Winning the cowgirls sponsors contest the opening day were Jean Hassell, representing the Gourd Land and Cattle Company, Childress; second, Ida Ruth Taylor, Pampa.

Second day: first, June Sartin, Sartin Meat and Packing Company, Childress; second, Jean Hassell.

Third day: Ida Ruth Taylor of Pampa, first; second, June Bull of Pampa Roping Club.

Mrs. Muri Walker Polio Victim

In a message received by Mr. and Mrs. Barney Walker of Samnorwood, it was reported that his daughter-in-law, Mrs. Muri Walker of Idalou, has been stricken with polio.

Mrs. Walker was rushed to a Lubbock hospital, where examining physicians said the attack was a light one, and not to be considered as too serious.

Mr. and Mrs. Walker had just returned from a trip to California, and she was taken ill a short time after they arrived home.

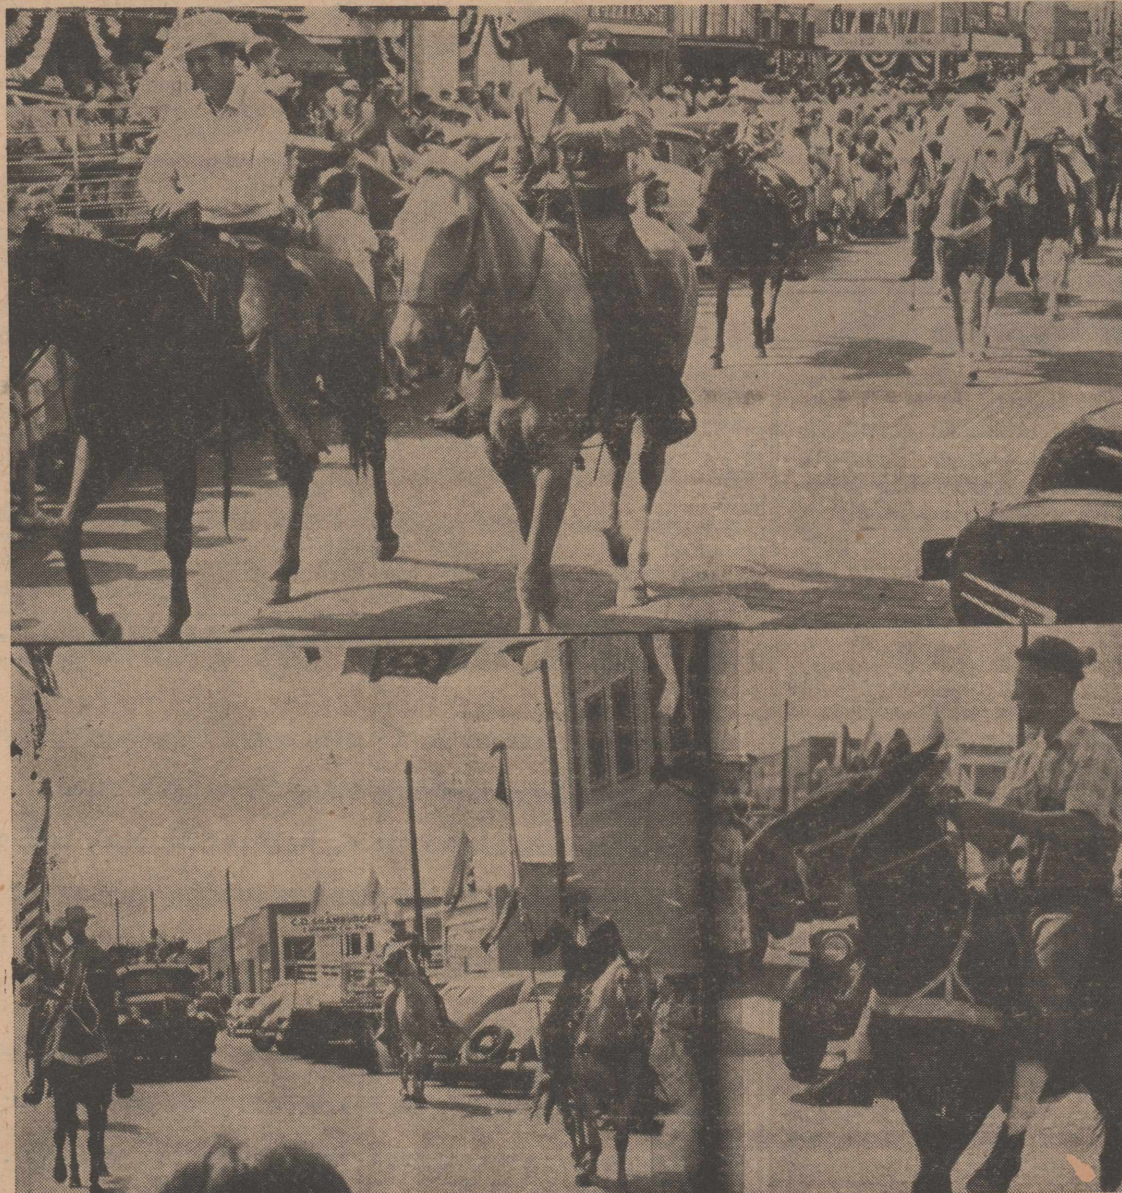

Mr. and Mrs. Barney Walker are with her there.

Cpl. C. E. Hunter In Yokohama, Jap.

Cpl. Clifton Earl Hunter, transferred recently from Fort Francis E. Warren Air Base, Wyoming, is now stationed in Yokohama, Japan, he has written his parents, Mr. and Mrs. Earl Hunter.

He arrived there August 9, and at the time he wrote, he was not sure how long he would remain there.

Cpl. Hunter sailed from Oakland on the USNS General Stuart Heintzelman, making the trip in 13 days. He added that Bill Plank, formerly of Wellington, is also stationed in Yokohama, but he had not seen him.

HORSEFLESH RULED WELLINGTON STREETS

It's been many a day since so many horses walked around the Wellington streets, but these pictures, taken of the big parade Tuesday, August 15, show that horses are still an important part of the livestock picture of Collingsworth. In the top picture are a few of the more than 175 horses that took

part in the parade, with their riders. At lower left, the parade starts out, with Lon Alexander and Fleet Pruden as flagmen. Buddy Heaton of Hugoton, Kansas, the rodeo clown, delighted audiences with his trick mule and his own attire.

Caravans to Tell Lower Panhandle About Norwood's 3-Day Rodeo

The Samnorwood Rodeo Association will advertise its big Labor Day Rodeo September 4, 5 and 6, over the lower Panhandle with caravans Saturday, August 26 and Sunday, September 1, Wood Coleman, president, has announced.

"We're inviting everyone who likes to go on a caravan to come along. You'll have fun and you'll help advertise the big Norwood rodeo," Mr. Coleman declared.

The first caravan, going out Saturday, August 26, will leave Samnorwood at 9:00 a.m. and will follow the following itinerary:

Wheeler, 10:00 a.m.; Mobeetie, 11:06 a.m.; Pampa, 12: noon, with lunch here; Lefors, 2:00 p.m.; McLean, 3:30 p.m.; Clarendon, 5:00

DeBord Recovering in Tokyo Hospital

Norwood War Hero Wounded August 6

Lt. Norman DeBord, 25, of Samnorwood is recovering from three machine gun bullet wounds received in action in Korea August 6, his father, G. A. DeBord, has been notified. His wounds are not serious, and he is in an Army hospital in Tokyo, Japan, according to a letter which he was able to write to his father.

He reported that he was wounded in the neck, right shoulder and right arm, but that they were only flesh wounds.

Lt. DeBord was wounded the day after he had saved the lives of six American soldiers at a river crossing.

"It seems a little miraculous that the one in the throat didn't hit anything vital or do permanent damage," he said in the letter to his father.

His unit was fighting about 50 miles west of Pusan, on the road between Chunju and Masan, Mr. DeBord said.

A veteran of Army service in Europe during World War II, Lt. DeBord is a veteran of the Battle of the Bulge. After he was released from service, he attended Texas Tech, Lubbock, two years, then re-enlisted in the Army and was sent to Officer Training School in Georgia. He requested overseas duty and was sent to

p.m.; Hedley, 6:00 p.m.; Memphis, 7:00 p.m.; Wellington, 8:30 p.m.; and Shamrock, 10:00 p.m.

The itinerary for the second caravan has not been worked out.

Buddy Heaton, of Hugoton, Kansas, one of the Southwest most popular rodeo clowns, will be on hand for the rodeo, after proving to be a popular attraction for the Wellington event, Mr. Coleman said.

There will be five rodeo events, and the cowgirl sponsors contests. Rodeo events will be calf roping, ribbon roping, saddle bronc riding, bareback bronc riding and bull riding.

Twelve hundred dollars in prizes will be given.

Day money will be paid in the

following amounts: first \$40; second, \$30; third, \$20; and fourth, \$10. The girls sponsor event will be a jackpot event.

"It's going to be the biggest rodeo event Samnorwood has ever had. We are expecting people from all over the lower Panhandle and Southwest Oklahoma, and we extend a cordial invitation to every one of you to attend," Mr. Coleman declared.

The following have been named to be in charge of various divisions of the rodeo:

Tickets, Earl Brashear; timekeeper, Pat Bradley and Purl Tippet; police, Ernest Schaub, Selba Rainey, Bart Martindale; concessions, Willie Knoll; arena director, Guy Bell; roping judges, Reese Norman, John Oldham, Everett

Fain; Clown, Buddy Heaton; announcer, Gilford Nolan; pickup, Tom Harlan; recorder, Forrest Ezell; grand entry, Dee Kincannon and Jay Bryan; corral, Fred Johnson; feed, Guy Lindley; reserved seats, Clarence Loring; entrance fees, Buck Breeding;

Working cattle, Ernest Tate, Pete Melton, Tom Poteet, and Raymond Lee, Loy Harvey, Robert Cornell, and L. B. Cornell; time judges; Doug Poteet, Bud Ray, and Clifford Johnson; entertainment: Mr. and Mrs. Bill King; announcer for entertainers, John Groves and Everett Fain and Cortez Barnett.

Loco Baptist Begin Revival

A revival meeting at the Baptist Church in Loco began Sunday, August 20, and will continue through September 3. Rev. C. S. Bourmes of Brownfield, pastor of the church, will be in charge.

Preaching will begin at 10:00 a.m. and 7:30 p.m. Prayer services will be held at 7:15, immediately before the evening preaching service.

A vacation Bible school will be taught each morning, beginning at 9:00 a.m. with Mrs. C. S. Bourmes in charge. All children and young people are invited to attend.

Mrs. Marlin Kirk of Buffalo, Missouri, daughter of Rev. and Mrs. Bourmes will play the piano for the singing, while Dan Bourmes will direct the singing.

Rev. Bourmes extends a cordial invitation to the public to attend.

Farmers Warned Of Hiring Youths During School

It is now illegal to employ children under 16 years of age in agriculture during school hours unless they are the farmer's own children, working on his own farm, B. W. Baird, county superintendent, has been notified by William J. Rogers, Dallas, regional director of the Wage and Hour and Public Contracts Division of the U. S. Department of Labor.

This results from the extension of the child labor provisions of the Fair Labor Standards Act in 1949.

The new regulations apply to local resident children as well as to migratory children — and directly affect Collingsworth County cotton growers who depend in part on local as well as transient youth for cotton picking.

According to information received by Mr. Baird, "during school hours" means the hours when the school for the district where the child under 16 is currently living is in session.

The act sets no minimum age for employment before and after school hours on any school day, or at any time on school holidays and during school vacation.

The farmer is responsible for finding out the correct age of the young worker. He will be protected if a certificate of age is secured. He is also responsible for every under-age child working on his farm, including children hired either individually or as part of a family group by labor contractors, processors, etc.

The bulletins received by Mr. Baird state that violation of the act may be punished by a fine up to \$10,000 for the first offense or for the second offense, a fine of not more than \$10,000 or imprisonment of not more than six months or both.

Copies of this bulletin may be had by farmers from Mr. Baird's office in the court house.

Old Settlers Meet in LaHue Grove, Tell Early Day Stories

By BETHINE ADKINS
The old settlers of Collingsworth County met at LaHue Grove, three miles east of Wellington, August 18, at 10:30 a.m. for the beginning of the annual reunion.

Pioneers who settled this county who have moved from here in recent years, returned to their home, and spent the day in visiting and renewing old acquaintances. Some came from Oklahoma, New Mexico, California, Colorado, Washington, and all points in Texas for the affair.

Dave Thomas, who has been in charge of the gathering for the past several years, again was master of ceremonies. He extended a cordial welcome to the old settlers, and invited them to attend each and every reunion that it was possible for them to.

A bountiful basket lunch was spread, and the highlight of the lunch was delicious barbecue. Coffee was made in a huge pot over a wood fire, and served in tin cups, typical of the life many of the pioneers lived when they came to the county many years ago.

The remark made by most of the old settlers interviewed was "The development of the roads in the county is remarkable. In those days, when we lived here, you just

picked your direction and started off, without the aid of a road, or even a sign of any kind."

Among the early arrivals were Mrs. M. A. Branum, Mr. and Mrs. Clyde Alexander, Mrs. Z. O. McKinney, all of Dodson, and Mrs. Lena Miller. Mrs. Branum came to the county in 1891, and Mrs. Alexander, Mrs. McKinney, and Mrs. Miller are her daughters. Mrs. Alexander was born here in 1904, Mrs. McKinney was born here in 1894, and Mrs. Miller was born here in 1891. They have lived at or near Dodson all their lives.

Clyde Alexander was born in 1892, and was the grandson of Mr. and Mrs. L. J. Alexander, who began the first post office and store at Arlie, in the north part of Childress Co.

Visiting with Mrs. Branum and her family were Mr. and Mrs. A. T. Bennett, who were neighbors to the Branum family in their early years. Mr. and Mrs. Bennett are residents of Des Moines, New Mexico, as of 1930. Mrs. Bennett was the former Miss Annie Wayland, and came here with her parents in 1891. Mr. Bennett came here in 1886. He met Miss Wayland and they were married in Childress, November 14, 1898. They homesteaded a place two miles south of Arlie, which they

later sold to Mr. Taylor. The Bennetts moved to another place one and one-half miles northeast of Loco, where they lived for a number of years.

Ed Warren, J. K. Porter, and John E. Reeves were sitting on a bench in the shade visiting and telling tales of their early life in Collingsworth. Mr. Warren was a resident here in 1872, while Mr. Reeves came in 1908. Mr. Porter was the youngster of the group, coming here in 1917.

A. S. J. Lockhart was born in Alabama in 1863, and came to Collingsworth County in 1892. He said, "All of importance in the county then was the population of rattlesnakes. I killed as many as 30 in a day, for 4 or 5 days in a row. There was a large one crawled in bed with me one night. I got up and killed it, and went back to sleep."

Mr. Lockhart recalled seeing as many as 500 wild turkeys in a herd, and large herds of buffalo. There were also large panthers, lobo wolves, and plenty of prairie chickens here then.

Mr. Lockhart was prominent in the organization of the first government of Collingsworth County.

Mrs. Esta Lee Seeding came to this county in 1915 from Grayson County. The thing that has impressed her most through the years was the hitching rack around the old court house.

By 1922 when Mrs. Seeding moved to Wheeler where she lives now, the streets around the square were paved.

F. M. Phillips, who was visiting here from Wise, lived here in 1902. He was born at Paradise, Texas, in 1867. He settled in the Lillie community. Making the trip here, he and Mrs. Phillips camped on the banks of Buck Creek. There was a post office, a grocery, and a dry goods store in the city of Lillie then. He and his family homesteaded on land there, and Tom Harwell and Billy Jankins live on places that were formerly owned by Mr. Phillips.

Mr. Phillips' wife was the former Miss Helen Bartlett, who he

described as "The prettiest girl in the state of Texas." They have seven children. Mr. Phillips also had dealings with the rattlesnake population, killing 300 the first year they were here.

Charlie Graham was one of the younger settlers of the county coming here in 1918. J. A. Leach preceded him here in 1901. He was born in Gibson County, Tennessee, in 1872. When he and his family moved here, they settled 6 miles northwest of town.

J. R. W. Brewer, who came here in August of 1887, made the statement, "I was here long before this grove we are gathering in was." He was born in Missouri in 1862. The county was nothing but prairie, and had no organized government. As there were no single girls in this part of Texas, Mr. Brewer returned to Missouri, where he married Miss Laura Hall. The young couple homesteaded south of the Fresno school house, a building put up by the

cowboys of the community.

Since cotton has become the leading industry of the county, an interview with a man who helped put up the first gin in the county was in order. This man is W. L. Cooper, who was born in Missouri in 1867, and came to Collingsworth County in 1906, where he started to work on the first gin located at Plymouth. He worked here for three years. Ginning was slow, and looked to be a bad business investment, as there was only about 300 acres of cotton in a radius of over sixty miles of the gin. People from Clarendon ginned with them there. The rocks that went in the boiler and furnace of the gin came from the mountains in that area, and were hauled down in wagons.

Mr. Cooper served as Commissioner of Precinct 2 for 6 years. He lives at Wheeler now, where he has resided for the past ten years. He only visits here once each year, and he says the growth of the city is very noticeable from one visit to the next.

Frank Stafford came here in November of 1902, and reported two or three stores, a bare-looking court house, a blacksmith shop run by Mr. Somerville, a wagon yard, and a livery stable run by Mr. Battle. He and Mrs. Stafford settled seven and one-half miles south of what is now Shamrock, but there was not a single building there then. They have two children, and still live on the same place.

Roy Robertson, who came here in 1895, says his earliest recollection was picking up buffalo horns and Indian arrow heads. Although he does not remember seeing any real, live Indians, the evidence of their being here was great.

Earl Gibbs, who was born four miles east of Wellington in 1904, was among the younger members of the gathering. His parents, John and Minnie Bachelor Gibbs, homesteaded their place east of town, and Mrs. Gibbs still lives there. Mr. Gibbs passed away several years ago. Mr. and Mrs. Gibbs settled here in 1893.

W. C. Roberson who settled on the banks of Salt Fork in 1891, tells of a trapper who spent the winter on the banks of the river there, trapping lobo wolves. The trapper had a pet lobo wolf that he used to track lost traps, and was much keener to the scent than a dog.

Mrs. Roberson was the former Miss Rosalie Carter, daughter of Mr. and Mrs. W. W. Carter.

Jim White, one of the oldest members of the cowboy generation, came here fifty-eight years ago. He was born in Collin county, near Nevada, Texas, and is now 81 years young. To prove he is still "fit as a fiddle," Mr. White put on an exhibition of dancing following the lunch.

Mr. White homesteaded on three sections of land the first section east of Aberdeen, where the only post office in the county at that time was located. This was also the headquarters of the Rocking Chair Ranch. Bill Janes was foreman of the ranch at that time. Col. John Drew had the post office, and lived on the Rocking Chair headquarters.

The Whites lived in a dug-out, 16 by 30 feet. He worked for his brother, Sam White, on the Circle Cross Ranch, where 62 cattle was the limit for grazing on one section. The charge for the grass lease for one year was \$32 and for \$96 Mr. White was in the ranching business with a three section ranch. He leased this land for as long as he cared to, then let it go back to the State of Texas. It was later sold for one dollar per acre.

Mrs. Genie White Wright, oldest daughter of Mr. and Mrs. Sam White, and niece of Jim White, attended the reunion. Her home is in Memphis now.

Wood Baxter, who came here in 1895 and after one year, filed on

some land in the Aberdeen community, and bought it for one dollar per acre. He made the point that cattle had to live entirely on grass and water in those days, as there was no land in cultivation to raise additional feed for them.

A former law enforcement officer of Collingsworth county was among the old settlers attending the reunion. He was P. H. Hardy, a law officer in the county from 1922 to 1939. He was born in Logan County, Kentucky, in 1884, and came to Wellington in 1915. He served as Chief of Police, City Marshal, and Deputy Sheriff while he was in the county. He lives in Fort Worth now.

Mr. Hardy said the high point of his career was his meeting with Clyde Barrow and Bonnie Parker, the nation's No. 1 and No. 2 Public Enemy.

J. L. O'Hara came to the county in 1904, from Palo Pinto County where he was born in 1878. He said the county had changed considerably since he came here.

Mrs. Lillie Winney of Denver, Colorado, attended the gathering. She was born in Dallas county in 1887, and came to this county in 1889.

Mrs. Hattie Scott came to this county in 1900, with her parents, Mr. and Mrs. J. J. Edwards. She was married on July 11, 1902, to

John Scott. They had three children, Fannie, Raymond and Hillard.

Mr. and Mrs. M. W. Stockton of Pampa were settlers here in 1916. Mrs. Stockton was Miss Bessie Young before her marriage. They were married in Wellington in 1918.

Mrs. Sadie Holland, daughter of Mr. and Mrs. Andy Parsons, was born at Bonita, Texas, in 1883, and moved here in 1913. They settled in the Wilnolce community.

Mrs. Fletcher White was the daughter of Mr. and Mrs. T. J. Stuart at Dodson, and was born in 1891. She was married to Mr. White in 1915, and they have one son, Peck White.

Mrs. Pheobia Bowen was born the daughter of Mr. and Mrs. J. M. Brewer in Missouri in 1874, and came to this county in 1889. They lived in a half dugout after they came here.

Tom Campbell was one of the younger old settlers attending the affair, having been born here in 1902. He was married to Miss Teresa Sledge, and they have two children, Tommie Ann, now Mrs. Tim Hatch of Lubbock, and Tim of Wellington.

Donie Wilhite was born the daughter of Mr. and Mrs. William Beck in Colorado County in 1883. They settled at Shinnery in 1910,

formerly living at Dodson from 1892 until then. She reported seeing large wolves when she and her brother and sister were going after the cows. They saw several panthers, also.

Mrs. L. M. Montgomery was born the daughter of Mr. and Mrs. Robert Chandler in Arron Rock, Missouri, in 1862. She moved to Collingsworth County with her husband and family in October of 1906. They bought a half section farm in the Samnorwood community, and lived there until four years ago, when the place was sold to H. C. Morrow.

Mrs. Montgomery has lived to see four wars, and says, "I am thankful to my Maker for my health and strength."

Wade Arnold was born in Erath County in 1877, and settled here in 1894. He served as postmaster here for 13 years, leaving office in 1935, and he now lives in Dallas.

A program followed the dinner, with Jack Pritchard and his string orchestra providing music of the kind the pioneers heard when they were young. Square dancing was the event of the afternoon, with such oldsters as Jim White, Mrs. Rachel Bingham, and Dave Thomas taking part.

RUPTURE

SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Herring Hotel, Amarillo, Sunday and Monday only, September 3 and 4, from 9 a.m. to 4 p.m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge. 6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

Mr. and Mrs. Edward Young are the parents of a daughter, Edwina Lynn, born August 18 in St. Joseph's Hospital. She weighed 6 pounds 8 1-2 ounces.

Mexico, and Rev. L. Stonecipher will be in charge.

Services will begin each evening at 8:00 p.m. and a cordial invitation is extended to every one to attend.

CARD OF THANKS

We wish to thank the opportunity to thank our many friends and neighbors who called Sunday, August 13, and helped us celebrate our 50th wedding anniversary.

Thank you so very much for the many lovely gifts and beautiful flowers.

May God bless each of you.

Mr. and Mrs. J. G. Gardner

CARD OF THANKS

We wish to express our heartfelt appreciation to each of you for your sympathy and your kindnesses at the death of our husband, brother and brother-in-law, Ross Wilkerson.

Your expressions of tribute to him, your words of consolation to us, and your every act of helpfulness at this time means much to us.

Mrs. Ross Wilkerson and relatives.

Mr. and Mrs. Richard Abonier of Streator, Illinois, visited his aunt, Mr. and Mrs. Mack Saied.

Business Leader With Great War Record Tells How Hadacol Has Rebuilt Him Physically

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B₁, B₂, Iron and Niacin

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war—he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B₁, B₂, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition.

"In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—work in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone is Talking About

HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

Vitamins B₁, B₂, Iron, and Niacin—but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

If you are a victim of neuritis pains, certain stomach and nervous disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It
HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope—give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes.

Vote for GOOD ROADS and Stable Financing

I sincerely thank you for your past support, both during the years I have served you as your Commissioner, and in the first primary election. I take this means of asking your vote and your support Saturday in the second primary. I shall try to repay your confidence by making you an efficient and capable Commissioner.

Roads are an important item in this Precinct, and during the time I have been in office I have been able to work out a good system whereby I can handle the roads.

All of you know how I have stood on the matter of sound county financing through the years I have been your commissioner. I will continue that policy if you return me to office.

I hope I have not missed any of you with cards, but if I have, please accept this as my personal solicitation.

Rogers Urges Aid To Farmers Whose Crops Were Ruined

Walter Rogers, after working through the cotton section of the lower Panhandle, and talking to men whose crops have been ruined by hail after it was too late for them to replant, issued the following statement, as he neared the close of his campaign.

The farmers in both the cotton sections of this District and the wheat sections are feeling the pinch of the lack of local level planning in the administration of the farm program. Many of the farmers in the cotton sections of this District have been hailed out or washed out or have suffered wind damage that will make a deep and telling cut in their farm incomes this year, and will, of course, make the same type of cut in the business incomes of the communities in which they reside. This is already noticeable in several sections and will become more noticeable during the rest of the year. It is my understanding that at the present time no allowance is made to adjust these hardships in fixing acreage allotments for the following year. Many of the farmers in that section have also suffered severe damage and loss to terraces that have been built up over a period of several years. They now find that in order to remedy these damages through the farm program, they must make a special appeal through the department of agriculture. In the wheat sections of this District, there are, of course, a great number of farmers who suffered a total loss this year and so far as is known, adjustments in wheat acreage to balance these losses are not contemplated.

It is not difficult to see that as long as the program is handled and administered strictly on a centralized, nationwide basis, that state-ism will prevail over the needs of the individual in particular localities. If the administration of the program was partially on a local level, adjustments could be made to remedy these hardships and to balance the acreage allotments over a definite period. This would, in effect, create an insurance to the farmer that he has not heretofore had. These situations are not only confined to cotton and wheat crops, but the same effect is felt as to other crops when fertile land is rendered useless during a crop year by the elements, as is the case in many instances in the Eastern and Southeastern sections of this District.

These are problems that should not be too difficult to solve on the basis of fairness and equality, but they must be solved on a local basis by the people who understand them by actual knowledge and observation of them.

DOZIER

Mr. and Mrs. Clyde Schaub and children of Pampa were week end guests of Mr. and Mrs. Ernest Schaub and family.

Messrs. Ernest, Clyde and Joe Schaub went to Lake Lugart Friday on a fishing trip.

Mr. and Mrs. Forrest Ezzell and children and Mrs. Ezzell's sister, Mrs. Fisher and family of Colorado, have gone to Colorado on a fishing trip. They will visit near Canon City. We hope they took plenty of blankets.

Mr. and Mrs. John Oldham are enlarging and remodeling their home. It will be another attractive dwelling in the community when it is complete.

Albert Oldham was irrigating his cotton from Dozier Creek Friday.

Mr. and Mrs. Wib Clack of Phillips were Saturday guests of Mr. and Mrs. Elbert Rankin and family. They brought their projector and showed a nice collection of moving pictures they had made when on their vacation in the Blue Ridge country, the Colorado Rockies, and other places.

The children, grandchildren, and great grandchildren, and two or three generations of nieces and nephews of Mrs. Lucinda Eastling of Rayden, Oklahoma, met at the park near Sayre, Oklahoma, Sunday, August 20, to honor their 84 year old mother and aunt with a birthday dinner and family reunion.

Going from here were two great nieces of Mrs. Eastling, Miss Effie Rankin and Mrs. Dewey Womack of Quanah. Mr. and Mrs. E. L. Rankin and Mr. and Mrs. E. L. Ezell also attended.

Guests were gathered from Tulsa, Hale Center, Lubbock, Amarillo, Dozier, and Quanah, Texas, and from Rayden, Tulsa, and Mountain View, Oklahoma. The day was chilly, and some who had failed to bring coats were wrapped in blankets. There was a beautiful dinner served at noon.

Does any one remember a colder August 20?

LILLIE

By MRS. G. D. THOMAS

A warm welcome awaits you at Lillie this week to attend our Revival meeting. Rev. Brown is bringing good messages.

Rev. and Mrs. Brewer, Rev. and Mrs. Roenfeldt, and Rev. and Mrs. Robinson were dinner guests in the Walter Needham home last Sunday.

Those attending the Rolla meeting last week from Lillie were Mr. and Mrs. D. S. Morris, Mr. and Mrs. Walter Needham and Miss Effie Spears.

Rev. Greenwood was a supper guest in the Conn Hall home Sunday night.

Mr. and Mrs. Luke Tollett of Memphis visited in the Tollett home Sunday.

Mr. and Mrs. Chock Brewer of Kress, Texas, and Mrs. Thomas Young of Wellington attended services Friday night at Lillie.

Mrs. J. L. Sanders of Ft. Bragg, North Carolina came Thursday to visit her parents, Mr. and Mrs. D. C. Roberts.

Mrs. Wayne Guley of San Antonio, left Thursday after a visit with her parents, Mr. and Mrs. L.

D. McMinn.

Mr. I. H. Manuel visited his cousin, Edd Manuel, whom he had not seen for 30 years, last week at Walters, Oklahoma.

Mr. and Mrs. Carl Whitfield of Snyder, Texas, visited in the L. D. McMinn home Saturday night, and they attended the Whitefield reunion at Samnorwood Sunday.

Sparkle, the little 3 year old dog of Mrs. Maud Hill, became ill last week and was taken to the veterinarian hospital at Shamrock. She had her tonsils removed and is doing fine, but she had to stay a day and night in the hospital.

Mr. and Mrs. Bill Carraker of Oklahoma City came Saturday to visit friends and to attend the revival at Lillie this week. The Carrakers lived in the Salt Fork community for many years before moving to Oklahoma City.

Mrs. Earnest Maxwell and Mrs. Thomas Young of Wellington attended the revival Sunday at Lillie.

Gene Robinson and Dale Needham attended singing at Salt Fork Sunday evening.

Mr. and Mrs. Haskell Manuel visited in the O. R. Spears home Sunday.

Mr. and Mrs. Homer Davis visited in the L. D. McMinn home Sunday.

Frank Popes Buy Lindsey Jewelry

Mr. and Mrs. Frank Pope announced this week that they have bought the Lindsey Jewelry from Truman Lindsey and are now in active charge. This business is located just north of the Ritz Theatre.

Complete remodeling and installation of new fixtures is planned in the immediate future, the owners have announced.

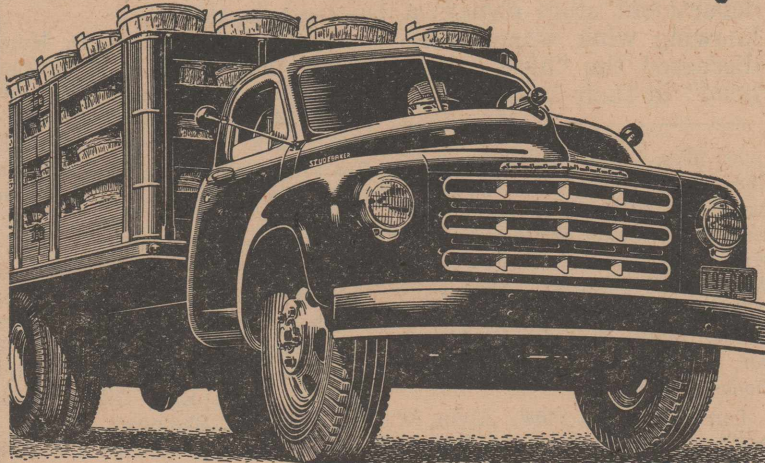

The crops in Lillie community are looking fine. Almost everyone is on their third round of hoeing. Several farmers are having their cotton sprayed for the worms.

Both Mr. and Mrs. Pope are well known here. She is the daughter of Mr. and Mrs. L. A. Hunt of Wellington. Mr. and Mrs. Pope owned and operated a jewelry store here several years ago, and since leaving have made their home at Pampa and Bay City.

"We are happy to be back. It's really coming home for us, and we are looking forward to again serving our friends," Mr. and Mrs. Pope said.

Mrs. Tom Caterlin returned Sunday from Raton, New Mexico, where she has been visiting her daughter, Mr. and Mrs. Afton Thornton. Mr. and Mrs. Thornton are the parents of a son, Tommy Fletcher, born August 12, weighing 6 pounds and 12 ounces.

A Vote For Walter Rogers

WILL BE A VOTE FOR

A Sound Farm Program AND Representation for Entire Panhandle

HERE ARE SOME OF THE THINGS WALTER ROGERS STANDS FOR

1. ASSISTANCE FOR CROP DAMAGES

Walter Rogers stands for immediate assistance to cotton and wheat farmers who have suffered from catastrophes brought about by the weather. He advocates immediate INCREASE IN ALLOTMENTS to be planted to wheat this fall and cotton next spring. "This is an emergency measure and will not disturb the present allotment program, but will help farmers who are in need of immediate assistance in planning their future program," Rogers has stated.

2. KEEP FARM PROGRAM

Walter Rogers believes economy of Panhandle is based primarily upon agriculture. Farmers of this nation are capable, sound thinking Americans who should have a GREATER VOICE in setting up many features of present farm program. Farmers' suggestions and advice should be followed in order to retain all good points of present program and at same time eliminate bad points. "We must have a stabilized farm economy!"

3. HOME RULE AND HOME RESPONSIBILITY

Walter Rogers believes future of our country depends upon the homes and small communities. Believes encroachments have been made upon individual rights which must be checked or rights will be lost to people.

4. PRIVATE COMPETITIVE ENTERPRISE

Walter Rogers believes a balanced economy depends upon the American private competitive system, free of Government control except for adjustments of wrongs brought about by bad faith. He recognizes rights of working man as well as that of employer.

5. MORE OLD AGE ASSISTANCE

Walter Rogers believes the old people are not getting their just dues. Says that too much money set aside for them is going into overhead costs; that they are entitled to more courtesy in their claims and requests.

6. TOLERATION OF COMMUNIST

Walter Rogers believes that soft treatment of Communist traitors should cease; that all Communists in our government should be immediately discharged. He believes laws should be passed immediately to check the spread of Communist propaganda by false-front organizations.

7. DEFENSE AND PREPAREDNESS

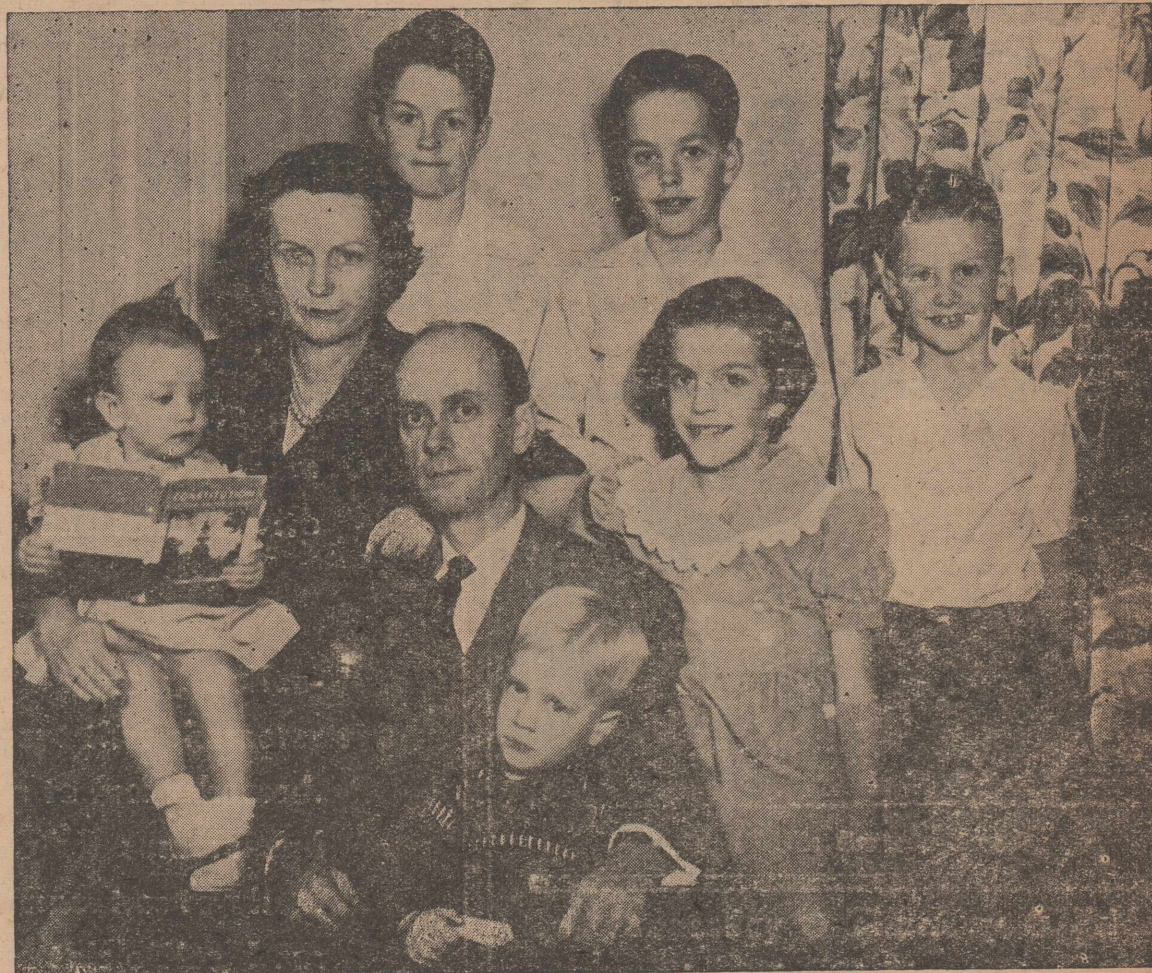

Walter Rogers believes in proper preparedness of this country first; and strict economy where it will not weaken the strength of this nation. He believes in drastic reductions in government costs, abolition of over-lapping bureaus, cleaning out of overstaffed departments, and elimination of red tape. He does not favor playing politics at the expense of our nation's safety.

8. TIDELANDS AND EDUCATION

Walter Rogers believes the tidelands belong to the State of Texas. He believes federal aid to education is double taxation; that if government will attend to own affairs, leave our tidelands alone and conduct itself in accordance with Constitution, Texas won't have to worry about federal aid to our schools.

9. AGAINST SOCIALISM IN ANY FORM

Walter Rogers is against Socialized Medicine, Socialized Education, Socialized Housing and Socialized Industry.

Walter Rogers has as much at stake in the future of this country as any of the rest of us. Here is the Rogers family. Standing, left to right, are John, Walter, and Tommy. Seated, left to right are Mary Catherine, Mrs. Jean Rogers, Robert and Susan.

Sheriff & Tax Assessor-Collector

Will Appreciate Your Vote

You know my record as your Sheriff. Many of you remember that I operated the combined office of Sheriff and Tax Assessor and Collector from January 1, 1925 to January 1, 1931. I have, can and will efficiently operate both again if elected.

Your Tax office will be open for business the six days a week as any other business establishment, from Monday morning to Saturday night. As your Sheriff, I am available at all times.

Work in the Sheriff's office prevents me from seeing all of you. I sincerely appreciate your fine Co-operation in the past, and ask your support Saturday.

Thanks,

Claude McKinney

Mark Your Ballot Right

Correct Way to Mark Ballot Explained

Election judges in several county boxes have reported that a number of ballots were mutilated or improperly marked at the first primary election in July. Some of these were marked so that judges could not determine the wishes of the voters in one or more races. Others were marked so that they could not be counted at all.

"Mark All Names off the ballot except those you are voting for," Joe Terry, election judge of the Wellington South Box said Tuesday, in the absence of L. A. Manzer, county democratic chairman, from town.

The election law says that each name shall be marked through. It is the habit of some voters to mark off a group of names with a large X. This sometimes leads to the doubt as to whether one or two names has been left and the vote in that race cannot be counted.

A number of persons in the first primary voted in all precinct races, including those not in their own precinct, several judges reported.

In the second primary, everyone in the county will vote in the sheriff's race.

Only persons living in Precinct 1, including the North and South boxes at Wellington, Shinnery and Dodson, will vote in the Justice of the Peace race.

Persons voting in Precinct 4, including Marella, Abra, Dozier, Lone Mound and Samnorwood, will vote for Commissioner of Precinct 4.

Former Oklahoma voters who check the name of the candidate for whom they are voting and leave the others blank are warned that their ballots cannot be counted, since they are not marked according to the Texas election law.

Junior Dukes Continue Base Ball Season Here

The Junior Dukes will meet the Eldorado, Oklahoma, town team Thursday night, August 24, at Marian Airpark Field, and on Sunday, the Sayre, Oklahoma, team comes down for a game with the Wellington men, John Lee has announced.

Eldorado has a good club and this game should be a real test of the strength of Junior Dukes, Lee said. On the Junior team for the remainder of the season will be several local men who were members of the Dukes of Wellington during Red River League play.

The Sayre team is in the play-off in an Oklahoma league of teams in that area and is one of the top four clubs of that area.

"The team that goes on the field for Wellington in these next few games is probably the team that will represent the town next season. You'll have a chance to see what is in prospect," Lee continued.

The Junior Dukes will continue playing as long as the town people show enough interest and give enough support for the team to break even on their expenses. Their coach pointed out that they definitely are not taking any donations for their support, but they will get along on the gate receipts.

Mr. Lee is donating his time to coach the team.

WHEN THE PARADE WENT BY

The parade was a family affair for the J. W. Kromers of Vinson, Oklahoma, riding in the foreground. Mrs. Kromer rides alone, while small Jimmy has a place in front of his father. On the sidelines, small horseless cowboys and girls look on longingly. In the

lower picture, the famous Skyrocket band had left at home its brilliant red and white, and wore instead 10 gallon hats, levis and plaid shirts—but what came out of the instruments was just as good as ever.

W. D. Aldridge Breaks Back in Fall

W. D. Aldridge fell from a scaffold while painting a house August 21 and received a broken back. He was working on the Clement farm one mile northwest of Wellington when the accident occurred.

He was rushed to St. Joseph Hospital, where attending physician, Dr. Tom R. Hunter, described his condition as satisfactory.

Bill Williams of Dumas visited Willie O'Rear last week.

Paul Boyce, son of Mr. and Mrs. W. A. Boyce is a medical patient in St. Joseph's Hospital.

Gospel Meeting In Hughes Community

The public is invited to attend a gospel meeting that will be held in the Hughes community Church of Christ, twelve miles southwest of Wellington, that began Monday, August 21, and continues through Wednesday, August 30.

Claude B. Halcomb of Corsicana will conduct services, and James Willett of Hedley will direct singing. Services will begin each evening at 8:00 p.m.

James Roy Willingham of Abilene was a week end guest of Mr. and Mrs. Leon Coleman. He is an instructor at ACC in Abilene.

A big broadcast of local talent, with the public taking part, is scheduled for 3:00 p.m. Friday, September 1, Rev. Gray said.

Open House will follow, when the public is invited to attend.

Station KEVA is owned by Albert Cooper and associates of Shamrock.

Mrs. Evelyn Chumley is a medical patient in St. Joseph's Hospital this week.

Mrs. Harry Leonhardt underwent minor surgery in St. Joseph's Hospital this week.

Court House Work Bids Called For

The county is asking bids on the repair of the court house, both inside and outside, County Judge R. L. Templeton said following a meeting of the Commissioners Court Monday, August 28.

The bids will be opened September 16.

The commissioners are preparing specifications this week.

The court house is 17 years old and has never had a repair job, Judge Templeton said.

Mr. and Mrs. Porter E. McClure and daughter, Mary Lou, visited in the John Forbis and J. W. White homes last week.

Larry Flint is a medical patient in St. Joseph's Hospital this week.

Mrs. Otto Russell underwent minor surgery in St. Joseph's Hospital August 17.

Patsy Blevins of Shamrock visited her aunts, Mrs. Leon Coleman and Mrs. Elmer Hiett last week.

Mr. and Mrs. M. G. Weisz of Bonham visited in the home of her aunt, Mrs. O. E. Dodson, last week.

Rev. and Mrs. C. D. Dameron visited their daughters, Mr. and Mrs. J. C. Ward and Mr. and Mrs. Hook Elliot, Sunday.

Elect Raymond Horton Justice of The Peace

As I have told you all along, I have no campaign promises to make, but I will simply do my best to make you a good justice of the peace and to administer the office as it should be.

The things that I think count most in public office are honesty, a desire to serve the people and willingness to work at the job. If you see fit to elect me, I will keep these things always in mind.

Your many courtesies and your fine cooperation since I announced for the office of Justice of the Peace are sincerely appreciated, and I ask your vote and your support in the election Saturday.

Party Honors Mr., Mrs. Rainer

By BETHINE ADKINS

The home of Mr. and Mrs. Herman Belew was the scene of a farewell party honoring Mr. and Mrs. T. H. Rainer, who are moving to Wellington.

Those attending honored the couple with a handkerchief shower and other miscellaneous gifts.

Mr. and Mrs. Rainer have lived in the Loco community for the past eleven years. Mr. Rainer has been manager of the Loco Co-op Gin there, but since his accident last August, he has been unable to work.

They will move to their home in Wellington next week.

Following the opening of the gifts, refreshments of home made cake, strawberry and vanilla ice cream were served.

Games of dominoes, forty-two and others were enjoyed throughout the evening.

Attending were Mrs. Fannie Belew, Mr. and Mrs. Tom Burton and children, Mr. and Mrs. C. B. Bearden, Mr. and Mrs. Silas Crawford, Mr. and Mrs. W. F. Harbin, Mr. and Mrs. C. A. Mrs. Leville Bain and Jerry Peters of Lubbock visited Mrs. Minnie Gibbs here Sunday. They reported their father, Mr. Peters, who was seriously burned a few days ago, to be much improved.

Leota Carlile to Wed W. D. Jones

A tea announcing the engagement and approaching marriage of Miss Leota Carlile, daughter of Mr. and Mrs. L. D. Carlile of Childress, formerly of Wellington, was given by the prospective bridegroom's mother Sunday, August 13.

The table was laid with a lace cloth over green and centered with a miniature bride and groom on a reflector surrounded by pink and green carnations. At either end of the table were pink tapers. Cut garden flowers decorated the house.

Pink and green stop signs inscribed "Dub and Leota, September 2" revealed the wedding date of the couple.

Presiding at the guest book were Misses Ann Jean Prescott, Mary Williams, and Mrs. Garland Walker, all of Childress.

Misses Nancy Jean Massey, Myrtle Smith, and Wanda Rosamond served refreshments, assisted by Mmes. Everett Bland, Sam Hunter, Roc Smith, and L. T. Bussey.

Attending were Mmes. Dale Carlile and Terry Lea, C. E. Greshaw, U. S. Fromm, Dick Williams, Weldon Fromm, Jim Martindale, Leo Woodring, W. H. Monroe, Lloyd Cole, W. L. Reunion Honors Mrs. Wood

A family reunion honoring the eighty-ninth birthday of Mrs. W. H. Wood of Shamrock was held Sunday, August 19, in Ellison Park. Mrs. Wood, who came here in 1920 from Dewitt County, made her home in Collingsworth County for many years before moving to Shamrock.

Highlight of the dinner which was served in the park was a three-tiered cake decorated in yellow and white that was presented to the honoree. The afternoon was spent in making pictures and visiting.

Five generations of Mrs. Wood's family were represented, and all of her eight children were present except one son, A. D. Wood of Glenrose, who was unable to attend. Mrs. Wood has 79 grandchildren, 138 great grandchildren, and 13 great great grandchildren, but only 75 members of the family were able to attend.

This was the first time all of the following had been together: Mr. and Mrs. Harold Landrum and Mark of Shamrock, Mr. and Mrs. Erbie Driver of Eldorado, Oklahoma, Mr. and Mrs. William Wood of Muleshoe, Mr. and Mrs. Jack Hiett and J. B. of Dozier.

Family Reunion In Arkansas

Mr. and Mrs. Bryan Denley, Molly Ann, and Barbara Beth, and Mr. and Mrs. E. F. Bartlett and Earl Lynn returned Sunday, August 20, from Harrison, Arkansas, where they spent several days visiting relatives and attending a family reunion.

Accompanying Mr. and Mrs. Denley were her brothers, Mr. and Mrs. Jim Fuller and son of Olton and Mr. and Mrs. Jack Fuller of Houston and her sisters, Mrs. J. A. Graham of Denver, Colorado, and Mr. and Mrs. E. F. Bartlett and Earl Lynn. The group met at the Denley home and drove to Oklahoma City, where they spent the night with Mr. and Mrs. T. C. Fuller, then on to Harrison, Arkansas, where the Fuller family reunion was held.

Highlighting the reunion, which lasted three days, were a fishing trip in Missouri made by the entire group, and a tour through the Ozark Mountains.

Visitors at the reunion were Mr. and Mrs. Sandy Parsons, Jr., and daughters, Sally, and Mary, who were vacationing in Arkansas at that time.

The Denley family also visited Mr. Denley's sister, Mr. and Mrs. H. E. Turner, at Fort Smith, Arkansas.

Denely Reunion In Mangum

Mr. and Mrs. Bryan Denley and daughters, Molly Ann and Barbara Beth were in Mangum, Oklahoma, Monday, August 7, to attend the annual reunion of the Denley family.

The reunion was held in the park, and relatives from all parts of the country attended. About seventy-five members of the family were present.

Jimmie Gillentine, editor of the Hereford Brand, was here visiting Mr. and Mrs. J. B. Castleberry this week. Mr. Gillentine and the children had been here for a week. All returned home Sunday.

Conservation a Part of Education

There is no way of measuring the value of the vocational agriculture work in high schools when it comes to practical instruction in better care and use of land and animals. Soil conservation has held a key place in the study.

The subject of conservation and its indispensability to all phases of human progress will be taught for the first time in many Texas schools this fall.

This broadening of the vital resource-use education program will be a direct result of workshops conducted in Texas senior colleges this summer by E. T. Dawson, Supervisor of Wildlife Conservation Education of the Game, Fish and Syster Commission.

The Supervisor, upon conclusion of the summer schedule, said more than 3,000 state teachers have participated in planning for resource-use of education. The extent of this routine and the rapidity of its growth since this work was begun in 1946 is shown by the fact that the summer workshop programs have increased from one the first year to 24 during the past summer.

Dozens of calls are received daily for

literature to supply teachers for the school year ahead. Well over a thousand packets of materia have been distributed within the last two months.

Mr. Dawson said the subject is taught in grades one through twelve but that emphasis is made on the grades of one through eight. The success of the statewide program has been facilitated by the cooperation of the State Education Agency. A main factor in this advancement, he said, has been through the efforts of the director of resource-use education in the State Department of Education. This official coordinates the efforts of administrators, supervisors, teachers and others interested in teaching conservation to young Texans.

The teaching of soil conservation is necessary—it was something that had to come. But conservation is not complete until there is conservation of natural resources, including wild-life resources specifically concerned with by Muri Dawson. It could well be said that a person is not truly educated until he is trained in the conservation of our resources.

OTHER EDITORS SAY:—

Get Out the Vote and Choose Wisely

The News foresees a great danger in the Democratic primary Aug. 26—a disastrously light vote by which candidates The News believes to be unqualified could be elected. Pressure and minority groups often succeed in dictating to the majority in a light vote.

The News urges the election, on the basis of proved experience, professional fitness and character, of the following:

1. Ben Ramsey for Lieutenant Governor.

2. Justice Meade Griffin for Texas Supreme Court, Place 3.

3. Judge W. A. Morrison for Court of Criminal Appeals.

Ben Ramsey's twelve years in the Legislature, most of which were in the State Senate over which he will preside if elected, not only gave him invaluable experience in legislative skills but taught him the importance of the post he seeks. As Secretary of State he had the respect of two outstanding servants, Beauford Jester and Allan Shivers. His record is one of conservatism but not reaction, a studiousness and steadfastness to duty.

In the opinion of The News, Meade Griffin beyond question is far superior in professional fitness to his opponent. His opponent, George Harwood, veteran Dallas County politician, has had no judicial experience except one term as County Judge—a post in which no judicial training is necessary and for which he was defeated for re-election. Judge Griffin's entire career has been devoted to the law and its diligent application.

W. A. Morrison, on the basis of character, judgment and background, should be elected. A careful student of the criminal law, and cognizant of its legal technicalities, he has applied himself as defense counsel, prosecutor and judge. His legal knowledge, courtroom experience and integrity justify his selection.

Only Temporary

A few quotations from a letter written to a Memphis citizen by a lawmaker in Washington: "I am as much against regimentation as any man alive. I believe in free enterprise and individual effort and the four freedoms. That is what I and several million others like me

fought for overseas. Nevertheless, there is a war on. It is going to get worse. We've got to have regimentation of some kind in time of war . . . Liberty is always the first casualty of a war. Controls mean a kind of dictatorship, but I'll string along with a temporary dictatorship imposed on Americans instead of a permanent dictatorship imposed on Americans by Russians . . . Global war means universal sacrifice but it's worth it. I think anybody but a Comissar living in Poland, Hungary, Bulgaria or Yugoslavia today would admit that a little regimentation now is worth the sacrifice it entails if it means keeping the Russians from marching up Main Street."—The Memphis Democrat.

Qualifications

Wanted — A man for hard work and rapid promotion; a man who can find things to be done without the help of a manager and three assistants. A man who gets to work on time in the morning and does not imperil the lives of others in an attempt to be first out of the office at night. A man who listens carefully when he is spoken to and asks enough questions to insure the accurate carrying out of instructions. A man who moves quickly and makes as little noise as possible about it. A man who looks you straight in the eye and tells the truth every time. A man who does not pity himself for having to work. A man who is neat in appearance. A man who is cheerful, courteous to everyone, and determined to make good. This man is wanted everywhere. Age or lack of experience does not count. There isn't any limit, except his own ambition, to the number of fsize jobs he can get. He is wanted in every business.

The Buck Creek Philosopher

Editor's note: The Buck Creek Philosopher on his Johnson grass farm on Buck Creek discusses medicine this week, a topic he knows as much about as he does international finance.

Dear editor:

I was out here yesterday restin up for the winter, most folks have single-track minds and can't look ahead and consequently rest only when they're tired, but I rest before I get tired and while I'm at it I throw in a little for the months ahead, and right now while I'm gettin through my August restin I've also done my restin for next December, although understand when December gets here you won't catch me fallin down on the job and I'll be restin then for spring and summer, but what I started out to say was that the wind blew a newspaper over my face yesterday while I was workin on my December restin and when I woke up and decided I might as well pull it off an article caught my eye and I sat up and read it.

Accordin to this article another new miracle drug has been found. Now I ain't no fillin clerk and don't keep such information stored away but in the last few years I can recall readin about at least ten new miracle drugs, each one of which was gonna revolutionize sickness and cure practically whatever was ailin you.

As far as I know, every one of them new drugs has lived up to its claim, but I can't help noticin there seems to be just as many sick people as there ever was, in fact the hospitals is more crowded now than ever before in history, we got more hospital rooms, and we got more doctors and more

people hollerin for doctors than ever before.

The way I see it is about the time one scientist discovers a new miracle drug, another scientist discovers a new disease, and the human race winds up with just as many afflictions as it had before. I guess this is what you'd call progress.

Yours faithfully,

BIBLE COMMENT

Endurance Marks Good Soldiers

It is not only the soldiers serving in Korea that are being offered, in the words of Winston Churchill, "blood, sweat and tears"; vast numbers of our fellow-Christians across the world are also suffering cruel persecutions.

They have been enduring hardness and manifesting courage as truly and manfully as those who have been bearing arms. And endurance is the great, ultimate mark of the true and effective soldier. The long process of training is to make him hard and strong and firm of muscle and spirit, as well as efficient.

Paul himself exhorted Timothy to "endure hardness" as a good soldier of Jesus Christ. Paul knew from experience that a Christian could not live in the hostile environment of that ancient pagan world without suffering.

In offering his counsel to the runaway slave, Timothy, Paul felt the terms of warfare and soldiering aptly defined the nature of Christian life. It was his contention that the earthly soldier serves under imperfect commanders. He may be called upon to obey orders that are mistaken, and he may even know they are mistaken—"Into the valley of death rode the six hundred."

But the decisions of the Divine Commander are always wise, couched in careful planning and delivered with compassionate consideration of man's weaknesses and limitations.

The rule of Christ is from within. It is not a law from without. Christ leads; he does not compel. And we cannot be good soldiers without enduring the petty trials and tribulations of workaday life and meeting major disappointments and heartaches in soldierly fashion.

That is why Paul urged Timothy to be strong and firm.

Varsity is derived from the word university.

PROGRESS IN MEDICINE

A child living down the street from our house was ill with pneumonia. The infection had developed from a cold. The fever climbed and congestion appeared. But nobody in our neighborhood got excited, not even the parents. The doctor was called. Penicillin and one of the sulfanilamides were administered. The doctor came away from the bedside cheerily confident. There was absolutely no cause for undue anxiety, he said. The father went back to work, the mother to her housework. Sisters and brothers went back to play.

The incident harkened memory to the occasion some 30 years ago when another child had fallen critically ill with pneumonia. Then our town was aroused. A specialist was rushed in from a distant city; oxygen equipment was flown from the State capital. There followed many anxious days for everyone who knew the family. The crisis came. The child died. In the 30 years since then the American medical profession has erected some remarkable milestones in life saving and health building.

PNEUMONIA WHIPPED

As the doctor drove away from our neighbor's house I hailed him down to discuss the miracle of this now commonplace victory over pneumonia. He said his young patient had bronchial pneumonia—the milder type—and would be completely free of infection within 48 hours. Then he said an amazing

thing. He has a big practice and I happen to know he spends hours each week in public health clinic work and on charity calls, yet he said he'd not seen a single case of lobar (deep-seated) pneumonia in the past three years!

What had become of this one time major killer? Penicillin and the sulfas, now administered routinely in all upper respiratory infections, had done such a wonderful job, he said, the disease just never had a chance any more to get to the critical lobar region of the lungs. This doctor believes also that the general use of these great drugs has killed off a lot of the pneumococcus organisms and rendered far less virulent the spores still alive.

OTHER DISEASES CORNERED

The stilling of the death-hand of pneumonia is but one of the many victories recorded in the recent past by American medicine — physicians, surgeons, nurses, researchers and pharmaceutical manufacturers. A baby born in America today has a life expectancy of nearly seventy years, at least fifteen more than could have been expected thirty years ago. Most of the major disease killers have been cornered and rendered far less potent by our medical men, and surgery has advanced to almost unbelievable capabilities.

Local and state medical societies, working with hospitals, businesses, industries and citizens, are constantly expanding insurance plans which bring good hospitali-

zation, medical and surgical services within the reach of most Americans. By next January approximately 75,000,000 will be covered by plans which pay an average of 80 per cent of hospital expenses; 40,000,000 will be enrolled in plans which pay the major portion of surgical fees, and about 25,000,000 will be enrolled in year-round medical care plans.

VOLUNTARY vs. COMPULSORY

For the price of a package of cigarettes a day, any American family can be free from worry over financial difficulties arising from illness. An example of what industry and a great many businesses are doing in cooperation with their employees and the medical profession is Bethlehem Steel's program which provides 70 days full hospital care for its 125,000 employees and their families—at a cost of \$2.95 per month, half paid by the company, half by the employee.

In spite of the rapid, wholesome growth of such voluntary medical care plans and the magnificent progress made by our medical profession in its battle against the major disease killers, there are a few people who wish to establish a politically-controlled compulsory health program and socialize the profession of medicine. Their spokesmen use the same lure used by England's Socialists. The English people got "free" medicine—and, to boot, a tax-heavy, freedom-crushing, stagnating Socialist "austerity" that had reduced the nation virtually to beggary.

First of the Fine Cars in Value

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

It's a *very* satisfying feeling

YES, it's good to slip into a truly fine automobile and sense its richness, its comfort, its room.

And there's a great thrill in touching off the waiting power of a great-hearted straight-eight and feeling its swift response at any speed.

It's fun to count the quick, admiring glances thrown your way.

It's nice to have a car that parks easily, for all its inches. It's very pleasant to do away with gear-shifting and clutch-pedal pushing, and know in its stead the utter smoothness of Dynaflo Drive's silken transmission of power.

And still that doesn't probe the depths of a ROADMASTER owner's secret satisfaction.

For while he knows he has a fine car, by its look, its feel, its appointments—

While he has performance at his command that needs play second fiddle to no other on the road—

While he enjoys a very special measure of creature comfort in the quite matchless gentleness of ROADMASTER'S ever-level ride—

He knows too that he has made

an exceptionally wise investment:

He has spent his money for the things that make a fine car fine—and nothing simply for show.

He has paid the lowest price per pound in the fine-car field—he has the very satisfying feeling of knowing his dollars have given him solid merit, and solid merit alone.

We'd like to have you try ROADMASTER in honest comparison with the highest-priced cars to be found. We'd like to have you try to match it for room, for comfort, for finish, for handling ease and for ability on the road.

Then check the prices—and see if your own sense of value doesn't advise signing up right now with your Buick dealer for a Buick ROADMASTER.

"Here are some basic facts about the electric power industry!"

The business-managed electric power and light companies are the second largest taxpayers in the nation. Last year the West Texas Utilities paid \$2,238,634.00 in taxes—an amount equal to the total electric bill for all residential and farm customers for seven months!

Despite all the "whoop-de-doo" over hydroelectric energy, if all the available water power resources in the United States could be completely developed, this would produce only one-fifth of the total energy the nation will need by 1960. In order to insure ample electric power for West Texas, the West Texas Utilities Company began in 1947 a program to more than double its generating capacity!

Since World War II, the business-managed utilities have invested nearly \$2,000,000,000.00 a year in new plants and equipment to serve the people. This is the largest construction program undertaken by any single industry. The West Texas Utilities is now in the midst of a \$20,000,000.00 program expanding facilities to serve West Texas!

Electric service is the one item in the family budget that costs substantially less than in pre-war days. Since 1939—while the cost of living as a whole has risen nearly 70 per cent—the average cost of a kilowatt hour of electric service for West Texas household use has dropped 18 per cent!

Dr. Green shown analyzing X-ray films to determine malposition of vertebrae causing interference to nerve fibres as they emit from the spinal cord. Case histories are from Palmer Clinic, Davenport, Iowa, they are shown here to show the extent of Chiropactic.

ABDOMINAL DISORDERS

CASE HISTORY NO. 114 — Severe pains in the abdominal region sent this man to a specialist who advised him to have his appendix removed. This was done but shortly afterwards the pains returned with the additional conditions of heartburn and constipation. Unable to get relief from drugs, he consulted a Chiropactor who declared that nerve pressure was the cause of his trouble. The pressure was traced to a twisted bony segment of the spine which the chiropactor adjusted back to normal. Immediately the heartburn subsided and little by little all other symptoms disappeared.

HEADACHES

CASE HISTORY NO. 1024. A well known radio artist whose career was threatened by persistent headaches of a pounding, throbbing nature. Medication failed to bring relief and his broadcasting activities were frequently curtailed. Hearing of an aunt who had recovered from neuritis under Chiropactic care, he decided to see what spinal adjustments would do for him. X-ray photographs were taken of the spine, and a malpositioned vertebra was located and adjusted. Seconds after the first adjustment the headache ceased and has returned since only at infrequent intervals, each time subsiding following an adjustment.

NEURITIS

CASE NO. 1216: A lady of 39 years complained of irregular periods, right side pains, bad cramps for two days a month, severe headaches before and after dizzy spells, low back pains, bladder pain, neuritis in shoulders, and sinus inflammation. She came to the Chiropactic clinic for her headaches because a patient had recommended it for that complaint. Spinal analysis and X-rays indicated defective energization of the pelvic area and subluxated (misaligned) vertebra in the neck causing spinal cord interference. After a few months she was amazed to discover her female trouble and other complaints had vanished with the headaches. An operation had been recommended. It is not necessary now for she feels perfect in all respects.

TO MY FRIENDS

I appreciated the splendid vote that put me in the run-off for Justice of the Peace.

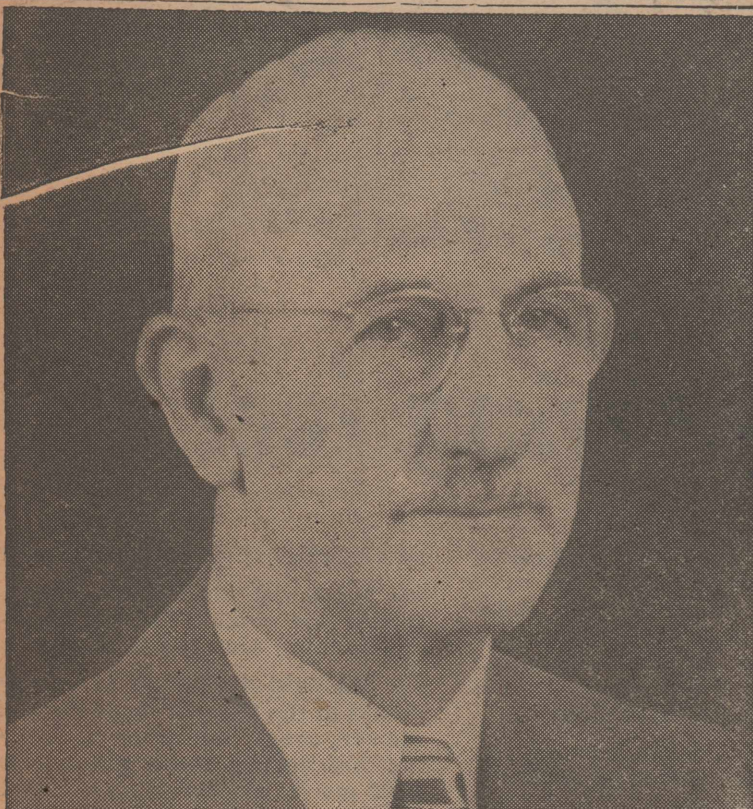

I also wish to express my sincere thanks to the people for their favors in the past, and for their fine co-operation which has made it possible to carry on the duties of my office successfully.

Being as I am unable to see each and everyone of you, may I take this means in soliciting your votes for the second Primary election August 26.

Your vote will be greatly appreciated

I still have no desire to take any office away from another, but since the offices of Sheriff, Tax Assessor and Collector have been combined, I am asking you to permit me to serve you for my second term, and take on with it all of the duties and responsibilities of Sheriff.

I fully realize that no one man can perform the duties of Assessor, Collector and Sheriff without help but I assure you that I will have that character of help that will please you, and that will never cause me to feel ashamed. And on that score I want to say here and now contrary to all rumors and gossip that I have not and will not make any trade or agreement as to whom I shall employ until after I am elected. If I am elected to this office, I am going to the Sheriff's School in Austin that I may serve you better..

Numbers have also asked me if I was a veteran and I am, having served 18 month overseas in the Southwest Pacific, but I have never made any of my races on the fact that I was a Veteran and I ask that you please not consider it in this race.

Your Votes Saturday Will Be Greatly Appreciated

Plane Trip to Cuba

POSEY FAMILY TELLS HIGHLIGHTS OF TOUR THROUGH 12 STATES

Mr. and Mrs. Robert Posey, James Posey, and Miss Roberta Posey left Wellington July 13, at 3:00 a.m. to begin a 7,000 mile trip, which took them to twelve states.

Included in this trip was Oklahoma, Arkansas, Mississippi, Alabama, Tennessee, Iowa, Illinois, Georgia, Missouri, Florida, Louisiana, and Kentucky, and also points of interest in Cuba, and Texas.

Points of interest as listed by Miss Posey included the Mammoth Caves in Kentucky, the Onyx Caves in Arkansas, Look-Out Mountain and Ruby Falls in Tennessee, Tuskegee Institute where George Washington Carver made his studies in Alabama, and many more things too numerous to mention.

Of greatest interest to the party was their visit to the state of Florida. They visited the famous Cypress Gardens, where the contest for Water Skiing was taking place. Champions from all over the world were taking part in the contest.

They rode in a glass bottom boat, through which you could see the life under the sea. This was at Silver Spring, and here they also saw the Bok Singing Tower.

The group went deep-sea fishing, and here Mrs. Posey and James became seasick — the only sickness on the trip.

St. Augustine was a highlight of the trip, being the oldest city in the United States. They visited the Fountain of Youth, the St. Augustine Port, and other places of interest there.

They visited Daytona Beach, one of the most famous summer resorts in the world. Here they saw the winter homes of many of the star athletes of the famous ball clubs.

They visited Key West, and saw the Summer White House and the Navy Yard there. The only light house located in the city limits is in Key West. The southern-most house in the U. S. is in Key West, also.

They went back up the coast of Florida to Miami Beach, where they purchased plane tickets and tours to Havana, Cuba. They rode a Pan-American Airliner, and the distance of three hundred miles was made in one hour and twenty eight minutes.

A Cadillac with a driver was waiting for them at the Havana Airport. This car and driver was used exclusively by them the two days they spent in the city. It was included in the expense of the tour.

They visited a rum distillery, a perfume factory, an alligator goods factory, and a cigar factory. Most every thing here is made by hand, including the cigars.

They saw the largest theatre in the world with a seating capacity of 65,000. They visited Morro Castle, one of the oldest structures of the city, and was formerly used as a fort to guard the city from attack from the sea.

The capitol building was the highlight of the Havana tour. It is the most expensive structure of this sort in the world, and cost \$18,000,000 to construct. In comparison, the Texas capitol building

is of red granite, with a total cost of 3 million dollars. The Cuban capitol has 65 different colors of marble in its structure, each room a different color.

Our Lady of Mercy Cathedral was another beautiful sight here, as was the second most beautiful cemetery in the world.

They viewed the harbor where the Battleship "Maine" was sunk.

They stayed in Havana two days and stayed at the Ocean View Hotel, which was thirty five yards from the ocean.

There are no traffic lights in Havana. The person halting at an intersection first has the right of way. This seemed strange to the tourists, as even a town the size of Wellington has a few traffic lights.

There are more millionaires living in the city of Havana than in the whole United States.

Back in Florida, they visited an ostrich and alligator farm. They took the southern route home, touring New Orleans on the way back to Texas.

Here they saw Tulane University, Sugar Bowl Stadium, Jackson Square, and an old French Slave Market. They visited patios and gardens where the attendants wore clothes like those of a hundred or more years ago.

In the harbor, they saw a boat from South America unloading a cargo of coffee beans.

They also visited the St. Louis Cathedral and the Municipal Auditorium.

They visited points of interest in Beaumont and Houston. Next was San Antonio, where they viewed the Alamo, and the Museum there.

At Austin, they visited the state capitol building, Texas University, and Texas Memorial Stadium.

From Austin, they came home, tired, but very glad they had such a wonderful vacation.

They had no bad luck — not even a flat tire. They had traveled

FOWL PLAY

A flurry of feathers proved too much for this North Carolina farmer, five-year-old Robert Stamey of Statesville, so he closed his eyes and went right on with the struggle to lug this indignant rooster to the family frying pan. Later, young Stamey opened his eyes and mouth to a hard earned chicken and dumpling dinner.

Oklahoma Gets 25 Cents

ALFALFA SUPPORT PRICE FOR AREA SET AT 18c PER POUND

The support price of alfalfa seed produced in this area has been set at 18 cents per pound for the 1950 season by the Production and Marketing Administration of

the U. S. Department of Agriculture, Congressman Ben Guill informed The Leader last week. While this is the support price, County Agent J. W. Thomas expressed the belief that because of the demand for alfalfa seed this year, the market price will be several cents above this, possibly around 25 cents per pound.

The 18 cent support price is for alfalfa seed grown in the southern seed zone. Approved Origin alfalfa seed in Oklahoma, eleven miles

east of town, has a support price 25 cents per pound, the same as that in the central seed zone, which with a few exceptions is north of the 37th degree latitude.

The basic specifications for the support price on alfalfa is 98 per cent purity; 90 per cent germination; maximum weed seed content of one half of one percent; and maximum of other crop seed, two per cent. There will be a discount for each percent or fraction thereof below the basic support of one and a half per cent each on purity and germination. The minimum eligibility requirements are 97 percent purity and 84 percent germination.

The price support on other hay, pasture and range grass seeds that may be sold in small quantities here this year are: biennial sweet clover, 12 cents; common sudan, 3 1-2 cents; crested wheat grass, 15 cents; big bluestem, 20 cents; little bluestem, 20 cents; sand bluestem, 25 cents; blue grama, 15 cents; side oats grama, 25 cents; buffalo (in bur) 40 cents; and sand lovegrass, 25 cents.

SALT FORK

By MRS. R. H. ISBELL

It has been dry out here this past week. We have had several thunder storms in sight, but no rain. Some of the crops need a good shower. Cotton is doing better these hot dry days. Worms are on some of the cotton, and several have sprayed for them. Among those already spraying are Carl Wischkaemper and Elmer Feemster.

The first quarterly conference met at the Salt Fork Methodist Church last Sunday, with Rev. W. E. Hamilton of Clarendon in charge. He delivered a good message at the eleven o'clock hour. The ladies of the church served lunch at noon. The business meeting began at 2:00. Aberdeen was represented by Mr. and Mrs. C. O. Bodine, Mrs. Billy Waters, Mrs. Plinkett and Julia; Loco by Mr. and Mrs. B. F. King, W. M. Duffey and Betty; Fresno by Mr. and

Mrs. Hayden Williams, Eloise Aaron, Mr. and Mrs. John Aaron and family.

All the churches had good reports. Our next conference will meet with the Fresno church.

Mrs. Hamilton accompanied Rev. Hamilton, and we are always glad to have her attend our services.

Visitors here for church Sunday were Mr. and Mrs. Kenneth Ward, Mr. and Mrs. Wayne Cummings, and Mr. and Mrs. Bill Clifton.

People out this way have really been busy lately. Some are hoeing, others canning. Mrs. Maxwell and Mrs. Marie Gollighugh have been gathering and canning beans by the tub full. The Wrights and Isbells are canning peas and peaches.

Mr. and Mrs. C. A. Wright, Charles and Edna Ellen, and Mrs. Maxwell visited Mr. and Mrs. Bill Clifton at Independence, Oklahoma, last Wednesday, and went fishing. They did not have very good luck fishing, but enjoyed the outing any way.

Those visiting Mrs. G. C. Isbell

Saturday night were Mrs. Maxwell, Mr. and Mrs. C. A. Wright, and Mrs. R. H. Isbell and George Isbell.

Rev. O. E. Long and family were dinner guests of Mr. and Mrs. J. P. Cummings Sunday.

Mr. and Mrs. Lester Hunter and Jack Carlton are vacationing in Colorado Springs.

QUEEN IRENE

This is one of the first pictures of Irene Dunne as Queen Victoria, the famous ruler whose name has been stamped upon an entire age of history. The U. S. film actress plays the difficult role in a forthcoming English movie which caused make-up men many a headache as they struggled to achieve authenticity.

Visiting in the D. M. Shanks home last week were Mrs. R. S. McMahan and sons, David and Robert, of Pecos, Texas. Mrs. McMahan will be remembered here as the former Odessa Shanks, daughter of Mr. and Mrs. Shanks.

Mr. and Mrs. Morris Reed and family are home from Nashville, Tennessee, where they have visited relatives the past two weeks.

Dr. Darlene Hunter of Dallas was here last week end with her husband, Dr. Tom Hunter. Dr. Hunter has finished her internship at Parkland hospital in Dallas, and is doing special study in anesthetics.

Mr. and Mrs. Paul Guthrie of Childress were guests of Mr. and Mrs. V. K. Orr, Jr., Tuesday night. They attended the rodeo in which Mrs. Orr was entered in the cowgirl sponsor contest.

Mrs. R. R. Lamkin and family of Arlington were here recently visiting Mr. and Mrs. H. B. Lamkin, her parents-in-law. Mr. Lamkin is in Los Angeles, California, where he has accepted a position as pilot for the American Air Lines there. He will visit his family between trips.

Mrs. J. L. Cummings Honored At Salt Fork Homecoming

By MRS. R. H. ISBELL

A large crowd of relatives and friends attended the Salt Fork homecoming and the 80th birthday of Mrs. J. L. Cummings Sunday, August 20. This was the forty-first anniversary of the establishment of the Salt Fork Methodist Church, of which Mrs. Cummings and her daughter, Mrs. Sallie Harris are the only remaining charter members.

Sunday school and preaching were held as scheduled, and a bountiful basket lunch was served at noon.

Mrs. Cummings was presented with many lovely birthday gifts, in appreciation for her service to the church and to the community for the many years she has lived there.

A number of people attending have belonged to the church 30 or 35 years, but Mrs. Cummings has remained faithful the entire 41 years of its existence.

LILLIE

There were over fifty attending the singing at the O. R. Spear home last Friday night. Everyone is invited to attend these singings during the week.

Mr. and Mrs. Walter Needham and Mr. and Mrs. Bill Long visited in the Tipton home Sunday evening.

After a three week visit in the home of her parents, Mr. and Mrs. W. T. Robertson, Mrs. C. D. Herring and small son, Charles Ray, left for Anchorage, Alaska, where they will join Sgt. C. D. Herring, who is stationed there. They went by bus to Seattle, Washington, and will go on to Anchorage by plane.

Mr. and Mrs. Walter Needham took a load of fruit to Amarillo Friday. They also visited their son, Mr. and Mrs. Audrey Needham.

Mrs. J. L. Gladney of Wellington spent last week in the Charles Little home.

Mr. and Mrs. E. E. Miles of Muleshoe, Texas, spent the week end in the Dave Brewer home at Rola.

Mr. and Mrs. Ira Wellborn of Bovina, Texas, visited last week in the J. B. Wellborn and Dave Thomas homes. Mr. Wellborn is ill.

Mr. and Mrs. Weldon Sullivan of Waco, and Mr. and Mrs. Herman Sullivan of Pampa visited in the home of Mr. and Mrs. Earl Sullivan.

The singing last Sunday night at Lillie was well attended.

Mr. and Mrs. Ray Hill left last Friday on a vacation trip to South Texas.

Mr. and Mrs. Wayne Gulley of Waco are spending the week with her parents, Mr. and Mrs. L. D. McMinn.

Mrs. Opal McCaleb and Mrs. Ott Standfill of Ralls, Texas, visited in the Zook Thomas home Tuesday.

Miss Pearl Chandler of Dallas spent the week with her sister, Mrs. Tott Hill.

The crops are looking better the past few days. The sunshine is doing them good.

Mr. and Mrs. Henry Langford visited in the Zook Thomas home last Sunday evening.

Jack Lowe of Minnesota is here visiting his parents, Mr. and Mrs. J. M. Lowe.

Sunday school was well attended at Lillie. There were 81 present.

Mrs. Richard Bealle and Mrs. Pete Chandler visited Mrs. Rolin Smith in Dallas this week.

Mr. and Mrs. Cecil Holmes of Oklahoma City were Wellington visitors Saturday afternoon.

Visiting in the I. H. Manuel home Sunday for a family reunion were Mr. and Mrs. Everett Manuel and family, Mr. and Mrs. Floyd Manuel, Mr. and Mrs. Grady Manuel, and Mrs. Myrtle Manuel, all of Childress; Mr. and Mrs. Willie Manuel and family of Elbert, Mr. and Mrs. Jack Daveson, and Mr. and Mrs. Norvel Manuel of Childress. The day was spent in visiting and taking pictures.

Those visiting in the Ben Ratliff home Sunday were Misses Effie Spears, Marjorie Robertson, Doris Blasingame, Mildred Bealle, Juanelle Langford, Patsy Morris, and Jean Robertson.

Mr. and Mrs. Elmer Harelsom visited her parents, Mr. and Mrs. G. Cowen of Mobeetie last Sunday.

Mrs. G. D. Thomas visited Mrs. Walter Needham Tuesday evening.

Rev. and Mrs. Glen Roenfeldt were dinner guests in the William Blasingame home Sunday.

The ladies in the community are busy canning fruit and peas for winter.

Mr. and Mrs. Bill Robertson and children attended a reunion of Mrs. Robertson's class mates in Granite, Oklahoma, Saturday night.

They also attended a chicken barbecue in the home of Mr. and Mrs. Cicero Gulley in Wellington Sunday evening, the occasion being the Preuit family reunion.

Mrs. Cummings was born Miss Henryetta Dixon, daughter of Mr. and Mrs. Jim Dixon. She was born at Mt. Pleasant, Titus County, Texas, August 21, 1860. At the age of 12, she and her family moved to Ellis County, in 1882.

She was married to J. L. Cummings August 27, 1885, at Waxahachie, Texas. They moved to Dundee in Archer County May 26, 1890, where they continued to live until 1901, at which time they moved to the Salt Fork community. They continued to live at the same place, until Mr. Cummings' death in 1935; and since then, Mrs. Cummings has lived among her children.

Two boys and two girls were born to Mr. and Mrs. Cummings. They are Joseph Cummings of Platt, Colorado; J. P. Cummings of Quail; Mrs. D. W. (Sallie) Harris of Wellington; and Mrs. B. B. Morris of Quail.

SALT FORK

By MRS. R. H. ISBELL

The cool breeze that blew in Saturday night made us realize that winter is coming, and maybe sooner than we thought.

Sunday was a big day out here. It was the last Sunday of our revival and the homecoming day and celebration of Mrs. J. L. Cummings' 80th birthday. There were lots of food at lunch and one of the very best singings ever held in Lillie in the afternoon, with folks from California, Colorado, Oklahoma, Lubbock, and several other places attending. There were several of the Ming family here; some from several different places. The Mings formerly lived here.

There has been a lot of visiting in this community due to the revival. Rev. and Mrs. Long and children have been entertained in most of the homes. Thursday, Mr. and Mrs. J. W. Gollighugh gave a dinner for them. There were 22 guests present. After the dinner the women gathered for their regular WSCS meeting.

Mr. and Mrs. Dee Harris spent the week end here and attended church.

We are glad to report that Ted Isbell is improving from his sick spell and was able to be at church the last few services.

Mrs. Ted Isbell's parents, Mr. and Mrs. Webb, of Modesto, California, left for home Monday. They have been visiting the Ted Isbells for the last two weeks.

Linda Kay Gillespie, daughter of Mr. and Mrs. Frank Gillespie of Quitaque has been in a hospital at Matador for several days very ill. She is the granddaughter of Mr. G. C. Wright of Salt Fork.

Mrs. Geraldine Spears of Lubbock is visiting her parents, Mr. and Mrs. Bill Clifton.

School is going again at Quail. The buses will be a familiar sight on our highways and country roads now, so please everyone, drive very carefully. Don't run over our children and cripple or kill any of them.

ten years at Quail and two in Wellington. She has lived here all her life, and is the daughter of F. Gilbreth of Dove Creek, Colorado, and the late Mrs. Gilbreth.

Mr. Graham will be engaged in construction work there.

Cynthia Ann, four year old daughter of Mr. and Mrs. Graham, who is deaf, will enter a special school for the deaf in Corpus Christi. This school is sponsored by the Kiwanis Club there. The teacher told Mrs. Graham that by the time Cynthia is six years of age she will be able to read lip movements and speak well enough to enter a public school.

Mrs. Graham said that she hated to leave Wellington, the only home she had known all her life, but if her little daughter will be able to speak, it is well worth the sacrifice.

Mr. and Mrs. Dudley McMillin and son, Donald, have returned from a 10-day vacation to Hot Springs, Ark., Memphis, Tenn., Jackson, and Gulfport, Miss., and New Orleans.
