Banquet Date Announced By Jaycees

Junior Chamber of Commerce has set Nov. 20 as the date for a banquet honoring new members and past presidents of the club.

Red Hightower of San Angelo, State Jaycee president, will be the guest speaker and honored guest.

The banquet in Civic House was originally set for Nov. 15 but a conflict with another party resulted in moving the date to Nov. 20.

Membership drive is now underway in the Club with three table radios, valued at \$75, as the prizes for the persons bringing in the most new members.

Ten past presidents will be in the group to be honored.

A dance will follow the banquet, according to Club President Bob Kirschbaum.

Bill Quimby, chairman of the membership committee, is in charge of the drive for new club members.

Quimby said tickets for the banquet will go on sale soon.

NEW AND THE OLD—Roland V. Rodman, left, introduces Luciano Mendoza, center, to R. A. Tollett, right, who in the sale of Col-Tex Refining Company properties to Cosden Petroleum Corporation will succeed Rodman as Col-Tex president. Mendoza will retire next February after long service as a Col-Tex refinery employee here.

Expanded Operation Asked For City Jet Landing Strip

Webb Base Says Plan Is Studied

City and Chamber of Commerce officials have suggested expanded Air Force operations at Colorado City's auxiliary landing strip as a safety measure in Webb Air Force Base training program.

The suggestion was made Friday in a telegram to Colonel Charles M. Young, base commander at Webb AFB in Big Spring.

At the same time the local officials pledged cooperation in any Air Force move for additional use of the huge jet landing strip built north of Colorado City last year as a practice facility for Webb AFB pilots.

Colonel Young notified Mayor Trevor Crawford Saturday that expansion of Webb AFB operations at the Colorado City strip was "being given close study and consideration."

Telegram to the Webb commander was sent by Mayor Crawford and H. I. Berman, chamber president, after protest of Air Force training operations Midland Air Park, a small airport, in Midland.

Representative J. T. Rutherford of Odessa, private citizens and George Haddaway, editor of Flight Magazine in Dallas, have protested continued use of the Midland facility for Air Force training purposes.

Rutherford suggested use of Air Force landing strips "at places such as Marfa and Pyle," and announced he was asking Air Force Secretary Quarrels in Washington to investigate the possibility of moving the Webb AFB jet training operations away from Midland.

City and chamber officials, acting immediately on the heels of the Midland protest, contacted Congressman George Mahon and sent this telegram to the Webb AFB commander:

"Extend wholehearted cooperation for expansion of landing strip facilities in Colorado City. City fathers and citizens pledge every effort possible."

Business leaders here discussed the possible expansion with Mahon, who is in Lubbock where Monday night he will be principal speaker for a \$10-per-plate Democratic Party fund-raising banquet for 19th Congressional District.

The congressman notified Mayor Crawford Saturday that he was "urging favorable consideration by the Air Force" for the expansion of operations here.

Telegram received also Saturday by the mayor from Colonel Young, Webb AFB commander, stated:

"Your current offer to help in current expansion of landing strip facilities at Colorado City. See EXPANSION Pg. 7"

MOVING HERE—Rev. Don Mecoy and his family will move here Wednesday from Woodville for the minister to begin duties as pastor of First Christian Church. He succeeds Rev. Frank Pickett, who entered the mission field.

FOR COTTON FARMER

Local Data Backs Stripper Harvest

Use of mechanical cotton stripper is catching on with Mitchell County farmers as a money saver.

And Associate County Agent Alfred Byrd has some plain-talk data backing up local claims that the stripper is good for farming operations in this area.

Among Mitchell County farmers successfully using strippers are J. W. Blessingame of Buford and Lester Finley, who farms south of Lorraine.

"I wouldn't do without it," Blessingame told Byrd as the associate agent checked for actual on-the-farm opinions about the use of a mechanical stripper. Blessingame has been using stripper for cotton harvest since 1950 and based his opinion on the actual operation of the machine on his farm.

Finley pin-pointed dollar and cent value of the stripper in his farming operation. "Mine saves me \$25 a bale in harvesting costs," he reported to Byrd.

The associate agent says actual cost and production figures reveal the stripper can be an economical method for harvesting cotton. If a farmer produces at least 60 acres at rate of one-third bale to an acre.

"Greater the production per acre," he said, "the more economical the stripper operation becomes."

Byrd said studies show that harvesting one-third bale to an acre with a mechanical stripper on 60 acres should save the farmer \$200 per year in comparison to hand harvesting.

"That will run into money over a 10-year period," the associate agent said, "enough to pay most of the cost of putting a youngster through college."

A mechanical stripper will last just about a lifetime, according to Byrd.

to Byrd, with proper care and maintenance. But full depreciation of the equipment in 10 years was figured in the cost study that points to a \$200 yearly saving.

Included also in the cost tabulation were taxes, interest, repairs, defoliation and other items. And \$1.50 per hundred was allowed as the figure for hand harvesting.

"Contrary to common belief," the associate agent said, "a mechanical stripper does not lower the grade of cotton.

"That's because tramping and packing are eliminated," Byrd said the taking cotton out of the field early through defoliation and mechanical stripper process could even raise the grade of the cotton. At least it would.

RECORD SUBSCRIPTIONS

Chorus to Finish Cash Saving Sale

Record readers have one more week to provide a boost for Colorado High's Mixed Chorus and save \$5.30 too.

Members of the chorus are selling subscriptions to the Colorado City Record.

The special sale — with the singers receiving a commission on each subscription sold — will continue through this week.

Already the commissions for the chorus have spiraled to near \$100.

The Record is being sold by the singers at the rate of \$5 for a 12-month subscription. This provides a cash saving of \$5.30 to the subscriber compared with purchase of individual copies throughout the year at newsstands.

Price per copy for the Record is 10 cents and that adds up to \$10.30 a person would pay for all issues of the Record during a 12-month period at the newsstand.

So, the \$5-per-year subscriptions (\$5.30 below the price for individual copies) offer an economy package for residents in Mitchell County.

Members of the Mixed Chorus, directed by Curtis Baker, are selling the Record subscriptions in a special project to earn money for a spring tour.

The chorus, winner of highest achievement in Texas Interscholastic League judging, will use profit made in the subscription to travel to other towns. However, the tour will not be a pleasure tour. Instead it will be for the chorus to sing before out-of-town groups.

Singers in the chorus are selling the subscriptions in a block-by-block canvass of Colorado City's residential area. They are not contacting business firms.

However, the campaign will be concluded this week and with it will come to an end the opportunity for citizens to assist the chorus while at the same time saving money for the next 12 months.

Annual School Halloween Carnival Set

Primary School Parent-Teacher Association's annual Halloween carnival is scheduled Tuesday evening.

The entertainment was switched this year from Halloween night to Halloween eve to avoid conflict with Wednesday evening church services.

PTA officials said the carnival will begin at 5 p. m. and continue to 8 p. m.

Chili supper, sandwiches, pies, cakes, coffee and soft drinks will be served in the school cafeteria.

The carnival is for the public with attractions for all age groups, the PTA emphasized.

Boosters Set Meeting At Colorado High

A special meeting for Band Boosters Club is scheduled for Monday at 7:30 p. m.

Dr. Marvin Majors, president of the Boosters, said the meeting will be in the Band Hall at Colorado High.

Juanell Bynum Crowned at Homecoming

Miss Juanell Bynum became queen of Colorado City High's 1956 homecoming Friday night in a colorful half-time ceremony spotlighted by fireworks and a fleet of Cadillacs.

Coronation was a feature of the Colorado-Lamesa District 3-AAA contest in Wolf Stadium.

Miss Bynum, senior student at Colorado High and daughter of Mr. and Mrs. Dee Bynum, was revealed as queen while six student candidates were presented inside a huge heart formed by Wolf Band and Wolverines, girl's pep squad.

Selection of the queen by student body vote was secret until the half-time ceremony.

The six queen candidates, attired in striking, evening gowns, were chauffeured in shiny, individual Cadillacs, to mid-field, where they were introduced to the crowd. They included Miss Bynum, Miss Ruan Owen, Miss Janice Myers, Miss Ann Padgett, Miss Janet Yost and Miss Bertie Lou Dorn.

Joe Salter, Quarterback Club president, placed the homecoming crown upon Miss Bynum and then presented the traditional bouquet to the queen.

Previously, ex-students were welcomed in colorful manner. While the entire stadium was turned into darkness, fireworks flares were lighted to blaze the words "Welcome Home Exes."

The half-time performance included colorful marching exhibition by Lamesa High's band and a splendid performance by Colorado High Wolf Band as it hosted Mitchell County United Fund Drive with drills and music depicting eight service organizations receiving financing from United Fund.

"But I owe a lot—to a lot at Col-Tex," Prichard continued, "and some of those have died the last few years.

"This my home and it always will be.

"I hate to see Col-Tex go under another management," Prichard added, "but I know it is best for Col-Tex."

Bureau Elects '57 Officers Monday Night

Mitchell County Farm Bureau will elect its 1957 officers here Monday night.

The annual meeting of the bureau is scheduled for 7:30 p. m. in Colorado Junior High, according to Murrell Blessingame.

In addition to the officer slate, the Farm Bureau will elect delegates to the Texas Farm Bureau convention in Dallas and adopt resolutions for presentation at the state meeting.

Annual membership roundup for the county bureau is being pushed for completion by Tuesday. Officials expect the membership will climb to 400 by the time of the annual meeting Monday night.

The bureau already is far ahead of membership at this same period last year.

Mr. and Mrs. L. E. Shaw were in Dumas last week end for a visit with their son-in-law and daughter, Mr. and Mrs. Bob Renshaw.

LAST FROM ANDERSON-PRICHARD

Service Awards Presented to Nine Refinery Employees Here

Nine Col-Tex Refinery employees have added company awards on top of long, dependable service to their firm.

The service awards—plus verbal tribute from Anderson-Prichard Oil Company and Col-Tex Refining Company officials—came Tuesday night at a dinner at Colorado Country Club.

Receiving watches for 30 years of service to the company were Earl Webber, night foreman at the refinery, and Alvin Byrd, member of Col-Tex pipe line department.

Twenty-five year awards went to Pete Dillard, maintenance staff; A. G. (Red) Ballard and A. T. Caffey, head stillmen with the refinery's cracker unit.

Three pipe line staffers—Charles Parrish, Ozro Allison and Elmo Daniel—and Joe Gunning, crude stillman and relief night foreman, received 20-year awards.

Presenting the service awards were Charles F. Wakefield, refinery superintendent, and Neal Prichard, Anderson-Prichard vice president from Oklahoma City, Okla.

The awards presentation was the highlight of the refinery's annual dinner program honoring employees with at least 20 years of service.

Typical of the long service exemplified at the dinner was the record of Gunning, just now joining the 20-year group.

He started with Col-Tex Refining Company 20 years ago in its Oklahoma City office as mail clerk entrusted with the job keeping his boss' water cooler filled.

"If hadn't been for people like Joe," said Prichard in tribute to all the long-time employees, "I'd still be digging ditches."

Here also from Oklahoma City for the dinner were J. C. Brad-

ley, head of refineries for Anderson-Prichard, and Roland V. Rodman, Anderson-Prichard president. They were joined by R. A. Tollett of Big Spring, president of Cosden Petroleum Corporation, the firm that is buying Col-Tex properties from Anderson-Prichard.

George Burrus, former head of refineries for Anderson-Prichard, told the Col-Tex employees that he believed Col-Tex will be fortunate to become allied with Cosden.

"And I think it will mean a great deal to Col-Tex boys," Burrus added.

IN CIVIC HOUSE

400 Dancers to Gather Saturday

Colorado City will be host Saturday night to approximately 400 square dancers from a wide West Texas area.

The square dancers will gather at Civic House for annual election dance of Westerner Square Dance Association.

Hosting the event will be the town's Do-Si-Do Club with Raymond Uzzle as president.

Up to 40 squares at a time are expected to whirl to the calls of 14 guest callers from towns scattered over a 150-mile radius.

Last year when the Westerners met here for another seasonal meeting the Civic House floor had as many as 36 squares dancing at once through the evening.

Welcoming the out-of-towners when the dance begins at 8 p. m. will be Uzzle, the Do-Si-Do president, and Bill Quimby, manager

of Colorado City Chamber of Commerce.

Masters of ceremonies for various phases of the square dance program will be Jack Fomby of Sweetwater, Ben Davis of Slaton, S. L. Bowen of San Angelo, I. R. Witt of Hamlin, Carl Aldridge of Colorado City, Asa Largent of San Angelo, Marshall Plippo of Abilene and Owen Renfro of Abilene.

Presiding at the business meeting for election of 1957 officers will be Bart Westfall of Barnhart, first vice president of the Westerners.

Callers and dancers will be Jack Chaney of Abilene, Louisiana Swing; G. H. Cobb of Stamford, El Paso Star; Renfro, Loose Talk; Billie Jack Ray of Haskell, Sally Goodlin with a Do-Si-Do; See DANCERS Pg. 7

20-YEAR VETERANS—Receiving awards and recognition Tuesday night at a Col-Tex Refinery employees dinner were, left to right, Charley Parrish, E. E. Daniels, Ozro Allison and Joe Gunning, all veterans of 20 years of service with Col-Tex.

"Save your Vision"

Children

... must read between 200 and 300 books during public school years. This tremendous amount of eye work is done during a child's most formative years. One out of four can't stand the strain and become nearsighted or partially blind in one eye. Others develop a dislike for reading.

Senior Citizens

... must use caution about their eyes too! In most cases blindness is due to neglect. Therefore, you should have an annual eye examination to avoid loss of sight from cataract, glaucoma, astigmatism, diabetes, high blood pressure, cancer, kidney diseases and other eye inflammations.

Have your eyes examined once a year to improve and conserve vision!

Church Organizes New Sunbeam Unit

By MRS. ALTIS CLEMMER, Record Correspondent. WESTBROOK—Sunbeam Band has been organized at Westbrook First Baptist Church. Ten children met Wednesday

afternoon at the church in their first Sunbeam meeting. Directing the group's initial meeting was Mrs. C. L. Eastman, Sunbeam leader for Women's Missionary Union. The Sunbeam group will meet each Wednesday at 4:45 o'clock at the church with Mrs. Eastman as leader and with the WMU as sponsor.

Visits in preparation for the Sunbeam Band organization were made last Wednesday morning by the WMU following its meeting at the church.

Meeting of the WMU, in addition to the Sunbeam organizational visits, featured a community mission program. Mrs. J. S. McKenney directed the mission program.

Mayor and Mrs. W. E. Rucker visited last week end in Midland with their son and daughter-in-law, Mr. and Mrs. Bill Rucker and children. They also attended the Permian Basin Oil Show in Odessa.

Visiting in Big Spring over the week end were Mr. and Mrs. J.H. Morgan and daughter, Janis. They were guests of their parents, Mr. and Mrs. J. T. Morgan, Mr. and Mrs. Wilkerson.

PHONEMAN—Now here from Fort Worth to direct Southwestern Bell Telephone plant department activities is John R. Robbins. He succeeded O. G. Gahwiler, who transferred to the Gulf Coast.

Baumann Club Donates to United Fund

LORAIN—Baumann Home Demonstration Club met last Wednesday afternoon in the home of Mrs. R. D. White.

Mrs. Jasper Doyle led the club prayer and roll call was answered with each member telling "good food for the fall."

The members voted to pay \$10 to Mitchell County United Fund during the business session directed by the club president, Mrs. Lester Webb.

Plans were made for a Halloween party on Oct. 27 at 7:30 P. M. at the home of Mrs. Garland Cary.

Mrs. Cary brought the program on recreation for club meetings. The next meeting will be at the home of Mrs. Ray Wright.

Those present were Meses. Ben Adams, Cullen Payne, A. J. Scarbrough, Alfred Hackfield, Jasper Doyle, Garland Cary, Lester Webb and the hostess.

Mr. and Mrs. Edison Wilson of Midland, Mr. and Mrs. Marvin Martin and Janie of Abilene visited here Sunday with their mother, Mrs. H. B. Wilson.

Mr. and Mrs. Phil Horton spent Sunday in Ackerly with their son and family, Mr. and Mrs. Tommy Horton and daughter, Diana.

Mr. and Mrs. Tom Clark and J. M. Clark of Lubbock visited here Sunday with their brother-in-law and sister, Mr. and Mrs. Floyd Richey.

CIVILIANS AGAIN

Cornutt and Mahon Back from Service

LORAIN—Two Mitchell County service veterans were back in civilian clothes this week. Benny Cornutt arrived home last week from San Diego, Cal., where he received his Navy discharge as fireman third class after four years in the Navy.

Returning Saturday from 18 months duty with 96th Antiaircraft Battalion in Anchorage, Alaska, was Gordon W. Mahon.

Mahon, son of Mr. and Mrs. John Mahon was a sergeant when he was discharged from service at Fort Lewis, Wash. He served two years in the Army at Fort Bliss, El Paso, and in Alaska.

The home of his parents here Sunday was the scene for a homecoming reunion for the families of all his brothers and sister.

At the Mahon home for Sunday homecoming luncheon were Mr. and Mrs. J. C. Rickman and children—Karen, Mark and Scott—of Amarillo; Mr. and Mrs. Bryan Mahon and sons, Myron and Monte, of San Angelo; Mr. and Mrs. Eldon Mahon and children—Jana, Martha and Brad—of Colorado City; Mr. and Mrs. Royce Mahon and children—Barbara, Cynthia and James—of Lo

rain; the returning sergeant and the parents.

Joining the group in the afternoon were Mr. and Mrs. Horace Newton of Midland, Mr. and Mrs. Claud Muns of Sweetwater, Es. J. S. Muns and Mrs. Otis Muns of Loraine.

The other returning serviceman, Cornutt, is the son of Mr. and Mrs. Willis Cornutt of the Landers community. His wife has been residing for several weeks at the home of her parents, Mr. and Mrs. Euell Jones, in Colorado City awaiting his separation from Navy service.

Cornutt was aboard a carrier for much of his Navy service and saw service in both the Pacific and Atlantic Areas. He was aboard the USS Leyte when the carrier was severely damaged by an explosion three years ago in Boston harbor.

North Loraine Sets Party For Saturday

LORAIN—The North Loraine Home Demonstration Club met Wednesday afternoon in the home of Mrs. Roy Wells, two miles north of Loraine.

Mrs. Otis Hamrick, club president, directed the meeting which opened with Mrs. Wells leading the club prayer.

Roll call was answered with "good foods for all". Annual reports were completed by the club and plans were made for a Halloween party at the home of Mrs. Buck Taylor on Saturday night, Oct. 27, at 7:30 p. m.

Plans also were made for an all-day Thanksgiving meeting to be held in the home of Mrs. Jack Linam with a covered dish luncheon at the noon hour.

Mrs. Ralph Lankford gave a program on "Complexion Care". Apple pie, topped with ice cream, and iced tea were served to five members.

Mr. and Mrs. B. W. Tartt and daughter, Fay, of Abilene spent the week end here with Mr. and Mrs. G. B. Tartt.

Mr. and Mrs. H. E. Thomas spent the week end in Dallas with her brother and sister-in-law, Mr. and Mrs. Jack Mayes, and attended the State Fair.

Florence Jones of Bellevue returned home the first of the week after spending a week here with her mother, Mrs. W. S. Jones, and brother and family, Mr. and Mrs. Troy Jones.

Group Enjoys Landers Club Family Night

By MRS. C. N. STUBBLEFIELD, Record Correspondent.

LANDERS—A group of families enjoyed a family night program Saturday sponsored by Landers Home Demonstration Club.

The entertainment in the club house featured Bingo, relay races, word games and refreshments of doughnuts and coffee, cookies and punch.

Attending were Mr. and Mrs. A. L. White, Mr. and Mrs. Weatherman, Mr. and Mrs. Silas Caswell and children, Mr. and Mrs. Charles Stubblefield and family, Mr. and Mrs. Bruce Byrne and family, Mr. and Mrs. Sidney Compton and family.

Mr. and Mrs. Sidney Compton and children, Jean and Larry, visited Sunday in Robert Lee with Mrs. Compton's parents, Mr. and Mrs. Bob Patterson.

Mrs. Byron Byrne left Friday for a visit in Mert with Mr. and Mrs. E. E. Gillespie. Mrs. Gillespie is a niece of Mrs. Byrne.

California visitors in the home of Mr. and Mrs. Dave Stubblefield are Mrs. Stubblefield's brother, Joe Bowman, and her brother-in-law and sister, Mr. and Mrs. Lloyd Hamilton.

The trio is from Yuba City, Cal.

HELP THE BAND BY BUYING A DELICIOUS MANOR FRUIT CAKE

"Members of the band boosters club will contact you in the near future to solicit your orders for Manor fruit cakes for Thanksgiving and Christmas. Proceeds from the cake sales go toward building a more colorful and well-organized high school band in Colorado City. Money is needed to finance the band on trips, to clinics and other special events. The school tax dollar cannot carry the load alone, thus we ask you to save your fruit cake orders for the Band Boosters club and aid a worthy cause."

Cub Scouts Make Good Will Visit

A good will visit with Mrs. J. W. Banks Sr. Tuesday afternoon highlighted the weekly meeting of Cub Scouts in Den 2, Pack 8.

Mrs. J. A. Martin, den mother, introduced Cubs to Mrs. Banks. The first chapter of John was read responsively by Cub Scouts.

Winston Smith presented a gift to Mrs. Banks in behalf of den members. Closing prayer was said by Robert Davis.

Cubs then traveled to the home of Mr. and Mrs. E. F. Rothwell where the business session and flag ceremony were conducted. Perry Ruddick and Bill Smith tied for "cub of the week" honors.

Mrs. Rothwell served Cokes and coconut cookies to Robert Davis, Robert Martin, Ronnie Rothwell, Phil Ball, Winston Smith, Perry Ruddick, Larry Rothwell and Mrs. Martin.

School Board Head Is Guest Speaker of PTA

Johnny M. Moore, president of the Colorado City School Board and local attorney, was guest speaker last Thursday evening at the first meeting for the Hutchins School Parent-Teacher Association.

Moore spoke about the fourth amendment concerning the teacher retirement plan, which is to be voted on Nov. 6.

The speaker was introduced by Ed E. Williams, superintendent of schools.

Mrs. William Landau was program chairman.

Rev. J. F. Seierag, PTA president, presided in the meeting. It was announced that 226 members had been signed up at the time of the first meeting.

Winners in the membership drive were announced by Mrs. Jack Jones, drive chairman.

Mr. Everett Yelding's room won a prize of \$3 for first place. Students in Mrs. Benton Cain's room was second prize which was \$3.

A pin was presented by Richard Smith, a student in Mr. Olson Sweet's room, for bringing the most guests to the PTA meeting.

SYMBOL OF SAFETY

You never mistake the meaning of a Church spire.

Even to those who are cold to the ideals for which the Church stands, that finger of faith always points to something that is comforting, reassuring, safe.

The very presence of a Church, whether in a crowded city street or on a quiet country road, is a benediction to all, including those who are not conscious of worship.

Such an influence, with what it means to those who open their hearts to truth, is worthy of a second thought. It merits acceptance as a refuge. It commands confidence as a port in time of storm.

The Church deserves your support—your membership—because it affords real protection for the family whose welfare it is your duty to defend and whose proper upbringing is your solemn obligation.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

not subject the crop to rain and sand damage threat faced when cotton stands for a time in the field.

"If a producer will examine his operation and make production plans with the aim of harvesting with the mechanical stripper," Byrd said, "he may be pleasantly surprised at the results."

"More and more producers are."

Byrd, who pointed out that experts cotton production costs must be decreased to seven cents a pound if U. S. cotton is to be placed on a secure world-wide competitive basis, reported some farmers in this area are wary of the initial expense of purchasing a mechanical stripper.

Two farmers buying equipment together is one way that Texas farmers can tackle that initial cost item, he said.

DON BLACK PROVIDES SPARK

Wolves Outgain Lamesa Team But Lose District Game, 19-13

Almost—but not quite. So close—but yet so far away. That could very well explain Colorado City's plight as they lost a heart-breaking 19-13 district football game to Lamesa's Golden Tornadoes Friday night at Wolf Stadium.

A homecoming crowd of less than 2000 fans saw Coach Bob Reilly field a team that nowhere resembled the squad that had lost all previous six starts.

A new spark was there—and that spark was in the form of slender 136-pound Don Black who has given the Wolves what they've been looking for all year—a boy that can move through the line fast and shake a hip at the secondary.

Black led a ground attack that outgained the opposition for the first time this year in gobbling up 232 yards. Wolves lost 26 carries for 3.1 yard average.

Black rolled up 81 yards the first half and 37 in the final half for a total of 118 yards on 22 carries for 5.3 yard average. Black's halfback running companion—Roy Maples—averaged an even eight yards per carry on seven tries through the line for 56 yards.

Behind 19-6 at the half, the Wolves came back strong the last half.

They manufactured a 64-yard scoring march that consumed majority of the third quarter with Black going over for his second TD of the night with 2:15 left in the period. Joe Maddox booted the extra point to pull up to 19-13.

And midway of the fourth quarter, the Wolves took over on their 16 and appeared destined to roll all the way into the Lamesa end zone.

Black started the drive when he fielded a booming Lamesa punt on the Wolves' five and returned it to the 16.

Richard Compton, who kept Lamesa guessing all night long with his mixture of plays, circled end on a keeper to the 21. Compton fired a four-yard jump pass to Marion Flippin to the 25.

Next play, Maples slanted off right tackle, reversed his field and sped 32 yards to Lamesa's 43 before he was hauled down from behind.

Black ripped off nine yards through the middle. Bancker Cade slammed to the 37 and Compton fired a 10-yard pass to Jimmy Richardson to set up a first down on Lamesa's 27.

Compton rolled out to the 18 and Black sneaked to the 16 for a first down.

The picture was looking bright—Wolf fans could visualize either a 19-19 tie or a 20-19 win for the Wolves.

But then the Tornadoes struck. Black was held for no gain on first down.

Compton raced back to pass but was clobbered for a seven-yard loss before he could get set.

On third down, the Tornado linemen roared through the leaky Wolf line to set Compton back for six more yards on an attempted pass.

And on fourth down, Compton was thrown down again, 27 yards away from a first down and 33 yards away from pay dirt.

Lamesa used seven plays to run out the clock and take the District 3AAA opener for both teams.

But Wolf fans left the stadium

TOP GAINER—Don Black, 136-pound left halfback for Colorado High, was the leading ground gainer of the C-City-Lamesa game Friday night, rolling up 118 yards.

with a better taste in their mouths—much better than in the six previous games when the Wolves were hard-pressed to stay on the field.

Wolves accomplished what no other team has been able to do this season. They controlled the Golden Tornadoes little whirlwind runner John Middleton.

Middleton, who had a field day against Monahans last week with three long TD sprints, was held to 67 yards on 19 carries and only one touchdown.

But in doing so, the Wolves let loose left half Roger Shipp on a 45 yard run and end Wayland Holladay on a 54-yard pass play.

The game started on a sour note for C-City with Black flipping off 15 yards to Lamesa's 49 on the first play, but an off-sides penalty moved the ball back to the 29.

Maples romped to the 33, but another off-sides scooted the ball back to the 24.

After Compton was smeared for a three-yard loss, Black slanted off tackle for 14 yards to the average, sailed a kick 45 yards 39, put short of a first. Jim Windham, who booted twice in the game for a 40-yard average, sailed a kick 45 yards to Lamesa's 16.

Wolves held the Tornadoes and they punted to Black on the Wolves' 45 where the little junior called for a free catch but was hit by a Lamesa lineman.

The ensuing 15-yard penalty moved the ball to Lamesa's 40.

Maples got five and Black raced through a big hole at tackle for 17 yards to Lamesa's 18.

An off-sides set the ball back on the 23, but Black regained it on the next play to the 16.

Maples set up a first down on Lamesa's five with a 11-yard gallop.

Maples rammed to the four-yard line and in two plays Black leaped across the double stripe with 5:20 left in the quarter.

Maddox's conversion try was wide for a 6-0 lead.

Two minutes later Lamesa tied it up 6-6 on a 60-yard scoring march covered in three plays.

Middleton lost one yard at right end on the first play following the kickoff.

H.W. Thurmond got two yards and then Lamesa man - under Frank McKinney hit Holladay in

the flat with a pass on the Wolves' 45 where the tail end outraced the Wolves into the end zone.

Wolves took the kickoff, and on the second play fumbled. Lamesa took the ball and on second play fumbled. Wolves took the ball and on the second play fumbled.

After both teams had wiped the butter off their hands, Lamesa had the ball on their 39.

Middleton got his longest run of the night for 16 yards to the Wolves' 45 as the first quarter ended.

On the first play of the second quarter, Shipp sailed around right end, two Wolves pawed all over him but he eluded them

to go 45 yards for the second marker and a 12-6 lead.

Wolves took the kickoff, couldn't move and Windham punted to the Lamesa 30 where Middleton returned it to the 40.

In 14 plays, the Tornadoes moved 60 yards with Middleton and Shipp hacking at the line for short gains. With the ball setting on the Wolves' eight-yard line, Middleton took a direct hand-off on a spread formation, went to the left, reversed his field and raced into the end zone untouched for the score. Sam Jones' left-footed was good for the 19-6 half time lead.

And then the Wolves came back from halftime after Juanell Bynum had been crowned homecoming sweetheart and rolled for the second touchdown.

It took 16 plays to go the 64 yards distance with Black, Compton and Cade alternating at ball-carrying roles to Lamesa's 43.

Then Compton ripped two passes to Flippin, the first for eight yards and the second for four to Lamesa's 31.

After two running plays, Com-

ton connected to Maples in the flat for 16 yards to the 13.

Five plays later, Black slipped through the line for the TD. Maddox converted to make it 19-13.

And then came the despairing results of the before-mentioned touchdown drive stopped short by Lamesa's charging linemen.

Not enough can be said of the Wolves' line, especially Windham, Maddox and Dru Vowell. Black rode the sharp blocking of this trio all night long for good gains. He had especially good success behind right guard and tackle where the pair of 205-pounders—Maddox and Windham—were turning in crisp blocks.

Had the Wolves' secondary defense, been sharper, the Tornadoes would have been trimmed to whirlwinds.

Defensive work at the ends by Don Powell and Richardson, plus the fast line-backing of Cade kept Middleton locked up.

Wolves enjoy an open date next week before hosting Sweetwater Nov. 9.

Sweetwater and Lamesa are now tied for first place in the

district, but Snyder, who had an open date this week, will get a crack at Sweetwater Friday when they play in Mustang Bowl at Sweetwater. That game should determine the District 3AAA title holder.
