Steer, Lamb Show Will Be Held Saturday Afternoon

Collingsworth County Youth Livestock Show opens at 1:00 p.m. Saturday, January 15, when boys and girls show some of the top steers to be found in this part of the state.

For the first time in several years there will be a class of lambs.

The show will be held at the Livestock Show Barn on Amarillo Street between 7th and 8th Streets, Extension Agent Don Reeves announced.

Jake Leach and Wayne Martin are co-superintendents of this year's show.

The judge will be Dink Wilson, extension agent of Hardeman County, Quanah, Mr. Reeves announced.

Rodney Myrick, Wellington vocational agriculture teacher, is handling the lamb show.

A grand champion and reserve champion steer will be named, and there will be a grand champion lamb. Ribbons will be given from first through eighth places, accord-

ing to Billy Moseley, president of City State Bank, donor of these awards.

"The quality of steers our boys and girls show in

Wellington Saturday will be as tough as it has ever been," Mr. Reeves declared. "You won't know these steers from September.

Competition is much tougher when you leave here than it was 10 years ago, and our boys and girls are going to be right

Nominations Open for Outstanding Citizen

Nominations for Collingsworth County's Outstanding Citizen of the Year are now open under a program sponsored by the Chamber of Commerce for the second year.

A community will choose the outstanding citizen from the nominations, and the selection will be announced at the annual chamber banquet.

February 1 is the deadline or submitting a name.

Henry Wells, president, announced the procedure:

Anyone may make a nomination, and the general public is urged to submit names of persons they believe are worthy of the honor.

Nominations should be brought or mailed to the Selections Committee, Chamber of Commerce, P.O. Box 267, Wellington, Texas 79095.

Information that should be submitted about the person

nominated includes:

1. Name
2. Length of residence in the county.
3. The things the individual has done for the benefit of Collingsworth County.
4. Name the organizations to which the nominee belongs, the offices held, how much he or she participates in civic, social, religious and youth activities.
5. Other pertinent information to determine the value of this citizen to the community.

The three-member selection committee will make their choice by these rules:

1. The recipient must have lived in Collingsworth County at least five years.
2. The recipient shall have actively participated in two or more of the following activities: civic, social, religious or youth.
3. No director of the Chamber shall be eligible during the years of service on the board.
4. No previous recipient shall be eligible for the award.
5. An elected or public official shall be eligible, but under no condition shall his or her activities which have any connection with the usual duties of office be considered by the selection committee. Only activities which are entirely beyond the usual duties of office shall be considered. However, his or her participation as a member of an elected or appointed civic board, such as school board or hospital board, may be considered as civic participation.
6. All other regulations beyond those stated here shall be left to the discretion of the selection committee.

Ward Jones Associate at Church-Christ

Ward Jones, a staff member of Westview Boys Home, recently became associate minister of the Church of Christ, Tom Anderson, minister, has announced.

Included as part of his work will be teaching youth classes and directing singing for the congregation.

Mr. Jones will continue to work at Westview, where he directs the print shop 5 days each week, and he and his wife will be substitute house parents.

Mr. and Mrs. Jones and their two children are living at the parsonage at 1204 Childress Street.

A full time minister for six years, Mr. Jones came to Westview September 1, from Dublin, Georgia. Prior to serving that church, he was minister of churches at Chester, S.C. and Abbeville, Ala.

MRS. E.K. JONES

Mrs. E.K. Jones Will Speak at First Methodist Church Sun.

Mrs. E.K. Jones, wife of a prominent retired Amarillo physician and a former Wellington resident, will share her Christian experience with people of this area Sunday, January 16, at 3:00 p.m. in the Sanctuary of First United Methodist Church. Her talk is sponsored by the United Methodist Women.

The title of her talk is "A Spiritual Journey" and deals with her personal relationship with Jesus Christ.

Mrs. Jones is an active member of the Polk Street United Methodist Church of Amarillo, presently serving as chairman of Christian-personhood of the United Methodist Women.

The weekend of January 9, Mrs. Jones was in Atlanta, Georgia, as a member of the Women's Task Force of Good News, which is a forum for spiritual Christianity within the United Methodist Church. The public is invited to hear

Mrs. Jones and visit with her and Dr. Jones afterwards at the tea to be held in their honor in Fellowship Hall.

Mrs. Jones will be remembered as the former Margin Ann Lyle of Shamrock. She and Dr. Elmer Knox Jones of Wellington were married in June 1940. She is the granddaughter of Collings-

worth pioneers, Mr. and Mrs. Sam Norwood.

Dr. and Mrs. Jones, with their family, lived here for a number of years before moving to Amarillo in the mid-1950s.

They have a daughter, Mrs. Sam Burford of Dallas and three granddaughters. Their son was the late Dan Jones.

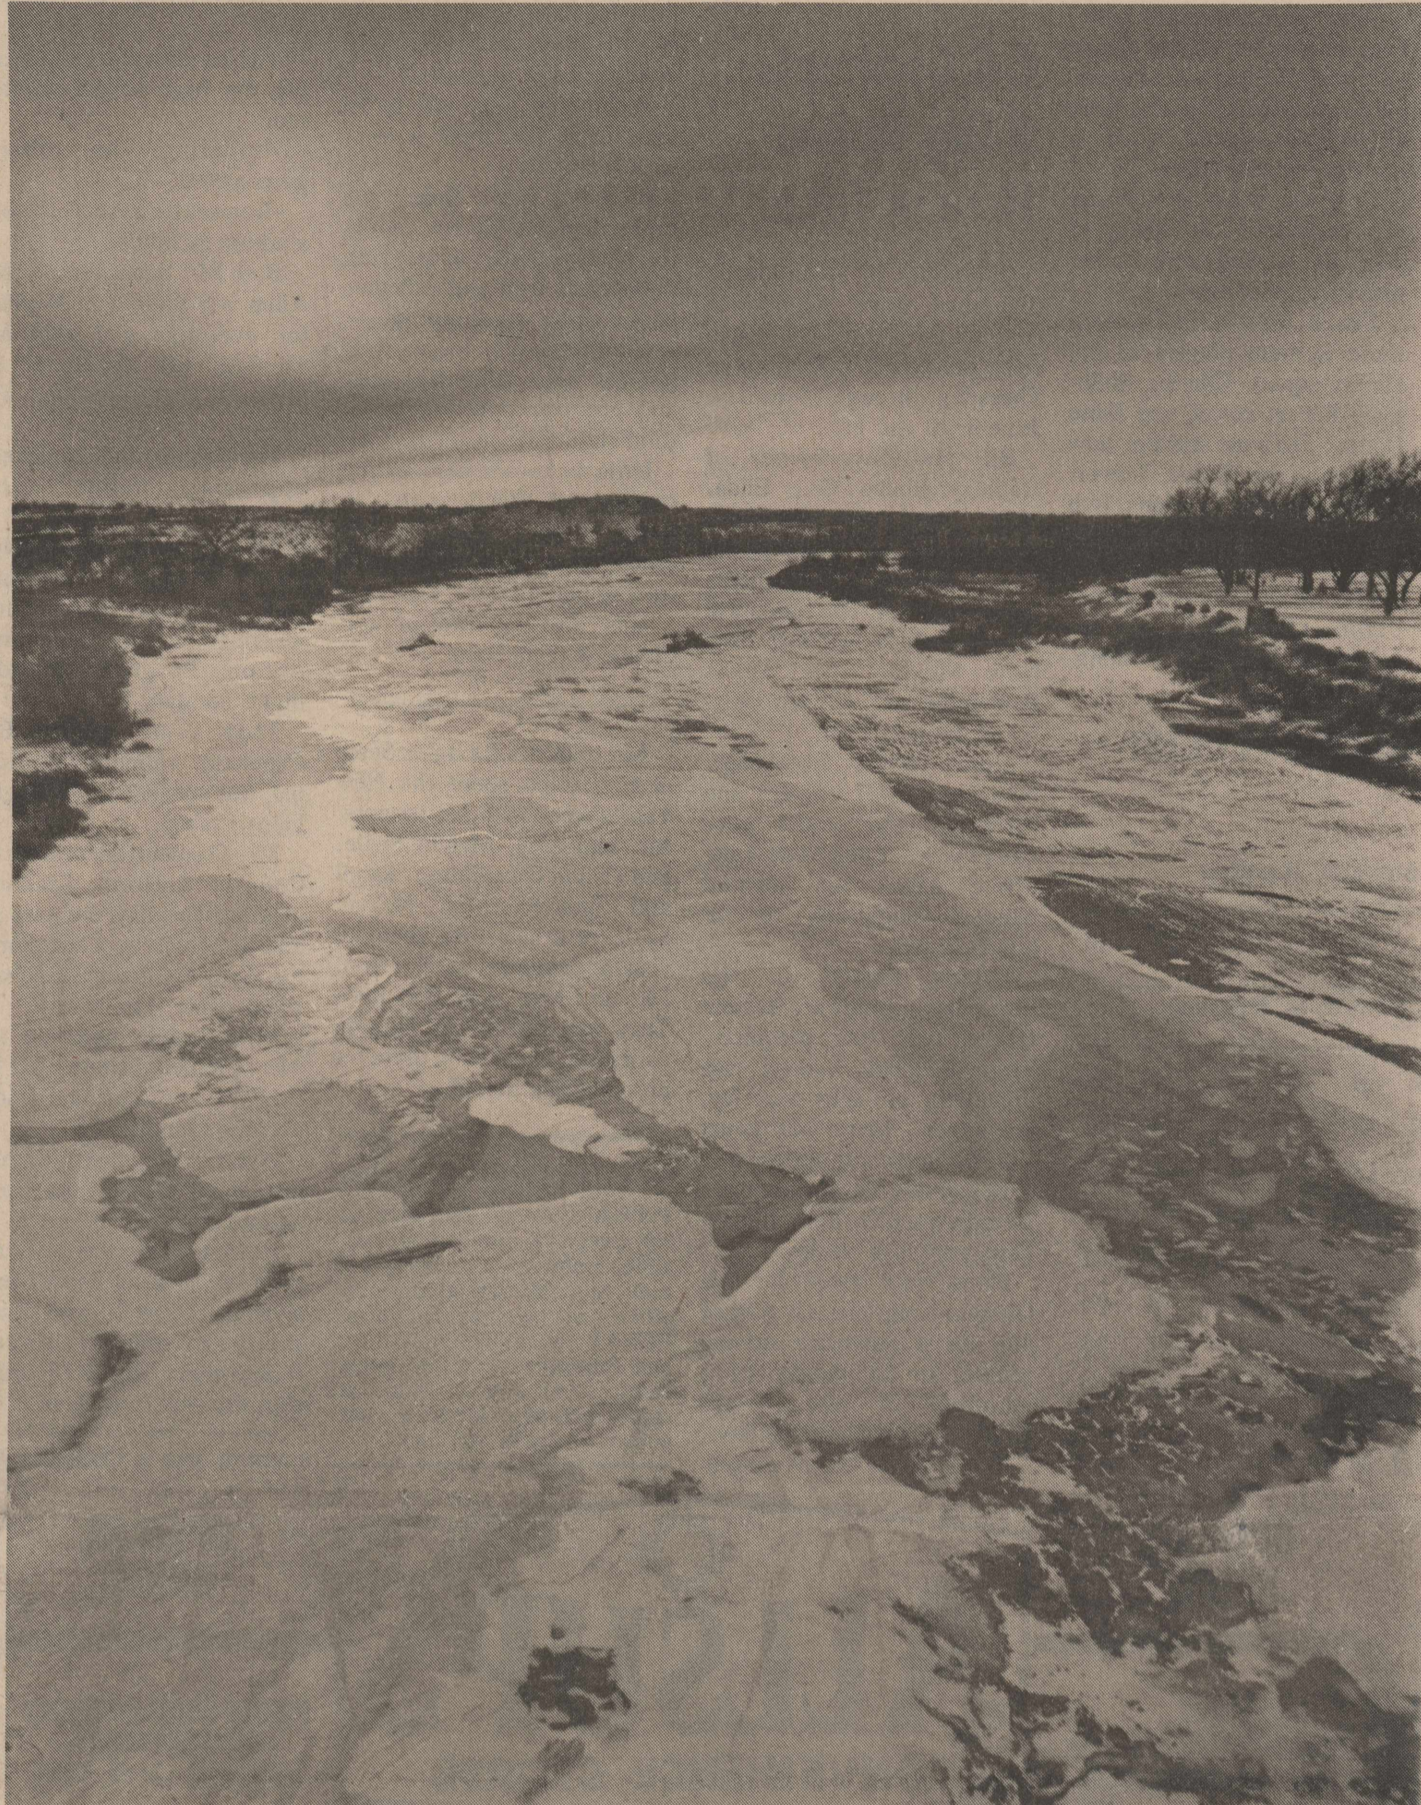

Two Murder Cases Slated Next Week

Two murder cases are set for trial when 100th District Court convenes Monday, January 17. Judge Robert Montgomery will preside.

The trial of Charles Coffee, who was indicted for the murder of Wayne (Jackrabbit) Mills is set for Tuesday, January 18.

The second case is that of the State vs. Beatrice Archie, who was indicted for the murder of Tol Kilgore, Jr. This is set for Thursday, January 20.

Presiding Judge Robert Montgomery is also due to hear several civil cases during the week.

Mrs. Raymond Ford Heart Leader

Mrs. Raymond Ford has been appointed chairman of the 1977 heart drive in Collingsworth County, it was announced this week by Mrs. Betty Musick of Amarillo, senior regional director of the American Heart Association.

Mrs. Ford will coordinate county volunteers in the February drive as they prepare to distribute heart-saving materials and collect money to pay for the county's part in the Heart Association's research, education and community programs.

"When one realizes that over half of all American deaths of all causes are the result of diseases of the heart and blood vessels, we can understand why heart disease is America's Number One Killer," said Mrs. Ford.

"Heart disease killed over a million Americans last year and affected 29 million more in one way or another."

Work is underway to appoint key committee chairmen who will serve during the February 1977 Heart Campaign, and the announcement of all appointments will be made next week.

In the meantime, Mrs. Ford is issuing a call for additional volunteers who want to fight for lives free of cardiovascular disease. In addition to collecting much-needed money for research, education and community service program, the volunteers will pass out information that can save

lives. This information deals with recognition of warning signals of heart attack and stroke and emergency action.

Anyone wishing to volunteer to assist with this year's campaign may call Mrs. James Sullivan who is helping to co-ordinate plans, Mrs. Ford said.

Information Meetings on New Elementary School to Be Thursday

Two meetings will be held Thursday, January 13, to inform the public of the needs and plans relating to the proposed new Wellington

Elementary School. To finance this, a \$540,000 bond election has been set for Saturday, February 5.

First of the Thursday meetings will be at the Parent-Teacher Organization at 2:30 p.m. in the Elementary School.

A general meeting will be at 7:00 p.m. in the high school auditorium, which all persons interested in the school are urged to attend.

Supt. E.W. Clement also announced that absentee voting will begin Monday, January 17, and end Wednesday, February 2. Votes may be cast in the school tax office at the high school.

The format of both Thursday meetings will be the same.

Mr. Clement and V.K. Orr, president of the Wellington school board will discuss the need for the facilities. Other

trustees will be present.

Thomas N. Brown, A.I.A., of Ft. Worth, project architect, will show drawings of the proposed elementary building. He will explain in detail the remodeling of the east wing of the old building and cafeteria and how they will be refaced to match identically the new building.

Mr. Brown will tell why the west wing of the school will be torn down because the cost of remodeling that part would be almost as high as new construction.

George B. Buescher, Jr., of George B. Buescher & Co., Inc., municipal financial consultant of Abilene, will explain the financing of the proposed project through the bond issue.

He will present figures and explanations to show why the increase in taxes which the individual property owners

pay is going to be much less than is generally believed possible.

The speakers will discuss such points as rising construc-

Bruce Hite, 76 Dies Early Wednesday

Bruce Hite, for many years constable of Precinct 1, died unexpectedly at 4:15 a.m. Wednesday, January 12, at his home, 1613 East Avenue. He was 76 years of age.

Arrangements are pending with Kelso Funeral Home. Surviving Mr. Hite are his wife; and three sons, Walter Bruce Hite and Billy Joe Hite of Amarillo, and Guthrie Lee Hite of Chandler, Oklahoma.

Garry Bowen Night Will Be Held Friday

Garry Bowen Night will be Friday, January 14, as Wellington and Memphis basketball teams meet in Rocket Gym.

The WHS student council and Future Homemakers chapter are giving the proceeds from the concession stand they operate jointly to the Garry Bowen fund.

"There will be some new and extra concessions we have not had in the past," said Mrs. Bob McAlister, "and

Rocket fans may want to come and eat their supper." FHA members are due to prepare additional sandwiches and possibly brownies. The student council has secured a new dispenser which has hot soup and hot chocolate. All foods offered in the past will also be available.

Mr. Bowen, high school band director, is hospitalized in Amarillo and the Garry Bowen Fund has been started to help with his expenses.

in there with the best of them."

The show is limited this year to 18 top quality steers, exhibited by 12 boys and girls.

The exotic crosses will be prominent in this show. A Limousin, a French breed, was exhibited in the County Fair Livestock Show.

He will be back, and additionally there will be Maine Anjous, also originally from France. Simmental, of Swiss origin, and a Chianina, an Italian breed less well known here. The Charolais, also considered an exotic, will be there.

Among the British breeds, there will be Herefords and Polled Herefords and Angus, both purebred and crosses.

It is the first show on winter circuit for some of these animals and their young owners. Part of the steers and the lambs are due to go to Amarillo Tuesday, January 18. Several calves will be in the Ft. Worth Livestock Show later this month and at the Houston Livestock Show in February.

Exhibitors and their steers will include:

Kirk Patterson, son of Mr. and Mrs. Earl Patterson, a Limousin and a Polled Hereford.

Kathy Patterson, daughter of the Earl Pattersons, a Hereford.

Barry Long, son of Mr. and Mrs. Benson Long, Angus.

Darvin Nix, son of Mr. and Mrs. Jerry Nix, a Limousin-Charolais-Hereford cross.

Mark Fourmentin, son of Mr. and Mrs. Richard Fourmentin, two Angus and a Limousin.

Paul Estes, son of Dr. and Mrs. Bill Estes, a Hereford.

David Baumgardner, son of Mr. and Mrs. David Baumgardner, a Maine Anjou and a Hereford.

Joe Baumgardner, son of the David Baumgardners, a Hereford.

Stan Tate, son of Mr. and Mrs. Rudie Tate, a Hereford and a Simmental.

Lynn Tate, son of the Rudie Tates, a Maine Anjou, a Limousin and a Polled Hereford.

Stacy Scott, daughter of Mr. and Mrs. Harold Scott, an Angus-Hereford Cross.

Harold Scott, son of the Harold Scotts, a Chianina Cross.

The public is urged to come out and support these boys and girls in their work to promote livestock in Collings-

CITY STATE BANK

One of the best things about certificates of deposit (CDs) ... other than high interest ... is their safety. CDs, like regular bank deposits, are insured by the Federal Deposit Insurance Corporation (FDIC).

More importantly, as far as safety is concerned, is the lack of risk. There are no uncertainties when money is invested in a bank CD. Almost every other way for an investor to get into a money market involves some risk. CDs have none.

Also, so-called mutual funds even with the most conservative investments have some sort of transaction costs involved. With bank CDs there are no added charges. And in an emergency, when it might take several days to liquidate some funds, CD money is available on demand at the bank, subject to penalty for withdrawal before the maturity date of the CD.

Therefore, for the investor who wants to make certain he won't lose money, a bank certificate of deposit may be the ideal answer.

Seven Injured In Accident at Hollis Y Intersection

Seven persons, including a family moving from Houston to Altus, Okla., were injured in a one-car accident one-fourth mile south of the Highway US 83-62 intersection at the Hollis Y Wednesday, January 5, shortly after 3:00 p.m.

A mechanical failure on the small 1977 station wagon, only three weeks old, was blamed by officers for the accident. The injured were identified by Bob Watson, president of the Volunteer Ambulance Service as Mrs. Barbara Ann Logan, 24, who received back injuries, and her sons, Aulria Allen, 6, who had a broken foot, and Edwin Allen, two, who had head injuries. They were in the process of moving to their new home at Altus.

Helping her move was a friend, Mrs. Myrtle Campbell, 37, who suffered a possible broken arm, multiple small injuries, and complained of injury to her neck.

Also injured were her three children, Tony, 14, who had a broken clavicle, Tammy Diane, 13, who suffered internal injuries and was regarded as the most seriously injured, and Andrea Marlene, 7, who complained of foot injuries.

The injured were brought to Collingsworth General Hospital by Volunteer Ambulance service, and were held here until their conditions were stabilized. They were then taken to Altus Air Force Base Hospital by the ambulance service.

worth County.

The five Wellington Future Farmers who are expected to exhibit lambs here Saturday and also in Amarillo include: Gary Isaacs, John Birkey, Harold McKinney, Jacen Jeffrey, and Joe Ed White.

Their breeds will include Ramboulet, a fine wool breed of French origin; Suffolk, a medium wool sheep of English origin, and Ramboulet-Suffolk crosses.

Rockets-JV Lose to Strong Childress Boys

Wellington Skyrockets dropped a non-conference game to a strong Childress team 50-40 on the Bobcats court, Tuesday, January 4.

The second game of the twin-bill saw Childress JV team win over the Rocket B 45-20.

Wellington won the first game this season with the Bobcats. However, Childress was still in football playoffs, and their team was made up of several junior varsity players. This time, both Bobcat and their JV were at full strength.

Wellington, on the other hand, has lost three starters from the varsity, and the JV was weakened when three of its players were moved up.

The Bobcats were ahead 10-8 at the first period, 26-17 at halftime, and only 34-29 at the third. Jon Sessions scored 12 points, Shane Tarver 11, Bob Cummings 10, Tony Martinez 5 and Carl Taylor two.

Childress' Gary Shelton made 15, Randy Moren 10, Ricky Collingsworth 8, Jimmy Dean and Nippy Nippert 7 each and Chuck Weaver three.

The Bobcat JV is sparked by a 6'-3" junior who recently moved to Childress, and who is of varsity capability but ineligible this year. "He tore us up," commented JV coach Ronnie Glenn.

Robert Powell was high point man for Wellington with 6, Baldo Neveraz, James Thomas, Lyn Hurst, and Clay Don Lacy had two each, and Kevin Hall and Marty Warrick one each.

Brent Stone scored 12 for Childress; Wayne Davis and Marty Morey 6 each; Jeff Bradley 5, David West and Tod Bradley 4 each and Jay Morris two.

Rockets Meet Top-Ranked Memphis Cyclone Here Friday

Memphis Cyclones, now the strongest team in District 2-A, comes to Rocket Gym Friday, January 14, then on Tuesday, January 18, Wellington teams travel to Claude.

The meeting with Memphis will be a triple header, Varsity boys and girls and B team boys.

With three Skyrocket starters and another varsity player becoming ineligible for further play this year, Coach Robert Hicks was faced with a mid-season rebuilding.

Up to that point, Wellington was considered as likely to take its second consecutive district championship.

Coach Hicks has moved three B team players to the varsity squad, Charles McIntosh, Robert Powell and Dane Dodge. Definite starters now appear to be Shane Tarver, Carl Taylor, Jon Sessions, Bob Cummings and Tony Martinez.

The Memphis Cyclones, before Christmas, was regarded as second to Wellington.

ton. That was the way they finished the season last year.

Now Memphis is probably the strongest team in 2-A and slated to win district, according to Coach Hicks.

Coach Bill Montgomery's boys have some height and quickness and they are good

shooters, Hicks adds.

There are some pluses for the Skyrockets.

"Our kids are working good together and they will win some games before the season is over," declared Coach Hicks.

"They are improving with each game. They are giving a little bit more than most kids would give and they are determined to improve."

Wellington girls will be in top shape for their contest with Memphis.

B team boys, their own ranks depleted by the moves to varsity, are acquitting themselves well and will give fans a game worth seeing.

Claude boys have four starters back from last year and are considered a good, solid club.

Little is known here of the strength of Claude girls, as most of their games this season have been with teams west of here.

This also is true of the Claude B team boys.

C-C Contracts 3-Day Rodeo Here in June

Chamber of Commerce directors have signed a contract for a three-day rodeo to be presented in Wellington Thursday through Saturday, June 9, 10 and 11.

Bill Halliday, owner of Halliday Rodeo Co., Elida, N.M., met with directors Monday evening, January 10, to work out final arrangements on the contract. The rodeo will attract both contestants from New Mexico, the Texas Panhandle and western Oklahoma, he predicted.

Henry Wells, president, announced 1977 officers and directors after votes were canvassed. They will take office after the annual banquet, tentatively set for late February.

Lyman Daniel is the incoming president, Robert Owens first vice president, Virginia Robey, second vice president, and Billy Moseley, treasurer. Mrs. Margaret Vines is secretary-manager.

Newly elected directors are Dorothy McGill, Bobo Castleberry and Jack Neeley.

Plans were made for the Outstanding Citizen Award and for a defensive driving course, to be taught by a member of the Texas Department of Public Safety. The date will be announced.

tion costs, and what could be expected if the building program is delayed; crowded conditions in elementary school; and the favorable bond market presently existing for Texas bond issues.

The proposed project covered by the bond issue would include:

-The new section of the elementary building.

-Complete remodeling of the East Wing.

-Remodeling the cafeteria.

-Air conditioning and heating the high school auditorium.

-Updating the present gymnasium.

-Renovating the athletic stadium facilities.

Both Mr. Beuscher and Mr. Allen will remain in Wellington overnight and with Mr. Clement will speak at the Kiwanis Club luncheon Friday.

The school administration is appearing before other groups.

Mr. Clement and Melvin Cardwell, high school principal, spoke at the annual meeting of the Community Action Program Monday night, January 10.

That same night, Bob Copeland, elementary principal, was speaker at Wellington Lions Club.

Mr. Clement addressed the County Retired Teachers meeting Tuesday, January 11, and there will be a speaker at the Senior Citizens luncheon Wednesday, January 19.

Mrs. Melvin Cardwell and Mr. Clement spoke at the B&PW Club meeting Tuesday evening, January 11.

A public forum will be held in Dodson, with the date to be announced.

Before the day of the election, some of us will have spoken before almost every group in the Wellington Independent School District," said the superintendent.

Congratulations on Your Livestock Show!

We are especially interested in this group of young beef steers that will go on to the major shows. We furnished part of the feed that has helped them develop into the fine animals they are—worthy representatives of the cattle industry of Collingsworth.

We congratulate the spirited 4-H Club boys who are their owners and the organization that is training them in an industry that has a bright future in this part of Texas.

Emergencies Get First Call, Officers Remind

Area residents are asked not to be so quick to get to fires and wrecks, and CB owners are also asked to give a clear channel when it is needed for emergency use, Chief Deputy Richard Keller said this week.

Glen W. Webster of Wichita Falls, truck driver who was the first to reach an accident 13 miles south of Wellington Wednesday, January 5, told officers he tried to get a clear channel and persons talking would not relinquish it until he used strong language to get his point across, Deputy Keller said.

Work of firemen and ambulance attendants has been hindered by people racing to the scene, it was explained.

Andrew Hardin Dies January 4

Andrew E. (Bob) Hardin, 74, died Tuesday, January 4, in Canadian.

A retired Santa Fe Railroad agent, he was the son-in-law of Mr. and Mrs. Frank C. Fuson, Sr., and had visited here many times.

Services were conducted at First United Methodist Church with the Rev. James Holam,

pastor, officiating. Burial was in Canadian Cemetery.

Mr. Hardin was born in Miami and had lived in Canadian many years.

Survivors include his widow, Mrs. Irene Hardin; one daughter, Mrs. Janice Kendall of Flagler, Colorado, and four grandchildren.

Tax Relief Group Seeks Members

Texas for Equitable Taxation, (TET) a state-wide organization seeking relief from high property taxation, will launch its Collingsworth County membership drive this week, according to Rudie Tate of Abra, a member of the state board.

John Robert Henard of Wellington and Doug Coleman of Dozier were named county coordinators. They are to be the voice of the county to TET and they will also direct the membership drive.

Contact will be on a person to person basis, said Mr. Tate. This will give ample opportunity for prospective members to get in-depth information on the 16-months old organization which has as a prime objective securing reduction of property taxes on the local level and at the same time coming up with adequate school district funding.

Both individual and institutional members will be sought. The dues for individual members are \$10 per year and for institutions \$200.

Mr. and Mrs. Tate and Mr. and Mrs. Coleman attended the second annual meeting of TET held January 4 in Austin.

"The impact of TET is being felt," said Mr. Tate. "Most legislators present at the annual meeting commented on TET's importance, because this is the first organization that has gotten the tax payers and school administrators together in one group to try

and come up with some ideas and methods of financing local schools and at the same time relieve the burden of the property tax payer."

Mr. Tate pointed out that total property tax revenues in Texas for 1975 was approximately \$2.4 billion, with about \$1.4 billion of this being used to finance local school districts.

Since these local school districts of Texas use over 50 percent of the total property tax revenue of the state, this is the real reason for tax payers and school administrators getting together in one group.

Mr. Tate said that among the resolutions passed asks that the joint rules of the Texas Legislature be amended so that public school finance

ills will be taken up during the first 80 days of any regular session instead of at the last. State Senator Kent Nance, one of the TET speakers, will introduce this in the Senate.

Other resolution ask that: -the Legislature be required to make cost estimates on any bill that would have an impact on local taxes.

-Productivity values for agricultural land should be used as both index and assessment factors for public school finance purposes. "If we get land assessed on market value we will be in terrible shape compared to industry valuations," Mr. Tate pointed out.

"On the governor's market schedule, industry had self valuation. Landowner assessments were made by people

who came into the school districts from the outside."

-That property tax laws be codified, but that the state should not be granted new authority in property taxation. This rejects the idea of a state commission overseeing the setting of land valuations for tax purposes.

-That Texas state agencies should be reviewed periodically and wasteful agencies and boards should be eliminated. (This is the Sunseed Law).

-That the state sales tax be increased one cent in order to fund the State's Foundation School Program and that local ad valorem taxes be reduced to relieve the burden of the property tax payer.

Quail Girls Take Win Over Lakeview

Quail girls defeated their Lakeview opponents 49-45 on the Lakeview court Tuesday evening, January 4, while the Quail boys dropped their game by one point, 37-36.

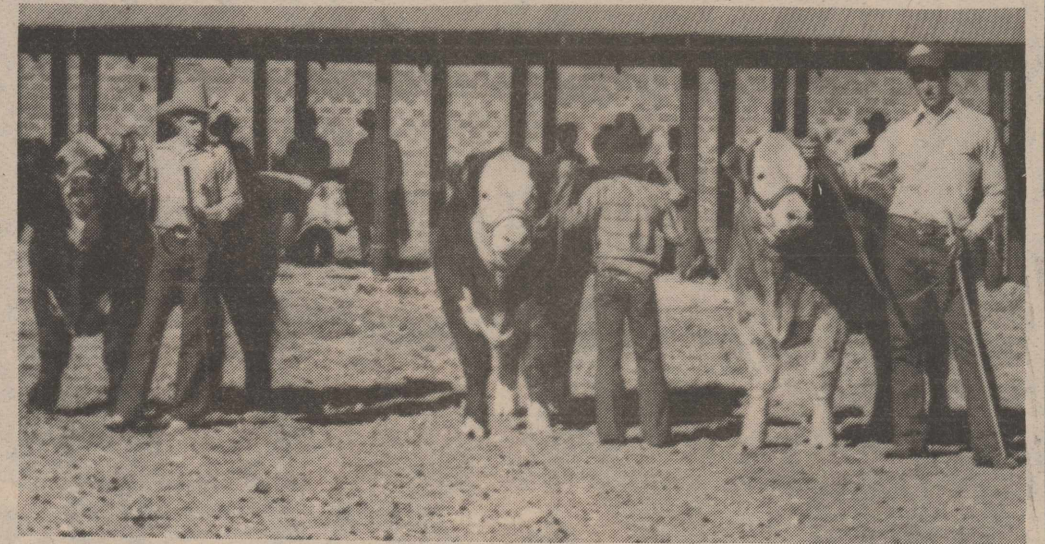

The Bobwhites were behind one point at the first quarter and again at the half, 0-8 and 22-21 but they scored 13 points in the third period while holding Lakeview to 6 and end the quarter 34-28.

This was the crucial period, for in the final period, Lakeview scored 17 points to Quail's 15.

Melissa Guthrie led Quail scoring with 28 points, while Kim Tate had 24 for Lakeview.

Quail boys trailed 12-6 at the first period, but they had a good second quarter and were ahead 20-19 at the halftime. They dropped behind in the third period and were 34-30 as they went in the final quarter. During that period, however, they scored six points and held Lakeview to three.

David Russell of Quail and Kelly Clark of Lakeview each scored 13 points.

Welcome to the Steer Show Saturday Jan. 15 - 1 p.m.

AWARD RECIPIENTS

These four received awards at the annual meeting of the Collingsworth Volunteer Ambulance Service Saturday, January 8. Mrs. Dee Burba, left, was recognized as the first member injured during an ambulance run; Mrs. Tom Anderson, the Volunteer's Volunteer Award; Bob Watson, president, for Service Rendered, and Johnny Brown, a light-hearted award for being the victim of a certification mix-up in the state office of the Texas Department of Health Resources.

Ambulance Service Has Awards, Reviews Year

If Collingsworth Volunteer Ambulance Service were tax supported, cost of around-the-clock service such as it has now would amount to \$51,393.40.

But because it is a volunteer service, it did not cost taxpayers one cent.

Instead, its members put 15,132 volunteer hours into the service during 1976, including ambulance runs and assigned stand-by time.

These were but two of the facts brought out in the annual meeting Saturday evening, January 8.

Five awards were presented during the meeting.

Bob Watson, president, received the award for service rendered. He has headed the service during most of the 5 years of its operation.

Mrs. Tom Anderson, a member only a year, received the Volunteer's Award, not only for handling her own assignments, but for volunteering to substitute for others many times.

Mrs. Dee Burba was recognized as the first member to be injured during an ambulance run. Saying nothing of her own injury, she continued caring for her patient.

Virginia Robey, news editor of The Wellington Leader, was recognized for outstanding news coverage during 1976.

All these received plaques. The fifth award was given in a light-hearted manner to one of the service's most dedicated members, Johnny Brown, who appears to be the victim of a computer when he sought to renew his state certification. He received a hard hat with emergency light.

During the business session, four directors were re-elected: Mr. Watson, Tom Anderson, Mrs. Hubert Bowen and Mrs. Loyd Vines.

Later in the directors meeting, Mr. Watson was re-elected president, Marshall Peters vice president, and Mrs. Vines secretary.

On display for the first time was teaching equipment to be used in courses offered here. This was secured only recently through Panhandle Regional Planning Commission and more will be obtained.

The service has two certified instructors for Emergency Care Attendant and Emergency Medical Technician courses, Marshall Peters and Tom Anderson.

Mr. Anderson announced that an ECA course will be

offered, probably beginning February 1, and those interested in taking it to obtain state certification should contact him or Mr. Peters.

In reviewing the year's operations, Mr. Watson said there were 247 ambulance calls during 1976. Thirty of the 37 volunteers were involved in runs. (Two or more volunteers make each run).

Fourteen made 10 or more runs, with King Bowen having made 114. Others were Watson, 64, Anderson, 38, Deputy Sheriff Richard Keller, 34, Mrs. Bowen, 30, Tanya Watson, 24, Mrs. Tom Anderson, 22, Mr. Peters, 21, Sheriff John Rainey, 17, Deputy Sheriff J.R. Nelson, 14, John Birkey and Billy Moseley, 12, Gary Thomas, 11, and Tom Wilkins, 10.

Others were Deputy Sheriff Jerry Settle, 9, Deputy Sheriff Steve Vines and Ralph Owens, 8, Mrs. Burba, 7, David Peters and Jim Sikes 6, David Null and Johnny Brown 5, Charles Floyd, Joe Montgomery and Mrs. David Peters four, Jack Campbell and Dennis Cudd three, Mrs. Ernest Harwell, Leon Martin and Mrs. Bob Watson two. Mrs. Marshall Peters, not a member, made one.

Fire Destroys Station Wagon

Fire destroyed a 1970 station wagon owned and driven by Dough Johnson Wednesday, January 5, according to Deputy Sheriff Richard Keller.

Johnson told officers and firemen the vehicle backfired and then he smelled smoke. He was unable to raise the hood. Firemen, forcing it up, put out the blaze.

The vehicle is considered a total loss, according to Deputy Keller.

Mr. Johnson lives east of Lutie in the Roundup community.

Tax Form Due From Farmers

Farmers who have not filed their 1976 declaration of estimated Federal income tax must file and pay that tax by Monday, January 17. The sole exception to this rule is if they file their income tax return and pay the total tax due by March 1, the Internal Revenue Service said today.

Farmers are defined as those persons who earned at least two-thirds of their 1976 gross income from farming.

IRS Publications 225, "Farmer's Tax Guide," and 505, "Tax Withholding and Declaration of Estimated Tax," provide additional information and are available free at local IRS offices.

FOR NEWS COVERAGE

A plaque for Outstanding News Coverage of the Collingsworth Ambulance Service is presented to Virginia Robey, news editor of The Wellington Leader by Bob Watson, president.

Quail Takes Doubleheader Over Estelline Friday Night

Quail boys and girls put everything together Friday night, Jan. 7, and won a double header over Estelline. The Quails victory was a substantial 67-52. The Bobwhites won by a 17 point margin, 76-59.

This game was a coaching duel as well for the brothers Wilson-Bill of Quail and Gano of Estelline.

The Quails took a first period lead 16-8 and by the half they were ahead 38-24. The third period was a different story, for Estelline outscored Quail 16 points to 8. It was not enough and the quarter ended 46-40 Quail.

In the final period, Quail came back on a scoring spurge, putting 21 points on the board and holding Estelline to 12.

Julian Torrez New Deputy

Julian Torrez has been hired as a deputy in the Sheriff's Department, according to an announcement by Sheriff John Rainey late last week.

He replaces Gary Thomas, who has resigned from the department, the sheriff said, and is the first Mexican-American to hold a deputy's post in Collingsworth County.

Although this is his first work in law enforcement, Deputy Torrez, 24, has completed most of the work for an associate degree in law enforcement from Clarendon College, with additional work at Amarillo College.

The son of Mr. and Mrs. Julian Torrez, Sr., he attended Samnorwood Grade School and was graduated from Quail High School.

He now lived in Wellington, and before joining the sheriff's department, he was employed by Robert Owens Salvage Co.

Torrez is married to the former Jeannie Rogers, daughter of Mr. and Mrs. Steve Rogers of Clarendon.

While attending CJC, he was active in the Sportsman's Club.

Norwood Has Duo From Lakeview

Samnorwood teams won a double header over Lakeview Friday, January 7, with the girls taking their game by the skin of their teeth, 58-57, and the boys winning by a runaway, 59-24.

The Eaglettes led 18-10 at the first period and 30-35 at the half and 50-39 at the end of the third quarter.

Then three Norwood girls fouled out of the game and the remainder was played with only four.

With six seconds on the clock and Norwood trailing by one point, Kim Peebles shot a one and one and hit both.

Norwood Eagles had an 8-2 lead at the first quarter, 19-6 at the half and 40-19 at the third.

During the first half, the

Eagles played good defense but weren't hitting the basket. In the second half they put it all together and scored 40 points and giving up only 18. "Overall, I was pleased with the way we played," said Coach Dale Morris.

Clinton Oldham scored 16 points. Lowry Schaub 14, Richard Lee, 12, Clifford Oldham 7, Gary Skinner four, Robert Cruz and Randy Breeding two each, Mike Bentley one.

Greg Clark was high point man for Lakeview with 11.

Of total Texas gas production, 80 percent (or four-fifths) came from 26,193 gas wells; about 20 percent (or one-fifth) from 159,663 oil wells (casinghead gas).

We had an enjoyable week of crafts, games and activities. We thought the snow was pretty, but it caused us to have a quiet week-end.

Mrs. Lela Haralson has returned from the hospital. Mrs. Edna Bourland is in the local hospital. Mrs. Mabel Graham was last week game winner.

We are enjoying the Wednesday afternoon Bible studies and the Sunday worship services conducted by the Fundamental pastor, Rev. Wayne Pulliam and members.

We all enjoyed Mrs. Jack Davis and her granddaughter, Valerie Thomas leading us in a "Sing Along" on Thursday afternoon.

Several of our residents look forward to Thursday afternoon when Mrs. Jewel Donnell reads the Wellington Leader in room 10B. We are grateful for this special service she gives. Mrs. Drury Lacy and

Tom Wilkins came on Friday evening and sang. We look forward to this time each week.

Our visitors:

Visiting Miss Virda Raburn were Mr. and Mrs. O.B. Raburn, Jr., from Andrews, Roy Brinson and son, Burt from Fritch.

Curtis Tunnell from Turkey visited his sister in law, Mrs. Jonnie Franz.

Visiting Mrs. Sallie Lancaster were her daughter, Mr. and Mrs. I.N. Sears, her son, J.C. Lancaster and her grandson, Bobby Lancaster from Amarillo.

Mrs. Margie Wolfe from Amarillo visited her brother, Bill Turner.

Mrs. Una Allen from Altus, Okla. visited her sister, Miss Pearl Hammons.

Mr. and Mrs. Buddy Ford from Borger visited his mother, Mrs. Helen Ford.

Mr. and Mrs. Lonnie Needham have announced the sale of Pic and Save Grocery on FM 1035 to Sidney McGill. The Needhams have operated the store for the last year, but at the same time continued farming interests in the Quail community.

Mr. McGill, the son of Mr. and Mrs. Sam McGill, returned to Wellington recently after working several years in Odessa. He formerly attended West Texas State University.

Norwood Class Plans Supper

Samnorwood Junior Class will hold a hamburger supper Thursday, January 20, before the Norwood-Quail junior high basketball game.

Serving will be from 5:00 to 6:00 p.m. in the school cafeteria.

As the old year has come to a close and we anxiously look forward to a new year and what it will bring, we must rededicate ourselves to continued volunteer service and greater aspirations.

We should derive satisfaction in knowing that these people who are helped still need our services, love and attention.

This should inspire and revitalize all of us for the challenges that lie ahead in serving our fellow man and in doing those human services which are so essential to our county and town.

The Retired Senior Volunteer Program is growing all the time. We now have 137 volunteers. We had 2574 volunteer hours of service turned in for the month of December, and there were 567 telephone calls reported that were made to the shut ins and those who live alone.

We are very proud of our telephone reassurance program, as it is needed so badly.

Our monthly birthday luncheon will be Wednesday, January 19. Please be here by 11:00 a.m., as our program will start at that time.

Those having birthdays in January are Grady Fenley, Willie Smith, Mrs. Drury Lacy, Mrs. Lula Mae Simon, Mrs. Addie Scott, Mrs. Rufus Sweat and Chester Wadley.

Happy 1977 to everyone.

Ten great grandchildren and one guest were also present. One of the great grandchildren, Kendall Kent, of the USAF, and his bride, Kim Furry, stopped in Abilene on their way to the Air Base. They were married in Midland on December 28th.

It was the first time in 38 years Mrs. Murray's son had been with the family at the Christmas or New Year season.

The group ushered in the New Year with bells from Mrs. Williams' bell collection.

Pictures were taken to preserve highlights of the occasion.

Mr. and Mrs. Howard Hunt of Dodson took their grandson, Stacy Hunt, to his home at Dallas after he had visited them during the week between Christmas and New Year's. Both sons of the Howard Hunts were here from Dallas for Christmas, Mr. and Mrs. Tommy Hunt and children and Mr. and Mrs. Eddie Hunt and Stacy.

Kevin Franklin and Mr. and Mrs. Randy Franklin and daughter, Leslie, of Duncanville were weekend guests of Mr. and Mrs. Keith Smith, Mrs. Patricia Bowden and Mr. and Mrs. Willie Smith.

SHS Seniors Entertained

Mr. and Mrs. J.H. Oldham hosted a Christmas buffet Tuesday, December 21 honoring the Samnorwood seniors.

The group exchanged gifts and played games after the meal.

Seniors attending were Robert Cruz, Bobby Myers, Gary Don Skinner, Mike Hill Clifford Oldham, Clinton Oldham; parents, Mr. and

Mr. and Mrs. O.B. Raburn, Jr. of Andrews spent the weekend with his parents, Mr. and Mrs. O.B. Raburn. They also visited his aunt, Miss Virda Raburn in Thomas Nursing Center.

Christmas Poinsetta Can Flower Again Next Year

COLLEGE STATION --- That Poinsetta plant you received for Christmas can be brought into flower next Christmas season with a little luck and plenty of tender loving care.

"If you enjoy working with plants and can be satisfied with a poinsetta plant of somewhat less quality than the one you received, then the attempt to produce an attractive poinsetta for next Christmas can be rewarding," says Everett Janne.

The landscape horticulturist with the Texas Agricultural Extension Service suggests that once the colorful bracts are no longer attractive, watering should be gradually reduced until the soil is dry. Supply just enough water to prevent the stems from shriveling. Then store the dormant plant in a cool, well ventilated place at 60 degrees F. or above.

About mid-April, cut the stems back to 6 inches above the ground and repot the plant into a container that is 1 to 2 inches larger in diameter than the original pot. A good potting mix has two parts soil, one part peat moss, and one part perlite, by volume.

Janne advises watering the plant thoroughly and placing it in a sunny window where the temperature ranges between 70 and 75 degrees F. When new growth begins, fertilize the poinsetta every two weeks with a water soluble, complete fertilizer. Use the rate recommended for pot plants as shown on the fertilizer label.

"After danger of frost is

past, move the plant outdoors where it will receive moderate shade in mid-afternoon. As growth develops, cut or pinch back the top, leaving three or four leaves on each shoot. Repeat the pinching each time the plant sends out new shoots until mid-August," explains Janne.

"Bring the plant indoors before any danger of frost and once again place it near a sunny window where the temperature will remain between 65 and 70 degrees F. Continue watering and fertilizing but take care not to overwater," cautions the horticulturist. "As the plant puts on new growth, it will require additional water."

To have the plant in full bloom by Christmas, it must be kept in complete darkness from 5 p.m. to 8 a.m. starting the first week in October and continuing until Thanksgiving. Flowering will be delayed if the plant receives any light during these hours. This is because the poinsetta will set flower buds about 10 weeks after daylight time drops to 11 hours or less per day.

However, in the daytime the plant must be near a sunny window for maximum growth and development of bracts and flowers. Fertilizer applications should continue until mid-December, then the amount should be reduced one-half.

"The greatest mistake most people make in caring for poinsettias is not providing enough sunlight at the right time, watering incorrectly and not cutting back the stems at the proper time," notes Janne.

YM Holds Buffet Meal

The Samnorwood Young Matrons met Saturday, December 18 in the home of Mr. and Mrs. Jimmy Breeding. The club members' husbands were honored at the Christmas buffet.

Joe Frank Knoll gave the invocation. Gifts were exchanged and games were played by the group.

Those present were Mr. and Mrs. Donald Coleman, Mr. and Mrs. Leon Myers, Mr. and Mrs. James Martindale, Mr. and Mrs. Doug Coleman, Mr. and Mrs. Rudie Tate, Mr. and Mrs. J.H. Oldham, Mr. and Mrs. Rex Peebles, Mr. and Mrs. Knoll, and Mr. and Mrs. Austin Cantrell.

Club Told Of Pecans

Mrs. Tom Caterlin discussed pecan trees, the Texas State tree, for members of the Wellington Garden Club, as members held their first meeting of the new year Wednesday, January 5. Mrs. G.L. Jones was hostess in the Heritage Room.

Collingsworth County would have been much richer had pecan trees been put out here in past years, she pointed out. Mrs. Caterlin also stressed the long life of pecan trees--200 to 300 years.

Mrs. Robert Lacy, president, directed the meeting, while Mrs. Jones read the devotional and Mrs. R.C. McNett the club collect.

Members answered roll call by naming their favorite trees and during the business session, programs for the coming year were discussed.

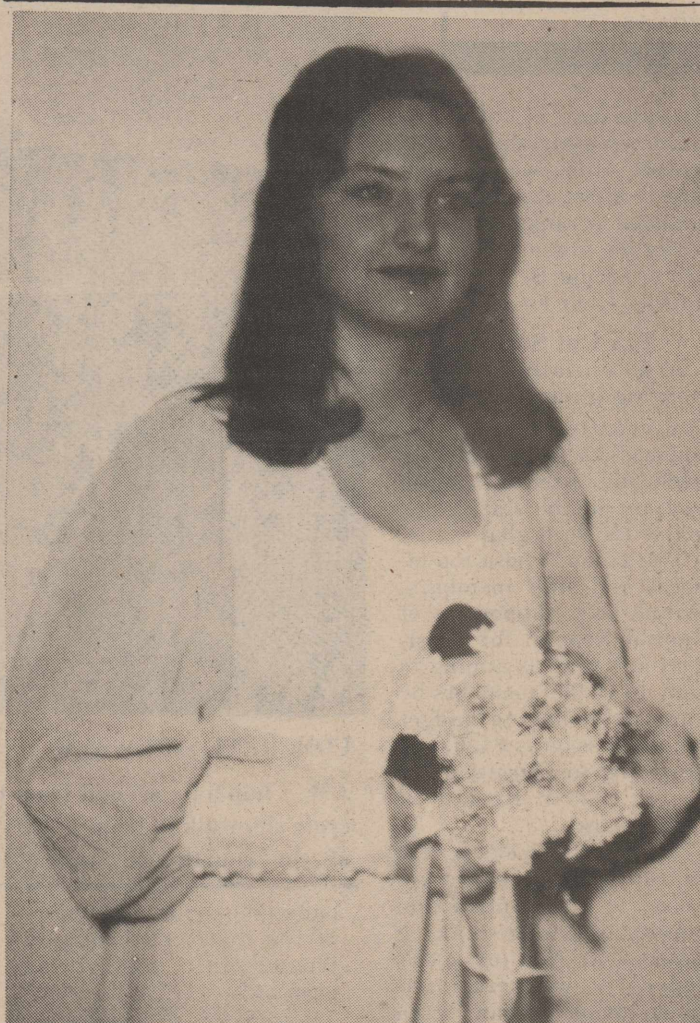

Attending were Mrs. Cason, Mrs. Caterlin, Mrs. Chester Fires, Mrs. Lacy, Mrs. McNett, Mrs. Ben Ratliff, Mrs. Joe Thompson, Mrs. Woodrow Wood, and the hostess, Mrs. Jones.

MRS. LONNIE GREEN

Donna Rasco, Lonnie Green Marry in Quiet Ceremony

Miss Donna Willene Rasco and Lonnie (Shorty) Green were married in a quiet ceremony Sunday, January 2, at two in the afternoon, in the home of Mr. and Mrs. Lynn Morris, 1004 Haskell Street.

Mrs. Beatrice McKinney, justice of the peace, performed the double ring ceremony.

The bride is the daughter of Mrs. Betty Vardy, 107-B West 14th Street, and the late Harry Rasco. Parents of the bridegroom are Mrs. Maggie Green, 1004 Haskell Street, and the late Richard Green.

For her wedding, the bride wore a floor-length off-white crepe dress, designed with an empire waist, marked by a ribbon sash, tied at front. The bodice had a low rounded neck and full sheer sleeves, ending in deep fitted cuffs. She carried a nosegay of white carnations and baby's breath, tied with satin streamers.

The bride was attended by Denise Green of Kelton, niece of the bridegroom. Her floor-length blue dress was in

empire style, with short sleeves and rounded neckline. Her flowers were yellow carnations.

Bruce Alexander, brother of the bride, was the best man.

Afterwards, Mr. and Mrs. Morris hosted the reception for family members and a few close friends.

The bride's table was covered with a green cloth edged in lace. Her bouquet was the centerpiece and crystal appointments were used. Guests were served by

Grandparents Valentine Page Will Be Featured In Leader

The fifth annual Wellington Leader Valentine Page, featuring pictures of dozens and dozens of grandchildren, will be presented again this year.

This big special event is for grandparents only, and it will appear in the newspaper of Thursday, February 10, just before St. Valentine's Day.

The offer is limited to grandparents, and here is what they do:

Bring a picture, preferably billfold size, to The Wellington Leader not later than Thursday, February 3, at 5:00 p.m., along with the grandchild's name, the names of parents and of as many grandparents as the child may have.

This is for children one day through six years of age.

Grandparents may bring pictures of as many grandchildren as they wish. Some children have been featured every year, so that family friends may see how the youngsters grow and change from year to year.

In the Valentine edition, the child's face will appear on a special Valentine.

Either black and white or clear colored photos may be used. It is not necessary that the children live in Collings-

worth County. They may be living anywhere in the world. There is a charge of \$5.00 per picture and the photos may be picked up following publication.

This is a unique way for grandparents to help their grandchildren say "Happy

Valentine" to others in the family. It is also an opportunity for proud grandparents to show readers of The Wellington Leader everywhere that they have the finest, prettiest or most handsome grandchildren to be found anywhere.

W. Cudds Host Family

Guests of Mr. and Mrs. Wayne Cudd during the New Year's holiday were his daughters and their families, Mr. and Mrs. Jon Sanford, Mark and Tammy, of Palo Alto, Calif., and Mrs. Nancy Samuels and Beth of Los Angeles.

Mrs. Sanford, the former Carol Cudd, is director of the Santa Clara County Medical Services at San Jose. She does the planning for all county health and medical facilities and programs, including hospitals and clinics.

Her husband, an electrical

engineer with Hewlett Packard of Cupertino, Calif., designs computer circuitry and computer peripheral equipment.

Mrs. Samuels is a secretary at Cal State, in Dominguez Hills, Calif.

They also visited their mother, Mrs. Lois Cudd in Odessa, and in Abilene with an aunt, Mr. and Mrs. W.T. Williams and their family, also their uncle Talamage Murray of New Jersey, and their grandmother, Mrs. Noble Murray, while in Wellington.

Our Hospital, Ambulance, Act With Distinction Under Pressure

Collingsworth General Hospital and the Volunteer Ambulance Service, faced with an emergency on Wednesday, January 5, again gave proof of their superior abilities to act under pressure.

Six people injured in a car accident—the seventh was unhurt—were handled with such skill and quickness that everyone should know about it. Those in the accident have already expressed their thanks.

By the Sheriff's Department log, ten minutes after the accident call was received, an ambulance with two Emergency Medical Technicians reached the accident 13 miles south of Wellington. In another 10 minutes, the injured were loaded, the ambulance was returning to town, and a second ambulance with two more EMT's arrived in case it was needed.

At Collingsworth General, Mrs. Freya Hammons, director of Nursing Service, was meeting with her nurses when she was notified the injured would be arriving. She held them on duty and one EMT said later, "That sea of nurses that met us sure looked good."

Later that day, two ambulances delivered the injured to Altus Air Force Base Hospital. Military medical personnel voiced admiration at the professionalism shown by Wellington's EMT's and also of the finely equipped ambulances. "You've got more equipment on your ambulances than we have," one Wellington man was told.

The fine health care facilities this county has become that way because of the people associated with them—their efforts, their work and dedication that comes only from a special kind of person.

At a time when many towns in this area are faced with continuing health care crisis, Wellington has two facilities, the hospital and ambulance service, that are not only excellent, but are continually upgrading themselves. We are fortunate indeed!

Other Editors Say . . .

Jane's Wisdom

Three days before Christmas there appeared in Jane's, the authoritative British publication of the world's military might, a report that should have shaken the American people to their shoelaces.

Jane's said that the Soviet Union is so far ahead in building weapon delivery systems that we Americans would be forced to resort to our nuclear weapons immediately should war break out.

The Russians insist their powerful new "Backfire" is a tactical weapon. It can fly from Russian bases, land in Cuba, and return. Still they insist it should be counted as a tactical weapon at the SALT talks.

Our B-1 probably could out-perform the "Backfire", that is, if we had some.

So here we sit, between two administrations, not sure what to do.

Americans seem more interested in knowing who Jane is than what Jane has to say.

The Christmas report was published in a directory titled "Jane's All the World's Aircraft." Jane's is a British publishing house, specializing in directories of weapons as distributed among the major powers.

Founder of the firm in 1897 was Fred T. Jane. His first directory was "Jane's Fighting Ships." Fresh editions are still being published, along with reference work fields of power, such as missiles.

Jane's reputation is impeccable and statesmen of more than one nation have been moved by the wisdom of Jane.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — A new \$1 million program designed to catch dope smugglers along the 800-mile Texas-Mexico border has been approved.

Gov. Dolph Briscoe's Criminal Justice Division authorized a grant for the Department of Public Safety project, which will include a helicopter patrol.

Atty. Gen. John Hill, who had been turned down on a smaller request to step up his investigation of the narcotics traffic in Starr County, applauded approval of the DPS grant and welcomed cooperative efforts of state and federal agencies.

Smuggling of marijuana, heroin, automobiles, people and securities will be the target of the DPS special unit.

Undercover and un-informed agents and civilian back-up personnel will work with DPS officers already assigned to the South Texas area.

About four to five million pounds of marijuana are distributed in Texas each year with an annual dollar volume of between \$360 million and \$675 million. Mexico has replaced Asia as the primary source of heroin in Texas.

Under the budget for the "South Texas Border Stepped-Up Law Enforcement Program" \$400,000 will go to purchase of evidence, surveillance, expenses and informer fees. Helicopter operations are budgeted at \$135,000 and other transportation and office expenses for \$144,400.

Another \$94,242 will go to personnel, \$261,800 for travel, \$30,000 for upgrading radio communications equipment and \$9,838 for office equipment.

Implementation of the project by DPS began immediately.

Briscoe Unhappy
Gov. Dolph Briscoe frowned on proposed acquisition of "mitigation lands" to ease environmental impact of Palmetto Bend project on the Navidad River near Edna.

Briscoe expresses himself to the Department of Interior in response to an official inquiry as to his position on the issue.

The U.S. Fish and Wildlife Service and some environmental groups want to establish a 4,000 acre wildlife refuge to soften impact of destroying wildlife habitat by the 11,000-acre reservoir. That would add between \$3 and \$4 million to cost of the \$74.3 million Palmetto project.

"The overall project is over half complete, and the dam is one third constructed. Acquisition of mitigation properties at

this late date is untimely, could severely delay the project and would adversely affect economic and financial arrangements already in place," Briscoe wrote Acting Secretary of Interior Kent Frizzell.

Tax Cut Sought

A potentially-powerful lobbying group, the Texas Conservative Union, announced its formation last week and listed a one per cent cut in the state sales tax as its No. 1 goal.

The group, whose top officers and staff members, include key supporters of Ronald Reagan for president last year, is aiming to sign up 10,000 members by June. Its lobbying budget for the session is \$125,000, according to Executive Director Calvin Rucker of Cedar Park.

T.C.U. also seeks a ceiling on state taxes, is opposed to gun control and county ordinance-making powers. It further seeks federal constitutional amendments to ban forced school busing and to require a balanced U.S. budget.

Courts Speak

A U.S. district judge in Dallas held a television newsman must be allowed to film executions at the state prison.

The State Supreme Court upheld lower court rulings rejecting a \$160,000 malpractice suit against an Odessa neurosurgeon who left a small metal clip near a man's spinal canal to mark a disc operation.

The high court said five men who refused to come back to work during a strike after they had been laid off are eligible for unemployment pay.

The Supreme Court upheld a \$1.3 million royalty agreement breach award against a Houston corporation in favor of the inventor of a giant pipe bending machine.

Third Court of Civil Appeals upheld denial of an application by Jacksonville Building and Loan Association for a branch office in Longview.

AG Opinions

Atty. Gen. John Hill told municipalities they have had power to require regulated utilities to reimburse reasonable costs of rate experts in rate-making proceedings, since Sept. 1, 1975.

In other recent opinions, Hill concluded: Non-current personnel files on dead persons transferred to the State Archives are public unless disclosure of information would be an unwarranted invasion of privacy of living individuals.

County Progress Continued as '76 Ended

WELLINGTON

Collingsworth continued to be an active, vibrant county through the last 5 months of 1976.

Progress was marked by letting contract relating to the multi-county juvenile detention center, the rural water system and Highway FM 3070 at Abra...and re-instating the Airport improvement program...Wellington and the county received a HUD grant for improvement in the north part of town...and preparations started for a new elementary school...

There was the fun of reunions, the upsurge of community effort to buy the Skyrockets a bus to ride in, acts of neighborly concern, and the hundreds of other happenings that make Collingsworth the best place in the world to live.

AUGUST

August was the month of reunions: Wellington Ex-Students was largest and included class reunions for 1946, 1951, 1956 and 1966...and there was the Loco-Arlic reunion...the Three Community reunion (Salt Fork-Lillie-Marella)...Nicholson homecoming...the OM Old Settlers. Dodson Nazarene Church observed the 70th anniversary of its organization...Queens were named: DiAnna Schaub for Farm Bureau and Kay Coffee the Centennial Queen. Contracts were awarded to: Executive Technology Corbin Associates of Dallas for Phase 1 of the proposed multi-county juvenile detention center...Carmen Rhode Construction Co., Silvertown, for Phase 5, Thirsty Water System...

Wellington Cycle Club staged its first poker run...The Sheriff's Department discovered a large patch of Marijuana growing in a secluded location. Officers pulled it up, plant at a time, on one of the hottest days of August. Later it was burned...The Paul Ranges held open house at their new geodesic dome...47 Rockets reported for practice and David Caison was elected

to head the Rocket Booster Club...

SEPTEMBER

Collingsworth observed the Bicentennial with the biggest fireworks spectacular in its history...This ended another successful county fair...Cooper & Woodruff of Amarillo got the contract to finish the Abra farm to market highway on a bid of \$347,467...The Skyrockets opened their season against Hollis...City Council voted to reinstate the Airport Improvement Project...J.C. Emmert retired after 20 years on the Federal Land Bank Board...Salt Fork Soil Conservation District and the Extension Service held their annual soil tour...Elected: Richard Fourmenton to the City State Bank board and Lyman Daniel Kiwanis president...T.E. Lennon, mayor of Dodson, died.

OCTOBER

Thurman Crownover of Dodson ginned the first 1976 cotton...Farm meetings: More than 700 attended the Farm Bureau Barbecue...Congressman Jack Hightower spoke at the Farmers Union Barbecue...the Tri State High School Rodeo drew 300 entries...

The event of the month: The Booster Club bought an activity bus, The Skyrocket Express, and everybody had an opportunity to make a donation...

Garner Altom resigned as Hospital administrator...Lone Star Gas filed for a rate increase...Carnivals: Wellington PTO and Samnorwood PTA...Mack Saied, Sr., retired merchant, died...County bank assets passed \$25 million...

And the Skyrockets lost their game to Memphis and with it went their hopes for their second consecutive district 2-A crown.

NOVEMBER

Wellington received a \$98,000 HUD Community Development Block Grant, and turned right around and applied for a \$250,000 grant...Wellington Lions brought professional wrestling

to Wellington...Charles Floyd was named hospital administrator...Voters gave Jack Hightower and Jimmy Carter their approval...The Sheriff's Department participated in the great Hedley dog fight raid.

Elected: Dr. Bill Estes Cancer Society chairman... Phil Bailey junior high principal...Lyman Daniel to the hospital board...

The county had its first snowfall, two to three inches...U.S. Small Business Administration took possession of Hay Camp Country Club facilities...Beef producers heard Dr. John McNeil

Tax Payment Due for Some

Many people who do not have enough taxes withheld are required to pay their final installment of 1976 estimated Federal income tax no later than Monday, January 17. Also due the same day are amended estimates from those whose 1976 income changed substantially during the last quarter.

Many taxpayers first met the requirements for filing a tax declaration during the last three months of 1976, according to the Internal Revenue Service. Taxpayers are generally required to file an estimate if they owe the IRS more than \$100 not covered by withholding. The estimates in this case are due January 17.

There is one exception to this rule, the IRS said, and that's when taxpayers file their returns and pay all taxes due by January 31. In that case the final 1976 installment is not required, the amended declaration is not required nor is an original January 17 declaration required.

IRS Publication 505, "Tax Withholding and Declaration of Estimated Tax," provides additional information and may be obtained free from local IRS offices.

and Dr. Gene Cope.

DECEMBER

Santa came to Wellington with fanfare in bitter cold weather...Texas actress Jeanette Clift, spoke, under sponsorship of church women of the town, and her film, "The Hiding Place" was showing at the Ritz...More than 40 friends brought strippers, trailers and tractors to harvest Bill Hall's cotton crop. He was recovering from surgery...

Fire Department dispatching was moved to the Sheriff's Dept...

More than 300 county people received swine flu vaccine...Skyrockets won 16 places on the 2-A all-district football team...DAR senior good citizens were Suzy castleberry, Robert Cruz of Samnorwood and Kathy Guthrie of Quail...

Methodist presented their Christmas Cantata...The Wellington Leader was designated a National Blue Ribbon Newspaper by the National Editorial Foundation...Wellington school board approved a bond issue of approximately \$500,000 to be held early in 1977 for a new elementary school...Ritz and Kiwanis held the annual Kiddies Christmas show...

Arrest of three men cleared a number of recent burglaries...The cotton crop was almost out with 30,000 bales ginned...Wellington's Christmas star was shining for the 30th year...Hospital auditors commended Collingsworth General for holding the line on expenses...and the county had the Panhandle's first holiday traffic fatality, Jorje Cordove, 22, a Mexican National.

Jr. High Wins Two From Memphis

Wellington Junior High basketball teams won a double header from Memphis Thursday night, January 6, with the girls victorious 32-26 and the boys taking their game 16-13.

The boys game was called "a wild one" between two lively, scrambling and aggressive teams. "It was fun to watch declared Coach Ronnie Glenn.

Wellington youngsters were being three quarters, then in the fourth came up and won. Tim Harris scored 5 points; Raymond Mackey four, Wade Williams and Bruce Alexander three each and Willie Pennon one.

Memphis' Floyd and Mejia had four points each, Mackey and Foster two each and Clark one.

Several mistakes in the final

period cut into the girls 10-point lead, 27-17 at the end of the third period, but the guards tightened their play and Wellington girls maintained a 6-point lead at the end of the game.

Ruby Munn scored 17 points; Melanie Pendleton 9 and Lisa Vaughan 6. Hernandez had 14 for Memphis and Davis 12.

Wellington Opens 2-A Play Against Shamrock

Wellington Skyrockets, minus three pre-holiday starters, lost by a narrow 42-39 margin to Shamrock Irish in Rocket Gym Monday, January 3. This opened District 2-A play.

On the same night, Rockettes lost their game to the Irish Lassies 46-26.

The five Rockettes went into their game without having played together as a group previously.

This is the first of two district games the Rockets and Irish will play. "We believe we can take them and play with them the second time around," said Coach Robert Hicks.

Wellington led at the first period, 14-8, but the Irish were ahead 24-20 at the half. Wellington scored 9 points in the third period and Shamrock 12. Wellington added 10 points in the fourth and held Shamrock to 6, but this was not quite enough to take the game.

Shane Tarver scored 21 points for Wellington; Carl Taylor 7, Jon Sessions and Bob Cummings 5.

Leo Segura led Shamrock with 18 points; Krug and Aaron had 6 each. Close and Doss four each and Howard two.

Harrises Have White Christmas

Mr. and Mrs. Milford Harris spent a white Christmas in Spokane, Washington as guests of Rev. and Mrs. Leroy Gaston. The foursome took a trip into Oregon. They crossed the 45th-parallel.

The Harrises flew over the Cascade Mountains, Rockies and Tetons. Mrs. Harris said the Continental Divide was beautiful.

Mr. and Mrs. Bryant Harris and Mr. and Mrs. Larry Gaston met the couple at the Amarillo airport and returned to Wellington for a visit.

They were tied 6-6 at the first period, but a cold second quarter put Wellington behind 22-10 at the half. Shamrock was still ahead 32-16 at the third period.

Lee Ann Sessions had 14 point, Suzy Chandler and Pam Ingram 6 each. Hensley had 22 points for Shamrock, Bradley 16 and Miller 8.

"Our guards played the best game they have played all year," said Coach Bruce Dollar. Shamrock girls have been averaging about 60 points per game, and we held them 14 below that."

"We had more shots at the basket, and good shots, but we couldn't make the ball go in."

Wellington girls made only 12 out of 50 shots from the field and two of 7 free throws. "The ball game was a lot closer than indicated by the score," Dollar added.

Quail, Hedley Meet Friday

Quail and Hedley basketball teams will meet Friday, January 14, on the Quail courts, Coach Bill Wilson has announced.

Hedley boys presently are rated as the strongest team in District 4-B and probable winner of the championship. In district play, they have a 1-0 record.

Hedley girls are not so strong, but at this point, no girls team is ruled out of the district race. Hedley has an 0-1 record at the end of the first week of play.

Plant Trees Arbor Day, January 21

COLLEGE STATION--Arbor Day coming up Jan. 21 signals the time for Texans to beautify home landscapes and communities by planting trees.

"Trees have long been appreciated for their beauty and by-products such as lumber and cooling shade. But trees have proved they are worth much more," says Everett Janne, a landscape horticulturist for the Texas Agricultural Extension Service. "Majestic oaks, pecans, cedars, pines and elms are being used to combat noise and air pollution and as protection from erosion.

"Our ancestors realized the permanent beauty of trees and their value to each coming generation. Such a thought should be kept in mind when planting a tree this Arbor Day," says the Texas A&M University System specialist.

The tree to be planted should be selected for the climate and soil of the area, emphasizes Janne.

Arbor Day comes at prime planting time for trees, when cool, moist soil allows roots to become established before top growth begins. This enhances the chances of successful

permanent plantings of oak, cedar, bald cypress, Deodar cedar and similar species," adds the horticulturist.

RESOLUTION AND ORDER CALLING BOND ELECTION

THE STATE OF TEXAS

WELLINGTON INDEPENDENT SCHOOL DISTRICT

COUNTIES OF COLLINGSWORTH AND CHILDRESS

WHEREAS, the Board of Trustees of the WELLINGTON INDEPENDENT SCHOOL DISTRICT has determined that an election should be held to ascertain whether said governing body shall be authorized to issue bonds of said District under the provisions of Chapter 20 of the Texas Education Code, including Section 20.04 [b][1] thereof; now, therefore,

BE IT RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF THE WELLINGTON INDEPENDENT SCHOOL DISTRICT:

SECTION 1: That an election shall be held on the 5th day of February, 1977, in the WELLINGTON INDEPENDENT SCHOOL DISTRICT for the purpose of submitting to the resident qualified electors of said District the following proposition:

"SHALL the Board of Trustees of the WELLINGTON INDEPENDENT SCHOOL DISTRICT of Collingsworth and Childress Counties, Texas, be authorized and empowered to issue the bonds of said District to the amount of \$540,000, for school building purposes, to wit: the construction and equipment of school buildings in the District and the purchase of the necessary sites therefor, and shall there be pledged and levied, assessed and collected annually ad valorem taxes on all taxable property in the District sufficient,

without limit as to rate or amount, to pay the principal of and interest on said bonds as the same become due, said bonds to be issued in one or more series or issues, to mature serially or otherwise not more than FORTY (40) years from their date, and to bear interest at such rate or rates as in its discretion the Board of Trustees shall determine?"

SECTION 2: That the entire District shall constitute one election precinct for this election and the polling place shall be the Wellington High School Building, Wellington, Texas. The persons hereby appointed to serve as officers of this election at said polling place are as follows: Jack Neeley Presiding Judge Mrs. Helen Fires Alternate Presiding Judge

The Presiding Judge shall appoint not less than two (2) nor more than six (6) qualified clerks to serve and assist in holding said election; provided that if the Presiding Judge herein appointed actually serves, the Alternate Presiding Judge shall be one of the clerks.

On election day the polls shall be open from 7:00 A.M. to 7:00 P.M.

Mrs. Nita Brantley is hereby appointed as the Clerk for absentee voting for said election, and the School Tax Office (mailing address: 812 15th Street, Wellington, Texas 79095), in said District, is hereby designated as the place at which absentee voting shall be conducted for said election. For the period absentee voting is permitted by law, the hours designated for absentee voting shall be from 8:00 A.M. to 5:00 P.M. on each day except Saturdays, Sundays and official State holidays.

SECTION 3: That paper ballots shall be used for said election, which ballots shall be prepared in accordance with the V.A.T.S. Election Code so as to permit the electors to vote "FOR" or "AGAINST" the aforesaid proposition which shall be set forth in substantially the following form:

"THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

The word "FOR" and beneath it the word "AGAINST" shall be made to appear on the left of the proposition. A square shall be printed on the left of each of the words "FOR" and "AGAINST", and each elector shall place an "X" in the square beside the statement indicating the way he wished to vote.

SECTION 4: All resident qualified electors of the District shall be permitted to vote at said election. In addition, this election shall be conducted and held in accordance with the provision of the Texas Election Code, and as may be required by law, election materials and proceedings for this election shall be printed in both English and Spanish.

SECTION 5: A substantial copy of this resolution and order shall serve as proper notice of said election, and said notice including a Spanish translation thereof, shall be published one time at least ten (10) days prior to the date set for the election in a newspaper of general circulation in the District.

PASSED AND APPROVED, this the 3rd day of January, 1977.

de los condados de Collingsworth y Childress, en Texas, ser autorizada y otorgada el poder de emitir bonos de dicho Distrito por un total de \$540,000, para edificios escolares, o sea: la construccion y el equipamiento de edificios escolares en el Distrito y la compra para estos de los terrenos necesarios, por consiguiente, y habra de ser caucionados y gravados, tasados y anualmente cobrados los impuestos segun el valor de todas las propiedades imponibles en el Distrito, sin limite en lo que se refiere a la cantidad, para pagar el principal e interes de dichos bonos cuando los mismos vengán, dichos bonos a ser emitidos en una o mas series o emisiones a madurar en forma escalonada o de otra manera por un periodo no mayor de CUARENTA (40) años a partir de la fecha de emision y a devengar interes al porcentaje o porcentajes a ser determinados a voluntad por la Junta Directiva."

SECCION 2: Que todo el Distrito forme un recinto electoral para esta eleccion y el lugar para votar sera edificio de la escuela secundaria en Wellington, Texas. Las personas por este medio nombradas para servir los cargos de oficiales de esta eleccion en dicho lugar para votar seran las siguientes:
Jack Neeley Juez actuante
Mrs. Helen Fires Juez actuante suplente

El juez actuante nombrara no menos de dos (2) ni mas de seis (6) oficiales calificados para trabajar y ayudar en dichas elecciones; con tal que se el juez actuante aqui dentro nombrado desempeña sus funciones, el juez actuante suplente sera uno de los oficiales. Durante el dia de eleccion, los lugares para votar estaran abiertos desde las 7:00 de la manana hasta las 7:00 de la noche.

Se nombra por este medio a la senora Nita Brantley como oficial de los votos absentistas para dicha eleccion, y la oficina de Impuestos Escolares (correo: 812 15th Street, Wellington, Texas 79095) en dicho Distrito se designa por este medio como el lugar para registrar los votos absentistas en dicha eleccion. De acuerdo al periodo del voto en ausencia permitido por la ley, las horas nombradas para registrar los votos absentistas seran desde las 8 de la manana hasta las 8 de la tarde todos los dias con la excepcion de los

sabados, domingos y los dias de fiesta oficiales del Estado.

SECCION 3: Que balotas electorales de papel sean usadas en dichas elecciones, las cuales balotas seran preparadas de acuerdo con el Codigo electoral, V.A.T.S. de manera de permitir que los electores voten "EN FAVOR" o "EN CONTRA" a la mencionada proposicion que sera basicamente presentada de la siguiente manera:

"LA EMISION DE BONOS Y EL GRAVAMEN DE LOS IMPUESTOS PARA EL PAGO DE ELLOS"

Las palabras "EN FAVOR" y bajo ellas las palabras "EN CONTRA" seran puestas a la izquierda de la proposicion. Un cuadrado sera dibujado a la izquierda de las palabras "EN FAVOR" y "EN CONTRA", y cada votante pondra una "X" en el cuadrado al lado de la proposicion indicando como desea votar.

SECCION 4: A todos los residentes con derecho a votar del Distrito les sera permitido votar en dicha eleccion. Ademas, esta eleccion sera dirigida y tendra lugar de acuerdo con las estipulaciones del Codigo Electoral de Texas fuera de las modificaciones hechas por el Codigo Educativo de Texas; y como pueda ser requerido por la ley, los materiales de la eleccion y los procedimientos para esta eleccion seran impresos en ingles y en espanol.

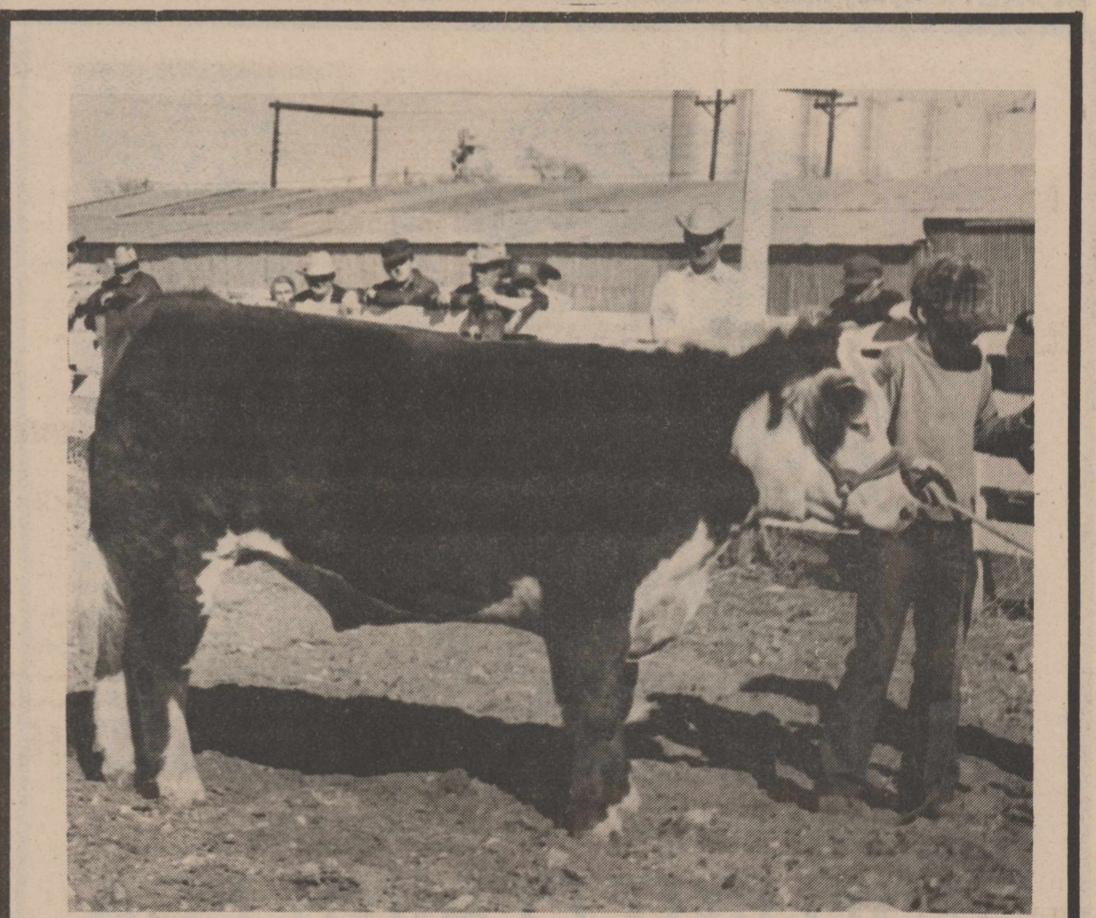

SECCION 5: Una copia fidedigna de esta resolucion y decreto servira como aviso adecuado de dicha eleccion y dicho aviso, incluyendo una traduccion al espanol de esto, sera publicado en el periodico de circulacion general en el Distrito a lo menos una vez diez (10) dias antes de la fecha establecida para la eleccion.

PASADO Y APROBADO, este dia 3 de enero de 1977.

Attend The Fat Stock Show

It's our pleasure at Warrick's to call your attention to the annual Livestock Show that Collingsworth County young people will hold at the Livestock Barn on Saturday.

We're proud to have had a part as dealer for the feed with which some of them fattened their stock.

The Steer Show is interesting for observers as well as exciting for participants. Plan to attend Saturday, January 15, at 1 p.m.

Botulism Blamed In Duck Die-off

Food poisoning, caused by toxins produced by certain bacteria, is blamed for a die-off involving about 1,000 ducks in Parmer and Castro Counties in the Panhandle.

An additional 600 birds in nearby Hockley County are also suspected of having contracted Type "c" avian botulism according to Max Traweck, Texas Parks and Wildlife Department assistant waterfowl program leader.

This type of botulism does not affect men or other mammals and is confined to birds, primarily those feeding in the shallow edges of warm-water ponds.

Botulism, or western duck sickness as it was called around the turn of the century, has been responsible for waterfowl losses for years, P&WD officials say. Duck die-offs in this section of the Panhandle occur on an almost yearly basis and usually cause of death is traced to botulism. Bacteria in moist soil will produce toxins under certain conditions.

Card of Thanks

I want to thank everyone for their prayers, visits, cards, flowers and gifts during my recent illness.

Mrs. Nell Land

We wish to express our sincere appreciation and thanks for the kindnesses shown us and for the flowers, food and cards sent by our friends at the time of the death of our loved one.

A special thanks to the ladies who prepared and served lunch, to Dr. Holcomb and the Nursing staff of Collingsworth General Hospital.

*May God bless each of you.

Quail-Norwood Rivalry in 40th Season at Game Tuesday

Quail and Norwood, who are observing the 40th year of their basketball rivalry, meet for the first of two district games Tuesday, January 18, in the Quail Gym.

From the time the rivalry began, these games have packed the gyms, and this is due to be no exception.

It will headline action in District 4-B

In the opening district

Tiffany Owens In Hospital

Tiffany Jill, 10-months old daughter of Mr. and Mrs. Ralph Owens, was taken to St. Anthony's Hospital, Amarillo, Monday, January 10.

She had not fully recovered from a recent case of the flu, and tests are being run at this time. Tuesday, she appeared to be a little better, her grandmother, Mrs. Steve Owens, said.

Mrs. Horace Holliman, her other grandmother, went Wednesday to be with the family.

games Tuesday, Jan. 4, Hedley boys defeated Estelline 82-42, while Estelline girls won 44-41.

Lakeview boys won over Quail 37-36 but Quail girls won a 49-45 victory over Lakeview girls.

Samnorwood did not play.

On Friday night, Jan. 7, Norwood boys defeated Lakeview 59-24 and the girls won 58-57.

Quail boys won over Estelline 67-52 and the girls won 76-59.

In Tuesday play, Samnorwood girls defeated Hedley 63-24 and the boys lost 43-26. Quail boys lost to Valley 75-49 and Quail girls lost 80-44.

Hedley boys are the favorites to repeat as District 4-B champions, but in the girls division, any one of the teams in the district has a chance at this point.

District 4-B champions are decided after teams have played a round robin schedule and then played in a district tournament.

If the same team wins both the round robin and the

tournament, that team is declared winner of District 4-B. If different teams win, however, a play off game will decide the district championship.

The round robin consists of each team playing every other team on a home and away schedule. Since there are only five teams in the district, one team is open every playing night.

Each trip to the grocery store means money spent for gas—and another opportunity to buy "extras" that catch the eye. Shop as infrequently as home storage facilities allow, advises Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service.

Christmas Different For Family in Kenya

Mrs. Travis McGuire, Jr., in a letter to members of her family, has described how they were observing their first Christmas in Narobi, Kenya, Africa, where Dr. McGuire is working. He is presently on leave from the faculty of Washington State University, Pullman. They have two children, Leslie and Trey.

"The weather is just beautiful, neither hot nor cold. The children wear shorts in the day time and we have a little fire at night.

"Christmas will certainly be different for us this year. We hardly know it is the holiday season. There are very few signs of Christmas at the downtown stores.

"Our children, Leslie and Trey, went down in the forest behind our house and found a scrawny little tree to put in the house and decorate for a Christmas tree.

"We do have some very beautiful poinsettias just blooming everywhere. The

toys are very junky and what good ones they have, the prices are just unreal. So our kids will not get toys. What they want is just some things for souvenirs to bring back to the States.

"We did splurge and buy a turkey for our Christmas dinner and we had to order it two months in advance and pay about four or five times the U.S. price.

"Since the weather is nice, we are going on a camping trip to Tanzania for our Christmas vacation. We will see some more different country and lots of animals, which we enjoy so much.

"It is much harder to go camping here. Food and water is sometimes hard to get, so we have to take it all with us, and with very little ice. Most people don't even know what it is.

Then Mrs. McGuire added: "Say Hello to everyone there for us."

Coming Next Week—"Two-Minute Warning"

Congratulations on Your Steer Show Saturday

At Wellington State Bank we believe that the fine work our young people are doing with their steer and lambs can lead straight into a bright future here in Collingsworth County.

American Agriculture, and the beef industry in particular, is more important than ever to the nation and to the world. And to participate in this important industry our county needs all the young men and women we can get—those with the brains and know-how and desire to make their future where they grew up.

At Wellington State Bank we're happy to work with youngsters in setting up accounts, and a few years later we'll be happy to help with financial advice on their livestock operations.
