

THE HANSFORD PLAINSMAN

VOL. 12 NO. 29

THE HANSFORD PLAINSMAN, SPEARMAN, TEXAS 79081

SUNDAY, MAY 9, 1982

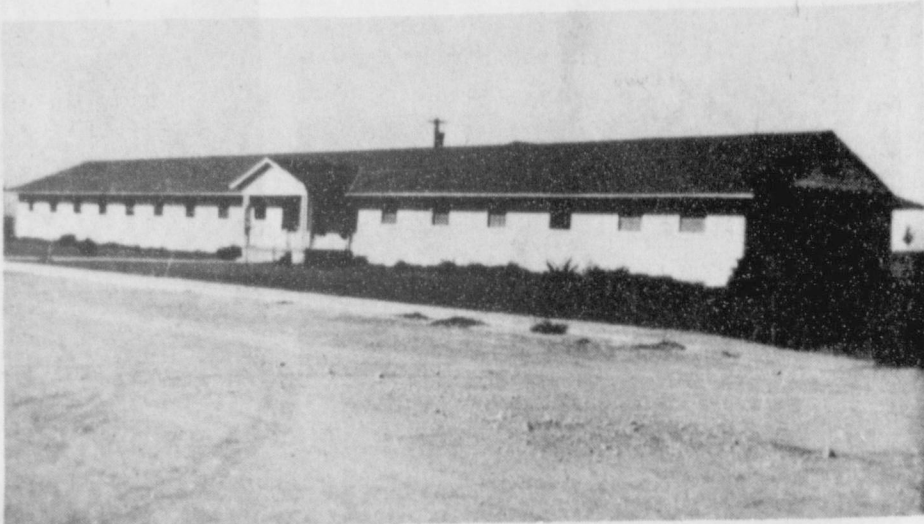

Open house at Hansford Hospital Tuesday

Open house will be held at Hansford Hospital this Tuesday evening, from 5:00 p.m. to 8:30 p.m. Visitors will be shown the new operating room, new emergency receiving center,

and the new lab. Also all department heads will be on hand to show visitors the entire hospital.

Hansford Manor, joining the hospital, will not have open house next Tuesday evening, but will hold a special open house at a later date.

The public is invited to attend this open house Tuesday, and make plans now to visit your hospital during Texas Hospital Week.

Hansford County's first hospital held its Open House in September, 1947. The building was from surplus buildings from the old army air base at Dalhart. The land for the hospital was donated by the late B.J. Garnett, Spearman. County residents were not in favor of voting bonds to build a hospital at this time and so The Hansford County Hospital Association was chartered in 1945 to operate as a non-profit cooperative

hospital. Around 400 hundred memberships were sold. The first doctor to practice in the hospital was Malcolm Wyatt, M.D. Dr. R.L. Kleeberger came to work at the hospital in 1948. The new building was dedicated in 1961.

Hospital care has come a long way since that time in Hansford County. Be sure and visit the hospital during open house Tuesday evening.

Hansford County residents are invited to open house Tuesday evening from 5 to 8:30 p.m. in recognition of Texas Hospital Week.

Visitors will be shown the new operating room, new emergency receiving center and the new lab. Hansford Manor, will have an open house at a later date.

Hospital News

Patients are Hansford Hospital are Pearl Johnson, Anita Cook, Fred Chase, Elizabeth Wann, Sybil Miller, Harvey Holt, Rhoda Hart, George Ford and Lily Cox.

Dismissed were Michael Whitefield, James Haskins, George Richards, Bart Thoreson, Tom Madison, LaRue Whitefield, Maria Mendoza, Ed Berner and Leoda Homer.

Hansford Hospital Costs Below National Average

Patients who enter Hansford County Hospital pay only about two-thirds of the national average cost for hospital care.

The cost per day for a semi-private room in the hospital here is \$100, while the national average is \$152.

According to figures from the Health Insurance Association of America, hospital room rates throughout Texas, and especially in the Texas Panhandle, are among the lowest in the country.

Persons who are hospitalized in California, for instance, pay about \$199 a day; and in Alaska the rate is \$203 a day.

The figures are those which

were effective at the beginning of this calendar year, and the average rate probably has gone up from four to six percent since the first of the year.

Albert La Rochelle, administrator of Hansford County Hospital, said he believes hospitals in the Texas Panhandle have been able to slow the rate of increase in hospital costs because of the natural conservatism of the area.

"Our board here, for instance, is made up of local people who are interested in the best healthcare possible, but they are not extravagant," he said. "They look hard at everything we do. As a whole,

our board is pretty conservative, and it requires the action of the administrator and staff to be cost effective."

He also said the overall cost of living in this area is reflected in hospital costs.

"Generally speaking, the overall cost of living here is lower than at many other places. Our hospital rates reflect this. Our rates are lower than most other major towns in Texas."

La Rochelle said the entire hospital staff is constantly alert to ways to lower costs.

"Our staff works hard on all contracts with vendors of hospital supplies, for instance," he

said. "Special care is taken to order enough of everything we need, but not to overorder. And we always look for the best prices."

La Rochelle said he believes Hospital Week, May 9-15, is a good time to mention the cost-effective measures of the hospital.

"The theme for Hospital Week is 'You've Got A Friend In The Hospital,'" he said. "And we want everyone to know that one of their friends in the hospital is in the business office, keeping the cost of hospital care here near the bottom of the list nationwide."

Quality Healthcare Worth Increased Costs

Health professionals here and throughout the Texas Panhandle believe hospitals are taking the brunt of criticism for high costs. And they believe the criticism is unjust.

"Good hospital care is the greatest value you can get for your money," said Albert La Rochelle, administrator at Hansford Hospital here. "I don't like the prices any more than anyone else, but hospital costs are like everything else. They keep going up."

He said that even though costs keep rising, the value received for the healthcare dollar today is better than it ever has been before.

"That isn't true with most products and services which cost several times as much today as when our parents and grandparents paid for the same things," said La Rochelle. "Take, for instance, the dozen eggs you pay \$1 for today. That is 300 or 400 percent more than eggs cost in the 1940s. But the quality of the eggs is no different. The cost of hospitalization went up too, but the quality of healthcare is better now—lots better."

Two big improvements he mentioned are the increased chances of survival in case of severe accident or disease and several added years to the expected life span now as compared with survival chances and life expectancy two generations ago. He said the quality of healthcare continues to improve every year, "and sometimes almost every day".

La Rochelle also pointed out the 8 a.m. to 5 p.m. schedule of most businesses does not exist in a hospital.

"Work in the hospital goes on 24 hours a day and for seven days a week," he said. "That's 8,760 hours a year this hospital is in operation—8,760 continuous hours without turning out all the lights. We have to keep a staff working 24 hours a day and pay utilities for constant use. There's no 'time out' at the hospital. Our staff has to be on the job when others are asleep or enjoying a holiday. We never shut down."

He also said the length of stay at a hospital now is a lot shorter than it used to be.

"For instance, a person who entered the hospital 20 years ago with appendicitis usually stayed about 14 days before his recovery from surgery was considered far enough along for discharge. Now it's about three or four days," he said.

La Rochelle said the size of the local hospital makes it possible to offer its patients a

combination of personalized care and the finest in medical facilities.

"We don't brag about what we have to offer here very often," he said. "But we decided that Hospital Week May 9-15 should be used to let people know what they get for their healthcare dollar. You pay more, but you also get more."

Theme for Hospital Week is "You've Got A Friend In The Hospital."

Caro Lee Frantz, LVN at Hansford Hospital, was given a retirement party at the hospital Friday of this week. Pictured above are Al La Rochelle, Donna Arkison who baked the cake for Caro Lee, Caro

Lee Frantz, and Kay McFarlin, director of nurses at Hansford Hospital. Caro Lee Frantz has worked at Hansford Hospital for 17 years, and been an LVN for 13 years. She worked from 1965 to 1982.

Dr. Kleeberger Retains AAFP Membership

KANSAS CITY, MO.—Dr. R.L. Kleeberger has completed continuing education requirements to retain active membership in the American Academy of Family Physicians, the national association of family doctors. The Academy formerly

was called the American Academy of General Practice.

The requirements call for members to complete a minimum of 150 hours of accredited continuing medical study every three years. Members become eligible for re-election at the

end of the third year following their election to membership. The Academy, the country's second largest national medical association, was the first national medical group to require members to keep up with medical progress through con-

tinuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., was instrumental in the establishment of a new primary specialty in family practice in 1969. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future. The Academy's continuing education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

NOTICE

The Jr. High will hold its Awards Assembly Thursday, May 13.

Official Memorandum

By

WILLIAM P. CLEMENTS, JR.

Governor of Texas

GREETINGS:

AUSTIN, TEXAS

Life, health and well-being are of the utmost importance to all people.

Hospitals throughout Texas deliver not only necessary and oftentimes critical care to hundreds of thousands of sick and injured Texans each year; these hospitals, staffed by many highly skilled and dedicated health care professionals, also play an important role in educating Texans in living healthier lifestyles.

Additionally, hospital governing boards provide leadership and direction for the delivery of health care in their communities and hospital trustees, auxiliary members and volunteers contribute many thousands of hours in helping their fellow Texans.

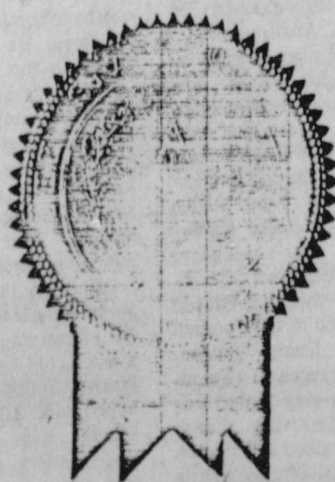

Apart from and through the Texas Hospital Association, hospitals have effectively promoted the health and welfare of the people of our State. Texans truly have a "friend in the hospital."

It is fitting to salute the health care system in Texas for its contributions to the public welfare, for high standards of care and for educational and research programs that each year raise those standards to higher levels.

THEREFORE, I, as Governor of Texas, do hereby designate the period of May 9-15, 1982, as

TEXAS HOSPITAL WEEK

in recognition of Texas Hospitals; their trustees, volunteers, employees and medical staffs; and the Texas Hospital Association membership for their efforts in providing and promoting better health care for all Texans.

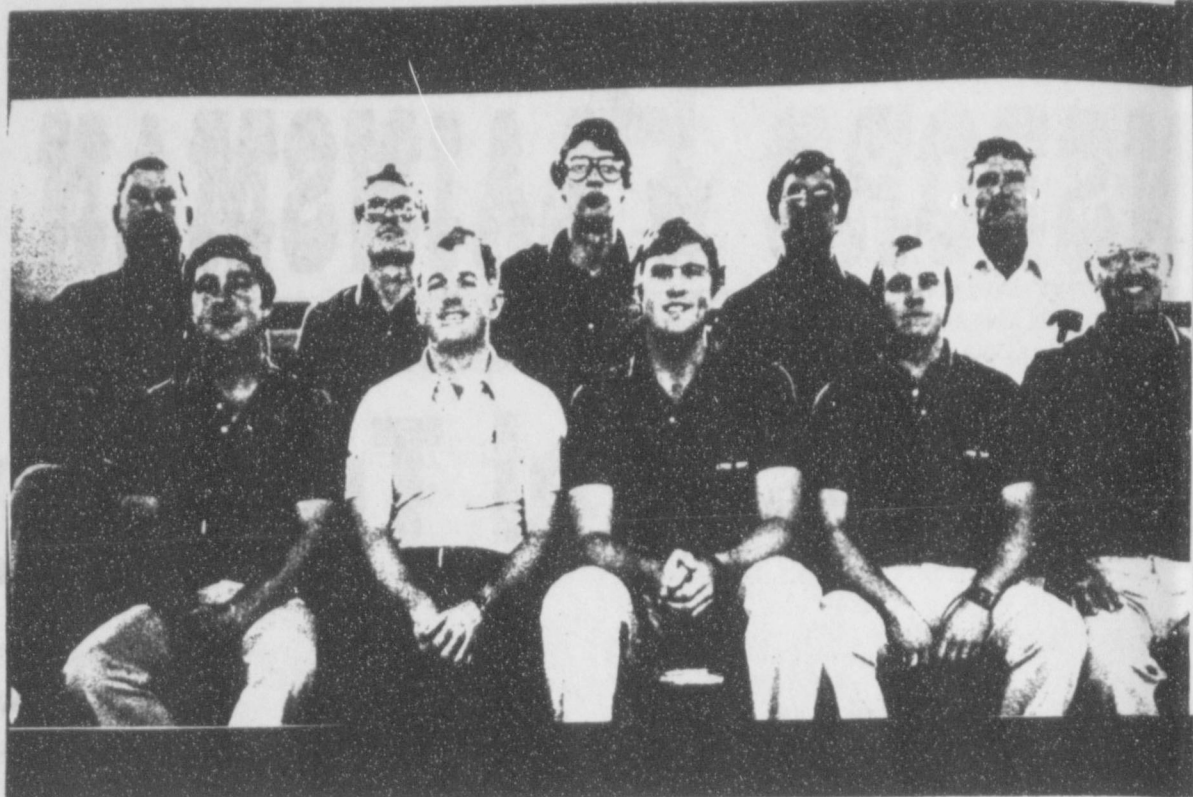

In official recognition whereof, I hereby affix my signature this 26th day of April, 1982.

W.P. Clements, Jr.
Governor of Texas

Athletes Honored At Annual Banquet

Banquet's Theme--'Galaxy Of Athletes'

Coaching Staff for '81-'82 Season

BACK ROW: Ralph Newton, Robin Travis, Terry Crocker, Rick Smith, Jimmy Duncan. FRONT ROW: Gary Rambo, Thomas May, Daniel Shaver, Terry Coffee, F. G. Crofford.

The Spearman High School's Annual Athletic Banquet was held Tuesday, May 4, beginning at 6:30 p.m. The decorations were all prepared by the Spearman High School Cheerleaders--SENIORS, Johnnie Eaton and Angie Francis; JUNIOR--Janet Reed; SOPHOMORES--Kim Elbert and Kayla Russell and FRESHMEN--Teresa Tindell and Loree Morris, and with their sponsor Miss Jennifer McDougal. The food was catered by the FFA and the High School Cafeteria Ladies. Another major element that made the night even better was the Master of Ceremonies, Worley Smith. The Speaker for the night, was one of Spearman High's outstanding athletes, who by the way, had an award named after him (The Roger Jones Ironman Award)--Mr. Roger Jones.

The evening started off with all the athletes getting their Supper, and then the family and friends were next in line. Just about when everyone was finished eating, Johnnie Eaton said the Invocation. Johnnie is a Senior Cheerleader.

Angie Francis welcomed everyone that showed up and told each one of have a fine time.

The Junior Cheerleader, Janet Reed, presented Mr. Smith with an appreciation present for doing a fine job as Master of Ceremonies. Janet then presented their sponsor, Miss McDougal with a present from all the cheerleaders. Miss McDougal will not be at SHS next year, she plans to marry, all wished her well.

The theme for this year's--1982-Athletic Banquet was "Galaxy of Athletes". That theme held on to be true for this year's banquet. All the Star-Athletes were honored.

The Lynxette Basketball Coaches are Ralph Newton, Terry Crocker and Robin Travis. The Lynx Basketball Coaches are F.G. Crofford, Gary Rambo and Ricky Smith. The Football Coaches are, Jimmy Duncan, F.G. Crofford, Ricky Smith, Terry Coffee, Gary Rambo, Terry Crocker, Robin Travis Dan Shaver and Tom May. The Boys Track coaches are Jimmy Duncan, Tom May and Dan Shaver. Girls Track Coach is Ralph Newton and Terry Crocker. Tennis Coach is Robin Travis. Girls Golf Coach is Gary Rambo. Boys Golf is F.G. Crofford and Rodeo Sponsor is Kenneth Friemel. First of all, Coach Crocker has signed to be the head coach at Seagrave, Texas. He will not be coaching at Spearman this next year. Head Coach Jimmy Duncan will retire after 3 years of coaching in Spearman, Coach Lanier will take over. We will all miss Coach Crocker and Coach Duncan.

The presentation of the "special" awards by the coaches to each athlete. First up were Coach Ralph Newton and Coach Terry Crocker. Coach Newton said a little of each of his participants of the awards. The first award handed out was the Outstanding Lynxette. First of all, the 1981 winner of the Lynxette's Outstanding Lynxette was Kendra Burke. The crowd was excited to find out just who would be the recipient of the 1982 Award. Coach Newton said that the recipient

was, "...an outstanding athlete. She will play in the Kansas-Texas All-Star game in Liberal." Everyone figured who the recipient would be--Senior, Mary Ann Martin. If you haven't seen Mary Ann play basketball, then you've missed alot!!

Coach Newton then said that the Fighting Heart Award, was a very special award. The recipient would have to take alot, would play when hurt, would fight really hard to keep her position. 1981's winner was Margaret Reed. This year's winner was obvious, Junior Lana Paul. Lana started slow, but as the year progressed so did Lana.

Coach Newton said that since he was up there he would give out the Track Award. If there was one person in doubt as to which two Lynxette Tracksters would get it, then that person was not "with it". First of all, Coach Newton said he was proud of his young team, only 2 SENIOR GIRLS--MARY ANN MARTIN and MELISSA DAVIS and everyone else ranging from Juniors to Freshman. This year's recipients were State Bound, Jan and Jean Davis. Last year's winners were Jan and Jean Davis who placed 2nd and 3rd respectively in their runs and in 1980 the winner was State bound Jan Davis. Coach Newton and Jan and Jean are very, very optimistic about the State Meet, which was held today--Friday, May 7. In which they ran in the morning.

Coach Newton's lucky number must be 2. The reason is that his varsity Basketball Lynxettes Squad had 2 Seniors--MARY ANN MARTIN and JOHNIE EATON. His Track Squad had 2 Senior girls participating--MARY ANN MARTIN and MELISSA DAVIS. Let's not leave out that Johnnie Eaton was the Manager for the Lynxettes Track Team.

Coach Newton said, "This is the first year we have decided to give these two special awards. This doesn't mean it is the last and it doesn't mean that there will be one next year. But this year, we decided that Mrs. Duncan had been in the Concession Stand almost every game that we decided to present her with a plaque of being the best 'Coaches Wife of the Year'." Mrs. Duncan received her plaque. Then Coach Newton went on to say, "Once again, this is the first time ever that we have given this award. It's not the last, but we might not have one next year. This lady decorated the bus before we (Lynxettes) left for an out-of-town game. She was always there cheering us on. This year we present Judy Martin the plaque which has an inscription of '1982 Lynxette Mom of the Year'."

Mr. Smith then introduced the Lynx Basketball Coach, F.G. Crofford. There are two awards--Most Valuable Player and the Fighting Heart Award. Last year's winner of the Most Valuable Player was Steve Shields. Coach Crofford said a few things about this year's recipient. "He is very valuable. When this guy gets hot, there is no stopping him, unless the game is over. This year's recipient of the Most Valuable Player Award is (Senior) Monte

George." Coach Crofford went on to say, "This next guy really deserves this next award. He would get hurt, he would come right back and try again. This year's recipient of the Fight Heart Award is (Senior) Stephen Tindell!!" While Coach Crofford was still up there, he named the 1982 recipient of the Boys Golf. The 1981 winner was Jimmy Morley. Well 1982's winner is (Senior) Jimmy Morley. Jimmy had a fine year.

The next award was the Girls Golf Award. 1981's winner was Betsy Jones. Betsy also won it for 1980. Would Betsy win the award again this year? Well, when Coach Gary Rambo started talking about the winner of this year's award he had this to say. "The winner of this award this year has vastly improved the last 2 years. She started playing golf when she was a Sophomore, and as she put it, '...I was lousy', but now in her Senior year and her 3rd year, the recipient of this award improved by 60 strokes better. Now that is an improvement, isn't it? I believe that the one most deserving of the 1982 Girls Golf Award is (Senior) Sherry Womble." Sherry and her teammates competed at Regional and placed 5th out of 15 teams, that is really good.

Coach Robin Travis took the "mike" and said that this year he had 3 outstanding Tennis Players. The 1981 Girls Tennis winner was Susan Davis, the Boys Tennis was Wayne Meek and Karey Bodey. This year Coach Travis said something about all three, first the Girls' winner. "The winner of this award goes to a girl that made me proud of her. She did great, winning the District Singles' title, then almost qualifying to State, but lost in the 2nd round of the Regional Tennis Meet. She did an outstanding job and well deserves the 1982 Girls Tennis Award--(Sophomore) Kelli Crawford." Coach Travis then said something about the two recipients, that won the Boys Tennis Award. He said, "Mark (Pearson), Ross (Donahue) and myself, just got back from Lubbock. This fellas, Mark and Ross--both Freshman--have done an excellent job. They did alright at Regionals, but they are Freshman and have a long time to win that Regional Championship and go on to State. The 1982 recipients of the Boys Tennis Award goes to (Freshman) Mark Pearson and Ross Donahue."

Coach Kenneth Friemel went up and made his "speech" short. He said, "Lots of folks don't understand the Rodeo Award, it is known as the 36 Point Award. Anytime that a Rodeo Athlete places 1st, he or she receives 6 points. The points total up during the year, and whoever places the most firsts--mainly 6, will receive the Rodeo Award. The 1982 recipient for the 36 Point Rodeo Award is (Sophomore) Hadley Reed." Last year's recipient was Hadley Reed also.

Mr. Smith then introduced the Head Coach of the Football Squad--Coach Jimmy Duncan. Coach Duncan received a Standing Ovation, a very high honor for one so deserving. Coach Duncan then talked about each of the winners of this year's awards. First off, Coach Duncan

said, "This guy is very deserving of this award. He did a great job for us this year. The 1982 recipient of the Outstanding Grade Defense Award goes to (Senior) Jeff Lackey." Last year's winner for this same award were Edward McIntyre and Hunter Novak. Coach Duncan went on--"This next guy is short but he is tough. He also did a great job this year for us. The 1982 recipient of the Outstanding Grade Defense Award is (Senior) Eddie Whitefield." Last year's winner was Phil Paul. "To my knowledge the Most Improved Player is also a very important award. This guy has vastly improved this year. He did lots of things not expected of him. The recipient of the 1982 Most Improved Player Award is (Senior) Scott Alford." Last year's winners were Rocky Randall and David Hall. Coach Duncan went on, "The guy most deserving for this award is a fellow who worked his body to a pimp. He played many times hurt, but kept on playing until the game was over. He never complained. The 1982 recipient of the Fighting Heart Award is (Senior) Jimmy Haden." Last year's winner was Ronnie Clark. "The Purple Pride Award is awarded to someone who has done alot for the guys and myself. Last year it was Orville Latham. This year, a man really deserving is Billy Haden, Sr." Coach Duncan explained. The final football award is the Roger Jones Ironman Award. Coach Duncan talked about this year's winner, "The most, or I feel, one of the most important awards is the Roger Jones Ironman Award. The qualities of receiving this award are something else. This year's recipient impressed me. He ran track when he wasn't suppose to and it cost him. To me, he is the best hurdler in this District, and maybe the best in District 3A in the State of Texas. But he isn't going anywhere, because he ran when he was not suppose to. It's a downright shame to see such talent wasted. This year's recipient for the Roger Jones Ironman Award is (Senior) Kyle Brack!!" As Kyle came up to receive his most-valued treasure, he received a Standing Ovation. This was the second of the night, but as far as the whole Student body was concerned, the faculty, the Coaches and the Parents, Kyle was well deserving of both the Award and the Standing O. Last year's winner was Jamie Bulls. Coach Duncan, after the Standing Ovation for Kyle, then said, "Now, I believe that this guy is worthy of the 1982 Track Award for Boys. He is going off to Regionals this weekend (May 7 and 8). This guy cleared 6-5 in the High Jump, setting a new record. And at practice he has been clearing 6-8. The 1982 Recipient of the Lynx Track Award goes to (Junior) Scott Dunlap." Last year's recipient was Kyle Brack.

After all the Coaches had presented all the awards to all the deserving athletes, the Master of Ceremonies, Mr. Worley Smith then presented Sophomore Cheerleader Kim Elbert. Kim said that the Cheerleaders and other girls had gotten together and made a Scrapbook for all the Senior

Boys. Listed are the Senior boys and who they got their scrapbook from: Jimmy Haden, by Mary Ann Martin; Jimmy Rodgers, by Sherry Womble; Jeff Lackey, by Kathy Hagerman; David Brandt, by Shelley Friemel; Tracy Vernon, by Shelly Mitchell; Joe Ned Turner, by Pam Porter; James Farmer, by Denae Baker; Eddie Whitefield, by Lana Paul; Mike Dixon, by Lea Ann Gihner; Kyle Brack, by Johnnie Eaton; Jimmy Morley, by Angie Francis; Cam Collinsworth, by Janet Reed; Scott Alford, by Kayla Russell; Stephen Tindell, by Loree Morris and Monte George, by Kim Elbert. The girls worked hard at making these scrapbooks.

Coach Duncan got up and introduced the Speaker for the evening. The speaker was Roger Jones, who had been an OUTSTANDING ATHLETE at SHS, and went on to be an even better athlete at Texas Tech, where he played Defensive Back for the Red Raiders. Whenever you are at the High School, in the trophy case, there is a big picture of Roger, #47 tackling an opponent. He has his opponent wrapped up tight like a Christmas Present. As Roger came up to do his little speech he received a Standing

Ovation--the third one that night. This must be a Spearman High School Record for the most Standing Ovations!! Roger, first of all said, "Have ya'll heard of

Pac Man? You have. What about Mrs. Pac Man? Well, if you haven't that is a sequel of Pac Man, sort of like a husband and wife team. Well, I would like for ya'll to meet Mrs. 'Ironman', my wife." Mrs. Jones had herself a nice welcome. Roger went on to speak about his main subject--"How to Achieve to do your best". He said, "There are 3 ingredients, Commitment, Determination and Consistency." He went on to say something of each one of the 3 ingredients. Then he said, "The main ingredient, in my opinion, is G.O.D. In the Bible there is a beautiful saying, 'God is on your side, who can be against you.' And I believe that with all my heart." That little

speech of his, really touched a lot of hearts. I know it did because it touched mine. As Roger concluded he told the Cheerleaders how neat their decorations--stars and blue sky--were all so beautiful, and thanked the FFA boys and Cafeteria Ladies for doing a nice job preparing the food.

As the Banquet was about completed Mr. Smith said good night to each and everyone and he was thanked by the coaches for doing a fine job. Another year has gone, pretty fast I might add, and more names have been added to the Plaques out on Spearman High School's walls. Go by sometime and check them all out.

"ROGER JONES IRONMAN AWARD"--was presented by Coach Jimmy Duncan, to a very well deserving young man, Kyle Brack, who by the way, received with the special award a Standing Ovation!!

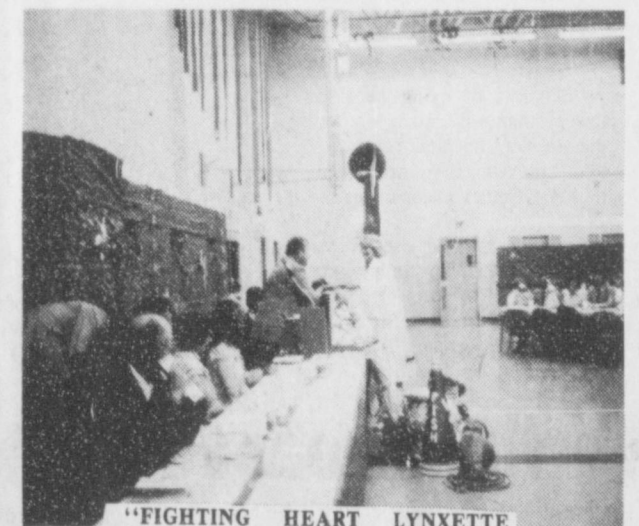

"LYNXETTE MOM OF THE YEAR"--Coach Newton presented Judy Martin a plaque inscribed with Lynxette Mom of the Year.

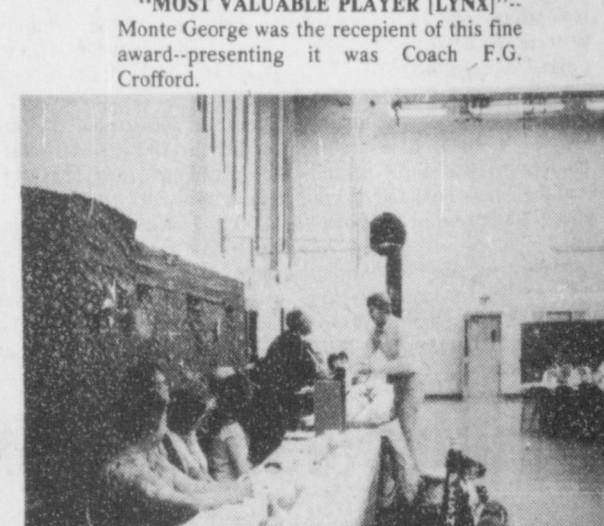

"OUTSTANDING LYNXETTE--BASKETBALL"--Mary Ann Martin received her award from Coach Newton.

"MOST VALUABLE PLAYER (LYNX)"--Monte George was the recipient of this fine award--presenting it was Coach F.G. Crofford.

"FIGHTING HEART LYNXETTE AWARD"--Lana Paul received her award from Coach Newton. Lana won it in Basketball.

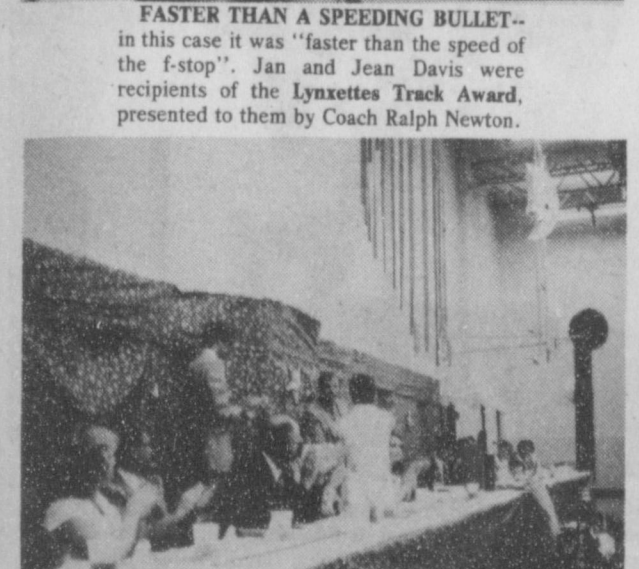

"FIGHTING HEART AWARD (LYNX)"--Coach Crofford presented Stephen Tindell with his deserving award.

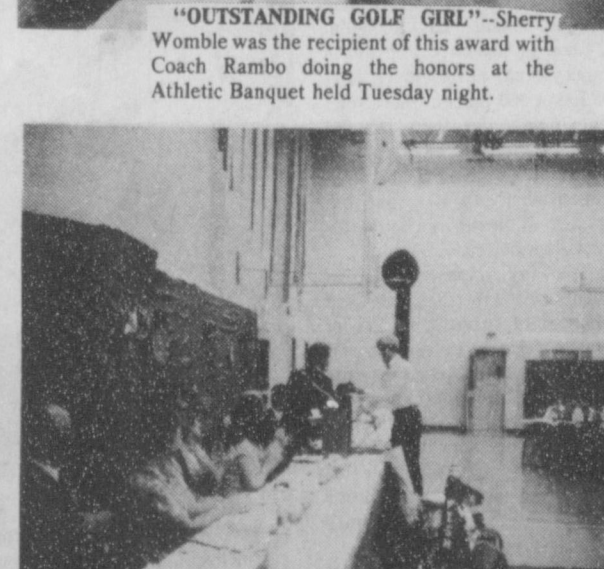

"FASTER THAN A SPEEDING BULLET"--in this case it was "faster than the speed of the f-stop". Jan and Jean Davis were recipients of the Lynxettes Track Award, presented to them by Coach Ralph Newton.

"OUTSTANDING GOLF GIRL"--Sherry Womble was the recipient of this award with Coach Rambo doing the honors at the Athletic Banquet held Tuesday night.

"COACHES' WIFE OF THE YEAR"--Mrs. Jimmy Duncan received a plaque for being a gracious Coaches wife.

"OUTSTANDING BOY GOLFER"--was awarded to Jimmy Morley by Coach Gary Rambo for a job well done.

May Calendar Of Events

The Month of May has been very busy so far, beginning with the very first day. On this day the Annual SHS Rodeo took place. Hadley Reed tied for All-Around Boy with 17 points, placing 2nd in the BAREBACKS EVENT, 8th in the CALF ROPING, 4th in RIBBON ROPING and 3rd with Lee Lowrey of Pampa as his partner in the TEAM ROPING. Hadley, a Sophomore at SHS, did fine on Sunday. Andrea Archer, did a great job, too, at the SHS Rodeo. She placed 4th in the BARRELS and 5th in the GOAT TYING. Other competing in the Rodeo included Donna Martin placing 8th in the POLES. And for the guys it was Travis Patterson teaming up with Robbie Bullock to place 7th in the TEAM ROPING. All 3--Andrea, Donna and Travis are all FRESHMAN. Lana Paul, a Junior competed at the State Literary Contest. While Melissa Davis and Darla Hollis, Lana's Sponsors was Mrs. Wanda Jones, the Business Teacher, while Melissa's and Darla's sponsors were Jennifer McDougal and Mrs. Claudine Clark. While the Rodeo sponsor is "Coach" Kenneth Friemel!

On Sunday, May 2, the State Rodeo try-outs for the Region 1 was completed. Hadley won and qualified in the BAREBACKS, won and qualified in the SADDLE BRONCS and with roping partner, Lee Lowrey of Dumas, they won and qualified to State in the TEAM ROPING. Mark Pearson, a Freshman, won the Cutting Horse Contest. Andrea won and qualified in the BARREL RACING and placed 3rd and qualified in the GOAT TYING!! Congratulations to all that qualified in participated in the weekends' contests. On Monday, May 3, the Spearman Chapter of the FFA. There were lots of awards presented, Angie Francis was recognized as the FFA Sweetheart for 1982. Mike Dixon as the President of Area 1 FFA. All the SENIORS handed their Critical Analysis, a very important factor in the Seniors grades. On May 4, the Athletic Banquet was held at the SHS Cafeteria. There were lots of awards presented. There were 3 STANDING OVATIONS GIVEN!! The first went to retiring Head Football Mentor, Jimmy Duncan, Kyle Brack, a Senior and an athletically inclined as well as academically, was also presented a Standing Ovation by the faculty and all at the banquet. Kyle was named as the recipient of the Roger Jones Ironman Award—a very SPECIAL award given to any young man for their efforts!! And finally the speaker of the night received a Standing O—Roger Jones. Roger made a fine speech. Everybody enjoyed the banquet, especially since Worley Smith, teacher of DECA and DE-PEL, is the Master of Ceremonies. CELEBRATE TRYOUTS were held at 3 p.m. and the ELEMENTARY TRACK MEET was held the same day—May 4. On May 5th, Wednesday, Pre-enrollment was held at 10:00 a.m. with the high school on the Alternate Bell plan with 2-2nd hours. The CTA met in the SHS Library at 5 p.m. The DECA Banquet was held

TIME IS GROWING SHORT FOR BUYING HANSFORD COUNTY, VOLUME II history books. May 15 is the deadline for orders. The committee needs to sell more books in order to have a bigger book with more historical materials and photos. If you plan to buy a book or several for gifts, don't delay.

The Jr. High will hold its Annual Awards Assembly Thursday, May 13.

BELL'S MEMOIRS

Former Attorney General Griffin B. Bell says that during his term of office, Pentagon officials asked him to direct Justice Department lawyers to lie in court to protect a secret that had already fallen into the hands of the Soviet Union. Bell makes the charge in a memoir, *Taking Care of the Law*, which is due to be published later this year.

PANEL APPROVES

The Senate employment subcommittee approved recently a compromise, bipartisan job training program to replace the Comprehensive Employment and Training Act, but the Reagan administration remained opposed to the proposal.

DONAHUE ON ABC

CHICAGO -- Phil Donahue, host of a nationally syndicated TV talk show, will become a major contributor to a new late-night ABC news program beginning in October, it was announced recently.

Prizes To

Be Awarded

Dr. Doug Steger, Chairman of the Clean-up Campaign in Spearman released the following to the Clubs and Organizations of Spearman. The name of the campaign is "Put a Shine On Spearman", given to the Chamber of Commerce by Adrian Blackburn.

The clean up campaign will be from May thru September. The Clubs that do the most work will be awarded prizes as follows:

FIRST--\$400.00
SECOND--200.00
THIRD--100.00

The town will be divided into five districts. Each month the Clean Up Committee will choose a Most Improved Residence and a Most Improved Business for that month. When the campaign ends in September, they will choose one yard overall as the Most Improved and one business as the Most Improved and they will both be awarded \$150.00.

RECIPE

By Sarah Anne Sheridan

Since strawberry time has arrived we may regard the dessert problem as settled. When buying strawberries be sure they are a bright red color, keep in a cool place and handle them as little as possible-until served.

Strawberry Pie

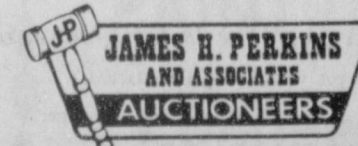

- 1 c boiling water
- 1 pkg strawberry flavored gelatin
- 1/2 c cold water
- 1 pt vanilla ice cream
- 1 c sliced fresh strawberries
- Whipped cream
- 1 9-inch pastry shell

Add gelatin to hot water and stir until dissolved. Add cold water. Cut ice cream into 6 pieces and add to the hot liquid. Stir until mixture begins to thicken and mound when spooned. Fold in strawberries. Pour into cooled, baked pastry shell. Garnish with whipped cream and sliced strawberries. Chill until firm.

SIGN OF THE TIMES--The old Consumers Sales building is being torn down. This building was built in 1928 and served as the main building for the business until the new building was built in 1970. Since that time it has been used for a warehouse until two years ago when the roof caved in and the co-op built a new warehouse. Officials of the business said they had no plans for expansion at the location but were merely cleaning up the area and getting rid of the building which was a hazard.

TIME IS GROWING SHORT FOR BUYING HANSFORD COUNTY, VOLUME II history books. May 15 is the deadline for orders. The committee needs to sell more books in order to have a bigger book with more historical materials and photos. If you plan to buy a book or several for gifts, don't delay.

Please Do!

"Dear Editor," wrote the anxious correspondent, "I am in love with a very lovely girl, while a very pretty girl with lots of money wants me to marry her. What shall I do?"

The editor replied: "By all means marry the one you love, and send me the name and address of the other."

Mother's Day

The observance of Mother's Day is a recent one in the United States, having begun only in 1907. Then it was the idea of Miss Anna M. Jarvis, a Philadelphia school teacher, that at least once a year sons and daughters should pay tribute to mothers. Miss Jarvis, a native of Grafton, West Virginia, arranged for a special service in one of the Philadelphia churches and suggested white carnations be worn by those attending.

The observance, on the second Sunday in May (this year the 9th), has rapidly spread to every part of the United States, and the fact that it became custom in all the states only four years after being suggested testifies to the sentiment for such an observance in this country.

In later years, the custom of wearing a white carnation on Mother's Day was changed and those whose mothers were still alive wore red flowers, instead of white. First observed in the United States, Mother's Day has become an international occasion: mothers in every area of the world are now honored each year on Mother's Day.

More than anyone else, the mother who cares for both home and her children is destined to influence the character and future of the country. And often this responsibility is combined with a back-breaking and steady ordeal of sewing, washing, mending, cleaning and teaching. It is to this mother, who dedicates her life to her home, her family and children, that the country owes a debt of gratitude. It is this mother who represents the finest in our civilization.

Sheriff, Ranger trail four stolen vehicles

Warrants were issued Friday for two suspects in a trail of vehicle thefts and property damage involving a total of four vehicles before the trail ended in Spearman, Tuesday with the recovery of a grain truck taken at Waka.

Hansford County Sheriff R.L. McFarlin and Texas Ranger Jim Gillespie joined forces in an investigation that began last Sunday with the theft of a water tanker truck belonging to R.E. Sanders and a Volkswagen sedan stolen at Farnsworth.

The tank on the truck was of the "dumper" type, according to Sheriff McFarlin and the Volkswagen was found on a county road with the water tank from the truck sitting directly on top of it. The truck, sans tank, was found a few miles further on a county road in Ochiltree County.

Though the order of theft is not known, a pickup belonging to Dr. Blodgett was taken from in front of the old "vet" clinic and the grain-bed truck was

taken at Waka.

Theft of the grain truck was not reported until Tuesday. Spearman police officers recovered the unit in the 400 block of Brandt in the city.

Concurrent with this trail of misdeeds, a pickup and horse trailer were taken from in front of the Moose Lodge, Sunday. These were found about two miles away. Sheriff McFarlin said he did not believe this theft of a vehicle was related in any way with the other four.

City and county officers have joined forces -- along with Baker & Taylor security people -- in the investigation of the theft of some 40 drill bits taken from Baker & Taylor property. The loss was valued at approximately \$2,000.

The sheriff's department has suspects in the case of a check for \$400 forged on a local resident and tendered, Monday, at Ideal Food Store and arrests could come at any time.

At this point in the activities of his department for the past

week, Sheriff McFarlin had heartiest compliments for Spearman merchants.

"It is evident", McFarlin said, "That our merchants are carefully screening checks offered at the various places of business. The number of 'hot' checks reported to this office for collection and/or prosecution for the first quarter of this year, is down 80 percent from the first quarter of 1981.

"This is in spite of the currently depressed economy when worthless checks are usually tendered in greater numbers."

The sheriff's department was highly successful in the last session of court regarding cases up for trial.

J.D. Cruse, charged with a felony offense of driving while intoxicated, was given a five-

year probated sentence and fined \$1,800.

Paul David Spriggs, charged with driving while intoxicated and unauthorized use of a motor vehicle, was assessed a one-year sentence which was probated and fined \$240. Spriggs must also make restitution in the amount of \$4,700 in 60 days.

Phillip May, found guilty of theft over \$200, was handed a three year probated sentence and assessed a fine of \$540. He must also make restitution in the amount of \$1,500.

The most pressing current investigation by the sheriff's department is the loss by theft of some baby calves -- nine in the past two weeks. Sheriff McFarlin urged that anyone spotting strangers or a strange vehicle or vehicles near pasture land, call his office immediately.

12 MILES EAST OF RATON, HWY-64

Mesa Park Racing Program and Forms
Your hosts: Nelda and Willis Sheets

Dear Friends,

It has been my honor to serve as your Congressman for almost eight years now. Before that, I served for twelve years in the Texas House and Senate. I am grateful for your continued support and for the faith you've shown in re-electing me as your representative in Washington.

This year, I again need your help to continue our effort to provide you competent, personalized representation. With your help, I want to continue the fight to cut runaway government spending, balance the budget, rebuild our national defense and restore the economy to health. As a member of the House Appropriations Committee, I am in a unique position to translate your concerns into action.

I've traveled continually throughout our huge district and know many of you and your families on a first-name basis. I've answered thousands of your letters, visited you at home and at work, and spoken to your organizations. I've fought hard to find solutions for your problems. And I've spoken for you in the halls of Congress and throughout the large, impersonal federal bureaucracy.

We've accomplished a great deal together. There is still much to be done. We must reduce the federal deficit and balance the budget to lower interest rates and provide a stable, productive economy. We must strengthen the rates and support the basic economy of the 13th Congressional District: agriculture, energy and small business. That means we must restore the profitability to farming and ranching and we must eliminate the excessive federal tax bite for the petroleum industry. We must lower the record interest rates that are strangling our small businesses. We must strengthen our defense so that no hostile nation can threaten the precious freedom we've won at so great a cost. And we must continue the fight to make government the servant, not the master, of our people.

The key issues in the November election are these:
1. Who has the personal experience, the knowledge of the district, and the legislative ability to fight and win your battles in Congress?
2. Who has the kind of respect and influence with the leaders of both parties in Washington and Austin that ensures your voice is heard?
3. Who has a proven record of legislative and personal accomplishment that will benefit the people of the 13th District of Texas?

We face difficult times, both as individuals and as a Nation. We do not expect to find any easy answers to the problems of our economy, or to the troubling domestic and foreign issues we face.

But I believe our greatest days are yet to come. The dream of liberty that America represents must continue--will continue--and I am dedicated to representing the people of the 13th District in every forum and at every opportunity in order to perpetuate that dream.

My pledge to you is simple: Honest, tireless service. Competence. An Open Door. Solid, responsible, respected representation. I know that I will be talking to many of you in the coming days. I will also be listening. I ask for your continued faith, support and vote in the November election.

Sincerely,

Jack Hightower
Jack Hightower

June Wedding Planned

Mr. and Mrs. Jesse Francis are proud to announce the engagement and approaching marriage of their daughter Angela Rae to John Knox Graves of Perryton, son of Mr. and Mrs. Robert Graves.

Angela will graduate from Spearman High School this May.

John is a graduate of Perryton High School. He attended Clarendon Junior College and Kansas State University. He is presently employed by Ford Tool Co.

The couple are planning a June 26 wedding at 7 p.m. at the Union Church in Spearman. Friends and relatives are invited.

Bazaar Items-Afghans On Display

The Golden Spread Center members are displaying a sampling of their Bazaar items at the library this month. The items are all hand crafted and will be on sale during the Hansford Roundup. Come by the library and get a sneak preview of these lovely articles.

Mrs. Hull has a lovely array of afghans on display at the Hansford County Library through May. The afghans are in a variety of colors and designs, including ripple pat-

tern, granny square, postage stamp design, Navajo and Indian Paintbrush.

Mrs. Hull has made all but two of these afghans since Christmas. She has nine grandchildren to crochet afghans for. She claims crocheting afghans is a good pastime for her, although Mr. Hull kids her about spending all her time on them.

The Hulls have resided in Hansford County for 51 years.

Money Managing Skills Pay Off

Consumers who can make decisions about how they manage their money are better able to meet important needs and wants with it.

Steps to good management include the following:

SET GOALS: To be a good manager of money have concrete goals that you're willing to work toward.

Write down goals you'd like to achieve in the next year, two years, five years, and 10 or 20 years.

People who set goals for themselves are often more successful than those who don't -- they know where they are going and what they want to achieve.

NEEDS AND WANTS: It's important to consider needs first -- this means dollars for food, housing, utilities and transportation first.

Other needs include clothing, medical care and furnishings. People never get all the things they WANT, but unless they pay for their NEEDS first, they may have serious money problems.

NET INCOME: You can only spend what you take home. Know and write down your net income.

This is all that you will have available for needs, wants, and savings.

KEEP TRACK OF SPENDING: The only way you can ever know where your money goes is to keep track of how you spend it.

Use cancelled checks, receipts, and department store financial statements to help you remember past purchases.

You may want the publication "Your Family Spending Plan" (L-1352) available from your County Extension Agent to make this task easier. Estimate your expenses weekly, monthly and annually.

MAKE A SPENDING PLAN: After determining income and expenses, make specific plans for next month and next year.

Extension programs and publications to assist you at this stage are:

(1) a computerized budget analysis called Dollar Watch, which will help you by doing a comparative analysis of how the average person in a similar situation may spend their money.

(2) A "Financial Record Book" (\$1) (MP-1304) will help you keep track of daily, weekly, monthly, and annual expenditures.

(3) "Money Matters -- What's My Financial Health" (a net-worth statement) will help you determine how much you are worth in dollars and cents.

Also, you may be interested in receiving an educational mail-out series, "Money Matters-Cash-Flow Strategy for Families", available from your County Extension Agent.

If you're interested in learning more about credit management, ask about the "Coping With Credit" letter series, too.

Remember, develop decision-making skills and money to make it do what you need and want it to.

For more information on consumer skills during National Consumer Week, April 25-May 1, or any other week, contact your County Extension Office.

TIME IS GROWING SHORT FOR BUYING HANSFORD COUNTY, VOLUME II history books. May 15 is the deadline for orders. The committee needs to sell more books in order to have a bigger book with more historical materials and photos. If you plan to buy a book or several for gifts, don't delay.

Great Eye Am

"They call me 'Busy Needle'--I always make it a point to go through the work that is laid out for me."

"Oh, I know, but not until you are hard pushed."

New Arrivals

Mr. and Mrs. Tom Mauldin of Utopia are proud to announce the birth of their first son, Thomas Powell Mauldin. Thomas was born on April 20, 1982 and weighed 8 pounds, 14 ounces and measured 21 inches in length. He was born in Sid Peterson Hospital, Kerrville.

Thomas is welcomed by his maternal grandparents, Mr. and Mrs. Bud Thompson.

Paternal grandparents are Mr. and Mrs. Sid Mauldin, all of Utopia.

His maternal Great-grandmother, is Rhoda Overton of Spearman.

Paternal Great-grandparents are Mr. and Mrs. Claude Hans and Mr. and Mrs. J.H. Mauldin, all of Utopia.

The baby's mother is the former Cindy Thompson.

Dear Editor

Dear Sir:

May I use your newspaper to locate and tell all 2nd Armed "Hell on Wheels" veterans of our reunion July 1-4, 1982, at the Holiday Inn, Killeen, Texas. Many "Hell on Wheels" veterans of World War II know nothing of our association. They can write to: Commander, 2nd Armed Div. Attn: G.S. (Major Metzger), Ft. Hood, Texas, 76541 (phone 817-785-3303/2442 for more information.

Thank you.

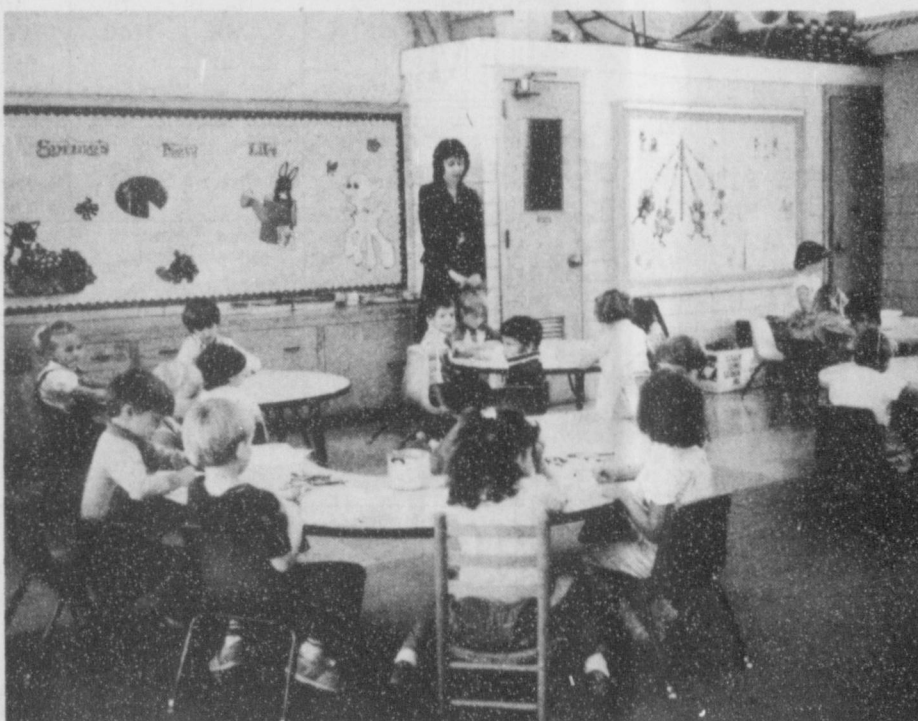

Yours truly,
Gabe Struggles

Pre-schoolers Visit Elementary

"THEY WERE ALL VERY NICE IN DEED"--were the comments stated by Miss Morgan, standing in the picture. This is a picture of some of the Kindergarten children that will be in school in the Fall. This is what

The Spearman Elementary School had "Kindergartners Day" on Friday, May 7. This is a special day set aside for those that will be in Kindergarten the following school year, come up to the School and see how they like it. Well, there were two

rooms full of these students, one is pictured in this edition of the HANSFORD PLAINSMAN.

Miss Morgan said, "They all were real good. They acted nicely." All of these students and the ones in the other room,

were very busy coloring one of their favorite pictures. It seemed like they all enjoyed being with each other as well as being in school. There were a couple of children that said they couldn't wait for school to start.

Mother's Day Is Busiest For GTE

For General Telephone Company of the Southwest operators, Mother's Day is the busiest day of the year at the switchboards, surpassing even Christmas.

According to General Telephone's records, last Mother's Day, 100,000 operator assisted long-distance calls were placed. That's a 43% increase over 1980 calls placed on Mother's Day in General's 19 long-distance offices in its four state operating area.

"We increase our operator staff every Mother's Day because of the sizeable increase in calling and will do so again this year," according to Peggy Branch, operator services support supervisor for General

Telephone.

For those loyal offsprings who do plan to call mom this Mother's Day, Branch offers these tips:

"You can save money on long-distance calls by calling station-to-station and dialing the number yourself instead of going through the operator. Direct dial calls are the least expensive and quickest way to call home to mom."

"Take advantage of the direct dial discount periods. The lowest rates are in effect from 11 p.m. Friday night through the weekend until 5 p.m. Sunday evening."

"Try calling early in the day. Telephone traffic is less heavy. And please be patient. The

huge volume of calls may make it difficult for you to complete your call immediately. Circuits may be busy. If this is the case, wait a few minutes and dial your call again."

Make friends whenever you have the opportunity: your enemies will make themselves.

Christian living means obeying your good impulses every day, and not waiting for Sunday services to come around.

Faye's Daze

I have a new electronic typewriter this week and so far I know how to use the automatic paper insertion, and can type on it and can also take the paper out. I haven't had time to read the instructions yet, and hope when I get around to it that I can understand them. You know what they say, if all else fails, read the directions.

This may be like the can opener I have had for a couple of years or so and have had a lot of trouble cleaning until not long ago I noticed a knob and wondered what it was for, so I pushed it, and lo and behold, the cutter assembly came off. Needless to say, I hadn't read the instructions for the can opener either.

Well, it's back to winter clothing again today (Thursday). So far the rains have escaped us and with this cold weather today they probably won't materialize either. Feels like it might snow though.

I don't have many iris in bloom yet, but one is blooming that is really beautiful. I was afraid that wind yesterday had ruined it but it was protected and looked fine this morning.

Since we missed out on the forecasted rains this week I guess I've got a weekend of watering ahead of me.

If you are fortunate enough to have your mother living this Mother's Day, be sure and remember her in some special way Sunday. Mother's are certainly special and this is their special day. Happy Mother's Day to all you mothers.

Sheriff's Association Gives \$500 To Boys Ranch

Tuesday, Boys Ranch will be \$500 richer -- thanks to the Texas Sheriff's Association.

According to Hansford County Sheriff R.L. McFarlin, a director in the statewide association, members try to place money garnered from dues and assessments above the bare expenses of the organization with strategic causes and organizations across the state.

Boys Ranch has long been a favorite with the fraternal fellowship of sheriff's officers because of the work it does in directing the lives of boys that

might otherwise be subject to penalties as delinquents.

The check for \$500 will be presented at a barbecue lunch attended by a number of officers and members of the Texas Sheriff's Association.

In addition to Director McFarlin, Kenneth Kelly, Uvalde, president of the association and Sheriff T.L. Baker, Amarillo, first vice president, will be officers of the organization present.

Gordon Johnson, Austin, is the executive director of the Texas Sheriff's Association.

Golden Spread Center, Inc. News

The Director's of the Golden Spread Center and concerned member's wants to "Thank You", for your support to the Radio-a-thon.

We are fortunate to live in such a good community, and the Radio-A-Thon was a SUCCESS. If by chance you were out of town, please feel free to give at this time, just call the Center and someone will gladly pick up your check.

Monday's and Thursday's we are working at the Center on Bazaar items'. If you wish please come by, you will be welcome and May 29th will be here before we know it.

Thanks for you support and if you are 55 or above come join us; dues are \$10.00 for the year and they are due at this time!!

Engagement Announced

Mr. and Mrs. Carroll Harper of Spearman announce the engagement of their daughter, Carla Kay to Michael Graham Long, of Stillwater, Okla.

The prospective groom is the son of Mr. and Mrs. Bill Long of Marietta, Okla.

The wedding is planned for early June. Miss Harper attended Wayland Baptist College and graduated from Oklahoma State University in Stillwater, Okla.

Mr. Long graduated from Oklahoma State University, also.

To Be In Pampa Royalheirs

The Royalheirs

The well known gospel quartet, the Royalheirs, will be at the Central Baptist Church, Pampa, Texas on May 16 for a full hour of gospel music. They provide a smooth blend of favorite hymns as well as the contemporary gospel songs of our day. Bring the whole family to hear this inspirational concert on May 16, 7:00 p.m., Central Baptist Church, Pampa, Texas (at the corner of Starkweather at Browning).

"I'M READY TO SIT AND CHOW DOWN"--Shelly Cook was one of the FHA members that enjoyed the food at the FHA's SECRET GRANDPARENTS PARTY.

Police duty turns out to be 'snaky'

There is not an outbreak of rattlesnake population within the city of Spearman despite the report to the Spearman Police Department Friday of a local man suffering two bites -- one on each index finger.

The call to police came from the hospital where the bitten man was being treated. Investigating officers discovered the bites had come from two "pet" rattlesnakes kept in a bucket at the man's Spearman home. The reptiles were destroyed by officers. Such reptiles are among the restricted species of life that may not be kept for pets within the city limits of Spearman.

At the beginning of the police reporting period, Friday, April 30, a Spearman resident was arrested for driving while intoxicated and for unlawfully carrying a dangerous weapon.

Officers are investigating and have suspects in reckless destruction of property at the high school on that same day. A vehicle belonging to the band director left parked at the school had shoe polish painted on the windows and air let out of all four tires.

Tuesday following, two subjects were arrested on suspicion of passing forged checks and a grain truck figuring in an investigation by the sheriff's department was discovered by Spearman officers in the 400 block of Brandt.

Thursday, Spearman officers, members of the sheriff's department and Baker and Taylor security people joined in the investigation of the theft of some 40 used drill bits valued at approximately \$2,000.

There was one accident investigated during the reporting

period. Dale Templin, aged nine, rode his red bicycle out of an alley and struck the side of a passing 1978 Oldsmobile 4-door sedan driven by Wanda R. Jones.

Minor injuries to the bike rider were reported to the police department after his mother had collected him from the scene of the accident and had taken him home.

Spearman Police Chief Ron Robinson noted this mishap pointed out an ever-present problem that needs special emphasis and driving care at this particular time of the year. "School is nearly at an end for the summer. Weather is warming and both bike riders and kids playing in the street will soon be out in force," Robinson said. "Also, the nature of this accident points up the need for parents to explain

rules of safety and operation of bicycles to their youngsters. In this particular accident, there was no way the lady driving the car could have avoided the collision."

Very shortly, Robinson and members of his department and other auspices in the city will conduct a bike safety campaign as they have in the past.

TIME IS GROWING SHORT FOR BUYING HANSFORD COUNTY, VOLUME II history books. May 15 is the deadline for orders. The committee needs to sell more books in order to have a bigger book with more historical materials and photos. If you plan to buy a book or several for gifts, don't delay.

Vacation Bible School Set

First Baptist Church will have their Vacation Bible School May 24-28 from 8:30 to 11:30 a.m. This is for 3 years old thru the 8th grade.

All children of the community are welcome to attend.
