FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 1, 1921

NUMBER 26

HIGHWAY CONVENTION TO BE LARGELY ATTENDED

Reports from all points on F. F. F. Highway Indicate Convention Will be Real Thing

With the approach of the dates for the First Annual Convention of the F. F. F. Highway Association in Floydada, it begins to look like the convention will be the real thing. Enthusiasm is growing and very likely every sizable point on the route will furnish from one to a half dozen or more delegates, on September 15 and 16.

Publicity Director Jno. L. Boswell in a letter Monday to Director R. E. Fry declared that answers to questions sent out last week had been 100 per cent. President Shook, of Fort Worth has sent out invitations to city and county officials on the route to attend the convention and many of them have promised to do so. "The interest being taken in the movement indicates the movement is well under way to make the F. F. F. Highway a real highway and the Floydada Convention a real convention," Mr. Boswell said Tuesday in Floydada.

Continuing Mr. Boswell said: "The large daily newspapers have been giving some good publicity to the Floydada convention and they will do so until the convention takes place. Several of them will have staff correspondents at the convention.

"President Ford Shook of Fort Worth will bring several of the prominent business men of Fort Worth with him to the Floydada convention. Among these will probably be Co. Judge Lon Small of Tarrant county, Van Zandt Jarvis and Hubb Diggs. J. H. Davidson of Weatherford assures good representation from Parker county and promises more watermelons for the Floydada meeting if they can be obtained in his county at that time. Ray Leeman, secretary of the Mineral Wells Chamber of Commerce states that the famous health resort of Palo Pinto county will have at least one delegate present and plans are being made to send an automobile load of them.

"Milton H. McConnel, secretary of the Graham Chamber of Commerce promises to be present personally and to bring as many good road boosters as possible with him. The little town of Jean in Graham county will also be represented, as will Olney another good sized Graham county town on the F. F. F. Highway. Megargel, the only town in Archer county on the highway, plans to send a delegate.

"Despite the fact that the Baylor county fair will be held at Seymour on the same dates as the convention, Seymour will have at least one man at the Floydada meeting. R. D. Bell of Benjamin several other progressive citizens of Knox county promises attendance. Crowell has not yet selected her delegates but she will send several men to Floydada.

"Paducah and Matador each promise big delegations and the most prominent citizens in each of these towns will be in the number. Lockney and Plainview, because of their closeness to Floydada and their interest in the highway, will have large delegations. Fred Schrier of Olton, one of the most ardent good roads boosters of the Southwest, will attend and will take the Lamb county commissioners with him. Judge James D. Hamlin of Farwell will represent that town.

"The New Mexico towns on the F. F. F. Highway will be well represented at Floydada September 15 and 16. D. W. Jones of Clovis, secretary of the highway association, is working up quite a bunch of boosters from Clovis and Texico. J. E. Owens, district clerk at Fort Sumner will attend and he promises several other delegates from the former home of Billy the Kid. Las Vegas, at the western terminus of the route will send at least one car full of delegates and more if possible.

"The delegates to the Floydada Convention will be the most representative citizens from their respective communities and the advertising value of the convention to Floydada will be great as a result and we know that Floydada is going to do her part to show the delegates a good time."

Plans of the local committee for the forthcoming convention are moving smoothly, and every effort is going to be made to add to the pep in the convention by the good treatment the delegates will get while in Floydada. Promises of every aid from the neighboring towns of Lockney and Plainview have been given, and the Commercial League is join-

FLOYD COUNTY STOCK LAW IS UNDER FIRE

District Judge Issues Order Restraining Officers from Enforcing Provisions of Law Here

The Floyd County Stock Law, which was voted on in February of 1917, and carried, and which had been thought during the intervening time to be an effective local option law in the county, is probably of no force and effect. At least, this is the judgment of District Judge Joiner, after a hearing in chambers at his home in Plainview last Monday in a petition from Lee Montague, prominent cattleman of this county, asking that officers of this county be restrained from enforcing the law in this county.

The injunction petition was filed following the impounding of cattle strayed from Montague's pastures by Matt Nix, which was done through procedure in Justice J. C. Gaither's court. The next step in the procedure would have been the paying of the impounding fee by the owner of the cattle or the sale of the same under the stock law for the payment of fees and damages.

The judgment rendered by District Judge Joiner was in the form of a mandatory writ to Nix, requiring the cattle to be released, and a restraining order to Justice Gaither stopping further procedure in his courts. These orders were based on testimony produced at the chambers hearing, alleging the stock law had not been legally adopted in Floyd County, one point being that whereas the law requires the Commissioners' Court to give official publication of the Stock Law Election Notice for a period of thirty days previous to the day of the election, the court gave a considerably less number of days notice of the election.

Kenneth Bain is attorney for the petitioner, Lee Montague, and presented the testimony and arguments to the District Judge.

Whether the case will go into District Court this term and be made permanent or dismissed after further hearing was not known here yesterday.

KING HAS NARROW ESCAPE FROM DEATH IN RUNAWAY

G. S. King had a narrow escape from death Tuesday. A runaway team drug more than fifty feet of barbed wire across his body, while he was thrown helpless on the plows of a cultivator in his field southwest of town, and he was miraculously not cut seriously. The wire was drawn taut by its weight and the pull of the end which caught on the cultivator tongue. It scratched him on the neck, rather severely the length of his arm and from head to foot on his back. Finally extracting himself from the machine King was able to come to town for treatment for the wounds.

He nor any of the persons who have been on the ground where the accident occurred have been able to understand how he escaped instant death.

JUSTICE J. C. GAITHER IS 72 YEARS OF AGE

Justice of the Peace J. C. Gaither is 72 years of age. He arrived at that milestone in his life Wednesday, August 31.

Possessed of an uncanny judicial poise, due to a combination of long experience and study of the fundamentals of the Statutes, Justice Gaither is serving the community in a unique way. At 72 he is hale and hearty with no ailments to mention.

Several friends "wised up" to the Justice's birthday and reminded him of their esteem with little gifts and congratulations.

L. L. COLLINS PROMOTED TO 2ND LIEUTENANT BY A. & M.

In the list of promotions announced Sunday by President Bizzell of A. & M. College of Texas is the name of L. L. Collins, of Floydada, whose rank was raised to that of second lieutenant.

Collins is a son of D. H. Collins. He will finish his course at A. & M. with the class of '22.

He will finish his course at A. & M. with the class of '22.

LEFTY WILSON TO GET TRY-OUT WITH YANKEES

Amarillo, Aug. 29.—"Lefty" Wilson ace of the Amarillo Grays pitching staff, today signed a contract to report to the New York Yankees in February. Wilson is only 19 years old. He was born and reared in the State. His home is at Hamlin.

Wilson worked out with the Abilene, West Texas League, club in the Spring, but was released in the opening day of the season. He has pitched thirty-one games this year and won all of them but two. He has pitched three no-hit games and four one-hit games this year. In the last twenty-seven innings he has pitched for Amarillo he has fanned forty-three men.

Ross Johnson, brother to Rankin Johnson, former big leaguer, who has been playing first base and outfield for the Grays, has signed with the Toledo American Association team to report in the Spring.

It is said that Joe Lewis, Amarillo catcher, may appear in a Washington uniform next season.

DUNAWAY'S THREE BAGGER HITS BARKER BROS. SIGN

B. K. Barker, of Barker Bros., had to "pay off" for the first time this season Tuesday afternoon when Dunaway of the Amarillo team hit a hot one in the eighth inning that struck the Barker sign on deep left fence and rattled the boards for several feet around.

Dunaway stopped on second base and when he saw what had happened cavorted about like a colt.

While many players have rattled the boards on Floydada Park outfield fences this season Dunaway is the first to touch Barker up for the five-spot.

ACCIDENTALLY SHOOTS SELF IN FOOT

Lois Gilbert, son of Mr. and Mrs. G. W. Gilbert, accidentally shot himself in the left foot with a target rifle while hunting in the Massey pasture fifteen miles northeast of town Friday morning of last week. The young man was brought to town where the very painful wound was examined. He was carried to Plainview Friday afternoon, and several x-ray examinations had to be made before the bullet and shattered bones could be removed. The wounded member is reported to be healing nicely.

MRS. J. W. CHILDERS HAS SUCCESSFUL OPERATION

Mrs. J. W. Childers, of Abilene, mother of Mrs. Dora Reagan, city, and grandmother of Mrs. W. U. White and J. H. Reagan, city, had a successful operation for appendicitis at the Alexander Sanitarium in Abilene last Friday morning. She is 74 years of age. Only local anesthesia were used for the operation.

Mrs. Reagan and John left Friday for Abilene to be with their mother and grandmother.

WORK ON THREE-PHASE CIRCUIT BEGUN BY T. U. CO.

Work on the three-phase circuit for Floydada and Lockney was begun by the Texas Utilities Company this week. Work is proceeding out of Plainview and the linemen spent the first half-day on the line Wednesday morning. For several weeks the material for the line has been coming in and preliminary work done.

The three phase circuit which will replace the single phase current now being supplied will make installations of motors less expensive for customers of the utilities company and is in addition expected to give steadier current to a larger number of customers with the same amount of outlay for power.

During the time the change is being made the power will be interrupted five hours per day, 19-hour service being given instead of 24-hour service during the time. Power users are making some changes in their schedules of working hours to take care of their business and it is expected the interruption will work a minimum amount of inconvenience to the public.

Manager E. E. Brown estimates that two weeks to thirty days will be required to complete the new circuit into Floydada.

M. L. Kizziar was called Tuesday to the bed side of his father, M. E. Kizziar, who is seriously ill at his home in Albuquerque, New Mexico.

R. O. FIELDS DIES AT BARKER HOME IN FT. WORTH

R. O. Fields, 48, for five years a resident of Floydada, died at the home of J. W. Barker, his brother-in-law, in Fort Worth last Thursday night at 8 o'clock, and was buried in Greenwood Cemetery Saturday following funeral services at 11 A. M.

His death was not unexpected by himself or his relatives. More than a year ago he lost his voice and learned upon consultation with specialists his trouble was cancer of the throat. He spent many months in sanitariums and hospitals in Philadelphia and Baltimore, as well as in Texas. About six weeks ago he returned to Fort Worth not expecting to recover.

He is survived by his wife and three daughters of a former marriage, Mrs. Pearl Hagood, Mrs. Ruby Johnson and Mrs. Mable Penn, all of Fort Worth.

Included in the estate are two pieces of residence property in Floydada.

MONDAY IS LABOR DAY; BANKS WILL CLOSE

Monday is Labor Day and the banks of Floydada will close in observance of this national holiday, it was announced this week.

No particular program will be observed in Floydada on this day.

MR. AND MRS. J. Q. CARPENTER HOME FROM WICHITA

Mr. and Mrs. J. Q. Carpenter are home from Wichita Falls where they had been on a month's visit with their daughter, Mrs. Fred L. Cone.

Mr. and Mrs. Cone and little son accompanied them home for a short visit returning to Wichita Tuesday, accompanied by Miss Clyde Carpenter, who will visit her sister.

VOLUNTEER FIRE DEPARTMENT IS REORGANIZED

The Volunteer Fire Department of the City of Floydada was re-organized at a meeting of interested persons held Monday evening, and adopted a constitution and by-laws for the department approved by the State Fire Insurance Commission.

The re-organization was effected for the purposes principally of putting the department on a live basis, and regular practice will be held.

Roy Snodgrass was re-elected chief, B. K. Barker assistant chief, J. H. Reagan foreman of Hose Company No. 1, L. T. Bishop foreman of Hook and Ladder Company No. 1, Ray Slaughter foreman of Chemical Company No. 1, Maury Hopkins secretary treasurer, and Herbert Sparks driver of engine, with Pink Maxwell assistant driver.

As soon as the organization is under headway and is recognized by the State Fire Marshal, a substantial reduction will be granted to residents of Floydada on fire insurance rates.

SCHOOL WILL OPEN HERE MONDAY, SEPTEMBER 12

The Floydada Public Schools will open Monday, September 12, according to Supt. James E. Parks, who returned yesterday from Austin where he has been for the past few weeks on the State Board of Examiners.

Next week will be institute week. The institute will be held in Canyon City this year, and the teachers composing the Floydada faculties will be attending all of the week.

The present high school building is being made ready for the large number of students who are expected to attend this year. A big increase is expected over last year's attendance. Space is very limited, but the auditorium has been partitioned off into two study halls which must serve the purpose until a new building is erected. The floors and walls are being cleaned, the windows repaired and plaster replaced where it is needed.

BAKER SCHOOL WILL OPEN MONDAY, SEPTEMBER 12

Baker school will open its 1921-22 session on Monday, September 12th, it is stated by Geo. L. Fawver, one of trustees of the school, who requests that a full attendance of the patrons be out on that day.

Friday of this week (tomorrow) has been set as the day for a meeting and general clean up of the school grounds by patrons.

Mrs. J. A. Awtrey has returned from her trip to the Dallas and Fort Worth markets. She also visited her parents, Mr. and Mrs. G. L. Ham of Vernon, Texas, while away.

STATE APPORTIONMENT THIS YEAR WILL BE \$13

The apportionment from the state school fund for the school year 1921-22 will be \$13 per capita, it was announced last week from the State School Board's office in Austin, which is a reduction of \$1.50 per capita from last year's apportionment.

The county's apportionment last year was \$2.50 per capita, and County Superintendent W. B. Clark's estimate is that it will be \$2.25 this year, possibly but \$2, on account of the increased scholastic population of the county.

State aid for this school year, as finally agreed upon in the legislature and approved by the governor will be a total of \$1,500,000 for this scholastic year and an even million for next year.

The total receipts of all Floyd County School Districts from the state apportionment will be \$38,376, based on a scholastic population of 2952. Of this amount Floydada District, with an enrollment of 700, counting transfers, will receive \$9,100.

MOVING DAY FOR SEVERAL FIRMS THIS MONTH

It will be moving day for three firms in Floydada as soon as the White brick on West California is completed and furnished.

Peddy's Cafe will be moved to the White building, following which the Willis building will be remodeled for occupancy by Mitchell Bros., hardware, and when the Surginer & Faris building is vacated by that firm the J. U. Borum Hardware will move to that corner.

GRAND ISLAND DEALER VISITING AND PROSPECTING

Byron Williams, of Grand Island, Neb., who is extensively interested in the horse and mule business, is a visitor here this week with N. A. Armstrong, returning with the latter last week from Kansas City.

Mr. Williams, besides paying a visit with Mr. Armstrong, is also on a prospecting trip and may move to this section. He is greatly pleased with Floydada and Floyd County.

CO-OPERATIVE OIL COMPANY OPENS WHOLESALE STATION

The Co-operative Oil Company have completed their tank station for a wholesale oil and gasoline business in Floydada, with T. E. Yardrough, of Wyoming, in charge. W. W. Smith, of Amarillo, is also with the concern here.

The station is on East Missouri Street, east of the Santa Fe industrial switch.

TRADES SHOE SHOP FOR FARM NEAR RALLS

Ben Roberts has contracted for the sale of the Electric Shoe Shop on South Side to Jno. A. Hollums, and in the trade will become the owner of a farm on the south side of Blanco canyon.

Contracts have been put up and if the trade is consummated Mr. Roberts' brother will run the shop for Mr. Hollums.

CANNADAY CONTRACTS FOR BRICK IN PLAINVIEW

H. E. Cannaday last week contracted to construct a brick building on Pacific Street in Plainview for M. F. Brashears, and will start work on the building soon.

The building will be 25x80 feet and will be occupied when finished as a grocery.

SWINE BREEDERS' SALE ATTENDED BY RECORD CROWD

Attendance at the First Annual Sale of the Floyd County Purebred Swinebreeders' Association at Lockney last Saturday afternoon was everything that could be expected.

Auctioneers Seale & Nash conducted the auction and about fifty head of purebred Poland China and Duroc Jersey hogs went through the pens. Special arrangements were made for the occasion by the Lockney Commercial League, which furnished the pens and shade for the sale.

B. B. Gulley, D. F. Sherrill and F. W. Nickell were among the purebred hog breeders from the south part of the county who had hogs in the association sale. The sale is to be an annual affair.

AMARILLO HAS EDGE ON SWATTERS IN SERIES

Win First Two 8 to 2 and 12 to 7—Errors Play Big Part in Loss by Local Club

Errors played a big part in Floydada's loss Tuesday afternoon and yesterday of the first two games of the series with Amarillo and this afternoon the bunch is fighting an uphill battle to save their remaining chance to keep on even keel with the Grays. With the teams tied four games to four when this series began, the Swatters must take this afternoon's game and two of the series at Amarillo or, if they lose today's game must win three straight at Amarillo.

Hubbard was wild Tuesday afternoon when he went in and kept himself in hot water with walks. However Amarillo's first score came as a result of an error in the fourth inning. In the fifth a walk, a two bagger, another walk and an error, followed by a two-base hit gave the visitors four scores and won the game. Hubbard had everything necessary to win a ball game except for his wildness. Hale who succeeded him allowed two hits in four and a third innings, but errors scored two men in the eighth and one of the hits was a homer in the ninth by McDaniel.

The Swatters scored in the third when Battle got a two-bagger and went home on Wright's single, and again in the fifth with two hits and an error.

Wednesday's game was a wild and woolly affair, the locals getting the small end of the score, but having the satisfaction of hitting Amarillo's ace, Lefty Wilson, freely. The second inning was the fatal one, four out of seven errors made during the game by the Swatters being chalked up in that inning. These errors and two hits netted the visitors a total of five scores. In the sixth when hits and errors again mingled freely, allowing the visitors two scores Bassenger tired and Turney took the mound the rest of the game.

With the score nine to four the Swatters started a batting rally in the eighth that looked like one of their mid-season rampages. It netted three scores, but Amarillo came back in their half of the ninth, got a total of three scores on two hits, a sacrifice and two errors and put to sleep all hope of a tied score.

Bridwell split a finger on a foul ball in the seventh inning of the first day's game. He was succeeded by Jimmy Battle for the remainder of the game, and DeLong went in for the locals in the second game. He will work again today. Bridwell is likely out for the remainder of the season.

Score by innings, first game:

	R	H	E
Amarillo: 000,140,021—	8	5	3
Floydada: 001,140,021—	2	7	6
Batteries: Floydada, Hubbard; Hale and Bridwell and Battle; Amarillo: Emory and Lewis. Hits off Hubbard in five and two-thirds innings, 3; off Hale in three one one-third innings, 2; walked by Hubbard 7, by Hale 0, by Emory 0.			

	R	H	E
Amarillo: 250,002,003	12	9	6
Floydada: 022,000,030	7	7	7
Batteries: Floydada, Bassenger, Turney and DeLong; Amarillo: Wilson and Dodge. Hits off Bassenger 7 in 6 innings, off Turney 2 in 3 innings.			

Attendance at the games has been fair, and a considerable per centage of crowds have been out of town visitors, Lubbock, Plainview, Lockney, Matador and Ralls being well represented.

The Swatters will play at Amarillo Saturday, Sunday and Monday.

BALL CLUB NETS OVER \$100 FROM BOX SUPPER

A box supper staged Tuesday evening on the courthouse lawn, although advertised for only two days, drew a fairly good crowd and netted the base ball club better than \$100.

Auctioneer W. H. Seale gave his services for the occasion and auctioned the forty boxes sold. One of the features of the occasion was the sale of a 40-pound ice cold watermelon brought home from Spur by J. P. Henry Monday. Pitch was the successful bidder for the melon at \$9.00.

After the boxes were part of the crowd remained on the lawn enjoyed the contents of the

KU KLUX

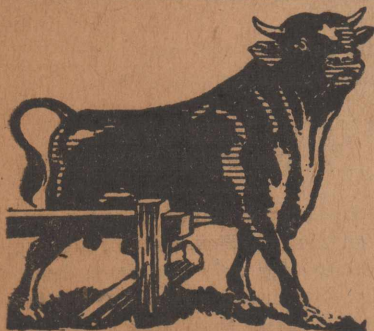

There is little question but what the Ku Klux Klan has meted out just punishment where the law would not reach. The order has for its aims that which is commendable and time was when it saved the Southland from worse than defeat. But the News is forced to the conclusion that there are influences and ideas abroad in the land at this period which render the whole plan of the Invisible Empire absolutely unsound and unavailable, without great danger to law and order. Before the serpent of bolshevism and communism reared its head openly in this nation and while the direction of this mighty, if invisible, force was held by law abiding men, there was a place for the organization, and right well did it fulfill its mission. But in these latter days of reconstruction this former instrument of good is now liable to become the mighty instrument of evil. The frame of mind of some strata of society is such that with the knights of the K. K. scattered over the Southland, there is never any dependence to be put in the leadership of the klan in many districts there is the ever present danger that acts of personal vengeance will be wreaked under its banner. Such a state of affairs leads quickly to the point where no citizen is safe and no property above the torch. This being the case no good American can afford to don the mask and march under the banner of the K. K. Let us stand for law and order, asked and undaunted.—Clarendon

THROWN FROM TRACTOR CAUGHT BY PLOW

Kent Foster was painfully injured about the arm and shoulder Wednesday morning of last week when he was thrown from his tractor which pulled a plow over him. He was breaking land on his farm about fifteen miles northeast of town with a tractor and right lap disc plow. It seems that when he leaned over to switch the fuel from gasoline to kerosene that the machine started suddenly and unseated him. The plow caught him before he could regain his feet. Besides much loss of blood and bad cuts on his arm he was otherwise not seriously injured.

Mr. and Mrs. T. S. Guimarin of Olney, Texas, and S. D. Saunders of Decatur, Texas, who were here last week visiting Mr. and Mrs. T. P. Guimarin left Friday for Olney. They were accompanied by Mrs. Elmer Wood who will visit there for a while with her parents, Mr. and Mrs. C. H. Wallace.

Mrs. J. W. Adams left Saturday morning of last week for Meridian, Texas, where her daughter, Mrs. Levy Dunlap was reported to be seriously ill. Mrs. Adams was accompanied by another daughter, Mrs. E. I. Sears of Valley Mills, Texas, who had been here visiting.

UNCLE CHARLEY HAWES, PIONEER CITIZEN DEAD

Was One of Very First White Men
to Live in This Section of the
State

It is truly said the "the young die, but the old must die." The approach of the Grim Reaper, however, is seldom realized by old or young, until his icy hand is placed upon their forms and the golden thread is broken. Probably that old and worthy citizen, Uncle Charley Hawes, little thought that he was about to be encompassed in the dark shadows which are slowly creeping upon us all, Monday night when he was suddenly called upon to pay the last debt. Apparently in his usual health, and engaged in eating a piece of musk melon, he seemed to strangle or choke, and in a few minutes all that was mortal of this good man ceased to exist—the spirit had taken its flight, leaving the body but a cold lump of clay. Uncle Charley was more than 90 years of age, and remained active up to the time of his death. His remains were laid to rest by loving hands in the Emma Cemetery Tuesday.

In the passing of Uncle Charley Hawes another land mark of the early days here disappears. He was among the very first settlers of Crosby county; was imbued with the indomitable spirit and energy which was required in those trying days to stay with the country at all, and to the perseverance and stikability of such men as Uncle Charley is due to a large extent the splendid civilization we have now.

He has hosts of friends who will learn of his departure from the earth with sorrow, and there are none who knew him but will regret to know that he will be seen among us no more.—Ralls Banner.

DANCE AT Z BAR FOR MR. AND MRS. M. H. MARTIN

Mr. and Mrs. F. M. Dougherty were hosts to a large number of friends at their home on the Z Bar Ranch southeast of Floydada last Saturday night, honoring Mr. and Mrs. M. H. Martin, of this city, and Miss Mattie Wisdom.

Music was furnished by an orchestra out of Plainview. Lemonade and punch were served during the evening and ice cream and cake also a part of the refreshments. About 150 guests attended and enjoyed the evening.

N. A. Armstrong has as guests this week his brother, T. H. Armstrong, and nephew, Tom Benfield, of Coffeyville, Kansas, who will probably visit here for several days.

Claude Pipkins and wife of Mataro were in town shopping Friday of last week.

Chester Day and Ira Marshall returned the first of the week from a visit with friends in Childress, Texas.

SENIOR B. Y. P. U. PROGRAM

Leader and Introduction—Jane Thompson.

1. In seeking the high calling, we are to put "No confidence in the flesh"—Thelma Kinnard.
2. We need a righteousness from God, by faith—Lela Cherry-Holmes.
3. Forgetting the past—Jack Hamner.
4. Cultivating a divine discontent with past achievements—Rolland Lowry.
5. Stretching toward the glories of the future—Chauncey Garison.

"Where the vanguard rests today, the rear will camp tomorrow."

BARTON ESTATE APPRAISED

F. C. Bourland, L. M. Frier and L. A. Stearns, who had been appointed by the County Judge to appraise the estate of the late A. L. Barton have completed the inventory and filed their report.

Five of the nine sections of land were appraised at \$10.00 per acre and the other four sections at \$30, the total value of the realty being fixed at \$141,601.00, and the personal property being valued at \$42,670.00 brought the aggregate appraised value of the estate up to \$184,271.00.—Motley County News.

Absalom's rebellion—Alta Lois McCauley.
Absalom's death —Nora Stephens.
Absalom's downward steps—John Gamble.

Y. L. M. S. GIVES PICNIC TO METHODIST YOUNG PEOPLE

Friday evening of last week the Young Ladies' Missionary Society entertained the young people of the Methodist Church with a picnic on Blanco canyon. The party met at the church at seven o'clock and went to a place on the canyon south of the McCarty place in cars and trucks. Various games and other amusements made up the evening, and after eating a splendid supper which was spread on the grass they returned to town and disbanded at the church. Between forty and fifty were present.

Miss Vernon Cabaness of Plainview spent last week end here visiting with R. T. Stribling and family.

Miss Prudie Mae Hamilton left this mid-week for Abilene, Texas, where she is entering a business college.

HAND-GUN RIVITER HAS MARVELOUS POWER

During the war, the Germans had a gun that did actually fire a projectile 75 miles. Up to the present that has been considered the very limit possible in long-range weapons. But there is no limit to modern progress, and Popular Mechanics Magazine for September tells of a new development in this line that has inspired the inventor and others to claim a possible range for a projectile of 300 miles. The new principle has been embodied as yet, only in a devise resembling the ordinary hand-gun riviting machine. In place of the riviter, steel slugs are dropped into the barrel of the machine, which is charged with some special smokeless explosive, and fires these slugs into a steel plate 3-4 in. thick. Tests of this machine made in New York by engineers of repute, and their report of the results, if it came from any other source, would sound like a paradox. In spite of the enormous force developed by the explosive that makes possible a penetrability that drives a steel slug into a boiler plate, there is practically no recoil to the gun, and no more noise than the click of a typewriter.

Apart from its possibilities as a gun, it has been tested, with highly encouraging results, as an underwater riviter. A diver, at a depth of 35 feet, shot a slug through a plate of steel 3-8 in. thick.

NOTICE OF SALE

Whereas, the undersigned, a mechanic, has for the past seventy days retained possession of certain personal property belonging to Unknown Owner, of Unknown Residence, described as follows: One 1915 model Saxon Six five passenger automobile, as he was empowered to do under the law, to secure his charges amounting to (\$38) thirty eight dollars, due for more than seventy days past, as per contract between the said Unknown Owner and the undersigned J. I. Pitts;

And whereas the said Unknown Owner, though duly notified, as required by law, to come forward and pay such charges, has failed and refused to do so; therefore, notice is hereby given that after the expiration of twenty days from this date, to-wit: On the 6th day of September, A. D. 1921, being the first Tuesday in said month of September, between the hours of ten o'clock A. M., and four o'clock P. M., at Floydada, Floyd County, Texas, the place which, owing to the nature of said property, is most convenient to exhibit same to purchasers at such sale, I shall sell said property at public sale, following the manner of sale under execution, and apply the proceeds to the payment of such charges; any balance to be turned over to the person entitled to the same.

Witness my hand this 8th day of August, A. D. 1921.

23-4tc J. I. PITTS.

E. C. Nelson made a business trip to Amarillo the latter part of last week.

A. V. Raley, of Jones county, has been here the past week visiting his brother, J. C. Raley at Lakeview, and prospecting.

Mr. and Mrs. S. B. McCleskey, accompanied by Mr. and Mrs. Sam McCleskey, left Monday afternoon for Las Vegas, New Mexico, on a trip which is being made for the benefit of Mrs. S. B. McCleskey's health. They will be away from home several weeks probably.

Fordson

Put it to any Power Task

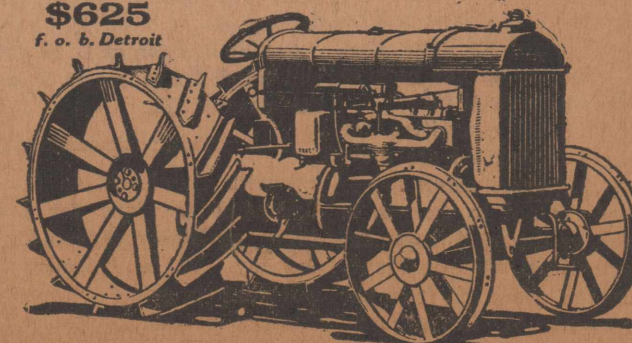

While the Fordson Tractor has power in plenty to drag plows and harrows through the heaviest soil, it is light enough, small enough and so easily controlled that it can handily be put to many tasks about the farm, that will save you time, money and work.

In fact the Fordson will do every power job, both draw-bar and belt, more quickly and at less cost than it can be done with any other form of power. So every month the whole year 'round the always dependable Fordson will prove itself a paying investment, because of its capabilities, its economy and efficiency.

We will gladly explain and demonstrate to you the many Fordson money-making, time-saving features. Call, write or phone.

THE AMERICAN PRESS ASSOCIATION

J. S. Engleman, who with Barnett O'Bryan, is publisher of the Tulia Herald, spent the three days of the Round Up in Floydada. He is a member of the Tulia Band which played for the occasion.

Beginning the first of this month the Treasury Department at Washington declares that an unrelenting war be waged on bootleggers of northeast Texas, and that the illicit practice will be stopped. It is noteworthy that the whiskey traffic is "getting away" from the peace officers. There are too many men and women practicing bootlegging for a living and too many customers to buy from them. However, there is no need for complaint on this score. It is a long uphill pull with the odds against the law enforcement bodies. If we remind ourselves that it took almost thirty years to make prohibition prohibit anywhere, and even longer than that in Kansas, we can feel assured that na-

tion-wide prohibition that actually prohibits is on the way. We can't lift ourselves by the bootstraps. We shall have to crawl before we walk. The kind of prohibition we have will make actual prohibition longer coming than if we had gone at it the right way—by states. Since we have the kind of prohibition that eighty per cent of the prohibitionists of the country howled for a few years ago we shall have to be patient and let education as to the value of the measure soak into those who have opposed it, just as thousands of ants were converted in Texas in the period of 1910-20.

Leonard Crowell of Flomot was here Friday of last week attending to business.

Miss Alma Burks of Canyon spent Sunday and Monday with Miss Stella Tubbs.

J. A. Burrus, who has been in Crystal City the past two months in charge of the estate of his deceased father-in-law W. T. Sparks, was here the first of this week for a day or two on business. Mrs. Burrus and their daughter is also at Crystal City. They will probably remain at that place sometime having a man in charge of their ranch southwest of Lubbock.

Mr. and Mrs. D. S. Davidson and children, and Mrs. W. E. Buckley, all of Polytechnic, Texas, are making an extended visit with Mr. and Mrs. T. H. Benton. Mrs. Buckley is the mother, and Mrs. Davidson a sister of Mrs. Benton.

Mrs. J. A. Carruth returned Wednesday afternoon from Amarillo where she had been attending her daughter-in-law, Mrs. J. M. Carruth, who has been ill.

Miss Fay Stephens of Big Springs, Texas, Mrs. R. M. Todd and son, R. M. Todd, Jr., of Fort Worth, Boyd Vick and Montey Carey, of Breckenridge, are visiting with J. E. Stephens and family this week.

Miss Maurine Andrews returned Tuesday afternoon from Vernon, Texas, where she has been visiting. Miss Andrews also visited in Chillicothe while away.

Mrs. Lillie Britton and daughter, Wynette, spent from Monday till Wednesday of this week visiting in Plainview.

Flake Garner, of Plainview, was here Friday forenoon on professional business.

W. L. Fry went to Amarillo Monday to see the Amarillo-Floydada ball game.

Mr. and Mrs. Boone Hall left Wednesday morning for Kansas City where they will spend a short vacation.

Mr. and Mrs. J. M. Massie left Wednesday morning for Bowie, Texas, where they will visit with her parents, Mr. and Mrs. W. B. Merrill.

POWER FARMING DEMONSTRATION

Tuesday, July 12th, from 10 A. M. to 4 P. M.

On Judge Arthur B. Duncan's Farm

One-half mile South N. A. Armstrong's residence, West side of Lakeview Road

We are going to show you how much the Fordson will plow, how well it will plow, what the fuel consumption per acre will be—how well it handles every kind of belt work.

Instead of talking about the Fordson we prefer to let you see with your own eyes just what the Fordson can do.

Lunch on the Ground, and Plenty of Ice Water and Lemonade.

We will have with us a corps of experts from the factory, who will go over every feature of the Fordson with you and demonstrate its merits.

CKNEY NEWS PARAGRAPHS

From the Beacon:

Claude Thornton will return to Lockney today and take charge of the South Plains Grain Company as manager. Mr. Thornton has been connected with the Plainview plant of the same firm. He takes the place of his brother, Burton, who is selling his interest to Mr. Holhous.

The elevators of Lockney have put on a night force. The wheat has been coming in so fast that it is impossible to take care of it with the day forces.

A fire at the local cotton yard last Saturday night destroyed 33 bales of cotton for J. W. (Bud) Leach. The cotton was of the 1919 crop, bought by Mr. Leach at the average price of 33 cents per pound. There were 35 bales in all, two of which were saved. Mr. Leach carried \$1,750 insurance on the cotton.

The cotton was all picked and graded middling. Mr. Leach got caught with this cotton on a badly declining and demoralized market in the late fall of 1919, and was not able to dispose of same to advantage.

Origin of the fire is unknown. The loss for Mr. Leach will amount to several thousand dollars.

Wheat harvest in the Lockney country is progressing nicely. The past week has found us with ideal weather for harvest, and splendid time has been made. While hands have been scarce, they have been had in numbers to carry on the work satisfactorily. Nearly every one is short handed, but are managing to get by. Only a very small per cent of the wheat is being threshed, most of it being cut and stacked. This fact is brought about by a lack of threshing machines to handle the entire crop at one time. Combines and threshers that are available are making splendid time and much of the crop is being hauled to the market. The yield has been better than was first thought and is running around ten to twelve bushels to the acre.

Floyd County plans a big exhibit at the Dallas Fair this fall. Efforts are being made and plans worked out to have an all-county exhibit at Dallas. Mr. R. E. Fry, secretary of the Floydada Chamber of Commerce, and Albert Pennington, secretary of the Lockney Commercial League, have been in conference on these matters, and it is now planned to throw in with Tulsa and ship a solid car of exhibits to the Dallas Fair. Swisher county exhibits would be exhibited separately after they reach Dallas.

Floyd County will see to it this year that Hale County does not get all the grapes at the Fair this fall. Floyd County is easily the leading agricultural county on the Plains, and had it been active in exhibiting its products at the various fairs Plainview would be minus a number of ribbons she has on exhibition at its commercial headquarters.

Rev. Jno. P. Hardesty has tendered his resignation as pastor of the Baptist church at Lockney which was accepted Wednesday night. He and his family are leaving today for Slaton where Brother Hardesty has accepted the pastorate of the church at that place.

JUDGE CLARK HOME

Judge W. B. Clark and wife returned home the first of the week from the Ozark Mountains, having been on a two weeks visit with their son, Wallis Clark and wife at Bentonville.

KIRK'S DEMONSTRATION WITH RIGHT LAP PLOW COMPLETE SUCCESS

Saturday afternoon W. S. Goen demonstrated the Clark Right Lap Plow for Kirk and Son in Tom Triplett's wheat stubble land on the Brewer section. The demonstration lasted for two hours before a number of spectators. The ground was very hard and almost like turf, which the plow was not made for, but, to quote Mr. Triplett, "The plow did everything that could be expected from any plow, and it is ideal for wheat farming."

The plow was pulled by a Fordson Tractor.

DEMPSEY WINS FIGHT IN FOURTH FROM CARPENTIER

William Harrison (Jack) Dempsey is still the champion boxer of the United States and now of the world. The big bout at Jersey City on the afternoon of July 2nd was won by the Utah boy in the fourth round when he floored Carpentier with a right uppercut. Carpentier staked his chances of winning on rushing tactics in the second round which was the only round in which he had the best of the fracas. Dempsey withstood his blows with ease and emerged from the arena with no visible evidence of damage done.

The fight was apparently above the suspicion of being "framed" in any particular, the best man winning.

T. M. Amburn, of Jacksboro, father of W. A. and A. L. Amburn, has moved to Floydada to make his home.

Edgar Allen and A. K. Lackey, of Crosbyton, were business visitors in Floydada Tuesday.

Misses Thelma and Maude Williams left Tuesday morning for Canyon City, where they will visit friends and relatives, to be gone a week or ten days.

Miss Lillian Hodge returned to her home in Friona, Texas, Monday morning. She was accompanied by Miss Hollie Poole who will make an extended visit in Friona.

Jim Bagwell, of Dimmitt, was here the latter part of last week visiting his parents, Mr. and Mrs. J. A. Bagwell while he scouted for harvest hands to help in the harvest in his neighborhood.

Clayton Gammill of Lubbock was the guest of Doyle Garrison and family Saturday night and Sunday. Mr. Gammill is connected with the Lubbock State bank and came here with J. M. Denman.

Mrs. R. W. Jarboe, of Lexington, Oklahoma, is here on a two-weeks visit with her son, Mal Jarboe and family, having arrived last Thursday. While in this state she is also spending sometime with her daughter, Mrs. J. R. Rowntree, of Plainview.

J. M. Denman, assistant cashier of the Lubbock State Bank, was here Saturday night and Sunday visiting with Mrs. Wm. Moore and family. Mrs. Denman had been here since the first day of the rodeo with the children. They returned to Lubbock at noon Sunday.

SOLDIER SINGS IN THREE VOICES AT SAME TIME

Washington, June 29.—The Federal Board for Vocational Education has discovered a man whose vocation, apparently, is to be a chorus all by himself. He is Joseph Kaufmann, disabled veteran, and is able, the board's announcement asserts "to sing in three voices at the same time," sounding like "three men side by side singing in unison." Only one similar case has ever been known in the United States. Kaufmann is described as "an accomplished and versatile saxophone player" and has been placed in a vaudeville school.

**HIGHEST PLACE IN
RHODE ISLAND**

The highest point in Rhode Island is Durfee Hill, in Providence County, which is 805 feet above sea level, according to the United States Geological Survey, Department of the Interior. The average elevation of the State is approximately 200 feet.

**MUCH GRAIN WASTED BY
CARELESSNESS IN THRESHING**

Hundreds of thousands of bushels of grain are lost to consumption each year on American farms because of improper adjustment and lack of efficiency in the operation of thrashing machines. The United States Department of Agriculture has given considerable attention to this loss with a view to ascertaining how far improved methods can be economically introduced to adjust waste. It is true, experts point out, that sometimes the time and labor involved in checking a small loss is worth more than the saving. Nevertheless, there are many leaks on almost every thrashing job which might easily be stopped if the farmer or machine operator would spend a few hours in the study of the problem and a few dollars in replacing worn and damaged parts.

Feeding the grain into the machine, adjustment of the cleaner, and other

small items go to make up a total that may mean gain or loss. Much grain is wasted by failure to clean up at the end of the setting. The United States Department of Agriculture has issued Farmers' Bulletin 991, "The Efficient Operation of Thrashing Machines," which contains much good advice on this subject. This bulletin may be obtained by writing to the United States Department of Agriculture, Washington, D. C.

THE TEXAS COTTON CROP

By F. N. Gray, Cotton Statistician, Bureau of Markets and Crop Estimates, United States Department of Agriculture.

Houston, Texas, July 1, 1921.—The Texas cotton acreage under cultivation June 25, preliminary estimate, is 9,199,000, as compared with 12,265,000 acres, the revised estimate of acreage in cultivation a year ago, being a decrease of 25 per cent.

The Condition of the growing crop on June 25, was 72 per cent of a normal condition, as compared with 71 on May 25, 1921, 71 on June 25, 1920, and 79 the average condition for the past ten years on June 25.

A condition of 72 on June 25 forecasts a yield per acre of about 140 pounds and a total production of about 2,666,000 bales of 500 pounds gross weight, not including linters, allowing the usual 1 per cent for abandonment of acreage.

**SOUTH PLAINS DUROC
SALE CIRCUIT HAS
BEEN ANNOUNCED**

A circuit of sales of registered Duroc Jersey hogs was arranged in Plainview this week by Helen-Temple Farm, Boerner's Duroc Farm, of Lubbock and J. I. Hammonds of Floydada. The tentative dates set are Boerner's Duroc Farm, Lubbock, August 8th; J. I. Hammonds, Floydada, Aug 9th; Helen-Temple Farm, Plainview, August 10th, Adams & McCreary of Way-side and Colonel Gould of Sulphur Springs will be the auctioneers and will be assisted by the local auctioneers in the cities where the sales are to be held.

Sunday Mr. and Mrs. Hammonds from Floydada and Mr. Boerner and W. J. Jennings of Lubbock were in Plainview to spend the day with R. E. Prewitt, manager of Helen-Temple Farm, and arrangements for the sale were closed.

The custom of auction sales of registered hogs is growing in favor in the Southwest. It is the approved method of selling in the North, and effects many economies in handling sales, for a number of buyers can be brought together at the same time. A circuit also offers the buyer a better opportunity for if he wishes to buy several head he can take the three or four days off, visit all the sales and thereby have a greater variety of individuals and blood lines to select from.

These three breeders are leaders in the Duroc Jersey breeding business in their respective counties and have a reputation for selecting good breeding stock and developing herds of merit. The best blood lines of the breed are represented in the herds of these breeders.—Plainview Evening Herald.

**CAPROCK FARM TO COST
OVER HALF MILLION**

Crosbyton, Texas, June 25.—Masterman of Oakland, led the procession of twelve Jerseys that wound down the streets of this city from the special express car from Ontario, Canada, whose total purchase price is said to be \$55,000 plus \$2,500 express and import charge. And from his stride and carriage of his head he fully appreciated the fact that he was not just an ordinary "Line of Bull"—but Some Bull—a Jersey Island Bull in fact whose winnings sound like a travel prospectus by Cook's Travel Bureau.

He has won everything except a tombstone in the five years of his life. He took every first ribbon in every show he has been entered in since the day he was born, including all grand champions and has shown at every opportunity according to the representative from the H. B. Bull & Sons Jersey Farms of Ontario, Canada.

"Masterman" and his polygamic family of twelve choice cows were personally picked by S. A. Guy from the Bull & Sons Farms of Ontario and being added to his already nationally famous assembly of pure-bred Jerseys at Caprock Jersey Farm at this place.

Last week a shipment of 20 head added to this herd at a cost reported to be \$81,000. This makes a round hundred head owned by the farm with a total value of more than \$175,000. This does not include "Combination Premier" the \$75,000 bull leased by

Mr. Guy from the Pennsylvania owner for one year. Masterman is a half brother of Combination Premier from a dam said to be even better marked than Combination Premier's dam. After Combination Premier was exported from the Jersey Island, his half brother, "Masterman of Oakland," stood first on the Island.

A contract has recently been let for the erection of a 15,000 gallon water tank on a 125 foot steel tower from which the entire 260 acres of the Caprock Jersey Farm will be irrigated by means of underground tile supplied by mains connecting every part of the farm. A stock barn is under construction on the farm that will embody all of the modern features of a sanitary dairy barn with electric milkers, trolleys, steel stanchions, screens, and ventilation.

It is estimated that the completed farm will total something in excess of one half million dollars.

**Here's why CAMELS are
the quality cigarette**

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigarette aftertaste,

It's Camels for you.

AT THE METHODIST CHURCH

It has always been my custom to preach to the different classes and organizations in a town, and next Sunday at eleven a. m. there will be a live sermon to the occasional church goer. They ought to have some consideration, and ought to esteem it an honor to have a sermon preached to them and for their benefit, so Mr. Church Goer, come out one of your occasional

crowd I have always been interested in and that's the reason. Floydada, I feel that just as you ought to have some consideration, and I will here and now extend a cordial invitation to each and every one who loves the sport to come out and hear a fair and reasonable discussion of the ball room. I promise to keep you awake at both services next Sunday.

The public is cordially invited to all our services.

C. B. Meador, Pastor.

"Can the Lord depend on you?"

CHRISTIAN CHURCH

Stop, look, listen.
It's coming. What's coming?
Christian Sunday School Rally Day. When? Last Sunday in July.
If it rains, bring one; if it pours, bring four; if it's cold, bring a score; if it's hot bring more. Help drum up a big crowd. Don't be the missing link and spoil a perfect chain.
Make the attendance large next Sunday, leading up to Rally Day. Brother J. W. Davis, of Plainview, is expected to preach for us.

25 per cent of the short class, and over 40 per cent of those farm homes where there had been the advantage of college education.

Two things about the investigation are particularly interesting. In the first place it was found that the percentage of automobiles owned rose steadily from 20 per cent in the common school class of farms to about 28 per cent in the college class, whereas the average of the other three conveniences rose rapidly from 20 per cent in the first class to over 45 per cent in the college class of farms, thus showing that as education increases real household comforts such as lighting systems, bath rooms and furnaces are considered even more desirable than the almost necessary automobile.

The second interesting result was that lighting systems and bathrooms just about kept pace with each other in all four classes. This is due to the fact that the installation of a modern electric light and power plant makes possible the long wished for bath room. For with electric power the most natural thing is to install one of the automatic pumping systems which gives the farm family running water at a good pressure all over the

house and barns. Good light and water supply have always been considered the first essentials of home comfort, and it is natural that they go together on the farm as they have in the city.

The presence of all these conveniences on the farms where education had been carried the furthest indicates clearly that education teaches the need of these things and also helps the farm family toward securing them through greater efficiency and prosperity.

Miss Mary Fawver, daughter of John Fawver, returned Tuesday afternoon from Plainview where she had been visiting for a few days with her cousin, Leslie Johnson.

Lewis and Clark, sons of Mr. and Mrs. Hugh Earthman, were taken to Plainview one day last week by Mrs. Earthman, where the boys' adenoids and tonsils were removed.

Mrs. W. L. Heagerty of Fresno, Calif., is here visiting with her parents, Mr. and Mrs. W. P. Daily.

Wheat Land Plows

We have just received a car of CLARK RIGHT LAP PLOWS and CLARK DOUBLE ACTION HARROWS. All sizes are included, with horse and tractor hitches. These tools are made especially for wheat land preparation. At your first opportunity, examine these tools and give us your order, while we can deliver the size tool you want. We guarantee the work of these tools. Ask any one who has used one. We will show you what work they will do any time.

Advantages:

- (1) Double the amount of land with the same power.
- (2) Repairs reduced to a minimum.
- (3) Pulverizes the land, leaves it in better condition.
- (4) Will prepare any kind of old land.
- (5) Easily set up and operated.
- (6) Mixes stubble and weeds with soil.
- (7) Lower price.

These advantages will sell these tools in a short time. If you will need a plow to prepare wheat land, see us while we have the size you want.

THE CHEAPEST INSURANCE YOU CAN BUY

Has proven through years of experience to be the Local Mutual Aid Association. In presenting

THE FLOYD COUNTY MUTUAL AID ASSOCIATION

A local mutual aid association

To the good people of Floydada Territory, we are organizing under laws made by the State of Texas, safeguarding the interests of policy holders, and directly under the supervision of the State Commissioner of Banking and Insurance.

Special Rates in Effect to August 15th.

In order to put the organization over as rapidly as possible we are making special rates to members who are joining now and will continue these rates until August 15th, 1921. One member will be admitted for \$4.00, or a man and his wife for \$7.50. Many are taking advantage of these rates. We have a healthy list of policy applications already and want you to be one of the 1200

members we are going to have in our Circle No. 1. Solicitors are now out getting members.

In a Mutual Aid Association you have:

- No medical fees to pay;
- Prompt payment of death claims by assessments made on your neighbors and friends;
- Interests safeguarded by the State Banking and Insurance Department;
- Small annual dues to cover expenses of operation;
- Opportunity to help your neighbors and friends in time of trouble without making them subjects of charity.
- Home people in charge of a Home Institution for the benefit of Home People.

HEALTHGRAMS

State Health Officer:

The only good fly is a dead fly. Good health means good business. Bad health is bad business.

We've whipped the Germans. Now let's whip the germs.

Beware of the dastardly "D's"—Dirt, Despair, Disease, Dampness, Death.

Wealth without health is mockery. Tuberculosis kills more persons every year than any other preventable disease.

Saint Peter demanded a birth certificate, a whole lot of people in heaven would never gain admission to it.

Is your baby registered? The worry habit is bad for both mental and physical health. Don't worry.

Muffle the cough; smother the sneeze and expectorate not in public places.

Many mothers would be shocked at the very suggestion of "farming out" the baby, actually farm their infants out at home by turning them over body and soul to hired help.

Many parents lament their inability to give their children "bigger opportunities." There is no occasion for such lamentation in regard to outdoor life—the "biggest opportunity" for the child to acquire health.

Children's first teeth should be retained and kept in good condition as long as possible. Moderately delayed second teeth prove to be better developed and more serviceable.

If you had rather live than die, roll up your sleeves and swat the fly.

The State Board of Health is not for the exploitation of men, but for the safety of all mankind. Its sole object is to save human lives; perhaps yours, perhaps your neighbor's. Every individual has a value to the state; therefore it is the duty of the state to safeguard the life of every human being.

Young girls should be dissuaded from wearing corsets.

If you insist on being a knocker, knock to good advantage; knock the fly and open garbage can for the betterment of your own and your neighbor's health.

Take a smile to the room of the sick. It will have a wonderful effect on the morale of the patient, and will do no particular harm.

The hope of the State lies in its healthy citizens.

Health first—low taxes afterwards. Preventable disease is not merely

accidental. It is due to criminal carelessness.

It is a bad policy for a state to allow conditions that breed and foster vice, disease, crime, lawlessness. Bad housing does all of this. It is a blight to the state, a disgrace and a reproach.

Every available means should be used to impress upon all mothers in the community, the need for careful attention to their children during the summer months.

Babies do not want silks and satins; but they do want sunlight and sanitation.

Health is something you care nothing about until it is mislaid, like your toothbrush, or your fountain pen.

Live cleanly. Live your best and you will not be a victim of vice. Many degenerative diseases are due to infections from bacteria.

Exercise, care of the teeth and gums, the prevention of constipation by proper food are great helpers to avoid disease.

It will be a red letter day in human progress when all forces of every community are mobilized for the conservation of its child life.

It is more important to establish regular habits in a baby than it is to wind the clock.

Better save yourself in youth and young adult years than suddenly wake up at 45 with high blood pressure, bad kidneys, hardened arteries, and a failing heart.

A new circular on the Summer care of Babies prepared by the State Board of Health for free distribution is just off the press. It will be sent to citizens of Texas upon request. Address the State Health Officer, Capitol Station, Austin, Texas.

R. F. Farmer and wife, of Coryell county, are here on a ten-day visit with Mr. Farmer's brother, J. D. Farmer and family east of Floydada.

RANGER WITHOUT BANKING SERVICE FOR TWO DAYS

Ranger, Texas, June 29.—Ranger today is without banking facilities. The Guaranty State Bank failed to open its doors this morning because collections had not kept pace with withdrawals of accounts.

At 9 o'clock, when the Farmers and Merchants State bank, which merged with the Texas Bank and Trust Company last Monday, opened its doors for business a run began. At 11 o'clock, two hours before the arrival of \$50,000 in cash from Dallas, it closed its doors

At 2 o'clock seventy-five members of the Retail Merchants' Association decided to appoint a head and allow creditors of the Guaranty Bank to assign their accounts to this head, which in turn would issue scrip in \$1 and \$5 denominations, which would be acceptable tender in any place in the city.

If the consent of the State Banking Board can be secured this plan will be in operation within three days.

With State Bank Examiner Snead in charge, it is believed that the Farmers and Merchants Bank will reopen for business either Saturday or Monday. It is believed that bank officers reached the conclusion that the only course to pursue was to close the doors.

Both the closed banks are solvent, it is said by their officers, and only lack of confidence on the part of the people brought about the crisis the city is facing today. It has been growing since the First National Bank closed several months ago. When the Guaranty Bank of Ranger failed to open this morning the people became panic-stricken. However, after the Farmers and Merchants Bank shut its doors everything quieted down.

SHERIFF'S SALE

Notice is hereby given, that by virtue of a certain order issued by the Clerk of the District Court of Cottle County, on the 6th day of May, 1921, in a certain cause wherein John F. Gibson, is plaintiff, and J. I. Pitts, defendant, in which cause a judgment was rendered on the 29th day of Oct., 1920 in favor of the said plaintiff John F. Gibson, against said defendant J. I. Pitts, for the sum of three thousand two hundred dollars, with interest thereon at the rate of 10 per centum per annum from date of judgment, together with all costs of suit, I have levied upon, and will, on the Second Saturday in July, 1921, it being the 9th day of said month, at Main Garage (White Motor Company) in Floydada, Texas, within legal hours, proceed to sell for cash to the highest bidder all the right, title and interest of J. I. Pitts, in and to the following described personal property, levied upon as the property of J. I. Pitts, to-wit:

(7) Seven Texan Cars, less (4) four released to S. L. Rushing by John F. Gibson on Nov. 24th, 1920, less (2) two released to First National Bank Floydada, Texas, by John F. Gibson;

(1) one Chalmers (7) seven passenger car. (1) one (7) seven passenger Cadillac car. (1) one Ford touring car, Highway No. 285879.

(78) seventy eight automobile casings. (85) eighty five inner tubes, less goods released to Lewis Rubber Co. by order. All automobile accessories and fixtures now in the

Texan Garage, all tools, wrenches, hammers, consisting of forges, benches and turn mills, chisels, all other mechanic's tools, including a lathe, and an Garage. One cash register, one Diebold safe, one desk, one Oliver Typewriter. The above office chair.

The above sale to be made by me to satisfy the above described judgment

for Three Thousand two Hundred Dollars, in favor of John F. Gibson, together with the costs of said suit, and the proceeds applied to the satisfaction thereof.

J. A. GRIGSBY,
Sheriff Floyd County, Texas.
Floydada, Texas, June 21st, 1921.
16-3tc.

"Oh Boy! Ain't this the life!!"

I LIKE my job.
BUT DAYS do come.
WHEN SKIES are blue.
ABOVE the city smoke.
AND BREEZES stir.
THE PAPERS on my desk.
AND THEN I think.
WHAT I would do.
IF I were boss.
I'D OPEN shop.
AT TWELVE o'clock.
AND CLOSE at one.
WITH ONE hour off.
FOR LUNCH, and I.
WOULD GET old Sam.
TO RUN me out.
IN HIS big six.
AND DROP me off.
UNDER A greenwood tree.
BESIDE A babbling brook.
AND THERE I'd lie.

AND EVERY once.
IN A while.
ROLL OVER.
OR MAYBE sit and think.
BUT MOST likely.
JUST SIT.
AND EVERY once.
IN A while I'd light.
ONE OF my Chesterfields.
AND OH Boy.
I GUESS that wouldn't.
SATISFY!

COMPANIONSHIP? Say, there never was such a cigarette as Chesterfield for steady company! Just as mild and smooth as tobacco can be, and with a mellow "body" that satisfies even cigar smokers. —but days or busy ones—all day long—satisfy you want this "steady" time smoke.

Have you seen the new tins of 50?

They Satisfy Chesterfield CIGARETTES

LIGGETT & MYERS TOBACCO CO.

(1) one Chalmers (7) seven passenger car. (1) one (7) seven passenger Cadillac car. (1) one Ford touring car, Highway No. 285879. (78) seventy eight automobile casings. Gibson, together with the costs of said suit, and the proceeds applied to the satisfaction thereof.

KEEP ACCURATE ACCOUNTS ORTH WHILE FORHOUSEKEEPERS

Farm Household Accounts Valuable Both as Supplements to Records of Farm Business in General and as Means of Effecting Savings in Operating Household

Household expenses on the farm are very intimately associated with the business of the farm itself. The farm normally supplies much material which otherwise would become a household expense. The household in turn very often furnishes board for farm labor, which would otherwise be a farm expense. Merely from the standpoint of keeping track of household expenses as related to the farm business, household accounts are desirable and should serve to supplement and round out farm accounts. But the value of household accounts goes beyond this. Such accounts are an important aid to economy. A dollar saved is a dollar made, and the first step toward the saving usually lies in finding out where unnecessary expenses are incurred. This can be determined only by keeping careful records of expenses for the whole year.

Methods of Keeping Records

There are two general methods of keeping a record of household expenditures. One is to record the purchases or money paid out, without classifying the expenditures. The other is to classify when the record is made.

The first method is very simple, requires no special form, and gives all necessary information regarding expenditures. At the end of the month or at the end of the year the total expenditures may be quickly added up. In order, however, to know the totals for each kind or class it will be necessary to make up a monthly summary, in which the items will be distributed in different columns, by classes.

This extra work at the end of each month (or at the end of the year) may cause discouragement and neglect of classification, with the result that the greatest good that could be derived from the records is not realized.

Under the second method, in addition to being entered all together in one column, the items are classified in separate columns. This method has the same advantages as the first method and the additional advantage of allowing for the distribution of the items of expenditure to the proper classes without the inconvenience of turning to some other page. The distribution may be left to moments of leisure if the housewife is busy at the time the entry is made. When the page is filled the next page is begun, the top line next to the heading being reserved for the total carried forward from the preceding page. The items may be totaled at the end of the month and these totals carried to the summary page at the end of the book.

Kind of Account Book to Use

The kind of book to use is not important. An ordinary blank daybook or ledger book with a stiff cover may be bought at a reasonable price. If the vertical rulings in the book do not serve the purpose others may be inserted with a pen or pencil. A book with a stiff, pressed paper cover, 12 inches long and 7 inches wide, with 34 spaces for items and containing 48 pages, is excellent for the purpose and sells at retail for 25 cents. With vertical ruling and headings inserted it serves the purpose admirably. In order to eliminate the necessity of writing

ing the headings on each page the tops of a number of pages may be cut off, allowing one set of headings to serve for all pages.

Accounts are sometimes kept in a book having small pages, but a small page is soon filled, is often crowded, and the information is scattered over too many for convenience in recording and studying the expenditures.

Farmers' Bulletin 964, Farm Household Accounts, gives full directions for keeping such accounts, and in it are to be found sample pages of different methods in use with classifications of expenditures. This may be had without cost, by application to the Department of Agriculture, Washington, D. C.

—00— GRIFFIN—MUNCY

A. B. Muncy and Miss Ruby Griffin were united in marriage at the home of Rev. Jno. P. Hardesty, in Lockney Saturday, May 7th, 5:30 p. m.

Mr. Muncy is the eldest son of Mr. and Mrs. R. E. L. Muncy and has been raised in this county.

Miss Griffin was reared near Mineral Wells but the past three years has been living in the west. About a year ago she moved to the Muncy neighborhood and lived with her brother and an elder sister, teaching the Muncy School the past term.

They will be at home to their many friends as soon as they can erect a house near Muncy Switch.

—00— STAGGS FAMILY LEAVE

Roy R. Staggs and family are moving to Dallas. Mr. Staggs left several days ago and Mrs. Staggs and the children left Monday.

Mr. Staggs has employment with an oil company there. Mrs. J. D. Price will take charge of the Viles Hotel soon.

—00— BABIES AND AUTOMOBILES

By Manton M. Carrick, M. D. State Health Officer.

Many a mother can get pointers in the care of her baby by observing the way owners take care of their automobiles. Babies and automobiles have several things in common. The careful owner understands the mechanism and the inner workings of his car. How many mothers are familiar with the anatomy of their babies and how many study a booklet on the baby care? The automobile knows how to feed his car and that it will not run well if the mixture is too rich or too lean or if there is not the correct amount of air. The amateur mother makes many mistakes in feeding her baby, and she generally gives too much food and too rich a mixture or too little feed and too lean a mixture and at irregular intervals.

Automobiles are water cooled. They must have plenty of water, especially on hot days. If the radiator is covered up there is no chance for the air to circulate and the engine gets overheated. Babies require similar care, and mothers should see that they receive plenty of cool boiled water in summer and that they are not overdressed. Automobiles to run smoothly must have clean cylinders. Their insides must be kept clean and free from carbon and should have plenty of oil. The baby's cylinder or intestines must never get clogged up, and oil assists in the cleansing process.

The owner of the automobile takes pride in the appearance, sees that it receives a daily bath and is well polished and brushed. The fond mother should take even greater pride in the cleanliness and appearance of her child. If the owner cannot care for or drive his car himself he employs a trained and experienced chauffeur and would not think of entrusting the car to an inexperienced person. Alas, and not infrequently to the permanent injury of their children, many mothers entrust the care of their babies to ignorant, inexperienced and careless or diseased nurse girls.

The mechanism of the body is far more delicate than that of any automobile. Progressive and successful automobile owners see that careful inspection of their automobile is made every month. It is more expensive to wait until something goes wrong. Repairs are avoided if the machine is regularly inspected. Why not follow this example with your baby? Take him regularly to an experienced physician. A timely word of advice or caution will often prevent trouble which would be discovered later by sad experience. The Texas State Board of Health wants to give you advice and help, and a request will bring you an attractive booklet entitled "The Care of the Babies." For this and other instructive Health leaflets, write to the State Board of Health, Austin, Texas.

Miss Maudie Meredith, daughter of Mr. and Mrs. C. E. Meredith, had an operation at the Children's Sanitarium Monday evening for appendicitis. She is resting well, reports state.

—00— TELEPHONE ETIQUETTE

Much has been written about "table etiquette," and theatre etiquette" and "company etiquette." Some one might do well to compile a book on telephone etiquette.

We use the telephone so much; there is so much apparent cause at times to lose our tempers and our fine sense of courtesy that a little course in the fine art of "over the wire conversation" might be of profit to most of us.

The writer has jotted down a few hints to users of the telephone for his own use, which I am glad to pass on to others.

When you arise in the morning out of sorts and disagreeable and suffering from physical or mental indigestion, don't take it out on the poor "central," she has hundreds of individuals like you to deal with and has need of all her patience.

Don't visit over the telephone! It is as bad taste to gossip over the line as it is in a street car. Remember you may be holding up, by your senseless talk, a message of life and death.

When you have called a number never open the conversation with "Who is this?" What would be considered as an insufferable impertinence in face-to-face conversation, is

The City Cafe

You'll come back if you give us a trial once. A little out of the way but you'll get good eats and good treatment. Two doors west of Post Office.

Photographs

Of those Dear Little Rosy Cheeked Youngsters never grow up.

Their bright eyes and happy smiles form pictures we love to make—You to always treasure.

Healthy and happy—they are ideal subjects.

Do not deny yourself this lasting pleasure.

WILSON STUDIO

Photographs of the Better Class

none the less so when that conversation is conducted over the wire. A better way is to introduce yourself and ask for the person to whom you desire to speak.

If you receive the wrong number don't speak sharply to the person answering. It is not his fault. He may have been called away from his breakfast and make to climb the stairs with every rheumatic joint aching. He deserves the apology not you.

Do not shout into the receiver. It is not deaf, even if it does look like an ear trumpet. Neither try to talk standing three feet from the telephone.

Never chew gum while speaking. It hinders clear articulation and is not fair to the telephone.

Don't call central at all hours of the day and night to ask the time.

When the bill comes at the end of the month don't grumble and complain about the high price of service. Remember that it required the labor of thousands of hard working men and many millions of dollars to make the telephone a reality, and it is all yours for the payment of two or three dollars a month. Exchange

There Has Been a DECLINE ON AUTOMOBILE TIRES in the Market

FATS AND LEANS WILL SHOW BASEBALL PROWESS

Benefit Game Scheduled for 4 O'clock Tomorrow Will Be Baseball Classic of Year

The baseball classic of the 1921 season in Floydada will be staged at the Floydada Ball Park tomorrow afternoon beginning at 4 o'clock when the "fats" and the "leans" will have it out in a deadly struggle for the championship of the town, that is expected to draw every man, woman and child in Floydada interested in real inside baseball, and possibly will require the services of the most skilled surgeons, physicians and nurses the community affords, including an ambulance which will give first aid treatment to those wounded in the combat.

The line-up as given out this morning from respective headquarters is as follows:

FATS:
E. C. Nelson, R. E. Fry, I. D. Gamble, N. W. McCleskey, J. D. Price, E. T. Whiteley, Dr. E. A. Hopkins, Len M. Davis, John A. Pawver, J. S. Collins, W. F. Birch, T. B. Triplett.

LEANS:
C. R. Houston, T. P. Collins, T. S. Stevenson, W. L. Fry, Glad Snodgrass, John M. Hughes, E. E. Brown, H. O. Pope, Fred Brown, R. T. Stribling, Judge P. P. Henry, "Umps."

Readers of The Hesperian are assured that this is the first authentic list of players issued by the respective captains who have guarded the secrets of their respective team personnel very carefully to avoid the possibility of players being "bought off." All players will be carefully guarded from this afternoon until time is called tomorrow at 4 by the umpire to prevent any dirty work.

Considerable feeling over the choice of the umpire was averted by the cool-headed diplomacy of C. R. Houston, captain of the "leans," who, when E. C. Nelson, leader of the "fats" protested the choice of Judge Henry to officiate, explained that this choice was made because Mr. Henry did not know enough about the game to tell which side was winning.

Dopesters who have seen the "lean" line-up, declare that the fact this side show two or three men of the number the "fats" have is indicative of some surprises that may be sprung. It is intimated that dark horses in the persons of J. M. Hamner and A. D. White are being groomed for important positions in this aggregation. J. M. Hamner was non-committal when seen and A. D. White declared he preferred "Shinny."

Another interesting sidelight which indicates that considerable heat is being injected into the game and that blood may flow freely, is the fact that D. H. Collins, one of the really expert players eligible to play with the "leans" refused to allow his name to be used when he learned that his brother had already promised to play with the opposing team. He declared that much as he despised fat men and desired to see them put in their proper places as baseball players he could not afford to play against his own brother and partner in business.

It has been suggested that many of the stores of the town plan to close for an hour or so during the big game.

An ambulance for the benefit of the "fats," presided over by good-looking nurses, will be installed at the park immediately after the game is called. Soda pop will also be served during the game. Each batter who gets a hit will be entitled to a bottle of soda pop at the regular price plus the war tax.

The game will be played for the benefit of the Park Fund and funds will be used in maintaining the park.

WANTED—Fat man, weight not over 500 pounds, to pitch game Friday against leans. Must be home tall and guarantee no-hit game, or need

WANTED—Catcher not less than 7 feet, 10 inches tall to catch highballs thrown by Pitcher "Whirlwind" Stevenson, Friday's game for "leans".

C. R. HOUSTON.

Postmaster F. P. Henry, who will "ump" the game between the "fats" and the "leans" tomorrow afternoon is studying "ballology" under manager Atkinson of the Floydada Swatters to avoid any arguments that may arise during the game. Both sides are said to have well-made plans to mob the umpire in case their side loses.

The game will be for laughing purposes only. Those who cannot laugh, stay away.

TULIA EASILY BEATEN BY LOCALS THURSDAY

Tulia was easily beaten on the local grounds at the game which opened play in the big new baseball park provided by local baseball enthusiasts last Thursday afternoon, the hitting of the Floydada bunch combined with frequent errors of the visitors giving a considerably one-sided score, 9 to 3. The game was witnessed by a fair crowd but not nearly so big a crowd as the opening game at the new park was expected to draw.

Hubbard who pitched for Floydada did good work and his support was good, while Tucker did not have his heaving under good control and his

support was very loose in the pinches. The score:

Hesperian Ad Liners Get Results

LUBBOCK GAME WAS SLUGGING MATCH

Friday afternoon Lubbock was beaten even more decisively than Tulia the day previous. After the fourth inning the Lubbock lineup was changed so fast in an effort to stop the pounding that the scorer was unable to keep up and a box office score could not be made. The final score was 21 to 9. The game was replete with home run hits and the local batters fattened their batting averages at the expense of three visiting pitchers. Ward and Whitworth was the battery team for Floydada.

Batting Averages
Batting averages for the players of the Floydada team seem to indicate that the bunch is the heaviest slugging team ever gotten together locally. Of twelve men six have an average above .350. If these men keep up this rate during the season pitchers of opposing teams are in for some grief.

Following are the figures as compiled by Walter Collins:

	g	ab	r	h	o	a	e	pct
Carter.....	2	3	2	2	0	0	0	.667
Ward.....	1	4	2	2	0	0	0	.500

FLOYDADA AND SAND HILL STAGE GOOD BALL GAME

The best game of baseball played on the Floydada diamond this season was on Tuesday when home talent of Floydada and Sand Hill put on a real show before a small number of fans. Sand Hill boys played an errorless game behind Mickey who pitched the best brand of ball seen here this season.

Both sides scored three in the fifth inning, Curry untieing the score in the 7th with a home run clout.

The line up:

HOUSTON'S

"A Good Place to Trade"

Ford
THE UNIVERSAL CAR

A Truck for City, Farm and Interurban Deliveries

In the few years it has been on the market the Ford one-ton Truck has mounted rapidly to popularity. During the past year, more than one-third of the total number of trucks sold in the United States were Ford one-ton Trucks. It is a record of achievement made entirely on demonstrated merit.

Wherever the Ford Truck has been used—on the farm, in the city, its sure, economical service and simplicity have made it a success. So that today it is a necessity for the wholesaler, the retailer, the farmer. It offers efficient and economic hauling for every business. Demountable rims and pneumatic tires.

The Ford one-ton Truck costs less to buy than any other truck; it costs less to operate and less to maintain. Added to this, is the Ford service organization; spare parts and Ford mechanics are always convenient and ready to keep the Ford truck on the job. The Ford truck cuts delivery costs. Because of increasing demand orders should be placed without delay. We will give you prompt attention. If you have any doubts on the subject drop in to the undersigned Authorized Ford Dealers and get further facts.

BARKER BROS.

FLOYDADA, TEXAS

STATEMENT OF THE OWNER-SHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of the Floyd County Hesperian published weekly at Floydada, Texas, for April 1, 1921.

The State of Texas, County of Floyd—ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Homer Steen, having beendly sworn according to law, deposes and says that he is the business manager of the Floyd County Hesperian and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1921, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher Hesperian Publishing Co., Floydada, Texas, Editor, Managing Editor, and Business Manager, Homer Steen, Floydada, Texas.

2. That the owners are: (Give names and addresses of individual owners, or, if a corporation, give its name and the names and addresses of stockholders owning or holding 1 per cent or more of the total amount of stock.) B. C. Willis, L. H. Liston, W. L. Boerner, C. Snodgrass, W. M. Windsor, N. A. Armstrong, Homer Steen, S. A. Greer, A. D. White, Arthur B. Duncan, Floydada, Texas; Jim Burrus, Lubbock, Texas; Claude V. Hall, Snyder, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.) NONE.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear on the books of the company as such, hold stock and securities in capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct in the said stock, bonds, or other securities than as so stated by him.

That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the six months preceding the date shown above is 1082. (This statement is required from daily papers only.)

HOMER STEEN,
Subscribed and sworn to before me this 9th day of May, 1921.

MAURY HOPKINS,
Notary Public, (My commission expires June 1, 1921.)

ALLEGED MOONSHINERS' BONDS SET AT \$1,000

W. M. Large, Fred Large and Mr. and Mrs. Claude Nunley, of Lockney, charged with the manufacture of whiskey, who were arrested Wednesday of last week, were granted bond in the sum of \$1200 each for the men and \$600 for the woman at a preliminary hearing held Friday afternoon at 2 o'clock in Justice Gaither's court here.

W. W. Kirk, of Plainview, represented the defendants and District Attorney Chas. Clements the state in the hearing.

LOCKNEY NEWS PARAGRAPHS

From The Beacon:

Earl Thresh, of Altus, Oklahoma, was instantly killed Tuesday afternoon at about 2:30, when a car he was driving fell down a thirty foot embankment about twenty miles north-east of Lockney on the Lockney-Esteline route.

According to information received in Lockney, Mr. Thresh was driving up the cap and in an attempt to change from high to intermediate gear reversed the car which, before he could regain control of it, was hurled to the bottom of the canyon, which resulted in his instant death and the serious injury of others.

Mr. Thresh and family were enroute from Altus, Oklahoma, to Hale Center on a visit with relatives, Mr. and Mrs. Arthur Redinger and family.

The entire party of five others, including his wife and children and sister-in-law, Mrs. Susie Thresh, were more or less seriously injured. Those who received injuries are:

Mrs. Earl Thresh, badly cut and bruised about the head and body.

Girl, eight years old, shoulder crushed and both arms broken.

Boy, aged ten, chest and back seriously crushed.

A younger girl received only minor injuries.

Mrs. Susie Thresh, neck dislocated and internal injuries.

Lockney's third Trades Day, which was held last Saturday under the auspices of the Lockney Commercial League was by far the most interesting and successful Trades Day we have had yet. Traders and spectators came from all parts of the county. They came early and stayed until late, and all during the day the streets of our little city were crowded with men, women and children.

Rev. Jno. P. Hardesty left here Tuesday for Slaton where he is assisting in a meeting. He will return next week. Missionary John McCauley will occupy the Baptist pulpit in Brother Hardesty's absence Sunday.

Mr. Homer Howard and family left Sunday on an overland trip to Fort Worth where they will spend a couple of weeks visiting Mrs. Howard's parents, Mr. and Mrs. Baxter.

Mr. F. M. Light made a trip to Floydada Monday morning to see his nephew who is in the sanitarium at that place.

NO. 439 OFFICIAL STATEMENT OF THE FINANCIAL CONDITION OF

THE CITY BAKERY

IS BEING REMODELED

I have taken over the management of the City Bakery once more, and wish to announce to the bread-buyers of Floydada and vicinity that the bakery will be closed for a period of four to six weeks while some big improvements are being made in equipment.

The new equipment will be so good that we shall be able to compete with any bakery in quality and price of product. Perhaps we had better tell you all about it after we get the new machinery installed rather than to anticipate the things we intend to do.

When we announce ready for business again we feel sure we shall be able to give you FLOYDADA BREAD,—made in Floydada—that you will find equal to if not better than bread you can buy anywhere.

SAVES AND BUYS HOME WITH SAVINGS STAMPS

"There is no place like your own home!" So thought one of the reporters of The Dallas Morning News. From this thought grew the desire to get ahead, to have a home. The picture shows the result. It also shows what Uncle Sam's 5¢ Savings Stamps and 25¢ Registered Treasury Savings Certificates, which bear good four per cent interest compounded quarterly, will do for anyone who wants to get ahead. Savings Stamps and Registered Treasury Savings Certificates, bought at office every pay day, made it possible for this reporter to save and purchase this home, now worth twice the purchase price. "I could not have saved the money except for Uncle Sam and W. S. S.," he says. Thrift and Savings Stamps and 25¢ and \$1000 Registered Treasury Savings Certificates are readily obtainable at our postoffice here.

MANY TURNED AWAY AT CLOSING REVIVAL SERVICE

500 Conversions and Reclamations Recorded—Cooperation Given Credit

The revival meeting at the Methodist Church closed last Sunday night. This is said to be the greatest revival in the history of Floydada, and not many do we hear of anywhere that will equal it. Rev. Fisher is a great preacher, not sensational but a splendid reasoner, and came every time with a well-thought message and delivered it out of his very soul life. Only eternity can disclose the good his wife brought to our young people. Every evening she had them at the Baptist Church in throngs and on last Sunday evening she had nearly 400 present. Many were the kind expressions from them of the great good she had done.

Mr. Cheek is truly a great leader in song and made many warm friends among us.

Great crowds thronged every service, and the climax came on Sunday evening when 500 people could not find standing room. Every space in the church was taken even to sitting on the floor.

There was an actual count of those who were converted or reclaimed at the altar of over 500. There will be probably 250 join the different churches. We are glad to give members to all the churches of the town, as we did not start the meeting to make

it Methodist but to be town and county-wide, and we gratefully acknowledge the hearty co-operation given by all Christian people. You could not tell to what church anyone belonged, such was the spirit of service rendered by all. It ought to teach our entire community that the way to reach the masses is to get together in our revival campaigns.

An offering of near \$1300 was made to the Fisher Party. It was made not in large donations but in generous ones from many. I am grateful for the collection. It was well-deserved and was in no wise a compensation for the good done. I here-in thank everyone for your co-operation and help.

C. B. MEADOR, Pastor.

METHODIST CHURCH

Next Sunday we will receive new members into the church. If you have given your name or intend to join we urge you to be present with the great company that will come into the church. At the same hour we will dedicate infants to God in holy baptism. We trust you having little ones can co-operate with us in this service. We will receive members at this time in any way that the Methodist church receives them.

This is to be the biggest day that the Methodist Church ever saw in Floydada. You are cordially invited to be with us.

C. B. MEADOR, Pastor.

MRS. BENTON HOSTESS TO BAPTIST W. M. UNION

Monday, May 27th, the Baptist Women's Missionary Union met in a social with Mrs. Harry Benton. Scissors, needles, thimbles and fingers were busy piecing a quilt for the orphans home. This work made the social hour more enjoyable.

Angel food cake and ice cream were served by the hostess, which we certainly enjoyed.

We then closed our social afternoon with a season of prayer for the meeting in progress.

—CONTRIBUTED.

BAPTISTS CALL POST CITY PASTOR FOR WORK HERE

Rev. Pat Horton, pastor of the Post City Baptist Church, has been called by the Baptist Church of Floydada to the pastorate of this church. He has not announced his decision as to acceptance.

Rev. Horton preached Sunday morning and evening here, returning home Monday.

METHODISTS HAVE PRAYER AND GET-ACQUAINTED SERVICE

A big prayer and get-acquainted service, which resolved itself into a rally of Methodists was held last night at the church, when a house full of people met in the basement and enjoyed a social hour during which time punch and cake were served with ice cream to the assembled gathering.

Following the meeting in the basement the audience adjourned to the main auditorium for the prayer service.

YOUNG PEOPLE'S SOCIETY CHRISTIAN ENDEAVOR

Wanted—Unlimited number of new members. Society stands for wholesome Christian fellowship, training for church and life. Short, interesting programs each Sunday. Special music and talks. Monthly socials at homes of members. Visits to other societies. Worldwide in scope. Over three million and a half membership. It will help you. Come, meet ever Sunday at 7 P. M. Presbyterian church.

RALLS PASTOR PREACHES FOR BAPTISTS MONDAY

Rev. H. R. Long, pastor of the Ralls Baptist Church, preached Monday evening, Tuesday morning and night at the First Baptist Church in Floydada.

At Monday night's service there were 36 additions to the church from the revival campaign just closed by Evangelist Fisher. Others joined Tuesday and Tuesday evening.

It is announced that the candidates for membership will be baptized on Sunday afternoon at 2:30. Rev. Long will do the baptizing.

CHRISTIAN ENDEAVOR

Program, May 5th. Subject—Enjoying our work. Text Ecc. 3:1-13. 5:18-20. Leader Miss Julia Adams.

Monday, May 16th, Bible study found in Rom. 1 and 2 Chapters. All members are expected to be present.

DON'T FEEL BLUE

The general financial condition is much improved. Theodore H. Price, the financial expert and publisher of the Commerce and Finance, said in last weeks issue:

"It really begins to look as if we should soon have nothing serious to worry about except past losses that will soon be forgotten when the legitimate profits that are to be made out of normal business at normal prices commence to accrue."

While it is true you can't borrow all the money you think you need, yet in the long run that will be better for all of us. Lets be courageous, spend less, save more and we will all 'get by' in fine shape. There are specific reasons for confidence.

We have tried to be of assistance during the reconstruction period and still have explicit faith in our people and country.

INFANT SON OF PETERSBURG FAMILY DEAD

Marcel Luce, 2 month old son of Mr. and Mrs. C. E. Luce, of near Petersburg, died Sunday evening at 6 o'clock and was buried Monday afternoon in Carr's Chapel Cemetery.

LAKEVIEW ITEMS

Lakeview, May 2.—Bro. Day filled his appointment here Sunday afternoon, May 1.

The Literary and Dramatic Club met Friday night, April 29th, and rendered an interesting program. We invite everyone to be present on our next meeting night, May 13th.

Mr. and Mrs. Harley Brown have returned home from Rochester, Texas. Miss Mirtie Blair from Abilene, is spending the week with them.

Miss Noreene Pitts spent Thursday night with Miss Wanda Armstrong.

Will Roy left Monday morning for Colorado. He is expecting to be back after several weeks.

Miss Cordia Sparks, Lloyd Battey, Miss Hazel Jones, Henry Conway, Miss Flossie Martin and George Beedy attended the revival meeting Saturday night.

The singing Saturday night was well attended.

Miss Lillie Adams spent Monday night with Miss Mintie Donathan.

Miss Lucy and Buddie Donathan spent Thursday and Friday at Flomet. R. F. Hall gave a party Saturday night and everyone reports a nice time.

Miss Mintie Donathan spent Sunday with Miss Lillie Adams.

B. C. Willis gave a singing Sunday night. Everyone had a good time.

Miss Norman Parker and Miss Irene Allen spent Tuesday night with Miss Mary Pearl Cowand.

Elders J. W. Herage and D. B. Kowen, visiting ministers, preached in this community Wednesday and Wednesday night. They preached at the home of S. D. Bunch Wednesday and the home of R. F. Hall Wednesday night. They also preached at Mt. Blanco School House Thursday.

F. P. Donathan and family visited at the home of Luther Woolsey Sunday.

May 9.—Very few attended Sunday School and church Sunday evening. A large crowd attended singing Saturday night and a good many singers from other communities were present. Clark Bolding treated the crowd with apples and everyone enjoyed it very much.

Miss Pearl Hall spent Saturday night with Norman Parker.

Tate Jones and Henry Willis spent

ICE! ICE! ICE!

STYLISH AND PRACTICAL

In measuring the most valuable tributes of any garment, judgment is apt to think a highly of style as of utility or the other must be sacrificed. It is long and full, with mah sleeves and deep yoke that gestic a cape. The collar is ample may be buttoned up about the throat. The material is a soft but woven pile fabric, light in weight, cozy, and style of this coat place in the distinguished class where are few that are so practical.

Reduced Tire Prices!

TIRES AT \$14.80. Other sizes in proportion. We carry all usual sizes UNITED STATES TIRES AND TUBES in stock. If there are Tires and Tubes than the UNITED STATES LINE, we don't know it.

See our line of AUTO ACCESSORIES FOR ALL MAKES OF CARS—the biggest line of its kind in Floyd County. Our Prices Are Always Right.

EFFECTIVE NOW, we have authority to reduce prices on all UNITED STATES TIRES AND TUBES about twenty per cent. This means now get the FRONT FORD TIRES AT \$12.00 and the FORD
