Hounds Pegged For State Title

Coach Jimmy Rogers' Knox City Greyhounds were picked in polls last week by the Texas Sports Writers' Association to win the Class 4-A state football title this season.

Coaches mailed in forms to the Texas High School Coaches Association picking the district winners, then members of the Sports Writers' Association picked the playoff winners.

Other predicted state champions were Temple (Class AAAAA), Bay City (AAAA), Pittsburg (AAA), and Clifton (AA).

The Greyhounds, coming off an 8-2 year, were picked to beat Klondike in bi-district, Valley in the quarterfinals, Rankin in the semifinals, and High Island for the championship.

In Class AA, Haskell was picked to win District 7, Rotan District 8, and Dublin District 10. Rotan was rated over Haskell and Dublin over Mason in bi-district.

However, Rotan was then a predicted loser to Seagraves, and Dublin was picked to lose to Clifton in second round games. Clifton and Tidehaven were rated to gain the finals.

Gorman was picked to win District 7-A, beating Bronte in the zone finals, but the Panthers werethen picked to lose to Rankin.

Roscoe was picked to win the south zone in District 3-A, but was underdog to Klondike for the overall district title.

Cooper was picked to win the District 5-AAAAA title, but was predicted to lose in bi-district to Lewisville.

In Class AAAA, Brownwood was rated the District 4 favorite and then was picked to beat Burkburnett and Lubbock Estacado before losing in the semifinals to Gainesville.

Drill Team Returns From SMU Camp

Mary Albus received three ribbons, one each for marching, field and stand routines.

Sentenced To Five Years

Youth Pleads Guilty

As a result of action in District Court at Benjamin Monday morning, a Knox City youth was sentenced to five years in the Texas State Prison in Huntsville.

Randy Pedroza, 18, was convicted after entering a plea of guilty to two separate counts of burglary, both second degree felony charges. The youth was involved in burglaries at the Knox City High School and the Mini Mall in December 1979. The Knox City Police Department, the Knox County Sheriff's Office, and the Texas Rangers worked together gathering the needed evidence to bring the cases before the court of the 50th Judicial District.

Bill Heatly, District Attorney of the 50th Judicial District which includes Knox County, was optimistic after the sentence was imposed and advised The Knox County News that this was the kind of court-imposed penalty for which his office would strive whenever a burglary case was presented for trial. Heatly said, "Burglary must be stopped and with the many different law enforcement agencies working together, as they were on this case, we will make progress in this area." When asked if that could be taken as a warning to would-be burglars, Heatly replied, "You bet!"

Pedroza was remanded to the custody of Knox County Sheriff James Redwine until arrangments are made to transport him to Huntsville.

Shawn Cude of Goree rode his quarter horse mare Hija two to sixth place in poles. Shawn, competing with some 75 of the state's top 4-H polebenders, qualified for the finals by having one of the fastest fifteen times in the preliminaries. Shawn, who will be a seventh grade student at Munday Junior High this fall, has been competing in rodeos and 4-H shows on Hija Two for three years and has won a number of trophies with the dun mare. This was Shawn's first time to qualify for the state show.

Kelley, who will be a senior at Knox City High School this fall,has been participating in 4-H for eight years and has won a number of trophies at horse shows and rodeos. Benefit Planned For Aimee Pratt

"Have you ever seen an angel? Well, I have. Her name is Aimee Pratt. When you meet her, she is always smiling." There were the words spoken by a Munday man, Glenn Maston, when he was commenting that a county wide effort should be made to help Aimee and her family.

Smiles are expected from normally healthy children but Aimee is a cancer victim. She has been fighting this horrible disease since it was first diagnosed on October 14, 1977. She is now eight years old.

To date, Aimee has lost a kidney, a lung, and has had several other surgeries -- the most recent one was a tumor removed from under her arm. She is a patient at M.D. Anderson Hospital in Houston. She has been there almost continously since January 1980. It is an unbearable expense for her parents, Mr. and Mrs. Jim Pratt of Benjamin, just to be near her.

A benefit dinner has been planned for Aimee by her friends in Knox County. It will be held at the Munday Community Center on Sunday, August 10. Serving time will be from 11:30 a.m. to 1:30 p.m. Take-out plates will be available. The menu will be barbecue brisket and sausage, beans, potato salad, slaw, and dessert. The meat will be cooked by Curley Awalt and Glenn Maston. All labor will be donated and all proceeds will go to the Aimee Pratt Fund. Anyone wishing to help prepare the meal may call 422-4555 or 422-4802 in Munday.

Price will be $3.50 per plate and advanced tickets may be purchased at the Farm Bureau office, Smith Drug, First National Bank, and Awalt Auto Supply in Munday. In Knox City, tickets are available at the Knox County Hospital, Perry Bros., or *The Knox County News*. Tickets may also be purchased at the door.

A fund has been set up at Citizens State Bank in Knox City and First National Bank in Munday for those who desire to contribute.

Pie Brings $430.00 For Auxiliary

Like pecan pie?

The lucky persons who ate the pecan pie auctioned off at the Grapevine Opry benefit for the Knox County Hospital Auxiliary last Thursday night at Munday may not have been aware of the terrific price the pie brought! Several persons paid tremendous amounts for the pie during the show's intermission and then returned the pie to the auctioneer to be resold. According to those who kept tab, the pie was responsible for $430.00 in the coffer. It, along with a couple of cakes, went to residents in the nursing home to enjoy and probably those who indulged did not realize its worth.

A good crowd was on hand for the benefit show even though several conflicts kept some from attending. The show, auctioned goods, and donations accounted for approximately $2,000.00 to the new auxiliary after expenses. Melba Pharr, director of nurses, and Chisai Childs, Opry owner, were delighted with the outcome. Ms. Childs also donated all of her album sales to the auxiliary.

Incidentally, the pie was baked and donated by June Skidmore, a nurse's aide of Munday, who is employed by the Knox County Hospital.

Ag Teachers To Attend Annual Meet

Knox City-O'Brien vocational ag teachers Leon Burkham and Jim Dillon will be among 1,600 ag teachers to gather August 4 through August 8 in Fort Worth for the annual In-Service Education workshop and meeting sponsored by the Vocational Agriculture Education Department of the Texas Education Agency in Austin under the direction of G. G. Scroggins, state director of Vocational Agriculture Education.

The first general session will be Tuesday, August 5, in the Tarrant County Convention Center with a welcome from Mayor Woody Woods. The association will sponsor the annual awards program to present tenure pins to the membership and other awards to legislators, school administrators, individual teacher awards and to individuals who have contributed to the progress of Agriculture Education and the activities of the Future Farmers of America.

On Wednesday and Thursday, the teachers will take part in area meetings and 12 in-service education workshops.

Congressman Charles W. Stenholm of the 17th Congressional District will address the leaders during the second general session on Wednesday morning.

The third and last general session will begin Thursday at 9:00 a.m. A membership meeting will be held Thursday night from 7:00 to 8:00 o'clock in the International Ballroom of the Blackstone Hotel and on Friday, the teachers will meet in area meetings and plan their in-service education meeting for the 1980-81 school year.

HERE TO HELP the Knox County Hospital Auxiliary organize Monday night were Vera Mills, second from right, past president of the Stamford Memorial Hospital Auxiliary, and Bobbie Olson, second from left, who was responsible for organizing the Stamford group. Melba Pharr, extreme right, began efforts in January to organize the local auxiliary. New administrator Tom Haden, at left, was present and will work with the members of the new organization in presenting the hospital's needs.

Good Turnout Noted For Auxiliary Meeting

Officials were pleased with the turnout Monday evening for the Knox County Hospital Auxiliary's first meeting in the hospital dining room.

Melba Pharr, director of nurses and assistant administrator, welcomed the group and explained that an auxiliary has been her goal for some month now, realizing the good that the organization can do for the hospital.

Mrs. Pharr introduced the two guest speakers from Stamford Memorial Hospital Auxiliary, Mrs. Vera Mills, past president of the Stamford auxiliary, and Mrs.. Bobbie Olsen, who was responsible for getting the organization started in Stamford. Mrs. Mills said their group organized in April 1977 with 16 members and began their voluntary service to the hospital in September of that year. They now have 45 active members, 14 contributing members, 11 life members, and two honorary life members. They have two shifts from 8:00 to 1:00 and 1:00 to 6:00 five days a week. The women's duties include carrying ice and ice water to patients' rooms, running errands for the patients, taking care of their mail and opening their cards for them if necessary, feeding patients if asked to, and presenting "Purple Heart" awards to children following surgery. They also have been furnished a camera with which newborns are photographed if the parents request it. She reported that this was one of the group's money making projects. Another fund-raising project is their Thrift Store located downtown where they sell second-hand clothing and other items. She said that they cleared about $500.00 per month from this, and the group is presently buying a heart monitor for the hospital. The Thrift Store is open only three days a week from 9:30 a.m. until 4:30 p.m.

Mrs. Olsen gave a brief history of the Stamford auxiliary and emphasized that the auxiliary is an integral part of the hospital and works with the administrator at all times.

The Stamford women stressed that attitude toward the hospital and the community was the factor that makes for a successful organization.

Tom Haden, new administrator of the Knox County Hospital, said that he was very encouraged with the prospects of having an auxiliary here and that he would work on the needs of the hospital and present them at the next meeting.

Mrs. Pharr named a steering committee to meet and formulate suggestions for by-laws to be presented to the group at the next meeting which will be Monday, August 11, at 7:30 p.m. in the hospital dining room. Also, at this meeting, officers will be elected. The group decided to choose the second Monday night of the month for its meetings as there were less conflicts on that particular night.

Named to the steering committee to be headed by Mrs. Pharr were Shirley Brown, Peggy McGaughey, Cornie King, Pansy Russell, Betty Albus, and Billye Angle.

In the age 10 and 11 year old category, Tammy Rogers was fourth in the high jump at 4'6" and was also fourth in the 100 meter dash with a 13.45.

PROPER SLEEP IS ALWAYS IMPORTANT

With few exceptions, it is not true that the older one gets the less sleep is needed. Older people usually need more sleep to help limit tension, fatigue, dizziness and headaches which senior citizens often get because they may sleep less than seven hours each night.

Once in a while a mild home remedy for sleeping can be helpful. But, if getting to sleep is a constantly recurring problem, you should consult your physician. We have many prescription medicines he may prescribe to better solve your problem.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

CHIEF'S NOTES

By DAVE THOMPSON
KNOX CITY CHIEF OF POLICE

There are a few new items of interest within the Knox City Police Department and in order to keep the citizens of Knox City informed about their officers, this "Chief's Notes" column will appear in *The Knox County News* each week. I'll pass along information about police activities as well as items of interest in relation to the laws and how they affect you.

A "first" is currently happening within the Police Department, the addition of Reserve Police Officers is now complete. The City Council has given final approval to the formation of a Reserve Section of the Police Department, the limit of Reserve Officers was set at four. Four applicants were selected and final approval on the four was received from the Texas Commission On Law Enforcement in Austin this week.

The selection procedure for the four was basically the same as the procedure set by law for Regular Officers. Once the paperwork and background checks were complete, the information was mailed to Austin and the final approval was made there.

The four applicants selected and approved by the State are Shelton Boyd, Steve Pepper, Ted Bolzle, and Rob Harrison. All four will be required to undergo 70 hours of training before becoming fully certified by the State as Permanent Reserve Officers. Training is the same as given to regular Police Officers, only in a condensed version.

Reserve Officers will each work twenty hours a month. The work is on a strictly voluntary basis; no pay from the City is involved. This is a community service by the four men, similiar to the role of Volunteer Firemen. While on duty, each Reserve has the same legal authority as any other Police Officer in Texas. I should point out that this legal authority is granted by the State Legislature as it is recognized that Reserve Officers have a very important role in today's Law Enforcement.

Job duties of a Reserve Officer are similiar to those of any other officer, patrol work and traffic enforcement while riding or working with a regular officer. Reserves will also work sporting events and other large crowd gatherings. Whenever an emergency arises, reserves can be called out, with the call out authority limited only to the Chief of Police.

In future editions of *The Knox County News*, I'll be passing on more information on the Reserve Program. In closing, I want to pass on my congratulations to each of these four men. It takes a special person to want to volunteer time to his community, especially in a field of work that can be hazardous from time to time and also places a person in the public eye at all times.

Application May Be Made Through S. S.

In the past, persons who wanted to apply for food stamps could do so only through food stamp or welfare offices.

Now, the U.S. Department of Agriculture and the Social Security Administration have made arrangements for cedrtain persons to apply for food stamps through Social Security offices. This service is intended to make it easier for them to obtain food stamp assistance.

A person may apply for food stamps at a Social Security office under the following conditions:

1. If one and his or her household (all the people who live and eat with them are applying for Supplemental Security Income.

2. Or, if one and his or her household already receive Supplemental Security Income but are not receiving food stamps.

Persons already receiving food stamps who did not apply for them through a Social Security office, must reapply at the food stamp office when their stamp certification period ends.

Also, persons still may apply for entry into the food stamp program at a food stamp office rather than the Social Security office, if they so desire.

Applicants who have questions about this change or want more information may call the toll-free Food Stamp Hotline at 1-800-252-9330, or may contact their local food stamp or Social Security office.

The new service starts August 1.

County Agent Urges Calf Vaccination

Jim Mazurkiewicz, county agent with the Texas Agricultural Extension Service, Texas A&M University System, urges livestock producers to begin a vaccination program against brucellosis as soon as their calves are eligible.

Mazurkiewicz says that vaccination with Strain 19 vaccine is an excellent tool in the control of brucellosis, and suggests that all dairy and beef producers contact their veterinarians and set up a schedule as part of their regular vaccination program.

According to the National Brucellosis Technical Commission, Strain 19 has proven to be about 95 effective against brucellosis under average field conditions. Mazurkiewicz reminds stockmen that the state will pay for the vaccine as part of the revised brucellosis control program.

For best results, and to decrease the number of false reactors in later tests, Mazurkiewicz recommends that dairy heifer calves be vaccinated at four to six months of age, and beef calves at four to eight months of age.

O'Brien Happenings

By CHARLENE BROTHERS

This is my last week and I have started it off to the average of being late. Seems like everything happened Monday. Usually when one in my family goes to the hospital it is me, so when one of your sons is the victim, it makes for a change. I believe it is more nerve racking on me for it to be someone else besides myself. I guess it has happened so often with me I just kinda expect it, and when someone that looks so healthly takes a turn for the bad, it does shake you up. Don had to have an appendectomy Monday afternoon. He is doing just fine now. They had him up Tuesday morning taking a shower and walking.

FAMILY REUNIONS

This is the family reunion season and we had two for families that are oldtimers of this community. Most of the older ones are gone on now and the younger generation is carrying on.

The descendants of the late William David and Mellisa Josephine Johnston met for their annual reunion at the Knox City Community Center, Saturday night, July 19, and Sunday, July 20. All living children of the couple were present including O.S. (Abb) Johnston, O'Brien; F.A. (Ted) Johnston, Knox City; Mrs. B.W. (Hazel) Barnett, Vernon; S.E. (Sam) Johnston, O'Brien; Mrs. S.G. (Edna) Hove of Altus, Oklahoma; and R.B. (Dick) Johnston, Burkburnett.

Ice cream and sandwiches were enjoyed Saturday night with very competitive games of forty-two and Skip-bo being enjoyed after the meal. A covered dish luncheon was enjoyed Sunday. Much visiting, forty-two and Skip-bo games were enjoyed in the afternoon.

Seventy-seven registered. Those present were from McGregor, Waco, Lubbock, Austin, Gainesville, Canyon, Brownwood, Slaton, Fort Worth, Houston, Vernon, Stamford, Rule, Rochester, Altus, Oklahoma, Knox City, and O'Brien.

The descendants of William Riley and Samantha Jane Collier Brothers had their reunion at Lubbock Saturday and Sunday, July 26 and 27. There were 81 who attended. The family had 11 children and only three of these are now living. Two of these were present at the reunion, Mrs. Maude Lamb of Levelland and Mrs. Myrtle Butchee of Amarillo. The other living brother, Marlin, did not get to come.

The oldest attending was Maude Lamb, who is 81. The one coming the farthest was Linda Brothers Walton and son, J.L. of South Dakota. Linda is the oldest daughter of Bobby Brothers, former resident of O'Brien and Knox City. Also from out of state was Olga Lea Brothers Teague and granddaughter, Resa Gutierrez of Tuscon, Arizona. Other O'Brien residents and former residents attending were Mr. and Mrs. Bobby Brothers and Robert of Newark, Mrs. Nancy Brothers Simmons, Sherry, James and Richie of Fort Worth, and Mr. and Mrs. Jay Oxford.

I received word last week that a former resident and a graduate of O'Brien High School had been appointed postmaster of McGregor. Betty Sue Johnston Waller, daughter of Mr. and Mrs. Dick Johnston. Betty Sue graduated from O'Brien School in 1953. As soon as she finished school, she moved to Burkburnett with her family.

By OZELLE STEPHENS

"The Lord hath appeared of old unto me, saying, Yea, I have loved you with an everlasting love: therefore with loving kindness have I drawn thee." (Jeremiah 31:3).

To build your faith, first know that God loves you; that he takes note of every sparrow that falls and even the hairs of your head are numbered. This means that the least among us is very important to God.

God is described as a forgiving, loving Father. In building faith it is of first importance to establish this truth into your mind. Every day say aloud, "I am a child of God. God is interested in the smallest detail of my life. God loves me." Do not let doubt and fear arise in your mind. Hold the fact of God's Love for you, in your thoughts until you know it is a fact. Then you will have a deep inner security that will help you to have a strong faith. Believe with all your heart, that is the principle of attainment. For as you think in your heart, so are you. for where your treasure is, there will be your heart be also.

SERVICES OF THE CHURCH OF GOD IN CHRIST

The Lord blessed us with a glorious convocation in Lubbock this past week.

The meeting was held at Ford's Memorial on Quirt Avenue with Bishop J.E. Alexander presiding.

Our District Missionary, Mrs. Nettie M. Ward, was blessed to go up on Thursday and to stay through Saturday. Two groups from the Knox City and Rule Churches also went on Thursday.

Overseer Harrold of Abilene preached Thursday night from Galatians 6: 12, 14, "Boasting in the Cross".

Overseer Alexander of California brought the main message on Thursday night from Luke 5: 1, 6, "A Trained Mind for Christ".
