VOLUME NO. 50

BURKBURNETT, WICHITA COUNTY, TEXAS, THURSDAY, APRIL 11, 1957

NUMBER 39

## Candidate For Jubilee Queen

We would like to introduce to you MRS. HUGH COLE STON, Jr. Her first name is Beverly. She is a graduate of Burkburnett High School, and has been a resident of Burkburnett for a number of years. She, with her husband and small son, lives in Roselawn. They attend the Church of Christ.

We are presenting Beverly to you as the only Burkburnett candidate for "MISS DIAMOND JUBILEE" to crown the celebrations during the Diamond Jubilee of Wichita County, May 11th-18th. To cast your vote, you buy a coupon for the candidate or one of her sponsors, Forum Study Club members. Each coupon, which gives the candidate one thousand votes, is sold for one dollar, but has a redemption value of one dollar and cents when exchanged for a ticket to the "Diamond Jubilee" production, to be staged in Midwestern Stadium during the Diamond Jubilee Festival.

Beverly and her sponsors will appreciate any support the people of Burkburnett give her as a candidate for "Miss Diamond Jubilee". Coupons will be sold from 9th until May 7th. Those coupons sold during the week will mean bonus points for the candidate. Buy your coupon early, save money on your Diamond Trail, and in doing so, you will give support to Burkburnett's own candidate, Beverly Preston.

## ROTARY CLUB

Meets Each Tuesday Noon

Browning presided in absence of president Robinson. A letter from Dr. of Midwestern University was read to the school becoming a state supported institution. A resolution was passed urging all to support this bill in securing state aid.

Bookbinder presented a first class program when presented George Moquin and Patricia Snow who favored the club with piano and singing of popular songs. Morris is to be crowned in securing fine talent. George and Patricia are both students at Midwestern University. Our thanks to these young artists who give us their time to entertain in their time.

Davis introduced nine new Rotarians from Wichita. Three were in attendance with 7 absentees. Byers will secure the program for next Tuesday.

Entertainment Exposition

April 13th

Cub Scouts and Boy Scouts will hold an entertainment exposition at the High School Saturday night, April 13th.

show is unusual, bringing the highest type entertainment. Tickets are now on sale, for adults and 15c for children.

## A. R. Hill Named President of Bank J. E. Frye Vice-Pres. and Cashier

At a meeting of the directors of the First National Bank Wednesday afternoon, the resignation of the president was accepted, and two other officers were promoted.

The resignation of J. V. Brookshear, president, was accepted, effective June first. Mr. Brookshear will take up duties as vice-president of the National Bank in Aztec, New Mexico.

A. R. Hill, vice-president and associated with the bank since 1921, was promoted to the presidency.

James E. Frye, cashier, was promoted to vice-president and cashier. Mr. Frye has been with the bank since 1946.

Directors are P. B. Browning, Ted Harwell, O. W. Prechel, Harold Van Loh and A. R. Hill.

Mr. Hill was born in Tennessee and educated in Oklahoma. He has served in nearly every capacity at the bank since he started in 1921 as a bookkeeper. At present Hill is treasurer of the Masonic Lodge, a member of the Rotary Club and Chamber of Commerce.

## Lions and Ladies Enjoy Banquet

Eighty-four Lions, their ladies and special guests gathered at Town Hall Tuesday for the annual ladies night.

Mesdames Casey Logan, Luther Bundy and Bryant prepared and served a delicious baked chicken dinner. The permanent program committee had charge of the decorations and entertainment.

Vernon Duke introduced little Miss Karan Burton, who rendered three vocal numbers. She was accompanied at the piano by Mrs. Leroy Meyer.

Next on the program was J. O. Henson, Wichita Falls, district chairman of the Toastmasters Club. He gave three very humorous stories.

To conclude the entertainment Mrs. Meyer sang three numbers, dedicating the last to "The Stronghearted, Bearded Men". She was accompanied at piano by Mrs. Dorothy Duke. The entertainment was declared outstanding.

Special guests were Mayor and Mrs. K. C. Spell, Mrs. Kenneth Spell and son, guests of Sloan Mills. Mr. and Mrs. Tom Burnett were also special guests.

Mayor Spell spoke briefly, stating he was married in Burkburnett and always enjoyed meeting old friends.

Mrs. Beverly Preston, Burkburnett's candidate for Queen of the County Diamond Jubilee, explained the manner in which candidates receive votes. A \$1.00 coupon entitles the bearer to a \$1.50 ticket to see the "Diamond Trail" spectacle, to be held in Midwestern Stadium May 11th through the 18th.

Mrs. Preston is sponsored by the Forum Study Club.

## Methodist Revival Will Begin Sunday

As we enter another Easter season, we are more conscious of our responsibility to Christ and His Church. Sunday morning will initiate a week of religious services each evening at 7:30 at the First Methodist church.

The forty-eight pews will be assigned to individual members of the congregation and it will be their responsibility to fill the pews each evening.

Monday night has been designated as "Family Responsibility"; Tuesday night, "Adult Responsibility"; Wednesday night, "Youth Responsibility"; Thursday night, Holy Communion will be administered commemorating the Last Supper of Christ and His disciples; Friday night, "Children's night."

Babies will be dedicated this Sunday (Palm Sunday). The church membership class and other interested persons will be given the church vows on Easter Sunday morning following the cantata and sermon.

Everyone is invited to attend these pre-Easter services. The pastor, Rev. Leon Turner, will bring the message each evening.

## Invitations To Jubilee Go Out To Old-Timers

Special letters of invitation, bidding former Wichita County residents welcome to the Diamond Jubilee festivities, May 11 through 18th, are now in readiness at Jubilee headquarters, 825 Indiana Ave., Wichita Falls.

These invitational letters, reproduced by offset lithography on the Wichita County letterhead, described the many events and the programs now being planned for the celebration and invite county "Old Timers" now in residence elsewhere to join in with their relatives and friends during the outward jubilation.

Invitations are signed by County Judge Guy H. McNeely; Linton H. Estes, president of Diamond Jubilee, Inc.; Oral Jones and Leon L. Deaton, co-chairmen of the Hospitality Division and D. W. Wiley, Jr., Chairman Pioneer Recognition Committee.

Residents of Wichita County who may desire to have a copy of this invitational letter sent to a relative or friend who has formerly lived in the county can accomplish this by filling out the accompanying "Wichita County Jubilee Hospitality Information" form and then returning same to the address hereon. If more than one such invitation is desired, additional forms are available at Jubilee headquarters, 825 Indiana Ave., Wichita Falls.

## Get Entry Blanks For Floats, Etc. In Jubilee Parade

Those desirous of entering a float, marching unit or old fashioned vehicle, as well as a riding or musical unit in the Jubilee Opening Day Parade, scheduled for 10 A. M. on Saturday, May 11th, should apply for a special entry form at Jubilee headquarters according to Frank Goble, parade marshal and Harold H. Thomas, deputy marshal.

These application forms contain information as to the type of entry and also data concerning the availability of float building materials, about which many organizations have been inquiring.

Those who live in Wichita Falls are requested to stop in at headquarters to secure these application forms. Those residing out of side of the city can write in or phone for the form, which can then be mailed to the given address. The headquarters is located at 825 Indiana Ave., Wichita Falls and the phone number is 3-7186.

"No entries for the parade will be registered unless the application form has been filled out and returned as directed thereon," Mr. Thomas stated. "In response to many questions regarding this opening day parade there is to be no fee for entry of any kind. Likewise, there will not be any competition among entries.

"The primary intention is to have a parade which will be historical in theme, confining vehicular entries to only those which are decorated for strictly float entries and the balance of the vehicles to be either covered wagons, chuck wagons, ox carts old fashioned autos and other mobile equipment which of their very natures are historical."

Entry blanks for the "Young America" youth parade, to be held on Tuesday, May 14th at 3:45 p. m. will soon be available at headquarters. This will not be a commercial float parade, however, and only the youth of the county will participate in this May 14th parade.

"Interest thus far points to sizeable participation in both of these parades," Mr. Goble added. "We are looking forward to having the greatest procession ever seen in this section of the country. However, we cannot adequately form these parades unless we have proper entry forms for all of the participants."

## City Officials Elected Monday

City Commissioners met Monday night to canvass ballots of the recent City election. Two new Commissioners, Winston Freeman and John Page were declared winners. They defeated J. Frank Kelley and Ross P. Reagan.

Following canvassing of the ballots, election of officers was held. H. D. Smith was unanimously re-elected Mayor. John W. Brookman was elected mayor pro tem.

Other routine business matters were attended to.

## PRICE WAR THREATENS

It has been reported that brother of the brush Lewis Todd has cut the price of tickles from a nickel a tickle to three for a dime and is doing a thriving business.

Other Brothers of the Brush threaten to start a price war in order to beat the competition.

Some Brothers have even suggested that as a last resort, cut Lewis' whiskers off.

## Contract Let For New School Bldg.

J. T. Riggs Company of Wichita Falls was low bidder on the construction of new classrooms for the primary building. The company was awarded the contract Monday. Work will begin this summer.

Included in the project will be nine classrooms, a tax office, and auxiliary rooms.

## Ben Winkles Opens Magnolia Station

Mr. Ben Winkles announces the opening of the Magnolia Service Station this week at the corner of Avenue D and Main Street. The station features a complete line of Magnolia products, also fast and efficient wash and grease jobs.

Mr. Winkles is the former owner of the Gulf Service Station here.

## Quarterback Club Members to Meet Mon. Night, April 15

There will be a Quarterback Club meeting Monday night, April 15th at 7:00 P. M. at the Palace Cafe, for the purpose of getting organized for the 1957 season.

Everyone interested is urged to attend.

## B. O. Willis Is New Owner of Gulf Service Sta.

The Gulf Service Station at 404 East 3rd Street is now under the management of Mr. B. O. Willis. The station carries a complete line of Gulf products and offers expert wash and lubrication jobs. They will pick up and deliver your car to you.

Mr. Willis has had several years' experience in the service station business and invites his friends to come by to see him.

## NOTICE

The Bluebonnet Garden club will meet in the home of Peggy Mathis Tuesday, April 16th for a stated meeting. Florice Jeffers and Gale Butts have charge of the program. Flower arrangements show will be held in the home of Louise Ratliff, April 23. All members are urged to attend these two meetings.

Dr. and Mrs. P. A. Carpenter are attending the American College of Surgeons Convention in Boston Mass.

Mrs. J. W. Allen is visiting her son, Mr. and Mrs. Tex Allen and children in Okla. City this week.

## Burkburnett Young Lady Finalist For North Texas Relays Queen

RELAYS ROYALTY—Linda Lou Turner of Burkburnett is one of five finalists chosen in an election for queen of the North Texas Relays at North Texas State College in Denton. As a runner-up in the all-college election, she served as an attendant to Queen Genevieve Williamson of Fort Worth at the annual track and field meet held recently in Denton. Miss Turner is the daughter of the Rev. and Mrs. Leon J. Turner. He is pastor of the First Methodist Church.

## Cancer Fund Drive In Burkburnett Tuesday Night, April 16; 7 to 8

Burkburnett's Cancer Fund Drive will take place Tuesday night, April 16. The porch light system will be used, with callers making their rounds between 7:00 and 8:00 P. M.

Mrs. Jo Lundberg is chairman of the Burkburnett drive. She has a number of workers lined up in different parts of town, but she still needs more volunteers. If you can help on Tuesday night, call Mrs. Lundberg.

Many services are available to all Wichita County Cancer patients.

**Dressings**  
All types of surgical dressings are provided for patients. Tailor-made dressings will be made for specific cases according to their need.

**Gift and Loan**  
For patients being cared for in their home who need hospital beds, wheel chairs, or other sick room articles.

**Home Visiting**  
For patients in the home where the family is in need of some non-professional help and moral support. This includes sitting with the patient while the family rests or goes out for some relaxation, running errands, assisting with household duties and other services.

**Nursing**  
Through the volunteer nursing committee, some specialized services can be obtained. Administration of glucose, assistance with tubal feeding, etc., as approved by the attending physician.

**Transportation**  
For patients who need means of travel to and from the clinic, hospital, or doctor's office for treatment. This is restricted to clinics, hospitals, or doctor's offices located within Wichita County.

**Tumor Clinic**  
Facilities for patients to obtain medical consultation and recommendations.

**NOTE:** The approval of the patient's physician is required before any of the above services are rendered by the American Cancer Society's Service committee volunteers.

The above services are made possible by your contribution. **Fight cancer with a check-up. Between checkups be alert to the seven danger signals:**

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Persistent change in bowel or bladder habits.
5. Persistent hoarseness or cough.
6. Persistent indigestion or difficulty in swallowing.
7. Change in the appearance of the skin.

## Trustees Named School Election

The Board of Education of the Burkburnett Independent School District met in special session Tuesday, April 9th, and canvassed the trustee election returns.

Mr. A. J. Muller received 106 votes; Mrs. W. H. Preston 87, Mr. J. C. Hinkle 85, Mr. Clyde McDonnell 83, and Mr. Grady Walker 47.

Mr. Muller and Mr. Preston were declared the winners and took the oath of office.

The Board re-elected Mr. A. J. Muller president; Mr. J. L. Mitchell, vice-president, and Mr. Archie Faulk, secretary.

Other members of the Board are Mr. Newton T. Crane, Mr. Herman Miller, Mr. Weldon Nix and Mr. W. H. Preston.

## New Beauty Shop Will Open Wed.

Mrs. Marcella Elliott announces the opening of a beauty shop at her residence on the Wichita Highway, Wednesday, April 17.

Mrs. Elliott has been a beautician for many years and is well known here. She will feature individual hair styling, permanent waves, manicures, etc., in her shop.

## CORRECTION

Store hours for Butler's 5 and 10 are 8:00 a. m. to 6:00 p. m. week days instead of 6:00 a. m. to 8 p. m. as stated in last weeks paper.

## GRASS ROOTS OPINION

**CHICO, CALIF.** Enterprise-Record: "Unions are private non-governmental organizations. So are churches, so are political parties. The membership activities of private organizations morally range in the recruitment realm of voluntarism, and such organizations, in our opinion, enjoy no ethical rights of arbitrary conscription."

**DILLON, S. C.** Herald: "We should not allow our young people to enter the adult world unarmed against Communism. They should have the best armor that we can give them. And the best armor against Communism is the truth about it—what it is, how it originated, what it does to destroy individual rights and human freedoms. Thus armed our young people can be vigorous champions of Democracy, and not merely subservient followers of it."

**WARWICK, N. Y.** Advertiser: "The increasing number of unqualified and sometimes dishonest income tax 'aiders' has prompted the Internal Revenue Service to issue a strong warning to taxpayers to be careful whom they consult for help in preparing the 1956 Federal tax returns. Nationwide, the Intelligence Division of the Service turned up a record number of fraudulent and incompetent assistants last year."

**AFTON, WYO.** Star Valley Independent: "A pre-spring cleanup drive could have many benefits in our communities. Why not start yours today?"

**MASONTOWN, PA.** Klondike Bulletin: "Start the week right, go to church Sunday!"

## HOUSE CLEANING

Victor Riesel, the distinguished writer on labor affairs who was blinded with acid by goons, believes that the current Congressional investigation into alleged abuses by certain labor leaders, will result in legislation forcing unions to clean house. Public opinion, which includes the opinion of the rank and file union members and the many honest officers of unions will demand that.

Mr. Riesel goes on to describe three specific fields in which legislation can be expected. First, the law must see that union members run and actually control their own unions. Second, protection must be erected around the welfare and pension funds, which now total the incredible sum of \$25 billion. Third, something must be done about labor's political activities so far as they lead to corruption and racketeering.

This is all to the good. But there is one more essential step, entirely aside from special legislative needs which will be made clear by the present investigation. That is adoption, by all the states, of right to work laws which make union membership a voluntary matter, which each worker can decide for himself, without coercion.

Indiana recently became the 18th state to adopt such a law, significantly, it was the first major industrial state to do so. Right to work is in no way anti-union—the unions are free to organize as many workers as wish to join. It is however, pro-worker and pro-good union. For it makes the union "sell itself" on the basis of the kind of service it gives and the standards of conduct it follows. It does away with union monopoly, and monopoly, in any field, inevitably breeds corruption.

## EVIDENCE FROM THE RECORDS

The cost of building construction has just about doubled since World War II, and the cost of the furniture and other things inside our buildings has followed a comparable trend. That is simply a fact. But how many people have adjusted their insurance coverage to take care of this price inflation?

That's a very big question indeed, and, as prices continue to rise, it becomes bigger all the time. The magazine National Underwriter recently asked several fire insurance companies to check their records to find out just how adequate fire insurance coverage is today. The check was made, and widespread evidence of seriously inadequate coverage was revealed. Fire caused \$140,000 loss to an Illinois garage building—it was insured for \$24,000. An upstate New York fire caused a total loss of \$44,479 in a small store—insurance coverage was \$29,100. A dwelling fire resulted in a \$27,700 loss, and there was but \$15,000 insurance in effect. So it goes—such examples could be continued indefinitely.

The point is that millions of people just don't have enough insurance on either their homes or places of business. The policies may have been adequate when they were issued years ago, but they are inadequate now, often to a tremendous extent.

There is, of course, a ready solution to this problem. Carefully inventory your insurable property, missing nothing, and using the yardstick of current prices. Then see your local insurance agent—he'll know how to provide the protection you need at the most moderate cost.

**YOU CAN'T QUIT ADVERTISING  
YOU'RE TALKING TO A PARADE  
NOT A MASS MEETING**

## LIKE YOUR GARDEN HOSE

One of the cogent reasons for the recent increase in the price of crude oil—the first such increase since 1953, when wage and other costs were materially lower than they are now—was to encourage producers to seek new supplies. Demand for oil products is running at extremely high levels, and the situation has been complicated by the need to supply American oil to Europe in great quantities.

We have, of course, big crude oil inventories on hand. But, due to the nature of the oil business, much of it is not available in the normal sense of the word.

The president of the American Petroleum Institute has explained this with some simple examples. Before water will come out of an ordinary garden hose, the hose must be filled from end to end. Similarly, if water is to be drawn from taps in the home, the home's whole water system must be filled.

The oil industry is in the same position. It must have a tremendously large amount of oil to fill its vast crude oil and product transportation and manufacturing systems. This liquid oil is in a counting form of dead storage. "As a matter of fact," the API's top executive said, "more than two-thirds of all the crude oil inventories reported by the Bureau of Mines and the Department of the Interior as in storage, are actually unavailable and must remain unavailable if these transportation and refining facilities are to function properly."

Crude oil must flow day and night in huge quantities into those facilities. New reserves of crude must be pinpointed to make sure we will have plenty of oil for future years. And only a profitable price can encourage men to take the long risks that are an inescapable part of opening up new oil wells and fields.

### NOTICE

The Burkburnett Council of Garden Clubs will sponsor Mrs. K. B. Davidson of Wichita Falls in a course of Flower arranging. There are a series of five lessons at fifty cents a lesson. These lessons will be taught each Friday in May Starting at 1:30 p. m. at the Town Hall.

You do not have to be a member of a garden club to attend. Come and learn the art for your own enjoyment. If you will attend the first lesson I am sure you will be eager for the second.

So bring your container and a few garden flowers and have fun and gain knowledge.

Mrs. Roy Magers, President of the council.

# "First!"

**-Lowest Priced Car with Tri-Power Carburetion!**

Pontiac started 'em all talking by tagging this eye-popping Chieftain below 30 models of the low-price three. Now Pontiac has tossed another firecracker into the low-price field . . . with Tri-Power Carburetion available at extra cost on any model. Pontiac alone at so low a cost offers this sensational track-proved\* carburetion system that has officially outperformed super-charged and fuel injection cars. Here's how it works: For normal driving, only one of three double-barrel carburetors is in operation. When you want a safety-surge of power, press your toe and pronto!—the other two carburetors pour out a bonus of go as long as you need it. Ease up . . . and you're back to the gas-saving economy of one-carburetor operation! In short—your new Pontiac Chieftain can be tame or terrific—at the touch of a toe! Try it, and you'll see why they're biting their nails in the low-price field. Check the car . . . check the price . . . and all bets are that you'll graduate to Pontiac with plenty left over in your budget to celebrate the occasion!

## "Diamond Trail" Highlight County Jubilee

Mr. Work, professional director with John B. Rogers production company, has arrived in Wichita Falls to begin rehearsal for the forthcoming production. "Diamond Trail" will be the highlight of the county jubilee on the night of May 14-15-16-17, at Midwestern university stadium.

Mr. Work is a graduate of the American Academy of Dramatic Arts, New York City. After stints in Broadway productions, which include "Oklahoma" and "Lady of Fatima" as actor and actor respectively, he has taken review courses in theater direction and production at the American Theatre Wing in New York.

While at the "Wing", he was mentored by the Rogers company which has been thus associated for the past seven years. In this production, some of his major roles have been "Enchantment" at Albuquerque, N. M.; "The Life of Pere Marquette" at Ludington, Mich.; "Flame of the Mountain" at Quincy, Ill.; and other like spectacles in some of the most famous theaters.

Incidentally, Mr. Work spent several months in 1942 as an Air Force cadet at Sheppard Field to therefore claims, as he has a prior sojourn, if not a membership in Wichita Falls.

Mr. Work is in charge of the membership groups and organizations in the entire county being contacted by the committee for "Diamond Trail" headed by Dr. Jennie Hindman of the faculty of Midwestern University and chairman Mrs. W. P. Hood.

Mrs. Hood explained that work and the committee on Monday evening at 8 p. m. at the Texas Electric Company will begin casting for

the numerous episodes and scenes of the mammoth spectacle.

Mr. Work explained that he will use a technique commonly employed today in motion picture and television productions whereby pantomime action is coordinated with the spoken words of narrators at a battery of microphones. Therefore, since it will not be necessary for the cast to memorize lines, rehearsal periods will accordingly be shortened.

"One of the most important requirements for prospective cast members will be their willingness to participate," Mr. Work stated. "Since the cast will be matching action to the dialogue and description portions of the script as delivered by the narrators, individual groups in given scenes will only need to rehearse about one hour each week.

"There will be opportunity for an individual to take part in a solemn historic action; a humorous "Gay Nineties" picnic scene; as a member of an early covered wagon train, either afoot or on horseback; a dashing cavalier or a square dancer or the nostalgic Virginia Reel participant or even a rollicking "Charleston Guy or Doll" in the roaring Twenties' era.

Others may want to be ministers, statesman, civic leaders or townspeople in the congregations or meeting in days gone by. Some may want to appear as officers and soldiers in the scenes devoted to the War between the States, World Wars One and Two and other military episodes."

Dr. Hindman stated that "Diamond Trail" will require a huge cast of 1,250 Wichita County people, reenacting our "Portrait in Oil, so to speak, from early Comanche Indian days up to the thriving present.

"Diamond Trail" will be presented on a huge 300 foot stage, soon to be erected at the stadium, with myriad of special lighting effects and over 8,100 square feet of colorful scenery.

Mrs. Hood explained that strikingly beautiful and authentic costumes will be supplied by the Rogers Company for each of the cast members. She added

## New Roofing Stone Combines Beauty, Quality

It's not likely that this young lady-on-a-roof would want to match her skirt to the roof of her home; and it's even more unlikely that she'd want to match the roof of her home to a particular skirt. The point is: it's possible. A new coarse aggregate for built-up roofs, "3M" brand Ceramic-Color Stone, is now available in eight sun-fast colors especially designed to please the decorating tastes of Southern home owners.

A high quality roofing stone offering a range of eight durable, ceramically-fired colors is available for the first time in this state for use on built-up roofs.

For the Southern home owner interested in a high quality built-up roof which will withstand widely varying effects of intense sunlight, heavy rain and high winds, the new roofing stone offers complete protection to the underlying asphalt because of its opacity and a special chemical treatment which gives it extra-strong adhesion.

The eight sunfast colors—light green, dark green, brown, red, blue, coral, buff and white—will stay bright "years longer" than even the limited range of "natural" colors, according to the manufacturer.

The new coarse aggregate, called "3M" brand Ceramic-Color Stone, is colored by a patented ceramic process developed by Minnesota Mining and Manufacturing Co., St. Paul, Minn., and Little Rock, Ark.

For the roofing contractor or applicator, Ceramic-Color Stone offers easier application because it is dust-free, and the chemical treatment assures better adhesion to asphalt than was formerly possible for a quality roofing job.

Texas distributors of Ceramic-Color Stone are: Texas Sash and Door Co., Dallas and Fort Worth; Pioneer Supply Co., Fort Worth; Acme Associates, San Antonio; and Star Steel and Supply Co., Houston.

## News From The County Agent And Home Agent

Some 50 women began to add finishing touches to draperies, this past week. These women have taken part in the drapery workshops, sponsored by Wichita County HD clubs.

Miss Thelma Wirges, county Home Demonstration Agent and Mrs. Sidney Smith, active Home Demonstration club member, taught a total of 21 leaders in two classes. These leaders, in turn, taught the other 29.

In these workshops information was given on Material Selection, Measuring Windows, Cutting and Matching material, addition of crinoline or plastic tape, hems and mitered corners, lining, headings and completion of drapery. Printed material is available on all of these, if you will write Miss Wirges at 305 Federal Bldg., or Mrs. Smith at Rt. 1, Wichita Falls, Texas.

Communities represented in the workshops are Wichita Falls Eastland, Cooper-Friberg, City View, Burkburnett, Ray-Massey, Valley Farms, Electra, Midway, Punkin Center and Barwise.

Smith, Mrs. V. C. Lamb and Mrs. Ralph Huggins are serving on the planning committee. Plans for the week are:

1. A county-wide luncheon.
2. Educational exhibits to be put up by each club.
3. Recognition of outstanding members, leaders and demonstrators in individual clubs.
4. Various individual club activities.

Get in the swing and clean up for spring is the latest advice from the Texas Farm and Ranch Safety Council. A good house-keeping job in the home and around the farm will remove accident hazards. Disorder ranks second only to poor judgement as a cause of accidents.

Deferred grazing can give the good perennial range grasses the boost they need now for survival, declares B. T. Haws, county agent. Grasses need top growth to make root growth. Because of the prolonged drought, root systems are far below normal and need time to get re-established.

Modern farming is an expensive business for it requires a

high outlay of monies for maintenance to say nothing of the large initial investments. B. T. Haws, county agent, says a careful budget analysis is most helpful for discovering small losses in the business. Well-kept records are a must in fighting the cost-price squeeze.

Total fertilizer tonnage sold in Texas during the fall of 1956 was five percent higher than for the same period in 1955 but was 23 percent below the fall figures for 1950, reports State Chemist J. F. Fudge. But he adds, because the concentration was such that primary components used during this period (1956) was greater than ever before. The shift continues to the higher analysis materials.

Extension dairy husbandry men say it isn't too early to start a fly control program. Good drainage around the dairy barns and hauling manure to the fields on a regular basis are two practices which will eliminate fly breeding habitats. If control measures are needed, the specialists suggest that a copy of L-256 be obtained from the local county agent.

### Services Were Tuesday For Hullum, Jr.

Services were held for the late D. Hullum, Jr., at 2:00 P. M. Tuesday at the Hunter Funeral Home in Oklahoma City. Mr. Hullum, 22, is the son of Mr. and Mrs. D. Hullum, former residents of Oklahoma City. Mr. Hullum was employed in the service of the Air Force Base, Hullum, Okla. He was killed in action in the Korean War in 1953. He was buried in a blizzard in Colorado last week. He was survived by his parents, Irene Hullum, of Oklahoma City; one uncle, E. D. Hullum, 2316 Broad, Wichita Falls, Texas; Mrs. C. O. Waller, 2316 Broad, Wichita Falls, Texas; and a grandmother, Mrs. O. H. Buzbee at 1101 E. 11th, Dallas, Texas. Their grandsons, Kay and Robbie Brum, participated in the show.

### Burk Study Club Met Mar. 18 With Mrs. F. A. Jamieson

The Burk Burnett Study club met in regular session March 18 in the home of Mrs. F. A. Jamieson, with Mrs. J. L. Mitchell club president presiding.

The following amendment to Article 4, Sec. 1 of the club constitution was presented and adopted. "The Club shall hold its meetings the second Monday night of each month at 8 o'clock beginning the second Monday night in September and ending the second Monday night in May."

Following a short business meeting three very interesting programs were given: The Ford Foundation was given by Mrs. Ollie Ratliff; Mrs. James Bohner gave a paper on The Rockefeller Foundation and Mrs. Harry Dodson read a paper for Mrs. Virgil Brookshear on Queen Elizabeth.

Mrs. Ralph Davis won the door prize. Mrs. Jamieson served delicious refreshments to the following members: Mesdames Glen Bear, James Bohner, Ralph Davis, Harry Dodson, Howard Henderson, J. L. Mitchell, Ollie Ratliff, Jack Robertson, F. C. Foyce and Harold VanLoh.

### M. U. Freshman Gives 4-H Speech To Vernon Group

Miss Charlotte Simons, Home Economics freshman at Midwestern University, relived her trip to National 4-H Congress taken in November before a crowd of 207 Texas Home Demonstration club women last Friday at the yearly meeting of the THDA of District III. This year Wilbarger County was hostess to the group which convened in the Wilbarger Memorial Auditorium. Fourteen Counties of District III were represented at this meeting.

This is Charlotte's tenth year as a 4-H clubber. The trip to 4-H Congress last fall was a most climaxing event for the outstanding work done by this Wichita County girl.

Charlotte was impressed with every moment of the 4-H Congress from the assembling of the Texas delegation of 43 boys and girls and 4 sponsors in Ft. Worth to the last step from the train on the way home. However, the biggest thrill came when the National winners were presented their awards at the achievement banquet.

It is hard work states Charlotte, to earn a trip to National 4-H Congress, but it's a trip that will always remain an outstanding event of your life, and it is more than worth the effort.

### Mrs. Martin Wright Hostess April 8th Modern Study Club

The Modern Study Club met April 8th in the home of Mrs. Martin Wright. Mrs. Lee Bavousett, club president, presided over the meeting.

In the absence of the secretary, Mrs. Billy Earl Askins, roll call was taken and the minutes read by the vice-president, Mrs. Cliff Hagstrom. Mrs. Darrel Nichols, treasurer, gave the treasurer's report.

Mrs. Bavousett read two thank you cards received from Mrs. Johnny Crane and Mrs. Randall Hudson.

Final plans were completed for our bake sale to be held in front of the Famous Dept. Store, Saturday, April 20th, at 10:00 A. M. featuring Easter delicacies. Special orders will be taken until Friday noon by telephoning 259 or 1033.

It was also announced that the Diamond Jubilee Bells, bonnets, shaving permits and brothers of the brush buttons will be available to the public at the bake sale and orders for Jubilee ties will be taken.

All of the above items are being sold daily by members of the Modern Study Club.

Mrs. Bavousett read a letter from Mrs. Newell of the Texas Federation of Women's Clubs in regard to a donation for an oriental scholarship for a Korean girl.

Inasmuch as our guest speaker was unavailable, the program on drivers' education was not given.

The meeting was then adjourned and refreshments served.

Mrs. R. B. Swinford won the door prize.

### Mrs. Frank Hendon Hostess Recently Gay Ladies Club

The Gay Ladies Garden club met in the home of Mrs. Frank Hendon for their monthly meeting. The president called the meeting to order. The members discussed a pilgrimage and flower show. The pilgrimage will start at Mrs. Gilbert's with a coffee and then will continue to points of interest in town. The flower show will be held in the home of Mrs. Chester Todd and the theme will be Happy Holidays.

The program, House Plants for Blooms and for Foliage was given by Mrs. R. M. Sims. Mrs. Sims made an arrangement from living house plants and living demonstration on proper watering and soil for a number of plants she had on display. Fourteen members and five guests were present. Guests were Mrs. Marsha Chilton, Dawn Celest Sims, Gloria and Brenda Hendon.

Mr. and Mrs. J. C. Adams and Mrs. Chole Wiggins attended the Spring Preview at Southwestern Drug Co., Sunday in Wichita Falls. Mrs. Wiggins and Mrs. Adams were guests of Mr. and Mrs. Rancier, manager of the Wichita Branch of the Drug Co., at a tea held at the country club. Mrs. Oppenheimer of Dallas was a guest speaker and gave a very interesting book review.

### Builder's Class Met Thursday With Mrs. Cora Keller

The Builders Class of the First Baptist Church met at the home of Mrs. Cora Keller Thursday evening, April 4th, for a regular monthly business and social meeting.

The meeting was opened with a song, Have Faith In God, followed by a prayer by Mrs. Hayes. Minutes of the previous meeting were read by Mrs. Miles B. Hayes. Mrs. Keller and Mrs. Hayes gave the devotional reading from the 14th chapter of John.

Refreshments were served to 13 members.

### FFA News

The Burk FFA chapter entered five teams in the area contest held at Stephenville, Tex. The contests were conducted by the Tarleton State College boys. There were three areas competing. The Burk teams were dairy, livestock, dairy products, land and poultry.

The boys on dairy were Frank Morton, Touie Schroeder and Zack Bryant; livestock, Ronnie Cantrell, Roy Cook and David Waddell; Dairy Products, John Wolf, Gary Stubblefield, and J. D. Hart; Land, Teddy McDowell, Jimmy Jacobs and David Hart; Poultry, John Bogle, Larry Elliott and Jimmy Wolf.

The boys on dairy came in eighth and have the privilege to go to Texas A and M and compete for honors.

### Social Security Representative At Burkburnett

A representative of the Social Security Administration will be at the following places at the time shown.  
Burkburnett City Hall, Thursday 2:00 p. m.  
APRIL 4th,  
MAY 9th  
JUNE 6th  
Persons who desire information or assistance in Social Security matters are invited to meet with the representative.

### Wilbarger-Wichita Soil Conservation District News

It isn't just talk—Coastal Bermuda grass is good! No other grass planted in the Wichita Irrigated Valley has shown the promise as that of Coastal Bermuda—states James W. Park, technician of the Wilbarger-Wichita Soil Conservation District of Iowa Park.

The first trial planting was made in the spring of 1950 by C. C. Jones on a small plot south of Iowa Park. Since then some one thousand to fifteen hundred acres have been planted in the irrigated valley—and no one that has planted the grass has been disappointed in its ability to produce large tonnage of grass and tolerate the soil conditions existing within the irrigated valley.

This grass does not produce viable seed, so the only methods of expanding acreage is by either sprigging or sodding. A well prepared seedbed is necessary for planting by either method.

For sprigging it will require approximately 5,000 plants per acre, and for sodding between 3,000 and 3,500 plants per acre. Planters can be made for sodding and sprigging by using the old type sod planters with disc openers. Co-operators who have made planters are L. J. Lane, east of Iowa Park and D. C. Harrell, east of Wichita Falls on the George Kimbell farm.

Coastal responds readily to nitrogen fertilizers and appears to increase the yield of forage produced in accordance with amounts of fertilizer applied.

### Texas Fights Dreaded Cancer

A Baltimore cancer researcher found that he could grow polio virus in human cancer cultured in laboratory dishes, a good way to produce polio virus for experiments. Polio destroyed the cancer.

A Texas woman scientist wondered: "If polio virus destroyed cancer growing in laboratory dishes; what does it do to cancer growing in humans?" She checked the health records of all polio patients and cancer patients in Harris County (Houston) for several years back and found only one person who had had both polio and cancer. The cancer is considered by some to be a debatable one, a brain tumor called astrocytoma.

This may be significant. If, a rather large if, it is too, if it turns out that polio virus destroys cancer in humans, hopefully advanced cancer patients might be experimentally treated with the virus.

Phyllis Kress, a 21 year old girl from North Africa, is the champion speller of her school in the spelling bee contest there. Joan Kress was also chosen as the speller from her class and made the highest points in the class. Phyllis and Joan are the daughters of Mr. and Mrs. G. E. Kress former residents of Burk, and are granddaughters of Mr. and Mrs. O. H. Buzbee of Iowa Park.

## America's New Liners

S.S. Monterey

Current building programs of American-flag steamship lines include passenger liners of widely-different sizes and designs, for a wide range of services. Every type of traveler is provided for, whether he is bound on business or pleasure, and whether he wants to head east, south, or west from our shores. The coming generation of ships embraces large express liners, sleek cruising hotels, and tourist-class vessels of unprecedented luxury, according to the American Merchant Marine Institute.

One of the earliest of this new generation to appear is the de luxe Pacific cruise liner MONTEREY. With her twin sister MARIPOSA, she recently reopened the long South Pacific swing from San Francisco and Los Angeles to New Zealand and Australia, a route traveled before the war by two famous American liners bearing the same names, but monopolized since 1945 by foreign-flag ships.

In introducing these \$20,000,000 white sisters, Matson Lines have made more accessible to American vacationers such South Sea playgrounds as Honolulu, Pago Pago, Papeete, and Suva, besides restoring direct American-flag liner service between the English-speaking nations on opposite shores of the Pacific. (One of a Series)

## Junior High News

### New And Withdrawal Students

Only one junior high student has withdrawn recently. This was Carol Barnaby of 8-2, who moved to Phoenix, Ariz.

We welcome six new students to junior high. These include Stephen and Holly Mooris, who were in school here in the fall, but moved to California. They are in the sixth and seventh grades. Carol and Paul Small, 6th and 8th grades, comes to us from Mississippi. Nellie and Donald Ferguson, 7th and 6th grades come from Wichita Falls.

### Poetry-Writing Contest

The Lowanna Camp Fire group is sponsoring a poetry-writing contest for junior high students. Cash prizes will be awarded for first prize (\$3), 2nd prize (\$2), and 3rd prize, (\$1). All junior high students are eligible to enter, the deadline for entries is April 15th. The poem is to be no longer than twenty-four lines. When given to the judges, it will be in type-written form.

Winners of the contest will be announced at a later date. Contest judges will be two qualified Burk women.

### Bullpups on The Prowl

The staff of the "Bullpup Howl," junior high newspaper, is exchanging papers with two other junior high schools in this area. "Smoke Signals," published by Nocona Junior High is received by Burk. The second paper in the exchange program is the "Reagan Reports" from Reagan Junior High of Wichita Falls.

### Burk Volleyball Tourney Host

Burkburnett girls' physical Education Director, Miss Ethelyn Johnson, was in charge of the District Elementary Inter-scholastic League volleyball tournament, held in Burkburnett on Saturday, March 30th.

Four teams entered: they were Nocona, Olney, Decatur and Burk. The first game, Nocona vs Olney, was won by Nocona, who took the second place trophy of the tournament. In the second game Decatur took Burk and went on to beat Nocona in the third game to become tournament winner. Olney beat Burk in the fourth game to take third place of the tournament.

The Burk team members were Shirley Overton, Shirley Hodges, Connie Womack, Linda Holman, Diana Brookshear, Cindy Bryant Sandra Woods, Carolyn Clement, Sharon Nix, Darla Gorbet, Joy Eldson, Jane Yarbrow, Betty Bradley, Connie Clemens, Nancy Darter, Carolyn Bell, Linda Carter and Jan Good. Mrs. Treva Finley and Miss Johnson were the team coaches.

### Girls Softball Team

A Burk Junior High girls' softball team entered the district interscholastic League softball tournament held in Nocona March 29th.

The team members were Betty Bradley, Carolyn Bell, Sandra Breuer, Shirley Reynolds, Nancy Darter, Courtney Schroeder, Joann Hervey, Darla Gorbet, Shirley Overton, Anita Sweet and Virginia Moore, Miss Ethelyn Johnson coached the team.

## Kangaroo Court Torture Devices Being Prepared

The Kangaroo Court constabulary has been garnering information concerning "the most flagrant violations of the Sacred Beard and Button Mandates," according to Jim Miller, High Magistrate of "The Brothers of the Brush."

In the meantime, "Ye Keystone Kops" are busily engaged in securing such items as a massive "Dunking tank" for the most chronic offenders. An ominous looking pillory reminiscent of other instruments for meting out punishment in the court are tabbed a "secret" by the underground espionage department of the "Tribune of High Justice."

"Speaking of justice," added Judge Louis Jernigan, "there will be some degree of mercy extended during the sessions of the court" it will probably be infinitesimal, however. In fact, I should say microscopic, rather. It should be understood that the term "justice" in a Kangaroo court is something of a nebulous quality for the reason that Kangaroo law is constantly being amended to fit the whimsy of the various magistrates. Then, too, we admit that our Supreme Judges are biased to a great degree. In other words, the culprit is considered to be guilty from the outset of his trial, whether he pleads that way or not. However, let us say that at least one in ten thousand violators will

be able to prove his innocence and thus get away with only minor penalties, such as being placed in the "Aqua Tank" or hung for a brief moment on the High Gallows. Once in a while we even purge our own members to set an example for the public.

A special device is being prepared for "lady violators" of the Jubilee Belle proclamation. This punishment machine is another "secret" piece of punishment equipment known as "The Torture Chamber."

Judge Bill Cushman stated that the Kangaroo Court will soon be in regular sessions at noon on Monday of each week. "However," he hastily added, "the public may expect unannounced raids at any time of the day or night."

Among some of the other members of the constabulary are "Bailliff" Darnell Krc, High Sheriff's Dusty Rhoads, Johnny Cobb and Walter Nowlin and "Keystone Kops" Frank Burns, W. C. Davis, Fred Litteken, Jim Pettijohn, Dick Boyle, John Jank, Bob Easter and Jack Harris.

Almost 60% of all women who work are married; nearly a third have children under 18.

Tongue Twister—A group of words that get your tang all tangled up.

Mrs. H. S. VanCleave has returned home after several weeks visit in Ft. Worth. VanCleave is reported as being after her recent illness.

## THE CHANGING SCENE

## Circle No. 1 WSCS Met Monday With Mrs. R. L. Gragg

Circle 1 of the WSCS of the Methodist church met Monday at 2:00 p. m. in the home of Mrs. R. L. Gragg, 207 East 1st street. After a short business session, Mrs. J. M. Patterson gave a very interesting and inspiring devotional "You Can't Hold Back the Dawn." The message of Easter by Clarence W. Hall. The program was then turned over to the leader, Mrs. Leon Turner.

Informative talks were given by Mrs. Tucker, Editor of Education; Mrs. Gilbert, Health of the Islands; Mrs. Bunstine, special features.

Delicious refreshments were served to Mesdames Tucker, Patterson, Lawler, Bunstine, Turner, Young, Gilbert, McPhearson, one visitor, Mrs. C. A. Moreman and the hostess, Mrs. Gragg, co-hostess, Mrs. Moreman.

## Gay Ladies Club Enjoyed Pilgrimage Monday, April 8th

Mrs. Homer Gilbert entertained the Gay Ladies Garden Club with a coffee on Monday, April 8th and led the group on a pilgrimage through her own yard and green house and Mr. Gilbert presented each with a plant.

The group then drove to the homes of Mrs. James Smith and Mrs. Fuller on West 3rd then to the home of Mr. and Mrs. Finch Scruggs on South Avenue D. Mr. Scruggs gave each member a mum plant.

The pilgrimage was attended by twelve members and three guests.

## Wesleyan Guild Met April 8 With Mrs. P. A. Wiggins

The Wesleyan Service Guild met in the home of Mrs. P. A. Wiggins April 8th for its regular monthly meeting.

Minutes of the previous meeting were read and approved.

Mrs. Pirtle gave the treasurer's report in the absence of Mrs. Martin.

Mrs. Felgar was appointed secretary of Christian Relations.

Mrs. Turner brought a beautiful pre-Easter devotional and Mrs. Tuel brought the lesson assisted by Mesdames Felgar and Pirtle.

A motion was made and seconded to send flowers to Mrs. H. R. Hayes and to pay for drapery for one window in the Junior Dept. in the new educational building. Mrs. J. C. Parks was presented a life membership in the guild.

Refreshments were served to twelve members.

The guild will meet with Mrs. Turner as hostess in May.

Randlett, Devoil and Union Valley schools held a special election Monday to consolidate the schools and the bill carried 460 to 143.

Recently, Purina research workers asked poultry staff men in 9 leading poultry states to estimate the total amount of feed required—on the average—to grow a pullet to laying age. Shown here is the average of the figures they supplied, compared with Purina feed requirements based on records of thousands of pullets raised at the Purina Research Farms.

FEED REQUIRED TO GROW OUT PULLETS*		
	Light Breeds	Heavy Breeds
State average.....	23.1 lbs.	28.0 lbs.
Purina Program average..	19.3 lbs.	23.8 lbs.
Saving per pullet on Purina	3.8 lbs.	4.2 lbs.
Saving per 100.....	380.0 lbs.	420.0 lbs.

\*From day-old to laying

## How to grow 100 sturdy, big-framed Purina pullets on 50 pounds less feed

Poultry raisers recognize Purina Growing Chows have quality and ingredients to produce sturdy, big-framed pullets. They all realize that Purina efficiency often makes it lower in feeding cost than with cheaper price tags.

The above shows the important difference in number of pounds of feed needed to grow 100 Purina pullets, compared with the average in 9 leading states. The Purina Research staff rounded off the 250 pounds less Purina for light breeds, and 400 for heavy breeds.

Feeding of feed increases the Purina complete Growers by 30¢ to 40¢ per bag... or 60¢ to 80¢ a bag

more for Growing Chow fed with scratch grain.

Thousands of poultrymen have found that they can use high-quality feed... and make money doing it. We know this. And, we're anxious to show you how you may cut feed costs with your pullets.

**Pullet Health Hint**—Now, with Purina Liquid Poultry Wormer, you can worm each 100 pullets for less than 25¢! Best time is when they are 10 to 12 weeks old, with a second treatment just before housing if your ranges are used heavily. It takes only one dose in the drinking water. Order Purina Liquid Poultry Wormer right here at the Store with the red-and-white Checkerboard Sign.

## Mrs. Marshall Young Hostess April 3rd University Club

The University Study club met on April 3rd in the home of Mrs. Marshall Young with the president, Mrs. Harwell presiding. After a brief business session, Mrs. Tevis presented a program on Health. The first speaker, Mrs. Cauthorn brought us a very interesting and informative talk on What's new in Medicine. She told us that Americans who are always looking for a faster and easier way to do things are now trying to buy peace of mind at the corner drug store. They are seeking to lull themselves into happiness, get rid of their tensions or just through another day by using tranquilizers, unknown four years ago and introduced after sketchy research, these tranquilizing drugs snowballed into thirty million dollars Prescriptions cost us 150 million dollars last year. She told us 3 out of the 10 drugs most often prescribed are tranquilizing. Mrs. Cauthorn also gave us some very interesting facts on the new antibiotic wonder drugs which eventually may give man his long sought weapon against cancer. This new drug, aluzopeptin, was unveiled at the fourth annual symposium on antibiotics by its developers, researchers for the Lederle Laboratories. Several hundred specialists from the United States and nine other countries took part in the three day conference on the wonder drugs. During this serious review, the speaker gave us some humorous things also, that were entertaining to the members. Mrs. Bunstine was the second speaker and her subject was the senior citizens. She took us on a trip to Williams Park in Petersburg, Fla., where there are more retired residents than the normal average for most any city in the nation. Many municipal

and commercial facilities cater to persons enjoying the twilight in the Florida sun.

Indeed the city grows old with her folks. Everything is planned for the entertainment of the oldsters from Joe Lester's band to the shuffleboard by the sea. The famous green benches set up along the sidewalks and its generally acknowledged that St. Petersburg's green benches are responsible for more romances than Chanel No. 5.

She too brought out so many things that were intriguing as well as delightful to us.

Mrs. Sessums, the federation counselor brought us some interesting facts from our federated club magazine.

Delicious refreshments were served to the following Mesdames Lewis Brocker, A. R. Bunstine, E. R. Burns, B. N. Cauthorn, I. E. Harwell, Bill Crossley, W. H. Holt, Leon Turner, L. W. Mathis, A. W. Newman, R. P. Reagan, J. H. Rigsby, Joy Sessums, J. D. Tevis and Laura Louise, J. D. Majors, O. E. Melton and the hostess, Mrs. Young.

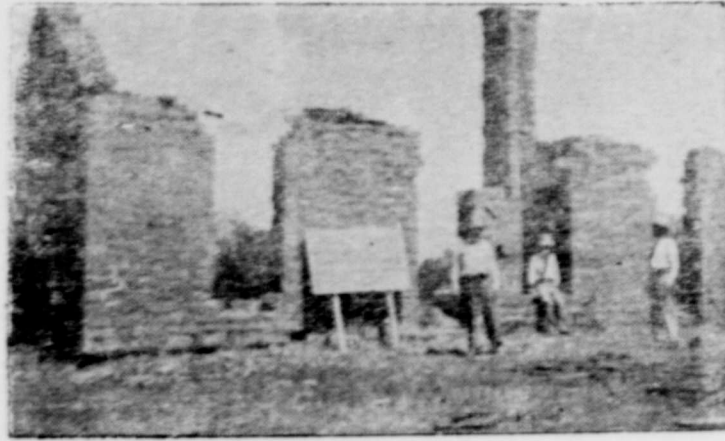

Photo Courtesy Albany Chamber of Commerce  
Stark ruins of Fort Griffin, a key military post in driving hostile Indians into government reservations and pushing the frontier westward, occupy one part of Fort Griffin State Park on U. S. Highway 253 between Albany and Throckmorton. Other attractions are the State Longhorn Herd, a typical ranch house and shaded picnic spots along the Clear Fork of the Brazos River.

## Circle 3 WSCS Met April 2nd

Circle 3 of the WSCS met Tuesday, April 2nd in the home of Mrs. Evert Westbrock with Mrs. E. E. Bangs as co-hostess.

The meeting was opened with prayer by Mrs. Hugh Veach. The minutes were read and approved. The circle leader, Mrs. Bangs appointed a nominating committee.

A very inspiring devotional was given by Mrs. Ruth Hicks. Mrs. C. H. Ware gave an interesting program on the study of the three gospels, Matthew, Mark and Luke. Questions and answers and a discussion followed.

Refreshments were served to the following members and guests: Mesdames M. T. McDonald, James Foyce, C. H. Ware, Robert Irwin, Joe Viavattene, J. T. Reasoner, J. L. Ragan, J. R. Sprague, Ruth Hicks, Hugh Veach, two guests, Mrs. Elmer White and Mrs. Marie Vaughn, and the hostess.

## LINDA HOLMAN WINS MEDAL AT MIDWESTERN

April 6th, during the Inter-scholastic League Contests held at Midwestern University in Wichita Falls, Linda Holman was awarded First place in Piano Solo, Class 2. She gained this top rating for the Solo "Haydn Sonata" and earned the Silver Medal. Linda is the daughter of Mr. and Mrs. T. H. Holman.

## DEN TWO

Den Two held their regular weekly meeting on April 9th in the home of Mrs. Lawson. All cubs made stoves and worked on other electives. Phil Seay, Keeper of the Buckskin

## Mrs. J. B. Grace Hostess Monday Circle No. 1 WSCS

Circle one of the WSCS met Monday afternoon at 2:00 p. m. in the home of Mrs. J. B. Grace with Mrs. R. D. Revier as co-hostess.

The group sang Old Rugged Cross and Mrs. G. D. Scruggs as stewardess introduced the lesson as an imaginary air tour of Islands. Mrs. Revier read scriptures from Luke for the devotional service. Prayer by Mrs. Scruggs.

Mrs. Blake Browning, representing a nurse on the plane told of the WSCS accomplishments in Alaska.

Mrs. Pilkenton as a rural worker told of Alaska's needs for Christ.

Mrs. B. H. Alexander as Mrs. Cruz Aedo, wife of president of Holding Institute, told of its functions for students across the border.

Mrs. Scruggs closed the lesson reading a poem entitled Island Shell written by Anne Lindberg.

Lovely refreshments were served to 12 members and visitors, Mesdames Jessie Jones, G. D. Scruggs, O. E. Melton, S. J. Galloup, R. H. Henry, Blake Browning, F. L. Pilkenton, B. H. Alexander, D. M. Lowery, D. M. Morris, Grace, Revier and visitor Mrs. Reese.

Mrs. Opal Bookbinder is much improved following her recent illness and is able to be at her dress shop this week.

## Mrs. R. H. Henry Hostess April 3rd To Home Builders

The Home Builders Class of the First Methodist church met for their regular monthly meeting in the home of Mrs. R. H. Henry Wednesday, April 3rd. The meeting was opened with the song How Wonderful. The devotional titled You can't hold back the Dawn, was read by Mrs. J. M. Patterson. Dues were collected in the amount of \$14.05 and our bank balance is \$49.60.

Mesdames Moreman, Patterson and Lawler were selected as a committee to install new officers for the new year starting June 1st.

Lovely refreshments of frosted Cokes and cake were served to the following: Mesdames Knauth, Vance, Hoffman, Tucker, Patton, Gage, Gragg, Lowery, Patterson, Grace, Revier, Gilbert, Jones, Roberts, Lawler, Henry, Moreman.

Our next meeting will be with Mrs. C. A. Moreman.

## NOTICE

## Here's what makes it a new kind of Ford

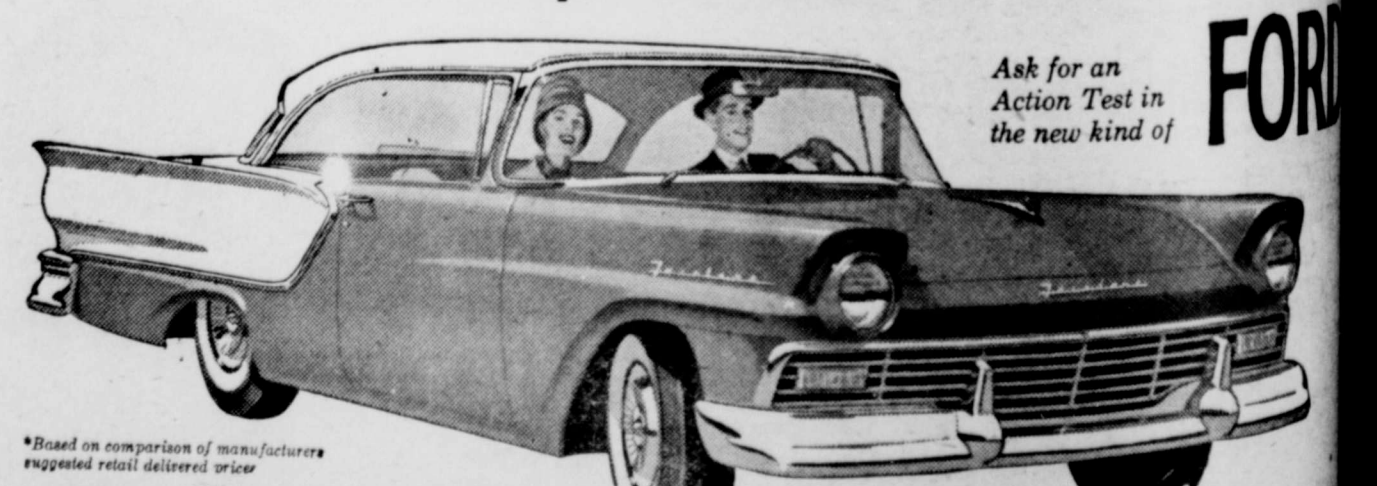

The frame is wider... wheels are lower  
*(Lets you ride sweet and low)*  
Never before has a low-priced car hugged the road so well. Partly, it's because the frame is sturdier. Partly, it's because the wheels are smaller. Partly, it's because the front and rear suspensions take tilt out of turns. Most of all, it's because there's a whole new smoother-riding quietness going "Inner Ford."

The power is bigger  
*(Most power in Ford's 25 years of V-8 leadership)*  
And what a V-8 engine! You can have the kind of Thunderbird power that smashed records at Daytona... set a new stock car mark at Indianapolis... travel 50,000 miles in just 20 days at Bonneville, Utah!

The comfort is greater  
*(You've never had it so plush)*  
You sit in the lap of luxury. There's head room, leg room galore. And wait till you get a look at those new upholsteries and color schemes!

The body is "beefier"  
*(Up to 9 inches longer, 4 inches lower, with full head room, full road clearance)*  
From top to floor, front to rear, this body is built for "battleship." You ride surrounded by new strength.

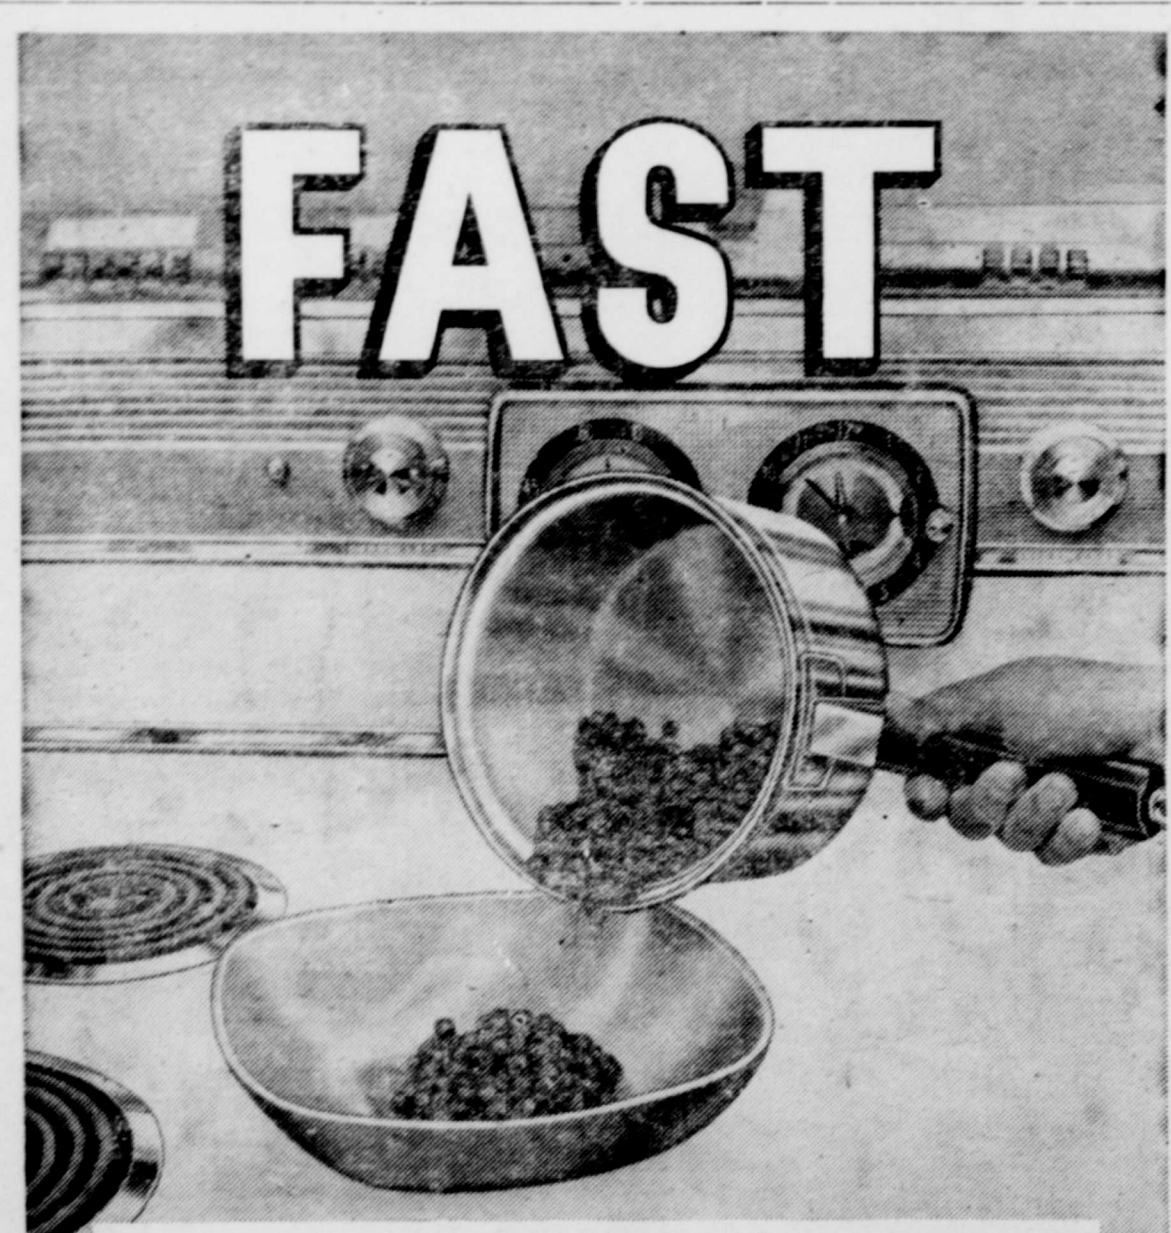

### ...and best of all it's the lowest priced\* of the low-price three!

Ask for an Action Test in the new kind of FORD

**Active in Better Government Legislation**

Two prominent Texas legislators are pictured here as they confer on plans for "Better Government" legislation. Sen. Crawford Martin of Hillsboro (left) is discussing Texas Press Association bills with Rep. Virginia Duff of Ferris. They have introduced identical bills in the Senate and the House. Their bills require publication of financial reports by school districts and other districts now handling millions of dollars in public funds and not making a public accounting of same.

### New Laws, Studies —

Besides providing grand jury evidence, House ICT committee had three other recommendations.

They were: (1) that a law be passed giving the Insurance Commission authority to regulate management contracts, such as one Ben Jack Cage had with ICT, (2) that the Texas Research League be requested to study Commission operation and (3) that further investigation be made into the tangled history of ICT's financial deals.

### New Senator —

Ralph Yarbrough will take office as junior U. S. Senator from Texas on or sometime after April 19th.

Yarbrough was defeated in four previous races—three for governor, one for attorney general. His victory meant that for the first time in years as a spokesman for the labor-liberal wing

of the Democratic party will go into a major Texas office.

Republicans hopes for a two-party Texas plummeted in the high-man wins race Yarbrough got approximately 37 percent of the votes; Conservative Democrat Martin Dies, 30 percent; Republican Thad Hutcheson, 23.8 percent.

### Money Bill Passed —

Legislative blueprint for state spending during the next two years has reached the conference committee stage.

An economy-minded Senate passed the general appropriations bill at a figure some \$2,000,000 less than the House approved version. Sponsors managed to scotch all efforts to tack on amendments for additional spending. Among items sought were raises for county agents and home demonstration agents and increases in judges' salaries.

Total of the Senate appropriation bill is \$2,084,349,515. Both House and Senate recommendations are some twenty-five to twenty-seven millions dollars less than the comptroller's estimate of income.

### Insurance Bills —

A bill to allow "flexible rates for casualty insurance is given little chance of passage.

Senate Insurance Committee refused to vote out the measure which would abolish Texas system of statewide uniform rates. The proposed bill would set a rate based on each individual's accident record.

A House committee weighed the possibility of Insurance Commission reorganization from the viewpoint of present Chairman John Osorio. Governor Daniel had appeared earlier urging passage of the bill.

Osorio said board reorganization already is under way. He said he felt it could be successfully carried out under present laws.

Real difficulty of the commission, he said, is not top level organization, but need for more

examiners. He recommended a 150 man staff, rather than the present 39, and higher pay.

### Securities Department

Creation of a new state agency to regulate both insurance securities and other types has Senate committee approval.

Presently, insurance securities are handled by the Insurance commission, general securities by the secretary of state's office.

Sen. Jimmy Phillips introduced a bill putting insurance securities under the secretary of State. That's just in case the consolidation bill doesn't pass, he said.

### Water Bill Signed —

Governor Daniel signed into law a measure allowing the Water Board to cancel unused water permits.

Water conservation program leaders had claimed the new rule would solve 75 percent of Texas water problems. Some cities had protested it would allow the board to take from them water they needed for future expansion.

Proponents said Texas now has outstanding permits for more water than is available, but all of it is not being used. Cancellation of unused permits, they said, would allow the water board to reassign water for beneficial use.

### Archives-Land Building —

Governor Daniel has given his blessing to a plan for a new building for the State Library and Archives and the General Land Office.

A bill providing \$2,500,000

for such a building is before the legislature. Funds would come from a surplus in the drivers license fee fund.

### Ad Bill Passed —

House added an industry-matching amendment before passing a Senate measure to allow advertising.

Proposed constitutional amendment would allow use of state funds for advertising as long as they are matched by private interests.

House sponsors said they hoped the conference committee would eliminate this feature.

### Short Snorts —

Time is running out to have cars safety inspected, warns the Department of Public Safety. Deadline is April 15. House passed a bill to regulate egg labeling and license dealers. Senate already has passed, so measure needs only minor adjustments and the governor's signature.

Senate Transportation committee Chairman Jep Fuller had to break a 5 to 5 tie to allow the committee to vote out a bill to increase truck load limits. Highly controversial measure is backed by truckers, opposed by railroads. Irked by the Building Commission's failure to air condition their chambers, Legislators have passed a resolution to put in temporary air conditioning.

By the time the average person has reached the age of 60, he has taken enough steps to encircle the globe five times.

## Grade School News

We are very busy with our school work trying to get everything in order for the tests that help to end the Fifth six weeks of the present school year. Time goes by so fast that it is almost necessary to have a calendar at hand to help mark the days for a counting check by the week. It does not seem that it is possible for six weeks to have gone by since the last six weeks.

We are very busily engaged in planning spring activities and Easter scenes. All of the rooms are receiving a new look that depicts the general theme of Easter. We have had more than one small rabbit to visit school the last few days. Some of these small creatures have been baby bunny cottontails.

The rainy days have stopped a lot of baseball games, and we are all hoping that we will have a few more days of sunshine in order that some of these exciting games maybe settled. Spring fever is running very high and we are very certain that we will develop some very fine talent for future baseball teams.

## Grade School 4-H Girls Met April 3rd

Burkburnett Grade school 4-H club held their regular meeting in Mrs. Coffey's room at 2:45 p. m. April 3rd. Sixty-five girls were present. We discussed entering projects in various shows. We also discussed how to make our wardrobes becoming. A film was shown on how to match our clothes and where to wear certain clothes. The film was entitled Accessories to build a wardrobe. The meeting closed with singing some songs.

Some families can trace their ancestry back 300 years but can't tell you where their children were last night.

## Social Security Information

Ever miss a bus or a train or  
a plane because you got to the  
station or terminal a few min-  
utes after the time table said  
was departure time? That was  
not too bad in most cases, for  
there was another train, bus or  
plane coming along not too long  
afterward that you could still  
take.  
However, Erton Tate, Wichita  
Falls district manager for the  
Social Security Administration,  
reports that being late on some  
social security matters might  
mean missing out on thousands  
of dollars of protection against  
income loss by reason of death,  
disability, or old age.  
Space doesn't permit giving  
a detailed report on all such  
possibilities, but Tate suggests  
our readers give the following  
a thorough going over and make  
certain to get in touch with his  
office if any of the items seem  
to apply to them.

1. Clergymen, if ordained  
before 1955, must file their  
waiver forms with Internal  
Revenue before 4-15-57, in al-  
most all cases, if they expect to  
ever get any social security  
credits.

2. Persons severely disabled  
for more than a year probably  
will never benefit from the dis-  
ability provisions of the law if  
they delay inquiry until after  
June 30, 1957.

3. Certain school district em-  
ployees who do not have to have  
state certificates to hold their  
present jobs cannot get social  
security coverage unless the  
school district takes affirmative  
action before 6-30-57.

4. Persons receiving social  
security benefits who were un-  
der age 72 for part of 1956 must  
file annual reports on 1956 earn-  
ings if such were more than  
\$1200. Such reports filed after  
4-15-57 may result in penalties.

5. Insured persons past age  
65 who have not retired and  
who have annual earnings of  
less than \$2080 are losing mon-  
ey by not filing their social se-  
curity claims now.

Still A Lover of The Soil  
Henry Prinzing, formerly of  
Burkburnett, now at Kerrville,  
Texas, still loves to watch things  
grow. We have a clipping from  
the Kerrville Times showing  
Mr. Prinzing holding some of  
the fruits of his labor. In one  
hand is a purpletop turnip, 21  
inches in girth, wt. 2 lbs. In the  
other hand he has two chutney  
carrots, the largest weighing  
2 1/3 pounds and 13 inches in  
girth. In addition he raises head  
lettuce, swiss chard and collards  
in his garden. Mr. and Mrs.  
Prinzing usually come back to  
Burkburnett for the annual ce-  
lebration and rodeo. Henry, this  
year the dates are June 13-14-15.

### NOTICE

We still have a few copies of  
the 50th Anniversary edition of  
the Burkburnett Star on hand.  
You may secure a copy (5c) at  
the Star office, 417 Avenue C.

## New Fire Siren Ordered By CD

Ervin Drake, local Civil De-  
fense director, announces the  
large siren has been oled and  
is on order now. It will be placed  
in the City Park on Avenue  
D, to be used in conjunction  
with the siren on the water  
tower.  
The new siren can be heard  
up to seven miles. It will be used  
as a warning signal in case of  
disaster.

## Diamond Jubilee Wooden Nickels In Great Demand

Wichita County's enthusiastic  
acceptance of the Diamond Ju-  
bilee Wooden Nickels has re-  
sulted in a drastic shortage of  
this much sought after souvenir  
item.  
Don Wilson, Chairman of Nov-  
elties stated, "of the three is-  
sues of wooden nickels releas-  
ed there isn't a one to be found  
in Wichita County. The tele-  
phones at Diamond Jubilee head-  
quarters ring constantly with in-  
quiries for wooden nickels."  
"In view of the fact that the  
past three issues have disap-  
peared so rapidly, the Diamond  
Jubilee Committee has decided  
to release another issue of wood-  
en nickels which will be enti-  
rily different from the past three  
issues.  
The face of the new issue of  
wooden nickels will consist of  
an imprint depicting a scene fa-  
miliar to those who explored  
and settled this great territory.  
This scene depicts a covered wa-  
gon being pulled by oxen and a  
"muleskinner" trudging along  
over the crest of a mountain  
into a great valley with fleecy  
clouds billowing above on the  
far horizon, over this panoramic  
scene will appear the dates  
"1882-1957" and the phrase One  
Wooden Nickel." The imprint on  
this new issue will be navy  
blue.  
The reserve side will be much  
the same as the past issues.  
The uniqueness of this new  
issue of these attractive wooden  
souvenirs should increase the  
already tremendous demands  
for these "coins" from col-  
lectors all over the country.  
The new issue will be avail-  
able at Diamond Jubilee Head-  
quarters 825 Indiana Ave., April  
15, 1957.

Mrs. Paul Browning and Mrs.  
Beulah Hall left this week to  
take Mrs. Browning's daughter,  
Mrs. Jack Harris and daughter  
to their home in Los Angeles,  
Calif., after several weeks visit  
here. Mrs. Browning and Mrs.  
Hall will remain in California  
for a three weeks visit.

## Funeral Services for Sandra June Knox This Afternoon

Funeral services for Sandra  
June Knox, 2 1/2 year old daugh-  
ter of Mr. and Mrs. C. A. (Bud)  
Knox, 109 Sunset Terrace, will  
be held at 3:00 P. M. Thursday  
(today) at the First Baptist  
Church here.  
The child died Tuesday in a  
Wichita Falls hospital after a  
short illness. She was born  
September 20, 1954, in Wichita  
Falls.  
Survivors include her par-  
ents and two sisters, Sharon  
Kay and Linda Marie Knox.  
The Knox family moved to  
Burkburnett from Temple, Ok-  
lahoma, five years ago.  
Rev. LeRoy Meyer, pastor of  
the First Baptist Church, will  
officiate at the funeral services.  
Arrangements are in charge of  
Pearson Funeral Home, Temple,  
and burial will be in Temple.

Money won't buy peace in a  
home but sometimes it will ne-  
gotiate an armistice.

We're getting a college in my  
home town, kind of makes up  
for not having a high school.

Help Texas scientists fight  
cancer. Address your contribu-  
tion today to Cancer %Postmas-  
ter your home town.

## Record Crowd At C-C Luncheon

The largest crowd ever to  
attend a Chamber of Commerce  
business luncheon gathered at  
Town Hall Monday noon.

President George Byerly was  
in charge of the meeting.  
Following the meal minutes  
of the previous meeting were  
read by Marjorie Hofack, sec-  
retary. They were approved.  
Jubilee Belles, dressed in  
authentic garb of the olden days  
—circular skirts, bustles, sharp  
toed, high-topped shoes and bon-  
nets, were present from Wich-  
ita Falls, Electra, Kamay and  
Burkburnett.

Present from Wichita Falls  
were Mesdames Linton Estes, A.  
R. Dillard, Leon Deaton, Don  
Locke, Charles Harbaugh, E. M.  
Ewen, C. W. Parsons. From  
Electra, Mesdames John Swans-  
on, Charles Underminer, John  
Thompson, Bob McKelvey,  
From Kamay, Mrs. Hardy Gage  
and Mrs. Bill Pratt. Some dozen  
of more Burkburnett Belles  
were present.

Several group pictures were  
made by a representative of  
Roy's Studio.

A letter concerning the local  
postoffice was read from the  
Postoffice Regional Real Estate  
Manager.

Another letter from Senator  
George Moffett stated he had  
introduced a bill in the Senate  
to make Midwestern University  
a state supported school.

An Area Development meet-  
ing was announced for Wednes-  
day, April 10, to be held at  
SAFB. Byerly urged all who  
could to attend.  
Floyd Marten announced a  
District Scout meeting would be  
held at Morgan Stadium May  
10th and 11th. It will be an  
overnight camping affair, with  
Scout skills on exhibit for the  
public. The local Scout leaders  
thanked the C-C for making the  
stadium facilities available.

## Mrs. Jim Kreke Honored Mon. Night With Shower

Mrs. Edward Taylor was  
hostess Monday night, April 1st  
to a surprise pink and blue  
shower honoring Mrs. Jim  
Kreke.  
The honoree received a num-  
ber of nice gifts.  
Cake and coffee were served  
to the guests.

Dr. and Mrs. Jerome Adams  
and sons are new residents of  
Burkburnett having moved here  
from Wichita Falls over the  
weekend.

## Interscholastic Band Students Rate In Contests

Burkburnett High School  
band members were entrants in  
the Interscholastic League In-  
strumental Solos and Ensembles  
Contests held at Midwestern Uni-  
versity, Saturday, April 6th.  
They were accompanied by di-  
rector, James C. Wickersham.

Students are judged on tech-  
nique, tone, memorization, in-  
terpretation and flexibility of  
performance.

Solos entered and ratings re-  
ceived were: Saxophones: Joe  
Thompson, II, Gloria Hendon, II  
and Gary Wood, I; Cornets: Mike  
Matherly, III, Mike Morris, III,  
Donald McCullough, III; Jimmy  
Parks, III; Trombones: Evan  
Jones II, James Siber I, Richard  
Siber I, and Wendell Ainsworth  
I; Baritone: James Siber I,  
Sharon Boyle I, Royce Miller II,  
Joel Dempsey III, French  
Horn: David Nunn II, Shirley  
Boyle III; Bass: Charles Morris  
II; Clarinets: Patsy McNeill I,  
Janelle Sanders II, Patsy Pres-  
ton, I; Flutes: Loretta Brocker  
II, and Eloise Morris III.

Piano solo entries and ratings  
were Linda Holman I, Royce  
Miller III, and Garry Wood II.

Instrumental ensemble entries  
received the following ratings:  
Brass Sextet, Mike Morris, Mike  
Matherly, Donald McCullough,  
Charles Morris, Richard Siber  
and David Nunn, II; Saxophone  
Quartet, Gary Wood, Lawannah  
Good, Joe Thompson and Pat  
Inlow, II; Clarinet Quartet, Mar-  
gie Inman, Patsy McNeil, Carol  
Muller and Pat McClure, I;  
Flute Trio, Pat Clack, Loretta  
Brocker and Eloise Morris, II.

The concert playing and sight  
reading contests for bands in  
Interscholastic League will be  
held at Midwestern University  
on Saturday, April 27th.
