NUMBER 49

Editor's Viewpoint

RAYMOND GREENWOOD

My "think rain" attitude in last week's paper might not have brought a great deal of moisture, but at least we had some of the most favorable looking clouds yet.

Reports around town have it that it "rained" between .2 and .4 of an inch in parts of Burk Burnett Sunday night. Maybe in the next few days that decimal point will move around to the other side of the numbers.

I know a rain is forth coming soon though, cause football season is almost here and it always rains either prior to or during some football game.

The Ray Zacharys of Randlett have just come back from the Hawaiian trip won in the Informer Subscription Sweepstakes. Ray said "It was just fantastic -- I just couldn't believe it." Several shots of the Zacharys enjoying their trip are in this edition and for those of you that really didn't try to win the trip -- eat your hearts out!!

Seriously, as you can tell from the photos, they think Hawaii is great. Maybe next year or so the Informer will have another similar Sweepstakes and maybe you will be the winner.

Dumitru Danielopol, the well known news columnist (Copley Press) wonders if he didn't come to this country 25 years too soon.

According to some politicians, he relates, everyone is "entitled" to a guaranteed income ranging from \$6,500 to \$10,000 for a family of four. Everyone would have a six-week vacation every year; government should take care of everyone's children; medical and dental care should be free for poor people; national subsidies are due everyone.

"I read a lot of testimony but no one seemed to mention hard work, initiative, or doing a better job," writes Danielopol. "As I recall, no one offered programs to the 'poor' when I arrived in New York 25 years ago. And believe me, I qualified under any yardstick you want to use."

Danielopol explains that as a non-resident alien he couldn't have a regular job. Two lawyers who owned property in New York City "took pity on him" and made him manager - renting agent for 120 apartments on commission. He kept that job for five years, even after he took a second job at Radio Free Europe in 1950. He ran up and down stairs looking after contracts, repairs, cleaning, painting, and deadbeats, along with working as a writer, announcer, actor and planner.

"It never crossed my mind that anyone owed me a living," says Danielopol. "I did what millions of immigrants like myself have done for a couple of centuries. I fended for myself."

His Radio Free Europe job paid only \$3,500 a year, so Danielopol taught English to fellow Romanians at \$5 a lesson. He became "assistant" to a photographer, selling pictures of weddings and christenings and made 30¢ a copy. He supplemented his income by sometimes selling paintings, sometimes mutual funds. It was no sinecure, he says; it was either sell or starve. All of which kept him working to 11 p.m., and he had to be up at 5:30 a.m. to be in the Radio Free Europe studio at 6.

"Looking back, I suppose they were difficult years. I didn't feel sorry for myself. I just thought how lucky I was to be in this country, where I was free to take the initiative, free to try, free to exercise my talent God was kind enough to give me."

TRYS TO SHORT CHANGE BANKER--Jay Brumley, left, a reformed short change artist demonstrates on Jerry McClure to those present at the Chamber Luncheon Monday how short change artists work. "If someone gives you too much money and then tries to walk away--watch out," states Brumley. "He's about to get to you."

Board Okay's Tax Rate, Budget

The two items that run hand in hand to some degree were approved Monday night during the regular scheduled Burk Burnett School Board meeting -- the 1972-73 tax rate and the amended school budget.

The tax rate for the coming year will remain the same as last year which is \$1.50 per \$100 based on a 33 1/3% evaluation. The current evaluation of all property in the Burk Burnett School District is \$17,293, 670 according to Raymond Smart, tax assessor-collector for the school. This figure represents almost a one million dollar increase over last years. Much of the increase is due to the large amount of construction in the school district this past year, stated Smart.

The budget for the school system as amended reached a total of \$2,210,441. This was an increase of approximately \$15,000 over the anticipated budget. The \$12,000 band hall and the expensive track just completed this past year were not included in the original budget.

The board also set Thursday, Aug. 17 at 7:00 as the date for

the open budget hearing for the board to come up with a budget for the '72-'73 school year. Already adopted for the new budget was the athletic budget in the amount of \$23,495, the band budget of \$10,120 and the choir budget of \$825.

Equipment was the biggest cost item in the athletic budget with an expected \$7,500 going for new equipment and \$950 for equipment repairs.

The \$10,120 band budget includes \$4,320 for new instruments, \$2,000 for instrument repair and \$2,300 for music.

The Board awarded the oil and gas bid for school vehicles to Williams Petroleum Co. and the bid for washing, greasing and flats, etc. went to Spinks Texaco.

The Board authorized the purchase of a lot on Sycamore for the construction of a house by the Building Trades department at the high school. An approximately 1,200 sq. feet house is expected to be built during the school year under this program. The house will be sold at the end of the school year.

Representatives of Southside Elementary School PTA met with the board concerning air conditioning of the school. The Southside PTA has proposed to pay for one-half the cost of the total cost with the school paying the remainder. The board voted to take the matter under advisement and have an engineer come up with a total cost figure for the project.

In other action the board accepted the resignations of Mrs. Deborah Casati, Don Humphrey, Suzanne Humphrey and Virginia Yeary.

The board also approved the employment of Linda Fisher, high school P.E.; Norval Cunningham, Voc-Ag, high school; See BOARD, Page Two

Football Players Begin Fall Workouts In Shorts

School may be a few weeks away, but the Burk Burnett Bulldogs are already thinking about the upcoming season and beginning to work toward their long awaited goal--a district crown.

Football boys were issued shoes yesterday and will soon begin workouts in shorts. "We'll have two-a-day work outs in shorts until Aug. 17 and then that following day we will get our pads and can begin working out twice a day in contact drills," stated Bill Froman, head Bulldog coach.

Two - a - day drills for the

players will be held each day from 8:30 a.m. until 10:00 a.m. and then again in the afternoon from 5:00 p.m. until 6:30 p.m.

The coaching staff for the coming season will look a little different than past seasons with two veteran coaches resigning and three new ones added to the total coaching staff for the athletic program for all the schools.

Bobby Carpenter, former backfield coach for the Bulldogs, resigned recently from that position to become the Distributive Education teacher in the high school. Don Humphrey, another veteran coach with the system resigned to accept a position with a Midland school.

The coaches hired to fill out the coaching duties included Ben Martin who was a coach at Duncan, Okla.; A.J. Mayes who will be working primarily with the Burk Burnett 7th grade; and Gary Guinn, who will fill the position vacated by Humphrey.

Coach Froman stated that the total football program would be a change from the past in regards to coaching duties. For varsity coaches, Froman listed Ben Martin as the defensive backfield coach, Cecil McCoy as the offensive line coach; Pat Smiley as the defensive line coach, and Froman will be the

backfield coach.

Other coaching duties in the winter and spring sports are expected to remain the same with the exception that Ben Martin will head up the coaching staff for the track program.

Pre-season scrimmages dates have been set for the Bulldogs See FOOTBALL, Page Two

School Enrollment Information Told

Summer is about to come to a close for a large number of the younger set this next Monday as school registration begins.

Monday, Tuesday and Wednesday have been designated the days for enrollment for New Hardin, Primary and Southside Elementary students. Thursday is the day for enrollment in New Jr. High and new High School students. Friday, Aug. 18, the high school band will register from 8:00 - 12:00 a.m. and the high school athletes from 1:00 - 3:00 p.m.

Enrollment for returning students and other students will get under way August 22. A complete 1972-73 school calendar is located on page two of this edition of the Informer/Star.

"Each year many students forget to bring the proper information essential for their enrollment," stated Travis Anderson, high school visiting teacher. "The following is a list of information that each student must have before he can

See INFORMATION, Page Two

City Receives New Garbage Trucks Monday

The City of Burk Burnett received the two long-awaited for garbage trucks Monday and pressed them into service by Tuesday.

The two 19 yard capacity trucks will take the place of the three old packer type garbage trucks now being used by the city. "We can do a better job, faster and use less men thus working less total hours with these two trucks than what we could do with the three old trucks," stated Gary Bean, city manager.

A demonstrator model of the new trucks was used by the City several months ago for a considerable length of time to enable them to study the time and money that could be saved with the new type truck.

The new trucks are all automatic and do not have the conventional packer type garbage storage. The inside of the storage rotates thus compacting the garbage more and mixing the wet and dry garbage together evenly. This process enables the trucks actually to hold twice as much garbage even though the trucks aren't but three yards larger in capacity.

Tuesday the two new trucks made a total of four runs to the See CITY, Page Two

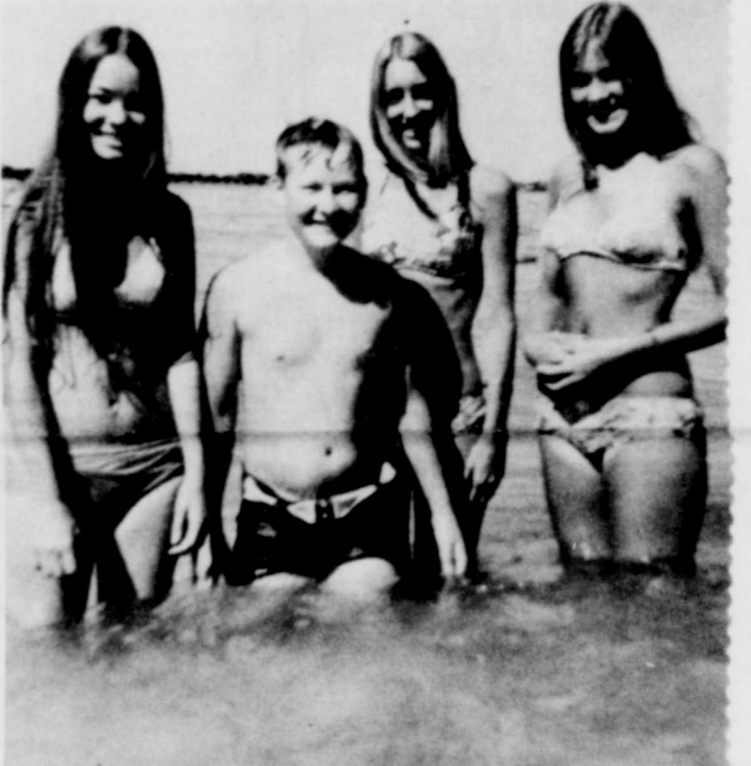

Hawaii... Fantastic

The Ray Zacharys are all smiles as they prepare to leave Dallas Love Field aboard the Braniff 747 along with 363 other passengers (top photo). Destination: Hawaii and the Hawaiian Hospitality Holiday won by Stanley in the Informer/Star Subscription Sweepstakes.

Stanley worked hard to win the Grand Prize for his mom and dad and was able to go along to enjoy (see middle photo) the trip. It doesn't take Stanley long to find friends where ever he goes plus the fact he is a number one salesman. He led the list of over eighty kids entered in the sweepstakes.

Hawaii wasn't all sand, beach and the outdoors for Stanley (bottom photo) as you can see there was a quiet "formal" time.

Mrs. Barefoot Sanders Makes Stop In Burk

Mrs. Barefoot Sanders, wife of Democratic nominee for the United States Senate, came to Burk Burnett pushing her husband's state-wide campaign. An enthusiastic handshaker, Mrs. Sanders passed out brochures and the Sanders campaign treat-

He is serious about wanting to serve Texas in a Texas way--working fulltime at the job, and being a spokesman for the

Texas point of view in Washington," the vivacious Mrs. Sanders asserted. See SANDERS, Page Two

Swim Competition Told For Local Youth Thurs.

The Burk Burnett Swim Club in cooperation with the Summer Recreation Program will conduct swimming and diving competition to be held August 17th and 18th.

There will be a girls and boys division for each event. Each division will be separated into age groups to insure keen competition for each event.

competition will be \$1.00 for ages 11 and under and \$1.25 for ages 12 through 17. This fee will allow each participant to enter at least three events with an additional 25¢ charge for any other event entered. Entrants should begin signing up for the proper age groups and events that they wish to enter. Entrants should be in by

Entry fee for the two-day See SWIM, Page Two

LAYING NEW TRACK--Workmen are shown as they lay the new reslilt track at the high school, Friday. The men completed the stripping and finished touches to the track Tuesday. After a "curing" time of some 60 days the track will be ready for service.

Football

with Altus, Okla. and Wichita Falls Coyotes.
Altus will come to Burkburnett on Aug. 25, just one week after issuance of pads and equipment, for a controlled scrimmage. The following week the Bulldogs will travel to Wichita Falls to scrimmage the Coyotes.

The following Friday night (Sept. 8) Burkburnett will begin regular season play with DeSota in Bulldog Stadium.

Reserved tickets for the five home games are now on sale at the school administration office. Ticket prices this year reflect a 25¢ increase per ticket due to action taken by the football district last winter.

This is the "traveling" year for the Bulldogs as they will travel to all the distant schools this year after enjoying a close at home schedule last year. As stated earlier, the first game is here with DeSota on Sept. 8. The remainder of the schedule includes: Sept. 15, Burkburnett at Lawton E.; Sept. 22, Burkburnett at Duncan; Oct. 6, Graham at Burkburnett; Oct. 13, Burkburnett at Weatherford; Oct. 20, Vernon at Burkburnett; Oct. 27, Burkburnett at Stephenville; Nov. 3, Iowa Park at Burkburnett; Nov. 10, Hirschi at Burkburnett; Nov. 17, Burkburnett at Brownwood.

BASKETBALL CLINIC

This week the Jr. High Gym is being used from 9 to 11 a.m. to conduct a summer basketball clinic. Conducting the clinic is Steve Creemeans, Larry Van Lob, and Skip Dean. All young boys (ages 8-14) are urged to attend the clinic to learn basic fundamentals of basketball. The clinic will last through Friday.

CHEERLEADING CLINIC

The Varsity Cheerleaders conducted a summer Cheerleading Clinic this past week. More than twenty young girls attended the clinic to learn basic yells, skills, and fundamentals as presented by the Varsity Cheerleaders. Ribbons were awarded to the girls attending the clinic. An entry fee of \$3.00 was collected from each girl which will be used to conduct regular activities throughout the year for the Varsity Cheerleaders.

**Shields Logan Fowler
Boomtown Pioneer, Dies**

Shields Logan Fowler, 104, Burkburnett boomtown pioneer, died Friday in a Bonham Nursing Home. Graveside services were held Sunday in Glenwood Cemetery in Alverado with the Rev. Charles H. Leslie officiating.
Born September 11, 1867 in Lincoln County, Tennessee, he married Cassie Shripshire in Alverado and later moved to a farm northwest of Burkburnett. He brought in the first oil well in the area July 26, 1918 which has been credited as being the beginning of the great Boomtown days.
Fowler moved his family to Fort Worth in 1922 and resided there until two years ago when he moved to the nursing home in Bonham. He was a member of the Benbrook Methodist Church in Fort Worth.
Survivors include one son, John of Fort Worth; three daughters, Mrs. Jounette (Frieda) Bonner of Jacksboro, Mrs. C.L. (Beth) Traylor of Bonham, and Mrs. Ray (Nell) Prescott of Midland; 6 grandchildren; twelve great grandchildren; 4 great great grandchildren; one brother, M.A. of Alverado; and a sister, Mrs. Andrew Dyer of Fort Worth. Three children and his wife preceded him in death.
The family requests that memorials be made to the Burkburnett Library.

**Letter To
The Editor**

Dear Mr. Greenwood,
I enjoyed your article in the past week's Informer on Mrs. Beavers. I think this would improve your paper if each week you would have an article on some one in our town that has contributed to town as a whole. I would like to suggest that one of your subjects be Mrs. Todd at the Burk Swim Pool. Although I am not a personal friend of Mrs. Todd's, I feel that for the past years, she has done a fine job of managing the pool and I also think you will not find anyone that is a better friend of the youth of our city, than Mrs. Todd.
Thank you,
Mrs. J. Smith

Board

Della Bryan - Jimmy Davis
Exchange Wedding Vows

Miss Della Mae Bryan became the bride of Jimmy Davis Walters Friday evening in a double ring ceremony. The wedding was held in the First Baptist Church with Rev. Ray C. Morrow, pastor of the Calvary Baptist Church, officiating.

Parents of the couple are Mr. and Mrs. Dale L. Bryan, 717 Park Street and Mrs. Isaac Walters and the late Mr. Walters of Byers.

The church was decorated with a candle arch entwined with greenery and baskets of gladioli. The bride was given in marriage by her father and wore a formal gown of white lace over satin. The gown, made by her aunt, had long fitted lace sleeves and a tiered skirt gathered at the waistline. The lace tiers fell in a semi-circle train. She wore a veil

of illusion extending from a crown of pearls and rhinestones and carried a bouquet of white and yellow daisies.

Miss Debra Lynn Bryan was maid of honor and Miss Menyon Dixon of Berger was bridesmaid. Both are cousins of the bride. They wore identical formal gowns of royal blue crepe trimmed in white lace and carried white carnations. They wore shoulder length veils of royal blue.

Johnny Moffett of Wichita Falls was best man and Ken Durham of Lewisville was groomsmen.

Ushers were Charles Mauldin and Donald Reed, both of Byers. Miss Karen Greer provided traditional wedding music.

A reception was held in Fellowship Hall following the ceremony with Mrs. Vickie Moffett of Wichita Falls attending the bride's book. Guests were served by Mrs. Alice Bryan and Miss Rhonda Thomas.

The bride is a 1972 graduate of Burk Burnett High School and the groom is a graduate of Byers High School and attended Cook County College.

After a short wedding trip the couple will make their home in Lewisville, Texas where he is employed by H.D. McAnally Construction.

Mrs. Kinnard
Honoree Of
Misc. Showers

Mrs. Richard Kinnard, the former Janey Robinson, has been honored recently with showers following her marriage July 23.

A miscellaneous shower was held in the home of Mrs. Bill McClean last Saturday with approximately 50 guests calling during the afternoon.

Hostesses were Mmes. T.M. Cornelius, B.J. Vincent, Gene Robertson, Billy J. Smith, B. H. Preston, Harold Van Loh, Alvin Hill, and Vernon Duncan.

Mrs. Kinnard was again honored with a miscellaneous shower last Sunday in the Community Room. Hostesses for the affair were Mmes. Virgil Klinkerman, Randy Holland, Bobby Littlejohn, and Miss Vicki Littlejohn.

Cake squares and punch were served to 40 guests from a lace covered table centered with an arrangement of yellow flowers.

Special guests at both showers included the bride; her mother, Mrs. Rudolph Robinson; the groom's mother, Mrs. Olan Kinnard; the groom's grandmother, Mrs. L.W. Davis; the bride's grandmother, Mrs. Rudolph Robinson, Sr., and aunts of the bride.

Ben Givens's Honored On 50th Anniversary

Mr. and Mrs. Ben Givens were honored on their 50th wedding anniversary Sunday with a family dinner at the Community Room of the Burk Burnett Bank.

Hosts were Mr. and Mrs. R.L. Gragg, Mrs. H.D. Maney, and nieces and nephews of Mr. and Mrs. Givens.

The couple was presented with gold tableware and a bedspread from their relatives. Robert Gragg was master of ceremonies for a program given for the honorees.

The Givens were married August 6th, 1922 in Burk Burnett at the home of her brother, R.L. Gragg.

The couple has lived in Burk Burnett 53 years with Givens retiring from Texaco after 37 years. Mrs. Givens at one time operated a grocery store at the site of the couple's present home, 742 West Third Street.

Approximately 80 guests attended, 30 of which were from out of town, as far away as Denver, Colorado.

Class Reunion Plans Making

A coffee was held in the National Room Saturday afternoon by some members of the Burk Burnett High School graduating class of 1959 in order to plan a class reunion for the afternoon of December 23.

Following the meeting, a dinner was attended by eighteen persons at a Wichita Falls restaurant.

Attending the day's events and working on the reunion were Mr. and Mrs. Zack Bryant, Duncan; Mr. and Mrs. Fred (Dovie Sue Taylor) Neugebauer, O'Fallon, Mo.; Mr. and Mrs. James Potts, Woodson; Mr. and Mrs. Don McCullough, Mr. and Mrs. Don (Judy Gellner) Long, Dr. and Mrs. Benny Fleming, all of Wichita Falls; Mr. and Mrs. Don (Charlotte Begemann) Elliott, Mrs. Eulita Jones Cozart, Mr. and Mrs. Aubrey Rarden, Jr., Mr. and Mrs. Gary Moore, Mr. and Mrs. Royce (Barbara McMullen) Miller, all of this city.

JUNIOR BEAUTY--Michele Nixon, 6, was awarded Best Party Dress at the Greater Houston Metropolitan Pageant which she competed in Saturday night. She is the daughter of Mr. and Mrs. Robert Nixon, 1109 Bishop Road.

Judy Klinkerman Sunday Bridal Shower Honoree

Miss Judy Klinkerman was honored Sunday afternoon with a lingerie bridal shower in the home of Mrs. J.T. Deckard.

Hostesses were Mesdames Charles Klinkerman, Troy Slayden, Mike Coins and Misses Susie Burnett and Brenda Bankhead.

Miss Klinkerman and Ira Sansom Jr. of Uvalde, will be married Saturday evening at the Church of Christ in Burk Burnett.

Judy graduated from Burk High School and has attended Lubbock Christian College.

Sansom graduated from Uvalde High and is a senior at Lubbock Christian. The couple will live in Lubbock until he completes his college career.

Engagement Announced

Mr. and Mrs. Reavis Wooten of 519 N. Hilltop announce the engagement of their daughter, Sharon Dawn to John Joseph Sullivan, son of John R. Sullivan and the late Mrs. Sullivan of 714 E. College.

Miss Wooten is a graduate of Burk Burnett High School and is employed at the SAFE Officer's Club. Sullivan also attended Burk Burnett High School. He is in the United States Army and is stationed in Weisbaden, Germany.

The couple plan a late autumn wedding in the Burk Burnett Church of Christ.

Couple At Home In Wichita Falls

Mr. and Mrs. John F. Parrish III are residing at 1314 Kemp in Wichita Falls following their marriage June 17 in the Trinity Lutheran Church in Wichita Falls.

The bride is the former Zella Kay Chandler, daughter of Mrs. Troy Chandler of Henrietta. She is a graduate of Midwestern University and is employed by the Burk Burnett School System.

Parrish is the son of Mr. and Mrs. John Parrish, Jr., 1106 Comanche, and is a graduate teaching assistant in biology at Midwestern University where he is also working toward his master's degree in vertebrate zoology.

Lura Estes - Karl Kutch
Recite Wedding Vows

Miss Lura Denise Estes and Karl Franklin Kutch were united in marriage Saturday evening in the Wesley United Methodist Church in Big Spring with the pastor, Rev. Caleb Hildebrand officiating.

Parents of the couple are Mr. and Mrs. Bill M. Estes of Big Spring and Mr. and Mrs. Elsz Kutch of Perryton. The bride is the granddaughter of Mr. and Mrs. Dow Estes of this city.

The altar was centered with a starburst arrangement of white gladioli and fugi chrysanthemums with Grecian columns holding maidenhair fern draped with garlands of boxwood on either side. Palms of emerald ferns and crescent arrangements of gladioli and chrysanthemums completed the setting.

Given in marriage by her father, the bride chose a formal gown of white organza with a high neckline and Venise lace defined the empire bodice and full sleeves. Appliques of the lace trimmed the skirt and chapel train. A matching headpiece held her tiered elbow length veil of illusion. The bride carried a cascade of orchids and stephanotis.

Matron of honor was Mrs. Joey G. Baker of Houston, and junior bridesmaid was Miss Dawn Estes, both sisters of the bride. Bridesmaids were Terri Taylor of Burk Burnett, cousin of the bride, and Miss Ellen Gossett. They were all dressed in identical formal gowns of strawberry red taffeta with empire bodices and full sleeves of white organza. Their headpieces were laurels of lily of the valley and they carried bouquets of summer flowers.

Bestman was Dr. E.L. Kutch of Clear Lake City, brother of the groom. Groomsmen were Danny Fulton and Don Williams of Perryton.

Don Suderman of Galveston and Craig Ragsdale of Perryton were ushers. Miss Kay Pollard and Clark Johnson were flower girl and ring bearer, respectively.

The reception was held at the Big Spring Country Club. The couple will reside in Houston, where both attend the University of Houston following a wedding trip to Acapulco, Mexico. The bride attended Texas Tech and is a former Miss Lubbock.

Out of town guests included Mr. and Mrs. Dow Estes and Mrs. Finis Taylor of Burk Burnett.

Awards Nite Held By TOPS

Nineteen members of the TOPS Tx 636 met August 7 at the Central Baptist Church for the regular meeting and Awards Nite Presentation.

Charms were presented to Mona Givens, Jeanie Tullis and Pat O'Hair.

Honored as Queen of the Month for recording the greatest weight loss was Pat O'Hair. Ginger Smith was Queen of the Week. Winners of the July contest were Kay Bilgeu and Trudy Camerlin.

Dorothy Smith, leader, introduced the seven members who had joined during the month of July.

A low calorie meal was enjoyed by all present. The evening concluded with members playing several games of bingo.

Summer comfort makes your electric service a big value.

Electric service, which does many things well all year round, is doing the most for you when it's adding to your comfort and convenience in the summertime.

Refrigerated air conditioning, evaporative coolers and fans help make life more pleasant under the Texas sun. Refrigerators and freezers work harder in summer. Your other electric appliances stay on the job, too.

Increased use of electricity in the summer - mainly for air conditioning - means higher electric service bills. But considering how much it does for you, electric service is a big value. Particularly in summer, when it's doing the most for you.

Ask for a copy: 8 WAYS TO SAVE MONEY ON AIR CONDITIONING.

If you'd like some tips that may help you save on your air conditioning operating cost, call our office and just ask for a copy of "8 Ways." We want to help you get the most value from your electric service.

DON'T DRIVE! CLASSES RIGHT HERE IN BURK

ROUND THE TOWN

by Sylvia Lohoefer

Mrs. T. M. May returned home last week from a visit with her son and wife, Mr. and Mrs. Thomas May in Arvada, Colo. The Mays are the proud parents of their first child, a little son they named Bradley. Thomas will be remembered

by his many friends here, having attended the Burkburnett schools.

Joe Buchanan of San Angelo, Texas, son of the late Mrs. Hattie Buchanan, a long-time resident of this city, visited

friends in this city the first of last week.

Mrs. Tom (Billie) Burnett entered the Wichita General Hospital Sunday and is scheduled for major surgery in a few days.

Mr. and Mrs. Cloyce Tedder of Clarksville, Texas visited her parents, Mr. and Mrs. Jim Ady here this past week.

Mrs. John Musick underwent appendectomy surgery in the Wichita General hospital last

week. She is progressing nicely at this writing.

Mr. and Mrs. Eugene Sloan and children of Chickasha, Oklahoma, visited her parents, Mr. and Mrs. J. B. Ady and his mother, Mrs. G.R. Sloan, here

Sunday.

Mrs. Wynema Caswell of Watauga, Okla., who has been teaching in Germany, returned to the States last week and is here now visiting her mother, Mrs. E.R. (Hattie) Burns.

Wylie Browning, who had not progressed as rapidly as he should, has remained a week longer in the hospital for tests and care.

Mrs. A.R. Bunstine returned home last week after spending three weeks in Ft. Worth with her daughter and husband, Mr. and Mrs. Raymond Holland.

Mrs. Ed (Mary) Bankhead returned home Monday after spending a week in the Wichita General Hospital receiving tests and treatment. The Bankheads had been in Red River

and area points in N.M., on vacation where Mary took ill. She was brought to the Wichita General Hospital for observation. She is doing satisfactorily at this time.

Mrs. Agnes Polson attended the wedding of her granddaughter, Debra Peace in Lubbock Friday night, Aug. 4th. The groom is Steven Thompson. Debra is the daughter of Mr. and Mrs. H.J. Peace (Pat) of Lubbock.

Bill Browning and daughter, Jessica, of El Paso, spent several days here last week visit-

MRS. BAREFOOT COMES TO BURK--Mrs. Barefoot Sanders, center, is shown at a coffee held Thursday afternoon as she made a campaign visit to Burkburnett. Shown with Mrs. Sanders are left to right, Mrs. C.J. Lippard, Laura Allison, Janice Brown and Mrs. Ross Brown. Mrs. Sanders and her children are helping her husband campaign for the office of U.S. Senator.

Budget Planning Still Important

"We can't live on a budget!" Or is it that you don't want to? How else can you find out where your money goes -- or where it's taking you? A smart consumer not only spends his money wisely, but plans his spending as well.

Good money management considers the past, present, and future. Look at the past to see where your money goes as well as where it comes from. Keep an extra close check on spending for a month or more to determine your spending patterns. Then figure how much money is coming in. Your spendable income basically is your pay check. If you have cash income from other sources, such as dividends, interest, or rent, be sure to include it.

Look at the present to check family needs and wants for which you can spend current income. First, list the things you need--your fixed expenses. This includes food, shelter (house payments, repairs, furniture, appliances, utilities), clothing (new repairs, gas, oil), insurance, health (doctor and dentist, drugs, eye glasses), and savings (including emergencies).

Second, list the things you want--flexible expenses. These include education (books, tuition, newspapers, magazines, recreation (sports, movies, records,

pets, vacations), gifts, personal grooming, contributions and dues, etc.

Third, add up these items to see if they fit the family's total expected income. If you're like most people starting a budget, you've probably overspent. You will have to alter your plan. Remember your important needs such as food, a place to live, and clothing. Can these costs be cut? What about other expenses? What could be left out or put off until later?

Make your plan, but keep it simple. If it's easy to use, you'll be more likely to stick to it. Then try your plan for a month or two. Perhaps you've overestimated spendings in some areas and underestimated in others. Try to leave a "Cushion" of a few dollars.

Look to the future and adjust to change. Spending and savings plans seldom remain the same for long periods of time. Major changes may have to be made as financial problems are solved, as goals are reached or reevaluated, as you move from one stage to another in the family life cycle, if you have a change in income.

All consumers know how easy it is to spend money. But to spend it wisely is really a challenge. These guidelines for your budget can help you meet that challenge.

Bob Price Supports Proposed Amendment

The House Rules Committee has voted to bring the proposed Constitutional Amendment, which prohibits forced busing, to the House floor for a vote.

I strongly support this amendment which is similar to one I have sponsored. I am opposed to busing of school children just for the sake of a numerical balance dreamed up by some statistician.

Quality education took a back seat on the bus under this program and it is now evident that such a program destroys the concept of the neighborhood school and parental support for that school.

It has also become evident that using the color of a person's skin to determine assignment to a particular school is in itself discrimination.

There are those who argue that it takes too long to get two-thirds of the Congress to approve such a measure. . . too long to get three-fourths

of the States to ratify. However, I feel as other parents do, that an amendment is the ONLY guarantee we have that the courts will not be running our schools.

This issue will come up for a vote within the next week . . . it is imperative that it pass. Federal Bureaucracy Decreases

The number of persons on the Federal payroll is gradually decreasing under the Nixon administration. At a high of 2.6 million in 1969, the number of government employees now stands at 2.5 million.

This figure would decrease even more when the Nixon plan for reorganization to cut out duplication and overlapping is put into effect.

Thus far, however, the President has been stymied in this effort by an opposition-controlled Congress which continues to implement more federal agencies.

Burk Police Report Light Activity

Burkburnett Police reported only light and routine activity this past week with only two traffic accidents and two other incidents being investigated.

Friday, Roland C. Vance of 209 Walnut was charged with following too close as his car was in collision with a 1970 Ford driven by William K. Cunningham of 1203 Bishop Road.

The accident occurred near the intersection of 900 Sheppard Road and Texas 240 when the Vance vehicle pulled into the right lane to avoid hitting a car that had stopped to make a left turn, striking the Cunningham vehicle in the left front fender.

Wednesday, a 1968 Chevrolet driven by Sherry K. Whitehall of 804 N. Ave. D was in collision with a 1969 Buick driven by Rachael B. Brown. The Whitehill vehicle was reported traveling east of 7th Street and the Brown vehicle traveling north on Ave. C. The Whitehill vehicle failed to yield right of way and hit the other car on the right side.

In other matters, Mrs. Melvin Balley of 610 Hazel reported Saturday that a watch and a ring had been stolen from her residence.

Wednesday, Tommy Slaton of 901 N. Ave. D reported a stolen bicycle.

Stewart Calls Meeting To Study Hearing Aid Industry

Rep. Vernon Stewart of Wichita Falls has called a public hearing in Dallas of the House Interim Committee to study the hearing aid industry in Texas. The meeting will be held in probate court #2, located on the second floor of the records building in downtown Dallas, beginning at 10:00 a.m. on Aug. 9th.

Rep. Stewart sponsored a number of restrictions, passed by the late legislature, on the selling of hearing aids in Texas, including prohibition of the sale of hearing aids by mail without proper hearing examinations.

Rep. Stewart stated that although a majority of hearing aid dealers are conscientious businessmen, he feels there is a great need for raising the standards of this profession in Texas.

The committee will be studying, in depth, the practices of the hearing aid industry from the manufacturer to the methods used to examine and fit patients. Attention will be given to pro-

cedures of state agencies in providing hearing aid devices to welfare recipients.

Emphasis will be given to the need of establishing educational standards for persons going into the business of selling hearing aids, according to Stewart. Presently there is very little education or training required.

Stewart said, "I feel strongly that anyone who is involved with examining a person's ears of hearing should have the best educational background possible. I am convinced that the public expects and deserves this."

"I fear there are dealers in Texas," states Rep. Stewart, "who may be more interested in making sales, rather than satisfactorily fitting hearing aids, especially to our senior citizens. Older people are natural victims of such sellers. When these people become hard of hearing and have difficulty in communicating, they will spend almost any amount of money they may scrape together

to purchase a device that may assist them. After putting out anywhere from \$350 to \$550 for an aid, many such persons cannot wear the aid or cannot hear adequately. A number of dealers are reluctant to return the purchase price for these aids, leaving the older citizen with little recourse.

Rep. Stewart said, "I believe this may be one of the most important interim committees to be appointed this year from the standpoint of the consumer and the relatively helpless senior citizens of our state. The public can not help but benefit from this study."

Rep. Stewart issues an open invitation to testify before this committee on hearing aids to anyone in the Dallas area who feels he may have a legitimate grievance concerning the purchase of a hearing aid. Letters may be sent to Rep. Stewart, C/O the Adolphus Hotel in Dallas. He may be reached by phoning (817) 767-4431 in Wichita Falls or (512) 475-4780 in Austin.

Texas Calendar Adds Several New Events

New events added to the August and September Calendar of Texas Events include fiestas, fairs, rodeos and centennials.

The listings are in addition to the seminar Calendar of Texas Events released by the Texas Highway Department.

New August listings include the Texas International Fishing Tournery at Port Isabel-South Padre Island on Aug. 2-6; Chisolm Trail Days (including the Sheriff's Posse Rodeo) at Decatur on Aug. 21-26, and Central Texas Fair and Rodeo at Clifton on Aug. 31-Sept. 2.

Added September listings show Atlanta's Centennial on Sept. 3-9; Levelland's Fiesta '72 on Sept. 14-16, and Fiesta de Colores (arts and crafts)

at Kingsville on Sept. 30-Oct. 1. Several recent date changes of previously listed events are also included on the supplemental calendar.

Information concerning the additional events may be obtained from the community chambers of commerce, at Highway Department Tourist Bureaus or writing the Calendar of Texas Events, Travel & Information Division, Texas Highway Department, Austin, Texas 78701.

Preparation of the Calendar covering the October 1, 1972 - March 31, 1973 period has started. Organizations desiring to publicize events may submit them to the Calendar of Texas Events at the address above.

VBS Begins At Church

The First Assembly of God Church, College and Ave. "B", is sponsoring a Vacation Bible School for all boys and girls, ages three through twelve.

V. B. S. will be August 14th through 18th, beginning at 8:30 a.m. until 11:30 a.m. There will be exciting stories, handicraft, refreshments, playtime, and on Friday there will be a picnic.

The pastor, Rev. John Hocker, invites the boys and girls in this community to attend.

Mrs. Essary of Fairfax, Okla. will be the school's superintendent.

Pike Caught By Game Officials In El Paso Co.

Two El Paso County game management officers recently caught some southern allens who had caught a northern allen.

Foy White and Gary Mitchell, the GMOs, caught several Mexican allens using gill nets and trammel nets in the Rio Grande. Since using these nets is illegal in El Paso County, the GMOs arrested the men.

An inspection of the allens' catch turned up a surprise. Among the largemouth bass and carp was a four-pound northern pike, a fish more suited to northern climates.

Texas Parks and Wildlife Department biologists theorize that the fish worked its way down the river from New Mexico where the New Mexico Game Department has been doing some experimental stocking of pike.

As far as it is known, the pike is the first to be caught in West Texas.

50 & Over Doubles Set In Wichita

Riney Rinehart's annual 50 and over doubles and singles is about to get underway again. This year's event is scheduled to start at Falls Bowl, August 12th with one shift on the starting day at 2:30 p.m. There also be 2 shifts on Sunday August the 13th; one at 2:00 p.m. and one at 4:00 p.m.

This event is open only to men who have reached their 50th birthday and beyond. So if you are a mature man in his mid years and a bowler get you a partner and enter this event. The public is invited to come and watch this fine tournament. If you would like to bowl contact Riney Rinehart at 766-2525.

Of the 167,935,000 acres comprising the land area of Texas, approximately 35,000,000 acres, or one-fifth of the State, are covered with some type of forest growth.

Heat Exhaustion Serious Matter

The camper struggled up the steep West Texas hill with a heavy load of gear.

Suddenly he saw curious black spots in the bright sunshine, felt himself grow dizzy and the ground rushed up to meet him.

When his family reached him he had fainted and turned an ashen gray. His skin was unusually clammy for the arid country.

What happened? More important, what does the distraught family do to revive dad?

Parks and Wildlife officials warn that heat exhaustion and heat strokes are two of the most common of summertime afflictions. They can be serious if not recognized and treated in time.

Our camper ruined his outing with heat exhaustion. The symptoms are weakness, dizziness and fainting. The victim is clammy to touch, pale and weak.

Get him to a cool place and administer a solution of one teaspoon salt in a quart of water. The fatal relative of heat exhaustion is heat stroke.

Body temperature of a heat stroke victim is often 110 degrees and this can kill.

Lower the temperature with cool baths, cool towels or cold water rubdowns. Administer the salt solution only if he is conscious.

Get the heat stroke victim to a physician at once.

Heat exhaustion and heat stroke can be prevented by the use of salt tablets and lots of water. Better yet, take it easy in the Texas sun.

August 22 Appeal Day

The Muscular Dystrophy Associations of America, Inc. will be conducting their annual house-to-house appeal for funds in Burkburnett on Tuesday, August 22nd.

Hundreds of thousands of volunteer marchers will join in a combined effort to raise the money needed to support critical research and patient service programs.

Dystrophy, a tragic disease for which there is as yet no known cure, means an early death for its victims, two-thirds of them children. Your help can bring the precious gift of hope, and perhaps even life itself, to these youngsters.

Join in with other Burkburnett residents to support this campaign and help MDA bring the much-needed comfort to those less fortunate!

from Joe Gillespie

When we get too little water in our diet, the body uses less of it to carry off the wastes filtered out by the kidneys, and the urine becomes less dilute. In a person with a tendency toward kidney stones, this may intensify the trouble. Drinking plenty of fluids will help to wash away salts which otherwise might form into stones and may also be helpful in relieving constipation.

COUNTY AGENT NEWS

B.T. Haws
Wichita County
Agricultural
Agent

cases of chronic kidney disease in dogs which commonly cause death.

It is recommended that dog owners take their animals to a veterinarian for examination when they become ill and to routinely have the dogs vaccinated against leptospirosis.

It's just good insurance to vaccinate all horses, mules and donkeys against the dreaded sleeping sickness, Venezuelan equine encephalomyelitis (VEE) even though the animals were vaccinated last year when the disease reached epidemic proportions in Texas.

Recalcination is the surest and safest way to protect horses from VEE, even though the vaccine should provide immunity for more than a year. Revaccination is not compulsory but is an extra precaution.

Although most dog owners are aware of the necessity of having their animals protected against distemper, hepatitis and rabies by proper vaccination, many are unaware of another common disease of dogs and other animals -- leptospirosis. "Lepto", as it is frequently called, is caused by a protochete bacteria which tends to localize in the kidneys. Canine "lepto" is spread to other animals by way of the urine from infected dogs. "Lepto" is generally more common in male dogs. Rats may carry the organism which can also infect dogs.

The disease in dogs may range from mild or inapparent to severe, with fatal outcome after a sickness of several days. The disease is apparently responsible for the majority of

The 22nd Annual Beef Cattle Short Course will be held August 21-22 at Texas A&M University, Ramada Inn Motel. This year's program theme is a follow-up from last year's program. The theme is "Improving Reproduction Efficiency in Beef Cattle, Phase II." Some of the speakers will be Dr. R.A. Bellows, leader of physiology research; Dr. Jim Wilbank, Professor at Colorado State University. If you are interested in attending, contact the County Agent's office. This meeting is open to the public.

The Wichita County 4-H Day Camp will be held at Camp Perkins Scout Reservation on Friday, August 11. The camp is open to all 4-H members and parents. Registration will be from 9 a.m. to 9:30 a.m. This should be a fun day for all 4-H members with lots of recreation, wildlife program, swimming, and a talent show. All 4-H'ers and their parents can come and spend the day.

If you are interested in learning the latest information on use of commercial fertilizers on small grain and row crops, you might want to come to a meeting on Thursday, August 24 in the ASCS Building in Iowa Park. Dr. Carl Gray, Soil Chemist from Texas A&M University, will be the main speaker. The general public is invited to attend the meeting which starts at 7:30 p.m.

Sorghum- Cystitis Noted In Some Pastures

Dr. James Armstrong, veterinarian with the Texas Agricultural Extension Service, warns horseowners to keep their animals off of sorghum-sudan pastures due to a disease called "sorghum cystitis." Freshly cut sorghum-sudan hay will also bring on the condition.

Armstrong points out that all horses may be affected but that the condition appears to be more serious in younger animals. A number of cases have been reported recently by Dr. William Romane who heads up the large animal clinic at Texas A&M University's College of Veterinary Medicine.

"The first signs usually are incoordination of the rear legs," Armstrong explains. "In about half the horses observed this was followed by involuntary discharge or urine. Thus, mares may show hair loss on the inner part of the hind legs due to urine scalding. Geldings may have a loss of hair on the belly. In either case, the urine drip may be continuous and may be-

come intense if the horse moves suddenly. The condition may also cause mares to abort." Sorghum cystitis occurs most frequently during times of medium to high rainfall, usually from June to November, points out the veterinarian. It occurs mainly when horses feed on fast fresh growth of sorghum-sudan hybrids, sorghum grazer and Johnsongrass. Uncured or improperly cured hay from these grasses also causes the illness. However, horses eating well-cured hay from these three forages have not been affected. Also, no cases have been reported after the first frost.

"There is no cure for the condition once the horse has it," emphasizes Armstrong. "Several treatments have been used with little success. However, when affected animals are removed from the pasture and fed a balanced ration, they usually improve somewhat." The urine discharge and incoordination have been observed in some horses for as long as three years, he notes.

FARM REVIEW

Statewide Conference For Farm Bureau In Progress

Issues facing agriculture will be discussed at a statewide conference of county Farm Bureau presidents to be held at Austin August 9-11, according to J.T. (Red) Woodson of Fannin County, president of the Texas Farm Bureau.

New programs in Farm Bureau will also be discussed, the leader of the 130,000-member farm organization said. Leaders of most of the 206 organized county units in Texas are expected to attend the meeting at

the Villa Capri Motor Hotel. Ed Foster, Jr., of Electra, president of the Wichita County Farm Bureau will be in attendance.

Speakers include Woodson; Warren Newberry, Waco, TFB executive director; and Jack Angell, Chicago, farm labor specialist for the American Farm Bureau. The latter will discuss "Event s in Washington."

Neal J. Robinson, consultant with a Dallas-based market re-

search firm, will report on a farmer - rancher image study conducted in Dallas recently for the Texas Farm Bureau.

Pat Smith, Austin, TFB director of state affairs, will report on how agriculture fared in the special sessions of the 62nd legislature. Ed McKay, Waco, TFB national affairs director, will discuss the "characteristics" of the upcoming 63rd legislature.

Issues to be discussed during the conference include: transportation, farm labor, environmental pollution, financing of public education, taxes, predatory animal and fire ant control, screwworm program, and property rights.

New programs and current activities within the Farm Bureau to be discussed include: public relations, policy development, income tax service, and Farm Bureau's commodity approach to farm program.

A Weekly Report Of Agri-Business News

Farmcast

John C. White, Commissioner

Livestock Inspection Reinstated... Stocks of Grain Show Increase... Wool Production Declines... Early Stalk Destruction Urged... Pecan Producers To Vote.

LIVESTOCK moving from Texas, Oklahoma, Puerto Rico and parts of Arizona, California and New Mexico must be inspected and certified free of screwworms before being moved interstate.

The regulations will be in effect through Nov. 30 of this year, and from April 15 through Nov. 30 in future years until the present screwworm infestation is overcome.

State and federal veterinarians, state and federal livestock inspectors and accredited veterinarians are authorized to make the necessary inspections, supervise pesticide applications and issue shipping certificates.

TEXAS stocks of grain in all positions as of July 1 are estimated at 190 million bushels. This compares with 141 million bushels a year ago. The largest increase is in sorghum stocks followed by wheat, corn and rye. Stocks of oats, barley and soybeans are down from a year ago.

Sorghum stocks are estimated at 129 million bushels compared with 86.9 million bushels in 1971.

Nationwide, large increases were noted in corn, sorghum grain, wheat and rye. Stocks of corn, oats, barley, and sorghum totaled 81.7 million tons, 35 percent more than 1971.

Feed grain disappearance during April-June totaled 44 million tons, 17 percent more than for the same quarter in 1971.

WOOL production in Texas for 1972 is estimated at 29,765,000 pounds, according to the Texas Crop and Livestock Reporting Service. This is down two percent from last year's production of 30,397,000 pounds.

Spring shown wool is expected to account for 83 percent of the total wool production.

Nationwide, wool production is expected to be down four percent from the 1971 production of 159,084,000 pounds.

The Texas lamb crop is now estimated at 2,302,000 head, up one percent from last year. Nationwide, the lamb crop is estimated to be down four percent from 1971.

HOG CHOLERA outbreaks in Texas and throughout the nation continue to hamper efforts in the final stage of hog cholera eradication.

Fifty cases have been reported in Texas since late last year. Federal quarantines are now in effect in all of seven Texas counties-Dawson, Harris, Jim Wells, Moore, Nueces, Terry and Webb-and parts of Bexar, Mitchell and Nolan counties.

PECAN producers in Texas will vote this fall on a proposed check-off referendum being conducted by the Texas Pecan Growers Association. Proposed assessment will not exceed 50 cents per 100 pounds of pecans. Money will be used to finance a program of production, marketing and use of pecans.

Miss Farris To Vye For Title

County HD Agent

Joyce Smith,
Wichita County Home
Demonstration Agent

Six county Farm Bureau queens will vie for District III Queen on August 17, 7:30 p.m. at Vernon's Memorial Auditorium, according to Mrs. Ruth Gard, district secretary.

Counties to be represented are: Wichita, Wise, Willbarger, Baylor, Hardeman and Montague. Talent Find contest will be held in connection with the queen contest. District winners will win expense-paid trips to Texas Farm Bureau Convention in Houston, Nov. 12-15, and a chance to win the state title.

Miss Carolyn Farris of Burk Burnett, daughter of Mrs. Evelyn Farris, will represent Wichita County. Talent Find winner is Debbie Stone, daughter of Mr. and Mrs. T.H. Stone of Holliday. Debbie will sing and accompany herself on the guitar.

Mrs. Carol Pack, chairman of Texas Farm Bureau Young People's Committee, from Vernon, will serve as master of ceremonies. T.J. Richards, State Director from District III from Paducah, and Mr. and Mrs. H.T. Cardwell of Vernon, are in charge of arrangements for the evening's entertainment.

Rehearsal and Queen's Dinner will precede the contests and a reception honoring the new queen will be held following the crowning of the 1972 District III Queen.

The annual Wichita County Home Demonstration Council Camp Day was a big success. This was due to the efforts of the recreation committee of the council who coordinated the efforts of all 15 clubs in the county.

The committee consisted of Mrs. Jack Marshall, Mrs. Hugh Lee, and Mrs. Claude McIlroy. Mrs. Clarence Payton, Council Chairman, also assisted with the event.

There is still time to make reservations for the State THDA meeting to be held in Houston in September. Mrs. D.D. Mendenhall, County THDA Chairman, will take reservations up to August 15.

Outdoor vegetable cookery promises exciting and flavorful dishes with just a little know-how and planning. In enthusiasm for grilling steaks, hamburgers, chicken and other meats, people tend to overlook vegetables which are important for rounding out a meal's nutritional value. Fresh fruits and vegetables rank as most popular for patiemals.

Dark green and yellow vegetables are especially a favorite. These vegetables furnish hearty amounts of vitamins and iron and a few of them even supply calcium. Vitamin A is an important vitamin in this vegetable, is linked with the color of the leaves. Vitamin A supplies increase as the color grows darker.

Fresh potatoes, carrots, whole young squash, small beans and young sweet corn rate as top choices for outdoor or indoor cooking on the grill.

Frozen or canned vegetables such as peas and snap beans also make good selections for cooking on the grill or over hot coals. Simply divide into individual portions, season with salt and pepper plus a little butter or margarine and wrap tightly in foil. Cook 10 to 15 minutes.

"Land owners who can reduce runoff from upland fields and who increase the amount of water take-in - stored for plant use stand a good chance of improving their yields, meaning more profits," says Willis.

Extremely Important Residue Management

"The man who tills the soil plays a great role in protecting the environment and his valuable soil at the same time," says K.C. Willis of the Soil Conservation Service.

Crop Residue Management is a way of leaving the remains of harvested crops on or near the surface of the soil. As much as 1 of a ton of soil per acre has been known to be lost on poorly protected land. Crop residues reduce the amount of soil being washed down streams into ponds, lakes, and other bodies of water. It helps keep dust from polluting the air.

This same soil that is lost by water and air is most often the most fertile soil found on the land.

Any plant residue or vegetative cover helps improve fertility and soil structure by reducing soil temperature and increasing moisture holding capacity.

"Land owners who can reduce runoff from upland fields and who increase the amount of water take-in - stored for plant use stand a good chance of improving their yields, meaning more profits," says Willis.

RANDLETT NEWS

By Mollie Elliott

The Daisy Club met Tuesday, August 2nd with Mrs. Joe McCluskey as hostess. The president called the meeting to order. The devotional was presented by the hostess from Psalm 103:1-5. The Lord's Prayer was repeated in unison. Announcements were made and the fair discussed. Health Benefits in our Country were discussed by members. Roll call was read and answered with "Have I investigated benefits available at the county health center?"

The white elephant drawing was won by Mrs. McCluskey. The next meeting will be August 15th with Mrs. C.O. Wilson as

hostess. Members present were Mesdames Ben Ressel, B.B. Menz, C.H. Thompson, N.R. Kirkpatrick, Jess Butler, Bud McAdoo, Rose Griffith, Joe McCluskey, W.R. Baldwin, Nomie Wilkinson, C.O. Wilson, Mrs. Lavoy Bentley joined the club during the meeting. Refreshments were served by the hostess.

Guests at Mr. and Mrs. T.E. Spannagel's were Mr. and Mrs. Jason Spannagel and family of Comert, Okla., Mr. and Mrs. John Duke of Lawton, Okla., Mr. and Mrs. Moyle Oxley of Oklahoma City, Mrs. Wendell Hill and daughter of Wichita Falls, Mrs. Howard Trahan and

children of Walters, Okla., Mr. and Mrs. Ed Spannagel and Mrs. J.W. Fowler of San Antonio. Mr. and Mrs. Wayne Fowler and family of Wichita Falls visited his parents, Mr. and Mrs. Ted Fowler, Sunday.

Mr. and Mrs. Emery Bentley of Burkburnett were Sunday visitors of Mr. and Mrs. Hugh Frye.

Mr. and Mrs. Joe Rose and children of West Indies are here visiting her parents, Mr. and Mrs. T.L. Wileman. They will leave this week for East Indonesia. Mrs. Jack Wingfield and son of Enid, Mr. and Mrs. Larry Wileman and family of Boise City, Okla. were also at their parents Tuesday and Wednesday.

Mr. and Mrs. A.L. Belsch and family of Olney were Sunday visitors of his parents, Mr. and Mrs. Clarence Belsch.

Ealine Ellis of Burkburnett spent last Wednesday with her great grandmother, Mrs. Zaida Bryant.

Mr. and Mrs. Roy Braden and son left Saturday afternoon

for their home in Yale, Okla. after a weeks visit with his sister, Miss Alta Mae Braden. Mr. and Mrs. Harold Anderson of Tulsa, Okla. visited Mr. and Mrs. W.R. Baldwin on Wednesday of last week.

Mr. and Mrs. L.E. Ellis and children of Burkburnett visited Mr. and Mrs. Bill Harrison and children Saturday.

Miss Salley Wulbrecht of Atchinson, Kansas visited her uncle and aunt, Mr. and Mrs. T.E. Spannagel Sunday of last week.

Jess Goode underwent surgery in a Wichita Falls Hospital last week.

Mr. and Mrs. Junior Mower and children of Jacksboro visited her parents, Mr. and Mrs. N.O. Fisher, Wednesday night, they visited Mr. and Mrs. Mack Frye.

Mrs. Don Allen of Sherman spent Friday night and Saturday with Mrs. Robbie Best.

Mr. and Mrs. John Williams are spending this week at Lake Texoma.

Mr. and Mrs. Melvin Wright of Grove, Okla. spent Saturday night with Mrs. O.O. Best and attended the home coming Sunday.

Mr. and Mrs. Harry Mayer and Julie of Dallas, Mr. and Mrs. John Rupe and Freda Butler and Mrs. Willie Mae Oils of Walters, Oklahoma were Sunday guests of the B.B. Menz'.

Visitors in the home of Mr. and Mrs. T.L. Wileman last Tuesday were Mr. Earnest Abbott of Grandfield, Mrs. Vergie Roberts of College Station, Mrs. Francis Merry of Baltimore, Maryland and Mrs. Ester Kirkem of Aransas Pass.

Mr. and Mrs. Marion Robinson returned their son Richard to Oklahoma City last Tuesday for a medical checkup following an ear operation recently.

The Home Coming held Sunday at the school cafeteria was well attended. It was voted to have a home coming every year on the first Sunday of August.

ust. Everyone reported having a good time and met lots of friends.

The Stanford Reunion was held at Hill City, South Dakota from July 23 to July 28. Those attending were Mr. and Mrs. David Oxley and daughter of Wichita Falls, Mrs. J. M. Braden of Randlett; Mr. T.H. Stanford of Keene, Tex., Miss Jay Braden of Jacksonville, Fla., Mr. and Mrs. Wayne Voegel and children of Champayne, Ill., Mr. and Mrs. Raymond Schuelte and children of Denver, Colo, Mr. and Mrs. Warren Stanford and daughter of Whiteright, Texas, Mrs. Jean Carson, Chris and Randle of Miami, Fla., Mr. and Mrs. Julius Voegel of Omaka, South Dakota, Mr. and Mrs. Fred Holweger of Tolstoy, South Dakota, Drs. Tommy and Carol Stanford and family of Orlando, Fla., Dr. and Mrs. Clinton Holweger and family of Ga., San Bender of Rapid City, S.D., Mr. and Mrs. Elmer Holweger of Tolstoy, S.D. Mrs. Braden had to take her father, Mr. T.H. Stanford, home to a hospital at Cleburne on Monday of last week. He was reported in critical condition for some time but is improving now.

Devol Doings

The big sheet iron barn north of Devol on the Chasteen farm was a total loss Monday of last week when a grass fire got out of control. The barn contained 400 bales of alfalfa hay and a bin full of seed wheat that was also a total loss.

Leon Stevens of Denver, Colo. arrived Saturday for a short

visit with his mother, Mrs. Ora Stevens and his sister and family, Mr. and Mrs. L. E. Jeffery. Mrs. Stevens accompanied her son home for a few weeks visit.

Mrs. Avis Wood has returned home from Okla. City where she has been visiting her sisters for the past week.

The V.E. Lagrones, who are now living at Jinks, Oklahoma, visited relatives here last week.

Mrs. W.C. Charboneau is reported on the sick list.

Vernon Regional College Sets Registration

Pre-registration counseling and scheduling began at the campus of Vernon Regional Junior College on August 7th, and will continue through August 18th. The campus is located on Cam-

pus Drive (Highway 70) in Vernon, Texas.

Students may come to the Registrar's office in the Administration Building on campus anytime between 8 a.m. to 12 a.m. and 1 p.m. to 5 p.m. No appointment is necessary.

Students planning to attend Vernon Regional Junior College are urged to attend the counseling and scheduling session. Although participation is not a requirement for admission, students attending will have the advantage of individual assistance in preparing their fall class schedule, and will also have the opportunity to tour the new college facilities.

Regular registration will be conducted on campus on August 30 and 31st, and late registration will end September 18th. Students may be admitted to VRJC anytime prior to the last day of late registration.

Applicants for the Licensed Vocational Nursing Program at VRJC must file their application for admission by August 18th. All other applicants may file anytime prior to the end of registration.

Treva Ladd To Become TCU Grad

Treva Jean Ladd of Burkburnett is among Texas Christian University students who expect to complete degree requirements and receive degrees during summer commencement on Aug. 11.

The event will begin at 7:30 p.m. in Daniel-Meyer Coliseum with Chancellor J. M. Moudy presiding. Some 325 earned bachelor, master and doctoral degrees will be awarded.

During the evening, the honorary Doctor of Divinity degree will be conferred by the University on Ralph Stone, minister to students at Fort Worth's University Christian Church since 1960. The native Missourian, who earned B.A. and B.D. degrees from TCU and the Master of Sacred Theology degree from Union Theological Seminary, also serves as the Christian Church (Disciples of Christ) campus minister at TCU.

Stone, who will be the evening's speaker, is well-known as author - director of religious dramas, past chairman of the Youth Rehabilitation Program of the Fort Worth Area Council of Churches and for his guidance in developing summer programs for ghetto-area youth.

D.L. Watson Now At Sea

Navy Seaman Dennis L. Watson, son of Mr. Louise Watson of Grandfield, Okla. has left homeport at Little Creek, Va. for a six-month cruise with the Sixth Fleet in the Mediterranean aboard the landing dock ship USS Trenton.

Embarked aboard his ship are several amphibious construction and landing teams, including Marine amphibious units.

Ken Mahaffey On UT Honor Roll

A total of 558 University of Texas engineering students have been recognized as honor students for the 1972 spring semester by Dean Earnest F. Gloyna.

To be eligible for the engineering honor roll, a student must have maintained at least a 12-semester hour course load throughout the semester, passed all courses, and made a minimum grade-point average of 3.25 (A equals 4 points). Texas students on the College of Engineering honor roll include: Kenneth Ross Mahaffey, 605 North Avenue C, Burkburnett.

STATE CAPITAL Highlights AND Sidelights

by Bill Boykin
TEXAS PRESS ASSOCIATION

Texas Press Association AUSTIN, TEX.-- A recent statewide survey shows 22 per cent of Texans, or 2.5 million re poor compared to a nationwide rate of 13 per cent.

Further, Texas accounts for nearly 10 per cent of the nation's poor.

Texas Office of Economic Opportunity submitted the 300-page report to Governor Preston Smith, terming it the most comprehensive study ever undertaken among the Texas poor.

The Rio Grande Valley area was shown as having the highest incidence of poverty in the state -- 42.2 per cent of the population. East Texas was next with 29 per cent poverty rate. The East Texas and Lower Rio Grande Valley areas also have the smallest proportion of persons completing high school.

About 55 per cent of the heads of poor households are employed, and 70 per cent of those have fulltime permanent jobs, according to the study.

However, low income levels make it difficult for these persons to bring their families out of poverty.

Guidelines for the report set poverty level for a family of four at an annual income of \$3,800.

More than one third of the Texas poor are children under 15, and four out of five are black or Mexican-American.

George P. Taylor, TOEO director, said the report will be the basis of programs to alleviate poverty in the state. Recommendations include bringing in new industry to decrease unemployment, housing expansion and better health care and food programs.

A proposed four-year anti-poverty plan for Texas would seek \$6.3 million in aid from national and regional OEO.

REFORM SESSION STUDIED-- Governor Smith disclosed he is putting together a "full package" of insurance reform proposals in case he decides to call a special legislative session this year.

Reports indicated the governor was serious when he said he may call such a session on insurance matters. Smith himself continued to lash out at the insurance regulatory board. When members ordered a rate cut for auto insurance averaging 11 per cent statewide, Smith said a 21 per cent reduction was in order.

Smith said he must work closely with legislative leadership to achieve anything in a special session, but Lt. Governor Ben Barnes and House

Speaker Rayford Price said he hasn't said a word to them about his plans.

If Smith calls the session, apparently he will propose wholesale reorganization of the board and a controlled competitive rate system for property and auto insurance.

ELECTION BILLS PAID--The state ran out of money before it paid 1972 primary election expenses and fell about \$25,000 short of meeting all its bills.

The last \$17,000 available was sent to county officials last week. A lot of election workers, printers, and suppliers have not been paid for their work.

The money was disbursed on a pro rata basis, amounting to 26.66 per cent of bills still outstanding in the counties. Remaining expenses will have to go uncompensated until the 1973 Legislature can make appropriations.

An appropriation of \$2.1 million was set aside by the Legislature last spring for the 1973 primaries.

"I can find no other source of funds available at this time," said Secretary of State Bob Bullock. "When we have paid all the county chairmen, we will not have one cent remaining of the \$2.1 million appropriated."

AG OPINIONS--Death penalties may be commuted to life sentences at any stage between jury verdict and granting of a new trial, Attorney General Crawford C. Martin held.

In other recent opinions, Martin concluded:

* One convicted of a felony may have rights of citizenship restored and become eligible to hold public office.

* A county clerk may record marks or brands given the same name if the marks or brands are themselves different.

* Podiatrists may not create a professional association under the Texas Professional Act but can create a professional corporation where all shareholders are licensed podiatrists.

* The county attorney of Harris County may investigate election frauds, although the primary duty is that of the district attorney.

* Established procedural rules for parole revocation under a new U.S. Supreme Court decision are not applicable to revocations prior to June 29, 1972.

* Parks and Wildlife Department officers have duty to preserve the peace and disperse riots.

* A notary who continues to meet any one of three statutory requirements has not "perman-

ently removed" himself or created an automatic vacancy.

* A former state employee who was eligible to be a member of the Employees Retirement System is not eligible to receive a Texas Ranger pension.

COURT MERGER URGED -- Merger of the Texas Supreme Court and Court of Criminal Appeals, elimination of municipal and justice of the peace courts and non-partisan election of judges were proposed by the Chief Justice's Task Force for Court Improvement.

A series of seminars are being scheduled over the state to hear comments on the proposed revisions.

Under the recommendations, courts of civil appeals would become courts of appeals handling both criminal and civil cases.

The Legislature would be directed to create a system of county courts at law to perform the judicial functions now performed by all courts below the district level.

UNEMPLOYMENT JUMPS -- A jump in the unemployment rate last month was spurred largely by new graduates and summer job seekers, according to Texas Employment Commission.

The jobless rate reached 4.6 per cent statewide, but this was less than the 5.3 per cent rate of June, 1971.

Actually, the University of Texas Bureau of Business Research reports, the Texas economy is getting better and better, and 1972 second-quarter and first-half performances of economic indicators ended on a solid upbeat. No boom is yet in sight, however.

APPOINTMENTS--Dick Whit-

ington, formerly of Devers in Liberty County, has been named deputy director of Texas Water Quality Board, succeeding Joe P. Teller.

Governor Smith appointed William H. Earney of Marfa district judge of the 83rd judicial district. He succeeds the late C.E. Patterson.

SHORT SNORTS

A special election is set for September 16 in District 46, Place 3 of Brooks, Cameron, Kenedy, and Wilbrey counties to select a successor to Rep. J.A. Garcia Jr. of Raymondville who resigned.

Agriculture Commissioner John White warned early destruction of cotton stalks in the Lower Rio Grande Valley is necessary to fight the pink bollworm menace.

New information on Texas fairs, fiestas, and celebrations during August and September is available from the highway department.

Land Commissioner Bob Armstrong has been elected secretary of the Western States Land Commissioners Association.

New bank charter applications have been filed for Woodway (McLennan County) and Adick (Harris County).

Four minor party lawsuits to get on the November general election ballot have been set for hearing before three federal judges in San Antonio September 7.

A Senate committee probing health care costs was told hospitalization in Texas isn't quite as high as the national average if that's any consolation.

APPOINTMENTS--Dick Whit-

Veterans Now Can Apply For Plates

Rep. Vernon Stewart announces that applications are now available to those disabled veterans who failed to apply last year for the special disabled veteran license plates, authorized by the last regular session of the legislature.

Renewals for 1973 will be handled automatically by a renewal notice being sent directly to the veterans from the motor vehicle division of the Texas Highway Department.

To qualify a new applicant must:

1. Be a Texas Resident
2. Be a Veteran of the United States Armed Forces
3. Have a service-connected disability of at least 70%

4. Now be receiving compensation from the federal government as a result of such disability.

5. Have a Texas title in applicant's name before application for disabled vet license plates can be approved.

Only one set of free plates may be obtained annually for either a passenger car or a light commercial vehicle having a manufacturer's rated carrying capacity of one (1) ton or less. Registration of the vehicle must be in the name of the disabled veteran but not necessarily in his name solely.

Joint ownership is permissible. Vehicle must be used for veteran's personal use only.

Applications must be submitted to the highway department by October 1st.

Rep. Stewart states that this law was passed to help disabled veterans who were injured in service-oriented duties. Qualified applicants will not be required to pay the prescribed annual registration fee. Another advantage is that cars bearing such plates will be exempt from payment of parking fees.

As in the past, Rep. Stewart will mail applications to anyone requesting them by calling 767-4431 or 767-5223.

LIONS PROGRAM--Roy Magers is pictured with Ken Willingham who spoke to the club last Tuesday night on "Communism Verses Capitalism".

Guidelines of Life

By Ed Morris, Church of Christ

"A FRIEND OF SINNERS"

My Saviour drew a lot of criticism because He associated himself with people who had the taboo of the religious society about them. They said, in derision, that He was "A Friend of Publicans and Sinners."

Surely He was a friend of sinners -- and is today a friend of sinners. If this was not true, then none of us would ever know the joy and peace of being a child of God, for "All Have Sinned and Come Short of The Glory of God," Romans 3:23.

But, "Christ Jesus came into the world to save sinners," 1 Timothy 1:5.

He loves sinners, but He hates sin; He loves the criminal, but He hates crime; He loves the wrong-doer, but He hates wrong. "God commendeth His love toward us, in that, while we were yet sinners, Christ died for us," Romans 5:8.

It was this real love and concern that brought Christ to where the sinner was, and that sent Him to Calvary's Cross to die in the sinner's stead -- "the just dying for the unjust, that He might bring us to God."

Sin and wrong is no joke, and must not be taken lightly. Sin brings "death"; sin brings a breach between you and God; sin brings broken lives, broken dreams and shattered hopes; sin brings hospitals, jail houses, insane asylums. You can't play around with this death dealing monster, sin.

But the snare of sin brings the "friend of sinners" to help you if you will but humble your heart and listen to Him and trust Him-- otherwise you must suffer the consequences.

It's a compliment to be identified with my Lord as "a friend of sinners" -- on call, for those who want help.

CARDS of THANKS

Big League BASEBALL Fans: Your generous donation of \$530 helped to make the trip to San Antonio a successful one. Mathis Chevrolet of Burkburnett and Duckworth Chevrolet of Iowa Park, furnished part of the transportation for the 15 members of the All Star Team.

The boys were housed at Kelly AFB and they were privileged to have their meals in the mess hall there.

We defeated Alice Bush County League Monday night 2 to 1, coming back Tuesday night defeating San Antonio 3 to 2. Wednesday we were defeated by Baton Rouge, La. 7 to 1 and Thursday night were downed by San Antonio 14 to 0. San Antonio defeated Baton Rouge to become eligible of representing our league at National in Charleston, West Virginia this week.

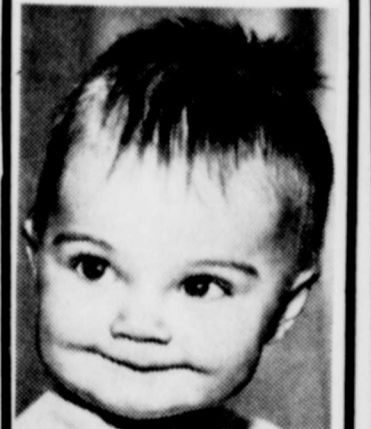

We are certainly proud of this All Star Team. They gave all they had and I am certain they have set a pattern that many boys will follow in the years to come.

A big hearty THANK YOU to all of you who have supported us this year and the fine send off you gave the boys on their departure for San Antonio. The telegrams received while in San Antonio helped us to know that you back home were behind us 100% and wishing us well in this competition.

Johnny (Carson) Larson, Manager
Wayne Hamilton, Coach

We the family, grandparents and other relatives of Doyle Dewayne Leach wish to express our heartfelt thanks for the many kindnesses shown us in our recent bereavement, for the flowers, the food and especially for the many prayers of christian friends.
May God's richest blessings

"What A Nice Insurance Man!"

This young bride came to us about insurance. As she and her husband are renters, we suggested a Tenant Policy which combines insurance on personal belongings with theft and personal liability coverage, at low premium. We like to make friends thru good service.
