Friday's Showers Bring .13 Moisture

Rainfall totaling .13 of an inch fell in Perryton and immediate territory Friday according to Jack Allen, keeper of the government weather gauge. The showers were reported to be spotted through the county bringing the first precipitation during the month of October.

During the month of September 1.89 of an inch of moisture was recorded locally.

Deck Resigns As General Manager TAA

W. M. Deck, general manager for the Texas Agricultural Association since January 19 of this year, resigned from that position on Monday, September 9. In a statement to President J. Walter Hammond, Manager Deck gave, as his reason for resigning, illness in his immediate family which will necessitate his being constantly at home in Perryton for the next few months at least.

President Hammond stated that no plans had been officially adopted as yet by the Board of Directors of the TAA to take care of the change in personnel, but that several ideas were being worked upon and that final action would probably be taken around the first or second week of October, at which time the annual fall membership drive would be put into effect.

Manager Deck has been a faithful and constant worker for the TAA, and it is with regret that his friends note his resigning from his managerial duties. For a number of years perhaps ever since the TAA has

To Immunize First Grade Children

Children, who entered school this fall for the first time, will have the opportunityy to be immunized against diphtheria and smallpox at a very little cost. The County Council of the Parent Teacher Association is again sponsoring this health program for six-year olds, or those just entering school.

Cooperating with the County Council and the school, Dr. G. L. Kengle and his staff are again giving their services without charge. The serum for these vaccinations will be administered at the school building.

Mrs. Wm. Jennrich, health chairman for the Council, states the charge for this immunization is as follows: diphtheria 60c, smallpox 25c, both for 75c.

The date for the clinic has not been announced, but parents who wish to have their children vaccinated against these two dreaded diseases should contact Supt. C. Wedgeworth immediately. The immunization charge must be paid in advance as the serum has to be ordered.

Einstein Becomes American Citizen

Dr. Albert Einstein, famed German exile scientist, is shown taking oath of allegiance as he becomes a U. S. citizen at Trenton, N. J.

Girls Get Gas Masks—Just in Case

Gas masks that provide an outlet for the beauty of attractive eyes are fitted to girl staff members of the San Diego, Calif., naval district as civilian personnel, as well as enlisted men, receive instructions in use of the protectors. For test drill, they spent five minutes in gas-filled naval barge.

Local Lions Club Endorses Peace-Time Expansion of U. S. Navy Personnel

Twenty-five members of the Perryton branch of Lions International met at the Hotel Perryton for luncheon Tuesday noon. The organization heartily endorsed a resolution passed on September 29 by the District Governors Council of Texas in District 2-T at Dallas. The resolution advocated that all Lions familiarize themselves with information regarding the U. S. Navy Recruiting Service and for the next 60 days impress on the citizens of their respective communities the necessities and opportunities in connection with the present Navy Peace Time Procurement Program.

Appearing on the entertainment program were Ruth Neufeld and Mary Jane Fritz who sang several songs accompanied by Mrs. A. P. McCelvey at the piano. Guests for the luncheon were Boyd Payne and George Philbrick, athletic directors in the Perryton schools.

Boss Lion H. A. Finch appointed a committee composed of A. P. Spicer, E. D. Kelley, A. P. McCelvey, Glen McGibbon and H. C. Sanford to make all arrangements for entertaining this Zone in the near future. The decision of the club to be host at the Zone meeting was made unanimously.

The resolution to which the local club endorsed and will adhere to for the next 60 days follows:

"WHEREAS, the Navy Department of the United States has encouraged the formation of Civilian groups to co-operate in the peace time procurement of personnel required under the Naval Expansion program, and

WHEREAS, the International Association of Lions Clubs is a Service and Patriotic organization whose slogan is, LIBERTY INTELLIGENCE OUR NATIONS SAFETY;

WHEREAS, it appears to the District Governors Council of Texas Association of Lions Clubs that the co-operation of all Lions Clubs in Texas in the foregoing program would be of assistance in informing the public generally of the opportunities offered to preserve our liberties and to make our nation safe;

THEREFORE, be it resolved by the District Governors Council of the Texas Association of Lions Clubs, duly assembled in Dallas, Texas, on this the 29th day of September, 1940:

FIRST: That the Lions Clubs of Texas adopt as a major activity for the next sixty days a program of familiarizing themselves and the citizens of their respective communities with the necessities and opportunities in connection with the present Navy Peace Time Procurement Program.

SECOND: That each Club be asked to devote at least one of its weekly programs, preceding or following Navy Day, October 27, to the proper observance of that day.

THIRD: That the officers and members of each Lions Club prepare themselves to give information and advice to young men in their communities concerning the requirements and opportunities for service to their country in the Navy or Naval reserve.

TEXAS ASSOCIATION OF LIONS CLUBS.
THE DISTRICT GOVERNORS COUNCIL."

Lusher Rites In Ft. Worth

A Fort Worth resident since 1872, Mrs. H. W. Lusher, 73, died Monday, October 2, at the residence of her son, Jack Lusher, 3771 W. Fourth. Services were held at the Central Methodist Church, Tuesday afternoon, with burial at East Oakwood Cemetery.

Born in Boonville, Tenn., Mrs. Lusher came to Fort Worth with her parents at the age of five in a covered wagon. She taught school in Riverside when a young woman and rode to and from school on horse-back. In 1883, she married H. W. Lusher, pioneer Fort Worth contractor of the firm of Lusher & Rocket. She was a charter member of Central Methodist Church, which was built by her husband's firm.

Mrs. Lusher still had the dress and bonnet her mother wore on the wagon trip to Texas and she wore them during Texas celebrations.

The Lushers, Mr. and Mrs. Lusher and son Jack, were residents of Perryton for several years. They were the original owners of the Perryton Coca Cola Bottling Company, having built and installed the plant.

Mr. Lusher died while living in Perryton, and Jack Lusher and his mother continued the operation of the Coca Cola plant. When they

Baptist Missionary To Have Dist. Meet

According to Mrs. I. R Buchanan, president of the Baptist Missionary society, several state officials will be in Perryton Tuesday for a meeting of all missionary societies in this district. Delegates will be present from churhes in Gruver, Spearman, Booker, Follett, Higgins, Locust Grove, Canadian, Miami and Gem.

Among the visitors expected and each to have an important part on the program, are Mrs. D. A. Grundy, Memphis, district W. M. S. president; Mrs. E. F. Lyon, Dallas, state executive secretary; Mrs. W. D. Howell, McKinney, state recording secretary; and Mrs. Howard Williams, Amarillo, personal service chairman.

The program will begin at ten in the morning and continue until three o'clock with basket lunch at noon. Special musical selections have been arranged by the local organization.

These ladies will meet with the Young Womans Auxiliary and the Business Womans Circle on Monday evening in the church.

Mr. and Mrs. John Osterbuhr and son, Jean, Mr. and Mrs. Harry Cayler and Donna and Mr. and Mrs. Bill Cayler and Kay were Sunday dinner guests in the J. W. Cayler home, Balko, Okla. The family gathering was in honor of the birthday of Donna.

Hoppers Return as New Crop Menace

The grasshopper situation is causing considerable concern at this time according to E. W. Thomas, county agent. A few hoppers hatched out in the county and remained along the fencerows during the summer and fall and have eaten out the wheat the width of a drill row in some fields. However, the hordes of hoppers now showing up have drifted in on the north winds from other sections, presumably Kansas.

The first reports came in Wednesday of last week when the insects suddenly appeared in the northwest part of the county. An inspection the next day revealed the same condition in the northeast part.

W. J. Spicer of the Federal Bureau of Entomology made a survey of the situation the latter part of the week and found that so far the invading hoppers had not started to feeding to any great extent. He stated that they were likely to settle down to lay eggs and eat the young wheat at any time.

It is pointed out that until this occurs, there is nothing that can be done in the way of control since the insects will not touch the poison bait at the present time.

The species causing the trouble is known as the Mexicanis or lesser migratory hopper and usually does not appear in sufficient numbers to cause damage to crops, but this year hatched out in untold numbers all over the western third of Kansas and are now drifting into other areas.

It is the only important species that hatches two broods a year, one in the early spring and one in the late summer. It is the summer brood that is now present. Ample supplies of poison material is available in the county or can be made available quickly from nearby counties and farmers can secure supplies of poison bait as soon as trouble develops.

Elect Delegates to Legion Convention

The Pierce Johnson Post, The American Legion, elected delegates and alternates to the 18th District convention, at its regular meeting Monday night. The 18th District meeting will be in Borger, Saturday and Sunday, November 2-3.

A. R. Hoghland, commander, and Del Spicer, adjutant, report the following delegates: Roy Orrill, A. R. Hoghland, Del Spicer, Sibley Jines, Jack Schultz, W. M. Boston, Tom Denman and O. Truax.

Alternates are H. C. Graham, John Mayo, who is a new member transferred from Wheeler, J. W. Woodworth, Glenn Truax, Hugh Shotwell, Freeman Garrett, Kirt Williams and Van W. Stewart.

A citation for 1940 membership was received by the Post from Lou J. Roberts, outgoing Department Commander.

Family Escapes Serious Injury

Mr. and Mrs. Vernon McLanahan and small daughter escaped serious injury Saturday night when their automobile struck a cattleguard in the southwest part of the county as they were returning home. Several stitches were required for a head wound suffered by the daughter and Mr. McLanahan suffered bruises and cuts. Mrs. McLanahan was unhurt.

The accident occured at the east entrance to the Wolf Creek State Park as the lights went out on the car when crossing the guard.

Local Draft Board Named by Governor

Governor O'Daniel announced Tuesday nomination of Texans to be local draft board members, subject to President Roosevelt's approval, which is expected this week. Ochiltree county board members are: A. J. Kelly, Perryton; Roy Hoghland, Perryton; L. R. Conner, Farnsworth.

Other county boards in this area are: Hansford—P. A. Lyon, Spearman; Fred Brandt, Spearman; W. L. Russell, Spearman. Hemphill—Carl Studer, Canadian; H. S. Wilbur, Canadian; Judge H. E. Hoover, Canadian. Lipscomb—Roy Sansing, Higgins; Ben Roberts Jr., Darrouzett; Jack Schultz, Follett.

The three-member boards, will begin the big task of classifying men of conscription age immediately after registration day, October 16. Board members serve without pay.

Post and Unit Making 1941 Member Drive

The Pierce Johnson Post and Unit of The American Legion and Auxiliary are enrolling members for 1941. At the regular meeting of the Post and Unit Monday night, plans were made for the 1941 drive.

Commander Roy Hoghland appointed Harry Nail and W. M. Boston captains of the drive for the Legion members. Mrs. Hugh Shotwell was named membership chairman for the Unit by Mrs. Dewey Allen, president.

Mrs. Shotwell announced that her helpers are Mrs. J. W. Herrell, Mrs. E. B. Gyger, Mrs. Harry Nail, Mrs. Horace Lackey, Mrs. Roy Hoghland, Mrs. H. I. Hudson and Mrs. Blansit Carter.

Mrs. J. G. Schultz, Pollett, will help enroll 1941 members for the Auxiliary in her area. Miss Jane Louise Rogers is assisting in the enrollment of Junior Auxiliary members. Junior dues are 50c and adults $1.60 in the Unit.

Any of the above Legion and Auxiliary members will accept 1941 dues. An early enrollment of membership is urged.

Grain Bin Damaged At Wheat Growers

High wind accompanying Friday's shower was reported to have inflicted considerable damage on the left grain storage bin at the Perryton Wheat Growers elevator.

The huge circular steel tank gave away in the middle section and was resting against the side of the elevator proper. The bin contained its storage capacity of wheat totaling 25,000 bushels. No grain was lost as the tank did not break open, however.

C. L. Sullivan, manager of the concern, said that the tank was amply covered by insurance.

County Clerk In Charge Of The Registration For Ochiltree County; Election Judges Aid

Next Wednesday, October 16, all twelve voting polls in Ochiltree County will be thrown open under the local direction of Irvin R. Buchanan, county clerk, for the registration of all county males between the ages of 21 to 36 years of age. Registrars and a corps of helpers announce that all is in readiness to register an estimated 400 persons in the preliminaries of the first peace-time drafting of men for military service in the history of the nation as called for in the Selective Service Act, recently enacted by Congress. Training covering a period of one year will be given to those conscripted in the draft and who have no grounds for deferment.

Buchanan said that a meeting of all registrars and helpers has been called at the courthouse Saturday afternoon at 2 o'clock in order that they may familiarize themselves with their duties Wednesday. No funds are available under the act to pay workers and they are donating their services.

See Draft questions and answers elsewhere in the Herald on the peacetime military training program which have been prepared under the direction of the State Director of Selective Service, J. Watt Page, to acquaint the public with the essentials of the program.

It is indicated that the first draftees will be inducted into the service sometime during the middle of November and that the majority will come from the northern industrial states rather than from the south where volunteer enlistment will reduce the quota to be filled from those states.

The general election juiges and their assistants in each voting precinct will be in charge of the registration in their respective precincts.

Two changes in the list of judges as presented last week in the Herald have been made as follows: A. C. Emberson will replace D. D. Hummer at Huntoon; A. K. Wooten will replace W. H. Lance at the school house in Perryton. Other judges are: G. I. Horne; 2. Bernard Hurter; 3. John Pletcher, R. H. Prancis; 4. Roy Linn, Sam Handly; 5. W. M. Good, Fred Turner; 6. T. C. Lott, Tee Parnell; 7. Audie Conley, G. B. Mears; 8. Ed Greever, A. D. Reed; 9. Herman Hargrove, Dean Conner; 10. D. W. Hart, Harley Eilege; 11. A. R. Hoghland, Charlie Cudd; 12. J. N. Conley.

Buchanan stated that schools would not be closed at any place in the county during the registration period as an extra room was available at each of the places with the exception of Taz wheer only about three or four registrants were expected. Polls will be open between the hours of 7 a. m. and 9 p. m.

JUST HERE and THERE

From the reports of some thousands of programs sponsored by service clubs throughout the United States last week honoring the first observance of National Newspaper Week, we have gleaned the following.

That the great number of newspapers in the United States, by their variance of opinions and policies are the bulwark of democracy in this country. In other nations there are only great national newspapers, easily controlled to turn opinion as dictorial groups order.

That the greatest enemy of a free press in the United States does not come from government or political bodies but from the advertisers who if they differ with the editorial policies of the newspaper, can diminish the newspaper's service to its community, by cutting off their support.

That newspapers through the publishing of news of the community, state and nation, political sub-divisions of government, schools and churches, clubs and parties, births and deaths and marriages, render a service to the community for which every business in the community should pay a part, even though they are not buyers of paid advertising.

That newspapers in the United

M. E. Revival Another Week

The revival meeting, which started at the Methodist Church last Sunday, will continue thru next week. Two services will be held daily, Rev. P. E. Yarborough, pastor is directing the meeting, with the choir furnishing the music.

Church services on Sunday will be at 11 a. m. and 7:30 p. m., with Sunday school and Epworth League at the usual time. Starting Monday, and running thru Saturday next week, services will be held every morning at ten o'clock, and every evening at 7:45.

Good crowds and interest the past week indicate that the attendance will be larger this week. Rev. Yarborough extends an invitation to every one to attend any or all of the services.

Sunday evening, October 13, the First Christian Church is dismissing its services to attend and cooperate in the Methodist meeting.

Ochiltree Co. Lambs Top Monday Market

J. S. Slaughter left last Saturday for St. Joe, Mo., with a load of lambs. He sold the lambs Monday morning and topped the market at 9¼ cents. It is reported that these lambs were the best that have been shipped from this area. Mr. Slaughter returned Tuesday and Mrs. Slaughter met him in Canadian.

Annual Halloween Carnival of Legion And Auxiliary Will be October 26

At a meeting last night, the American Legion and American Legion Auxiliary formulated plans for their annual Halloween carnival, which will be held Saturday night, October 26, at Donley Hall. The general committee of both organizations met at the Carter Hotel and selected chairmen for various concessions and entertainment.

Present at last night's meeting were: A. R. Hoghland, Post Commander, and Mrs. Dewey Allen, Unit President, and members of the general committees. Tom Denman is chairman for the Legion, with Sibley Jines, J. W. Woodworth, Hugh Shotwell and H. C. Graham as assistants. Members of the Auxiliary committee are Mrs. Blansit Carter, chairman, Mrs. Hugh Shotwell, Mrs. Sibley Jines and Mrs. A. R. Hoghland.

Concession chairmen named by Mrs. Carter and her committee to date are:

Penny Booth: Mrs. Jack Allen; Hamburger stand: Mrs. C. B. Rogers; Confetti and Popcorn: Mrs. Hugh Shotwell, Mrs. Roy Hoghland; Fishing Pond: Mrs. W. M. Boston; Doll Rack: Mrs. Dewey Allen, Mrs. H. I. Hudson; Coin Pitch: Mrs. Tom Denman, Mrs. Sibley Jines; Men Only: Mrs. Van W. Stewart. Other chairmen and helpers will be announced next week.

Chairmen selected by the Post committee are as follows:

Hamburger stand: E. W. Thomas; Bingo: Harry Nail, Jack Schultz, H. C. Graham; Ball game: Sibley Jines; Mouse trap: Hugh Shotwell, Tom Denman; Women Only: Omar and Beno Truax; Bathing Beauty Revue: J. W. Woodworth; Apex Club for Men Only: Roy Hoghland; Water game: J. W. Herrell; Target Shooting: Robert Barlow. A complete list of Legion workers will be given later.

...men will be af- ...ve service pro-

A—Military authorities estimate that approximately 16,500,000 men between the ages of 21 and 36 will be registered under the program in the United States and its territorial possessions. In Texas approximately 900,000 men are expected to register. Approximately 5,000,000 are expected to be available for the training program.

4. Q—Who will administer the program?

A—The President of the United States will name a national director of selective service. In each state the Governor will serve as the coordinating head, and will appoint a State Director of Selective Service. Governor W. Lee O'Daniel has named Adjutant General J. Watt Page to hold this position in Texas.

5. Q—When will the selective service program go into effect?

A—President Roosevelt has issued a call for the registration of all men between the ages of 21 and 36 who are living in the United States and its territorial possessions. This registration will take place on Wednesday, October 16, and the first class of men called will probably begin their training about November 15.

6. Q—How long will this program last?

A—The present selective service law, just passed by Congress, will remain in effect until May 15, 1945.

General Provisions

1. Q—I now have a job. If I am called for training and give up my job, can I get it back after my training is completed?

A—Congress, in the selective service law, seeks to insure that men called for training will regain their jobs. If the job is with the Federal government, its return is guaranteed. If the job is with a private employer, it must be returned unless the employer's circumstances have changed so as to make it impossible or unreasonable to do so. If the job is with a state or local government, Congress advises that it be restored.

2. Q—What must I do to get my job back?

A—If you have completed your year's training and are still capable of holding the job which you gave up to enter training, you must make application for re-employment within 40 days after the training is completed.

3. Q—If the employer will not rehire me, what can I do?

A—You can take your case to the U. S. District Attorney, who if he believes you are entitled to reemployment, will file suit in Federal district court against your former employer to force him to rehire you and compensate you for any losses due to his failure to comply with the reemployment provisions of the law. The District Attorney will act as your attorney, and no court costs can be assessed against you.

4. Q—Will I lose my seniority and benefits such as insurance, by giving up my job to go into training?

A—The law provides that all persons who give up a job to enter training shall be reemployed in the same position, or in a position of like seniority, status and pay, without any loss of seniority or benefits such as insurance.

5. Q—I have already enrolled in college for the school year 1940-41. Will I have to drop out of school to report for training?

A—You can be called for training, but you will not have to report before July 1, 1941, giving you a chance to finish the school year.

6. Q—What will the men called for training be paid?

A—The base pay for those called under the selective service program will be $21 a month for the first four months, and $30 per month thereafter.

Registration—Administration

1. Q—What is the purpose of the registration under the Selective Service Act?

A—The purpose is to get a complete census of all men between the ages of 21 and 36, with a view to determining which are most eligible for military training.

2. Q—When will the registration take place?

A—The President of the United States has proclaimed Wednesday, October 16, as national registration day. Registration booths will be open from 7 a. m. until 9 p. m.

3. Q—Where will the registration booths be located?

A—Each registrant will report to his usual voting box where he will be registered. Customary polling places are being used for registration because the public is familiar with their location.

4. Q—Who will be in charge of the registration?

A—The Governor of each state will be the directing head of the registration, but the key men will be the county clerks.

5. Q—How will the registrars at each polling place be selected?

A—The presiding judge and judges for each voting precinct, as provided by the County Commissioners' Court, are the registrars. The county clerk will appoint enough additional helpers to complete the registration in one day.

6. Q—Will these registrars be paid?

A—No. They will not be paid. It is the concensus of opinion that the election personnel should be willing to contribute one day's service to the National Defense Program.

7. Q—Where will the registrars get their instructions and their materials for registration day?

A—The Governor will forward to each county clerk sufficient supplies and instructions for the registration. The clerk will then hold an instruction school for the chief registrars from each precinct, and these chief registrars will in turn instruct the assisting registrars.

8. Q—How many registrants can one registrar handle between 7 a. m. and 9 p. m. on registration day?

A—Experience has proven that it will take an average of 20 minutes per registrant, therefore the average number of registrants one person can handle will be about 30 during the day. Presiding judges will make sure they have sufficient helpers to take care of the registration for each voting precinct.

9. Q—Will the results of the registration be reported?

A—Yes. Local registrars will report results to the county clerk who will relay them to the Governor. When all returns are in, the Governor will make his report to the National Director of Selective Service in Washington, D. C.

Registration—Who Is Affected

1. Q—Who must register on October 16 under the selective service program?

A—Every male citizen of the United States and every male alien who has declared his intention of becoming a citizen, must register unless he is specifically exempted by law, provided he has reached his 21st birthday and has not passed his 36th birthday.

2. Q—What classes are exempted from the registration?

A—The Selective Service Law provides that the only classes exempt from registration are members of the armed forces of the United States, the active National Guard, the reserve corps, the coast guard, the coast and geodetic survey, the public health service, cadets and midshipmen at national academies, and cadets of the Advance Course, Senior Division, Reserve Officers Training Corps or Naval Reserve Officers Training Corps. The staffs of foreign diplomatic establishments in the United States are also exempt.

3. Q—Suppose a registrant is absent from his home voting box on registration day. What procedure does he follow?

A—Many registrants, such as college students, traveling men, and business men, will be away from their homes on registration day. They must go to the nearest polling place on that day and register. Their registration card will then be forwarded to the proper place.

4. Q—Suppose a registrant is sick on registration day. What should he do?

A—He may deputize some person to get a registration blank for him and to assist him in filling it out. In some cases the person will be too sick to permit registration, so he will be allowed to register later on presentation of a doctor's certificate explaining the reasons for his non-registration.

5. Q—Suppose a man is married or suffers from some physical ailment which would make it impossible for him to perform military service. Does he have to register?

A—Yes. All persons between the ages of 21 and 36, regardless of physical handicaps or conditions of dependency, must register on Wednesday, October 16.

6. Q—Can a man register late without being penalized?

A—Only if he can produce sufficient evidence to justify his failure to register on the national registration day.

7. Q—What is the penalty for the failure to register?

A—A heavy fine and prison sentence is provided for failure to register. Registration officials will make up a list of those failing to register, and this will be turned over to law enforcement officials who will round up the truants.

Registration—The Actual Procedure

1. Q—What, exactly, will the registrant have to do on October 16?

A—He will report to his local polling place between the hours of 7 a. m. and 9 p. m. on Wednesday, October 16, 1940, to answer questions on a registration form which will be asked by the registration officials.

2. Q—How long will this registration take?

A—The registration for each individual will require about 20 minutes.

3. Q—What questions will be asked?

A—The registration form includes questions on the registrant's name, age, mail address, telephone number, employer's name and address, the place and date of birth, the citizenship, and the name of a close relative of each of the registrants.

4. Q—Is a physical description required on the registration blank?

A—A brief physical description will be made by the registrar noting the race, height, build, color of hair, and eyes, complexion, and obvious physical defects of each registrant.

5. Q—Will the registrant swear to his answers?

A—Yes. After the form is filled in the registrar will read the answers back to the registrant who will then sign the registration form with the declaration that his answers are true. The registrar will also sign the form.

6. Q—What proof will an individual have that he has registered?

A—After the form is filled in, each registrant will be given a certificate showing that he has already registered.

7. Q—Will it be necessary to keep these registration certificates?

A—Yes. The registration certificate must be carried at all times so that it can be presented on demand to law enforcement or selective service officials. The registrant also must notify his local board immediately of any change of address.

The National Drawing

1. Q—In what order will the registrants be considered for classification and induction into service?

A—One of the basic principles of a selective service system is that all registrants shall be treated on an equal basis. The order in which individuals will be considered for classification and possible service will be determined by lottery—a national drawing.

2. Q—Will each local registrant receive a definite number?

A. Yes. After the registration is complete in each local area, the registration cards will be shuffled and mixed before numbering. Each person will then be assigned a serial number, and a list of these numbers in each local area will be posted for public inspection. It is contemplated that there will not be more than 3,500 registrants in any single area, so the serial numbers will run from 1 to 3,500 or less.

3. Q—Will Number 1 in each area be the first man called for classification?

A—No. Numbers corresponding to the numbers in each local area—probably from 1 to 3,500—will be placed in a container in Washington, D. C., and a drawing for order will take place. For example, Number 2875 may be drawn first, then Number 147, then Number 3033, and so on, until all numbers have been drawn. The order in which they were drawn, will then be made into a code list.

4. Q—Will the first number on the code list—say Number 2875—be the number of the first man in each local area to be called?

A—No. To insure the most complete impartiality in the administration of the selective service act, another drawing will be held. This time only one number will be drawn—possibly by the President of the United States. This number might conceivably be Number 3033, and will be known as the key number. This will be the number of the first man called in each local area for classification.

5. Q—After the numbers have been drawn in the national lottery, what will happen then?

A—A list of numbers, in the order in which the men will be called for consideration, will then be posted in each area so that all may know how soon he may expect to be called. Each man will then be assigned what is known as an "order number."

Classification—General Nature

1. Q—What does classification of registrants mean?

A—It means that every person between the ages of 21 and 36 who registers on October 16, 1940, will be classified according to his availability for a year's military training.

2. Q—What will be the classes in which the registrants will be placed?

A—The main class—Class 1—will be composed of those who are available for training immediately. Persons whose service in civil capacities is of great importance (workers in munitions plants, for example) will be placed in Class II, and their call to training will be deferred. Those with dependents (wife, children, etc) may be placed in Class III, deferred on grounds of dependency. Certain individuals will be placed in Class IV when their service is undesirable on moral, physical, or other grounds or because the law defers them (ministers, etc.)

3. Q—How will this classification be made?

A—The local boards will classify all registrants on the basis of detailed questionnaires, interviews with registrants, and other information gained through private research.

4. Q—Will all registrants be placed in Class I, unless additional facts prove that they should receive a different classification?

A—Yes. If a registrant does not claim a deferment, for example, he will automatically go into Class I. If he fails to fill out his questionnaire, he will be placed in the same class. The only way to get out of Class I, is to prove the right to a deferment or be removed as the result of a physical examination which shows the registrant is not suitable for service.

5. Q—Suppose some citizen of the community is not satisfied with the classification given to a registrant. What can he do?

A—Each citizen is interested to see that no favoritism and no errors creep into the classification. In each local board area a Government Appeal Agent, recommended by the Governor and named by the President, will appeal from any local board decision which he believes is wrong. If a citizen feels that Registrant X, who has been given a deferred classification, should be classified as available for training, he will present his facts in secrecy to the Government Appeal Agent who will then act. The Government Appeal Agent will also help ignorant registrants to secure justice.

Classification—The Questionnaire

1. Q—How will the classification of the registrants take place?

A—After the registrants have each received their order numbers, they will be given a detailed questionnaire by their local board which will provide the basis of their classification.

2. Q—How long will a registrant have to fill out this questionnaire?

A—The completed qeustionnaire must be returned to the local board within five days.

3. Q—Who can help the registrants in completing the questionnaires?

A—In each local board area, an Advisory Board for Registrants, composed of one or more members serving without pay, will assist registrants in answering the questionnaires.

4. Q—What will the questionnaire include?

A—The questionnaire will consist chiefly of questions which will divulge the information on which the registrant's desirability for military training will be determined. It will call for detailed information on a registrant's family, economic, physical, and occupational conditions.

5. Q—Will this information be kept confidential?

A—All information of a personal nature given in the questionnaire will be kept confidential.

6. Q—What is the importance of this questionnaire?

A—On the basis of the answers given to these questions, the local boards will determine whether the registrant should be classified as available for immediate induction into training, or should be temporarily or permanently deferred from the training program.

7. Q—Must claims for a deferred status be made at the time the questionnaire is filed?

A—Yes. Unless the registrant demonstrates in his questionnaire, or specific request, a desire for a deferred status, he will be classed as immediately available for the training program.

Classification—Procedure

1. Q—What does classification mean?

A—After all men between the ages of 21 and 36 have been registered, selective service officials must then determine which men are best fitted for immediate military training. In other words, each man will be classified as to his availability in one of several groups—1. immediately available for training, 2. deferred for occupational reasons, 3. deferred because of dependent relatives (wife, children, etc.), or 4. miscellaneous deferments (death after registration, physical incapacity, etc.)

2. Q—Who will determine what classification a man shall receive?

A—The classification is left up to local boards, composed of three or more local citizens recommended by the Governor and named by the President. Texas will have 341 such local boards, with no board having more than 3,500 registrants under its jurisdiction.

3. Q—What procedure will these local boards follow?

A—First, each registrant will be sent a detailed questionnaire which will serve as the basis of the classification. After these questionnaires are returned, the local boards will consider them in the order in which the registrant's numbers were drawn in the national lottery.

4. Q—Will the classification be on the basis of the questionnaire alone?

A—In many cases it will be possible to classify a registrant on the basis of the questionnaire alone. In other cases, the registrant will be called before the board for personal inquiry, but all additional information must be reduced to writing.

5. Q—Suppose a registrant fails to return the questionnaire. What will happen to him?

A—The Local Board will automatically classify him as immediately available for training. The same thing will happen when a registrant returns the applicaion and makes no application for a deferment.

6. Q—How will the registrant know how he has been classified?

A—At the end of each day, the local board will notify all registrant who have been classified that day of its action.

7. Q—Will the board order a physical examination for registrants?

A—Ordinarily physical examinations will be ordered only after a man has been classified as immediately available for training. A preliminary examination will be conducted by the examining physician of each board, who will be named by the President on recommendation of the Governor. The preliminary examination will weed out the obviously unfit. The final examinations will be made at regular receiving stations.

8. Q—Can the registrant appeal from the action of a local board?

A—Yes. If the registrant is not satisfied with the classification he receives from the local board, he may carry his case before a Board of Appeal which is set up on a regional basis. If there is a dissenting vote on this Board of Appeal, the registrant may appeal to the President of the United States in certain restricted cases.

Induction and Mobilization

1. Q—How many men will be called for training under the selective service program?

A—The law provides that not more than 900,000 men shall be in active training at any one time. This would indicate that 900,000 men will be called for training each year.

2. Q—When will the first men be called for training?

A—The first group of men—probably 400,000—are scheduled to report for training between November 15 and December 1, 1940.

3. Q—How will the number to be called from each state be determined?

A—A quota system will be established to make sure that each state and each section of a state, furnishes its fair share of the men called for training.

4. Q—How will this quota system work?

A—After all registrants are classified, each state will report the number of men in Class 1, (available for immediate training.) For example, Texas may have 5 per cent of the total number of men in this class. If so, Texas will be expected to furnish 5 per cent of the men for each call. The same system will be used within each state to make sure that each local board area furnishes its proper share of men.

5. Q—How long will the training last?

A—Each man will receive 12 months training.

6. Q—After a man completes his 12 months training, what will be his status?

A—He will be placed in the reserves, for 10 years, or until he is 45 years old, or until he is discharged from the reserves, whichever occurs first. As long as he is in the reserves, he will be subject to call should his services be needed. If, after completing his twelve months training, he elects to serve for two years in the Regular Army, or the National Guard, he will not be required to go into the reserves for the ten year period.

7. Q—Where will the training take place?

A—The men will be sent to regular military camps where the staffs of the Regular Army and the National Guard will conduct the training.

8. Q—Who will pay for the cost of transporting the men to these camps?

A—The Federal government will pay all transportation and maintenance costs while the men called for training are enroute to their camps.

Soils too poor to grow other farm crops will seldom be found rich enough to grow trees.

A Measure of Courage

There's a certain measure of courage that a nation finds it needs among its men during trying times to carry through to success and victory.

The farmer must have it when rain floods his fields, or drouth turns the crops black, and he must suffer the loss and plant anew. The business man calls on this measure of courage when he enters into a bold enterprise in the face of depression. The soldier needs it when he goes out to battle an enemy, in an unknown territory, against strange weapons.

Perhaps no soldier needs it more than the parachute trooper. Now that the U. S. is forming a corps of these modern warriors, there will be need for this extra courage among the men who defend America.

The dangers encountered by the parachutist have been demonstrated in Europe, where hundreds of Russians and Germans died dropping from the sky attack. This method of warfare can be used for defense as well, for men dropped behind the enemy lines could learn of attack plans and hinder operations.

In attack or defense, the risk is the same. In the daytime, the parachutist is a helpless target in the sky. At night, unseen wires or trees menace him, and the danger of capture after a safe landing is always present.

The job calls for men of courage, but the U. S. will find them in her ranks. Men like storied Nathan Hale and Maj. Andrew Rowan, who carried the message to Garcia—these had that measuer of courage needed. Ours will have it today when the call is sounded.

Students Are Aid Defense Program

STEPHENVILLE—"You are doing your country a great service in her defense program by securing an education." Dean J. Thomas Davis made this statement at the first assembly period of the current school term at John Tarleton College. Two students from Perryton were among the 1273 cadets and coeds of the Stephenville insititution who made up the audience of this initial exercise. The Tarleton Dean stressed the point that Tarleton, a military school and a coeducational branch of Texas A. and M. College, is cooperating in every way in assisting the government during the present crisis. The civilian pilot training course sponsored by the College is an example of this, he explained. Over fifty pilots have already been trained, and a new program is just starting.

Perryton students enrolled in John Tarleton College are Leland Horne, and Henry Carroll LaMaster.

Attends PTA in Morse And Spearman Tuesday

Mrs. W. B. LaMaster, president of the Eighth District of Parents and Teachers, was in Morse Tuesday afternoon to attend a meeting of the Morse PTA and give a talk on "Well Founded Attitude." She was accompanied by Miss Nellie Perry.

Tuesday night, they were present for the regular monthly meeting of the Spearman Association. Here Mrs. LaMaster spoke on "Parent Teacher Organization and Problems."

Mr. and Mrs. G. R. Wilson and Mr. and Mrs. Dan Archer were in Austin over the week-end to attend a meeting of all Burial Insurance Agents. The meeting was called by the state insurance commissioner for instructing the agents in new methods, forms and laws.

Mr. and Mrs. H. O. Martin, Southeast Second St., announce the birth of a daughter on Tuesday, October 8. She has been named Phyllis Glenna.

Mr. and Mrs. W. B. LaMaster were business visitors in Amarillo Thursday.

Mr. and Mrs. Glen McGibbon had as their guests from Friday until Sunday his mother, Mrs. F. H. McGibbon and the latter's sister and husband, Mr. and Mrs. Otis Law, all of Anthony, Kans.; Glen's sister, Miss Thelma McGibbon and Miss Inis Genrich, both of Enid, Okla.

A son was born to Mr. and Mrs. Debs Riley in the Shattuck Hospital on Sunnay, October 7. He weighed 8 pounds and 14 ounces and has been named Gene Watson. Mrs. Riley and son were able to be brought home Monday evening. Her mother, Mrs. Edna Watson is staying with her.

Mr. and Mrs. Max Boyer returned Monday evening from a week-end visit in Oklahoma. At Norman they visited with his brother, D. C. Boyer, another brother, Dr. O. W. in Perry and with their mother, Mrs. Olive Boyer in Morrison.

Holmes Crisp, Alva, Okla., visited Sunday in the home of his son, K. H. Crisp and family.

Mr. and Mrs. J. O. Young spent Sunday in Wheeler visiting in the home of his brother, H. E. Young.

Miss Agnes Forrest, Canadian, returned to her home in Canadian, Saturday after a weeks visit in the home of Mr. and Mrs. Lawson Flowers.

Mr. and Mrs. H. H. Balzer were visitors Saturday night and Sunday with her cousins, Mr. and Mrs. Rudolph McLemore, Elk City, Okla.

GIRL SCOUT NEWS

Girl Scout leaders held a council meeting Friday afternoon, October 4, in the home of Mrs. W. H. Lance, troop leader. The Perryton troop, with four patrols, is sponsored by The American Legion Auxiliary.

Council members decided that all patrols meet the fourth Tuesday of each month for a social gathering, at the Legion Hall. One of the patrol and its leaders will be in charge each month.

Attending the meeting were Mrs. Harry Barlow, Mrs. Alvin Koehn, Mrs. Claud Allen, Mrs. G. A. Rupprecht, Mrs. Alvin Holmes, Mrs. Sibley Jines, Mrs. W. M. Boston and Miss Edith Newman. Mrs. Kenneth Crisp was appointed to assist Mrs. Boston with her patrol.

The eighth grade patrol met in the home of their leader, Mrs. W. M. Boston, on Tuesday afternoon this week. The scouts brought their sewing and made doll clothes for dolls that will be given at Christmas to needy children.

Next week this patrol will have an outdoor meeting. Scouts who have not completed work on out door cooking, may attend and finish work for this badge.

Present at the Tuesday meeting were Mrs. W. H. Lance, troop leader; Mrs. Boston, patrol leader; Oneal Wilson, Billy Jo Snyder, Kathleen Pinkerton, June Brown, Opal Pearl Murry, Joyce Lance, Billie Fay Bell, Dorothy Jean Crisp, andJoan Boston.

The Tejas Patrol met Tuesday this week in the G. A. Rupprecht home with eight members answering to roll call.

The members were divided into sides for a contest; the winners to be treated to a party by the losers. For next weeks meeting a bicycle trip to the ball park at the Fair Grounds was planned. This will complete the cycle tests.

Present were JoLayne Allen, Helen Marie Hudson, Betty Jean Jacobs, Mary Kay Evans, Imogene Harrison, Mary Lou Rupprecht, Ruby Ann Patton, Nadine Mitchell, Viola Boren, Coleen Epp, Norma Hibbs, and Shannon Daniels. Betty Jean Jacobs, scribe.

Arrest Oklahoma Traffic Violators

Traffic violators in Oklahoma are being made conscious of traffic regulations. The past week several drivers have been arrested in Guymon for driving without operators' licenses. The law requires that people driving a car must have their licenses upon their person or undergo prosecution. Patrolmen also issues warning against faulty lights and reckless driving.

The Panhandle Herald, Guymon, Okla., carries the following item in its issue of Octoaer 3:

"Patrolman Curtis Busby, who assumed duties here Tuesday was representative officer of the State Highway Patrol Division of the Oklahoma Department of Public Safety today issued warnings to drivers of cars with faulty lights, and included in the warning exceeding of speed limits and employing reckless or careless driving methods.

"Last night warning cards were given to drivers of 21 cars in Guymon because of faulty headlamps or tail lights. Another fifteen persons were given warnings for exceeding the speed limit and driving recklessly or carelessly. Hereafter those stopped in the city limits for exceeding the speed limit will be arrested and will have to face reckless driving charges, Busby declared."

OCHILTREE COUNTY NORTHEAST PANHANDLE HERALD'S SPORTS

RANGERS SUBDUE SKYROCKETS 7-6 FRIDAY

Rangers Play First Conference Game

Canadian Wildcats May Prove Stopping Of Ranger Streak

With only a scant margin to spare the Perryton Rangers repelled an invasion of the Wellington Skyrockets here on Ranger Field last Friday night 7-6 in a game filled with more tense situations than any game heretofore for the Rangers this season. An excellent turnout of fans were on hand to witness the victory.

J. Luthi carrying the ball for the Rangers accounted for the opening first down for Perryton on the third play of the game but all of the gain was lost on the next play when an attempted pass was frustrated and Lilly was nailed for a 10-yard loss.

The Rockets came right back with a first down as they came into possession of the ball for the first time with T. Calhoun downing Cox after a 11-yard run.

Taking to the air successfully early in the first quarter the Rockets aroused home supporters when Cox completed a pass for 12-yards to Driskell who was brought down on the Ranger 20-yard line for a third down. Things began to look bad for the Rangers when they drew a 15-yard penalty for backfield in motion, bringing the pigskin to the 5-yard line. A determined Ranger line resisted all Rocket attempts to score and punted out of the danger zone.

The Rangers due to score in the second period opened the quarter by fumbling after several good runs down field, and immediately recovered when Lilly passed to J. Allen to pick up 14-yards. Coming back with another successful pass after a short line gain Lilly connected with Boston for 25-yards. With the ball on the 20-yard stripe Tregellas came close to scoring as he missed a pass from Lilly thrown over the pay-line. Yeary picked up 12-yards to bring the ball to the 2-yard stripe on a successfully staged fake play. Lilly passed over the goal to Tom Boston for the first score of the game. Willis Lilly converted for what turned out to be the winning point.

The Rockets came back strong after receiving the kick with M. Wallace turning in a 12-yard run, F. Cox coming up with a 5-yard gain and repeating with an additional 5-yards. Additional runs and a pass for 8-yards from Cox to L. E. Gribble began to threaten a possible score in the last seconds of the second quarter, but again the Rockets were held.

A comparatively uneventful third period went by with neither side gaining enough ground to threaten until the last play. The Rangers came in for a drubbing on penalties collecting three 5-yard setbacks for backfield in motion. L. Gribble made the longest run of the game when he eluded pursuit for a 42 yard run for Wellington, a run that put the Rangers on the under side of yards gained in scrimmage. Consecutive runs brought the Rockets to the Ranger 2-yard stripe at the close of the third.

Opening the fourth Wellington scored with Cox making the grade around the right end. An attempted pass from Winders to Driskell on the conversion was blocked. Wellington tried a series of passes in the last few minutes of the game without success against a terrific battle put up by a Ranger line determined to hold the scant margin between the scores until the close of the game.

Game Statistics:

	Rangers	Rockets
First Downs	9	9
Yds. Gained scrim.	131	144
Pass Attempted	6	9
Pass Completed	2	3
K. O. & Punts Re.	56	114
Yds. Penalized	50	10
Punts	142	90

The Lineup:

Perryton		Rockets
B. Dunlavy	LT	L. Thompson

J. Allen	LE	H. Driskell
B. Davis	C	W. Aldrige
E. Reimer	RG	R. Baumgarten
R. Werneberg	RT	H. Winders
T. Boston	RE	O. Goodner
W. Lilly	LH	Young
G. Lawrence	RH	M. Wallace
J. Luthi	FB	L. Gribble
C. Gidley	QB	F. Cox

Rev. and Mrs. S. R. Brannon and his daughters, Miss Ruth of Amarillo, Mrs. Dorothy Luginbyhl of Borger and Miss Louise, Perryton returned Monday evening from Plainview where they were called on Saturday by the death of the girls' grandfather, Rev. O. C. Fluke, age 81. Funeral services were held Sunday afternoon in Plainview.

To Relieve Misery of COLDS take 666
LIQUID, TABLETS, SALVE, NOSE DROPS

Hail T. C. U. Sophomore as Mighty Mite of Southwest

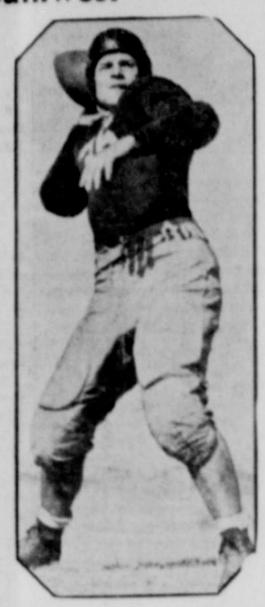

BY ART BRONSON

ALONG the sports trail: Southwest critics say Dean Bagley of Texas Christian is a good bet to wind up as the best of the mighty midgets ever to come out of the tough Southwest Conference. . . . Even better than Bobby Wilson of Southern Methodist and Davey O'Brien. . . . Bagley, who led the nation's schoolboys in scoring three years ago, is a 150-pounder who runs, kicks and passes in amazing fashion.

Herb Hartman, Kansas guard, weighs 20 pounds less than he did a year ago. Reason: he peddled ice all summer so he could get under 200 pounds, as required for those passing the physical exam for the CAA flying course. . . . Frankie Battaglia, who retired from middleweight ranks three years ago, has returned to the ring around Los Angeles as Vic Balarian.

PHIL PACK, Michigan athletic publicity director for 16 years, has been given a leave of absence to pursue more serious duties as a lieutenant-colonel in the National Guard at Camp Beauregard, Louisiana. . . . Oregon, noted for its tall basketball teams, will have the tallest in its history this winter. . . . Sophomore Wally Borrevik is 6 feet 8½.

Edgar (Special Delivery) Jones, Pittsburgh's crack junior halfback, is a better baseball pitcher than he is a footballer. . . . Plenty of major league clubs are trailing him. . . . Colorado fish and game department is appealing to out-of-state hunters to come in and help kill off deer and elk which number thousands more than the state wants. . . . Monk Meyer, former Army backfield star, is coaching the service team at Schofield Barracks in Honolulu.

Dean Bagley . . . another mighty mite who does everything.

AL BLOZIS, gigantic Georgetown shot-putter who broke all those world records this past season, is now tossing the opposition around from his tackle position on the Hoya grid team. Bill Terry, Oregon tackle, is the state's outstanding junior skier.

Pennsylvania football captains (this year it's Center Ray Frick) help Coach George Munger select starting lineups. . . . The 10-year-old son of Billy Werber, Cincinnati third baseman, shoots 18 holes of golf in the low 90s.

Rangers Win Third Victory

The Perryton Rangers put up a furious battle with the Wellington Skyrockets and escaped with a 7-6 victory, Friday night. The Rangers held the Rockets the first and second quarters although several attempts were made for touchdowns on both sides. During the second quarter Tom Boston caught a pass thrown by Willis N. Lilly on the goal line which made a score of 6-0 in favor of the Rangers. Willis Neal Lilly counted for the extra point. The third and fourth quarters were exciting as Wellington scored a touchdown during the third quarter. An uncompleted pass failed to raise their score to 7 points. This only made the Rangers fight harder for a touchdown. Both teams approached the goal line several times but failed to score during the last quarter.

The Perryton Rangers threw many passes of which very few were incomplete and intercepted a number of passes. The Rangers are improving on their aerial warfare which looks bad for the next games to come.

Dumas Votes Municipal Gas Bonds

DUMAS, Oct. 4 — Mayor F. S. Makeig and City Commissioners J. V. Mills and Wiley Fox announce that an official canvass of the week-end bond election shows that Dumas voted 253 to 47 to authorize the city to issue $60,000 in revenue bonds to buy or build a natural gas distribution system, and to secure a new supply well, if necessary.

Dumas for 11 years has been furnished with gas by the West Texas Utilities Co., which also furnishes lights and water. Mayor Makeig says an attempt will be made to buy the present system before any consideration is given to building. — The Dalhart Texan.

Mr. and Mrs. Jack Woodward announce the birth of a daughter in an Amarillo Hospital on Monday. Mrs. Woodward has been staying in the home of her parents, Mr. and Mrs. A. B. Gynes several weeks. Mr. Woodward and his mother, Mrs. J. H. Woodward went over Sunday to be with her.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Funeral Rites To Be Held Thursday

Private funeral services will be held in the Ochiltree Cemetery this afternoon, October 10, for Florence Genevia, 21 months old daughter of Mr. and Mrs. J. H. Carter. The little girl passed away Wednesday night 11:30 o'clock with diphtheria.

The Carter family came here from Arkansas this summer and he has been working as farm laborer.

Is Commander Of Beaver Legion

The Beaver American Legion post No. 149 held its regular election of officers at a meeting on Thursday night, September 19, with C. F. Arnot, Beaver county commissioner, named as Post Commander for the coming year.

Other officers elected at the meeting were as follows: First vice-commander, R. E. Weir; Second vice-commander, Max Rottmayer of Laverne; Adjutant, H. L. Burke; Sergeant-at-Arms, John Beebe; Chaplain, Otto C. Barby; Service officer, Roy Farden, Forgan; and Historian, G. H. Karnes. — The Beaver Herald-Democrat.

Rangers Meet Wildcats Here

The Perryton Rangers will have the acid test Friday night when they meet the muchly heralded Canadian Wildcats for the first conference game of the season at Ranger Field.

Although the Rangers have been unbeaten with three games played with one tie, they are noticeably weak in the defense line and are woefully lacking in experience with the majority of the team playing in the regular lineup for the first time.

The Rangers are going through what often happens among high school football teams, that is in having a decided slump after a winning team has been built up from junior high players to take high honors on the gridiron. Usually when an above average team is produced the majority of the veterans are lost through graduation in the spring. Such is the case of the Rangers this year who after winning the Region One Championship last year lost all the regulars except two men.

Canadian on the other hand are said to have reached the other side of the cycle and are expected to take the Rangers here Friday night. The Wildcats lost their first game when Panhandle defeated them during their season last Friday 19-6.

The Rangers will go into the game Friday night as the underdog, but are undergoing a stiff practice schedule this week to be ready for anything.

Perryton's probable starting lineup will be the same as previous games Boyd Payne and George Philbrick, coaches, stated Tuesday.

Junior High Team Defeats Coyotes

The junior football team coached by Chester McLeroy returned from Borger last Thursday afternoon victorious after defeating the Borger Coyotes 12-0 at Bulldog Stadium.

The game was tight through the first half with Perryton breaking loose in the second half to score the first tally in the game. Mullins made the first score for Perryton on a short run after a pass placed the ball deep into enemy territory. Schroeder made the second score when he plunged through enemy lines for 45 yards.

Both teams made eight first downs.

Playing in the Perryton lineup were Archie Correll, le; John Daniels, lt; Elton Symons, lg; Dean Stump, c; Phillip LaMaster, rg; G. K. Rupprecht, rt; Joe McClung, re; backfield men were McWilliams, Mullins, Schroeder and Gidey.

The starting lineup for Borger included: Wiggs, re; McGee, rt; Higgins, rg; Mills, c; Greer, le; Moore, lt; Alexander, lg; W. Ward, lh; Evans, rh; Franklin, qb; D. Ward, fb.

Plans are in progress for a game with Phillips this week, according to McLeroy.

Early Pioneer Dies in Liberal

Mrs. Catherine Larrabee, age 91, pioneer wife and mother of seward county, Kansas, passed away Thursday, October 3, in a Liberal hospital, where she had been taken Monday for treatment of a fractured hip, received in a fall.

Mrs. Larrabee was the mother of Lee Larrabee, chairman of the Kansas State Forestry, Fish and Game Commission, and of Mrs. Lena Macy and Mrs. Cora Stout, all of Liberal. Another daughter, Miss Mary Larrabee, lives at Tucson, Arizona.

As a bride Mrs. Larrabee came west with her husband, H. P. Larrabee, locating first near Carthage, Mo. In the spring of 1886, they joined the caravan of covered wagons coming on westward and locating on a quarter section of land four miles west of Springfield, then a flourishing town in northeastern Seward county. That fall they moved in to Springfield.

When the county seat was moved from Springfield to Liberal, the Larrabees moved to their ranch on the Cimarron near Arkalon where they resided until Mr. Larrabee's death in 1906, when Mrs. Larrabee moved to Liberal, which has since been her home. A son, Joe Larrabee, preceded her in death several years ago.

Mrs. Larrabee was a resouceful pioneer wife and mother. She knew the many hardships of those early days of the settling and establishment of the country. — Southwest Daily Times.

Moritz Winter Buried at Bethany

Moritz Winter was born in Austria, October 5, 1861, and departed this life September 20, 1940, at his home near Boyd, Okla., age 78 years 11 months and 15 days.

At the age of ten, he, with his parents came to America, locating at California, Missouri. Later they moved to Iowa.

Mr. Winter became a Christian at an early age, and continued to live a quiet Christian life.

September 20, 1890, he was united in marriage to Miss Lena Stoelting. To this union three children were born, Martha Schollenbarger and John of Boyd, and Paul, who preceded him in death two months and nine days.

He was also preceeded in death by his wife, both parents, one sister, one brother and a granddaughter.

The family moved to Kingfisher Oklahoma in 1901. Then in 1904 they came to Beaver county where Mr. Winter filed on a homestead on which he has continuously resided.

He leaves to mourn his passing the son and daughter, one brother four grand-children, three great grand-children and many other relatives.

Funeral services were conducted by the Rev. J. A. Haworth at the Bethany school house, Saturday and interment in Bethany cemetery.

Music was furnished by a quartet composed of Mrs. Fred Whittit, Mrs. Wahl, Mrs. Schwab and Mrs. Nolder, accompanied by Mrs. Davis. Special music by Mrs. Whittit.

Pall bearers were: H. Kirton, Oscar Leirlie, Ray Hayden, B. B. Kennedy, Wm. Casdorph and Bert Kennedy.—Beaver Herald-Democrat.

Miss Edith Newman visited in the W. B. Randolph home, Amarillo, over the week-end.

Mr. and Mrs. C. L. ors, Jimmy and ffio, visited Sunda Mrs. C. E. Wood.

Mr. and Mrs. Dan and daughter, Ard day visitors in the home. Dorrance week, the other evening.

Patriotism Goes to Her Head

It's hats off with screen starlet Joan DuPont when she wants to exhibit her patriotism. In the curls of her definitely American hair-do are seen the letters "U. S."

General Sorosis Meeting Wed.

The Perryton Sorosis club met Wednesday, October 2, in the Hotel Perryton with Mrs. A. J. Kelly, president, opening the meeting.

The minutes were read and approved. Mrs. Tom Denman reported on the recent meeting of the Current Events department; Mrs. Clarence Neufeld reported on the Home Economic and she together with Mrs. Ray Grabeel and Mrs. D. A. Caldwell reviewed the late convention at Plainview. Miss Nellie Perry gave a most interesting talk on "Science Is Not Enough." A piano solo by Mrs. A. K. Wilson completed the program entertainment.

Present for the meeting were Mesdames Cecil Dodd, Clarence Neufeld, Jack Allen, W. B. Reid, D. A. Caldwell, Ray Grabeel, A. K. Wilson, Sibley Jines, W. M. Boston, Clifford Beck, F. M. McGee, Tom Denman, Earl Miller, R. L. Duke, W. L. Herndon, Paul Bowen, Hugh Shotwell, H. C. Brillhart, A. J. Kelly, J. M. Bull, H. C. Sanford, Max Boyer and Miss Nellie Perry.

Good Deeds Club Met in Rogers Home

The Farnsworth Good Deeds club met Thursday afternoon in the home of Mrs. F. P. Rogers to quilt.

Mrs. Truax read "Why Does God Allow This War?" by Ralph Sadler Meadowcroft taken from the Christian Herald. The club song, "Somebody" and "Savior More Than Life" were the songs of the day.

Mrs. Merton Smith was a visitor. Members present were Mrs. I. H. Waggoner, Mrs. Odie LaFever, Mrs. Mary Fronk, Mrs. J. G. Powell, Mrs. J. E. Green, Mrs. A. L. Truax, Mrs. J. M. Morgan and the hostess, Mrs. Rogers.

Mrs. Nelson Hostess For Entre Nous Club

Mrs. C. R. Nelson was hostess for a lovely Mexican party Tuesday when she entertained the Entre Nous club for one o'clock luncheon and bridge in the Hotel Perryton.

Score prizes were won by Mrs. Richardson, high, and Mrs. Clennan, second high.

Seated with Mrs. Nelson for the afternoon were Mrs. Charley Kent, Mrs. G. L. Kengle, Mrs. Harry Cayler, Mrs. Jack Todd, Mrs. Ross Leatherman, Mrs. Jake LeMaster, Mrs. Glen McGibbon, Mrs. Ray Weir, Mrs. Ray Nelson, Mrs. George Clennan, and Mrs. Henry Richardson.

Party Celebrates Fourth Birthday

Mrs. Harry Cayler entertained Saturday afternoon with a party in celebration of the fourth birthday anniversary of her daughter, Donna Marie.

The little guests arrived in the Cayler home, 908 Southwest Fourth Street, at four o'clock. Mrs. Miles Edwards and Mrs. E. H. Gohmert assisted Mrs. Cayler in the play hour, then the birthday cake was cut and served with ice cream. Balloons and suckers were given as favors.

Those present were Connie Edwards, Kay Cayler, Phyllis Vernon, Nancy and Addye Lou Dodd, Roma Fay and Barbara Hawk, Gwen Vestal, Lois Cook, Winnifred Clennan, Norma Flowers, Janice Gohmert and the honoree.

Mr. and Mrs. Ray Matkin Jr. of Los Angeles, Calif., announce the birth of a daughter on October 3. Mrs. Matkin, formerly of Liberal, Kans., is a niece of Mrs. C. E. Woods and attended the Perryton High School one year.

A daughter, Adla Jo, was born in the McKay Hospital, Spearman to Mr. and Mrs. Howard Brillhart on September 19.

Child Study Club To Meet Monday

The Adolescent Group of the Child Study club, directed by the Parent Teacher Association, will meet Monday afternoon, October 14, 3 o'clock, in the home of Mrs. Geo. M. Parker, 1115 Southwest Third Street.

This is the first separate meeting of this group of which Mrs. Parker is chairman. The program will deal with the problems of the adolescent child. Mrs. E. W. Thomas will have charge of the Monday study.

Anyone interested, whether a member of the PTA or not, is extended a cordial invitation to be present.

Games Tourney Is Plan of Sorority

The Beta Sigma Phi Sorority of Texas Beta Phi Chapter held its scheduled meeting Tuesday evening at the Hotel Perryton. A games tournament was planned for Thursday night, October 17. Bridge, forty-two, pitch and bingo will be on the entertainment.

The evening program was "Speech." Those responding were: "Good Conversation," Beth Richardson, Cleo Cudd, and Frankie Shugart; "Exercises," Bette Bryan; "Pronunciation and Diction," Irene Knight; and "Resolution," Eugenia Mitchell and Irene Knight.

Roll call was answered with a gem of speech. Those answering were Bette Bryan, Virginia Vaughn, Opal Foglesong, LoRene Richardson, Beth Richardson, Bee Moore, Eugenia Mitchell, Sue Amend, Opal Archer, Irene Knight, Francis Finch, Katherine Winkler, Moina Caldwell, Frankie Shugart and Cleo Cudd.

Dinner Celebrates 20th Anniversary

As a surprise for Mrs. Lee on their twentieth wedding anniversary, October 3, B. B. Lee arranged a seven o'clock dinner at the Club Cafe.

Guests present for the tasty menu and to help celebrate the happy occasion were Mr. and Mrs. Clyde Cofer, Mr. and Mrs. J. H. Stephenson and sons, Bill and Don, and his mother, Mrs. Howard Stephenson of Happy, and the Lee family, Mr. and Mrs. Lee and sons, Dale and Wayne.

Group Enjoys Day

Laura V. Hamner, historian and writer for the News Globe of Amarillo, Mrs. Annie Teague, Mrs. Clara Boone and Mrs. Ethel Paine of Lipscomb made a trip to Lake Fryer Friday and visited at the W. C. Merydith ranch. They also called at Mrs. B. J. Jackson's where Miss Hamner obtained valuable historical information from Mrs. Jackson, who is the widow of B. J. Jackson, a government Indian scout of 50 years ago.

Mr. and Mrs. Ralph LaMond and son, Robert, Amarillo and Guy LeMond, Pampa, spent Sunday visiting in the home of Mr. and Mrs. J. M. Bull. Ralph and Guy are nephews of Mrs. Bull.

Former Perryton Students Honored

Three former students of Perryton High School have been elected officers of the Future Farmers of America-Agriculture Club at West Texas State College, Canyon. These three boys are sophomores at WTSC.

William Flowers, son of Mr. and Mrs. R. A. Flowers, has been elected historian of the Future Farmers of America-Agriculture Club. The two clubs were united this year with the hope of becoming a bigger and better organization. All students who are studying agriculture are eligible to become members.

Flowers also plays on the Buffalo football team, and is a resident of the Buffalo Courts.

Carroll Mallett, son of Mr. and Mrs. S. S. Mallett, was elected secretary of the club.

Dale McLain was selected to serve as parliamentarian of the Club. Dale is the son of Mr. and Mrs. Sam McLain.

Waka P. T. A. To Serve Hot Lunches

The Waka Parent Teacher Association will serve hot lunches to the Waka school children, according to plans made at a called meeting of the Executive Board in September. Other important matters were also decided at this meeting announced Mrs. H. N. Elledge, president.

The organization will continue sponsoring community singings on Thursday evening of each week, with the first singing October 10 in the home of Mr. and Mrs. D. B. Stump. Announcement was made that Waka will entertain County Council on Friday, December 13.

The program committee has completed plans for the programs for 1940-41. And the Year Book committee, consisting of Mrs. Norman Crum, Miss Nadine Barber and Mrs. Dan Manning, will have the yearbook of programs and announcements ready for distribution at the next regular meeting on Friday, October 18.

• Hospital Notes

Mrs. Lee Rowley of the Cambrick, Okla., community entered the hospital Monday. She is a pneumonia patient.

Mrs. E. J. Bolerjack is convalescing nicely following a major operation.

Leon, 6 year old son of Mr. and Mrs. W. J. Blacksten, underwent an appendectomy Monday. He is resting nicely.

J. H. Waggoner is a medical patient since Saturday.

An eight pound son was born to Mr. and Mrs. Marion Palmer in the hospital, October 4.

Mrs. Earl Waide was dismissed Monday following a minor operation on Friday.

Vernon McLanahan entered the hospital Sunday and stayed overnight for observation. He received several bad bruises and shock when his car ran into a cattle guard Saturday night. His wife and daughter were with him. The little girl had a bad cut on her forehead which took several stitches to sew up.

Mrs. T. C. Lott was dismissed Monday after two weeks in the hospital for treatment. Her daughter, Flippy, was also a patient from Friday until Monday.

Charles, three year old son of Mr. and Mrs. Chas. Roberson, had his tonsils removed Wednesday.

Rev. S. R. McClung, Mrs. Geo. M. Parker, Mrs. S. D. Key, Mrs. Paul Bowen and Billy Dean were in Higgins Tuesday to attend an all-day workers conference at the Higgins Baptist Church.

Christian Science

"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 13.

The Golden Text is: "He that is our God is the God of salvation; and unto God the Lord belong the issues from death" (Psalms 68:20).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And all things, whatsoever ye shall ask in prayer, believing, ye shall receive" (Matthew 21:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Self-forgetfulness, purity, and affection are constant prayers. Practice not profession, understanding not belief, gain the ear and right hand of omnipotence and they assuredly call down infinite blessings" (page 15).

Elder J. B. Hardy will deliver the messages at the Primitive Baptist Church, one block east of the American Legion Hall. The public is urged to attend.

Montgomery Talks In Amarillo Tues.

People of this section will have another opportunity to hear R. H. Montgomery, professor of economics at the University of Texas. Many Perryton and Ochiltree county people heard Dr. Montgomery when he spoke here a few years ago.

Dr. Montgomery, who will be in Amarillo for a conference with agriculture groups next week, will address a public meeting Tuesday evening, October 15, at 7:30 o'clock at the Herring Hotel Crystal Ball Room. The general public is invited to hear his lecture without charge.

His subject will be "National Defense", attempting to find an answer to the two questions, "Are we defending" and "what readjustment will be necessary in our internal economy to make national defense effective."

Methodists Dedicate Church at Hartley

Rev. and Mrs. P. E. Yarborough were among those present Wednesday for the dedication of the Methodist church at Hartley. Dedicatory services were in charge of Bishop Ivan Lee Holt. Dr. Thomas C. Barcus, superintendent of this district, was also present.

Rev. Geo. Palmer, present superintendent of the Clarendon district, and pastor of the Perryton Methodist Church when the town of Ochiltree moved to Perryton in 1919, was in attendance.

Twenty ministers participated in the dedication. All pastors of the Perryton district were present except one. The Hartley Methodist ladies served dinner at noon.

Rev. J. B. Thompson, pastor of Booker church, and Rev. S. M. Simpson, pastor of Darrouzett church, accompanied the Yarboroughs to Hartley.

Mr. and Mrs. Harry Blossom, Denver, Colo., are the parents of a son born Sunday, October 7, who has been named Ronald Roach. Mrs. Blossom, formerly Miss Viola Roach of Perryton, is a sister of Curtis O. Roach.

INTERNATIONAL SUNDAY SCHOOL LESSON

The Childhood of Jesus

The International Uniform Sunday School Lesson for Oct. 13.

Text: Luke 2:40-52

* * *

GLIMPSES into the babyhood and childhood of Jesus give us appreciation of His real humanity, to complete the fullness of the Gospel revealed in His mature life, His teaching, and His death and resurrection.

The strong emphasis upon the divinity of Jesus has sometimes obscured the fact that that divinity was revealed in humanity. We could not have had a real incarnation if the earthly life of Jesus had not been in harmony with the laws of birth, life, and growth from the cradle to the grave.

Here in the opening verse of our lesson, we have this emphasized. Luke is writing of Jesus as a boy of 12, and he sums up the years between babyhood and that age with the record that "the child grew and waxed strong." As Jesus grew physically, so He grew in wisdom, and as Luke says, "The grace of God was upon Him."

* * *

NOW Luke gives us a vivid picture of this boy of 12 in action—a picture that far more effectively than any description emphasizes His remarkable nature.

And yet, it is not at all an abnormal picture. The parents of Jesus, as was the custom, had gone to Jerusalem at the Feast of the Passover. The boy must have been thrilled with his visit to the city. He saw and heard a great deal to interest Him, but above all things He had come to the city of the Temple and He had come with the zeal of a youth, precocious in his religious interest.

The parents of Jesus had started on the return journey and had gone a day when they realized that Jesus was not with them. They were not anxious because they supposed that He was among some of the company, for evidently they had many kinsfolk and acquaintances who had come to Jerusalem with the same mission as themselves.

But when they did not find Him, they became anxious. Returning to Jerusalem, they found Him where they might have expected to find Him, in the Temple sitting in the midst of the teachers.

It is a moving spectacle that we have here. If it were merely that of Jesus instructing the teachers, we should be somewhat startled at the presumption of a boy of 12, but even with the grace of God upon Him, presumption was not a sin of the young lad of Nazareth. He was in the midst of the teachers to hear them and to ask them questions, as well as to answer when they questioned Him. They were astonished at His knowledge and His wisdom.

* * *

WHEN His parents found Him, His mother spoke as any mother might have spoken in mild reproach expressive of her sorrow. The answer of Jesus is impressive, and in itself marks the depth and feeling of the boy, "Know ye not that I must be in my Father's house?"

It was not necessary to seek Him. The one thing they could have been sure of was that He would not be in any mischief or doing anything unworthy of them or of the teaching that they had given Him.

The teachers might have been willing to keep Jesus with them, but He was a dutiful as well as an inspired son. He came back to Nazareth with His parents, and as the lesson says, "He was subject unto them." But Mary, we might remember, kept all these sayings and pondered them in her heart.

So our lesson concludes with an even stronger word than that with which it began. "Jesus advanced in wisdom and stature, and in favor with God and man."

Christian Revival Opens October 28

The First Christian Church announces that a revival meeting will start Monday, October 28. Lester B. Rickman, pastor of First Christian Church, Plainview, will preach. He will be assisted by the local pastor, Leon Berry.

No services will be held at the First Christian Church this Sunday night. Rev. Berry states that evening services will be dismissed so that members may attend the revival meeting at the Methodist Church.

Mrs. Henry Richardson and Marilyn returned Sunday from a three weeks stay in Raton, N. M.

News of Perryton School reported and edited by the Student Staff

Elementary, Junior High, and High School Activities

EDITORIAL

Let's Get Acquainted

There are several boys and girls in our school who are here for their first time. Let's give them a big welcome and make them glad they came here. Take them in as your "pals" and do not exclude them from the games and social functions which are taking place. Explain to them how our school system is run and point out to them the "do's" and don'ts." Introduce them around to the rest of your friends and don't just stick to last year's school chums. Let's show how good "dear old P. H. S." is. Be sure to keep the building clean from paper and other trash so that our visitors and new members can see that we are neat in our work. At the football games show the other fans from visiting cities that we are good sports.

Come on P. H. S., let's be friendly.

Hobby Club

The hobby club was opened by roll call. The meeting was turned over so we could work. Some of the boys went to the gym to work on their airplane models. The rest of the boys looked at some pictures. The girls are working on their tatting, crocheting, and knitting.

Sophomore News

Opinions on Drum and Bugle Corps costumes were expressed by the following sophomores:

Laverne Crow—Wide full skirts, with knee socks.

Norma Lawrence—I don't have any idea.

Mary K. Allen—Boot pants.

Margarette Orrill — Skirts and something.

Charles Brillhart—I think they should have Spanish costumes.

Peggy Thomas—Pleated skirts.

Incidentally, Laverne Crow thinks we should be named the Two Ton Tootsies from Texas.

Meet the Teachers

One of our distinguished teachers is Mr. Hadley Reeve, Math instructor. Mr. Reeve was a resident of Friona before coming here. He attended college at W. T. S. C. where he obtained a B. S. degree. He also has a Masters degree in Math from Texas Tech. Mr. Reeve is strictly a math teacher. His favorite sport is football as he played in high school. "Little things make perfection, but perfection is no little thing" is Mr. Reeve's saying. He likes plenty of food.

Mr. Reeve likes P. H. S. because everybody is friendly and loyal to the school. Mr. Reeve likes to travel most and he has been from coast to coast and practically all over the United States. He is well-liked by everybody and we hope he is very successful in Perryton High School.

Enthusiasm Shown At Thursday Rally

With the help of the band, drum and bugle corps, cheer leaders, students and parents the Rangers were "pepped" to a "T" Thursday night on Main Street.

The band played several "pep" pieces and much yelling contributed to the success the Rangers had with Wellington Friday night.

Rangers, get in there and fight! We are all behind you!

Tennis Club

The Tennis Club met in room 207 and elected officers. They are as follows: Billy Herndon, president; Jack Parker, vice president; Charles Brillhart, reporter; Kenneth LaMaster, equipment manager. They decided to use set rules for the table tennis. There are sixteen members in the club. The club will play in the basement of the middle building. At the present there are four tables, but the club expects to have one or two more. Tournaments will be arranged later.

State Visitor Attends Chapel

Chapel was opened Friday, October 4, with the scripture reading from Proverbs 1: 1-5.

The band played one number, and Mr. Truax led the assembly singing.

Mrs. Boyle's sixth grade class presented a short play. It dealt with the origination of the alphabet and the languages from which we borrowed some of the words in our language.

An announcement to the effect that our Junior High football team went to Borger Thursday and won a victory of twelve to nothing.

Mr. W. T. Lofland, deputy state superintendent of District 1 was present for chapel. We all enjoyed the short stories he told us.

In closing the "Ranger Song" and "Perryton Will Shine To-Night" were sung and several yells were given.

This is the first time since the opening of school that the elementary school has been present at chapel.

Here and There

Here I sit taxing my brain with thought of what I shall tell you in this space.

A common sight in the seventh period study hall is to see Mary Frances talking to someone with "Holly" peering over her shoulder.

William Martin certainly spends much of his time at the library.

Dick Thomas never does anything in a study hall, but study. Mmmm!

This is a good period to rest don't you think Wilbert? That nap was short but sweet.

Lena Mae seems to have something other than book-learning on her mind.

We are very curious, Joe, what was so interesting under that desk?

Bill C. is going to rack his brain if he doesn't quit studying so hard.

Why don't we just move the study hall out on the fountains?

I overheard the other day that G. K. is not only a football player, but a crooner.

Doc P. really gets the feminine attention in speech class.

Could anyone tell me why it is that Grover likes shorthand so well?

Little heads all flock together in shorthand.

One-Minute Interviews

What the students and teachers think of the new report card system:

John Chase—It's all right. It gives the teachers more time to go to the show.

Harold Murray—It depends on how many report cards I get.

Mr. Scott—I'm heartily in favor of it.

Wallace Buckhaults—It'll be okay after we get used to it.

Marcella Fritz—I don't like it. Personally, I'd rather get them every six weeks.

Bill Mays—I'll probably get plenty of them.

Dramatic Club

The dramatics club, known as the Perryton High Top Hats met Wednesday, October 2. They looked at some play books and a committee was appointed to select a play to be given soon. Those on the committee are Sudie Records, Sammie Black, and Ona Grace Francis.

Mr. and Mrs. J. R. McLarty and W. A. McLarty spent Sunday with Mr. and Mrs. Claud Saunders, near Balko.

Faculty Member In Amarillo Hospital

Miss Verna Harris, high school teacher of speech and English, underwent a major operation last Wednesday in the St. Anthony's Hospital in Amarillo. Reports are that she is getting along nicely. The faculty members and the senior class, whom she sponsors, sent gifts and flowers. Mrs. S. N. Henry is taking her place and Miss Frances Finch is substituting for Mrs. Henry. The student body expresses their wish for a quick recovery.

El Toro

From the news spreading around certain people surely did have a good time Friday night on the way to the game and back. What about it, Clair?

Jack went to the show Saturday. Was it good, Jack, or did you notice what it was about?

Some of these girls had better pick their boy friends a little younger or they might enroll in the army, won't they Mary Frances.

The tennis courts at the Christian Church are for tennis matches, but from what we heard they have changed to love matches, eh Joe?

Elton Symon's girl had better be watching out—he was caught "red-faced" talking to another girl before class Tuesday morning.

What's this we hear about the Rainbow Girls having so much fun after their meetings? We wonder if anybody but the girls ever know when the meetings are really over.

Isn't it embarrassing to laugh in the show when every one else stays quiet? Marguerite Benton seemed to think so Monday night.

From what I hear Mac Y. has certainly been getting around. After all it might be better to alternate. You know—this one tonight, the other tomorrow night.—Get the point?

Won't Dick Thomas ever make up his mind whether he will have one or two girls. It looks bad doesn't it?

Have Ben Hardy and Erich Buschmann decided to withdraw from the woman haters society? It looks that way doesn't it?

I'm ashamed of you, Cecil, if you don't quit flirting with that little girl in the study hall. I'm going to turn you in as a cradle robber.

Gee, whiz, Hal can't you ever look some other way in the study hall, she never looks back anyhow.

Hasn't Mary Jane Fritz ever attracted herself a boy friend. I wonder why?

Letha Corbin finally got the ring she wanted. I don't know whether it fits or not, can you tell me?

Arthur Schroeder is still wearing that ring with the strange initials on it. I thought you were going to give it to her Sunday, Art. Did you back out?

Clothes of P. H. S.

Talking about good looking girls and their clothes, what about the good looking boys and their clothes? In our opinion girls notice boys, and they also notice their clothes. Several girl's eyes were caught by those nifty jackets worn by Clair Brillhart and Mac Yarborough.

One day its cold and one day is warm, but in case of emergency when the weather does drop to zero you might borrow Don Schuster's red wool jacket, made in sport style, and it would be a lot better than freezing.

As for two pairs of trousers, get a glance of Wilbert Hart's green tweeds, and Tom Ben Boston's. If you like brown and a touch of green as Billy Dunlavy does, maybe he would let you wear his brown trousers with a green stripe in them.

Sunday guests of Mr. and Mrs. Albert Ackley were Mr. Ackley's parents, Mr. and Mrs. J. A. Ackley, and his sister and husband, Mr. and Mrs. Marion Robertson, all of Canadian.

Mrs. A. L. Collingsworth returned Monday night from a month's trip to California, visiting in Los Angeles, with her son, and with other relatives at Madera, Fresno and Costa Mesa. Enroute home, she spent a few days with her brother, A. B. Johnson, at Tuscon, Arizona.

Office Supplies at Herald office!

We, the Seniors

Woodrow Brillhart was born in Perryton, on March 30, 1924. Woodrow has brown eyes, brown hair and is five feet eight inches tall.

His favorite sport is fishing. His hobby is collecting pennies. Woodrow's favorite food is angel food cake. The best book he ever read is "Six Feet Six." His favorite show is "Blackmail." The song Woodrow likes best is "It's a Blue World."

Marguerite Benton was born at Meade, Kansas. She has gone to school in Perryton for three years.

Her hobby is aviation. Her favorite sport is football. The best book she ever read is "Call of the Wild."

Marguerite has green eyes and red hair. She is 5 feet six inches tall. Her favorite show was "The Wizard of Oz." The song she likes best is "Deep Purple." She likes to eat hamburgers.

Gabs from the Grads

This column, suggested by one of the graduates of P. H. S. is the story concerning their first impression of the school where they are attending. There will be many of them and will give you some inside "dope" on the colleges.

"No Man's Land"

I have always heard that "No Man's Land" was somewhere on a desert or a place impossible for the existence of human beings. But there is still another "No Man's Land." It is in one of the most thickly populated parts of Texas. There are plenty of paved roads, leading to and within it, plenty of food, clothing, shelter, and another necessity, entertainment, there.

Tell me then, you say, why is it "No Man's Land?" And I reply, because it is "Women's Land." There are about two thousand seven hundred of these creatures inhabiting this particular spot located in Denton. Girls run the entire government. In a few cases some brave men have made expeditions into the interior for financial or emotional reasons, but came out as soon as possible. There are numerous advantages. About ten minutes a year for every person here is saved by guest speakers being able to address the entire assembly in the one word, "Ladies," and leaving the two words "and Gentlemen" out. The Post office receives mail addressed to Miss So and So, never to a Mr. The telephone directory has only feminine names, and girls can go down to breakfast in their hair curlers if they please.

But give these American youths a few more months and they will have completely taken over this Utopia for women, and girls will be shouting "Heil Henry" as the boys march down the street in their Aggie uniforms.

PATRICIA MARTIN, TSCW, Denton.

PERRYTON DRUG CO.

Max Replogle Is Named Club Prexy

At the weekly election of the Community Service Club Saturday Tom Calhoun forfeited a salary of $75 for non-payment of dues after being named president of the club.

A second ballot was taken and Max Replogle, young son of Mr. and Mrs. Gene Replogle, qualified to receive a second salary of $75.

On Saturday, October 12, the election will be for $75 and in the event the person named has not paid dues a second ballot will be taken for $25. If no one qualifies for either salary then the amount which was added for the current week will be held over until next week and added to the second available salary.

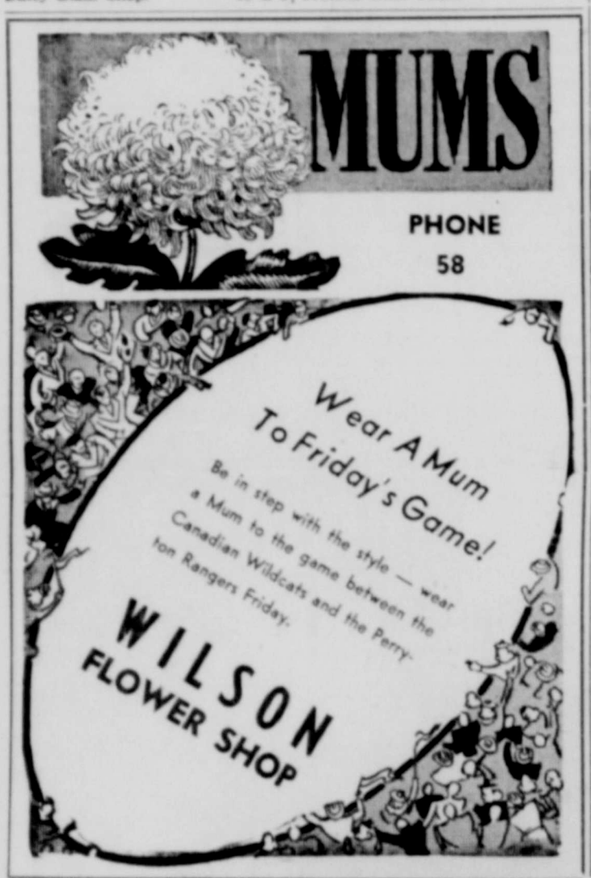

• Boyd, Oklahoma

We are having warm days and cool nights, reminding us of our early frost last October 10.

Farmers are busy caring for feed and late broomcorn.

John Ricker and Herschel Kitts of Perryton were business callers here and in Texas County, Saturday.

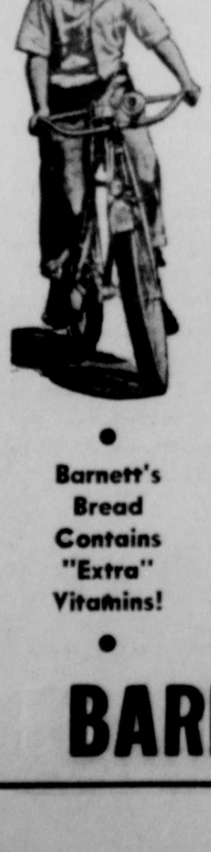

Hey, Fellows - *Listen!*

BARNETT'S BREAD MAKES STRONG MUSCLES

The Doctor Told Me So!

VITAMINS

What makes our bones strong, our nerves steady, our health radiant? VITAMINS! It's not how much we eat that counts, but what we eat. Eat more bread—it's the body building food, the staff of life!

Barnett's Bread Contains "Extra" Vitamins!

FRESH PIES — CAKES
ROLLS — RAISIN BREAD

BARNETT'S BAKERY

Shoddy Shrinks

Shoddy may look like real "all wool" when you buy it — but not for long. Cheap insurance may seem like sound protection but its value shrinks when a loss comes. When you insure your property avoid shoddy — insist on real protection through

Mrs. Charles Denny of Balko spent Saturday night in the home of Mrs. Blanch Winter.

Ruppert Hampton, Mr. and Mrs. Buddy Hampton, all of Dumas, spent Sunday with her parents, Mr. and Mrs. John Morris.

Mr. and Mrs. Leon Morris were Saturday evening callers in the home of Mr. and Mrs. C. E. Presnell.—Mrs. H. E. Pattison, reporter.

Mr. and Mrs. E. L. Whippo, and his daughters, Mrs. W. E. McMillen and Mrs. R. T. Correll returned Sunday from a three weeks trip to Corvallis, Oregon, where they vjsited in the homes of Mr. Whippo's sister, Mrs. L. L. Teas, his brother, Mr. and Mrs. Jim Whippo and with other relatives.

Mrs. John Bolin has been assisting at the Community Public Service Company since Friday due to illness of Mrs. Geo. W. Acker.

GLASS for your home or car at Daley Glass Shop. 18-tf-c

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Ochiltree County—Greeting:

You are Hereby Commanded to summon the unknown heirs of J. J. Ballentine, deceased, their heirs and legal representatives; the unknown heirs of Mrs. J. J. Ballentine, if such person existed, their heirs and legal representatives; Isabella Cocke, if living, and if deceased, the unknown heirs of Isabella Cocke, deceased, their heirs and legal representatives; Susan Huckabee, if living, and if deceased, the unknown heirs of Susan Huckabee, deceased, their heirs and legal representatives; Edgar C. Huckabee, if living, and if deceased, the unknown heirs of Edgar C. Huckabee, deceased, their heirs and legal representatives; Olliver Huckabee, if living, and if dead, the unknown heirs of Olliver Huckabee, deceased, their heirs and legal representatives; Mary Huckabee, if living, and if dead, the unknown heirs of Mary Huckabee deceased, their heirs and legal representatives; Sallie Huckabee, if living, and if dead, the unknown heirs of Sallie Huckabee, deceased, their heirs and legal repesentatives; Jennie Huckabee, if living, and if dead, the unknown heirs of Jennie Huckabee, deceased, their heirs and legal representatives; Rosa Grey Cocke, if living, and if dead, the unknown heirs of Rosa Grey Cocke, deceased, their heirs and legal representatives; Lucy Cocke, if living, and if dead, the unknown heirs of Lucy Cocke, deceased, their heirs and legal representatives; H. P. Hunt, if living, and if dead, the unknown heirs of H. P. Hunt, deceased, their heirs and legal representatives; A. D. Johnson, if living, and if dead, the unknown heirs of A. D. Johnson, deceased, their heirs and legal representatives; Sallie Huckabee Scheultz, and husband — Scheultz, if living, and if dead, the unknown heirs of Sallie Huckabee Scheultz and husband, —— Scheultz, their heirs and legal representatives; Mrs. H. P. Hunt, if such person existed and is living, and if dead, the unknown heirs of Mrs. H. P. Hunt, deceased, their heirs and legal representatives; Mrs. A. D. Johnson, if such person existed and is living, and if dead, the unknown heirs of Mrs. A. D. Johnson, deceased, their heirs and legal representatives; Thomas P. Williams and wife, Rosa Williams, if living, and if eitner be deceased, the unknown heirs of Thomas P. Williams and wife, Rosa Williams, deceased, or either of them, their heirs and legal representatives; and William Craig, if living, and if dead the unknown heirs of William Craig, deceased, their heirs and legal representatives, are Defendants. And said petition alleging:

This is a suit in trespass to try title to the following described real estate, as follows: One-third league of land situated in Ochiltree County, Texas, patented to the heirs of J. J. Ballentine, deceased, on the 30th day of November, 1875, by virtue of the Headright certificate issued by the Board of Land Commissioners of Washington County, Texas, February 5, 1838, beginning on the southwest corner of Survey No. 136, Block 13, of the T. & N. O. R. R. Co. grant of land, thence west 2886 veras to corner; thence north 2886 veras to corner; thence east 2886 veras to corner; thence south 2886 veras to the place of beginning, containing 1.476 acres of land, more or less; Plaintiff pleading the three, five, ten and twenty-five year Statute of Limitations of Texas, 1925, and further pleading that by reason of the adverse claims of all, each and every of the above named defendants, a cloud has been cast upon his fee simple title to said land, and asks that the same be removed and prays in said petition that the title be divested out of each and every of the said defendants and that the same be invested in the plaintiff; that he be quieted in his fee simple title to said above described land and premises, and that he recover the title and possession of the same from the defendants, each and every of them; for costs of court and for relief, general and special.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my Hand and the Seal of said Court, at office in Perryton, Texas, this, the 7th day of October A. D. 1940.
(Seal)

IRVIN R. BUCHANAN,

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Ochiltree County—Greeting:

You are Hereby Commanded to summon The unknown heirs, of James Cochrane, deceased, their heirs and legal representatives; the unknown heirs of James F. Cochrane, deceased, their heirs and legal representatives; the unknown heirs of John J. Haggerty, deceased, their heirs and legal representatives; the unknown heirs of Emeline Day, deceased, their heirs and legal representatives; E. L. Day, and the unknown heirs of E. L. Day, deceased, their heirs and legal representatives; Eventha Day, and the unknown heirs of Eventha Day, their heirs and legal representatives; and J. H. Day, and the unknown heirs of J. H. Day, deceased, their heirs and legal representatives, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 84th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 84th Judicial District, to appear at the next regular term of the District Court of Ochiltree County, to be holden at the Court House thereof in Perryton, Texas, on the 2nd Monday in November A. D. 1940 the same being the 11th day of November A. D. 1940, then and there to answer a petition filed in said Court on the 7th day of October A. D. 1940 in a suit, numbered on the docket of said Court No. 611, wherein Josephine C. Zeiske and R. E. Zeiske, her husband, are Plaintiffs, and the unknown heirs of James Cochrane, deceased, their heirs and legal representatives; the unknown heirs of James F. Cochrane, deceased, their heirs and legal representatives; the unknown heirs of John J. Haggerty, deceased, their heirs and legal representatives; the unknown heirs of Emeline Day, deceased, their heirs and legal representatives; E. L. Day, and the unknown heirs of E. L. Day, deceased, their heirs and legal representatives; Eventha Day, and the unknown heirs of Eventha Day, their heirs and legal representatives; and J. H. Day, and the unknown heirs of J. H. Day, deceased, their heirs and legal representatives, are Defendants, and said petition alleging

Suit of trespass to try title, plaintiffs alleging on October 1, 1940, they were and are still owners, in fee simple, of the following described land, situated in the County of Ochiltree, Texas about 15 miles N. 50 E. from Bent's Fort, and being the N. E. one-fourth part of a tract of land patented on the 2nd day of November, A. D. 1875, to James Cochrane, assignee of Anton Vander Hoya, and is a part of the same land deeded to said John J. Haggerty and A. Chesley by John D. Cochrane and W. W. Cochrane, heirs at law of said James Cochrane, Jan. 11th, 1879.

Beginning at the N. E. Corner of said Quarter League which is also the S. W. Corner of Survey No. 136, Block 13, for the T. & N. O. R. R. Co. and S. E. Corner of J. J. Ballentine Survey.

Thence West with said Ballentine South line 950 vrs. to a stake; Thence South S. 1664½ vrs. to a stake; Thence East 950 vrs. to a stake in East line of said quarter league; Thence North with said East line 1644½ vrs. to beginning, containing 276¾ acres of land;

And afterward on the 2nd day of October, 1940, defendants unlawfully entered upon and dispossessed them of such premises, and withholds from them the possession thereof.

Plaintiffs specially plead the three, five, ten and twenty-five year Statute of Limitations in bar of any right of action of defendants and each of them, to said land.

Plaintiff, Josephine C. Zeiske, pleads specially she is the sole heir of A. Chesley and Margaret E. Chesley, as well as the sole heir of John J. Haggerty, all deceased, they being the last record owners of said land; that A. Chesley and Margaret E. Chesley left no other child or children, or descendants of any child or children surviving them but the plaintiff, Josephine C. Zeiske, as the sole surviving heir-at-law of said A. Chesley and Margaret E. Chesley, and that Margaret E. Chesley by conveyance and inheritance acquired the interest, if any, in said land of J. J. Haggerty, and by reason of the facts stated, the plaintiff, Josephine C. Zeiske, is the sole surviving heir of John J. Haggerty, and praying that title be divested out of the defendants and the same be invested in Josephine C. Zeiske, and for costs of suit, relief general and special.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my Hand and the Seal of said Court, at office in Perryton, Texas, this, the 7th day of October A. D. 1940.

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Ochiltree County—Greeting:

You are Hereby Commanded to summon LaDola Smith by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 84th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 84th Judicial District, to appear at the next regular term of the District Court of Ochiltree County, to be holden at the Court House thereof in Perryton, Texas, on the 2nd Monday in November A. D. 1940 the same being the 11th day of November A. D. 1940, then and there to answer a petition filed in said Court on the 27th day of September A. D. 1940 in a suit, numbered on the docket of said Court No. 606, wherein Coy Smith is Plaintiff, and La Dola Smith is Defendant, and said petition alleging

That plaintiff and the defendant were married December 15, 1937, and finally separated on the 27th day of January, 1940. That plaintiff has been an actual bona fide inhabitant of Texas for 12 months and of Ochiltree County six months preceding the filing of this suit. That during their married life plaintiff treated defendant with propriety, discharging his duty as a husband, and has been guilty of no act bringing about the acts and omissions on defendants part that are hereinafter alleged.

Plaintiff shows that about January 27, 1940, defendant left plaintiff in a fit of temper, since said time he has not heard of nor does not know where she is. That defendant on many occasions used violent and abusive language toward him, without just cause, dates and words used he does not remember, but that all such acts occured in Ochiltree County, Texas, and as parting salute stated to plaintiff she would not live with such a damned son-of-a-b——. That by reason of the defendant's conduct toward him it has been of such nature as to make living with defendant again insupportable; alleging no children were born of said marriage; praying for divorce and costs.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Perryton, Texas this, the 27th day of September A. D. 1940.
(SEAL)

IRVIN R. BUCHANAN,
Clerk District Court,
Ochiltree County.
By B. ALLEN, Deputy.

Skyscraper of Defense

Proudly pointing skyward, this huge 14-inch railway gun was one of artillery weapons that met with approval of President Roosevelt as he inspected army defenses at Aberdeen, Md., proving ground.

"Something Green" In the Diet Urged

A frame garden planted now will add something green to farm diets until Christmas, stated Mrs. Hazel Martin, Home demonstration agent. Onions, lettuce, radishes and parsley will furnish many salads. Mustard, chard and spinach will supply greens. Beets and carrots will produce in the frame garden also.

Get the bulletin, "Frame Gardens" from the home demonstration agent. It contains directions for making the frame garden and also the varieties of the above vegetables to plant.

Mr. and Mrs. Cecil Dodd and daughters, Nancy and Addye Lou, had as their guests for a family dinner Sunday Mr. and Mrs. J. W. Richardson, Mr. and Mrs. Stanly D. Key and sons, Jim and Jerry, Henry Richardson, Mr. and Mrs. V. W. Richardson and Miss Elizabeth Richardson.

Mr. and Mrs. Ervin Gerlach and Connie visited Sunday with relatives in Clarendon. Her father, C. H. Ellis, and her niece, Mary Ann Landers accompanied them home for a weeks stay.

Miss Ola Mae Roberts and Miss Mildred Highland, teachers in Skellytown, spent the week-end with Miss Roberts' parents, Mr. and Mrs. R. S. Roberts.

Mr. and Mrs. G. R. Wilson and Mr. and Mrs. Dan Archer spent a few days at Austin attending to business and visiting relatives and friends.

Mrs. Ida S. Lilly, Mr. and Mrs. R. H. McClung and Joe Lilly were in Mead, Kansas, Sunday, visiting with Mrs. Lilly's daughter, Mrs. Mc Clung and Mr. Lilly's sister, Mrs. Jennie Evans, and her son, LaVaughn. Mrs. Hattie Newman, who had been with Mrs. Evans a week, returned home with them. LaVaughn is recovering from a head injury that he received about two weeks ago when he was being initiated as a freshman in the Mead high school.

Attorney and Mrs. R. T. Correll and family, Miss Virginia, R. T. Jr. and Archie Edmond, and Miss Irene Julluson were in Amarillo Tuesday. R. T. Jr. put in his application to join the U. S. Army Air Corps. As there were no vacancies in this division, he returned home to remain until they call for him.

Mrs. W. N. Anderson, Pampa, is spending the week with her daughter, Mrs. Otis E. Burk and Mr. Burk.

Mr. and Mrs. Omar Barnes announce the birth of a son at the Pampa General hospital, October 7. The young fellow who tips the scales at seven pounds has been named Ethelbert Douglas.

Queen of Corn— And Her Subjects

Attractive Mary Garrison of Flora, Ind., chosen queen of Indiana's October Corn Festival, poses with an armful of her tasty subjects.

NO. 1 CONTINUED FROM FRONT PAGE

States have an investment and a pay roll that ranks in the higher brackets of the business institutions in their respective community.

That this newspaper by virtue of being named as winner of the Dallas News trophy to "The Best All-Round Weekly Newspaper in Texas" by the Texas Press Association does give Perryton an above-the-average newspaper and as such is entitled to better support from Perryton business than it now receives.

A writer to the Letters column in the St. Louis Post-Dispatch says that he has yet to see the first Willkie-for-President button on a man in overalls.

We observed on a recent trip through the west that most of the Willkie-for-President stickers were on the higher priced cars. Couldn't decide if they were all Willkie supporters or just putting up a front of being members of the bloated rich party.

"If I am elected I can get industry functioning in full bloom and the 9,600,000 unemployed will disappear like mist before the morning sun."—Wendell Willkie in speech in New Mexico. What a Man!

"Wendell Willkie stands today where I stood in 1936."—Alfred M. Landon in the October 8 issue of Look magazine. Only Fatter and Louder!

"The man who is hard to satisfy moves forward. The man who sits back comfortably and is contented with what he has accomplished moves backward. If I were able to bequeath to every young man one virtue, I would give him the spirit of divine discontent, for without it, the world would stand still."—Charles P. Steinmetz.

Every citizen of Perryton, every club, every organization can render a valuable service to Perryton by using their influence and aid in the signing up of solid blocks of unpaved streets to connect with present pavement.

Never before and probably never again will Perryton property owners have the opportunity to secure paved streets at such a low cost. Through the efforts of Mayor Forbes and the city council, this WPA paving program has been secured. East and west streets can be connected up with paved north and south streets for the cost of only $125 to the property owner. This is for a full lot, including curb and gutter, at a cost of less than one dollar per running foot.

Leave outs on present pavement can be filled in for one dollar per front foot. This will cost $50 for a fifty foot lot. Just think, for $50 you can get a paved street in front of your home. When the present pavement was laid, the cost was almost $300 for each lot and the property owner footed the entire bill.

A full one hundred per cent cooperation with the city officials in this paving program should be the No. 1 objective of all. We plead with each and everyone of you to get behind this program with your every effort. Many, many blocks of pavement can be constructed if Perryton can be made to realize this great opportunity.

HOME DEMONSTRATION CLUB NEWS

● Townsend Club

On Tuesday, October 8, the Townsend Ladies club had as their host and hostess, Mr. and Mrs. A. L. Allen.

A delightful time was spent quilting on a quilt for the hostess and putting one together for Mrs. Elmore. The program was opened with prayer by Mrs. J. M. Bull. The secretary's report was read and approved and roll call was answered with a good garden hint.

The next meeting will be held in the country home of Mr. and Mrs. E. O. Bruner. Roll call will be answered by telling what the Townsend Plan means to the member. The members are asked to meet in the home of Mrs. H. C. Dodson Tuesday, October 15, to finish the club quilt.

Present for the enjoyable noon meal were Mr. and Mrs. J. M. Bull, Mr. and Mrs. H. C. Dodson, Mr. and Mrs. E. O. Bruner, Mr and Mrs. O. E. Carter, John Overton, T. E. Towell, Billy Fulton, Mesdames J. H. Halsey, A. C. Smith, M. H. Shotwell, C. E. Cline, Walter Wilson and son, Delbert, Mr. and Mrs. Allen and their daughter, Mrs. Lela Keim.

● Ochiltree Club

"Good equipment for the kitchen makes a good home maker better," stated Mrs. Hazel Martin, home demonstration agent at the meeting of Ochiltree Home Demonstration Club in the home of Mrs. Kirt Williams Friday, October 4, 1940 at two o'clock.

"If you can not have your kitchen equipped with sink and refrigerator, the proper size small equipment aids very much. Select pots and knives, that have long life handles. Always keep equipment clean and replace all worn out pieces with newer and better pieces if possible," further stated Mrs. Martin.

The club selected grains and living room for new demonstrations.

Mrs. Jack Dodson gave report of Short Course.

Those present were Mesdames C. H. McCartney, Claude Crouch, Jack Dodson, Dell Wilson, James Blasingame, Delbert Goucher, Kemper Warren, and hostess.—Mrs. Jack Dodson, reporter.

● New Hope Club

"A small wheeled table will save many steps," stated Mrs. Hazel Martin, demonstrator at the regular meeting of the New Hope Home Demonstration Club held Wednesday, October 2, in the home of Mrs. C. J. Frantz.

A table with wheels is a convenient aid to setting the table in the dining room. Many things may be carried at one time, thus saving many steps. It is also very handy for clearing away the dishes and taking them to the sink. You will find so many uses for this table that you will wonder how you ever got along without it. This was a part of Mrs. Martin's demonstration on kitchen equipment. She showed a number of small articles and told some of their uses.

Suggestions were made for handicrafts to be taken up and studied for the next meeting.

Visitors were Mrs. Homer Gurley and Mrs. Hazel Martin. Members present were Mesdames C. R. Cudd, W. G. Yeary, O. E. Carter, Fred Furnish, J. E. Yaden, Alvin Koehn, L. R. Frantz, R. E. Taylor, Albert Ackley, Carl Carter, and the hostess Mrs. C. J. Frantz.—Mrs. Albert Ackley, reporter.

New Hope Club Meets Wednesday, Oct. 16

The New Hope Home Demonstration Club will meet Wednesday, October 16, in the home of Mrs. Fred Furnish. The subject for study will be handicraft. Visitors are always welcome.

Ochiltree H. D. Club Hold All Day Meet

The Ochiltree Home Demonstration Club will meet Friday 18, 10 o'clock in the home of Mrs. Delbert Goucher. Each member bring any handicraft she has to work on. Visitors are always welcome.

● Waka Club

"Cooking is much more pleasant if we have attractive equipment and a few well chosen articles which have been well made are better than several cheaper pieces that are less efficient and will soon wear out," stated Mrs. Hazel Martin, County home demonstration agent, in her talk on "Selecting Kitchen Equipment," at the regular meeting of the Waka Home Demonstration Club which met with Mrs. Marvin Groves, October 1.

The right selection in small equipment saves many an extra step in preparing three square meals a day, and the added color used in making these modern articles, brightens one's kitchen as well as the working hours. Every home maker should have sufficient equipment to take the guess work out of cooking and baking. A champion cake maker never relies on her eyesight and a cracked teacup when measuring ingredients for a cake. More kitchens are found lacking in the small inexpensive pieces that are so handy in everyday cooking than in the higher priced articles that aren't used so often.

Mrs. T. E. Miller, Mrs. R. G. Burger and Mrs. Marvin Groves were appointed to outline a program on "Sandwich Spreads" to be used in the new year books. Many new and interesting suggestions were made by Mrs. Martin for the next meeting which will be on "Handiwork."

Refreshments were served to the following: Mesdames Dan Manning, Jim Davis, V. E. Steed, Fred Butler, W. O. Groves, James Brillhart, Hazel Martin, Pete Wermske, T. E. Miller, Dan Teater, Marvin Groves, and a visitor, Mrs. Lee Carter.—Mrs. Marvin Groves, reporter.

Waka Club to Meet Tuesday, October 15

All club members are urged to attend the next meeting of the Waka Home Demonstration Club which will be held in the home of Mrs. W. O. Groves at 2 o'clock, October 15. Mrs. Hazel Martin County Home Demonstration Agent plans to be present to give demonstrations on "Handiwork." Everyone is asked to please bring something to work on. To add interest it is suggested that the members choose something "new" to them.
