dodson City officials meet in called sessions rather than at scheduled meetings.

COUNTY BOARD The county school board election for Precincts 2 and 4 was held at Samnorwood. Sam Carter, Precinct 2, received 17 votes and Tom Cunningham, Precinct 4, polled 16.

QUAIL SCHOOL Three candidates were unopposed in seeking the three places on the Quail

School Board. Lonnie Needham received 38 votes, Dan Guthrie 34 and Delbert White 31.

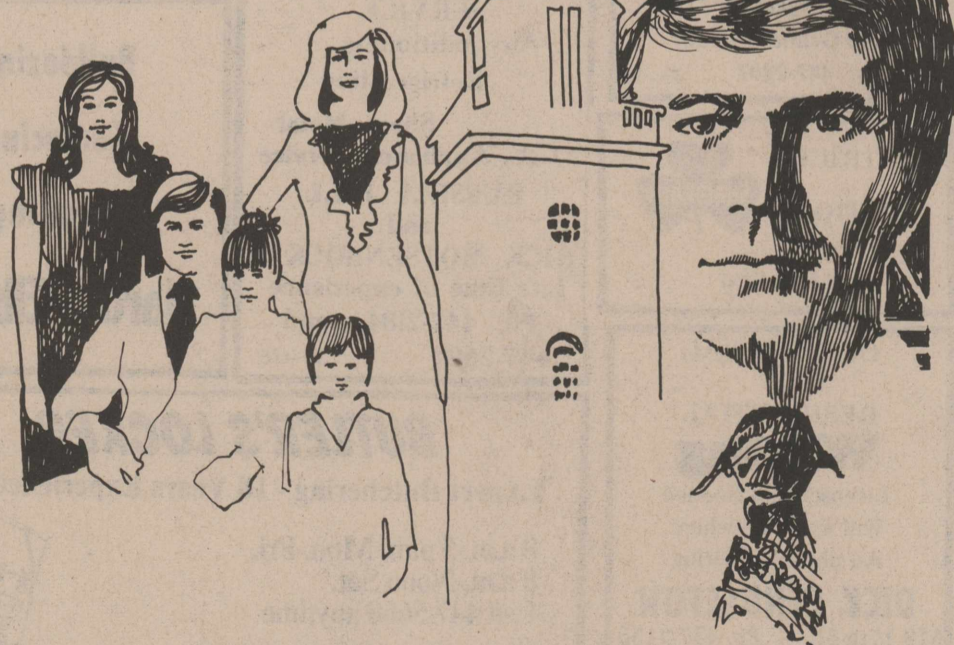

SAMNORWOOD SCHOOL Two incumbents were re-elected to the Samnorwood School board in the election Saturday, April 2.

Marvin Knoll received 52 votes and Joe Frank Knoll 51. The third candidate, Mark Simpson, polled 15.

Trustees will hold their regular meeting Monday, April 11, when they will canvass the election and reorganize the board.
