Hospital recertification put on hold

By RAY MAYO

It's going to be another 30 days before Root Memorial Hospital officials know whether or not the hospital will be recertified for Medicare funding.

A team from the Department of Health and Human Services was at the hospital Tuesday, Wednesday and Thursday conducting its survey and found the hospital in one area of non-compliance and gave the hospital a 30-day period in which to come in to complete compliance.

Interim hospital administrator Ray Mason explained the one area of non-compliance was nursing services, particularly in the number of registered nurses (RNs) that the team feels the hospital needs.

"The director of nurses has been trying to do two jobs," said Mason. "She (Joann Merket) has been supervisor and floor nurse-she's going to have to be progress we had made."

Mason said that the hospital is going to try to recruit three more RNs in order to satisfy the requirements.

Other than the nursing services, the rest of the hospital was in compliance although there were still a few deficiencies, explained Mason.

"The whole team was very complimentary for the work that has taken place," said Mason.

Two of the five team members had been on the previous inspection team at Root Memorial, noted Mason, adding that "they said they couldn't believe the

Injunction handed down in Noonan case

"Dr. Thomas Noonan, D.O. has been reinstated with full staff priviledges at Root Memorial Hospital as of 7 p.m. Friday by court order," according to Ray Mason, interim hospital administrator.

Judge Weldon Kirk handed down a temporary injunction against co-defendants: Mitchell County Hospital District, Board of Managers, Ray Mason and Bobby Lemons in 32nd District Court Friday, Sept. 7.

The injunction states that arguments presented in court "shows plaintiff to be entitled to a temporary restraining order, pending the hearing on the application for a preliminary

Noonan files suit

Dr. Thomas A. Noonan Jr. filed suit Friday in 32nd District Court in Mitchell County against the Mitchell County Hospital District, the board of managers, former administrator Charles L. Root, interim administrator Ray Mason, Dr. Thomas N. Aguillon, Dr. Kenneth Cowan, board chairman Bobby Lemons and former administrator Ray Dillard.

In his suit, Noonan alleges he was suspended from the Root Memorial Hospital and Root Valley Fair Lodge illegally and without due process of law.

In his suit, Noonan alleges that the board of managers convened in illegal, private and secret session on July 24.

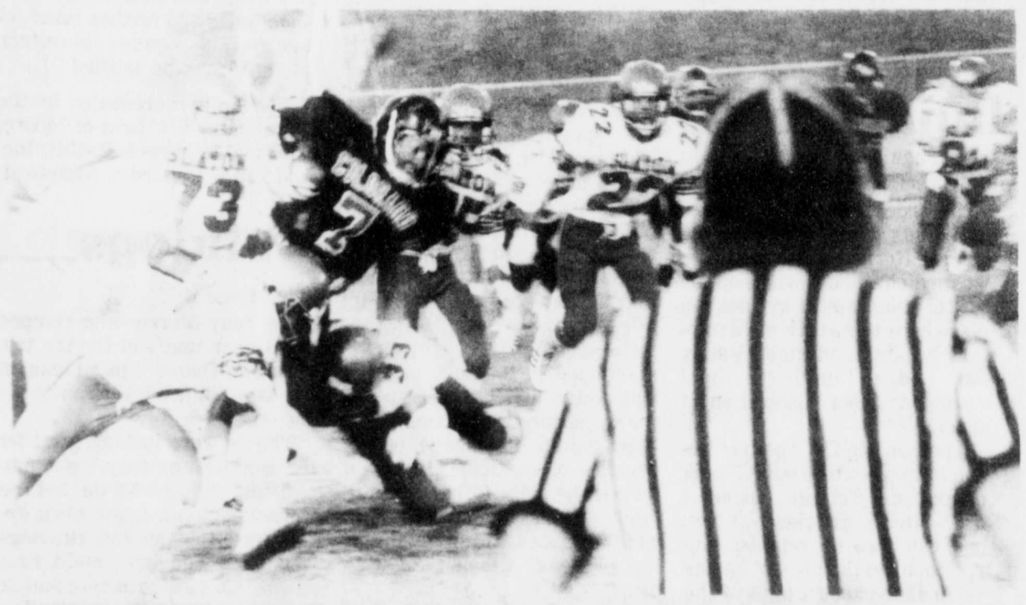

The board on Aug. 20 in a 4-3 vote suspended Noonan from the hospital and nursing home for infraction of hospital rules.

The suit cites the by-laws of the hospital and district staff which state that "any member against whom such charges have been preferred shall be notified of the charges and shall have the opportunity to appear before an informal conference." The suit further states that Noonan has "never been furnished with any charge whatever alleging misconduct, impropriety of any kind, violation of by-laws or any reason at all why he should be deprived of the right and privilege of practicing his profession..."

"Irreparable harm to Dr. Noonan will result from his illegal suspension, in that such a suspension will not only affect his practice in Mitchell County, but will be to his everlasting detriment in practicing medicine anywhere else in this country. Such a suspension is furthermore a grounds set out by statue for the revocation of a physician's license in Texas..."

In the suit, Noonan requests

COLORADO CITY quarterback Doug Chitsey is cut off at the knees after keeping the ball on an option against the Slaton Tigers last Friday night.

Sales tax rebate up

Colorado City received a $16,551.21 check in local sales payments representing taxes collected on sales made in July and reported to the State Comptroller Bob Bullock by Aug. 30.

Colorado City's payment was up from $13,175.62 compared for the same period last year. The 1984 payments to date are $182,828.71, up from $165,282.18 for the same period last year.

Loraine did not receive a payment this period, but Westbrook received a check for $1,906.51, bringing its 1984 payments to date to $10,056.96.

Wolves slip past Slaton

By TONY FRANCO

A seven yard touchdown run by junior running back Sam Rivera and a field goal by quarterback Doug Chitsey gave the Colorado City Wolves a hard fought 10-0 season opening victory over the Slaton Tigers here last Friday night, but following the game a sense of still being hungry prevailed over the team and head coach Tom Ramsey.

"I never complain about a win and that's the only positive thing I have to say about the ball game," said Ramsey. Asked what didn't go according to plan, Ramsey said "Everything didn't go right."

This is the team that was supposed to blitz teams with an awesome passing game, but when Chitsey's receivers couldn't find the handle on some sure receptions, it was Rivera and his blockers who came to the Wolves rescue.

"We were trying to push the ball deep, but if you can't catch the ball it doesn't matter where you throw," said Ramsey.

"Next week will be a long one because we will rectify our mistakes. Our inside running game was the only thing going right. Sam ran good and found the holes that were there."

LON ROBERTSON presents the Goodyear Tire and Rubber conservation award to Floyd Lee Ritchey. Looking on are D. M. Smith, right, and Jimmy Harrison of the Mitchell Soil and Water Conservation District.

Ritchey presented award

Floyd Lee Ritchey has been presented an award from Goodyear Tire and Rubber Company as the outstanding cooperator of the Mitchell Soil and Water Conservation District.

Ritchey was named the Outstanding Conservation Farmer for 1983 by the local conservation district. He was praised for the conservation work completed on the land he owns as well as on four farms he leases.

Ritchey operates about 700 acres. Three grassed waterways and a diversion terrace have been completed. All of the land he owns and operates has been terraced. Ritchey was the first district cooperator to use Mondell Pines as windbreak trees.

The Mitchell Soil and Water Conservation District will receive an honor award from Goodyear at the State Association of Soil and Water Conservation Districts meeting to be held in Corpus Christi Oct. 22-24. The honor district medallion is awarded to a district that is ineligible for the first place award because of the five-year limit on repeat winners. A district may qualify for this award if it ranks among the top districts in its area of competition.

Making the presentation to Ritchey was Lon Robertson, local Goodyear representative.

LHS comes up short

MERTZON - An enthusiastic Loraine High School football team came up on the short end of the scoreboard as they failed to Irion County Hornets 14-8 here Friday night in a season opener for both clubs.

Head coach Sandy McSpadden's Bulldogs provided Loraine fans with an exciting game that saw their hopes for a win fade as mistakes plagued the young team attempting to upset the experienced Hornets squad.

Although disappointed by the loss, McSpadden said, "they all played their hearts out and you can't ask for anything more than that."

"With just a few breaks, we could have won tonight," McSpadden said. "But they have a right to be proud for the way they represented themselves."

Irion County was first to score in the game when senior halfback Bub Martin romped from 30 yards out to hit paydirt. Quarterback Kevin Thorp connected with end Wesley Sparks to give the Hornets an 8-0 advantage which they carried into the second quarter.

Loraine's only score in the game came in the second quarter when senior quarterback Joe Espinoza connected with senior

Crimestoppers offers reward

Crimestoppers of Mitchell County is prepared to pay up to $1,000 reward for information leading to the arrest and indictment of anyone connected with the theft of a pickup, trailer and front end loader taken from a residential street in Colorado City.

Sometime between 8:30 p.m. on Aug. 19 and 7:30 a.m. on Aug. 20, a pickup, trailer and front end loader was stolen in front of a residence at 1424 Dallas Street. The pickup was a 1981 red and white Ford Lariat and connected to the pickup was a red 34-foot gooseneck trailer with eight wheels. Mounted on the trailer was a 1070 Case tractor with cab and front end loader with jacks on each support arm.

Call 915 728-TIPS if you have information on this theft or any other felony crime. You will not be asked to give your name. Crimestoppers does not want your name. You will be immediately assigned a number and no one will know you. Out of town callers can call collect.

progress we had made."

"Mason said the team, headed by Carroll Gregory, is going to hold the report for 30 days "to allow us time to fill our needs in the nursing service area."

At the end of the 30-day period, Mason said one of three things will likely happen–one of the team members will come back for a reassessment, the entire team will come back for a reassessment or the hospital will be required to verify by letter if the needs have been corrected.

Mason said that the nursing staff met soon after the survey team met with administrators and hospital district board members Thursday.

"Our RNs have made a good commitment to help out until more RNs are located," he said.

Mason said he has already a tentative yes from an RN contracted through a Canadian recruitment program. He said the recruitment program involves paying a one-time $1,000 fee to a recruiter who helps locate RNs willing to leave Canada and work in the United States. The nurses agree to work for a minimum of one year. He said the Tahoka hospital has three Canadian nurses and the hospital administrator is very satisfied with the results.

Mason praised the entire hospital staff for its work in helping to clear up most of the deficiencies cited in earlier surveys, but noted there were still a few minor deficiencies that can be easily corrected.

The pharmacy had one deficiency concerning documentation of a form. Mason described the medical records department as "90 percent better" but that some fine tuning is needed to correct a few deficiencies in that department.

Mason said the dietary department didn't have a single deficiency and that the X-ray department was given a recommendation more than a deficiency concerning a break-away lock. The lab had two minor deficiencies concerning procedures and the respiratory therapy department had one deficiency concerning documentation, he said.

The administration will also have to correct some minor defiencies, Mason said, concerning the hospital district's by-laws.

injunction."

The order keeps the named defendants from "interferring with Dr. Noonan's right to practice medicine and to serve on the staff of the hospital in question (elsewhere named Root Memorial Hospital and Root Valley Fair Lodge), until the final hearing or other disposition of this cause."

Representing Dr. Thomas Noonan in this petition were Frank Conard and Temple Dixon of Sweetwater, attorneys-at-law. They will also be representing Dr. Noonan in the lawsuit he has filed in district court against the aforementioned defendants and several others.

The injunction is effective until the hearing Sept. 14.

Noonan

From Page 1

that the defendants be restrained from interferring with his right to practice medicine at the hospital and nursing home.

The suit further alleges that "The defendants Charles Root and his son-in-law, Ray Dillard, conspired with the President of the Board of Managers of the Mitchell County Hospital District, Bobby Lemons, Dr. Kenneth Cowan, and Dr. Thomas Aguillon to arbitrarily, capriciously and illegally deny plaintiff, Dr. Thomas Noonan, from the practice of medicine in Root Memorial Hospital."

"Additionally the defendants conspired illegally to form a combination of persons to monopolize for the benefit of themselves, specifically, Dr. Kenneth Cowan and Dr. Thomas Aguillon for the practice of surgery in the defendant district and specifically at Root Memorial Hospital, also specifically prohibited by Section 10.05 of the Business and Commerce Code," the suit alleges.

No specific dollar amount is mentioned in the suit, but, the suit states that "as a result of the suspension, he (Noonan) has been unable to engage in the practice of medicine, has been denied the right to be gainfully employed and has been damaged far in excess of the minimum jurisdictional amount of this court."

The suit asks the court that "the defendants be cited to appear and answer herein and that upon final hearing hereof plaintiff have and recover judgement of and against the defendants; that the court immediately grant a temporary restraining order restraining defendants, in conformity with the allegations of this petition, from the acts set forth herein, and plaintiff prays that, upon notice and hearing, this temporary restraining order be made a temporary injunction; that plaintiff have reasonable attorney's fees and costs herein; and such other and further relief, at law or in equity, to which plaintiff may be entitled."

Noonan is represented by the Sweetwater law firm of Moore, Dickson, Roberts & Ratliff, Inc. and Frank Conard of Sweetwater

back Tony Morris who romped from near midfield for the touchdown. Duane Linam caught the two point conversion to tie the game 8-8.

Things were looking good for the Bulldogs as they went into halftime with the 8-8 tie, but the Hornets defense came back determined to stop the Bulldogs who had gained eight first downs, 126 yards rushing and 22 yards passing in the first half.

Loraine had held the Hornets to 113 yards rushing and 15 yards passing with eight first downs in the first half.

Two fumbles in the first half along with four penalties totalling 40 yards and an interception in the second half hampered the Bulldogs. Loraine was held to five first downs and 97 yards rushing in the final half. Two passing attempts failed.

Meanwhile, the Hornets racked up 12 first downs and 126 yards rushing in the second half and managed to score in the third quarter when senior halfback Billy Beaver scored from three yards out. The extra point effort failed giving the Hornets a 14-8 lead which they kept through the remainder of the game.

Loraine's Aundra Rose collected over 100 yards rushing for the night with Morris claiming over 100 yards including his long touchdown run.

Loraine will host the Robert Lee Steers Friday at 8 p.m. in Bulldog Stadium.

Unable to attend were Shelly Barber and Sandy Molina.

Wolves

From Page 1

"The amount of dropped passes was discouraging so we decided to shut it (passing game) off and work on the clock. Had Slaton not fumbled there's no telling what the score might have been. They really got after us."

Ramsey was referring to Slaton's fumble on their first possession that senior Armando Rivera promptly pounced on in the endzone.

That fumble recovery served only to even things out as the Wolves had fumbled themselves in their first possession.

Dropped passes and penalties killed the Wolves next drive following Rivera's fumble recovery. On Slaton's next possession again it was an A. Rivera defensive play that stopped the Tigers drive.

Facing a fourth down and seven at the Wolves 27, Slaton passed for what would have been a first down, but Rivera made a bone-jarring hit to make the pass go down as an incomplete one.

The Wolves again were forced to punt but then got a big break when on Slaton's next possession a bad punt snap gave the Wolves the ball at Slaton's 41 yard line.

A 17 yard pass from Chitsey to Don Randle moved the ball to Slaton's 24. From there two consecutive off sides penalties on Slaton set Colorado City up at the seven yard line. On the next play Rivera ran the ball in for the game's only touchdown.

On Slaton's first play following the Wolves score Johnny Rivera recovered a Tiger fumble and Colorado City seemed headed for an easy touchdown.

That's when Chitsey's receivers failed him though. Colorado City managed to keep the Tigers in check, but dropped passes on the part of the Wolves allowed Slaton to end the half trailing only 7-0.

In the second half neither team had much success moving the ball until Colorado City rode the rushing of Rivera and Billy Jackson to within Chitsey's field goal range. The 30 yard kick came with 20 seconds left in the game.

Rivera finished with 131 yards on 21 carries for a 6-2 average. Jackson had 72 yards on 16 carries for a 4.5 average. Chitsey completed two of 14 passes for 25 yards and no interceptions in addition to 14 yards rushing on seven carries. Colorado City had 13 first downs to Slaton's nine.

Slaton finished with 97 yards rushing and 101 yards passing.

"A win is a win so you have to be positive," said Ramsey.

Texas 4-H Center open to sr. citizens

By DEBBIE CHRISTIAN

Texans 55 and older have an opportunity to enjoy camping programs at the Texas 4-H Center at Lake Brownwood this fall.

Called Octoberfest '84, the camping program offers senior citizens a chance to spend a week learning and doing in a comfortable and supportive atmosphere, points out Debbie Christian, County Extension Agent. The program allows participants from throughout the state to meet new friends and enjoy old ones and to take part in an enriching experience.

"This is the fifth season for these camps and participation has been truly outstanding," notes Christian. "Some 2,500 Texans aged 55 and older have enjoyed the camps in the past years."

This year's program offers five different sessions: Oct. 2-5, Oct. 9-12, Oct. 16-19, and Oct. 30-Nov. 2.

Each session allows participants to engage in a variety of "hands on" experiences as well as to enjoy a wide range of recreational activities.

Programs will feature Extension specialists in horticulture, family life, entomology and housing. Among the many activities will be oil painting, needlecrafts, basketweaving, nature hikes, boat rides, outdoor recreation and sports, dancing, bingo, shuffleboard, bridge, dominoes and a host of social events.

There will also be sessions on chime making, chair caning, needlepoint, basic drawing, cake decorating and antiques. And Lake Brownwood offers plenty of good fishing, notes Christian.

"We feel this camping program is the best camping deal in Texas, and we hope older Texans will take advantage of it," says Christian. "Interested individuals should contact the county Extension office for reservation forms.

Reservations must be received at the 4-H Center at least one week prior to th camp the individual plans to attend. The mailing address of the county Extension office is Box 1349, Colorado City and the phone number is 728-3111."

Local health offices to expand services

The Texas Department of Health office in Colorado City will be expanding their health care programs to include prenatal and family planning clinics.

Located at the Wallace Center on the Robert Lee Hwy., the clinic now provides immunizations, blood pressure checks, etc. free of charge.

Beginning Monday, Sept. 10, Dr Pat Thomas, D.O., will provide prenatal care and lab work through the Health office's prenatal clinic. This service will be provided on Monday and Thursday of the second week of each month.

The Family Planning Clinic, conducted by the Sweetwater-Nolan County Health Department will include such services as complete blood work, pap smears, complete physicals, and any birth control method chosen by the client. This clinic will take place the third Monday of each month, beginning Sept. 17.

Confidential counseling is available, conducted by a nurse practitioner under the supervision of Dr. Danier, OB-GYN of Sweetwater.

Piland works around balanced meals

Joy Piland learned to cook in Home Ec.

She took Home Ec in school and was cooking at the age of 14.

"We had summer projects in Home Ec and that's really how I learned to cook."

When she was growing up, she didn't cook much, her mother did most of the cooking.

Mrs. Piland usually follows a recipe and likes to try out new recipes.

"When I try a new recipe out, I will fix that dish and then if it's good, we might have company over and I'll fix that recipe.

"I won't let the company be the guinea pigs. I want to know it's good before I serve it."

Mrs. Piland's family is picky about vegetables.

"They will usually eat any kind of meat, but I usually fix the same kind of vegetables.

"I grill steaks quite a bit, because my family really likes that."

Mrs. Piland's favorite things to fix are sweets.

"I usually try to fix something sweet once a week. I know it's good, if it goes in a hurry."

Mrs. Piland likes to cook and fixes balanced meals for her family.

At Christmas time, her favorite thing to fix is different kinds of candy.

Mrs. Piland is married to Eddie and they have two sons–Mark, who is in college and Jay, a senior at CHS.

Today she is sharing three of her recipes with RECORD readers.

Joy Piland

SPANISH CASSEROLE

2 pounds hamburger meat
1 medium onion, chopped
1 large can of green chilies
1 can enchilada sauce (10 oz.)
1 can Cream of Mushroom Soup
1 teaspoon chili powder
Dash salt
Dash pepper
One-eighth teaspoon garlic powder
1 package Longhorn cheese, grated
1 package corn tortillas

Brown hamburger meat, chili powder, salt, pepper and garlic powder together. Heat enchilada sauce and soup together. Dip tortillas in sauce and soup mixture. Layer tortillas, meat mixture, onions, chilies and cheese in that order. Repeat layers. Bake at 350 degrees until bubbly.

BASIC SWEET DOUGH (CINNAMON ROLLS)

2 packages yeast
½ cup lukewarm water
2 cups milk
1 cup butter or margarine
2 teaspoons salt
1 cup sugar
4 eggs
½ teaspoon ground nutmeg
8-10 cups flour (sifted)

Soften yeast in water. Scald milk and cool to lukewarm. Cream together butter, salt and sugar. Add slightly beaten eggs, spice, lukewarm milk and soaked yeast. Work in flour. Follow the straight dough method, keeping dough softer than for loaf bread. Roll dough gently into rectangle ¼ inch thick. Brush with melted butter (use about one stick), and sprinkle with sugar and cinnamon (lots of it). Roll up as for jelly rolls, pressing down last edge firmly. Cut into one inch slices. Place close together, cut side up, in shallow, greased pan. Let rise until doubled in bulk. Bake at 350 degrees about 25 minutes. Spread with butter icing while still slightly warm

BUTTER ICING

1 stick butter
1 cup sugar
½ cup milk
½ teaspoon vanilla

Bring to a boil and let cook slowly about two minutes. Remove from heat and beat until it thickens a little. (This will be gooey but that's what makes them good).

SCOTCH CHOCOLATE CAKE

Sift together in large bowl 2 cups sugar, 2 cups flour. Put into sauce pan 1 stick oleo, ½ cup Crisco, 3 tablespoons cocoa.

Bring to a rapid boil 1 cup of water. Pour over flour and sugar and mix. Add ½ cup buttermilk, 2 eggs slightly beaten, 1 teaspoon soda, 1 teaspoon cinammon, 1 teaspoon vanilla. Pour into floured pan. Cook 350 degrees for 30 minutes.

Start icing five minutes before cake is done. Bring to a boil 1 stick oleo, 3 tablespoons cocoa, 6 tablespoons milk. Add 1 box of powdered sugar, 1 teaspoon vanilla, 1 cup pecans, 1 cup coconut (optional). Pour over cake while hot.

Letters to the Editor

To The Editor:

The current chaos at Root Memorial makes watching soap operas dull these days. However, watching soap operas is rather innocuous and this situation is not. We have a gifted physician denied the right to earn a living without being told why, and we the citizens have become victims.

The central issues has almost been totally obscured by the conflict over Dr. Noonan. The central issue is, of course, what is wrong with our health care delivery system, not what is wrong with Dr. Noonan.

I firmly believe Dr. Noonan has been made a scapegoat. I have worked with and been a patient of doctors all over the United States, and I have seen only a handful that I would call superior. I include Dr. Noonan as one of those few. I have a Bachelor's degree in nursing and am a clinical specialist in emergency nursing which required two years of post graduate work at the University of California in San Diego. Since I graduated from college in 1961, I have worked at George Washington University Hospital in Washington, D.C. (500 beds), Tucson Medical Center, Tucson, Arizona (700 beds), Charity Hospital, New Orleans, La. (1,000 beds), and Kaiser Hospital, San Diego (300 beds). I have taken abuse from doctors at each hospital, not because I did anything wrong. Sometimes the physician was out of sorts from lack of sleep, or because he had lost a patient that day. I have had charts thrown at me, called names that are unprintable, and once nearly lost my job because I refused to let a prominent neurosurgeon examine a little girl with a massive head injury because he was DRUNK! In every case the doctor was out of line, not I, but not one received a reprimand, much less suspension. Therefore, I would like to know what "horrible" thing Dr. Noonan did that warrants suspension. No one has been told.

We have turned our family's health over totally to the doctors at the clinic because of their excellence. When I moved here, I was ill due to a congenital kidney problem. I promptly sought the best urologist available. I was under his care in San Angelo, when my son was involved in a head on collision, resulting in a trip to Root Emergency Room. I was fully prepared to go on to Abilene if he did not receive the care I knew should be administered. Not knowing Dr. Noonan, I was leery. I was thrilled when I saw my son receiving the exact care I was used to in the "big City." I was just as biased about D.O.s as anyone else, having no orientation other than what M.D.s had always told me. I mentioned I was having kidney problems and not getting any better and made an appointment to see Dr. Noonan. I was sick alright, I was in acute renal (kidney) failure while still under the care of my fine urologist! Dr. Noonan admitted me immediately, put me back together again, and that kidney has never been better. Meanwhile, my father was under the care of an internist in San Angelo, having had a heart attack and rectal bleeding five years ago. He was progressively becoming worse. Though he had been in the intensive care unit at St. John's and had numerous tests and consultants, no one had ever found the source of his bleeding. At Christmas, I brought him to Dr. Noonan, who found a duodenal ulcer that had been missed. After twelve weeks of unsuccessful medical management, surgery was necessary. Today, my father is healthier than he has been in over ten years. I could not have asked for or received better medical care in any major city.

I cannot conceive of Dr. Noonan being abusive with his language or behavior. He does demand (and should) standards of excellence from everyone on the health care team. I find it very hard to understand why that is inconsistent with being allowed to practice at Root.

I personally have considered working at Root but decided not to due to the management problems. I set standards of excellence for myself, and I value keeping my license. When I first moved here, I developed a kidney stone (this was four years ago, before Dr. Noonan arrived). I was admitted to the hospital from the emergency room without being seen by a physician, without any lab tests being done to verify my own diagnosis. I was put in a room and given morphine intravenously without having an intravenous line in my arm. This is extremely risky, as morphine can cause respiratory arrest or cardiac arrest, and without an open line, it is almost impossible to start an IV after an arrest takes place. I have never worked in a hospital that allowed any of the above mentioned infractions. I thought perhaps Texas hospitals were different than others I have worked in, but when I told nurses at Shannon, St. John's, and Hendricks, they were appalled.

When my father was in intensive care at Root, the only thing intensive about it was the stress my family was under. We had to stay with him constantly or he would pull his many tubes out and climb out of bed, unobserved. Intensive care means constant observation, not constant attendance by family.

I would like to know how many citizens have seen the letter from Medicare. I have. WE own that hospital and WE should have access to that letter. The problem of charts being signed is minor. There is page after page of infractions leading to the inescapable conclusion that the administration was inept.

How many people know that Root Memorial is not certified by the JCAH? The Joint Committee for Accreditation of Hospitals is the number one body that approves hospitals. Root doesn't even try for it because they know it won't pass. Medicare inspection is a piece of cake, so we failed on the kindergarten level.

The Board needs to be on the rack, not a talented and gifted surgeon. We should demand to know why the taxpayers were not informed of the problems at Root before the ax fell. This just didn't happen over night. Warnings have been given for the last two years.

The hospital board should never suspend a physician without advising both he and the taxpayers as to why. The last time I checked, Mitchell County was still in the United States. Even a criminal in our country is informed of the charges against him and given a hearing before his peers.

As an emergency room nurse, I can state that our emergency services are in a dangerous state...protocols need to be established, new equipment needs to be installed, cardiac arrest drills need to be done routinely, nurses need ongoing inservice education. The intensive care unit needs to be run properly or done away with.

We need to realize that the way this problem is solved will in some ways, determine the course we set for ourselves in the future. The current drought and economic depression WILL pass, and whether we are a growing, viable community depends on how we handle our responsibilities as voters and in managing our own destinies. As the 80's force change upon us, it is time we all get involved. For too long the progress of our community has been in the hands of too few. We have allowed that. It has brought us to this bitter and divisive place.

We should not tolerate immoral situations to go on such as the following: 1) some people have been told not to support Dr. Noonan publicly or they will lose their jobs; 2) employees at Root who support Dr. Noonan are being harrassed at work; 3) people who signed the petition to reinstate Dr. Noonan are being refused care by M.D.s. These are strong arm tactics that we have read about in books about the Mafia and their ilk.

We cannot hide from change. Change is always uncomfortable because it takes us down unfamiliar roads. Change is inevitable, though, and we must decide whether we ALL have input as to where we go, or continue to let the few decide.

We've had chances in the past, to grow, such as the opportunity to have Texas Tech located here. Are we now going to abuse a physician that both Drs. DeBakey and Cooley invited to Houston to work?

We deserve better than to have some elected officials throw up a smokescreen and attempt to pin their failings on one man. The real problem is hospital administration. A personality conflict between a doctor and some nurses is overshadowing that. If the Board did not desire that smokescreen, why have they still not informed us as to why Dr. Noonan was suspended? Talk about "stone walling"!

Dr. Noonan has become a sacrificial lamb for the community to chew on. We need to bypass that and deal with the real problem.

Dr. Noonan deserves better, the community deserves better, and most certainly, the patients of this county deserve better.

Anne Powell

To the editor:

As a lifetime resident of Mitchell County I would like to express my gratitude to the members of the Root Memorial Hospital Board. I feel that the confusion and conflict in our county have been extremely difficult for them and their families; and some of the decisions they have had to make were more than difficult!

I know most of the board members personally and know that they are responsible, caring citizens. The only reason a person would serve on this board is because of his love for community. It is my sincere belief that the only objective of the board is the continued improvement of our hospital and its services.

I would also like to express my deepest appreciation for the nursing staff of the Hospital. I have been in larger hospitals for treatment not available here and in none of them has the quality of nursing service exceeded the care received in Mitchell County. The tender concern and gentleness of our nurses has always been evident and I feel that we are indebted to them; to those who serve us now and those who have cared for us in the past.

Sincerely,
Mrs. Rex McKenney

To the editor:

I think our Emergency Medical Team here in Loraine should have some recognition. As we were benefitted twice may I say my piece?

My first experience was more than two years ago. My sister-in-law, Mrs. B. O. Joyce was recovering from a broken hip. I was with her one night when she got out of bed and fell on the floor. I was afraid to move her so put a pillow under her head and dialed 2700.

In minutes we had help. She was checked for broken bones, completely gone over—blood pressure etc. They lifted her back on the bed and all was well.

Tuesday of last week she was feeling poorly and I spent the day. That afternoon she became very ill. I called again—just someone who knew what to do. Very quickly Rev. and Mrs. David McNary and Earl Phillips were there. She was given oxygen, checked over and ambulance was called for. Earl went to the underpass so there would be no delay in finding us. Dr. Terry was ill but he called the hospital.

At the hospital Dr. Aguillon and the nurses took over. She didn't survive but we feel everything was done that could be under the circumstances. I would like to mention others who helped:

J. C. Hall, Donnie Phillips, Sandra Phillips, Guy Hilderbrand, Wanza Graham, Wanda Hamilton. Others are George Lee, Herbert Roever and the fire boys. I wish someone would give us a record of services rendered and calls made from the start.

We appreciate them so much and just pray our hospital will be back to operating properly. People are loving in caring in times of need. Lets pull together and things will work out.

Sincerely,
Leona (Mrs. Jack) Linam

Dear Editor:

In reply to the September 2nd letter printed in your newspaper by a member of the Mother's Against Drunk Driving organization, I want to thank this group for their recognition and praise.

The DWI trial last week where I represented the State and the people of Mitchell County was indeed the first misdemeanor DWI trial necessary in several years.

All of the five DWI jury trials I have prosecuted in the eight years I have served as Mitchell County Attorney have resulted in convictions, and the long span of time between the fourth and the latest DWI trial is evidence that local and area defense attorneys recognize my competency as a prosecutor.

Three hundred and eighty seven (387) cases have been resolved through guilty pleas prosecuted by my office between the time of the fourth and the just completed DWI jury trial. Ninety thousand five hundred and forty-five ($90,545.00) dollars in fines and court costs were assessed against the defendants in these (387) DWI cases. I doubt that so many DWI cases could have been resolved with such minimal expense, both in cost to the County and in time lost from work by citizens who perform jury service, except for my proven trial record in DWI prosecution.

Our most recent DWI trial also illustrated the importance of the credibility of the arresting officer. The State's case rested on the arresting officer's credibility, and although that officer's reputation for truth is unblemished, the jury still took approximately three and one-half hours to reach a verdict of guilty. Had the arresting officer's credibility been subject to attack, a not guilty verdict would have been the most likely result.

Sincerely,
Patrick D. Barber

JV volleyballers beat Clyde

...Varsity not as lucky

By TONY FRANCO

In Colorado High School volleyball action last Tuesday night the Wolves junior varsity squad defeated Clyde 16-14, 15-7 while the varsity lost to Clyde 18-16, 12-15, 15-13 and the freshmen team fell to Sweetwater 12-15, 15-7, 15-12.

"It was a combination of factors" that led to the varsity's loss, said CHS head volleyball coach Mark Merrell. "We weren't prepared mentally and needed practice. It was a long weekend and the gym's physical environment had a little to do with it."

"We were a little overconfident after beating Merkel so easily," said Merrell. "We really didn't play that bad, but we failed to serve well in crucial situations."

Clyde, which was "just hitting the ball back" took the first game 18-16 behind excellent serving then raced to a big lead in the second game before Colorado City started playing ball.

"Clyde served well but we were our own worst enemies," said Merrell. "We had a mental breakdown the first game and the first of the second game, but then they showed a lot of class coming back in the second game."

Jody Huff, who "played well spiking" according to Merrell, came up to serve in the second game with the Wolves trailing 12-6. From there Huff served for six straight points to tie the game--then Sherry Fite served for the last two points and the second game 15-12.

Clyde, which was "ready to play" then went on to take the third game and match--edging the Wolves 15-13.

"It was a good learning situation," said Merrell. "It made us realize we're going to have to work harder. We're not good enough to take anybody for granted, but we're going to get better."

Huff and Denise Jackson tied for high point honors with nine each--closely followed by Fite at eight and Traci Blackwell with seven.

Thirty-five errors were committed.

"The junior varsity played real well," said Merrell. "They came from behind the first game then dominated the second game. Holly Tarter served well and Robin Edwards and Lynda Walker both had good games."

Edwards and Tarter were high points in their 16-14, 15-7 victory with nine and six points respectively. Walker contributed 13 set-ups. Ashly Weaver added five points and with three points each were Carrmon Longley, Shana Lowery and Tammy Ashford. Walker and Sandra Williams served for one point.

The freshmen team started off strong in their match at Sweetwater--winning the first game 15-12, but then lost the next two 15-7, 15-12.

Michelle Casey and Lisa Lamb were high points with 12 and eight points.

Season records are 1-2 for the varsity, 2-1 for the junior varsity and 1-2 for the freshmen team.

JV, frosh split games against Slaton

By TONY FRANCO

Colorado High School football teams split a pair of games at Slaton last Thursday with the junior varsity totally annihilating the Tigers 34-0 while the freshmen team dropped a 20-0 decision.

The junior varsity victory was even bigger than the shut out indicates.

Behind a relentless ground attack spearheaded by an offensive line that opened big holes, running backs Terry Jackson and Ralph Gonzalez along with quarterback Michael Swann ran rampant all night long and combined for 257 total rushing yards.

Jackson was the main workhorse for the Wolves--gained 132 yards on 24 carries for a 5-5 average. His longest run of 39 yards set up Colorado City's second score of the first quarter. In addition Jackson ran for two of the Wolves five touchdowns.

Gonzalez racked up 78 yards on 17 carries for a 4.6 average. Swann, in addition to his 47 yards rushing on nine carries that included two touchdown runs, also completed two of only five pass attempts for 29 yards and threw for one touchdown to Marty Cleckler--the game's first score.

The touchdown pass came on Colorado City's first possession.

The drive began on the Wolves own 38 yard line. Alternate runs by Jackson and Gonzales moved the ball to the Slaton 39. With the drive stalled and Colorado City forced to punt, Slaton was whistled for roughing punter Wylie Dakan. That set the Wolves up at Slaton's 24 yard line then three plays later, Swann hit Cleckler from the 12 yard line.

Colorado City's defense, as it did all game long, then held Slaton on their first possession to take the ball back.

Starting at its own 28 yard line, Colorado City used an 11 yard run by Gonzalez and Jackson's 39 run to move to the Slaton 22. On the next play Gonzalez sprinted to the endzone for a touchdown but then was called back because a lineman's illegal use of hands. Four plays later though Swann scored from 11 yards out on an option keeper around the left side. Swann then ran the pat in for a 14-0 lead.

On Slaton's next possession a bad punt snap gave the ball to Colorado City at the Tigers six yard line. Four plays later Jackson took a pitch from Swann around the left side for the first of his two touchdowns.

That made it 20-0 then on Slaton's next possession another bad snap on a punting situation again set the Wolves up for another score.

On the Wolves first play following the second bad snap Jackson made a great individual effort for a 10 yard touchdown run.

An interception in the endzone ended Colorado City's next drive the first time the Wolves failed to score.

The half ended with Slaton in possession of the ball and Colorado City ahead 26-0. To start the second half, defensive lineman Danny Salazar recovered a Slaton fumble but the Wolves promptly fumbled back.

The second half turned into a struggle as Swann recovered a fumble and intercepted a pass to end two Slaton drives.

Neither team scored in the second half until Swann ran it in from 24 yards out with 2:34 left in the game.

The game ended with the Wolves at Slaton's 17 yard line and threatening to score again.

Colorado City was even more impresive on defense. The Wolves allowed the Tigers 29 total yards and three first downs. The only pass caught in the Tigers nine passing attempts was Swann's interception.

Colorado City, on the other hand, had 14 first downs and allowed Slaton in Wolf territory only once. That cross over midfield came after they recovered a Wolf fumble at their own 44. After moving to the Wolves' 48, Colorado City's Dakan then sacked the quarterback to put them back in their own side of the field.

In the freshman game, the Wolves were their own worst enemies as fumbles, short punts, interceptions penalties and dropped passes all led to providing an easy victory for the Tigers.

Fair plans going well - all booths reserved

All booths for the Mitchell County Fair have been reserved, according to Linda McCombs, Chamber of Commerce manager. "We're still accepting names for a waiting list in case some who have reserved booths back out or miss the Sept. 21 deadline for paying for them," she said.

The fair, scheduled for Sept. 27, 28 and 29, will begin accepting entries from 7:30 a.m.-Noon Thursday, Sept. 27 in the following departments:

--Agriculture
--Women's food
--Women's needlework
--Youth department
--Youth craft
--Art
--Craft
--Pet Show
--Men's Department
--Antiques
--Grandparent's Brag
--Freeze off

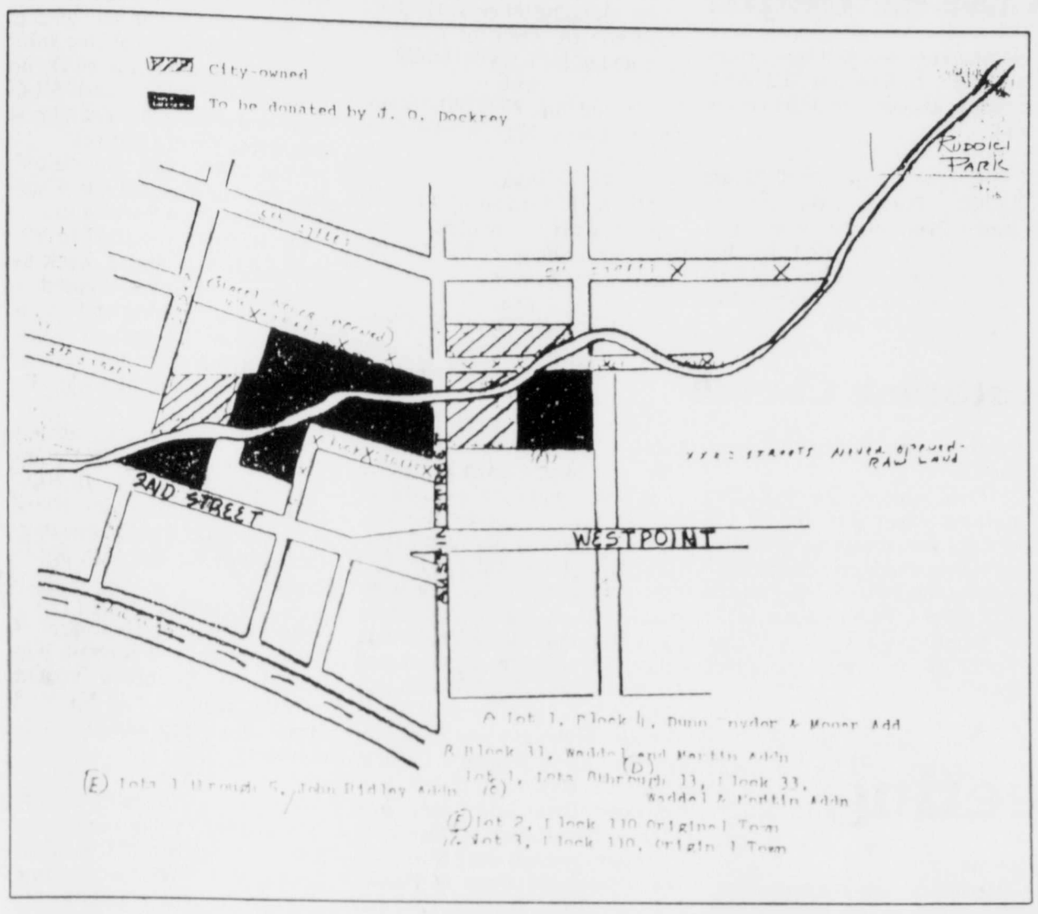

Perhaps the only two which need further explanation are Grandparents' Brag and the Freeze Off: An 8x10" photograph is required from each entrant in the "Grandparent's Brag" of their grandchildren for judging; the second department is really a contest to reveal who is the best homemade ice cream maker in Mitchell County.

Everyone will enjoy the freeze off as the ice cream will then be sold at the fair by the cup. The winner, of course, will enjoy his or her new electric ice cream freezer. If you plan to enter, bring your ice cream in a container you can leave on Thursday, Sept. 27 at 6:30 p.m.

"We still need workers in almost every department because several of our regular helpers are going on a trip with the church," Mrs. McCombs said. If you can help, get in touch with the Chamber office or with Fair officials Ray Ritchey and Mark Raschke.

September 24 is the official workday for the fair as booths will be set up and the fair barn decorated. Individual booths will be decorated September 26.

Jest Amusement will provide carnival rides to amuse the children while the fair is going on. There will be a gate charge of 50 cents per person and $2 per carload.

J. O. & BETTY DOCKREY presented the City with a gift deed for approximately 15 acres of land near Ruddick Park (see map above). Accepting the gift on behalf of the City are Mayor Elmer Martin and City Manager Brenda Tarter. Present Friday for the occasion were (left to right): Dee Hearn, Brenda Tarter, Mark Raschke, Elmer Martin, Betty Jo Dockrey, Horace Caldwell, J. O. Dockrey and Linda McCombs. Mayor Elmer Martin said it may take some time but the City will be making plans to develop the land.

Malcolm Brown, Director of Missions for the Sweetwater Mitchell-Scurry Baptist area will lead a "How to Witness" Seminar at First Baptist Church, Westbrook Sept. 16 and 17, beginning at 7 p.m. each night.

Jerry Summers, Director of the Baptist Student Union at Western Texas College in Snyder will lead a similar session for the youth during the seminar.

"This will be an excellent learning experience for all Christians who desire to be better witnesses and to gain security in sharing the love of Jesus Christ with others," the pastor said.

The public is invited to attend, especially members of sister churches.

Westbrook FHA holds first meeting

Tuesday, September 4, the Westbrook FHA held its first meeting of the '84-'85 school year. Gracie Fuentes, the president of the FHA called the meeting to order and told the members what the FHA would be doing this year. She welcomed the 8th graders to FHA this year.

Next to speak to the members was Elena Lopez, the treasurer, who spoke about the State Fair in Dallas. She told the members that they must pay their FHA dues in order to go with the group to Dallas.

Kellve Smith, the vice-president of Fund Raising, told of the trip she took over the summer to Dallas and Chicago. She said that a good idea for a fund raiser would be to get a booth at the County Fair. The members agreed to get the booth.

Stephany Pierce was asked to give her ideas on ways to improve our FHA. She gave some very good ideas to each member.

Evon Bradshaw, Vice-president of Programs, told of some ideas for programs for the upcoming meetings. She added that anyone with ideas can tell her or Mrs. Upton.

The winner of the door prize was Evon Bradshaw. She won a free subscription to the Co-ed magazine.

Gracie closed the meeting and the members enjoyed chips and dip, a cold drink, and homemade brownies.

Members present for the meeting were: Gracie Fuentes, Evon Bradshaw, Elena Lopez, Rebecca Kelly, Dede Campbell, Kellve Smith, Tammy Jaco, Stephany Pierce, Larna Moore, Gladys Roland, Elizabeth Burnett, Kate Walls, Jimmie Kelly, Ronda Kelly, Roberta Fiscus, Veronica Lopez, Jeannie Rogers, Wendy Snowden, Lisa Putman, Mikki Sullivan and Elizabth Wright.

ARIES (3-21/4-19) Resist the temptation to offer advice to a friend in a matrimonial situation, even if asked. Tell the friend it is between the two of them, and if help is needed, see a professional.

TAURUS (4-20/5-20) Indulge yourself in some small luxury such as lunch out with a friend, a new dress, or a night on the town. Break out of that old rut and your depression will disappear.

GEMINI (5-21/6-20) Don't fell guilty about your need for some time alone. Everyone should insist on some solitude. Just put the latch on the door, take the phone off the hook, and day dream.

CANCER (6-21/7-22) A visit home might not be possible right away, but a long, gossipy phone call shouldn't break the budget. Everyone feels homesick occasionally, and needs to make some contact.

LEO (7-23/8-22) Some long held plans fall through, but keep your spirits up. Re-schedule them for another time, and don't wallow in your present disappointment.

VIRGO (8-23/9-22) Someone you care for has recently suffered a cruel loss. Your patience and understanding is important so make time to lend it generously for a while.

LIBRA (9-23/10-22) Martyrs are not easy to live with, so drop the silent act and get back in the main stream. You aren't the first to be let down, and you won't be the last.

SCORPIO (10-23/11-21) Your own need for constant praise should make you sympathetic to a fellow Scorpio's longing for a pat on the back. Pull out all the stops, and drench the person with praise.

SAGITTARIUS (11-22/12-21) You are in for a pleasant surprise soon which will bring you much public attention. By all means enjoy basking in it, but don't let it go to your head.

CAPRICORN (12-22/1-19) A financial windfall is possible, and when it comes, invest it wisely. Spending sprees are not your style and would only leave you with a hangover.

AQUARIUS (1-20/2-18) Unlike your Capricorn neighbor, spending sprees are right up your alley, and only leave you feeling elated. However, it would be wise to have the money in hand before the splurge.

PISCES (2-19/3-20) A chance encounter could lead to a real romance. Take it slow and easy, giving you both time to grow, and lifelong happiness should result.

RULES — There are three parts to THE WORD CAGE. (1) clues and (2) quiz, which lead to (3) the final answer, the MYSTERY WORD. The clues and quiz are hidden in the grid — up, down, across, backward or diagonally. First circle the clue words (we've found the first word for you). You may find the same letter in more than one word, so circle each letter clearly. Next, circle the quiz words, the first letter and number of letters are given for each. When you have circled all the clue and quiz words, the remaining uncircled letters will spell out the answer to this week's WORD CAGE.

Color, an electromagnetic wave phenomenon, is a sensation produced through the excitation of the retina of the eye by rays of light. The colors of the spectrum may be produced by viewing a light beam refracted by passage through a prism, which breaks the light into component wave lenghts. Customarily the six primary colors of the spectrum are red, orange, yellow, green, blue and violet.

Silkworms feed on the leaves of the white mulberry. The worms will feed on leaves of other members of the mulberry family, but the quality of their silk is then poorer.

This 'n That

Prescription for life: Martin Koby, a pharmacist in Livonia, Mich., considers himself lucky. Koby had 80 cents in his pocket — three quarters and a nickel. The coins stopped a bullet during a holdup at his drugstore. Koby was being treated for a wound in his right hand at the hospital when he notice some pain in his left thigh. "They took my pants off and there were scratches on the thigh like three half-circles," he said. It was a mystery until Koby put his hand in this pocket and found a bullet and the bent coins. A real saving.

Undressing for the occasion: Mandia Gule appeared before a traditional tribal court in Mbabane, Swaziland. He was accused of stealing clothes from Walter Mdluli. When the victim pointed out to the court that Gule was wearing his shirt, trousers and boots, the judge ruled that they be returned at once, leaving Gule standing before the justice in his underclothes. He was sentenced to six months in jail or a $40 fine. What would he wear?

The sound of music: Jerry Hunt of San Francisco placed this ad in a newpaper after his parrot, Hay Fever, flew away: "PARROT. Yellow Naped Amazon. Lost 7-18 at Fisherman's Wharf. Sings San Francisco, Tiny Bubbles, How Much Is That Doggie in The Window? Anxious owner, please return. Reward." A few days later, he received a call on his message machine. "If you want your bird, you'd better come and get it because my parents are falling in love with it," the voice said. Dave Luaulu of San Bruno, Calif., said the bird climbed on his arm near Pier 45 and rode home with him. Hunt gave Luaulu a $150 reward, he was so happy to have Hay Fever back. That's nothing to sneeze at.

Watered beef: Stockbridge, Mass., pool owner Teresa Bauce couldn't believe her eyes when she looked out her window and saw a steer swimming in her pool. She telephoned police. The police tried using a rope, but couldn't get the animal out of the pool. A tow truck was summoned. Using a rope and a sling powered by the tow truck, police worked for more than an hour before finally lifting the animal out of the pool. As soon as the police had control of the steer, it escaped again. Bauce hopes it never comes back. Except on the grill.

NOTICE OF
RATE CHANGE REQUEST
AND
STATEMENT OF INTENT
Notice is hereby given that LONE WOLF ELECTRIC COOPERATIVE, INC. (the "Utility") intends to change rates for electric utility service effective September 25, 1984. The increase requested over test year revenues is $530,626 or 15.76%.
The amount reflected above includes an adjustment of $251,469 for the wholesale power cost increase experienced by the Cooperative during the test year, and net revenue increases of $1,536 as a result of other adjustments. The Cooperative is reviewing the power cost increase described above as a part of the power cost adjustment clause. This increase in wholesale power cost amounts to approximately 7.47% of test year operating revenue.
The changes are applicable to all areas and all customers served by the Utility. The classes and numbers of Utility customers affected are as follows:
Farm and Non-Farm, 1,173
Small Commercial, 1,458
Irrigation, 188
Large Power, 493
Cotton Gins, 2
Luminaires, 494
The Utility intends to change its service rules and regulations including rules relating to service fees.
Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located on the Robert Lee Highway, Colorado City, Texas. Its mailing address is Post Office Box 793, Colorado City, Texas 79512.
Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Humorist to speak at meeting

Country humorist Stan White will be the featured entertainment for the annual meeting of Lone Wolf Electric Cooperative Tuesday.

The membership meeting is slated to begin at 7 p.m. at the Co-opatorium and will include reports, the election of two directors and drawing for prizes.

The nominating committee, composed of Warren Anderson, Dwayne Harris, Anson Henderson, Linton Ray Webb, Jon Derouen, Al Miller and Wylie Oliver has made the following nominations for directors:

Area I - George Martin and Anastacio Alvarez.

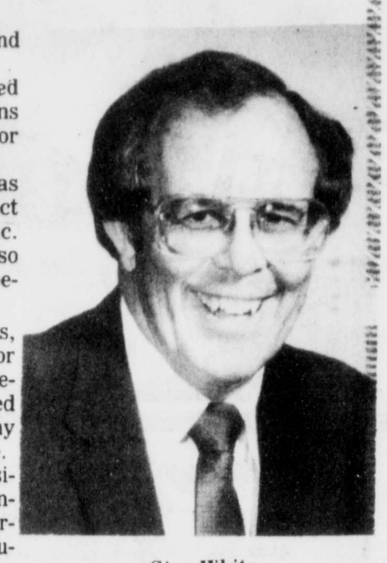

Area II - Robert Holman and Dwayne Harris.

One director is to be selected from each area. Nominations also may be made from the floor of the meeting.

White, who is a Central Texas rancher, also works as district manager for Chemical Ent. Inc. of Houston. He and his wife also own and operate White's Specialty Catering.

He has won numerous awards, including speaker of the year for agriculture in the southern region of United States sponsored by Ortho Chemical Company and Farm Chemical Magazine.

White served as state president of the Texas Young Farmers and is now national chairman of the Young Farmer Educational Institution.

Two girls vy for St. Ann's queen title

Christabel Molina, 14, daughter of Mr. and Mrs. Juan Molina, and Chris Ledesma, daughter of Mr. and Mrs. Manuel Ledesma are vying for queen of St. Ann's Catholic Church Fall Festival Sept. 22-23.

The annual festival will feature a variety of booths and activities.

Mexican dinners will be sold starting at noon on Saturday and raffles of $300, $100 and $100 will be drawn on Sunday at 10 p.m.

There will be cotton candy, snow cones, pop corn and fajitas sold during the two-day event scheduled to take place at the Mitchell County Ag Barn.

A coronation dance for the queen will be held Oct. 13 at 8 p.m. at the civic center.
