Number 73

Gigantic Bond Rally Planned Friday Nite

Farmers Asked To Keep Records Of Cotton Grown

Farmers are asked to keep records of their 1943 cotton production, and it is highly important that these records be kept accurately, according to Joe M. Peterson, Chairman of the Dawson County AAA Committee.

Mr. Peterson explained that in past years, ginners have cooperated with the AAA by furnishing detailed records of cotton production for each farm, but that this year these records will not be obtained from ginners, due to the suspension of marketing quotas.

In the past, the records of production have served as a basis for determining the yields used in marketing quota programs, crop insurance programs and in determining AAA payments.

"It is to a farmer's best interest that an accurate record of his 1943 cotton production be kept because this record may be needed in future AAA programs," Mr. Peterson said. He said that each farmer should keep each gin ticket, bale receipt, or sales ticket for baled cotton and for lots of seed cotton sold. The AAA has offered to keep these records for any farmer who wishes to deliver or mail them to the county office.

Negro Killed In Shooting Friday Afternoon

According to information released by the Sheriff's office, Jack Aldridge, constable in this city during 1937-1938, shot and killed Lyn Livingston, Negro, at about 1 o'clock Friday afternoon, September 17.

Both Aldridge and Livingston were employed at the Britt Trucking Company. The shooting occurred at the warehouse.

Jack Aldridge is being held in custody. No further information has been released on the case.

Sgt. O. C. Burks Completes Training At Chanute Field

Sergeant O. C. Burks, son of W. N. Burks, 702 South Travis Street, has completed training and has been graduated from the Army Air Forces Technical Training Command, at Chanute Field, Illinois.

While attending this school, he received instruction in the advanced instruments course, and in various technical operations.

Noah's Ark is believed to have been a 20,000-ton ship.

Lions Club Plans Big Bond Rally for Saturday, Sept. 25

To encourage bond purchases during the Third War Loan Drive, the Lions Club is sponsoring a bond rally Saturday, September 25th, which will be held in front of the Honor Roll Board located on the North side of the Courthouse at 2:30.

The bonds which are sold at this time will go in on Army equipment for soldiers. You will be able to see the equipment which your money buys, such as guns, bombs, parachutes, bullets, motorized equipment, and other equipment used in outfitting a soldier tagged with the price will be on display. This army material will be auctioned off to the public, but instead of receiving a piece of army equipment when you make a purchase, you will receive a bond equal to the amount of the purchase you made. The piece of equipment you buy will be given to the army; to be used in combat. All types of equipment will be on sale.

It is hoped that sales will mount high enough to permit the purchase of a Flying Fortress, which would cost an estimated \$300,000.

The officers from the Lamesa Air Field will work in connection with the Lions Club in the presentation of this big bond rally. They will help to secure the army equipment which will be auctioned Saturday afternoon, some of which will come from the local field, and portions from the Midland Field.

There is a possibility that a jeep will be secured at this time and a ride on the jeep can be had through the purchase of a bond.

Plans for a very entertaining program are underway now. A traveling unit of the Coast Guard will be in town on that day and it is hoped that they will participate on the program. There will be musical numbers, and various other enjoyable features. Everyone will want to be present for the rally and to participate in the bond buying and to see the program.

The committee chosen by the Lions Club who are heading the rally consists of Leslie Pratt, chairman, W. B. Osborn, Harry Pace, and Donald Emory.

Everyone is urged to be present for the rally on that afternoon. You will enjoy the program and you will want to help furnish the soldiers with equipment through the purchase of war bonds that will bring this war to a victorious end.

Luther Key Selected Member of Glee Club

The University of Texas men's and women's glee clubs are making plans for special programs for servicemen located in this state. The program will be given to many army camps this year.

Membership in both clubs is gain-

Independence Of Mexico Celebrated In This City

The Mexican Colony of Lamesa held a two day celebration in remembrance of the Independence of Mexico, Wednesday and Thursday, September 15 and 16th.

The celebration was opened with a parade at 2 o'clock Wednesday afternoon at the Farm Workers Labor Camp. From 8 until 10 p. m., that night a dance was held in the Community Building at the Camp, and the music was furnished by a string orchestra from Roscoe. Following the dance a program was given with the following participating: Cosme Silva, Luis Amaro, A. R. Garza, Sr., Isac De Leon, Sr., R. G. Ancira, Sra. S. Magallanes, and Srta. Paula Mendoza. G. M. Roberts, and Charnell Jobe, mayor.

The celebration continued on Thursday with a parade which ended at the band stand where a group congregated and listened to a concert by the string orchestra. Another dance was held Thursday night from 8 until 10, and was followed by a program furnished by Sr. R. G. Ancira, Sra. S. Magallanes, Francisco C. Ancira, Silvestre Torres, and E. B. Gonzales.

Sr. Ancira was in charge of the two day celebration, which was held at the request of the Mexican Council in Laredo.

School Officials Meeting To Be Held In Lubbock

According to P. K. Humes, a meeting of the county superintendents, city superintendents, and principals of District Number Four of the Texas State Teachers Association which includes this county, will be held in Lubbock. The meeting will be in the form of a banquet in the ballroom of the Hilton Hotel, on September 23rd at 7:30 p. m.

The program as outlined by the committee, will be as follows:

Invocation, Dean J. N. Gordon; School Ethics, D. D. Jackson; Membership in T. S. T. A., Murray H. Fly; Possibilities of Spring Meeting, O. J. Laas; Round Table Discussion, and music by Lubbock High School.

ed after competitive try-outs. Luther Key, son of Mr. and Mrs. V. O. Key is among the members of the glee clubs.

U. S. 87 Highway Association Organizes in Colo.

Mrs. Matt McCall, secretary of Chamber of Commerce, and A. B. Carpenter, chairman of the highway commission attended the U. S. 87 Highway Association at Denver, Colorado, this past week as representatives of this city.

The meeting was held primarily to seek the designation of the U. S. Highway No. 87 as the official highway connecting the Alaska Highway at the Canadian terminus, through the states of Montana, Colorado, New Mexico, on down to Texas through Dalhart, Amarillo, Plainview, Lubbock, Lamesa, Big Spring, San Angelo, Brady, Fredericksburg, and San Antonio, thence over U. S. 81 to Laredo.

Officials were selected at the meeting to head the association. One vice president from each of the states were chosen and two directors from the states were chosen. Texas officials now serving for the association are, Charles Bacon, Lubbock, general vice president; Col. Jas. A. Mars, San Antonio, vice president selected from this state; and directors Charles Bacon of Lubbock and Gordon Kenley of San Angelo. A. B. Davis of Lubbock was chosen as general manager.

It was agreed that an annual meeting of the U. S. 87 Highway Association would be held during the month of May, and that any person, association, corporation, partnership or estate may subscribe for one or more memberships in the Association. The membership fee is \$5 per annum for individuals and minimum of \$10 per annum for firms, etc. Members may be elected at any meeting of the Board of Directors.

Pfc. Robert Smith At Big Spring Promoted To Rank of Corporal

Pfc. Robert H. Smith, son of Mr. and Mrs. Walter Smith of this city has been promoted to corporal recently. He is located at the Army Air Forces Bombardier School of Big Spring.

He had his own trucking business in civilian life.

A-C John A. Corley Begins Basic Training

Aviation Cadet John A. Corley, son of Mr. and Mrs. A. J. Corley of 305 South Katherine has recently completed his elementary flight training at Victory Field, Vernon.

He is now receiving the basic stage of flight training at the AAF Pilot School at Garden City, Kansas.

Boiled bamboo shoots, Army style, taste like asparagus.

Show To Be Held At High School

Admission Is Through The Purchase of \$1.00 Worth Of Stamps Or A War Bond

One promotional feature for the Third War Loan Drive is the Cal Farley show which will be staged, Friday, September 24, at 8:15 p. m., at the High School auditorium. Everyone is urged to attend, as the program shows promise of being highly entertaining. Moving pictures, songs, dances, and acrobatics are featured on this show. Admission will be by the purchase of \$1.00 or more in stamps or a war bond.

Dawson County climbed to a total of \$169,467.50 War Bond sales by Monday (Sept. 20). The quota is not an easy one to fill, and the county will have to work hard to complete it.

War Bonds may be bought in Lamesa at each of the banks, the post office, Lamesa Federal Savings and Loan Association office. An additional booth is being set up in Penney's Store, where War Stamps will go on sale. Troop 2 of the Girl Scouts, with Mrs. Gordon McGuire, Jr., as sponsor, will be in charge of the booth at Penney's.

The Third War Loan Is Your Loan

The securities on sale at the booths in the banks fit your purse. They have bonds from \$25.00 on up—and you are expected to put every extra penny in on war bonds. Check the security which is applicable to you and buy it to the point of personal sacrifice. Keep in mind your sacrifice is only temporary because you do not give your money away when you "Buy" War Bonds; you lend your money at interest. Your money is not even frozen. In the event of an emergency—and the record shows that Americans are not redeeming their Bonds except in the event of true emergencies—your Bonds are redeemable.

The United States Government has never in its history renounced a Government Bond. As further evidence of the strength of this county to guarantee repayment of your money, United States wealth amounts to \$89,000 per capita. Even with the heavy current war expenses, our national debt is only \$11,000 per capita.

Only a country like ours could make such a deal with its citizens; repay you with interest for a loan of your money to protect you and your family against enemies which would murder, rob, or enslave you.

The number one "Buy" for you is the familiar Series E. War Bond. Twenty-seven million American workers are buying Series E. Bonds at the rate of \$420,000,000 a month. Your Third War Loan duty is to buy at least one extra \$100 Series E (Continued on Back Page)

FIRST SYNTHETIC RUBBER FROM TEXAS PLANT
—Here is the first bale of man-made rubber produced by the world's biggest synthetic rubber plant, built for the government by the B. F. Goodrich Company at Port Neches, Tex., and slated to produce 120,000 tons annually. Barbara Jean Lee dusts the first 75-pound block before shipment to another plant which will turn it into war-vital tires and other articles. Looking on are Goodrich Vice President George W. Vaught (left) and William Burt, company chemical engineer.

Pfc. W. W. McMillan Receives Promotion.

A recent announcement from the Big Spring Bombardier School, tells of the promotion of Pfc. Weldon D. McMillan, son of Mr. and Mrs. Archie M. Millen of 293 North Travis Street, to corporal.

Corporal McMillan was employed by the Walker-Smith Co., Wholesale Grocers. He enlisted in the Army October 5, 1942 in Big Spring.

Lamesa Pair Leases Large Ranch Acreage

Houston Glasson and N. L. Mullins, partners in Lamesa Auction and Commission Co., have bought 437 head of fat Hereford beef cattle and leased 7 1-2 sections of grass land on the A-B ranch 6 1-2 miles northwest of Lamesa, Glasson said.

The ranch property, which also includes two or three thousand acres of farm land, belongs to Mrs. W. K. Rose, now a resident of California. The deal was made through the manager of the ranch, Jimmy Williams.

Glasson, an auctioneer, said the pasture will be utilized for the cattle he and his partner expect to raise and to buy through their commission business at Lamesa. Recent rains, he said, have heightened feed prospects greatly on more than half of the 4,800 acres of grass.

J. D. Nix Owns Bull Weighing 2050 Lbs.

In addition to being one of the best farmers in Dawson County, it is believed that J. D. Nix of the Mt. Olive community has one of the largest 3 year old bulls. One of his registered milking Shorthorn

Local Selective Service Board Gives 234 Men New Classifications

The local Selective Service Board met September 14 and made 234 re-classifications:

Odlee Burnett and William Corbett are to appear for physical examination. Men now 1-A are Homer Alexander, A. J. Anderson, E. L. Ogden, Joe Matlock, Audon Hernandez, and Charles Pfaffenberger.

Marshall Modkins is 1-C-Ind., and Earl Newland is 1-C-enl. Men now 2-C are David Garcia, A. J. Broyles, Windell Stofford, and Maron Adkison.

Those receiving a 3-C classification are John Billingsley, Salvador Hernandez, William Rochell, William Gueben, Van Miller, Leroy Holladay, Winford Stafford, Fred Jackson, and Leonard Molena.

George Tyler is 3-A and William Jones and Charlie Brown are 4-F. Jess Rowell is 1-A-H.

Men designated as 1-C-H are Revis Galloway, Lex Brock Arthur Athley, Clarence Ham, Joseph Kellam, Leonard Kinder, Floyd Thorp, James Kirksey, Edward Dalmont, Limmos Drone, William Whitney, Martin Snell, Herman Galloway, Claude Brothers and Charlie Self. John Billingsley and Leonard Hancock are 2-C-H.

Men now 3-A-H are, Arbeth Dossy, Oscar Hall, James Mobley, Jack Pruitt, Vernon Martin, Roy Weeks, J. B. Sellers, Marshall Crawford, William Henry, Hatton Moore, Dan Merck, James Green, Hugh Breeding, Homer Griffin, Robert Haney, Netibid Reyes.

Leonard Vaughn, Luis Martinez, Dewey Moore, Luke Hagood, Albert Solem, Loy Scott, Jessie Carrell, Jimmie Swope, William Baylor, Billie Chaffin, James Chisum, Samuel Presley, Remert Luker, Jesse Brumley, John T. Johnson, Elmer Walls, Cecil Martin, Grady Price, John R. Johnson, Jimmie Newman.

Jefferson Wilkerson, Murtis Hawkins, Leslie Watson, Lewis Prather, William Brown, Jarrell Cox, John

"Sorry-I've Done All I Can"

Don't tell that to the Invasion Troops!

3RD WAR LOAN

15 BILLION DOLLARS
(NON-BANKING QUOTA)

AMERICA is proud of the way you answered her call for help. In the First and Second War Loan Drives you opened your hearts—and your purses—and invested generously.

But this is no time to say, "Sorry, I've done all I can."

Not when our troops are smashing ahead.

Not when the cry from every front is for more tanks . . . more guns . . . more planes to strike the knockout blow.

Today, everyone who possibly can, must invest in at least one extra \$100 War Bond. More if you possibly can. That's in addition to your regular War Bond subscriptions.

A big job? Yes! But INVASION is a big job, too! And that's what the 3rd War Loan is for—INVASION!

And it's for your loved ones, too . . . for the sons and brothers, sweethearts and husbands who are doing the fighting.

Can you look into your heart and say to them, "I've done all I can"?

Can you tell *that* to the Invasion Troops?

Of course you can't! No true American could! So NOW . . . when America needs your help as it never has in all history . . . make up your mind to do MORE in September. Invest in the safest way in the world! Invest out of current income, out of idle or accumulated funds. Back the invasion with at least one extra \$100 War Bond this month.

Safest Investments in the World

• United States War Savings Bonds Series "E"; gives you back \$4 for every \$3 when the bond matures. Interest: 2.9% a year, compounded semi-annually, if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1,000. Redemption: Anytime 60 days after issue date. Price: 75% of maturity value.

2 1/2% Treasury Bonds of 1964-1969; readily marketable, acceptable as bank collateral. Redeemable at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated September 15, 1943; due December 15, 1969. Denominations: \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Price: par and accrued interest.

Other securities: Series "C" Savings Notes; 3/8% Certificates of Indebtedness; 2% Treasury Bonds of 1951-1953; United States Savings Bonds Series "F"; United States Savings Bonds Series "G".

BIG FARM INCOME POINTS TO LARGE WAR BOND SALES

With their cash income for 1943 estimated to be approximately 20 per cent more than in 1942 and more than twice as much as the five-year average, 1935-39, farmers have a War Bond quota this year of 1 1/2 billion dollars in the 15 billion dollar Third War Loan drive, which began September 9 and will continue through the month.

During the campaign canvassers plan to call upon at least 3,600,000 of the nation's 6 million farm homes and leave either with an order for Third War Loan bonds or a definite schedule of bond purchases.

Cash Incomes Increases Sharply

Farmers' income figures point to big bond subscriptions. Farmers' estimated cash income of 19 billion dollars from marketings this year shows big increases over the approximately 15 1/2 billion dollars they reached in 1942 or the five-year annual average for 1935-39 slightly less than 8 billion dollars.

The Third War Loan comes at an appropriate time for farmers. More than 40 per cent of their cash income is received during the last four months of the year. The 1935-39 average percentage of farmers' annual cash income received during September, October, November, and December, was nearly 42 per cent, according to the Bureau of Agricultural Economics. In the last four months of 1942 farmers received 45 per cent of the year's cash income. "Farmers have the money and they are convinced of the wisdom of investing their surplus in government securities," declared Lloyd E. Partain, associate field director in charge of the agricultural section, War Finance Division, U. S. Treasury. "The task of county war loan committee chairmen should be easy."

"Agricultural income has increased and indebtedness has decreased since 1940, the last 'normal' year," Partain pointed out. "Country banks are bursting with idle money, with demand deposits in the neighborhood of 4 billion dollars."

Will Help in Post-War Period

Partain said that "world demand for food and fiber will continue for at least two years after the war" but that a decline may then be anticipated. In the period that follows, War Bonds will prove of inestimable value.

"Our present pressure for maximum production is taking heavy toll of soil fertility, equipment, and building which must eventually be replaced. War bonds can furnish the funds to make these replacements."

"A second powerful argument for the farmer investing in War Bonds," Partain said, "is to insure the satisfaction of his family's needs. A surprisingly small percentage of the nation's farm homes are equipped with electricity, running water, bath rooms, and various other conveniences. The farmer feels that his wife is entitled to an electric washing machine, an ironer, and a refrigerator. He will want a new car and a late model radio—all of which may be bought by laying away War

Bonds now to pay for these things when such products again are available."

Insurance Against Hazards

A third reason the farmer is sold on War Bonds, Partain pointed out, is that they provide insurance against the "hazard years." "The farmer knows that he can stake the labor and capital investment of a year and lose it all in a single ice storm or dry spell or to any one of a score of bugs and blights which plague him. Bonds offer a protection against such adversity."

"Finally, the farmer wants to insure a good education and start in life for his children and a comfortable retirement for himself and his wife, and War Bonds he regards as endowment policies backed by the limitless resources of the United States government."

Small Gifts Will Please GI Joe Who Is Abroad

AP Features

Good things come in small packages — and that goes double for GI Joe and his sisters in uniform at Christmas time. When you're planning your gifts for the forces overseas (the deadlines are October 15 for the Army, November 1 for the Navy) here are some tips to bear in mind.

Large size, bulky items from well-meaning relatives are not only impractical, but may get your man in uniform in trouble if they don't fit snugly into his foot locker. And he has enough gear to pack when he moves from one camp to another without struggling with the equivalent of a five-foot shelf. Make it two small pocket editions instead.

Don't send Joe non-regulation ties, sweaters, socks or other wearing apparel. Get together with the rest of the family and make sure he doesn't get a barrage of shoe shine kits, money belts, or sewing kits. One of each is enough, and most likely he has that already. If he's going into action, remember he's not allowed to wear anything with an insignia on it. In most camps, pajamas are definitely taboo, so make sure before you send 'em that they won't brand Joe as a sissy. He won't have any use for an umbrella, galoshes or a raincoat. If your man's one of Uncle Sam's Navy boys, he doesn't want anything khaki, and WACs and Army men can't use anything navy blue, even if the color is becoming.

The girls in the services will not thank you for bangles, earrings, doodads or costume jewelry. Naughty black nities are definitely not the thing. Aprons are useless, even if she's the hometype. And hair ornaments, pocketbooks and gloves will be just excess baggage.

—BUY WAR BONDS AND STAMPS—

Mrs. H. M. Meek visited with her daughter, Mr. and Mrs. Bill Nelson at San Angelo this past week.

Mr. and Mrs. G. C. Harrison of Dimmitt spent Saturday in Lamesa attending to business.

Mrs. Inez DuBose returned Friday from El Paso after a visit there with friends.

Announcing —

We are glad at this time to announce that we have secured the service of Mr. Ottis Lee, who will be in charge of all shop work. He invites all his friends to contact him for machine work.

SHOP WORK....

We are equipped to do your valve jobs, magneto repair work, reboring and brake relining.

NOTICE...

We have a complete stock of Belts for Combines, Tractors —in fact Belts for any Farm Equipment.

FACTS ABOUT MILK

Lamesa does not have enough milk to meet all the demands of this season of the year. Lamesa does have enough milk to meet the **ESSENTIAL NEEDS** of our community.

Babies, growing children and those whose diet requires milk should have first call on our milk supply.

Adults in good health may have to curtail requirements, less milk will be available for cooking and above all don't waste milk.

Lets be sensible about this matter and give first choice to those who are rightfully entitled to milk.

As yet milk is not rationed, and we are doing our level best to give each of our customers a fair share of our supply.

The conditions outlined are temporary with our community each fall season, but certain factors seem to make the situation more acute at present.

For years our job has been to sell milk, but times have changed, and as we see it now our job is to distribute fairly the supply we have.

We sincerely appreciate the cooperation our customers have given us—and will give us during this emergency.

Our Slogan until we get more milk will be, "Buy More Bonds and Stamps and drink less milk."

Tornadoes Win Over Bulldogs Friday Night

The Lamesa Golden Tornadoes opened their 1943 football season on McCollum Field here Friday night by rolling to a lop-sided 35 to 0 triumph over the Tahoka Bulldogs. About 1500 fans watched the Tornadoes score two touchdowns in the first quarter and one in each of the other stanzas.

Left halfback Wayne Roberts led the attack against the Bulldogs. He rambled around his own right end for 42 yards and the opening score in the first two minutes of the ball game. Late in the first quarter he went 20 yards around end to pay dirt. Doyle Whitmire went around end on a 17 yard dash.

Roberts came back to pass to right end Weldon Bratcher for six points and then in the last quarter Roberts ended his scoring rampage with an intercepted pass that he carried 20 yards across the goal line.

The Bulldogs made 4 first downs, just one less than the Tornadoes compiled. But never once mustered a sustained drive or a real scoring threat.

The Tornadoes made 203 yards from scrimmage as against 97 for the Bulldogs. The Tornadoes has two touchdowns called back.

Dallas Wise, Tornado quarterback, exhibited the proverbial educated toe as he kicked five extra points to match the five Tornado scores.

Coach C. V. Hill reported that he played about 30 boys during the course of the game. Everyone on the Tornado squad participated.

Certificate Of Transfer Used In Truck Sales

After September 15, 1943, both buyers and sellers of used trucks must sign a certificate of transfer needed, known as OPA Form 694:457, which is required by Revised Maximum Price Regulations. When properly filled out, the certificate shows the terms of the sale and declares that the maximum price regulations have been obeyed.

Copies of Forms No. 694:457 may be obtained from your Local Rationing Office.

Each purchaser of a used commercial vehicle is requested to submit a Certificate of Transfer to the War Price and Rationing Board when he applies for a gasoline ration. This does not apply, however, to a dealer purchasing a used commercial vehicle for resale.

In order to avoid delay in securing gasoline rations, the Local Board is asking each purchaser of a used truck to present the Certificate of Transfer when making application for gasoline.

Truck Dealers may secure Retailer's Bulletin No. 44 from your Local Rationing Office.

Mr. and Mrs. Charles Tarter have gone to Snyder for the week end and will return Tuesday.

Aaron Beck Awarded Only TKO at Match

Aaron Beck, son of Mrs. Mammie Beck of this city, was awarded the only TKO, recently at a match in Fort Bragg, North Carolina, where he is stationed.

His opponent, Ralph Calhoun, from Denton, Kentucky, was unable to come out for the third round. It

was a "give and take performance" throughout the first and second rounds. However, lack of conditioning held the "rebel" in his corner at the bell.

If one-third of the annual food waste in the U. S. could be avoided, it would be equivalent to adding between eight and nine percent to the total food supply.
