RECORD SESSION SEEN FOR TECH

ORIENTATION OF FRESHMEN IS ON TODAY

MORE THAN 1,000 NEW STUDENTS REGISTER FOR ENROLLMENT

With the campus again the scene of activity as first year students gather for their orientation program, a record enrollment looms for the coming session of Texas Technological college today. Hundreds of freshmen students are here, many of whom are not included in the 1,000 new students who have already sent in records for enrollment.

The list of 1,000 includes freshmen and those transferred from other colleges.

Record Enrollment Seen
Indications now point to a record-breaking enrollment. Registration for the fall term of the college will start next Monday and continue through Tuesday.

Monday will be given over to the registration of freshmen while Tuesday former students and transfers from other colleges will be given attention. To avoid delay, students are to report each day in alphabetical order according to the first letter of their family name as follows: W. X. Y. Z. 8 to 9 o'clock; S. T. U. 9 to 10 o'clock; P. Q. R. 10 to 11 o'clock; M. N.

MILK AND ICE REPORT GIVEN

TOTAL OF \$352.50 IS DONATED DURING SUMMER HERE

A total of \$352.50 has been contributed to the Avalanche-Journal and Federated aid societies milk and ice fund campaign during the summer months, Mrs. Mary Hinton, treasurer, announced today.

Ten hundred persons have been benefited by the fund, she announced.

List of donors follows:
Dr. W. E. Craven, \$15; Dr. R. J. Hall, \$10; G. P. Kuykendall, \$5; J. B. Rhodes, \$1; W. H. Wilson, \$1; A. Sansom, \$1; H. B. Griffith, \$1; F. M. Bowen, \$1; J. W. Lynch, \$1; C. H. Grollman, \$1; Mrs. W. P. Jennings, \$1; Charles F. O'Neill, \$1; Avalanche-Journal, \$15; Child Study Club, \$15.00; Dr. Morris Bible Class, \$1; Mrs. L. H. Williams, \$1; Mrs. Clarence Mast, \$2; D. P. Cox, \$1; J. H. Moore's class of the First Methodist church, \$3; Men's class of the First Christian church, \$3.15.

BUILDING TOTAL EXCEEDS \$100,000

Lubbock's building valuations for September were boosted to \$104,708 this morning with the issuance of three permits aggregating \$14,000. A total of 29 permits has been issued this month.

Valuations for the year total \$2,942,119, for 499 permits.
Permits issued today: \$4,000 residence for L. J. Free on 28th street; \$4,500 for residence for J. D. Hughes on Dixie Drive, R. Miller, contractor; \$5,500 for residence on 17th street for George R. Smith, owner; A. M. Hensley, contractor.

SPINDLE HOURS INCREASE
WASHINGTON, Sept. 20 (AP)—The census bureau announced today that active cotton spindle hours for August totaled 8,129,928,914, compared with 7,444,249,969 for July.

HEY! HEY! IT'S COLLEGE TIME

Contrasting the somber colors of age, with all their collegiate traditions are making their annual appearance in Lubbock as another school year approaches. Shirt tails found the breeze last night as the first demonstration of arriving students was staged in downtown Lubbock. New students were given their first view of what life in Tech will mean in the way of "pep." Greetings are in order. Scores of students returning for second, third and fourth years hailed each other and there was much chatter and laughter.

Freshmen are being "spotted" early and are receiving the pre-registration initiation.

U. S. BORDER AGENTS FIGHT RUM RUNNERS

MORE THAN 300 ROUNDS OF AMMUNITION USED IN BATTLE

EL PASO, Sept. 20.—More than 300 rounds of ammunition were fired by United States border patrolmen last night in two pitched battles with a band of Mexican rum runners, according to a report from the U. S. Customs office here.

Both battles took place on Cordova Island near here. Three Mexicans, two of them 15-year-old "spotters," were arrested, and two of the smugglers, apparently wounded, were seen crawling into the brush on the Mexican side.

The smuggling band numbered more than 30 men. They returned the fire of the border patrolmen briskly, but none of the officers were wounded. More than 40 gallons of liquor were confiscated.

Prison Group Will Gather In Temple

AUSTIN, Sept. 20 (AP)—The prison centralization commission will resume its work to consider relocation and reorganization of the penitentiary system at a meeting in Temple tomorrow.

Temple is the home of Dr. A. C. Scott, member of the commission, and his invitation to meet there was accepted at a session in Austin following the commission's return from a tour of eastern and central states for the purpose of inspecting model prisons.

Reconstruction Of Crime Carried Out

MEXICO CITY, Sept. 20 (AP)—Reconstruction of the crime, a formally in Mexican criminal procedure, has been carried out in the case of Maria Teresa De Landa De Vidal, and the case now is ready for trial.

The woman, who participated in the 1928 Galveston, Texas, beauty contest as Miss Mexico, has confessed the slaying, declaring she shot Vidal to death when he tried to prevent her from committing suicide.

LITTLEFIELD GETS NEW BANKING CONCERN
LITTLEFIELD, Sept. 20 (Special)—C. B. Sullivan, of Austin, was in LITTLEFIELD, Sept. 20 (Special) the opening of the First State Bank of Littlefield. M. C. Parrish of Austin will be president of the new organization with Mr. Sullivan, vice-president. They hope to open their doors within the next thirty days. It will be the second bank here.

DENTISTS IN MEETING
BRECKENRIDGE, Sept. 20 (AP)—Several score visitors were here today for the annual two-day gathering of the West Texas Dental society.

SHIPBUILDING HEAD REVEALS SHEARER CASE

C. L. BARDO DECLARES MAN PARTICIPATED AS OBSERVER

(By Associated Press)
WASHINGTON, Sept. 20.—A senate investigating committee was told today by Clinton L. Bardo, president of the New York Shipbuilding Corporation, that three American shipbuilding concerns entered into a verbal agreement to send William B. Shearer, naval propagandist, to the 1927 Geneva naval limitations conference as an "observer."

Bardo, the first witness, said an agreement was entered into in New York in March, 1927.

Got Information
It provided, he added, that Shearer was to go to Geneva as "an observer and report proceedings and the trend of events and give such information as was not in the newspapers which would be of interest to the shipbuilding companies."

Bardo represented his company at the New York conference. He said he was invited to attend by a Mr. Hunter, counsel of the American shipbuilders. Others at the conference, he continued, were P. F. Felt, vice president of the Newport News Shipbuilding corporation; S. W. Wakeman, vice president.

(Turn to Page 5, Column 4, Please)

MESSENGER DISAPPEARS

SECURITIES VALUED AT \$512,000, TAKEN BY BROKER'S AGENT

(By Associated Press)
NEW YORK, Sept. 20.—R. V. Hiscoe and company, brokers at 111 Broadway, notified police today one of their messengers had disappeared with securities valued at \$512,000.

Police said the messenger, Milton Alter, was sent to the bank with a check for \$400,000 to get the securities. He was to wait for other clerks to escort him back to the office.

When his escort arrived, Alter already had obtained the securities, police said, and disappeared. He still was missing two hours later.

Chief Lemond Warns Traffic Violators

Chief of Police John Lemmond issued a warning this morning against lack of observance of traffic regulations.

"I want it understood by every driver that a red light means 'stop,'" said Chief Lemmond. "It does not mean a signal to slow down and change gears. There have been several minor accidents lately, due to persons not observing traffic signs. We are arresting violators of traffic laws daily, and we are becoming more stringent in our campaign against such violations."

SOUTH PLAINS STOCK IN GOOD CONDITION
Conditions of South Plains stock is gratifyingly good, from standpoint of general health, said Dr. N. F. Williams, Fort Worth, of the livestock sanitary commission, last night following an inspection in Lubbock vicinity yesterday.

"Cattle in this territory are free of infectious diseases," he said. Dr. Williams was accompanied here by Dr. D. L. Darby, veterinary inspector in charge of Texas division of the United States department of agriculture, and J. B. Rasmussen, Fort Worth, member of the livestock sanitary commission.

KRAKATOA AGAIN IN ERUPTION

BATAVIA, Java, Sept. 20 (AP)—Krakatoa, island volcano in Sunda Strait, between the islands of Java and Sumatra, is again active. Earthquakes shook the island yesterday and eruptions followed, flames and smoke rising 500 feet from the crater.

Krakatoa has been mildly active in recent years, but it is noted for the eruption of 1883, one of the most stupendous ever recorded. It was estimated stones and ashes shot into the air to a height of 17 miles. The sky was darkened at Batavia, 100 miles away, and volcanic dust was carried over a large part of the world's surface. Actual sound of the volcanic explosions were heard nearly 3,000 miles away, and sea waves created by the eruptions traveled to the far corners of the globe. More than 36,000 persons perished in the disaster.

FAIR CARAVAN VISITS EIGHT TOWNS TODAY

WELCOME IS EXTENDED LUBBOCK PARTY AT ALL POINTS

(Special To The Journal)
TAHOCA, Sept. 20.—South Plains hospitality dominated the spirited band of 100 Lubbock good will emissaries and fair boosters who lunched here today at noon and departed at 1:15 o'clock for O'Donnell, Lamesa and Wilson.

The most jubilant group perhaps that has ever composed a trade trip party on the South Plains, the Lubbock evangelists related here accounts of hospitable receptions during the morning itinerary.

Given Welcome
Following an enlightening concert by the Lubbock high school band, under direction of H. A. Anderson, the boosters were welcomed to Tahoka by Judge C. H. Cain and Taylor White, Prof. J. O. Ellsworth of Texas Technological college, responded to the addresses, and the visitors united with local citizens during lunch.

Lubbock's caravan of 23 automobiles (Turn to Page 4, Column 3, Please)

Eight Persons Hurt In Philippine Riot

MANILA, Sept. 20 (AP)—Eight persons, including two Americans and one Filipino customs inspector and five Chinese, were injured in a riot that began here today when members of the Chinese crew of the British steamer Tascalsua tried to fight their way ashore.

Swarming over the side of the vessel, the Chinese attacked the customs inspectors with knives and clubs. The riot was quelled when two companies of military police and civilian police reserves were called into action.

FOSHEE MURDER TRIAL ATTRACTS MANY WOMEN AS DETAILS OF SLAYING'S CAUSE ARE TOLD ON STAND BY YOUNG WIFE

(By Staff Correspondent)
LEVELLAND, Sept. 20.—Although there are no women sitting in the Foshee jury, the crowded courtroom of the Hockley county court house has been filled, at least half, with women spectators.

Color has thus been added to this intensely interesting trial, the first murder trial in the county's history. Day-time colors mostly being calico, with some silk, are seen, while at night the calico is less, silk more, but women number as many, and as attentive.

DEFENDANT IS HEARD IN OWN BEHALF TODAY

FOSHEE'S FATHER AND MOTHER ALSO TAKE STAND IN TRIAL

(Special To The Journal)
LEVELLAND, Sept. 20.—Argument started early this afternoon in the trial of B. A. Foshee, charged with murder in connection with the fatal shooting, Sept. 7, of Elmer Wright, following testimony this morning of the defendant, his mother and father, Dr. A. M. Chambers, Constable A. F. Odell, and A. S. Bitner.

Foshee corroborated in part, the testimony given Thursday afternoon by his wife in relating information that she had given him prior to the shooting.

Slightly nervous, head drooped at times, and glancing furtively at the scrutinizing and curious crowd, Foshee broke a calmness he had maintained during the first two days of the trial. He testified that he had leased the 32 calibre revolver on the day of the shooting because he had been disturbed by night prowlers, and asserted that he had no intentions to kill young Wright.

Had A "Proposition"
"I went to the Kitchen farm, one mile from my own home, to make

(Turn to Page 4, Column 3, Please)

FITTS JOINS MURDER TRIAL

STATE'S CASE IS AGAIN OPENED IN PANTAGES WOMAN'S TRIAL

(By Associated Press)
LOS ANGELES, Sept. 20.—Efforts of the prosecution to prove Mrs. Louis Pantages, wife of Alexander Pantages, a vaudeville impresario, was intoxicated when her automobile collided with a car driven by Juro Rokumoto, last June, and the death of the Japanese a few days later was a direct result of the accident, approached a climax today.

Mrs. Pantages is on trial in superior court on charges of second degree murder. District Attorney Buron Fitts threw defense plans into apparent confusion yesterday by personally entering the case and winning, after a dramatic appeal to the court, permission to reopen the state's case. Fitts asked and was granted an opportunity to propound to physicians testifying for the state a 1,500 word hypothetical question asked defense physicians by Max Steurer, chief defense counsel.

The defense physicians testified Rokumoto died under an anesthetic administered during an operation subsequent to the accident and that his injuries did not contribute to his death.

After the Foshee family had moved to Hockley county. After that he began making advances toward her and she admitted, giving details of intimate relations with Wright. Two of these times were in the Foshee home, while her husband was away, and one in the home of Wright's sister, Mrs. Kitchens, while Mrs. Foshee was sleeping in a bed with her two year old daughter and the ten year old son of the Kitchens.

Gives Details Gently
As she drew back the curtains of her soul in relating the story, Mrs. Foshee kept her eyes downcast.

(Turn to Page 5 Column 2, Please)

TEACHERS NOT ABOVE LAW

CHICAGO, Sept. 20 (AP)—A school teacher is not above the law, but Miss Victoria Vascha, who is one, thought she was. She ran past a red light. Officer Joseph Finn halted her. She poked her head out, showed, "You can't arrest me, I'm a school teacher," and stepped on the gas.

The policeman pursued. He leaped to the running board of Miss Vascha's machine and forced her to stop. The school teacher gazed at his uniform, his police star, the holstered pistol and began screaming for police.

Finn explained he was an officer. That was why he wore the uniform. He rubbed a sleeve over his star, polishing it. He threw out his chest. Miss Vascha continued to call for police. About that time a patrol wagon on load of policemen arrived. They got out and she got in. She was still convinced school teachers ought not to be arrested, even after being looked up for, disregarding a stop light, resisting arrest and disorderly conduct.

ROGERS JURY IS UNABLE TO VOTE VERDICT

DELIBERATIONS OF 12 MEN IS CONTINUED FOR DECISION

(By Associated Press)
NEW BRAUNFELS, Sept. 20.—Twelve men trying Mrs. Rebecca Bradley Rogers for robbing the Farmers National bank at Buda, in 1926, resumed deliberations at 7

NEW BRAUNFELS, Sept. 20.—The first indication as to how the jury in the Rebecca Bradley Rogers case stood looked out today in a report that the last ballot showed a vote of 9 to 3, but did not indicate whether the state or the defense held the advantage.

a. m. today. The jury had been locked up late last night when its foreman reported there seems no possibility of an agreement.

In the event of a hung jury, Fred L. Blundell, district attorney, this morning said he believed Mrs. Rogers should be confined to an institution for treatment "in justice to her and to the public."

Nobles Of Mystic Shrine To Gather

DETROIT, Sept. 20 (AP)—Nobles of the mystic shrine of North America will hold their fifty-sixth annual convention at Toronto, Ont., next June. It was announced here today.

Waggoner Waives Removal To Gotham

CHEYENNE, Wyo., Sept. 20 (AP)—C. D. Waggoner, Teleside, Colo. banker, today signed a waiver of a hearing on removal to New York to face charges of defrauding six New York banks of a half a million dollars.

Waggoner signed the waiver on advice of his attorney, E. D. Crump, of Denver. This will eliminate necessity of a hearing in Cheyenne, and Waggoner can start for New York soon.

DEATH STALKS IN DETROIT CAFE EARLY TODAY; EXITS CUT OFF, TRAPPING SCORES

(By Associated Press)
DETROIT, Sept. 20.—Sixteen persons lost their lives and more than 50 others were in hospitals with injuries suffered in a fire which gutted the Study Club, night club on the edge of the downtown theatre district, early today.

HORRORS OF FLAMES TOLD BY RESCUED

Patrolman James McGuire, who discovered the blaze, ran to a fire box, and returned to find the flames and smoke roaring up the staircase. Before patrons and employees were aware of their danger the fire was upon them. A cigarette girl was suffocated by the hot fumes as she stood in the center of the dance floor and dropped down over her tray. Her body was found by firemen.

VICTIMS MAKE EFFORTS TO ESCAPE AS FIRE BURNS CABARET

(By Associated Press)
DETROIT, Sept. 20.—Beatrice Heath, clerk in the check room of the Study Club, which burned here today said she saw the flames leap down the stairway, licking the decorations. She said she heard screams and the pounding of feet in the dining room. She made her escape through the main door with several men behind her.

The few men and women who got down the stairway before the flames cut off that means of escape became panic stricken at the doorway and fought and milled there for several minutes before police literally hurled them into the street.

Tells Of Sealing Flames
George Buckingham, of Flint, Mich., who with a party of five friends came to the cabaret about midnight, told of hearing the cry of fire and seeing the flames at the stairway blocking the way to the street and safety.

Al Handler, leader of the orchestra, was one of the first to reach the only open window. He helped several women through the opening, holding them by the hands and dropping them to the alley. Then a sudden rush of men carried him through, and he fell to the pavement below.

Louis Kanta, sandwich boy, from his bed in receiving hospital, gave a clear account of what occurred as the panic broke.

Death Comes To Aged Couple In Michigan

JACKSON, Mich., Sept. 20 (AP)—Mrs. Edith Green, 52, was found slain in the kitchen of her farm home south of Parma today. A barn in the rear of the house was in flames. In debris of the barn firemen found the charred body of a man thought to be Harold Green, 53, her husband. The body found in the barn had a burned portion of rope about the neck, and officers said they believed the man had set fire to the barn and then hanged himself. Relatives said the Greens had quarreled recently over division of work on the farm.

MacDonald May Be Heard Over Radio

WASHINGTON, Sept. 20 (AP)—American radio fans may have an opportunity to hear the voice of Ramsay MacDonald, the British premier, during his visit to Washington next month to carry forward the naval limitation conversations with President Hoover.

The suggestion that MacDonald deliver a radio address while in Washington has been submitted to him along with a tentative arrangement schedule embodying several alternative plans.

Thirty Persons Are Drowned In Storm
MEXICO CITY, Sept. 20 (AP)—A special dispatch to La Prensa from Guadalajara today said 30 persons had been drowned near Puerto Vallarta, state of Jalisco, when a motor boat capsized in a severe storm.

Hudspeth To Call Dances At Angelo
SAN ANGELO, Sept. 20 (AP)—Congressman Claude Hudspeth will dispense with the dignity of the toga long enough tonight to call the square dances at the West Texas exposition as they should be called.

Attendance at the exposition yesterday was approximately 15,000, a record, and this mark was expected to be approached today.

HOLMES CASE STILL PUZZLES

ELIMINATION PROCESS NOW APPEARS ONLY SOLUTION MEANS

(By Associated Press)
BOROER, Sept. 20.—The hunt for the slayer of District Attorney John A. Holmes appeared to have settled into a process of elimination today, and local officers feared the ambitious prosecutor's relentless habits of life would serve to hamper them in seeking to avenge his death.

Holmes' policy of keeping to himself his intentions, his hopes and his evidence, they felt, had been partly responsible for the paucity of clues.

Two Of Six Escaped Convicts Are Jailed

RICHMOND, Sept. 20 (AP)—Two of the six convicts who escaped Wednesday night from the Kansas state prison farm were in jail here today after being captured yesterday by August Sieler, farmer living near Needville, 16 miles south of here. They were W. H. Hendrickson and Earl Faulkner.

Plainview Scout Man Will Judge In Fair

E. L. Roberts, of Plainview, executive of the Central Plains area, Boy Scouts of America, will judge troop and individual exhibits of the South Plains area council at the Panhandle-South Plains fair here September 30 to October 5, inclusive.

There will be 12 troop exhibits and several individual patrol exhibits at the fair, it was announced. Mr. Roberts will be assisted by two other scout officials, not yet chosen.

HOOVER FACES NAMING BOARD

PRESIDENT MUST PICK DEMOCRAT ON NAVAL DELEGATION

BY JAMES L. WEST
Associated Press Staff Writer
WASHINGTON, Sept. 20 (AP)—

Selection of an outstanding democrat as a member of the American delegation to the proposed January naval limitation conference is one of the tasks President Hoover will have in preparing for American participation in the five-power party.

In all international conferences of such importance the administration has accorded the minority party in this country representation among the American delegates. This is particularly important in the present situation because the President will have to rely upon democratic support to obtain senate ratification of any treaty that may grow out of the meeting.

Congress to Be Meeting
At the time of the London conference, the seventy-first congress will be in the midst of its first regular session. Since the 1920 meeting is expected to consume six weeks, there was doubt whether the present democratic leader of the senate, Robinson of Arkansas, or any of the other ranking democratic senators would feel they could absent themselves from the senate for so long a period.

Should that prove to be the case, Mr. Hoover would have to look else-

where for the democratic member. John W. Davis, Ambassador to Great Britain, under Woodrow Wilson and democratic presidential candidate in 1924, is one of those whose name has been brought into the unofficial discussions.

Stimson to Head Group
Secretary Stimson still is regarded as the most likely choice of the president as head of the American delegation, despite some suggestions that Charles Evans Hughes, who was chairman of the American delegation at the 1921 conference, and who is a close personal friend of President Hoover, might be selected.

SPUR BANKER IS ON STATE GROUP

(Special To The Journal)
SPUR, Sept. 20.—The people of the Spur country are gratified to learn of the appointment of W. B. Lee, vice-president of the Spur National bank as one of the seven committee members selected by Governor Moody, relative to the Farm aid plan outlined at Houston.

W. B. Lee is to be credited with much of the development of the Spur country in that through his personal interest he has taken in assisting the farmers in the Spur trade territory not only in a financial way, but Mr. Lee has taken much of his time in studying the problems that are of material interest to all phases of agricultural development.

Mr. Lee is active in his community, being president of the Spur Chamber of Commerce, is a member of the local school board, and is president of the Cap Rock Bankers' Association.

Lamesa Ministerial Band Names Officers

LAMEA, Sept. 20 (Special).—The Lamesa Ministerial Association has elected officers for the following year. The Rev. W. P. Garvin, was chosen by the ministers as president. Rev. Garvin is pastor of the First Methodist church here. The Rev. J. S. Stockard, pastor of the First Christian church was elected as Secretary. The association meets twice each month, on the first and third Tuesday, at ten o'clock. The work of the association is to unite in all moral and religious issues for the good of Lamesa so states the officials of the organization.

Music Is Featured In Snyder Schools

SNYDER, Sept. 20 (Special).—Snyder public schools for the first time in their history are offering public school music free of charge from the 4th grade on up to high school. Band music is also being taught in the schools for the first time. Snyder High school were recently advised that with two more affiliated credits from the State Department of Education that they now have a total of 29 1-2 credits. J. W. Crowley, bandmaster in the high school has also established a class at Fluvanna High of 25 pieces. Other rural schools in the county are showing an interest in band music and it is hoped to have a massed band concert next spring at the annual Inter-scholastic League meet.

Cotton Pickers Needed At Ralls

RALLS, Sept. 20 (Special).—Reports from farmers all over the Ralls trade area is that cotton is opening fast and that several hundred outside cotton pickers will be needed next week.

Snyder Business Men Making Tour of Area

SNYDER, Sept. 20 (Special).—Snyder business men are making a motorcade to all parts of Snyder county with the High school band advertising the forthcoming County Fair that opens here next Thursday. Free entertainment is being provided this year and no carnivals will be permitted during the fair proceedings.

NIGHT WORK IS OFFERED

TECH OFFICIALS GRANT NEW PLAN FOR WORK THIS SESSION

Night classes are being offered in several courses at Texas Technological college this year in response to requests of students who cannot attend the day sessions. It was announced Thursday.

On requests of groups of ten, classes in agriculture, business law, economics, government, history and

home economies will be organized.

Organize Tonight
A class in geology 141, general geology, will be organized tonight at 7:30 o'clock in room C, chemistry building, with Dr. Raymond Sidwell as instructor. This course is intended both for those who desire a knowledge of geology for cultural purposes, and as a foundation for those intending to take further work in geology.

On Saturday afternoon at 3 o'clock, in room 101, chemistry building, a class in chemistry 141, elementary general chemistry, will be organized. This is a foundation course and is open to those who in the subject or for college credit wish to take the course for interest.

On next Tuesday night in the west study hall of Lubbock senior high school, a class in education with Miss Bonnie Dysart, of the department of education at Tech

as instructor, will be organized.

This course will deal with the principles of the problem-project method.

Youth Suffers Leg Injury In Wrestling

A. C. Ong, 19 year old Lubbock youth, living on Main street, sustained a broken leg and minor injuries last night about 9:30 o'clock, when he fell to the pavement at 1212 Avenue G while wrestling with another youth.

He was rushed to the Lubbock sanitarium by a Bynum Brothers ambulance.

LOSES TWO FINGERS
ALPINE, Sept. 20 (Special).—When his pistol, which he was cleaning, went off accidentally, James McWhorter lost two fingers.

The accident occurred at the Strout ranch north of Alpine. McWhorter wrapped the injured hand and drove to Alpine where he received medical treatment.

'Human Cannon Ball' Injured In Stunt

SPRINGFIELD, Mass., Sept. 20 (AP)—Captain Wynio, "human cannon ball" who has been appearing at the Eastern states exposition this week, was injured, probably fatally, Thursday. He failed to come out of the cannon at the explosion of the powder charge. His condition was described as grave.

More than 800 plants in Germany now burn pulverized coal.

Twenty three companies in Norway are engaged in whaling.

CHEST PLAN LOOMS HERE

ESTABLISHMENT OF NEW CHARITY METHOD IS IN PROSPECT

Establishment in the near future of the community chest plan appeared in prospect yesterday afternoon, when representatives of charitable and charitable building organizations endorsed a proposal outlined by J. P. Mack of the American City Bureau, at a meeting in the chamber of commerce offices.

Introduced in this city six weeks ago by discussion of the Board of City Development, the community chest project has been met with favorable expressions from leaders of agencies which would be units of the plan.

To Make Reports
Yesterday's meeting closed with decision for all representatives to report to their respective organizations for ratification of the community chest and to have two delegates named officially by each agency. The representatives of the organizations will assemble next Friday afternoon at 2:30 o'clock for the purpose of forming a council to sponsor a community chest drive.

Organizations represented at the meeting were Red Cross, Salvation Army, Camp Fire Girls, council, South Plains area council of Boy Scouts, Y. M. C. A., Y. W. C. A., Rotary, Lions and Kiwanis clubs.

Explains Plan
Under the community chest plan the existing charitable and character building groups of this city would be budgeted, according to needs, from the annual quota, said Mr. Mack, in explaining the purpose of the organization. "This would eliminate the recurring fund drives made by various organizations throughout the year, and would place all agencies under direction of a competent board of control, a system which has been found efficient and satisfactory in all cities where it has been in operation."

Those attending the meeting were H. L. Allen, Rev. L. G. H. Williams, K. N. Clapp, Richard Cavett, J. J. Clements, J. P. Mack, A. B. Davis, C. P. Drexel, W. B. Atkins, Dean A. H. Leidigh, J. W. Gamel, Miss Mae Murfee, Mrs. George Field, Mrs. J. S. Johnson, Mrs. Hub Jones and Mrs. S. C. Arnold.

Plan Approved
Expressions of the representatives indicated universal approval of the plan.

Some of the expressions follow: Dr. W. T. Read, chairman of the board of directors of Y. M. C. A. and Y. W. C. A. "It would be a worthwhile and efficient plan."

J. W. Gamel, president of the Camp Fire council and a director of the Salvation Army, "The project has my co-operation. I'm for it 100 per cent."

Rev. L. G. H. Williams, president of the South Plains Area council, Boy Scouts of America, "Under the proper conditions, I am for the community chest."

Miss Mae Murfee, chairman of home service, local Red Cross chapter, "It is a splendid plan, and worthy of our support."

The plan has also been endorsed by C. P. Drexel, president of the Lions club; Dean A. H. Leidigh,

"DINNER OF HORRORS" IS DESCRIBED

Mrs. Coolidge Relates Embarrassing Moments In Big Event At White House In Du Pont Circle

(By Associated Press)
NEW YORK, Sept. 20.—Embarrassing moments for and as told by Mrs. Calvin Coolidge:

An extremely formal dinner in honor of a foreign guest was being given in the temporary White House at Du Pont circle.

"The guests were seated with due ceremony," says Mrs. Coolidge in the current issue of the American magazine, "but one of the chairs proved unworthy and the cane seat gave way beneath the weight of a distinguished guest. A substitute was brought, but the gentleman preferred to remain uncomfortable rather than embarrass his hostess by attracting attention to his plight. The tie of another gentleman slipped its moorings, but was unobtrusively retrieved and secured."

"An aide, one of those faultlessly attired officers bedecked with gold braid and lace, who may always be seen near the

president of the Kiwanis club, and J. J. Clements, president of the Rotary club.

president when he appears at formal functions, had been having some dental work done and a piece of temporary material had been put in place in order that he might present his usual flawless appearance at the dinner. This structure melted at the first spoonful of hot soup, and I feel sure his dinner partner thought he had been stricken with facial paralysis from the conditions he made in an effort to cover the deficiency."

Meanwhile, Mrs. Coolidge says, the chimney of the temporary White House had caught fire and a man was posted on the roof to prevent a recurrence of that difficulty.

former first lady, "that particular dinner was referred to as 'the dinner of horrors.'"

Of seven motion picture theaters in Nanking, China, five were showing in a recent week, American-made films, while the other two displayed Chinese films made in Shanghai.

INTRA-COSTAL PLANS URGED

SECRETARY GOOD GIVES PLAN FOR GREATER WATER SYSTEM

(By Associated Press)
ALBANY, N. Y.—Complete development of the nation's inland and coastal waterways for transportation purposes was advocated last night by Secretary Good in an address here before the Atlantic Intra-Costal Waterway association.

Secretary Good outlined a stupendous public works program calling for construction of a deep St. Lawrence river waterway connecting the Great Lakes and the Atlantic, the building of an adequate Great Lakes to Gulf waterway and extension of the navigable channels of the Mississippi and its tributaries to 9,000 miles.

In Line With Hoover's
Secretary Good's views were in line with President Hoover's known desire to afford cheaper transportation for inland shippers of agricultural and other bulk products.

"The improvement of our rivers and harbors as an aid to navigation," he said, "will only be completed when the navigable waters in every part of our country capable of being economically used for navigation have been put to work. They have been idle altogether too long."

Need Cheaper Means
He said the "need for cheaper transportation is most urgent in connection with the movement of raw materials, farm products, and heavy freight because of the limited territory within which they can be economically distributed by rail."

In the Mississippi drainage basin, Secretary Good said, a modern transportation system of 9,000 miles of connected water-way serving 20

states could be constructed "for moderate cost." It would furnish, he added, a north and south trunk line across the nation through the lake from Duluth through Chicago to the Gulf of Mexico, and an east and west system from Pittsburgh to Sioux City, Iowa, and beyond. He pointed out that this network would link up with the Great Lakes navigational project.

The lord mayor and sheriffs of London recently visited Holland in a body.

Persia may soon have taxicabs.

WALTHALL MAY BE STATE CANDIDATE

DALLAS, Sept. 20 (AP)—R. B. Walthall, chairman of the state board of control, probably will seek the state treasuryship next summer, he said here last night. He declared it was a little too early to make a definite announcement.

Walthall is a personal and political friend of former Governor Pat

M. Neff, who appointed him to the board in 1924.

Gilchrist Ordered To Buy Toll Bridges

AUSTIN, Sept. 20 (AP)—The highway commission today directed State Engineer G. B. Gilchrist to open negotiations for acquisition of the toll bridges across Red River in Grayson county. It was reported that an appraisal fixing replacement value of the bridges had been completed.

SPECIAL WEEK END BARGAINS - MONEY SAVING FOOD PRICES

RUSSIAN DOCTOR, HELD FOR SWINDLE, WELL RECEIVED IN TWO TEXAS TOWNS

(By Associated Press) WICHITA FALLS, Sept. 20.—Dr. M. N. Trotsky, arrested in El Paso Thursday on a swindling charge, caused quite a ripple in society here two years ago when he was associated for a short time with a local specialist in eye, ear, nose and throat affections.

He was entertained by the most prominent families, maintained a string of polo ponies and told a diverting story of his hardships as a military physician after the fall of the czar in Russia. He claimed to have deserted from the Red army and reached this country after a thrilling flight. Bolshewiki, he said, had pursued him even after he reached these shores.

Disappeared Suddenly
He disappeared suddenly from Wichita Falls and a short time later was arrested in Austin for automobile theft. While in jail he is said to have saved the life of a fellow prisoner who attempted suicide and at Leavenworth prison he was head of the eye, ear, nose and throat division of the prison medical staff.

TROTSKY GAINED MUCH CONFIDENCE IN ANGELO
SAN ANGELO, Sept. 20.—Dr. M. N. Trotsky, arrested as a swindler in El Paso Thursday came to San Angelo last summer, opened an office and practiced for some time. He told a plausible story of his hardships in the Russian revolution and gained the confidence of many people.

SCHOOL OPENING

(Continued From Page One)

O. 11 to 12 o'clock; I. J. K. 1:30 to 2:30 o'clock; E. F. G. H. 2:30 to 3:30 o'clock; D. 3:30 to 4:30 o'clock; A. B. 4:30 to 5:30 o'clock. Instructions have been announced for registration and follow: Men enter east rotunda and women enter west of the administration building. Register Lubbock address and church affiliation. Students living at home in Lubbock need not have address approved. New Students consult advisory committee and have entrance cards approved for registration by representative of registrar's office. Former students have record books approved for registration by representative of registrar's office.

Plans Announced
Agriculture, engineering and home economics students will go to their respective buildings to complete registration. Only liberal arts students will complete registration in the administration building. Plans for registration will be given out in each school.

All students, after receiving approved schedules, will pay their fees at the business office, Room 104, administration building.

Class cards must be checked by representative of registrar's office in corridor at entrance of the office.

Orientation Starts
Freshmen will today start on a program of education as to the meaning of college life and activities when annual Orientation week makes its debut at 10 o'clock in the college gymnasium.

Dean J. M. Gordon will preside at the first day's program. Efforts to

make the transition from home and high school background to the new college environment easier for the freshmen students form the basis of the Orientation program.

Plans Worked Out
Plans for this program have been carefully worked out by the deans of the school and represent the results of several years of dealing with freshmen in a body before the rest of the students arrive. Officials state that the present Orientation week is expected to be the most successful and complete in the history of the institution.

LITTLEFIELD COLLEGE IN SECOND YEAR

LITTLEFIELD, Sept. 20.—Tuesday, September 17, marked the opening of the second year of Littlefield college. The following corps of teachers is reported by President R. L. Duckworth: Sam H. Cantrell, registrar and teacher of economics and philosophy; Miss Helen V. Bell, English; Miss Mary E. Robertson, history; Miss Maude Fields, education and Spanish; Miss Stella Strange, home economics; D. L. Shelton, typewriting, shorthand and bookkeeping; Vonsuelo Planey is in charge of the intermediate department; Mrs. Rosa Mickey, has the primary department; Miss Vivian A. Burton, music and Miss Nova Austin, art. The college is entering this year's work with a great degree of pride for the advancement made, and hopes of a great growth and development this year.

FRESHMAN SWARMING CORRIDORS AT CANYON

CANYON, Sept. 20.—(Special)—Freshmen are swarming the corridors of the West Texas State Teachers college today. The early morning hours seem to indicate that the freshman class will be larger than ever before.

SOUTHWESTERN OPENS 57TH SESSION

GEORGETOWN, Sept. 20.—The 57th session of Southwestern university opened Thursday with formal ceremonies in the university auditorium. Dr. King Vivion, president of the university announced that under the new system of selecting freshmen 20 per cent of the enrollment of the first year class was made up of honor graduates from Texas high schools.

REGISTRATION UNDER WAY AT A. & M.

COLLEGE STATION, Sept. 20.—Registration of upper classmen at the A. & M. college of Texas was under way today. Indications pointed toward an enrollment of 1,800 old students. The total initial registration assures a total enrollment of 3,000 or more.

WOMEN IN TRIAL

(Continued From Page One)

mumbling in her tones, yet gamely giving detail after detail. She is slight of stature, appearing to be a high school girl, rather than a mother of two children.

A brunette, Mrs. Poshee has large

brown eyes, topped with wide lids and finely arched brows. Her hair is dark brown. She was dressed in a light brown ensemble of woolen materials. Although seldom looking up, once, when the defense attorneys turned her, as a witness, over to the prosecution, she looked at her husband and smiled at him. This was after she had stated she loved her husband and had told him she would rather be with him than leave her two children and go with Wright.

Husband Near Counsel
The defendant, Arnold Poshee, age 24, sits through the trial near his attorneys. He is clean shaven, clad in a new pair of tan colored ducking trousers and a shirt of cotton, similar in shade with a black pin stripe. His natural tan has evidently whitened somewhat because of his confinement to the Hockley county jail since he gave himself up on the day of the shooting, Saturday, September 7.

Poshee appears to be calm, collected, and a typical hard working young farmer. When his wife was telling her lengthy story, he seemed to be affected, but controlled himself well, leaning over to speak to his attorneys a few times.

Attorneys Listed
Attorneys for the state include District Attorney Durwood Bradley, Assistant District Attorney Burton S. Burks, County Attorney for Hockley county, Carl Ratliff, and special counsel employed by the family of the deceased, W. L. Ratliff of Tishomingo, Okla.

Defense counsel includes the Lubbock law firm of Bledsoe, Crenshaw and Dupree, and Weldon F. Johnson of Levelland.

District Judge Homer L. Pharr is sitting on the bench and Charles Smith, court reporter, is taking testimony.

NAVAL PROBE

(Continued From Page One)

dent of the Bethlehem Shipbuilding corporation; Shearer and Hunter.

Asked \$25,000
The first witness said Shearer asked to be paid \$25,000, to be split equally among the three companies. He added his company paid Shearer forthwith.

Barco said the shipbuilders met with Shearer about 10 minutes adding:

"Shearer proceeded to say in his own way, first, that he had long been interested in the question of sea power."

Shortridge interrupted to ask about the agreement. Replying to Senator Robinson, democrat, Arkansas, the witness said Shearer was employed by his company also in December, 1926, "in regard to the merchant marine."

At the time of the 1927 confer-

ence with Shearer, the New York Shipbuilding Co., was about to take over two government contracts for cruisers—since undertaken. Barco said that prior to the 1927 meeting with Shearer he did not know the purpose of the meeting of the shipbuilders.

HOLMES CASE

(Continued From Page One)

been lax in aiding her husband in law enforcement.

Calhoun, here advise Texas rangers in addition to his duties, made a terse denunciation of the assassination, which occurred last Friday night, as he took up his work at the head of authorities searching for the killer.

Direct Challenge
"The cold blooded murder" he considered was "a direct challenge to law and order in Texas."

Mrs. Holmes broken voiced indictment of the citizenship was made after she had corrected a former statement to the effect that city and county officers had been afraid to help her husband. She blamed the county at large, she explained.

In answer to a question as to whether she didn't think Holmes' death would "have a far reaching effect in arousing the Hutchinson county citizenship," she choked and answered:

"Yes, but it's hard to lose a member of your family to awaken a community."

WESTERNERS OPEN SEASON TODAY IN GAME WITH RALLS ELEVEN

Another football season gets under way for the Westerners of Lubbock high school this afternoon at Tech field as the cohorts of Frink and Morgan don their new uniforms for the first time and rally forth to battle their old rivals of the gridiron. When Lubbock and Ralls last met on the football field in 1925, the Jackrabbits handed the Westerners a 23 to 25 beating. This defeat prevented the Lubbock eleven from taking the district championship.

Today's encounter will find the Lubbock gridsters out to gain ample revenge for this defeat. Although none of this year's squad members were on hand for the 1925 game, Coach Froggie Lovorn brings a speech aggregation of Rabbits to meet the Class A Westerners today and is likely to give the locals just about all the competition they are looking for.

Although the Lubbock-Ralls encounter holds the spotlight in this section today, activities of interest will be going on at the same time in five additional centers. Coach Martin Hayhurst and his Brownfield Cubs will invade the den of the Post Antelopes for a game that promises to be a battle from start to finish. Tahoka Bulldogs, led by Coach Winfield Nicklaus, are matched with the O'Donnell eleven on the latter field. The Canjans should defeat O'Donnell with little effort.

Another game of peculiar interest to football fans of the South Plains will be played at Floydada this afternoon between the Plainsview Bulldogs and the Florida Class B eleven. Coach Troy Jones is said to have a strong grid aggregation this season and is certain to give the Class A team a stiff battle. At Lorenco the Hornets are swarming on a pack of Wildcatters from Idaho. Early season dope favors the Wildcatters. At Amherst the Antion gridsters are playing their first game of the season.

The shock of the football season to date was the news of the 6 to 0 defeat of Vernon in a practice tilt with Volney Hills. Chilloothie gridsters. Although the game means nothing to the students of Chilloothie, the fact that the Hill defeated the Class B squad with his crew of midgets is significant from several angles. Coach Heine Weir can doubtless throw a team on the field that would walk all over the Chilloothie eleven; but he didn't. The same was played on the Vernon football field and the reaction of the Lion Pans could almost be heard at Lubbock. There is a logical possibility that the Vernon mentor matched his squad with the Class B team in order to give the candidates a shock that would wake them up and kill the undue optimism that invariably stalks into a football training camp.

Coach Weir is not given to optimism in the first place and this defeat at the hands of Chilloothie is not to be taken as a measure of the Lions' strength. Accounts of the same show that Vernon advanced the ball at will in mid-field and missed several almost certain chances of scoring. Chilloothie registered its one counter on a pass over the goal line.

Out at Tech, L. H. E. Killin, professor of military science and tactics, is planning great things for the boys who have ambitions along the army line. Winning all five of its 30-caliber matches last year, the Tech rifle team established a record that will be hard to repeat, but the Lieutenant has many of his crack gunners back and the outlook is unusually bright. One of the new features of the coming year will be a Cadet band. L. H. Killin wants to have this band play every morning in front of the administration building from 7:45 to 8:00 o'clock.

The Tech military leader has offered to assist in establishing a citizens rifle squad and has promised the use of the Tech range for practice.

Trio Of Arkansas Stars Drop Out

FAYETTEVILLE, Ark. Sept. 20.—A trio of Arkansas' most promising football prospects have dropped out of the lineup for a time at least, and one of them might not return this season.

Carnell Gardner, 265 pound tackle and Jack Dale, a halfback, will not practice today because of illness, but it was hoped that they would be able to return later in the season.

Quinton Craighair, the other regular tackle, was called home suddenly, and it was not certain whether he would return.

FIGHTS LAST NIGHT

MILWAUKEE.—Harry Bubinsky, Chicago, outpointed Frank Bernhardt, George Rohrbach, Omaha, knocked out Charles Rammeil, Australia, (11). KANSAS CITY.—George Manley, Denver, outpointed Bennie Ross, Buffalo, (10).

TEXAS LEAGUE PLAY-OFF RACE IN QUANDARY NOW

TEAMS MEET AFTER THREE YEARS BREACH

HARD BATTLE LOOKED FOR AT TECH PARK AT 4 O'CLOCK

Two bitter rivals of the gridiron, Lubbock and Ralls will resume hostilities on Tech field this afternoon where they left off in 1925 when the Crosby county aggregation trampled the Hub City eleven 23 to 25.

The Westerners will kick off to the Rabbits at exactly 4 o'clock this afternoon and with the kickoff the 1929 football season will be ushered in for Lubbock fandom.

Out For Lovorn Crew

Favored as strong contenders for the championship of District One of the Interscholastic League, the Black and Gold warriors are out today to take the measure of the cohorts of Coach Froggie Lovorn.

The training tactics used by the two opposing eleven during the last few weeks gives indications of a wide-open battle today, featured by aerial attacks from both sides and fast running plays. Ralls is bringing a club averaging 135 pounds, built around Flashy Walker, the speediest Jackrabbit first general, who carries the brunt of the Ralls attack through his sweeping runs and accurate passing.

Trained down to an edge by more than four weeks of hard work, the Westerners will make their bow to the home fans this afternoon with several new faces in the starting lineup. In the Lubbock line, there will be but three of last year's regulars—Green, Frizzell, giant tackle Robert Rich, end, and Yancy Price, guard on the 1928 eleven who has been shifted to one of the wind posts.

Melton McGeehee and Rosser Abbott, the starting guards are playing their first year on the Western machine, as is Cherry Foster at the other tackle. Joe Leaverton, the Westerner center, was a squad man on last year's team.

One new face appears in the Lubbock backfield, Malcolm Martin, formerly of Knox City. Starting today at quarter back, Martin shows promise of becoming one of the Westerners' most consistent ground gainers with his broken field running and steady plugging at the line. Teaming with Martin will be three veterans. Ovie Teal gets the same as played on the Vernon football field and the reaction of the Lion Pans could almost be heard at Lubbock. There is a logical possibility that the Vernon mentor matched his squad with the Class B team in order to give the candidates a shock that would wake them up and kill the undue optimism that invariably stalks into a football training camp.

With a host of promising reserves anxious to get into the fray, Coach Frink is likely to give the majority of the men remaining on the squad an opportunity to show their wares in the opening game.

The starting line-up:

LUBBOCK	Pos.	RALLS
Foster	L. E.	Young
McGehee	L. G.	Miller
Leaverton	C.	Tidwell
Abbott	R. G.	Wofford
Frizzell	R. T.	Harris
Rich	R. E.	T. Walker
Teal	Q. B.	E. Walker
Smith	L. H.	King
Martin	R. H.	Henry
Watkins	P. B.	Blair

By their numbers we shall know them. Yancy Price, 69; Robert Rich, 53; Will Ed. McGeehee, 66; R. E. Hardinger, 68; Green, Frizzell, 55; Cherry Foster, 64; Burt Williams, 56; Archie Bradley, 58; Joe Leaverton, 54; Ovie Teal, 62; Mike Watkins, 61; W. D. Lawson, 61; John R. Green, 52; Moody Smith, 66; Malcolm Martin, 63; Carl McCaslin, 60; Clyde James, 51; Melvin Griggs, 60; Lewis Kerr, 50; Rosser Abbott, 57; Melton McGeehee, 59.

Tech Rifle Captain Does Good In Meet

W. S. Galloway, captain of the 1929 Tech rifle team, has returned from Camp Perry, Ohio, where he won high point honors in the national matches of the Citizens Military training camp.

Winning his place on the eighth corps area team while encamped at Fort Sam Houston in June, the Tech marksman led the team which was taken from Texas, Oklahoma, Arizona, New Mexico and Colorado and subsequently the high point title of the entire country.

Keith Flournoy of Crosbyton was captain of the team going from Fort Sam Houston. He is expected to re-enter school here next week.

Assisting Farmers

SPUR, Sept. 20.—(Special)—The Spur Chamber of Commerce is assisting the farmers in Spur country in securing cotton pickers and other farm labor, and despite the fact of a short cotton crop there has recently developed a shortage of help.

CUBS, HORNSBY AND WILSON SEEK RECORDS BEFORE SEASON'S CLOSE

(By Associated Press) CHICAGO, Sept. 20.—The Cubs are in, but several desires remain to be satisfied before the closing of the National League season. Apparently on the way out of the slump that caused them to drop three games in a row just when they wanted most to win, Joe McCarthy's club is aiming at an even 100 victories for the season. To accomplish the job, Chicago must win six out of its remaining nine contests.

Rogers Hornsby and Hack Wilson have refused to take a few days of rest, hoping to win individual titles. Hornsby figures he still has a chance to win his seventh National League batting championship, and is certain he has a chance of winning the home run title, although he is two homers behind Wilson, Ott and Chuck Klein, tied at 30.

Wilson is gunning for the home run championship and says he will keep playing until the matter is settled. There was no letting up of activity in the club offices where the task of filling ticket applications is nearly finished. The grab bag has not been closed, but less than 15,000 tickets remained for disposal today.

1929 EDITION OF MATADOR FOOTBALL SQUAD LOOMS AS STRONGEST IN TECH HISTORY; SCRIMMAGES GOING STRONG

Tech's gridiron warriors gave an unmistakable display of offensive power on the regular playing field Thursday afternoon with a good sized crowd of local fans on hand to see the Matador candidates run through their full category of formations.

Divided up into a pair of evenly matched teams, the Bull Fighters waged a battle between squad members that had all the earmarks of a grudge contest.

Scoring Punch Seen The college gridsters displayed a scoring punch that is likely to be heard from before the 1929 season is over.

Especially impressive yesterday was the performance of the Tech forwards, charging fast as the ball was snapped and paying the way for consistent gains by the ball carriers. Defensive play by the linemen was likewise up to standard.

Line Stands Strong Defenders of the north goal held a slight edge over their opponents with a line composed of Vinzant and Tadlock, ends; Knowles and Coppage, tackles; Dewitt and Simmons, guards; Durham, center. This combination proved an almost impenetrable barrier to the backs of the south goal defenders.

Prospects for a strong offensive club this season were made brighter by the showing of the backs yesterday. Woodridge, Brothers, Hill, Crites, Cappelman and Hodges made neat gains for both sides. Brothers also stood out with his defensive play.

Interference Good Strong interference and well timed blocking made possible these gains despite the fact that the opposing team was acquainted with the plays used.

The Matadors were out this morning, none the worse off for their first hard scrimmage. Except for a few sore muscles and an occasional "charley horse," the gridsters are fast rounding into playing condition. Ray Waller is the latest addition to the hospital squad, having suffered a sprained knee in Wednesday's practice. Sides and Bergfelt were in uniform yesterday, but neither took part in the scrimmage.

DID YOU KNOW

Random Scraps Of News Pertaining To Sports World

DID YOU KNOW THAT—

Clark Griffith, tried to get Art Shires for the Senators when the great Shires was 17 years old. He told Art to go out and play under the name of Bobby Lowe, says Art. Art says he never even knew that Bobby Lowe was an old-time star. Shires says he never fights with umpires because you can't win. When Hal Carlson was ill last season the Chicago club cut his salary. During the first part of the 1929 season Hal wasn't much good to the club either. On July 4 he gave four hits and has been going great ever since. The other day President Bill Veck called him in and told him he was to receive not only his former salary, but that he would be reimbursed for the salary he lost because of illness.

Government Moves To Solve Problem

WASHINGTON, Sept. 20.—The federal government today moved to solve the traffic congestion problem.

A committee of 29 prominent business men and traffic experts was appointed by Secretary Lamont with E. J. Mehren, of Chicago, as chairman to study the question. It will hold its first meeting October 10.

EASTERN GRID GAMES BEGIN

FEW SCATTERED TEAMS TO PLAY TOMORROW IN OPENERS

(By Associated Press) NEW YORK, Sept. 20.—For a scattered few colleges the football season in the east will open tomorrow.

The annual clash at Morgantown between West Virginia and West Virginia Wesleyan, heads the card.

Most colleges will wait until Sept. 28 to begin their seasons. In the meantime much remains to be done in the way of conditioning, training in fundamentals, shifts in the line-ups to gain a maximum of strength in every position, and in all other departments of the game.

New Star Seen

Yesterday's New York university workout at Farmingdale, Long Island, saw Herman La Mark, former Coraopolis, Pa., high school star, take the spotlight from older heads.

While Yale's varsity was having something of an off day against the scrubs, four Harvard squads went through the first crimson scrimmage of the season.

At Princeton, Bill Roper sent Jerry Van Schaick, a sophomore, to Bruce Levine's varsity guard post and Paul Carey replaced Tris Bennett at quarterback.

PITCHING TO BE FEATURED IN CONTESTS

WORK OF WALBERG AND PAT MALONE HAS NO FLAWS

BY WILLIAM J. CHIPMAN Associated Press Sports Writer Whatever trepidation the strange antics of Messrs. Grove, Bush, Caglin and others may have incited in the breasts of Connie Mack and Joe McCarthy, these forthcoming world's series rivals could pick no flaws in the work of Rube Walberg and Pat Malone yesterday.

With a team of rookies at his back, Walberg whipped his fast one at Shibe Park with such effectiveness the Bengals from Detroit were able to get only four safe blows. He won 5 to 4.

Cubs Finally Win Since the Cubs no longer need to win, they broke a losing streak behind the six-bit pitching of Malone, who defeated the Giants 5 to 0.

Boston continued its fast work in Pittsburgh, defeating the Pirates 6 to 3 in the third game of the series. The Red Sox now are one up in the three games.

Kelp Shuts Out Phillies Ray Kelp splashed the Phillies with a 5 to 0 coat of whitewash at Cincinnati, giving the Reds two straight and a tie for sixth place.

Along the American League front, the most interesting secondary development was Washington's further success in entrenching its forces in fifth place. The Senators took a thriller from the Browns 2 to 1, and at nightfall Walter Johnson held the top place in the second division by two and one-half games.

Pewer than 500 fans turned out to see the White Sox blank the Yankees 7 to 0. Hal McKinnis gave the lurching Huguenots just four blows, all singles, as the Sox drove Piazza from the mound.

Milton Green pitched the Red Sox to a 3 to 2 victory over Cleveland in a close battle with Willis Hudlin.

EIGHT STILL IN CEDAR CREST PLAY

PORT WORTH, Sept. 20.—Eight of the hottest golfers in Texas squared away in the quarter final of the annual River Crest tournament today in a competition designed to tear the gallery between four spectacular matches.

Gus Moreland of Dallas, who has been the sensation of this and other tournaments this year, meets his equally expert fellow tournamenteer, Jack Jackson in the third match. They have played in tournament competition this year. Each has won one match.

Another young and brilliant Dallas golfer, Ralph Guldahl, who led the field in the state amateur, was paired with Charles Ramsell, Port Worth municipal champion, who has turned in one 68 in this tournament.

The lower bracket was equally attractive with Dennis Lavender, the state champion with the euphonious name and the maddeningly deliberate game, facing Ed Stewart, former Port Worth champion and Hap Massingill and Ben Hogan, two local favorites looking for the final match of the day.

Man Gets Life For Murder In Oklahoma

WEWOKA, Okla., Sept. 20.—Robert Henderson of Wewoka, convicted of first degree murder here late last night in connection with the killing of Frank H. Wilson, Springfield, Mo., photographer salesman, near Seminole, May 7, and was sentenced to life imprisonment.

Intimate Sketches of World Series Stars

RUBE WALBERG

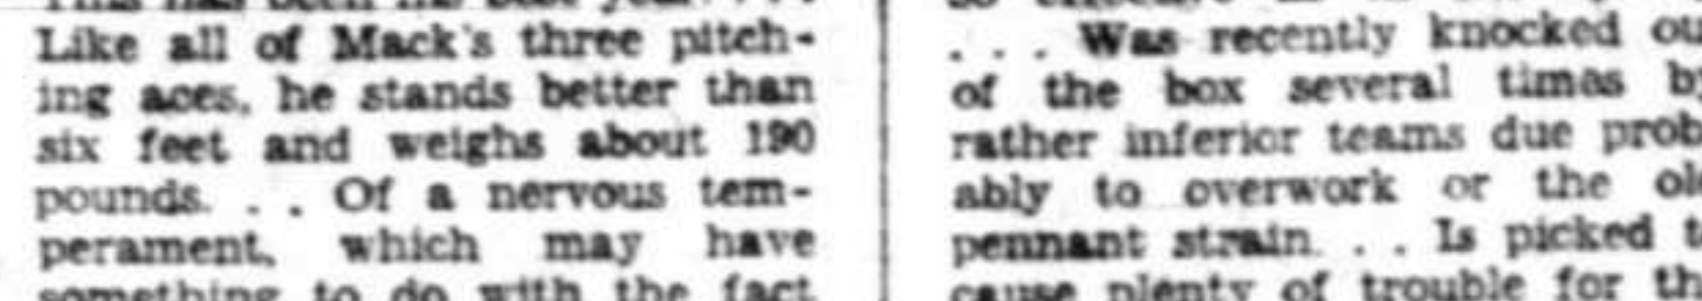

Rube Walberg of the Athletics looks the part of his nickname as far as pitching style is concerned. The Rubie himself is a knot, swirly his arms in all directions and foot high in to the air as he prepares to deliver the ball to the batter. Because of his peculiar delivery, opposing players do not fancy batting against him. Has almost as much speed as Grove and a far better breaking curve ball. There are some who question his courage. In the tendency to weaken late in the game and has suffered most of his defeats through one bad inning. He is one of the many John McGraw castoffs in the series. Like Grove he is a strike-out pitcher. Lacks a good change of pace, which handicaps his effectiveness. This has been his best year. Like all of Mack's three pitching aces, he stands better than six feet and weighs about 190 pounds. Of a nervous temperament. Which may have something to do with the fact that he invariably has one bad inning in every game he pitches. Throws a heavy ball and Mickey Cochrane of the Athletics says he is much harder to catch than either Grove or Earnshaw.

Walberg

GUY BUSH

Guy T. Bush of the Cubs, nicknamed Joe, after the famous "Bullet Joe" Bush of the Philadelphia Athletics, who has passed on to the minors. Came into his own in 1928 as a really great pitcher after the Chicago club had clung to him through four years of development. Is a six-foot, five-inch, like Lefty Grove, looks as if he needed a few square meals. He weighs around 170 pounds. Has a fast ball that matches anything the Athletics pitchers have to offer and a curve in keeping with his speed. As seen McCarthy's most successful pitcher. During the first three months of the season he suffered only one defeat and threatened to break the season percentage record for pitchers. During the home stretch he hasn't been nearly so effective as in the spring. Was recently knocked out of the box several times by rather inferior teams due probably to overwork. Is picked to cause plenty of trouble for the slugging right-handers of the Philadelphia club because of his deceptive curve ball. May have the honor of being selected as the starting pitcher against the Mackmen.

Bush

SPUR VOCATIONAL WORK INCREASES

(Special to Daily Journal) SPUR, Sept. 20.—Joe C. Williams, teacher of vocational agriculture in the Spur High school reports twenty boys enrolled for his second year class in vocational agriculture, and twenty-one signed up for the first year work. Mr. Williams has been able to interest many boys in this course that otherwise would not be in school this year, but for the fact that they have studied the projects of the class of 1928-1929, and are able to see the merits of vocational agriculture.

The boys taking second year work are Eugene Rogers, Clarence Foreman, Buster Morgan, Rennie Cosby, Jack Hargrove, Joe Kidd, Muri Foreman, Jimmie Horn, Truman M. Moore, Herman McArthur, Manel Henson, Robert Cross, Cecil Lawson, Stafford Forbis, Brode Puckett, Henry Hest, John J. Payne, Walter Dunn, Adrian Rickles and John Stewart.

Those enrolled for first-year work are Ray Dickson, Elmer Tinney, Sam Chapman, Lloyd Hindman, Clover Gowers, Jimmie Hohn, Henry Hest, Wayland Lee, Ferril Albion, Dial Hindman, J. P. Cannon, Marcus Copeland, Clinton Barrett, Alfred Payne, Bert Shepherd, Tony McArthur, Homer Hinson, Woodrow Harris, T. C. Booker, Jack Jones and John Gray.

These boys will all be required to have real live projects that will not only help them to realize the possibilities that the field of agriculture has for those who make worthwhile studies of it, but they will be trained in all the operative jobs relative to their projects, and will learn the value of records in conducting their transactions, in all related enterprises.

Rumania plans to spend \$180,000,000 in reconstructing its highways.

Night Air Service To Be Offered Soon

DALLAS, Sept. 20.—Through the Universal Air Lines system's inauguration of night service between St. Louis and Omaha, overnight air mail service from Dallas to St. Louis will become effective Oct. 1, it was announced today.

The Universal's night service will be by way of Kansas City, where the T. A. T. planes will connect.

SPUDS LOOM IN FIGHT FOR TITLE AGAIN

RECORD CROWD LOOKED FOR AT DALLAS; REST TODAY

(By Associated Press) DALLAS, Sept. 20.—Still deadlocked for Texas League supremacy after two days of strife at Wichita Falls, the Spudders and Steers had a short "breather" here today before clashing in the third game of their play-off series at Steer Stadium tomorrow. Both clubs planned to work out at the field.

Where the Mavericks were overwhelming favorites after their brilliant victory in the first game, the contenders looked like a stand-off as they arrived here. The manner in which Hal Witte, southpaw, set the Steers down with five hits and subdued them, 5 to 2, in yesterday's combat caused a sudden shifting of sentiment.

Crowds Expected Enjoying its first epidemic of baseballitis since 1928, Dallas prepared to set season attendance records at the concluding game here. It was announced all reserved seats had been taken for the games Saturday and Sunday, and an additional 5,000 bleacher seats were being installed. At least 12,000 were expected to witness Saturday's contest.

A duel of right-handers was on tap for tomorrow, with Whitley Giamer slated to take the hill for Dallas, and George Payne, he of 28 victories during the past season, ready to do the chores for Wichita Falls. Payne worked only briefly in the series opener and should be in fine shape.

Country Hits One Behind Witte's superb hurling, it was no trick for the Spudders to square the series count. The veteran pitcher gave up only five blows, scattered through as many innings. St. Rosenthal gave the Steers a run in the fourth, when he was hit by a pitched ball, went to third on Randy Moore's single and counted on an infield out. Country Davis propelled one of Witte's shoots out of the lot in the ninth. Outside of that the Steers were puny with the willow. Sixteen of them were tossed out at first.

The Spudders were not particularly explosive, themselves, collecting only six safeties off three Max flingers, but they bunched them where they did the most good.

Mist Stamps Out Northwest Fires

PORTLAND, Ore., Sept. 20.—A mist spread like a drenched blanket over the fire blackened forests of the Pacific Northwest today and stamped out the last vestige of the flames which within the last two weeks have swept 300,000 acres, damaged more than a dozen homes of settlers and caused unestimated damage.

One plane will be entered by W. T. Waggoner to carry a message of the fall racing meet at Arlington Downs at the Three D stock farm. Cities to be visited are Corsicana, Houston, Galveston, Victoria, Corpus Christi, Harlingen, Brownsville, Monterrey, Laredo, San Antonio, Austin and Waco.

GOVERNOR OUSTED

MEXICO CITY, Sept. 20.—Reports printed in El Universal Grafico say the state legislature of Chihuahua has ousted Governor Raymond Enriquez from office. The reason for the legislature's action is not stated, but the reports say that the state congressmen have said that federal troops be sent to maintain order in Chihuahua.

EL PASO HAS CONVENTION PLANS READY

NECESSARY MACHINERY FOR CONVENTION IS ALREADY SET

(Special To The Journal)
EL PASO, Sept. 20.—The necessary machinery for making the eleventh annual convention of the West Texas Chamber of Commerce a red letter event in the history of the organization has been set up: El Paso plans to entertain one of the greatest crowds ever assembled here on October 24, 25 and 26, the dates for this affair. Local committees have been appointed, the West Texas Chamber of Commerce has opened an office with the El Paso Chamber of Commerce, the entire staff is co-operating with El Paso forces and at this time indications point to a remarkable attendance.

To Discuss Problems
Efforts are being made to assemble at least 1,000 of West Texas' leading business men in morning sessions to discuss problems confronting West Texas. These delegates are to be selected by the chambers of commerce throughout West Texas or where a West Texas organization is represented with membership. Members of the West Texas staff are presenting the plan to the different organizations, urging that these delegates be appointed immediately, their registrations sent in, so that proper plans for the business session may be made. In addition, El Paso has offered for the afternoons and nights of the convention one of the most remarkable entertainment programs ever offered—a convention in the southwest. Climaxing these entertainment features will be the bull fight, and Spanish festival in Juarez on Saturday afternoon and night, the final day of the convention.

The plaza, in the heart of the business district, has been set aside for us by different communities to exploit their opportunities, present programs and publicity stunts of whatever character they desire to offer. Around this plaza will be erected one hundred booths to be occupied by the different communities. These are offered without cost to any community desiring such a booth. The setting is ideal, because the plaza is within a few blocks of all the leading hotels of the city. The streets will likely be roped off, a huge band stand erected in a central position and there the bands coming to the convention will be allotted certain periods each for presenting their programs or offering other stunts to popularize their city or section. Already a number of booths have been selected by secretaries of various chambers of commerce.

Leaving Nothing Undone
El Paso is leaving nothing undone for the pleasure of the visitors. Day and night programs have been planned, but there will be no entertainment features in the forenoon, this being given over for the discussion of the problems confronting various phases of West Texas property and development.

The military review at Fort Bliss, offering one of the greatest scenes of the kind since the world war, the downtown military parade and convention parade on the second day, a night football game, the bull fight and Spanish fiesta, the latter in Juarez, are but a few of the outstanding entertainment features.

CATTLE FEEDING MOVE ORGANIZED

DALLAS, Sept. 20.—Texas cattle raisers, farmers, bankers and the extension forces of A. and M. college were joined together for united action in a program of feeding cattle and calves this fall as the Texas Breeder-Feeder association went into permanent organization at a meeting here today.

A board of directors of 25 was appointed and a program drawn up. An executive committee, it was announced will be named by President Frank P. Holland within a few days. The organization was started Sept. 7 at Midland.

For some time, friends of public education throughout the state have been urging me to make a statement as to whether I shall announce for re-election for another term," he said. "They claim that the many forward steps which have been taken during my administration justifies my continuance in office. I am yielding to their judgment, and at the proper time, I shall make a formal announcement."

Marrs Will Run To Succeed To Office

AUSTIN, Sept. 20.—S. M. N. Marrs, State Superintendent of Public Instruction since 1923, will be a candidate for re-election in the 1930 primaries, he announced today.

Those aboard the balloon were Dr. C. B. Legalle, vice president of the Detroit Balloon club and three passengers, George Ingram, president of the Ingram Steel company; R. K. Lee of the Chrysler corporation, and W. J. Habermass, of the Goodrich Tire and Rubber company. The yacht was in command of Captain L. B. Lockwood.

Balloonists Saved From Lake Mishap

TOLEDO, Ohio, Sept. 20.—Four persons sinking in a faulty balloon to a landing in Lake Erie were rescued 18 miles out late yesterday by the crew of the Yacht Helene, who made fast a cable dropped from the basket and towed the bag to shore.

Those aboard the balloon were Dr. C. B. Legalle, vice president of the Detroit Balloon club and three passengers, George Ingram, president of the Ingram Steel company; R. K. Lee of the Chrysler corporation, and W. J. Habermass, of the Goodrich Tire and Rubber company. The yacht was in command of Captain L. B. Lockwood.

Motorcycle Record For Speed Claimed

MUNICH, Germany, Sept. 20.—A motorcycle speed world's record was claimed by Ernest Henne today with a mark of 219 kilometers an hour with a 1,000 cubic centimeter machine, from a flying start. He registered 216 kilometers an hour with a 750 cubic centimeter machine.

The records were submitted to the National Motor Sports Council for official recognition.

BETROTHAL RUMORED

BRUSSELS, Belgium, Sept. 20.—Sudden departure of King Albert for Italy today revived rumors the visit was connected with the possibility of betrothal of Crown Prince Umberto of Italy and Princess Marie Jose of Belgium.

Government railways of chosen extend nearly 1,500 miles.

Switzerland is to have talks.

THE TINYMITES

BY HAL COCHRAN

(READ THE STORY, THEN COLOR THE PICTURE)

The eagle that let Clowny drop soared right away. He didn't stop to see the Tiny landed safe. What did the eagle care? The bird had saved him from a mess and he was satisfied, we guess. And so it wasn't long until he disappeared in air.

Down, down, came Clowny with much speed. "Some good luck I'll need. If I land plump upon the ground, twill ruin me. I fear, I'll bet. They're always glad to help me and it's lucky they are here." "Course he was right and the Tinnies stood and held the net as best they could. "He is going to land," one of them cried. "I'll hang on good and tight. We'll bounce him way up in the air and give him one more tiny scare. Then we will help him to the ground and he will be all right."

Kernump! Was Tiny landed sound and never even touched the ground. The Tinnies tossed him once or twice and took him on his feet. "Hurray!" cried Clowny. "Thank you, friends. And thus another real scare ends. There are no other little folks whom I would rather meet."

The friendly carpenter then came right up and said: "I have a game that I think all of you will like."

Some ponies I must make. Once more I'll use my saw machine. I have fixed the blades until they're keen. I'll put a tree trunk in. Let's hope it doesn't break.

Into the big machine it went and about a half an hour was spent in hearing saws all bizzing loud. And then there came a shout. "Hurray," cried Scouty, "this is good. You have done just what you said you would." And sure enough, four little wooden ponies jumped right out.

(The Tinnies plan a race in the next story.)

The reporter sent to cover the recent wedding of a woman weighing 349 pounds and a man weighing 363 pounds drew a rather heavy assignment.

STOCK PRICES
GO IRREGULAROPENING FINDS SHARES
HIGHER TODAY;
RADIO DROPS

NEW YORK, Sept. 20 (AP)—Stock prices moved irregularly higher at the opening of today's market. Radio and General Motors each opened with a block of 10,000 shares at 120, up 3. American Telephone selling ex-dividend 21-4 opened at 304-4, a net gain of 3 points. American & Foreign Power showed an initial gain of 21-2. Sears Roebuck 2 and American Can, Montgomery-Ward, Southern Pacific, United Fruit and Drug, Inc., about a point each.

Renewal of selling pressure against U. S. Steel common, which quickly cancelled its early gain of 13-4 points and sold a point below last night's final quotation, brought fresh selling into other stocks, and turned the course of prices increasingly irregular before the end of the first hour. Radio dropped 31-2 points and Chrysler fell back more than 2 to a new low level for the year at 65.

Solvents Up Again
Commercial solvents, which scored a net advance of 51 points yesterday, quickly rallied 11 points. Columbia Gas extended its gain to 5-4 by touching a new high at 122-4.

Worthington Pump was marked up 41-2 points in the first outburst of buying. American & Foreign Power extended its gain to 31-2 and John Manville, North American, International Combustion and General Electric sold 2 or more points above

the year at 65.

COTTON HAS
SLIGHT GAIN

**MARKET OPENING TURNT
STEADY TODAY IN
BOTH CITIES**

NEW ORLEANS, Sept. 20 (AP)—The cotton market opened steady with Liverpool somewhat better than due. First trades showed gains of 2 to 4 points. After hesitation the market firmed up on indications of less favorable weather, some very bullish crop reports and smaller private estimates of ginning to September 18 than expected. October advanced to 18.46, December to 18.78 and January to 18.84, or 11 to 14 points above yesterday's close. At the end of the first hour the market was steady and near the highs.

The market ruled steady most of the morning. Prices strengthened on prospects for unsettled weather and on some fears of a tropical storm. October advanced to 18.46, December to 18.78 and January to 18.84, or 11 to 14 points above yesterday's close. At the end of the first hour the market was steady and near the highs.

The market gathered strength later. The advance, extended to 18.90 for December and 19.28 for March contracts, or about 22 points above yesterday's close. Trading was somewhat less active, but the market held very steady at midday.

Receipts 1,200, all-

**AMARILLO PAINTER
Noted Big Change**
Gifford Eats Better, Sleeps Better, And Works Better Since Taking Orgatone

"It has been over a year since I enjoyed such good health or felt so well generally as I do since taking Orgatone," said F. D. Gifford, who resides at 3500 Tyler St., Amarillo, Texas.

"Before taking Orgatone," he added, "my appetite was very poor and my stomach in such a condition that I couldn't eat anything but what would ferment and cause me trouble. My breath was very offensive and I was constantly belching up my food sour and undigested. I was badly constipated, had intense pain in my stomach and was seldom free from headaches."

"I noticed Orgatone in the window here at the City Drug Store, and I heard so many people telling what it had done for them that I decided to try it, and I had hardly finished my first bottle until I noticed a big change in my condition. I commenced to eat better and enjoy my meals. Before I got Orgatone my food seemed to do me very little good, but now everything I eat agrees with me perfectly and is giving me strength. My nerves are in fine shape and I sleep so sound that it takes a good strong alarm clock to wake me in the mornings. Orgatone has made a clean sweep of my stomach trouble and put me in shape to where my work is no longer a burden to me. I don't believe any one suffering from stomach trouble and liver disorders could take Orgatone without being benefited, and I only wish I had known about it a long time ago."

Genuine Orgatone may be bought in Lubbock at Bowers Drug Store.

**Wheat Prices Suffer
Setbacks On Market**
CHICAGO, Sept. 20 (AP)—With the weather conditions both in Argentina and Australia somewhat better, wheat here underwent early set-backs today.
Opening 1-4c to 3-4c off, wheat afterward showed an additional decline. Corn and oats were also easier, with corn starting unchanged to 1-8c down, and subsequently receding all around. Provisions were firm.

REMNANT OF HUGE ICECAP DISCOVERED BY MACMILLAN PARTY DURING SUMMER; SCHOONER HAD TIME IN FROZEN AREA

(The Associated Press)
WISCASSET, Maine, Sept. 20.—The locating of the last remnant of the icecap which once covered 1,000,000 square miles of the earth was one of outstanding accomplishments related by members of the Arctic expedition of Lieut. Commander Donald B. Macmillan, just returned from three months in the north.

Other noteworthy achievements were a collection of specimens for a comparative study of sea and brook trout and the first scientific collection of flora and fauna from Prohiber's Bay region.

Withstood Assault
The Bowdoin, sturdy schooner which has taken the explorer north for several years and which this summer withstood a twelve day assault by an ice pack, anchored off Nevegen early Thursday. Nine men accompanied Macmillan on the cruise which started from here on June 25.

Commander Macmillan, related how he found the ice cap "Meta

FLORENCE AND JOHN BUSY

PAINVILLE, Conn., Sept. 20 (AP)—A round of pre-nuptial entertainments is keeping Miss Florence Trumbull busy as she prepares for her marriage next Monday to John Coolidge.

Showers, teas, dinners and dances are following one another in rapid succession, while at moments in between the prospective bride and bridegroom are opening presents, arriving at the rate of 25 to 30 a day.

One of the most recent of the series of social events was a grocery shower at which Miss Trumbull, in the words of a guest, received enough "staple groceries to keep two persons supplied for at least two months."

INCLINATION DISCOUNTED

FARM BOARD INCLINED TO BELIEVE REPORT IS TOO LOW

(By Associated Press)
AUSTIN, Sept. 20.—The federal farm board is inclined to discount the bearish inclination of the cotton market, was indicated in a telegram received by Dr. Charles W. Hackett, professor of Latin-American history in the University of Texas, from Carl Williams, cotton representative on the board today.

The board recognizes the possibility that the crop can be made after September 1 and is not yet certain what effect recent rains will have on the Texas-Oklahoma production, Williams said.

Trade evidently believes September government report entirely too low," he wired Dr. Hackett. "Present information in hands of board coincides with recent government report but situation still too uncertain for any definite statements concerning proper price."

TROTTER AT LIBERTY
TOPEKA, Sept. 20 (AP)—James William Trotter, Houderman, Kas., farmer wanted by Texas authorities on several criminal charges, was at liberty today under a writ of habeas corpus and a \$2,000 bond pending removal hearing.

TEXARKANA, Sept. 20 (AP)—Twenty-one army planes bearing about 40 national guard officers from Little Rock will participate in the formal opening of the Texarkana municipal airport here today. Governor Harvey Parrell of Arkansas was scheduled to make an address.

Ice cap existed for 35,000 years. Shortness of time prevented the Macmillan party from erecting rock cairns to mark the farthest point of the ice cap, but photographs made which can be used in making definitely next year if proceeding.

Low Round Trip Fares
TO
Amarillo, Texas
ACCOUNT
Tri-State Exposition
Sept. 22nd to 28th inclusive, 1929

Over 3,000 Quarts Of Liquors Seized
BRUNSWICK, Me., Sept. 20 (AP)—More than 3,000 quarts of choice liquors, valued at \$35,000, which officials said were imported for distribution in New York, Niagara Falls and Pittsburgh, today reported in the Brunswick jail while authorities sought to uncover further ramifications of a rum ring believed to have operated from this section.

George B. Alberts, alias Brittan and Barnes, of Ciales, was arrested after officers said he admitted he was caretaker of a cottage at Gun Point, where the liquor was found last night.

Evidence taken in the raid included letters and telegrams from persons in eastern cities ordering liquor shipments.

COTTON EVENT

"Cotton Patch" Wedding Is New Thing In Texas

NACODOCHE, Sept. 20 (AP)—With a cotton picking preacher performing the ceremony and two cotton pickers serving as witnesses, a Mount Enterprise couple was married in a cotton patch near here.

The principals of the "cotton patch" wedding were Clifton Johns and Miss Elele Connor, who drove up to the roadside near where Rev. G. W. Nelson.

Waggoner's Spouse Son Are Questioned
NEW YORK, Sept. 20 (AP)—The wife and son of Charles D. Waggoner, indicted president of the Bank of Telluride, Colo., Francis Carlson, 18-year-old clerk in the bank, and Harry D. Miller, the banker's barber, were taken today before the federal grand jury investigating how Waggoner fraudulently obtained \$500,000 credit through six New York banks.

Mrs. Mary Belle Waggoner and her son, Charles, Jr., and the other witnesses were questioned by Assistant United States Attorney Emanuel G. Kleid.

Caro preacher, was picking cotton, produced a license and asked to be married then and there.

"Sale Baby's" Dad Is Sent To Prison
KANSAS CITY, Sept. 20 (AP)—Elmer Schade alias Eugene Boehler, father of the "sale baby" which caused an extensive investigation here, late yesterday was sentenced in county criminal court to two years in prison for bigamy.

Schade was convicted of marrying Hattie Phil, mother of the "sale baby," while still married to Laura Boehler, whom he had deserted in Chicago. The second marriage resulted in dismissal of Federal Man Act charges against the father.

The population of Berlin, Germany, is now estimated at nearly 300,000.
