Trustees hear recommendations for district needs

After several months of study and meetings, recommendations of the Facility Task Force were presented to members of the school board during their meeting Tuesday night.

Brenda Wood, chairperson of the group, read the three possible solutions offered by the task force, to be considered by trustees in addressing school facility needs in the district.

The recommendations are:

1. An instructional design whereby grades 5 and 6 are placed at Bradford Elementary and grades 3 and 4 are placed at Kidwell Elementary. Improvements would be made at Kidwell to accommodate the additional grades and to expand core facilities for the addition of students.

2. Construct a facility at the junior high to accommodate grades 5 and 6 somewhat separate from grades 7 and 8. A new cafeteria would be needed for this concept.

3. Utilize the proposed three million dollars among the four schools distributing the money based on campus priorities and needs.

Included in Plan 1 and Plan 2 are the following: The Task Force determined the high school needs new classrooms and labs, and the junior high school needs major classroom renovation, a band hall, and cafeteria renovations.

Wood said the task force would support the board 100 percent on whatever decision they made. She asked that should the board decide on a bond election, that they specify areas in which money is to be spent and stay with that.

Supt. Mike Caplinger expressed appreciation for the "tremendous amount of time and work put in by members of the force." Woods replied that she and the other task force members were concerned about the youth of the community and their educational needs.

Board President Keith Fisher said the trustees would start work on the recommendations at their next meeting.

Next, a group of students from the Eighth Grade Challenge History Class told the board of their plans if they should receive a "Learn and Serve Grant."

Heath Hodges, Derrick Carlton, Zac Miller, Josh Lytle, and Nic Stewart told trustees of the planning that had been done, and of the projects they hoped to accomplish with the grant money.

One proposal involved moving the old heavy pipe bleachers from the junior high football field to the high school. The high school shop class would repair them and they would be placed at the girl's softball field. They said Barbour Trucking Co. had offered to move the bleachers free of charge.

In the area left clear with the removal of the bleachers, they want to plant a fall garden of Indian corn and pumpkins. Part of the harvest could be used by elementary school students for the study of Pilgrims. They said Wendy Meadows and her high school horticulture class had offered to help with the garden.

Also mentioned was leveling of the ground on the east side of the school. The students said that the old concession stand by the football field could be torn down and an awning built to replace it, with the old restroom used for storage.

When they had finished their presentation, board members complimented the students for their ideas and wished them well on the project.

At the request of Supt. Mike Caplinger, trustees granted permission to implement a five-part sex education course at the high school.

The course, which has an abstinence-based approach to sex education, will be taught by Debbie Koen, and will be a supplement to Biology I classes.

For several years, Koen has contracted with the Wichita Falls ISD to teach the course. " She is a dynamic speaker and Wichita Falls has been very pleased with her presentation," Caplinger said.

LaRae Collins, high school couselor, said parents will be getting letters informing them of the program. They will also be invited to a Parents Night where they will be able to look at the materials and meet the instructor.

Action taken following a closed meeting included renewal of teacher's contracts, and accepting two letters of resignation.

Contracts renewed included:

High school - Wendell Allen, Tim Bartram, Margaret Batson, Darla Biddy, Greg Biehl, Ruby Black, Tim Clark, Diana Collins, George Collins, Patricia Costello, Leslie Crumb, Ray Dillard, Vicki Dillard, Alice Dyer, Chris Ellis, Colleen Ellis, David Fuhrman, Jim Gotcher, Cindy Hambright, Ronda Havins, Brenda Hodges, Patrick Jackson.

Also, Caroline James, Tim Kaspar, Lorna Klinkerman, George Martin, Bruce Merrell, Greg Miller, Eldon Patterson, Mary Ress, Earnie Reusch, Catherine Simek, James Skeeler, Dick Smith, Jeff Standard, Steve Stewart, Stephen Stradley, Denise Tatum, Beverly Terlizzi, Susan Tigrett, Carole Venhaus, Dick Wineinger.

Junior high - Charles Anderson, Larry Beard, Mikel Bowling, George Brandt, Donna Brinlee, Betty Carroll, Tanya Daume, Stan Dillmon, Mistie Eppler, Sheila Gholson, Kellie Gibson, Bob Gray, Beckie Hatcher, Ed Hefti, Eddie Jones, Crystal Lear.

Also, Kris Lovelady, Casey Nelms, David May, Wendy Meadows, Shelley Merchant, Janna Monday, Sharon Pepiton, Terry Peters, Carolyn Richter, Stephanie Roberts, Aaron Smith, Joyce Smith, Mozelle Sullivan, Norene Tillman, Annette Warren, Larry Zachary.

Bradford Elementary - Johnna Adams, Denise Alsup, Michelie Byrne, Brooks Cain, Tamara Dickerson, Julie Dietrichson, Valerie Dillard, Cheryl Frederick, Meri Guyette, Jo Ann Hale, Vickie Jordan, Galyia Kasparek, Howard Klinkerman, Karen Lamberth, Willa Mitchell, Becky Moore.

Also, Jan Parkey, Donna Parsons, Becky Pedon, Judy Schneider, Susan Scott, Karen Smith, Margaret Spurgers, Linda Swan, Arlene Welch, Margie Wood, Jan Yeager.

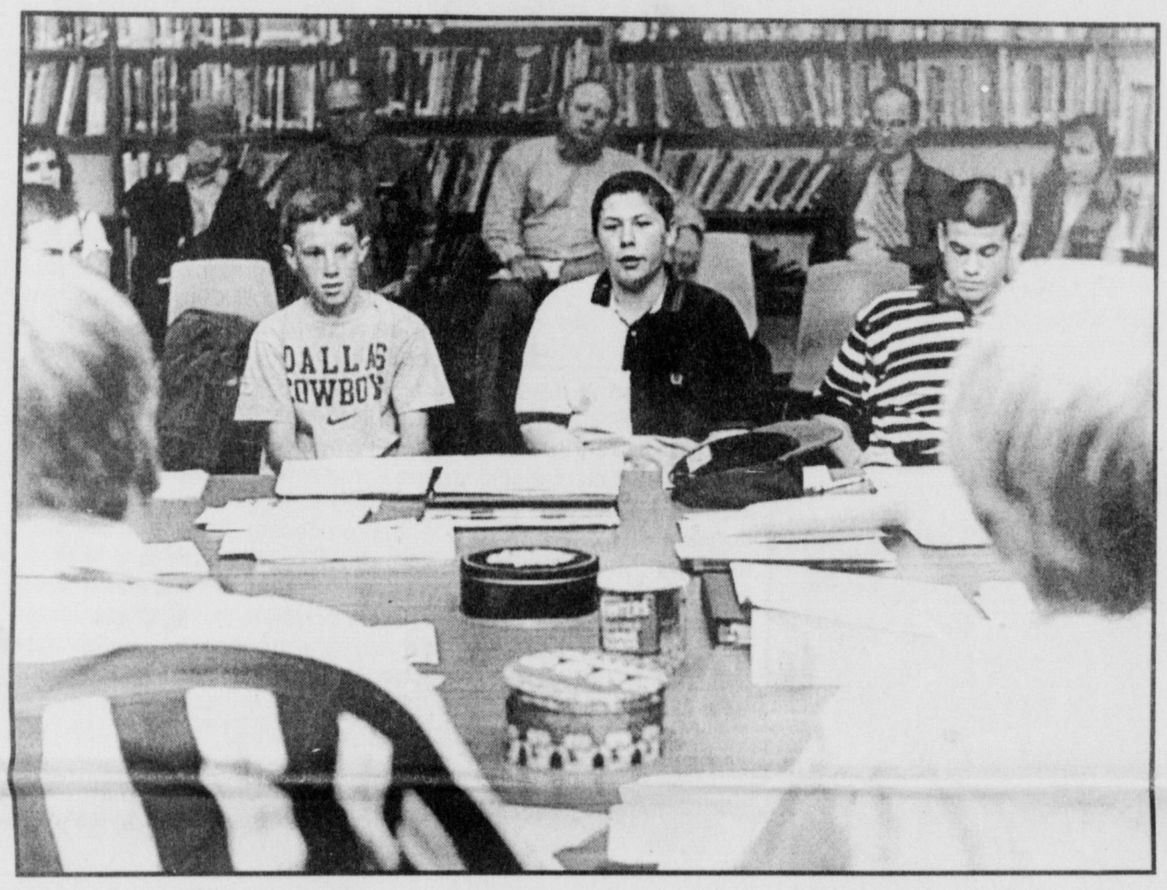

Kidwell Elementary - Mary Alfert, Nancy Bauer, Lee Ann Bryant, Betty Cash, Brenda Davis, Debbie Gruber, Yeader Gunter, Dianne Hefti, Leslie Henry, Yvonna Hinkle, Phyllis Hunter, Marianne Jensen, Vicki Johnson, Galyia Kasparek, Debbie Lytle.

Also, Janet Martin, Gail Miller, Kimberly Mogg, Mickie Moody, Ann Norris, Barbara Padgett, Dorothy Palmer, Linda Raap, Mary Helen Schell, Judy Stevens, Linda Swan, Nancy Thompson, Neysia Wilson, Mary Wright.

Letters of resignation, to be effective at the end of this school year, were accepted from Debra Lynn Walter and Filmore Keiter Spangler. Walter is the high school choir director, and Spangler, who is moving to south Texas, is computer instructor at the high school.

No action was taken following

JUNIOR HIGH STUDENTS EXPLAIN CAMPUS IMPROVEMENT SUGGESTIONS . . . during Tuesday night's school board meeting.

Extra busy week for police

The past week was one of the busiest ever for the Iowa Park Police Department.

Among the numerous cases handled during that period was the solving of a string of purse and billfold thefts.

David Coleman Scott, 23, was taken into custody Friday afternoon on a theft charge. He was immediately taken to the county jail.

The first of at least four charges to be filed against Scott was in the recent case of a purse and its contents from a truck at Barbour Trucking.

Other charges, according to police, will include those previously reported at the school administration office and B&R Thriftway. An additional charge will be made concerning another theft at Sincerely Yours.

No bond was set in Scott's case, because he was already on parole from an earlier jail term.

Scott's name also appeared on another entry of the police blotter, made Wednesday afternoon of last week.

Police were informed that he and Daniel Len Johns were to have a fight at a location in the 500 block of West Highway.

However, when police arrived at that location, neither man was seen. An officer decided to look in the neighborhood of the 700 block of East Park.

While there, he noticed a vehicle approaching which he believed was driven by Johns. The vehicle left the area at a high rate of speed.

Another patrol car was in the area, and initiated a pursuit in which the vehicles traveled at a high rate of speed eastward toward Wichita Falls on Old Iowa Park Road.

Johns, 25, finally pulled over on the side of the highway at Harris Road, where he was taken into custody on a charge of fleeing police.

Two other men were in Johns' car. One was Chris Bryan Turner, 19, who was wanted on an oustanding warrant issued by the sheriff's department.

Johns also had two outstanding warrants against him, issued by Wichita Falls, though the charges were not explained by police.

The third individual in the car was not detained.

Tuesday afternoon, officers were summoned to a residence in the 400 block of East Jefferson, where neighbors heard a gunshot inside a house.

Police filed a charge against William Perry Roberts, 63, for discharging a firearm inside the city limits. No one was injured, according to the report.

Also in the house with Roberts was Floyd Wan Yarbrough, 70. He was taken into custody on an outstanding warrant issued for public intoxication. He later was released after promising to appear in municipal court.

Some three hours later, Roberts was arrested in the 100 block of East Highway on a charge of driving while intoxicated, and transported to the county jail.

Three days later, Iowa Park police again took Yarbrough into custody, but this time they had him committed to the State Hospital, according to the police blotter.

When an officer on patrol

Council to meet Monday

The city council will consider taking action on two resolutions and an appointment, as well as holding a public hearing, during its meeting Monday.

The meeting is to begin at 7 p.m. in council chambers.

One resolution, if adopted, would voice the council's opposition to legislation which was submitted recently by a state representative.

The bill, if approved by the house and senate, and signed by the governor, whould grant voting rights of residents in the extraterritorial jurisdiction of a municipality, on all issues concerning that city.

The other proposed resolution would authorize the city administrator to execute a contract to extend and upgrade city water service to land outside the city which is owned by Mildred Thompson.

Aldermen will consider re-appointing Don Kirkham to the Nortex 9-1-1 Communications District board.

The third and final required public hearing concerning annexation of land, which is part of Park Place Addition, into the city limits.

Two weeks remaining for candidates to file

Two weeks remain during which candidates wishing to run for school trustee or city council can file for a place on the May 3 election ballots.

Thus far, all three of the trustee places have candidates, while only two of the three alderman positions have candidates.

Two of the three trustee candidates who have filed are incumbents. They include Larry Dutton and Martha Dudley.

The third board position which attracted a candidate is currently held by Bert Williamson. But he has not indicated whether he will seek re-election.

Filing for that place on the board is newcomer Jeff Nolen.

Alderman incumbents Dan Fears and Bob Hamilton have both filed for re-election.

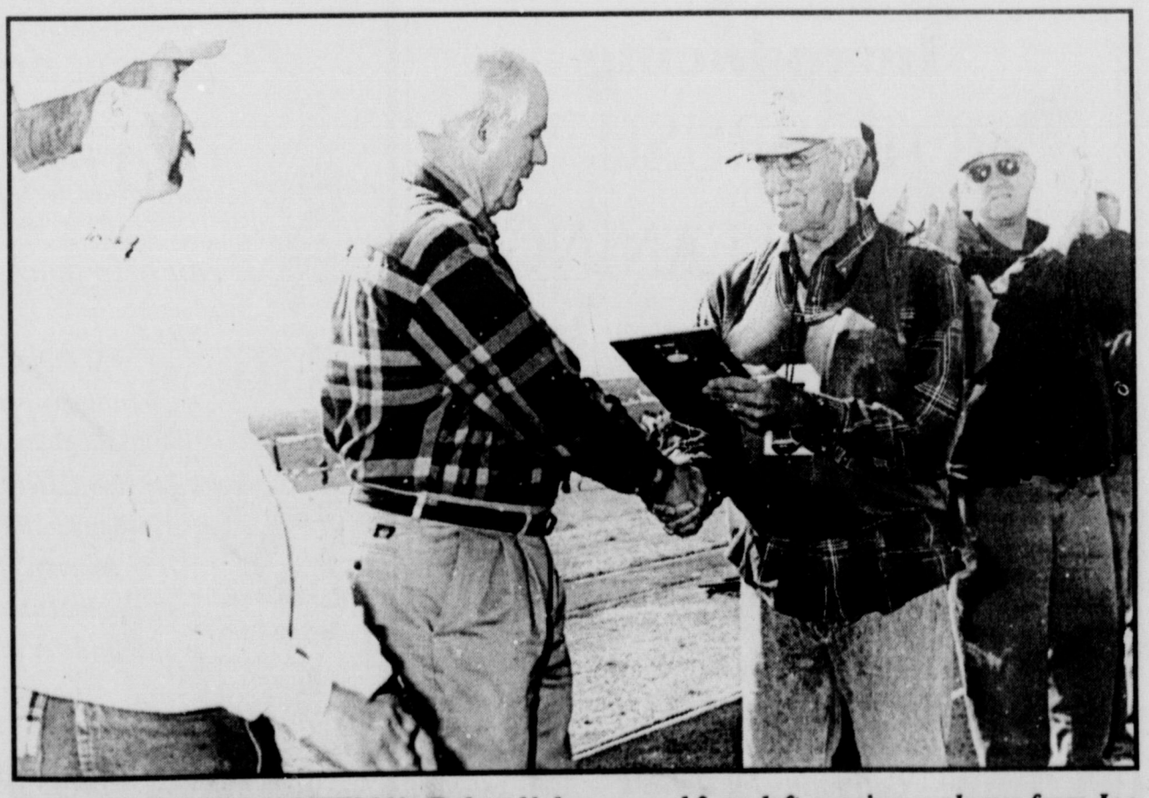

However, Mark Raby, whose term expires in May, has not indicated his intentions.

Deadline to file for a place on the ballots of both the school and city is 4 p.m. Wednesday, Mar. 19. Candidates for the school board must file at the administration office, while city hall is the filing site for alderman hopefuls.

A relatively new requirement concerning the trustee election is that anyone wishing to file as a write-in candidate must make that declaration by 4 p.m. on April 3.

Early voting in both elections will commence April 14 and end the 29th.

Check the list on page 4.

HALL OF FAME INDUCTION - Robert Nolen, second from left, receives a plaque from Joe Singer, as part of Nolen's induction into the Hawk Track Hall of Fame. Nolen, accompanied by his son Jeff, on the left, became the fourth inductee into the Hall. Singer is president of the Iowa Park Lions Club, sponsor of the annual Iowa Park Lions Club Hawk Relays, which were held Saturday.

REESA PARKER

Former resident elected to post

Reesa Parker was recently elected president of the Dallas Court Reporters Association.

A graduate of Iowa Park High School, she is the daughter of Mr. and Mrs. Bill Robinson.

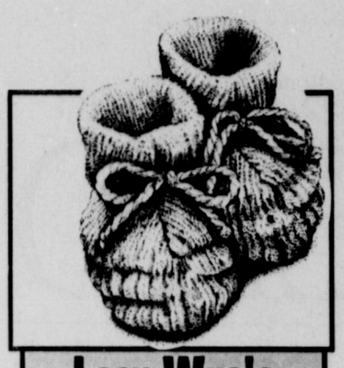

She currently serves the Texas Court Reporters Association as a member of the Ethics Advisory Committee, and also was recently appointed to chair the National Court Reporters Association's Technology Evaluation and Assessment Task Force.

Parker has been a court reporter since 1979, and currently serves as president of Fuller & Parker, one of Dallas' largest court reporting firms.Under her direction, the firm has become known nationally for its high degree of professionalism, organization, and efficiency.

She is also vice president of American LegalTech Dallas, Inc., a high-tech litigation support service and equipment company servicing the legal profession.

She has given frequent demonstrations of litigation support to attorney and paralegal groups, including National Association of Attorneys General, the New York LegalTech Show and American Association of Legal Nurse Consultants.

American LegalTech, under her direction, has assisted the state and national professional organizations in presentations made to the national Association of Court Management, National Conference of Metropolitan Courts and Texas Association of Defense Counsel.

Look Who's New

Beavers

Clint and Sherri Beavers of Iowa Park are the parents of a daughter, Madelyn Rece, born January 13, at Wichita General Hospital. She weighed nine pounds, three ounces, and was 21 1/2 inches long. She is the couple's first child.

Grandparents are Dale and Linda Perry and Donald and Bonnie Beavers, all of Iowa Park, Ted and Sue Waller of Wichita Falls, and Jerry Smelley of Rush Springs, Okla.

Great-grandparents are Betty Spain of Iowa Park and the late Orville Spain of Olney, Janet Perry of Iowa Park, Virginia Allen of Pauls Valley, Okla., and Ben and Estelle Smelley of Rush Springs, Okla.

Johnston

Dayna and John Johnston of Wichita Falls are the parents of a son, Jaydon William, born February 25, at Wichita General Hospital. He weighed eight pounds, 12 ounces, and was 21 1/2 inches long. His mother is the former Dayna Daugherity of Iowa Park.

Grandparents are Don and Gayla Daugherity of Iowa Park, and Addie Johnston and the late Harold Johnston of Wichita Falls.

Lois Bartosh of Iowa Park is a great-grandmother.

Lyons

Tracie and David Lyons are the parents of a son, Robert Dartanyon, born February 15, at Wichita General Hospital. He weighed eight pounds, 11 ounces, and was 22 inches long. He is the couple's first child.

Grandparents are Mike and Cheryle Stark, and Pam and Bruce Lyons, all of Iowa Park.

Grandparents are Betty and Vance Campbell of Floydada, Dottie Stark of Iowa Park, and Betty and Glen Lyons of Wichita Falls.

COMMUNITY BUILDERS AWARD was awarded to Dr. Greg Ammons Friday evening by the Iowa Park Masonic Lodge. Don Fields made the presentation. The award is designated to recognize outstanding non-Masons who have distinguished themselves through service to the community, quietly and without fanfare.

Eastern Star banquet held recently

The Order of Eastern Star was welcomed to Wichita Falls by Mayor Kay Yeager at a banquet held at Joseph A. Kemp Lodge #1287.

In attendance were the Worthy Grand Matron Alma Carter and the Worthy Grand Patron Richard Ochs of the Grand Chapter of Texas, OES.

Other installed officers, Grand Chapter officers, board members and committees were present for the banquet and fraternal visit.

The School of Instruction was held the following day and was conducted by the District Deputy Grand Matron Betty Unlaub and the Grand Examiner Joyce Ball of District Two.

Deputy Grand Matron Dola "Liz" Orr was responsible for the Section Six School which consists of 10 chapters in four counties. She was assisted by Beth Leonard, Worthy Matron, William P. Orr, Worthy Patron, Marie Powell, Associate Matron. Charles Sheets and Cecil Laws were Associate Patrons.

Secretary duties were conducted by Ella Mae Fry, Lois Schwartau and Ruby Hamilton.

Other officers included Janice Strange, treasurer; Conductresses were Mary Barton and Emaline Anderson. George Schwartau and Joe Strange shared chaplain duties and Kathy Hammack was Marshal.

The organist station was held by Lilly Tyler and Jane Hill. Star Points were represented by Vale Holland, Marie Seets, Edith Hawkins, Jane Ramos and Mae Naylor. The Warder's duty was shared by Gary Hill and Ray Anderson with Curtis Bushnell and Dewayne Naylor as Sentinels.

Chairman of registration, Violet "Jo" Gilbert was assisted by Juanita Pendergrass, Wanda Hopson and Marie Raines.

More than 130 members representing 31 chapters registered and 66 Certificates of Proficiency were issued.

Health Notes

Cholesterol Screening

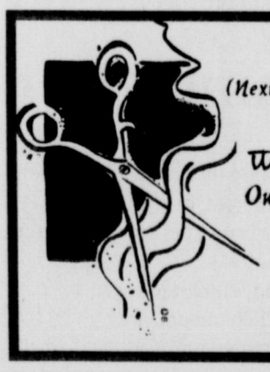

by Joe Hughes, R.PH

Cholesterol screening has changed remarkably since the 1980s, due to an increase in awareness of the risks associated with hypercholesterolemia, the availability of portable testing devices and newer, more effective medications. However, a single cholesterol measurement is not adequate to label an individual's true cholesterol as "abnormal." Levels are may be quite different on rechecking, due to many factors such as: method of blood sampling and analysis, the amount and type of food consumed by the patient in the preceding 24 hours, alcohol ingestion, presence of infection, smoking, changes in weight or amount of exercise, medication usage, whether the test was run on serum or plasma, and even the patient's posture (sitting or standing) when the sample was taken. It is also very important to consider the levels of HDL ("good" cholesterol) and LDL ("bad" cholesterol) when interpreting test results.

Cook of the Week

Karen Church

"Cooking is not my favorite thing to do," said Karen Church, who is being featured in this week's column.

But people who don't enjoying spending a lot of time in the kitchen, are often the ones who have good, easy to prepare recipes.

Such is the case with Karen, who has discovered that the slow cooker and microwave are wonderful appliances for people like her.

Karen grew up in Fair Lawn, New Jersey, where she graduated high school. She worked as a long distance operator for New Jersey Bell until she married.

Her husband, John Church Jr., is a native of Goshen, New York. He was an instructor in the bio-medical field in the Air Force.

They lived in Iowa Park a couple of times, while John was stationed at Sheppard AFB, before returning for good in 1981. He earned degrees in business and teaching at Wayland Baptist University at Sheppard.

When he retired from the service in 1987, John started a business in which he repairs medical and dental equipment. Karen and their two children, Dale and Michelle, and Michelle's husband, John Hall, all work in the family business.

Dale and Michelle are both graduates of Iowa Park High School. Michelle is also a dance instructor at the Recreational Activities Center, and her husband works part-time in the framing department at Michael's in Wichita Falls.

Karen's hobbies include oil painting, ceramics, and embroidery. She has won first place ribbons for her paintings and embroidery work in local art shows.

She has been a Girl Scout leader and Cub Scout den mother. John worked with the Cub Scouts. They both took an active interest in their children's school activities.

Stuffed Peppers

4 to 6 green peppers
1 lb. hamburger meat
1 cup rice
1 large can tomato sauce (Ragu)
Chopped onions
Salt and pepper
Shredded Mozzarella cheese

Wash green peppers and cut off tops. Clean and remove seeds. Boil peppers 15 minutes. Brown hamburger; add everything except cheese. Stuff meat mixture into peppers - pack firmly. Sprinkle tops with shredded Mozzarella cheese. Bake 30 minutes at 350 degrees.

Chow Mein

2 or 3 onions
1 - 4 oz. can mushrooms, stems & pieces (drain and reserve liquid)
2 Tbsps. butter or margarine
2 cups diagonally-sliced celery
1 - 1 lb. can bean sprouts, drained
1 Tbsp. sugar
1/2 Tbsp. salt
2 Tbsps. corn starch
3 Tbsps. water
4 Tbps. soy sauce
1 1/2 cups cut-up chicken, turkey, pork, or shrimp
Rice
Chow mein noodles

In a large skillet, cook and stir onions and mushrooms in butter. Cook until onions are tender. Add enough water to reserved mushroom liquid to measure 1 1/2 cups liquid. Stir into the onion and mushroom mixture with celery, bean sprouts, soy sauce, sugar and salt. Heat to boil; reduce heat and simmer uncovered 15 minutes.

Blend corn starch and water. Stir into vegetable mixture and cook, stirring constantly, until mixture thickens and boils. Boil and stir 1 minute. Stir in chicken and heat through. Serve over rice and chow mein noodles.

Fresh Cranberry Orange Relish

1 pkg. (12 oz.) cranberries, fresh or frozen
1 medium orange
3/4 - 1 cup sugar

Slice unpeeled orange into eighths; remove seeds. Place half the cranberries and half the orange slices in food processor or food grinder. Grind until mixture is evenly chopped. Transfer to a bowl. Repeat with remaining cranberries and orange slices. Stir in sugar to desired sweetness. Store in refrigerator or freezer. Makes about 2 1/2 cups.

Cucumber Salad

Slice 3 or 4 cucumbers into a bowl. Sprinkle lightly with salt. Cover bowl and let soak 3 hours in the refrigerator. Take bowl out and squeeze juice from cucumbers by the handfull. Add 1 small container of sour cream and sprinkle with dill weed.

SHOP IOWA PARK FIRST

Hospice is Garden Club program

Members of the Iowa Park Garden Club heard an informative program presented by Roz Folkers when they met at the RAC Friday. It concerned services provided by the W. Erle and Emma White Hospice Center.

Ms. Folkers speaks to select groups to inform them of care provided by the Hospice of Wichita Falls, Inc.

Most of the members were aware of the in-home care provided as needed by a Hospice Team, but they learned that transportation for treatment and support groups were also provided, along with a 24-hour information line.

The speaker related that many of the services provided are paid by Medicare, Medicaid, or private insurance. However, being a non-profit organization, no patient is denied home-based care due to lack of financial resources.

The W. Erle and Emma White Hospice was recently opened to offer short term care for patients with a limited life expectancy whose pain or other symptoms have escalated and cannot be managed at home. Respite care for patients whose care-givers need a brief break is also offered.

The speaker stressed that they were helping the patients live their remaining days to the fullest.

Bonnie Illingworth, president, conducted the business session and distributed registration sheets for the District II 1997 Spring Convention to be held March 12 in Granbury. The program, entitled, "From the Earth to the Sky" will be presented by Linda Anderle, who owns and operates the City Flower Market at the Historic Square in Granbury. She is a member of Petals and Pals Garden Club in Granbury.

Norma Fortner, chaplain, read a poem, "Sunshine and Music" from a book, "For A Special Person."

A "Sunshine Basket" of gifts was presented to Freddye Skinner, vice president, for her to enjoy while in Dallas recuperating from her March 4 knee surgery.

The centerpiece on the refreshment table was pink four-blossom Amaryllis provided by Marie Wooten. Denice Gilmore was co-hostess.

"Over the Garden Gate", a paper distributed by the Texas Agriculture Extention Service, inviting each member to Sikes Senter Mall March 15, to visit the Wichita County Master Gardener's Booth. The Red River Orchid Society will also be there with beautiful orchids on display.

As I See It...

By Bob Hamilton

All winter long, I've been looking forward to spring. And now that it's just about here, I've got mixed emotions about it.

Of course I was looking forward to good, warm weather, so I could enjoy playing golf without having to bundle up with layers of protective clothing.

But while looking forward to spring's pleasant weather, I'd forgotten about how busy things get in that season.

There's so many activities -- athletic events, organizational and business meetings, and (yuck) yard work -- that I find it difficult to afford *the time to play golf.*

Spring is the busiest time of the year, at least for those of us in the community news business. Everyone seems to schedule activities right as school is winding down.

And though Dolores really does the majority of the work in our yard, I still have my responsibilities around the house. And somehow, she keeps finding more and more activities for me to help her.

Sometimes I envy those who have moved into condominiums. You know, all you have to do there is live, and let someone else do the yard work.

I guess it's a sign of my age. I've lived such a busy life that I've learned to relish doing nothing but sitting on my rear end -- and playing golf.

No, I'm really not complaining. I'm just realizing -- as I look at my calendar of things coming up -- that spring is just around the corner.

And it's time to get busy.

RAC News

Bridge Results

Amy Conley had the high score of 5230 at bridge on Monday this week. Faye Anderson had the second high of 4450. There were three tables in play.

On Wednesday, last week, Mary Lou Alderman had the high score of 4520. Lovella Hall had the second high of 4390. There were also three tables played.

Food Handler's Course

An evening course for food handlers' certification will be offered at the RAC on Tuesday, March 18, at 6:30 p.m. Cost for the course will be $12.50 per person, and should be paid in advance along with registration papers. Persons who are renewing their card are reminded to bring their old card to the class. To register, please stop by the RAC office at 806 N. Third before March 18. Office hours are Monday - Thursday 8:00 a.m. to 8:00 p.m., and Friday 8:00 a.m. to 4:00 p.m.

Cheerleading Classes

Cheerleading classes are being organized at the RAC for upcoming cheerleader tryouts. If you would be interested in taking the class, please call the RAC at 592-4471.

Spring Break Activity Week

Special activities for Spring Break will begin at 10 a.m. tomorrow at the RAC. Activities will be held each day of Spring Break from 10 a.m. to 3 p.m. for a cost of $5 per child per day. The program is designed for students age four through fifth grade. Reservations are required in advance. To reserve your spot, call the RAC at 592-4471. Hurry. . . we don't want you to miss the fun!!

Social Security News

LARGE PAST-DUE SSI BENEFITS TO BE PAID IN INSTALLMENTS

Effective with past due benefits paid on or after December 1, 1996, people who are due large Supplemental Security Income past due benefits will receive the benefit in installments at six-month intervals.

The change is designed to alleviate the disruptive effect that the receipt of a large sum of money may have on a needy family's budget, while insuring that the funds are available to meet the SSI recipient's continuing needs.

Trustees

Continued from page 1

an interview with a possible financial advisor in the event of facility additions.

During the open meeting, trustees approved computer classes to be offered to the public.

Lee Pelz will be the instructor for the two all-day workshops to be held April 5 and 12, in the computer lab at the high school. Charge for the course, which will be limited to about 20 people, has not been set.

The classes are being sponsored by the Eighth Grade Parents, with half of the proceeds going to help with the eighth grade graduation party, and the other half to help send some handicapped students to a camp.

Pelz said that having the workshop at the high school would help raise community awareness of what is being done technology-wise in the district.

Nancy Richey of Region IX presented a certificate to high school principal Richard Davis in recognition of the seniors who had high scores on the SAT and ACT tests.

Supt. Caplinger said the latest communication from the Office for Civil Rights indicates that "we are in reasonable compliance with their requests."

In other business, trustees:

* approved a revision to Board Policy DFBA (LOCAL) Term Contracts, giving the superintendent authority to propose termination to the board; and

* approved the 1997-98 school calendar.

About bad checks

To the Editor:

This letter is in concern of people who consistently write bad checks.

I can understand once in a while a person messing up on their check book. Some people will write a check when they know full well there isn't funds in the bank to cover the check. If people would realize how much writing a bad check costs them and also costs the merchant that the check was written to. The people who write bad checks make it hard on people who do not write bad checks. It is because of so many bad checks being written that businesses are being forced to get every possible form of I.D.

Many people do not like giving or showing their driver's license when writing a check, but what they don't understand is that by showing their I.D. it helps to protect them and the merchant. Right now there is an awful lot of forgery going around. If you happen to be a person who has lost or got a check book stolen, you would appreciate a merchant getting an I.D. on a person trying to cash one of the checks.

Right now, when a check is turned over to the sheriff's department for collection, they give you so long to make restitution. If restitution isn't made, they issue a warrant for the person's arrest.

Please try to understand that when a merchant asks for an I.D., they are doing it to help you and to help them. There are thousands of dollars lost each year through writing bad checks.

Name withheld by request

Police

Continued from page 1

stopped Jimmy Dewayne Graham, 24, late Monday in the 400 block of South Jackson, a computer check indicated he was wanted for having no liability insurance. Graham was transported two hours later to the county jail.

Jerry Dwayne Schell, 37, was arrested at 12:13 a.m. Wednesday on a charge of public intoxication. A computer check also provided information that an outstanding warrant had been issued by Wichita County against him for theft of service.

Schell was turned over to a county deputy to be transported to Wichita Falls.

Complaints also were filed during the week on two other cases, a theft and burglary of a habitation.

Three rifles and a pistol reportedly were taken from a gun cabinet in a residence in the 600 block of West Washington. Estimated value of the weapons was set at $1,500.

A woman told police Tuesday morning that her purse, containing a cellular telephone and money, was taken, apparently while the vehicle was parked in the 700 block of West Louisa. The loss was set at $300.

Tickets were issued to three minors for "minor in possession" when police responded at 1:58 a.m. Sunday to a call at a residence in the 400 block of West Washington.

Obituaries

Donnie Earl Reynolds

Services for Donnie Earl Reynolds, 51, of Holliday were at 1 p.m. Wednesday at Dutton Funeral Home.

Gil Peters, Church of Christ minister working with the Prison Ministry at Loop 11 Church of Christ in Wichita Falls officiated, assisted by Bill Lee. Burial was in Holliday Cemetery.

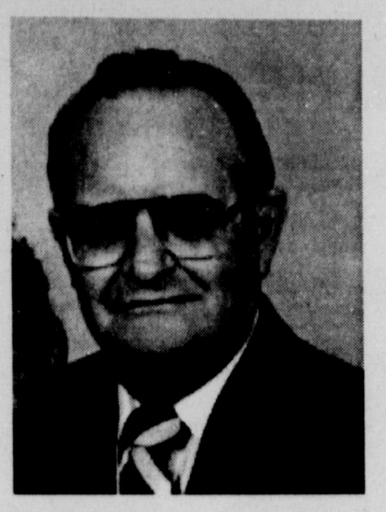

Mr. Reynolds died Sunday, March 2, in Wichita Falls.

Born Feb. 12, 1946, in Grandfield, Okla., he was married to Donna Lee Pruett June 4, 1966, in Electra.

Mr. Reynolds was owner and operator of Holliday Station. He had worked 11 years a mechanic for Holliday Independent School District and was a pumper for John Hampton since 1977. He had been a resident of Holliday since 1977, moving from the Valley View area. He was a member of the Church of Christ.

He is survived by his wife; one son, Michael Don of Holliday; one daughter, Michelle Donnette Cornsilk of Holliday; two brothers, Ray of Alabama and Royce of Electra; four sisters, Carolyn Smith of Cassville, Md., Shirley Green of St. Peters, Md. Darlene Pollan of Wichira Falls and Delores Johnson of Dallas, and two grandchildren.

The family suggests memorials may be made to the Donnie Reynolds Scholarship Fund, Holliday ISD.

James W Wadsworth

Services for James Wesley Wadsworth, 68, a resident of Iowa Park 43 years, were at 1:30 p.m. Saturday in Faith Baptist Church of Iowa Park.

Dr. Greg Ammons, pastor, and Rev. Jerry Miller, pastor of First Baptist Church of Decatur, officiated. Burial was in Highland Cemetery under direction of Dutton Funeral Home.

Mr. Wadsworth died Thursday, Feb. 27, in Iowa Park.

Born July 4, 1928, in Vashti, he and Patsy Ruth Jones were married Sept. 27, 1947, in Bowie.

He was a salesman for Merchant Wholesale Drug from 1955-1969. He was then manager of Gibson Discount Center in downtown Wichita Falls 17 years, until his retirement in 1987.

He moved to Iowa Park from Wichita Falls. He was a member of Faith Baptist Church, where he served on committees and worked in the Sunday School Department.

Survivors include his wife; one son, Michael Ray of Surrey, B.C.; a daughter, Paula Nan Lucas of Rock Hill, S.C., one sister, Shirley Gaskins of Bowie, and four grandchildren.

Memorials may be made to Hospice or to the Iowa Park Faith Baptist Church Building Fund.

Doris Rae Berry

Services for Doris Rae Berry, 77, were at 2 p.m. Sunday at Dutton Funeral Home.

Rev. Lamoin Champ, interim pastor of First Baptist Church of Iowa Park, officiated. Burial was in Highland Cemetery.

Mrs. Berry died Friday, Feb. 28, in Wichita Falls.

Born Aug. 17, 1919, in Stamford, she was married to Henry I. Berry Aug. 20, 1938, in Borger. She was a homemaker and a member of First Baptist Church. She had been a resident of Iowa Park since 1960, coming from Mineral Wells.

Survivors include her husband; two sons, Mike and Dwight, both of Wichita Falls; one brother, Pete Rhodes of Arlington; one sister, Murdel Carter of Mineral Wells, and five grandchildren.

Memorials may be made to Hospice of Wichita Falls.

Glen Allen Fox

Memorial services for Glen Allen Fox, 83, formerly of Iowa Park, were at 2 p.m. Thursday at Faith Village Church of Christ in Wichita Falls.

Les McGalliard, minister, officiated. Arrangements were under direction of Dutton Funeral Home of Iowa Park.

Mr. Fox died Tuesday, Feb. 25, in Iowa Park.

Born Nov. 22, 1913, in Hossel, he and Charlene Bellamy were married July 9, 1935 in Hot Springs, S.D. She died in 1982.

He had been a resident of Wichita Falls 10 years moving from Iowa Park. He was owner and operator of Glen's Hairstyles. He worked as a director of Individual Development Center and procured jobs for the retarded. He was a member of the Lions Club.

Survivors include one daughter, Jolyn Boutwell of Iowa Park; one son, Tom of Oklahoma City; two brothers, W.W. of Estes Park, Colo., and J.W. of Houma, La.; one sister, Lillian Hickey of Mountain Home, Ark.; five grandchildren and two great-grandchildren.

Memorials may be made to the Individual Development Center.

Joe E. Conkling

Graveside services for Joe E. Conkling, 61, were Monday at 10 a.m. in the Childress Cemetery.

Mr. Conkling, brother of James Conkling of Iowa Park, died Friday, Feb. 28, 1997, in Childress.

Mr. Conkling served in the Air National Guard. He was preceded in death by his father, John Paul Conkling, in 1990.

He also is survived by his mother, Kathryn Conkling of Childress.

M.F. Tillery

Services for M.F. "Frank" Tillery, 97, were held Wednesday at Coker Funeral Home in Jacksboro with Max Martin and Craig Lile officiating. Burial was in Memorial Gardens at Perrin.

He died Monday in Mineral Wells.

Mr. Tillery was born Sept. 4, 1899, in Dallas County, Texas. He was a farmer.

Survivors include two daughters, Ola "Pee Wee" Parker of Jacksboro and Lola Rowe of Iowa Park; two sons, P.R. Tillery Sr. of Perrin and H.L. "Hoot" Tillery of Poolville; 17 grandchildren; 28 great-grandchildren; and three great-great-grandchildren.

Pain may be eliminated for millions
(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new easy applicator liquid form. Arthur Itis, is guaranteed to work or your money back.

LIBRARY NEWS

INTERNET GUIDELINES

1) The Internet Access computer is normally available, subject to periodic maintenance during regular library hours. However, if you need to use the internet at a specific time, please call the library ahead for an appointment.

2) Use of the Internet Access computer is on a first-come, first served basis and will be limited to 30 minutes.

3) You may not send or receive E-mail using the Library's Internet Access computer.

4) The Internet Access computer is not to be used for purchasing or ordering merchandise or material of any kind.

5) Only software is to be used on the Internet Access computer. This will help prevent computer viruses that are common on public computers.

6) No files may be saved or downloaded.

7) We provide paper for printing for 10 cents per sheet.

8) You may not always be able to go to the places on the Internet you want to visit. There are many reasons for this, including:

There are too many Internet visitors and the host computer has closed or limited access from the "outside world."

The host computer has changed its address or has closed down.

The Library's Internet connection may be periodically and temporarily inoperable due to technical difficulties.

9) Children under the age of 14 must have parental permission to use the Internet. The Tom Burnett Memorial Library assumes no responsibility for the use of the Internet by children.

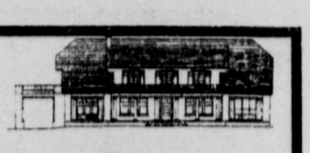

The library can neither censor access to material nor protect users offensive information. It is the responsibility of the user (or the parent, guardian or care giver) to decide what is appropriate.

10) Misuse of the computer or Internet Access will result in loss of computer privileges.

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

At various times some energetic person undertakes the writing of a history of a county, township, town or locality. Such historical efforts when supported by documentary proof become of great value in ancestry hunting, especially when they include detailed information on the residents.

The compiling and publication of a comprehensive history entails a great amount of time and expense. During the period from about 1880 to more recent times, the publication of county histories has been sponsored by printing houses and sold by subscription.

The majority of these publications, especially county histories, were limited editions and are now difficult to find in their original form.

Luckily many have been reprinted, as well as most have been copied to microfilm and microfiche. Some have made their way to CD-ROM form making it easy to search for information because of their computerized listings.

Having a CD-ROM in lieu of a printed copy makes it difficult to sit down and read these histories as most were 1,000 pages or more and sometimes comprised more than one volume.

In these histories, many local historical events which are now beyond the memory of present generations were recorded, most of which do not appear in state-wide publication. Military services and the part in national affairs performed by the local citizenry were usually included as well as the origin and development of the local community.

The county histories are of special value when they include the Indian occupation, military events, early settlers, assessment list, military rolls., professions, churches, schools, and genealogical or biographical sketches. One such locally produced document is the volume "Happy Birthday Iowa Park" written by the staff of the Iowa Park Leader and published by the Iowa Park Genealogical Society. Copies are available for review and research at the Tom Burnett Memorial Library.

-Fil Spangler

Building permits continue growing

Building permits were issued in February for one new residence and numerous other projects, amounting to $121,750.

Added to January's permit total, the first two months of the year have already produced $465,828, according to city hall.

Permits issued during February included:
Dozier Group, 8 Cherokee, new home, $85,000;
Dewayne Williams, 314 E. Lafayette, repair, $5,000;
Dewayne Williams, 104 W. Cash, porch, $5,000;
Dewayne Williams, 119 W. Cash, porch/windows, $3,000;
Dewayne Williams, 121 W. Cash, porch, $3,000;
Larry Britt, 402 W. Aldine, storage building, $1,500;
Girls Softball, 901 N. Bond, repair, $1,250;
Iowa Park High School, 1513 West Highway, sign, $15,000;
Pamela Belcher, 414 N. Yosemite, siding, $1,400;
James House, 1001 Park Plaza, storage building, $600, and,
Donnie Berend, 201 E. Garden, alteration, $1,000.

It's A Fact . . .

Residents of Iowa Park are eligible to purchase a dumping permit for $5, to get rid of trash, appliances and brush at no additional cost by delivering it to the city's convenience center, located south of the intersection of Smith and Johnson roads. The permit is good for 12 full months. Days and hours the center is open include: 12-6 p.m. Fridays; 9 a.m.-5 p.m. Saturdays; 1-5 p.m. Sundays, and 12-6 p.m. Mondays. The center is closed Tuesdays, Wednesdays and Thursdays.

FREE CONCERT THIS SATURDAY - The Star Canyon Band from San Angelo will be featured in a concert, starting at 7 p.m. Saturday at the Recreational Activities Club. Known as one of the best bluegrass bands in the state, the group regularly performs at festivals. The admission-free event is sponsored by the Red River Bluegrass Club. A snack bar will be available.

County Livestock Show begins today

Over 150 Iowa Park FFA and 4-H members will compete at the 28th annual Wichita County Junior Livestock Show today through Saturday at the Multi-Purpose Event Center in Wichita Falls.

George Martin, Iowa Park High School Agriculture instructor and FFA advisor, said the kids will represent over 300 entries in animal projects, crafts, photography, and horticulture.

Participants will have until 5 p.m. today to get their projects in place for judging. The three days of judging will culminate with a premium sale Saturday night, the highlight on an entire year's work for many.

"Everyone needs to come out and support these kids at the show and the sale," Martin said. "This is proof of the hard work they have put in all year long."

The show schedule is as follows:

Thursday, March 6

8 a.m. - Animals admitted to the show grounds.
5 p.m. - All animals in place
6 - 8:30 p.m. - Check in and weigh market steers, swine, goats and lambs. Check in breeding heifer, swine, sheep and goats.
7 p.m. - Judging of broilers, followed by judging of turkeys.

Friday, March 7

7 a.m. - Rabbits in place
8 a.m. - Rabbit juding in show ring
10 a.m. - Breeding sheep judging, followed by market sheep
4 p.m. - Breeding swine judging, followed by market swine

Saturday, March 8

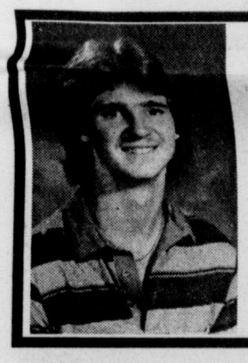

8 a.m. - Judging of beef heifers; followed by market steers; following by prospect steers; followed by meat goats; followed by breeding goats.
1 - 4 p.m. - All breeding animals to be removed from the barn.
1 p.m. - Judging of horse show in east arena.
6 p.m. - Wichita County Young Farmers Feed for all buyers.
7 p.m. - Premium sale.

Thinclads show strength in Saturday's Relays

Although the number of teams was down from last year's meet, this year's Iowa Park Lions Club Hawk Relays still had plenty of close races and exciting finishes.

The Hawks and Lady Hawks both finished second in their divisions with the Lady Hawks coming up one point short of Vernon for the team trophy. The Hawks also finished second to Vernon. The Iowa Park JV Boys won their division edging Aspermont varsity by 5 points. The JV Girls finished third in their division.

Highlights of the meet were two gold medal performances by Randi Tigrett and Shawn Fulfer. Tigrett won both the Long Jump, the Triple Jump, ran on the 400m Relay team that finished second, and ran on the 1600m Relay team that finished third.

Fulfer easily won the High Jump clearing 6-3 and just missing at 6-5. Fulfer also won the Long Jump and finished second in the Triple Jump.

Here are the results from all four divisions. Division I is Class A varsity girls and 2A and 3A JV teams. Division II is Class 2A and 3A girls. Division III is Class A boys and 2A and 3A JV teams. Division IV is Class 2A and 3A boys.

DIVISION I

Team standings - 1. Windthorst 225; 2. Knox City 116; 3. Iowa Park JV 75; 4. Vernon Northside 34; 5. Newcastle 31; 6. Aspermont 15.

Hawks on 4-game winning streak

TOMMY DUERSON STRETCHES FOR WIN IN 400

After a slow start to the '97 baseball season which saw Iowa Park drop it's first two games of the season, both to Hirschi, the Hawks rebounded and are now on a four-game winning streak after winning the Childress Tournament for the second consecutive year.

Iowa Park finished the week at 4-1 after Tuesday's 5-3 win over the Huskies at Hoskins Field in Wichita Falls.

Iowa Park, 4-2, avenged it's opening game loss to Hirschi on Tuesday by beating the Huskies with their ace, John Crowe, on the mound. Earlier this season Crowe one-hit the Hawks in a 3-0 Hirschi win.

Tuesday, Iowa Park got to Crowe and the Huskies in the second inning for 3 runs highlighted by Wayland Stewart's steal of home. Stewart finished the game 2x2. With Shaun Campbell at the plate and Stewart on third, head coach David Fuhrman gave Campbell the squeeze sign but Crowe's pitch was in the dirt and with Stewart on the move, he slid home just ahead of the tag for the game's first run. Campbell later walked and scored on a passed ball for a 2-0 lead. Iowa Park tacked on it's third run in the second on an RBI by Todd Yeager,

The Hawks got a nice pitching performance from starting pitcher Dusty Crawford, 2-0, Justin Terry, who came on and worked out of a bases-loaded jam, and Cody Russell, who came on to start the seventh to pick up his first save of the season.

Iowa Park scored single runs in the sixth on a sac fly by Campbell that drove home Kevin Braziel and in the seventh on another sac fly, this time from Chad Wright which knocked in Yeager.

"We did what we wanted to do and made them field the ball against us,"Fuhrman said. "Crowe is a tough pitcher and you don't get a lot of chances to score runs against him. We hit some balls hard and used our speed on the bases and just tried to put the ball in play and let them make the mistakes, and they did."

Iowa Park started the week on a losing note as they fell 8-7 to the Huskies in the opening game of the Childress Tournament.

Of Hirschi's 8 runs, six reached base on walks and one more on an error. Only one run that was scored came after a hit.

"Our pitchers didn't pitch well," Fuhrman said. "We made some errors and so did they. It was a real sloppy game overall."

That would be the last time that the Hawks would lose as they beat Canyon Randall 9-6 in the night cap Friday night. Iowa Park pounded out 11 hits led by Braziel's 3x3, Jonathan Clubb's 2x2 and Jake Dillard's 2x4 performances at the plate. Crawford picked up the win for the Hawks.

Iowa Park had to rally from a 7-1 deficit after just one inning on Saturday to defeat Memphis. Iowa Park, trailing 10-9 going into the seventh, rallied for 4 runs in the top of the seventh to pull out the 13-10 win. Clubb led his team at the plate going 4x4 with a pair of RBI's while Wright went 2x4, scored three runs and drove home another.

The four-run rally started with an infield single by Kelly Gentry and was followed by an error on the Memphis third baseman which allowed Justin Smith to reach base. Wright then singled home Gentry and was followed by a single by Braziel which scored Smith. Clubb then capped the rally with a single that scored both Wright and Braziel.

Heading into the final game of the tournament, Iowa Park had to beat Childress by 10 runs to win the tournament due to a tie-breaking rule.

That proved to be no problem as the Hawks, who trailed 3-2 after the second inning, collected 14 hits and scored 15 runs to down the Bobcats15-3 to bring home the first place trophy for the second year in a row.

Russell picked up the win for Iowa Park while Clubb, who finished 3x4, pounded out a home run and drove in 3 runs to lead his team. Also having good nights at the plate for Iowa Park were Stewart, 3x3, and Michael Swenson, who went 2x3, scored 3 runs and drove in 3 more.

"That was our best hitting game so far this season," Fuhrman added. "We knew going in that we had to win by 10 to win the tournament and we just stepped up and hit the ball really well. Cody did a good job on the mound for us and it was just a good game overall for us."

Iowa Park will be looking to continue it's hot streak today at 1 p.m. when the Hawks take on Wichita Falls High School in the opening round of the Wichita Falls Invitational Tournament being held at Hoskins Field.

The Hawks will also play Lawton High on Friday at 4 p.m. with Saturday's time to be determined after the results of the first two games.

More SPORTS on Page 11

Netters narrowly miss

Iowa Park netters just missed out on advancing to the State Team Tennis Tournament in Waco next weekend as they fell to Abilene Wylie and had to settle for third place.

Vernon grabbed the top spot while Wylie finnished in the runner-up position.

Iowa park opened with the Regional Meet that was held in Wichita Falls with an 18-1 win over Chillicothe, then pounded Perryton 16-3 to move on to the semi-finals.

There, Iowa Park fell 14-5 to Wylie, but rebounded to defeat Jim Ned 10-9 for third place.

In the finals, Vernon beat Wylie 12-7.

Regional powerlifting meet scheduled here tomorrow

With the State Powerlifting Meet in Houston just over two weeks away, head coach Steve Stewart already has his bags packed. He's just waiting to see how big of a bus it's going to take to get all his lifters down there.

As the Hawks and Lady Hawks get set to enter Friday's Regional meet that will get underway at 8:30 a.m. at the Iowa Park gym, coach Stewart knows that he will have at least seven lifters advancing to Houston and could have as many as 13 more qualify in the meet.

Already qualifying for the State Meet are Amanda Stevens, Jessica Shaw, Carmen Tidwell, Misty Beavers, Sabrina Lucky, Shannon Eaves and Melinda Bradshaw. These girls have already lifted a total that has qualified them for the State Meet.

Other Lady Hawks who have a good chance of qualifying are Jennifer Nicholson, Sage Hamilton, Daniel Clynch, Christy Goin, Lacy Slack, Jessica Love and Stacy Roby.

For the Hawks, Jeremy Tatom is currently sitting in third going into the meet in the 123-lb. division, Cody Russell is fifth in the 148's, Brandon McLemore is fourth in the 181's, Calvin Galliton is fourth in the 198's, Richard McCann is third in the 242's, Simeon Hendrix is sixth in the 275's and Galen Pickens is eighth in the Super Heavy Weight division.

In all there will be some 30 schools with lifters at the Regional Meet with the first lift getting started at 8:30. The squat and bench press will be held before lunch and the dead lift will follow after.

There will be 113 lifters in the boys' division and 72 in the girls'. Iowa Park will have 7 boys and 19 girls trying to make it to Houston.

Admission will be $2 for adults and $1 for students at the door.

Lady Hawks win four

The Lady Hawks softball team capped off a perfect 4-0 week Tuesday afternoon after an extra-inning 9-8 win over Archer City.

The win lifts Iowa Park's record to 6-2 overall.

Iowa Park started the week with a 10-5 win over Petrolia as the Lady Hawks rallied from behind to pick up the victory.

Trailing 2-1 after three innings, Iowa park settled down and put up two runs in the bottom of the fourth to take a 3-2 lead. Petrolia tied the game at 3-3 in it's half of the fifth but from that point on it was all Iowa Park as the Lady Hawks put up 4 runs in the fifth, and three more in the bottom of the sixth to take the victory.

Vanessa Hebel picked up her first win of the season, striking out three and walking three. Leading hitters for Iowa Park included Lori Wiggins, who went 3x4, and Cami Fisher, who finished 2x3.

The Lady Hawks played a pair of games on Saturday, winning both easily as they run-ruled Wichita Falls High School 16-6 in four innings, and beat up on Petrolia again, this time 10-2.

Iowa Park pounded out 13 hits against the Lady Coyotes highlighted by Fischer's grand-slam homer in the second inning. The Lady Hawks put a seven spot on the board in the second and never looked back as they added three more runs in the third and six more in the fourth.

Melissa Threet picked up the win to move to 1-1 for the season while Wiggins (3x4), Fischer (2x4), and Merrick (2x3) led the way at the plate. Hebel also picked up 3 RBI's in the win.

Threet and the Lady Hawks picked up where they left off after the Old High game as she posted her second win of the day as Iowa Park beat the Lady Pirates 10-2.

Jennifer Nicholson and Kim Scobee led Iowa Park at the plate as Nicholson finished 3x4 and Scobee 2x4.

Iowa Park, playing without five starters on Tuesday, had to come up with 3 big runs in the bottom of the seventh to force extra innings against Archer City, then came up with the game-winner in the bottom of the eighth to finish it's perfect week.

Hebel picked up the win for Iowa Park on the mound while Fischer was a perfect 4x4 at the plate. Scobee added a double and Beavers and Beason each legged out triples for the Lady Hawks.

"I thought Katy Williamson and Vanessa Hebel both played great today," said head coach Larry Beard. "This was a game we should have won easily, but we were playing without five starters. But I was real proud of the way our girls didn't give up. They got it together and did what they had to do to get the job done."

The Lady Hawks will be looking to extend their winning steak on Friday when they travel to Decatur to take on the Lady Eagles at 6 p.m.

JV, Frosh see action

The Iowa Park JV and Freshman teams split a pair of games this week with the JV Hawks thumping Holliday 16-4 on Monday and the Freshman Hawks losing a tough one, 9-7, to the Hirschi JV team on Tuesday.

In the JV game on Monday, Iowa Park took control in the second inning when the Hawks put up a seven spot on the board. Justin Denton and Kelly Gentry each doubled in the inning to provide the spark. Jason Scroggins also had a good game at the plate for Iowa Park. Gentry was credited with the win and is now 1-0 for the season.

"I thought our kids executed real well," said head coach Larry Zachary. "We ran the bases well and we got good pitching from both of our pitchers. We only gave up three walks and I'll take that every day. Ryan Singleton came in and combined with Gentry to limit them to only one hit."

Things didn't go as well in the freshman game as walks and mental mistakes hurt the Hawks against Hirschi. The Huskies shut down the Iowa Park offense after the fourth inning, after the Hawks had scored three runs in the first, two in the second and two more in the fourth.

Leading hitters for the Hawks included Tyler Pulley, 2x3, Kevin Park, Dusty Dean and Dustin Shierry, who all went 2x4, and Randy York who went 1x1.

Grades earn recognition

The Lady Hawks showed that they have a lot more than basketball talent as several of the girls were named to the Academic All District Team for District 5-3A.

Three seniors made the list, including Randi Tigrett, Alora Foster and Kim Scobee.

There were also six juniors who were named to the team, including Sharla Hughes, Sarah Shook, LeAnn Jordan, Sara McCarty, Kim Overman and Wendy Bridwell.

Hawks earn A-D honors

The Iowa Park Hawks made their presence known in the Class 3A basketball playoffs this year with a Bi-District win over Bridgeport, then narrowly losing in overtime to Glen Rose.

The other teams and coaches in District 5-3A also realized the talent that the Hawks had and showed that when they handed out the All-District awards last week.

The Defensive Player of the Year Award went to Jake Dillard, a senior guard, while Levi Scholl, a 6-4 post player for the Hawks, shared the Offensive Player of the Year Award with Edward Hall from Vernon.

Other special awards went out to Cory Whitaker from Bowie, who was named as the Most Valuable Player, and Matt Madison from Chilress, who was named as the Sophomore of the Year. Coach of the Year went to Bowie's Mike Shirley in his first year as head coach of the Rabbits.

Both Nick Black and Shaun Campbell were unanamious choices to the First Team and Todd Yeager was named as Honorable Mention.

Here is the complete All-District Team:

First Team

Nick Black	Sr.	Iowa Park
Lee McKinley	Sr.	Bowie
David Hardison	Sr.	Bowie
Shaun Campbell	Sr.	Iowa Park
Jeremy McCann	Sr.	Jacksboro

Second Team

J.J. Pierce	Jr.	Henrietta
Clay Bachman	Sr.	Henrietta
Michael Bell	Sr.	Bowie
Jody Brannon	Jr.	Vernon
Thor Thornhill	Sr.	Bowie

News from the Halls of the Hawks

No school tomorrow, followed by no school all next week!

There will be no school tomorrow, a designated school holiday.

Iowa Park's Spring Break has been set for next week, so students won't return to school until March 17.

Junior High

G/T students visit sites in Wichita Falls

by Charles Cray

As Sixth, Seventh, and Eighth grade G/T students sped out of IPJHS at 8:00 February 4, we headed to Wichita Falls to have a fun-filled day. We planned to visit the Police Station, Fire and Police Museum, KFDX-3, and Lone Star 103.3. We arrived at the Police Station and got a 1 1/2 hour tour. We learned about procedures of the day, reports, and fingerprinting criminals. We learned what everyone did and even met Judge Juanita Pavlick.

After that, we headed to the Fire and Police museum. We got to see two firetrucks and a model T that was shared by the policemen and firemen. We also saw old pictures of past firemen who lost their lives in the line of duty. We saw the hat of a policeman who was shot five times and still lived! After that, we went upstairs where several firemen taught us how to put on a firesuit and use an oxygen tank. The firemen then decided to let us see their new firetruck.

Moments later, we were standing in front of the KFDX-3 news station. We were led in to see where the news was made. We got to see a live broadcast of the 12:00 news. We also met Skip McBride and Sheryl Lewis and got to see where Joe Brown sits to do his morning broadcast.

About ten minutes later, we were *beirg served lunch at Hardee's. After lunch*, we got to go to Lone Star 103.3. We got to record our voices on a computer for a promo. Steve Bailey greeted us, and some kids spoke on the air. After the day was over, we headed home for rest.

Bradford

Lost in Space

Visitors may feel lost in space when they visit Bradford's fourth grade hall.

Fourth grade science projects are on display, and happen to be on the solar system.

Pickin', Grinnin', havin' fun

Fifth graders will be entertained this afternoon by Bruce Canafax, guitarist.

Canafax will perform for the students and answer questions.

Kidwell

PTA meeting March 25

Kidwell PTA will have a regular meeting at 7 p.m. March 25, at Kidwell cafeteria.

An incentive of $25 to be used for a class party is again being offered for the class that has the most parents at the meeting.

Nominations for the next year's officers will be presented in general meeting, with nominations to be taken from the floor.

Also, Vereda Koch of Nortex 9-1-1 will give a short presentation.

Fun 'N Fitness coming

Kidwell PTA's annual fundraiser, Fun 'N Fitness, has been officially slated for May 8.

Students will collect pledges to earn prizes on a scale.

Students raising $15 will earn a Fun 'N Fitness T-Shirt; $40 - t-shirt and basketball; $80 - t-shirt, basketball and $20 in Toys R Us Giraffe Dollars; and $120 - t-shirt, basketball, Giraffe Dollars and a Hawk sports bag with the student's name monogrammed on it.

Envelopes to collect pledges for the Kidwell PTA fund-raiser went home with students this week.

Parents will also be able to purchase Fun 'N Fitness T-shirts to wear on Fun 'N Fitness day.

In the past Kidwell PTA has used fundraising money to purchase such items as playground equipment, computers, Saxon Math boards, electric pencil sharpeners and other needed items.

All donations to the fund-raiser are tax-deductible.

Helpful Hints

The running or roaming at large of any dog, cat or other animal within the city has been declared a nuisance and positively prohibited, and it has been made unlawful and deemed a Class C misdemeanor for the owner or keeper of any dog, cat or other animal to allow the same to run or roam at large within the city.

Can You Buy A New $1,500 Furnace for 478.00?

Dear Friend,

Yes, It's absolutely true, you can actually replace your old (and probably very inefficient) furnace and air conditioner as a package for at least $1,500 LESS than you would have to pay at any other time.

Let me explain,

Every year the months of January and February "kill" my business. I lost a ton of money during these "killer" months and it takes me the remaining ten months each year to make up of them. An I'm looking for the same thing to happen this year.

My Problem is Your Opportunity

I've decided to give up trying to make a profit during the "killer" months. If I can only minimize my losses during January and February I will come out ahead the other ten months.

Here's how this (admittingly daring) offer cam about.

Every year the big manufacturers of air conditioners have to guess how many to build to meet the demand. Of course they're never exactly right. So, they always have some inventory they must hold over until the next summer season. I went to one of these companies and contracted for the purchase of 45 deluxe air conditioners and furnaces in the four most popular sizes used in Wichita Falls. And, because of the quantity and time of year, I was able to buy them at drastically reduced, below wholesale out-of-season prices.

They are brand new models. And they are NOT seconds or "blems" or standard "builder" models. They are factory fresh air conditioners and heat pumps and furnaces and have a full factory warranty.

Here's How You Can Get A Furnace For "Zip"

By putting this furnace and air conditioner package together (then "Jaw Boning" the factory) and committing to do a do-or-die purchase agreement of 45 systems, I was able to buy both the furnace and the air conditioner for less than I thought possible!

So, if you buy one of these 45 new deluxe air conditioners (but only if one of the four sizes I have will fit your house, of course) I am virtually giving you the furnace as a bonus. All I ask for is the $478 in labor costs to have your furnace installed.

Here's How

Just call Ricky at 696-0997 anytime. I will have a sales advisor come out and measure your home (and determine the availability of the proper size). Don't forget, I only have 45 matched systems in four sizes. When they are gone this remarkable offer ends, also.

He will show you the real world price on the air conditioner that fits your home. Then he will show you the substantial savings now, and it will include all labor and installation materials. Nothing is left out.

The Concept Is Simple Really

By letting you win big now, I will win at the end of the year.

I'm betting that if I make you an offer that is "irresistible." (at least it should be if your furnace or air conditioner is over eight years old) and I barely mark it up above the below-wholesale price I paid, I will accomplish two things:

1. It will cover my rent, utilities, insurance and taxes in the "killer" months.
2. I can pay my professional staff of 4 technicians to work instead of paying them to sit home. If I accomplish these two objectives I will minimize my losses and the rest of the year can be a winner.

No Obligation

Even after he completely explains the installation there is absolutely no obligation. If you decide you don't want to take advantage of the spectacular savings -- that's ok. I will give you a surprise gift worth $50 because you are kind enough to read this letter and give me the chance to solve my problem. I want you to think well of Claire and Sanders Services.

You Can Buy With No Cash

You don't even have to pay me right away. I have set up a terrific financing. I have even decided not to mark up the interest rate like most companies do. Consider this, if you decide to make monthly investments instead of paying cash, the entire amount of you payments can be more than offset by the savings on your utility bills. It's like "having your cake and eating it too."

Ironclad Guarantee

I'm so confident that you will save at least 25% on your cooling and heating bills (I'm projecting more like 30 5 to 50%) that I will pay you Double The Difference for two years if you don't. And he'll show you how this is figured.

There is no way you can lose. Your lower utility bills will probably make your payment. And I will even double your savings is you save less than 25%.

If these deluxe systems were not among the best on the market I couldn't afford to make such a promise.

Why This Offer Can't Last

You must act before March 15th. Here are two reasons why.

1. I only have 45 systems. When all of the air conditioners and heat pumps are sold and all the free furnaces are given away in a particular size. That's it. There are not more at this price.
2. If I have any of these 45 system left on March 15th (although I double that I will) this offer still ends.

Here's Why

The only reason I am making this No-Profit (for me) offer is because of the "killer" months. My business always starts improving in April and since I got the furnaces "dirt cheap," I can sell them at 1997 prices next November and December and still come out ahead.

Give Ricky a call now at 696-0997 and I will set you an appointment for your no obligation survey.

Thank you for reading this rather long letter. I hope you will profit greatly because of it.

Warmly,
Tim Claire
President

P.S. Six months from now, this will probably be the most appreciated opportunity every extended to homeowners in Wichita Falls. Everyone of the 45 proud owners will have an almost unfair advantage over the utility companies.

P.P.S. Don't forget if your air conditioner is over eight years old a rewarding $50 surprise gift awaits you. And there is no obligation.
