

PRELIMINARIES TO CONVENTION

DEMOCRATIC NATIONAL COMMITTEE TO MEET SOON AT BALTIMORE

CANDIDATES MAKE READY

All of Leading Aspirants For Nomination To Have Headquarters in Hotels

By Associated Press. Baltimore, Md., June 12.—Only part of the work accomplished by the Democratic National convention, which opens here on June 25th, will be performed in the convention hall. The results will appear there, but before these results are attained lights will burn far into the night at various hotels and office buildings throughout the city, where convention headquarters have been established by the national organization and the organizations supporting the candidates for places on the national ticket.

A political convention is a law unto itself. Without leaders and committees to plan their work the great body of delegates could make little headway, but even the most astute leader cannot always know when the delegates will upset carefully prepared routine. Nevertheless, until the delegates receive the two-thirds vote necessary for nomination, those who are trying to learn in advance what the results will be will watch these headquarters.

A National convention has been likened to a great engine in which the fly wheel is the National committee, the governors the committees on credentials and resolutions and the fuel is the body of delegates which supply the motive power, controlled and regulated by these three committees.

The actual work of the convention started here when members of the National committee began to arrive. This committee consists of 52 members, one from each State and Alaska, District of Columbia, Hawaii and Porto Rico. Its quarters are at the Hotel Belvedere, situated in the Mt. Royal district within walking distance of the convention hall. The two top floors of the Belvedere have been engaged by the committee, including 65 bed rooms, many with sitting rooms attached. In addition the committee has taken the hotel banquet hall for its sessions. In this room the committee rooms over the papers filed by the contesting delegates and prepares the temporary roll of the convention. This roll will be used when the convention is first called to order. After the committee on credentials is appointed those who are dissatisfied with ruling of the National committee will take their claims before the new committee.

The committee on credentials, and the resolutions committee which drafts the platform, as yet have no regular meeting place. Some of their work may be done at the Belvedere in rooms allotted them by the National committee, and some in the rooms assigned to them at the convention hall.

Next to the rooms engaged by the National committee, the largest reservation at the Belvedere has been made by Thomas Taggart, National committeeman from Indiana. For the members of his committee and his friends Mr. Taggart has taken 50 rooms in the main buildings, with accommodations for 65 persons more in the Annex and the "Blue Parlor" on the second floor as state delegation headquarters. Other National committeemen in whose name large reservations have been made at the Belvedere are: Roger C. Sullivan, Illinois; Homer S. Cummings, Connecticut; J. B. Kremer, Montana; A. J. Daly, Alaska; Albin Adams, Colorado; Edwin O. Wood, Michigan; Clark Howell, Georgia; J. M. Guffy, Pennsylvania; Willard Saulsbury, Delaware; Urey Wilson of Kentucky, secretary of the National committee, and Herman Ridder of New York, its treasurer, also have their quarters here.

Representatives of the candidates for the presidential nomination will be early on the ground and all of them engaged their headquarters months ago. Several of them have taken suites of offices in the downtown business section, as well as large blocks of rooms in the principal hotels. The Clark campaign committee has offices in the Munsey building, corner Calvert and Fayette streets. Gov. Harmon's managers have a suite in the Equitable building across the street, and the Wilson committee has leased an entire small building at No. 10 East Lexington street.

The Underwood forces are the only ones that expect to have a whole

(Continued on Page Six.)

NEW CROP OATS WORTH THIRTY-EIGHT CENTS

Kansas City Prices Govern Local Quotations for Grain, With Freight Figured In.

The price of new crop oats has dropped to about 38 cents in the local market although it is expected that local feed men may absorb the first few thousand bushels brought in at a slightly higher figure.

New crop soft wheat will open at 90 cents unless there is a decided decline in outside markets.

Prices here are largely governed by the Kansas City cash grain market. Usually wagon wheat here sells for about the Kansas City price plus the freight from Kansas City here. This is on account of the mills ordinarily taking more than this territory raises and having to ship in grain from Kansas City. This year conditions will be reversed. This section will raise an overplus of wheat and some of it must be shipped to Kansas City and other markets. The local price for wagon wheat therefore will be about the Kansas City cash grain price less what the freight would be from Wichita Falls to Kansas City.

BOY CONFESSES THAT HE POISONED HIS FATHER.

Greensburg, Pa., June 12.—To free his mother, himself and other members of the family from his father's repeated abuse, Elmer Watt, aged 18, put poison in his father's whiskey and thus caused the latter's death, according to a confession of the young man, made to the district attorney here today. The boy was formally charged with murder. The elder Watt died in May, 1909.

Young Watt said his father was a hard drinker and that the family suffered privations and abuse until it had become intolerable.

Sawmill Burns.

By Associated Press. Houston, Texas, June 12.—The sawmill of the Security Lumber Company at Security burned this morning. The loss is estimated at \$5000.

PREPARING FOR BAPTIST CAMP

ENCOURAGING REPORTS ARE BEING RECEIVED PROMISING LARGE ATTENDANCE.

TO BEGIN NEXT TUESDAY

Evangelist Ham May Be Secured To Conduct The Introductory Service

Rev. J. P. Boone, president of the Interstate Baptist Encampment says he is daily receiving most encouraging reports as to the prospective attendance at the encampment at Lake Wichita opening June 18 and continuing 14 days.

"The B. Y. P. U. City Federation of Fort Worth, in their meeting last Friday night, appointed committees to arrange for a delegation of 250 people, the number they are expecting to have in attendance at the encampment," said Rev. Boone. "Word comes from Bellevue, Vernon, Paducah, and Quanah that large delegations will attend from each of these places."

"The grounds at Lake Wichita will be under the control of the executive committee of the encampment. The celebration on the 19th on the part of the negroes, will not be at Lake Wichita."

"There is a strong probability that Evangelist Ham will be secured for the introductory service on Tuesday night. He will close his meeting Sunday night in Waco and the matter is being considered by him. The people of Wichita Falls will be glad of an opportunity to hear Evangelist Ham again."

"The season tickets which cover the incidental fee are being sold among the people of the city. Every loyal citizen of Wichita can help the encampment and bring a blessing to himself by purchasing one of these tickets. Arrangements have been made so that the people can spend one day or attend one lecture at the small price of twenty-five cents."

"The ladies of the Baptist Church are arranging for a rest room for the benefit of those who attend from Wichita Falls. Our city is being advertised in a large way before some of the best people of Oklahoma and Texas."

"The encampment will be known all over the South, and this will bring our city into prominence. The members of all the churches of the city are urged to take advantage of the special instruction in all lines of church work, which will be offered each morning during the encampment."

ROOSEVELT MAY BLOCK TAFT IF LATTER SHOULD WIN AT POLLS

USE ELECTORS TO DEFEAT TAFT

ROOSEVELT LEADER HAS STARTING PLAN TO PREVENT PRESIDENT'S ELECTION.

"BOLT IS UNNECESSARY"

Electors Favorable to Roosevelt Chosen in Many States and Are Said to Be in Line.

By Associated Press. Chicago, Ill., June 12.—Recourse to the Roosevelt men who have been selected as presidential electors is the announced plan of William Flinn of Pittsburg, should the convention nominate President Taft.

The Roosevelt leader made this statement today in a vigorous attack on the National committee, in which he declared that such a move will not only defeat the Republican nomination for president, but will save the party in the big Republican States.

His position was endorsed by Governor Glascock of West Virginia, who declared all the West Virginia Republican electors are for Roosevelt and would vote for him in the electoral college, regardless of the action of the convention.

Senator Dixon listened to Mr. Flinn and Gov. Glascock and said: "I don't think there will be any need for such action. The Taft forces will not dare to steal the nomination."

"We are not going to allow the National committee to destroy the Republican party in Pennsylvania," said Mr. Flinn, "we propose to protect ourselves at home. Thirty of the thirty-eight presidential electors are for Roosevelt and if they are elected and the nomination is stolen and given to President Taft, those thirty will vote in the electoral college for Col. Roosevelt."

"We don't propose to allow delegates from the Southern States and insular possessions to dictate a presidential nomination to the great Republican States. Under this plan no bolt would be necessary. It would result perhaps in losing a Republican president, but would win locally."

STAMFORD TO SHOOT FOR RAIN THIS AFTERNOON

Dynamite Will Be Exploded Today in Jones County if Conditions Are Propitious.

A message from Stamford this morning said that it was expected to explode dynamite near that place this afternoon in an effort to precipitate rain. The dynamite will be set off provided the hygrometer shows a sufficient degree of humidity. The indications this morning were said to be favorable for the test.

At 11 o'clock a light rain had set in at Welnert. Showers were reported in the vicinity of Munday and cloudy skies were reported from Stamford to Spur.

THRESHING OUTFIT AT WORK NEAR TOWN TODAY

Field of Oats on Hagerman Farm Nets Twenty-Five Bushels Per Acre.

Bartie and Hagerman's threshing outfit started on their first job at the farm of H. M. Hagerman, three miles east of town, this morning. They had finished up an oat field at noon—the crop averaging about 35 bushels per acre. This afternoon they are starting in on the wheat. Other threshing outfits are reported ready to start in different sections of the county and it is expected that the first of next week will see threshing on in full blast.

It is estimated that three-fourths of the wheat crop is now in the shock. Men who have been in the harvest field say the yield will be much better than was hoped for ten or fifteen days ago.

WEATHER FORECAST

Unsettled; showers tonight and Thursday.

"VOTES FOR WOMEN"

By Associated Press.

Oyster Bay, June 12.—Theodore Roosevelt announced this afternoon through Judge Ben B. Lindsey of Denver that he is in favor of woman's suffrage in this country and the platform which he will submit to the Chicago convention will contain an unequivocal declaration to that effect.

CUBAN FEDERALS DEFEAT REBELS

By Associated Press.

Calmariera, Cuba, June 12.—A battle is reported to have been fought between federals and rebels ten miles from Imias on the north coast of Oriente. The result of the fighting is not known.

By Associated Press. Santiago, Cuba, June 12.—A detachment of government troops under Major Colmao fought a battle today with the insurgents near El Corbra, ten miles west of here. The rebels were defeated, losing ten killed.

LILLIAN RUSSELL IS PITTSBURG EDITOR'S BRIDE

By Associated Press. Pittsburgh, Pa., June 12.—Lillian Russell was married today to Alexander P. Moore, editor of the Pittsburgh Ledger.

FATAL WRECK TODAY ON THE ATLANTIC RAILWAY

Fireman and Unidentified Man Killed—Fifty Persons Reported To Have Been Injured

By Associated Press. Atlanta, Ga., June 12.—In a wreck on the Atlantic railway north of Dalton, Georgia, three persons were killed and fifty to seventy-five injured, according to a report of Conductor W. A. Hill to the local office of the railroad. Fireman Holcomb and an unidentified section hand were the victims. The engine and six cars left the track and rolled down an embankment.

A negro porter was the third man killed. The wreck was caused by spreading rails.

CAUGHT SMUGGLING, HE SHOOTS TWO SOLDIERS

Cook in Employ of Government at El Paso Uses Revolver When Discovered.

By Associated Press. El Paso, Texas, June 12.—Antonio Ayila, a cook in the employ of the United States immigration service was caught in the act of smuggling ammunition to the Mexicans—rebels this morning and when a soldier attempted to search him, he shot two United States soldiers of the border guard and fled into Mexico.

He had been suspected of bringing ammunition with the groceries he bought, smuggling the ammunition across the line when he made frequent trips to Juarez. When accused today, he drew a revolver and shot the two soldiers. Ayila then dashed for the bridge. The American soldiers did not fire at him, as they did not wish to shoot across the border.

STAMFORD RAIN MAKERS WERE SUCCESSFUL

Stamford, Texas, June 12.—(Bulletin)—Stamford has solved the drought problem. A large quantity of dynamite was exploded near here from 10:45 a. m. to 12:30 p. m. today. At 3:20 o'clock this afternoon a heavy rain started continuing a downpour until 3:45. More than half an inch of rain fell. Reports of rain are coming in from other points in this section. The rain breaks a six weeks' drought.

COMMITTEE ADDS TO TAFT FORCES

ARIZONA DELEGATES AT LARGE PLACED IN HIS COLUMN THIS MORNING.

SUFFRAGETTES ON HAND

Oklahoma—Man Arrives to Work For Roosevelt Though His Wife Is For Taft.

By Associated Press. Chicago, Ill., June 12.—The six Arizona delegates at large were ordered seated by the Republican National committee this morning a viva voce vote being taken. Senator Borah's motion to seat the Roosevelt delegation was defeated after a roll call had been refused.

By a vote of 37 to 16, the California Taft delegates from the fourth district were seated.

The decisions up to noon today make a total of 109 Taft delegates seated, with one for Roosevelt. The decision favorable to Roosevelt was made in the case of one of the delegates from the Eleventh Kentucky district yesterday afternoon. The other delegate from that district was given to Taft.

Forty-five members of the Republican National committee were present when that body resumed its deliberations at 9:30 this morning.

Patrick Door and wife of Westville, Oklahoma, arrived last night the former prepared to battle for Theodore Roosevelt and Mrs. Door to support President Taft. Door was postmaster of Westville until Col. Roosevelt tossed his hat into the ring; then Door resigned. Mrs. Door remained a supporter of Taft and was appointed to her husband's former place.

Suffragettes who will urge the "votes for women" plank to the Republican National convention have decided to align themselves with neither the Taft nor Roosevelt forces. The plank, it was said, would be presented on the opening day of the convention and will be carried by a delegation of prominent suffragettes, headed by Miss Jane Adams and Miss S. T. Breckenridge.

HOUSTON POLICE FORCE IS TO BE INVESTIGATED

Many Affidavits Charging Brutality Filed By Citizens—Grand Jury Also Making Inquiry

By Associated Press. Houston, Texas, June 12.—Mayor H. Baldwin Rice has appealed the clamor on the part of the public against the city police force by announcing that he has taken up a rigid investigation and intends taking action in the near future. More than fifty affidavits have been lodged by citizens and others, charging brutality on the part of officers, while one grand jury indictment has been returned and others are expected.

The present conditions are alleged to have immediately followed the appointment of Henry L. Ransom, former ranger, as chief of police. Among the allegations made is that Ransom has stocked the force with non-citizens gathered mostly from rangers doing duty on the border.

LIBEL SUIT EVIDENCE IS BEING HEARD TODAY

Plaintiff Files Amendment Increasing Amount to \$60,000—Defense Witnesses Heard.

The suit of Kennedy vs. Moore still occupies the district court today and there is small prospect that it will go to the jury before tomorrow afternoon.

The direct testimony for the plaintiff was concluded this morning the defense started on its case. The defense put a number of witnesses on the stand this morning to testify concerning circumstances about the fire. The defense is not denying the statements attributed to Moore but is seeking to show that they were true and that plaintiff's reputation was not damaged thereby.

The plaintiff yesterday filed an amendment to his petition increasing his demand from \$50,000 to \$60,000.

TAFT TO VETO ABOLITION OF COMMERCE COURT

Tells Friends He Will Disapprove Measure Cutting Out Appropriation For It.

By Associated Press. Washington, D. C., June 12.—President Taft told friends today he would veto the legislative, executive and judicial appropriation bill if it abolishes the commerce court in effect by cutting out the court appropriation. Both the House and Senate have eliminated provision for the court from the measure. The President's friends say he will write a vigorous message.

Yesterday the Senate by a vote of 36 to 23 defeated an amendment to make provision for maintaining the court in the legislative, executive and judicial appropriation bill. By this vote the senate reversed its own appropriations committee which had reported the adoption of the bill. This put both houses of congress in accord on the matter of abolishing the court. There is a likelihood, it was asserted in official circles last night, that President Taft would veto the bill, because of the court's elimination.

The Democratic vote to abolish the court was as follows: Ashbur, Bacon, Bryan, Chamberlain, Chilton, Culberson, Fletcher, Gardner, Gore, Hitchcock, Johnson, Johnston, Martin, Martine, Myers, Overman, Pomeroy, Percy, Rayner, Reed, Shively, Simmons, Swanson, Smith of Georgia, Tillman and Watson.

The Republican negative vote was cast in the main by progressives but Senators Nelson and Heyburn joined in the opposition. The progressive Republicans voting this were: Bourne, Bristow, Clapp, Crawford, Cumming, Gronna, La Follette and Poinsette.

Senator Thornton of Louisiana was the only Democrat who voted for a continuance of the court. The twenty-two Republicans voting in support of the court were: Bradley, Burton, Cullom, Dillingham, Dupont, Gallinger, Jones, Lodge, Lorimer, McCumber, McLean, Oliver, Page, Perkins, Root, Smith of Michigan, Smoot, Stephenson, Sutherland, Warren, Townsend and Whitmore.

EARTHQUAKE ON ATLANTIC COAST

SOUTH CAROLINA AND GEORGIA REPORT SHOCKS THIS MORNING

Vibration Felt About 5:30 a. m., and Is Severe Enough To Be Disturbantly Noticeable

By Associated Press. Columbia, S. C., June 12.—Three distinct earth shocks were felt here this morning about 5:30. Many persons were awakened by the rocking of houses and their beds. So far as is known, no damage was done. Some report the shocks were severe enough to move their beds several inches across the room and in one instance the undulation was severe enough to throw parlor statuary from its pedestal.

A peculiar feature of the shocks, according to report, is that those who happened to be outside their houses at the time, did not feel them.

SHOCKS ALSO FELT AT AUGUSTA THIS MORNING.

Augusta, Ga., June 12.—Three earth shocks were felt here about 5:30 this morning. The shocks were about fifteen seconds in duration and before the effect of one had died away, another came.

On the sand hills three hundred feet above Augusta and in the best residence section, the vibrations were distinct.

ORDER STORM WARNINGS ON TEXAS GULF COAST

Disturbance Reported To Be Moving Northwestward Toward Galveston Today.

By Associated Press. New Orleans, June 12.—The storm which made its appearance last week bringing high tides along the coast west of Mobile is moving northward into Texas and the local weather bureau today issued the forecast "storm warnings" to the Galveston section of the Texas coast. The winds along the eastern portion of the Texas coast probably will increase in intensity today and tonight.

VARIED PROGRAM AT BOYS' CAMP

SCOUTS NOW IN COMPLETE POSSESSION AND ARE ENJOYING SELVES

HAS ITS PRACTICAL SIDE

Instruction in First-Aid-To-Injured Is Feature—Boat Ride On Lake Closed Day

The Y. M. C. A. boys are now in full possession of Lake Wichita and its environs. The conquest was complete on both land and water and Young Americans are having the time of its life.

The sixty-odd boys and leaders from Fort Worth and Wichita Falls who compose the camp are showing that it is possible to combine the pleasures of out-door life with practical training. a. n. d. instruction. Throughout the varied round of swimming and baseball and hunting and the like there is a seriousness of purpose and a definite aim that will bring the boys home not only strengthened and refreshed by their communion with Nature, but benefited both mentally and spiritually as well.

Under the tutelage of the leaders, the boys are shown how to get the greatest possible enjoyment out of camp life, how to keep out of danger, what to do in case of injury. They are instilled with a love of Nature and a respect for Nature's wonders. When they go "hunting" it is not with guns, but with cameras. They are taught never to kill anything that is not edible.

The camp is located in a little grove about 200 yards from the lake. It is shady and secluded and yet sufficiently elevated to give the campers the benefit of the night breezes.

The boys get up at 6:30 and begin the day with a "setting-up drill." This serves the double purpose of taking the kinks out of the youthful muscles and of organizing them and in a measure disciplining them for the day. Then follows breakfast. Substantial fare is provided, neither quantity nor quality being spared. After the meal the scraps are carried some distance away and buried. At present there are two cooks who preside over the culinary department, but it is part of the instruction of a boy scout to learn to cook and the campers will be required to eat their own concoctions before the camp ends.

After breakfast there is twenty minutes of Bible study. With the lake, and the fields and the baseball grounds all ready and inviting, one might suppose the average boy would be hard to teach the Bible to at that time of day, but such is the discipline of the camp that there is no disorder, no impatience. By 7:30 the Bible class is over and the day's sport begins.

Baseball, swimming, camera-hunting, fishing, water-polo—these and other sports are provided for the boys and full justice is done to each. Yesterday there were two ball games. The first was the old campers vs. the new campers, the old timers being victorious in a 12-inning game by a score of 9 to 8. In the afternoon the Wichita Falls boys defeated the Fort Worth contingent, 16 to 14.

Dinner is served at noon. It consists of meat, several vegetables and fruit. The afternoon is usually devoted to instruction in swimming and boating. The boys who can't swim are rapidly being taught and the proper handling of a row boat is also taught.

Supper, which is served about 6 o'clock, is followed by a class in "first aid to the injured." R. George Hill of Fort Worth, a scout master, usually conducts this lesson and it is something that an adult can attest with both pleasure and profit.

There is something to do in the case of practically every accident, the lesson teaches, and the boys are both told and shown what to do and how to do it.

A boat ride on the lake proved

WELL POSTED

A California Doctor With 40 Years Experience

"In my 40 years' experience as a teacher and practitioner along hygienic lines," says a Los Angeles physician, "I have never found a food to compare with Grape-Nuts for the benefit of the general health of all classes of people."

"I have recommended Grape-Nuts for a number of years to patients with the greatest success and every year's experience makes me more enthusiastic regarding its use."

"I make it a rule to always recommend Grape-Nuts and Postum in place of coffee, when giving my patients instructions as to diet for I know both Grape-Nuts and Postum can be digested by anyone."

"As for myself, when engaged in much mental work my diet twice a day consists of Grape-Nuts and rich cream. I find it just the thing to build up gray matter and keep the brain in good working order."

"In addition to its wonderful effects as a brain and nerve food Grape-Nuts always keeps the digestive organs in perfect, healthy tone. I carry it with me when I travel, otherwise I am almost certain to have trouble with my stomach." Name given by mail by Postum Co., Battle Creek, Mich.

Strong endorsements like the above from physicians all over the country have stamped Grape-Nuts the most scientific food in the world. "There's a reason."

Look in pkgs. for the famous little book, "The Road to Wellville."

Ever read the above letter? A new one appears from time to time. They are genuine, true and full of human interest.

IN WICHITA FALLS

Every Claim Is Backed By Local Testimony

If the reader wants stronger proof than the following statement and experience of a resident of Wichita Falls, what can it be?

Mrs. Mary Beck, 712 Seventh street, Wichita Falls, Texas, says: "Although I really do not like the idea of my name being used publicly, I feel that it is my duty to let every one who is suffering from kidney trouble know what a blessing Doan's Kidney Pills were to me. For years I suffered from kidney trouble having pains in my back and side and irregular action of the kidneys. I steadily grew worse and about three years ago the trouble reached a climax, when I had to take to the bed. For three months I was helpless and six local physicians said that I had Bright's disease. I was discouraged. About that time a friend suggested that I try Doan's Kidney Pills. I confess that I had no faith in them but as a last resort, I took them. From the first I began to improve and by the time I had taken the first box, I was much better. Four boxes entirely cured me. That was three years ago and since then on several occasions, I have used Doan's Kidney Pills. It gives me the greatest pleasure to publicly recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Robaten's Mineral Water. Is highly recommended by physicians and patrons who have tested its merits, for indigestion, catarrh of the stomach, kidney and bladder trouble. This water stimulates the secretion of the stomach, increases digestion and favors a more complete absorption of the food and prevents the action of germs that cause typhoid and other infectious diseases.

This water can be purchased at the wells or delivered in jugs or cases. This well is located one mile south of Alamo school building in Floral Heights, two deliveries daily morning and afternoon. G. J. Rohatch, Owner. Phone 1601—1 long—4 shorts.

Men's Silk Hose, every wanted color, special values at the pair. 25c and 50c

Don't fail to visit our Men's store. Everything for every man at the right price.

Pennington's

VARIED PROGRAM AT BOYS' CAMP

(Continued from page 1)

A pleasant good-night diversion. Twelve boats, with from four to six boys in each, made their way across the lake, where all came together and drifted while the campers sang and gave scout yells. Then a long line of boats was formed, lead by "Admiral" Cunningham and made its way back across to the docks. For those who were still not too tired, forty-two was the diversion, but most of the youngsters turned in.

Secretary G. W. Sheffer of the Fort Worth Y. M. C. A., has been elected camp leader. The other adult members of the camp advise with him as to the conduct of the camp and everything runs smoothly.

The routine is to be varied with "stunt nights," to which the public will be bidden and with other features.

Those in charge of the camp include: R. George Hill, G. A. Saam, J. A. Runyon, Charles E. Cunningham, Lester Jones, Charles White, Archie Parnam, G. W. Sheffer, all of Fort Worth and Secretary J. G. Anderson of the local association.

HIS TROUBLE NOT OF HEART

Real Facts In Regard To F. R. Huffman's Illness. Relief Obtained By Curing His Stomach Ailments.

Waynesville, N. C.—Mr. F. R. Huffman, of this city, says: "I suffered dreadfully with what I thought was heart trouble, and tried various medicines in vain."

After other remedies had failed, Theford's Black-Draught restored me to health. I would not feel safe without Black-Draught in the house. I consider it worth its weight in gold.

It cured my indigestion, and by this means I was restored to health. I can not express my gratitude for its benefits."

Good health depends on the condition of your digestion. Poor digestion and good health do not go together.

Theford's Black-Draught will thoroughly cleanse and set in order your digestive system.

It has done this for others, during the past 70 years, and is today the most popular vegetable liver remedy on the market. Try it.

Insist on Theford's. Price 25c.

GOV. COLQUITT TO SPEAK HERE JUNE 18

Judge Edgar Scurry received a telegram this afternoon from R. M. Colquitt announcing that Gov. O. B. Colquitt would speak in Wichita Falls Tuesday evening June 18th at 8:30 o'clock. Further announcements concerning the speaking will appear in tomorrow's issue.

OIL SAND FOUND ON COWAN RANCH

It is rumored that the J. M. Guffey Company has a good showing in its well on the Cowan ranch in Archer county at a depth of about 960 feet. This is probably the same sand as that found in the Miller well about five miles southwest of that location. It is reported that while the sand found by the Guffey Company is only three feet thick that it would pay to put on the pump. The well is being drilled deeper and those who have been discouraged over the slow developments in Archer county are now taking fresh hope.

The distance of this well from the Miller well gives grounds for the belief that the sands extend under a considerable area and it is believed one of the many wells now drilling in that section will find a denser pool.

It is reported that the Producers' Oil Company is getting ready to drill a well near Murray post office in the southwestern part of Young county. There is an old gas well near this location.

THIRTY BARREL WELL IS STRUCK IN SHALLOW SAND

The Peoples' Oil and Gas Company are reported to have struck a good flow of oil in a sand on the Lockridge tract at Petrolia at a depth of only 275 feet. This well, it is said is good for from thirty to thirty-five barrels per day. The rig is now being moved to a new location on the same tract. This is one of the best shallow wells that has yet been found at Petrolia.

MRS. CORNISH AND FATHER RELEASED ON \$2,000 BOND.

Lawton, Okla., June 12.—Mrs. Hatie Cornish and her father, Dr. J. H. Jenkins, charged with the murder of Almer Cornish, were today released on \$2,000 bond each, following the close of the habeas corpus hearing in the district court. The special grand jury which was summoned to investigate the charges against Mrs. Cornish and which returned the double indictment, has begun an adjourned sitting and is understood, is investigating additional charges.

Case is Dismissed
Harley Anderson, who was charged with perpetrating the white slave act, married the complaining witness last Saturday at Keifer. Anderson had been bound over to the federal court at Enid but his act of marrying the girl, Lona Davis, will in all probability cause the case to be dismissed.—Tulsa Democrat.

AMERICAN WOMAN GETS \$4000 MEXICAN INDEMNITY.

Mexico City, June 12.—The claim of Mrs. Jennie Martha Preston for \$4,000 pesos (\$4,000 gold) indemnity for the death of her husband at El Paso during the Madero revolution was paid today by the Mexican government.

Minister Pedro Lascruian of the department of foreign relations said last night that this case was in no way an exception to the procedure which would be observed in other cases. He stated that this case was only one which was easy of proof and which had been early on the long list in the hands of the department in charge of claims.

Dr. L. C. Tyson brought in a bunch of wheat heads this afternoon to show what the rain storm of five weeks ago mentioned in yesterday's Times did for him. The heads were from five to seven inches in length and contained all the way from 25 to 35 well developed grains. Dr. Tyson has 135 acres in wheat but of course all of it is not as good as the samples shown. The heads, however, are a fair sample of the kind of wheat that would have been raised all over the Wichita country had the rain five weeks ago been as heavy generally as it was in the small territory over which it fell.

It is believed that the increase in scholastic population within the city will permit another session being commenced here. It is said that several prospective applicants will file their applications as soon as the question is definitely determined.

WHITE CAPPERS ACTIVE IN VICINITY OF PARIS

Reported to Have Fired Into Homes of Negroes—Latter Are Ordered to Leave.

By Associated Press.
Paris, Texas, June 12.—It was reported here today that white cappers have again appeared in the eastern portion of Lamar county, shooting into negro houses.
Sunday night the home of one negro was fired into and his daughter was wounded. Many negroes are leaving that section as ordered.

DON'T FEEL BLUE

Liver Clogged Up—That's All—You Need Hot Springs Liver Bitters. Ask Stenocipher & Smith.

Little, dainty, magical workers that unclog the liver and set free the poisonous matter. Then gently, but surely, drives it from your system.

Among people who have visited Hot Springs, the Hot Springs Liver Bitters are almost as famous as the healing waters.

Once the victim of constipation or of a rebellious liver uses these wonderful little health promoters he has no further use for any other pills, salts, cathartics, or purgatives.

Thousands upon thousands of people depend upon Hot Springs Liver Bitters to keep them in superb health.

Nothing known any better for constipation, torpid liver, upset stomach, headache, dizziness, nervousness or that down and out feeling. Box for only 25 cents at Stenocipher and Smith Drug Store. Mail orders from Hot Springs Chemical Co., Hot Springs, Ark.

14-YEAR-OLD BOY MISSING, LEFT HOME HERE SATURDAY

Alba Bryant, 14 years old, has been missing since Saturday from the home of W. S. Haid, 1409 Tenth street and anxious inquiries are being made for him. He is reported to have been seen on the road between this city and Iowa Park, but definite knowledge as to his whereabouts is lacking.

The boy was adopted by Mr. and Mrs. Haid and by Mrs. Day, Mrs. Haid's mother, last January. His father and mother were killed at Seymour last year in a cyclone, following which the boy was cared for by a man who worked on a farm in that section. When the foster mother died he came to this city and found a home with Mr. and Mrs. Haid, with whom he had become quite a favorite. When he left home last Saturday afternoon he was clad in a tan suit with hat to match, knee trousers and tan shoes. Mr. and Mrs. Haid are anxious to secure information concerning him as they do not believe he would deliberately run away.

Freckled Girls

It is an absolute fact, that one 50 cent jar of WILSON'S FRECKLE CREAM will either remove your freckles or cause them to fade and that two jars will even in the most severe cases completely guarantee this and to return your money without argument if your complexion is not fully restored to its natural beauty. WILSON'S FRECKLE CREAM is fine, fragrant and absolutely harmless. Will not make hair grow but will positively remove TAN, PIMPLES and FRECKLES. Come in today and try it. The jars are large and results absolutely certain. Sent by mail if desired. Price 50c. Mammoth jars \$1.00. WILSON'S FAIR SKIN SOAP 25c.

DURANT LOSES OPENING GAME

DRILLERS HIT BALL HARD IN TWO INNINGS AND WIN EASILY

GOOD BASEBALL ANYHOW

Adams Pitches Good Ball For Most of Game—Myers Holds Visitors Safe

Wichita Falls opened the second half of the season by winning easily from the Durant team, 13 to 2. Despite the score, there were seven innings of really good baseball and the large score is not due so much to poor playing by the Durant boys as it is to hard hitting by the Drillers.

Myers was the pitching selection for the locals and he held the visitors to five hits, two of which came in the first inning. He fanned ten opposing batters. Adams, who pitched for the visitors, seemed to lack control in the third and eighth innings, but pitched shut out ball the rest of the time.

Brown played second for the locals and got away safely with five out of six chances. Ty Cobb Phillips is out of the game with a bad hand. Kizzlar continued his hitting streak yesterday with two doubles and a single. Lawrence was also a loud noise with the stick, a double and three singles being his portion. Clark landed for a home run in the third. Foley White has yet to show his class as a hitter, he having one single out of nine times up in two games.

The Durant team seems to have done some swapping since we saw them last. Only McCullum, Green and Deardorff remain of the nine which was here the early part of the season. Harper, late of Greenville is now manager and Hornbuckle, once of Henrietta but more recently of Greenville is behind the bat.

Durant scored in the first. With two out, McCullum singled and scored from first on Tucker's two-bagger. McCullum hit a homer in the sixth for the other score.

The Drillers started in the third. After Myers had fanned, Guthrie was safe on an error. Foley White fanned and Brown singled. Lawrence singled scoring Guthrie and Kizzlar doubled, scoring Brown and Lawrence. Clark dropped one over the left field fence, clearing the bases. The Drillers did not score again until the eighth. Lawrence who was first up, hit for a pair of sacks and Kizzlar walked, each advancing a base on a passed ball. Clark singled, scoring both. Morris fanned and Beckham scored Clark with a two base drive. Myers singled, scoring Beckham. Guthrie singled and White filed out to center. Brown was safe on an error. Lawrence got his second hit in this one inning, scoring Myers and Guthrie. Kizzlar hit for two bases, scoring Lawrence. Clark filed out and the side was retired.

The score:

Two Kinds of Meats Which Do You Prefer?

SENT TO YOU
BY AUTO

PHONES
432 & 233

The first kind of meats that you can buy cost you less money than what my meats will cost you; but they won't give that satisfaction on the table that you are looking for. They will be tough, difficult to cook, practically tasteless when cooked and far from appetizing.

The other kind that I can furnish you, while they will cost a cent or two more per pound perhaps, will be tender, juicy, full of rich flavor; easy to cook; extremely appetizing and will please the whole family.

I know pretty nearly which kind you prefer and want your order for the latter kind at a fair price with the best of service.

Entered at the Postoffice at Wichita Falls
as second-class mail matter

Wichita Falls, Texas, June 12th, 1912.

303 WICHITA FALLS 303

The time for candidates for district and State offices to get their names on the ticket for the July primary expired on the 3rd, and the time limit for county and precinct officers will expire on the 15th. Therefore, if you want to get on the ticket for a precinct or county office you only have four more days in which to qualify as a candidate.

There are now thirty-three candidates for Congressman-at-large, and only two to be elected. Few of them are known to the people of the State, and in all probability the various candidates will not be voted for largely outside of the counties and districts in which they are acquainted. If the usual method of drawing for place on the official ballot is resorted to, the two candidates who win first and second place will more than likely receive a greater number of votes than the other thirty-one, therefore it will depend largely on luck as to which two candidates will win the nomination.

Texas needs a law requiring the publication of all renditions of property for taxation purposes. The list as made out should be published in some local paper prior to the date of notices sent out by the equalization board requesting taxpayers to appear and show cause why their rendition should not be changed. In no other way can rendition be made equal and uniform. Publicity is a protection to the man who enters his property for a fair valuation. Publicity exposes the man or the firm that try to dodge a fair share of support to the government. Immediately following completion of the tax rolls the lists should be handed to the printer and given to the public. The Texas Legislature should pass a law providing for publicity of renditions, for it is the only way to secure to the taxpayers an equal division of the burdens of government. The press of Texas could do its readers no greater service than to urge a law of this kind. The need for it cannot be seriously denied.—Tyler Courier-Times.

There is not the least doubt but the publication of taxable values would greatly assist in equalizing taxation, but the greatest injustice in the assessment of Taxes is that the fellow who owns a home valued at say \$2000, has paid only about \$500 on same, and is assessed for taxes on all of it, when as a matter of fact the fellow who owns the vendor lien notes in nine cases out of ten, dodges the tax on same. It occurs to the Times that a more equitable way of adjusting the tax on mortgage property would be to assess the mortgaged property at its taxable value, and divide the tax in proportion to their equity in the property between the owner of the property and the owner of the vendor lien notes against same. To assess both the property and Vendor lien notes is a double tax. Everyone recognizes this fact, and as it is comparatively an easy matter to dodge the tax on the vendor liens, nine out of every ten owners of such security avail themselves of the opportunity afforded, and refuse to render them for taxes. This makes it necessary for the fellow who owns the mortgaged property not only to pay the interest on the vendor lien notes, but also the tax to keep up the government, which is a burden he could be relieved of to some extent at least if the law was such that the tax should be assessed in proportion to the ownership of the property. If all vendor lien notes now held on Wichita Falls and Wichita county property were rendered for taxes in Wichita county, the taxable values would be increased by at least a million dollars or so, and a lower tax-rate would necessarily follow. The way things are now, the man who is so unfortunate as to be placed in a position as to have to borrow money and mortgage his property to secure same, is compelled to pay an unjust tax by the fact that under our law taxable Vendor lien notes is so construed as to provide ample loopholes through which the man who owns the notes can escape taxation on them if he so desires, and by far the greater proportion of such taxable values do escape taxation.

LIE ABOUT FIRE INSURANCE.

Much has been said about fire insurance rates during the past few years, and the fire insurance companies have been so heavy that their losses have been so heavy that they are not making a reasonable return on their investment. They have made the state board of fire insurance believe their statement and as a result rates have been enormously increased. But there is a lie out

somewhere. The Independent is in receipt of a circular from Washington which bears this statement:

"The twenty-two American fire insurance companies, capitalized at one million dollars, or more, increased their assets \$64,703,640.00 in three years—from 1907 to 1910—and during the same period, also paid their stockholders \$19,333,960.00 in cash dividends. Their average net earnings to stockholders in 1910 were 40 and 50 per cent, and in 1911, 41 and 210 per cent."

This statement is not made by some agitator or political buccaneer, but by men of affairs whose veracity can hardly be called in question. Here they are:

George W. Atkinson, Justice of the United States court of claims; former governor of the State of West Virginia.

Charles F. Carusi, dean of the National University School of law, Washington, D. C.

Ashley M. Gould, Justice of the supreme court of the District of Columbia; former United States district attorney.

Robert H. Harper, president of the District National Bank, Washington, D. C., twice president Washington Chamber of Commerce.

William H. Ingersoll of Robert H. Ingersoll & Company, watch manufacturers.

E. E. Jordan, president of the United States Trust Company of Washington, D. C.; vice president Commercial National Bank.

Howard C. Shoder, auditor for the U. S. Interior department; president Globe fire insurance company; former superintendent of insurance, State of South Dakota.

Robert J. Wynne, former postmaster general of the United States and United States consul-general at London, England.

Fire insurance rates in Texas are intolerable, and in view of this statement, signed by these men, the state board of fire insurance is due to make some kind of an explanation or a refutation if it can.—Henrietta Independent.

A gentleman came into this office the other day and paid fifty cents for back subscription. Owing to a mistake he had gotten the Review delivered to him for one month longer than he had been charged for but after paying his bill he found that he owed for one month longer than his bill called for. He immediately came to the office with fifty cents and cheerfully handed it over. The man is a poet a gentleman and a scholar. It is a common thing to find people who regard an obligation to pay for newspapers just about as seriously as they would to build a monument to the memory of Nebuchadnezzar. It did us good to shake hands with a man who would pay back subscription when he didn't have to.—Clebourn Review.

Will you kindly secure a photograph of this phenomena and mail it to us? We desire to have a double column cut made and feature our front page with it.—Denison Herald.

All of which goes to prove that a man does not have to die or take Peruna in order to get his picture in the paper. Just do like the Cleburne man and pay for the month's subscription that was overlooked. You will then be on a level with the fellow who, at the end of his journey, looked up the conductor to remind him that he had failed to take up his ticket.

FIFTEEN YEARS AGO.

Time brings many changes. In the "Fifteen Years Ago" column of the San Antonio Express of Thursday appeared this item:

The annual meeting of the State Farmers' Alliance will be held in Dallas Aug. 17. Among the prominent speakers will be Tom Watson of Georgia, E. H. R. Green of the Texas Midland railroad, ex-Governor Barnett Gibbs, Evan Jones and others. In those days the Populist and Republican parties co-operated in Texas to overthrow the Democratic party in state and nation. The alliance was an unnatural one and failed. Today Tom Watson heads the delegation from Georgia to the Democratic national convention; E. H. R. Green is a Republican still and we suppose he is fighting the encroachment of Populism in his own party; ex-Governor Barnett Gibbs has passed to his reward. Cyclone Davis and other Texas Populist leaders are back in the Democratic party and just now are rejoicing over having written some of their doctrine in to the Texas Democratic platform. Some newspapers that supported the Pop-Rep. fusion of fifteen years ago are reading old-line Democrats out of the party today.

Fifteen years have brought all these changes. What will the next fifteen years bring?—Fort Worth Record.

Time certainly brings about some most wonderful changes. About the time all this was going on the distinguished editor of one of our most prominent daily newspapers of the state, was advocating the election of a Republican to congress over the Democratic nominee. Let's keep the record straight.

Will sell my four room house and bath on Tenth street in Floral Heights for \$1750, payments. City board of equalization assessed this property at \$2000. Here's a chance to make \$250 easy. O. J. Pickle. 26-3tc

Corpus Christi—A proposition has been presented to this city to erect a modern gas plant here to cost \$100,000.

El Paso—The contract has been let for the construction of an electric line from this city to Ysleta. Work is expected to commence at once and the line is expected to be in operation in six months.

ARMY AVIATORS KILLED
IN WASHINGTON FLIGHT

Wings Crumple While Birdmen Are Seventy-Five Feet in Air, Machine Falling.

By Associated Press.
Washington, D. C., June 12.—Two more victims were laid upon the sacrificial altar of aviation last night when the mutilated bodies of Lieutenant Leighton Hazlehurst, Jr., 17th Infantry, U. S. A., and Alfred L. Welch, a professional aviator in the employ of the Wright brothers, were taken from under the debris of a collapsed aeroplane. The accident occurred while they were attempting to make the tests required by the government in a machine contracted for by the war department.

The aeroplane moved off steadily and flew the length of the field, rising 200 feet. As it was turned toward the group of army officers before the hangars Welch dipped sharply to indicate to the official timer that he was ready for the stiff test climb.

The dip carried the machine to within about seventy-five feet of the ground and it then straightened out sharply, too quickly, the observing army officials thought. Without warning the aluminum wings crumpled, or collapsed upward so that they almost met above the engine. The machine dropped, then turned her nose toward the earth and dived.

The accident occurred about 1,000 feet from the hangars and when the first witness reached the wreck it was seen that both of the men were dead. Welch was buried in the debris, but the body of Hazlehurst had been thrown fully twenty feet away after the machine struck.

Dallas—During the fiscal year ending May 31, this city has issued \$5,409,665 in building permits.

Boy Loses \$33,000 Because He Chose Burglar's Career.

Frank Mear, of Cleveland was in the will of his uncle, R. C. Mear for a third of his \$100,000 estate, but preferred to become a member of a safe-blowing gang. When the will was filed it was found that a codicil revoked Frank's share because of his waywardness.

Washington's Prunes are Cheaper than New York's.

The discovery has been made in Washington, D. C., since it became known that prunes sell for 5c each in Washington and Chicago hotels and restaurants that they sell in Washington for 1 1/4 cents apiece.

The portions served in Washington cost 25 cents and contain at least 25 prunes.

WILEY BROS.

Proprietors

THERE IS NO GOOD REASON

why you should not have the best. In many instances it costs less than some cheap and inferior article. If you can't judge for yourself then trust to a reliable firm, one who does know, one who has been in the same line of business a lifetime. Experience has taught us to advertise only the best. True, we have cheap wares, such as certain class of trade demands, but you will never know of us spending good money to advertise a poor article. Hence you can trust and believe us when we tell you that Clark's Chicago Jewel Gas Stoves are the best. For every point of advantage that our competitor will attempt to show you, we will show five points of advantage that we claim and prove for Clark's Chicago Jewel over any other natural gas stove that has been offered for sale in Wichita Falls. You may ask, Why? Yes, why do you know so much about stoves, and why do you know that the Clark's Chicago Jewel stove is so much better.

Our answer is EXPERIENCE, yes a life long experience in the stove business has taught us that gas and gasoline stoves should be made of stamped steel, a double

connected wheel valve, a double asbestos lined steel oven bottom, that is only three points of a score of advantages that Clark's Jewel Gas Stove has over all others who have just recently entered into the manufacture of gas stoves with the view of taking the business from the old reliable manufacturers Geo. M. Clark & Co's Jewel Stoves that so well deserve the support of its agents and satisfied customers. Before you buy a gas stove, call at our store and see our Clark's Jewel, note carefully the advantage that this wonderful stove has over all others. We show a very popular pattern, the square top with broiler, notice the wheel valve, the oven lighter on the side, its neat appearance and general construction. Seeing is knowing; come and be shown.

Asbestos Sad Iron

Here we show the Asbestos Sad Iron, possibly you need a new iron to keep those dresses nicely ironed. We are selling quite a lot of these Asbestos lined irons and we believe they are much better than the regular old patterns of Pott's Irons and cost only a trifle more.

Economy Fireplace Heater

True, it's a little early to talk Heaters, but we just remind you that the Economy Fireplace Heater is going to be the household word this winter, and why shouldn't you know about it now. Did you see our Sunday ad? If not, we ask that you refer to it and read it. You may need a new heater when cold weather sets in and it would be well to know about this new Fireplace Furnace.

Bear in mind that our shelves are loaded to their capacity at all times with the best line of hardware, tinware enameled ware and a complete line of such goods as are usually sold in a first class hardware store.

Wichita Hardware Co.

804-806 Ohio Avenue.

Wichita Falls, Texas.

Better Build Now

Lumber will be higher in a little while as the manufacturers have already advanced their prices considerably. Our stock consists of the BEST LOUISIANA LONG LEAF YELLOW PINE for framing and outside work, and the WORLD FAMOUS ARKANSAS SHORT LEAF for flooring and interior finish. A visit to our yard is all that is necessary for you to be convinced that this is the place to buy your material if you consult your best interests.

Prices low as the lowest.

We are headquarters; send us your orders: **CARROL-BROUGH-ROBINSON-GATES**
WICHITA FALLS, TEXAS

PERSONAL MENTION

W. M. Purdy and Walert Baggett of Stamford, were in the city yesterday and today on business.

Mr. and Mrs. W. P. Slater and Herbert Higginbotham of Ennis, Texas were automobile tourists who spent the night in Wichita Falls.

Mrs. Forky and daughter Eva Venable were visitors here last night.

W. S. McClellan of Dallas, is in the city visiting his parents, Mr. and Mrs. W. A. McClellan.

W. L. Klusheute of Windthorst, and Mrs. H. H. Haggard from Henrietta, are in the city the guests of Mr. and Mrs. Ed Harrison, 1102 Bluff street.

Mrs. E. Z. Morrow and little daughter who have been visiting Mr. and Mrs. B. T. Burgess, left yesterday for their home at Bloomfield, Iowa.

Mrs. H. L. Montgomery and son Willis Mey, have gone to Rochester for a visit with her daughter, Mrs. A. M. Penman.

Mrs. G. Burns and children have returned from Anson where they have been visiting relatives.

S. Y. Ferguson, who has business interests at Electra, returned here this afternoon after a business trip to that city.

Mrs. Wiley Blair left this afternoon for Fort Worth to remain for several days visiting Mrs. Ed Lynght.

E. L. Stipes, a prosperous farmer living near this city, left this afternoon for Rockport, Texas, on the Gulf of Mexico, where he will remain indefinitely in the hope of improving his health.

Wade Hampton, manager of the North Texas Gas Company, left this morning on a business trip to Decatur. Dr. R. W. King, a prominent physician of Dundee, arrived here this afternoon on a short business trip.

M. J. Gardner returned this morning from Jolly, where he has been looking after the wheat and oats harvest on his ranch near that place.

Mrs. J. B. Stokes accompanied by her daughter, Miss Tula, left this morning for Mineral Wells, to spend a few weeks with her husband, J. B. Stokes, manager of the Water and Light System in that city.

Mrs. R. E. Huff and son, Robert, returned today from Lawton, Okla., where they have been visiting friends for the last week or ten days.

Wiley Blair returned last night from a business trip to Dallas.

Mrs. W. P. Bucy and daughter, Mrs. J. R. Bucy, passed through here this afternoon en route to Childress, after a stay of several weeks in Rising Star, Texas, where they visited relatives.

Dr. R. L. Smith is absent from the city on a business trip to Huff. He left last night.

Miss Mabelle Clifton, who has been absent from the city for the last several weeks visiting friends in Fort Worth, and attending a house party in Mineral Wells, returned here this afternoon.

H. A. Gausewitz, general superintendent of the Fort Worth and Denver, passed through here this afternoon en route from his headquarters in Fort Worth to points on the Wichita Valley, where he goes to make a trip of inspection.

Capt Will A. Miller and wife are in the city from their home in Amarillo, and will remain for a few days as the guest of their son, Dr. R. L. Miller and family.

Clyde L. Holley, a former resident of this city but now living in Amarillo, where he is chief bonus clerk for the Santa Fe railroad company, is here for a few days visiting his mother, Mrs. J. W. Lee.

Mrs. Fred Harrington and little daughter returned last night from a visit to relatives at Ryan, Okla.

W. H. Myers, rancher and oil man, arrived here today from his home in Henrietta. He comes here for a short time on business.

S. Walkup constabulary at Electra, left this afternoon for his home, after remaining here for several days on business, connected with the district court.

HARRISON-EVERTON SALE PROVES VERY SUCCESSFUL.

F. M. Meyers of Iowa Park, was in the city this morning and purchased a fine Concord piano at the Harrison-Everton factory sale that is now in progress. Mr. Meyers read the advertisement of the sale in The Times, and as crops and prospects are excellent on his farm this year, he took immediate advantage of the opportunity to save some money on a musical instrument.

The Harrison-Everton sale proved a great success on the opening day yesterday. Three instruments were sold and a large number of selections were made by parties who wished to decide later.

Giddings—The contract has been let for the grading of the four-mile section of the Giddings & Stone City steam line.

A WOMAN'S HAIR

has more to do with her beauty than anything else. A nice head of hair, properly taken care of will give to the most ordinary features an indescribable charm which cannot be obtained by any other means. On the other hand, no woman without pretty hair well cared for, will ever be considered beautiful or attractive, or even pretty.

We have shampoos—preparations that will strengthen, invigorate—cure dandruff—in fact, everything to make your hair the beauty nature intended.

The Rexall Drug Store

We Have Triplets

which is something that should be in every home. Probably you think you know your own business and can tell that you do not want triplets. Triplets you understand are twins and a half, one-fourth of a dozen or three in number.

Now if you think you do not need triplets come in and if we do not prove to you beyond a reasonable doubt that you are wrong we will give you a season ticket to Henrietta.

These triplets are not as expensive as most of the ones you have met, they cost one dollar and fifty cents and if you want to get in as a charter member of the Association of wise ones wake up the operator and ask for 341 and they are coming right up to sit on your dressing table. They are IMOGENE TOILET WATER, JAPANESE MASATA TALCUM POWDER, and DIKE'S PEROXIDE CREAM. They are all that the dictionary means when it says quality and elegance.

"ONLY THE BEST"

Free Delivery

Use DIP-EM

on your horses, cattle, sheep, hogs, dogs, cats and poultry. In fact use it on everything that is capable of becoming infected with pestering insects of any kind. We positively guarantee it to rid all animals as well as poultry of fleas, lice, mites, ticks and all other vermin and insects.

DIP-EM is a most positive necessity in the home in the interest of good health. A thorough disinfectant and germicide, should be used all about the house, in sinks, sewer, out-houses and stables to keep down insects, kill disease germs and prevent the spread of the fly, the one great factor in the spread of typhoid.

We sell DIP-EM in pint bottles for 25c which will make 75 pints of disinfectant. Use it now.

YOU ARE REQUESTED TO READ THIS LETTER

Wichita Falls, Texas, June 4, 1912.
Drs. Duncan and Duncan, city.

Dear Doctors:
It is with pleasure I try to tell of the great benefit I have received from your treatments. When I started taking treatments I was in such bad health that I had given up all hope of ever being well. I was so weak and nervous I could hardly walk. I suffered, but an operation would ever cure me, but I am so glad I found out different. Since beginning taking your treatment over three months ago, my health has so improved I hardly feel like the same person. From the first treatment I received so much benefit that I slept all night, something I had not done for months. I wish every woman suffering as I was knew of this wonderful treatment. I will be glad to answer all letters. Hundreds knew my condition before I went to Drs. Duncan & Duncan.

Yours truly,

Mrs. Martha Johnson.

LOOKS LIKE DEADLOCK ON REPEAL OF RECIPROcity.

By Associated Press.
Washington, D. C., June 12.—A deadlock between both Houses of Congress over the Senate proposal to repeal the Canadian reciprocity law was foreshadowed when the Senate today by a vote of 33 to 27 refused to recede from its amendment to the iron and steel tariff revision bill, embodying the repeal provision.

PRESIDENT ASKS \$100,000 FOR VOLCANO SUFFERERS.

By Associated Press.
Washington, D. C., June 12.—President Taft in a special message to Congress today asked for an appropriation of \$100,000 to be expended by the revenue cutter service in caring for volcano victims near Kodiak, Alaska.

DYING MAN DECLARES HIS WIFE POISONED HIM.

Magnolia, Miss., June 12.—A dying statement of W. C. Dickey that his wife had poisoned him, so it was reported today, is held in evidence against Mrs. Callie Dickey of Osyka, twelve miles from here, who was arrested last night for the alleged murder of her husband. Mrs. Dickey declares she is innocent and says she has no dread of imprisonment and trial.

IT'S A STRANGE THING!

PRELIMINARIES TO THE CONVENTION

(Continued From Page One)

hotel to themselves. They have reserved all the rooms and parlors in the Eutaw House, one of the older hostleries at the corner of Eutaw and Baltimore streets. This hotel was badly damaged by fire a few weeks ago but it is expected that repairs will be finished before the convention opens.

The hotel headquarters of the Wilson, Harmon and Clark workers are in the Emerson, at the corner of Calvert and Charles streets, in the heart of the business district and only half a block from the Munsey and Equitable buildings. The Wilson committee has the banquet hall and parlor on the mezzanine floor and 14 bed rooms. The Harmon men have 15 sleeping rooms and a parlor on the mezzanine floor for their meetings.

Two of the notable figures in Baltimore during the convention will be William J. Bryan and Alton B. Parker, the former thrice and the latter once the choice of a Democratic presidential convention. Col. Bryan comes as a delegate from Nebraska and Judge Parker as a delegate from New York. The Nebraskan and his brother have a suite at the Belvedere adjoining the rooms of the National committee, and the Nebraska delegation also has quarters in the same hotel. Judge Parker will stay at the Emerson, where the New York State delegation will make its headquarters although not all the 90 delegates from that state have been able to obtain accommodations there.

Tammany Hall has taken 25 rooms at the Emerson, having abandoned the plan of coming to Baltimore on a big steamer and using the craft as a hotel during the convention. Other celebrities from the Empire State who have suites at this hotel are Gov. Dix, U. S. Senator O'Gorman and Charles A. Murphy, the Tammany Hall leader. Col. George Harvey also has announced his intention of staying there. The rooms of the New York leaders are expected to

become one of the important skirmish grounds of convention week, since this state sends the largest delegation and its representatives come unannounced. Until developments in the convention hall itself are conclusive the deliberations of the New York leaders and conference at the headquarters of Mr. Bryan are expected to attract the greatest attention.

The most unique—and if the weather is very warm the most comfortable—quarters in Baltimore have been engaged by William R. Hearst. For the use of himself and his friends the New York editor has taken the big roof garden on the Hotel Emerson.

Other state delegations that already have established quarters are located as follows: Hotel Remert—Rhode Island, Iowa, Mississippi, Virginia, part of West Virginia.

Hotel Emerson—Minnesota, Vermont, North Carolina, Kentucky, Missouri, part of West Virginia.

The handling of the convention arrangements, separate from the purely political end, is in the hands of a large number of local committees, which have their quarters on the first floor of the Equitable building. Here a large suite of offices filled with employees will be devoted to the work of making the convention visitors comfortable and at home.

Card of Thanks.

We wish to tender our most heart felt thanks to our friends who were so kind and thoughtful during our recent bereavement. Mr. and Mrs. R. L. Smith.

Move On Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25 cents at all druggists.

Dallas—Reports from the Gal, Texas & Western state that that line will build a line from Jackboro to Salesville, a distance of 24 miles where connections will be made with the Mineral Wells and Northwestern.
