Tahoka, Lynn County, Texas, Friday, May 30, 1941

Number 42

Two Ex-Tahokans Are Fatally Injured

David Childers Dies Of Injuries

David A. Childers Jr. of Lubbock, reared principally in Tahoka, 22, died shortly after 6 o'clock Saturday afternoon in St. Mary's Hospital of injuries sustained in an automobile-truck accident on the preceding Thursday night.

The accident happened about 4 miles west of Lubbock on the Littlefield highway during a rainstorm, according to an account of the affair published in the Lubbock Avalanche. Investigating officers reported that Childers' coupe rammed the rear of a truck driven by Clyde Holcomb of Lynn county.

Childers sustained head and chest injuries which later resulted in his death. Physicians at the hospital had entertained no hope for his recovery at any time after his entry into the institution.

David was the son of Mr. and Mrs. D. A. Childers, who resided in and near Tahoka for many years, the father having been foreman of the T-Bar ranch just west of Tahoka. David was born and largely reared here, being a student in the Tahoka school when the family removed to Lubbock a few years ago.

Besides the parents, survivors are a brother, Jack Childers of Stockton, California, and a sister, Mrs. John E. (Lorene) Harding of Lubbock.

Funeral services were conducted Sunday afternoon in the First Methodist Church in Lubbock, with Rev. R. T. Breedlove of Floydada, a former pastor here, officiating, and Rev. H. I. Robinson, pastor of the Lubbock First Methodist Church, assisting.

The grief-stricken family have the sympathy of many Tahoka friends.

Softball Teams Needed In League

As soon as sufficient teams sign up and the grounds are sufficiently dry, the soft ball season will start in Tahoka, G. W. Simmons, chairman, and Claude Conway, secretary-treasurer, respectively, of the local league have announced.

So far only three or four teams have definitely made up their minds to enter play, Claude Conway said Tuesday. Among those who may enter the league are: Grassland, New Lynn, New Home, Reid Parker Service Station, Phillips 66, Rotary Club, Tahoka Bakery, D. W. Gaignat, and Football boys. These or any others desiring to enter the league should see Conway at once in order that the schedule may be made out as early as possible.

NEW HOME CHURCH OF CHRIST

Due to a change in schedule there will be preaching Sunday morning and Sunday night at the New Home Church of Christ. Visitors are always welcome at these services.

Mrs. J. K. Hunt of Claude is visiting her daughter, Mrs. Truett Smith and family this week.

Cotton Stamp Plan Will Be Explained

All merchants in Lynn county who will be selling cotton goods that will be bought with cotton stamps are asked to meet at the County Agricultural Building at Tahoka Tuesday, June 3, at 2:30 p. m., according to Donald Turner, county agent.

K. J. Edwards, district agent of the Extension Service, and a representative of the Surplus Marketing Administration will meet with the group and explain how the stamps will be used. Members of the Lynn County Land Use Planning committee are also asked to attend the meeting.

Every merchant in the county who intends to participate in the cotton stamp program is urged to attend.

Dwain Peters Is Killed In Accident

Funeral services were conducted at the Harris Funeral Chapel at 3 o'clock Tuesday afternoon for Everett Dwain Peters, for a number of years a resident of Tahoka, who met his death about 3 o'clock Sunday afternoon at Sundown, Hockley county, when he fell from an oil derrick.

The funeral rites were read by Elder G. C. Brewer of Lubbock and the body was buried in the Tahoka cemetery.

Mr. Peters is said to have been something like a hundred feet above the ground when he lost his footing and fell. Death was not exactly instantaneous but the injured man lived but a few minutes after the accident.

The body was brought to a funeral home in Levelland, where it was prepared for burial, and it was brought to Tahoka after midnight.

Surviving him are his mother and step-father, Mr. and Mrs. O. W. Owens, formerly of this county but

(Continued on Back Page)

Tractor Injures Thurman Jester

Thurman Jester 21, suffered serious and painful injuries to his right leg above the knee last Saturday when a tractor he was driving overturned, pinning him under and causing the gear shift lever to pierce the flesh of his leg.

Mr. Jester, who with Kenneth Crouch operates a farm seven miles west of Three Lakes, was pulling a car with the tractor when the accident occurred, and was pinned under the machine for an hour and a half before another tractor could be brought to rescue him.

It was necessary to saw off the lever with a hack saw near his leg before he could be brought in for treatment. He was brought to the office of a local physician, who took him on to a hospital in Lamesa and removed the lever from his leg. He is said by his physician to be doing as could be expected, Wednesday.

Arley E. Moore Family Visits Friends Here

Elder and Mrs. Arley E. Moore and little son arrived last Friday night from Everett, Washington, where he has been engaged in mission work. For a few months Elder Moore was minister for the Church of Christ here before going to Washington in June of last year.

In addition to his ministerial activities in Washington, Oregon and western Canada, Elder Moore followed various secular pursuits out there, he reports. For a time he had the experience of working in a sawmill at Everett. He says there are twelve of them there, Everett being a town of about 40,000 population.

Sunday afternoon he preached in the Church of Christ at New Home, giving a resume of his mission work in the Northwest, which is said to have been a most interesting story. Elder Eugene Long preached at the morning service. A number of visitors from Tahoka, Wilson, Grassland and other places attended these services.

Elder Moore and family will leave here Saturday for Forsan, in Howard county, where he is to preach Sunday, and from there he expects to go to Wichita Falls and Hammond, Oklahoma. He does not yet know where he will be located permanently, but expects to eventually return to Washington.

NOTICE OF MEETING

The Lynn County Egg Marketing Association will meet in the court house Saturday afternoon, May 31, at 2:30 o'clock. All persons interested in obtaining better prices for their eggs, are urged to attend.

J. J. Aycox of Los Angeles returned home Tuesday after a five weeks' visit with his sister, Mrs. L. L. Pesterfield and brothers, A. C. and B. C. Aycox of near Tahoka.

Welch Explains New Loan Plan

With the best season in the ground in years, now is an ideal time to begin thinking of storing feed for a two years supply, according to Wyman J. Welch, county RR supervisor.

Mr. Welch states that community and cooperative service loans can be obtained by Farm Security Administration borrowers at the rate of 3% interest. These loans can be repaid over a period of from one to five years.

Master type loans are made to individuals who borrow the entire amount and pay for it by collecting fees.

Joint borrow type loans are made from two to several farmers in a community, each one sharing in loan and repaying his part each year.

Loans are available to purchase row binders, ensilage harvesters, feed grinders, pure bred sires, combines, etc.

Local Citizens Are Underwood Guests

Several cars of Tahoka citizens left Wednesday morning for Athens, where they will be guests the remainder of the week of Arch S. Underwood, compress owner and and E. R. Edwards, manager of the local compress, at the former's lodge at Lake Undy, near that city.

The party expects to do some fishing and on Friday attend the annual "East Texas Grand Opera," an old fiddlers reunion held annually in that East Texas city. On Friday night, Underwood will also be host to the Texas legislature, a large number of newspaper men, and many other prominent men of the state. The Tahoka guests will stay at Underwood's elaborate lodge at Lake Undy.

Tahoka citizens guests of Underwood and Edwards are: Truett Smith, Harley Henderson, C. C. Coffee, J. L. Heare, W. O. Thomas, Frank Hill, R. P. Weathers, Henry Heck, Tom Garrard, J. K. Applewhite, Conway Clingan, and Don Turner.

News Cooking School Is Declared Success

The Lynn County News' Happy Kitchen Cooking School held here last Thursday, Friday and Saturday proved profitable and entertaining, and was a decided success, in spite of the rainy weather and the bad roads which kept most women off the pavement from attending. Both the ladies attending and the merchants cooperating with the school seemed pleased with the lectures and demonstrations of Miss Jessie Hogue, home economist, in charge.

In spite of the rain, there were 129 women registered on Thursday, 116 on Friday, and 119 Saturday morning. In addition, there were a number of children and young girls present.

Though it was pouring down rain Friday morning, 40 men braved the weather to attend the coffee and gingerbread party for the business men.

Twenty-three cakes were entered in the cake baking contest during the school, and there was close competition for the prizes.

Winners of the contest were: Mrs. E. O. Overman, T-Bar, first; Mrs. W. A. Reddell, Tahoka, second; Mrs. Jarrell Cox, Three Lakes, third; and Mrs. W. C. Huffaker, Tahoka, fourth.

As evidence of the difficulties some of the women encountered in attending the school, Mrs. Jarrell Cox and Mrs. T. R. Parks, who

(Continued on Back Page)

Coopers Move To Dawson County

Mr. and Mrs. Noel Cooper, who have resided near Tahoka for more than fourteen years, are this week moving to the Cotton Center community in Dawson county, where they will reside until they can get possession of a farm in the Key community which they have bought. During the most of the time they have resided here they have kept good dairy cows in connection with their farming operations and for a year or more they operated the Tahoka Dairy. Not only have they made a success of their business but they also have made many friends here, who regret that they are moving away.

Special Exams Are Set For June 7th

Supt. W. T. Hanes announces that examinations will be held on Saturday, June 7, for the benefit of those pupils who were compelled to miss the final exams, at the close of school on account of sickness. A number of the pupils were sick of chicken-pox at that time.

All such pupils are requested to report at the school building at 9 o'clock on Saturday morning, June 7, to take the final examinations.

Roosevelt Pledges Nazi Destruction

PROCLAIMS "UNLIMITED EMERGENCY"

President Roosevelt delivered an epochal speech to the world Tuesday night. It is doubtless the most important and will prove to be the most historic deliverance he has ever made.

Declaring that an "Unlimited National Emergency" exists, he called upon the entire citizenship of the United States to present a united front against Adolf Hitler who as the President declared, is waging a war whose purpose is to make him the dictator of the world.

He put Hitler and the totalitarian nations on notice that the United States will not accept a Nazi-controlled world, but on the other hand will fight to the death to prevent such a catastrophe and to utterly destroy Nazism throughout the world.

He said that the United States ought, must and will see to it that American supplies reach the British, whatever means and methods it might be necessary to employ to effect that result.

He declared that Hitler and the Nazis must not be allowed to gain footholds in the Azores, the Cape

Verde Islands, and other islands in the Atlantic, and intimated that the United States would seize these islands whenever it might appear to be vital to our defense that we do so.

He asserted that Hitler could control the world only by controlling the seas, and that he is now engaged and hence it is vital that we furnish all aid possible to England.

In a death struggle to gain mastery of the Mediterranean, the Atlantic, and the Indian Ocean. To gain control of the seas he must first capture England, the President declared.

Discussing domestic affairs, he asserted that our Defense Program must not be further impeded by disputes between Capital and Labor. He strongly intimated that the Government would intervene with a strong arm to settle any further strikes that may occur in industries employed in the manufacture of war materials and equipment.

He made a strong appeal to the handful of senators and others who have been opposing the all-out-aid program to now fall into line and to present a solid front against the de-

Continued on Page 5

Farmers Re-planting Washed Out Crops

Reid Parker Buys Texaco Station

Reid Parker has acquired the lease on the Texaco Super Service station on the Lubbock highway north of the traffic light, and is moving his equipment there, where he will handle only Texaco products.

Mr. Parker has been operating the Sinclair station at the intersection of the two highways, and has made many customers and friends.

Homer Parker, his brother, and Charley Phillips, colored, will continue as employees at the new location.

Grassland Will Entertain Singers

Dawson-Lynn County Singing Convention will meet at Grassland in the Church of the Nazarene at 2 p. m. Sunday, according to M. C. Richey of that community. All singers are invited to attend.

C. H. Mansell of O'Donnell is president of the bi-county organization.

Utilities Company Meets Emergency

After the rain, wind, and hail storm which visited Wilson early last Friday morning, citizens of that town made an S. O. S. call to the Texas-New Mexico Utilities Company here for assistance. The electric lines there had been put out of commission, and not only was there the prospect that the town would sleep under a complete black-out that night but there was also immediate need for electricity to keep the freezer-locker there functioning.

So, W. S. Anglin, local manager, sent out a force to Wilson to repair the damage and re-instate the service. Five hours later the boys returned without having reached Wilson. They were cut off from the town by water. Slaton was likewise shut off.

So Mr. Anglin proceeded to locate T. B. Burroughs, foreman of the Santa Fe section between Tahoka and Slaton. Mr. Burroughs and his crew were located near Slaton putting in a bridge that had been washed out. He proceeded to Slaton on his motor car and there picked up an electrician and workmen and brought them down to Wilson, where the job of making repairs and reinstating the service was completed just in time to keep the town from spending the night in utter darkness.

It was a strenuous day for the workmen, but Mr. Anglin says that his company was determined to meet the emergency if humanly possible, and it did so with aid of the Santa Fe Railway Company.

News' Classified Gets Sure Results

Recently while visiting in Tahoka, Mrs. Charles Hoffman of O'Donnell lost her Toy Scotch dog, Poncho. No clew could be found as to where he had strayed.

Then she placed a little lost ad. in The News' classified columns. A man living about nine miles north of Tahoka read the ad., and the description fitted that of a small dog which had come to his place. He called the dog by its name, and from the response he knew right away that this was Mrs. Hoffman's Poncho.

Poncho is back home now, and Mrs. Hoffman says we can tell our business men that advertising pays.

D. W. GAIGNAT BETTER

D. W. Gaignat, who is recuperating from pneumonia in a Lubbock hospital, is steadily improving.

Mr. Gignat has been in the hospital for almost three weeks, and for several days his condition was very serious. Mrs. Gaignat has been at his bedside.

W. C. Wharton, who has been confined to his room with the flu for a week, was able to be back on the job at his place of business Tuesday morning.

Farmers for once were glad to see clearing skies and a cessation of the wet weather Monday afternoon, as the long-continuous "rainy spell" had completely worn out its welcome.

As the clouds were about to break away, however, they poured out a volley of liquid pellets in some parts of the county as a parting shot, and farmers coming into town from the east portion of the county declared that water was still running out of their fields. Tuesday brought no rainfall and farmers began getting ready to replant their crops.

It will be necessary to replant most of the crops of the county, though in some localities some feed is left intact.

When we made our report last week, giving the rainfall for Tuesday and Wednesday, we did not know, of course, what was just around the corner—we did not know that it would be raining again before the paper was in the mails. But .34 of an inch of rain fell that very night before eleven o'clock. And before daybreak Friday morning, it had set in to raining again, and the total rainfall Friday and Friday night amounted to 2.93 inches. Saturday brought .16 of an inch, Sunday .10, and Monday morning .38.

All that made a total of 6.62 inches that fell in the seven days, beginning with Tuesday of last week and ending Monday morning of this week. In the east and north portions of the county, from eight to nine inches fell in many localities during the week.

(Continued on Page 5)

Nolte Reports On Wilson Rainfall

Geo. A. Nolte, who resides a half mile or more east of the old Swan home place about thirteen miles north of Tahoka, dropped into the News office Monday to set his subscription date up another year and to get a copy of last week's issue. Mr. Nolte gets his mail out of Wilson and he said they had been unable to get any mail since the preceding Thursday.

The lake lying immediately west of Wilson stretches out across the road leading west, covering it to a depth of three or four feet, it is said. Mr. Nolte said that most people going to Wilson last Saturday either went on horseback or rode in on their tractors.

Mr. Nolte is one of the few persons who keep accurate records of the rainfall in their respective communities in Lynn county. He says that last week the total rainfall at his house was 8 3-16 inches, which was 1 1/2 more than fell in Tahoka, according to the editor's rain gauge—and that evidently was approximately correct. His total rainfall for the year measured 20 9-16 inches against 17.66 inches in Tahoka, a little less than three inches in excess of our rainfall, and apparently that must be approximately correct also.

If farmers in the various communities of the county would mount buckets or cans on posts several feet above the ground, out in the open, and would then agree to report the measurements to us, we would be glad to publish the reports from time to time, and everybody would be furnished much more accurate information as to the rainfall in the various sections of the county than is now possible.

Mr. Nolte is one of the few persons who keep accurate records of the rainfall in their respective communities in Lynn county. He says that last week the total rainfall at his house was 8 3-16 inches, which was 1 1/2 more than fell in Tahoka, according to the editor's rain gauge—and that evidently was approximately correct also.

News' Early For Memorial Day

Due to the fact that Friday is Memorial Day, The News is in the mails one day early this week. This is necessary in order that our subscribers on the rural routes receive their papers before Saturday.

A few subscribers in the far away sections of the county may not even then receive their papers until Saturday due to the disrupted rail and bus service and rural route service caused by the recent heavy rain.

Cooking School Menus—Second Day

Beef Witches with Barbecue sauce, Pineapple Slaw in Cabbage Rose, Cream Apple Pie, Autumn Woodland Cake, KC Buttermilk Biscuits, Yellow Jacket Icing, Coffee Parfait, Percolated Coffee, Cauliflower with Lemon Butter, Minted Carrots, Orange Blossom Cake, Chocolate Tea Bread.

BEEF WITCHES WITH BARBECUE SAUCE

1 1/2 lbs. veal
3/4 lbs. lean fresh pork (ground very fine)
1/2 cup bread crumbs
1 cup cream
3 t. onions (minced)
1 1/2 tspn salt
1/4 tspn pepper
4 1/2 tspns shortening
Make into cakes or balls and fry golden brown.

Barbecue Sauce

2 tbsps Worcestershire sauce
3 tbsps vinegar
1 tbspn sugar
1 can tomato juice
1/2 cup water
1/4 tspn chili powder
1/4 tspn sweet herbs
1/4 cup salad oil
Cook twenty minutes, put in bak-

ing dish, pour over sauce and cook 350 degrees for 45 minutes.

PINEAPPLE SLAW IN CABBAGE ROSE

Cut center from medium size cabbage. Shred, using about 3 cups, 1 cup diced pineapple, 2 tbsps lemon juice, 1/2 cup diced celery, 1/2 cup mayonnaise. (Salted peanuts are excellent in this slaw.)

Cabbage Rose

Cut cabbage in fourths, almost to base. Dip in warm water for a few minutes. Remove and dash in cold water to crisp. Shape rose with scissors. Fill center with pineapple slaw.

CREAM APPLE PIE

2 tbsps flour
1 tbspn quick tapioca
6 tart apples (peeled & quartered)
1 cup sour cream
1/2 cup sugar
1 tspn cinnamon
1 cup brown sugar
Pastry for 9-inch pan
Line pie pan with pastry. Mix flour and tapioca and spread over bottom and sides of pan. Stir sugar in cream with cinnamon. Dip apple slices into cream mixture, place in crust. When crust is filled, pour remaining mixture over top. Bake at 450 degrees for 10 minutes. Reduce and bake at 350 degrees until tender. Serve hot or cold.

AUTUMN WOODLAND CAKE

1 cup brown sugar (firmly packed)
1/4 cup milk
1 1/2 cups hot milk
3/4 cup shortening
1/2 tspn salt
1 tspn vanilla
3/4 cup brown sugar (firmly packed)
3 eggs, well beaten
3 cups sifted flour
3 tbsps KC Baking Powder
Combine 1 cup brown sugar, 1/4 cup shortening, 1/4 cup milk in sauce pan and cook until forms hard ball (250 degrees). Stir constantly after mixture starts to boil. Remove from fire and gradually stir in 1 1/4 cups hot milk. Cool. (This is Butterscotch mixture). Combine 1/2 cup shortening, salt and vanilla to 3/4 cup brown sugar. Cream until light and fluffy. Add flour, baking powder, and salt, alternately with butterscotch mixture. Then fold in well beaten eggs and bake at 350 degrees for 50 minutes.

KC BUTTERMILK BISCUITS

2 cups flour (sifted)
3 tbsps KC Baking Powder
1 tspn salt
1 tspn sugar
4 tbsps shortening
1 cup buttermilk
Mix dry ingredients. Cut in shortening until mixture is as fine as meal. Add enough buttermilk to make soft dough. Knead on floured cloth about 20 seconds. Roll 1/2 inch thickness, cut and bake at 450 degrees 12 to 15 minutes.

YELLOW JACKET ICING

2 cups sugar
1/4 cup corn syrup
1/2 cup water
Pour on 4 egg yolks beaten until thick and lemon colored. Continue to beat until fudgy, then add cream to spread nicely. Add 1 tspn lemon or orange extract.

COFFEE PARFAIT

2 egg yolks
3/4 cup confectioners sugar
1/2 tspn salt
1 cup strong coffee
2 cups heavy cream
1 tspn vanilla
Beat egg yolks, add salt and sugar. Mix, add coffee. Cook in double boiler to custard stage. Cool and freeze. Fold whipped cream into mixture when partially frozen. Add vanilla.

PERCOLATED COFFEE

Have percolator freshly scalded, add as many cups of water as desired. For each cup of water, add 1 tbspn coffee. As soon as percolation begins, reduce heat so that a

gentle percolating is in force for 7 to 10 minutes. Remove coffee container and keep the infusion hot until ready to serve.

CAULIFLOWER WITH LEMON BUTTER AND MINTED CARROTS

Thoroughly wash cauliflower. Plunge into cold salted water. Let stand about 1 hour. Remove and plunge in boiling salted water with 1 tbspn lemon juice added. Cook until tender. Remove and drain thoroughly. Pour over the lemon butter which is creamed butter with lemon juice and grated rind added.

MINTED CARROTS

Cook carrots until done, then remove and turn over and over in 2 tbsps of melted butter with 2 tbsps granulated sugar and just a little bit of dried mint.

ORANGE BLOSSOM CAKE

2-3 cup shortening
1 1/4 cups sugar
8 egg yolks
2 1/2 cups flour
2 1/2 tbsps KC Baking Powder
1/4 tspn salt
1/4 cup orange juice
1/2 cup milk
1 tspn grated orange rind
1 tspn lemon extract
Cream shortening and sugar well, add egg yolks (beaten until lemon colored). Sift all dry ingredients and add alternately with milk. Pour into greased loaf pan and bake at 350 degrees for 40 minutes.

CHOCOLATE TEA BREAD

3 cups flour
3 tbsps KC Baking Powder
1/4 tspn salt
1 cup brown sugar
1 cup raisins
1 cup milk
1 egg beaten
1/4 cup melted butter
2 sqrs. chocolate
1/2 cup nuts
1/2 tspn cinnamon
Mix flour, baking powder, salt and brown sugar well. Beat egg and add to milk. Mix dry ingredients with milk, add melted butter and chocolate (melted). Mix only enough to blend all ingredients including nuts and raisins. Bake in well greased loaf pan (small) at 325 degrees for 1 hr. and 25 min.

STUFFED PORK CHOPS IN CREAM

6 double rib pork chops (about 2 pounds)
1 cup crumbs
Salt and pepper
Sweet herbs
1/4 cup ground ham
Butter and enough hot milk to

dampen, making a seasoned stuffing. Stuff chops with mixture, then

brown. Cover with 1 cup cream. Cook at low heat until very tender—about

1 hour. Serve with stewed white (Continued On Page 3)

CARDUI

POPULAR FOR 61 YEARS!

See Doctors on Label

Just press down your right toe!

Buick SPECIAL 6-passenger Sedan, \$1006. White sidewall tires extra.

YOU slip into this trim Buick's seat—and right off the bat you know you've found something.

The cushions fit—the wheel nestles in your hand—the whole blessed beauty seems to say, "Welcome, friend! Where've you been?"

Then you seek out an open road where you can really try Compound Carburetion†—and press down your right toe!

Instantly there's a rush of power, as if an extra engine had gone to work.

Fact is—one has.

Under your bonnet a special, second carburetor has cut in, opening up a fresh reservoir of power not to be found in any other engine.

Most of the time that extra carburetor is idle. Your car operates solely on the small, frugal forward carburetor. But any time you need or want power—press down your toe and away you go, with two fuel mixers working!

Thrilling? You bet. But by actual test and experience, also more thrifty—as much as 10% to 15% more thrifty than previous Buicks of like size.

Only Buick can give you Compound Carburetion—and even that is only one of Buick's many desirabilities.

There's great size—lush comfort—the smartest of style—solid Buick goodness—all at prices that spell an unmistakable bargain. Why not ask your Buick dealer, "How much?"

†Available at slight extra cost on some Buick SPECIAL models, standard on all other Series.

onions and mashed potatoes. Sautéed pineapple rings and whole beets.

RUSTY CHOCOLATE CAKE

½ cup shortening
2 cups sugar
4 eggs
3 squares chocolate (melted)
1 cup milk
1 tspn vanilla
3 tspns KC Baking Powder
1 tspn cinnamon
1 tspn nutmeg
2½ cups flour
¼ tspn red cake coloring
Cream shortening and sugar until very light, add eggs one at a time beating thoroughly. Add melted chocolate. Sift dry ingredients 3 times together and add alternately with milk. Bake in 2 9-inch greased pans at 350 degrees, 30 to 35 minutes.

Rusty Chocolate Icing

1½ cups sugar
¼ cup water
2 tblspns white corn syrup
¼ tspn salt
2 egg whites
1 tspn lemon juice
1 square chocolate (melted)
½ cup nuts
½ cup chopped dates
Cook sugar, water, salt, syrup and egg whites over hot water, beating constantly until icing holds its shape and is quite stiff. Fold in lemon juice chopped nuts and dates. Pile on cake and swirl.

STRAWBERRY PIE

1 qt. strawberries or peaches
1 cup water
½ tspn salt
¼ tspn KC Baking Powder
3 tblspns corn starch
1 tspn vanilla
Wash and hull berries. Place ½ berries in baked pastry shell tips turned up. Crush other ½ of berries, add sugar, salt, KC Baking Powder and corn starch. Cook 10 minutes or until clear. When cool, add 1 tspn vanilla. Pour cooked mixtures over fresh berries. Chill well and serve topped with sweetened whipped cream.

MOKA CHOCOLATE MARLOW

1 square chocolate (melted)
16 marshmallows (quartered)
1 cup strong coffee
1-8 tspn salt
1 cup whipped cream
¼ cup broken nut eats
Melt chocolate, add marshmallows coffee and salt. Heat just enough to blend well. Cool. When mixture begins to thicken add whipped cream and nuts. Pour into freezing trays and freeze. Stirring unnecessary. Serves six.

AUNT DINAH'S SKILLET BREAD

1¼ cups corn meal
2 cups fresh buttermilk
4 tspns KC Baking Powder
2 tblspns shortening (melted)
2 eggs beaten
1 tspn salt
3 tspns sugar
Mix meal, sugar, salt and baking powder. Add well beaten eggs and pour then melted shortening. Pour into hot greased skillet. Bake 25 to 30 min. at 425 degrees.

ANN'S TOMATO CHEESE SALAD

1 1-lb. can tomato soup (heat)
2 envelopes gelatine, dissolved in ½ cup cold water
½ cup finely chopped green peppers, or sweet pickles
1 small onion (minced)
½ cup celery (chopped)
2 tblspns vinegar
1 cup cottage cheese
1 cup salad dressing
½ tspn salt
¼ tspn hot sauce
2 tspns sugar
Heat soup and add dissolved gelatine. Chill until ropy thick. Lightly fold in all other ingredients. Pour into mold 8x8x2 inches. Chill thoroughly. Cut into squares and serve on curly endive or lettuce leaves.

APRICOT CREAM PIE

1 tblspn gelatine
6 tblspns flour

BLACK-DRAUGHT

It's a top-seller
all over the South!

FROM THE 1940 ANNUAL REPORT
"The wide public acceptance of Phillips products is reflected in an unbroken record of increased sales each year since marketing activities began in 1927. During 1940, total sales of finished products amounted to 1,174,000,000 gallons. The increase of 66,000,000 gallons over 1939 volumes represented a greater percentage gain than for the industry as a whole."
K. S. ADAMS
President
FRANK PHILLIPS
Chairman

Off the Beaten Path

In 1927, only an idea... today, sales of more than a billion gallons a year.

In 1927, Phillips 66 was the name of an innovation in motor fuel, a gasoline off the beaten path. Today, 66 million is the 1940 increase in gallons over the sales for 1939.

From the beginning, Phillips has devoted itself to producing and delivering "greater value for the money." From the beginning, Phillips has never hesitated to step from the beaten path in search of any product improvement which might give finer performance or money savings to motorists.

A company, and a product, which have grown so swiftly in so short a time must have supplied special bene-

fits to car owners, must have given extra value to win such rapid recognition.

First to offer high test gasoline at the price of ordinary motor fuel... first to match gasoline to weather... first to offer at all its stations the extra-powered gasoline resulting from the patented POLYMERIZATION process... Phillips is a leader in research, ready at all times to leave the beaten path to make Phillips 66 an unexcelled gasoline in its price class.

On this record, and on this determination, we sincerely believe today's summer-grade Phillips 66 Poly Gas merits a trial by every car owner. We invite you to stop for a trial tankful... at any Orange and Black 66 Shell.

Phill-up with Phillips for Greater Mileage

**Report Is Made
By Health Unit**

In a survey of health work in Lynn county, the Health Unit wishes to report the progress that has been made in the 16 months since it was organized.

Communicable Disease
Seven admitted to service, 21 home visits, one admission to hospital, 95 immunized for smallpox, 846 for typhoid, 151 for diphtheria. Importance of immunizations have been stressed to everyone.

Veneral Disease Control
Twenty-two cases have been admitted to service and only two of these have had previous treatment. These cases have been given all told 198 treatments. There have been 51 blood tests for syphilis.

Tuberculosis Control
Five cases have been admitted to the service and five home visits have been made. One case admitted to the hospital. 303 people have been given the Tuberculosis test, with 14 positive reactions. Most of these 14 have had check-up to see that they did not have active T. B.

Maternity Service
One hundred and ninety-one maternal cases have been admitted to service; 422 home visits have been made.

Infant and Pre-School Service
Three hundred and forty admitted

1 tblspn cold water
1 cup apricot juice
1-3 cup sugar
¼ tspn salt
1 cup milk
2 egg yolks
2 egg whites
1 cup whipping cream
1 baked pie shell
6 apricot halves
1 tspn vanilla
1-3 cup sugar
Dissolve gelatine in cold water. Add 1 cup hot apricot juice and stir until dissolved. Blend sugar, salt and flour, add hot milk. Cook 10 minutes over very low heat. Add milk mixture gradually to egg yolks and cook 2 to 3 min. longer. Add apricot juice mixture and vanilla. Cool. Beat egg

to service, 652 home visits have been made. In the infants program diet, medical supervision and training have been stressed. In the pre-school, immunizations, and correction of any defects were urged.

School Hygiene
Four hundred eighty-six school children have been examined by physician and nurse. 25 cases admitted to service. 37 home visits were made. 3646 dental inspections were made by the local dentist, followed by 243 children being given correction by the local dentist and the Dental Trallor sent out here by the State Health Department. Hot lunches are now being served in nearly every school.

Fifteen Puppet Shows were given to the schools over the county with an approximate attendance of 4050. Motion pictures were shown to the schools stressing the healthful way of living.

Cripple Children Service
Twelve cripple children have been admitted to the service, 23 home visits made and five of the children have received care from the state hospital.

General Sanitation
Lectures and talks were made on

sanitation. Educational work in sanitation has consisted of the following: 1. Showing the need for safe water supply, both public and private. 2. Teaching proper handling of milk. 3. Instruction in danger of disease transmission by flies. 4. Showing need for proper disposal of human waste.

NOTICE TO THE PUBLIC
Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that
may appear in the columns of The
News will be gladly corrected when
called to our attention.

The Public Health Unit has sub-
mitted for publication this week a
report of its work here during the
sixteen months of its existence in
this county.

We know nothing as to the pro-
ficiency of the head of this unit
and his working force here, but the
report would indicate that this unit
has done a vast amount of construc-
tive work in this county.

The surveys that it has made
and the work that it has accom-
plished in the prevention and spread
of such diseases as smallpox, ty-
phoid, and diphtheria, and its
treatment of venereal diseases, are
enough to commend it to the citi-
zenship of the county.

Its service rendered to the school
children of the county and to child-
ren of the pre-school age, if effi-
cient, has been of incalculable value
to the present and future health of
a large proportion of our future
citizens.

Health is fully as important to
the child as is the acquiring of an
education; and if this Unit has
been instrumental in discovering de-
fects in hundreds of our children
and in leading to their correction,
as its report would indicate, there
is no way of estimating its value
to the children of the county.

And the cost, as we understand it,
has been negligible. Only fifteen
hundred dollars annually are being
paid by the County for this service
we understand, while the state and
federal governments are paying
nearly three times that sum. And
the children of the poor, who other-
wise would not be given medical ed-
vice and attention, are receiving the
chief benefits from the service.

A program like this, if proficient-
ly done, beats an old-age-pension
preserves health and enables our
opinion, for it prevents disease and
preheves health and enables our
children to grow up as normal,
healthy children instead of physical
defectives, and eventually charges
upon the community.

Still, not knowing all the ins and
outs of the Public Health service
here, and not being familiar with the
financial condition of the county as
are the members of the commission-
ers court, we would not undertake to
advise that body what to do about
this service, assuming that the court
is just as much interested in the
health and the general welfare of
our people as we are.

The sinking of the British battle
cruiser, the Hood, by the German
battleship, the Bismarck, was a ter-
rible blow to British pride and a
considerable blow to the British
navy. But the British got revenge.
They gave pursuit and finally sank
the Bismarck. The Hood was reputed
to be the finest battleship afloat,
but it had been in service for
twenty-one years. The Bismarck was
one of the two best German war-
ships, and it was new. It was out
on its first cruise when it encoun-
tered and sank the Hood, which
must have brought great rejoicing
in Germany, but it did not live to
get back home, which must have
caused German feathers to fall. The
British navy is still the mistress of
the seas.

With most of the other common
people of America, we think it is
high time for the Congress of the
United States to do something
about strikes that obstruct the
work of the Government. When
seventeen hundred well-paid men
can hold up almost our whole ship-
building program over a difference
of three cents per hour in their
wage scale, we begin to wonder if
there is nothing that the Govern-
ment can do about it. If these
strikes continue, there is going to
be an ever-increasing demand on
the part of the people that some-
thing must be done about it.

Cooking School Menus---Third Day

Almond Mocha Pudding, Prime Rib
of Beef, Orange Cake, KC Baking
Powder Biscuits, Bishops Bread,
Salad Surprise, Broiled Steak,
Noodles, Noodles Romanoff, Stuff-
ed Egg Plant, Baked Chocolate
Pudding, French Chocolate Cake

ALMOND MOCHA PUDDING
Melt 4 tbsps butter and mix in
4 tbsps flour, ½ cup granulated
sugar, 1-3 tpsns salt, ½ cup strong
coffee, ½ cup milk. Cook slowly and
stir constantly until creamy and
thick. Add 4 egg yolks, 1 tspn van-
illa, ½ cup shredded almonds.
Lightly fold in beaten whites and
cook at 350 degrees for 35 minutes
in a buttered baking dish in a pan
of hot water. Cool and serve plain or
cream topped.

PRIME RIB OF BEEF
Select a 5-rib standing roast. Wipe
off with a clean damp cloth.
Sprinkle with salt, pepper and flour.
Place in open pan without water
and roast at 350 degrees. If meat
thermometer is used—Rare, 140 de-
grees; medium, 160 degrees; well-

We are glad that President Roose-
velt is reasserting the doctrine of
the freedom of the seas. We never
abandoned this good old doctrine
during World War No. 1, but two
or three years ago we became so
pacifist-minded, yellow, or some-
thing that we junked it temporarily.
When we did so we yielded just
that much to the haughty threats
of the dictators. America should
never do it again.

It is our belief that when we go
about the task of electing a United
States Senator on June 28, we
should have in mind not merely the
service he may be able to render
within the next two or three years
but the service he may be able to
render through a long period of
time. No man can amount to much
in the U. S. Senate for the first two
or three years. He must win position
and influence by long service and
ability. We believe that Gerald
Mann is by far the most capable
and promising man in the race—a
man who will shine in that body
ten, twenty, and perhaps thirty
years from today. We are not
against some of the others, but we
are for Gerald Mann.

done, 180 degrees. Roast 30 minutes
per lb.

ORANGE CAKE
¾ cup shortening
2 cups sugar
3 eggs (well beaten)
1 ¼ cups milk
¾ cup orange juice
½ tspn salt
Grated orange rind
1 tspn lemon extract
4 cups flour
4 tpsns KC Baking Powder
½ tspn orange coloring
Cream butter and sugar well, add
beaten eggs. Mix dry ingredients and
add alternately with orange juice
and milk. Pour into greased stem
pan and bake at 350 degrees for 1
hour.

KC BAKING POWDER BISCUITS
2 cups flour
2 tpsns KC Baking Powder
1 tspn salt
4 tbsps shortening
¾ cup sweet milk
Mix dry ingredients. Cut in short-
ening until mixture is as fine as
meal. Toss onto floured cloth. Roll
½ inch thick, cut, place on baking
sheet and bake 12 to 15 minutes at
450 degrees. Cheese biscuits, cina-
mon pinwheels, tiny biscuits cut and
placed on your stews, are a few
variations.

BISHOP'S BREAD
3 eggs
1 cup sugar
2 cups flour
2 ½ tpsns KC Baking Powder
1-3 cup cherry juice
¼ tspn salt
2 cups broken nuts
1 cup dates
1 cup maraschino cherries
¼ lb. sweet chocolate
Beat eggs until light and add sug-
ar. Mix and sift flour, baking powder
and salt. Cut dates, nuts, cherries
and chocolate coarsely. Mix with dry
ingredients then add to egg and
sugar mixture. Pour into greased and
wax paper lined loaf pans. (Small)
Bake 1 hour at 325 degrees. Cool
and slice very thin for serving.
Lovely for teas or whenever dainty
food is desired.

SALAD SURPRISE
Sliced Pineapple

1-lb. pimiento cream cheese
Fruit salad dressing
dates (pitted)
FRUIT DRESSING
½ cup pineapple juice
½ cup orange juice
¼ cup lime juice
1 cup cream
Salt
4 eggs
¾ cup sugar

BROILED STEAK
(Porterhouse, T-Bone or Sirloin)
Select clear red meat with creamy
fat, 1 ½ to 2 inches thick. Cut
through fat around edge. If there is
long end on steak, skewer it in so
meat is compact. Place meat on
broiler rack. Broil on one side 10 to
15 minutes (depending on position
and degree of doneness you desire).
Turn and broil on other side 10 to
15 minutes. When finished, remove
to hot platter, pour over seasoned
butter sauce. Serve at once very ho'.

NOODLES
3 egg yolks
1 egg (whole)
3 tbsps cold water
2 cups flour
1 tspn salt
Combine egg yolks and whole egg
in mixing bowl. Beat with rotary
beater until very light. Beat in the
the water. Sift flour once before
measuring. Sift flour and salt to-
gether and stir into egg mixture to
make stiff dough. Divide dough
into 3 parts. Roll out each piece of
dough as thin as possible on flour
cloth-covered board. Place rolled-
out noodle dough between two
towels until dough is partially dry
(not too dry). Roll up dough as for
jelly roll and with a thin sharp
knife, cut to very thin strips. Shake
out strips and allow to dry before
using or storing.

NOODLES ROMANOFF
Noodles
1 cup cottage cheese
1 cup sour cream
¼ cup minced onion
1 clove garlic
1 to 2 tpsns Worcester sauce
Dash of hot sauce
½ tspn salt
½ cup well-aged cheese (grated)
Cook noodles in 3 quarts of boll-
ing water to which 1 tbspn salt has
been added. Drain. Mix cheese,
cream, onion, garlic, Worcester
Sauce, hot sauce, and salt. Place in

baking dish, sprinkle with grated
cheese. Bake 40 minutes at 350 de-
grees.

STUFFED EGG PLANT
Cut egg plant lengthwise, place in
salt water about 1 hour. Scoop out
egg plant, cut in cubes and cook un-
til tender. Blend 1 tbspn minced
onion, 2 tbsps butter, 1 cup crumbs
12 breaded oysters, ½ tspn salt, bit
of hot sauce, top with buttered
crumbs and bake 20 minutes at 350
degrees.

BAKED CHOCOLATE PUDDING
1 cup flour
¼ tspn salt
¾ cup sugar
2 tpsns KC Baking Powder
½ cup milk
2 tbsps butter
1 tspn vanilla
1 sqr chocolate (melted)
½ cup nuts
Mix as for cake, put in a square
pan (8 inches) and top with ½
cup white sugar, ½ cup brown
sugar, 2 rounded tpsns cocoa and
1 cup water. Sift the topping over

first mixture, pour over water and

Rains . . .

(Continued From Page 1)

The total rainfall in Tahoka this month has mounted up to 10.38 inches, while in some localities it has reached a total of twelve or thirteen inches.

Total precipitation in Tahoka since January 1, this year, is 17.66 inches. In some places it has well exceeded 20 inches.

Lakes in most localities have reached a higher level than for many years, and many fields have been converted into lakes.

The continued rains and high water caused one culvert on the Santa Fe between Wilson and Slaton to sag and the roadbed became so soft for miles in that locality that no trains have run since Thursday of last week. It was contemplated that a train would be brought through on Thursday of this week for the first time in six days.

Out a few miles northeast of Tahoka, in the vicinity of Tahoka Lake; a small twister did some damage during a rainstorm late Friday afternoon, but it did not seem to cover much territory and no substantial buildings were struck. Much damage was done by hail and wind in the vicinity of Wilson.

On the J. B. Oliver farm four miles east and two and a half miles north of Tahoka, the water in a lake rose to such a high level Friday night as to drive a family living in the old Oliver home to higher ground. They had to be rescued in fact. The water came up on the windows, it is said, and its pressure broke in some of the window panes. Many chickens were drowned.

In the northeast quarter of the county, it is said that one lake formed which was eight or ten miles long. Some boating parties have been enjoying the high water. Nobody knows what will happen tomorrow, for it may be raining again before the ink on this paper is dry.

But if it doesn't rain more, all farmers will be as busy as the noted one-arm fiddler at a country dance before the week ends.

Welch . . .

Continued from Page 1

Mr. Welch states that a trench silo filled in good years enables families to have plenty of feed during dry years, as was witnessed the past year.

More information can be obtained at the local Farm Security Administration office in the court house.

MISS CHRISTIA COWAN WILL WED SOON

Announcement has been made of the approaching marriage of Miss Christia Cowan of Lubbock, a native Taokan, to Mr. W. Noel Bryant of Seattle, Washington, the event to occur in June.

The daughter of Mr. and Mrs. T. B. Cowan, Miss Cowan was born at the old family home a few miles south of Tahoka and prior to the removal of the family to Lubbock she attended school here. She is a graduate of the Lubbock High School and of the Texas Technological College.

She has been a student of Miss Myrtle Dunn in voice and has taught music in the elementary schools. She has won much distinction locally as a singer.

Mr. Bryant also is a graduate of the Tech and is now an aircraft designer for Boeing Airlines in Seattle.

The wedding will occur probably about the middle of June.

R. C. WOOD HONORED WITH BIRTHDAY DINNER

R. C. Wood was honored with a birthday dinner last Sunday at noon in the home of Mr. and Mrs. Marvin Wood, the occasion being his 74th birthday anniversary.

The dinner was followed with the serving of a delicious birthday cake bearing seventy-four candles, to the guests: Mr. and Mrs. R. C. Wood, Mr. and Mrs. Howard Henderson, Mrs. Earl F. Wilson, Miss Rose Wood and the host and hostess, Mr. and Mrs. Marvin Wood.

After their return home at 2 o'clock, guests began to call at the R. C. Wood home bearing good wishes and many beautiful and useful gifts for the honoree. About forty guests called during the hours from three to six—a most happy surprise for Mr. Wood arranged by his daughters, Mrs. Wilson and Miss Rose Wood.

EDGAR HAYS BECOMES EDITOR LULING SIGNAL

The News received a copy of the Luling Signal last week with the name of Edgar Hays at the masthead as editor and publisher. Just when he assumed that position is not stated. He had been connected with the mechanical department for several years.

Edgar was Linotype operator for the News a year or two about a decade ago. He is a fine young fellow who deserves to succeed.

Hall Robinson is another citizen reported to be suffering from the flu this week.

Harley Sadler Is Coming Next Week

HARLEY SADLER

Like Christmas they come around once each year. Harley Sadler and his own company which is known as "Truly a Texas Institution," have been appearing here for many years, it has been the policy throughout the existence of the Sadler company to play under the auspices of some civic or charitable organization wherever they go and this year they are again being sponsored in Tahoka by the Marion G. Bradley Post of the American Legion.

New equipment has been added this year, and the outfit has been entirely remodeled and one of the most elaborate stage offerings is in store for the theatre goers of this section, aside from a new line of plays which will be mounted with special scenery and an abundance of vaudeville talent.

The show will open on Wednesday, June 4th and will show only two nights.

Roosevelt

Continued from Page 1

signs of the dictators to bring the nations of the Western Hemisphere under their control.

It was a ringing defiance of Adolf Hitler and a ringing call to the entire citizenship of America to join shoulder to shoulder in a supreme effort to stop Hitler and to stop him now.

It may be expected that this speech will soon be followed by other momentous events.

Mr. and Mrs. T. L. Fortenberry of New Home, who have been down at Corpus Christi several months, returned home Sunday, coming all the way in one day, a distance of 544 miles. Mr. Fortenberry says that to his surprise they crossed only one stream that was overflowing its banks, and that was the Nueces just seventeen miles out of Corpus. There had been much rain all along their routes, however. They expect to remain at New Home through the summer.

E. E. McManis of Lakeview was here Monday, and upon being asked about the rain in his section of the county he said "I have never seen anything like it. I have been here thirty-five years and I have seen heavier rains than we had last week but I have never seen the lakes, so full." And that is the report that comes from many parts of the county.

Principal Lee Dodson, Miss Ruby Neil Smith, and Miss Willie Pearl Dockray of the Tahoka High School faculty returned Sunday from a few days stay at Ruidoso and Cloudcroft, New Mexico. Miss Dockray had gone out with members of the Senior class and Mr. Dodson and Miss Smith joined them there Thursday of last week.

JAN McELROY ILL
Jan McElroy, baby daughter of Mr. and Mrs. W. V. McElroy, was carried to a Lubbock hospital suffering from double pneumonia Monday.

When a Child Needs a Laxative!

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

Registrants Delayed By Heavy Rains

The two men who were to leave Tahoka for Fort Bliss last Friday morning were not able to leave until Saturday on account of the heavy rains that fell throughout this section on Friday. The two leaving were Robert Draper and Melvin D. Berkshire.

A call has been made for four men from this county to be inducted on Monday, June 16th.

Mrs. Lois McMahon, clerk of the local board, began mailing out questionnaires to 200 registrants Wednesday afternoon. This will run the number of questionnaires mailed up to about 950, or probably a little more, Mrs. McMahon stated.

It has been announced that there is to be a new registration on July 1. On that day, all those youths who have become 21 years of age since October 16, 1940, the first registration day, will be required to appear before the local draft boards and register.

This will increase the registration rolls of the nation by many thousands. No estimate has been made as to just how many Lynn county youths will be included in this registration, but it is evident that it will be quite a considerable number.

O'DONNELL PRINTER FOUND DEAD IN HOTEL ROOM

J. C. Holt, about 50, a printer who had been employed the past few weeks by the O'Donnell Index, was found dead in his room in a hotel in O'Donnell about 6 p. m. last Saturday afternoon. His body was lying on the floor, the throat slashed, and a dull knife lying at his side.

Justice of the Peace George D. Foster returned a verdict of suicide.

Death had occurred about noon Saturday, it was believed. Holt had formerly worked on newspapers at Meadow and Lorenzo and is believed to be the same Jesse C. Holt who was employed in the Lubbock Avalanche office years ago.

The body was taken to a funeral home in Lamesa to be prepared for burial.

Misses Gerry Milliken and Nell Barrington will enter Draughon's Business college in Lubbock Monday morning. Both girls are 1941 graduates of the Tahoka High School.

El Paso Man To Preach Here

Rev. Raymond A. Partlow, of Lubbock, Superintendent of work for the El Paso Presbytery, will fill the pulpit at the Presbyterian Church in Tahoka Sunday morning and evening.

Rev. Mr. Partlow has many friends in Tahoka who will be glad to hear him preach again.

The pastor of the church, Rev. W. Bristow Gray, has accepted the invitation to preach the sermon at the Annual Union County Wide Church Day at Van Horn next Sunday.

Dr. and Mrs. Gray will spend a few days next week visiting friends in El Paso before returning to Lubbock.

LIBRARY

The County Library has this week received two new books from Mrs. Truett Smith, both being placed on the free shelf. "Blood and Sweat and Tears" is a volume containing speeches made by Prime Minister Winston Churchill of England and should be both timely and interesting to the reading public just now. The other volume "In this Our Life", is a novel of modern life in a tidewater town of Virginia, by Ellen Glasgow.

That the library is being used is evidenced by the fact that the librarian issues an average of about thirty books per day, the number reaching as high as 100 sometimes on Saturday.

J. Emory Nance and family were up from their Borden county ranch Tuesday. He reported very heavy rains in his community and said that for a while he thought a nearby lake was about to move into the house with them.

Jesse M. Jones, who resides on Mrs. Tom Garrard's farm southeast of town, was carried to a Lubbock hospital suffering from pneumonia Tuesday.

MACK PENN GETS PROMOTION IN NYA WORK

Mack Penn, recently of Post but now a citizen of Lubbock, was here Wednesday on his initial trip out of Lubbock as Area Personnel Supervisor for the N. Y. A. He was recently promoted to this position from the position of counselor for the organization.

His work under the former position embraced only a few counties, but as Area Personnel Supervisor his work is spread over 24 South Plains and neighboring counties. Lubbock is near the center of the area and therefore he found it advisable to remove to that city.

Mr. Penn was principal of the high school here for two of three years, moving to accept a like position. He resigned last February to accept the NYA position and Mrs. Penn filled his place as teacher in the Post school until the close of the current term.

I. M. Draper reports that his brother, D. F. Draper, who has spent most of the time at his home the past six months, and who has been afflicted during all this time, is showing no improvement. While Mr. Draper did not indicate that his brother's physical condition is alarming, yet he expressed considerable concern about it. It is to be hoped that he may soon show some improvement.

Mrs. Ed Hamilton returned Sunday night from New Salem, Illinois, where she spent a few days visiting her sister. She states that it was very dry in Illinois but that she almost got water-bound near Tahoka. She declares that she saw many things that were new and strange to her and that she had a wonderful visit.

Jerry Mack Stephens, young son of Mr. and Mrs. Curtis Stevens, who has been quite ill with intestinal flu is reported to be improving.

Will Clements, who resides about a mile and a half south of New Home, keeps tab on the amount of water that falls at his place, and he reported that Monday a total of 7½ inches had fallen during the preceding seven days. And there was water everywhere.

Two New Members In Local RMA

The addition of two firms to the membership of the Tahoka Retail Merchants Association raised the membership to 33 firms. Miss Viola Ellis, secretary, reports.

The association has enjoyed a steady growth since its organization, and is now affiliated with the state association.

IN APPRECIATION

At the close of the present school year of the Three Lakes school board, presented John Kirkwood a nice suit of clothes in appreciation of his services as driver of the Three Lakes school bus.

Mr. and Mrs. Kirkwood live in the teacherage at Three Lakes while he teaches in the Tahoka school system which the Three Lakes students attend by bus. It was to let him know that they appreciated his careful driving and his good care of the children who ride in his bus that the school board presented him with the gift, the News was told.

The Three Lakes board members are: T. M. Ellis, Jr., president; E. D. Crouch, secretary, and G. W. Hickerson, A. L. McMillan, J. Q. Cox, Burns Ellis and R. H. Grubbs.

CARD OF THANKS

We sincerely thank all of our friends for every kindness shown and every word of comfort spoken and every assistance rendered us in any way in the bereavement which we have suffered in the accidental death of our loved one, Everett Dwain Peters. We shall ever cherish the memory of these kindnesses.—Mrs. Johnnie Peters, Mr. and Mrs. O. W. Owens.

BREAKS ARM

Joyce Weatherby, seven year old daughter of R. A. Weatherby, suffered a fracture of the right arm just above the wrist Monday afternoon, and was treated in the office of a local physician.

Joyce was playing with her sister at their home west of O'Donnell, when she fell, putting her weight on her arm and breaking it.

Miss Mary Ellen Pesterfield is able to be back at work at the Texas-New Mexico Utilities company after being ill three weeks with influenza. Her mother, Mrs. L. L. Pesterfield, is still ill.

Mr. and Mrs. John Kirkwood left Tuesday for Canyon, where John expects to do work this summer towards his Masters degree in West Texas State Teachers College.

Mrs. G. E. Turrentine was reported in satisfactory condition following a serious major surgery in a Lamesa hospital last Friday.

Mrs. Hattie O'Hair, who had been here visiting her brother, Hall Robinson and family, left for her home at Coleman Tuesday morning.

N. M. Wyatt, who had a round with influenza and a throat infection last week, is again at his place of business.

Ed Sanders, deputy sheriff, who has been suffering from an attack of influenza, is improved. His mother is visiting him here.

Cooking School Menus—Third Day

Continued from Editorial Page
bake. Serve warm or cold with cream.

FRENCH CHOCOLATE CAKE

- 1 cup shortening
 - 2 cups sugar
 - ¾ cup sour milk
 - ¼ cup coffee
 - 5 eggs
 - 3 sqrs bitter chocolate
 - 2½ cups flour
 - 3 tpsns KC Baking Powder
 - ½ tspn salt
- Cream shortening with sugar until creamy but not fluffy. Then add dry ingredients, milk, coffee and eggs unbeaten. Last, add melted chocolate and 1 tspn vanilla. Pour into loyer pans and bake at 375 degrees 30 to 35 minutes.

Orange Cream Filling

- ¼ cup sugar
 - 2 tbsps cornstarch
 - ½ cup milk
 - 3 egg yolks
 - ½ cup orange juice
 - 1 tspn orange rind
- Cook, cool and spread between layers.

Chocolate Frosting

- 6 tbsps cream
 - 1½ cups brown sugar
 - ½ cup cocoa
 - Salt
 - 1 egg yolk
 - 1½ cups conf. sugar
 - ½ tspn vanilla
- Heat cream, combine brown sugar and cocoa. Mix thoroughly, add salt to milk and stir until hot. Beat egg yolk, stir in with confectioners sugar. Beat until creamy, spread on sides and top of cake.

ANGEL PARFAIT

- 2-3 cup sugar
 - ¾ cup water
 - 1 pint whipping cream
 - 1 tspn vanilla
 - ¼ tspn salt
 - 3 egg whites
- Boil sugar and water until syrup will thread when dropped from tip of spoon. Pour slowly on beaten egg whites and continue beating until mixture is cool. Fold into cream beaten until stiff, add vanilla and freeze.

PEANUT BRITTLE ICE CREAM

- 1 tspn gelatine
 - 1 tbspn water
 - 1½ cups milk
 - 1 cup whipping cream
 - 2 eggs—separated
 - 2 tbspsn sugar
 - ¾ cup crushed peanut brittle
 - 1 tspn vanilla
- Soak gelatine in cold water for 5 minutes. Heat milk and add sugar then pour over beaten egg yolks. Cook 2 or 3 minutes, add gelatine and peanut brittle. Chill thoroughly and fold in beaten egg whites, whipped cream and vanilla. Pour into refrigerator trays and freeze. Stirring unnecessary.

FANTASTIC SPRING SALAD

Cut bananas into halves and split. Roll in lemon juice. Arrange on crisp lettuce leaves to form fan pattern. Arrange tinted tinted cottage cheese adjoining bananas with cherry halves. Pipe tinted cheese along center of banana slices.

WASHINGTON'S SALAD

- 1 No. 2 can sour pitted cherries
 - 1 package raspberry gelatine
 - 1 cup sugar
 - 1 cup nut meats—broken
 - ½ cup celery (chopped)
- Use cherry juice and enough water to make 2 scant cups. Heat and dissolve gelatine, add sugar. Stir until dissolved. Cool until thick. Add cherries, nuts and celery. Pour into molds. Chill until firm. Unmold on lettuce covered plates. Celery may be omitted and serve as a desert topping with whipped cream.

SALMON AND GRIT SQUARES

- KC STRAWBERRY SHORT CAKE
 - 4 cups flour
 - 8 tbspsn butter
 - 5 tpsns KC Baking Powder
 - 1 tspn salt
 - 1½ cups milk
- Sift, mix and blend with fork. Add milk (chilled) roll and bake. Cut ½ of dough with a plain biscuit cutter and other half of dough with doughnut cutter. Butter and place rounds with hole on top of plain rounds. Bake as for biscuits. After cooled, fill with crushed sweetened fruit and top with whipped cream.

KC JELLY ROLL

- 1 cup pastry flour or
- 7-8 cup all-purpose flour
- ½ tspn salt
- 1½ tpsns KC Baking Powder
- ½ tspn lemon extract
- ½ tspn vanilla extract
- 1 cup hominy grits
- 4 cups water—boiling
- 1 tspn salt
- 1-3 tspn pepper
- 1 No. 2 can salmon—boned and flaked.

Add grits to boiling salted water. Cook over low heat for one hour. Add the flaked salmon to hot cereal. Blend and pour into 8x8x2 inch pan. Cut into small squares, dip into beaten egg, then into bread crumbs. Fry in hot shortening to a golden brown.

- 2 eggs—beaten light
- 1 cup sugar
- 1-3 cup hot milk

Beat the sugar into eggs until mixture is very light. Sift dry ingredients together and add to egg mixture, lastly add hot milk and extract. Pour into wax paper lined, jelly roll pan and bake at 350 deg. for 20 minutes. Turn from pan onto damp cloth. Trim off crisp edges, spread with jelly and roll into a roll at once. Sprinkle top with powdered sugar.

BAKED EGGS IN NESTS (Easter)

- 6 medium potatoes
- ¾ cup milk
- 3 tbspsn butter
- 1 tspn salt
- 1-8 tsp npepper or hot sauce
- 6 eggs
- 1 cup cooked peas
- 6 tpsn butter

Pare and dice potatoes. Cook in closely covered vessel with small amount of water until tender. Mash, add milk, salt, pepper and 3 table-spoons butter. Beat until fluffy. Pile in mounds on greased cookie sheet. Make depression in center of each mound and break into it 1 egg. Add a dash of salt and hot sauce to each egg, also 1 tspn butter. Bake at 300 degrees for 20 minutes. Remove from oven and pour 2 tbspsn buttered peas around edges of egg. Serve with tomato cheese salad, hot rolls, chocolate pudding with whipped cream and coffee.

PHEBE K. WARNER CLUB

Honoring ten pioneer members, the Phebe K. Warner club, pioneer women's club of Tahoka and among the pioneer clubs of this section, closed its year's work with a seated tea in the home of Mrs. Ben Hardy Tuesday afternoon.

The honorees were welcomed by Mrs. A. P. Edwards, in-coming president of the club, and Mrs. G. M. Stewart, herself one of the honorees, presented each with a beautiful corsage.

Mrs. Truett Smith, retiring president, gave a resume of the year's work, naming the County Library as the one outstanding accomplishment of the year, but pointing out that the Club had met all the Texas Federation requirements, including being represented at the District meeting of the T. F. W. C. in Amarillo.

Throughout the program beautiful piano music was furnished by Misses Savannah Lou Tunnell, Peggy Fenton, Dorothy Applewhite and Mary Beth Fenton.

As a parting gift Mrs. Truett Smith presented the Club with a copy of Roberts' Rules of Order. The Club's gift to Mrs. Smith was two new books, "Blood and Sweat and Tears", by Winston Churchill, and "In This Our Life", by Ellen Glasgow. Mrs. Smith graciously presented these volumes to the Lynn County Library.

Mrs. Winston Wharton poured at a table covered with imported lace and centered by roses in unique glass container on a reflector. The entire reception suite was decorated with roses.

Those enjoying the social hour included the honorees: Mmes. L. F. Craft, C. B. Townes, W. D. Nevels, D. T. Rogers, J. T. Bovell, S. W. Sanford, J. W. Elliott, H. P. Caveness, J. K. Applewhite and G. M. Stewart and Mmes. Smith, Edwards, Wharton, T. T. Garrard, Fred B. Hegl, Walter M. Mathis, R. L. Richardson, D. G. Ridge, Woodrow Walker, J. K. Woosley, and Mrs. J. K. Hunt, of Claude, a visitor, and Misses Fenton, Fenton, Applewhite, Tunnell and the hostess Mrs. Hardy.

Mrs. Frances Allen, Area Supervisor of the Texas Welfare Association, whose headquarters are in Ft. Worth, spent Tuesday here with Mrs. Dude Holland, local supervisor.

Lawrence Harvick, who underwent an emergency appendectomy in Lamesa last week following an acute illness, was brought back to his home in Tahoka Sunday.

Weldon Greenwood, who spent two weeks in a Lamesa following an operation for a ruptured appendix, returned to his home southeast of town Saturday.

Mrs. L. E. Turrentine and Mrs. Garland Edwards of Portales, New Mexico, were Tahoka visitors Sunday.

MATRESS-COMFORT PROGRAM

Giving Defense Work the right of way has caused a temporary shut-down of the mattress-making program in Lynn county according to Miss Maurine McNatt, and it may take until the middle of June or later to get in sufficient materials to resume the work, Miss McNatt stated.

While a total of 760 applications had been approved only 350 mattresses had been completed before the centers were closed. When materials arrive and these centers are opened three new centers will be opened to complete the work with dispatch, we are told.

The comfort program which was begun before mattress centers were closed is going forward at Grassland, Tahoka and Newmoore, while Dixie and Midway centers are closed. Others centers for comfort making will open later, Miss McNatt says.

At the present time only one comfort to each family can be allowed, as 373 families have already made application. Those desiring to make comforts should remember that a 25 cent fee is to be paid for processing each comfort. And every comfort is to be completed at the center; no comfort materials may be taken away from the center except as a completed comfort.

OLDTIMER HERE

C. S. (Charlie) Brown, who resided here a number of years ago, but who is now a Federal officer at Abilene, visited briefly with Mrs. S. N. McDaniel Wednesday. Mr. Brown expressed a desire to return for the "Old Settlers' Reunion this year and meet many other good friends of past years.

Mr. and Mrs. Floyd Goad of Tahoka, Mr. and Mrs. C. E. Bradshaw of Joe Stokes, and Mr. and Mrs. Grady Goad of Lubbock were weekend visitors to their parents, Mr. and Mrs. P. W. Goad in Dallas. Also spending the weekend in the Goad home were Mr. and Mrs. McElfresh and Miss Dorothy Holland, all of Fort Worth.

Mr. and Mrs. Hollis Nance and little daughter, Betty Jo, of Plainview are spending the week here with his parents, Mr. and Mrs. J. B. Nance.

VERNER SMITH IMPROVES TAHOKA HATCHERY

Verner Smith, proprietor of Tahoka Hatchery, has recently coed the other half of his hatchery and treated it all with a perfectly white dash.

He is planning to build a brooder room some time in the future and to paint all of the old buildings.

Richard Young, formerly coed with Piggly Wiggly store here, is ill with pneumonia at his home in Hobbs, New Mexico.

M. L. Smelser, who resides a few miles east of town, was able to get in town Tuesday, after a few days illness.

Clyde Owens, who has been working at the G and R Food store, Monday for a month's vacation in Oklahoma City.

Mrs. A. A. Lawson of Grassland enjoying an extended visit with her sons, Smith and Loy Lawson in Angeles, California.

Mr. and Mrs. J. W. Armorer have recently returned to their home at New Home after a winter stay in the Rio Grande Valley.

"Good Service Always"

MRS. ROSS' BEAUTY SHOPPE

YOUR RETAIL MERCHANT IS A SEEKER OF QUALITY

He not only goes to world markets to bring you, his customer, the best merchandise grown or produced, but he also culls out the inefficient sales-people and service men until he has only a carefully trained "quality" organization to attend you while shopping.

Naturally, in this age of credit, he must also weigh carefully each applicant for a charge account and exchange his "quality" merchandise for "quality" accounts on his books. Thus he has learned through experience that in order to profit, he must "cull out" the slow, unsatisfactory, and indifferent charge customer and permit only the "quality" credit risk to say, "Charge it, please."

Yes, your Retail Merchant is a seeker of "Quality" and don't blame him or your local Credit Bureau if your Credit Record does not show "Quality".

Recipe Is Given For Gingerbread

Following the serving of coffee and gingerbread to the business men last Friday morning by Miss Jessie Hogue, the lecturer, several men have requested that the recipe be published for benefit of wives not attending the cooking school. So, here's the recipe for the shimmy Tennessee gingerbread:

¼ cup shortening.
1 cup sugar
3 whole eggs. Mix in one egg at a time and stir one minute after adding each egg.
3½ cups flour.
1 tsp. cinnamon.
1 tsp. nutmeg.
1 tsp. all-spice
1½ tsp. ginger
¼ tsp. salt
1 tsp. K. C. Baking Powder
1 cup buttermilk with 1 tsp soda
1 cup dark karo syrup

For a topping, sprinkle the cake with a mixture of 1 cup of bread crumbs, ½ cup of sugar, and 1 tsp. of cinnamon. Bake one hour.

BUNGAR-PINKWARD

Announcement has been made of the marriage on May 17 of Mrs. Lucille Pinkward to Roy Allen Bungar. The marriage was performed in Lubbock.

The bride is the daughter of a Wilson couple and has lived in Lynn county most of her life. The groom is the son of Mr. and Mrs. W. C. Bungar, recently of Lubbock but now residing near Tahoka.

The couple will make their home with the bridegroom's parents.

List Of Vegetables For South Plains

Every farm home needs a good vegetable garden. It will add to the health of the family, give pleasure, furnish fresher, better vegetables, land equal in size will give as much and equal in size will give as much yield from the money standpoint or health-giving products as that given by a properly cared for garden. No family can afford to buy anything that can be raised at home as easily as the year's supply of vegetables. Vegetables from the market are not as fresh and appetizing as those grown in your own garden and the total cost for the same amount will be far more than the whole expense of growing them in the garden.

Vegetables and fruits in the proper quantity and variety together with milk and eggs, furnish important substances which are sure to be lacking in a diet which contains largely meats, bread stuffs, sweets and fat. Children grow better and have more resistance to infection, and adults keep in better health when the diet contains an abundance of vegetables, fruit and milk. A consideration of the essentials of the adequate diet may be helpful in deciding on the variety and quantity.

Leafy, green, and yellow vegetables are among the most highly valued of all vegetables for their vitamin A (the anti-infection vitamin), and iron especially, but also for their Vitamin G, essential to growth. The greener the color, the more vitamin A present.

West Texas farmers are apt to give too little attention to growing vegetables because they feel that the soil is not adapted to gardening and because they do not know what variety of vegetables to plant. Following is a list which will grow in Lynn county:

Asparagus: Mary Washington.
Beans: Refugee, Pintos, Great White Northern, Kentucky Wonder (Stringless Green Pod, Pencil Pod, and Black Wax).
Carrots: Oxhart, Nantest. (Be

sure to have tight soil.)
Swiss Chard: Lucullus.
Greens: Tender-green.
Lettuce: Iceburg, Grand Rapids.
Mustard: Tender-green, Giant Curled, Florida Broadleaf, but not in frame garden.

English Peas: Marvel (wrinkled).
Early Alaska (smooth).
Snap Field Peas: Cream, Purple Hull, Blackeye, Crowder.
Pepper: California Wonder, World Beater.

Pumpkin: Cimmatt, Small Sugar (pie pumpkin).
Spinach: King of Denmark, (frame garden) Bloomsdale; Long Standing.

Beets: Detroit, Cross Egyptian.
Corn: Honey June Sure Cropper.
Cucumbers: Stay's Green; Snow's (pickling cucumbers).

Cushaw: Green Striped.
Parsley: Parsley-moss curled.
Okra: Dwarf Prolific; White Velvet.

Onions: Globe (keeps better), Silver Skin White Bermuda.
Radishes: White Icicle; Scarlet Globe.

Squash: White Bush, Yellow Bush, Yellow Straight Neck, Golden Queen, Des Moines, Ford Hook, Hubbard, Acorn.

Turnips: Purple Top, Shogoin, Rutabagas.
Sweet Potatoes: Porto Rica, 1 bushel-2,000 plants.

Irish Potatoes: Porto Rica, 1 Early Ohio.
Tomatoes: 1. Earliana. 2. June Pink. 3. Porter.

Cantaloupes: Perfecto.
Watermelons: Klondike, Halbert Honey, Dixie Queen.

Rhubarb: Mammoth Red Ribbed.

ODDS & ENDS

by Eec Eye,
the Elder

"We may live without poetry, music, and art;
We may live without conscience, and live without heart;
We may live without friends; we may live without books;
But civilized man cannot live without cooks."

"Mere man" should take heart. That cooking school held here last week under the sponsorship of The Lynn County News proved that the women certainly are interested in feeding the brute.

The way those women came through the rain and the mud and the water and the eagerness with which they listened to Miss Hogue and watched her demonstrations was really astonishing.

Actually, some of them came who had to be pulled out of mud-holes and over wet, miry roads with tractors—we mean their cars had to be pulled out. Some of them came even though it required three or four hours for them to get here. And scores of others would have come if they could have gotten to the highways. Honestly we doubt if we could have seated the crowd if the weather had been reasonably favorable and the roads reasonably passable.

Yes, we were more than delighted with the interest manifested by the women—and by the business men.

And we believe that everybody was pleased with the work of Miss Hogue.

It was an experiment on our part, for we had never sponsored a cooking school before. We guess a lot of the interest was due to the work Miss McNatt and other home demonstration agents have been doing through the years; to the work of the Home Ec. teachers in the public schools; and to the work of Miss Cannon, her predecessor, and their helpers. At any rate, the women had a mind to come. Honestly, we don't know what would have happened if the weather had been fine.

And that brings us back to the weather. It is a thing we can't get away from. Like the poor, it is always with us. We have weather of some kind every day. And we don't know what folks would talk about sometimes if it were not for the weather.

But that weather we had last week was really something to write home about—especially the rainfall. Just one thing has happened out here on these South Plains during the past quarter of a century that was equally amazing—that was the cotton crop of 1937, when Lynn county ginned 152,000 bales and Lubbock county 162,000. Those piles of cotton, some of them covering acres of land—especially those at O'Donnell—attracted visitors for hundreds of miles. And the sight was almost as amazing at Tahoka and some other places.

But those rains last week—well, in many places, they were record-breakers. We have never before seen so much water anywhere except in the Gulf of Mexico as we saw last Friday between Tahoka and Woodrow, that was as far north as we could go. There, a neighboring lake had filled and spread out across the highway to a depth of three or four feet, and traffic had to stop at the edge of the water. The entire village was sitting out in the lake. Other lakes of water were everywhere, some of them covering vast areas. It was a sight!

And we don't know how things are going to look by the end of this week, for this is written early in the week, and it is raining now.

We read a joke the other day sent out from Austin. Two West Texas senators were standing at the windows of the Capitol looking out pensively as the rain came pouring down. One senator from down in the black mud suggested that Grady Hazlewood of Amarillo had not seen any rain in so long that any kind of rainfall was marvelous, in his eyes. Another added that Grady was merely standing there wishing that his daughter, who had never seen it rain, were there to enjoy the sight.

We wish a bunch of those black-waxy senators could be out here on these plains this morning trying to negotiate some of our rural roads in their Fords and Chevies.

By the way, we understand that Lubbock is thinking of making application for the establishment of a naval base there. Those pictures of water scenes in down-town Lubbock which appeared in the Avalanche-Journal recently would indicate that a steam-boat might be floated there, all right.

And that makes us think of

it. This column last week credited Robert Fulton with the honor of having invented the steam-boat.

On the Sunday before, Robert Ripley stated in his column that John Fitch and not Robert Fulton made the first steamboat.

Now John Fitch did make a steamboat that would propel itself through the water, in 1787, several years before Fulton made his first successful boat. But it was not a success, and no boat constructed on his model ever could have been a success. He equipped it with paddles like oars instead of a paddlewheel. His boat never succeeded in making more than three miles per hour.

If he had merely thought of making his propeller in the form of a wheel, he doubtless would have been accorded the honor of having invented the steamboat.

The steaobot is now a mighty instrument for carrying on the commerce of the world and for the waging of war.

But it is being continually improved.

What had long been regarded as the mightiest battleship on the seas was sunk the other day by a newer vessel. The British S. S. Hood went down in combat with the German Leviathan, the Bismarck. But last reports, as this is written, is that the Bismarck itself is fleeing from other British fighting craft.

The Hood was larger than the Bismarck, but it was built twenty years ago, while the Bismarck was only recently set afloat.

That reminds us that the prowess of the two great U. S. battleships, the Washington and the North Carolina, recently completed, is yet to be tested. They are touted by American statesmen as the two greatest fighting vessels afloat.

We firmly believe that the U. S. Navy should be made by far the strongest in the world. We believe that it should be made the equal of any two or three of the other navies on all the seas.

And yet, we believe with the preachers and with many statesmen that it is not safe for us to rely upon our material equipment alone.

Along with our armies and our navies, our guns and our tanks and our air fleets and our battleships, we must have the right kind of manhood—and we must have faith in God.

If America is to remain great, the people generally must really accept and put into practice the great principles of Christianity. Individually and definitely, the people must become Christian.

"Happy is that people whose God is the Lord."
America needs to come back to God!

Tahoka Daisy Is Given Praise

Margaret Turner, who writes "The Woman's Angle" column in the Lubbock Avalanche, last Sunday made mention of the colored photograph and a description of the Tahoka Daisy which appeared in the current issue of Better Homes and Gardens. After stating that Mrs. W. A. Myrick of Lubbock had named and introduced the flower, Miss Turner proceeds as follows:

Several years ago Mrs. Myrick on passing fields of the wild, purplish-blue daisies, decided they were too pretty to shed their color on the prairie alone and she gathered seed and sent them to a nurseryman. The rest of the story is that the nurseryman was delighted, he experimented with the seeds and now the Tahoka daisy is a popular flower for beds, edging and cutting and is being grown all over the United States.

As the writer of the article in Better Homes and Gardens explained: "It is the answer to a prayer of a fellow who asks for blue flowers and fern like foliage produced all summer on a plant that can grow equally well in full sun or partial shade."

"This daisy is an original species. Its bloom is always a clear lavender-blue tinted with rose as the flower matures. A deep yellow center adds much to its beauty. The Tahoka daisy endures under hot and dry conditions. Bare spots in the garden, caused by individual specimens drying up are rare. Seeds of the daisy germinate more uniformly when held in a refrigerator for about two weeks before planting. Sow indoors for a long season of bloom."

Thus the lovely little flower that so many of us have accepted as just another wild flower is making

NOTICE TO BIDDERS

Notice is hereby given that the Commissioners Court of Lynn County will receive bids up to 10 o'clock a. m. on June 14th, 1941 at its office in the Court House of Lynn County, Tahoka, Texas, for the furnishing of the following equipment.

One Road Tractor of approximately 75 H. P. equipped with six cylinder Diesel Motor, 74" Gauge and 20" Track Shoes, Separate Gasoline and Electric Starting Device.

The successful bidder is required to accept in trade one used Caterpillar Tractor and one used International T-20 Tractor. Warrant will

good and getting its little self written up in a national magazine under the title, "Grow These and Brag."

be issued in the maximum sum of thirty-five hundred dollars the last maturity date not later than April 15th, 1944, said warrants to draw interest at the rate of six percent per annum, interest payable annually. The right is reserved to reject any or all bids.

Chester Connolly, County Judge, Lynn County, Texas. 42-2tc

A. L. Pace, principal of the grade school, and Mrs. Pace are spending this week with relatives at Memphis, Texas.

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30 Members urged to attend. Visitors welcome.

Did it ever strike you?

**FOR SALE . . . A Good Home In A Poor Town,
Actual Value \$6,000, Will Sacrifice for \$3,000.**

Did you ever see an advertisement like this. No. Not exactly, but some advertisements mean as much. Your attractive comfortable home, that you have probably spent years in efforts of labor and savings to build, has a valuation. That valuation is derived from its location and depends on the wealth of its location. A nice home costing \$6,000.00, constructed and erected in a desert away from any center of business or wealth, would be of little value to anyone; on the other hand, the same home in a progressive community, with good business, will be worth many times its cost to the owner.

Try Your Home Town First

So, if your home is located in a dead town its valuation is smaller, but if your home is located in a live town with good business, supported by its local citizens, its value is greater. This case does not only apply to city properties. It is an established fact that it affects rural sections in the same manner.

TRADE WITH YOUR LOCAL FIRMS. Make business good for them, and you make business good for yourself as well as benefiting from the full value of your investment.

Dwain Peters...

(Continued From Page 1)
now residing at Berry Flat in Borden county; his wife, Mrs. Johnnie Peters, who is a student nurse in the West Texas Hospital in Lubbock; and two foster brothers, Loyd and Boyd Barnes, who also are his cousins; besides a number of other relatives.

Out-of-town relatives here attending the funeral were: Mr. and Mrs. G. C. Scott and their son and daughter of Dallas, Mrs. Scott being his aunt; E. D. Perry and their daughter of Wichita Falls, Mr. Perry being an uncle; Mr. and Mrs. E. E. Perry, two sons and two daughters, of Ralls, Mr. Perry being an uncle; E. Doyle Ivey and family of Hubbard City; and Ralph Johnson of Haskell, now a student in the Texas Technological College.

Everett Dwain Peters was just slightly past thirty years of age, having been born on April 1, 1911, in Navarro county, near Hubbard City. He came to Lynn county with the family in October 1927. He was married to Miss Johnnie Eaton of this county in Lovington, New Mexico, on July 4, 1932. He followed various pursuits, while here, for a livelihood. For some time he was janitor of one of the school buildings. For some time he was also connected with a radio shop. Later, he operated a radio shop at Seagraves for possibly two years. Then he moved to Brownfield and finally to Levelland, where he resided at a hotel while employed as a worker in the oil field at Sundown.

A number of years ago deceased united with the Church of Christ and was a member of this Church at the time of his death.

Those who knew him well say that he was an admirable young man, and he had many friends here who deeply deplore his tragic death.

Cooking School...

(Continued From Page 1)
live about fifteen miles from town and three miles from the pavement, in the Three Lakes community, left home before 8 a. m. for Saturday morning's session. Their car after going some distance bogged down. They got a tractor to pull them to the highway, and they finally reached town at 11 o'clock, in time to hear the last 30 minutes of the lecture and to enter their cakes in the contest.

Miss Hogue endeared herself to hundreds of women during the lectures and demonstrations from the kitchen of the school as she presented this modern, effective means to achieve a greater success in homemaking.

But the women of Tahoka and of Lynn county made still greater impression on Miss Hogue. As she concluded the Happy Kitchen Cooking sessions, she said to us, "I've never had a more interested audience of women in all of my experience of holding these home making events." She remarked, "It is no wonder that you have so many beautiful and well functioning homes here. The women go so full heartedly into making this possible."

The News takes this opportunity to express its appreciation for the interest of the women in the school, the co-operation of the merchants who made the school possible, and to Miss Hogue the lecturer.

storage space, strictly private, all modern and desirable. See W. E. Suddarth evenings. 41-tfc.

Surprise Tarts
Broadcast by Mary Lee Taylor May 29, 1941

1 package vanilla pudding powder
1 cup Fat Milk diluted with
1 cup water
1 1/2 teaspoons vanilla
1 cup drained apricots, cooked or canned

Put pudding powder in saucers. Gradually stir in diluted milk. Bring to a boil, stirring constantly. Continue stirring and cook slowly for 30 seconds. Remove from heat and stir in vanilla. Cover and cool to lukewarm. Put into baked Chocolate Pastry (See below). Chill until firm. Garnish with drained apricots. Serves 6.

Chocolate Pastry.
1 1/2 cups cake flour
6 tablespoons cocoa
6 tablespoons sugar
1 1/2 teaspoons baking powder
1/4 teaspoon salt
6 tablespoons cold shortening
6 tablespoons Fat Milk

Turn on oven and set at moderately hot (375° F.). Stir flour before measuring. Rub with cocoa, sugar, baking powder and salt. Work shortening into flour mixture with pastry blender, 2 knives or fork. When mixture is crumbly, gradually stir in milk. Divide dough into 6 portions. Roll each portion out on floured board into a round 1/4 inch thick and about 6 inches across. Line bottom and sides of 6 four-inch tart pans with pastry. Prick pastry with fingers to make fancy edge. Pick bottom and sides of pastry with fork. Bake 15 minutes, or until pastry shrinks from sides of pans.

*To Substitute All-Purpose Flour for Cake Flour: Measure out the above amount of flour, then take out 3 tablespoons.
